

Heaven & the Millenium, After the Rapture

April 1, 2015

The Lord started talking about Heaven and the 1,000 year reign. So this is going to be a fun subject to share with you - it will definitely be a welcome break from all the heavy stuff.

"You will be everything you ever wanted to be in Heaven. All the vices and sins you've struggled with on earth, in

Heaven will be gone, let's just say it will be a wedding present. You will immediately be transformed and all sickness of spirit will be washed away. It will just peel off and wash away to reveal My glory dwelling within you. A total transformation."

"Will there be classes for learning?"

"No, I Myself will teach you. You will feel the desire to know something and I will reveal it to you. You will feel the desire to play something and it will roll off your fingertips, to sing and perfect pitch effortlessly sustained will escape your lips. Everything will seem magical to you at first, until you become accustomed to knowing and doing everything effortlessly."

"Lord this is hard for me to accept? Won't we all be working together as teams?"

"Yes, teams you will have, learning experiences you will share, more like what you would call a lab. You will do things together with others and cooperation will be so joyous. Harmony will be something you have always longed for, but rarely had. It is intoxicating to work together as One where all of the many come together to bring about good. You will love it. Your deep desire to work with groups will be fully satisfied in the best possible ways."

"You will seek to see something, and I will escort you. Nothing will be impossible to you, except evil. This is yet another gift, because in Heaven the door has been closed to evil, it will not enter, it will not entice. My daughter, you will not feel anything evil, this too is a gift, a grace I will impart to you."

"Everything in Heaven is effortless."

"Can I have an evil thought?"

"No my love, you will never have an evil thought again. Not only because the devils cannot buffet you there, but also because by Divine Grace all wickedness will be washed out of your system. You will be sparkling clean and glorified. You will be content beyond anything you could ever imagine. You will see into the future and know whatever is necessary to you. You will never guess at anything again. You will never fail to understand Me again, or anyone else for that matter. You will have perfect vision into hearts, that you may help them escape death and decay."

"You will have perfect discretion, timely and sensitive. You will understand the ways of men without effort and easily be able to guide them back to center. You will appear glorious, because you will be like Me. Like Me in so many ways. You are going to love how I transform you. You are going to be unspeakably happy and satisfied.

"I wanted to share with you some of the joys of Heaven because you've had a couple of very rough days, and I can see it has weakened you and stolen your joy."

"Oh Jesus, it hurts me so the lies and calumny spoken by uninformed souls. Oh it truly hurts me so deeply, and I know it is an obtuse spirit, a brick wall I can never penetrate in my own timing."

"That's right. It is not yet time, but My promise to you, Clare, is that you will be working with me to open their eyes in cooperation with My Spirit. When we return, so many things will be changed. First of all, there will be signs and wonders in the sky that will cut many to the quick and instantly turn their hearts. Then you will be working with soft clay and I will give you wisdom as you have never had.

"Oh My Love, how you will rejoice at the elegance of My plan, its depth and breadth, height, and length. Oh how magnificent it is and your wisdom will be as the waters in the ocean, you will understand so much. And it will make you so humble that none will be able to resist your sweetness."

"Will I be with You always, Jesus?"

"You will know Me even as I know you and nothing shall ever separate us, nothing."

"I don't understand, I thought there would be times apart?"

"Not apart as you understand it in your world. We will be in complete union and you will never miss Me because I will be dwelling inside you and nothing will interrupt our sweet communion together because in Heaven there is no sin, no pride. This has its advantages and disadvantages because we will share sorrows together as well as joys."

"But I thought I wouldn't know about Earth doings."

"Not until the end of the Tribulation. Yet you know how you grieve when I am rejected. Well yes, that will still be there, you will feel that. When we return to Earth and as you work with souls, you will be acutely aware of my feelings for their deeds and you will have instant knowledge of how each situation is to be handled, even punishments and corrections."

"Will there be many punishments when we return? Will people still be hard headed and rebellious?"

"You will at first see vast improvements in the attitudes of men and women, but corruption goes deep and some will manifest quickly. Others, it will emerge slowly even over generations. You will be able to see clearly the consequences of sin carried down through families. You will work to change that, but some, Clare, will never change. And for this you must have fortitude and deep understanding to be able to weather disappointments. But I will always be inside of you, bringing deep inner peace and joy, no matter how sad the outer circumstances."

"Will there be death in the Millennium?"

"Yes, there will be birth and death, though circumstances will allow for a longer life span and perfect health due to the atmosphere and absence of sin and demons. It is yet a pity that evil will manifest without provocation by the enemy. This is the weakness of Adam and Eve. It will be a shock to many that evil can still raise its ugly head without demonic assistance.

"You will have joy in everything you put your hand to. You will see conversions, healings, restorations and complete transformation of hearts. This will bring you unspeakable joy as it does for all the angels and saints in Heaven.

"You see My Daughter, so many on Earth in this hour long with all their hearts to minister but the forces allied against them are tremendous, both of a personal nature and an impersonal nature. Few there are that break through this wall, for great perseverance is required and great reliance on Me.

"And there are those who have been chosen and equipped for this, there are others who have not. And to them I give the grace of prayer. Their desires are manifested in the arenas of evangelism, and while they are not a direct part of the conversions as man sees it, they are the living prayer force behind these evangelists. And were you to see these evangelists without the great mass of prayer warriors offering prayers and supplications on their behalf, you would see them as just simple, pitifully weak men.

"The evangelists themselves must have very pure hearts, humility and an anointing from above. Their integrity must be impeccable. That is why we work so hard on issues of this sort. They cannot carry out the work and sustain the heat of the battle or hold up under pressures without a profound commitment to integrity and doing things My way.

"Yet, pull the curtain back and the man becomes very, very little in My plan. The intercessors behind the man are tremendous, making him look like a giant, when in reality it is the little ones behind him that are responsible for his perceived stature. In this way, the desires of those who wanted to minister are satisfied. And yet there is a time and a season for all. They will get their turn to touch souls with My Love. Everyone gets a turn to do what is on their heart to do, because their hearts are conformed to Mine."

"And what about worship, Lord?"

"You are now speaking of something out of the realm of understanding. When you are worshipping, you have ceased all human activity and are in the realm of God Your Creator. You cease to be apart and are molded into One with Your Creator. Your hearts expand right out of yourself in worship and when you come back to yourself, so to speak, you are totally renewed, energized and inspired. Whatever you went into worship with, when you come out, it is totally gone. There is really nothing more I can say about worship because it is so sublime.

"You will experience it. That's all I can promise. And, you will never, ever, be the same again. You are going to go from glory, to glory, just as it is written."

"Lord, is there anything else you want to talk to me about tonight?"

"I am asking you to keep watch with Me. Limit your interactions to necessary communications and return

to the place of deep intercommunion with Me. Much is imparted to you through it."

Jesus Speaks On: After the Rapture, The World Will Mourn - part 7

April 1, 2015

Well, dear Family, this is a message full of surprises - certainly surprises to me...tonight as I was in worship, things started out as they usually do, I was dancing with the Lord. And I noticed I had on a black dress - an evening gown, a black evening gown with sequins that reflected light. He also was wearing black. We were dancing in kind of a formal ball setting. I was really questioning why I was

wearing black, as that is a sign of mourning, yet we were dancing. I was a little confused on that. So I began:

"Lord, I don't understand why I am wearing a black sequined evening gown and yet dancing so gracefully with You as if we were at a ball or celebration of some kind."

"Because the whole world shall mourn and you shall mourn with them, but have deep inner joy, which the world cannot take away from you.

"We will dance through the times to come, as My judgment falls upon this nation and the world. We will behold it with one eye, while beholding Heaven with the other.

"As things come to a close here in America and around the globe, you will draw closer and closer to your Heavenly homeland.

"I know, Clare, you sense in your spirit that time is short - and indeed it is, My Love. Soon, I will be taking you away with Me forever and ever and ever. I will lavish on you all My gifts of Love and we will live happily ever after."

And I thought to myself, 'In THIS world, NOBODY lives happily ever after...'

"Oh, Lord - that is so precious and exciting and my inner man trembles in hopes that it truly is You and truly this will come to pass soon."

"What have I told you about doubting? And trusting?"

"I guess I have no experience to compare it with, to hold on to... it is so far away from my reality. It's almost too good to be true."

He smiled, *"Yes, My Love, I know well how you feel... but it is true, Clare, just as surely as I AM. It is true. And I know it's beyond what you can imagine - and that delights Me even more because I love to see you surprised and overwhelmed with My loving provision for you."*

"So, the world will mourn but we will have one eye in Heaven and one on Earth?"

"That's right."

"Lord, how can I be happy knowing what mankind is suffering on this Earth and how You suffer with them? I really question this, as well as..."

"...Coming back to help?"

"YES! I mean, there's so many rumors about us being trained and coming back to help during the Tribulation."

"You are going to enter into My Rest - you have labored and now you are going to rest. I have not called My Bride to be any part of this judgment that is coming. I am not removing you so you can watch from Heaven and suffer. Is that clear?"

"Oh."

"Well, I'm not. Your job is done here until I return. I will come to you for comfort, but I will not expose you to the horrors of Earth. I cannot and I will not."

"Lord, can I question Your wisdom on this?"

"Why not, you always do! Why should today be different from another day, hmmm?"

"Well, this is no laughing matter but you *are* making me laugh."

"We can have fun together sometimes, even when it is hard and heart wrenching for us both."

"In My Divine plan, I have limits to what each one must undergo. I have purposes and I have limits. My love, do not question. Just accept. Just receive the gift of freedom from the alienation and troubles of this world."

"Lord, my gut feels funny."

"That's Unbelief, Clare."

So, I rebuked it. And strangely...it went away.

"My Love, many think it's heroic virtue to come back and be present for the chastisement. They don't know what they are talking about. My angels have been prepared for what is to come, they alone will be a part of what is to happen."

"But what about our prayers from Heaven when we see You praying...surely we will pray, too? Our children! How can we not respond to that?"

"There will be times when you will pray for them, but your knowledge will be so far above what it is now, that even then, what you pray will be for their best. No longer will you be dramatically tied into them, rather you will see them as I see them - as a part of humanity that must be purified from sin. It will not

lessen your affection but it will change your perspective to one of seeing from Heaven."

"So, I won't be pulled into an emotional whirlwind, like I am when they go through dramas now?"

"Exactly. You will love them...from a distance and yet, as their mother. It will all make sense to you then, My Love. It truly will."

"So, we will not be returning during the Tribulation or get to see all the things going on here on the Earth?"

"No. You will not. You will touch in from time to time, to give them courage but you will not be a part of the drama...rather more like an apparition that speaks encouragement, but not engaged in the painful realities."

"You see, your reality is going to be so much more different. In a sense, it will be impossible for you to get emotionally involved on the same level you are on now, in your body, on Earth. Your whole world and reality will be so different."

"I know it is hard for you to grasp this concept...although I do see a little light breaking through."

He smiled. *"You see, things are so different in Heaven, even now you cannot compute how you will react or see Earth from Heaven. It is the true reality. What you are in now is only a mist. When you've been distanced from it... well, there's just no way for Me to explain it, you have to experience it, My Love. But, you can take My word for it. Will you?"*

"Well, I do have a peace about it now that I rebuked that unbelief. I have a deep peace, Jesus, that You are speaking the truth to me, and that it shall be as You have said."

"Moving on. There are many who will be disappointed that they cannot come back and be a part of the drama. To you I say: Please, take My word for it, you would only get in the way. You would suffer what was intended for the reprobate. You have proven your love for Me and I will not have you go through these things with those who have shown scorn and contempt for Me."

"However, you will get your chance when we return together. Then you will have your assignments and all will be new, full of expectations and opportunities for you to use your gifts. Oh, the plans I have for you, My Bride - they are so exciting! So wonderful! And you will be fully equipped to do all that is in your heart that you have longed to do."

"Yes, you will be perfectly equipped. Your music will flourish, your playing will be nothing less than perfection, and the anointing will bring hearts to Me, to heal and restore. You see, that is what you are all expecting - you're just getting ahead of Me by thinking it will be during the chastisement."

"You will all have the opportunity to do everything that is in your heart and so, so much more that I have planned for you. No longer will you labor and see no results because of the hardness of hearts. No, hearts will be wide open to receive all that you have to give."

"Oh, REJOICE MY BRIDES!! Rejoice! Great is your reward, and great shall be your assignments."

Rejoice! Look forward to this. Yes indeed, you will dance in the black dress, one eye on Heaven and one on the Earth, but your reality shall be in My Arms, not in sackcloth and ashes.

"Well, are you satisfied now, My Love?"

"Oh, yes Lord, I believe I am. I believe in You, Jesus. You speak only the truth and I have come to understand that You truly are preparing us for what is to occur very quickly."

"Thank you My Love, thank you for receiving. My heart leaps for joy that finally you have settled this question in your heart, and you truly have heard the voice of your Shepherd."

"And I have told you I will never cease to work in you to bring you into the reality of My faithful voice. It is I who will do these things, and all that I need from you is what you just gave Me."

"Thank you My Love, thank you ever so much for believing in Me. I adore you, Clare, and I have spoken My words through you and I will continue to speak them until the day you come Home with Me."

Maranatha Lord!!! Come quickly!

Jesus is Waiting on the Turn Key Event to Begin The Rapture

April 2, 2015

The Lord bless you with His sweet presence, Youtube family.

The Lord's message to me tonight was, well...what can I say? Stretching my vocabulary? He used some expressions and some words that I'd never heard before. So, it was a little bit of a challenge - I had to stop and use Wikipedia several times just to understand what He was trying to tell me. Of course, I could have ASKED Him what He was trying to tell me, but I thought that it would be neat to get the definition out of Wiki and then be able to read it to you.

I was worshipping to Terry MacAlmon's song, "How long? How long 'till we are like You, 'till we awake in Your likeness?" (song: "How Long?") which is really about the Rapture. And it's a beautiful, passionate song. I used it to pray for US, for this beautiful Youtube family that is waiting for the Lord so ardently. And it was a really beautiful way to pray. And then there was another song about the Rapture, "Even So." It's about the Bride, and taking the Bride away.

I noticed that the Lord - this was after a couple hours of worship - the Lord was to my right, where He always is. And in the Scriptures, even, it talks about 'the Lord is at my right hand' in several places. But He was at my right, and He was pointing to His right. I looked, and I saw a long row...a long wave, I guess I could say. A sweeping army of warriors looking very much like Roman soldiers, I mean completely decked out and equipped for war. And they were galloping towards the Earth from space. He, our Lord, was astride a white horse, but He was stationary beside me, showing it to me.

He said, **"I'm coming, I'm on My way."**

"There is a turn-key event, that is what we are waiting for." They seemed to be between the Moon and the Earth when He said this. And they were at a stop.

'Turnkey. I wonder what that means.' Turn. Key. It seems like it would be fairly simple. But, I decided to look it up.

Turnkey: The word references a product that is completely ready. All you have to do is turn the key to make it operational.

"As you can see, we are all equipped and ready for the battle. Clare, there is just one event pending, that is the turn-key. Everything is already prepared and ready. In order for it to begin, the key must be turned. Be patient, My Love. We are so very, very close. Hope will not disappoint, be patient.

"I know you are trying. I know you are also being buffeted and you know I will use your suffering for your children's conversions."

"Yes, what one of my children said to me... well it really surprised me and encouraged."

"She's been thinking about this for a long time. The only problem is that it will be too late, she will have to stay behind. However, that could change. There is yet a narrow window of time, but it is so narrow and short."

"This brings up the topic of another revival. I'm getting questions about another revival before You come. And that's really hard for me, because it seems You've already answered me on this question."

"I am very sorry but that is wishful thinking. Please don't wobble, this expresses doubt and unbelief on your part."

"I'm sorry. It's been hounding me, Jesus."

"It's been hounding everyone. These doubts come in waves and sweep over everyone who is waiting for me. You can be sure that what you are experiencing is universal to those who are earnestly waiting for My coming. In other words, you are not alone in this. This is why when I give you a post, immediately it soothes the hearts of so many."

"These things are broadcast so to speak. Sent out at large, 'in the air'."

"What is their source?"

"Need you ask?"

"I mean human or demonic."

"Either way it is what is behind it, but to answer you, demonic. Although mood alterations are also applied by man through electronic devices to sow confusion, anger and depression. This is why communing with Me is so important. This is why so much effort was put into developing a technology that would modify the brain in such a way that the person would lose interest in all things spiritual. This has been a benchmark breakthrough."

There He goes again - giving me one of those words I have no idea what they mean. So, I Wiki-ed that and the best that I could tell, in the context of what He was saying, is a benchmark is a point of reference, as in surveying. Wiki said that: "Benchmarking is a powerful method for breakthrough thinking, innovation, and improvement, and for delivering exceptional bottom-line results."

So, I kind of played around with those words for a minute, and I finally came up with this sentence:

"In other words, this technology breakthrough will deliver the bottom line results of dulling or even destroying man's desire for God."

Then I heard: "Simulated intelligence," another word I didn't know. When I Wiki-ed it and got directed to Artificial Intelligence, which I've heard some things about, but I haven't gotten into very deeply - I don't have time.

"My Love, that is the science that developed this evil technology. It is commonly thought to be good for religious fanatics, terrorists, etc. But as usual, man found a more evil and practical application in mind control."

"Lord, once a person is infected with this will you over-ride it?"

"In some situations, yes. But generally speaking if it is received voluntarily with full understanding of the result produced, most likely, no, I will not over-ride it. This is the technology to be used in the 'mark.' Although, it has been distributed widely through other programs, unknown to those who have been victimized. In these cases especially, I will interrupt the device's ability to turn the mind away from Me.

"It is so treacherous, Clare, so very treacherous and widespread as inoculations have been carriers even to children in schools. But I would like to move on."

I was thinking for a moment (I was getting a little ditzy - I mean, it's 5:17 in the morning, it's getting to be that time to get to bed...) "Lord, can you do something with my mind so I can receive Your thoughts more easily?"

"I already have."

"Can you do even more?"

"There are some thoughts you wouldn't want to receive, My Love."

"OK. Never mind.... But... couldn't you filter them, Lord?" (I wasn't about to give up on that one!)

"I love your sense of curiosity and your desire to be pleasing to Me. And yes, I will clarify My thoughts even more in the short time left to you on Earth, but you must promise Me that you will pay more attention when I am speaking to you in My thoughts."

"Okay. With Your help, I will try."

"OK."

"As you are waiting for this turn-key event, I want you to encourage everyone to maintain their vigil time with Me apart from all worldly preoccupations and entertainments. We are getting SO close. There is the tendency to relax vigilance - and please, please dear Brides, don't relax your vigilance.

"In your dealings with others, bend over backwards to show mercy, clemency and charity. These are the attributes of My dear ones. Some of you have the resources to alleviate the sufferings of those whose paths you come across. When I send you someone, or arrange a situation where you are passing them by, stop and give aid as your resources allow. Then you will be like My Father in Heaven who rains upon the land of the just and unjust alike, but Who especially looks after those who cannot look after themselves. Kindness preaches volumes to the unsaved and lifts the spirits of those without hope.

"Yes, do tell others that I am coming, but guard your heart with those who have scorn and contempt for Me. I do not want you to be discouraged. If you become discouraged, how will you encourage others? The enemy would like to place ugly situations in your way - be on the look-out for opportunities to denigrate you or Me."

And be careful, when you get involved with people, to understand where they are coming from. Be careful in the situations that you're in, with relatives or whatever, to guard your words and guard your heart. Don't just throw it all out there so you end up getting resistance and contempt. Guard your heart. Be careful who you share these things with.

"Watching is by no means an easy occupation, it demands a very high level of faith and hope. These I impart to you in our times together. I will use every means to touch you, My Beloved Ones, even bumper stickers and traffic jams. There is not one moment of the day that I am not bringing some encouragement across your path, because I know your frame and for those of you that must be involved in the world, little telltale signs of My love abound. When the clock reads 3:11 or 11:13, or 555 the number of my wounds, or 444 the number of the Gospels, or 3:33, or even 1:11. All of these are little nudges that I am with you. Seems silly, doesn't it?"

"Not at all, Lord, we cherish those little signs from You! I even enjoy it when you put my birth month and year on the clock, I kind of chuckle to myself, 'He's thinking of me.'"

"Yes, and even love songs you hear, more often than not I am singing them in My heart to you. Or you can sing them in your heart to Me. I love it when you do."

"Really? I wasn't sure about that."

You know, when He said that I realized, when I'm in the grocery store - usually on the Baking Aisle...the sugar and the chocolate chips and the things that I just love - even when I'm there, I'll hear a song that's a love song and think to myself, 'Lord? Did You play that just for me? Are You singing that to me?' And I'll assume that He has, because He's omnipresent, and of course He knows that love song is playing, and He knows how He feels about me. And I know how I feel about Him, so I just turn it around and sing it to Him in my heart.

"A sign or exclamation of love from My Bride goes right to the core of My Being and brings Me deep joy. I love it, Clare, when you sing those songs to Me."

"Pay attention!" (I was getting a little droopy...)

"Pay attention! I know you're tired, but I'm trying to make a point here. Truly, Clare. I love that, I am so touched."

"These are lovers games: leaving flowers behind, drawing a heart in the sand or on your windshield or back car window - I see it, it touches My heart and I will leave you little heart shapes, especially when you are preparing food. Look for them and acknowledge Me. I am so happy when you are grateful for My marks of affection to you. I'm so grateful when you recognize them!"

"So many souls go right by them, and it never reaches or touches them."

"Well, I can see you won't last much longer...try to come to Me earlier in the evening and expect Me to begin speaking to you in this way. Earlier in the evening. OK?"

"OK, Lord. You know about my short-term memory loss. Remind me, please?"

"I will."

"Sleep in My arms, dear Brides. I am ALWAYS with you, ALWAYS."

I have to say, when I lay down to take a nap, or I go to sleep - I see Him there very quickly. That's one time I just don't have any problem seeing Him. I sleep next to the wall, and I see Him even closer to the wall, not laying down totally, but kind of laying back and smiling at me. And He always reaches out for my hand, and holds my hand. Sometimes He sends one of my cats with a paw, and they take my finger and they curl their little paws around my finger to pull it closer to their heart, and it is so sweet to see that. I just know it's a sign of love from the Lord's creation and ultimately He's behind it.

Well, I hope these things encourage you in our watching and our waiting and vigils. My prayers are for you, and I really encourage you to find that song by Terry MacAlmon, "Even So" and use it for your prayer times. It's so beautiful, and so "right on" for right now, so on target.

"Even So" Terry MacAlmon

Even so
Come Lord Jesus come
Even so
Take your bride away
How my soul
Longs to be with you my Lord
Even so
Even so
Come Lord Jesus come

"My Child, You are Forgiven" a meditation with Jesus

April 3, 2015

Tonight I wanted to do something a little bit different. I wanted to share with you a very beautiful blessing the Lord gave me in prayer. And He told me that He wanted me to do this with you. So, I'm going to share with you what He did.

As usual, I came into worship and I was worshipping Him in the song, Praise Him, beautiful song by Terry MacAlmon. As I was worshipping Him I saw Him standing on a bridge over a crystal clear stream - beautiful crystal

clear stream. I don't know if any of you have ever heard of or been to Itchatukny Springs in Florida, but it is very much like that water. I mean, that water is crystal clear! You can see all the way down to the bottom and it's like a magnifying glass - it's amazing!

The water is just pristine beautiful!

And it was a narrow stream, perhaps about 8 feet wide, arched-shaped bridge with a railing. And the Lord was standing on the bridge with me, and He was holding me. We were listening to the music. I was so aware of my shortcomings and my sins and my failings...As we were worshipping, my mind would kinda drift off into another place, and I've really been concentrating lately on forgiveness. Very painful memories would come up. Even though the Lord was holding me and I was just resting with my head on His chest, I would have these memories of things that were very painful that were done to me. And I would make an act of the will to forgive, "Lord, I make an act of the will to forgive them."

These memories kept coming up. And then things that I had done, especially things like wasting time, lavishing time on foolish things for myself rather than lavishing that time on souls. And just this really, really deep sense of remorse came over me and I just started crying and crying. Different things would come to mind that I had done, and how I had failed Him. And each time something would come to mind, I would see a shadow. Something would come floating down the river and pass right under the bridge, and there would be blood on top of it.

What it was, it was that package of sin that I'd been holding onto, and the Blood of Jesus was like a covering over it. Or a red shadow that would float down this crystal clear water. The water was just so pristine and beautiful most of the time, but every time I thought of something that I had done, and how I had failed Him, I'd see this red shadow floating down the river and really flowing all the way down the river and into the sea of Mercy. The Sea of God's Mercy. The Lord let me understand that I was forgiven, that's GONE! It's under the Blood. That's done with!

So, this continued on for probably a good 20 minutes and I just continued to come up with things that I was holding, that I felt really bad about, that I had failed Him. And He just kept holding me and the sweet praise music was playing in the background, sweet "Praise Him" music. These packages would just keep coming until I finally got the idea.

And He said, *"All. All has been forgiven. Everything has been forgiven. There's nothing left to forgive, Clare - it's all gone! It's ALL been forgiven."*

And there was such a tremendous sense of release afterwards and an understanding that He'd forgiven me. He wanted this water, this crystal water to be flowing freely, perfectly clear in my heart. These rivers of living water flowing so clear, without any stains, without any remorse, without any unforgiveness, with no shadow and no stain of any kind - just pure, pure Living Waters. He wanted me to experience that.

And He wants YOU to experience that.

So, tonight I wanted to do a meditation with you, to help you envision that, and to be able to release the things that you're holding on to that you've done, or that others have done to you. To release them into the Lord's ocean of Mercy. Let Him sweep those things away, let Him cleanse you with that perfectly clear water.

So, basically what the Lord has asked me to do is to lead you in a meditation, so that He can help you let go of the things, the failures, the disappointments and wounds of the past. And those waters can flow clearly through your hearts again - just as a newborn infant's. Pure, sparkling, clear water.

So, find a place, someplace in the house where you can have privacy, where you can be real quiet - no one will interrupt you. Maybe go out in your car - you can download this and burn it to a CD. Just find a place that's very quiet, where you won't be interrupted. Make sure if you're thirsty you get something to drink, or use the restroom, or whatever. Just settle down for a moment into a comfortable place.

It's probably best to close your eyes. And this beautiful, park-like atmosphere with willow trees and maple trees, beautiful green grass. It's a warm afternoon with gentle shadows and gentle sunlight filtering in through the trees.

Not too far away is a stream, you can hear it gurgling. And this stream is amazingly clear water. I've just never seen water this pristine - just absolutely crystal all the way to the bottom.

Beautiful white, sandy bottom. There's a bridge across the stream, 10 feet wide. It 's a small stream but it's very deep and the bridge is an old-fashioned arch-shaped bridge with a railing.

Now, I'd like you to take a moment and recall to mind your very, very favorite - most favorite image of Jesus. The one that really comes alive to you in your heart. And I'd like you to see yourself standing with Jesus in the very center of the bridge over the stream. He's holding you very tenderly and your head is on His heart. And you feel so much comfort being with Him. His arms are around you and He's just holding you gently, but securely. And you feel such peace.

The water is so clear, you can see moss on the bottom and shells, beautiful different colored shells. But mostly, it's a white sandy bottom - pure, crystal clear water.

And now you're going to begin just worshipping Him. (song Praise Him/ Terry MacAlmon begins playing in the background..)

Praise Him. Praise Him. Praise Him. Praise Him.

Praise Him. Praise Him. Praise Him. Praise Him.
We have assembled to praise the One we love.
We join a chorus of the angels up above, oh yes...
They sing hosannas and praises to our King.
So we lift our voices altogether now and sing.
We praise You. Praise You. Praise You. Praise You.
Praise You. Praise You. Praise You. Praise You.
Praise You. Praise You. Praise You. Praise You.
We love You. We love You. We love You. We love You. Love You.

You don't want anything to pollute that water. That water represents your stream of consciousness and your heart, what's in your heart. You're His Bride. By His grace it's crystal clear but there are things that you need to forgive people for, because they've hurt you. As you're worshipping your mind kind of drifts off when something comes to mind that really hurt you. And at the same time that you're resting your head on the Lord's heart, you can see the waters of this stream. And the waters are crystal clear with a white sandy bottom. For it is written that "out of our bellies, living waters will flow". And this is Living Water, nothing to cloud it.

