

Why Does God Allow Suffering?

June 1, 2015

Well, I have something truly amazing to share with you tonight. I want to begin by saying that I was watching Jesse DuPlantiss the other night. He was talking about how souls would come out of the Father's heart, He would just draw His hand - put His hand in His bosom and draw out a soul.

The soul would cry out, "I want to be redeemed! I want to be redeemed! Can I go to Earth? Can I go to Earth?" This was something He experienced, we're pretty sure, in the physical when he was transported to Heaven. If you haven't heard that, that sharing of his or read his book, I'd highly recommend it. It's absolutely incredible. And it confirms everything that we know about Heaven as well.

So, I'm going to go ahead and get into this message and allow the Lord to do what He does best, which is instruct us.

He began: *"Gratefulness opens the door for greater blessings. Greater and greater blessings. With gratefulness comes power, the power to loose and unleash the fetters both on yourselves and on others. When a bitter spirit is standing in the way, there is bondage. But remove the bitter spirit and healing can take place.*

"There are so many, Clare, with a bitter spirit in the way of My being able to work in their lives. Things happen in the lives of souls they do not understand, so they blame Me and become bitter. It is true that ultimately I could have prevented what happened, but it is also true that things happen for a reason. Reasons the minds of men cannot fathom. For instance, there are those souls who, had they succeeded in their intended destiny, would have ended their lives going to Hell. But because I allowed an intervention it totally changed the course of their lives. They cannot see it, and so they become bitter."

But... won't that bitterness take them to Hell as well, Lord?

"It can, if someone doesn't intervene. But, I literally move Heaven and Earth to bring someone across their path that changes their whole attitude, many times at the very end of their lives, when it is their last chance. Not that I don't try earlier! But some are so hardened and obstinate that it takes facing death to realize their mistaken attitude.

"Oh, My precious ones, so many, many times worse things were headed your way and I withstood the devils on your behalf. You were not walking with Me, you didn't know Me or even care to know Me, but I protected you anyway. You see, when you live by My rules, love Me, and serve Me, you live within the confines of the corral of safety. But when you break down the fence and take off into the wilderness, you tie My hands. However, even then I relent and over-rule My norms to protect you, because I love you and I know you don't understand what you are doing. I approach you year after year after year to turn you from your selfish and blind path, and you ignore me year after year, blithely skipping down the path of your own fancies.

"Then you get to the end of your life and start thinking about things, looking back on mistakes, wondering when death approaches where you will finally end. Even then, you try to reason away the things others have warned you with, you choose different religions and say that is your way. But in the stillness of the night, phantoms arise and taunt you with the truth... and you begin to wonder.

"Oh, I do try SO hard to turn your disposition, because I know where it is taking you and that I will never see you again. I will grieve for you, I will hear your screams from Hell, but I won't be able to do anything for you, because you made your eternal decision in spite of everything I did to turn your heart back to Me.

"And for you who know Me, it is time now for you to examine your hearts and search for hidden traces of bitterness, or even pools of bitterness hidden in the caverns of your heart. Is there something you cannot forgive Me for? Is there something you say you have forgiven Me for, but you still hold resentment in your heart that I treated you so unfairly?"

Lord, I struggle with a few issues...like the family I was born into, for one.

"I know that, My love, and I am very sorry your parents made such foolish decisions. I certainly could not sway them, but in the end I knew the choices they would make. And I apologize to you for sending you into such a family. But may I say, when you get here, you will thank Me for that?"

Lord, in my right mind I thank you for it even now. I mean...I do. Even now. I see things you gave Me through my parents and it wasn't all bad. And after all, you did overcome me in my searchings and save me. So, what have I to complain about? I could be going to Hell for the way I lived.

"All that you say is true, My Beloved. But, look now how far you have climbed up the ladder of grace out from the deep, deep pit that gave birth to you. Look how you have taken My hand and risen up to the realms of glory with Me. Surely that is to be rejoiced over."

It is quite amazing and I have to say I do feel fulfilled and happy in what You have chosen for me, and how far You've brought me into this destiny.

"Oh, and that is only the beginning. I didn't say from glory to glory without reason."

"Oh, My children. If you could see from My perspective what you have triumphed over in the kingdom of darkness. If only you could see the amazing obstacles, powers, dominions, and enemies you have triumphed over, you would be so very appreciative, happy and satisfied. But not until you are with Me will you be able to see from My perspective the great victories you have won.

"Still, it is most important in this hour that you examine every tiny crevice of your heart and find yourself out if there is still bitterness for what I have allowed. Can you trust Me with that? Can you trust that what I allowed in your life was for the best? Now that you know Me, you know My nature, and My love for you that didn't stop at being cruelly executed for you - now that you know that, can you trust Me and thank Me for your life, all the good and all the bad?"

"Oh, I am imparting this grace tonight as we speak. Yes, I am imparting wisdom not of this world, wisdom from the highest realms. My wisdom and grace to be able to thank Me for what I allowed and

what I did not allow. For what I gave and what I withheld, for what I took and never replaced. All of it - good and bad - you will see served a purpose, accomplished great good and in some cases leveled the playing field and cancelled the debt so you wouldn't be consigned to Hell from your very own decisions.

"I have spoken of this to Clare before. Many, many, souls born into squalor and dying prematurely made the decision to come to Earth and suffer in this way because they longed to be redeemed from among mankind. You, at this time, cannot understand what it means in Heaven to be among the redeemed..."

Lord, you are such a communicator that surely you can help us to understand what in the world a soul would allow themselves to be born into one of those bodies that is destined to die from AIDs, destined to be raped and killed. Lord, please tell us in a way we can understand.

"You are asking for a great deal, Clare. I will try. You are not going to explain it to yourself in your logical mind. As I have told you before, your intellect and pride get in the way, My Dearest."

Ok. I'm sorry...

"I hear and see what you are thinking. 'If I don't get it right I can just delete this section'. Shame on you! And your trust?? Where has it taken off to?"

Lord, I believe. Help my unbelief.

"Oh, My Darling Clare, nothing is beyond Me. But many things are beyond you because you cannot see as I see...you are still looking through a glass darkly."

Lord, are you saying You won't explain it to us after all?

"I should spank you for thinking that."

Oh, please don't. You always get me where I live.

"Yeah, In the chocolate bar?"

Please, don't tell them how bad I am.

"Alright then, imagine a little bug, a ladybug...crawling along slowly on the ground. Now, imagine a bird coming by and catching up that little bug. "

Okay... So far, I have a ladybug and a crow.

"Ok, now imagine the perspective the ladybug has...and then imagine the perspective the crow has...."

Lord, there's no comparison!

"That's correct. There's no comparison until the bird picks the ladybug up and flies off with it. Then the

ladybug can see as the crow sees. It's the realms of awareness between the two."

I'm thinking, Lord...

"Come on! You asked, and now you don't want to see the answer?"

Lord, you know how I am.

"Sadly, Thomas... I do."

OK, is that any way to treat your frail Bride?

"Is that anyway to treat your loving Jesus who continually instructs you, faithfully?"

No. I'm sorry.

"Alright then, tell them the answer, Clare."

The Ladybug experiences Your love as she crawls along the ground, through every little grain of sand etc., in a very, very limited way. But, when she is picked up in the beak of a crow, she suddenly sees everything there is to see.

"Exactly! When a soul is in Heaven, they do not experience the depravity of Earth and sin, so they can't possibly appreciate what they have. But when they've been subjected to the utter darkness of sinful men, and are lifted up and out of it, their awareness of how they are loved by Me is suddenly expanded beyond all boundaries and they experience the very extraordinary bliss of My Being and My Love for them."

No, Lord, that is positively amazing! When You talk to me I usually pick up on Your thoughts and put them into words. But this example, I was totally mystified by every image... I didn't get it until the very end. Kind of like falling backwards into Your waiting arms which I can't see - I just have to trust.

"Yes, I have to talk to you sometimes this way, because the line of thought and where I am going is totally out of your reality. Like those events I warned you would be part of the Tribulation...the strange creatures, etc."

"So, I have already blessed you tonight by imparting wisdom not of this world, wisdom from the highest Realms. My wisdom and grace to be able to thank Me for what I allowed and what I did not allow, for what I gave and what I withheld, for what I took and never replaced. All of it good and bad, you will see it served a purpose."

So, in essence: those of us who got the rawest deal will experience the very greatest depths of Your Love.

"Yes, My Love, now you see it! Those who are forgiven much, shall love much, and shall see the enormity of My Love. The Greater the knowledge of darkness, the greater the appreciation of the Light! I bless you all again, now. Take your time with this, it is quite deep and challenging to understand. But this night I have imparted the grace to understand as you listen."

"The greater the sorrow and bitterness you've experienced in this life on Earth, the more grateful you will be in Heaven and the more bliss and joy you will experience for eternity!"

I Am My Beloved's and His Desire Is For Me

June 3, 2015

The Lord bless you, Youtube Family.

Well, dear family, this is interesting. Two nights in a row now, the Lord has come and danced and danced and talked and talked but given no message. This is curious. He has been dressed in a white tuxedo, and I have had on a very unusually beautiful, rather sheer but modest silver and lavender floor length formal with twinkles in it. Just really beautiful. He has been so tender and attentive and obviously totally enjoying Himself with His Bride.

Interesting, I heard someone say that, one of our folks had a dream - one of our people had a dream that people were learning how to waltz in preparation for the Wedding Feast. Then she had a dream that people were there learning how to dance and there were jewels everywhere! On the floor, on tables. Earrings and necklaces and all kinds of really, just stunning, stunning jewels everywhere. And the Bride was learning how to dance, to prepare herself for the Ball. She had this dream this last week.

I keep waiting for a message, but He wants to be with me and I want to be with Him and worship. So...Ezekiel and I are praying for discernment, because Jesus isn't talking... rather He has a bit of a twinkle in His eye and seems riveted on enjoying my company.

Interestingly enough, Carol was told to put all the messages together in a book, the recent messages and she did that. And she was told that she had a deadline to finish the book on this Monday. And to get a copy of it out to us - that was her deadline. She also received something from the Lord about being a June Bride. She has a PDF of that book on our web site now. I think she's going to put it on the Book page - I'm not sure if it's there yet, on Heartdwellers.org/books. She did a very, very nice job, it's even illustrated. You all are welcome to have it printed up for yourselves or downloaded or whatever you like. But, the Lord told her she had to have it done by Monday, and sent out that very day to me.

Now, another bit of news is the Hadron Collider is also being used as we speak to collide particles at unprecedented speeds. They just began that experiment today, this very day - Wednesday the 3rd of June. Could it be...could this be the foyer to the wedding procession?

So, putting two and two together...things are looking suspiciously climatic. The Lord is bent on being romantic and engaged to His Bride. Carol is receiving deadlines. I have been feeling something about being a June Bride...and also, I almost forgot - Jesus told Carol not to worry about finalizing the book ('cause she was wondering, well what about the rest of the messages that won't get in?) and He said because there wouldn't be anything more to add to it. Wow....

So, now, the Lord told Me He would be speaking to me every day until the Rapture. And He has... but not giving us a message, hmmm....

Ezekiel felt that He was getting quiet because He didn't want anything in the world to sully the time before He came for His Bride. He is more concerned about her staying really close and celebrating what is to come.

I have to say I started crying when I thought of the golden cello sitting in Heaven. And being able to sing and write songs again and have a choir of angels with different instruments to work with me as I created worship songs. I really miss working on music and singing to Him. But He asked me to stop about three months ago and concentrate on messages out to you, and teachings out, so I did. I have to say, that also gives rise to suspicion that He is very soon to come - because He has pushed me in creating music for several years now. He had to, because I'm such a coward about doing something new. And NOW He's telling me to stop and devote my time to teaching.

These are all things that are worth considering, they definitely deserve more prayer.

It's even been painful lately for me, just thinking about the piano, I'm sitting next to it here - sitting next to the piano while I'm recording. It's hard looking at the keys and hearing Terry play, just feeling my fingers on the keys again.

But, tonight I was musing on the palace of waterfalls, all the animals He's given me and how I just want to be with them. An even my children. I lost two, and they are waiting for me. And my grandchildren who live so far away will be there, too, in the Rapture. That also brought tears to my eyes and profound gratitude.

So, your guess as is good as mine! You've got the same information that I've got! I've been in prayer for about 4 hours both nights and even hours during the day and in the morning, and all He wanted to do is dance and celebrate our love and all I wanted to do is go along with this joyous time. I mean, I was in NO hurry to be sitting here taking a message when He was so real and spending such sweet time with me. Although I always do, when He asks me to write, I always do. And I'm happy to share with you. But He hasn't been asking that.

So, I would ask you all to please pray for us, that we discern correctly what He is up to. One thing I do feel... a deep peace. He is so wonderfully present to me and to Ezekiel that I know whatever it is that has put that twinkle in His eye, and dancing in His feet...it is a good thing.

So, Ezekiel is joining us now, he's going to weigh in on this.

Honey what do you think is going on with the Lord?

Ezekiel: Well I think at this point, any time there's a move of God there's usually a beginning and an end. And there's a window of grace in between. I'm not saying by any means that He's bringing this to an end, but I think that looking at time as a whole and what's around us and all the signs that are around us. Everyone can sense and feel that the birth pangs are getting stronger and closer. You can just sense. Even our animals have been restless this last week or so. The horses in the back pasture, the pets here. It's been interesting to me that, I've gotten quite a few letters and comments from just people on the street of a sense of anxiety, anticipation. Like, they know something's up a little more than what they've - they've always kind of, in Taos, it's always mainly a crystal thing or something, who knows what. Most people will tell you, "I don't know why I'm here, I was just led here." There's been talk about safe places and

refuges in time to come. But you know, my gut discernment - my first, first very first feeling when Clare shared with me that the Lord was very contented...

Clare: Yeah, that would be a good word.

Ezekiel: He's very contented, fulfilled. Just wanted to linger. Someone asked one time, "What is 'contemplation.' To contemplate something." Well, if you've ever had a little one in the crib. You bring your baby home from the hospital and even up to the first few weeks... Once you put the little girl or little guy in the bassinet, when he's not sleeping right there with Mommy, you go and you turn the little light out, you look into the glow of the night-light and here's your little precious baby. And they're just so pure and so innocent, so meek and so mild - perfect. You catch yourself taking a long, lingering look before you walk out that door.

And I think this is a time of considering, of taking a long, lingering look at where the Lord has brought us to in this point in our relationship. We do still live in a society that's kind of instant-gratification and instant thirty-second-commercial switch this and switch that. But the Lord is not an instant message machine, or a slot machine for sure. And most of us don't look at Him that way. But if He chooses to be quiet for His own reasons, my thought would be...I want to be quiet with Him, too.

Clare: Yeah. That's exactly what I was thinking. Although I've got some teachings that I want to do. And we're trying to help as many as we can with the crises' in their lives. You know, the e-mails that come in and so on. But still, there are some things I think that we need to share, whether or not He will allow us to share them, I don't know. We'll find that out tomorrow, I guess.

Ezekiel: I think that the next couple of weeks are going to be very interesting with the events in the world. Things go up and down and who knows what's going to happen out there. It feels like He's almost protecting this time, with He and His Bride. I mean, totally shutting the world out, so that He can just relax and breathe in and appreciate and love that satisfaction, and fulfillment - again the contentment.

And it also reminds me of a young man before his wedding and probably a young woman, too. Emotions are high, sometimes they're low, sometimes they're in the middle.

You know, God is perfect but I'm sure that the Lord is going through all kinds of feelings. This is His WEDDING day! I mean, a once in an eternal lifetime event! FINALLY, what He's waited for, for so long, to be joined...

Clare: Yeah, and the point is, we've had this Rapture practice I think, three or four times now. It's driving me up the wall! And I told the Lord tonight, "Please, Lord - no more practice!! Let this be the real thing! Please! Don't disappoint us again..."

Ezekiel: I think the idea of, you know, before something really big like this there is a kind of a turning inward, a tucking inside. Sometimes it's like, wow. He's given us so much! Just a gourmet meal every day.

Clare: That's true.

Ezekiel: How many times do I go back and taste some of those different dishes again? And what have I

done to incorporate those into my life? But I know most of you have made MAJOR changes. Not because you decided to, but as you've written to us, you just have felt moved to pull back more and more.

Clare: Mm, hmm...from the world.

Ezekiel: From the stores and the shopping and the this and the that. I just got a Scripture a while ago, before we began this, "They'll throw their silver in the streets and their money will be an unclean thing." And so it's not going to be long before this whole system is gonna change, anyway. But He never changes, He never will change.

