

Come to Me (song by Clare)

August 13, 2018

Come to Me
Can't you see
Just how much I love you?
Here you're free
Just to be
All you've ever hoped for.
Now you're home
You're not alone
Your family adores you.
My Daughter, I welcome you Home.
Can you believe?
And just receive
Truly You're My Daughter.
Bride of Christ
His sacrifice
Has formed you in His glory
This is your home
No need to roam
For all your dreams are real here
My child you are finally Home
Now rest in Me
I've set you free
From fear and condemnation
Your shining heart's
Been set apart
For endless celebration.
In harmony
Our family
Will live life to its fullest
My Daughter, rejoice! You are Home.
It's time to rejoice now,
It's time to rejoice now
With angels we're singing,
With angels we're dancing

Heaven's rejoicing,

All Heaven's rejoicing
We're singing and dancing
Forever rejoicing, forever rejoicing
It's time to rejoice
