

Jesus Speaks On: What Is To Come After The Rapture, Part 1 Order of Events

March 2, 2015

Lord, we ask You to impart courage and strength to us. And for those listening after the Rapture especially: Courage, Peace and Trust in the Lord. He has wonderful plans for us.

Well, this is a really different message tonight. The Lord has shifted gears - He's talking more about what is going to happen AFTER the Rapture, and He's talking about the things that He's going to allow to happen to America and to our continent, and the things He's NOT going to allow to happen. And what He has in store for America after the Tribulation.

So, just a little background on this, I really have been yearning to know more about the sequence of events and to have an understanding of how all the puzzle pieces fit together. And it finally came to a head yesterday when I cried out to the Lord, and I said, "Lord, please...please. Have mercy on us and share with us what Your plans are." And He did. And it was rather funny the way it all started, so I'm just going to begin reading it to you.

I had a Communion service and afterwards, when I had received communion, the Lord said, *"I will instruct you about these things."* The Scripture that came to mind was, "This poor woman cried aloud and the Lord heard her."

"But I have done nothing to deserve this knowledge, Lord." You know, like...fasting for weeks...all the things that prophets are supposed to do, right? I haven't done anything like that. So, I don't deserve this knowledge, but I sure would like to have it anyway!

Anyway, He said, *"Do you think, for one moment, this depends on your righteousness?"*

And I thought for a moment, and I said, "Well I guess maybe I do."

"Well, you are wrong. All depends on My Mercy. My Love. And I have chosen to be merciful to you tonight."

"Lord, you are merciful to me every night."

"True. But why do you suppose you want to know all these things?"

And I thought for a minute, and I said, "Because You put the desire there?"

"How did you guess that?" He said smiling.

"Oh dear, God, please help me hear clearly and accurately and to believe. "

"A very wise prayer My Love."

"The Destroyer - the planet Nibiru - will not come until the end. The things you have been shown are to happen after you are taken. This will be a record for some that they not lose hope but see clearly that I am in control, they can take Me at My word, and it is not hopeless."

"I want mankind to have confidence in Me and My Mercy. That is why I have foretold these events...at least in part. To have some kind of roadmap that will give them security, they can see things unfolding and will know I foretold and am in control. I already said that, didn't I?"

"Yes, Lord. You did."

"Well, I am repeating it because it is so important that men not fall into despair. The temptation to fall into despair will be very powerful and by this the Devil will snatch many away in his grip."

"You must know, Remnant of Earth, there will be an end to the tragedy and the day will come when all is restored in pristine purity and evil is harnessed. In those times, whatever evil emerges will be from the hearts of men, not demons. And there will be a baptism by fire to cleanse the Earth and the hearts of men. It will never be forgotten by those remaining alive."

"And yet as time goes by, men will forget as they did at the waters of Meribah and again I shall be forced to purify the evil from Earth - this time for good."

"The Destroyer (The planet Nibiru) will not come until you are removed, My Brides. There will be a season of chaos directly after you leave in which nations will conquer nations and Marshall Law will be installed under Sharia principals. All that do not renounce Me will be slain. All that take the Mark of the Beast, they will perish. Know that My Mercy shall know no boundaries for those who call to Me in these times."

I want to say something just aside here. There is a technology now, that if you take that Mark, they can actually affect your thinking. They can deprive you of thoughts about God and cause you to think more logically, and to have scorn and contempt to reject Him, simply by stimulating parts of the brain electronically. They can also instruct you electronically to go into a mad frenzy and to kill whatever's in front of you - to fight and to kill.

There're so many things that can be done now, the technology is way, way, way advanced. And anyone who takes that Mark is going to lose their mind, literally. Their mind is going to be in the hands of the government, and whatever the government wants...well. That's what you'll be doing, because you'll be stimulated in that way.

The other thing is, that it is written in Revelation (in the Bible) that those who take the Mark are going to suffer terribly - pain, like the sting of the scorpion for many months. And they'll want to be dead, they'll look for many ways to die, but they won't be able to. This is written in Revelation.

And for those of you who didn't believe the Rapture was real...well, it WAS real. And the next thing is the Mark - that's real. And that suffering from having the Mark is real, plus you'll never be able to repent and receive the Lord - it'll be the end.

So **DON'T TAKE THE MARK!!**

Continuing on with His Message: *"Rise up, My People and call unto Me, and I will save you. Trust Me, trust Me, even with your heads. What you suffer on Earth will be nothing compared to those with the Mark.*

"The beasts you questioned Me about are being bred inside the Earth. They, too, will come forth to wreak havoc at the appropriate time."

What He's referencing there is the strange giants in Ezekiel's dream that I just posted a couple days ago. And I thought about it for a minute, and I thought, "Oh my God! The animals! How they are going to suffer!"

And the Lord picked up on my thought, and He said, *"The living will envy the dead. This goes for every species, not just man. Do I not love each and every creature with tenderness and devotion? Do I not provide for them every day: water to swim in, food to eat, sun to warm... My providence for them abounds. But, they will come to Me during the worst part, as many already have and are happily with Me in Heaven.*

"Clare, I love all creatures. I know how to ease their suffering. Trust Me."

"Lord, I cannot imagine how much pain it will cause You to look upon their estate in those times."

"All of creation is suffering for this sinful generation, All. It is the consummation and pinnacle of evil from the very beginning.

"Things are going to gradually deteriorate as the planet gets closer and Satan will be in a hurry to impose his agenda on mankind. There will be desperate attempts to force the Mark and the suffering of those with families will be devastating. But, I will be with them to give them strength - only just endure to the end, for the Crown of Victory awaits you.

"When people have gotten to the point where they believe there is no more hope, that is when I will come and restore all things. Right then, at the very darkest hour, I will come. As in Ezekiel's dream, there will remain remnants of technology that functions."

I'm going to take a break here and insert just a couple things. I've been looking into the Three Days of Darkness and praying about it. And, it really seems to be correct that the 3 days of Darkness will be at the very end, when the planet Nibiru comes closest to the Earth, and the poles begin to shift dramatically.

According to the dream Ezekiel had a few nights ago that I posted - about those strange creatures and the man that had to be turned upside down for the breathing apparatus to work, 'cause the fluids had to go in the opposite direction, there's going to come a time in the 3 days of darkness, and the flipping of the poles that will be... well, demons and terror will just abound on the Earth.

But the very moment the Lord sets His foot on Mount Zion, that will be the end of those demons. His angels will go throughout the Earth and the air and He'll destroy - they'll destroy every demon. Or bind it. As the Scriptures say, Bound for 1,000 years. That is definitely going to happen.

But that will happen after the three days of darkness, which will be ended by the Lord coming with His angels. That's what I believe.

So, a lot of people wonder, "Well, what kind of technology is going to be left after all this devastation?" So, that's where I'm going to pick up on this. And Ezekiel's dream.

"There will remain remnants of technology that will function. I have protected this because there will be a need for communication. I will continue to use the Internet, radio and other media to reach My People with a message of hope. All will not disintegrate, as you suppose. And I have not allowed for the E-bomb that fries all technology."

"I really wondered about that, Lord."

"No, it is much more like the movie you saw." (10.5 Apocalypse)

And in that movie, guys, the continent of America was being divided in half - there was a helicopter flying overhead, observing the whole thing.

"The Rapture will be the beginning of the End. All are waiting for that. Not only Christians, but the evil ones as well. They will take advantage to install their system because of the disappearance of many. Yet it will take time. There will be intervals of peace."

"Your country will not be completely destroyed - land masses, earthquakes, the separation of the continent will not happen until the end. In the meantime, there will be war on your soil. I have told you about Miami. Do not listen to other voices. What I told you is accurate."

What He said about Miami is that, when a nuclear weapon is used on the city of Miami - He will be rapturing us within that day. Or week, possibly - but I'm pretty sure it's within that day, the same day. And this really fits with the other dreams that He's given us.

For instance, when Ezekiel was taken up in a bus during the Rapture, he observed thousands and thousands of warriors descending down on the Earth. And the Earth was in chaos - there was smoke rising from the Earth.

So, what's He's basically saying is, there's going to be a nuclear event - or several nuclear events - and we will be taken from the Earth right after that. So, He's repeating that 'cause, you know, I'm human and I think to myself, 'Was that word really secure? There're so many different scenarios out there, Lord. Was that really You telling me that?' And He's confirmed several times that Miami is going to be the key.

And, for folks who think, 'Well, it's written: no one knows the day or the hour.' Well - no one knows the day or the hour that Miami is going to be bombed! The Russians could plan it for one time, but technology could fail and it wouldn't work, so they'd have to pick another time. Or a bunch of different things could happen to thwart them from knowing exactly the day and the hour that that's going to happen.

But He's saying that that's a sign to you - "lift up your heads because your Redemption draws nigh."

That also fits with Matthew's rendition, 24th chapter of Matthew, that after this time of extreme chaos, the Lord will come.

"Lord, I'm sorry for giving in to other ideas and being weak. Please help me to have complete trust and confidence in You. Please."

"Your confession moves My heart to tears. (And I did see tears streaming down His cheeks.) You are not alone, you know. What I mean to say is, that the forces are working against you to cause doubt and scruples. But I have heard your cry, My Love and I will help you.

"Clare, look at Me."

And just at that moment I went from looking at my computer screen to looking at Him. He was right behind it, sitting right behind it looking at me. And His face became SO visible I could almost touch it. And His eyes were SO tender, I said, " Lord, you are so beautiful."

"I'm beautiful for you, My Bride. And for My Brides. I love and cherish you all despite your many flaws and weaknesses; your heart is for Me alone. And for that I am eternally grateful, for never will I forsake you."

And then He addressed my "wishy-washiness", or sometimes my doubting.

"Sometimes you make an error in your own mind. But most of the time, almost all the time, you are hearing Me correctly. I want you to rest in that. I know you are trying very, very hard not to insert your own agendas, your own thoughts, or ideas, scenarios or what you've heard from others. You have tried to keep it pure. I will honor that. I will give you details that are highly accurate."

Then He continued on with the instruction:

"Even now Russia is planning to strike your country. Even now they are seriously stalking the American continent. They have many in place here in America. Weapons are hidden in the forests. Underground entrances will be opened up on American soil and artillery and other weapons will emerge. It will be for the most part a conventional war."

Well, what He is talking about is after the initial nuclear things that we see happening - Miami especially was the nuclear event. And it seemed like there were other nuclear events, too, in several of the visions I had. What He is saying is, they're going to move in on our soil, and there's going to be conventional war here on our soil.

"Yes, I have been so confused about NYC - is it going to be nuked or flooded by tsunamis?"

"It's going to be nuked."

"But what about all these ideas of tsunamis and quakes, that other people are having?"

"What will be left will go down underwater, it will actually happen simultaneously with the bombs. It will

be both."

"Oh, Jesus. I feel so badly for all the innocents!"

"Yes, My Love. All the innocents. But, remember, Clare - I love them more than you can possibly imagine. I will take them quickly and mercifully. It will be for those who remain a hell-on-earth scenario."

When I talk about "innocents" I'm talking about the children that are born after the Rapture, the animals. People in wheelchairs or mentally handicapped - you know. These people are innocent.

"You saw the Koreans and Russians. They will be in many areas, as well as American Muslim recruits - that will be treacherous. People will lose faith in humanity because of the betrayals of their own kind."

"These recruits have been convinced they are doing a good thing by killing every man woman and child in the name of Allah. They will find a vent for their anger at mankind and the hard lives they lived because of the selfishness of many - the inequality, being rejected and looked down upon. They will be dazed with blood lust. And there will be no stopping them without lethal force."

"Yet, I will have My pockets of survivors, those who have not bent the knee to Baal. I will protect them, but they will suffer much. They will be tried by fire and when I come - be found worthy. This will be a very small percentage of mankind. Your family will be among those survivors. Much of what you taught them growing up was preparation for this time. There will be much brokenness and repentance among them."

"What you left behind for them will be a goldmine of instruction, but My Spirit will be with them and much that they do will be because they learned it from you growing up. They will be healed of their bitterness and judgments as the realization dawns on them that you were both right."

"Thank you, Lord. Thank you so much."

And as a note on that, we get a lot of scorn and contempt for believing in the Rapture, the New World Order and the whole thing. And our children are no different. One thing I taught my children growing up was to rely on the Lord and to pray in every situation and to count on His help. And that may be what He's talking about. Plus, we lived in out-of-the-way places; we lived in the wilderness quite a bit.

"Most of these things you have known as I have spoken to you along the way. Much of what you think are your thoughts - are Mine. They are weighed and balanced with much consideration of truth. Truth is your plumb line and as long as you hold to that you will not err."

"Lord, what about Yellowstone? It has the capacity to destroy America."

And here I want to say something very quickly before I get into what He said - because I forgot about this until just now. After I saw the movie about Yellowstone - the super volcano movie, I was very shaken. I really wondered what REALLY is going to happen. And I went to the Lord in prayer, and the answer He gave was that He would have Mercy - there would be Mercy. And I'm not just talking Mercy for those who are not annihilated because of the huge area it's going to effect. He's talking about...He's going to do something. He's going to intervene with Yellowstone so that it will not be as bad as it's predicted to be.

Not anywhere near as bad. And this is what He said:

"There is a pattern in Yellowstone. The main caldera will erupt, but it will be on a much smaller scale than is anticipated. This will be My doing. My Mercy. However, there will be many new outlets for the magma, much like Kilauea. The magma will bubble up from underground for many miles, just as you have seen in the vision."

What He's talking about here with "the vision" - I kept seeing an eruption in Wyoming but on a much smaller scale than what has been shown as the 'super volcano'. After the eruption - kind of like Mount Saint Helens, but in the surroundings it was miles and miles of streams of lava, just like what's been happening in Kilauea for decades. That's a far more tame response than what we're expecting from that volcano.

"I still have plans for America. I will break and humble her, but I will also restore. I wound and I bind up. Yes, this land is corrupt and has led many into heinous crimes, but still there is a remnant of goodness, which I shall increase. I will not totally destroy her, only severely break and reorder her thinking."

"Yes, there are groups of militants that will fight for liberty. They will be much like My people when they conquered enemy territory in the Promised Land. I will be with them. I will fight with them and protect them supernaturally, because of what they stand for. They will be the backbone of this country when she is restored. There will be many heroes and saints among them."

"But, Lord, I thought You viewed this whole thing like the *Mission* movie, where you just allow yourself to die rather than take up arms?"

"Not so. I will empower these men and be with them. Again, for what they stand for. There will be skirmishes and wars round about. I have some very talented warriors planted among them. They will rise up at the appropriate time. They will be endowed with supernatural wisdom because they will rely on Me, not on their own devices."

"The cities will not be safe. The wilderness will be much safer. Yet, there have been prepared creatures that will seek out humans and hunt them down in the forests and ravines. This is where great wisdom is called for. Many will use My Name to defend themselves from these creatures and I will work on their behalf. Monstrosities of nature, bred and tailored to seek out and destroy."

So, I want to break away from the message for a moment, and tell you about a real life episode of two young men that were in a young adult group in Montana, when I was there with my children. The one man had just been saved the day before. He and his brother were going for a walk in Glacier National Park. It was Springtime, early, early Spring.

They just rounded a bend when they heard the unmistakable sound of a grizzly sow, who they assumed was protecting her cubs. As they looked, she was at a full charge only about 40 feet away.

They said, "All we knew to do was call on the Name of Jesus, so in that moment we both simultaneously said, 'In the Name of Jesus, STOP.' And in that moment, she halted immediately, throwing up a cloud of dust. Then she grunted and lumbered off in the direction she had come from.

So use the Name of Jesus. I have seen so many miracles using the Name of Jesus - things that you cannot control in any other way. Use the Name of Jesus - it's POWERFUL.

So, after He had shared those things with me, He reached out His hand and placed it over mine tenderly.
"That's all for now, Clare, this is only a start. There will be more."

"Thank You Lord, Thank you for coming to my aid and rescuing me from all these converging thoughts that were bringing only confusion."

"You are welcome, My Love."

We discerned this message, we studied it, we prayed about it and we believe that this is a prophecy from the Lord.

So, God bless you Youtube family. Keep us in prayer as we pray for you.

Jesus Speaks On: What is To Come After the Rapture, part 2

March 4, 2015

This is the next segment in What is To Come. It was given to me some days ago, but due some insecurities of mine, I held it aside, wanting to know for sure that it truly was the Lord. And after many confirmations - here we are!

So, I'm going to go on with what He told me at that point.

One thing I'd like to begin with is, one of the confirmations that came - you'll probably notice that it is posted on the same page with the first set of instructions of What is to Come. And that is that, a very dear friend of ours, who has been in the Lord for over 50 years and been receiving messages from Him for that long just had a dream last night. She saw streams of lava around Yellowstone, rather than this gigantic eruption that everyone is expecting and that the Lord told me would NOT happen, because He would intervene. She also saw streams of lava, which is what I saw - I shared that with you in the last video. Just streams of lava everywhere - and the lava was pouring out peacefully, so people had time to prepare and it would not cause a "nuclear winter" kind of scenario for our country.

I'm going to move on now to the instructions that were given to me the day after the first set of instructions on What is to Come. It's very short, due to some difficulties that I was having that day. So I'm going to give you the short version, (I'm calling this Instructions 1 ½) then go into Instructions #2.

"Lets talk about Nibiru. Yes, what you've heard about the headquarters of demonic powers is correct. Yes, that is another reason for the Vatican telescope. So when they say it is to discover life on other planets, that is reasonable and not a lie. However, they know well the nature of this "life" and what it will do to Earth.

In anticipation, they have dug their hidden cities and provided them with all they think they will need to survive. This, in My eyes, is utterly ridiculous! As if I will allow them to escape the conflagration! In no way will they escape - they will die in the graves they have dug for themselves, while I will preserve many of the righteous still on the surface of the Earth.

There's still much debate among the ruling class that these so-called "helpers" (meaning demons posing as ET's - 'benign ET's') are only using them to gain access to the planet - and that they will be traitors and harbingers of destruction. Which is quite correct, I might add. But in their lust for power and technology - the "ruling elite" of the Earth - they press on into a scheme that is to be their undoing.

I replied to Him, "Kinda messed up, like - if you DO, you're messed up. And if you DON'T, you're messed up?"

"Exactly. They are caught in a trap because of their lust for power."

Here I want to say that, I believe in my own mind anyway, that these demons are capable of destroying the Earth easily. But I believe the Lord has held their hand back. You know, demons are on a leash. They're like rabid dogs - they're chained and can't go any further than God will allow them to go, and He won't allow them to destroy the Earth.

Although...the demons have used mankind to destroy the Earth, and to destroy many things. So, it's our own undoing, in a sense.

"Yet, what is missing in their thinking is ME. They are so educated and so informed that they can't relate to God being in control."

Kind of like the joke: the most intelligent man in the world who bailed out of a plane with a Hippie's backpack (I don't know if you guys have heard that?)

"It's laughable, really. The Scriptures declare that 'The One enthroned in Heaven laughs; the Lord scoffs at them.'"

I'm going to read this to you, because it's really beautiful:

Why do the nations conspire and the peoples plot in vain? The kings of the earth rise up and the rulers band together

against theand against his anointed, saying, "Let us break their chains and throw off their shackles." The One enthroned in heaven laughs; the Lord scoffs at them. He rebukes them in his anger and terrifies them in his wrath, saying, "I have installed my king on Zion, my holy mountain."

That's Psalm 2:1-6 And also Revelation 6:15 Then the kings of the earth, the princes, the generals, the rich, the mighty, and everyone else, both slave and free, hid in caves and among the rocks of the mountains.

So, I continued with the Lord - I asked Him a question:

"So, Satan being cast down to Earth will happen with Nibiru?"

"It's all part of the same event," the Lord continued. "So much unfolds in layers, but this is the final and definitive layer to descend on Earth. The most destructive one. I know this is a lot for you to comprehend, My Love."

"Jesus, would you please give me a vision - please?"

"I will." He said. And I beheld a red planet that came into proximity to Earth, something like fire descended into Jerusalem, and Satan - who took over the body of antichrist - stood boldly in the Holy of

Holies and struck the ground with his staff. Rings of fire radiated out from that point that covered the whole Earth, much like you would see if a droplet of water fell into a pool of still water.

The Lord continued: **"This is the final scene of destruction - the End is come.**

"There is Hope. These instructions I'm giving you are meant to bring people out of a nosedive of despair. They are important to Me. There will come a time when they are invaluable. Don't discount My motives - I do know what I am doing, My Love. I think you've figured that out by now, huh?"

"Yes, Lord...my bad..."

"Yes - your bad," He said. **"Let's move on."**

Okay - so now I'm going to move right on into the second message:

I get curious and I mess around and do foolish things...and I caught someone on YouTube who was talking about Yellowstone. They had a vision about Yellowstone. So, I took the bait and started listening. And then I realized, "This isn't the Lord - what am I doing?? Why am I listening to what other people have to say, when I have the Lord speaking directly to me and telling me what He's going to do? This is foolishness on my part!

So, I closed it down and repented. I said, "No, I'm going to believe my Lord - I'm not going to believe what ANYONE else has to say." And I turned it off.

Well, when I came into prayer to begin to listen for Him, for His instructions, He said:

"It was so good to hear you say that. I will never, never give up on working with you. Never. Rest assured, He who has begun the GOOD work, will continue to its completion."

You know, I believe He said that because He was intercepting my thoughts - and my thoughts were at that moment, 'Oh, Lord! How do you put UP with me?? Why didn't you pick someone else for this job? Someone You could really count on, and that wouldn't doubt You and wouldn't wobble like I wobble!'

And being compassionate and sweet and loving, and knowing that I had a little bit of fear that He would reject me, because I'm not qualified for this job. He stopped me for a moment and He told me that He would never give up on me. See how gentle and beautiful He is? And for all you guys out there that are "wobbly" like me, there's so much HOPE for you! He'll fill in all the blanks, don't worry about it. Just repent, and trust in His Mercy and obey Him. And He'll complete the good work He has begun in you.

"And yes, I do believe the word about Yellowstone is important to share."

At this point, I was thinking, 'Am I supposed to share this or not?' I was waiting to see, after the second and third message, if they were consistent and if this truly was the Lord. That was our discernment - that they were consistent and this was the Lord. So that's why I posted number one.

Then the Lord began to speak again. He said:

"People are expecting the worst and given the circumstances, I can say that is logical. What they are not counting on is My Love for America and the Mercy I will show her. Yes, among all the nations, She is one I love and still have great plans for, after she has been humbled completely and restored. Then, again I will use her.

"She is very much like My Bride and even as I exiled My people to Babylon, never did I plan on completely abandoning them. And so it is with America. Never were My plans to reduce her to nothing, without the hope of future glory. She will be used by Me again.

"One thing that truly has not dawned on the people of this country is her beginnings. Many of the founding fathers were Masons and spiritually corrupted. The entire estate of Washington (District of Columbia) was laid out on pagan principals and now these principles have come to fruition - she is reaping what she has sown. I will destroy what has been and is corrupted about her and restore to her the true heritage of her God, and she will once again be a force for the good in the world.

"Clare, when I come to rule there will be equality and justice around the world. Never again will I allow governments to repress and denigrate a human being of any race, color or creed. Although the knowledge of Me will fill the Earth and it will be her glory, still the selfishness of man will arise to take the liberties of others for the sake of greed.

"I will not allow this and it will be the turning point ... greed will be the hinge from which the good will turn to evil. But, until that time, (He's talking about the end of the Millennium here.) you have much beauty and peace to look forward to. The generations will flourish in an atmosphere of good will. The true faith that I intended for mankind will bring all into the light of My Glory and living for Me will be as easy as breathing. Joy will abound within families, villages and even cities, because the knowledge of Me and My Love for mankind will be readily available and openly professed.