Clare: And the Scripture that I just got tonight was "As the Bridegroom rejoices over the Bride, so shall your God rejoice over you." That was a rhema from my little Bible Promise book, 'cause I was asking the Lord where He was at with all of this, what's going on? And that's exactly what He's been doing. He's been rejoicing now. Four hours yesterday, four hours tonight - at least four hours, I mean, there's been hours in between that. When we're doing the same thing, just being in one another's presence.

Ezekiel: A lot of what He's been talking about this week has been Hope in our private prayer times. Psalm 42, Hope in God for I shall yet praise Him. I Peter: Your faith and hope are in God. I Peter again: Hope to the end for the grace that is to be brought to you at the revelation of Jesus Christ and His coming. The neatest one I like, Col. 1:5 - For the hope which is laying up for you in Heaven, whereupon you heard before in the word the Truth of the Gospel. The Hope that is laid up for you already in Heaven. And Psalm 31 says: Be of good courage. He'll strengthen your heart. Hope in the Lord.

Clare: You've been getting that one about He's going to move you out of harm's way, too - right? Remember where that was?

Ezekiel: I mean, there's are so many Scriptures about that Lord's protection and His provision. You know, it might look like on one hand, "oh - our enemies are going to triumph over us." or something's coming on the world. Yet the Lord says, "I'll take you out of harm's way." I'll literally sweep you away, and put you on a high and lofty place.

So, there's some things that we're getting ready for. And okay, so if this is just yet another, as someone called, "drill" - I prefer not to call it that! But if this is more of us getting used to living in a time of anticipation and readiness...and we're getting ready, not just for "an" event, the Rapture, the Wedding Feast. We're getting ready for where we're gonna be living for all eternity. I've had the strongest sense for the last few weeks that, I've kinda had one foot on Earth and one foot there. You just begin to be more heavenly minded. I just encourage you to press in. Don't be afraid to refuse - don't be anxious.

I know what He's asked me to do for the last couple of days is just to be patient. Just be patient and smell the flowers along the way. And enjoy this time. Some of the tiniest flowers up in these mountains are hidden under Oregon wild grapes, but they'll be a choice fragrance little violet, or raspberry or strawberries under there if you slow down and you look. So, it's like with that little child - to take a long loving look at our relationship with the Lord, the beauty of it. This spousal-bridal relationship that we have. And that we will consummate very soon with Him. That we will stand before the Father, literally, in a Wedding ceremony. Exchanging our vows with Jesus, becoming His Bride once and for all, for all eternity.

Clare: Amen! Thank you so much for that.

The Lord bless you all and give us all perseverance and keep us in your prayers as we pray for you, too.

My Bride is a Proverbs 31 Woman

June 4, 2015

Well, the Lord bless you, Youtube Family. Good morning.

The Lord brought up the Proverbs 31 woman in relationship to His Bride - the Bride of Christ. So, I'm going to share with you what He's given me here. I think Ezekiel had brought this up to me earlier in the evening, and the Lord continued to bring this up in respect to who His Bride was and how to recognize His Bride.

He began:

"When one finds a worthy wife, her value is far beyond pearls. This is another picture of My Bride, Clare.

"I can entrust My heart to her, she is there for Me, looking out for My interests and being a comfort and companion, even to the poor and lonely, in whom I dwell and cry out in loneliness.

"She is a steadfast and unfailing prize, she does not give up but perseveres under trial. She brings Me good and not evil all the days of her life. She doesn't live a selfish or shameful life, but looks after the affairs of My household and does nothing that brings reproach upon Me.

"She obtains wool and flax and makes cloth with skillful hands. Wool represents the work of her hands, her supportive work and efforts to build up her household, covering their needs in all seasons. Flax is symbolic of linen and prayer...she is a woman of prayer and covers My household in prayer.

"She reaches out her hands to the poor, and extends her arms to the needy. She continually is showing My heart of mercy to those around her and I am continually showering My mercy upon her and all her undertakings.

"Charm is deceptive and beauty is fleeting. I abhor vanity and a life taken up with the superficial and fleeting worldly affairs. But the woman who respects Me and lives her life unto Me, scorns those things the world applauds.

"Give her the reward of her labors. She will be rewarded with the fruit of her labors. And her works praise her at the city gates. She is recognized by the elders for her virtue and faithfulness, by the community reflecting My standards and living a spotless life as an example to others."

And the other thing the Lord brought up in conjunction with this,

He began with:

Blessed are all who fear the Lord, who walk in obedience to him. (And when I looked it up.) You will eat the fruit of your labor; blessings and prosperity will be yours. Your wife will be like a fruitful vine within

your house; your children will be like olive shoots around your table. Yes, this will be the blessing for the man who fears the Lord. Psalm 128

And I felt very much that He was saying they relate to each other. The fruitful vine is the fruit that comes from a household that's in order. Your children will be like olive shoots around the table. Here I feel the Lord is using this reference to His family, the Family of God and His spiritual children that He has with His Bride. That was Psalm 128.

And then the Lord brought to mind our relationships with our husbands and that this is an example of the worthy wife as well. Her husband can entrust his heart to her, she is even-tempered, compassionate and respectful, always building him up, both in her heart and outwardly in her actions and words. And those were my words, that's what I was feeling in the spirit.

You know, getting busy with Youtube and getting a little overwhelmed with correspondence and that kind of thing, sometimes I get a little short with Ezekiel. And he has to be very patient with me, which he is. So, we are slowing things down a little bit, so that I can stay caught up and I don't - I'm not short with anyone and he's not short with anyone. Sometimes we just need to show more respect for one another, especially me. I need to respect my spouse and my husband, in whom is my covering. He watches over me and takes really wonderful care of me.

But when we get overwhelmed sometimes, and we're in the middle of doing something, we don't feel like stopping, 'cause we're making progress or whatever. But the Lord has taught me to stop what I'm doing and take care of his needs. And in the same way, he stops what he's doing and takes care of my needs. And we're there for each other.

But we can lose sight sometimes of our spouses and lose respect because we're not paying attention. We have our mind on other things. Or we could be reading our own PR, who knows - there's all different ways that we get involved in the world and other things and tend to miss what's going on with our spouses. So, sometimes when we have projects that we have to do, we need to be even more vigilant to be respectful and to listen to what our husband is saying to us and how the Lord is using him to cover us.

And you know, when you're in ministry, sometimes you come under attack in that area. One of the things we pray against are Spirits of miscommunication. We have had a problem with that for the longest time. And half of the secret is just recognizing that there can be a tendency for miscommunication. And so it's very important to bind those spirits and to be sure that you're heard properly and the other person - that you hear them properly. And that protects us from all kinds of misunderstandings that can take us in the wrong direction.

So, getting back to what the Lord was showing me in this Proverb, He brought to mind our relationship with our husbands - to be extremely respectful, compassionate, even-tempered and building him up, both in our hearts and outwardly in our actions. And for husbands, not to provoke their wives. For husbands to be patient, understanding and supportive of their wives and covering them as well. It's a two-way street, that's for sure.

She covers him in prayer and has a deep abiding respect.

That was the thought that came to me. Looks out for his needs and is ready to support him, laying aside

her own needs to see his. As I mentioned before, he does the same thing. Husbands are called to do the same things for their wives.

The Scripture that came to mind as I was finishing up this little message was:

I beg you to lead a life worthy of your calling, for you have been called by Me. Always be humble and gentle. Be patient with each other, making allowance for each other's faults because of your love. Make every effort to keep yourselves united in the Spirit, binding yourselves together with peace. Ephesians 4:1-3

So, Lord, please give us the grace to live this Proverb as Your Bride, that You might find us worthy to be delivered from the wrath to come.

We love You, Lord. Thank You so much for loving us and teaching us.

The Lord bless you, Youtube family, and may He give us the grace to walk in everything He is wanting us to do. Amen.

Uncle Sam's Heart Disintegrating From the Inside Out

June 5, 2015

The Lord's blessings be with you, Youtube Family.

It's been two very long 8-hour nights - actually two going on three - so please excuse me if I sound just a little exhausted, waiting on the Lord to speak. He's been very pensive, very quiet. Finally, towards the end of the evening, He began to speak. He kept the message very, very short, because this is a real critical time right now. He is not doing a great deal of talking, but He is calling for prayer.

I had asked Him, 'Lord, why are You so quiet?'

And, anyway, this is what He said tonight, "Be patient. Pray for your country. This nation is at the absolute critical tipping point, and NOW is the time to pray. Not much time left." He said.

And, then I saw Uncle Sam, all emaciated, lying on the ground - obviously dying, just skin and bones. But within the body, the "heart" of this nation was rotting from the inside out. It was just disintegrating - the heart was just disintegrating. There were coyotes gathered around the failing body, ready to ravage it - a really gross image. And, that was basically all I heard and saw from the Lord tonight.

Except for Scripture, Therefore, prepare your minds for action. Stay alert. Set your hope now and forever on the Grace to be given you when Jesus Christ appears. I Peter 1:13

The time is fast approaching. One of the reasons that Carol, Ezekiel and I believe that the Lord is so quiet - it's like the calm before the storm, is what we're feeling. And, this is a very solemn time - it's definitely a time for Intercession and Prayer. I'm not sure if all of you were aware of it or not, but there was a neutron bomb set off in Yemen - a bunker-buster neutron bomb. And of course the main stream media didn't say a word about it. It's all over Facebook and I'm going to include a clip of that for you to look at.

So, it's getting real close, guys. Things are definitely coming to a head. CERN is putting those particles in the accelerator, so only the good Lord knows what's going on with the earthquakes and the volcanoes that seem to be popping up everywhere.

But, right now, He's calling for prayer for our country, because it's in a pretty desperate position.

So, the Lord bless you - and pray for us, please! We're praying for you every day. Hopefully, the Lord will be sharing a little bit longer messages with us, but - you know I'm not going to invent them! When He keeps it short, you're going to get what I get, and nothing more.

So, this is where He's at right now. He's quiet. We feel like we're in the foyer of some kind of big change - the 'calm before the storm' so to speak. And, it's time for all of us to be praying and to be ready and be alert. Because time is very short, and things are most definitely coming to a head, not just here, but all

around the world.

The Lord bless you and give you strength and keep you alert. And, may our good Lord keep us from sin, keep our hearts and minds on Him and on the salvation of the souls around us. Amen.

(remainder of message is video of neutron bomb.)

The Frustration and Anger of Waiting for Jesus

June 6, 2015

The Lord's sweetest blessings be with you, Youtube Family.

Well, it's been kind of a frustrating three days for me, waiting for the Lord to speak and really give us a substantial message. I have to admit, I got angry with Him. Frustrated and angry... "the angry Bride"... NOT a pretty sight!

It was hard, you know - several of those days, waiting 8 hours and nothing would...no message, nothing would come up. And I felt for you, because I thought - well, you guys would be looking forward to a message from the Lord and I really don't have a lot to share with you. Just a little bit, here and there.

This morning He broke through all of that and He explained some of the reasons why He's been so quiet. So, I'm going to go ahead and begin with the worship that we had, which was beautiful.

It was amazing worship, thanks to our dear friend Elisabeth in Germany, who sent me some music. I was introduced to Freddy Hayler and his amazing anointed songs. Really beautiful! And just listening to the music, the Heavens opened even before worship formally began and the Throne of the Father was before me.

I ran to him like a little 5 year old that hadn't seen her grandpa in months. I just flew into His arms and I stretched my little arms around His neck and just held onto Him for dear life! He held me so tightly and I stretched my little arms around His neck and held onto Him for dear life. I worshipped and worshipped and worshipped. Then Jesus, as always on my right, became visible and I launched into His arms just sobbing and sobbing for having been angry with Him, for being so quiet - today being the fourth day of His silence. I cried for having presumed that I, a mere creature, could pass judgement on God and imagine that I have cause to be angry...oh, the depths of my pride! It rivals Lucifer's. But Jesus is all tender, meek and forgiving, eager to help me understand and repent. He's so amazing.

He began to speak, "It's so easy to be misunderstood. That is why the very first night (of the 3 nights) I told you, be patient."

As an aside on this, you see, this is a fast offering...not hearing from Jesus so others can. We offer up the consolation of hearing from Him and He in turn takes our offering and appears to a Muslim in a dream and the man is converted. Or if you are struggling to hear Him, you may all of a sudden have a breakthrough because of others who are offering up their consolations to Him, or waiting patiently for Him to 'return' to the normal state of communication that we're used to.

So, it IS an offering - a fast offering.

The Lord began this time by saying, on the very first night of these three nights, when He didn't have a lot to say. He told me to be patient.

I'm not good at that...in case you hadn't guessed.

Anyway, He continued, *"It's not easy, watching My Bride agonize over My coming, watching other souls on the verge of a critical decision, having to juggle both situations. This is not easy, and I know you, My Bride, are suffering for this. And I need your suffering. Yes, this is a cross and it will only be over when it is over. In the meantime, I sympathize with your suffering, even your anger. I know, I know, I know... oh, how I know how hard this waiting is."*

Going back to worship when we began, I spent the first 30 minutes crying and repenting of my anger with the Lord...for leaving us all hanging, without a substantial word every night. I was so angry. He had appeared to me in armor before a stormy sky for the last three days, just as He appears in the illustration of Him holding His Bride in the boat. And it was obvious He had been on the battlefield.

I've been angry for days because He wasn't giving us a teaching and wouldn't let me do one, either. His whole mood has been different: so quiet, close yet pensive and distant, yet soaking up all the love I wanted to lavish on Him. And He being very loving to me.

He began again, *"In the midst of this emotional storm, I am praying for your perseverance, Clare. You must be an example, you must keep their hope up and teach them the same lessons of patience I am teaching you."*

"Patience. Yes, much patience is necessary right now, much hope and much patience. Don't grow discouraged. Don't grow weary, there are yet many battles to face."

Wow...when He told me that I thought 'Oh, no! Don't tell me we are going to be here longer!!'

He answered me before I finished my sentence, *"There can be many battles in a very short time. Like now, you are in a battle for your faith, hope, and perseverance. These are fierce battles. Don't think just because it's calm on the outside it's calm on the inside - you know what you've been going through. So are my other Brides going through many of the same things you are suffering. These apparent contradictions. Even as My apostles did - yet they stood firm to the end, even as you will. So, get up My Bride. Prepare for My coming, but stand strong in the face of the storms which are being leveled against you, in your own sphere. Each in your own way, each of you are in a storm and it's all about faith. Stand, I say, stand. I am with you, but you must be patient...until My coming for you. Would it do any good to say 'soon'? Of course not, but you know by the weather, the storm is in its final stages and you are being groomed for Heaven. What does My Word say, 'When you have done all, stand?' Yes, stand in the face of the raging winds arrayed against you."*

Lord, am so sorry for being angry with You.

"I have forgiven you, My Bride. You aren't the only one." He said with a twinkle in His eye as He looked out over the Youtube audience. *"Many of My Brides have grown impatient with Me. But, if I did not need your backup, I wouldn't have allowed this suffering. Because you are still with Me, offering your prayers for the lost, I am harvesting much fruit, here in this nation and abroad. You will not know just how productive you have been until you are here with Me."*

"So, now I tell you there is but a short way to go, but it's going to get stormy. Stay onboard, don't fall into

despair and jump overboard. You have all come so far, the devils are filled with wrath for you who have grown deeply intimate with Me. He will attack this channel, but you stand on the truth you have experienced in your own hearts and do not give way to illusions and clever arguments. Follow your heart and protect what I have sown in it.

"This is why I say things will get stormy, but there is only One whom you have to please... that is Me. So, stand in courage and strength and turn a deaf ear to detractors lest you lose what you have gained for eternal life.

"Time is growing shorter and shorter and shorter, and so you will notice things will be just as they are in the song I gave you, Clare. Yes, that song is prophetic, to give all My Brides a reference point and a firm handle on the flow of events. I admonish you, My Loved ones, songs are not just for entertainment, but they also carry a message of hope to strengthen you when the storm is about to overwhelm you. "I did not impart that song to her that it should gather dust on a shelf. It has important messages for now and after you are gone, for your loved ones. Please revisit it, and leave it behind for others. It is anointed to restore hope to those left behind.

"So, now I have told you a secret: I suffer the wait with you. If I did not need you to be vigilant and waiting, even to the point of frustration and anger...if I did not need that, I would not have required it of you. This IS Simon's cross - will you carry it? I impart the strength and hope now. Receive it into your hearts as you hear these words, carry it with Me, will you?

"I love you all to distraction and I long for those quiet moments when I can draw you to My heart and we can exchange our love...even you, My brothers. Just as John reclined on My heart, I long for you to recline there, drinking in the consolation of Our very pure Love for one another."

SONG: IN THE STORM

When the mountains shake the seas, then You'll come to rescue me,

for Your love will not be shaken in the storm.

