

# Still The Same

---

October 22, 2014

Still the same.

I never knew You but You knew my name,  
I never called You but You always came,  
You never left me on my own.

Still the same.

You always waited but I never came,  
I know it hurt You how I used Your Name,  
I never knew You really cared.

Refrain

So cover me,

I know Your Mercy's always there for me.  
I don't deserve You but You cover me,

Still the same.

Still the same.

I'm always turning but You never change,  
You come to help me when I'm blind and lame,  
You come to settle all my fears.

Still the same.

That you still love me though I cause You pain,  
I know I only have myself to blame,  
And You forgive me even so.