"The Western United States will remain for the most part intact. And from this place will the new government arise. This is one reason why I will spare Yellowstone, that it not completely destroy the West and Southwest. Both farming and technology will arise based strictly on Godly principles and enforced by My Angels and those entrusted with governing - those who have proven themselves worthy and fit to care for all without selfish ambition and underhanded motives.

"This so contrasts what you have today springing from the occult motives instilled in Rome from the beginning. When I speak of Rome I speak of the government, not the Church.

"The restructuring of My Church will arise very organically from those chosen to lead in every village and township. They will be kept small except for the exceptional gatherings I, Myself, shall attend, to impart new understandings, revelations and ways of living in peace and love with one another. And yet, from the onset there will be those who will shy away and search for alternatives to what I have established. These will be the seed of discontent that cannot bend the knee. They will be the forefathers of those who will incite the rebellion. (at the end of the Millennium) Greed and Pride will always exist, Clare, until I remove the evil from within.

"I want to impart to you the Hope for the Future that I have. It will be a long, dark, bloody road until My Kingdom comes on this Earth, and I want all to know it will come. It will come.

"There is great hope for the generations yet to come. Peace will be established in mutual brotherly love and though nations shall retain their own identities, their own cultures, there will be no quarreling or squabbling for resources or power. It simply will not be allowed. Much in the nature of man continues to tend in that direction but I will enforce true liberty and justice for all. No one will be overlooked. Not one, not even the

littlest one, for My Spirit will search the Earth and see to it that wrongs are righted and justice is done to the poor, the little, and the marginalized.

"You will be part of this, My Spouse. I will have so much joyful work for you to do. Your happiness will stretch from sea to sea."

And here I thought, 'But the country will be divided...?'

"Yes, the country will be divided. Yes, it will be quite a distance from one side to the other, not something you can take a ferry to cross. There will be distinctly different climates, culture and industry. There will be trade between the two halves of the country. Never again will men squabble over petroleum, for the new energy system will be installed almost immediately after the purification."

Wow! I'm really looking forward to that one - no more electric bills, guys! No more gasoline bills!

"Communication will be simpler than ever. Pollution will be a thing of the past. No one will be allowed to carry on operations destructive to My Creation or to humanity. Yet, in their foolishness, men will toy with over-throwing the beautiful lives they live, and I will allow them to accumulate and band together that they may be no more on the face of the Earth."

This again He's referring to the last Armageddon, the end of the Millennium.

"Lord, I really want to understand the whole Alien agenda and how You are going to deal with it."

"The technology they possess and have developed is deviant and cruel in the most grotesque ways. All is motivated by greed, hatred, lust for power and complete disregard for all that is good. I will totally destroy and wipe out every single one. There will be no more influence from these treacherous demons and their perverted technologies that vie with Me and declare they are capable of creating life. They are only capable of destroying life. Period.

"What your government has bought into will cost them irreparably: their lives, their souls, their offspring. And never again will they rise to power. The whole world will be turned upside down and emptied of all evil. This I will see to when I come. The three days of darkness will come just before I do. This is when all men will be on the brink of despair that there is no longer any hope at all. This is when I shall dispatch My angels to bind and destroy every wicked agent and agenda of terror and destruction.

"Life will be so new at the end of that period that it will seem that Eden has been restored to the whole Earth and the brightness of those days will declare My Mercy and Glory. And spontaneous regeneration will occur in many places on the Earth. It will truly be a new dawn where wickedness

reigns no more. People will look for violence and wickedness, but all will be put to rest - they will not find it."

"But what about adulterers, liars, thieves...etc. that cannot enter the holy city?"

"There will be massive attempts to rehabilitate those with twisted lives. My love, My kindness and My Mercy will cleanse those who are willing and they shall be healed. I will spare no resource to help them into a new life. But sadly, many will still hold to their old ways of doing things and eventually be punished. I cannot allow evil men to reproduce evil in My Kingdom. They will be stopped before they can corrupt those who are following what is right and good."

That is, with the exception of what He allows at the very end of the Millennium and the final purification of the souls of the Earth.

"Transportation will not be only for the rich anymore. All will have an equal right to the things needful to fulfill their own destinies. Those who have succeeded in the past and hold to My Laws, they will be put in the position of raising up others who will rise to fulfill the very thing they were born to do.

"There will be no hindrances, no politics, no favoritism, no bribery - nothing of the sort will be allowed to exist in My Kingdom. All will have their share and what is needful for a happy life. You see, communism had these ideas as well, but because of the corrupted nature of man, it was bound to fail. Nothing of the sort can thrive, grow, and last without My Law and Order. Man will always tend towards selfishness and those who are succeeding will be trampled down by others who are stronger and want to steal what they have built up.

"OK that's enough for tonight. Agreed?"

"Yes, agreed. Thank you Lord."

"Thank you, My love, for listening and writing. These are important things I want to tell many to help them persevere in the darkest hours of humanity."

And that's the end of the message. Thank you, Youtube family for listening, and the Lord bless you and keep you, and please keep us in prayer as we do this important work for the Lord. You just wouldn't BELIEVE the opposition we've been getting! But the Lord is faithful - He overcomes everything.

Jesus Speaks: After the Rapture 3&4: How to stay under God's protection.

March 5, 2015

Part 3:

"I have been listening to your heart and you are dealing with many forms of demons posing as E.Ts. And Clare, I must tell you to stand convinced, not one of them is good. They are all fallen angels working against Me and humanity. Some put up the facade of being good, but

don't be fooled - their agendas are just as wicked. They just manage to get more deeply entrenched because they are disarming.

"They are far more dangerous than the grays. Oh, how I hate this subject. Nonetheless, I do not want you to remain ignorant."

He really does hate this subject, guys. When I start poking around on the Internet, wanting to learn more about these despicable creatures, He is so grieved. I have to stop what I'm doing because it's just disgusting to Him.

"Every single one of them are extremely evil. There is not one good thing about them except that I can use them to make My people more holy and stronger. They actually are My vassals. Thinking they are doing things independently, they are carrying out what has been planned from the beginning of time."

I had to look up Vassal, guys: a person or country in a subordinate position to another "a much stronger nation can also turn a weaker one into a vassal state." In other words, the Lord is using them for His own purposes.

"They come in different shapes and sizes as well as ships that are different from one another. You were thinking the ship that was sighted over Phoenix and Arizona came from Nibiru to look around on Earth. That's not so. That was a government exercise, that's why the military didn't get involved even though there was so much time in which for them to act.

"Are you with Me, My Love?"

"Lord, I'm wobbly, feeling insecure about discernment. Is it really You, Lord?"

I told Ezekiel and he said that I need to push through, that the Lord was talking with me.

"He's right. You need to push through. When you are finished and go back to read this, it will make more sense to you. I love you, and I'm sorry this is so hard, but part of it is your over stimulated emotions."

"I have wanted to talk to you this way for a long time."

"But..."

"You weren't ready and I knew it would be difficult to convince you it is Me. But I have taken you to task because I need you."

"I could have chosen someone else you know."

"Yes, Lord, I know very, very well and I don't know what to say except I'm a piece of work."

"OK. Back to work."

"The people are still misinformed about what they are dealing with. They (demons disguised as ET's) are very crafty and able to take advantage of people's weaknesses. They blithely invite them in not realizing that they are a force to be reckoned with. And putting a few 'grays' down to impress them is nothing, except the opportunity to pull the wool over their eyes and convince them that they are benign."

"Lord, I'm tired. Can I rest my eyes?"

"Clare, let's proceed."

"OK."

"Part of this 'tired' is unbelief and laziness."

"Ouch."

"Well, at least you are persevering. I'll give you credit for that."

"You know I can't take credit for what you do, Beloved."

"You're a smart one." He chided. "But actually, it's your love for me and obedience that is keeping you here."

"Awww..."

"I'm only speaking the truth. So, let's move on together, OK?"

"I'm all ears."

"Much of the mass confusion that is going to fall on the Earth will be the newness of all these different breeds of clones."

"The confusion they sow, by being many and varied, they will take advantage of. And yes, they do have the capability of destroying planet Earth. But remember, they are dogs on a chain and permission will not be granted. I love the Earth, Clare. She is beautiful, a masterpiece - and I will not allow her to be

destroyed."

"But what is that about a new Heaven and a new Earth?"

"I will make them new and what was once will no longer exist or be remembered.

"It will change instantaneously according to the vision in My Heart. And all men shall see the Glory of the Lord. What was will be no more, all things will be made new."

"What about the sea creatures?"

"There will be lakes, everywhere. No more need for violence, no more violence in the atmosphere, because there is no more rebellion of man. Everything will be a pristine Garden of Eden.

"Men will mine the Earth, but not in a destructive way. On the Earth every metal and substance necessary will be available to man. All hearts and all projects will be directed to glorifying Me."

Okay, that's the end of Three.

Part 4:

Things were a little bit sketchy this evening, static-y...

"Lord, it is a full moon, I feel a lot of resistance and static. It took me longer than usual to be in the right place and receive Your words in faith tonight."

"You are going to have to listen more carefully."

"I'm sorry."

"Well, now that I have your attention let's go on, shall we?"

"Oh, Jesus thank You so much for that confirmation on Yellowstone! Wow, thank You!"

And I think I might have mentioned that in the last video, guys? A good friend of ours had a dream about Yellowstone, and in the dream there were rivulets of lava - streams of lave flowing out of Yellowstone. It didn't blow up the way it was supposed to, because the Lord intervened.

"You are going to come to believe Me more and more as these months go by. You will be shocked by how clearly you have been hearing Me but didn't realize it. A little more repentance goes a long way, but mostly MY Love, more confidence in Me."

I'm going to stop here to say that when He said, "As these MONTHS go by..." I was not a happy camper! Like everyone else, I was expecting the Rapture to happen maybe this Easter. On the other hand, while I was editing this just now, it occurred to me that "months" could refer to us seeing it from Heaven, as the "great cloud of witnesses." So, that still doesn't pin the Rapture down, really...

"Alright, so Yellowstone is just one instance of My Mercy at work. The prayers of the Christian people have mitigated much that Satan wanted to do to completely annihilate the Earth. Not only that, but they have had an effect on those who are going to be taken and saved. Silence is deadly right now, it is time to shout out from the rooftops, 'Your King is coming, your King is coming!!!'

"By the time planet X becomes visible, it will be too late for mankind to do anything about it. They will be at the complete mercy of happenstance (something that happens by chance) and of course My Mercy, which most will not engage.

"Those who shall survive in the rocks, crevices and ravines, I will supernaturally protect and provide for. Their spiritual growth will blossom exponentially because all that they do will be reliant on My Provision.

"There will be multiplication of food, healings, water and all manner of protection for those who turn completely to Me. By the time I come and it is over with, they will truly be purified like gold and silver shining in My kingdom as saints. I have chosen them for this hour and most have a premonition that something much bigger than their lives have been is coming for them.

"Some have prepared, others are just awaiting circumstances. Most are not as yet Christians; they do not know Me, although they have heard My voice in their hearts. The legalisms of churches have kept them from Me, along with their fondness for freedom from laws and rules.

"But all that will change when I come for you. There will be searing conviction amongst the relatives and especially the children and spouses of those I take. It will go deep, deep into the depths of their hearts and divide bone and marrow. Then, as the purification of Earth advances, more and more will have a passionate love for Me and righteousness - it will blossom and overtake them on the way.

"Many will cease to care about living and be ready to die to be with Me. They will be envious of those who have been raptured. But not for the common motive of escaping suffering, rather for the burning fire of love they feel for Me. Yet, they will persevere in what is laid out before them.

"The more My children rely on Me during this time, the more miracles they will see. The more they rely on their own flesh, the more in danger they will be. I operate best with total faith. It causes a vacuum that only I can fill, whereas providing for themselves will weaken My ability to intervene. More and more they are going to rely only on Me. More and more things will become more desperate and they will have little choice. The sooner they come to terms with that, the better it will go for them.

"I will not give them over to defeat, rather I will be with them as I was with David when he fought Goliath. As they pour over the Old Testament, they will find example after example of battles where My people were outnumbered 10 to 1 and yet My right arm won them the victory. And as they confide their trust in Me, I will bring it to pass.

"There will be traitors among them. They must learn to know one another by the Spirit. Many will attempt to join their ranks. But I warn them now, do not accept anyone I do not approve, no matter how dire or urgently they present their request.

"You see, they will use good will against them, to pry open the group. Then, because they are not of like

mind, they will undermine everything that they do. Do not allow anyone into your ranks that I have not approved of. Use the system of lots and pray Holy Spirit to choose, put your confidence in your flesh completely to death. Put your confidence in Me totally. I alone know the hearts and motives of men and women and even children.

"The Devil is underhanded, he will use your goodness against you. Rely on Me and not your own human reasoning.

"There will be times when you will look at each other and say, 'We're going to die.' And yet, because you put your hope and trust in Me, I will move on your behalf and rescue you. I will make you invisible to the enemy, and fearful to the beasts that will be bent on destroying you.

"Remember always to use My Name. There will be times when the enemy is combing the forest looking for you and they will walk right over you and not even know it. I will make you invisible to them. There will be times when I will cause panic in the ranks of the enemy and completely turn them off your trail.

"I have many ways, My children, of saving you. Many, many ways. There will even be times when the ground will open up to hide you.

"Never give up, trust in Me and My love for you, for I will be with you. The power of the Blood...plead My Blood, 'The Blood of Jesus cover and protect us, make us invisible to the enemy.'"

I sense here He is talking about heat sensitive drones seeking you out - calling upon the Blood to cover you and protect you so that you aren't seen.

I remember when my oldest son had to have emergency surgery at six months old. His small intestine telescoped into the large intestine and he wasn't able to eat or drink anything without violent vomiting. While he was in surgery, I was praying and I saw a red demon hovering over his little body. I heard, "Raging infection" and so I pleaded the Blood of Jesus over his little body, and try as he might, that demon could not enter the body - it kept hitting a clear polymer-type shield and bouncing off. Thank the Lord, the operation was a success with no complications of infection. The Blood is powerful! Use it.

"Those who are well equipped and prepared will have no advantage over those who have put their total trust in Me. This is one reason why I have not allowed you, Clare, to lay up for the future. I will provide everything necessary. Only listen very carefully for My voice.

"There will be times when I will prompt you to do something that seems out of order, but it will be your salvation. Prayer will be your weapon, a weapon that no one and nothing can defeat. Pray in tongues. Much wisdom will infuse your minds and bypass your intellects, which have been trained in the thoughts of the world. My ways are not your ways, My ways are not the world's ways.

"Prayer will be your greatest weapon. Pray and listen very carefully. Expect Me to instruct you, give you visions, answers, understanding. Expect it and learn to discern it early. The sooner you embrace this wisdom, the safer you will be. I will lead you and teach you the way you should go.

"Use the Bible for Rhemas - that's the anointed Word of God. Listen for Scriptures that float into your mind. I will be speaking to you in so many ways - even songs will come into your mind to warn or advise

you. Only be alert and pay attention. Do not allow anything to escape your notice. I will send you signs and images to alert you of danger ahead.

"My children, I love you dearly and if I could have taken you with your loved ones, I would have. But for your own reasons you resisted Me. Now you must learn to open your hearts and minds to receive Me without resistance, without doubt, in total trust.

"When it seems that nothing is going to work say, 'Jesus, I trust in You.' Say it over and over again, visualize Me as you say it to Me, so it fills your inner man with confidence that I will act and spurs Me on to act because of your faith in Me.

"Remember, when you have no other recourse, you have ME. Remember, also, that you with the Father, Myself, and Holy Spirit are greater than any force on Earth. You and I are a majority. There will be times when you see angels protecting you. I will open your eyes.

"Believe."

Thank you for listening Youtube family. And I would ask you please to download this message and save it for your children and your loved ones. Jesus Speaks On What Is To Come After The Rapture, 5: Who I Can Protect, And Who I Cannot Protect

March 6, 2015

It began when I was feeling very responsible to be sure that people would be in the right place of heart and mind to be protected by the Lord, to be led by the Lord. And I was just musing on that, and told the Lord:

"Lord, I feel responsible to talk about who You will protect and who You cannot protect."

"You have brought up a good point...and where do you suppose that came from... hmmm?"

"Really?"

"Yes, really."

I thought, "Well - thank the Lord, it was His idea."

"Humility, self-control, honesty, and charity are absolutely essential if you want Me to walk with you. If you are used to leading and getting your own way, you won't do very well as a leader. If you are unsure of yourself and know that you need Me more than ever, you will excel as a leader."

"My children, the ways of the world that you have learned are totally inappropriate here. I protect those who humble themselves before Me. If you are prancing around proudly with all the answers, you are bound for destruction."

"I am counting on your breaking when you realize all you've been taught by friends and family has just come to pass before your very eyes. I am counting on you face flat on the floor begging forgiveness for your pride and arrogance. I am laying the groundwork for you to survive the trials that are now at your door, both body and soul."

"If you humble yourself before Me, I will most certainly be with you. Even if you are in a long-standing habit of pride and arrogance, and are aware of your sin and want to be delivered, I will work with you. But if you insist on your own wisdom, I can do little for you."

"It is of the utmost importance that you put others before yourself. When I came into the world, I did not lord it over others. No, I bent the knee and humbled Myself, washing the feet of My disciples. The lowliest job in the house - left for the lowliest servant. That is what a leader does - he, or she, looks after the interests of others."

"Some of you have come from very humble families and have seen what I am talking about. Others will have a struggle because they have not have good examples. Don't let that discourage you. I am dedicated to you and your make-over. I will not abandon you to your arrogance; rather I will instruct and lead you"

as you come to Me sincerely, wanting to change.

"Much, even in your survival and the survival of your loved ones, will depend on your total reliance on Me and My ways. I will always, always provide a way out for those who have humbled themselves and relied totally on Me.

"Though the mountains shake and the seas roar, I will be with you and never abandon you. You will know them by their love and humility. You will recognize those who are sincere by whether or not they are authentically humble. Anger, back biting, strife, insisting on your ways, those are the ticket to defeat. That is NOT humble behavior.

"Above all, preserve your souls by giving your life to Me. The very first step in the ladder of humility that leads to Heaven is recognizing you have failed with your life. You have sinned, you have hurt others, made foolish and immature decisions, and neglected those you owed respect and support to. And those who you should have listened to, you discounted, especially your elders.

"So, having made a mess out of your life, you need to give it to Me, unconditionally. 'Lord I have sinned, and sinned, and sinned. I am not worthy of You, but I beg your forgiveness. I repent of the selfish and arrogant life I have led, forgive me. Wash me clean with Your Blood, deliver me from the evil within. I want to be born again: fresh, new, and in Your Image. I give You my life, unconditionally. Receive me, lead me, save me.'

"Along with that pray the Our Father I have taught and expect Me to make immediate adjustments to your character."

Our Father, Who is in Heaven,

Holy is Your Name;

Your Kingdom come,

Your will be done,

on Earth as it is in Heaven.

Give us this day our daily bread,

and forgive us our sins,

as we forgive those who sin against us;

and lead us not into temptation,

but deliver us from evil. Amen.

"Learn of Me, for I am meek and humble of heart. I have left you innumerable love letters - read them, believe them, allow them to take root in your heart. There is no joy that is compared to knowing and loving Me. This knowledge of Me and My love for you, unworthy as you are, will sustain you through every trial. No matter what you go through, I will be there on your right, holding your hand, speaking to you, comforting you. Nothing can separate you from My Love.

"NOTHING.

"Not anything on the Earth or above the Earth, not aliens, not death, not even when you fall - still I am by your side to pick you back up. Nothing can separate you from My Love.

'So, don't be afraid when you fail. Expect that you are going to make mistakes along the way, expect that you will fail, and know that I will lift you back up again. Do not run when you fail, turn to Me. Do not run away, rather run to Me. I will take you into My arms in a full embrace and wipe away your tears. I do not condemn you, I am not a man that I should judge you. No, I love you. I know before you even fail that you will fail and I already have a provision to raise you back up.

"Know, understand in full knowledge, that I never, ever will forsake you. Even when you cannot feel Me, I am there supporting you, ready to come to your aid, to forgive and restore. With this knowledge, I want you to go forward now in total reliance on Me. From this day forth, your life is not your own - it is Mine to cherish, guide and bring to glory with Me in Heaven.

"Fear nothing, for I am with you always. And where I am, you too shall be, for I have gone ahead of you to prepare a place for you. A place uniquely your own, where we will be together forever. I am not a man that I should love you as a man.

"I am your God, and never will you find the limit to My Love for you, because there is none. I am eternally yours and you are now eternally Mine."

Jesus Speaks On: Demons, Aliens, Volcanoes, and Hell expanding

March 8, 2015

"Let's talk about volcanoes."

"OK"

"Recently Yellowstone has become more active and what is anticipated is the destruction of much of America. And yet I have told you I will moderate this outpouring so that it is

not catastrophic. Not many believe or will believe this, for much of the world still relies on what is sensational and the worst possible scenario, simply because they don't believe in God or what I can do to save your country, which is also Mine... for it is My country, too, you know."

"Even though they've rejected You, Lord?"

"It is only the foolish. But in America there are many, many Christians and though they haven't completely come to terms with their Masonic capitol, My Spirit is with them and on their hearts. Especially as things begin to heat up, many more will return to Me whole heartedly."

I was thinking about the revival that is supposed to happen, that so many prophets have prophesied that there was going to be a revival before that Rapture. I looked at the Lord, and He shook His head back and forth in the negative. I flinched and thought, 'But everyone says that, good prophets say there's going to be a revival...'

"Clare, it's not going to happen. You hesitate because of the embarrassment it might cause you if you are wrong. May I say that if you are wrong in hearing Me, a revival would totally obscure your negative prophecy. That is: 'There is no revival coming to America until the Rapture.'"

What He means is, until AFTER the Rapture.

"I'm sorry, that's the way it is going to be, that is My agenda."

"Who can argue with God?"

"You, My Love. All the time, as a matter of fact." He said wryly.

I laughed. "Yeah...I guess I'm guilty as charged."

"You are a stiff necked one, you are."

"Is that why my neck hurts, Lord?"

"Undoubtedly."

"OK, but this is not a laughing matter. Many prophets have said there would be a revival before the Rapture, but I've always felt a check in my spirit, and now I wonder about..."

"The destiny of those who would have repented?"

"Yes."

"I have given ample opportunity for turn-arounds in this country - ample opportunity. I will not have My revivals met with scorn and contempt again. Something must soften the hardened hearts in this country, those who have made materialism their God. That is why I am waiting."

"What about the economic collapse?"

"That will be coming after the Rapture as well."

"Wow."

"Yes, Wow! A time of unparalleled suffering. But this will break the backs of those who have nothing but scorn and contempt for the Bible. For Prophecy. For the little ones, the simple ones, those who's God means everything to them. And they do not live for what they can get - they live for Me, because getting Me means everything to them."

"And so I am not about to make life more miserable for them. I will wait until they are up and gone, then the hammer will fall."

"Hammer?"

"Yes, the hammer of judgment on this nation. It will come all at once. Which, by the way, fits in with the agendas of the ruling elite. They will have more control when there is no recourse for people to get food, other than the government. You have noticed, slowly the squeeze is being put on the little food banks, those not in step with the government. The alternative groups, the ones that are more independent."

"Yes, I've wondered about that."

"I do fill you in, you know."

"I'm beginning to see just how much!"

"Getting back to volcanoes. I have targeted the areas of the world that deal in human trafficking, drug running, and gross injustices against mankind. Earthquakes and volcanoes will take many lives and destroy much. It is not My wish to see any suffering in humanity, but you have no idea the atrocities against mankind these areas are involved in. The blood of their slain cries out to Me from the Earth. I will not delay; I will bring justice."