But as the Lord is holding you, Holy Spirit allows to come to mind what really hurt you deeply and with the memory of that person that Holy Spirit has brought to mind, this pain in your heart just floods over you and you remember what happened. You're hurt so terribly inside and you're looking upstream. You see there's a red cloud floating in the crystal clear water, and no longer can you see the white sandy bottom. It's moving towards you, murky, murky red. The murky part is the pain and the incident and what happened and how you were hurt. And the red part is the blood of the Lord, covering the whole situation.

And as it gets closer, the memory becomes more painful, the person becomes more clear. You tell the Lord, "Lord. I release them, I forgive them. I make an act of the will to forgive them. Bless them. I forgive them, Lord." And as you say that, this murky red cloud passes underneath the bridge where you are standing with the Lord. The water becomes crystal clear again and the white sandy bottom is showing. And that murky red cloud continues to flow downstream, until it reaches a big body of water. And that body of water is the Ocean of God's Mercy. That memory and that person passes into the Ocean of Mercy to be lost and never seen again. And you ask the Lord to bless them. "I forgive and bless them."

And the Lord gently says to you, *"You may have forgiven them, but you still have the pain. It's okay to hurt. It's okay to have the pain, but that doesn't mean you haven't forgiven them. You HAVE forgiven them."*

And then He brings another person to mind. And you tell the Lord, "I forgive them, Lord. I make an act of the will to forgive them. Bless them, Lord. Please bless them."

And again, that red shadow begins to approach from upstream and it comes towards you and it goes underneath the bridge and out into the Ocean of His Mercy. And the Lord is smiling very gently, and holding you. And He's so happy with you. So happy.

Just meditate on these things for a few moments, allow Holy Spirit to bring to mind those people who have deeply wounded and hurt you.

Praise Him song playing the background...

It is written: "Forgive us our trespasses as we forgive those who have trespassed against us." And now that we've allowed the Lord to take us through our memories and expose some of the things that we haven't forgiven, now it's the time to come to Him and ask Him to forgive us. For the ways that we've failed Him and failed our brother.

And just as WE experienced, the cleansing power of His love, as we forgave others, now as we come to Him - He'll forgive all of the things that we've done. Again, they'll be going downstream into His Ocean of Mercy, where they'll be forever and ever and ever buried in the very bottom of the Ocean, until they are no more. And we can walk in freedom and joy and anticipation that soon there will be the Midnight Cry and the words, "Behold! The Bridegroom approaches!" And the shofar will sound and we will forever be with the Lord in Heaven.

It's simply not His wish at all for us to be downcast and fearful until He comes. He wants us to be set free. He wants us to look up to the sky joyously! He doesn't want to see a Bride that's all crumpled up and remorseful. He wants to see a Bride who's victorious by the Blood of the Lamb, that has covered Her sins and Her faults. And she can look up to the sky with joy and complete confidence that her Lord is coming for her. And forever she shall be with Him.

So, let's do the exact same thing now for ourselves, with our own sins. Let's enter into that place with the Holy Spirit and allow Him to bring to the surface those things that we have great sorrow over. And let them be carried down to the Ocean of His Mercy, never to be seen or thought of again.

(music playing)

My precious, precious Child. You are forgiven.

CERN, "I AM God, There Is None Other"

April 5, 2015

"I want My Bride to approach Me with the confidence that she will be fully received. I am not some great and terrible king in whose presence you could be executed. No to the meek, I am meek, to the fragile, every so gentle, to the fearful, embracing with open arms. But to those who are angry and cruel, I am fierce and protective, to those who deceive, I catch in their own rouses, to those who are wicked, I brandish the iron rod.

"In this way I protect My Bride and give to each one their just deserts. I have labored hard and long with this generation to bring them to repentance. Even in this hour I have presented to them the science of My Creation to bring them to their senses. And yet they persist in their obstinate unbelief to satisfy careers in the scientific community and avoid the inevitable ridicule that comes with proclaiming My Name.

"And so here we are at a critical juncture in history and I must contend with those who would pretend to be God. Even as Satan longed to ascend the throne, they have longed to outdo Me or at the very least set themselves on equal terms with Me.

"What shall I say to this wicked generation who toys with the very building blocks of creation. 'Carry on! Run your tests until you destroy all that I've created?' No, I shall let it backfire on them, for to them I say, 'I Am God and there is none other. Can I not withdraw the breath from your very bodies and to dust you will return?' But no, this does not occur to them, for they're blinded by their ambition to prove to the world they are gods.

"I will not tolerate this insidious behavior inspired by none other than Satan himself. I will punish and rebuke such as these lest they destroy the very ground they stand on. I am not a man that I should be mocked, nor am I deaf, blind and speechless like the idols they adore. No, I am their Creator, like it or not, accept it or not, what they are attempting to do will result in one of the greatest disasters the earth has ever known. Each shall run to their own deep dwelling, but in vain, the waters will seek them out and they shall not escape.

"But you My Bride, will be with Me in Heaven and we will dance and celebrate and explore the wonders I have created for you.

"Stand fast My Bride you shall see the glory and salvation of your God. Do not entertain fears, rather rest in My Provision for you, for I have gone to prepare a place for you that where I am you too shall be, in the house of the Lord, yet with your own lovely palaces where you may continue to grow in your love for Me in preparation for your reign on Earth.

"So rest and worry not, your salvation draws nigh."

The Great Revival After the Rapture

April 6, 2015

The Lord bless you, Youtube family. I still haven't gotten my equipment up and running yet, so just keeping it simple here.

This evening as I was listening to the Lord, actually I was musing on some things - the revival that is supposed to take place before the Rapture. Which He has told me before is not going to happen. And I was thinking, 'What if I am wrong and am misleading my Youtube family - and that thought was weighing heavily on my heart.

The Lord began:

"I know you are frightened. I know how you feel."

"I'm so sorry Lord."

"For what? Questioning that perhaps it wasn't Me speaking to you about the revival? Let Me set your heart at ease. There will be no revival until you are taken in the Rapture. Yes, then revival as never before will break loose, and I will pour My Spirit out."

"But You just removed Your spirit when you took us?"

"How shall My people be converted without Him? Is it not written that He convicts of sin?"

John 16:8 And when He comes, He will convict the world concerning sin and righteousness and judgment: 9 concerning sin, because they have not believed in Me; 11 concerning judgment, because the world is about to be judged.

"Then why does Your Word say that 'He is taken out of the way,' which is the interpretation that most have about that line of Scripture?"

And it was interesting, because just then He quickened Psalm 85 to me:

1 You, Lord, showed favor to your land; you restored the fortunes of Jacob. 2 You forgave the iniquity of your people and covered all their sins. 3 You set aside all your wrath and turned from your fierce anger. 4 Restore us again, God our Savior, and put away your displeasure toward us. 5 Will you be angry with us forever? Will you prolong your anger through all generations? 6 Will you not revive us again, that your people may rejoice in you? 7 Show us your unfailing love, Lord, and grant us your salvation.

And that really stood out to me - their Salvation - which is the point that they will come to when they are convicted of their sin.

"So you see, He will be present and at work in The Great Revival."

The Lord is calling this revival after the Rapture upon His people the Great Revival.

"You see, My Love, there is need for revival, but it will be shallow indeed until people are forced to see for themselves that their way has been death, especially My People and Your people for there is Jewish blood passed down through your mother's lineage. It was kept well hidden because of persecution. But nonetheless, you are a Jew."

"Really?"

"Yes, really.

"And I will say, many have Jewish blood and know it not. But I have told you that all men will see Me coming on the clouds of Heaven. All men means All men, it will NOT be hidden. No, I intend to see My people weep for having rejected Me. Does it not say 'All the tribes of earth shall mourn?'"

Then shall appear the sign of the Son of man in heaven: and then shall all the tribes of the earth mourn, and they shall see the Son of man coming in the clouds of heaven with power and great glory. Matt 24

"Lord, many say that is about Your Second Coming?"

"And yet it is true that the church is not mentioned after a certain point in Rev. but in Rev. 1:6 John Greets the Seven Churches"

Rev 1:6 He has made us to be a kingdom, priests to His God and Father-- to Him be the glory and the dominion forever and ever. Amen. 7 BEHOLD, HE IS COMING WITH THE CLOUDS, and every eye will see Him, even those who pierced Him; and all the tribes of the earth will mourn over Him. So it is to be. Amen. 8 "I am the Alpha and the Omega," says the Lord God, "who is and who was and who is to come, the Almighty."

"And this book was written in chronological order.

"It is my deliberate intention that My People know Who I AM. Without this knowledge they will not be able to repent. When they see Me they shall be struck to the very marrow of their bones in remorse for their sinful rejection of Me."

"Lord, You know the struggles I am having with the order of things in Matthew."

"I know that you are misunderstanding the order of things. The Temple will not be built until you are gone."

"So, does that mean You have spoken out of the order of events? It seems so clear that one thing builds upon another, but that comes before the Rapture. What am I missing?"

"Clare, I want you to rest in this, I will be seen during the Rapture. I will not set foot on the Earth but I will be seen. My people will weep and mourn for having rejected Me. They will be left behind as the gentiles are taken to Heaven, then all Hell will break loose on the Earth; that will be the beginning of the Tribulation. I assure you, Satan will waste no time in implementing His evil schemes and bringing the anti-Christ to power.

"The Earth will reel like a drunkard. Not only will the accelerator upset the magnetic arrangement of the Earth's poles, it shall inevitably affect the planets along with the close approach of Nibiru and asteroids. Did I not say ALL Hell will break loose? It is intended that all of these things happen in close proximity, the judgment of this Earth will happen with great intensity.

"As much as I love them, the Jewish people are by no means innocent of greed and manipulation. The judgment for them will accomplish a two- fold purpose: their rejection of Me, and their manipulation in business dealings with careless abandon for the covenant I established with them, and that they should be responsible for the blood of the creatures of this world. They are culpable in this matter, extremely culpable. This is another of the reasons they are here for the judgment, they must sleep in the bed they have made. OK, are 'we' clear now?"

"Ummmm I think so, but I'll have to reread all of this. You know how it is with me, I don't really get it right away."

"At least you do get it, My Love."

Well, I owe that to You, Lord. It doesn't seem that there is any special sign for the Rapture except You have told me about Miami.

"Miami is no different than the WWII wars and rumors of wars. Because of the increase of knowledge the damage inflicted will be far beyond and more confusing, disorienting and devastating than ever before. FOR that reason, it will be an hour when I am least expected. You see with all the moons and feasts, I am expected. That should alert you right away that it can't be on a feast day, because you are expecting Me.

"Does it not say that when I am LEAST expected I will come? That was meant to be a hint."

"OK, well now that contradicts what people say about knowing the appointed times."

"Sorry."

"Oh Lord, you are indeed Sovereign."

"I will indeed do things at the appointed time, but I made it a point to exclude the Rapture, so why are you looking to appointed times?"

"Umm...I guess because it makes sense?"

"Exactly. And I already inferred that it would make no sense. So relax and stop trying to second guess Me. I already gave you a very firm indicator, rest in this, Clare. Please do not sow confusion,

hold to what I gave you years and years ago. Rest in this. Stop looking to guess what makes the most sense. You are all wearing yourselves out trying to resolve this issue using the stars and moon and the appointed times as your plumb line."

"Oh Lord...." I was just thinking at that point, 'Boy, I must really be a false prophet...' He answered without me saying anything:

"You are not a false prophet. I like what you call yourself - My Bride. And does not the Groom entrust His Lady with His secrets?"

"Come here, My Love, I want to kiss you and hold you and rid you of your reluctance. Oh, when will My Love trust in Me 100% of the time?"

"Am I not getting there, Lord? As Lisa says, I am a work in progress. At least I'm not a work that's stalled."

"Well, I want you to reread this, absorb it deeply. There will be many who disagree with you about seeing Me in the Rapture. Don't allow that to intimidate you. Remember, you live to please Me, not what the more studied and intelligent think. Keep it simple, rely on Me, don't knock yourself out studying the Scriptures. I never created you to be a scholar. I have created you to be a Lover. That should have been clear a long time ago."

"Well, I love the idea of delving deeply into studies of the Bible, Lord. This is something I really look forward to in Heaven, where I'll have time - is to understand these things."

"Yes, in Heaven it will be safe. But on Earth, knowledge puffs up but charity edifies. In other words, you are safer little, unlearned and dependent on Me for understanding. I can impart to you in time so small it cannot be measured by human standards, the deepest understanding of the most complex truths. Whereas you could spend thirty years in studies of Hebrew and Aramaic and still fall short of understanding. So, trust in Me, lean not on your own understanding, and I shall direct your paths of understanding."

"My blessing is upon you and all My Brides who have chosen the simple and lowly way of Love."

And that's the end of the message. And I want to say, interestingly, the dream that the girl had when she was 13 years old that I posted just previously, He said that that was accurate. He said that that was exactly as the Rapture was going to happen. She saw Him, she saw the angels with the trumpet - and she was not a Christian at the time. So this argument that the people who are not Christians won't see, doesn't hold any water in the face of what she experienced in her vision. It certainly makes sense to me that the Lord would allow the Jesus people to see Him, in order to bring them to repentance. That totally makes sense, something I hadn't thought of before.

The Lord bless you, Youtube family. Thank you so much for posting messages and encouragements. God bless you.

Everything Seems Business As Usual (Rapture Still Pending)

April 7, 2015

Good morning! I have an encouraging sort of message from the Lord.

You know after all the drama of the weekend and thinking that the Rapture was going to happen, and then the Lord corrected us and gave us the idea that it wasn't going to be a time when we expect it.

I was thinking today, 'Gosh! It's just business as usual out there. Sunny day, trees are beginning to bud. Opportunities are coming up - life is going on, so to speak. And I thought, 'Lord, couldn't we have a more time? Or are we just a little crazy? Crazy Christians with Rapturitis, or whatever. Could we have more time, Lord?'

Then I had a real burden for the souls who haven't really changed their lives, haven't really come to Him - even the Christian souls. We've had so many people on our channel who've had some beautiful experiences with the Lord, and are really getting deeper with the Lord. There's so much hope in that, for people who have felt alienated for so long. And I thought, 'If only we had more time!'

Don't throw rotten tomatoes at me for saying that, because I know none of us wants more time - we all want to get out of here! In a way... But, I was thinking of that, thinking people are beginning to really, really show signs of life, and repent and wanting to be closer to the Lord. So, that's kind of what this message is about.

I began:

Oh Lord how I wish there were time. So many souls, so lost, so confused, I wish I could touch more, I wish WE could touch more.

"I know."

I wish we had more time.

"I know. But we don't."

But everything seems so normal, you know...

"Buying and selling, marrying and giving in marriage?"

Yes. The world seems so stable just like it will go on forever.

"I know. But it won't. It's deceiving, so much is happening behind the scenes that very few care to know"

about as long as they can maintain the status quo."

People are responding.

"They are afraid."

Well, at least they are responding. Couldn't we have more time?

"If you knew what I knew, you wouldn't ask that question."

Well, every day I struggle with this. The world seems so stable, so normal, if it weren't for Revelation and for You, I'd think it would go on forever.

"Aren't you glad you have Me?"

Oh my goodness, life would not be life but a walking nightmare without You, Jesus.

"I know how you feel, I know how you feel because I weigh the pros and cons and I feel the same way. But we have knowledge of what's really going on, you don't. It is the status quo thing. Don't upset my apple cart, let me get these apples to market, sell them, come home with a profit and go shopping. Just let me live my life. This is where most are at. In the meantime others are stealthily planning their assault. They rest in their plans because they know the masses are still filling their carts with apples and as long as that process can continue, they will be happy."

"Others, who value freedom of religion, freedom of speech, justice and security in those things, others are alarmed and filled with consternation, making plans to escape what they plainly see coming. Others yet are looking skyward, waiting for Me to rescue them."

"Clare, it's happening right before your very eyes, but life before you is lived in layers. To one layer it is the apple cart, to another it is dominance, to another it is freedom, to another yet, it is Heaven, but all the layers are before you. You each day must choose which layer you are going to live in. Which layer is your reality, who is your master, who you will serve. Until one of the layers explodes and takes away the rights of the other layers and the world is turned upside down and inside out and looking back people will say, 'How did this happen?'"

"It happened because you chose to live in an isolated layer that appeared to provide all you needed. You didn't look beyond that layer because you were busy succeeding in this one. Then one day....well, it all ended, and left you standing in confusion, if you are one of the lucky ones who are still standing."

"Nothing will be remembered of the fatness of the land when it collapses. Only bitter memories of what was lost. Then from the rubble they will seek Me. They will realize their love affair with the world left them naked and destitute. And when they find Me, I will embrace them, pour oil upon their wounds and raise them up in holiness."

"What I want to say is that you mustn't grieve over those who are left behind. No, this is their destiny because they chose to live in that layer of isolation where everything was provided by their own hand, where success was the entire focus of their lives. Yes, they chose this, and the world being such as it is,

left them blind and naked before Me. And this I allowed to save their souls, for without it, well... Hell is filling up. They are not all bad people, just Godless, with no need for God. It is My act of mercy that their world comes crashing to an end. It is My love for them that allows such catastrophe. Only nakedness will bring them to Me, hungry for comfort and truth.

"You see once a man builds his house on the sand and the rains come and the floods wash it all away, well, then that man will consider the importance of building upon Rock, and I will be there to teach him. So you see what is pending and inevitable is merely My provision to bring My children back to Me, in spirit and in Truth.

"Yes, it is harsh. Yes, it is brutal. Yes, it is seemingly unfair. But none of this occurs to man when he is busy exploiting the very poor of third world nations to buy his teenage son a car, or build a luxury home. All that matters to those of this mindset is the bottom line. And so they will experience the reality of the bottom line of other nations, nations that looked to you for example in lifestyle and yet were hopelessly captive in a subservient culture and economy while you continued to prosper.

"It is very, very sad, Clare. What you don't see, how these people are exploited and did I not create seed for the sower at a cost, but now greedy and wicked men scheme to find ways to force the poor to buy their seed? How much worse should I allow it to get? The cries of the poor reach My ears every day. They suffer the lack of even medical necessities while in your country the medical establishment runs the lives of even the middle class and finds newer and better ways to get more control for more profit and flourish at the expense of the innocent.

"Oh it is corrupt beyond all reason, why should My Father allow it to go on for even one more minute? We have tried to turn the hearts of men but their lust for primacy and luxury in the world has completely blinded them to their unjust lifestyles. Normally, I do not bring these things up to you, but I want you to understand - the facets of corruption I must look upon everyday are overwhelming and cry out for justice. And what is worse is the architects of these cultural crimes do not see they are destroying the very basis of their lives by continuing to squeeze out every penny from the poor.

"Yes this is only one facet, but it gives rise to unrest, hatred, despair. There is a reason Muslims rejoice in martyrdom, it's there one chance for happiness in a hopelessly corrupted and convoluted world. Living for a cause overshadows the pain of want and restores a man's sense of dignity when nothing is left to him but to die honorably. So Satan has offered a chance for man to redeem himself and live in 'heaven' with all the things he could never have on earth because of injustice. Should they not hate those bankers and world leaders that prey on the poor - many of them Jews? There is another sense of accomplishment, destroy the whore. This too is honorable. So you see this problem is hopelessly complex, but when I come back to rule and reign the iron rod will break the backs of those who would steal and denigrate even the lowliest human.

"Justice and honor shall be available to all who seek it. Opportunity to live honorably with a true vocation and necessary education will be available to all and yet no one will prosper without God, no one will in the beginning even conceive of life without God, without a serious devotion and desire to serve Me. Everyone will see the necessity of living in God, except those who are without a conscience.

"We must start over Clare, from the bottom up. There is no other recourse. Do not lose hope, I am coming to set it straight. We will get it right, I promise you. In the mean time, try to look forward to a

vacation in Heaven, even though I know part of you wants more time to help

"I love you all with a love that only your God could have, a sacrificial love, a love that yearns to be spent to bring just one more soul in. I bless you and ask you to continue to refine your lives to make more and more room for Me and one day...your suffering, prayers and hard work will be rewarded."

Unconditional Trust in Me

April 8, 2015

The Lord bless you, Youtube family.

I've been reading over some of your comments and questions, and I just want to tell you I really appreciate them. And I'm very, very blessed to know this community of believers.

Well, today I was a naughty girl...why should today be different than any other day?! Anyway, I was having a little bit of a problem. We're taking care of an elderly woman and I wanted to get back to answer all you guys and she took a little longer at the store. In fact, she took quite a BIT longer at the store! And I was rather impatient. So, first rattle out of the box, the Lord talked to me about my attitude, which I knew had been wrong. I was already repented and I wasn't surprised when He brought it up. In fact, I was relieved that He brought it up and forgave me.

So, that's how our little time together begins:

When I came to prayer, I immediately asked the Lord to forgive me for just the wrong attitude today in general. He was very kind. The first thing He said was, "*You are tired.*"

I am also sorry, Lord.

"I forgive you, Clare. Just remember whatever you do for the least of these, truly, you are doing it for Me. That should make it easier for you to keep your perspective and charity."

Thank you, Lord. Please, help me to remember that...

"Like I did today, several times?"

Oh, that WAS You.

"Indeed. And it helped didn't it?"

It did, Lord. Thank you. But I am still ashamed of myself.

"You are very human."

Lord, what is on your heart tonight?

"You have many who are insecure about the Rapture - you aren't the only one."

What do we do?

"Stay in prayer, watch for the signs I send you every day for encouragement. Get Rhemas from your Bible, and speak to Me, dearest."

By the way, a rhema is an anointed, enlightened Word and you can get a rhema from a license plate, or a magazine or a movie or anything like that. You just feel the quickening of the Holy Spirit. It's something that the Lord has given right then in that special time, to help you get through whatever trials you're facing.

He continued, *"Speak your tender heart to Me. I am here to listen and I promised you I would never leave you on your own. I would never give up helping you learn to listen to Me in confidence. I see the shadows of insecurity in your heart. Don't think that everyone who puts up a brave front isn't suffering from the same thing."*

"Christian community does not allow for weakness, failure, fear and those very real personal demons you all wrestle with. They are so used to having a band aid Scripture slapped on their 'owie,' they've learned to cover up and show a facade that has nothing to do with their inner feelings. This is sad. It makes certain people look like giants and others look like cowards. From My point of view I can tell you, you are all cowards! So get over it and be real with one another."

"Be approachable, be sincere, be vulnerable, be real. This is where the grace goes, to the lowliest place. The cleansing, enlivening graces flow from My throne down to the lowlands, the little ones, the littlest ones. The weakest ones, those who confess they need Me more than life itself. These are the ones I cherish, because they see themselves for who they truly are in My eyes."

"David was one of these. He saw Me beside himself, and he knew his stature in My eyes as something to be pitied. And so he didn't waste any time trying to impress others with his greatness; rather he sought Me out in every circumstance from lions to giants. And when he didn't rely on Me, he failed. (He was referring to Bathsheba there.) But even in his failure, he came to Me with confidence in My love and Mercy. He had seen it, oh, so many times before, and He knew My character."

"It is when you don't rely on My wisdom that you fail."

Lord, you know I'm struggling tonight again. How do you put up with me?

"Easily, because I know you love Me and in the end My Love will triumph. I can see what your senses, your own wisdom are raging at you. Let's not leave out the enemy here, he is doing his thing as well. You are in a battle, Clare, and your only hope is to totally abandon yourself to Me in complete trust."

"You haven't got long to go; the tests, the temptations, they will be fierce. But as long as you hold fast to Me and what I've told you, you will make it."

Lord, I am just absolutely insecure with the idea of you coming while the Dogwoods are still in bloom. My senses and my reasoning's are rebelling against this. I am still reasoning that prophecies about a

healing ministry and the visions you have given me and others have their time before the Rapture, as many other souls do, too.

"You are reasoning, this again in your pride and intellect. They are a strong force, Clare and very much opposed to the simplicity of a little child who trusts her Daddy unequivocally.

"But in your heart it is wise for you to say, 'Even if He slays me, still I will love Him. Even if He abandons me to error, still I will love Him - even if He allows me to crash and burn, still I will love Him.' It's about unconditional love for Me and trust, even as someone once said, 'I'm the Lord's little play ball. He can roll me under the bed and leave me there. He can play catch with me. He can hurl me against the wall. He can put me on a shelf and forget about me. What He does with me matters not - that I am all His is what matters.'

"I have offered you My Peace, so put aside all your reasoning's and cleave to Me with all your heart. Abandon the purse of your own opinion."

Will you please help me, Lord!?

"Yes My Dove, indeed I will. And to all My Brides I say, you are in a battle right now, a raging battle of fear, insecurity and doubt. Did I not warn you last week that this was coming?"

And then He began quoting the Scripture in James to me: Consider it pure joy, my brothers and sisters, a whenever you face trials of many kinds, because you know that the testing of your faith produces perseverance. Let perseverance finish its work so that you may be mature and complete, not lacking anything. ...Blessed is the one who perseveres under trial because, having stood the test, that person will receive the crown of life that the Lord has promised to those who love him. James 1:2-4,12

So, basically what the Lord is asking from us is unconditional Trust. He gives us unconditional Love, and He's asking from us to give Him unconditional Trust.

And so, the Lord bless you all, Sweet Youtube Family! Bless you all with the ability to trust in Him unconditionally. And pray for me, too. Pray for us as we minister. It's gotten pretty intense and busy around here and I'm having trouble keeping up with communications with all of you!

But I love your comments, and I love to talk and share with all of you, so we're still trying to do that. And we're in the process of figuring out ways to make that a little easier. I'll share that with you another day.

Let's hold to what the Lord has promised us and rest in Him. The Lord bless you.

Prophetic Word from Jesus: The Death and Resurrection of America

April 9, 2015

The Lord Jesus give you His peace, my precious Youtube family.

I came into prayer very late tonight because I was trying to answer some rather urgent messages from different people who subscribe to our channel. It is Thursday, April 9, 2015.

After coming into prayer, immediately, without having been more than a few minutes with the Lord in worship I saw us dancing as I usually do, but this time in black. The color that we appear in, or that He appears in to me and I appear very often signifies the mood of the message.

I was wearing a black widow's garment and Jesus was wearing a black widower's garment. And when I saw this, I knew immediately what it signified, it's just my spirit bore witness to it without Him saying anything. But then He began:

"The death of America, spiritually and physically."

He continued, "You know well what is being played on the surface, saber rattling, exercises near the North Pole, all of that is just for show.

"The man people call your president, the man of stealth and intrigue who gains office by deceit is merely playing to the masses so that when destruction comes it will look authentic - when in reality it is no more than a superficial show to cover for the destruction of all sovereignties, that only one may dominate the world."

He's talking about the One World government.

"He has done a stellar job of destroying you, America. And this I have allowed, because you have played the harlot and slept with every passerby while I, your Husband, stood by as each had their turn in our bed.

"And now what shall I say ... 'the ten horns which you saw, and the beast, will hate the harlot and will make her desolate and naked, and will eat her flesh and will burn her up with fire. For I have put it in their hearts to execute My purpose by having a common purpose, and by giving their kingdom to the beast, until My words will be fulfilled....' That is indeed what I say.

"Nonetheless, I am still with you. Even as Hosea waited on Gomer to finish her whoring and grow weary of her paramours. (secret lovers) Yes, indeed I am still here America, and when you seek Me with your whole heart you will indeed find Me, ready to reconcile you to Myself, says the Lord your God.

"So, in the heat of your injuries, turn to Me and I will give you comfort. I will wash and medicate your burns, I will dress them with clean linens, I will lead you by the right way and restore the ruined

homesteads to you. Yes, you will recover, you will again be faithful to Me.

"I speak not to the detestable worshipers of Baal whom your capitol city was built for, no - I speak not to you, for you shall be utterly destroyed even in your underground country, you who feel so secure shall die in your underground coffins. You I consider no more, for you shall be no more in My way.

"I speak to the hearts of America that continue to hold the vision I inspired. Those who refused to sleep with foreigners, those who could not overcome the greedy ones who held dominance and sway over a shallow and gullible people bent on living for their comforts. I am with you.

"Go forward with courage. I, Myself, will be with you and in the end, what has been planned for you will come to naught and again you will rise from the ashes to succor the whole world and be in accord with My Kingdom as it comes to free all men from the Oppressor.

"My peace be with you, sons and daughters of America, who hold to the vision of righteousness. Crippling blows shall you receive, but I will restore and find My pleasure in you once again as your country returns to Me. One Nation Under the God Who suffers with you, the God who loves you and bestowed great beauty on your land, and the God who surely will restore you.

"Hold fast to these words for they are faithful and true."

And that is the end of tonight's message.

