

The Shack movie & Fruits of Caring for the Poor

March 9, 2017

May His kindness embrace you, may you find rest in Him dear Heartdwellers.

Well, today was my birthday. And I know you're all wishing me a Happy Birthday, so I've got that. Thank you. And the same to you.

But, I had a really wonderful day, I have to admit. Most of my birthdays, looking back in the past, were NOT good days! This one was totally an exception to the rule.

'Thank you Lord, this has been such an awesome day! What a joy the whole day was! Amazing! One surprise after another. I can't remember when I've had such a wonderful and rewarding birthday! You have been so gracious to me.'

Jesus answered me, *"It is My joy to be gracious with you, Beloved spouse of My heart."*

Oh, a thousand thank yous could never express my gratitude.

"No, but your faithfulness to My heart reveals it very well. I know how you are feeling and I hoped this would be that kind of day for you. You even took the frustrations well. Thank you for trusting Me."

Yes, there was a moment, a rather important issue came up and the fear and intimidation came after me. It lasted only a few moments and then my calm and peace returned as I saw and heard the Lord, and He said, *"Don't worry about it. I've got it covered."*

Well, I am here in Your arms now, Lord - so calm and full of joy. Oh, such a sweet place. I have to also thank my dear friends for such a special day. It is something to remember.

'Lord, I can't believe the music has been flowing so freely. Anything to do with giving to the poor of Nicaragua?'

Jesus answered me, *"Yes, very much so. That and your obedience."*

And what He's talking about with the obedience is, beginning the day playing music. Those of you who have been with me for a while know that I begin the day with prayer, normally.

So, I answered Him, 'But I can't come to You first thing in the morning to pray as I would like, since you've asked me to play music? This concerns me.'

He answered, *"Obedience is better than sacrifice. I am doing something new and special in your heart. Can you not perceive it? The mornings are important for you and your calling right now. I love to get together in the evenings and isn't it fruitful?"*

Yes, You are here, Lord. And I am deeply contented in Your presence. And I have also been working on the keyboard.

He answered, *"You're coming along, dearest. I love your instrumental pieces and I also love the idea of you singing behind them when you feel inspired. But for souls, the instrumental music gives Me breaks, to do as I please with them. They are Important, too."*

I wondered about that, because I've been listening to Julie True for worship music. And I noticed the Lord has been picking a lot of instrumental pieces. And I wondered - why is that? And He explains it here.

He says, *"They are important too. This music, coming from your heart, directly connected to Heaven, is anointed to pave the way for My presence and indwelling of a soul. It expresses My heart so very adequately, in all its various moods and feelings towards My loved ones."*

"By the way I have many wonderful surprises for you. This is only the beginning. Are you enjoying the flutes?"

Immensely.

"Yes, worship with them, you've got the right idea."

And that's what happened to me today. Erik the flute maker was sending me a couple of flutes in different keys that I needed for matching up with the keyboard. And he's amazing. They got here in two days, but they arrived on my birthday and that was so exciting!

So, they arrived at my door in a beautiful bag. He chose some wonderful, mellow flutes that I can play and record in my songs and I'm thrilled. This is all new to me. I've always wanted to play the flute and now, so many things are falling into place, almost effortlessly.

They will be a very tasteful and passionate addition to the keyboard. I really love doing lead parts and improvising. Especially when angels are onboard teaching me.

That really clicked for the first time in the Divine Mercy Chaplet. The Lord told me that He had assigned a choir of angels to help me with the arrangement of different instruments on the Chaplet. Wow! They sure did an awesome job! Oboe. Cello. Flute. Violin - all kinds of instruments. That was my very first recording project. I look back on it now and KNOW beyond a shadow of a doubt, angels were responsible for this.

My dear Heartdwellers, if God is calling you, He will send angels to help you, to equip you so you can work on a much higher level than your skill level. I was just starting out, and what He did was SO amazing! I mean, I was just REALLY starting out. I had JUST been given the gift of music.

The Lord continued, *"So. Getting back to Nicaragua, Clare. You made Me so happy. I could not help but bless you with new melodies, they just flew out of My heart to yours."*

They are beautiful, Lord, thank you!!!

He gave me three new melodies, two with lyrics or the beginning of lyrics plus several improvisations on the "Have It Your Way" that song I put up the other day without vocals.

He continued, *"My people, when you go out of your way to take care of others, you resemble My Father in Heaven and I cannot help but to recognize Him in you. And Oh, how I love Him. Your deeds of Mercy qualify you for more and more anointings. No, this is NOT about works righteousness, this is not about earning rewards. It is about caring and loving those who have no way of rewarding you."*

"When you use the resources I give you for those dearest to My Heart, whether it be time or money, whatever gift you have, it sparks abundant love in My heart that causes Me to erupt with blessings into your lives. Clare has reaped the sweet benefits of that caring, both in her music and in her family. I have brought her children back into her life to work in her mission and this is a gift beyond all gifts for her."