"Also these volcanoes are entrances to the underworld, direct channels to the bowels of Hell, and as Hell fills up, the Earth expands. This is no private thought of yours; I know you've had this thought before. I have given you this understanding, it came from Me."

"Oh, Lord that is horrible!"

"There is also an increase in activity before demon aliens make their public entrance on the Earth. Everything is orchestrated to bring forward the last kingdom that will rule the entire world, synchronistically.

"Demon aliens will be enlisted by that government to search out and destroy communities of resisters, along with clones that will come forth from every corner of the Earth. Even now, small pods of such creatures inhabit even the most remote areas of the world, waiting for the word to come forth to search and destroy resisters. This new government would not be possible were it not for the help of these clones."

I want to take a break here for a minute. The Lord permitted us to watch the X-files for a while. I don't think I've ever watched anything darker and more morose in my life than those X-files.

But I remember one particular episode, where the star of the program was looking for his sister. It was up in Montana, I think - on the flats of Montana. He saw a little girl who was raising bees with a bunch of other girls and boys. And she looked exactly like his sister, the last time that he saw her.

They were in a very remote area - I remember the scene where they were with these bees that they kept. There was a man working on the telephone lines, and the bees killed the man, and they just stood there and watched. No emotions, no nothing. That was pretty grotesque, that was really bad.

"The skies will be so full of demon aliens that people will be beside themselves with shock and awe. In the very beginning, they will be led to believe they are benign. Then without warning, the supposed evil ones will 'invade' and a war in the heavens will break out. This is only a staged even to galvanize all the countries into one government."

"Lord, may I have a vision of this?"

I was expecting a multicolored scene, but the skies, somewhat polluted, were filled as far as the eye could see with discs and other vehicles of strange proportions and shapes, all very monotone and metallic. Although the sun didn't gleam off of any of them, it seemed to be a rather hazy day. Maybe that's why.

"It is no coincidence that volcanoes and sin are in proximity to one another. There are connections to demonic activity, increased in an area where the portals are open. This is also a fact in Hawaii.

"Oh, My Love. There is so much you are ignorant of, stop trying to make it fit in your logical mind and just type what you hear. Will you?"

"Uh oh, ouch!" And that's what was happening. He was telling me all these different things, and they were getting more and more bizarre to me and my mind and intellect were resisting Him - and He finally called me on it.

"I'm sorry, Lord." I hung my head.

He lifted my chin and said, *"I love you?"* with a lilting tone of voice.

I smiled, "I know I'm a piece of work."

"Indeed you are, and I never tire of working the work. So, don't crumble under My rebuke. Those who God loves, He chastens..."

"I love you?" He said again in that lilted tone of voice.

"OK, Lord... really, with Your help... assume I'm going to stick to Your facts."

"THANK YOU! I guess now you are getting to see just how much pride and human intellect is in control of your thinking, huh?"

"Umm. Way more than I imagined."

"Yes, I've hidden that from you. May I say that is what has hindered you from hearing from Me all these years?"

"Really?"

"Well, in point of fact, yes. And other things, such as cultivating more virtue so you could be trusted and wouldn't buckle under pressure.

"Well, that's enough explaining you for now. I'm not finished yet."

"Oh, I'm so glad, Lord. I want to hear more!"

"You're a funny one alright, one moment you're balking, the next you're pushing? Who can understand you?"

"YOU can, thank you Lord."

"OK. So, there is a correlation between the volcanoes and demonic activity, that is 'sin.'

Okay, now - because of this little interruption here I wanted to go back to the thing about Hawaii, because that's where it started to balk. He said, "There are connections to demonic activity, increased in an area where the portals are open. This is also a fact in Hawaii." And I was thinking, "huh, really?" And that's when He called me on my unbelief.

"Also superstition and strange rituals, almost always involving human sacrifice are in these areas. Those movies you saw as a child were not just movies - they were based on fact. And you can be sure that where human sacrifice is involved, Satan is right there with them, under the guise of their local deity."

"Yes, I remember the Incas, and the Polynesians in those movies."

"Every culture has their own brand of Satanism. All, however, lead back to him."

"Oh, Lord, that is so gross, what I am thinking." I was trying to figure out how they managed to get life or

get a body. And He began explaining that to me, and I said, "That is so gross...what I am thinking."

What I was thinking was, the life in the sperm is taken when it is not discharged properly, and implanted in the egg of an abducted woman or in an incubator.

"This is SO sci-fi!"

"But you are right on target. You've seen just enough on the Internet to know how they create life."

"But what about a soul?"

"They are soul-less, occupied by demon entities. They only take the seed. Demons have a similar pattern to angels and humans."

And what we are talking about here is the Uncreated Light. And there's someone on the Internet who has done some research about this. The Uncreated Light is something that the Russian and Greek Orthodox church have found - it's a phenomena, where there'll be an orb of light with kind of a hazy pattern to it. It's not a demon, it's actually an angel or one of those saints in Heaven.

"The uncreated light is a characteristic of life being present. Whether it is demonic or angelic or human, it is a life form."

"But doesn't the soul come from You when the egg and sperm are united?"

"Indeed they do. But I have not given them a soul. I prevent it. Rather, they have hundreds of thousands of demons waiting for a body."

At that I was picturing what the process was like.

"Yes, Yes..."

"So the demons take form when they are given a vacant body?"

"That's correct."

"But what about the inter-dimensionality of these creatures. Is it like a glorified body? God forbid..."

"It is inter-dimensional, that is, it can take form in different dimensions without losing its substance."

"Wow! That's over my poor little head, Lord."

"I know, and you are blessed because you are following Me without editing anything to suit your human understanding. You see this is how inventors work, as well. I put ideas in their heads, they work them out and a new discovery of science comes forth. All has been done and allowed to bring humanity to this climax you are approaching now. This is the critical hour."

"Whew!!!"

"Yes, I know. You see, that is why demons cannot be destroyed, only bound. And in the end, all will be fed into the Lake of Fire for eternity - that is, forever, and ever, and ever. Do you see? Life cannot be destroyed, but it can be confined. The bodies they inhabit can be destroyed, but not the demon within. At least I have not provided for that option.

"There will be so many lessons to learn. You've heard of tough love in the penitentiary, right?"

"Yes."

"Well, there will be visitations to behold the lake of fire for the sake of understanding the destiny of those who choose evil."

And the smoke of their torment will rise forever and ever. There will be no rest day or night for those who worship the beast and its image, or for anyone who receives the mark of its name." Revelation 14:11.

"I guess with that comes another question. After the millennium, there will no longer exist evil. So, why would tough love be necessary?"

"All things spoken by Me shall be fulfilled. The Earth will be full of the Glory of the Lord. No longer shall evil have any place to inhabit; all will be regenerated according to My eternal design.

"That's enough for tonight, My Love. I know there are some that will scoff at this, but don't trouble yourself about them and I won't either."

I laughed.

"In their own time, their eyes shall be opened. What I am giving you is for those who can receive it with understanding, that in the end they will see that Good shall triumph and there is much to look forward to.

"These records are being given to you that others not fall into despair. Had the church been doing her job, this would not be necessary. But due to political pressures, much has been suppressed - but now is the time for them to be revealed."

I heard this Scripture in my spirit: "Go your way, Daniel, for these words are concealed and sealed up until the end time. 10 Many will be purged, purified and refined, but the wicked will act wickedly; and none of the wicked will understand, but those who have insight will understand." Daniel 12:9

Prophetic Dream: Aliens Disguised

March 9, 2015

Well, here we are again, Youtube family. And this is all about a dream that Ezekiel had this last night. My husband is a very cautious man and has many times uncovered hidden and spiritual things, keeping us from falling into error.

After I was given the part 6 message, the one preceding this one, he was very concerned because he knows from experience how much the Lord hates to talk about aliens and things that seem out of this world to most people. So he had a serious check about the veracity of this message.

Given that, he went into serious prayer. Well, during the making of that message, a Scripture verse from a site that gives out random Rhemas just happened to pop up...you know, just "happened to"!_

And it said, He who believes in Me, as the Scripture has said, from his innermost being will flow rivers of living water. It's John 7:38

So, I knew when I was finalizing the message, that it truly was the Lord. Because I had some doubts, too, since the nature of the material's pretty far out.

Even though I had that confirmation, and I had an inner sense that truly it was from the Lord, I still would not publish a message that my husband was not comfortable with. Because I totally honor and believe in his discernment and it could very well be that I was making a mistake - so I was willing to put it on hold here.

Interestingly enough, after prayer for several hours in seeking our Lord, my husband opened the Scriptures to the very same Scripture, He who believes in me from his innermost being will flow rivers of living waters. And he felt fairly safe in saying that was a good confirmation.

Then we asked a sister in the Lord who is very well seasoned, to pray on these things, and she came back with: "It is from the Lord and accurate in details."

So, my husband listened to it a few more times and he decided, you know, it's not the kind of thing that he would like to hear about or say but he really believed that this is from the Lord. So, just in case, I prayed and said, "Jesus would you please give him a dream, just in case he has any leftover doubts?" And then he went to bed.

Well, several hours later he woke up from a dream that confirms some of content in the message.

So here's the dream.

(And I want to say, the Lord's whole purpose in giving us these messages is to prepare the ones left behind, so they know that Jesus prophesied that this was going to happen before the Church was raptured. So, there's no need to despair, God IS in control. NO doubt about it.)

And the dream begins:

Ezekiel: I was in a large, open, park field. I noticed a man in a uniform with a ball and bat, and what seemed to be his little daughter - she was running across the field and he would hit the ball to her. I looked around and several young high school boys were beginning to come out and practice the game together; within a few minutes there were several groups of young men practicing baseball in different places.

I thought to myself, 'Oh, great! Spring talent training. This place will be full.' As I noticed other adults bringing lawn chairs to watch, I found a seat and sat next to an older man watching the practice game. A woman walked up to my right - whom I assumed was his daughter. She seemed like a normal, 30-year-old housewife and mother, but she had the most piercing eyes and smile. There was something extremely magnetic about her.

I turned my attention back to the boys on the field, casually conversing with the man next to me. I didn't realize it, but she had sat down to the right of me. As I conversed with the man, he asked what my occupation was, and I responded that I was a missionary. Before he could say another word, we were both distracted by a flock of large, black birds flying to the west overhead. This was a very unusual kind of bird that I'd never seen before. They seemed like large, black leaves floating in the wind. In fact, rather than flying, they seemed to be just carried along by the current.

More and more groups flew over us and there were so many it took about five minutes for them to pass. I said to the gentleman next to me, "I've been all over the world and I've never seen that kind of bird - ever."

He didn't seem too concerned and said that birds like that had been seen in the area before. But they were so strange. They seemed like some sort of harbinger. Their wings took no specific patterns but looked more like large, black leaves and their beaks were curved and hooked inward. Very strange.

Within minutes after the birds passed, I saw a gleaming copper-colored ship - an airship that looked like one of our stealth fighters flying overhead. However, it was flying in a strange pattern, like the birds. Then several other ships began to appear in the sky, and just like the birds they seemed more to be floating rather than flying, as if they were being carried along the airstream.

Since the birds had not gotten his attention, I exclaimed to the man, "Look! Look overhead! Do you see that?" At this point, I noticed the woman beside me - and all of us, in fact, craning their necks looking up to behold this spectacle. Just as there was something so magnetic about this woman, there was something very magnetic as well about these aircraft, the way they gleamed and floated.

Spontaneously, the whole field full of people began to walk towards the west in the direction of the planes and we could see that they were touching down not far away. Many began running, as most of us walked hurriedly in that direction.

Soon we found ourselves standing before what looked to be a large university complex of some sort. At the front of the campus was a large welcoming center and various staff members began to come out and greet all of us. They welcomed us in and we all followed eagerly as our curiosity was so heightened by this.

As we were walking in, the older man I was with had veered off to the left side. I was standing at the intersection of two buildings, so the woman and I walked over to him. As we got closer, we could see a strange, plasma-like substance on the wall, and all over him. It seemed to be an opaque, light grayish color.

She said, "Are you okay?"

He turned, wiping the slime off of him saying, "Those blankity, blank, blank, blank greys. I knew this was them. I never trusted them anyway. They've done this before and I hate it. I don't want to have anything to do with it." He simply threw up his hands and walked away in disgust.

Meanwhile, one of the greeters motioned for us to proceed into the building, which we did.

(Now taking an aside here, the grays are aliens - demon aliens.)

We looked up and could see more of these copper-colored craft flying overhead and also small white pod ships with actual civilians like ourselves flying them. A smartly dressed middle-age woman met us and said, "Do you want to be flying or grounded?"

I immediately responded, "Flying." Because I've always had a great interest and desire to fly.

The woman beside me that I had assumed was the man's daughter didn't seem to respond. Nor did the woman address her at all. She simply seated us at the front of a large auditorium. Two men came in orange coverall uniforms and came up to the woman next to me, who I had already suspected might be some kind of alien herself, though I didn't really believe in such things.

They helped her up from her chair and instantly she transformed into a large organism floating aloft between them. It seemed to have the shape of an upside-down teardrop of sorts, but with cells and vessels pumping some sort of fluid throughout. It seemed almost like a larger-than-life amoeba or parasite of some sort and it simply floated away between the two men.

Obviously, I was taken aback by this, as it was very bizarre. But the drama and curiosity, the pull on my desire to be airborne was so strong, I quickly shifted my focus back to the greeter administrator. Seeing that she was the instructor, I was disheartened at the thought of so many hours of instruction and ground school as I knew these things took a long period of time to learn. She must have read my thoughts, because she told me, "Oh, no - this won't take any time at all. The capsule's very user-friendly and it simply will do whatever you want to do just by your thought patterns. It's very intuitive that way."

In my excitement, I got up from my seat and began to walk towards one of the pods to get a closer look. And as I did, a personage of some sort about 15 feet in front of me with its back to me whirled around to face me. At that moment, I could see it was an angel in gleaming armor who looked intently into my eyes and said, "Stop! Do not go there. Don't do it."

At this point I began to awaken slightly from the dream and reached for my Bible to ask the Lord if it was from Him. Before I could pick up my glasses to read, from the head of the bed I heard a voice say, "Faithful and True" and then slip back into the dream. I saw Jesus standing in front of me with the most beautiful countenance and kindest eyes saying, "Faithful and True." I turned to a Scripture about Honesty and Truth. I can't even tell you which one it was, but I began to slip back into the dream.

And I saw Jesus standing in front of me. **"I am Faithful and True. You can trust what I give you because it is honest."**

I just asked the Lord if it was truly Him and I got the Scripture about Honesty...and here's Jesus back in the dream looking at me, telling me that He is Faithful and True and Honest.

Then I awoke and that's the end of this dream episode.

Clare: So, there are elements in this dream that really parallel some of the things the Lord had given me in Part 6 of His messages: What Is To Come. And it was a real confirmation for him that - even though it's something He doesn't like to talk about, but it's something He needs to talk about right now - and that was a confirmation.

So, the Lord bless you, Youtube Family. I hope that these dreams and these messages are something that you hang on to, especially pass on to your loved ones that you know are not going to be Raptured. Because there's going to be so much confusion that will start happening, that it will be absolutely priceless for them to know that the Lord foretold all of this before we were Raptured.

God bless you, Youtube Family. Keep us in prayer please. Thank you!

The Day The Bombs Fall, Jesus Speaks On What Is To Come, Part 8

March 12, 2015

I have a rather solemn message for you - I'm a little bit numb right now...I'm going to share with you what the Lord discussed with me this evening.

I've been having issues about Timing...like, what's new about that - everybody has them. But I've been having issues about timing because the Lord had told me that I was going to accomplish everything He had put in my heart, that I would have peace about it. He didn't say what the time frame would be, but I assumed it was before the Rapture. So, I was a little bit surprised this evening, because I was bringing this up to Him.

"This is bothering me, Lord."

"Can we talk about it?"

"Yes, that would help me immensely."

"I never told you the time frame in which you would get this done. I just told you that you would complete everything I'd given you to do. But I didn't say when."

"Lord, You inferred before the Rapture. And also, You've told me that You had thrown up obstacles to give Your Bride more time. Now I am very, very confused. Because I can sense that things are ramping up."

"Let me clear the clutter for you. First of all, I did promise that all would be accomplished. I know you thought it would be before the Rapture, but I didn't give you any time frame."

"Oh... Help me Lord, you can see I'm falling into an Unbelief trap."

"Steady as she goes, My Love. Hold on. You must be patient. There's going to come a time when everything you have wanted to do which I have put in your heart, is going to be completed. After the Rapture."

"After?"

"Yes, after."

"But You said you were giving Your Bride more time?"

"I just did give her more time."

"But, I sensed or felt that you meant years - like a couple of years or three years."

"Well, I never clarified that for you because I am still waiting for My Father's word. There is timing involved, acute timing involved."

"Okay, well...I'm a little stumped."

"There goes that unbelief again."

"Yep, guilty as charged. Oh, help me Jesus!"

At this point, I needed to make a fire and heat dinner up for Ezekiel, and it was a welcomed break. I knew that if I went to him he would help me out of my confusion. Am I being toyed with or is this truly Jesus?

I'm back. It is Jesus.

"Well, are you satisfied and at peace?"

"Yes, Lord."

"You asked Me to help you. He is My mouth piece and protection for you, Sweet Bride."

"Oh, Jesus - how can you call me sweet when I question You so much?"

"I'm not offended. Your irascibility only gives Me the opportunity to display My meekness and humility for My children. In other words, if I can be meek and humble with Clare, surely you can be meek and humble with one another."

"You see, I make good use of your stubbornness."

"Truly, Lord, You are gentle and forgiving. Thank you for being so patient with me."

"It wasn't difficult. I love you and I understand your struggles - which, by the way, are universal to all men. But now that we've settled that, I need to fill you in."

"I'm here, Lord."

He kissed my forehead.

"Well, because the time is short, I have you both on the fast track to wrap up these messages and prepare yourselves for that day. Only in prayer and steadfastness will you weather the terrific storm that is about to hit America and the world."

"Each day, I want the two of you to make sure you are solid and prepared at any moment."

"How will we know that we are prepared?"

"You're going to feel a deep peace. It's been edging up on both of you, just continue to keep your focus and understand there's no time to waste. Please, buckle down and work hard to organize your messages and leave behind what I have given you."

"Clare, are you listening?"

"Lord, I'm foggy."

"It's that sugar you ate."

"Whoops."

"Just bear with Me."

"There is going to be a limited nuclear exchange, enough to throw the world into a panic and set the stage for Obama to take the reins of peace and be declared as the hero."

"Your country will be in pandemonium and communications will be knocked out temporarily. But in order to enforce Martial Law, communication will be necessary. After all, how can the victor enjoy his victory without broadcasting it all over the world? Your country will recover from this devastation more quickly than anyone would expect, because everything is in place with full knowledge of what is coming."

"Your country will no longer be a world power. She will have massive issues of reconstruction and contamination to deal with. Make no mistake, those underground cities will contain the important people, while everyone else struggles on the surface. Law and order will be out of control, criminals will take full advantage to rape and pillage. Life will be a mess."

"But the VERY DAY that the bombs fall, that's the Day I am coming for you. Lift up your heads and watch the sky. I am coming for you that same day."

"Let Me repeat Myself: LIFT UP YOUR HEADS - I AM COMING FOR YOU THAT SAME DAY!"

"Do not fall into despair, do not panic. I have warned you over and over again, your redemption draws nigh. This is the moment of eternity you've been waiting for."

"Lord, I'm speechless."

"Well, it's coming. As surely as I AM, it is coming."

"Do not give in to fear. Stand your ground, raise your eyes to the Heavens. I'm coming."

"Lord, help us."

"I've already placed my angels to help you, you will not stumble or fall, all is in place."

"Thank you, Lord. Thank You so much."

"You see, I have wanted to confirm this to you, but I had to wait until you were secure in our communications."

"Jesus, I am really numb."

"I know, I know. It's a lot to take in. But I have prepared you well, and you'll pass in flying colors."

"Is that all, Jesus?"

"For now, yes."

And that's the end of the message...

Prepare Packages, Jesus Speaks On What Is To Come, Part 9

Part 9

March 13, 2015

We had an interesting situation today, the Internet was down. I don't know if it was the fiber-optic wire got cut or whatever - that's usually what happens when construction was going down. It was down all day, and of course the telephone is connected to the Internet, so that was down also.

I began to feel frustration and isolation that comes with not being able to communicate with people you normally communicate with. Then I began thinking about how others will feel when the Internet is not running: how isolated, fearful and confused they will be, too. That was heavy on my heart when I came to prayer.

"It is very important for you to leave behind prepared packets for your loved ones. This thought is not from you, Clare, it's been on My heart all day, and the communication outage pinpointed it very well.

"Dear Children, if these messages have ministered to you, I would like you make copies and put them where they will be found by loved ones when you are gone. This is only a precaution, because the sites you visit may no longer exist after the Rapture.

"Those in a position of power have made note of who is a danger to their agendas. When you find something that touches you and gives you an enlarged viewpoint that secures your peace, download it and keep it where it will be found."

"Should we make CD's or DVD's?"

"Whatever is more stable and convenient. Even two copies would not be excessive in case something happens to the first one. The devils will be in a hurry to destroy anything holy and instructional so they can isolate those left behind."

"Well, we do have PDF's available that can be printed."

"Yes, printed is best, easy to read and useful when there are power outages and the internet is gone, which it will be for quite some time until facilities are rebuilt. These packages should be accompanied by a very loving letter. Stay away from causing guilt, which will either make them mad or lead them into despair. Be constructive, be positive, be hopeful. But especially be loving.

"They know very well they missed it, you don't have to rub it in. Rather you need to strengthen them because their knees will barely support them.

"Leave behind a will of some sort, or list of how things are to be given away. This will help to prevent arguing. Be fair in the distribution; be especially kind to those who don't deserve it.

"Your whole attention right now should be on their salvation. I am a loving God, but with My Wrath on mankind, it will be difficult to convince many of this. But remember, those I predestined, I also foreknew.

"Be plain in your speech to forgive them. Ask for forgiveness, and recount how you have sinned against them and let them down. Ask for pardon. They will need these graces to cleanse the past and leap into the future. Believe Me it will be a leap. The most difficult transition anyone could ever imagine will be this change, but I will be with them.

"Encourage them to have soaking or dwelling prayer and to reach out for My hand, to grasp. I will lead them skillfully and comfort them lovingly. But they must enter into an approachable prayer. Yes, praying on your knees in supplication is very effective, but much better to have a personal, intimate, holding-God's-hand relationship...then all the rest follows naturally.

"I want them to know that I love them, I'm approachable, I'm with them, they have a future. Whether they die now or live through the Tribulation, they still have a beautiful future. I want them to know that all is not lost, all is not ended. No, their lives are just beginning. And though it is a journey fraught with dangers, it will be deeply rewarding as they draw closer to Me, see My miracles, and experience the depth of My love for them.

"This is something they've been skating through all their lives and been avoiding. But now is the time for them to recognize that I am real. That I DO love them, and that I am with them.

"All the things they should have been doing these years, but weren't, will have to be done now, in this season. Those who lose their lives shall find them, those who grasp theirs tightly will lose them. It is a paradox that revolves around faith and trust. Hopefully the fulfillment of the signs and Scriptures from the Bible will turn them 180 degrees around.

"But sadly, some will choose - in full knowledge of impending consequences - to go ahead their own way. They have lessons to learn and some day you will see the true depths of their rebellion, and fully understand why consequences had to be so dire."

"Lord, will we ever see what happened during the Tribulation?"

"There will come a time for 'reviews' - in other words, you will be shown what is necessary for you to understand. Towards the end - the climax before we return - you will be shown much and prepared for going back to rule and reign with Me. But before any of that, there will be a time of great orientation, training, equipping and preparation for your stations on Earth.