Are You Called to Be Raptured or Stay and Help?

April 10, 2015

The Lord give you His peace.

Tonight I have a rather interesting and new perspective on things having to do with the Rapture that I want to share with you. It came to us through one of our subscribers when He asked us a question. I sought the Lord on it, and He gave me not only an answer, but a message to go with it. First I'm going to read you the question that he had, and then I'll go into the Lord's answer.

"I have a question for you still small voice: I watched a Youtube video where a supposed prophet said that God revealed to him in a dream that he would be left behind to help others come to Christ and that he would be supernaturally protected. I have felt that I would be left behind also to do God's work. Could you ask Jesus if this 'left behind to help' doctrine is true or false?"

Tonight after worship I just...I usually take a little rest, a little break around Midnight. And I couldn't get this question out of my mind.

I said, "Wow, Lord. I'd like to have an answer to this question."

And He said, *"This is something we need to talk about."*

So I got up and sat down with Him.

And He began: *"Didn't I ask you if you wanted to stay behind?"*

Yes, but I didn't think You were serious.

"Why not?"

I thought you were just testing me.

"What if I am, even now?"

Ouch. (I usually say "ouch" when it's something where I have to confront a fear.) And I was. I was confronting my fears about more suffering and staying behind. I was shaky inside feeling drawn to stay but apprehensive about what it would be like.

"Yes, ouch. I know what you're feeling."

(I didn't tell Him - He just knew it.) Oh Lord, this is too much for me.

"Let Me help you."

Oh, please do.

"I didn't say you had to, I said you could. And you asked Me to make the choice, so I did. But that doesn't preclude your free will."

So... You mean some will deliberately, willingly stay behind?"

"I do."

Really?

"Would I lie to you?"

I really need to see something in Scripture Lord, please?

So, interestingly, I opened to Isaiah 55 And it spoke to me in a certain way, taking it out of context, of course. Because this is a rhema, this is a personal word for me and my situation.

8 "For My thoughts are not your thoughts. Nor are your ways My ways," declares the LORD.

9"For as the heavens are higher than the earth, So are My ways higher than your ways And My thoughts than your thoughts.

Well, I have to say that this is definitely a novel question, and from a Scriptural perspective, I don't see anything in the Bible that confirms this approach to the Rapture. Historically or Scripturally, to MY knowledge, I don't know of anything. But you know how the Lord is: there's so many layers to the Scriptures that it could be there and something we just haven't noticed yet.

If any of you have any input on that, I'd love it if you'd share it with me, for sure.

But of course, the Lord can do anything that He wants to do, and that was the inference of the Scripture that I got. "My ways are not your ways." Certainly He can do this if He wants to do it. So, it's revelation knowledge, so to speak, and it's really quite up to Him - what He does and how He does it. If He gives us a Scriptural confirmation, well, great! That would be nice. But right now I'm just trying to be faithful to what He's spoken to me tonight.

Oh, Jesus this one is SO hard... you know what I'm battling right now.

"I do."

Oh, Lord please help me, please help me... coward that I am and foolish one that I can be seeking after things far beyond me.

"Clare, I have made it clear to you what My will for you is. But I have left the door of opportunity open for you if you want to stay."

What are the options if I choose to stay?

"You would not have a glorified body, you would suffer just like everyone else. Yes, you would have protection, but only for as long as your mission lasted. You could die just like everyone else. Really, this is not what I want for you."

"Clare, it's not."

"But there are some who have been chosen to stay behind. They could receive their glorified bodies and come Home but they feel called to stay. For these, it is My will for them to do what is in their heart to do. And yes, for them, My will is that they stay. But they are under no obligation to do so."

"There is no hero worship in this one, My Love. It is nothing more than hard-core suffering if that is what they choose. Don't underestimate the power of love. But I will say this to you, because you have chosen My Will, that does not make you any less of a lover than those who have also chosen My will, to be left behind."

"I know how great your love is for Me, both of you, and I prefer to bring you home, where there will be much to do, as you will see. I know your motives, Clare."

"And to others I say this: Seek Me and seek My will for you above all other options. Do not suppose you will automatically be a hero because you chose to stay behind. You could still lose your soul. This is not for the faint of heart or for the hero worshipers, those seeking fame and glory. There will be nothing glorious about the conditions you will have to live through."

"Yes, bringing souls to Me will be wonderful and fulfilling and worth it all. But just as I prefer you inquire of Me before taking on a fast, I prefer you inquire of Me My will for you. Don't think for one moment you are one bit better or holier for choosing to stay behind - this will be your downfall and destruction."

"This is a very serious matter and Clare has chosen obedience rather than sacrifice. therefore I counsel you to choose My will above all else. Seek Me and obey."

"Do not think for one moment you are more favored in grace than your brother because you chose to stay or to go. All of you are simply ciphers, zeros, without My indwelling grace and to the degree that you know My will and obey Me - to that degree will you rise in holiness. Nothing more, nothing less."

"And Clare, My love, you have chosen wisely, this is My perfect will for you both. Rest in that and do not allow the enemy to impose incriminations on you or suggest to you that you are a lesser Bride because you chose to obey what seemed less difficult."

"I will use your teachings. You have had a lifetime of mistakes and failures that have proven very valuable for other souls who will face the same decisions. But they will triumph because they have your precedent to inspire them. They will read how I led you and provided for you and this will give them the courage to continue on in faith."

"My work for you in Heaven will only be the beginning. There you will find deep satisfaction and

pleasure in what has been arranged for you. I will reward you for all of your efforts.

"It is also worthy of note to you who are parents of adult children who have not lived for Me: they need to grow up and rise to the occasion. So don't make your decision based on caring for your children, this will have no bearing on that time in their lives. In fact, you will get in their way with this attitude."

Well, at that point, Ezekiel and I were discussing this and he referenced John 21:20.

Jesus said to me, *"Your husband just summed it all up."*

So, I'll read that to you:

"Peter, turning around, saw the disciple whom Jesus loved following them; the one who also had leaned back on His bosom at the supper ...So Peter seeing him said to Jesus, "Lord, and what about this man?" Jesus said to him, "If I want him to remain until I come, what is that to you? You follow Me!"..."

and that's the end of the message.

And again, I think obedience is better than sacrifice. As you bring this before the Lord, I just encourage you to let go of every motive that you might have and seek only His will for you. Because this is going to have huge consequences. And for some of you, this has not even been brought up by the Lord and it's of no concern to you at all. And for you, I think you'll probably just feel really detached from it. And like, Of course! I want to go Home!! you know. And that's probably because that's what the Lord's will for you, otherwise He would have speaking to you about it in your heart before this time.

So, the Lord bless you with courage and peace. And thank you for tuning in to our channel.

God bless you.

Jesus shares how to recognize that you will be raptured

April 11, 2015

The Lord's peace be with you.

Tonight after being in worship for a while, I felt impressed to go receive communion. So I did. And when I came back, I was totally inebriated from head to toe. It was like this liquid gold just poured through my whole body and wow. I really could barely hold my head up.

I said to the Lord, "Wow, You really got me wasted that time...!"

"Wasted on Me? That's a good thing isn't it?"

Sublime

"Yes indeed, to dwell together with My Love is sublime. Never ending bliss, never ending.

"My precious Clare, how precious you are to Me, words cannot express what I feel when I am with you..."

Lord, that sounds like what I should be saying to you.

"Because our love is mutual. Of course you feel the same way."

And you know, I kind of blush to leave that remark in, but I realized that He was saying it for your benefit. Because that's how He feels about you. And in fact, when we were dancing tonight, I could see just the hint of little teardrops, that He was so happy that I had finally received His love, accepted Him and received His love that was genuine, and not try to hide from Him in shame. Knowing that He just loves me, just the way I am, and there's nothing to be ashamed of. Just for me to love Him back. And that's for ALL of us, that's for ALL of His Brides. And that's why I left that little remark in, so that you could realize that that's how He feels about you. He loves to be with you!

Lord, I don't think it would be safe for me to drive a car right now.

"Agreed."

Oh Lord, tell me what you have for Your Brides tonight.

"I love them with a love beyond imagining. So many are worried about their status with Me, as if I were a legalist with court documents listing every offense. No, that is Satan's description. I am more like the lover reading every action of their day with great interest, as a love poem to Me. Everything they do out of pure love for Me and their brother, this is my consolation. Even on the Cross, these marks of affection

comforted Me as I looked into the future and saw how much they would love Me.

"And so I have accumulated these gifts, these marks of love and ponder them several times a day. Yes, like the petals of dried roses, I contemplate their meaning for Me and I rejoice that I have such as these willing to give for Me, willing to deny themselves for Me and see to My needs first.

"You have much to ponder in your own life, My Dove. There is much you have so totally forgotten, that I have kept as keepsakes, acts of love done for Me.

"If only My Bride knew the great joy I derive from the little things she has done for Me out of pure love and no other motive. Most in the world are motivated by what means the most to them: money, beauty, notoriety, acceptance, opportunity. These are the things that drive them. But then there is My Bride, she is motivated by what she can do to please Me."

Oh Lord, I fall so far short.

"You are learning. My Bride is so insecure about the Rapture because she equates Me with men, yet I am not like any man she has ever met. I am not a vicious prosecuting attorney, rather I am a Lover counting My rose petals, watching the mailbox for more being sent to Me. Every day I anticipate the sweet fragrance of her love translated into action, acts of love, showered randomly on those she comes in contact with. I watch to see her heart, so much like Mine, wanting to bless and relieve burdens, yet honest and true with those who are in need of correction.

"My Bride, if you have separated yourself from willful sin and are careful each day to love those I send you, you need not worry about being taken to Heaven with Me. I am looking forward to that day we celebrate our love with such great longing.

"Are you forgiving injuries and doing good to those who hurt you? Remember how excruciating was My pain on the Cross? Yes, well even in that state, I was looking towards the welfare of the very men who crucified Me, "Father forgive them, they know not what they do."

"And when the crowd gathered around the harlot caught in adultery, I did not join in condemning her, rather I lifted her up to her feet with the admonition to go and sin no more. When the Pharisees took the last penny from the widow, I did not compliment the rich for their elaborate gifts. No, I exalted the little one that gave all she had while others gave from their excess.

"And when the disciples fought over who was greatest among them, I was quick to point out that it is the least, the servant who indeed has primacy. Why? Because this one serves the needs not of himself but of others, consistently, day in and day out. While the rich young ruler is preoccupied in increasing his worldly wealth and position, the servant is eager only to see others increase.

"Have you been living this way My Brides? If you have, then you need not fear being left behind. I cannot wait for that first dance at Our wedding reception. If you have lived the beatitudes, you need not be concerned about being left behind."

And that's the end of the message...

Trials: The Final Facets on You My Jewel

April 12, 2015

The Lord's peace and joy be with you.

Well, tonight I had quite a little surprise. Immediately when I came to worship I saw Jesus wearing a figure skating outfit, black pants and white shirt without a collar and slightly puffy sleeves.

I was so amazed by His skating. We were skating pairs and I had no idea what move was next but He was in total control of the choreography and my body. I just watched as He skated seamlessly with me, both of us doing moves that were far beyond me in my figure skating days.

After quite a long time, when the music settled down, and the song "Surely The Presence of the Lord is in This place" began to play, He lifted my chin and our eyes met. He smiled joyfully and I knew with all my heart that He was in love with me, and I with Him.

When I met my husband, and the Lord opened our eyes to one another, I knew that He loved me so deeply that no other woman was more beautiful to him than me. And I loved him so deeply that no other man in the world could ever be as beautiful to me as he was.

This is the kind of love Jesus had in His eyes for me. For Him I was the only one in the world, the most beautiful to Him.

Well, this is for you, Brides. All of you Brides. Understand that God is without limit of any kind and when you dance that first dance with Him at the wedding reception, that is precisely what you are going to see in His eyes and feel in your heart. To Him, you are the most beautiful soul in the world, no one could ever compare to you.

How can this be, with so many Brides, some of them exquisite in appearance and in spirit? The only explanation I have is that each of us is so uniquely a singular creation, formed exclusively by God, that only He can see the depth of our beauty, the very beauty He created. And for Him, each one is a singular masterpiece and totally captivating. In eternity, He alone has the skill to facet this rare diamond until all its brilliance is revealed. We shall surely go from glory to glory.

As I was musing on these things the Lord began to speak to me:

"When I formed you, My Brides, you were merely that chunk of coal. But in My sight, heavily laden with promises of My glory to be revealed in you. While you were on the Earth, you were in the depths of the Earth under tremendous pressure so that one day when you ascended to Me I could facet you most perfectly that not one attribute of exquisite beauty would be missed.

"This is why when people have gone to Heaven they marvel at the beauty of even the lowliest soul. They shine with a brilliance only I can impart and according to the pressures of your life on Earth, to that degree you will shine.

"So do not complain at what you are undergoing now for it is written: That the sufferings of this time are not worthy to be compared with the glory to come, that shall be revealed in us.

Romans 8:18

"So, My Bride, your worth is far beyond rubies and the finest gold. The pressures you suffer under now are merely creating new brilliance that will at once be revealed in Heaven as you trade your corruption for incorruption. In that moment it shall be revealed to you why you had to suffer and what incomparable beauty has been wrought in you.

"Each of you are My precious gems and I know precisely where to apply the chisel and the wheel to grind away the imperfections and reveal the breath-taking beauty of your Soul.

"I know the times now are very trying. I know you all are experiencing trials that seem like they will never end. That is because your journey on this Earth is almost at an end and in those last moments I want to adorn you with even more beauty for My eyes to gaze upon in Eternity.

"And it is not only for your sakes that you are undergoing these testings, it is also for your brothers and sisters who have not yet given their lives to Me. I wish for no man to perish and someone must fast and pray to cooperate with Me in the process of conversion. This suffering is your prayer and your fast. Someone must carry that cross that redemption will come to its fullest as the soul turns to Me and receives Me."

I just want to say here, so there's no misunderstanding - the redemption has already been done by the Lord on His Cross. But the soul's heart must accept it. And for THIS we carry these crosses.

"And for this purpose I am allowing these heavy crosses in your lives. Please understand, it is out of love for you and for your brothers and sisters that I have given you these crosses. Blessed is the man that endures temptation; for when he hath been proved, he shall receive a crown of life, which I've has promised to those that love Me.

"You will look back on this time and wish I had granted you even heavier trials, but I understand your frame and I will not allow more than you are able to handle with My grace strengthening you. So, when you feel that you are at your absolute limit, turn to Me with great confidence and ask for more strength. Run this race right up to the finish line and press on toward the goal of the high calling in Me that the glory that has been revealed in Me may also be in you. For if you die to yourself in Me, surely you will rise with Me in glory.

"I am telling you now that you may be prepared. Further trials are going to assault you. But no weapon formed against you will bring you down, you will triumph in Me. Be strong, be courageous and look beyond this Vail of confusion you must call your temporary home. Cling to Me and to My promises and do not in any way give ground to the enemy.

"Understand that each facet I am preparing in you was destined from the beginning of the world to be yours, only now are they being brought to perfection. So do not despair, grab firm hold of the rope of grace and do not let go. Testings and trials are only temporary and soon you will behold the magnificent work I accomplished through you in your last days on Earth. There is nothing, absolutely nothing that you and I cannot accomplish together as you cleave to Me and stand in faith.

"Now, receive My Blessing, Precious Brides, and hold to the promise of your resurrection into glory. It is coming. These are the finishing touches. Carry them bravely."

And that's the end of the message.

So, in this week to come, let's remind one another that the Lord told us we were going to be under more fire. There will be more assaults from the enemy. And let's encourage each other not to complain, but to shoulder that cross in complete confidence that we're going to overcome whatever the enemy throws at us.

The Lord bless you with His courage, and His strength and TOTAL dependence on Him.

Count the Cost (Of An Intimate Relationship with Jesus)

April 13, 2015

The Lord Jesus bless you with His peace.

Well, the Lord has a LONG message tonight and instruction for us. I think the reason being, is so many people are clamoring to have this relationship with Him that I have. And He wants you to have this relationship, so He's going to give you an instruction tonight that I think will really clarify some things for you.

So, the evening began, the Lord hasn't begun a message yet, but I noticed last night when I began to share with all of you my experience with Him, when I was done, He began His message. So onward and upward, I'm gonna do that again.

Tonight, again I was feeling like a barrier to intimacy has been brought down. I worshipped for quite some time bringing all of you into the throne room and praying for your needs and a blessing for you. When I finally settled down and began to relax with Jesus, we were swaying gently to "I Surrender All" by Terry McAlmon. It's interesting because I woke up singing that song, and I couldn't think of what I hadn't surrendered. But I was ready to surrender it, whatever it was.

After about 5 interruptions, I finally connected with Him in a beautiful, beautiful way. Again, it was His eyes looking at me with such tenderness that I could do nothing but melt. Then I began to feel very, very inebriated with His love. I took a chance. I relaxed and looked into His eyes for a long time, totally relaxed, totally at home. This has never happened before. I've always had a little apprehension, but tonight I forced myself to ignore it and just gaze into His eyes.

It reminded me of something that Ezekiel and I experienced in our first days, when we were contemplating a relationship, or we knew we were called together. When Ezekiel and I realized God had brought us together, we were sitting in the back of the van that I had, and old green van - with the doors open watching the children play in a stream. And the energy between us was so sweet and deep you could cut it with a knife. We just lingered there, hardly saying a word or making a movement for at least an hour. We were just really aware of this really sweet, sweet presence. Even today we make reference to "sitting in the back of the van."

Well, that's what it was like with Jesus. I trusted Him with who I am, I didn't recoil or try to hide because of my lowliness - I just allowed Him to love me the way I am.

I said to Jesus, "You know me inside out and backwards, all my faults, my thoughts, my shortcomings and vices, so I have no reason to shy away from looking into your eyes."

And as I continued to gaze into those loving eyes I felt so at home in His arms, like "This is so right, so

natural, so completely relaxed and safe. I don't need to hide from the All Holy One, He already knows me and my doings, and He is comfortable, relaxed and safe in my arms, too."

Wow, what a milestone that was for me. No more running, hiding or nervousness, just the comfort of the One who knows and loves me unconditionally. Someone I could share my Frappe and biscotti with, someone I could talk about the kid's muddy jeans with and figure out how we were going to get them back in the van without getting it dirty. WOW - what a connection and milestone this was for me!

He simply said, *"I've been waiting for this for so long. Waiting for when you would just accept just Me, unconditionally, as your other half, truly your husband."*

And I thought to myself, 'I hope this won't make Ezekiel jealous'. But later when I went to take a nap I told him, "Honey, come lay down with Jesus and I, it feels like the back of the van." He just told me to stay in that sweet place with the Lord and he came in here to answer comments on our videos, 'cause we only have one Mac now and have to share it. He knows what that feels like because he, too, has experienced that gentle, familiar, love with Jesus.

And I realized, we get a lot of flak because of what we are sharing with you. I had one guy the other day call me a wicked woman, taking all the attention for myself and playing up to the adoring crowd. I had to laugh and thought, 'You really didn't get it, did you? This is about you, not me! These souls on our channel are seeing how real Jesus is and that they can have that relationship with Him too.' That's what we're here for, to show everyone how easy it is if you are willing to give Him your whole heart and cut everything else out in your life that is empty and useless. So, if any of you are "adoring fans," please get your focus back. How many times do I have to tell you how wretched I am?

Well, I just realized, in this position with the Lord what was going on. I realized, you know... prophets get a word of knowledge; they hear and see the Lord. Why can't we hear and see the Lord as in a relationship like Bride and Groom? John the Beloved rested his head on Jesus' heart, so why can't we??? I realized, the Lord loves to give a word, but He doesn't want to be seen merely as a slot machine spitting out fortune cookies. He wants us to love to be with Him, not for the words that we get, but for Who He is to us, and for Who He is period.

So if John can do it, we can do it - AMEN....

At that point, I kinda ran out of things to say, and the Lord said very softly and gently:

"Do you want Me to speak now?"

Oh, Yes Lord, please.

"What you have discovered tonight is the true secret of happiness. All roads lead to home, right here." He pointed to His Heart. "That emptiness, that vacuum that all of you are experiencing, that intense desire for the Rapture... all of you are longing for this simple one-on-one loving relationship, where we are forever together and even at death (for those who will die) even more so. So we will never, ever be separated. There may be times when you hurt Me, and I am very quiet, but other than that I need and want to be with you, accepted by you as the love of your life. Someone you can trust with being relaxed and your true self. There may be times of sacrifice when you do not hear or see me, because I am using

your suffering to help another soul. But this relationship is that God-shaped place within you: no one, no thing, ever will bring satisfaction to that void that exists in your heart.

"That is why you are longing so much for this relationship that Clare and I have, because I made you to want it. And it is beginning to dawn on you that religion has robbed you of this precious, precious knowledge of Me.

"Yes, this is indeed the time of the Bride coming to her Groom and being wed together in Holy matrimony, so holy that no other human can come between you and I. This place is sacred and reserved only for you and I.

"Many of you have already approached Me in this way, but you still are holding back because of fears. Fear of Me - the Mighty God. Fear of Me - the Judge. Fear of Me - that I desire perfection from you before you dare approach Me.

"Nothing could be further from the truth - you will never reach perfection without Me. It is impossible to you. So you spend your life shunning Me, avoiding Me because of these religious ideas that are lies from the devils. I am speaking to every one of you now: you are afraid of Me on some level; that is the only reason you keep your distance. It is not I that am distant it is you who have put up walls to hide behind.

"Do you see how very pointless this is? Do you see that you need not fear Me? The more you have been injured, the more you will fear Me. You have never known unconditional love. You've never known My love that has no prerequisites before we can be this close. Everyone you have ever known had expectations about you and sooner or later you felt like you let them down. And then you felt not good enough. Do you see, the enemy has over and over again taught you to fear intimacy because it always brings pain along with it. Pain, disappointment, failure and back to the 'I'm not good enough' attitude again.

"I am not a man that you can hide anything from Me. When I come to you, I know things about you that you don't even know. If you did know them, well... you'd be horrified and would never be open to Me, you'd feel so ashamed.

"So get over yourself and come to Me without that religious spirit wagging its finger in your face repeating, 'You're not worthy. Who do you think you are? You, you're a sinner, look what you were thinking ten minutes ago. He is God, He wouldn't dare talk to such as yourself, you are foolish and deceived.' Because that is what is keeping you from Me. Truly, it is a religious spirit."

Lord, what about...

"Jayden?"

Yes.

"Jayden, I love you - but you've never known real love, so you have all these fears. People have put those fears on you by rejecting you over and over again. I know who you are, I know where you stand and where you fall, but I am here to love you into wholeness, to heal your broken heart. You don't have to be good enough for Me - am I good enough for you? Am I someone you can trust? Did you know that My

Name is Love, something warm and wonderful, comforting and always there for you no matter what?"

"Religion has taken away the true meaning of having a relationship with Me. When I called Peter, James, and John, they were My sidekicks, My buddies. I walked and talked with them, I ate with them, we slept under the stars together - I was real to them, the way I want to be real with all of you. Religion has put up walls, barriers, conditions. I never meant for that to happen, I always wanted to preserve relationship just as I did with Adam and Eve. I always wanted friendship. I am the most misunderstood person that ever lived on the Earth. Men have taken Who I am and made a monster out of Me.

"Men are the monsters: full of hatred, bitterness, anger - and they projected that onto Me. My nature is gentle, kind, simple, easy to be with. And the only reason My Father came across the way He did was because men's sins were destroying the innocent, murdering children, destroying families, stealing, lying and cheating. Hurting the innocent. Had they lived as I wanted them to I never would have had to wipe them off the face of the Earth.

"But we have a very real enemy: fallen angels, sickly, grotesque, gruesome, wicked and mean bent on hurting men and destroying the Earth. And when men throw in their lot with them, then My Father must step forward and be the just Judge who puts a stop to injustice. That is what Earth is facing now: judgment. But that's not My nature nor My Father's nature. We are gentle, meek and kindly, but men would take advantage of that if We did not punish sin and wickedness.

"So you see, I am not Who the enemy has made Me out to be most of the time. So, come to Me. I am meek and gentle of heart and I will bring rest to your souls. Stop putting up screens and barriers between us. Look into My eyes without shame and see the Love shining out just for you. Take a step in faith, trust that I am Who I have said I am."

At that point, I was getting really sleepy and my eyes were starting to close. And the Lord said:

"Clare, you need to lie down?"

Yes Lord, I am so sleepy.

"Rest with Me, we will come back to this."

Thank you Lord, thank you for understanding.

"You are My wife, should I not care for your needs?"

So that's what I did, I went and laid down and got a good nap. I had no idea this message was going to be this long!

An hour later, "Wow, I feel better. I wonder: if I can sit down after a nap and here You are again...why can't I just sit down and talk with You like this anytime?"

"I never said you couldn't. These are the limitations YOU have put on our relationship, not I. I do love it when we spend worship time together first."

Oh Lord, you know that tonight I didn't even want to come out of worship.

"What I know is that you need Me every day, all the time, to keep that God shaped place filled and purring."

I can't believe you said that!

"Well, isn't that the perrrrfect word?"

Now you're being silly and they will never believe it is truly Jesus Christ I am talking to.

"And you - who do you say I am?"

You are the most wonderful, most charming, kindly, comfy friend I've ever had... and God, to boot.

"I'll receive that as a kiss from My Bride."

So, is there anything else you want to say, Lord?

"Indeed there is. I have waited all your life for us to be together this way. Blessed is the soul who takes up this invitation, sooner than later. You have suffered so much out of ignorance and loneliness, if only we could have been together this way when you were still very little."

Yes, Lord, if only...

"This is why I have brought you as a gift to My precious Brides, so they don't have to wait but can enter in now. No more loneliness, no more aloneness in the decisions of life. I am here at your right hand, by your side and I will always lead you when you ask it of Me."

"The greatest dangers to this relationship are distraction and business. These are the subtle tools Satan uses to slowly and ever so imperceptibly draw you away from Me. He is very cautious to do it slowly, so that you don't notice what is taking place. It begins with projects such as you are facing right now."

Uh-oh. That would be moving an 83 year old woman who is a hoarder with 4 tiny barking dogs out of the front house and other things that need to be done here on the property.

"Yes, you may take this as a warning. However what you have going for you now that you didn't before was responsibility to souls who want to grow closer to Me. Your motherly nature will put the stops on you before you lose what we have right now. But in the past, this is precisely how he stole you away from Me. And I cried Clare, I cried and I cried because I missed you so."

My heart sank and tears welled up in my eyes when He said that.

Oh, God and my best friend... I am so deeply sorry.

"Yes. There is a cost My Brides. Your life will be stripped down to bare necessities and very little pleasures from the outside. This is a price you must be willing to pay. I will convict you of your curiosity"

and the time you take to indulge it surfing on the internet, while I am at your side waiting. I will convict you of vanity staying in front of the mirror or shopping for preparations to make you look better. I will convict you of time at a salon, and even eating lunch out with a friend, that has no bearing on spiritual growth for either one of you. I will convict you of spending too much time in the kitchen, the garden and compulsive cleaning."

Wow, the Lord just ran down all of my vices right there, the things that I've been struggling with. He's talking about me...

"This is your guide. If you have peace and joy in what you do that is not directly related to Me, then you will know I am with you in that activity. But if you feel a nagging, a tugging by your side, like ; 'I know I shouldn't be doing this ... but....' then I am by your side My Bride, lonely for your company, and if you continue to put Me off, I will cry. You won't see My tears but you will feel something terribly wrong inside. That terrible wrong is the sadness and grief of your God, deep down in your heart."

"You see, I am not an easy catch and I am high maintenance. So, if you really mean it when you say 'I want that kind of relationship with Jesus.' Then you will have to undergo many sacrifices and streamline your time to be with Me. Tell them, Clare, some of the things that you've done."

Well, for instance, my basic day is picking up food for the food bank, and perhaps a short trip to the store, picking up prescriptions, going to the doctor, taking the dogs and cats for a good walk out in the pasture behind our house, dinner, dishes and basic everyday cleaning. Spending time with my husband during a meal or sharing spiritual things, which all adds up to about 4 hours of maintenance. Then in the evenings, maybe 4-6 hours of correspondence with all of you (which I didn't do tonight, by the way, 'cause I wanted to get into the message right away. Good thing I did!) Correspondence with you, our helpers, then worship, listening for the message, recording it and putting it up - which is another four to five hours or so. And in between this, I need 2 naps about 45 min long to rest my body because I have Fibromyalgia.