When we're shattered to the core, in the dreaded crypt of war,

the hearts of men will fail them in the storm.

With the piercing trumpet's cry, lightening rips through crimson skies,

and all who have been waiting will arise.

Vindication fills the skies, clouds of saints ascend on high,

as the King in all His grandeur takes His Bride.

In the tattered robes of war, those left standing at the Door

will weep in Outer Darkness...in the Storm.

Now this absence of the Light, it will set the lost aright

as they cry aloud for answers...in the Storm.

So despite the bolted Door, be repentant and implore,

for His Mercy will restore you in the Storm.

So trim your lamp, tend to your light. It's not too late to get it right,

He's standing here beside you, take His hand.

For He's coming at an hour...you know not when.

In The Storm, Prophetic Song About the Sequence of Events in the Rapture

June 6, 2015

When the mountains shake the seas, then You'll come to rescue me,
for Your love will not be shaken in the storm.
When we're shattered to the core, in the dreaded crypt of war,
the hearts of men will fail them in the storm.
With the piercing trumpet's cry, lightning rips through crimson skies,
and all who have been waiting will arise.
Vindication fills the skies, clouds of saints ascend on high,
as the King in all His grandeur takes His Bride.
In the tattered robes of war, those left standing at the Door
will weep in Outer Darkness...in the Storm.
Now this absence of the Light, it will set the lost aright
as they cry aloud for answers...in the Storm.
So despite the bolted Door, be repentant and implore,
for His Mercy will restore you in the Storm.
So trim your lamp, tend to your light. It's not too late to get it right,
He's standing here beside you, take His hand.
For He's coming at an hour...you know not when.
I tried, I tried. We tried to tell you. We tried to no avail.
To no avail...

The Maroon Beret

June 7, 2015

Good morning, Youtube family and God bless you! We have another message from the Lord.

We had worship tonight, beautiful, beautiful worship. We were in a ballroom and there were many other grooms dancing with their bride. But the Lord was dressed in fatigues and He was wearing a maroon beret. He had some decorations on His shirt. The whole room was filled with brides dancing with their groom and they are ALL wearing fatigues and wearing maroon berets.

So, as I was watching this, I thought to myself, 'I'm dying to know what that maroon beret means.' And silly me, I should have asked Him. But rather than asking Him I just wanted to Wiki it and look it up.

He came to me weeping. He was crying and crying and crying. And I got the impression as I looked at the ballroom and the other grooms and brides dancing together, that this was their last night together, you know the last night before they went off to war. And it just was a feeling that I had, you know, that it was that kind of a celebration.

But the Lord was weeping a great deal and He was really hurting - I mean REALLY hurting and all I could do was just hold Him. Even though we were dancing. And there was an exchange of love going on from His heart to my heart, there was a beautiful exchange of love going on. Still, He was - He had been crying and really crying for a very long time when we were in worship.

Finally, after a while, He started to feel better.

And you know, this is interesting. This is so beautiful, this is one of the aspects of a Bride of Christ that's so beautiful. And that is, that when we began together, He was weeping and weeping and kind of bent over weeping. But there was consolation going on during the worship. As I was worshipping Him and He was singing over me, there was consolation being exchanged. And He began to stand straighter and He began to feel stronger and stop crying.

And that's what we're here for, guys. I don't care if you're a man or a woman, we are here to console the Lord. If you're called to be a Bride, you're here to console Him, to be close to Him and give Him something that He longs for from all of His creatures. But most of them don't know Him or have the time of day for Him, because they are so busy with the world. So, everyone of us that shows up to comfort Him makes up for thousands who don't even care to know who He really is.

When we were done, and I felt it was time for us to talk, I went to Wiki and I Wikied the maroon beret.

And this is what it said:

"The maroon beret is a military beret and has been an international symbol of elite airborne forces since it was chosen for British airborne forces in World War II. In our country, the Maroon Beret belongs to a group called the Para-rescuemen."

All of these men in the Maroon Beret are parachute trained and certified - that's part of their training. I don't think you can be a Maroon Beret unless you have the parachute training, and that's pretty well international.

"They are among the most highly trained emergency trauma specialists in the U.S. military and the only ones in the Department of Defense specifically trained and equipped to conduct conventional and unconventional rescue processes, (you know...like snatch and grab out of the enemy??) making them the ideal force to handle personnel recovery and combat search and rescue operations."

And...Bride recovery, maybe?! Can you imagine this? Here the Lord shows up in a uniform that most closely describes the operations of the Rapture! Snatching His Bride out of harm's way.

And their motto, by the way, is, "That Others May Live."

Wow! I thought that is so, so appropriate to You, Lord!

Amazing! Airborne rescue, YES!!!

I had to chuckle after I saw that. I thought, 'Wow...that's so neat that He gave me those images.'

So, I asked Him, "Lord what do You want to say tonight?"

And He began, *"Oh My Precious, how grieved I am that we have come to this pass. Oh, how terrible the suffering coming upon this nation, even the innocent who have nothing to do with the corruption, other than their littleness and lack of response to evil because they are too little. Even these I, too, will take."*

Now, that's interesting. I mean, if there's any mentally ill, or people who are just so far out of the system that they - you know, they couldn't possibly be a part of the political system or any of the corruption of this nation - He's going to take them. That's pretty interesting.

He said, *"I know you are growing nervous with what is being prepared as we speak, but did I not say I would deliver you out of the wrath to come?"*

"Yes, holy snatch and grab. Yes, out of harm's way, lifted up high above the enemy to a land inaccessible, I will take you. I'm coming. This is but a glimpse of My Holy Mission, to remove My Brides into their eternal abodes. Oh, how recklessly you have lived, inhabitants of the Earth. How blindly you have contrived plans hatched from the devils."

"Oh, how devoured you shall be by your selfishness in that hour. And yet I will have pity on those who call out to Me in that last moment of their lives. Those who see their blind selfishness in that hour? Yes, call to Me in profound repentance and I will save you. It is not My wish that you who have brought this calamity on mankind should perish in Hell for eternity. I do not wish this on even the most wicked among you. I continue to extend My invitation to Mercy for those who have being. (In other words, those with a

soul - those who have "being". Because there are some out there that don't have a soul, they're just bodies.)

"Though you have leveraged your hardness of heart on humanity, I am not like you. I am always ready to forgive no matter how heinous the sin. But will you? Will you extend your hand to Me and cry out for help? In that moment, I will be there to receive your soul.

"And you, My Brides, must not have a retaliatory bone in your bodies, not even one. You must reflect My compassion even on those who persecute you. You must cry out from your cross, 'Father forgive them, they know not what they do.' Even now, at this moment, souls detrimental to this new administration (speaking of the New World Order) are being removed from

their homes. Even now, the persecution has begun. Yet I tell you the truth, not one hair on their heads shall be injured, they shall ascend to Me intact."

Oh, Lord, this is not a good thing. Can we please move onto something more delicate?

"What is more beautifully and delicately formed than a souls that loves Me with all her heart? How much more delicate can you get, Clare?"

Lord, You know what I mean...

"The major persecution has yet to break out, there are just certain ones that have been targeted. Make no mistake about it, I'm coming. I coming for My Bride and she will ascend. There shall be nothing hidden about her ascension, all the world will see the miracle I will perform for Her. All the world will hear the trumpets. All the world will tremble. All the world will rise up in holy terror on the great and terrible Day of the Lord. Nothing which I have

promised will fail to come to pass. What I have said, that shall I do and nothing less.

"Oh, prepare yourselves, My Beloved, prepare yourselves and pray as never before for My Mercy to fall on this world. This prayer for Divine Mercy has found much favor from My Father in Heaven. This prayer is garlanded around with graces of conversion and repentance. Pray this prayer at the memorial hour of My death (3:00pm) wherever you may be. Do not grow lax or blind, rather connect with the Divine movement of all of Heaven as we approach that fateful hour.

"Oh, how I grieve for the souls that will be lost, many of the tears, My Dove, that I shed tonight were for those who have no one to pray for them. Will you pray for them? Pray for the most desperate cases, and those who have no one to pray for them. Do you see? My justice is quelled by My Mercy, and when you cry out for Mercy I lower my arm and withdraw My sword and instead stretch forth a saving hand.

"You see, the prayer carries with it the power to bring souls to conversion, to bring them to a complete turn around. This is the prayer of My Body and Shed Blood, this is the prayer that recalls to My Father My bitter agony, to the point where His Heart can no longer withhold

grace from the undeserving. Why? Because He gazes upon Me in My suffering and He cannot deny Me that which I suffered so brutally for: the lost sinner.

"Call to mind the Muslim people as well, how devout many of them are, how I wish to have them for believers. Yet they have been crushed into submission from a tender age, they know not the meaning of Mercy or life. They only know murder and hatred as being the honorable life. Tragically these tender ones have lost all semblance of what I endowed them with, and are completely overtaken by a twisted lifestyle.

"Poverty calls to these, the enemy has made good use of poverty and bitterness, they are taught from childhood how honorable it is to die for their god. They know nothing of the truth and have been sealed over in terror from freedom of thought. To search out another god would be treachery against their parents, their nation, and their god. And so they shut their eyes tightly lest the light penetrate them. But in the watches of the night and in moments when they no longer have the power to resist, I open their eyes, I flood them with My love and My truth.

"These things happen because you pray. Yes, pray much and believe, keep your eyes on the horizon...one eye on the Heavens, the other on your neighbor. Neglect no act of kindness that comes before you. Yes, your salvation has been purchased at the price of My Blood, but the work given you in Heaven relies very much on your heartfelt loving service to others here on Earth.

"I bless you now with the courage to love, the courage to wait in faith, the courage to stand in strength in the tumultuous hours to come. Stand until you behold My glory breaking on the horizon."

And after the Lord had finished speaking to me, I felt the anointing upon the book that Carol had put together, our partial messages, most recent ones. The PDF is on our website and I'm going to see about making it possible for you to order copies of this from the printer. We're going to work on that now, 'cause I really felt the Lord quicken that to me and to Ezekiel, that it's time to get a bunch of these printed up and get them out to you. So, that you can leave them behind for everyone.

I felt the anointing on the book, and sometime I'm going to do a little teaching on that, about how you see a book and you realize that Holy Spirit wants to give you a rhema, an anointed word of God from that book. And so you reach over and pray over the book and you ask Holy Spirit to show you something. And He does! So, I felt the anointing on this book from across the room, so I went and picked it up. And this is what I opened to:

Pages 166 and 167 What is To Come When The Bombs Fall

The Lord was speaking here:

"Well, because the time is short, I have you both on the fast track to wrap up these messages and prepare yourselves for that day. Only in prayer and steadfastness will you weather the terrific storm that is about to hit America and the world."

"Each day, I want the two of you to make sure you are solid and prepared at any moment."

"How will we know that we are prepared?" asked. And then I asked Him, "How will WE know that WE are prepared?"

"You're going to feel a deep peace. It's been edging up on both of you, just continue to keep your focus

and understand there's no time to waste. Please, buckle down and work hard to organize your messages and leave behind what I have given you."

And I have to say here, guys, He's given me an awful lot more than what's in that book. So, I'm going to try and pull all those files up and see if we can't get something quickly put together for you in a PDF or some that you can order, too from the printer or from Amazon. We'll have to see what we can do.

At that point, I was getting a little buggy...this was around 5:00 in the morning and I was just a LITTLE bit buggy...

And the Lord said, "*Clare are you listening?*"

I said, I'm sorry, Lord - I'm foggy."

"It's the sugar."

Whoops.

"Just bear with Me.

"There is going to be a limited nuclear exchange, enough to throw the world into a panic and set the stage for Obama to take the reins of peace and be declared as the hero.

"Your country will be in pandemonium and communications will be knocked out temporarily. But in order to enforce Martial Law, communication will be necessary. After all, how can the victor enjoy his victory without broadcasting it all over the world? Your country will recover from this devastation more quickly than anyone would expect, because everything is in place with full knowledge of what is coming."

I just wanted to draw you guys' attention to something, and that is the Turn-key Event. I had occasion to re-listen to that today. Turn-key is a term used, I guess, in business when everything is set up for a product - you know, the marketing, the packaging, the production. Everything's ready. All you have to do is say, "go". That's the turn-key. And there it is - it's there, because the whole groundwork has been laid for it and it's a done deal. You just need the permission to go ahead with it, so to speak.

So, one of the reasons why we're going to recover so quickly from this is because of all the ground work that's being done right now - has been done for months. Years previous to this time.

As He said, "*Your country will recover from this devastation more quickly than anyone would expect, because everything is in place with full knowledge of what is coming.*

"Your country will no longer be a world power. She will have massive issues of reconstruction and contamination to deal with. Make no mistake, those underground cities will contain the important people while everyone else struggles on the surface. Law and order will be out of control, criminals will take full advantage to rape and pillage. Life will be a mess.

"That's when I'm coming for you. Lift up your heads and watch the sky, I am coming for you that same

day.

"Let Me repeat Myself, lift up your heads, I am coming for you that very same day."

"Do not fall into despair, do not panic. I have warned you over and over again, your redemption draws nigh. This is the moment of eternity you've been waiting for."

I answered Him, "Lord, I'm speechless."

"Well, it's coming. As surely as I AM, it is coming. Do not give in to fear. Stand your ground, raise your eyes to the Heavens, I'm coming."

"I've already placed my angels to help you, you will not stumble or fall, all is in place."

Thank you, Lord.

"You see, I have wanted to confirm this to you but I had to wait until you were secure in our communications."

Jesus, I am numb.

"I know, I know. It's a lot to take in. But I have prepared you well, and you'll pass in flying colors."

And that was the end of that message. That, by the way, was on March 12, 2015. And that's page 166-167 of the book - I guess she's named it Still Small Voice, Messages from the Lord. As I said, that's on our website, Heartdwellers.org under PDF. And I think she's going to put it on the Book Page as well, with Chronicles of the Bride.

So, the Lord bless you, Family. Let's continue in being faithful to the Lord and let's remember He's asked us to pray the Divine Mercy Chaplet. and He's told us that there are graces being released for conversions with that. And salvation, with that chaplet. So, let's all pray that chaplet and He recommended that we pray it at 3:00 pm in the afternoon, which is what they call the Hour of Mercy, the people who wrote the chaplet.

The Lord bless you. Pray for us as we pray for you every day.

"Eternal Father, I offer You the body and blood, soul and divinity of Your dearly beloved son, our Lord Jesus Christ. In atonement for our sins and those of the whole world. For the sake of His sorrowful Passion, have mercy on us and on the whole world. For the sake of His sorrowful Passion, have mercy on us and on the whole world. For the sake of His sorrowful Passion, have mercy on us and on the whole world. For the sake of His sorrowful Passion, have mercy on us and on the whole world...."

How the Lord Delivered Me from a Religious Spirit and Bigotry

June 8, 2015

June 8, 2015

The Lord bless you, my wonderful Youtube family. Oh, this is a special night. There's some special testimony coming up that I'm going to share with you, because the Lord asked me to.

The Lord has asked me to share the path to Him that He's led us on. In other words, what experiences are behind the things that we're teaching, and how He writes straight with crooked lines! Oh boy! Does He EVER write straight with crooked lines!

The night began with several hours of worship. And tonight the Lord was not sad, although He was earlier in the evening. I spent several hours with Him and He was very, very sad. Then I took a break, a nap, and came back and He was dressed in His wedding attire and I had orchids in my hair. Oh, that was so sweet. I love orchids, they're so beautiful. And He was holding me and He was wearing white formal wedding attire and I was wearing my white dress. I kept being nudged by this thought: that I needed to share some of my past experiences with you in different churches. And I thought, 'No, no, no - this is a distraction.'

I stopped and prayed and Ezekiel prayed and we came to the conclusion that it truly was the Lord. I think it'll iron out some questions that some may have, especially since we posted the Divine Mercy Chaplet. But it may iron out some questions about where we're coming from. I want you to understand what our paths have been and what our mission is. So, I'm going to go ahead and begin:

My earliest memories involving religion go back to my high school years. (I don't have a really good memory of before High School.) I attended South Shore High School in Chicago, in the early 60's and was one of the few gentiles in a school dominated by Jewish students and teachers. I also happened to be one of the very few latchkey kids, because my mother worked full time as a make-up artist, having been divorced. I didn't have a father. I had no sisters, brothers or any relatives of any kind for that matter.

I'd come home from school and let myself in, and kind of fend for myself, sometimes until late at night when she had to work or went out with friends.

Well, it seemed everyone in the school was well off. Have you ever felt that way? And we were just below the middle class. But since mother was in the beauty business she always managed to dress me very well. A lot of the kids in the school had fairly well-to-do doctors, lawyers and professionals for parents, so they got to do a lot of things that I couldn't do, I wasn't able to do. It was definitely a class distinction there aside from being a gentile in a Jewish school.