"What you think of now as unbearable, from Heaven will look much different in its context. Nonetheless, there will be a Honeymoon and I will not spoil it by bringing in the sufferings of mankind on Earth."

At that point, I started to have some more questions - like I usually do, and I said, "Forgive me, Lord." 'Cause I knew He could read my thoughts...

"Go ahead, every night it is something...but I do understand."

"I find it so very difficult to imagine that we won't be able to see and help our families. This is a real

sticking point for me."

"That's because you are too attached and do not understand the road of sanctification each soul must travel. That is why I told you last night you would only get in the way. Do you think your presence in their lives is more useful to them than Mine?"

"Oh no! But I would think that both...would be nice..."

"Do you see why I will not allow that?"

"I can only imagine how much trouble I would be if I were with them."

"Clare, there will be times when you are allowed to touch in with them for courage, but no more than that. I have to do this My way."

"Lord, I accept Your way, but I need to wrap myself around it. Please help me."

"It's already on the way. And in Heaven, My Love, you will be a very busy woman indeed. That will help to quell your fears."

"This may be a silly question but can the enemy affect your thinking in Heaven?"

"No. He is not allowed. And you will experience such freedom in thought in Heaven, that you will come to understand the horrendous pressure you were under from the dark forces in your life on Earth."

"So, whatever disordered thinking comes up in Heaven is entirely our own?"

"Clare, in Heaven, there IS NO disordered thinking. Only truth and clarity. It has to be experienced to be believed, so don't even try to imagine it."

"OK."

"I don't want you to fret or worry, everything is going to unfold very naturally. All has been prepared and made ready for your new life in eternity."

"Is there anything else, Lord?"

"Tell your listeners there is not much more time. They need to prepare their packages for their loved ones. And for those who do not have a loved one, make packages up for those around you. Not that you need this kind of incentive...but much grace will be dispensed by thinking of others and preparing them for what is to come. By this act of kindness you will keep many from the brink of despair. And they will later thank you for being their one point of sanity in all the confusion."

"Please be faithful. Please prepare."

"I love you. More tomorrow."

"I love You, too, Lord. Stay close."

"I am."

Troubled Waters, Jesus Speaks On What Is To Come, Part 10

March 16, 2015

Moving on from the message of the 14th. And the Lord began this message:

"Troubled waters.

"Your country is entering troubled waters, as we speak. Arrangements are already in place for the actions to take place, after an assault on your land. Appointments have already been made. Trainees are waiting in the wings to be called upon and what is ahead is going to be a very well orchestrated set of events to bring this nation down to its knees.

"Many who have not wanted to listen to any 'bad news' are going to be caught completely off guard and blind-sided. Many have no idea just how corrupt the leadership is and they consider those who blame the NYC (911) debacle on your own government to

be kooks and conspiracy mongers. They will be among the most confused and blind-sided because their life revolved around comforts and maintaining the status quo. Never in a million years would they believe what is actually being done to them, while their attention is totally off what is really moving forward at an alarming pace.

"There will be mass confusion and mass panic as the bombs fall. The disappearance of so many family members will cause some of them fatal heart attacks and suicides.

"However, there will be a remnant that will finally get off the fence and stand up to defend their rights. Too late. Their rights have already been taken away. What needs to be done now is to secure their future in Heaven: their salvation, their repentance and their total reliance on Me. Those who take up arms with a mind to do it on their own without My help will fail. Only those men and women who knew all along and belong to Me, are called by Me to defend what is right in this country, only they will succeed against all odds.

"So, if you are thinking about going it alone, you are sadly mistaken. Come under authority and work with those who have been prepared."

"Lord, if those who have been chosen to defend this country You say are Yours, why weren't they Raptured?"

"That is a very good question. Do you understand the character of My Bride?"

"I think I do."

"Is she war like?"

"Not at all. She's like the priest in the movie *The Mission* who walked straight into the mercenaries that were firing away and killing everyone in sight, and were mowed down."

"That's correct. Those were My Brides coming to meet Me. And that is the character of My Bride. She is a lover, not a warrior. The only war she makes is on her own sins."

"But in an earlier message You talked about those who are chosen to fight."

"My Love, that is the character of their soul. Were that soul that is a fighter to become a lover, he/she would be Raptured as well. But some souls are very, very strong in the warrior instinct and they, too, have a part to play and a place in My Kingdom. In the end, they will understand the way of love. My angels understand well the ways of love, but they of necessity have risen up to defend My honor and My kingdom, and when this is all over, and I do mean ALL over, they shall cease to fight, for there will no longer be anything to defend. But that time is a long way off."

"Lord, I don't understand something. Why didn't you do all this after the last cycle of destruction with Atlantis, and the dinosaurs and all that?"

"For you My Love, this is not necessary information right now. But in Heaven all will be understood clearly, OK?"

"You, Lord, are so sweet to ask me if it's OK..."

"You are also My little girl, and I don't in any way want to discourage your questions, as you are growing up. So, back to the plan."

"The plan?"

"Yes, the nefarious plans of the ones skilled in intrigue and selfishness, their conscience seared shut, and wholly eaten up with corruption and greed. What they fear shall come upon them. In no way will they escape the conflagration of what is yet to come."

"In their ignorance and self-sufficiency they believe the scenario will play out as planned. They have no concept of how far off they are from the truth. They have no idea of what awaits them as plan after plan backfires and brings the dire consequences of their near-sighted greed and atrocious sins against humanity, against those I created in My very own image. Sad will be the day."

"Mostly My Love, I want to warn those left behind that to act on their own, to take up arms and strike out on their own will have dire consequences for them and their families. But for now, I want to say that this will be a time of banding together, praying together, and encouraging one another in the face of all that is to come."

"It is a time of banding together in hope, love and security and yet there will be traitors. Only by the Spirit will souls be known to one another - the flesh lies and deceives, but the Spirit bears witness to the truth. That is why it is of absolute importance for them to pray and have a relationship with Me."

"DO NOTHING WITHOUT FIRST CONSULTING ME!"

"Accept no one without first consulting with Me, for I will expose what is hidden in the hearts of men, their evil agendas.

I just want to take a moment here and say Lots work very well for discernment. Lots were used in the Bible for the choice of who was to replace Judas, they were used in the situation with Jonah to find out why the storm was so severe, why the ship was sinking. We use a book called Bible Promises and pray and ask the Holy Spirit to give us a reading. We'll ask the Lord a question and very often we'll get Scriptures like Lying, Lust in the Flesh, Jealousy, Joy, Holy Spirit - and that will tell us about the character of certain situations or a plan of action. You can also use Lots to discern. You know, pieces of paper with names on them to discern who should be a part of what you're doing and who shouldn't.

Here the Lord returns to what He was saying:

"So, to sum this message up: band together, put prayer in its foremost place, for without it you will be groping in the dark. Do not rely on human wisdom, lean on Me and My Spirit will instruct you. Not a mighty wind but a still small voice, gently prodding you on in the right direction.

"Remember: it is not important if you lose your body, that is but a temporary and fleeting event. But your soul determines your eternity - whether you will see your children or parents again, your animals, and innocent ones ever again. Whether you will be tortured in the fires of torment I created, (not for you, but for the rebellious angels), or whether you will settle in the Land of Milk and Honey, Promise and Joy for all of eternity. Be not mistaken, what you have lived for on Earth is nothing compared to what you will live for in for eternity.

"NOTHING, absolutely NOTHING is worth the loss of your soul to eternal damnation."

Why Must Revelation Be Fulfilled, Jesus Speaks on What Is To Come, Part 11

March 16, 2015

Well, Youtube family - I have a message from the Lord tonight about why the book of Revelation must be fulfilled. It's difficult - it's really heart-rending.

As I came into time with the Lord, a really beautiful song that goes on and on and on, and I always get lost in this song with the Lord dancing, and He was so present to me tonight. It was so sweet and intimate and so tender and real - He was so real tonight to me. I believe the name of the song is "Jesus, Holy Jesus" by Terry MacAlmon. And this is what the chorus sounds like:

Jesus, (Jesus) Jesus (Jesus) Jesus my Lord.

I really encourage you to press in with the Lord, because He wants that intimacy with every one of you. That's what our channel's all about. If you go back to the very beginning of our channel, I have teachings on Dwelling Prayer, as I call it, and getting intimate with the Lord is prayer. Because that's my heart's desire, to see you all get connected to Him in the way that it is in Heaven! As it is in Heaven, let it be on Earth - right now!

Anyway - getting back to the message. He was so present tonight, and after a short while He asked me to turn the music off. And I've been going through some ups and downs the last few days. Why...you know, a feeling that the Rapture was very, very soon - and then all of a sudden, losing that sense of urgency, and not feeling like it was going to be very soon. Kind of like, "Oh, well. Business as usual."

And it's strange, you know. I don't know if He energizes us with the quickness of His coming to keep us going, and then kind of draws back a little to let us rest in that while things are developing. Or, if He energizes us and encourages us in such a way because it IS going to be very, very soon. That's what I believe in my heart of hearts, but I don't have all the answers.

So, I asked Him tonight and said:

"Oh Lord, what is it? Sometimes I feel it so strongly that you're coming any moment, then other days it fades off into the distance and it's business as usual?"

"It's human nature."

"But, I don't like it. It's painful not knowing when - really painful."

"It is painful for Me knowing what I have to. I do not want the book of Revelation to be fulfilled, but it has to be so that I can come and rule the Earth. It is not My will, but My Father's will, that must be done, even though I fully realize the necessity for it all."

"Nonetheless, it is so very deeply painful to Me that these things must come to pass. But they are not meant for your eyes, My Love, you don't need to be convinced the way the rest of the world does. My Brides have already gathered to My side awaiting My coming for them. It is the obstinate ones, full of pride, arrogance and self-reliance and self-satisfaction, blinded by various desires and lusts - they are the ones for which Revelation must be fulfilled."

Let me just take a moment here and say, there's an issue with the world that I have, partially with my children. I didn't raise them all the way, my former husband did. And it wasn't like we had a sacramental marriage, a marriage where we were both equally yoked. The world was very strong in him. My children...the world is strong in them too - except for maybe one of them. It's very difficult to explain to them why the Lord did so many things that people consider terrible, like, killing whole communities of men, women and children. And very often that's used as an excuse by people who sin, "Well God did this, and God did that. I can't believe in God because if God is love and God is good, He wouldn't do things like that."

I can't tell you how many times I've had to listen to that. And I've answered them, very much like the Lord answered me tonight on this issue. So, for those of you who think that God is cruel, or that it couldn't be God controlling the world, well - you're right about one thing. He doesn't "control" everything. He allows and doesn't allow - so in a sense that's true. But Satan is the one who gets things going, and Man - the will of man. To push the button or not to push the button. It's man's will. Even, to build the bomb or not build the bomb. It's the will of Man.

So, I know the Lord has intervened many times on the brink of disaster for us. Even overriding men's will by circumstance, but it's getting to the point now where the book of Revelation needs to be fulfilled, so that the Lord CAN return and come and reign. This is what He's going to talk about a little bit tonight.

So, those of you who think God is cruel and don't understand His ways, maybe this will help you to understand. What the Lord is saying here is that, for His Brides, He doesn't have to fulfill Revelation to get their attention, because they've already gathered to His side and are ready to be obedient to Him. But for the rest of the world, the controlling world, the ruling elite and what have you - the obstinate ones full of pride and self-reliance. They have to see the results of their selfishness and the results of their own thinking. I'll continue on now.

"Wow, Lord they must be serious hard cases for all you have to go through to convince them." (Speaking of the events of Revelation.)

"Anyone who would use the bowels of the Earth to breed dreadful animals, plagues and pestilences such as they have done for control of the world, well, yes... they need serious attitude adjustments. Nothing short of what I have planned will work for them."

"Don't you think that the Father and I have pondered all the different options and come up with the least damaging? The least hurtful? The least injurious?"

"Yes, I suppose so, because that is Your nature. Although being God, you don't have to ponder..."

"Yes, well... we do have conversations, we truly do. There are so many things to take into consideration. Looking at just one: I gave them clean technology decades ago - but rather, they chose something they

could fight over.

"Selfish ambition is so strong in them, they are totally blind to even their own good and the good of their children. So many of the world's problems revolve around the energy source, and they couldn't accept a gift of free energy. No, they had to suppress that and take that source to make a weapon of war and destruction with it - but deprive mankind of the benefit of the energy, free energy that I offered them. Do you see how perverted they are?"

"I do, Lord, but it is a shame that innocent mankind must suffer."

"But mankind is not so innocent, from the highest to the lowliest. Pornography, slave labor, sex trade, stealing from the poor what little they have and the poor stealing from each other. The whole barrel is rotten from the bottom up. It is the selfish nature of man that must be regulated by God. Man cannot regulate man because he is so prone to corruption, so weak and easily persuaded to do what is wrong for his own gain.

"So, you see, it must come down to this. I must return and replenish the whole Earth, destroying the rot and corruption, pollution and degradation that man has created for himself. It won't be long now. Please hang in, there My little one, it won't be long."

I have to admit, I really, really yearned for His coming tonight and to be with Him, and I just sat and cried for a few minutes at my altar, my little prayer spot because I miss Him so much, and I want to be with Him so badly. And this world is SO messed up. So, it was a little word of encouragement when He said it won't be long.

"Oh Jesus, it seems like forever. And every day I grow older and more disillusioned by the burgeoning corruption found everywhere."

"I know. But I have given you stamina and you will hold up under these things as you have been. I will not let you fall or collapse - I hold you up, My Love."

"So, what do you want to talk about tonight?"

"The necessity of consequences.

"So many attribute to Me what should be attributed to man and Satan."

"It's not fair!"

"I know that, but for some reason they just can't bring themselves to see how responsible every human on Earth is for the approaching consequences. It is like a drunkard who continually blames his problems on others, when in fact his problems have been created by him and him alone. So, rather than point out the culprits, it's just easier to blame it on Me."

"Lord, they always site the way you had the Israelites kill every man woman and child as they took over the Promised Land."

"Yes, because they were not present when the demons mated with the women, when the babies were offered up into the red hot, brass cauldrons for their God, Moloch - or Satan. They were not present when these little infants screamed the horrors of pain. They were not present when everything they owned was consecrated to Satan. They did not see that a cancerous, spiritual disease was implanted in every man, woman and child and animal. At least the innocent children are in Heaven with Me. Had they grown up, they surely would be in Hell with the rest of their family for torturing and brutally murdering innocent children. There is so much the world doesn't know, the world doesn't see.

"No, it's much easier to just blame 'God' and go on with a sinful lifestyle, having justified their choices because 'God' is not just or worth listening to or obeying.

"Not all have this mind set. Some are living a righteous life but still condemn me for religious wars and the like. They don't see the real set of fingers pulling the strings.

"But the ones who love Me? They do. They recognize the difference between good and evil. They know Me well enough to trust that if I lay the sword to a group of people, it is because those people are hell bent on living for Satan and propagating his way of life.

"And even at that, the Israelites still embraced pagan ways and even incorporated them into My Temple, and thus their downfall."

Just as an aside here, it's been discovered about Solomon's temple that there were several secret chambers. The prophets talk about it, where "detestable things go on." Where they worshipping detestable things in these chambers, in Solomon's Temple.

"You cannot mix good and evil - they cancel one another out. It was bound to happen that the Pharisees would be crooked, because for the sake of money and influence, Solomon and others allowed them to build secret chambers that honored their 'god.' It was bound for destruction with the first pagan woman Solomon took as wife.

"Let that be a lesson to you, how one bad apple can ruin the whole barrel. There is nothing quite like the beauty and comfort of a woman - it has shaped the course of history and been the downfall of many a civilization.

"So, when I am blamed for the evil in this world, it is out of ignorance and pride. Man does not know or understand what he has done to himself. And of course, he does not want to be frustrated or corrected, so he kicks against the goad. He blames Me, to justify his continuing sinful life. This, My Love, is why I must fulfill the prophecies in Revelation. Man must see what he has done to himself and where it has finally led him.

"Nothing I do is out of wrath, in the sense that man experiences wrath. For Man it is retaliation. For Me it is education, painful education - but the bed they made they must sleep in. Even at that there are so many things I have prevented that would have been horrendous, but for My mercy they were negated. So much will become clear to you in Heaven, you will come to understand so much.

"So, just be aware what is coming. It was not My choice, it was theirs. It was not My retaliation, it was their consequences. It was not done out of hatred for man, but out of love - to bring them to their senses.

Everything I do has LOVE for its motive; not one thing is done for any other reason.

"Even conscripting souls to Hell; this is what they wanted, this was their choice to make. Who am I to override their free will? They wouldn't have been happy in Heaven anyway. I gave it to man so he could be free to choose. He could choose good or he could choose evil. What more could I do?"

"Nothing. Absolutely nothing. It's a pity people are so blind that they can't see You are not the author of their problems. They are - along with Satan's help."

"So now we have come to that decisive point in history where all things must be made right again. Pride and arrogance must be exposed, corruption must be purged, men must be given again a new chance to choose right from wrong.

"I am coming, it is time."

Seems I Never Knew, Song by Ezekiel, To Jesus

March 20, 2015

Seems I never knew the pain inside Your heart - much too busy to hear Him.
Seems I never cared to cast my glance Your way - much too selfish to see.

Whoa, whoa, whoa, whoa.

Now you're asking me to hold You in my arms just to comfort Your heart.
Now that I can see the tears You cry alone, to be with You in Your grief.

Whoa, whoa, whoa, whoa.

How the days go by and vanish in the breeze, much too foolish to know.
Still You wait for me to spend the time away, to be with You.

To be with You. To be with You.

President Putin Takes Aim, Prophetic Message & Vision from Jesus

President Putin Takes Aim, Prophetic Message & Vision from Jesus

March 20, 2015

Hi, Youtube family. It's been a few days since we've posted. The Lord has had us in intercession. Last night I did receive a vision and a word, basically.

Last night in prayer, the Lord invited me to dance with Him - as He usually does - in a large ballroom filled with brides. And I saw that I was in my bridal gown.

A few minutes after that, I saw President Putin loading a revolver, bullet by bullet, putting bullets in the chamber. And then he lifted it up and he aimed at the heart of the Statue of Liberty. And there was an American flag flying in front of the statue. I didn't see anything beyond that - that's exactly what I saw.

I asked the Lord, "Lord, how can you be here in this beautiful and joyous setting, dancing and enjoying Your Bride when the terrors of war are approaching?"

And this is something that I really haven't understood for a while - so it was a nice opportunity for me to ask Him about this.

He looked deeply into my eyes, so there was no mistaking who I was dancing with or talking to, and He said,

"Because I am undiminished. I can be fully present in both places because I am not diminished in any way, ever. I am in the fullness of My Godhead dancing with you and in the fullness of My Godhead preparing for war." And that was the extent of His spoken message.

Certainly, we are finite human creatures, we really can't understand how this could happen. I guess you could say God "multi-tasks." He has the capability to do everything, and have His full attention on everything - and to be fully engaged in everything that He's doing. Because He's omnipotent - everywhere all at once without being undiminished in any way.

So, He didn't give me any timing on any of this - that was the extent of the vision. And in the meantime, I pray that the Lord keeps your heart and mind in Peace. Be Ready! Because we don't know the day or the hour. But I am believing, continue to believe in the previous words that there will be an incident in Miami. There will be a nuclear event in Miami and that will be the signaling of the Day of the Rapture.

Just to make one thing clear: we don't know the day or the hour - I don't think the enemy even knows the day or the hour of the incident in Miami - because that can change from second to second.

I do want to share with you the Scripture the Lord gave me, because I did go to a Scripture in my Bible, asking Him for verification of message. And of course, my husband went through it thoroughly.

Not one of all the oracles shall be unfulfilled. Everything shall take place in the time appointed for it. For I know and believe, that whatever God has spoken, it will be accomplished. It shall happen, and not a single word of the prophecies shall prove false. Tobit 14:4 From the New Jerusalem Bible (I really enjoy that version.)

So, the Lord bless you all. Please pray for us. We do need your prayers, that we can stay on target and stay accurate. The reason it took me a few days to get this out is, I was under correction for something - living situations and what have you. I've got my faults, just like everyone else, and He tends not to talk to me when I'm doing something that isn't pleasing to Him, to get my attention.

So, I've repented, I've been restored and this is the message. So...if you want to hear uninterrupted messages...I DO need your prayers!

The Lord bless you and keep you in His perfect peace until that Day.

Jesus said, "May I have this dance?" Jesus Speaks on What Is To Come, 12

March 21, 2015

Well, my much loved Youtube family. I have a beautiful message for you tonight from the Lord - one you can really sink your teeth into and will bring you great joy. This time tonight started with dancing to the song by Terry MacAlmon called "Praise Him" - It's a really beautiful song, I'll put the words to it at the end of this message.

And we danced and we danced and we danced. The Lord was wearing formal military attire - the kind they wear at formal balls, with the shoulder ornaments and the sword, the banner across His chest. It was all white. He was dressed absolutely breathtaking is all I can say!!

We danced and danced and danced - just to this one song. It's so beautiful, the song is so anointed, the singers are very anointed, and you'll see that as I play it for you. More than anything else, I'd love for you to experience the joy that I experienced.

But, I put all that aside, and asked Him, 'Please my King, what do you want me to tell your children?'

"Tell them I am coming for them and they will never know the kind of love I have for them until they are on this dance floor in Heaven with Me. In the meantime, I would like them to make practice runs. Simply go to the holy place of your imagination and visualize a grand ballroom with Me standing there in full, formal, military attire, saying, 'May I have this dance?'"

"Bowing before you, I take your hand in Mine, and gently hold you as we begin to gracefully waltz around the floor. No matter that on Earth you could not dance, here in My arms it is second nature to you as we glide along. No matter that you are a man on Earth - for these moments in Heaven, you are My Bride. As you settle into this gentle place with Me, our eyes meet and you begin to feel a fleeting wave of admiration coming from My eyes. Being shy, you dare not look into My eyes for very long... yet. But, as the evening wears on, our eyes meet, more and more until we are both gazing into one another's eyes, drinking from the deep pools of pure celestial love for one another."

"You are now beginning to recognize that I am thoroughly enthralled by you, My Priceless Creation. And your eyes mirror back to Me the profound love that is only now beginning to surface between us. Everything that you have ever sensed or expected about being in love is now blossoming forth into reality, in your relationship with no one less than your God and Creator."

"Breathlessly we drink in the growing joy between us, until you are completely at home in My arms and all your fears, apprehensions, and self-consciousness is totally a thing of the past. Round and round and round we dance until we are completely inebriated in one another. I lead you out to the rose garden and we sit on the wine colored velvet love seat, your sweet head resting against My chest, My chin resting in

your hair, our eyes closed in blissful satisfaction. From this place, no words are necessary, I have totally captured your love and you have likewise totally captivated Me. We are one.

"Please, My Brides, the day is coming. It is soon approaching. I wish for you to practice yielding to Me on the dance floor in preparation for that crowning moment in our lives together. Stay in this place, drink in My most intimate appreciation and love for you, absorb it until everything that has kept us apart is gone from your mind forever."

And I'm going to read this Scripture to you before we go into the song:

Delight greatly in the Lord; my soul rejoices in my God. For he has clothed me with garments of salvation and arrayed me in a robe of his righteousness. As a bridegroom adorns his head like a priest, and as a bride adorns herself with her jewels, I will bestow on you a crown of beauty and the oil of joy. You shall wear a garment of praise. For as a young man marries a virgin, so will I marry you; as a bridegroom rejoices over his bride, so do I rejoice over you. Taken from Isaiah 61 and 62

Praise Him by Terry MacAlmon,

What If This Were Your Last Few Weeks, REVISED, Nuclear War, Rapture

March 22, 2015

First of all I want to thank you for your prayers, and for those of you who have been led to send us donations, I thank you from the bottom of our hearts for your kindness to this ministry.