Wow! It sure is. And He was saying that, some Scripture came to mind:

Jerusalem, your children were led away by their enemies; they left you on foot, but God is bringing them back to you, carried in royal splendor. Baruch 5:6

"Your children will return to their own land. ... There is hope for your future, declares the LORD, and your children shall come back to their own country. ... the LORD, 'plans for welfare and not for calamity to give you a future and a hope. Jeremiah 31:17

Oh Lord, never can I thank You enough for such a treasured gift.

"And there is more to come," Jesus continued. *"And I will protect you from those who see and hear and begin plotting destruction. What they dig for your family to fall into, they themselves shall reap and not escape what they have tried to sow in the lives of My faithful ones."*

"I have so much good planned for you; this is only the beginning."

And to me? The good is being able to communicate about the Lord. And reveal His sweet nature to everyone. How wonderful He is; what a best friend He is. And, hopeless romantic, as well. But in the purest sense, because He is deeply in love with His Bride.

Jesus began again, *"Now about the film. (The Shack)"*

Yeah, we went to see that the other night.

"I do not wish for My people to miss the forest for the trees. My Father is male, My Spirit is male in gender. Yes, yes, yes...all this is true."

"But now I wish for my people to look beyond the obvious. Satan has deliberately ruined fatherhood and made it a horror in so many families. For this reason, I am avoided because I am both God and Man. It has become an issue that causes some to avoid Me because of My gender."

"This movie, while not accurately portraying My gender, has done very well indeed portraying My Loving Character. I would advise you, My People, My Children, do not ever fall for the idea that I am a

woman. "But there is no woman on Earth who can equal My tenderness and concern for each of you. Is it not written,

"Behold, I extend peace to her like a river, And the glory of the nations like an overflowing stream; And you will be nursed, you will be carried on the hip and fondled on the knees. As one whom his mother comforts, so I will comfort you; And you will be comforted in Jerusalem. Isaiah 66:12-13

"Jerusalem, Jerusalem, you who kill the prophets and stone those sent to you, how often I have longed to gather your children together, as a hen gathers her chicks under her wings, and you were not willing."
Luke 13:34

The Lord continued, "These are metaphors, My People. This is not to be taken literally. It is to be understood that I am gentle, tender and nourishing, attributes normally assigned to the mother in the family. But discarding archetypes, I AM all that is - including the attributes of a woman or I could not have created her. If I did not know or understand and embrace the specific attributes of a mother, I could not have created a woman, or a family. But as it is, I have established who and what woman is: that tender, nourishing element may be in the center of the family to hold it together.

"Satan has perverted this to the maximum and done all he could do to destroy the family. Yes, he hates Me, he hates mothers and fathers and takes great delight in separating families, which then become prey for him.

"But let's be very clear about this. I AM the male principal, masculine, your Creator. I have created you to receive Me, and that is why I liken each of you to My Bride, because you have embraced Me and received from Me all that is in your lives. I created you to receive life from Me just as the masculine element gives life to the woman and a child is formed in the womb.

"And please - do not pervert My words. This has nothing to do with sexual reproduction; this has everything to do with receiving all that I give you and bringing forth new life with your gifts.

"When you worship, your hearts open to receive grace from Me. When you study My words, your mind opens to receive My instruction. When you minister, I call you to mother and shepherd your flock, to be My ambassadors of love which was shed in your hearts that you may sow it abroad, that others will receive this new life and be reborn in Me.

"Yes you are receiving from Me and giving birth with your gifts new life to the broken and lost. This indeed is the paramount element of motherhood.

"So, this film has some good elements in it. You can see from the scene at the throne what it cost Me and what I was willing to give to keep you from Hell. This is portrayed very well. I wish for you to stop straining at gnats and swallowing camels, My people.

"The poisonous root in the center of the man's garden was bitterness. I have taught you before, that you must not allow this root to grow in your hearts. The tiny lilies of the valley represent forgiveness and new life in the Spring. When one is wounded, there is a tendency to bitterness; but when one forgives - their hearts are enlarged and healed.

"Do you understand? As real as this movie appears to be, it is still only a movie and the three persons portraying My Threefold nature are merely examples of the attributes of My Godhead.

"So many have been brutally injured from fathers. Betrayal, abuse, violence, selfishness, neglect, abandonment. Fathers have been destroying their children from a very early age. It is usually the mother who remains faithful to her offspring. Many will not consider anything good about Me, because they have been deeply wounded by their fathers or the men in their lives.

"So, I am asking you not to be missing the very essence of the story: forgiveness, letting go, planting life's disappointments with gentle resolve and allowing Me to bring sweet fruit from the bitterest losses in your lives. Coming to Me as a familiar friend, trusting Me to help you walk upon the stormy waters of this life and refusing to sit in My place on the throne to judge your brothers and sisters.

"All these points are valid and biblical and portrayed very tastefully. So, I ask you to know, without a shadow of a doubt, My masculine nature. But learn from what the characters portrayed - that I love you as a mother would, unconditionally. My Spirit guides you very, very transparently and is more easily grieved than you can ever imagine. And I love to listen to you, be in your presence, play with you and appreciate life with you. To celebrate.

"I am at your right hand always and I will never leave you or forsake you. I understand your deep wounds and I am here to heal them."