With the Rapture looming, I've cut out anything like repairing clothing, shopping at the thrift store watching a movie with my husband, or exercise, and cooking my favorite foods. (I love to bake.)

"So your life has changed considerably in the last few months?"

Oh yes, Lord, thank You. I am very happy with this schedule. There have been sacrifices but none of them can compare to being with You, sweet Jesus.

"And so you see, dear Brides, there is much you will have to sacrifice if you have not already streamlined your lives. And I am giving this instruction not just for you, but for those left behind, so they will know what this kind of relationship takes. You will never, for one minute regret leaving these things behind."

That is SO true.

"But as Clare stated earlier and as I warned her a 'big' time consuming project is the perfect time for Satan to use his strategies of distraction to slowly suck the life right out of you by sliding away from Me due to increased activity. So... how do you handle these projects? Easy, you don't. You don't do them unless they are absolutely necessary and you keep up your daily maintenance. Believe it or not, one day of prayer missed is a very serious matter. It's the little foxes that spoil the vine and it begins with just one day at a

time. The next day something else pressing steals your prayer time. The next day more things come up and now you are in the habit of putting Me off - and unless you take drastic measures to get back to Me, it's like the tide going out... you're drawn far away from the home in your heart with Me.

"So this is what these sacrifices look like. Happy you will be if you count them as nothing and bring your life into order: God order. It may not happen overnight, but if you work at it every day, I will be with you helping you make the right choices. And when you slide backwards, as Clare inevitably does, I tell her, 'I will help you make better choices with your day tomorrow, My Love.' And we are back on the right track."

You know, when that happened, and I would backslide, I used to feel so awful and I'd start building this wall between us again, because I had shown preference for the world for selfish things, instead of being with Him. And it's not like that anymore. He immediately tells me, "I'll help you make better choices with your day tomorrow." And I feel so good about that. I can come right back to Him.

Well Lord, I can just hear it right now...'what about people who have to work or go to school?'

"I have no easy answer. Again, it is 'how badly' do you want this kind of relationship? Badly enough to change your lifestyle so you have fewer bills or relatively none at all? Is the career you are being educated for truly My will for your life? My perfect will? Or would you be happier in Africa out in the bush bringing souls to Me? Does your work reflect your complete devotion and love for Me? Or is it financial security you are living for?"

"You see there is no easy answer. You will get scorn and contempt from the world if you opt out of the world. Are you ready to give an answer - or walk away without an answer to family and relatives who see you as being irresponsible and a loser? Or are you so in love with Me that none of that even matters? Or are you willing to hurt inside and lose the support of family and friends who draw away from you because of your 'foolish' choices? No easy answer."

I can just hear it now, Lord - 'but I'm married!'

"If you are equally yoked that will not be an impediment."

...'I have a good job and great income, I've worked for this position for years, my retirement is secure...'

"You may not be alive next week let alone ten years from now. What could you be doing to build up My kingdom with the skill set you have developed? Or perhaps I have a different plan not using you in what you have cultivated, but using you in something you are totally unprepared for, so you will have to rely strictly on Me to accomplish it."

I want to take an aside here and just mention to you. From my experiences as a nationally published nature photographer 30 years ago... You would not allow me to get near a camera after I dedicated my life to You.

"Yes, that's true - because you reeked of the world every time you picked up a camera and I couldn't stand the stench."

LOL Yup. I figured that out.

"In its stead, I gave you the gift of music and teaching."

Oh, I love the gifts you've given me, Lord.

"I knew what I had created you for My Love, and I knew you would love this work, and you were willing to completely die to the past - so you came to Me empty and I filled you with My will."

"Oh, how many are willing to give it all up??? How many? Count the cost. I'm not an easy catch, I am very high maintenance... but the benefits are out of this world. I love you all My aspiring Brides, and as you empty yourselves of yourself, I will fill you with Myself. For those who would save their lives will lose them, but those who would lose them for Me, well... they shall indeed save them."

"Go now and consider deeply the cost. I will be waiting by your side to hear your decision. You have only to ask and I will help you."

"I have given you My Heart, My life. I have given you My Spirit. Now, what are you willing to give Me?"

And at that point, that was the end of the message.

Well, I'm going to step out here and say that if you want to serve Him with your life, until He takes us in the Rapture, I highly recommend you join a group like Youth With A Mission or even Iris Ministries, and get training. Striking out on your own is only an option if you are strongly led of the Lord and know beyond a shadow of a doubt what your work will be. Other than that, I wouldn't strike out on my own.

And just so no one freaks out ... this message is not only for us right now, it is for the generations to come. Even in the millennium, this message may touch the hearts of many. So don't think for one moment that I am saying it's going to be years before the Rapture. I don't believe that. But the essence of this message is 'Less of me, More of Jesus'. Dying to what I want personally, living only for Jesus.

I bless you all and pray the Lord flood you with His peace and wisdom. Amen.

We Are On The Verge Of War & Forgiveness Comes Before Intimacy

April 15, 2015

The Lord bless you.

This is a redo of something that I posted yesterday.

Tonight the Lord was wearing Navy Blue and as the night wore on and we were dancing I saw He was wearing a military uniform, with all kinds of bars and colors. And I heard the word "Commander".

But I noticed I was having problems concentrating and I began to sense that I had some unfinished issues that needed to be looked at. The Lord let us know immediately that our attitude about a domestic situation was not pleasing to Him, and we soon realized that we were under correction, because of an elderly, homeless widow with four little dogs who we had put up in the front house of the property we care-take. She's a very charming lady, but has problems keeping up with housecleaning. And many times we've helped her, but for days afterwards we're always sick. It's just too strenuous for us.

The owners of the property said they wanted to do something with the house she's in, but they haven't gotten back to us since they mentioned it, probably a month ago. So, maybe they changed their mind? So, I kind of hit the panic button without getting a really clear answer from the Lord when I asked Him about what we should do. And I realized sometimes He doesn't give us a clear direction on what to do, because He wants to see where our hearts are at. So, He watches us to see what we'll do.

But, I tend to get compulsive about cleaning and the situation in the front house needed to be addressed, or so I thought. But over those four years, I have built up a resentment and anger that I have never dealt with until this came up.

So, I asked the Lord,

I'd like to forgive her, Lord. I've made an act of the will, but I feel hatred in my heart. I don't want it, but I can sure feel it. What do I do?

He said, *"Just understand that you can't have bitterness or unforgiveness in your heart and expect to hear Me clearly at the same time. And do pass that on. There are those on your channel who have not forgiven themselves or others, and I deliberately had you do a forgiveness meditation for them, so that they would be free and clear to hear from Me. But some have not done this, and I'm calling My Brides to be clean before Me. You can not be clean before Me unless you've truly forgiven those who've sinned against you. That includes sins against yourself."*

"So, you see there was a very good reason I allowed you to get hung up where you did on the message. Look at her as one who is in dire need of love and respect, not for what she deserves, but for Me. I have no one else to care for her and love her, Clare. Can't you make an exception in your heart?"

I went for a daily bread reading in my little custom card file and received, "If you hold unforgiveness in your heart, you have drunk a chalice of poison and the other person will NOT be the one to die."

So, after a lot of prayer with Ezekiel, I got to the point where I could forgive her and leave it alone. But I'm still waiting on the Lord's wisdom as to what to do.

Jesus said, *"Thank you, Clare. That's the right thing to do. You will see the wisdom in letting it go. I have covered for you and I will continue to cover for you. Thank you, My Bride. I know you're hurting. I know you're frustrated. But what is the pricetag on a soul? At the right time, the situation will turn around, and then I can step in with Love and Forgiveness and she may very well give her heart to Me. At least you've done all I've asked you to do. I couldn't ask for more."*

I again went to my little holy card file and pulled this card: "Forgive anyone against which you have a grievance!"

Great...! Well, the Lord was definitely confirming it.

God, help me. I have this feeling mastered now, but when the devils shove it in my face again, will I be strong enough? Oh Lord, please help me.

"I always do."

Was there anything else, Lord?

"Don't you think that's quite enough?"

Truthfully? No... I want to hear all about why You were wearing navy blue.

"You are on the brink of war. I came to you tonight in the military attire, because that's where I am now."

Tonight He was wearing navy blue and as the night wore on and we were dancing, I saw He was wearing a military outfit, with all kinds of bars of colors. And I heard the word "Commander".

You did seem rather solemn, Lord.

"Yes, I have a lot on My mind. This is a place of extreme pain for Me. It was nice to be comforted by you, though. I know things are growing more tense and intense around you. I need you all to hold on, and continue to pray for the world and offer the sufferings you are enduring as a fast offering, to bring more souls to Me before the situation becomes impossible. That is, before the unrepentant souls die in the war."

"This cold war is coming to a head. The parts are all scripted. One by one they come into play, the players appointed by destiny. Obama the Man of Sin stands in the central position - scripting for him was done eons ago. Each player has their role and their orders. All that remains

now is the commencement and at the proper time the signal will be given.

"How lucrative this war will be for Satan. This is precisely why I have been hoping to hold it off, but time

has reached its fullness and it will begin any day now. Never in the history of mankind has such atrocity been planned and executed. Never in the history of the world will it occur again. This is the appointed time for the cleansing of the Earth from all filth and disease brought to its fullness by the demonic powers that be with the full cooperation of man in his greed.

"What will transpire is the decimation of millions of souls. For some, there is nowhere to go but Hell. For others, they shall be saved as going through the fire. My Bride will not see any of this. She has been brought to a place of sensitivity because of her union with Me that precludes her being exposed to such horrors as will come upon mankind."

But Lord - will She not be here for the nuclear strike?

"My Love, this is only the beginning of woes. Only the beginning. Wave upon wave upon wave of disaster will befall the Earth - nuclear annihilation is but one in the series of scores of catastrophes and judgments. I want you to be well aware of what is about to transpire in these coming days. Eye has not seen, ear has not heard what the wickedness of man has brought upon itself."

I would really like to understand, Lord - but if this knowledge is not for me to have, so be it.

(I was really curious about the events and so on.)

"My little one, my very, very, very Little One, it is not essential to the salvation of souls. I would rather you focus on the hearts of the flock I have brought into this fold. They are My Bride, Clare and how they yearn for Me! It brings tears to My eyes when I read their comments, which are only the tip of the iceberg of their sorrow and longing for Me. As I have told you before, this is a factor in Our timing, to see her gut wrenching tears is almost too much for Me. I wish to visit each and every one of them, but they must go through a process of preparation."

Oh Lord - you are sovereign. Can you not just do one visit, and visit them in a way they will never forget? They look at me and long for what You've given me, which has been for their benefit that they might press in.

"My Child, I can and I will at the appropriate time for each of them, but I desire them to obey what they know is being asked of them first. It is very simple Clare, I am not asking a lot, am I?"

No Lord, You're not.

"Those who love Me, obey Me and those who seek Me with their whole heart shall surely find Me."

And that's the end of the message.

Can Men Experience Closeness with Jesus as Women Do?

April 16, 2015

May the Lord's sweet presence be with you.

Tonight we have a special treat. Ezekiel, I'm going to interview Ezekiel after I share with you the word the Lord gave me just a moment ago. I've had a couple people ask me why I keep such late hours. I just wanted to clarify - we have a mission here in Taos, New Mexico and we feed the homeless and the poor. During the day there's a lot of interruptions. We go out to collect food is one thing, and also with Fibromyalgia it seems my body doesn't wake up until late evening. Same for Ezekiel, he has the same issues, too. So, we end up working into the wee small hours of the morning and sleeping part of the day. But it's normal for us. It's not that we're burning the candle at both ends, I don't think our bodies would handle that.

But tonight, the Lord came to me with a very short message.

Jesus began:

"There are a lot of men holding out on Me saying, 'Ah, this is a woman's thing, it isn't for guys.' Nothing could be further from the truth. John rested his head on My bosom, quite regularly. He listened to the Heartbeat of God, he hungered for His God and he found Me. He wasn't about to let Me go.

"Understand that women are a little more disposed to this simple intimacy, which hasn't a hint of carnality behind it. It is the purest love of God a soul can have in a female earthly body or a male earthly body. Is it not written that "...in the resurrection they neither marry nor are given in marriage, but are like angels in heaven? Matt. 22:30

"Therefore there is no excuse for shunning closeness to Me."

And I had a thought, I said, "Lord may I...."

"Yes, you may."

What I wanted to say is that this is a purely spiritual relationship - if you are experiencing anything sexual you are not with Jesus, you are being beguiled by a familiar spirit. In the Lord's presence there is perfect purity. And if anything like that begins to occur, you can be sure it is demonic, and you should rebuke it and seek the Lord on why He allowed that in your prayer time. It could very well be because He is humbling you. At least that's the way I take it.

"I loved John with a love so pure, few on Earth will ever comprehend it. But in Heaven it shall be obvious

to all. So to you, Bride of Christ, I say do not allow anything to lie or condemn you for loving Me and wanting to rest your head upon My Heart."

And that was the end of His message.

So, I want to introduce Ezekiel now.

Ezekiel: Well, hi. Good evening. It's been awhile since I've been with you guys. I want to first thank some many of you for praying for me when I was down with a couple bouts of illness. Beginning to get a little eyesight back in the left eye and the abdomen is coming back along, here and there. But as Clare says, "I'm HERE!"

I wanted to comment also, you that David said when he speaks of his friend Jonathan, "Your love to me was sweeter than that of a woman." There's nothing perverse about that. We just have taken love and made it such a carnal, fleshly YUCK...we've really sullied it.

Clare: Yeah - it's not love anymore, it's just lust.

Ezekiel: I mean...

Clare: And they cite that Scripture sometimes, people will cite that Scripture as a justification for homosexuality. And that's not at all what it's about.

Ezekiel: No. There's a lot...a comrade on a football team or soccer, they'll come up and pat each other or hug each other or whatever. Guys on the street, even gang members come up and hug and do their little gang sign. The European communities for ages and centuries, it's been customary for men, like in Greece or Italy, to come up and give a light kiss on either cheek. And the Arab nations as well. And that's a little strange for us in the States here.

But I remember growing up..

Clare: A kiss on the mouth is in some cultures a sign on friendship...

Ezekiel: Yeah, yeah

Clare: We're just very perverse over here in America.

Ezekiel: That's a little more than I think I want to do....I came up through the post WWII generation, fathers hugged their sons. You know, men could be men and come up and give a good football/baseball hug or whatever. It's like - where's your heart at, you know? There's nothing for the enemy to feed on, then you're gonna get out of it what you put into it. It's gonna filter out. I think the filter is the heart, and I think sometimes, as Clare said, there may be a time of discipline or humbling...correction. Did I judge someone? What has caused this door to open?

But away from the negative and on to the positive aspects. This whole thing. I had to listen to today's video two or three times because my computer kept stalling on me. But it caused me to spend a lot more time and attention on it. And what I'd like to say is, when I entered my prayer time, the very first thing the

Lord gave me was Psalm 23. And He speaks to me personally through the Scriptures, in other words, "I AM your Shepherd, YOU'LL want for nothing". And I immediately remember, there's a book to the side of our little prayer altar, with a picture of Jesus as the Shepherd sitting under a large tree. Jerusalem's in the background. And there's this beautiful little lamb walking up to Him, you know?

We raised sheep, I know what it's like to birth those babies and to hug 'em and have 'em run up and jump with their hard little hooves in your lap, climb on your back. I know what it is to love a lamb, little lambs and sheep. I just asked the Lord, "Can I be Your little lamb? Can I come to You like this?"

It's kinda been...I tend to be in the background on productions and things like this we do.

Clare: You're my prayer backup.

Ezekiel: Prayer support.

Clare: Absolutely!

Ezekiel: Trying to offer up things when I'm not feeling good or whatever.

Clare: Fast offerings.

Ezekiel: Yeah, support work.

Clare: When you're not praying behind me, nothing happens. I'm sorry, but it's true!

Ezekiel: The Lord's grace working through all of us. But I'm not one whose given to seeing and hearing from the Lord on a regular basis. There was a time and a season, that's where the book Chronicles of the Bride came from. But then, He tends to taper off with those things. Or maybe I do, I don't know.

So, I've really been pressing in to the Lord more lately, I wanted to come to Him in a more familiar way.

Clare: This is about what you heard this morning, right? He started to spark something in you?

Ezekiel: Well, this afternoon, on a food bank run from a hospital I began to reflect again on what Clare said in the video, and family and relatives began to come to mind. Just a sense and a feeling to let them go. They've not been all wonderful, Cinderella-land relationships in my family. But because of some of the hard and harsh things that happened, I guess I tend to forget the good things.

So, I had to go through a lot of letting go myself in surrendering: family, friends, relatives that I probably haven't heard from for some 25 almost 30 years.

Clare: This is while you were driving home?

Ezekiel: Yeah. Just when I was driving home from the food bank.

Well, tonight I came in, and I normally have a little prayer service, little kind of time of confession and interceding and communion while Clare is in praise and worship, then she sits with the Lord. Well,

tonight I just felt like I wanted to be closer to Him. I wanted to be in His presence in a more relaxed, different way. More kinda like she does.

So, as the music began to play, I just stood here and began to just let myself go and picture the Lord, try to be here in His presence. And I was thinking, "Well, gosh, Lord. You know, our administrator, Carol, has been really desiring to seeing and hearing from You in a special way - and You beautifully came through for her yesterday! Clare sees and hears from ya - I haven't seen You or heard from You in a long time. And it wasn't any big, deep prayer, I just said, "Can I see You?" And I just let it go at that.

Well, I'm sitting here and I'm feeling moved by the Holy Spirit and I'm real relaxed, calm, a supernatural peaceful way - because I've had some real stressful days. And I just didn't feel like that - it was a real, supernatural peace settled in on me. I went to the Scriptures, right after asking that, "Can I see You?" And He gave me two Scriptures. The first one was John 14:18 - I will not leave you comfortless. (or orphaned, in other translations.) I will come to you.

Clare: That's the Scripture that He give to me every time I would go to discernment, to check with Him, "Lord is this REALLY You speaking to me?" That's the very Scripture He gives me.

Ezekiel: Huh! Wow... Well then the second Scripture He gave me was Isaiah 43:4 You are precious in My sight. You have been honorable and I have loved you. And that moved me so much, because we've been through our struggles lately, as Clare shared with you - had to really rise above and beyond some heroic charity. And when I would feel irritated or frustrated or angry, used, put-upon or whatever, the Lord would cause me to go and do something good for this person. Instead of saying anything. Instead of doing what I'd like to do, say what I'd like to say.

Clare: Oh, the flesh...

Ezekiel: Time and time again He made me, CAUSED me, gave me the grace to take a soda out to her and just sit and talk with her, in the midst of the stress and all that.

So, when He said, "You've been honorable." Man! It's not real often that we get "atta boys" from the Lord, that we know of. I'm sure He maybe gives them to us more, and we just don't hear it, but sometimes you just really need to hear that the Lord's pleased with you.

So, at that point, I was so moved, I just got on my knees. Praise and worship's going on, Clare's sitting before the Lord, I'm back here in a corner on my knees - and instantly, I saw myself as a little lamb. And I remembered your quoting of the Psalm last night.

Clare: He'll lead the young ones?

Ezekiel: Yeah. And how you talked about the green grass and beautiful water and Psalm 23, you know. "Lead you to fresh green pastures, lead you beside still waters."

So, I see myself as a little lamb. There's green grass and cool, fresh water. And Jesus is sitting with His legs kinda off of a grassy bank into this little river. And I'm a little lamb, right? And I go right up to Him, He puts His arm out and I tuck right up into His right shoulder, just right up like tucked under His wing. And it felt so nice and warm, and I felt so little and innocent and pure.

I really needed His covering, and His safety and protection. A sense of feeling secure lately with all the news of wars and this thing and that thing. It can get to ya after a while, you know? And I started getting into some fear. So, I really - Daddy showed up, God the Father a couple of times today and reassured me. Sometimes I'll walk by the clock and it'll say 111 - it's like "Daddy, Daddy, Daddy!" 222, it's Jesus! 333 it's ALL of You guys!! Holy Spirit and everybody...

So, Daddy showed up and was there, too. So, while I'm the little lamb, feeling and needing this protection and covering, Jesus would transform into God the Father. And He'd be a Daddy, and I'd be like a little child, a little boy. And He'd just wrap His mantle around me and pull me in close. And I started remembering, "You know, my dad wasn't ALWAYS all that bad, or this thing or that thing. Gosh, I remember many times now when it really counted, when I was really hurting - I mean, really, terrorized, afraid, you name it - he'd drop whatever he was doing and put his arm around me and pull me up close and I felt secure. But a lot of the hard, harsh memories kinda push that out. And it started coming back today.

What I'm getting at here is, there's a process going on between surrendering and then how quickly the Lord begins to restore and bring things back that you may have just surrendered yesterday. So, the water swirls up over the bank and around the grass. And it's Jesus, and I'm the little lamb again. And it swirls around us and forms like a loveseat, and it's just this beautiful wall of warm water around us and I'm a little boy again, like 14 maybe. Oh, it felt so warm and so fresh, sometimes it seems more like I was 7. But just a little kid, cut-off shorts, no shoes, no shirt just like I used to be when I ran around. I grew up on the water and so I ran around like that as a kid.

Clare: Well, before this you said you were releasing - the family came to mind but you were releasing them to the Lord?

Ezekiel: I was on the ride home, I was releasing them to the Lord. And little did I know that tonight He was gonna show up as the good shepherd, by the water and the little lamb, then I'm the little child...and all of a sudden, the first thing that came up was - I don't share this often - I lost two little boys many years ago, little blond-haired, blue-eyed beautiful children. I won't get into all the details, the Lord has promised me I'd see them in Heaven.

Other than that, the very first thing that happened was, here come my two little boys. And I'm no longer 7 or 20 years old, I'm like - 26 years old, 30 years old, something. And here's my two little blue-eyed, blond-haired boys. And they come up and tuck one under each shoulder of my arms, while Jesus has His arm around me and all of us. And I just relished that for a minute. I didn't break down crying, it didn't freak me out - it just felt so natural, so warm and so restoring. And I just knew this was how it was going to be in Heaven, that they would be restored to me.

Clare: wow, that's beautiful...

Ezekiel: The years that the locust, the one who kills and destroys - all those things would be restored, to them and to me. And so, I had JUST gotten used to hear my little boys cuddled up in my arms, and all of a sudden my mother and father walk around to the left side of Jesus. And here's this water still swirling around, the couch is getting bigger! Water swirling, love-seat thing... And my mom and dad come around, who've gone to be with the Lord many years ago. And they're younger and all of a sudden, I'm probably...I don't know...in my 20's, still with the little boys here. Their names are Christopher and

Brendan, by the way. And so, here I am with my boys and my mom and dad are there. I'm starting to think, "Wow." I have felt for YEARS, I've probably walked around almost 25 years feeling like such an orphan, because most of my family is died, and is gone. Thank God for Clare! I have one living brother and that's it.

Clare: And then, when you became a Christian you lost a lot of your family, alienated from them, you were alienated by that.

Ezekiel: yeah, even those who were close and loved me, cared about me. I had a very close family at one time. But I guess you block that out. We lived on the water, uncles and aunts and cousins would drive states away to be there, do little family reunions, fish and swim for about four days.

Clare: In the bayou.

Ezekiel: Bayous of Louisiana. But it was really pretty, a really nice place. A lot of that had been kind of "fuzzied out". So, all of a sudden, you mentioned my relatives and that. My two brothers, the living and the deceased both come walking up. And my younger brother, who is 54 now, is just this little 10 year old kid and I'm like a 14 year old kid - just like we were when we ran up and down the banks of the bayou, played in the water, did all that stuff. Jumpin' off rope swings from Cyprus trees. You can imagine, I could write a book! I wish I could do the illustrations, they'd be beautiful pictures.

So, here's my little brother. And HE comes up and HE tucks under my arm. And here's a 14 year old little kid and his 10 year old brother cuddling up together. And that's like, Wow!

Clare: really special!

Ezekiel: yeah. And then my older brother comes from the left side, and he's younger - he's probably 20 something at this point. He was 60 something when he died. And he puts his arms around me. And so, here I am with the Lord, my two little boys, my mom and my dad, both my brothers and all of a sudden, all of these loving relatives that I had long forgotten about start to come. One by one. And put their arms around me. Pretty soon the children were playing, I was a little child, I was running and playing and jumping in the meadow - flowery meadows with Jesus. Lots of little animals, lots of baby animals. For some reason, He just chose to make a lot of the animals baby animals, I guess 'cause I was a kid and it would really be cute.

It would be so sweet because we'd be kind of on the ground, sometimes we'd be up in the air a little bit suspended, maybe kinda flying, twirling around. It's like, Wow! And the little animals would laugh, little tigers and little baby bears, a baby elephant. And they'd jump in the air, laugh and "wee"...it sounds like a children's story! Little suspended animals and children playing and frolicking and Jesus is right in the middle with all of us. And I began to recognize childhood friends, when they were little kids, when I was a little kid. And cousins that were young that I used to play with at these reunions.

The coolest part for me was, about this time, this really pretty little blond-haired girl comes up with pigtails, she looked like the little Swiss girl, little Heidi or something...and it was Clare. And she was a little girl! And I'm a little boy! And I just, I couldn't wait to take her around and show her to everyone, introduce her to everyone. I kept telling them, "This is my special friend! And she's a GIRL! So she's my GIRL- FRIEND, my special girl friend!" (both laughing) And here I am...this is just going on and on and

on

Clare: How long did this go on?

Ezekiel: This started about midnight, I'm dead-dog tired, I've been up since this morning, worked all day, been in here. And this open vision/dream just keeps going on and on and on. In fact, I would nod off to sleep, and it would continue as a dream. I'd wake up, and it would continue on as kinda an after open vision. And I'd nod off and it would pick right back up. For three solid hours! This went on, this running and playing and children. Little kids, animals - the last thing I saw when I began to come to myself, or wake up again at just about 3 o'clock. We were coming in HIGH altitude, over...like if you were flying into Heaven somehow, or coming in off a ski lift, or better yet, coming in on a jet into an approaching area, and the trees got bigger and the landscape got more defined.

We're still little children and we're holding onto, like, Maple leaves, almost like a little Walt Disney thing, right? And we're just kind of like parachuting down, floating down into...it was specifically like, right after the Rapture. It was like we were coming in for a landing after the Rapture, after we'd been raptured and been caught up with the Lord. We're coming into Heaven and it's our arrival. We're just coming in so beautifully and oh, my gosh - you know, it almost looked like the Emerald City, the Kingdom and the golden streets and all that. Yellow Brick Road, so to speak, all the way up. And the meadows and the flowers.

Clare: Wow....

Ezekiel: I could not have made this up or drawn it or cartooned or colored it any better, and it's had a profound effect on me. I work in the back room, like I said. I listen to the messages, I try to help with comments and pray for you guys and all of us. But I don't normally get the goodies like this. And I have to say, Wow! 'Cause I had a three hour visitation tonight that just really... I asked the Lord, "Please, could I not lose it this time? Could I kinda have this and finish out like this?"

So, I just wanted to share that with you tonight, and be encouraged.

Clare: It all started in worship, which is why I keep telling everybody. I've got so many people writing to me and asking me, "How do I get into this? How do I worship?" I put up a playlist, a couple playlists, but basically there's four or five songs that we listen to, repetitively. And sometimes we'll play one song over and over again. Jesus, Holy Jesus, and then Praise Him, and then I Surrender All and All For Jesus. Surely the Presence of the Lord is In This Place. And those are all Terry MacAlmon's songs.

Once I turn those on, we just sit here and enter into worship. The music takes you out of yourself, takes you out of your everyday mood and all - I mean, it takes me probably 10 minutes to get rid of all the thoughts in my mind and really, really enter into worship, and to be in the Lord's presence. And then we stay there for an hour, two hours, three hours - however long the Lord wants to be with us. Normally, like He gave you this beautiful vision, that was during my nap time. Normally, He'll stop me and He'll say, "okay, I want to talk to you now." And that's how I end up writing down the visions. But what you had tonight was just really, really special, very healing. And that's how you know, this is a sign of authenticity - when there's healing, when there's peace, when there's joy - look for the fruit. If you want to discern if an experience is from God or from your own mind, or from the enemy - look for the fruit that it produces. If it's pure and there's no carnality in it. If it's pure. If it's gentle. If it's consoling. If it's healing - all those

are signs that it's an authentic experience from the Lord.