Well, You Tube family, I am coming to you tonight with a very heavy heart. The reason being that for all intents and purposes I am beginning to think that we have only till

April 2-4 before this world is going to fall apart.

Several things have come across my desk, including the whole fiasco with our nuclear communications Commander Captain Heather Cole who the Kremlin's Ministry of defense MoD has made public the findings that she denied president Obama access to the PAL code so he could push the nuclear button on a pre-emptive attack on Russia on March the 16th. She has been arrested by our government and is in jail. In the meantime, Russia is preparing its citizens for an all-out nuclear war as Moscow bomb shelters begin to fill as Russia prepares for war and is strategically moving all their forces to stage an invasion in our country states the European Union Times

And our government? Sending troops overseas so we will be completely uncovered and not a word in the public media about preparing to be nuked. Rather, DOS is collecting thousands of body bags near New York for what is going to be a nuclear holocaust in our country as several cities go down in flames.

All this because of abortion, abandoning and dividing Israel, moral decline and suppression of the Christian faith and same sex marriages. The Lord is about to destroy America as a world power. And of course I am sure when the communists invaded our churches and schools designing Godless programs in the late 50's they knew, this was the way to defeat America. Moral decline.

I continue to believe what the Lord has told me all along, that when Miami falls, keep your eyes Heavenward. There may be a chance that this will blow over because of intercessory prayer as people in our nation gather to forestall such a catastrophe. But, if the Lord does not intervene, I believe we will be in all-out war by the first week in April. When Miami will be hit? I doubt that any man knows the day or the hour.

My heart was very heavy as I came into prayer praying the Divine Mercy Chaplet in my heart, and I could not rest during nap time, I kept feeling such deep sorrow. So I got up and went to my prayer space and soon found myself holding Jesus, in the same way the famous picture of the angel in the Garden of Olives was holding Him.

As I pondered the fates of millions of Americans, Russians and Europeans, I sank deeper into sorrow. I whispered to the Lord, "I'm scared, Lord."

He answered me, *"I am too."*

How did He mean that... God, be scared? Surely not.

I believe that He meant it in the sense that He will have to decide the fate of millions who will be victims of horrendous and painful burns and radiation. This is something in His God-hood, that recoils at the suffering of any human being, let alone innocent children and Christians. I didn't even try to hide my apprehension, He knows everything, and I believe His confession was not one of FEAR but one of repulsion to the suffering the victims of war will pass through and the loss of souls to Hell for eternity, these are things that He alone knows, and how heavily they weight upon His Sacred Heart!

After quite a while of comforting Him, I saw Him stand to His feet and He was wearing a baby blue robe. His arms were outstretched to me, in an invitation to dance a Hebrew type dance with Him. So I put my hands on His and we swayed back and forth to "Praise Him" by Terry MacAlmon, that I loaded in last night's message.

Finally we sat and rested. "Lord do you have a word for us?"

He replied, *"What is in your heart, our hearts are one, just share from your heart."*

I am anxious for my own children, one is in Colorado Springs and one in Phoenix, and we have seen in the spirit nuclear explosions in both places. The dream I had in Phoenix was a bomb between Scottsdale and Phoenix in the open desert, right near the airport. Of course, that would have to be where my son lives.

But the Lord said, *"Take care of our children first. Then yours."*

So, here I am sharing my heart with you. I know we are all anxious for the Rapture, but the events preceding it? How can we be anxious for it, knowing that? I believe the blood of the martyrs is the seed of the church and while Our Lord has not explained to me why He is allowing millions to die before the Rapture, I can only imagine it is the blood of the martyrs and innocents that will be sown into the deeply plowed soils of war, after we are gone, and they will be the first to rise.

Can you imagine that? Thousands of body bags suddenly coming to life as Christians who were killed in the holocaust rise from the dead right before the eyes of Homeland Security employees? WOW! That has to be a witness. They will see that and hear the prepared propaganda that aliens not a 'Rapture' took people from the earth. But they will be witnesses that no aliens were present at their resurrection! And as I shared in an earlier video these souls will shoot up to the Throne Room like Fourth of July fireworks!

So here we are, almost a full two weeks from the very day on which the Crucifixion is commemorated and would you believe, it is the very same day of the calendar that Jesus was crucified in 33 A.D.? Well, truly it is, this year Good Friday falls on April 3, the very same date that He was crucified - April 3, 33 A.D., according to those who have researched this subject thoroughly.

And of course the blood moon and Passover the next day.

Unless God is moved to mercy again, I believe we are facing our last days on earth, two weeks. What are

we to do during this time? All I can think about right now are the people who are sound asleep, the walking dead that have no idea that Putin is going to pull the trigger. People who will go to Hell for eternity, that's where our focus is. And preparing our children whom we hope will make it here to Taos because this, we have been told, will be one of the few safe places. And their packages are outdated, I've got a lot of work to do. And keeping all of you up to date when the Lord shares with me, and of course spending my days repenting of my own sins.

This is no time to be judging others. This is no time to be stingy. This is no time to be slipping around in sin, this is no time for drinking and debauchery. This is no time for lying, hating, backbiting and gossip. God help us if we think we can attack one another and still be a spotless Bride.

It is a time of prayer for others, works of mercy, prayer for the world, sacrificial giving, sharing the shortness of time, even with scoffers. Our reality is NOT their reality! Our reality is JESUS IS COMING FOR HIS BRIDE AND THE TRIBULATION IS ABOUT TO BEGIN! Getting our house in order and leaving instructions behind for the unsaved.

Well, what if all this doesn't come down in the next two weeks?

Then we will be more prepared than ever for that day. Our lamps will have more oil than they have ever had. We will know we have done everything in our power for the Lord and His kingdom to come.

If God has mercy and does not allow this attack from Russia, then this is a dry run that brings us to an even greater state of readiness for the inevitable fulfillment of Scripture. But if we scoff and don't do all in our power to prepare, and the war to end all wars begins, we will be the virgins whose lamps have run out of oil. So I say, better to believe and prepare others and ourselves. Be sure to forgive, leave no stone unturned in your hearts, ask the Holy Spirit to reveal to you what remains for you to do.

Then Obey.

Persevere in Intimacy With the Lord, Last Tuesday, "Close Call"

March 23, 2015

Well, I'm back, Youtube family with another message. It's Monday, the 23rd of March. I got a very sweet message from the Lord for all of you. He began immediately tonight, after we had had some worship time together.

"I know that many of you are deeply troubled for your loved ones. The loved ones who have turned away from Me,

that is obvious - and the less obvious: those who have grown cold and lukewarm, running from Me, filling their time with emptiness to avoid coming to terms with where they are at with Me. Many of you are married to those in that state.

"Do not trouble yourselves anymore on their behalf. I have a plan for them. It will begin after the Rapture, and in the end when you meet again you will not even recognize them, so on fire for Me shall they be. This is My promise to you; release them into My care, bless them and move on. These shall be perfected in the furnace of affliction. I will present them to you without spot, wrinkle or blemish on that day when the whole world will rejoice in My reign.

"So My Beloved Brides, take a deep breath, and rest.

"As to the false report raised about your president, this was done by evil men bent on destruction. I had called you into prayer during that time for a very specific reason. Much was transpiring behind the scenes and literally you were truly on the brink. Your prayers as well as other obedient intercessors helped to turn the tide. While this may have looked like a victory for the enemy in misleading you, I allowed it as a wakeup call and behind the scenes were mysterious circumstances that could have easily gotten out of hand.

"You have experienced miscommunication in your marriage that led to serious divisions - divisions not grounded in reality, but grounded in misunderstanding... misleading signals, so to speak. The very same dynamic can exist in war games and the military as well. As you sensed in the spirit, that was a very serious night."

But Lord, I thought all this was preplanned by those in power behind the scenes?

"True, but one wild hare can tilt the scales before their time. Trust Me, Tuesday night was critical."

OK.

"Never mind who or what was responsible for this, just know that as things escalate, evil forces are behind what will soon overtake your world. Nonetheless, you are not to be subject to them. Do not be afraid. Even as things wane and increase, I am in complete control. Don't you see? This must come to pass, so just be ready from moment to moment, day to day. I am very pleased with the souls who have

visited this channel and taken it to heart. I am very pleased that many of you have turned your hearts more and more away from the world."

And just as an aside, He had told me that when we were worshipping, that He was very happy with certain souls who had really responded to His messages.

"Please persevere in your dance with Me. Don't give up so easily. It wounds Me when My Bride does not take Me at My Word. If you have discerned that it truly is My Word, don't give up! I will come to you, I will dance with you, all of this is in My plan. Together in My arms we will be strong and nothing will frighten you.

"As for My words to Clare about fear, why do you doubt? Am I without feelings for My Creatures? Am I indifferent to what lies ahead? Do I not love you deeply, so deeply that not one sparrow falls to the ground without My grief. And yet, I rejoice to pick it up and tuck it into My Bosom where Heaven truly dwells, and all creation rejoices? So, know and understand that I dread the day misfortune will fall upon you, yet I will not let you despair. I will lift you up to My bosom where you will find eternal joy.

"And Clare, I want YOU to be confident. Stand firm My Love, all that I have prophesied through you is about to come to pass. Pay no attention to nay-sayers. No, I say, they will have their reward. Rather concentrate on these little ones I have sent you. I love to see them dancing with Me. I will bless them, they will grow in intimacy, just as you have prayed and always desired from the beginning."

At this point I kinda sensed a break in our conversation and I said, "When Lord, when?" The question we're all asking, right?

"Very soon, Clare, very soon."

Oh, You know how I feel about that word, "soon!"

"And you know how I feel about you asking when! Hmm?"

Deep sigh, let down.

"Chin up, the word means the same to you as it does to Me."

Ah, but in the face of eternity....

"It still means 'soon.'"

"I see I've gotten nowhere with You, Lord."

"On the contrary, you have made Me very, very happy because now there are Brides who truly believe and want to dance with Me. I was beginning to feel like a wallflower." He made a sad face, and I laughed.

"Oh, that's too funny."

"Yes, but it is true! The music plays, I sway - but My Bride...runs away!"

Oh, no. You are making rhymes.

"That's right, and some will not forget those words and press in. OK?"

Makes sense to me, Lord

"Good, now we are agreed: no longer will I be a wallflower."

And that's the end of the message. I thought that was very sweet. He is very sensitive, very sensitive to rejection, believe it or not. And I think He just really wants you to be encouraged to press in and dance with Him. The Lord bless you, Family. Thank you for all your responses and prayers.

Jesus is Coming, Draw The Line On You Involvement With The World

March 24, 2015

The Lord bless you and thank you for tuning in to our channel. It's March 24th, 2015.

Tonight's message is rather practical. I think the Lord is going to - is basically warning us of traps that lie in the times ahead that's left to us, whatever length of time that is. He had a kind of an edge of urgency about His voice

tonight, and very deliberate. A very deliberate teaching. So, I'm going to go ahead and begin that:

"Peace. I speak Peace to you, My Bride. Your heart is has apprehension and expectation, and too many knots tied here and there, I need you to rest in Me and have My Peace."

Lord, I don't know how to do that sometimes, when things come up that seem urgent?

"Well when I hold you in My arms you let out deep sighs, and My Peace, flowing like a river from within Me, finds its place in you. And then you bring that peace to My children. That is why this time is so very important to Me and to us before you write. What are you feeling right now?"

I'm feeling Your Peace, Lord.

"That's exactly right, this peace and calm is from Me. Each day you need to function more and more on this level, because I will use you to minister peace. This is important to me. Don't underestimate the power of the enemy to derail the faith of many, simply because they were filled with worldly anxiety."

I'll take a minute here and say, I've noticed that when I get my mind too much on what's going on in the world, that I begin to have doubts and fears, and I think that's what He's talking about here. We really have to guard our hearts and minds, the eye-gate, the ear-gate.

"There are plenty of people on the internet talking about all the threats coming upon the world especially for Christians. My People need to find Me and My Peace. Your channel is to be about finding peace in Me. I am their refuge; come to Me and be enveloped by Me, rest in Me."

Here, I'd like to take a quick break and just say that, I found that dancing with the Lord, worshipping to the music and going to that secret place in our hearts with Him - dancing with Him and resting in His arms is the quickest way to absorb that peace, and that calm. And that surety of His covering and protection, and His leadership. It takes your mind completely off of everything, except Him and His tenderness and His strength.

And that's why this form of worship and being with Him is NOT just for women. It's not just some romantic ideal. It's a very practical way of the Bride being joined to the Groom in a very sweet union that's deeply, deeply strengthening and necessary for the world we live in right now, and for these times.

So, that's why dancing with Him is so, so important. It brings the intimacy in, and it brings you into a place of calm and peace and safety where you can receive everything that He is into your being while you're with Him. And when you come out of it, you're so strengthened.

"Clare, they are troubled by so many things, decisions-decisions, fears, apprehensions, will I suffer? I cannot promise that this time will be free of all suffering, every day has its issues. But I can promise that they shall not feel My Wrath, they will be taken before that happens. But you know how you get tied up in knots over doing this or doing that and things seem so complicated, sometimes you have to fight your way out of a web just to be here with Me."

"Well many, many, many of My Brides have not simplified their lives and cut off things that bind their time. Many. I want this to change, I want them to begin to live right now as they will in Heaven. Yes, there are duties to attend to, but if they re-assess these things they will find ways to cut their time in the world by at least half."

"So many things are taken for granted, like going to the store. You know what you've experienced there, putting it off, and putting it off, and putting it off, until finally, it HAD to be done. Well, this is a good thing, because the stores are very fracturing, very disruptive to the deep peace I impart to each one in their quiet time. In their involvement with the world, be it a seemingly harmless TV show, a trip to the store, a magazine, all these things are fraught with ideas that stick in their heads and rob them of peace. It is so important to have a pure heart AND a pure mind. The mind can only handle so much and if it is secular in nature it erodes what takes place in My presence. It clutters the mind so there is no room left for Me."

But after a while Lord, don't we need a break to keep our perspective?

"Yes, but make it a break that is simple and pure. Like a walk in the field, noticing the buds on the trees, the grass peaking through, the playful antics of cats and dogs. Don't trouble yourselves with long distance planning. Don't engage in 'I've gotta fix this, I've gotta fix that.' These are the devil's ploys to draw you into projects that will tire you and deplete you of your spiritual peace. They very often require trips to the store or shopping on the net. This is very, very, very detrimental to a spiritual person and alas, they don't pick up on it; they think it is just innocent work that has to be done. But Satan knows better so he commands his demons to work on guilt over projects that should be done...'you're not responsible, you should have done that before - last year,' etc. etc."

"I don't want their minds in this place. I don't want your mind in that place."

I have to take a break here and tell you, He's just described me to a "t". I would have lists of my lists I had so much to do for these houses that we have. I would go to my Bible Promises just to touch in with the Lord and I would get Money and the World, Money and the World, Money and the World and I thought, 'What do you mean: Money and the World? What have I done NOW? I'm just out there digging in my garden, weeding, raking leaves and stuff. What's Money and the World about that?' And I really didn't understand what He was getting at, at the time.

And then I began to suspect that I needed to find other ways to take care of my garden - you know, make sure it's a stone garden that doesn't need weeding and doesn't need planting and doesn't need digging... so that my time would be freer for Him. And I love beautiful things, I love design - and it's so easy for me to get caught up in these things. So, what He's sharing here...wow. He just painted a real clear picture of ME as I have been. Fortunately, some of that has really changed, thanks to the Lord.

Getting back to what He was saying:

Satan knows better, so he commands his demons to work on Guilt over projects: "Oh, wouldn't this be pretty? We should do that! Yeah, let's do this." and so on and so forth.

The Lord continues here:

"I don't want your mind in this place. I don't want their minds in this place. I want everyone focused on Heaven and My coming for them. Part of the foolish virgin's problem was that they were so tied up in the world it didn't occur to them to bring oil for their lamps. Projecting from there, they thought, 'Well, I'll just be a little while and back to work.' Their minds were on what was waiting for them to do at home, not really on Me or My agenda, very much like Martha. But the wise virgins, like Mary, thought they could wait, and wait and wait for Me. It wasn't a waste of time, it was bliss, because all they had on their minds was Me. Everything else was a burden and so they were happy to think, 'He might be delayed. Good, then I can just be quiet and wait. So I'll bring more oil for my lamp.'"

When He said that, I thought to myself, 'Oh, Lord, the foolish virgins were just a story that You told - and now You're kind of fleshing it out, saying what was behind the scenes of that story...am I hearing You right?'

And He picked up on it, and He said,

"I'm serious here Beloved. I want to get a concept across, the foolish virgins were carnally minded, taken up with the doings of the world, they considered having to wait a waste of time. You've been there, you know what I'm talking about. You've struggled with this all your life, and it's only been very recently that you've, for the most part overcome, yourself in this area."

I answered, "That's very, very true. I used to look forward to spring time, planting, gardening, making things 'nice' but now, I put it off because I am so involved in ministry and in You, that's all I care about. Going to the store is something I hate - to a fault I'm afraid.

He replied, *"Do you see how far you've come?"*

Yes Lord, You have done this thing in me.

"And you cooperated."

Well, I can see one thing, that the enemy has tried to drag me into spring cleaning projects and getting deeper into cleaning. And somehow I've managed to suppress that urge, I don't even know how.

"I've been watching over and helping you recognize the traps."

Yes, they are traps, I can see that now.

"May I say to you all, you don't have time for this? Keep your minds strictly on Heaven, My coming, and what simple thing you can do for your neighbor in a spirit of brotherly love. Draw the line, My Brides. I'm coming. Don't get seduced into any worldly endeavors that take attention off of Me. Keep your eyes on the Prize. Military people do not get involved in secular affairs. Spiritual people do not get involved in secular affairs. Do only what is necessary as a matter of duty, and when I say necessary, I mean 'get by' necessary, not throwing yourself into projects that will deplete your energy or attention and make you weak.

"When you are in a weakened state, the enemy is nearby. Like wolves that study the herd to see which are most vulnerable, the demons study you and wait until you are tired, overworked and exhausted - then they pounce on you with doubt, fear, insecurity, unbelief and anxiety. Don't allow yourselves to go there, stay vigilant, stay alert, stay centered on Me. Keep your eyes open and don't walk into any traps set for you. When I say traps, I mean an urgent phone call where someone is asking for your help, and you can see it's going to wear you out. That's not Me, that's not brotherly love, that's demonic, luring you into being worn out so in your weakened state they can tempt you to sin."

I'm going to stop here guys, and tell you a little bit about what's been going on here. We have two houses here that we're caretaking and we have an elderly woman in the front house who's not too good at taking care of herself. We got an email all of a sudden that the owner's were going to turn the front house into a Bed and Breakfast. If I hadn't seen it for what it was at the time...they wanted to come and look at it - if I hadn't seen it for what it was at the time, I would've dropped everything and gotten to work on that front house. Gotten her moved out.

But I realized that this was a ploy of the devil to steal my attention off the Lord, and off His coming - and I, thank the Lord, didn't fall for it. So, I'm tackling the project, but I'm tackling it very circumspectly, very carefully. And not allowing myself to plunge in head-over-heels into a huge project, which is what I would have done before. This may come to absolutely nothing, and they may drop the idea totally. This has happened in the past, so it might end up like that. Well, if it does, then it would have wasted all that time and put this poor woman out on the street.

So, I'm going very slowly, very carefully. And everything will get taken care of in its right time. But the temptation to cut and run was HUGE, let me tell you. It was huge. So, the Lord is really, really addressing Spring fever for all of us right now. Be careful, because if He comes in the next couple of weeks and we've got our heads on other things - we could be left behind. We could be like the virgins that have fallen asleep, is what I'm saying, 'cause we'd fallen asleep spiritually, being so carnally minded. Okay.

The Lord continued, *"Another trap is, 'Oh I just HAVE to do that!' Something you've been putting off. Stay calm and really look at the problem: is there a way around it without you diving in? Clare, that's why I've been holding you back on the front house, this is a HUGE temptation to cause you to collapse in fatigue. So far you have been wise to sidestep it and think of ways around it. That e-mail was a Trojan horse, unleashing all kinds of 'have to's.' You have been trained in seeing that, so you didn't fall for it, but it was a BIG temptation to pull you off of Me and your ministry. You stayed calm and deliberate.*

"That's what I'm talking about, My Brides, stay calm and deliberate, assess the situation and do only what is absolutely necessary. Make sure it's not a trap that will suck the life out of you and draw you

away from prayer. Right now, none of you can afford to drift off; I need your full attention on Me. I will help you. You are not alone. My Spirit will whisper in your ear, 'don't do it' and you will feel a check in your spirit. Obey that, do not toy with the idea, don't give in to ideas of guilt: 'Well, you're not a good mother, or you're not a good father if you don't do this!' No, follow what you know is My path. Put ME first and I'll take care of your children.

And I want to break here for a moment, just to say, "Wow!" Children are HUGE in this equation. They can so easily, easily - adult children - throw you off and cause you to have to go in a direction that's totally contrary to what the Lord is doing. So, I mean, I love my kids and I wish they were close - but if they were close I can see that I would be getting into all kinds of trouble, and be tempted to be drawn off track. So, visiting a couple times a year - that turns out to be the best thing. And you know, in the world there are endless invitations to get this or that done. The Lord doesn't want us to be foolish. Let the world bury the world, but we need to follow the Lord.

The Lord continued: *"I am with you My Brides, time is wrapping up, I'm coming. Don't collapse in worldly fatigue on your doorstep. Stay vigilant and save your time and energy for Me and Me alone. You will never regret it."*

And that's the end of the message. The Lord bless you and I pray that we can all be obedient to this message. Let's support one another in prayer. I can feel your prayers, just want to tell you, thank you for your prayers, because I can really feel them. The Lord bless you.

Another Soul for Heaven, Another Jewel in Your Crown, Timely Instructions

March 25, 2015

The Lord's blessings be upon you, Youtube family.

Tonight the Lord has given me instruction, more instruction for the time that we're left to be here. He began by having me read Isaiah, several chapters in the beginning, and just refreshing my memory.

After that, He began:

"My Dove, even as I dealt with the kingdom of Israel, so shall I deal with this wicked, wicked world. And yet even as you have read about the remnant, so shall I save a people for Myself. People who have been through the fire and been found worthy escaping the wrath I have poured out upon all nations. Your children shall be among them. I make this promise to you for your fidelity, even to the point of being alienated from them for your belief. There is still much spirituality in them and I shall increase it and modify even their DNA to be a match more to mine.

"You shall see My Glory over them, and they will walk in My ways all the days of their life and you shall find much pleasure in them. My Love, what was broken in your heart, I Myself shall mend, anoint and bring forth in the beauty of holiness.

"Shall I not also have mercy on the sons of My Bride. Yes they, too, will shine like silver refined in the fire. Many who seemed hopeless will come forth from the refiner's fire with My Glory on their faces. So take heart, have courage. They, too, will rise from their soul-deadened state."

He was talking about someone else there, too, that I could share with them. And I left this in the message for you, too, 'cause I truly believe that the Lord intends that all His Brides should have this confidence. That's He's working on their behalf, to bring their children into the Kingdom. So, please - take these words unto your own heart, as well.

"As many have taken My previous words to heart, I am continuing on. Oh, how proud I am of My Faithful little ones who have taken My words to heart. I will continue to bless and instruct until that very day and very hour."

Okay, Lord - but I'm not asking when.

"And I'm not telling either...Some things are better left unsaid."

You mean, like the word 'soon?'