My mother worked predominantly with upper middle class Jewish women and mafia wives.

That's an important point: she intensely disliked the Jewish women and looked down on Catholic mafia families and was totally disgusted with Pentecostals. Mom had strong opinions.

In other words, she had strong opinions and was basically a bigot.

Now, this word "bigot" came up very early tonight in my prayers - I kept hearing that word. So, I looked it up. I'm not going to give you the full definition now, but I'll give you part of it, 'cause I wondered: bigot. I always think of the South, the Ku Klux Klan and things like that. But, no. Bigot is a person who's intolerant towards those holding different opinions. A person who strongly and unfairly dislikes other people's ideas. That's the short version of what is Bigot.

So, Mom was a bigot.

Around thirteen or so, I started to have a very, very strong draw to knowing who God was. My mother went to a Congregationalist church at Christmas and Easter. She believed in God, but didn't know what happened to you when you died. I longed to have real answers to these real questions and ended up totally frustrated after talking to the Congregationalist pastor. I came out of the office thinking, "He doesn't know who God is, either. Maybe there is no God." And so, I became an agnostic.

I became best friends with a Russian Jewish girl whose family had been in the concentration camps. And she had a strong intellectual bent, so we talked about Ayn Rand, searching for answers to life. But it bothered me terribly that my mother thought when I died I just ceased to be. Something wasn't right with that. I mean, I felt it deep in my spirit, it shook me. Like, "Uh, uh - that's not RIGHT. That can't be. How can that be?"

Well, anyway. My friend Nina and I never talked about the faith. And looking back now, I wish we had. Even though she was Jewish, the Jewish people knew God, at least, and that would have helped me along the way. I don't think the neighborhood I lived in had any Pentecostal or non-denominational churches. In fact, I don't think those even existed back then.

After I dropped out of high school, totally frustrated with the environment, (I REALLY disliked it...) I decided to become a nature photographer and dove right into the hippy era - really glad for the freedom from all the social restraints my mother was bound by. But, I never became a hippy, just a countercultural agnostic. Since my searching for answers to spiritual questions was not satisfied, I ended up finally calling myself an atheist. Still, I was very much bothered by the existence of the supernatural. I had a very strong sensitivity to the supernatural.

I looked at my life, and the lives of others and said to myself, "There must be more to this than meets the eye. There MUST!" And so my journey into the New Age began.

I held strongly to my mother's bigoted opinions about organized religion and was intrigued with Buddhism and New Age teachings. When I moved to San Francisco in the 60's to begin my career as a photographer, I found the ideal atmosphere to explore the supernatural. I had a healthy fear of Satanism but delved into the iChing, Transcendental Meditation, Astrology, Palmistry, Native American Medicine Ways, Scientology and other New Age studies, including Numerology. And I was very serious in studying these things when I wasn't on a shoot, you know, taking photographs and editing and seeing clients. I spent a lot of time doing that. And finally my fascination with the spiritual overshadowed my

photography career. And I went down that path.

As I explored these spiritual realms, I became more and more disenchanted following their rabbit trails and never ending circles, where I learned all kinds of things but still never knew really, "Who are You, God?" The last place I expected to find Him was in Christianity. My opinion of Christianity was, they were just a bunch of ostriches with their heads stuck in the sand, because they didn't see what impact the stars had, and the rising sign, your ruling planet, and blah, blah, blah, blah, blah. I didn't see any of that, so I thought, 'Well. Their heads were stuck in the sand.'

Well, God finally revealed Himself to me one night while I was meditating on the Mayan Tarot underneath a copper pyramid. As I was trying to connect with the meaning of one of the cards, my eyes were closed and I, of course, saw nothing but blackness... until a crack in the blackness happened. It got bigger and bigger and bigger and suddenly a dove on fire like lightning descended from Heaven and came to rest in my body, setting off a physical bliss like nothing I'd ever experienced, for a good 45 minutes. The heat was tremendous.

I knew nothing of the Holy Spirit but when my former husband, who was sitting with me said, "Your body is on fire! What's going on?" I answered him, "I'm having a visitation from the Holy Spirit." On the outside I looked like I was burning up, on the inside, I was being convicted of all my sins... and I had a lot of sins. But, at the same time I was being inundated in a love like I have never felt in my life. I knew I was a sinner for the first time. You know, in the New Age, being a sinner doesn't exist. I knew I was loved and forgiven. I knew, all of a sudden, Who God was and His nature. And He was nothing like the darkness I had been dabbling in.

You see, I was so proud, and such a bigot that I couldn't recognize God in Christianity. My opinions were so overpowering and based on falsehood. So the Lord did to me what He is doing to many Muslims today - He overpowered me.

Through this experience, I just knew I must conform my life to the Bible's standards. You know, I'd been studying all these other masters and teachers for years. They had a lot of beautiful things to say, but in that moment I was so illuminated as to the source of all Truth that all those things faded into the background and I realized that the Bible was the ONLY thing I needed to study. The illumination at that moment was tremendous. Just the difference between midnight and high noon, spiritually and mentally speaking. That was the beginning of my Christian journey.

I got rid of all my paraphernalia, I bought a Bible and began studying it. The Lord began to speak to me through the Scriptures. The three He gave me at my conversion were: Moses and the burning bush and how He spoke to Moses out of the burning bush. And that really, really described my salvation experience. The second one was Esther the Intercessor, and how she interceded for her people. And there were others things about Moses that came up, bringing them into the Promised Land And the call of Jeremiah was very strong. And I'll never forget those three Scriptures the Lord gave me. They're really the basis of my walk, even to this day.

At one point, I was delivered of 70 different demons from my illicit lifestyle before. I found a non-denominational church, I was baptized in water (one of those big tubs - immersion) and received the Baptism of the Holy Spirit with the evidence of speaking in tongues shortly after that. And I joined a women's intercessory prayer group, where prayer and tongues was extremely important. We saw a LOT

of miracles. And that's when I began having visions of the Lord, too, of seeing Him. Was when I was speaking in tongues and worshipping Him in tongues. I began to see Him and He'd speak to me.

Well, I thought I had arrived home. Because I'd been on this long journey through the esoteric and occult, Eastern religions. And I thought, "This is it. I'm home now."

But what I was learning about Jesus was at times very different than this so-called, 'Christian' lifestyle. It troubled me that Jesus was meek and gentle and preachers were loud and powerful. It troubled me that I was vain and proud and I didn't see that being addressed in the church. In the end, I think we were there for three years. I'm not a person to hop around, I like to settle with something and in the end, we left that church because of a serious scandal and more importantly than the scandal, a lack of opportunity and support to grow in ministry. They just were not training people up and sending them out. In fact, a prophecy had been spoken about that church, that it "gave birth to souls but kept them babies." And I can testify that's what happened there.

So, we went on a search. We visited many other churches for seven years - we continued to look for our home in the Christian community. Nothing felt right. Same sins, every church we went to: materialism, vanity, pride and no resemblance to Jesus in the ministries. Very little. Every once in a while, there'd be one person. But as far as the church went, it was very hard to find a structured church that resembled the ministry of the first apostles and the Lord.

My husband at this same time kinda followed along with anything I did, but I was passionate and not finding the faith that mirrored Jesus, I was deeply troubled and frustrated. Eventually, he left me and our four children, because I was committed to a very different lifestyle in the end in all my searching. He really wanted the world and to be involved in things in the world and I couldn't do it. I just couldn't.

Right around that time, John Michael Talbot had become a popular Christian musician. He's a Catholic - a Franciscan Catholic and when I heard his music, deep called unto deep. So, I began to research the Catholic Church and the Franciscan order.

What I found... shocked me. The very first thing I discovered was that I was a religious bigot. Just like my mother, I had strong opinions based on hearsay and things that other people or bad examples of people who were living in the Catholic faith.

I discovered that almost everything I had heard about the great 'harlot' and how they practiced their religion was a lie, and totally unfounded in reality. I mean it blew me away when I went to the first service and it was all Scripture! It was very beautiful Scripture, and I walked out feeling like, 'I don't get it!' I discovered that the people most ignorant of their own faith were former Catholics. And I thought, 'What's up with that???'

It really perplexed me, until I realized the Illuminati, Masons and other Communists had infiltrated the church since the 1950's to destroy the faith that began with the apostles in Jerusalem. The people just were not being taught the real faith - they were being taught some kind of formalism without the intimacy with the Lord - at least, not in the general church. But we did discover that as we dug deeper. There was a Catholic Charismatic group and movement in the church that, believe it or not, there's millions world-wide of these people. That was very much on fire in the Church! We didn't discover that right away.

Looking back, I am personally convinced that the whole mess with Rome and Constantine in A.D. 300 was the Devils plan...He was thinking, "Can't kill them by opposing them, or martyring them - they just keep multiplying. Let's infiltrate, fill them with rules, regulations and courtly manners, money and influence and turn it into a political machine and destroy it from the inside out."

Well, that worked and now the institution is indeed the Harlot. But what about the roots? What about Jerusalem, the Apostles, the hermits and desert Fathers?

And that's what I discovered - that there was still a very pure strain of Christianity in the church... in monasteries. I won't go into doctrinal variances, but I will testify that Holy Spirit is at work, hidden away in very simple little Christian communities. Not necessarily gigantic monasteries, but in little enclaves and communities that live the same kind of lives the early apostles lived in the book of Acts.

Right around that time, (5 years after my husband had left me) the Lord brought Ezekiel into my life and through serious prayer and fasting, the Lord told us that we would be a sign of the unity of the Body of Christ. That we would go to the Catholic, Russian Orthodox, Greek Orthodox, Syrian Antiochian, Pentecostals, Charismatics, Church of God in Christ and so called 'non-denominational' churches. And we would find Holy Spirit at work in them all, and bring unity by stressing the Love of Jesus and the faith of the Apostles at work in them all!

In the liturgical churches, especially Russian Orthodox, angels would be seen and heard during the worship! Here, we had come to believe that the ONLY way to worship was the non-denominational way, and singing in tongues. But we were lifted right out of ourselves in ecstatic joy, and even the Lord and ministering angels in these different churches with worship that was so foreign to us and that Evangelicals had condemned as evil.

Wow, what a revelation!! I also learned that the form of that worship and what they called the Mass, or the Liturgy, originated in 50 A.D. and was written by James, the brother of the Lord. Wow! I mean, you can't get much more original than that! But it's the same form that it was in in 50 AD. So, these were all revelations and I thought, 'My goodness! Where have we been? We really had our heads stuck in the sand!'

And so for thirty years, the Lord Jesus led us to the leaders of many, many different monasteries and churches and we lingered there at each one long enough to get a deep and authentic sense of what the Lord was doing in their worship, their prayers, and teachings, springing very purely from apostolic roots. And the desert Fathers. I mean, that's really pure stuff!

We were totally amazed!

Before I mention that, I have to say that in every place there's sin, wherever there are people there's sin. There's sin in church, there's sin in monasteries. There's sin in Sunday School classes. There's sin EVERYWHERE. It just takes different forms. So, you can't point the finger at one particular place and say, "Well, they did this and they did that!" And stand there before the Lord knowing that the same things are being done at your church. There's sin EVERYWHERE. And we don't focus on the sin, we focus on what the Holy Spirit is doing.

So, we were totally amazed. Jesus would show up in many, many different places, and we observed so

many totally dedicated to the Lord, with a sweet spirit and profound humility, a simple life. They'd had left behind mother, father, sister brother, all their worldly possessions. They didn't care about their hair, their makeup or their clothes. They let these things behind to be free to live only for Christ. To be free and have their attention on Him 24/7 and not to be shackled by society and how we're supposed to look. Getting dressed up for church on Sunday or whatever. And trying to impress people. Oh, that's such a bondage.

The Divine Mercy Chaplet was one of the sweet discoveries we made and we experienced the power of intercession with a formal prayer. We had NEVER prayed "formal" prayer before, it was always praying in tongues, praying in the spirit. And here we were, with a formal prayer - a chant, really. And the power of the intercession. Wow. The feeling that we had when we would finish with this was such profound peace. Like something really important had been accomplished.

And it's interesting, because it involves all the sense when you pray the Divine Mercy Chaplet. They normally do it on beads. And the physical sense is involved, the vocal - the voice is involved. The ears are involved and the mediation is involved, because we're meditating on the Passion of Christ. So, it's a thoroughly engaging prayer. For some people, it's not a very comfortable prayer because they get bored, but for others is very rich. As I said before, we'd only been praying in tongues or in loosely formed home groups, you know, where we'd each share prayers and so on.

In the Catholic Charismatic groups, you know, we'd be singing and praying in tongues. But the peace and joy that we felt in that prayer that was chanted - the Divine Mercy - was something totally foreign to us and just caught us off guard. It's like, Wow! Where did this come from? You can really feel the Holy Spirit in this. And it just seemed so different.

In the Catholic Charismatic groups we were able to minister in song, prayer, healing and in yet another dimension we had never experienced - and that was the profound closeness to Jesus as we meditated on His passion. We began to spend hours in worship and prayer, meditating on His life and the meaning of the things He did. On His mildness, meekness, profound tenderness with the most wretched of sinners and His complete disgust with the religious professionals - the Pharisees, Sadducees, religious bigots and hypocrites. The closer we got to the Lord, the more black and white it all became. We could really see why He was persecuted the way He was. And that we, too, were going to have this kind of persecution.

We began to recognize these characters in every single church we visited. Religious spirits who quenched the Spirit of God. Bigots who had strong opinions based on error and lack of personal experience and research. We found that we, too, were bigots, who had all kinds of obnoxious ideas that pushed people away from Jesus instead of drawing them tenderly to His bosom.

That is when we resolved that we would no longer allow those traits in our ministry. The Lord had taken us on an odyssey into different cultures and revealed to us that they sincerely worshipped God in Spirit and in Truth. We wanted to live on Earth as they do in Heaven - without bigotry and divisions, just loving and worshipping Jesus from the heart, as His Bride - in Spirit and in Truth.

So, this is all to say, if you sense different forms of Christianity in our teachings, you'll understand why. We went wherever we were led by Holy Spirit, and whatever He had sown in those churches that was consistent with Scripture, we embraced and made our own. Because we believe with all our hearts, this is the true atmosphere of Heaven.

We are not church dwellers, we are Heart Dwellers, dwelling in the heart of Jesus... a Heart that embraces all expressions of love and worship from His Creatures, whether they be Russian, Greek, black, white Anglo-Saxon protestants, holy rollers, or Catholic... whatever. If they love Him in Spirit and in Truth, He rejoices in their worship and receives it unto Himself with tremendous joy.

In conclusion, I would ask our family, please, Youtube family. Don't bring criticism of other Christian faiths into our channel. That really is more appropriate for apologetic and theological channels than it is for Heart Dwellers, for people who are so taken up with the love of the Lord that they don't notice the difference and ideas and opinions.

I felt the Lord tonight convicting me of religious bigotry in my past...and even the temptation to judge what I do not understand in the present. So, as I had told you, I have a longer definition for Bigotry:

1. A person who is intolerant toward those holding different opinions.
2. A person who strongly and unfairly dislikes other people's ideas,
3. A person who is utterly intolerant of any differing creed, belief, or opinion
4. 16th century ... a superstitious religious hypocrite. someone who relied on superstition and ideas and religion and they were hypocrites.
5. "sanctimonious person, religious hypocrite,"

I have seen this behavior in myself, my mother, and in every church I have ever set foot in. It just takes on different forms that seem less apparent. Bigotry and a religious spirit is a very, very subtle thing. It looks all squeaky clean and righteous on the outside, but in fact it separates, it divides and promotes pride and self-righteousness and quenches the Holy Spirit of God.

One can hardly live this kind of life and still expect to be taken in the Rapture. The Rapture is for those who are ready for Heaven. People who are still critical of others because they worship differently than they do, they are not ready for Heaven. Heaven is filled with those who worship in Spirit and in Truth, and in the ways Holy Spirit has led them.

What did Moses say..."Let them prophecy...I wish all of Israel would prophecy". What did Jesus say, "Leave them, they cannot do miracles in My Name and be against Me."

So, I really felt the Lord's agenda for tonight, sharing it with you. And I want to end it with a short prayer.

Lord, forgive us for judging others based on our own opinions and not Your opinion. You alone, Lord, are qualified to judge. You alone are Holy, Righteous and know all truth. By Your blood, cleanse us of religious spirits and deliver us from the evils of pride and self-righteousness. Amen

After I finished writing this, I heard the Lord's voice and He said, *"I will work wonders in My Bride to bring her into agreement, that she may worship freely with all the hosts of Heaven in the days to come."*

Wow. That sounds to me like the Rapture.