Ezekiel: And lasting fruit. I'd like to say that we're so 30-second commercial oriented in this country that we need to be constantly hearing, seeing, reading, entertained - whatever. And too much information is too much information. Some of us have gotten into trouble sometimes by looking at too many websites and we get confused and afraid. The Lord allows simple things best. Mother Theresa was fond of saying that. And it's true. When you find something that ministers to your heart and soul, even if you're in the Scriptures - you don't have to make a study of it, just read until some verses stand out to you and stop there. And chew on it. Ruminates, spend some time with that.

Clare: And many times the Lord will come in on the tail end of a Scripture and begin to talk to you. It's NOT your imagination, it's the Lord.

Ezekiel: And for those like me who tend to be tired when they come in, you turn on praise and worship, what's the first thing you do? You fall asleep. It's like, "Oh, Lord! Please!" And I remember, now that I remember...duh. I can almost hear the little Jewish aunts saying, "You could ask!"

I forget to ask Him, "Lord, could You NOT let me fall asleep? Could You help me to be alert, to be awake?"

And just like tonight, I just said, "Could I see You?" I didn't make a big prayer, I didn't really expect a whole lot to be honest with you. But I forget to ask. And if we ask, first of all He's the one who probably put the desire in our heart, so He's gonna see it fulfilled. But it IS up to Him as to His time and when and where and how.

So, this caught me out of left field tonight, I didn't expect it, it was just a gift. But I tell you what, I'm gonna be having my radar antennas up and I'm gonna be looking for this gift a lot more. And I'm gonna be going back to these places a lot more now.

Clare: Well, and that kinda comes full circle around to the message the Lord gave me, that some of you guys are not pressing in with the Lord, because you think it's not a "guy thing". So, you know, it IS definitely kosher to spend time with the Lord in a pure and simple way and to envision Him there and to rest your head over His heart. It's PURE, it's beautiful and that's how He accomplishes healings. And that's how He fills us with love, so that we can come out and minister to other people.

When you feel alienated from the Lord, you don't have that fullness of joy and that presence of God IN you. When you go into prayer and worship and He fills you and you're overflowing - THEN when you go out to reach someone, they're really touched with the overflowing joy that the Lord's given you. But if you don't have that time, then there's still some reticence and some fear and some emptiness there. We have to fill up on His presence and His love in order to reach out to other people with His love.

Ezekiel: Oh, I remember many years ago, when I first experienced the Lord in this way, I felt I had sinned. I thought, 'Oh, my gosh, I've gotten too close to the Lord!' You know, I had kind of a dream/vision - I was actually driving on a freeway in San Antonio, Texas, middle of the business rush hour and I had to pull off on the median, just because this was such a passionate, real experience. And I drifted off into one of these places where the Lord comes into the picture and He puts His arm around you and you're close. And that was basically all it was, He just held me and it was beautiful!

But I...instantly, the enemy comes in and, "He's God Almighty! How dare you come so close. You should be on your face, 10 feet away from the throne." I went to a pastor and said, "What have I done? I'm afraid I've sinned, I've gotten too close to the Lord!" And he said...I said...he's a guy, I'm a guy, it's kinda like yeah we want to play ball and deck a few marines and do "manly" stuff, you know? It's not like...I wasn't used to this being held and hugged like that, for years.

And this wonderful pastor looked at me, with his big Irish full-back, line-back muscles in his eyes, and he says, "Aw and it's beautiful, what a beautiful experience yu've had. Oh, this is hot fire from Heaven, though! You have to be careful who you share this with, they'll get burned. But no, there's every bit of reverence when ye get close to the Laird like that, you know?" Excuse my Irish accent... He gave me the freedom to say there's so much reverence and holiness in John placing his head on the heart of Jesus.

Clare: Amen, amen.

Ezekiel: Just as much as the beggar and the woman crying at His feet. There's reverence that brings love, and love is what He's looking for.

Clare: Amen. That's beautiful. Thank you, Honey. Thank you, Ezekiel, for sharing that.

Ezekiel: Thank you, Family, for all your love and support and prayers and wow. This is just real special.

Clare: Alright - the Lord bless you and we pray that anyone who is standing off from the Lord and is afraid, that they'll be encouraged and they'll be able to enter in to worship. And if they see the Lord, they'll be able to embrace Him without any fear or shame.

The Lord bless you. And thank you for tuning in.

Carry the Cross, Don't Judge, Preparation for War Almost Complete

April 17, 2015

The Lord bless you with His sweet, sweet presence tonight.

I don't know who is praying for longer messages, but...I'm gonna throttle you...! (laughing) No, just teasing. I'm really happy that the messages are longer because I love to hear from the Lord. And I know it's edifying for you. But this is kinda a long one again tonight.

You know, I get hit with doubts, "Well, maybe the Lord won't speak with me tonight... Did I make Him unhappy with me by doing something I'm not aware of? Maybe He won't speak to me tonight..." And the moment, actually I stopped worshipping and I sat before the Lord and right away He started speaking to me.

He said:

"I told you I would speak to you every night. It's not your performance that determines that, it is My Word, Beloved."

Are You upset with me, Lord? I tried to do the right thing today.

"No, My Love, I'm not."

Then He began the message:

"Things are drawing to a close in preparation for this war. I want you to be well aware that it could break on you at any moment. I want you to remind people about Miami. You have many newcomers who are not aware of those prophecies. It would be good to upgrade them and put them out again."

And I asked Him, "Upgrade how?"

"Make them fresh...consolidate and add to them. Shorten the originals and bring them together again in the context of waiting."

Those who've been with me for months are going to see a slight replay on a couple of prophetic videos, because that's the one thing we are waiting for, as far as the Rapture is concerned. The Lord told me many years ago, it would be the destruction of Miami that would signal that He's coming for His Bride. So, even though I kinda get ramped up with everyone else on feast days and other things, really the bottom line is that's what He told me and that's what I'm looking for and waiting on. Even though it's a terribly sad and tragic event, it is the signalling of His return for His Bride.

So I will be putting that out, fairly soon. God willing...

Okay, I wanted to tell you. I went to Wal-Mart today to pick something up that I can ONLY get there, 'cause I don't like going to that store. I asked one of the local Hispanic ladies working in the check-out - I asked her, "Are you aware of all of the closures of the Wal-Mart stores in Texas and I think California, too?" She looked at me quizzically, she just looked at me and said, "No." And I thought, 'Oh boy. This is really not good.'" So I told her a little bit more about it and she looked at me like I was a little weird. So I realized this was NOT going anywhere, and just was quiet at that point.

Returning to what the Lord said:

"What people are missing is what is going on all around them that they are unaware of. Like the woman at Wal-Mart. She works there but has no clue about all the closures. Her children are busy with their young lives and she doesn't use the internet. She doesn't see. The powers that be are counting on this to take everyone by surprise. They are so used to saber rattling that the news is just more blah blah blah ...blah blah. These things have been done to desensitize the public from the real threats. They get so used to hearing the same things about Israel and the Middle East, and Russia, they figure it will blow over even as your daughter does. Just another saber rattling...it's all inconsequential.

"There's nothing you can do to change that. As you've noticed, when you tell them what's going on they just look at you with a blank stare. This town is very provincial, which is to its benefit, for it is considered one of the safer places to be, preserved for vacationing. In fact many places in the U.S. are tourist destinations and the wealthy government officials have set them out to be mostly untouched so they can continue to be used for recreation. Even their children frequent this place. What I am trying to say is that this place has a degree of protection. It is mostly out of harm's way.

"Areas that are most dangerous are crossroads of major highways, key points in transportation will be secured very quickly. Out of the way locations will be for the most part ignored unless it is discovered that there are hostiles living there."

Lord, what do you mean by hostiles?

"People who will not go along with the plan. Many of them are already targeted, but they are not foolish, they are well aware. This place, above all others, will be less traumatic. However, the effects of CERN will be experienced all over the world and the only protection is their closeness to Me.

Most of the church Body is sound asleep and has no idea what they are facing or how to cope with it. That is why I am sending revival such as has never been seen on Earth. And as usual, this has not been taken into consideration, for I will visit members of the armed forces and turn them against the evil they have been prepared to carry out.

"All persons, with exception of those made by men, will get the opportunity to change course. There will be a great falling away from the military as ordinary men see what is being done to their country, their mothers, their fathers, and grandparents. They will be struck deeply in their conscience and foil many maneuvers to further destroy this country.

"That will give the 'hostiles' the edge they need to protect a portion of the country. Do you see, Clare? I, too, have made My plans. I, too, have made My preparations and the supposed wisdom of men I will turn to foolishness. However for those without a soul, destruction of the demon inhabited body is the only

solution, there is no allegiance to any power but Satan's."

Lord, how will they know who these clones are?

"The eyes are the window to the soul, a soul-less body will have dark, dark eyes - not a glimmer, only steely cold blackness. So cold, so evil, you can feel it. Much like you have both encountered in exorcisms and deliverance. When the evil spirit is in control the eyes become black like marbles."

Oh Lord, thank you for speaking with me. This is the absolute high point of my day, except for worship.

"I know, My Love. That is why I assured you, it is not your performance that makes this possible, it is My Mercy and nothing more. I love the sweet little flock I have sent you, soul by soul. I love them dearly and it is My great desire to speak with them everyday. Oh, how I love them. And what I will leave behind for others will be invaluable in building their faith. There will be a great harvest from these messages and I will have many followers who will be strengthened."

I'm really glad you said that, Lord - that You would have many followers. I don't want followers. Besides I'm not leading, You are!

"This is very true, but nonetheless you will be misunderstood by those who have hidden agendas, jealousies, and just refuse to open their hearts. They will suffer the most. It is good for you to continue to teach how destructive judgment is to each soul. It is good for all of you to take these words to heart and not allow an entrance for pride and judgment."

"My children, I have warned you again and again about judging, but when you judge My prophets you incur serious repercussions in your life, immediately. You will find that the results will be immediate, because I am trying to break you of this wicked habit. Do you understand, when you judge others and especially My vessels unto honor, that you invite in a host of demons to sift you and your family??"

"Do you understand that when you spread false reports about the innocent and slander their character that you have brought a curse down upon yourself? I have to tell you, you will see more and more division and strife among your friends for such behavior, because beneath it all there is spiritual jealousy, the most destructive force in My Body."

"When you engage patterns of jealousy you actually oppose Me and the operation of My gifts and I will hold you accountable for the souls I could not reach because you spread lies about a vessel."

What was quickened to me was 1 Corinthians 1:10

I appeal to you, brothers and sisters, in the name of our Lord Jesus Christ, that all of you agree with one another in what you say and that there be no divisions among you, but that you be perfectly united in mind and thought.

I'd like to say here, I'm not saying agree with something that you consider error, you know that would be against your conscience and that's not what I mean. But if you think about it, it's just wiser not to speak out, unless you really see some serious error that could result in the loss of souls. If it's minor things, I think it's wiser not to mention it, because you don't want to cause division. If it's a serious thing that has

to do with the salvation of a soul, then yes - it's important to speak out. But just to correct people because your opinion doesn't agree with theirs, this really divides the Body and gets the focus off the Lord and what He's trying to do through a vessel.

I don't think anyone's perfect in their doctrine. There's always going to be something that someone misses. We want to foster a spirit of unity and love, not of dissention and division.

I want to take a moment here and confess to you all, that in the past if someone hurt me, or had something I really wanted but didn't have, I would get jealous and find fault with them. In the beginning of our marriage, Ezekiel and I had some really terrible problems, strife and misunderstanding every day, to the point where it is an absolute miracle that we stayed together.

Some of you to this day have strife with your spouse. You don't have peace but constant quarreling. I must say, that's the way it was for us. Then one day the Lord revealed to us the cause of this. We had been discussing people between the two of us and downgrading them - that opened the door for Satan to sift us. So, we tried to stop. May I say, every time we harbored judgment in our hearts or opened our mouths with just a hint of judgment, something bad would happen and we'd get into a fight? It soon became evident; we were opening the door for the demons, by the sin of judgment.

Why do you suppose the Lord waited until I was 68 before He used me in ministry??? I mean, really! Because it took us that long to overcome that fault, and to love others and consider them better than ourselves. He hates calumny more than anything I can think of. At least if you murder someone they are no more, their lives are over. But when you invent stories about others you deprive the Lord of the good He wanted to do with that vessel that continues to live on. It's as if you did murder them, because to those you've spread lies about them, they might as well be dead, they can't do any good because you've destroyed their reputation.

Now Ezekiel and I have a wonderful and peaceful relationship, and I tell you the truth, the major thing that changed our dynamics was thinking the best about others and refusing to gossip or listen to gossip. And even to this day, boy I'll tell you the devils try to tempt us with entering into judgment! But the Lord helped us, and I want to say now, God help us if we are foolish enough to slip up, it always results in unpleasantness.

Please, dear ones, take this to heart.

Psalm 7:14-16 Whoever is pregnant with evil conceives trouble and gives birth to disillusionment. Whoever digs a hole and scoops it out falls into the pit they have made. The trouble they cause recoils on them; their violence comes down on their own heads.

So, it is even written that, when we are pregnant with evil - evil thoughts, that it gives birth to disillusionment, which causes you to want to give up. Causes other people to want to give up their Christian walk.

So..OK Lord, I had my say.

"And a very good say it was, too. Unfortunately there will be some who cannot receive this, but perhaps you can receive, 'By their fruits you will know them.' And I encourage you to look at the fruits of those

whom I have chosen to minister, there you will find their accreditation.

"But I want to warn you, dear ones, there will be such disorder in the future that people will long for answers and be willing to listen. To those of you who are My Remnant, these will be the days you have always dreamt of. Hungry hearts reaching out for truth. Once earthly comforts and consolations are removed, once lives are put at risk and chaos breaks out, those who would not seek Me before, will seek Me until they find Me now and be eager to be added to the Kingdom, even if it means their head.

"Now I have one more word for you: persevere in holiness up until the final hour. Do not consider anything of this world worthy of compromising your integrity. I know you are all suffering more in these days than you have in the past. For multitudes of reasons, each of you are carrying a heavier cross. I want you to know, this is My doing, do not try to wiggle out of it. I need your sacrifices and fast offerings to rescue those who are marginal. Those who are just biding their time in the world, figuring things will go on forever and they don't have to look at who they are before Me. These are the ones we are fighting for now.

"Clare, some of your children are in this group. For many of you it is children, grand children, husbands, wives, dear friends and distant relatives. You have tried over and over again to get their attention but your words sailed by them in the wind. Still, I am working with them on a level you cannot see or sense. It is hidden to you. Part of the reason for this is that I don't want you to step in and spoil it. There is much resistance built up to you and I am speaking to their hearts in a totally different way. Were you to see just how close they are getting you would rush in and push them away again. So be patient, trust Me, carry your cross with determination knowing that it WILL bear fruit.

A Scripture was quickened to me: **Now I am rejoicing while suffering for you as I complete in my flesh whatever remains of the Messiah's sufferings on behalf of His Body, which is the church. Colossians 1:24**

"I am telling you this now so you will not grow weary in well doing. What are your crosses? Surly people who mock you, inconveniences like flat tires, frustrations when things aren't working for you, mental and spiritual pain, when you are travailing for others and they simply show no signs of conversion. You mothers and fathers are suffering greatly, because the world is so enticing to your children you just can't compete with it or their peers. Mental health, depression, anxiety. Some of you are carrying almost unbearable crosses. Cry out to Me and I will strengthen you.

"And last but not least in any sense of the word, physical pain and illness. For those of you who have chronic conditions that refuse to yield to prayer and positive confession, that by My stripes you are healed, to those of you, I say, indeed, you are suffering for Me, indeed you are bringing forth the sweet fruit of conversion that you will see on that day. Rather than being steeped in condemnation from the inside or outside, "You're not healed because there is sin in your life, because you lack faith, because you aren't right with God." I say to you, lies, lies, lies.

"This is a critical time of great importance. Soon many who are not right with Me will die. I am pouring out graces right now to bring them to Me before it's too late. I am receiving your sufferings as a fast offering. You have longed to serve but feel frustrated because of illness incapacitating you. Little do you know that you are majorly responsible for the success of ministers who are high profile and reaping a harvest.

"Little do you know that I have chosen you because you love Me and are willing to suffer anything for Me. So, brush away those condemning voices and be comforted in Me, you are My partners in the redemption of the lost."

May I say something Lord?

"Please do."

Please don't misunderstand what He is saying here. The finished work of the Cross has opened the gates of Heaven forever. No more fasting or offerings are necessary for that, as He said, "It is finished!."

However, someone has to soften hearts and deliver messages and your prayers are powerful, even more powerful when you back them up by fasting, or receiving inconvenience, frustration, depression and anxiety, and physical infirmities that refuse to yield to prayer. By receiving these things in a spirit of sacrifice to Almighty God, on behalf of the conversion of sinners. After all, the Lord DID say: "Deny yourself, pick up your cross, and follow Me." You are doing a mighty work by backing up grace with offerings.

Even as I am sharing this message with you, there are others backing me up with their prayers and sacrifices, or these words would fall on deaf ears or perhaps not reach the ears of those who need them. So, please - be encouraged you are indeed following in Jesus' footsteps and quietly, by being hidden, backing up the efforts of those who are visible ministering. It will be quite some event when you see the fruit you bore by your courageous and humble suffering.

The Lord continued after that: *"My Brides, I truly adore each and everyone and if you feel your cross is heavier than the ones others are carrying, understand, it is your great love for Me that enabled Me to place this cross on your back. You are indeed My powerful army of intercessors and some day you will be shocked to see exactly where the credit lies for conversions. It will be substantially shared with those who delivered the message."*

"I bless you all now with increased patience, vigor, courage and strength, to continue in this way until I relieve you of the burden and take you to Myself."

Honesty, Looking At Yourself in God's Mirror

April 18, 2015

The Lord bless you with an open heart for tonight's message.

Every night I am so amazed that He has something really relevant to share with us. (if you hear little footsteps in the background, that's Gracie, my kitty coming to snuggle...)

The Lord began very quickly tonight to speak to me.

He said:

"Tonight I want to talk to you about honesty. Honesty with yourself and others. You all have areas that need to be looked at just a little closer. If I did not love you, I would not bring this up at all, but because time is very short and there are still areas where you have not confessed sin to Me, I am asking you, precious Bride, look again.

"For the sake of survival in the past you have hidden certain things from yourself because it was too painful to look at. But you needn't hide anything from Me. I already know about your sins, dearest. I want to work with you and lift the burden of guilt deep down inside where you have hidden things too painful and disturbing to bring up.

"There is nothing that can keep Me from loving you, absolutely nothing. But our relationship must be built on honesty. I cannot perfect that which you refuse to see. In order to bring you to perfection, you must be willing to admit the truth about yourself. You are beautiful beyond imagining and there is nothing that will change My mind about that. But these deep dark secrets and unconfessed sins let off a scent of guilt and shame.

"This, too, is responsible for you distancing yourself from Me. You know there are things too dark to confront but that in My presence all things are seen. May I say I have seen all these things even before they happened? No one wants to see themselves as evil and so they hide their evil thoughts and deeds even from themselves and make excuses to cover them up, or invent stories."

Wow! Am I guilty of that!

"My Love, come to Me and ask to be relieved of these sins. Ask Me to bring them to the surface where My grace can cauterize your flesh and you will never more be burdened by them.

"For instance, so many make the excuse that they don't have time to pray the way they should. Let's examine that. Do you have time to shop, prepare dinner, watch a show on TV, talk to a friend for 45 minutes, go to a salon to have your hair done, take a trip with friends, sit on the porch and enjoy the fresh evening air?

"Let's analyze that. You have made time to nourish your body and provide for your body's needs. You have made time to relax and be entertained, to give your emotions a break. You have made time for a friend to confide in you or to share in your victories and failures. You have made time to be stylish and look good in the eyes of man, and you have made time to get away from everyday life with friends.

"What is the truth of this, what is the conclusion to be drawn from this example? Simply that I am not as important as any of these things. That is the honest truth I am looking for. You make time for the things that are most important for you in your life. You make time to work and make money, to shop and spend money, to entertain yourself, even to go to church. These things are important to you. But a friendship and a relationship with Me?"

At this point, I really wanted to say something and I asked the Lord and He told me to go ahead.

Well, I just want to say that I had a to-do list every day, and it was long. If I didn't accomplish everything on the list or most things, I would end the day in disappointment. I was very unhappy and frustrated until one day the Lord spoke to my heart, "You have a spirit of Ambition." This spirit would suggest expectations and I would write them down to be done in a day. But I was over reaching my energy level and my time, so I would have to push to accomplish everything. Not only that, but I had to push away anyone or any thing that would take time away from my list. And there was always something I just couldn't get done.

Everything on that list was either in the world or from the world. Sure, there were things that couldn't wait but rather than spending time in the kitchen baking, I could just buy something that would make do. But no, it had to be really good if not the best, so I had to make it. There are easy ways to do things and there are superior, harder ways to do things that cause you to become more involved, using more of your time. I would always pick the more demanding ways. Perhaps the root sin of this was Pride, it just had to be the best.

And I never had enough time for God. I never had hours when I wasn't exhausted or in a hurry to get out and get everything done. Early I was busy getting ready to go, late I was in the dregs of my energy. I knew He was calling me to more prayer, but I was so tied to my worldly pleasures and agendas, I didn't have time. I mean really substantial time with Him.

One day the Lord told me what my problem was: "Clare, you don't have time for Me."

I was floored by that remark...don't have time...for God? Huh? Why is that - isn't He the most important One in my life?

The answer was easy, "No." He was not the most important thing, a million other details pertaining to the world were more important...exercise, finding the right clothing to wear, working with my hair, looking for makeup and trying new techniques, baking the most intense dark chocolate cake with homemade frosting, cleaning the car, keeping it shiny and bright. Repotting my plants and looking up details about how to increase their yield, studying health issues and what certain vitamins can do. I could go on and on and on and on with this list. All of those things were more important to me than Jesus. And that was the Honest truth. I loved the Lord, I gave Him my life. I thought I was living for Him, but looking back, I was living for myself.

Yes, I had prayer time, but nothing like what He wanted from me. Yet I was hungry for the gifts and the ministries others had. I would feel Jealousy over the success of others and ask myself, why can't I be successful like that?

I would even tell the Lord, "If You throw me into ministry, Lord, I know all those other things will fade away." But He wouldn't do that. What He wanted from me was to see me abandon the familiar things of the world, the things I thought were essential, and really were nothing more than vanities, before I was put in ministry. He wanted to see that He meant everything to me, and nothing in my life was more important to me than Him.

I began to realize that my jealousy was based on laziness. I was not putting out the effort to succeed, because my life was too taken up by trivia, all those things that are going to burn in the fire. I remember once hearing something that stuck in my mind like velcro. "If you are jealous of someone it is because you see something they have, that you know you could be doing, but you're not applying yourself to the level necessary to attain it." That statement haunted me. And the reason I wasn't attaining? The time in my life was being used up by foolish things.

Then one day I got confronted with the Rapture. And I was told, you are one of the foolish virgins. How did I know that? There was a deep down gnawing in my gut, that I was wasting precious time on foolish things. But I would throw up an excuse, that has to be done! that's important! I've got to have that, and so on and so on, but that gnawing refused to go away and when the Lord burst my little bubble telling me that I didn't have time for Him...and I saw the reality of the Rapture, well that was my wake up call. I just knew that if I continued on this way, I would run out of oil, if I was not already out. That's when I changed, lowered my expectations and standards on worldly things so that God could dominate my life.

The Lord continued, "And that's where I would like you My Brides to pick up. I want you to be unyieldingly honest with yourselves about how you are spending your time. Re-assess the must haves in your lives. Lower your expectations so that trivia and vanity does not rob you of Me. It is so slippery, one step in the wrong direction and all the wrong things hop onboard."

I had a thought at that point, and I said:

I remember Lord, when I was dressing for church, years ago, I just had to have a coordinated outfit, the right dress, the right accessories, the right purse, the right shoes, the right hose the right makeup. One thing steps out of line and everything else follows it. Whereas if I weren't so conscious of my outer appearance, I could make do with the same simple clothes every week. Then my inner man would be truly ready to worship and oblivious to the fashion show. For you men it would be the right tie, with the right shirt, the right jacket and slacks, and the right shoes, with a shiny new clean car to make a shiny impression for all the guys coming to church with their families. Boy, were we into it.

"The saddest part of this My Bride is that you don't see your involvements are choking out the fruit you could have borne. Truly in this country the briars have overgrown the churches to the point where there is no room for Me to move. And much of the time, the issue anchoring My movements, is social acceptability. Dressing right, looking right, acting right, at all the wrong times. I have no room to breathe.

"This is why I am calling for honesty. A new level of honesty. When this country is at war there will be

honesty because all the frills will be impossible to have, then we can get back down to content, personal holiness and what really matters. But now My church is bound by social standards and acceptability in the sight of man.

"My Brides, My beautiful Brides. I beg of you, check your motives. There is only one motive you should have: love of Me and love of neighbor. Any other motive is impure, and purity is what is necessary to see and hear Me clearly.

"Did I say that because I wanted to be clever and impress them? Did I dress this way to upstage so and so? Am I exercising so I can turn the men's heads at church? And catch a husband?"

"May I say that if you seek to attract a husband by carnal standards, you will have a carnal man and a carnal marriage?"

"Did I call so and so to plant an ugly thought about someone I don't like? Did I sign up to serve in the church to improve my influence and status? Did I offer to help because I want people to think I am good? Did I buy that new car because I wanted to turn heads in the parking lot?"

"Check your motives, both men and women. Check to see if the reason you are doing something is strictly because you love Me and for no other reason. If it is to be seen by others and thought well of, I guarantee you, oil is leaking from your lamp and it is in danger of going out.

"I am going to convict you of your motives this coming week. I am going to expose attitudes and habits that have hindered you and prevented you from becoming who you truly are in Me. Some things may come as a shock to you, when you see why you really do what you do. But this is for your own good. This is to remove more spots from your wedding gown. This is to bring you to repentance. And if any think more highly of themselves than they do of others, well, you will discover just how lowly you are. This is a good thing. For truly I lift up the humble but decrease the stature of the proud.

"Please My Bride, men and women, be honest with yourselves and do not try to make excuses or sidestep the truth about why you are doing things. At every turn, repent and ask for My help to let go of these worldly attitudes and posturing. I am purifying you like fire-tried gold. Cooperate with Me, for I love you and have only your best and eternal interests at heart.

"I bless you now with the courage to cooperate with Me as I prepare you for our wedding day."

I wanted to let you know that I do have some teachings on the subject the Lord brought up tonight. It's called Wounding Waters, the Worldly Church. And you know, in church you are supposed to receive the fresh, living waters. But so often because of social position and other things, the waters are wounding and hurtful. So, I have an entire playlist called Wounding Waters, the Worldly Church. I'm going to try to put the link at the end of this video. I rearranged the videos in that playlist so that the topic that He brought up tonight would be first to be addressed.

Please forgive the bad audio and sometimes bad visual for these - they were my first videos that I did, pretty much my first ones. I was grappling with a lot of techniques, trying to figure out what worked. But

the teaching is still there. I just feel that it's really important and really relevant to the message that He gave us tonight.

Thank you for being on our channel and for watching our videos and commenting. I couldn't dream of a sweeter and more open and loving audience than you guys. I really, really am humbled by the beauty of the souls that the Lord has sent to our channel.

The Lord bless you with the courage to look at yourself in God's mirror, and not to freak out! Have a blessed night.

Blessed Are the Pure, For They Shall See Me

April 19, 2015

The Lord bless you with His sweet, sweet presence and His peace.

I'm trying to get my schedule back a little bit, get some sunlight in during the day.

Well, tonight when I was with the Lord in worship, after quite a long time of worship and sweetness just worshipping Him, I saw myself in my wedding gown dancing with Him. I had a very formal wedding gown and He was in formal attire, also. Interesting, 'cause this is the second night in a row that I've seen that, and it kind of gives me hope that the wedding supper of the Lamb might be soon.

Well, I took a little nap after worship 'cause I usually get very relaxed and it's like the Glory just falls, and it puts you in a state of rest, so to speak. I went to lay down for a little nap and came back.

And the Lord began speaking to me:

"My children are having a hard time recognizing where they have made compromises with the world. The world is so corrupt that consciences have never really been properly formed. As a result there is still much they do not recognize as far as right from wrong.

"They sense certain things are not pleasing to Me, but they don't know beyond a shadow of a doubt. You fall into this, too, sometimes. You see, My thinking is so radically different from the world's it is difficult to justify it in the eyes of men.