"Exactly! I'm just playing with you. But, I do want to say that as things near the end - that is, the end of

your time here on Earth - it will get more and more intense. Yet I will be with you to protect, nurture and strengthen. The birth pangs will be closer together. Just hang on, we're bursting through!

"The weapons of our warfare are not carnal but spiritual. And as things heat up, Christians will find themselves more and more challenged in their faith. More attacks against Faith and Hope are on the way."

I wanted to take an aside here and just tell you, Ezekiel really got slammed with that today - I mean, just mercilessly slammed with all these voices. And another dear friend, too. We just came to the conclusion that since these demons are liars, then everything opposite of what they said is true, and we managed to get through that. But there're going to be attacks that are just going to come out of no-where, to really try our faith and our hope.

"More attacks against faith and hope are on the way. Heads up! You know what I have told you, I've confirmed it many, many times. I want you to hold onto that for dear life and don't question it, no matter what's going on around you, hold onto it."

There's He's referring to the Rapture and Miami.

"Mind you, the jewels in your crown will be added daily."

Oh... I know what that means, Lord. Crowns mean suffering and overcoming it.

"Don't be dismayed by attitudes of scorn and contempt. Work with them. Some are holding it down just under the surface, as you have seen, just for the sake of civility. And when it breaks forth, do not take it personally. They are weak and being used by the enemy to try and undermine and confuse you. Don't allow it, My Dove. Come to Me and be strengthened, be gentle with them and restore them to the right path."

"Mainly in this time preceding My coming for you, I am adding gems to your crowns, all of you. You are going from glory to glory and in the meantime your challenges and sufferings I shall take as a fast offering for the conversion of more and more souls."

"Scorn, contempt and persecution await all my faithful Christians. How can I reward unless trials are passed successfully? And in the meantime, teachings will come forth that will assist those left behind. All serves a purpose, every little thing - take it as a test of virtue, another fast offering and this will keep your attitude pure and grateful, and keep you from bitterness."

"What is going on behind the scenes in this country is indeed terrible. You have seen glimmers here and there (like the legalization of beheading in Georgia) but the groundwork is continuing to be laid for the great persecution. You are not going to be around for this, calm yourself. But you will see it clearly coming on the horizon and I don't want you to be frightened."

I confess Lord, I have already reacted with fright.

"I want to say this again, you are not going to be beheaded, you will not be here for that. I don't ever want to have to tell you that again. I want you to rest in that. But for those who are here, I will be with

them and they may suffer fear for a short time, but My promise is that in the blink of an eye they will be with Me in Heaven, greeted with cheering in the Heavenly courts. So many martyrs suffered no pain, because I took it upon Myself on the Cross. Yes, even the horrors of martyrdom, I took upon Myself to relieve those who were too weak.

Mercy is My nature, and to each I grant the courage they need. They need not face death alone, I will be with them."

Lord - I think I'm a coward.

"I think you are beautiful. You have suffered many martyrdoms of a different sort, don't kid yourself. What you suffered for Me was equally as valid. Especially when you met your persecutors with forgiveness and charity.

"Intimacy with Me is the key to Sanity. Compromise with the world opens the door to Satan and his demons. When you sin, even in the little things, the little foxes spoil the vine. The door is squeezed open for one skinny demon to enter, then the door widens and sin upon sin opens the door wider yet. That is why you must resist at the very first sign of compromise. If you allow things to escalate or put off repairing the breach, you only allow things to build to a bigger head requiring more and more painful intervention and the ripples spread throughout the entire body. This is why, My Children, you must resist the enemy at the start. The old adage, a stitch in time saves nine, is good to remember.

"Beware of serious misunderstandings among brethren. Gossip, implication, slurs, impatience, interpreting motives to their detriment, downgrading and the like will separate brethren and make way for each to be isolated from one another. An isolated sheep in the forest, as you know, is a dead sheep. Be ever so vigilant to correct the early signs of misunderstanding. More patience, more love, more humility, these are the tools of healing you must always keep in readiness."

And I just want to say here that Ezekiel and I have really, really been witnesses of what the demons do when they twist words, or they turn things around, and they're not heard the way they were intended. So the Lord is basically saying that the enemy is on the march, with more misunderstandings for people in relationships. And so we have to really, really pay attention to what's going on with people in our lives.

I just went to my Rhema box (a Tupperware shoe box with index cards that have holy quotes. I have like a thousand of them that I've kept over the years.) And I pulled a card and it said, "Nothing, no matter how little, that is suffered for God's sake, can pass without merit in the sight of God. Be prepared to fight if you desire to gain the victory. Without fighting you cannot obtain the crown of patience."

And here the Lord is talking about adding jewels to our crown.

"Moving on...You will all be tested in charity and forgiveness, open your hearts wide for sinners and especially the ones I send you, embrace them with love and forgiveness, pray for their salvation. Truly they are pitiable. Many of these I send you because they have no one else to pray for them on this Earth. But I know you will, so they come across your path. Don't let me down Dear Ones, I need prayers for the difficult personalities in your lives."

You know, as an aside on that - I've found that not only does it turn their hearts in these situations, but we

increase in patience and in virtue and humility. And that's priceless, just priceless.

He continued:

"I am blocking much unpleasantness in your lives, lest you become discouraged. But as you grow in intimacy, I will allow more tests of virtue. Nonetheless, it will never be more than you can handle. All in all, I am giving you a heads up that tensions are going to increase in your lives. Challenges will present themselves, but you are not to fear. Trust in Me with your whole heart, lean not on your own understanding, and I will direct your paths and deliver you.

"I love each and every one of you. You are My Beautiful Brides and how I long to take your hand and make you My very own for eternity.

"Do not for one moment imagine that these instructions are because you will be here for much longer. No, they are not. Rather I want to stud your crowns with more gems while you at the same time are praying for more souls to come into the Kingdom, and your prayers I will answer. We are a team, working together. The fruits will be far beyond your expectations. Much I keep hidden from you to safeguard humility."

And that's the end of the message.

I just want to add one thing to this message. And that is, that when I was talking about what does the Bride of Christ look like, I want to go into some more detail. She wears a crown of scorn and contempt, the same way the Lord wore a crown of scorn and contempt. And that's one way that you can really, really recognize and authentic Bride of Christ - that she has suffered through scorn and contempt and NOT become bitter, but still loving and praying for those who have tried and tested her.

The Lord bless you and let's keep each other in prayer as these tests come up. I've also already seen some of these tests in the last day or so, and I've heard about them from other people. So, this is really a head's up from the Lord that the enemy is increasing the challenges that lie ahead of us, even though the Lord Himself is protecting us from too much of it.

So, God bless you Youtube family and thank you so much for listening and praying for us and donating, we really appreciate it.

I'm Calling You Closer, Our World is Coming to a Head

March 26, 2015

Clare: Tonight in prayer time, the Lord was very... somber, I guess you could say. He seemed to be very quiet. I was playing worship songs, dancing with Him and I could feel that my love for Him was bringing Him comfort; like a refuge for Him. It was a place that He could go to in my heart. I didn't realize that the message was going to be about that, but when I was ready to write, this is what He said:

Jesus began, *"My dearest, just as you brought Me comfort tonight there are many that are not convinced that I need their affections. You know how hard it was for you. You were so caught up in your unworthiness you could not accept that I wanted to be with you. Even though you are mostly over that, you still go there sometimes. It's a very hard place to leave, because the devils have been conditioning you since you were little and you have a mountain of condemnation over your head. There's no condemnation in Christ Jesus (Romans 8:1) and that is true - but getting a vessel to receive and agree with that, well... that's another matter.*

"The only way this will happen is by experiencing My love. You must all take a chance and come here in My arms and be with Me. Soon you will be soaring with Me in My heart. I died to set you free from that condemnation. Must I die again? Please, My Bride, come out from under this condemnation - do not reject My love any longer. It is very painful for Me. Do you understand what I'm facing right now? What is to come and how I dread it? Do you know how much scorn, contempt, rejection, persecution, and hatred I face everyday? You were called to be My Brides.

"When a man comes home from work, beaten to a pulp by the situations at work, the one thing he has to look forward to is the loving arms of his wife. This is who you are to Me. I need your comfort. I need your sweet embrace from the souls who appreciate Me, who honor Me, who have nothing in their lives more important to do than to be with Me and to express their love for Me. Do you see? I don't care what sins you've committed, how low you are?

"I've created souls to love Me. The ones who do are a priceless treasure to Me. That's you! You are My priceless treasure. I long for the comfort of your worship, your praise, and holding Me tenderly in your arms. I long for this. How many ways do I have to tell you before you believe Me? So, I'm asking you once again: put on some good praise music, something deep and tender. Embrace Me without guilt or shame and just comfort My heart that is so bruised and bleeding right now.

"Please, please... will you do that, My Brides?"

"Now I will tell you, things are coming to a head very quickly in your world. At any moment it could break loose. Although I am God, the pressure is tremendous on Me. I'm so torn between punishing the evil and hurting the innocent and knowing that simple souls - most of humanity - is going to perish in this war and go to hell. Do you know what that means to Me? It means I will never, ever again have the

opportunity to enjoy the company of these souls; to bless these that I have created. Never again to hear their laughter or see them smile, to see them deeply happy and satisfied.

"I did not create Hell for them. Never, never was that My intention. But they have chosen this place, because they're deceived in thinking I am bad and Satan is good. By the time they find out... it is too late. Something in their conscious is telling them, "Don't go there, don't go there!" But their habitual pride has erected a wall of their foolishness. They feel they must defend, so in no way do they want anything to do with Me. Oh, how I grieve for them. This pain is nothing like what you could ever experience. Perhaps only a fleeting glimpse would be accord for you.

"If your child turned on you, even after all you've done for them - and they said, "I hate you. I don't want to have anything to do with you and I'm not ever coming back!" she takes but a part of your heart with her. That's but a fleeting taste of what I get day and night around the world of those who do not know Me and who don't wish to know Me. In fact, they consciously choose Hell over Heaven with Me. That's why I need your love. I want to fellowship with you. I created beauty for you and oh, how it pleases Me when you enjoy My gifts! So many are ungrateful and take them for granted; but you, My Brides, are grateful for My love and for My gifts. So, please spend time with Me and My heart.

"Hold Me, sing to Me, dance with Me, skate with Me, and release your cares to Me. Wipe the tears from My eyes and the blood from My brow. This love moves My heart more than any prayer you can pray. You're taking My mind off the horrors of this world. You're giving Me a moment of rest from the storm. Doubtless some will say, 'God has no need of anything - He HAS everything.' Oh, how wrong you are. I created you for love and appreciation and fellowship with you; to see your joy over My gifts, created just for you to enjoy. To watch you become like Me as you grow and love others unconditionally, reaching out and caring. I derive so much happiness from My children as they reach out and care for others, as I care for them. So, go now. Enjoy the wonderful worship sent from Heaven to bring you into My presence and even deeper into the garden of My heart - and bring Me joy, My Bride. Comfort, console, and repair the damage done by the ungrateful. Comfort and strengthen Me with the sweet raisin cakes of your love."

Clare: I just want to let you know that I will do a playlist for you and try to pull together the songs that I have found that link us into the garden of his heart. Coming out of worship last night, I spoke with Ezekiel and he had a similar experience. Would you share that with us, Honey?

Ezekiel: You don't hear this a lot from men, but I just went to sit in a quiet place in my vehicle. I put on *Swan Lake*. I like to ice skate with the Lord to Swan Lake. It gives me the feeling of the wind in my hair and sometimes we're in the meadows on horses. The music is so perfect for whatever we seem to be doing. The Lord danced with me for some time and then we skated. As I stepped out onto the grass, I could see God the Father. He looked much taller and then I realized I was just a little boy. I ran and I jumped on Him. He took His outer robe off and put His hair back somehow. He was wearing just a tunic. He girded His tunic up so that He could run with me.

Here he was: my Daddy running, tumbling, and playing with me in the meadow! All of a sudden, other little children came into the picture to play with Daddy God. I turned around to look back at a pond and there is a big, beautiful dove in front of me. Even though I was just a toddler here, I knew that was the Holy Spirit and I climbed up His wing and onto His back. He looked like He was smiling and happy. He

began to fly with me and I'm holding on to His beautiful feathers saying, "Wheee, wheee." I came out of the vision for a minute and here was my wife walking out to check on me.

Tonight when I went to be with the Lord I thought, 'Well, I'll picture the pond or the meadow again.' For some reason, this day the Lord had me have two services with a time for repentance and reading of Scriptures, which He's never done before. It was a day He had told us, "Don't leave the house and stay home and pray." Something important was going on that had to be averted.

I came out of that service and the Scriptures were all about repentance and how God's will had been offended and He had to judge the nations. I came out of these services feeling like I need to accompany Him in the midst of this "something serious." I came to the part where they laid the Cross on His shoulders. It's like I was there! I was trying to hold the Cross up and keep it from being too heavy on Him and keep Him from getting whipped with the whips. It just didn't develop and connect. It's not that we have to literally walk the road of crucifixion with Him, because He's already done that. But He still experiences that pain and we have to come to Him with that childlike innocence and just be there for Him. You may be well surprised that Abba Daddy might show up and want to take His little girl or little boy in His arms and dance or skate or ride a horse or walk across a meadow.

Clare: So, what happened when you couldn't connect? By the way, that's how you know that you're really there in that vision. You'll start out in your sanctified imagination and then you'll see a scene and then it will catch and then the Lord will be there. Then He will take it from there. You made the initiative to find Him and then He'll take it. So, that night Ezekiel couldn't connect to the original place he was imagining."

Ezekiel: Right, I had pictured Him in a place that I read about and it just didn't take. These places that the Lord is taking us to are new places or heavenly places. I'm going to go back in to some time with Him and try not to be so mechanical and control the situation and just give it to Him. He wants us to take His heart and mind off those painful things and be His innocent Bride right there in His arms.

Clare: The important thing here is the fruits and you'll know it by the fruits and what this prayer does for you. Ezekiel, what was your day like for you yesterday?

Ezekiel: It was a horrendous day, from the time I woke up all the way until last night. I kept hearing all this condemnation and memories. I was just getting pelted by the enemy with thoughts into my head like, "He's not really coming," or "You're not worthy," or "Your wife is going to die and you'll be here all by yourself". The enemy was even bringing up things from the past that was hurtful to me as a young person.

By the end of the day, I was exhausted. So, when I went in to be with the Lord, I felt like - well, I might as well try because there's not much of me left. It's amazing, because afterward (I had skated and danced with Him) I instantly didn't feel tired anymore. I felt a supernatural peace and supernaturally light, free, and easy. This feeling lasted through the rest of the night until I went to sleep.

Clare: I know you were going through a crisis of faith and you really needed to get in touch with the Lord. But instead of getting you in touch with Scriptures, the Lord just loved on you and played with you. You came out of your time with Him feeling like a new man.

Ezekiel: There's something about being natural and approachable and being together with the Lord. I can be myself. He's so wonderful; and you'll begin to experience it more and more as you put yourself in that

special place in your mind's eye; a meadow, a lake.

Your Pets Will Be Taken in The Rapture

March 27, 2015

Tonight, I have some interesting news for you. I really believe the Lord has put an anointed vision in my hands from a woman by the name of Sheila. She had a vision when she was 13 years old - she was not a Christian, there was really nothing Christian at her house except for a picture of praying hands and her parents never went to church. When she was 13, she experienced a very vivid vision, definitely a supernatural move of the Lord. And the vision, I believe, was of the Rapture.

So, I'm going to include the vision at the end of the video. It's not going to be a very long video, the Lord was not on a real good place to talk to me tonight. He wasn't feeling "well", in the sense there was a lot on His heart and mind.

One thing I wanted to mention to you tonight, when I came into worship with the Lord and I saw Him, He held me very tenderly, but He had tears just rolling off of His eyelashes, just streaming out of His eyes and down the side of His face. I didn't stay in worship for very long - He wanted to stop and talk to me. So, I did stop and we began to talk. What's coming is just so unbelievably painful for Him, and I could feel it tonight, at the end of the message you'll see. Also, that He didn't want to carry on a conversation any longer - He just couldn't.

He began the message tonight with these words:

"The vision was highly accurate - it's going to happen just the way she saw it. ALL men will see Me coming on the clouds - not just Christians. ALL will see Me. Just as she was shown, I'm coming that way.

"Children and pets will also be taken. I will not leave the dear ones down here to suffer - they shall be taken with you. Try not to be apprehensive, My Love, I know you're not used to seeing Me this way. Please, do get used to it. This was the way I first appeared to you, when you first became a Christian, remember?"

"I do, Lord."

As an aside on this, the picture I'm using for the Youtube is the way that I've been seeing Him of late, and I think that the artist did a really good job on this. It's from the Shroud of Turin. He did a great job of accurately portraying His face, and there is some softness to His face. I think the pictures that I've been using capture more of His Spirit and sense of Love and Tenderness. That's more what I'm used to, even though I know those pictures could never be accurate of Who - what the Lord REALLY looks like, objectively. I think He's preparing me to see Him the way He truly is, so I'm half struggling about that.

We've had a few little talks about that.

He continued, *"I know you're nervous and scared. Try to hold Me close to your heart and I will steady you. It will be glorious - more glorious than you can ever imagine. And terrible and frightening, too. But, you will be brought up in such an ecstasy that you will remember nothing about Earth, only the Glory transforming your body and lifting you up. It will be perfect. Is anything that I do LESS than that? No. My Bride deserves this.*

"Do not weep for those left behind - this was the course of their lives, the course they must take. This will be the refining process that brings them into perfection...in ME.

"Yes, you may tell all that I am taking their animals as well: horses, cats, dogs, birds, loved ones - family - to all of you. May I say that I would never abandon these poor, innocent creatures at the very worst time of history, when they've brought you so much comfort."

When He said 'loved ones and family to all of you' He was referring to the fact that the animals are all like family to us.

"Over and over again, I have used them to minister to you. A look in their eye, a touch, a nudge. Such joy they have experienced in your sweet embrace. They love you - and I shall not abandon them to neglect and suffering.

"Your grandchildren, as well. Some of you have suffered such alienation from your children that they've deprived you of your right to see your grand-children. This will be the time of restoration for you as these little ones are removed and taken to Heaven.

"Many of My ministers have no knowledge of the extent of My Mercy to creatures. They do not understand the true role that animals on this Earth have played. Adam had fellowship with the creatures as well. But, despite his closeness to the animals, none proved to be a suitable companion until I created Woman.

"Nonetheless, do not underestimate your relationship with animals and pets. I love them dearly. Not one sparrow falls to the ground that I do not embrace it and bring it back to Heaven.

"In Heaven, you will communicate freely with them, and most of your interactions will be times of love and play. You will swim with dolphins, tumble with lions, glide with otters, float with polar bears and tuck into the giant paws of grizzlies. They will welcome you with Love. All things in Heaven are saturated with Love. Even the bees will express their appreciation of you."

"Oh, yes, Lord! I remember that. I remember how the bees made a heart shape as they grouped together, lifted off the hive, dipped your hands into the honey and brought some out for us. And, I can't wait to eat those plum- sized raspberries!"

"So many delights, My Precious Bride! So many joys - on your left, on your right. Beneath and above you. You will find delight in My Creation, as I have made it a reflection of Love for you. How many ways can I say I love you? Seeing is believing...so many ways. Only just experience them and you'll understand."

At that point, I remembered something I needed to write to my children - about routes out of the city, keeping gas in the tank and things like that. So, I took a few minutes and did that - the Lord released me to do that. Then I came back to Him, and He was silent.

And I said to Him, "Jesus?"

His head was down and He said to me, *"It's hard for Me to talk."*

I could feel that He was choked up.

"That's enough for tonight, My Love. Stay close. Don't let Me out of your sight. Watch and wait with Me."

"Jesus, will You watch with me when I fall asleep?"

"I'm always by your side - always."

That was the end of the message tonight, of our exchange.

Here is a transcript of the Dream I spoke about in the beginning of this message:

My Vision of the Return of Jesus Christ

I have heard the saying that young men have visions and old men have dreams. I was a young girl when I had a vision from God. I was 13 years old when it happened and it hasn't happened again since that hot July day in 1976. I'm 49 years old now, but not one detail of that vision has ever left me. It was profound and life altering, yet as a young girl I didn't know what it meant or recognize what a significance it would prove to be in my life and others.

I pondered it for a while and eventually I just got on with life, and though I put it aside, it never went away. For the past five years, this vision has been in my thoughts constantly, pressing me to write it down and share with the world. God won't leave me alone about it; I have to do it. I can't sleep at night for thinking about it; I feel like a grape in a wine press. The need to do this is pressing and oppressive and urgent.

I find it ironic that I grew up in the middle of the Bible Belt, yet I had not been to church more than two or three times in my life and that was limited to Sunday school when I was a much younger girl. I had no idea of the symbolism or what these strange things that I would see would mean to me or anyone else. Church, God and the Bible were not a part of my family or our lives.

My Mom was taken to church as a child and baptized, as were all good Southern Baptists in her day. I don't recall that she ever went to church as an adult, nor do I ever recall seeing a Bible in our home. I do remember the plaque with praying hands in the den that hung there for many years as it did in many southern homes. We were never taught how to pray or worship or praise God and as an adult, this is something that I am just now learning. I do have to add that when my sisters and I were very young, I remember Mamma teaching us how to say our prayers at night. You know, "Now I lay me down to sleep..." Oh, yes, then there was the print over my bed, the one with the little boy and girl crossing a

broken and crumbling bridge, and a beautiful guardian angel in a pink dress was helping them safely across. That was the extent of my Biblical teaching.

Nothing that I learned in our home prepared me for what God would show me. I remember that, right before I had this vision, I was fond of telling everyone that I was an atheist. Never mind that I really didn't know what that meant, let alone the ramifications of what I was saying. I think I was doing it for the shock value, like all teenagers in the 70's. But, God heard me loud and clear and saw past my smart mouth. He knew the disobedient path that my life would take and he knew it wasn't going to be pretty. I guess he figured I needed a visual aid to bring me back to him. It only took me 30 years or so to come back Home.

My family had finished Sunday dinner, which is lunch to those who aren't from the South. Everyone decided to go down to the river for a swim and fishing, but - for some reason, I did not want to go. I felt tired and I just wanted to lay down for a nap, so my Mamma allowed me to stay home alone for the first time ever.

It was like any other dry, sultry, boring day in mid-July in south Georgia. We lived out in the country in the middle of dusty plowed fields, dirt roads and woods. Everything looked kind of brown and crispy, like it needed rain bad. As soon as everyone left, I went to my bedroom, which faced out the front side of the house and looked out onto our front yard, which had a semi-circular dirt driveway and beside the left entrance was an old dogwood tree, which had to be at least a hundred years old. Highway 341 ran from east to west in front of our house, which faced north, and the cornfield I spoke of earlier was on the other side of the highway. There was a slight rise in the middle of this field and you could not see the trees on the other side, so it looked like an ocean of corn that went off into the horizon.

As I lay across my bed looking out the window, contemplating what I saw before me, I began to hear music in the distance. I specifically heard it in my right ear and the direction from which it came made me think of the high school band which practiced several miles southeast from where I lived. When conditions were right, we could hear the band playing, but usually only heard the faint beat of drums. This sounded like trumpets and as I was thinking this, I began to notice the music getting louder and louder, coming closer and closer very quickly.

Within a few seconds, the sound wasn't just something that was exterior, but it was inside my head as well, reverberating throughout my entire body. It was so loud and it sounded like lightning crashed directly over my head and, in that split second, the trumpet sound thundered throughout my body and throughout the entire world.

In a flash, I was no longer lying on my bed, but I was standing outside my bedroom and I beheld the scene in front of me with tremendous awe. It was still my front yard, only now everything was different. The trumpets continued to sound and I saw that the blue, sunny sky had turned black and the clouds churned and the wind blew with a violence that I had never experienced.