The Lord bless you, Youtube family. Thank you so much for your prayers and support. We really, really love you.

We're Going Home

June 9, 2015

The Lord bless you, Youtube family!

Well, I have a real sense of anticipation about today and about this time that we're in right now in the month of June. And that's why I named this We're Going Home, because I believe that that's about to happen.

Tonight, when I went to be with the Lord for worship, I was worshipping Him - it took a while before I could actually see Him, but when I finally did, He was wearing fatigues. And I was dancing with Him and I was also wearing fatigues! And I thought, 'Wow - that's strange! Why am I wearing fatigues?' I didn't ask Him at the time.

The Lord took something that looked like a name tag, you know, the kind with the adhesive on the back. And while He was still dancing with me and stuck it to my back. I wondered what was

written on it, then I saw it. What was written was "MINE." Wow! No one would be confused about who I belonged to now, even in the midst of chaos.

I also had a maroon beret on. He stopped for a moment and pointed to the sky, and above us was a huge airship flying away from the point where we were at into the distance. And the sense was that we were circling the Earth, that the airship was circling the Earth. And out of the place where there would normally be bombs, like the bomb bay, were pods or cable car looking busses dropping out of the 'bomb bay'. And they were accompanied by angels. And I heard the word "personnel carriers."

And these busses were just hanging in the air with angels near them, but they were being dropped in various places in the world.

I asked the Lord, "Why am I wearing fatigues?"

He smiled and answered, *"Because you're helping Me."*

I am?

"You are My designated assistant."

Wow! What do I do?

"Follow Me around, comfort Me and keep Me company." He said very matter-of-factly.

Oh Lord, what an honor.

"No, what a blessing that one of My Creations can't stand to be without me for an instant."

Even when my mind drifts?

"Leave a tender moment alone. Lately, you've been tuned in almost continuously."

Well Lord, I know I need to thank You for that grace.

"Thank you for taking hold of it, My Love."

"We are about to make Our Move...taking you up and away from this place. Don't worry about

anything, not even one thing. Not the yard, (Oh, guys - you should see our yard - it's really horrible. It needs leaves raked up and everything...) Not cleaning, bills, eating, nothing. Just accompany Me day and night. I will come for you when you sleep so you can be with Me even then. But you haven't much time.

"The hour is approaching. Leave off with everything of the world and stay by My side. I love having you here, I love reaching over and touching your hand. I love gazing into your eyes... and forgive Me for not allowing you to see Mine a great deal. You just couldn't bear it and I don't want to weaken or disturb you. Soon enough, My Love, we will be together, soon enough.

"Tell your spouse that because of his faithfulness many have come to Me in this past week. In fact tell everyone, 'Those of you who were faithful to accompany Me, those of you who went out of your way to pray and keep vigils, you have reaped much fruit for the Kingdom of God and there will be fanfare when you arrive and great celebration.'

"In fact, you will receive a hero's welcome, because all of you are heroes in your own rights. You have persevered and endured much. The final hour is yet to come, so be on your guard, keep watch. The clock is ticking seconds away from your departure."

"Lord, I haven't done enough for my children."

And the way I feel about it, guys. It's just - you know, I'm trying to keep up with taking care of you guys who are hungry, the whole audience on Youtube, you're hungry, hungry, hungry. And I've spoken to my children about these things for years...and they stopped taking me seriously, you know. I've put packages together, but that was a while ago and things are a little disordered. Maybe the Lord will give me the anointing to do that, I don't know. But it doesn't sound like it.

But I told Him, "Lord, I haven't done enough for my children."

He answered me, *"Don't worry about them, I have them covered. Each and every one has a provision. Don't worry, Clare. What you have done for Me, I have done for your children. Notice I said 'I have done'...because I have finished it, all the way down to the last detail. You do not understand the workings of time in Heaven, but I tell you that it is completed and I want you to enter into your rest. Just be vigilant, you don't want to spoil this time and the enemy will try to distract you with insignificant details.*

"Tell My Brides, stop worrying about whether or not you will be taken. You know you are Mine and Mine

will be with Me. Little mess-ups and faults have you all hung up on details. All tied in knots. I am not like your earthly father, I'm not like your earthly boss, nor am I a military sergeant. I am YOUR LOVING SPOUSE, I care for you tenderly, I understand your pressures far better than you do. I see the demonic attacks you are continually fending off and beating yourselves for. I see the bent of your heart and it is pleasing to Me. You are coming with Me. Keep your eyes open, pray for mercy for the inhabitants of Earth who must stay here.

"Get ready to see your loved ones, get ready to be totally overwhelmed by My Profound Gratefulness for your Faithfulness.

"Yes, I am grateful, profoundly grateful. You are not used to being appreciated, you have no experience of the kind of appreciation and respect I have for you. But you're going to find out and be totally overwhelmed. Yes, this will be My joy, to watch you being overwhelmed!

"I want you to stop straining on gnats and rest. I am taking you."

And here I want to make something clear. We're talking about contrition and being sorry for your sins and having repented. Checking your conscience every day and asking the Lord to forgive you. But there are some of you who are still insecure and still fluctuating and still feeling like you're gonna be left behind because you did one little thing wrong. No, you've lived a life-style of faithfulness to the Lord. You stayed pure and clean from sin and He's going to make the difference up. So, don't be scrupulous! Don't be going over and over it and saying, "No, He's not gonna take me, He's not gonna - I did this. No, He won't take me 'cause I did that." That's ridiculous! That's straining at gnats. So, as He said, if you've kept your heart pure and lived for Him, you don't have anything to worry about.

"If you have given your heart to Me, and live for Me and Me alone, no matter how many mistakes you make, I am still taking you. I'll work out all the kinks in your nature in Heaven, don't sweat the small stuff.

"Just be kind to your neighbor, keep your heart clean and do not give into fear. The last few hours will be intense, but remember I told you they would be. Hang onto Me, keep your eyes off of man and keep your heart riveted on Me, especially being here for Me and comforting Me.

"In this hour I bless you with a steadfast spirit. To each of you has been assigned more angels to keep you steady as our time approaches. I am with you, let nothing frighten or disturb you."

And Ezekiel has been in prayer just about non-stop for the last two days. And the Lord spoke to him very clearly as he was praying. He said, *"All of this which is about to unfold is in My control. Be at Peace, let nothing frighten or upset you."*

The World To Come

June 11, 2015

May the blessings of steadfast perseverance be upon us tonight.

I have a message for you from the Lord, sweet message about perseverance. Something we all need right now.

You probably noticed I didn't post a video yesterday, this Fibro has been - boy it's been jumping on me like a crocodile. It's been rough! And everything has been just such an effort. I almost didn't make it tonight, but I just decided to give it one more try, after my third nap. So, here I am, thanks be to God and His mercy and His grace. And I'm sharing that with you because He told me that many of you are going through trials right now, maybe not the same kind that I'm going through, but I'll just go ahead and begin the message and you'll see what He's saying.

He began:

"I know these last two days have been really hard for you, My Love. I am allowing you to be stretched; I need your prayers and fast offerings. So much is at stake. All My Brides are being stretched right now, and this will get more trying, more demanding, and more out of your comfort range as we draw closer to that moment when I remove you.

"The days are lengthening, and so is evil more and more dominating your land. With every day, the noose grows tighter until at last it will break out into the open. You will see it, but not be affected by it if you obey Me. Pray continuously for innocent victims, those who get caught in the middle between a decaying system and the iron jaws of the new government. Many are so uninformed they will be totally caught off guard by what closes in around them.

"Even now I am dispatching more and more angels to uphold peace in your homes. Much of the suffering you will endure and are enduring is interior as you pray and contemplate the dynamics at work and how your world will be changed forever.

"Yet I would not have you linger there. There is a better place for you to take refuge. Very simply... in My Heart. Come, My Bride, and tuck your head into My Heart where the waves are always calm, where the sun of My Love is always shining on you, where the melody is always fair and sweet... a place of rest in times of turmoil, a never failing refuge from the storm. I have given you the key to My Heart, the door is always open and waiting for your sweet presence. Oh, how I love the sweet fellowship of our times together. This truly is the highpoint of My day, when My Bride comes knocking and seeking the warmth of My Presence.

"In those times your faithfulness, obedience, and affection are a healing balm that brings comfort to My heart which is continually exposed to so much hatred. The chaos that springs from hatred has torn the whole world into bits and pieces. When I created the Earth, I desired that there be a certain amount of

fellowship between all races, tribes and tongues. Yes, it was necessary to divide, but now My Heart is to unite mankind under one banner of Love in My Kingdom, truly one world under God.

"But without My rule, this cannot be done. The selfishness of mankind always finds a way to gain an advantage and suppress the rights of others to increase their own. This begins the never ending spiral of degradation that Satan intends for all My Creation. If Adam and Eve had not done the deed, sooner or later another would have. So you see, the necessity of My Rule is without question the only way to attain this.

"I will enforce justice gently but as firmly as necessary to maintain individual rights. As I have said before, nothing will be lacking to anyone. Poverty will be extinct because in My world, no one will go without."

And I asked Him at that point, "Lord, won't that create an environment that leads to lukewarmness?"

"That's a very good question. It will for those who do not have wisdom. But part of your job will be to teach wisdom and self-control, that the souls I entrust to My Brides will grow up into their full potential. As you yourself have experienced, abundance is some kind of challenge - focus is easily lost when there is too much. But I will be sure to offer opportunities and resources that are not so much a symptom of over-abundance as they are a utility, providing for the continual expansion of a soul.

"What I am saying is that I just want you all to know: there is a New World coming... and it's nothing like what the enemy has planned to destroy you with. Yes, there is a new world coming, where the knowledge of My Love will fill the seas and extend to even the most remote and isolated of places. How beautiful will it be to see mankind in his Eden living in the justice of Heaven.

"Take heart, My Beloved ones, take heart. Make ready that place inside of you that longs for Me and for My kingdom to come, My will to be done. Make ready your heart and mind to accommodate the riches of My Kingdom Come, My Will be Done. Yes, it is coming...yet a little while and you will no longer dwell in darkness. You will ascend with Me to the place I have diligently prepared for each and every one of you, where we shall be together forever and ever and ever. Be strengthened in resolve with these words and hide them in your hearts. How I long to immerse you in the joy of My world! Keep your heart and mind in this place - it will bring stability in times of chaos."

The Triumph of Your Faith Brings Me Joy (Jesus)

June 12, 2015

May the Lord's grace ground us in faith and love until it's time for us to come Home!

Well, I have a real sweet message this morning - I feel very confident that the Lord is speaking to the whole Body here. Because it's amazing - I'll post a video not knowing what in the world's going on in everybody's life, and it turns out that Holy Spirit is working the same way throughout the Body. When He gives me a video it's right on for where we're at, at the moment! That's just wonderful, how beautifully united the Body of Christ is.

As a rule, we don't accept phone calls but if you do happen to get our number and call, please leave your information, so we can get back to you.

At the beginning of my day, in my zeal and naiveté, I made an attempt to share the Rapture with a couple I encountered that were nominal Christians. I told them that the Lord was coming very

soon and we weren't going to be here much longer. They looked at me like I had just grown a tail.

I mistakenly mentioned a few more things like Jade Helm, which again they were clueless about. I thought to myself, 'Here this is starting in a few days and they know nothing? And even worse they look at me as though I had grown another tail?' I could actually see and feel them looking at me wondering where the second tail was going to emerge!

Well, they skillfully steered the conversation back to their 'reality.' And moved on to the next thing in their busy schedule.

I'd be lying if I told you I didn't feel threatened...I could feel the devils jumping all over me, "See there, you're SO deceived! They think you are crazy, a religious fanatic. You really blew it this time!"

Have you ever felt really stupid...walked away from someone you had a certain degree of respect for and beat yourself non-stop for a good two hours because you shared prophecy? "Stupid, Stupid, Stupid! What an idiot. What an idiot!! Stupid!!!" Have you ever done that? Oh, I can't even count the times I've done that...

I continued to chide myself, "Look at this beautiful summer day! Everything is blooming, birds are singing, bees are buzzing, clouds are towering against the blue sky, everyone has gas in their tank and food in their bellies. It's so peaceful, how could anything that horrible really happen to

America overnight?? I must be deceived. I don't see how things could change so radically. I

must be crazy...it's only a matter of time before I'm going to find out how deceived I am. Wow! Will I be humiliated, or maybe even need psychiatric care."

This is what's going on in my head after this encounter, right?

Of course my sanity began to set back in, reality and sanity began to grab ahold of me again. And so, I fought off the lying voices full of condemnation that "you really are a religious idiot!" Saying, "It's my duty to tell them, they need to know what's coming. At least I won't be responsible for their ignorance." They won't say, "Why didn't that Christian warn us, she knew about it?" And the Lord won't say, "I sent you to them, why did you keep silent?"

Well, that's how my day began, and after I left their company, I felt like I was walking down a corridor of ranting demons on my right and left who were all in my face shouting, "Idiot, fool, fanatic, deceived, gullible, insane, mentally unstable, lunatic, you're crazy!"...and on and on and on.

It took me a visit with two solid Christians, plus three hours of sleep, to get back into reality. And please, dear family, don't ask me why I am so weak. Please? Haven't I told you enough times that the Lord looked for someone more pitiful than me and couldn't find them, so that's why I'm doing these Youtubes? How many times have I told you that? So, don't write me and say, "HOW could you be such a coward and be so faithless?!"

And just in case you didn't just hear me, the answer is, "Easy. I am one. That's my nature without grace."

In short, that's what my day was like before I finally made it into worship. With that as my background, I was amazed when I asked the Lord what He wanted to tell us. And this is what He said:

"Your love for Me. The triumph of your love for Me and how you have weathered all scorn and contempt and loved Me beyond all reasoning. How you have put men in their place, under your feet and kept your focus on the higher things, on Me and My Faithfulness.

"You could never fully comprehend the immense treasure that kind of love is to Me. When you refuse to reason with doubts, when you come running to Me because you have felt threatened and tuck into the shadow of My wings - what a thrill touches My being, because My little creation has defended Me to man.

"I know. I see. I hear the struggles all My Brides have with their sanity. Every generation up to this one

has had the very same struggles to overcome and they brought joy to My heart as well. But this generation is the most magnificent in faith because the opposition is more advanced and powerful than it has ever been. This is the critical generation, the one to witness My coming and the one to witness the most ferocious attacks of the enemy in all dimensions. From beheadings to powerful nightmares to doubts about your sanity, these are all the tactics of the enemy on My People and a force to be reckoned with. And those of you who have run to Me seeking the shelter of truth, I have bathed in My forgiveness and strengthened in authority to proclaim the truth boldly.

"Many of you have witnessed the alienation of your family, and your loved ones have fallen out of step with you and called you deceived. Many have been bashed and criticized for such foolish

beliefs as the Rapture. Many have lost jobs and spouses because of your so-called 'delusions'

which people want nothing to do with.

"And what makes Me proudest of all is the way you handle your own thinking in the midst of the

assault. First you reject the lies, even though you are sometimes shaken. Then you consult your heart, where you have hidden My promises to you away securely. Then you run to Me for strength and forgiveness for even being frightened by their lies for a second. And some of you say, 'No matter, though He should kill me, still I will love Him.' You even reason, 'Whatever He does, He has a good reason for doing.'

"I have beheld the most forceful attacks against your faith and have applauded you as you resisted until there was a breakthrough and your peace was restored. I have also seen the way you have refused to hold bitterness against your enemies, you have forgiven and prayed for them.

"Yes, I have much to rejoice over. Much to proclaim the victory over...victory over her flesh and

the devil's insinuations, only to run back to Me for comfort and strength, with only forgiveness for her enemies. I proclaim victory over this!

"How proud I will be to lift you up into My arms and proclaim to the world, you are indeed

conquerors and overcomers. You are My Brides, My Beloved ones. Continue to stand strong. Hope will not disappoint! Soon you will stand in Glory beside Me, victorious as you walk into your Eternity."

Jesus is Weeping, "Console Me."

June 14, 2015

The Lord bless you, Family.

And for the last two days the Lord's not been speaking to me in the sense of giving a "message" message. But He has been allowing me to see exactly what He was doing, what He's up to. So, I want to share that with you.

And also, Carol had a perspective - she had an encounter with the Lord in Heaven, and Ezekiel got a prophetic dream.

So, I'm going to go ahead and put these all three together here.