"But I am here to say, 'do your best.' Do your best, and My Spirit will do the rest. There will not be time on this Earth to expose all the things that bring Me grief, but after time in Heaven you will all understand more fully the sinful things that contaminate you. Until then, do your best, and I will help you. I understand your lack of understanding as to what things offend Me. And for this reason I am being more liberal with you and not requiring complete purity as I did in days of old.

"Yes, swimsuits still shame Me. That is way too much flesh showing, but that's the norm for your culture. I remember when you would take your children swimming to the pool and insisted they cover their bodies with shorts and t-shirts, but just them being in the vicinity of others who were immodestly clad, was shameful to Me. I am not condemning you, Clare, I am explaining to you how different Heaven's standards are and that I have made allowances because of your culture.

"But now we are coming down to the wire and I wish for all My Brides to be acutely aware of what is grievous to Me. I want you all to practice chastity of eyes, mind, and body. Do not let your eyes wander. Do not look twice when you see something offensive to Me. Do you understand? I live in you. I see what you see. Oh, please spare Me the grief of having to see things of the carnal nature.

"Many of you have stumbled into sins of the flesh because of the immodest culture you live in. That was Satan's plan all along and how successful he has been. But now, My Brides, as you approach our wedding day, I beg of you, do not linger on things of the flesh, not entertainments, not pictures...it is not funny to Me, but sick. Not photographs not songs or books. Anything like that is detestable to Me."

I took a moment here and I said, "Lord You know the enemy has unleashed filth like never before that just seeps into our minds before we recognize even what it is."

And He continued: *"There is no condemnation if you recognize these things in your mind. It is when you dwell on them that you sully yourself. Again, blessed are the pure for they shall see God, this is an important aspect of communicating with Me."*

"I wish for you to push those assaults out of your mind and remain pure. If you do not they begin to grow and evolve into something much more evil and before you know it, you are compromised and beyond the boundaries of your self-control. Then it is too late and you fall into sin."

"I am telling you all this for your own good. Please, any hint of immorality, impurity, licentiousness conduct that is lacking moral restraint, especially in sexual conduct, provocative clothing - shun like a leper."

"There is a price to pay for holiness, for closeness to Me. You will receive more than your fair share of scorn and contempt from relatives, when you refuse to watch certain things in movies and TV. Turning your eyes away from filthy things brings an element of conviction to others around you, and they resent it. But you are bearing witness to God within you, you are rejecting moral impurity and setting a higher standard of behavior which many will not go along with."

"And for those of you who have already fallen into uncleanness or fornication, I say, repent and make a resolution not to do it again. Call on Me in that hour to strengthen you. Those who willingly give their eyes over to that are far more guilty than those of you who are weak and refuse every opportunity to look, but still find yourselves overpowered. I do not condemn you, but the demons do. They bring on the temptation and give you to think, 'God will forgive me'. Then when you fall, they pour on the condemnation and claim you as their own, bound for Hell."

"You will find that those of you who are harsh and judgmental with others, will have a harder time controlling yourselves. You see, rather than rushing to your side, I allow you to fail so you will have more compassion for your brothers and sisters. I am calling My children to Mercy. Those who show Mercy, shall themselves be shown Mercy."

"And those who are legalistic, demanding, and critical of others, need to learn compassion and humility. And so I allow a degrading habit to bring them to their senses so they will cease judging others. I do not give birth to these things, but I see the demons getting ready to jump on a soul, and if they have been harsh and critical of others, I do not come to their rescue. The more you downgrade others the more you can expect to fall."

"Now when a soul has had enough and cries out to Me to help them, I remind them of their weakness so they may indeed see themselves on the same level as everyone else: not better, not smarter, not holier, not more capable, but wretched just like the rest of humanity needing redemption, needing compassion,"

needing Mercy. And when I see that a proud, arrogant, judgmental soul is beginning to get it, then I step in and help them."

Lord, I know I have had a weakness in the area of food and it seems that whenever I have brought home some little thing that didn't meet with your approval, I would have remorse and you would give me a reading on humility.

"Yes, I humble the proud, I allow them to fail in many, many different ways because pride was and is the original sin by Satan. Pride is the grandfather of sin and more than any other sin, I hate pride. It breeds judgment and gossip which destroys the life of My Body and deprives it of My gifts. It destroys marriages and leaves children without guidance from both parents. It degrades the simple and takes the meaning of their lives from them. There is nothing more destructive than pride - it can be found behind all the other sins, greed, lust, and too many things to mention.

"So, when I see it in a soul that wishes to know Me on a deeper level, I immediately go to work to break that stronghold so that life may be restored to that soul and not so easily stolen. When there is pride you are a city unguarded, how easy it is for the enemy to walk right in and despoil you of all your gifts.

"When you are a minister and you are in pride, not only do you fall, but all the others who have attended you, listened to you, believed in you, they fall as well. Satan lies in wait for ministers, he provokes them to judge, then he despoils them.

"So, for all of you I am telling you the secrets of holiness, the secrets of pleasing Me and warning you of the snares set at your feet. Just after a victory, when you are feeling good, that is your most vulnerable time. Expect to be attacked, expect to be provoked to judge others and place yourself above them.

"When you begin to feel this leaven creep up on you, immediately repent and beg for forgiveness and mercy on your soul. Usually when you feel it, it is too late, you have already been walking in it, but if you are very, very careful, you can prevent a fall. Mostly, I want you to notice the virtue in your brother and sister, and accuse yourself, that you lack that virtue.

"I want you to downgrade and humble yourself so you are beneath others in your own eyes."

Wow! Isn't that different from the world? whoo..

"This is the ONLY safe haven for you. Humility. And if you look closely enough you will see so much virtue in others you will not dare to point the finger at anyone. Rather you will habitually recognize virtue in others, and that keeps your city secure and well guarded.

"So now, perhaps you understand it. Why you fall into degrading sin. Why things fail for you, for I oppose the proud but give grace to the humble.

"I love you all with the tenderness that only your Creator can have. I bless you now as you go forth, with wisdom and courage to overcome yourselves and walk in My humility.

"For though I am God, I did not regard equality with God something to contend for, but emptied Myself, taking the form of a lowly servant, and came to you in the likeness of men, forsaking my privilege as your Creator. This is the character of My Bride, so go and do likewise."

Without Love You Will Not Be Taken in the Rapture - Prophetic Message

April 20, 2015

Lord, I pray that you will bless us tonight, with courage and honesty, beyond the normal amount, or that your Grace would truly be with this message, and your peace and your love would just cover everyone in this message. Amen.

Well, today is April 20, 2015, and the Lord has an important, important message. I've been feeling a grief all day. Both Ezekiel and I have been feeling a real heaviness

in our hearts, and a real grief, and we really didn't know what it was about, until I came to do the message, and then we realized that's what it's about. So, I'm just going to get straight to what the Lord began to say to us.

He began, *"Many are so sure they are ready to stand before Me, but they're not taking a good look inside themselves or in My mirror. This concerns me, Clare. It concerns Me that they are so ready, and yet they still quarrel and bite at one another. They still gossip and tell lies about one another. They still accuse with impunity, thinking they are so right, and the other is so wrong."*

"Yet, I tell you, they are not ready to stand before Me. They are blinded by self-righteousness. They are on a crusade to set the world straight, but they are unfit for the Bridal gown. I cannot put a clean, white garment on those who are still jealous and destructive with their tongue. I cannot put that gown on anyone who does not love their brother as they love Me."

Oh, Jesus, in this moment, I don't live up to that standard.

"With you, I count your will; as with others, I will do the same. If you willfully put down your dislike, hatred, resentment, jealousy, or distaste for others, I will help you and fill in the rest. It's all in the will. If you willfully engage in jealousy, gossip, hatred, pride, and self-righteousness, you're in serious trouble. All I am asking of you - so you will fit into your pristine bridal gown - is an honest self-appraisal. If you're holding scorn and contempt for anyone voluntarily, willfully... you will not stand before Me on that day."

And at this point, the Lord quickened a Scripture to me:

Watch me, therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of Man. Luke 21:36

He continued, *"If I love you, and you are not committed to loving others, you are not worthy to escape what is to take place on the Earth. Love will be the acid test, not doctrine, for that shall pass away; not prophecy, for that, too, is fleeting. You may be a prophet, full of the Word of the Lord, but if you have not love, you will not stand."*

Oh Lord, that seems so hard. It really seems hard to me, even though I know that lack of love is so destructive. It still seems hard.

So, at this point, I had to stop, and go to my husband for discernment, because it's not like the Lord to give a harsh word. It was really hard for me to continue. It seemed so out of character from the other messages that the Lord has given me. So, we took some time to discern this, and it was the Lord... so I came back. It wasn't easy, but I... I just came back and listened and wrote what He said.

He continued, *"I did not say you must be perfect in thought, word, and deed, for none is perfect. But, your intention to be perfect, to love perfectly, to be kind, merciful, and entertain absolutely no malice toward others...if you have made this resolution, you will stand. But, if you are standing in self-righteousness, pointing the finger, quarrelling, judging, standing in My place, giving out judgments, then you are doomed to remain in the Tribulation. Why do you think I've given you all these meditations, Clare?"*

To prepare us?

"That's exactly right. I want to leave no one behind, but some of you have hardened your hearts toward each other and have trampled the innocent and the blind. Many of you on the Internet have taken shots at one another. You've wounded, crippled, and left them to die, isolated, despised, and without the fruits of their labor. Unless you repent and are found to be a blameless one, you might as well start making plans to stay here. You will not be taken. Love is My standard: patience, long-suffering, kindness, mercy, meekness, the Beatitudes. This is the description of My Bride. If you are willfully countering the Beatitudes, you still don't have My heart. You still don't resemble Me. My Bride must resemble Me."

"Some of you will say, 'This is too harsh!' But, I say to you that you have not repented of these sins. You are harboring hatred. Am I to marry a Bride steeped in rancor, jealousy, and hatred? If you truly repent of these sins, you will be taken."

And I began to hesitate again. It's just hard for me to hear Him be so firm, I guess, is the word.

"Clare, please. This is Me. Don't let Me down. Shall I wait until after the Rapture for them to find out that they were not worthy to stand before Me? Why do you think that I chastise you so severely when I see one of these attitudes in you? Do you realize the seriousness of this behavior? Shall I reward a soul with an incorruptible body and a place in Heaven? A soul who hates his brother and sister, the very one I suffered and died for? I don't care what others have done to you. If you are My Bride, I have given you the grace to forgive and make an act of will to love that person, for My sake. I have given this grace to every single one. If you don't exercise it, what am I to think? 'She's My wife, but she hates that soul I died for?' Is that an equal yoke? You see, I can overlook your weaknesses, but I cannot overlook your willfulness. There are those among you who are, perhaps, very weak, or lacking in mature understanding to do as I say. For them, there is mercy. But for you, who call yourselves My disciples and teachers and prophets - you must walk in My ways. Is it not written, 'not everyone who says to Me 'Lord, Lord,' will enter the Kingdom of Heaven; but he who does the will of My Father, who is in Heaven, will enter?' Many will say to Me on that day, 'Lord, Lord, did we not prophesy in thy name? And in Your name cast out demons? And in Your name perform many miracles?' And then I will declare to them, 'I never knew you. Depart from Me.' "

And the Lord quickened another Scripture to me right after that:

If I have the gift of prophesy and can fathom all mysteries and all knowledge, and if I have a face that can move mountains but do not have love, I am nothing. From I Corinthians 13

And He picked up and started speaking again after that, *"Come now, though your sins be red as scarlet, I shall make them white as snow. I'm standing here before you, waiting for you to repent; to turn from your evil ways and embrace what is right. I have not come before you to chastise and leave you bleeding. I have come to bind up your wounds and grant you greater and greater graces for the building-up of My Kingdom. Seek Me in the still and quiet morning hours, when I may move upon your hearts and expose those things not pleasing to Me. I have compassion and pity for you. I will embrace and restore you and surely take you to Myself on that soon approaching day. I love you, and those whom I love, I reprove. Nothing would be sadder to Me than to remove the blinders after the Rapture. That is why I have brought this before you.*

"Please, take me seriously. Go back. Look more closely into those hidden and dark places in your hearts. Allow Me to pour My healing balm over those infections, that you may be presented to Me, whole and entire, lacking nothing. My Brides, I love you tenderly. Do not pull away."

Provision and Protection For Those Left Behind

April 22, 2015

The Lord bless you, Youtube family. I just wanted to thank everyone who has been so supportive and loving. Thank you so much, it really makes a difference. And it has helped to keep my heart in peace.

Tonight, the Lord changed the subject. Kinda funny, 'cause Carol said, "I've got a feeling the Lord's going to change the subject tonight." Well, He did. So I'll go ahead and share

that with you.

He began: "I want to talk to you tonight about spiritual growth. Much of what I've been doing with you all is about spiritual growth, growing taller, filled out, more stable, well grounded ready for anything because your reality is the spiritual dimension with Me, not the earthly dimension soon to be further emerged in chaos.

"Not realizing what is coming, people are still planning as if life will go on forever just the way it is now. That is why they will be blind sided by what is about to take place. What I want for you Clare is to leave behind as much as you can to elevate people out of that dimension of chaos, which is something only I can do with souls.

"You see CERN, clones and the ruling elite will make many very serious mistakes that will impact their hiding places among the rocks of the Earth. Vaults of water and magma will open up on them with tragic consequences. They will cry out to those who engineered these spaces, "I thought you said this could never happen!!!" But all in vain, only to be swallowed up into the abyss. This indeed will be their just deserts, and so I counsel all to have nothing to do with these underground bases, they are not safe.

"And yet I will provide safe havens in the deserted areas, places with abundant water, natural caverns and sufficient food. Just as the angels provided manna in the desert, so will I release to all sufficient sustenance."

I'll take a break here - that was a surprise to me! That the angels were helping to spread the manna in the desert. That was an interesting point.

"Many stores of food will never run out. Medical supplies and healing will also be sustained supernaturally by Me. Many will come into a full-time healing ministry, tending to the sick and infirm, strengthening and giving comfort to those who have collapsed in fear, those on the edge of death, even some to be brought into the Kingdom in the last moments of their lives.

"I have some wonderful things planned for this horrendous time. Many a wall will come crashing down upon the enemy because of prayer. I will supernaturally and literally move Heaven and Earth to protect the holy ones. Some will be martyred, some will survive but all will be provided for, I will not abandon

them to the will of their enemies. Yes, unsurpassed suffering will be witnessed but also unsurpassed glory and the triumph of faith. There will be many sent from Heaven as visitations to encourage and provide. My angels will be most solicitous for the welfare of the remnant I am shielding from the full force of My wrath.

"Listen carefully to the instructions I am imparting to you. Prayer will be your greatest weapon and I will teach you how to pray - it will flow from within you without any effort so strong will My grace be among you. Prayer will well up from inside and overtake you in moments of fear and danger, and you will be kept safely hidden as well as have My Peace.

"Many will betray each other and only discernment by My Holy Spirit will alert you to who cannot be trusted. If you judge by outward standards, what is said, what they look like, how they act, if you judge by normal human standards you will be fooled. You must rely on Me to detect weak souls or those sent to find you out.

"Again I want to say, this is for the left behind ones, this is not for those who will be raptured. It is important to have these things printed and easy to find." "Lord would you please fix my printer?"

"Tomorrow, it will begin working again. Begin printing tomorrow.

"OK?"

Oh, thank you, Lord. My printer has been out of commission for over a month - I just couldn't figure out what was the matter with it.

"Don't be afraid Clare, don't let the enemy do this to you. I know the temptation to be afraid is tremendous because you can see so clearly what is coming. But I have made ample provision for every moment of your life up until the Rapture. I want you Beloved, to be an example of peace and security in Me, not a trembling little mouse in the corner."

I had to laugh when I heard that!

"And yet fear is no laughing matter, rather it chokes out faith, and you mustn't let it gain ground on you. Recall My promises to you and how many times I have come through for you, Oh Israel???"

"How many times did I provide hay for your horses, food for you table, gas for your vehicles, free places to live? Hmm? How many times, and still you doubt Me? Come now, what a disgrace you are, do you want to circle the mountain for 40 years?"

Deep sigh. Forgive Me Lord. Jesus, I believe, help my unbelief.

"You got your nose into some news of developing events and that scared you."

That's true.

"Well it's better if you stay away from such things, they will most assuredly have a harmful affect on your state of mind."

Lord, what about leaving supplies behind for our children?

"I have told you before, I have already provided for them. This would be an act of unbelief on your part. It would also be a powerful distraction. Can you trust Me with them? Do you think after all these years of serving Me, I will abandon your children? Is it not written that you will never see the children of the faithful begging for bread? I have powerful provisions for them, but because you can't see it, measure it, hold it, you don't believe. Your faith is flagging."

Please help me Lord, truly I am a shameful servant.

"Well come here 'shameful servant' and let Me hold you, and restore your faith."

So, at that moment I stopped crying and closed my eyes and thought for a moment. I could feel the Lord and see His face, and He held my face closely with His two hands and said,

"Stop worrying about your children, I have ample provision for them, it is all planned out and getting in the middle would only confuse things. Stop. Worrying."

"Okay," I said. "Okay."

"Trust Me. I want all your efforts on these souls I have sent you, be a mother to them, feed them honey from the rock and wheat from the fields of Heaven. Oh how jealous I am for these who are so in love with Me. Oh, how I long to protect and nurture them! It is beyond your understanding to know how God adores a soul devoted to Him. How can you lead them in faith if you are weary and stumbling?"

"Nevertheless, I will make up the difference, for My strength is perfected in your weakness. So carry on, lift the burdens from their hearts, adorn them with garlands of love from the gardens of heaven, nurture them Clare, and BELIEVE that I AM has sent you to their side in these hours of mischief the Devil has devised."

I was starting to flag at that point and getting a little sleepy, and I figured maybe this was the end of the message.

"I'm not done yet, My Love."

"Just as in days gone by, when I supernaturally protected My people, so shall I protect those who must stay behind. There will be one among them who will be designated the leader, and to him or her, I will give supernatural knowledge and wisdom. Protect this one who is critical to your mission. Let not the devils cause division, misunderstand, murmuring and jealousy. Be on your guard against these poisons they will use to divide and scatter you all. Together you will survive separated; you will face many dangers without anyone to hold you up. Do not let them divide and conquer. Be smarter than the enemy, walk in charity and humility and you will have no problems. Walk in self will, selfishness, suspicion, and rancor, it will be your demise. There will be many testings among the groups, many testings. Painful decisions to make, life or death decisions to make. I will give you peace when the decisions are the hardest. Use lots to help you determine a plan of action."

Taking an aside here, Lots are what they used - drew straws or sticks or something. With Jonah, when he

was in the ship to find out why God was against them in the storm, and of course picking the apostle to replace Judas they used Lots.

"I will be with you as I was with Israel in the desert. I will give you signs of My love, signs of danger, signs when you are going the wrong way, signs when you are going the RIGHT way. Be attentive, pay close attention to the signs I send you."

You know, when I think of signs, I think of heart-shaped rocks, the face of Jesus in the bark of the tree...I don't know - it'll be different things. But if everyone's on the watch for signs, then they're going to see them.

"If you suspect you have made a wrong decision, stop and pray it through. Better to wait on me than to move forward into a trap. There will be times to act and times to wait. It is in the times of waiting that trials will be the most difficult. Pray always, worship and thank Me for every safe moment of your journey, for every provision, for every time you evade the enemy. Use My Name as a weapon of war for you fight not against flesh and blood but principalities in high places and against evil rulers and authorities of the unseen world, against mighty powers in this dark world, and against evil spirits in the heavenly places. Ephesians 6:12

"Now I want you all to remember how easy it is to fall into unbelief, to mistrust, to suspect, to be fearful. These are the weapons the enemy will use against you, forewarned is forearmed. Now My precious ones, cling to My instructions for in them lies life and death. Be not afraid of what man does to your body, only your eternal soul, do not compromise for the sake of your body, your children, your wife, or for any reason at all. I will be with you to deliver you from evil. Pray, "Deliver us from evil." frequently, it is a powerful prayer. That's all for now My love, remember, I promised that your printer will work tomorrow."

Thank you Lord.

"I Bless you My Brides, be sure to save and leave these instructions behind. Have courage and keep your eyes on Eternity." Amen

You, Too, Are Vessels Unto Honor

April 23, 2015

The Lord bless you, Youtube family. I am so sorry I didn't get a message up last night.

The Lord began speaking to me last night, but there were some things that were still too close to the recent events and my heart was just not clear. I really wasn't able to hear Him as clearly as I wanted to. And, I didn't want to pass along to you anything that may have contained strains of my own

emotions or feelings...and I really needed a break.

I've really been tired and kinda overwhelmed answering correspondence - this is kinda a learning process for me - I've never done this before. I really want to be in touch with everyone, so sometimes - like yesterday - I spent probably 4 or 5 hours answering messages...and I still have something like 30 e-mails that are worthy of a response, and ...I don't know how many.... Well, actually yesterday I was working on Comments, and today I'm going to try and work on Messages. So, please be patient with me - I'm really sorry that I didn't post anything last night, and I'm sorry if I haven't answered you yet - there were 4 or 5 pages of comments that I had to go ALL the way back to the beginning of to start and go through and make sure everybody got an answer.

I'm sorry I didn't get anything up last night. I didn't mean to alarm you or worry you - I'm fine, I'm just a little tired and still not quite over recent events - just the denouncement from people who used to listen to our Channel. It shouldn't bother me...but it does. I forgive them, and I'm over that part. It's just that, well, I'm human and I have my own emotions to deal with and we get worn out, sometimes. We've kinda been under pressure that way - and all of you have been so sweet, so kind, and gone so far out of your way for a show of support - and I really, really appreciate that.

But, I'm wanting to move on at this point, and keep going, and I didn't realize last night when the Lord started speaking to me that I still had some feelings that were hurting, and it really interfered with me hearing Him last night. Ezekiel said, "Honey, you probably just need to put it up for tonight." He's my discernment, he's my covering - he's very good at what he does. VERY good at what he does. So, when he said that, I just decided to do exactly what he said because obedience to your covering is extremely important. Having your own opinion, wanting your own way and doing your own thing is very dangerous. When he realized that I was having a bit of a hard time last night, he counseled me to just put it up and rest, and it was good counsel. So, I just follow that - I don't even have my own mind about it. If he says something, I do whatever he says, because I've seen the Lord working through him so many times, I just don't question anymore.

So, that's why there was no message last night - I'm terribly sorry. But, the other thing is, guys, our channel is all about teaching you discernment and hearing from the Lord. So, I don't want you to get addicted to ME. I'm just a vessel bringing something. I want all YOU guys to be vessels. I want you to cultivate your gift of hearing from the Lord. We've gone to great pains to put playlists together on

Intimacy and Discernment for a specific reason: because we want YOU guys to grow up into discernment and hearing from the Lord the same way that He has brought US up. So, please don't get addicted to me! (chuckle)

Just as a word of advice to you, I've noticed that a lot of questions that you write to me and ask me to be answered, HAVE been answered in depth in the videos that we've done and posted. So, just to understand a little bit about Youtube works, if you are new to Youtube - you go to my Homepage, which says Still Small Voice, and you'll notice that right underneath the name (Still Small Voice), and underneath the banner, there are different little headings. One says Home, one says Videos, Playlists, Channels, Discussions and About. Now, the Videos will give you a complete list of all the videos that I've ever done - back to the beginning. If you want to get to the first video I've ever done, you go all the way to the back, the bottom - and keep going back until you get to the last page, which would be the first video I ever did.

The Playlists is another option there, under Still Small Voice. The playlists will show you material that we have put together that's in one topic. For instance, there's the Playlist: Discernment, and the video Fingerprints of the Enemy and all the things that we have done on discerning the voice of the Lord, which is so important, is under the Discernment Playlist. Then, there'll be another Playlist about "Intimacy with the Lord, I'm calling you to Intimacy" - and that will have all our videos on Intimacy. There's another playlist that is "Music for the Bridal Chamber", or "Music for Intimacy" and that's what I've compiled to help you come into that secret place. Those are different musicians on Youtube that are highly anointed to bring us into that sweet space.

I'm going to go there right now and give you a low down on what's there - because I want you to have at your fingertips what you need...

"Prophetic Messages to My Bride" - that's very much about different events that are to happen, they're prophetic. That has 37 videos on it. "Timely Instructions" - those are recent messages. "Left Behind - What's Next?" - that's for the left behind and it's also got some very interesting things about what's going to happen once we're taken. I've advised everyone to put those into notebooks for their family.

I've just opened a new one called "The Apocalypse".

Discernment, and Fingerprints of the Enemy - EXTREMELY important, so important. This is what we have to do to get close to the Lord. You know, so many people are not willing to take the time to go deeper. I've had people say, "Your videos are too long - we don't watch them because they're too long." But - you'll sit and watch a movie for an hour and a half! And that's just fleeting entertainment! But, a video that's 20 minutes long, where the Lord is speaking to me for most of that time - you don't have the time to listen to? This is the reason why people don't GET the kind of relationship with the Lord that we have - they're not willing to invest the time. It takes an investment of TIME to get to this place. So..."Discernment and Fingerprints of the Enemy" is a very important playlist.

Once you click on a playlist, you can view it - there's a little thing on the bottom of the title that says, "view playlist" - there's 26 videos on Discernment. Or, you can just click on "Discernment, Fingerprints of the Enemy" and it will bring up all 26 videos and you can listen to them sequentially.

Next, we have a playlist on the "Rapture", and a lot of this is prophetic, and one is Will I Make the Rapture? This is something - it's only 4 minutes long - this is something a lot of people are asking: Will I

make the Rapture?? We took the time to really outline that for you, and you can access that yourself. In your own heart, your own conscience before the Lord you can understand what position you're in concerning the Rapture. 'Cause there's a lot of differing opinions out there, and some of them are very harsh and damaging. So, we took the time to do that. That playlist actually has 53 videos that we've done on that subject.

Then, "Worship Songs to Bring us To the Garden of His Heart". A lot of Terry MacAlmon's songs are in there, some of ours. Kari Jobe songs are in there. It's 25 videos, 25 songs. And as you listen to those songs you can really, really enter into that precious, precious place with the Lord.

Then, "I'm Calling You to Intimacy" - there are 28 videos on that. And the first one is very long - it's an hour and twenty minutes - and there's a reason for that. It lays all of the Scriptural groundwork for intimacy with the Lord, convincing you - totally convincing you, that that is His will for you, that you are to be intimately in communication with the Lord, and it takes time. You don't have to listen to that video, but if you do, if you have any qualms about being close to the Lord - any fear, anything like that -that video will really help you, will really give you a clear, Scriptural basis for continuing to press in to be close to Him, and to hear from Him.

Then, I have another Playlist that is "Clare's Music", which is our music. Most of it was written for this time, to encourage people. And then "Ezekiel's Music" and "Testimonials Worth Listening To" is another playlist of other people's videos. And, that's about it.

So, we have several playlists that we've put together for you, to help you come into that beautiful, blossoming relationship with the Lord where you guys can really, really enter in to His heart and be with Him.

I love you guys so much, and I'm so blessed that you're longing for a deeper relationship with the Lord. I pray that you will avail yourselves with these playlists and that they will help you.

I love you, Youtube Family!

Rescued From A Familiar Spirit

April 24, 2015

The Lord has asked me to share with you what happened last night, and the reason I wasn't able to leave you a message this morning - or yesterday morning.

I came into prayer as usual and felt very, very close to the Lord, and He told me it was time for us to write. We had been slow dancing for a while; He'd been holding me real gently. Everything was very normal. The peace was there, His voice was strong, and I usually have a little apprehension until He gets deeply into the message and I catch the thread of what He is saying - then the words fall together much more easily. Sometimes it's like battling my way out of layer after layer of saran wrap. Sometimes I don't know what word is going to come from Him next and I just have to write it down one word at a time.

Other times it's a thread and a sense and things go very smoothly. I am extremely cautious of who I am talking with, I am very much on guard. I have had to be, because I've been fooled before, so now it's almost like walking on thin ice...testing it to make sure it will hold me.

Sometimes I just have to press on through - it's hard guys, it really is hard - it's a test of faith. I remember when He first told me He wanted to speak to me every night, for all of you...that was a real challenge, I wasn't used to anticipating a word every night.

Carol can tell you, I had to Skype her and get her to pray for me - as well as Ezekiel, because I didn't know if the ice would hold me. I sensed the Lord there for me but the layers of saran wrap had to be moved out of the way. I guess you could equate them with static, or opposition or poor tuning, or timidity - I'm not really sure. And tuning in to the Lord's channel.