The cornfield was now a sea of wheat that was golden brown and ripe for harvest and I could see every stalk of wheat individually, billions of them. And I watched as the wind thrashed the wheat until it was beaten down, yet straining against it. I now know that the Bible speaks several times about, in the time when the wheat is ripe for harvest, how the wheat will be separated from the tares.

Then I noticed the dogwood tree. It was mid-July, so of course I know there should not have been any blossoms on it, but the tree was in full bloom. I had never seen anything like this. You couldn't see any leaves on the tree because of the thousands of dogwood blossoms. It looked as if it were lit from within by a glowing white neon light and it glowed gloriously against the darkened sky.

Now, I know the Bible says no man knows the day nor hour that Jesus will return, but if we watch for the signs, we can know the season. I have always felt that He might come back in the spring when the dogwood trees are in bloom. Of all the things that could have been highlighted in this vision, why the dogwood tree? I believe there is a special message there.

Just as I was taking all of this in, lightning filled the sky and the trumpets thundered over head again and in an instant there appeared two angels. They were dressed in white robes, facing each other up in the air and blowing golden trumpets. They were huge and filled the sky in front of me and I knew that the entire world must be seeing this as well. I didn't think the trumpets could get any louder, but they grew louder still, building to a great crescendo. And I heard a great shout that was louder than anything that you could imagine. And with that shout, the black, violent clouds began to roll back onto themselves from the center of the sky and I saw light in the distance.

It was more a combination of light and clearing of the clouds in the distance that got my attention. As I looked up at this shaft of light and clearing sky, I saw what seemed to be fluttering and movement in the distance. As it came into view, I saw Jesus on a white horse and behind him were millions of angels or saints (I could not see this clearly) on white horses. It was at this moment, when I realized what I was seeing, that it disappeared and I was back in my room lying on my bed. Everything was back to normal and I was again looking out at a bright, sunny day.

As a 13 year old girl, I had no idea what I had just experienced. I had no frame of reference; I didn't even know what a vision was. I'd never heard of such things. I certainly didn't tell anyone about it. I didn't know how, and I didn't want my family to think I was crazy, but - to be honest, I was starting to think I was.

Time passed and I filed it away in the back of my mind where it gathered cob webs for many years. Every once in a while I would think about it, but always re-filed it as an unsolved mystery. After all the years of pondering about it, I finally picked up a Bible about 5 or 6 years ago that had a concordance and looked up the word "trumpet".

The first Scripture it sent me to was Matthew 24:30-31:

30 And then shall appear the sign of the Son of man in Heaven: and then shall all the tribes of the Earth mourn, and they shall see the Son of Man coming in the clouds of Heaven with power and great Glory. 31 And he shall send his angels with a great sound of a trumpet, and they shall gather together his elect from the four winds, from one end of Heaven to the other.

The next Scripture I was lead to was I Thessalonians 4:16-17 For the Lord Himself shall descend from Heaven with a shout, with the voice of the Archangel, and with the trump of God: an the dead in Christ shall rise first, then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air. And so shall we ever be with the Lord.

I know that what I was shown was from God Himself and since that day, I have known that I would see Jesus come for us in my lifetime. The time is urgent and God has really pressed upon me to share this with you. If you are a Christian, I hope this blesses you and gives you reassurance and that you will share this with others. If you're not a Christian, I beg you to repent now and ask Jesus to forgive you and be the Lord of your life, because our time is very short. The one question people always ask is why I feel this urgency now. The only way I know how to explain it is that I remember how I felt when I had the vision. I didn't feel like I was seeing it through 13 year old eyes. I remember how I felt emotionally and physically and spiritually. I felt then like I feel now and that's the only way I know how to articulate it.

Whether you believe this was a vision of the Second Coming of Jesus Christ or - if like me - you believe this was a glimpse of the Rapture to come, just know that it was real and every word of this is truth. For some reason, God chose me to deliver this message to you at this time.

I'm not a preacher, nor a teacher, nor a prophet. I am the least likely person to be chosen to deliver such an important message. I have pondered and prayed about this and I feel God gave me the following analogy: You have two clay pots. One is perfect, the other full of holes and cracks. Which one lets the most light shine through? I try to send this message to 50-100 people a week randomly. I have prayed that God will lead me to send this to those who need it most and that they would be able to discern the truth in it. People wonder what reason I had for sending it to them in particular. Many are going through things in their lives now that make them question, make them hungry for something tangible in this crazy time we live. People need something real to believe in now, when everything is totally not what it seems.

I have learned that I can't do anything on my own, I need the Lord's guidance. I lived a life of sin and debauchery most of my adult life and I didn't think that God could even like me, much less love me. There is not a sin that I have not committed, including murder. I had an abortion in 1989 and after that I just knew I was going to hell anyhow, so I really lived as if I had nothing to lose. I never thought I would live to see 30, but now I am 49 and I'm just learning that I didn't have to do anything to change except love Jesus and let Him love me. When I finally opened the door for Him, He did all the work. He changed my heart, my mind, my thoughts, my actions, my feelings. Everything changed when I took that step and I realized that He had been there all along, leading, guiding, waiting. I have peace and joy and kindness and preciousness in my life that I never knew was possible.

I have had this vision in my heart for 36 years now and I only shared it with a few people over the years. But, I realized that what I was given was unique and special and to be shared with others. God urged me to write this last October. It just sat there until mid-February. Every day He put in my heart to share it but I could not figure out how. On Tuesday morning, I woke up and the first thought I had was to send it on Facebook, Youtube and email to all my friends.

When I was done, I sat back and felt Him urge me to send it to their friends as well, and so on. That's how you got this. Let me make something clear: God does not speak to me in an audible voice. But He speaks through urging and prompting and pushing and even nagging sometimes. I had doubts about sending it; people are funny about their beliefs, but I have gotten dozens of emails that encourage me to keep going because this has made such a difference to them.

One young man I sent it to professed his faith as wiccan and said that he doesn't believe in a Supreme Being. The night that I sent this to him, he had a dream that God told him that a woman he did not know was trying to bring him the light of God. He dismissed this as a silly dream until he woke up in the

morning and my email was the first thing he saw. He said he no longer doubts God's reality. And, after hearing this, I no longer had any doubts about what I was doing. I knew it was inspired by the Lord.

I also feel that the way I was living my life was designed by Satan himself. He knew that the day would come when I would share this vision with others, and I think he did everything he could to make sure that did not happen. He lost.

Love and Blessings to you, friend. I'm no Morpheus, I'm just a mamma and a grandma who's lived and learned.

One more thing: I think one way that Satan creeps into our lives is by accusing us and making us feel guilty and condemned. He wants to separate us from the Source of Love and forgiveness and grace and faith. He wants us to believe we could never be good enough, that we could never deserve it. Well, he's right - we can't be good enough and we cannot earn or deserve it. All these things were given freely on the Cross of Calvary. We only need to accept this free gift and it is ours.

The ones who are forgiven much...love much. Just because we become Christians and love God and Jesus does not mean we become perfect people. We will never be without sin, but - we have already been forgiven for it. People who are not Christians say that if God really keeps on forgiving, what's the point of changing - just do what you want to. I used to feel this way, too. But now I know that when Jesus comes into your heart, you don't want to do evil things anymore, you want to please Him, not hurt Him. The Word says that we are saved by Grace through our faith, which is a gift from God Himself.

Jesus Answers His Bride, How to Hear & See Me + Rapture Date Has Been Set

March 28, 2015

The Lord had a wonderful message tonight. There are many, many answers. I've been getting so many questions about how to become more intimate with the Lord. How to have a deeper relationship with Him, how to see Him, how to hear Him. And He's been listening in on this and tonight He weighed in on it and explained what He is needing from us, what we need to do in order to clear the way, to have this intimacy with Him.

But, before I go into that, I am going to read to you how He began with me tonight, and to share a little bit about the Rapture and so on. We've been kind of looking at that and feeling the time getting shorter at least, as this Passover season comes around.

And tonight, when I was with Him He was just holding me so tenderly and showing me the many faces that I've adored Him in, all these probably three different faces that I really feel capture His personality and His moods, His gentleness.

When He began to appear to me more in the Shroud of Turin, the pictures by Ray Downing, I was a little uncomfortable with it, because I hadn't seen Him that way before. Tonight, as He held me, it's like His face morphed into all these different images that I'm so fond of portraying Him. As well as the Ray Downing one, from the Shroud of Turin. So, that's how we began our night

Thank you Lord for holding me so tenderly and showing me the many faces I have adored You in...and melding them into one.

"My Bride, I didn't want you to feel alienated from Me, I truly am all those things to you. Yes, indeed the pictures you have used capture unique facets of My person and I have no objection to you using them. I only want for you to be acquainted with My actual face so that you will in no way be shocked when you see Me."

Oh, Sweet Lord, how kind you are to me.

"My Sweet Bride, how I love you."

You certainly show it in so many ways, I am totally overwhelmed over Your gifts to us.

And then He goes on. My husband Ezekiel has been carrying a cross, he's been carrying something and I said to the Lord, "Please comfort him, Lord. Please pull Him out of the place that he's in.

"My Love, he is carrying a very heavy cross for Me right now. Shall I remove it from him?"

Well, no. Perhaps if I explain that, he will carry it with more confidence. (And he is carrying it very peacefully, but I know it hurts.)

"Perhaps. But he has offered himself to Me as a total sacrifice so many times, and I rejoice to share with him what I must endure on behalf of souls."

But Lord, I thought you endured all that on the cross.

"Sins, yes - but the dynamics of brewing situations, no. There is much tension in Heaven right now as well. We are all on the edge of our seats, so to speak."

And, I wanted to say that a dear friend of mine had a vision of the Lord on the edge of the seat of His throne. The angels had trumpets in their hands at their sides and they were all watching the Lord on His Throne. And He was sitting on the edge of His seat, I think looking at the Father. He was waiting, waiting, waiting.

But Lord, I thought you said last night, 'a date has been set'?

"I did indeed, and that is what we are waiting on. You know how it feels to wait. However, you have not nor will you ever know what waiting for this moment is like. It is like none other in history. It is horrendous. Waiting, waiting, waiting."

Can You tell me more?

"No My Love, except that you are very close."

Close in time or close in thinking?

"Both."

OK.

"Listen to Me, Dear One, hold up under the pressures of this life only just a little more, don't grow weary in well doing as you began to do today. I would say to you, you will receive your reward - but I know better. It is not for reward that you do this. You truly are a shepherdess, laying your life down day after day for the sheep. This is what I have always wanted for you."

Thank You, Lord - You've done this beautiful work in me.

"There are many who wish to have this relationship with Me. I exclude no one - let that be made clear. My arms are wide open to all who seek Me...until they find Me. I am not an easy catch. I need to know how much I am wanted, I need to see a relentless Bride searching high and low for Me. Then, I shall surprise her with My presence. Most people give up way too easily; this is the majority of the problem."

"Most people give in to the lies of the enemy, 'you're not worthy.' Nothing could be further from the truth. Unless you want to say, 'Unless you are willing to seek Me until you find Me, you are not worthy.' Now that would be correct."

"The other issue of Purity is also major. Two facets: one is that the more stimuli you glean from the world, the less sensitive you are to My presence, My still small voice, My gentle breeze and embrace.

"The other facet is uncleanness. Feeding on the filth of the world makes a heart very soiled and unfit as a habitation. The house must be clean or at least committed to cleanliness."

Wow, Lord. We needed to hear this!

"I know. Oh, how I love each and every one that is seeking Me. That is why I am here to explain the direction they need to take. You know the things that offend Me. Sin offends Me very much. Sin in clothing, or lack of it, sin in violence, crime, hatred, gossip, backbiting, jealousy, adulteries. Soap operas are the epitome of sin and extremely noxious to Me. Like your-nose-in-fresh-dog-excrement noxious. I mean very, very bad. These things not only offend Me but also the Heavenly court, the angels and the saints. Yet in your world they are matter-of-fact, part of everyday life.

"If My Bride wants to find Me, she must lay aside these things and purify her heart and mind from all forms of entertainment that portray sin. This means music, clothing, behavior, speech, murder mysteries, wars, things that portray sin in any form. I don't have a problem with biographies that show the progress of a soul coming to Me, that doesn't make entertainment out of their sin, but simply portray where they were and where they are coming to. It is the scintillating entertainments that spoil the perception of the delicate and clean things, dulling the senses and offending Me greatly.

"Understand that I, too, must endure what you are watching and thinking about. I, too, am in that bedroom watching unspeakable filth. I, too, am at that murder scene with all its suffering. I, too, am present at that intrigue that will steal and ruin the lives of hundreds caused by greedy men. These things HURT Me. Please My Brides, do not watch these things in movies or TV - they are SO hurtful to Me. Do not listen to music or look at magazines, billboards, pictures that depict suffering or sin."

Lord, I remember how you recoiled at some of the images I was going to use for the nuclear war video.

I was working on it, and I really sensed that the Lord didn't want these images in the video.

"Oh Yes, horror of horrors, I created that soul! To see his very body on fire disturbs Me deeply. Remember I was there when that soul set fire to his body. I, too, felt the suffering, I had to work with his soul, determining his destination. No, No! Do not trouble Me with what you look at, listen to, think about. No. No. Do not put Me through that.

"How can I embrace a Bride, when her mind is full of filth such as this? These things have half-lives, they linger and linger and linger. Over and over again I must see these things as they are recalled to your memory.

"Do you understand, "Blessed are the pure for they shall see God."? Do you now understand why so many cannot find Me in their prayers? Yes, seek Me until you find Me, but first, clean your house. Come to Me clean, create a throne room in your heart that is undefiled with the filth of this world. And I must say it is not only filth, but worldliness that is offensive to Me.

"Carnal preoccupations with cooking, sewing, decorating, buying, selling, having this and having that.

Shopping. Wanting this and wanting that. Oh, those idols are detestable to Me and when I find that kind of clutter in a heart, I want to run the other way. And when I see that a soul prefers that to My company, well... My heart collapses in sadness. Oh, how could you prefer these worthless idols to Me, how could you?"

As a break here guys, I have to say, I am guilty. Guilty, guilty as charged. I have done that, I have gotten distracted on the net and I've gone shopping for...sometimes when you are upset, you run to the store and go shopping, walk around - that kind of thing.

Then He said,

"I'm not talking about when you fall into a mood, or are deeply hurt and disappointed and you head for the Hagen-daas and a movie. Although keep the movie pure. I'm talking about making a conscious decision to forego time with Me in order to do useless things. That's why I get so disappointed with you when you follow rabbit trails on the Internet. What a waste of time. And you are getting much better, My Love, not following news stories that bait your curiosity. Much better.

"These are willful sins you do not recognize, 'Oh Lord, cleanse me from my unknown sins.' When you get done surfing, you feel conviction, 'You know, I shouldn't have wasted all that time.' Your heart sinks a little knowing you've disappointed Me. Not only have you wasted time, you've also filled your mind with unnecessary cares, then you speak them out to others and pass them around, so you not only affect yourself but others as well, giving them a bad example.

"Do you see what I see, now?"

Yes, Lord, even for the first time, I am understanding some things and why I feel a certain way after doing something that wasn't your perfect will.

"Well, My Brides, I am not saying this to condemn you. Do you understand that? I am answering your prayers, this is what I require of you, this is why you have such a hard time seeing and hearing Me. Work on this and I will bless you with visitations and consolations. I promise you.

"Well, that's enough for you to chew on for tonight My dove. Thank you for responding to Me so readily. All the dear ones on your channel have been on My heart, and now we can all work together to fulfill your dreams and desires to be with Me.

"I love you all dearly and tenderly. I am coming for you. Prepare yourselves."

And that's the end of the message.

You know, I after that word, you're probably thinking, what's left to me to watch? I know sometimes we feel we need a distraction or something to change the subject. Well, we watch children's movies (that aren't atheistic, we're careful about that) and nature movies, documentaries as long as there is no obnoxious content. And simple cartoons like Simon's Cat or Animal Babies. Something like that - it's humorous and cheers you and changes the subject when - especially when you're dealing with counseling souls. It gets kinda heavy after a while.

We are pretty simple in that way, you could get much more heady with intellectual programs and interviews and biographies. Just don't walk away from these things all cluttered in your mind, and be sure that there's nothing really impure in that, that they're rated for children and the general public. That they're not R rated, oh please don't watch anything R rated.

Even PG-13 is questionable.

Thank you all for listening to our channel. My heart has been burdened for you as well, in helping you to be able to get in touch with the Lord in this way. He's not excluding anyone.

I do want to draw your attention to some of my earlier videos, because I did quite a long series on Intimacy with the Lord. Everything that I gave you in that was given to me by the Lord, it's just that since they were earlier videos, people aren't going back to them. But I really encourage you to check out my playlists, and in the playlists you'll see the ones on Intimacy, in those playlists. I think they would be very, very helpful to you.

Also, I hope you're listening to the music that I put together on a playlist. It's also on a playlist, which you can find - go to my main channel page, there's a place where it says, "playlist, discussion, videos, channels" and so forth, in kind of a light colored print - it's easy to miss. Just underneath the banner. Just click on playlists and it'll take you to that page. If you see a playlist and you want to know what's on it, click on that and it will open up and show you all the videos on that playlist. I have an hour-long, over and hour-long video on Intimacy with the Lord, where He really, really, really tackles some of the major impediments to getting close to Him.

So, the Lord bless you with a sweet, sweet experience with Him and please don't be discouraged or think that you have so long, so far to go. Once step forward in the journey, He'll match it with a hundred steps, and it won't be long before you're right where you need to be. And He will bless you, because of your efforts. You don't have to be perfect. Just desire to be there, and He'll do all the work.

The Lord bless you.

The Celestial Wedding, & Advent of the Rapture Rapture is Here, Revised

March 30, 2015

Oh, what I have to share with you today is truly, truly Glorious!

As I came to sit before the Lord (it was later than normal) immediately, He overtook me from the very first second. He was THERE! And I was completely in His presence; there was no struggle at all. It just happened, it was Grace. He was wearing a white tuxedo with a white carnation and His face! It was stunningly clear. When I saw it in detail, He

laughed in joy. He's been working on my perception of His face. Oh, a wave of elation swept over my whole being and nearly lifted me up off the floor. We were dancing and it was obvious this was our wedding reception. I was wearing my wedding dress and veil.

We were dancing to "Praise Him" (Terry MacAlmon) and He was singing to me, and I was singing to Him; we were singing to one another. His eyes locked on mine with such gentleness and profound affection, His love for me was unmistakable. And mine for Him? Well, I could barely stand, so weak were my knees at those moments.

The last two days I've been feeling a reticence that perhaps the Rapture is not as soon as I was anticipating. I said, 'Lord am I getting cold feet?'

He answered me, *"No. Not cold feet. Cautious feet."*

Answering my cautions He said, *"Yes, the Rapture is here. I want you to let go of the Earth and all the expectations you have had. All will be fulfilled in My time, My perfect time. But now, there will be an interval of glory for you and for all My Brides. I am taking you to Myself, Clare. We are to be wed right before the very throne of the Father, forever. I am taking you into My house, to live and abound with Me. (I looked up that word, abound. It's: to be plentiful, abundant, to be full of, to overflow with.)"*

"I am taking you into My House to abound with Me. And I will take you through the celestial landscapes, to learn the secrets of how I have put things together - things that fascinated you from childhood, I shall answer. To dance between the comets and stars, and to dance beneath the play of lights in Nebula's, among the stars singing their praises to Me. All this and more is yours, My Dove."

Then, as the music continued, I saw us processing up to the altar of a brilliant white Cathedral as Jesus took my hand and placed it upon His arm and He presented me to the Father, saying, *"I wish to take this woman for My Wife."* And after our vows, He kissed me, a very pure and tender kiss and we turned and processed down the aisle with confetti, rice and doves - everything, banners...flying through the air until we were in an open white limousine waving to people as we were driven to the palace. There we walked up the long spiral staircase into our room.

As we began to relax, He took my hand and the ceiling disappeared and we were flying up into space, or should I say just rising vertically, ever so gently. Soon we were exploring the glories of the lights in space, a blend of colors so delicate and yet shades blending into shades, iridescent, pastels. As we were just floating along, in an upright position, Jesus put His hand out and caught a comet and handed it to me - it was only the size of a softball, but on fire with sparkles emanating from it. When I let go of it, it continued on its way. Amazing! Playing catch with comets!

Still the music was playing and I was in such a mood that I really wanted to dance, but there was no dance floor. Then I thought, 'Oh, what fun to ice skate between the galaxies and nebulae!' and suddenly, ice was before us and we were skating between planets and moons and nebulae so freely. Oh, I have never imagined such a magical thing in my life!!

"Yes, I am getting you ready to take you Home and you shall prepare also My Brides for this celestial event. And their joy and expectations will soar, knowing the joys I have in store for them. And this immense joy you are feeling in your belly is but a precursor of the Glory that will soon be yours. Oh, yes! Your toes wiggle in joy, your whole being expands with the very thought of what is to be.

"And yes, we will sing a duet, as you sing to Me and I sing to you and our voices blend in perfect harmony, the perfection only I can create. Yes, you are My Bride, and I am so excited for that day! I can hardly contain Myself for the fulfillment of the Kingdom of Heaven... and you shall be lifted in divine ecstasy and how we will all ecstatically rejoice!"

Oh, Lord! It is beyond fairy tale, beyond anything anyone could ever imagine!

"Yes. I know." He kissed me and I disappeared into His heart and He smiled, "Yes, forever Mine for eternity."

"Well, I wanted you to know, you are very close, we are very close or I would not be revealing these things to you. So hang on, hold on, don't push it back to the Fall, stay right here in present time where you are."

Well, THAT was a relief to hear. Because truly, the last few days I've been feeling, 'Oh Goodness! Am I jumping the gun here? Have I got it in my mind that it's going to be happening sooner than it's actually going to be happening? And I was really wondering about that, and the Lord immediately addressed my doubts and my fears, I guess you could say...but more my doubts. Immediately He addressed that, went right to the point, didn't waste a bit of time. And He told me, no...it's not COLD feet, it's CAUTIOUS feet. Yeah. I think we're all cautious after all the times we thought He was coming and He hadn't come.

So, I guess all I can say is, get your dancing shoes on - get your skates on! And be prepared. Continue to purify as we look forward to that time with the Lord. Continue to go deeper into prayer. Really, be ready. BE the virgins with the full lamps.

Definitely, be ready.

God bless you! And thank you for wanting so much to be so close to the Lord and listening to our videos. I really appreciate it, and I'm so happy that they're having a positive influence on you. I know they're definitely affecting me that way.

The Lord bless you!

Attacks Against The Faith Are On The Way Against the Rapture

March 30, 2015

Tonight in prayer the Lord was on the cross, one mass of bloody flesh. I was beside Him like being on the cross on His left. He is always on my right. After a very long time He was standing on the ground and I was in His arms. Both of us were wearing crowns of thorns, and He was sobbing.

"Bitter, bitter, bitter, what I must do, is so bitter. Oh comfort Me, Clare, I really needed you to stay with Me today." I am so sorry Lord, please help me be more obedient. "Well, you are here now, and I am glad - stay with Me." Tomorrow, can I Lord, You know how hard it is.

"Don't let Me out of your sight, especially not now."

He began the message:

"As the time grows nearer there will be more and more attacks against faith and hope and attacks will get more viscous. The lie about tongues was only a murmur compared to what Satan has prepared to unleash. The attacks against faith will be ferocious. I want you all to prepare to stand. Insist that your God is right, stand by Me, insist that your God is right.