Two nights ago, when I didn't get a message, ('cause I was just too exhausted.) I saw the Lord sitting and weeping. I spent time with Him in worship, but I didn't have a message to share with you - in fact He sent me to bed I was so tired. Today, when I came into worship, He was again weeping and He had His head down and He was crying. I put my arms around Him and held Him, stroking His hair very gently, very much like the angel - of the illustration of the angel in the Garden of Gethsemane, when the Lord was weeping and the angel is holding Him. When I awoke in the morning and came back into worship, it was the same thing - He was still sitting and weeping. Very, very sad and just nothing else was going on, I mean, this was just totally the message - that He was very, very sad and grieved.

In the meantime, Carol, our assistant was taking one of her classes with Inside/Out - she's training to be a leader. This particular day she was practicing going to Heaven with the group. This was her seventh time, having gone to Heaven. This is what she relates what happened:

"Everything was different and strange today. Like Jesus was there... but not there. He was trying to get my attention but I was thinking about myself and what new thing we could do together. And He seemed so quiet and sad.

"I finally said, 'I'm sorry. We'll do whatever You want to do.' So, He took my hand and brought me to the balcony again (this is a familiar place for her in Heaven) and we sat on a beautiful wrought iron bench together. Buddy, my dog that has gone to Heaven, came running and jumped up on Jesus and was licking His face. I didn't get it at the time, but then I realized that he didn't come to see ME...he was jumping all over Jesus. And he wasn't saying, 'I'm so excited to see you because I love YOU.' But he was saying, 'I'm excited to see Jesus because I want to make Him feel better.' It dawned on me finally that he was trying to comfort Him.

On the other side of the bench, Jesus' lion came to me and nuzzled me a bit. I petted his huge head and looked around for other animals. But the sadness pervaded everything. I finally realized how deeply Jesus is suffering right now. I looked over, and He was just sobbing.

He is about to unleash the final blow, the final thing that happens before we go Home.

I held Him, weeping, singing, 'I Love You, Lord and I lift my voice; To worship You, oh my soul rejoice; Take Joy My King, in what You hear; may it be a sweet, sweet sound to Your ear.'

"I looked up, and Abba Father came and together we put our arms around Jesus to comfort and love Him. Then I knelt before Him and lay my head on His hands and just prayed for a way to comfort Him... Shortly after that, we were called back to our class."

So, she had a similar experience to my experience, which was during my worship. He was sitting on a bench with His head down and weeping. It was as though there was a puddle of tears on the ground beneath Him. I worshipped and sang to Him and very little seemed to move Him. (Now this is my experience this evening.) I went through all my Terry MacAlmon songs, but nothing had any effect on Him whatsoever.

Then I thought to myself, 'I'll try one of my songs. So, I played 'Wedding Day' and as I played it He looked up at me and joined in singing the song to me. In this song, He sings to me and then I repeat it back to Him. In any case, that began to minister to Him for a short time... and then I lost sight of Him.

Now, the other thing that happened is, around the time that I was having worship with the Lord - and mind you, I had been in worship for 4 hours before any of this happened, so it's been a very long, long day. A very quiet time. But the other thing I wanted to share with you is the dream that Ezekiel had around the same time I was in worship.

He was out in a desert area where there was a single building, an open-air hanger for planes. It looked and felt like the southeastern California desert near El Centro.

Ezekiel relates that: "There were five of us standing inside the hanger to get out of the heat. We heard a noise and looked back to the west, and a large aircraft was coming towards us, flying low. It began to nose up and we could see the undercarriage had a large torpedo-shaped bomb attached to it. It released the bomb and flew out of sight. All of a sudden, over some sand hills, we heard an enormous explosion and saw a huge red fireball. As soon as that happened, we heard the sound of several planes coming towards us and they began to fire at the hanger. We could see the bullets hitting the ground, they were strafing rounds all in a line. We were desperately looking for some way to hide as the planes continued to circle and fire at us. Miraculously, no one was hit and the planes flew away."

In addition to this, or In spite of all this, the Lord did speak to Ezekiel, and He said that He's coming immediately. Not soon, but NOW!

And He also said, in a word of admonition, "*Linger, (to His Bride) linger long and slow, dreamy and intoxicated in our Love for each other. You are My Beloved. You ARE MY BELOVED. YOU ARE SOOO MY BELOVED. And you have captured My very heart and soul, My very being. You say that I am Your Regal Bridegroom and Your Majestic Heavenly Spouse. I say that You are the heart of My heart, and the very Life that flows inside of it. You are My Beloved, My Bride, My Bright and Shining One, in whom all of My deep devotion, love, and affections reside, and whom I am so very, very pleased with. You in whom I find all My delight. I am so happy at last, to bring You into the Home of My Father.*"

Ezekiel had another word to quote from the Scriptures:

The Lord said to him: This is what I would have you to do, still and quiet your soul, like a child, like a child on its mother's knees, so should your soul be within you. Psalm 131

Well, Family - this is a very bitter-sweet message. On the one hand the Lord is looking forward to having His Bride with Him in Heaven. On the other hand, He's so deeply grieved over the souls that are going to be lost for eternity. So, let's concentrate our attention on praying for the souls that need Mercy, that when all of this starts that they won't be lost, but they will be added to the Kingdom in that last hour.

God bless you.

Prophetic Dream: THE RAPTURE IS UPON US!

June 14, 2015

Youtube Family - I have an alert for you. I just had a very, very powerful dream as I was waking up. The title of the message today is: "The Rapture is Upon Us! Choose This Day Who You Will Serve".

This morning, as I was coming to a close of my eight hours of sleep, but still pretty much asleep, my kitty - the one Jesus uses to get my attention: to wake me up, to comfort me and to confirm that Jesus is truly speaking to me, my "Jesus" kitty - came and crawled up on my neck and chest and began to make "kitty biscuits" with his really sharp, little claws. Gently....but, insistently!

While this was going on, I had a dream that I was in a crowd of people, and I opened my mouth and spoke out boldly, "The Rapture is upon us! The Rapture is upon us!! Choose this day who you will serve: Satan or Jesus. Those who would serve Jesus are going to Heaven. Those who choose Satan are going to live Hell on Earth, and Hell in eternity. Choose this day WHO you will serve! The Rapture's upon us! The Rapture's upon us!! Choose this day who you will serve!!!"

That's pretty much the end of the dream, and I thought I should tell you about it right away, because it sounds to me, very definitely, that it IS a dream from Holy Spirit."

But, I went to my Bible Promises for confirmation. And, I opened to Eternal Life:

Many of them that sleep in the dust of the Earth will awake. Some to Eternal life, some to shame and everlasting contempt. Daniel 12:2

The dead men shall live, together with my dead body shall they arise. Awake and sing, ye that dwell in the dust. For thy dew is as the dew of herbs, and the Earth shall cast out the dead.

Isaiah 26:19

In My Father's house are many mansions. If it were not so, I would have told you. I go to prepare a place for you. And, if I go and prepare a place for you, I will come again and receive you unto Myself, that where I am, there you may also be. John 14:2

So, there you have it. I really believe that this is the Lord. And, I really believe that everyone who's been skating on the edge, who's been allowing their pride to keep them from making a decision for Christ - it's TIME to put the Pride down! It's time. There's no more time for this intellectual pride. I'm thinking that Christians have their heads in the sand, like I used to think. And ignoring the warnings. There's no more time for that. The Lord is speaking out CLEARLY: the Rapture is upon us. Choose this day who you will serve. Choose! It will be Satan or it will be Jesus. You have to choose! You HAVE to get off the fence!!

I don't care what kind of college degree you have, and what kind of intellect you have - if you don't know the Lord and you haven't given your life to Him, you're going to be staying behind to suffer UNbelievable torments. Is that what you want?

Down inside, you know - you're convicted that you don't belong to God. And you've been hedging - you've been holding Him at arm's length because you want your lifestyle. I'm warning you right now, that's going to crumble before your very eyes, and you're going to have TWO choices: take on a lifestyle and work for AntiChrist. Or take on a lifestyle for the Lord and work for the Lord.

There will be those who convert AFTER the Rapture, but it will be too late for them to go. Their children will already be in Heaven, and they'll be down here on Earth by themselves. Please, don't let that happen to you! Please - get serious, take a look at your heart and your mind and your life, and don't allow Pride...DON'T ALLOW PRIDE to stand in your way. Give your life to the Lord NOW, while there's still time.

We're praying for you! Youtube Family - pass this message on, please. I really believe it's the Lord crying out at the last hour.

God Bless you.

Disobedience Brings Sorrow

June 16, 2015

The Lord bless us all with wisdom, Youtube Family as I share God's correction with me, and I'll share it with you. He's corrected me over something. In the hopes that you won't have to go through this I'm going to share it with you. If there's anyway to save you from this kind of humiliation, I surely want to share it with you, because it's no fun!

Well, it all began probably a good three days or so...I'll read you my little narrative here:

When I don't hear from the Lord, sometimes it's about fatigue and sometimes it's about duties. And sometimes...it's about correction. You may have noticed in my playlist, I do have a video that says, "When You Don't Hear From God and It's Not Your Fault". You may want to delve into that a little more deeply. But, this time, it WAS my fault. So, I'm going to share with you the process of how He brought it to light, and how He healed me and delivered me. And He had a few words to share about it, too.

A few days ago, I was able to buy a thumb drive and cable for our computer - a couple more items for our computer - for some work I felt I needed to do. Now, the Lord is very strict with us for His own reasons, which He shares here towards the bottom of the message. And I tend to be more liberal with myself. He has taught me over the years to make do, and I really do mean "make do!" Mending instead of replacing clothes, in general not focusing on the things I ran after when I was a "gentile." Well...when I wasn't a believer. I ran after all kinds of things! I was a professional photographer, and I always wanted to have the best equipment. The best equipment and be well dressed and the whole nine yards, right?

But, when I became a Christian, He began to focus me in the direction of simplicity because it leads to humility which I have found to be the foundation and roof over my life. And so, for the most part, walking by clothing and such at Walmart is not an issue. I just ignore it, because I have enough to cover my body and the only one I want to impress is the Lord. And my husband's happy with the way I dress, so those things don't matter to me.

But, since I considered this a very small but important purchase, I didn't check with Him to see if He wanted me to have it. I just ran down to the store and bought it. Well... I have to admit I did have somewhat of a check in my spirit, but I'm very good at justifying things...can anybody else relate to that out there? Yeah... So, I just convinced myself that these items were necessary, and He wouldn't mind. Right?

Wrong. He didn't want me to have these items and I began to get Rhema readings about sin, which began to greatly concern me. You know, on the note of rhema readings, I'll pick up a book by an author that I appreciate, and I'll ask Holy Spirit to give me a reading. And, my rhema readings were not good for a couple of days, and I thought 'uh oh'.

And then, when I came into prayer to get a message for my Youtube family, He was very quiet and not as

accessible to me as usual. Well, I was also very tired. So, I wasn't sure if I was just extremely tired, or if He was grieving and not very talkative, because other people had experienced that.

I began to feel like I might have made a mistake, and I needed a confirmation. In this case, Ezekiel had other things on his mind, and he wasn't sure what his readings were all about, his rhema readings. So, we needed an outside source.

After two days went by, I knew I'd made a mistake and I felt terrible. I was still in my mind trying to justify not checking with Him against common sense need - I was still trying to do that. So I wasn't totally convinced until a friend prayed for me. I told her, "I'm a mess, I don't know what's bothering me or why but something isn't right, and I'm not feeling good inside." So, she went into warfare for me.

She wrote back a couple hours later:

"There was a dark mist all through the house when I first started praying. I prayed in tongues after the binding prayer for a long while. There was a "block" over me for a bit - then Abba Father broke through with brilliant light, and I went to your house (in the spirit). I stood at the ready with sword drawn, there in your sunroom -but I didn't see anything except this mist.

No matter where I looked, there was this mist. As I prayed, the mist started moving away and clearing, and I saw angels stationed here and there. There was finally just one, small "cloud" of the black mist. I asked Jesus what it was, why it was there. He called it "sorrow and disobedience."

I asked why -and He said that you need to be conscious from now on to go to Him first about EVERYTHING you do. Not make a mistake, ask Him first, and let Him make the decisions specifically what to do, where to go, and how to handle these things. This was a big point. Like what to do with the money from returning the things you bought: you are to ask Him what to do with the credit specifically, before you go back to the store -and then do what He tells you. He's not angry with you or anything - just insisting that you make ALL of your decisions WITH Him from now on. I don't know why - that's all I sensed."

Well, I know why.

When I got her reply, I was so disgusted and grieved with myself. I had failed the Lord and done something without His approval. I just sat and cried for the longest time. I had a little communion service and repented deeply for my Pride and afterwards I saw Him almost nose to nose, listening very carefully to my thoughts.

I'm so sorry, Lord. I'm so, so sorry.

He replied, *"I forgive you, Clare. Let's rebuild."*

He went on and He said, *"I wish now to move on with caution, Clare. Your enemy goes about as a roaring lion seeking who he would destroy and he knows your weak points very, very well. And he has taken careful aim and shot poison arrows into your heart. And because you were not wearing the mantle of humility they took hold and fouled your heart."*

"Now we must pull out these poisoned tips and apply medicine to break the bondage. Oh, he is a clever one, using you against yourself. But we will have the victory because you love Me and I love you and nothing about that has changed."

Well, at that point, more crying...

"I'm here, Clare. I love you."

Oh, thank you, Lord.

He asked, *"Can we dance together, for just a little?"* ('Cause I had come straight out of my communion service to start writing.)

Oh yes, Lord, I'd love that. Would you please restore the mantle of humility?

"It is already restored."

And I could feel it - it's kind of that broken feeling. And so, we danced together for a little while and He said, *"Shall we finish the message?"*

And I was so glad He said that, because I felt you all needed to know about these deep pitfalls in the spiritual life so you won't fall into them.

"My Bride, when I am crafting you to your ultimate purpose, I have a certain image in mind. What would not be sin for one man might be sin for another, because I am creating a work of art and bringing to the surface all the gifts I endowed you with at your conception."

"I alone know the majesty and beauty of the finished product. I alone know the road you must take and the form you must fill to become who I have meant you to be - and that takes work on My part and obedience on your part to produce."

"A computer cable and a thumb drive might not be a sin for one person... but for you? I have put a check in your spirit, and when you ignore or explain away that check you are treading on dangerous ground in a forest full of demons."

"When you feel you must justify something to Me when you suspect I don't want you to have it, you know you've entered that dangerous, dark wood of demons stalking you because your armor of humility is down. Any time you contend with Me, your armor is down and the enemy can see it clearly."

"So, he takes careful aim, and unless you repent immediately, that arrow finds its mark in your heart and infection sets in. If you are not careful to immediately come to Me for surgery, it spreads throughout your body and off the track you go. And, if you continue and continue to go off course, they (the demons) begin plotting your way to disaster. That is why immediate repentance is so important."

And as an aside here, guys - I don't know if you have ever experienced lusting after something. You know, where you just have to have it - you just absolutely HAVE to have it. And all you can think about is HAVING IT! I'm not talking about sexual lust, I'm talking about lusting for some thing...a beautiful

object, or a useful object or whatever. And you can feel it, it's like a poisonous infection when he shoots that arrow into you... that poisonous dart circulates in your whole body and it causes you to be on FIRE with a fever of lust for something. I've had issues with that all my life long, so I know exactly what it feels like. So, for me it's not just a matter of getting the arrow out, it's stopping that infection that's raging. It's really an infection of self-will more than anything else. Pride is what caused me to go off the track, and self-will will KEEP me off the track if the Lord doesn't correct me pretty quickly.

The Lord continued: *"At one little infraction, the armor opens just a little. But then, as you follow that course, it opens a little more and more and more - until you are fully exposed and then the stage is set for deadly and life altering sin. You have noticed how gentle I am when you first begin to get off the track. If you catch it right then, I breathe a big sigh of relief. I hate to see you go your own way, it always has painful consequences. In a vessel unto honor, it also hurts others, because it dilutes your capacity to minister."*

And then I began: All you have said, Lord, bears witness in my spirit. I am so sorry, dear Lord. Teach me obedience and humility. Please help me to catch myself before it gets serious enough to affect others.

And He started again and said, *"And to all My Brides, I would say: take heed lest you fall into various temptations that bring about the ruin of My plan for your life. Anytime you feel a 'little' check in your spirit, that is not just a 'little' check - that is a warning. It begins with one, small, act of disobedience and progresses from there towards disaster."*

"That is why I have told you that 'He who is faithful in the little things, will also be faithful in the greater.' So in essence, I cannot trust you with the greater gifts until you have mastered self---control over the little ones."

"Don't make the mistake of confusing Me with earthly men, who quite often will bow to your desires to make you happy. No, I am God, and have a much greater happiness in mind for you! And because I love you, I am not willing to settle for second best or to see you fail. Yes, it hurts me terribly to correct you. But, I would rather go through that pain and see you weeping tears of sorrow before it is too late to correct and you've lost an important element of your life's mission, or we have to go 'round the mountain' again."