Anyway, she and Ezekiel both ended up saying to me, "You've just got to push through." There's no easy way, it is what it is. Trust and push through the fear, insecurity, keep going until the two of you connect, because you know this is His will." So that's what I had to do, and it wasn't easy.

So, back to last night. Things began very much that way, pushing through until the flow was established. But what was different last night is that I wasn't comfortable with the message. The content began to bother me, but every time I would protest this content - that I didn't like it, this 'Jesus' would tell me to be obedient, that He had His reasons. And thinking back, that may have been the Lord, actually. Well, when I read through the message it seemed to flow and it seemed to have the weight of truth, but I wasn't at all comfortable with the content. Because it brought up something I thought we had closure to. So, I was iffy.

I am so blessed to have a mature and discerning man of God to cover me and help me stay in His will. Ezekiel was seeking the Lord on my behalf during this whole time, because he also had qualms about the content and finally he shared that with me. When Ezekiel shared with me that he wasn't comfortable with the content, we just put it down and I said, "That's it. We're not going to use this. We're just going to put it

down and sleep on it." And in the morning, when we woke up, the answer from the Lord through our different channels of discernment was the same - that this message was NOT from Him.

I can see now more clearly, everything that was said in the message was true - but it was not what Jesus wanted to say, it was a counterfeit and I was under attack. I really hate it when that happens, it is so unnerving and it is very, very hard to recover from because you feel that your trust has been breached. But the Lord allowed it for a reason.

For one, I didn't pray the binding prayer before I began writing, I felt like we were already connected and I didn't need to. Big mistake. I left myself uncovered. That prayer was inspired by the Lord and I was lazy, I didn't bother with it. I thought, aww...we'll be O.K.

Normally I would be very upset about the whole incident, because now it was too late to receive another message or so I thought, and I had nothing to give you. But what was different, was that I felt a peace about it. My kitty, who the Lord uses to bring me comfort, got on my case when I went to bed. I mean, he would not stop licking me, purring, stroking my hair, and making kitty biscuits. Normally he carries on like that for a minute or two before we fall asleep, but tonight it must have been a good 15 minutes of pure kitty comfort.

I just had a sense that the Lord was in this whole thing and He had a very specific reason for allowing it, so I was at peace...relatively, anyway.

In the morning, Jesus gave Ezekiel the perfect message for all of you, and I felt confident that it was quite true. I needed to hear it, "The Lord did begin to speak to her last night, but she was afraid she was just still too close to the recent events to hear Him clearly, and she did not want to pass along to you anything that may have contained strains of her own emotions or feelings." That's a very, very, very good explanation, even though at the time I wasn't aware of having feelings in the direction of the message, that I wasn't comfortable with. In fact, I was really uncomfortable with the whole thing.

So wow, that was so comforting to hear! He did speak, but somehow it got off track. And when Ezekiel prayed for my heart tonight before I came to listen for the Lord, he saw an angel removing several darts from my heart and Jesus stepping in and rubbing balm on it until it was completely restored. I have to tell you I needed that. I'd been crying most of the night, just really feeling like a little insecure waif, wondering if things would be back to normal tonight. Ezekiel just opened one of our prayer books to, "Speak Lord, your servant is listening." That gave me the courage to wait expectantly on Him.

One more thing I want to tell you, this is the critical point in any one who is aspiring to have intimacy with the Lord. When you miss the mark, it can be so devastating that you just give up and never come back. It takes a lot of resolve to pick up and try again, and again, and again. And to know that at any time you could fall into error. Our hearts have to be very clean and unattached to our own opinions or feelings. Projected thoughts and emotions from inside of us can truly mess it up. So, when you fall, please, don't give up. When you fell off your bike as you were learning to ride you didn't give up. So don't give up here either. Sooner or later it will go much better.

So, that was all I had to say. And then the Lord began to speak tonight, "That was good, thank you for sharing that. I really need you to know that discernment is no picnic and perhaps one of the most disheartening things a soul can go through is to hear from a beguiling spirit. That is why I have taken

great pains to provide prayers for you that work. Although, if I am wanting to humble a soul, the prayers will not cover them.

"Dear Ones, I am so in love with all of you, but I must have you to know what you are asking of Me will not come easily or overnight."

Now at this point I have to tell you that I was really wanting to make sure that I was hearing the Lord, and I stopped. And when I stopped, He took my face in His hands and He became very, very clear. His eyes and nose, His whole face just became so clear. And He said, "I know this is difficult, but please trust Me. I AM with you. Please. Trust Me."

So, I grabbed my little Bible Promise book and I thought, 'I'm going to go to the Bible Promises for a confirming word.' And I opened to Holy Spirit. So, Whoo! I took a deep breath and finished writing this paragraph. So I'll go back to that.

"Dear Ones, I am so in love with all of you, but I must have you to know what you are asking of Me will not come easily or overnight. There is much training that goes into learning how to hear Me. You have to be willing to fail, again and again and again. You have to be willing to leave your expectations of what you would like to say, outside the door to your heart. There cannot be any hidden agendas or opinions, or you will never be able to tune in and hear Me clearly."

I said, "Lord, what happened last night?"

"I gave you over to a familiar spirit because I wanted to demonstrate how I pull a soul out of the pit of error. Besides, the humility does you good."

Oh thanks! I can laugh now, but you know I've cried all day.

"And your tears were mixed with Mine. I am so sorry you had to go through this, but it was for a good cause."

"And to you My Brides I must say, this gift will not come easily and you will suffer much as it is developing, but don't you think it's worth it?"

I asked Him, "And what about the darts in my heart?"

"They were slander and accusation. By the way, whether a soul hears them or not, it still hits the mark of their heart. Like the ripple effect, the words reach their target in the soul and bring pain to that soul without them always knowing the source ."

So, that is why I've been so weepy the past four or five days?

"Exactly. You were grieving and I think you picked up on the source when I gave your readings from the Scriptures, but you tended to block them out. And by the way, it is always better to think the best about other souls than to falsely accuse them."

And I chimed in there, "Yes, I know that for sure."

I don't think there is anything uglier than me accusing someone falsely. I have seen that before and it's just terrible how it makes me feel. I have learned the hard way. I've had to decide, you know what? I don't need to know, I don't need to have all the answers - it is better to be ignorant than to accuse someone who is innocent. And the devils are something else, I'll tell you! They'll put it in your head that your best friend or someone that the Lords wants you to minister to is actually gossiping behind your back or is actually your enemy.

The devils are very clever about accusing other people of mal-intent. You can't - I can't trust my intuition in the sense of someone said something, or someone did something - I can't trust my intuition, 'cause it's proven to be wrong so many times. So it's just better to be ignorant, you know, than to target somebody and say, "Well, they must be gossiping about me."

I have to battle with my obsessive curiosity and pride that thinks it just has to know what's going on....

I looked at Jesus and I said, "Oh Lord, when will it ever stop!!!?"

"In Heaven. Soon..."

Oh, thanks. I've heard that "soon" word for a long time..

"I see you're not asking Me how soon...."

Yeah, because I know You won't tell me anyway!

"That's never stopped you before?"

Well, I guess, I've learned my lesson then.

"Well...VERY Soon."

Thank you Lord, but...

"You've heard that before..."

"How did you know?"

"Oh, I have a good memory!"

I smiled.

"That's what I wanted to see Clare. I wanted to see your smile again. Forgive Me for putting you through this humiliating trial."

But You are God, there is nothing to forgive.

"I know, but I want you to know that I don't enjoy watching you suffer. That's all."

Lord...I forgive You. I know it is for the best.

Well guys, my head is swimming, I need to put it to bed.

"Lord, may we have a blessing?"

"My Dear Ones - never forsake Me, never think the worst about Me, know that always I am looking after your best interests and everything I do or allow in your lives is for the best, this you will see in Heaven. Be courageous. Be faithful. Be loving. I bless you with these gifts."

Amen, thank You, Lord.

Your Hearts Are My Fragrant Garden

April 25, 2015

Good morning, Youtube Family. The Lord's sweet peace be with you today.

The Lord had a beautiful, beautiful message for us tonight, so I'm just going to go ahead and get started with it.

"My Precious, do not think it strange all these temptations to judge, to get angry, or any other sin - do not think it strange that in this hour it seems more intense than usual. I am wanting to purify My Brides of every selfish motive, every spot, wrinkle and blemish, to make her perfect before Me.

"She is quite beautiful even in this hour, but there is always room for improvement. That is why I am sending more trials, allowing more temptations from the enemy, that I may adorn her even more beautifully than she is in this moment.

"Do not grow weary with these tests, do not give up on yourself, because you see so many flaws. No, persevere, do not condemn yourself for that, too, is a sign of pride: expecting to be perfect and finding the imperfections. Rather the humble soul is not the least bit surprised by her surfacing faults. It is always a test of virtue when opposition arises, when condemnation is hurled at you.

"These are My invitations to sincerely love the offenders and even consider for a moment if there be truth in what is being said. Like David, when Shimei hurled insults and his men wanted to kill him. David said, 'Leave him alone; let him curse, for the Lord has told him to. It may be that the Lord will look upon my misery and restore to me his covenant blessing instead of his curse today.' (2 Samuel 16:11) This is the posture I want for my persecuted servants, certainly not rising up in self-righteousness and condemning the others. So, My Love, search your heart always and bring into subjection any rancor that wishes to lash out or justify. For I will justify you.. and what do you care what others say, as long as you are pleasing to Me?

"These are the tests of virtue that are being allowed to My Bride at this hour. They are hard tests, for the flesh is strong in its survival instinct to protect what is fragile on the inside. It is always best to be in the lowliest place, for from such a small height, falling is not injurious. Then I will extend My hand to you and say, 'Come up hither, sit beside Me in My Father's house.'

"All of you, precious Brides, let there not be one speck of rancor or judgment in your hearts. Bless those who persecute you, but do it only from the bottom of your heart, for the lips do not always reveal what still lingers in the hidden chambers of the heart. I really need you all to be that clean. Then I will pour upon you My Sweet, exceedingly Sweet consolations and grace. How I love a sparkling clean vessel, fit for the choicest wines! Oh, how I love to fill such as these.

"Let not your hearts be troubled by calumny or disdain, these are sent to perfect you in your beauty.

Receive them as precious adornments from the crown jewels of Heaven, for great are the souls that shine with these marks of My affection. Oh yes, how very much this goes against the flesh and the world's standards. Calumny... a priceless gem? Yes, indeed, because your virtue shines forth when you return blessings for curses, from the heart. And I observe the heart and every beat communicates your love for Me because you imitate Me: 'Father, forgive them, they know not what they do.'

"Little do you realize the worth of scorn and contempt, rejection, humiliation - but how necessary this is to holiness. In this world people are always trying to elevate their position, whereas in My World it is those who are the lowliest that I recognize as the greatest among their brothers and sisters. So, what I am saying is recognize these opportunities to love Me. They are challenges to rise above the fleshly nature and worth their weight in gold. When they happen, cling to Me, thank Me, and treat them tenderly, like the lashes I received on My Body.

"Please don't revile these words -they are truly words of life and perfection, given to you to make you strong in the face of adversity. I know the arrows penetrate deeply into your heart. The deeper they go, the more valuable they are in forming your character into My spotless Bride. They reveal the true contents of your heart so let sweet honey flow from those wounds, not bitter gall."

It seemed like He was taking a break here, so I asked Him, I said, "Lord, what about the Rapture?"

"Getting impatient, eh?"

Well, aren't the Dogwood blossoms falling?

"Some are, some aren't."

Oh, Jesus. You're being evasive again.

"And you're fishing again."

Please Lord, give us some hope. we are all hanging here in expectation with dark clouds of doubt accumulating behind us...threatening to take away our hope. As it is written, "Delayed hope makes the heart sick, but fulfilled desire is a tree of life."

"And absence makes the heart grow fonder."

Lord, that's not Scripture!

"No, but it's true. I'm sorry to all of you, My Brides. We are all waiting together, and while we wait, I will renew your strength. Is it not true that every day you are growing in holiness and resolve? There is great fruit to be had in this time of waiting, don't be quick to dismiss it. I am still gathering in the harvest and your patient perseverance in every kind of trial is a sweet aroma rising up to Heaven. As it ascends, more and more souls are being drawn in. So, do not grow weary in well doing, there is a purpose for all of this.

"Let not your hearts be heavy. I am with each and every one of you, observing the sweet longing of your

hearts to be with Me - that too emits a fragrance, for your hearts are a heavenly garden where blossoms of love give off a constant aroma. Soon, My Lovers, soon.

"Take these words to heart now and receive the renewing of your strength and resolve to continue to grow in holiness, each of you are a priceless blossom.

" I cherish you."

I've Gone to Prepare A Place For You. Be Strengthened for The Last Leg of Your Journey

April 26, 2015

Good morning, dear Family.

I have a really sweet, sweet experience in prayer tonight. The Lord did ask me to tell you about it.

Tonight, when I came into worship, after a few minutes I felt the Lord to my right. So, I looked with the eyes of my heart and we were sitting in a freestanding loveseat-size swing, swinging back and forth very casually to the sound of music. As I leaned my head upon His shoulder, I began to relax, worshipping Him through the music. Then I began to see that we were in an exquisite garden, with colors and textures from a Kincaide painting! But even more beautiful, with fragrances that were just intoxicating. I couldn't actually smell them very acutely, but I sensed them.

Anyway, after a few more moments of worship, I began to make out the faces of some of my favorite Christians throughout time. Apostles, prophets and the Fathers of the faith. Faithful men and women of God. And then were all sitting around in the garden, worshipping as well. I really had a longing at that point to see all of the sweet souls on our Youtube family there as well. I thought, 'If only they could see and smell this wonderful garden of souls, whom they are a part of in the Lord's heart!

And the Lord spoke to me after that, and He said, *"Someday that vision will include them, and we will all rejoice together. But for now, My sweet Brides, men and women, take comfort that I have gone to prepare a place for you."*

I'm not going to read the rest of what He said, 'cause it comes at the end of the message.

Getting back to the message:

I really felt the Lord strongly. I'd been waiting on Him for quite some time in worship, just to be sure that it's Him that I'm talking to.

And He asked me, He said: *"Are you satisfied?"* (in other words, are you satisfied that it's Me?)

Yes, thank you.

"Well, let's move on then."

OK.

Then He kind of chided me for a little...I guess you could call it "Internet surfing" - just a couple of people I wanted to check out that had posted dreams and I was interested in what they had to say to the

Lord.

He said, *"Clare, you are weakening your faith by listening to others this way. Can't you just trust Me?"*

I am ashamed, Lord. (Because what's actually going on, I measure myself against them, just to know... 'Well, if they said that - am I wrong??' You know, I get into unbelief that way, and I get insecure.

Well, Family, maybe you can understand now what I meant by, He looked for someone totally insufficient to do this job, weak in every way, and He found me... And I was really well suited, because I'm NOT well suited. So, I'm just giving you a glimpse of the insecurity and the foolishness that I get into, so that you can understand that you couldn't possibly be worse at this than I am! So, you know that the Lord is going to speak to you, because if He'll speak to you, He'll speak to anyone!

And He said,

"You should be after all I've done for you and through you. Don't demean other visionaries, just don't listen to them. Really it is poison for you."

And I asked Him, "Well, why do I do that?"

"Pride giving birth to curiosity, a need to know, a need to be affirmed by man."

I said, "Well that's not good! I'm really sorry."

"It happens to the best of them."

Nonetheless, obedience would protect me from that, wouldn't it Lord?

"Yes, it would, My Love. "

Please help me, to be obedient.

"Oh Clare, I love you so much. I do not condemn you for being afraid, I understand beloved. Many wicked and deceiving spirits have gone out into the world to deceive and mislead many. It is to be commended that you are so careful. Even if I do allow you to bottom out sometimes, it is always to strengthen you in humility. Better to depend on Me than on yourself and your ability to hear Me. All is a gift, nothing is your own, all has been given into your hands. I am with you, Clare."

Deep sigh. Thank you my Lord, my God and my All.

"Shall I go on deceiving those with a humble heart who seek Me sincerely for the good of the Body? No. To those I have given the key to My Heart, and I will nurture and protect them in all their ways."

That reminded me, Ezekiel had just sought the Lord on this very topic. He asked if my personality would substantially color the Lord's words to me. When my husband went to the Bible promises, prayerfully opening it, he got God's Protection - that was the heading, and then all the Scriptures that are below that heading, and it made me feel so secure when he told me that, because that's what I've always wanted.

"Oh thank you Lord, I don't that in me at all."

"Well, there are times when your choice of words to communicate what I have given you in an understanding without words, may have a little semblance. But for the most part, I truly am protecting you from that.

"Now, down to business." He said.

"Let's move forward - after the Rapture.

"In Heaven I have prepared a wonderful abode for each of My Precious Brides. I have discriminating taste you know."

Yes, I've noticed, Lord. (By the way, my father was an interior designer, so I can be pretty fussy. But He has exquisite taste! And He's mastered the use of color and texture beyond anything the human mind can fathom. Very much a God thing!)

He continued, *"Yes, each palace is perfect for each one of you. I have made notes of all your tastes, colors, textures, animals, architecture, favorite flowers in gardens and natural surroundings. Some of you prefer apartment type dwellings, and what I have prepared for you, you will love.*

"Some of you love the desert. Wait until you see the cactus plants I have grown for you, blooming continuously with your favorite colored flowers. Waterfalls and canyons, water bluer than the sky, with shades of green and aqua dancing. You will love your palace.

"Some of you love the beach. For you I have chosen your favorite shells, sizes, colors, iridescence and even sparkles. Giant ferns and broad leafed jungle plants, stately palm trees and fresh coconut. You will never get over the lavishness of your dwelling.

"And for those who love the mountain forests, well, you'll have to talk to Clare about that, or read their book. You will be utterly amazed. Heart shaped lakes, colorful fish that love to be petted, turtles that will ride you around exploring underwater crystals and caves, forest animals you love will gingerly walking alongside you, does with their fawns, elk, bear, cougar, all your favorite animals, waiting for you. Oh, how they are waiting, too. Believe it or not they are filled with expectation waiting for their human companions."

And He quickened a Scripture to me at that point: Romans 8:19-20 For the creation waits in eager expectation for the children of God to be revealed. For the creation was subjected to frustration, not by its own choice, but by the will of the one who subjected it, in hope that the creation itself will be liberated from its bondage to decay and brought into the freedom and glory of the children of God.

So, all things in Creation are somehow aware of what's going to be happening soon, when everything is regenerated and suddenly in Heaven.

He continued, *"They know your name, and who you are. They will communicate with you their feelings*

and desires to create an atmosphere of pure bliss and oneness with all of Creation, just as it is written. Everything has been filled to overflowing with love and therefore everything overflows with love.

"What I have waiting for you, My Brides, will bowl you over in its entirety - you will indeed be dazed for days (although time is perceived differently. But you will be bowled over as you discover every little detail I have created for you. Butterflies of your favorite color, birds with elaborate plumage, bees that sing, and share their honey generously, even flying about in a heart shape just to tell you they are filled with My Love.

"Those creatures man has used as symbols of evil will be revealed in their former innocence as I created them, to console you and be a part of the ecosystem. Such as snowy owls, falcons.

"In Heaven, there is no death or dying, but there is birth."

How does that happen, Lord?

"It is a mystery I will not unfold to you as yet. I would like to save some surprises for you, after all."

OK. Well, I reasoned that a pregnant animal might die and then of course it would be restored with its young in Heaven.

"That is one way. But there are others. Moving along My very Curious and persistent Bride.....

"I have created food for you in Heaven that will replace everything you love on Earth, but has its source outside of animal flesh. There is no killing of animals in Heaven, not fish, bird or mammal. As you might have guessed, Heaven is ENORMOUS! There are plains within plains within plains. Dimensions within dimensions, as Ezekiel experienced through the giant Conch Shell."

We didn't write about this one in the book, but Ezekiel was swimming with the Lord and there was an enormous conch shell lying on the sandy bottom of a lake. As he swam into it he came to the surface and found himself in a huge green meadow with children playing and baby animals everywhere. It was such a happy place! It was created for the children, just to bring them joy, joyful beyond description.

"There are vehicles in Heaven as well as horses and giant birds. Although you will be able to move about in the air freely, you will not be burdened even when you walk, everything will be totally without effort or pain. For some of you this will be a revelation, as life is so painful to you now on Earth."

OK, Lord I just gotta ask. What about keyboards...you know how I love my keyboard.

It was interesting, when the keyboard was given to me it was...in the spirit someone saw it when we were praying, they called it a golden harp. And on the cover of one of the boards for it, that has the music on it was a symphony with a golden harp on the front. This keyboard is just amazing.

So, anyway - "what about keyboards?" I asked.

He said, *"The instruments you will have in Heaven are light as a feather but do an enormous amount of work - much like what you have now. But you will also be assigned angels with instruments and any*

sound you desire they will be able to reproduce, very spontaneously I might add. They will hear what is in your mind and execute it flawlessly. Communication will be supernatural, totally supernatural."

Wow! That cuts out a good 2/3 of the stress on Earth!

"Truly. Everything in Heaven is effortless."

Lord, will we grow too accustomed to this and begin to get bored?

"Oh no, there is so much exchange of gifts and communication, songs and movies..."

Wait. There is movie making in Heaven?

"Yes, there is storytelling and creative outlets for sharing that will totally surpass anything on Earth, and the easiest part is that they will be permanently recorded on the tapes of Heaven."

Tapes in Heaven??

"Yes, a vehicle for recording permanence. Just as we have books in the Heavenly library, we have recordings both audio and visual."

Oh boy...this was really stretching me to hear this!

"However, there will be many live performances by the angels who will serve as characters and helpers in the whole process. You can't even begin to imagine what I have in store for you, Clare."

Wow. I've always wanted to make movies. Ezekiel has, too.

"You'll get your chance. But may I say, you will absolutely love the worship and being a part of that...well, it will be next to impossible to pry you away from worship."

Oh Lord, that blesses my heart so - you know we have not gotten the opportunities to lead worship on Earth, that we've wanted. And my skill level...well...it needs improvement.

"That will not even be an issue anymore. You will hear something in your mind and immediately you will play it to perfection."

Oh, this is almost too much, Lord.

"I know My Love, but I am wanting to give all My Brides a picture of where they will soon be, just to strengthen them for the last brief leg of the journey. You will consider that your present sufferings are not worth comparing with the glory that will be revealed in you. Truly, this Scripture will be fulfilled."

"Well, hopefully you will all drink in My Words and gaze upon the Heaven that awaits you. Tell them about our prayer time tonight."

And that's when I shared with you about the swing and that we were in the swing, and the gardens of

Heaven. With these exquisite colors and textures and fragrances. Really, really beautiful and so peaceful and so joyful. It's almost as though the flowers were singing, it's such a sweet, sweet environment. The only thing that was lacking was the presence of my Youtube family! I really, really long to share that with all of you.

So, the Lord continued, and He said:

"Someday, that vision will include them and we will all rejoice together. But for now, My Sweet Brides, men and women all, take comfort that I have gone to prepare a place for you so that we may live the true fullness of life in one another's company. Be strengthened and encouraged, I am coming soon."

Open Your Heart All The Way to Me, Message from Jesus

April 27, 2015

What a beautiful and sublime message the Lord had for us this morning. He really outdid himself on this one.

I had been in worship for several hours, praying and worshipping with the Holy Spirit and Jesus, and I knew that it was getting to be the time to receive a message for you.

Jesus and I were dancing to "All of me," by Christ for the Nations, and He was holding me very closely, and He said, *"I need all of you, Clare. You are holding back. You are not completely surrendered and peaceful. There is still reticence on your part. Oh please, receive all of Me! Please, do not hold my love back. Please trust me."*

song: When I'm captured by Your gaze, the whole world fades away. And the troubles I once knew dissipate in Your embrace... So, let me pour my love on You, like fragrance from my heart. And feel Your love surround me as You wrap me in Your arms. Take me to Your chambers where Your beauty's all I see. The place where nothing matters, but to give You all of me.

And I knew He was right. I felt a distance. Kind of like -'you're God; I'm a speck of dust. I'd best keep my distance and my perspective.'

"But you're hurting Me, by not receiving My love. You are holding back, because your eyes are on you, not Me. Stop thinking like men. Receive MY thoughts, MY love, MY understanding. I have created you to bring Me praise. And, how could I not respond in all-out love, when you praise Me? I want to be your intimate companion."

"I want you to tell me about the little things that seem silly to you; that trouble you - the big things that are out of your range of understanding. I want a completely open door to your whole being, without any reservations or self-preoccupation. Don't you see? I'm wounded when you don't trust Me. Even with the silly little things. You are thinking, 'Oh, He is God. These are trifles, not worthy of His time.' Nothing could be further from the truth. They may be trifles, but they're on your mind, and I love you. So, I want to be a part of everything that goes on inside that precious head of yours."

And I answered Him, "You mean even the bull-headed head?"

"Even that, which I understand better than you think."

Oh Lord, this is strange for me. I've accepted You without conditions, but there's still this little wall I've built. It's like a wall of humanity. My humanity... and your divinity - they just don't seem to mix. Or, at least, that's my perception.

He replied, *"If that were true, do you think that I would bother with a blue Morpho butterfly landing on your wrist, flashing his wings with indigo highlights, for you to enjoy? Don't you see how intimately I'm*

involved in your thoughts?"

Yes, I do, and that's what blew me away, when you first brought me to my palace in Heaven. I just couldn't get over how many intricate details you worked into every inch of that palace! The waterfalls, even down to the muting of the vast amounts of water passing through the room... Is it my faults that cause me to be reticent to being totally open and released to you?

"It's your faults and your fears, and I have told you once before: there's no such thing as a carnal attraction in Heaven. So, you don't need to be afraid or worry that you will fall into that. It just isn't possible. And you already know that if there's any hint of that, you are being tested by a demon. It certainly is not coming from Me; nor will it ever come from Me. You know that, don't you?"

Yes, Lord, I know that, totally. So, what else is causing my fear of total openness with you?

"You are still trapped in your insufficiency and faults. Ugly as they are to you, I am burning right through them with My love. As you fully receive My love, I fully purify you from these lingering faults, until there's not even a vestige of them left. You may search, but you will not find them. This is why it is so important for you to release your whole being into My hands and keep nothing back. This is what I am doing. Can you work with Me? Will you, Clare?"

Oh Lord, I know you are helping me. Yes! I will do my utmost not to put my mind on my faults, but only on you, your love, and your Glory.

"That's what I'm looking for. That's what I'm asking for. Complete surrender to My love; in this way, I will completely deliver you from your tendencies to be controlled by the earthly nature. It will simply be burnt away, into a vapor. You see, all men and women long for authentic love, and there is so little of it in the world, that they begin to turn to fantasies for comfort. They feel pleasure from food, beauty, and relationships. The problem is that none of these can deliver what I have to give. Men have so distorted the love I have for you that you back away from Me, and seek pleasure in other things. But all to no avail. Nothing can bring that final fulfillment, and so frustration builds in a soul that thinks that having all they want in life will fill that void. But it doesn't.

"They reach the pinnacle of accomplishment, with all they've ever dreamt of doing and having, and still, they feel so empty inside. That's why many of the wealthy are so unhappy. They are chained down by their lifestyle and not free to fly with me. Their lifestyle becomes their god, but it never fills that empty place. So, it gets covered over with more entertainments, more things, more relationships, until they reach a point of despair and feel their lives are a total failure. They reason, 'I have everything, but I'm still not happy.' Nor will they ever be happy, until they receive Me.

"So, what I'm asking from you, My love, and from all My Brides, is total surrender. Total trust and letting go of who you are into My faithful and loving hands. For I love you tenderly, completely, even unto the depths of your souls. So, have no fear of closeness to Me. You were made for this. It is your destiny and your home. Relinquish all into My faithful hands, and come into the rest of Almighty God. In this rest, you will find completion. Yes, you will find peace, and be satisfied, fulfilled, and hopeful. You will lack no good thing.

"So, come to Me the way you are. If you've been playing in the mud, come to Me. I will wash you and

adorn you with clean linens. If you've wallowed in your flesh, come to Me, and I will restore what you've lost. If you are weary with the goods of this Earth, chained to success among men, come to Me. I will cut the fetters and release you to fly with me into the Heavens. I will give you the perspective you need, to be who I created you to be; not who men say that you are. If you've been broken and rejected in love, fear not. My heart has enough love for both of us, and I shall repair every rip and stab wound, rubbing healing balm upon it, until it is restored whole and flourishing, filled to the brim with the wine of our love.