"By that I mean to nail all attacks to the wall of lies and do not allow them to linger in your minds. Do not entertain them, put them to flight with Scripture;

"No weapon that has been made to be used against you will succeed. You will have an answer for anyone who accuses you. This is the inheritance of the LORD's servants. Their victory comes from me," declares the LORD. Isaiah 54:17 God's Word Translation"

"No weapon forged to be used against you will succeed; you will refute everyone who tries to accuse you. This is what the LORD will do for his servants--I will vindicate them," says the LORD. NET Bible

"DEFEND My honor My Brides, defend Me before the accuser. I have told you what will take place, I have told you I am taking you to Myself. The enemy will make one last series of attempts to make you fall into unbelief and despair that he may snatch your soul away from Me.

"In no way are you to believe anything that causes doubt, fear, calumny of Me or My vessels unto honor. It is in moments of extreme fear and confusion that the enemy takes advantage and tries to destroy your faith. When you feel these things you are dealing with a demon. I know how hard it is for you to detach yourself from the emotional state you are in and call down the oppressor. That is why I am warning you, that is why I am telling you, call on Me for help, do not try to fight these things alone, they can overpower you, that is why you must call on Me.

"Defend My honor, hold fast to what you have discerned to be true, don't let the enemy pry you loose from what you already know to be true, don't listen to clever arguments and reason with him, when you feel the reality I have given you threatened, raise a standard and fight. Do not allow it to sink into your heart and mind.

"We are in a war here, and this is his last chance to take captives. Forewarned is forearmed. Pray frequently, 'Lord, deliver us from evil.'

At this point Ezekiel wanted me to add something and the Lord said, *"He is right."*

"Any disturbance of peace and joy is the work of a demon. When you feel fear, stop. Use My word and destroy that lie. Fear, anxiety, insecurity, doubt, panic, all of these are weapons of warfare used to disable and destroy you. Doubt, Fear and Confusion, are signs of demonic intervention. Take up your sword and destroy them, before they get a stronger foot hold.

"They will try, but when they come at you from one direction, I will help you fight them off in seven directions, I will scatter them and put them on the run, but I need your cooperation.

"Clare, try to rest in Me, try to acknowledge that I am indeed speaking to you. Please, this is so important, don't allow your mind to drift, not even for a moment. OK?"

Yes, I started to waver while I was listening to Him. I said, "Help me, Lord."

"I will, I am. This message is so important to preserve peace, you can already see how the enemy has been at work trying to undo the good that we have done together. Trying to steal joy, plant rumors, denigrate you and all the prophets I have given wisdom of these hours to. You mustn't let them succeed, defend Me defend and My honor. My faithfulness, My commitment to My Bride to bring her joyfully, whole and happy into My kingdom."

I think we should exclaim, "Jesus, I trust in You."

"These things have already sullied My last message to you. By the affects you can see that you are under attack, My Brides. When you feel any disquiet in your spirit, you are under attack. Do not let the enemy get away with robbing your joy, your peace; take up the sword and do battle. This interval will not last long, but it will be intense. Forewarned is forearmed."

Lord? (I didn't speak the question, but He answered it.) "Have I not told you I would protect communications? "

But they say that an EMP attack the first line of offense before any other move? (Electro Magnetic Pulse attack to knock out all communication electronically, internet, computers, etc.)

"What they say and what I can do, well, My Love there is no comparison. I am above their ways and I intend to use the internet to connect my children until the very last moment. Yes, there will be power outages and that will affect communications, but I am not allowing it to go down completely. It will only be temporary. Can't you trust Me Clare? See, there goes your pride again. You can't defend it so you don't accept it. Shame on you."

I'm sorry. Just trying to be sure the enemy hasn't gotten in here.

"Well, I commend you for that, but I see more than that, some of it is really your human reasoning. But I love you. I'm not abandoning you even when you call your God into question. In essence, you are saying, 'Are You sure Lord? I mean that's the first thing they take out, it's hard to believe that they won't do that. Are You sure?' Do you see how utterly ridiculous your reasoning's are?"

Yes, Lord. Guilty as charged. I'm sorry, please help me.

"Isn't that what I'm doing right now?"

Yes, but I mean, when it first begins to manifest, please, remind me of my pride. Please?

"Yes. I will. But were I to remind you of your pride every time your pride comes up, well, We'd hardly get anything done. Would we?"

If you say so Jesus...

"I do say so. Come on now, let's have a little laugh. I love to play with you and say the unexpected, it's just fun to see you work it out in your mind. Besides, what I am working out in your mind is in the mind of those who listen to you anyway, so they can see what is affecting their faith as well."

You mean I'm not alone in this?

"Do monkeys swing in trees?"

I think that's about all they ever do.

"Right. I've been dealing with Israel for how many hundreds of years, and still they are an obstinate unbelieving people, so I know a thing or two about human nature, wouldn't you say?"

Uh Huh.

"Very good, let's move on."

Oh thank you Lord, this was getting a bit embarrassing.

"My love, your faults are common to all mankind, and did I not tell you before, I looked about for the least qualified candidate to serve Me in this capacity and I found you. Now what's to be embarrassed about? Do you see how singularly special you are?"

Giggles, ah gee, ah, thank you Lord. Yes, I am indeed blessed by my singularity.

"Don't think for one moment that I love you any less for it. In fact, it endears Me to you, and all My Brides who see their littleness. This is the robe of humility Rick Joyner talks about. And Paul as well when he talks about boasting in his weaknesses. It is a mark of predestination to be so empty, poor and frail that in order to succeed you must have My Grace. In Heaven it is a great distinction. I wish that all

My Brides would see things that way.

"It would close a major door of attack against you. You see, the enemy is always downgrading and lying, 'You are so stupid, what do you know, who do you think you are? God speak to you -LOL you've got to be kidding. You're a failure, you'll never amount to anything.' Then he loves to stir you to sin through jealousy, 'Look at so and so over there. Now they are something, they are brilliant and qualified, but you? LOL You'll never amount to anything. Everything you believe is a lie anyway. You'll see.'

"So My Brides, do you see how wide open this door of insecurity is? Do you want to shut it? Say: "Yes, all of that is true, but I can do all things through Christ Jesus who strengthens me!" End of argument, shut those voices down! And "My God is faithful to protect and instruct me."

"Now if the voice tries to slander My Character, I do expect you to defend Me, dear ones. Rise up and defend My honor. How blessed I am when you shut them down that way! You see, I'm giving you a few lessons in fighting off the attacks the oppressor has planned against you. Please pay closer attention."

"My Bride has something to say to you, don't you Clare?"

Humm?

"What did you tell Me earlier?"

I forgot.

"About lots of teachers and voices?"

Oh. Right.

Well I did do a video on this before and I'll try to remember to put the link at the end of this video, but we've been getting letters galore from Brides who have been badly shaken by lies that cause them to believe they will not be Raptured. I guess what I want to say guys is, Be Careful! I know how strong curiosity is, you're listening to someone who has that vice in spades...but Jesus is bringing it under control.

We all want reassurances that God is Good and we're going to be taken. We all want to know that it's coming right now! We all want reassurance about so many things pertaining to the Rapture. But this can lead to spiritual indigestion and confusion. When you listen to a lot of people you have to sort out all the things they say.

Sometimes we search out of insecurity, and the Lord has told me more than once, when your spirit bears witness that you've been given the truth, and it is anointed, don't continue to search. This is a sign of weak faith and unbelief. Rather meditate on what you've been given, hold onto it and don't let curiosity draw you into a trap, because it surely will.

The enemy uses curiosity for just about every sin he wants you to commit. He knows that good people will not listen to evil things, but if he can get you to be curious and looking into various sources he can cause confusion which will can lead to unbelief and a crisis in faith. Especially right now with the Lord

warning us that the enemy has planned to derail our faith. Let's be very, very careful who we listen to.

If we have found sources we know to be sound, and they've contributed to our understanding, consider being very careful not to drink from the questionable waters of other sources. I am reminded of a Scripture the Lord frequently gives me to warn me that I'm wandering out of restlessness and curiosity, "Drink water from your own cistern and fresh water from your own well." Proverbs 5:15 And while this Scripture is addressing immorality, it also applies to teachers and sources of information. Let's be careful not to catch a bug from infected waters, especially now when the stakes are so high.

My thought is that if you are getting restless, watch a good holy movie like God's Not Dead, Jesus of Nazareth or your favorite Jesus movie, or even something like Princess Diaries 2 that is about the transformation of an ordinary girl into a princess and queen...this is what we are all looking forward to after all.

Well I think that's enough to chew on for now.

"Except I would like to add, My Brides - if you are faithful to take this word to heart and be obedient, I will be faithful to protect you from the traps of the enemy to lead you into fear."

"My blessing is upon all of you, let nothing frighten or disturb you, I am Your God, You are My Bride."

Keep a Rapture Vigil With Me And Do Not Judge

March 31, 2015

Sorry I didn't get a message up last night, but we had some discernment issues we had to address - I'll talk about those in a few minutes. I wanted to take a moment to tell you that, getting to know you - all of our Youtube listeners - getting

to know you, Family, is just wonderful. I've never met such a sensitive, loving and caring group of souls anywhere.

I'm so grateful for those of you who have written in and listen to our channel, make comments, and even the support helps. But the most beautiful part of it all is just the spirit of the people who've been on this channel - it's just so sweet and precious. Ezekiel and I are overwhelmed and tremendously grateful to the Lord for sending all of you to our channel - we are so grateful. Thank you. Thank you so much for supporting us and for being here.

Last night, I began a message. And it went pretty smoothly until I noticed that things had shifted and I noticed a contradiction. At that point I stopped totally, went into discernment mode. Ezekiel had already gone to bed, so I couldn't ask him to help discern. And I was getting very, very tired, 'cause yesterday was a heavy day. A lot of correspondence. I love you guys, and I love writing back to you, but it wipes me out!

So, I'm hoping that as I share more of our videos with you, you'll be looking more at the previous videos so that I don't have to repeat myself. A lot of things I'm being asked, I've already addressed in pretty in-depth teaching and the playlists. I have the teachings categorized, so if you go to the playlists, you can tell a whole lot.

Well, on with the message. We finally got it discerned - I wasn't hearing from the Lord in the second half of that message, so it's a good thing I stopped. And this happens! This actually does happen. When you pick up on it, you stop, and you pray and you wait on the Lord for Him to clarify it. But the first part of the message was perfect, so that's what I'm going to give you this morning. This is where Jesus began:

"Right now I am most concerned about the little ways of compromise, little insignificant things that open the door to bigger things, even in the short time left. I am most concerned that My Bride is not preparing herself sufficiently with prayer, and communing with Me. I say this because strong temptations will be released as things begin to heat up and unless My Bride is truly dwelling in Me she will not weather the storms in equanimity, she will be swayed.

"No preparation is as important as prayer right now. I know there are many who are still sorting things out for when they are gone. I advise you not to worry about them, the very moment you are taken from the Earth, My plan will start into action."

There He's talking about His plan for your children, your spouse - whatever.

"What has been left behind is sufficient without getting into worldly things, as you have been tempted to do. I must say I am proud of you for not giving in."

"Lord, I feel such restraint in the depths of my being about things like shopping for food and short-wave radios and the like. I feel such a restraint."

"That is My Spirit dwelling within you.

"Perhaps the most precious thing you can do is leave sweet letters behind. Other than that, stay away from things that will draw you back out into the world. I have told you what is coming and the very best preparation is what you are doing now: communing with Me, soaking in My reality, anticipating My needs. You know from experience that focusing on the things pertaining to the flesh brings you far away from center in Me. They cause you to lose touch with reality. When I say reality I mean My Reality, not the so-called reality of this world and all it's business, which in an instant can be undone.

"The temptations to act on practical, everyday matters can be overwhelming. Yet if you weigh what is in the balance and consider that this world will not be your home for very much longer, you can choose for the Spirit. The very best preparation for your departure is spiritual - this will even impact your children."

Okay - that is where the message stopped. I want to go over a few things with you.

I imagine for women - for all women - it's the same thing: company is coming to visit you and immediately you swing into a full-scale cleaning out, organizing, in-perfect-shape, make a good impression. Everything is orderly. And you're stressing out, also - like when you are about to give birth, your time is near and you start nesting. You start running around taking care of little things that really aren't important at the time, but you're nesting. Sometimes when women get upset, they also nest! I've shared that with my husband, and he's caught me several times in the past years nesting. "Honey, are you nesting??"

I would be nesting, for instance, if I was having trouble with discernment - that's one of the most painful things in my life: thinking I'm hearing from the Lord and I'm not. He allows that sometimes for training and to correct pride...I've got LOTS of pride, so I do have to be careful about that. So, I start nesting when I find out I've gone astray and the Lord is correcting me.

I've gotten better about it over the years, but it is a temptation that I think a lot of us struggle with.

So, here we are looking at the biggest change that could ever happen in our lives. Some of you could be a little bit anxious - some of you ladies, and even you men could be in nesting mode, thinking about: 'I'll leave this behind, I'll leave this behind. I'll do this, I'll do that.' You can get caught up in a whirlwind of business trying to prepare for who's left behind...and you are a sitting duck, to be brought down by the enemy, because you will not be grounded when it all hits. This is what the Lord is saying, this is His main concern right now: not to be nesting, but instead to be praying.

For those of you who work, I suggest that you take off two or three sick days before this weekend - I'd suggest that you take off sick days for the rest of this week, and devote your time to prayer.

Now, if something doesn't happen by the weekend - which I doubt - but if it doesn't happen, that's alright. It's not a big deal, you've just lost a couple sick days, you can go back to work. But if something DOES happen, which is what we strongly feel, something is coming very soon. Whether it happens this weekend or next weekend, the Lord is calling for us to prepare NOW - to prepare by praying and focusing on Him. To get into HIS reality.

Because, when the world's reality changes, if we aren't steadfast in His reality, we're going to be buffeted and knocked around and basically knocked off our horse. And find ourselves just as confused as everyone else around us. He doesn't want that - He wants us standing.

One of the things Ezekiel brought up, is when the message started to go in the wrong direction last night, it was going in the directions of getting me out to the store, going and buying food and stocking up food and things for the children - for my unsaved loved ones. And getting real busy, busy, busy getting things together. And in my spirit, I had no desire to do that. I said to the Lord, 'In my spirit, I feel such restraint in the depths of my being about things like shopping.'

And the Lord said, **"That's My Spirit dwelling within you."**

And then five minutes later, this voice is talking to me about leaving things behind for my children and food - because food's going to be a shortage - there's going to be a shortage of food. And I thought, 'What's going on here? This is a contradiction. This isn't right - this isn't the Lord. Obviously, somebody's messing with my head.' So, I just stopped at that point, went to bed. And I got up this morning and started discerning it with Ezekiel. And one of the things Ezekiel said is, "The Lord already has a plan for our children - and for your children and your husband. The Lord's got a plan. And His divine providence - His Providential hand is going to swoop down and touch them, and lift them up and provide for them. And that's going to be one of the signs for them, that God is with them and that He loves them. That He has not abandoned them."

So, the false spirit (or demon, which is what it was) was trying to get me to do God's job. Trying to get me to go set up everything perfectly for the kids, when the Lord already HAS a plan. And THAT plan will bring them into a deeper faith.

I wanted to share this with you because I am very, very nitty-picky about discerning. I don't ever want to be misled. It's not just a pride thing - it's like, I don't want my mind put in places it shouldn't be. I don't want my priorities set on things they shouldn't be set on at the wrong time. But more than that, I don't ever want to deceive anyone reading my messages or listening to my videos.

Ezekiel has something to contribute to the message this morning. The Lord is dealing with us about hidden judgments. Now, this is the fruit of totally focusing on Him in prayer and dwelling prayer and being with the Lord. I have a whole series focused on what is dwelling prayer in my video playlists. They are foundational, early teachings with Scripture that will help you understand what Dwelling Prayer is - very similar to Soaking Prayer, except you're dwelling in your heart with the Lord, Who lives there.

Ezekiel: Well, I woke up this morning and the very first cognizant thought in my mind was that I needed

to repent. That WE needed to repent. And I thought, 'Well, what for, Lord?' I thought we'd checked all our bases and I think we're all trying to stay clean before You and watch and wait and be prepared. And, you know, help where we can, but stay focused on You. And He brought before me familiar faces of people that I know and have known, that - for the longest time, maybe weeks, months, even years in some cases - I assumed that they just weren't going to be ready. They just weren't going to go. And I hoped that they were going to be okay, but they'd just have to stay behind and go through some of this.

And the Lord called me short on that. He said, **"If there's any hidden judgment in your heart like that, first of all - you have no idea of the state of any soul before Me. That's for Me and Me alone to judge. And when you look at a person, or people, or situations that you think aren't going to make it, or won't be taken, you're setting yourself up to be the Judge and the Jury - and you've already pronounced sentence on them. I can't allow you to have that."**

It's like He was saying there's Zero tolerance for judgment here. That's probably one of the ugliest stains we can have on our wedding dress. We need to be very careful, and go back and ask Holy Spirit to please bring up any hidden areas of judgment that we may have, tucked away, attitudes...anything like that. About anything or anyone. I don't care if it's someone...from a world leader, to a religious leader, to the neighbor, a cousin, an uncle, a friend...and enemy, whoever. We just can't make that call and we shouldn't. We need to look for the good, pray for the good in everyone. As Paul says, we need to esteem all others as better than ourselves.

The safest place is the lowest place. I know we want to be set and ready when He comes, and I don't want to have ANYTHING like that in the way when He does. Because if I have hidden judgment in my heart, then He's going to have to judge me. And I want that to be a celebration - a time of celebration! NOT a time of judgment.

So, check your hearts - check them deep and regularly and thoroughly these next few days.

Clare: Thank you. That's a really good word. I'm guilty as charged, even now I can think of a couple people where I've thought to myself, 'Well, he's not going, they're not going.' No, Lord - I repent. Forgive me, that's terrible! I mean, who am I to judge the state of a soul - we just don't know. Even some of these world leaders that seem to be terrible, and have terrible agendas. Some of them think that they are really doing the world a favor - they really believe that what they are doing has to be done for the good of all. Yet only the Lord knows the state of a soul.

The other thing I would like to say is, even on Youtubes or other things we hear - I think we should be very careful to NOT accuse people of being this, or being that - be careful not to accuse the vessels that the Lord has chosen to share His word with. There are things that we don't know. We see as through a glass darkly, and there are things that we don't understand about other churches and other faiths - we just assume that they are evil because we've been taught that they are evil. And WE really don't know. We haven't examined them, we haven't gotten the Lord's heart about those things. And so it causes us to have prejudice against people and to make judgments against them.

Sometimes people, when they open their mouths to make a judgment, they can be really vicious! And say terrible things. It's best not to judge at all, let alone do it with a wrong spirit. Even when we do it with a right spirit, we have to be so careful, because we don't know how the state of that soul is before the Lord. We're just assuming we know, because of something we think is right or wrong. So, I admonish you:

Unity. "Unity - that they should be one." The Lord talks about that.

John 17 "My prayer is not for them alone. I pray also those who believe in Me through this message - that ALL OF THEM may be one. Father - just as You are in Me and I am in You, may they also be in Us, that the world may believe that You have sent Me. I have given them the Glory that You gave Me, that they may be one, as We are one. I in them, and You in Me. So that they may be brought to complete unity. Then the world will know that You have sent Me, and have loved them even as You have loved Me. Father, I want those You've given Me, to be where I am. And to see My Glory - the Glory You have given Me, because You loved Me before the creation of the world. Righteous Father, though the world does not know You, I know You. And they know that You have sent Me. I have made You known to them, and will continue to make You known, in order that the love You have for Me may be in them, and that I Myself may be in them."

And so the Lord is calling for unity. This is a critical moment in history. This is a critical moment in our lives. Let's not mess it up by being judgmental and harsh with other people. And certainly, let's not pronounce judgment on who's going to be going in the Rapture and who isn't.

Matthew 7 Do not judge so that you will not be judged. For by the standard that you judge, you will be judged. For the measure you use will be the measure you receive. Why do you seek the speck in your brothers eye, but fail to see the beam of wood in your own? Or how can you say to your brother, "Let me remove the speck from your eye." when there's a beam in your own? First remove the beam from your own eye, and then you can see clearly to remove the speck from your brother's eye.

So, Lord is saying here it's very, very important not to be judging. But the most important thing, I think the message out of this is what can be found in John 17: My sheep hear My voice and I know them and they follow Me. And I give them eternal life and they will never perish. No one will snatch them out of My hand. My Father Who has given them to Me is greater than all, and no one is able to snatch them out of the Father's hand.

Make an act of the will: "Lord, this is an ugly sin, and I don't want to be in this place. I don't want to have opinions about who is right before You and who is wrong before You. That's not my place, that is Your place. I don't want to be IN that place - please help me to stay out of judgment."

I can tell you out of experience; the easiest way to stay out of judgment is to look at your own sins, and to look at who you are before God. Take a look at yourself in God's mirror. Allow Holy Spirit to reveal some things about you that you know are wrong. Not to condemn yourself, but to keep a perspective - so you can understand, "Wow. Who am I to raise MY eyes and condemn someone, when I have this is my life?"

Now, one last note that Ezekiel reminded me of: don't over-react to this teaching and feel like, "I'm not going (in the Rapture) because I judged so-and-so!" No, the Lord is coming for you - He just wants you to keep your wedding garment unspotted until He gets here. And this time of preparation and quiet and dwelling in His presence is all about examining any little flaws that might be in our wedding garment. But you've got your wedding garment on and He's taking you - you just want to be as pure before Him as you possibly can.

The bottom line is, do what you can to stay in prayer and be ready the next three or so days. Don't worry

about what's left behind and what's not left behind. Make an effort to really get into the Lord's space and His perspective on the world. We all know something is coming. All of us have been sitting on the edge of our seats, some for years, waiting for the Rapture. Many of us have been disappointed time and time again, that the Rapture didn't happen when we thought it was going to happen. And it may be delayed by a few days - but the Lord said, and I really believe this was the Lord, "Don't push it back to the Fall." That's the best hint that He gave me, "Don't push it back to the Fall."

The other signs that we're looking for as to the timing: in Ezekiel's dream when he was taken up in the Rapture, the leaves were JUST beginning to put out little, green leaves. Little tiny green leaves coming off the branches. That was his timing, and I believe the Lord was pinpointing that for Taos, because that is where we live in Taos, New Mexico. And then, the thirteen-year-old girl that had the incredible, open vision when she was thirteen and didn't know the Lord. Her Dogwood tree was in full bloom, and this was in Georgia, and the Dogwood tree was in full bloom, just gloriously. And her vision even is beautiful because the Dogwood is associated with Christ. The story that goes with it is that the Lord's blood dropped on the petals of the flowers... I don't know the whole association, but it was a symbol. I believe in her whole Rapture experience that she was actually seeing the condition, the season of the year that the Rapture would happen, and that dovetails with what we've seen. And that would be, before Summer.

So, prepare your hearts with prayer before this holy weekend. What happens next week? Well, we'll just have to wait and see.

I just took a break a moment ago and picked up one of my books that I enjoy reading from in order to get a rhema, and this is what I opened to, and I think it sums up everything, really:

"Help me understand, Lord, that the one thing You want most from me is my presence. You created us to be with You in the Garden of Eden, and Your Son asked specifically if I could be with Him in Heaven. Help me to realize that my presence is the one gift I can give, and that it is often the only gift that matters." Lori Beth Jones, [Jesus in Blue Jeans](#).

And I just wanted to say that the Lord wants our presence for two reasons: for the health of our own souls, so that our reality can be His reality when it really matters, when we're really tried and put in the fire and to the test. And because He wants the consolation of His Bride beside Him, paying attention to Him when He's going through one of the roughest times in His history.

And last night, as Ezekiel was keeping Him company, He spoke to him, and He said, "***Your presence is a comfort to Me.***"

So, let's continue to examine our hearts, and to keep Him company and to console Him.