"My Brides, I do not deny you some pleasure for anything less than a very important purpose, so please don't begrudge Me even in the little things your conscience bears witness to. Gladly hand them over to Me and we shall be at our destination in no time."

"My heart now is to bless you with the pivotal virtues of obedience and humility, without which you will miss the opportunities I have sown into the fabric of your life."

And that was the end of the message.

After He had spoken this to me, something came to mind that I'd read once. It's a 13th century parable, it really came to mind.

"Obedience is like a knight clothed in a full suit of stout armor, with his sword on a strong and spirited horse. Riding into battle, he surely has the advantage over his foes. Whereas, Disobedience is like a

knight with no helmet, no armor and no sword, seated on a sorry nag of a horse. He will surely be unseated, dislodged and taken captive."

I think that was a Christian by the name of Giles, Brother Giles. I love that parable, and I think of it - I think Holy Spirit brings it to mind whenever I'm about to step out of that sphere of obedience. It's very tricky, it's very slippery.

The Lord bless you all, and I hope that you learn from my mistakes. Let's pray for each other, because it's so easy, so easy to get into self-will and move to the right or the left without the Lord's permission. And that one, little move can have terrible consequences for the future.

Terrors of Isis, Please Intercede

June 17, 2015

Well, here we are, precious Family. I'm going to share a few things with you, not to complain but to let you know that things are indeed getting closer to the time when the Lord's coming for His Bride. They are getting more intense and He's allowing more intensity.

One of the things that Ezekiel and I have been going through is just a real difficulty with concentrating, staying awake. Feeling really exhausted and very dry prayer times. I mean HOURS and hours of dry prayer time. We got a notice today that came across our desk about more terrorism with ISIS, that they're killing little babies and children in Iraq again. They've increased, I guess they took over a new city...uh, it's just terrible what they're doing to these little infants and these children. It's just heartbreaking.

So, I didn't really know what all of this was about when I came into prayer - I just knew that it was like wading through molasses. Even getting prayers out in my heart and my mind, you know. I was just...everything was so heavy and thick. I was wondering why in the world am I feeling this way? And is the Lord even going to speak to me?

I had a breakthrough with Jesus when we were dancing finally, after 6 or 7 hours. He had me in a very tasteful white and silver evening gown that twinkled as we moved, with a purple orchid on my right wrist. Purple is the color of suffering. My shoes also matched this amazing gown with brilliant twinkles of light shimmering off of them.

I'd never seen myself in shoes before! These were high heels. I'd never seen that before - they were really beautiful, actually. And I don't wear high heels at all - I don't own a pair. So, I was rather amazed at this beautiful outfit that I was wearing and the high heels.

There had been several hours of prayer. It seems that every little thing is getting more and more difficult. Hours pass, dry hours where I doubt my standing with the Lord, and even question if He is going to continue to speak with me. These emotionally and mentally dry hours are excruciating in the spirit because I cannot reach out and touch Him or see Him, let alone hear Him.

My eyes grow heavy, my heart lonely until He finally comes and speaks with me. I began my worship time around 10:30 in the evening, and here it is 5:30 in the morning - and He has just spoken to me. I question, 'Is there something wrong with the way I am worshipping? What's different here? Is there more sin in my life I have yet to recognize?' Well, I wouldn't doubt that. I mean, there's always something...more imperfection.

I lose track of eternity. I mean, it gets to the point where I lose track of eternity and begin to weaken and complain and think only of the moment, of the heaviness that seems to pervade the very air I breath. Everything is noticeably harder for Ezekiel and I. More fatigue, eyes that don't want to stay open, bodies that fall asleep... Oh Lord, what is going on here??

Finally, He answered me and He said, *"You are under tremendous oppression right now. Please - offer it to Me - it is needed. Oh, Clare, if only you could see the travesties being perpetrated on humanity right now, if only you could see."*

Oh, Lord I don't think I can see. Oh, please Lord - just hearing about this with ISIS is too much.

"Well, take a splinter from My Cross then, and just carry that, please. That's the least you can do.

"Tell them that I need their sufferings and oppressions for innocent little ones being murdered in cold blood, that I might remove from them the pain and terror they are at this moment suffering. Yes, I always send you little updates on something when I want you to know about it. That's why you don't need to search the internet."

I was thinking to myself, 'You know, I wouldn't have known about this unless someone had brought it to me.' But He has ways of letting me know and then He comes in on prayer and explains why He brought that item up.

And for you who are new to our channel...there's a whole understanding of why the Lord allows suffering in this world that we've done several teachings on. It has to do with carrying Simon's Cross - the Cross that, when Jesus was carrying His Cross, Simon was called in to help. Simon of Cyrene was called in to help carrying that Cross - this is after the pattern of Jesus and Simon.

We are carrying a cross so that the suffering in our lives can be turned into opportunities for the gospel to spread and for people to be relieved of their suffering. The Lord's done the finished work of Salvation on the Cross, but still the message has to be delivered and people that are suffering terribly need to be relieved of that.

And somehow, in the economy of things, spiritual economy of things, the Lord removes the suffering from them and spreads it thin throughout His Body so that we can all carry it. And that's what we mean by "a splinter from His Cross". It's not works righteousness, it's not about works at all. It's about loving the Lord enough to lay our lives aside for a few moments and help Him carry the Cross that's needed for these people to receive Him and for them to be relieved of their suffering. These poor, innocent little children.

So, that's what He means when He says, *"Tell them that I need their sufferings and oppressions for innocent little ones being murdered in cold blood."*

"In this furnace of affliction," He continues *"you are removing the sufferings of so many little innocents. What is being done is beyond human, it is pure demonic. That is why so many on your channel right now are going through very, very hard times."*

And again, an aside on that is, when you're a Bride, truly the Bride of Christ and truly have your heart and mind riveted on the Lord - you pick up on His suffering and on the things that He's having to go through in watching what's going on in the world. You're there to comfort Him. It's a very intimate relationship.

The Lord continued: *"Part of your depression is a suffering in the subconscious for what is happening with others."*

Yeah, I've been hit with some nasty depression, and Ezekiel as well. So, part of it's a suffering in the subconscious for what's happening with others around the world.

"You are all united by My Spirit and the Spirit is strong on little children - you are intercepting some of their cries and pleas. Many of them are too little to understand what is going on. I cannot tell you how much comfort you bring by your intercession and the cross you are carrying right now."

"Didn't you expect it to get much worse before My Coming for you? Well, believe Me, I am spreading it around - that is why there is so much sadness and fear in the world right now. But cheer up, it won't be long."

Oh, Jesus! It is so horrendous what is being done to these babies, please, oh Lord, God... please intervene on their behalf.

And I know Ezekiel stood in prayer for hours tonight on behalf of these little children.

The Lord answered me, *"You know that this was arranged before they came to Earth, do you not?"*

Oh, Lord, I hadn't even thought of it.

"Well, it was. What is different is the suffering I am sparing them through the intercession of saints all over the world and they're shouldering this cross with great love and devotion."

So, what He's saying here is - again, I've done a teaching on this - He's told me before that when a soul chooses to come to Earth, they are aware of the sacrifices they're going to have to make and the suffering. I know it's impossible to believe that a pure soul would choose this kind of suffering, but some of them do.

"Yes, I know, even the messages are getting more difficult to intercept. This is yet another piece of My Cross for you, Beloved. Thank you for bearing up under it. No, it is not a punishment, Clare. It is a cross, another offering for loved ones."

Lord, I thought perhaps my imperfections were causing You to withdraw from me just a little bit.

"I know what you thought," He said. "That is why I brought it up. We dealt with that yesterday, now this is a different story. Please do continue to persevere. I know it is hard, but there is no easy way to do it. All over the world there is suffering, Clare, all over the world. Much is the direct result of sin, and many are the innocent victims."

"Satan's hatred for mankind knows no limits, he is out to purge the Earth of every last soul. His time is short. Little do they know it, the ruling elite are going down as well. They are only being used for his purposes and when he's done with them, they also will meet with their demise. And unlike these innocent children, whom I have taken to Myself, their eternity is in the fires of Hell."

Then He started to address these people: *"Think not, Oh wicked generation, that your children and grandchildren will be spared. Oh, no. You will all perish together. Those who are yet innocent I shall take to Myself. Those who are corrupted in the blood of innocents shall go down into the fires of Gehenna"*

with you, and their worm shall never die. Oh, it would have been better for you and for them that they were never born. But now that you have sown genocide you, too, shall reap from its jaws and even more unto eternal damnation. Yes, weep and wail - your time is coming.

"But they will not weep nor wail until their time is upon them. I know it seems to you to be impossible that souls will agree to that short little life and such suffering, but they see things from a different perspective than you do. They have made a choice borne out of understanding which you do not have as you live on this level. But I have promised them respite from the suffering and that is what your prayers are accomplishing.

"So, I just want to say, please - persevere. Know with surety of heart and mind that I am coming and as intensity mounts higher, so will My grace be released. Just don't give up on Me. Persevere under trial and make yourselves worthy of My Name.

"I am waiting on you, My beloved Brides. Call to Me, that I might endue you with stamina, knowing full well you are making a difference just by carrying your daily crosses."

And I would like to add to this. Lord - You know that we want to deny ourselves and pick up our crosses and follow You. How I am praying right now that You would give us all more strength and more patience. Help us to be joyful in the fact that we are helping others, even when it's difficult. Let there be a joy and an awareness in our hearts and our souls that this is bringing relief to others who are suffering. That we might have Your peace, Jesus. And truly be Your Brides, standing at Your side and carrying our own crosses as You carried Yours. amen.

Ezekiel's Rapture Dream, We Can't Make it Happen

June 18, 2015

The Lord's blessing be with you!

I have several...actually I have couple messages to put up, but I'm just going to go ahead and do Ezekiel's Rapture dream here, because I think this will help a lot of us right now as we're waiting for the Lord's timing.

Ezekiel had a dream yesterday morning and in this dream he found himself in a place where multicolored parallel lines were running swiftly in one direction - almost like running downstream, all these different colored lines were just running downstream. People were on them, going to their destinations. The lines on the outside were dark shades of color, while the ones towards the center got brighter, with more intense in rainbow colors. At the very center was a white line, a pure, brilliant pure white line.

People were riding these lines and they would be standing or laying down, but many got off at different destinations, according to what they were attracted to: amusements, things, glitter and glamour, the world. Just anything that's of interest and they'd get off out of this stream of light and move over to check different things out. But, the roads they took to get off always led to a dead end.

At the very center of these lines was a brilliant, pure white line.

Ezekiel comments at that point:

I saw a man dressed in white standing in the very center on the brilliant, white line with his back to me, his arms outstretched. He had long, flowing, bronze hair down to His waist. He turned around and looked at me - it was Jesus. As the lines were all moving downstream, He began to move towards me. I was so excited, I jumped up to grab Him in my arms...but I missed Him. He went flying right by me.

Unbeknownst to me, He had flown up and made a wide circle coming back around to get ahead of me in order to align himself in the stream of light again. I couldn't believe it - it looked like he was giving me a second chance! So, this time, I determined not to do a thing but just lie there and be passive. And as I just rested, waiting on Him, He came down to me and I was literally swept up into Him. I felt such a feeling of ecstasy, fulfillment, contentment and total joy, like we really were united as one.

I realized that He had been doing this for other people all along. If they would lay back to receive from Him, stay open and be there for Him passively to receive from Him...in His time, by HIS choice, He would pick them up and unite them to Himself. So, it's a receiving thing. We can't grab the Lord and make it happen - we have to wait on His timing.

We can prepare our souls for Him to come and visit us, but He doesn't come because we are clean and righteous. That would leave many of us out. And besides, that's works righteousness, and we all know that is NOT what the Lord taught. He comes to us because of His great love for us. So, please don't be

preoccupied with, "Did I do this right? Did I do that? Did I forget something - am I not doing something? Oh, I'm afraid I won't have time to be good before the Rapture!!"

It's not about what we do, it's about His love. And receiving His love.

Okay, so that's kind of the end of Ezekiel's dream and this last remark that Ezekiel made "It's about HIS love." I just want to clarify something. When I'm talking about being passive, I don't mean just being empty-minded, or passively empty-headed. That's a recipe for disaster! 'Cause the demons will oblige you if you do that!

No, that's like a form of meditation that's very dangerous. What we mean is, be active in loving and worshipping Him, but not expecting to be able to grab Him to come down to where we are or to "be there" for us. But rather to be waiting on Him, I think would be a better answer. To be more passive in our expectations of what He's going to do, be active in worship and adoration, but count on His action and His timing to come and meet us.

And I think many of us are still kinda hung up on the works righteousness thing, where we think if we do more, and we do "better" - then we're more worthy and the Lord will pay more attention to us. It's not like that AT ALL. It's that He loves us tenderly and dearly and He wants to be with us, but HE knows when the best time is and when time is not good for Him to be with us, where He needs to let us work some things out in peace and silence. And when we need a visitation from Him. He understands all of these things and He's forming us like a potter forms clay into a pot. He has to do that.

And sometimes, you know, you have to let the clay dry, sometimes for weeks so that it doesn't burst under pressure when you put it in the kiln.

So, the whole idea is for us to be prepared. To live according to what we know is right, to the best degree that we can. To count on the Lord to make up the difference. And to tell Him, "Lord, I'm too little! I'm too small! I'm not strong enough - I don't have enough of this gift. Please help me!" And the Lord living in you, Jesus living in you will accomplish it. And He sees us as perfected in the Father. He sees the finished product and He trusts totally how He's going to bring about this perfection.

All we need to do is to receive it and to cooperate with Him everyday. We can't earn it. We can't grab it for ourselves. We have to wait on the Lord, do what's right and wait on Him. And in HIS season, in HIS timing - whether it be the Rapture or it be an encounter with Him in our prayer time, He will visit us. When it's right for us. Until then, we just need to be ready and patient.

And I want to add one other thing to that. And that is, that if we have the intention to be perfect and to do as much as we can to be perfect. If we have the intention to obey Him and we do everything we can to obey Him - that makes up for the difference between our falling or our lack. The desire is what makes it complete, because we desire to be in that place. Even though we're not in that place yet.

And so, we have to let go and trust that the Lord will engineer the perfection. He'll do it Himself. And not get all worked up about it, but to entrust ourselves to Him, knowing that He sees our heart. He sees what we really, truly want. And He's going to bless us according to our hearts, NOT according to our ability to live up to what is in our hearts. Because all of us fall short in some area, and that's where He steps in and makes up the difference.

All that you do in those seasons where you do fall short, where you do fail at something, all you can really do is to repent from the heart. To have Godly sorrow for your mistake - and that's good enough for the Lord. That true repentance and turning away from sin, or turning away from that temptation. Repentance and turning away, making no provision for the flesh, but only for the spirit is what's going to make the difference with the Lord.

Not that you are perfect every moment of the day, but that you're constantly, continually focused on pleasing Him, on being obedient and on doing the right thing. And that when you do fall, you don't beat yourself up. That's pride! When you beat yourself up, it's pride, because you're saying you should have been perfect. And nobody's perfect but God.

But when you do fall, coming to Him and being truly sorrowful for falling, and asking forgiveness - repenting and turning around 180 degrees and going the right way direction. That's SO pleasing to Him! That's what He's looking for in each of us in our hearts. And that He will reward.

May the Lord bless you, Dear Family and I hope this clarifies some things for some of you, 'cause I know there seems to be a lot of anxiety about "What have I done? What have I not done? Am I worthy??" And it's just not anything about worthiness - it's all about the Lord's love for us.

So, don't be so anxious about your position with Him! He loves you, He's perfecting you and He's taking you with Him in the Rapture. Be at peace!

The Hordes of Hell Have Been Released, CERN opens the portal

June 20, 2015

The Lord bless you, dear sweet Youtube Family. You are all so precious. I want to thank you for your prayers and for your support of us. You have been doing a wonderful, wonderful job. And we are having some breakthroughs over here.

I also want to thank you for your patience on behalf of the Lord, in putting up with sufferings and inconveniences for the condition of the world. I know a lot of you are really suffering, and you're taking it so well.

Tonight's message was pretty important, I think. I have two messages...well, I have a teaching and a message. The first message is going to be "The Hordes of Hell Have Been Released."

The Lord and I were dancing, I was deeply, deeply drawn into worship tonight, in the sweetest, most precious way. But I was interrupted a zillion times! And that's what the next teaching is going to be about. That's a new kind of "stupid" on my part...

But anyway, um...maybe it's not so new... thinking of it...