"Do you not see? I have come to complete you; to make you whole. To retire you from the world; to lift you into the Heavens and to restore righteousness, peace, and joy to your life. To return to you your innocent childhood. Oh, nothing is impossible for God! I have every answer you have ever sought. I have all you've ever wanted. Come to Me poor, blind, and naked. Leave rich, well-clothed in the finest linens, eyes open to the beauty of life lived in Me. Walk no more bent over by the weight of your sins, but honorably, in humility, because of who you are in Me.

"All of this and more I shall give you. I ask only that you lay aside your dirty robes in profound repentance. Forsake your ways of the past and step forward, to be bathed in hyssop and redeemed by My blood. To walk in my footsteps, to reach out with my hands; to love with my heart. This is where you shall find your rest, your happiness and eternal joy. As my Grace flows through you, like a river, bringing drink to the thirsty, love to the outcast, wisdom to the foolish, and God to the forsaken. So, fear not this intimacy with Me, my Brides. You have nothing to lose but that which you reject in yourself, and everything to gain, both now and in eternity.

" I love you. Come to Me. Come to Me."

All Of Me

Christ For The Nations

When I'm captured by Your gaze,

The whole world fades away

And the troubles I once knew

Dissipate in Your embrace

When Your beauty I behold,

In my heart one thing I know

Earthly things are counted loss

Just to know You even more

Chorus:

So let me pour my love on You,
Like fragrance from my heart
And feel Your love surround me as
You wrap me in Your arms
Take me to Your chambers where
Your beauty's all I see
The place where nothing matters,
But to give You all of me

Lay Your Head Upon My Heart

April 27, 2015

(Ezekiel du Bois)

Lay Your head upon my heart,

Lay Your head upon my heart,

We will never be apart,

Lay Your head upon my heart,

Lay Your head upon my heart,

Lay Your head upon my heart,

Rest Your head upon my heart,

We will never be apart.

Never be a spot upon your wedding gown,
Never need again the sigh, the lost and found,

Never be a spot upon your wedding gown,
Never need again the sigh, the lost and found,

Lay Your head upon my heart,

Rest Your head upon my heart,

Lay Your head upon my heart,

We will never be apart.

Never need again the sigh, the lost and found.

Never be a spot upon your wedding gown,
Never need again the sigh, the lost and found,

Never be a spot upon your bright, white, wedding gown.

Lay Your head upon my heart,

Rest Your head upon my heart,

Lay Your head upon my heart,

We will never be apart.

Jesus calls us to "Rest In Me"

April 28, 2015

Good morning, Youtube family.

We have something a little different to share with you this morning.

Ezekiel: Well, earlier this evening, when we began to quiet ourselves and come in, what we would normally do as we enter in to praise and worship, I would have a little service and Communion, as I've talked about before, spend some time in the Scriptures. But, the Lord had something different in mind. His whole attitude seemed to be that of quiet and rest and stillness.

Clare: Yeah...

Ezekiel: Wouldn't you say, when you began to settle in with Him - what was His countenance? What did He seem like?

Clare: We came into prayer around midnight, and He was very gentle, very quiet and peaceful.

Ezekiel: It took me a while to, kinda catch up to that, 'cause, we're just like anyone else - we're tuned to words and action, and something going on, something being spoken. I almost felt a little anxious for a while, even though I knew in my heart and my spirit that, "this is a good thing!" It was like, the very, very first thing that He gave me today - we re-released a song "Rest Your Head Upon My Heart" and I should have known from that, right away!

Clare: (chuckle) Hint, hint...

Ezekiel: I felt the Lord - sometimes His "word" to us, or His "words" to any of us are NOT words. His "doing" is NOT doing. It's just "be still, and Know that I am God."

Clare: Well, I was into worship and really in a quiet, restful place with Him. I had to take a nap around 3:00 in the morning, but I came back refreshed. And He was just so joyful, and so quiet - I was waiting for a message to share with you all, because that's how He usually works. But, He just kept smiling, and He didn't have anything to say. I thought, 'Oh, Dear! Have I done something wrong?'

But, he was smiling, so I must not have.

And I asked Him that, and He said, "No."

Then Ezekiel said, "I think I know what He wants to do tonight. He wants us to enter in to His Rest."

Ezekiel: Well, yeah. I kept getting all these different Scriptures on "cease from your striving" and "don't

fear", "come away by yourselves for a while". One in particular was Psalm 37: "rest in the Lord, and be willing to wait for Him."

Clare: Oh, that was very strong - I felt that, too.

Ezekiel: Isaiah 30, He says, "In quietness and trust...gives you strength. We're just not used to being still and quiet! We've got that 30 second commercial mentality. I remember a church service once - just as an experiment, they asked everyone to leave their cell phone and their watch at the door. And the pastor promised he wouldn't go long. So, the people come into the service, they have their praise and worship...and nothing. Dead silence. And, immediately, people got uncomfortable. The pastor said, "It's okay. Let's just sit before the Lord for a minute." Well, two minutes. Then, three minutes. I tell you what, by the end of 10 minutes, people were pulling their hair out - they didn't know what to do! It was just the idea of, it's OKAY...not to do or be or act or perform! And particularly with the Lord - He just wants to comfort us, to heal us, to love us. Like a child at rest on his mother's knee, like the Psalms talk about.

Romans 8:15 says, "you have not received a spirit of Fear, but of adoption, whereby we cry Abba! Father!"

Daddy! How many times have you seen a little child climb up on his mom or his dad's lap, and just kinda have that baby "sigh"...? Maybe they don't even know any words yet, but there's something where they just rest - they feel so safe and secure against their father's heart, their mother's heart. And that's exactly where the Lord wants us, exactly where He wants us.

Clare: So, you think tonight the message was to be still and be peaceful and to rest in Him.

Ezekiel: Well, I even wondered, Lord? Is there something on Your heart and mind that is troubling You? Do You want us to comfort You? I even, at one point, saw myself dancing with Him in this beautiful palace, in this beautiful ballroom, as His Bride. He just seemed to have this peaceful countenance, like maybe you, out there - whoever you are. Maybe you just need to be comforted, maybe you just need Him to hold you. So...let Him hold you. Let Him hold you, let Him comfort you.

Other than that, the best I can say is there is a special place, there's a place away... I heard a pastor from India, once. And he talked about, "stay out of the water with the sharks. Get back in the boat - back in the boat with Jesus." It's His still, small voice - He's not in the thunder, He's not in the lightning - but when that whisper came through, the prophet hid his face, he knew it was the Lord. These are the things of gentleness. Quietness. Tenderness. Very, very fragile. And they're times to let yourself go, let yourself dream, let yourself hope. You can just hear the Lord breathing: Peace. Into your heart, and soul and mind.

Clare: I sensed that all night long - peace, rest in Me. Peace, rest in Me.

Ezekiel: The best I can tell you is, maybe find a place today or tonight, where you can get away from the phones, the computers - lock yourself up in your car or basement or somewhere. Maybe, light a little candle, put a little cheese and crackers aside and have a little love feast with Him - do something to set up an atmosphere of quiet and peace and rest. And I would say, keep your Scriptures there, that's fine, but avoid the temptation to jump into them and start reading. Because, then we're kinda putting that "desk" between the Lord and us again in a way. He comes to us in the Scriptures, but there's times when He wants to take His presence in His written Word and set it aside...and HE wants to be with you - the Living

Word.

Clare: Thank you, Ezekiel.

Ezekiel: You're welcome.

Clare: And when we're feeling insecure or fearful, there's no greater place of security and safety than in the Lord's presence, and in His arms, and in the knowledge of Him - that He is with us. He is at our right hand and He will never forsake us. He's always there, to guide our footsteps and to protect us in everything that we do. And He'll NEVER allow us to be tried more than we can stand up under, with His Grace. He is Faithful, and He already knows how He is going to resolve whatever situation you're in. So, you can totally find comfort in His presence and enter into His rest and allow Him to work out all the circumstances. To bring the peace into your heart that you so desperately need.

And, you know? Regardless of the circumstances that we're going through, at any given time - the most valuable knowledge is still to know Him and to know His love for us. And that's the place where the greatest peace is, as well. So, let's bring our circumstance, our stress, our lives before Him, and just lay them at His feet.

Forge about them, and enter into His heart - just snuggle up close to Him and know HIM, because there is no greater knowledge in the whole universe, than the knowledge of our Lord, and His love for us.

One thing that came to me, just as I was about to finish up here and about to put this song on - you know we have this endless search for knowledge, as if this knowledge independently and of itself can save us. And I think the whole point of this evening with the Lord - 'cause I was here with the Lord for 6 hours (normally, I might panic and say, "Lord, aren't you going to give us a message?") But, the peace of the Lord was so strong, and His countenance was so sweet, that I realized: what He wants us to know is not the busyness and the activity to make us secure, or to teach us...He wants us to know HIM. He wants us to enter into His arms, and to His space - into His heart, and to know and experience HIM. That knowledge of knowing HIM is so far beyond anything that words can describe.

So, with that in mind, dear Family, I'm going to share this song with you. I pray that you'll take time today in a special way to be with Him, just to tuck into His heart. Just snuggle into His heart and experience His sweetness.

And the Lord Bless you.

Jesus' Perceptible and Manifest Presence is With You

April 29, 2015

Good morning, Youtube family.

I have a wonderful little message for you. You know, I guess I'm just very vulnerable to fear and doubt, and I think that's again one of the reasons why the Lord gives me this job, so that you can see how patient He is... You know,

'cause one night I don't hear anything from Him and I start to freak out, even though I knew the message was about Peace and Resting Him. And not about always seeking to know this and seeking to know that. I mean, I understood last night what He was doing, but there's still that little insecurity in me, that little fear that, 'Wow...maybe He's not pleased with me. Maybe He won't speak to me today.'

So, I kind of was holding my breath all day long - try that sometime, it doesn't work too well. Finally when I came into prayer, Ezekiel prayed over me. I did the Binding Prayer and I did some repenting for unbelief. And on top of that, I was dead-dog tired. I am SO wanting to change this schedule. If I can get to bed by 5:00 in the morning, then I can get up by 2:00 in the afternoon and still have a nice long sunny day. So, I'm working on it.

So, I was dead-dog tired and I thought, 'Oh, my gosh, how's the Lord going to get anything to me in this state. But He was very sweet and accommodating as He always is.

As soon as I saw Him tonight in prayer, while I was worshipping, He said: *"Clare, not for one moment have I left you. You have done nothing to deserve that, the enemy is lying to you. Besides, didn't I tell you, it's not based on your performance but on My faithfulness to keep My word? Hmm?"*

Well, You're here talking with me, Lord...that is You talking with me?

"I am."

Oh, thank You, Lord.

"My very small and fragile child, don't you know you have no righteousness of your own, but all has been given to you? And if you contain it, you will grow in holiness?"

"You see I visit each of My Brides with graces and most receive them, but very few continue to contain them or multiply them. I visit with grace and I visit with adversity - it is usually during adversity that graces are lost."

But what about those times of victory when the devils sift us and try to take away what we've had?

"That, too, is an opportunity to lose grace. It can go either way. One way to lose is after victory, the other is during adversity. When My Bride does not receive the challenges and tests I give her, she loses grace."

When she becomes self-assured after a victory, she can lose grace.

"It is a matter of clinging to Me or wandering off on your own, in your own will. This is why I am so very strict with you to stay in My will at all times. I want you to contain the treasure I give you so you may lavish them on souls. But if the living waters leak out before you get to them, well then your pitcher is empty. You know what that feels like, when that pitcher is empty, don't you."

Oh, yes Lord. It is very sad. It's hard to see others suffering and not having any way to help them. Even lately Lord, people come to me with questions for You and I don't feel competent to answer them to ask You .

"You have asked Me for this competency, and it is on the way. But your role in the Body is more important than answering questions. I don't ever want you bogged down in that. I want you to teach them how to get their own answers, Clare. This is far more important and vital to Me.

"Oh Dear ones, do not burden her with your questions! Seek Me and I will answer your questions. All of you who have been following Me closely through this vessel, are so close to breakthroughs in hearing and seeing Me. Persevere, don't grow weary and don't give in to unbelief or discouragement. Those are your worst enemies. May I say laziness is part of the problem? You must press in, those who seek Me with their whole hearts, they shall find Me. Seek Me and live the life that I promised you - the abundant life of communion with Me, righteousness, peace and joy, the fruits of fellowship with Me. Confidence, courage, growth in charity, humility - these are the sweet flavors of the grapes that abide in the vine.

"Bitterness, rancor, flatness - those are the grapes that are produced without the nourishment of the true vine. As I live in you and you live in Me, the grapes we produce together are bursting with nourishment and flavor. It is a cooperative venture: My hands work through your hands, My feet walk through your feet, My heart beats through your heart and all that is Godly and seems impossible to you comes into fruition. All that has previously been out of your reach is now a natural fact, flowing out to other souls who are hungry and thirsty for Me.

"When you begin to see these rewards: the cultivation of new ground, the planting of new seed, the harvesting of new fruit - rejoice greatly, for great is your reward in Heaven. I have longed for cooperative ventures with My Body, but so few have the faith and stamina to continue to believe even when the ground seems hard and barren. That is why perseverance is so very important. When you labor with Me you will not always see results immediately, but you will feel a deep satisfaction that together we have plowed and planted and by faith there will be a harvest.

"Each day is a new opportunity to co-labour with Me. It is your unflagging Love for Me that keeps you coming back day after day to apply the fertilizer, cultivate the ground and expect the harvest - knowing that nothing you do for Me is in vain, all will bring forth fruit in its season.

"So, don't grow weary. Even at this late hour, expect the joyful harvest, expect the plump grapes and fine Wine - all these are coming if you continue in your appointed jobs and do not grow weary with the tasks at hand."

The He broke away from the subject for a moment and He said, *"I know you are tired, Clare - bear with Me just a little while longer. I will answer your prayer about your schedule. But you, My precious, 'have*

to obey.'

We said it simultaneously 'have to obey.' Because I sometimes get... you know, when I'm loading the video I think to myself, 'Gee, I'd like to see what so-and-so said, or what's new here, or what's new there.' And, I don't do hardly ANYthing like that, but late at night my resistance is down, and my curiosity is up, of course.

And the Lord said, *"The enemy reasons with you and silly you...your self-will loves to listen..."*

"Oh, just a little surfing...recreation after a hard night's work'."

"Uh huh."

I'm sorry Lord, it is my own fault.

"Yes, you do get carried away."

"One more thing I would like My Brides to know. I have honored your prayers for Clare, I have laid up for you a storehouse of rewards for lifting her up so she could keep going. Whenever you pray for a minister, in Heaven you will reap of that minister's rewards. You will say to Me, 'Where did that come from, I didn't do that?' and I will say to you, 'You prayed for that servant and therefore you share in the reward.'"

It is a mystery, but not one thought, not one intention goes unrewarded before Me. I see the hidden things of the heart, I see the love and the care and I reward you for what I see. And many of you are now beginning to come into your own with piercing the veil and welcoming My perceptible presence in your lives. You are beginning to see just how real is the place I've prepared for you. You are beginning to feel the warmth and safety of My embrace, all because you believed. Continue to believe, do not allow the enemy to steal the fruits of your labors from you.

"Protect these precious gifts and fruits. Remember: Satan has come to kill, to steal and to destroy, and he will snatch them out of your hand if you let him. So take care to protect small beginnings and signs of My indwelling presence with you. These are PRICELESS gifts. Keep them under lock and key in your hearts.

"I bless you, My Brides, with the abundant life of My presence, My perceptible presence in your midst. It is My joy to be with you and even a greater joy when you recognize My workings in your midst. We are as One."

And that's the end of the message.

And I just want to take a brief moment to share a couple of things with you.

Oh, my goodness, we have had some praise reports that just about knock me off my chair! And we are seeing such beautiful fruit. We have one young man who's 28 or 29 years old, I think. He lives in the city and he sings rap, and he's just really a cool guy. Well, he had a visitation from the Lord one night and a really sweet, sweet visitation where the Lord was truly present to him, and it seemed like He was physically present, the love of the Lord so engulfed him. And it was just out of the blue, I mean, he wasn't

expecting it.

He was asleep and he sensed the presence of the Lord while he was sleeping, so much so that he tucked up underneath His arm and cuddled up next to Him, like you would cuddle up next to your Daddy.

And then, another lady just wrote to us and she was exhausted. She lived in Baltimore, she was very tired. There was rioting going on and she sat back in her easy chair and thought about our videos.

She said, "Lord, would you show me my place in Heaven?"

And all of a sudden, the Lord opened up...the Lord was there in her presence, and these doors opened. This was all going on in the spirit, now, she was seeing this in the spirit. The doors opened and the Lord was there. He was holding a puppy (she wanted to get a puppy and name it Buttons) And the Lord was holding this puppy and was saying, *"This is Buttons and I'm keeping him for you. He'll be here in your house when you get here."*

Oh, she was just blown away by that. And some other things happened, too, that were really awesome.

And then we have another young man who's 14 years old, who's had a wonderful, wonderful visitation of God. He's always been feeling very rejected and downcast. And the Lord REALLY turned that one around!

So, there's several more - I can't think of them all, guys. Pay attention to the comments under the videos, 'cause I've asked these people to please, share these stories with you. They're just wonderful fruits, what we're here for. This is my heart! I don't want people looking at me, or looking at Ezekiel - I want you looking at the Lord and what He wants to do for you. And He's so present to you. It's just that He's grieved a lot of the time, 'cause you don't realize how present He is. But when you enter into your heart, which is what I call dwelling prayer, dwelling in your heart with Jesus. When you worship and you enter into your heart with the Lord, He manifests. You just have to be persistent.

And as the Lord said, these treasures can be stolen by the enemy. I just want to give you a heads up on this. When these beautiful things happen in your life, be careful who you share them with. Because most people are not going to be open to what is really going on, they're going to think you're mentally ill, or imagining things, or making things up. You know, making things up and that it's not truly real. But YOU know better, because you've been studying these things with us and you understand how they work.

And another thing: stay away from negativity. Anyone who is negative about what you're learning and experiencing. They can be used to steal the sweet gifts that the Lord gives you. So, they really need to be protected in your heart and kept safe.

So, the Lord bless you all and I'm so grateful to you for your prayers for me. That's where my strength comes from. And I'm so blessed.

If you have any experiences that you want to share with us, please, let me know. And maybe we'll have a Heaven Talk one night and we'll read all of these incredible things that are going on.

The Lord bless you with a very precious and sweet day in His presence.

Draw Souls To Me With The Fragrance of My Love

April 30, 2015

Good morning, precious Youtube family.

I had quite a wonderful experience with the Lord this morning, one that just about broke my heart, in a good way, I guess you could say.

But before I forget, I want to tell you - we have been getting so many praise reports, so many wonderful things are happening with people who never experienced the Lord before. And now they're having visions and they're spending time with Him and He's speaking to them. And they're coming away feeling so loved and so fulfilled. I'm just overwhelmed with the move of God that's going on - just simply sharing, you know, that this is so possible. And God turned around and He's touched these souls that have really been longing for Him. It's been really beautiful.

To that end, I set up a blog last night. I'll leave you a link for it. And the blog is going to be strictly encounters with Jesus by people who have never encountered the Lord before in this way. And the name of this blog is "Heartdwelling with Jesus" Entering into our hearts where the Lord lives with thanksgiving and praise, I'll enter Your courts with thanksgiving and praise."

That's Scriptural and fellowshiping with the Lord in our hearts. The fruit of these prayers and this way of connecting with Him has been some wonderful, wonderful touches from the Lord. So we're going to have them on the blog and I will leave you a link in the description box so you can go ahead and connect with it. I'm just starting out, so far I think I only have 1 blog entry - I've got about 6 more I need to put up. And if you have something you want to share with us, that the Lord has done some special touch that He has given you, then please go ahead and enter it as a comment, I guess. I don't know the in's and out's of these things yet.

But anyway, getting back to the message.

I came into prayer and I felt Him so strongly, and I did see Him and we did spend some time together.

I told Him, I said, "Lord, it is a miracle of grace, that You would speak to me every night this way. Truly a miracle. I'm so grateful for this gift."

And then the scene changed. I saw the Lord standing where I was standing, in front of me. He was standing in front of me. And He had His arms open wide. As far as the eye can see, I saw people coming towards Him. His arms are outstretched and people are just flowing into His heart. Such a miracle of grace - all I can do was weep.

I guess I should say, I've been getting heart-rending emails and personal messages and comments from people of all ages and all walks of life and from all the corners to the world. I mean, from Norway to

Australia, to the Philippines to Alaska. To... of course, the United States, to Europe - all different parts of Europe. And Africa. I mean, it's AMAZING, it's just amazing the hunger that everyone has for a truly personal relationship with the Lord. Really heart-rending comments, that they love the Lord and they want Him so badly - but they don't know how to talk to Him, they want to be able to hear Him, but they don't know how to listen to Him. And I'm talking about people from 14 years old to in their 80's. They're just crying out for the Lord, they're so loaded down with condemnation, because of a Religious spirit that they've been a victim of in churches. And Religious spirits that have just put all these heavy weights on them.

And so much condemnation. Many of them don't even understand that the Lord lives in their hearts and are asking ME to tell Him that they're sorry. And I have to write back and say, "The Lord is WITH you, He lives in your heart and He hears everything that you say. And sees everything that you do, and He knows what you're going through."

And my heart just goes out to them. I just want to share with them what the Lord's done in our lives so that they can pick up where we are at, and they can go on with their own relationship with the Lord.

And I said, "Lord, they want you so badly, they love you so much, they can't live without You Lord. Oh, Merciful Savior, pour out your love on these souls who are aching to be with You. Break down all the barriers and let them find that place in your heart where they will never depart from, that place that is so perfectly molded to them, it is their place alone. Oh God hear my prayer and look with mercy upon these who hunger and thirst for you. Be merciful, oh My God."

And the Lord replied,

"And mercy they shall have, and love eternal they shall have. My compassion cannot be exhausted or limited in any way. Clare, I hunger and thirst for them as they hunger and thirst for Me. They cannot live without Me and I cannot live to My fullest until each and every one of My chosen ones is finally Home in the abode of My heart, never, ever to pass from there.

"Completion in Heaven will not happen until they are all here, fulfilling their magnificent purpose in life. From the lowliest and most humble - who I adore - to the most outstanding, it matters not their station in life. All that matters is that they are Mine, eternally secure here in My Arms. Oh, how I long for them! The pain of longing for them is as it was on the Cross! I longed for the completion of all things. Yes, it was good to say, 'It is finished', but now I long to see the finish completed with the souls I died for.

"You cannot even imagine the acute pain I feel every day as I watch the predestined ones wander in circles in this wasteland of a world, searching for something intangible to them. I must be there when they lay their heads down on their pillows and cry themselves to sleep because they know something really important is missing in their lives. And they've tried religion but never found Me, and I weep because so many of the people in religion do not know how to bring them to Me. They have the doctrine but they don't have the Love - in fact without the love, they indeed have nothing of what I am about.

"The substance of My life from beginning to end was one long demonstration of Love for mankind...and yet the portrayal of religion now are rules, regulations, have-to's and don'ts. And so My little ones wander empty and lost on the hillsides so easily picked off by the wolves and lions.

"Clare, what did I touch you with from the beginning?"

Oh, wow. My conversion experience was amazing!

A dove formed of lightning descended down from the sky. And it came and entered my body and set my whole body on fire, my body was actually glowing, my husband said. I felt this unconditional, overpowering Love. Along with conviction of the sins that I had done in my life. My sins. And that knowledge rent me down the middle, the knowledge of my sins. And in came Your Love and sewed me right back up again, filled with a vibrant life that nothing in my entire life had ever even approximated in power, depth and scope.

I just never had experienced ANYTHING like that. I was totally changed. And I knew, that I knew, that I knew, that I had encountered God and He loved me right out of myself. I was transported into a whole new land a whole new life, a place of discovering and learning and I knew it was the destination of my life. And the Bible became a living thing to me that I longed with all my heart to be conformed to. Yes, I knew I had finally, finally come Home.

The Lord continued:

"This is what I intended 'church' to be. A coming Home to the safety of My arms. Yes, there are lessons to be learned but when a soul is steeped in My Love, the things they must give up seem inconsequential, so empty. Yet so rarely is such a place found. Once the formality of accepting Me sets in, the rule books come out and I get lost in the translation. Truly, there is not one denomination that is better than another. All have lost the meaning of the family Love, the family of God, the love that expresses everything about My nature. And so that soul ends up living by the rules when I would have them here in My Heart, living by love.

"This is what is missing, has been missing and will no longer be missing as I bring my people back to Me. Love will be the order of the day, the order of every day, every night, every moment of life. So, now I must scrap all these conflicting rules and regulations, statutes, books, jots and tittles created by man. I must sweep the floor clean of all confusion, all contention and start from scratch. Building from a foundation of love, with building blocks of truth, charity as the mortar, humility as the roof - for without humility nothing can stand, absolutely nothing.

"So, I want My people to understand: if they are focused on rules and formulas they are doing Me an injustice; they are feeding broken rocks to the lonely and unsaved. Judgment, criticism, scorn and contempt because of their lifestyle is the last thing they should ever have a hint of. Instead, take one by the hand and love them. Be understanding, listen, comfort, lead gently with calm assurance that your God has what they need. The compassion - let them see that in you. Please don't ever present legalities and rote Scriptures! Rather, tenderly draw them in to a safe space, befriend them, lead them by example. Feed them the Word gently. Time is so short, My Bride, people are lonely and broken, sin-sick in this world - handle them with extreme care."

At that point it was brought to mind a vision that Ezekiel had. He had a vision in which he was fishing in a boat with Jesus. There were two other people in the boat and fish were floating on their sides in

contaminated water. People were grabbing them, hooking them and throwing them into the boat. Jesus put His arm out for them to stop, and He gently leaned over the edge of the boat, tenderly placed His hand in the water under the fish and carefully and slowly brought the fish out of the water. He placed them in a live well with fresh water to keep the fish safe and oxygenated.

He turned to them and began to explain: *"There are many, many broken and hurting souls and you can no longer afford to bring them into the church and herd them into a group to train and mainstream them. These souls are so acutely wounded that, like the fish, they're drawing their last breath. These souls are in such critical condition that they must be handled with extreme gentleness and care on an individual basis. Someone needs to take quality time to spend with them, and help them recover first."*

And I don't know if you guys have noticed, but on the beginning...my first few videos were on Wounding Waters, the Worldly Church. And they have addressed a lot of things that have turned people off in the church. The way things are done, that are done for money or social status, or for conformity. I mean, so many things that have been done in churches that just don't have any place in a God-saturated environment. It's just NOT the way the Lord wants people handled. And that was the very first series of videos I did. I think about a year ago. But they're worth going back to and looking at, because they really reveal how the world has taken over the church. I called that Wounding Waters, because the waters were not fresh and clean, just like these fish were floating on their sides, obviously the waters weren't nourishing, the waters were making them sick.

So, the Lord continued:

He said, *"Reach out a gentle, loving hand to the unsaved and by your conduct reveal to them My Nature. There will come a time when you will be remembered, a critical time, when My fragrance will return to them and they will be saved. Sow while you can. The harvest is at hand. Leave My fragrance behind and at that most critical time it will be the deciding factor in their lives."*

And I have something (that's the end of the message). I have something I want to share, just a very short thing. I remember when I was in my early 30's in Phoenix, a professional photographer and I was going to buy my first house. And got a Mennonite gentleman as a realtor. He was so meek and so gentle. And so accommodating. He really struck me - I mean there was something about this man that was so different from the world. So different from what I had experienced from the other realtors. And He was just a genuinely loving and kindly person. I never forgot that. I mean, I was into the New Age and searching for the Lord. and that man made such an impression on me that I never, ever forgot him. And when it came time for me to give my life to the Lord, I remembered that man and I thought to myself, 'Wow! Why didn't I see it then? Why didn't I see it then? That was Jesus in that man that was so beautiful, so meek and tender and gentle. And so solicitous for my welfare! Just really an outstanding man.' A little man, kind of reminded me of a turtle, the kind of face that he had - just a real HUMBLE, humble, humble soul. And I bring that up to you because I think that's what really touches people is that authentic love and that authentic care for others that is the mark of Jesus and the fragrance of Jesus that we leave behind.

So, Lord bless you Family. I hope this message touches something in you. I know it surely touched me.

The Lord bless you. Thank you so much for listening and thank you so much for your prayers.