"The Hordes of Hell Have Been Released." We were dancing very tenderly, just quietly. He was embracing me and we were just dancing, and all of a sudden I saw this black cloud coming towards us and going over our heads and passing over us. Something landed on the Lord's shoulder and His neck, and I looked at it - it was a bat. It was a vampire bat. It had canine teeth. Wow! He picked it off His neck and He said to me, *"The hordes of Hell have been released."*

"They have gone out into the world to stir up rebellion. Man against God, and yes, CERN does have something to do with it. These men are so blind, they have no idea what chaos is going to mean for them. And by the time they find out, it will be too late to stop it. It will already have a foothold and have destroyed half the Earth."

Now, as an aside here, at the CERN facility they have a statue of Yeshiva that's lit up at night, right outside the building. And Yeshiva is representative of the destruction aspect of life, and of chaos. So, the Lord is saying basically, these scientists are so blind that they don't see the kind of chaos that they're going to create and what it's going to do to them.

And I cut in at this point and I said, "Lord, I thought CERN was affecting more outer space and these creatures were coming from some demonic planet or something."

"Hell is in the bowels of the Earth and a particular dynamic of gravity has moved aside the protective shield I put in place to keep these demon infested creatures from ruining the Earth."

And as He was talking, I kept seeing something like a huge translucent fish scale plate over an area of the Earth that had been moved by the doings of the accelerator.

The Lord continued, *"Clare, in fact it is very, very sad. I see these children messing with things they do not understand, thinking they will outsmart Me in some way, or be able to duplicate what I have created, thereby attaining equality with Me. Much of this is simply academic pride and a group of men and women climbing the professional ladder, wanting to perch on top and declare their brilliance to the world, that they are in fact equal to Me.*

"There is one glaring fact they are still missing: and who created Me? You see you can play with the building blocks I've given you, but they are still held together by My Love and My Power. Yes, they have rules that can be manipulated to produce various results, but they are all created by Me.

"Were I to remove the blocks, the universe would cease to exist and them in it. They would be nothing more than globs of energy floating around in a void. This, by the way, is Satan's goal: using their ambition to destroy them. Right now they can't see that. As I said, when they do, it will be too late. But I will step in, so the universe will not go belly up like a balloon whose nail has been untied.

"How I long to fellowship with some of these great minds that I created and breathed life into. But no, that would ruin their career, so even though some of them know deep down that they are being called into the true realms of science, like Pontius Pilate, they will not risk their careers by following that call. Pontius Pilate knew better than to crucify Me, but he did it out of fear that Caesar would ruin his career because of the uprising if he didn't. And now look at his un-enviable future in Hell. He was warned. They've been warned, but lust for position and fame have overtaken them. Nothing short of a miracle can stop them.

"So, here we are on the brink of disaster, the hordes of hell have been released into the atmosphere of Earth and all they know is destruction and hatred for mankind and all I've created. So, they will manifest now in ways no one could imagine to set to work, through mankind, the destruction of Earth. They will have their way Clare, I have given it into their hands."

But what about the prayer 'world without end?'

"Oh, the Earth will be devastated, but it will not end. I will bring with Me a new Springtime. The beauty of a freshly created Earth, I will restore everything. The greater portion of those involved in the accelerator project are not evil, just very ambitious and without basic intelligence. They overlook the very foundations of life to pursue a way-out-there academic goal that will bring them fame and glory; that is why I say they are lacking in basic intelligence. A smart little toddler could easily prove to them that they are playing with fire they cannot control.

"So in essence, these hordes of Hell will begin to inspire men and women on every level to do things that will end in ultimate disaster. They will sit on the shoulders of people and suggest things that look innocent enough but will set a wave of destruction over the whole Earth, through the whole ecosystem, through the mass mind of man, controlling more and more the thought patterns and physics of psychology for their own irrelevant ends.

"Again, these are lacking in basic wisdom and intelligence.

"Not understanding God and morality, not being taught that as the basis for a healthy life, they have no fear of God, no understanding of how things are perpetuated. They have totally tossed out the idea of faith and religion and the significance of moral conduct and living Godly lives. Had they pursued the Truth, and only the truth, they would have found how very foundational that is and would have had a holy fear of messing with things I created in a certain order.

"Well, I wanted you to understand, Dear one, you are going to see an acceleration of evil from today onwards. Yes, evil is about to bite mankind, infect and destroy it. It will begin slowly but gain momentum over the days to come. Please. Be steadfast in suffering, in putting up with the abundant annoyances I allow in your life. Offer every one of them as a wedding present to Me.

"And for those of you who are carrying the heavy cross of sicknesses, you are holding back the wrath of God and helping Me to draw many into the Kingdom before it's too late for them."

Lord, is there anything you can share with me about what's going to happen because of these hordes that have been released into our atmosphere?

"No, not at this time My Love. But you could share with them the embarrassing situation you found yourself in today and how it cost you dearly. Oh, I had some wonderful things planned for our time together and your focus on food robbed you of it."

"I'm so sorry, I could feel a special sweetness in prayer, I really wanted to be with You tonight. I'm sorry for not obeying..."

Okay, guys. If you want to know what that's about... That's the next video and the title of that is "But, Lord!"

The Lord bless you tonight and give you the perseverance and the peace in your heart that we so desperately need right now.

Amen.

But, Lord! A Funny-Sad Tale of Disobedience and Pride

June 20, 2015

Oh, I'm laughing - but I should be crying! New levels of obedience and new kinds of stupid...

Well, at the end of my last message on "CERN, the Hordes of Hell Have Been Released," the Lord asked me to share my new kind of stupid...my rebellion and pandering to my belly and what I think is best...my Pride. To share that with you... So, here goes.

I went to the store to pick up (you know, you guys are going to be able to see yourselves in this, I think... A lot of you are going to be able to see yourself in this. And as a result of that, you're going to have a lot more hope for yourselves than you had before!)

Today I went to the store to pick up a couple of things and thought I'd get a cream cheese coffee cake - I'd been having an urge for that. And maybe that would have enough protein and sugar so we wouldn't crash when we had our nightly sweet craving. I bought it and brought it home and tried it and it was so sweet and very little cream cheese, and rather bland. I thought, 'I could make one much better than this!'

Now, the instant I had this thought, I heard a voice, "I don't want you to do that." I thought this must not be the Lord, because I really wanted to make something not so sweet and surely He would approve of that. So, I brushed the voice off.

Well, a few minutes went by and I had to stop somewhere else on the way home, so I said to myself, "Well, I'm going right by the store. I'll just run in and pick up some cream cheese and a couple flakey dough rolls I can use for the crust." Again I heard the voice, "That's not My will...."

So, this time I began to argue with who I was beginning to think was the Lord. "Oh, come on, Lord - you can't be serious. You know how sweet that store bought coffee cake is, surely You don't want me eating that. And it'll only take a minute." So, I proceeded merrily on my way, kinda worrying about a lightning strike as I walked into the store across the parking lot.

Well, on my way home I began arguing with the Lord. "Come on, this can't be THAT wrong, I'm tired of crashing because of sugar. I know this is the healthy alternative - You can't be against that, can you? It will only take a minute to make."

I quickly purchased my cream cheese and dough and came home. Of course, Ezekiel represents Jesus in my life... so I didn't want to tell HIM what my mind was going through.

Just to prove to the Lord that it wouldn't take any time at all, I warmed up the oven and started making the filling. I unrolled the dough into the glass baking pan, and poured the cream cheese filling into it. I looked among my bags, anxiously wanting to find the other roll of dough so I could get it into the oven, but the top crust that I was going to make - the dough - was nowhere to be found. I thought to myself, 'Alright,

Lord, this IS You. Did You deliberately take that tube of dough so I couldn't finish this coffee cake?" I waited for an answer... Dead silence.

"Very well," I said with the bit of rebellion in my mouth, "I'll buy another." The store being only three minutes away it wasn't a big deal, but I really didn't feel like going out again. So, now I was entering into reason with myself, "You know this isn't good. How can the Lord protect you from an accident when you're being this way? You'd better pray for mercy."

Well, I got to the store, went in, bought another roll of dough and headed home. The oven was just the right temperature, so I put the coffee cake in and started putting groceries away. A few moments later, Ezekiel got up from a nap and it was beginning to get dark outside.

Now, we live in a very old adobe house. The wiring is anything but safe or substantial and this particular little brick oven we use has the nasty habit of tripping the breaker, so one of us had to go outside to reset it.

Ezekiel asked me, what I was cooking? I said, "coffee cake." He said, "In the oven?" I said, "Uh huh." He said, "How long will that take?" I said, "45 minutes." He groaned.

Well, I thought, all's well that ends well and after 45 minutes went to check on the coffee cake. Mind you, I had been in worship for about 30 minutes and the Lord and I were really connecting, and it was frustrating for me to have to get up. He didn't say anything about the cake so I thought maybe it was a lying spirit all along.

When I checked on the coffee cake, I saw that the interior of it was still "jiggly" and hadn't set. I started getting concerned. I kinda made this from memory, and I didn't put any flour in the filling to help it thicken. Already this coffee cake had taken time away from prayer and now the frustration of dealing with an oven that caused us to turn all the lights in the house off till it was done baking... and it wasn't setting. I realized I hadn't put any flour in the filling and wondered if it would ever set. So more time, looking up the recipe and finding that out, was wasted.

The presence of the Lord was so sweet, so I went back to prayer while it was cooking again. But I was so distracted to check on the cake I got up again, saw it was still uncooked and started to worry. Then the electricity went off. I ran out to fix it - more time wasted. I came back into worship and couldn't get that darn coffee cake out of my mind. Ezekiel said, "Oh, it'll probably set if you take it out." The top was golden, so I took it out.

And I went back to worship while it was cooling. And then I thought to myself, 'Is it really going to set? Oh, I don't know if it's going to set - I'd better go check it.' So, I stopped worship again and went in there to see if it had set. Sure enough - it wasn't setting! Oh...desperate measures. I took everything out of the freezer and put the coffee cake in the freezer to set faster. And went back to worship.

Fifteen minutes later I interrupted worship again to check and see if it was set. No, it wasn't. So I took it out of the freezer and put it back into the oven. Immediately the breaker went off. Well, I looked at it in the oven and finally it was baking, even though the breaker went off. So, we went and turned the breaker back on and left it to cook. While I was sitting in worship - again - after interrupting four or five times, I started thinking, 'You know? If I do a little surgery and take the top - the crust off of the cheese pasty, it'll

cook in the center better.' So, I stopped worship again and I came in and did a little surgery, pulled the top off of the coffee cake and put it back in the oven. Five minutes later I was into worship again and the oven went off, turning the breaker off again...

I'll tell you what. This was getting REALLY bad at this point, because worship was so chopped up. I mean, it's a wonder the Lord is so patient with me!! He was always there when I came back, and I had this longing to be with Him, uninterrupted. And it just wasn't happening!!

Now it was pitch black outside, Ezekiel was using a candle and I was using a candle, because we thought maybe if we used candles it won't go off again. So, I set the breaker back on and we reduced ourselves to two candles...and sure enough, as I started back into worship the electricity went off. Again. And again. And again.

'OK,' I thought, 'I give up.' But then it occurred to me there was a source of electricity that was not ON that breaker... Could we reach it? I wondered....

So, now Ezekiel and I were underway with a project to find the extension cords and run them to the other source. After plenty of work and time, we got the oven connected and I started baking again without the top crust.

In fifteen minutes it was really done and I pulled it out so I could put the crust back in. And the breaker went off! Again!! No, NOT again!!! Not again!!! How could that happen? It's not even on the same line?

Well, we figured out that it somehow was affecting both sides of the house. So, we found another electrical source that was totally separate and plugged that in. Ten minutes later the coffee cake was done. But by this time, I was totally frustrated in being with the Lord, I had to make dinner, and I was feeling so lonely for Him. I just wanted to be in His sweet, sweet presence without being interrupted. But by now, it was very late, and I needed to take a nap. So I laid down for an hour.

When I came to worship with my dinner, He began giving me a message and that was the end of our worship time. And I thought, 'Oh, no. I thought we'd have a least another hour or so of worship time!' But it was getting late in the morning, like 3:00 or 4:00 and He wanted to give me the message. We had to get going with it...

So, I really felt it was the Lord, I was in His presence but we have a little Bible Promise Book by Barbour Publishing. It's just a compilation of - you've heard me talk about it before, but for those of you who are new to our channel, it's a compilation of Scriptures under different headings. Like Faith, Holy Spirit, Lust, Sin - I mean, all kinds of things. It's a heading and then it'll have maybe 15 Scriptures under it. And I use it for discernment. Because the priests always sought the Lord by lots - so I know that when we seek the Lord for wisdom, He's not going to give us a snake if we ask for a fish. It's been very, very, very accurate as far as uncovering any time demons have been messing with us, when we're trying to get a word from the Lord.

So I went to the Bible Promises - and what did I open to...prayerfully? After prayer I opened to: "Woe to those who are wise in their own eyes, prudent in their own sight." Ouch!!!

Yeah...I'm guilty as charged...

And I thought, 'Oh, Lord - I'm so sorry...'

So I went again, and He said through the Scriptures: Therefore, since we have a great high priest who has passed through the heavens, Jesus the Son of God, let us hold fast our confession. For we do not have a high priest who cannot sympathize with our weaknesses, (uh huh...) but One who has been tempted in all things as we are, yet without sin....Hebrews 4:14"

And when I heard that word "sin" I knew this was sin that had gotten me into this place tonight.

So I was super convicted: Disobedience, Pride, "I know what's best, Lord. Really I do! I mean, Lord, it's better for me to have this than to have the other one..." Rebellion: "I'm going to make my cake and show you JUST how fast I can do it!" and Idolatry: "My stomach is my god, with a little gluttony thrown in for good measure..."

In my last message, I asked the Lord if there was anything else He wanted to say. He said, no, but He wanted me to tell you the tale of my disobedience. I thought, 'Surely Lord, not again! They are so tired of hearing how foolish I am.'

So I went to the Bible promises again, just to make sure it was Him and I opened to:

What did I open to?? "Whether you turn to the right or to the left, your ears will hear a voice behind you, saying, "This is the way; walk in it." Isaiah 30:21 And I ALWAYS get that Scripture when He wants to confirm that He's speaking to me.

So, there was no way of wiggling out of this. I hope I didn't bore you too much... Maybe I gave some of you some hope.

So there you have it. You see how much hope there is for you??? I don't care what you've done, there's still hope. Look at me, here I am supposedly a mature Christian woman, 69 years old, serving the Lord for 35 years... lusting after cream cheese coffee cake and because of that missing wonderful worship time with the Lord. He let me ache for Him and at the same time be totally frustrated in getting to Him because of my stubborn rebellion.

So, if there's hope for me, surely there's hope for you!

And just a little prayer:

Lord, please help us all know beyond the shadow of a doubt, that when You say 'no' there is a very good reason for it, and to cast down all the suggestions of the enemy to the contrary. Amen.

So, in short, the Lord knew that the enemy would use all of these interruptions to totally pick apart our worship time tonight. And HE was looking out for me, by telling me "no, I don't want you to do that, it's not My will." But when I disobeyed, He let the protection down and He allowed the enemy to sift me. That's how it works, guys. When you disobey, your protection comes down to some degree, according to what the Lord is trying to teach you. And He allows things to befall you, so that you can learn from that lesson that He knows what's best.

Sexual Temptations In Prayer

June 22, 2015

Tonight, my very dear and precious family, the Lord has something that He wants me to share with you. It's a teaching about getting closer to Him and the pitfalls and the things that are going to come against you and have been coming against you.

Earlier today in worship it was so beautiful. I was resting with the Lord in the Spirit. He was at my right-hand side and had His arm around me, I was leaning my head on His shoulder - and He was looking at all of you, at His Youtube Family. 'Cause I'd been praying for you all, that you'd receive the gifts that you need to be able to move forward in your spiritual life. He was very moved and tenderly was looking upon each and every one of you, and I know that He's bringing graces to your life, that you need at this hour, and that you so long for. And it was just a beautiful moment of feeling like family, receiving from Him.

Basically, what He's asking me to do is to explain to you some of the spiritual dynamics that are going on, when you come into worship and you desire a more intimate relationship with Him and hearing Him - so that you'll be able to cope with these things and know that He's with you and He's going to give you the tools to cope with them.

I've had a couple of people, a few people, come to me and say that they're having a little difficulty getting demonic resistance in spiritual prayer and dwelling prayer. And I want to talk to you tonight about what those things are, what those dynamics are.

So, let me go ahead and begin:

We worship the Lord in Spirit and in Truth. When we come into the Lord's presence in worship, it is both a physical and spiritual act. We have all learned from childhood how to navigate in the physical world, but we are less experienced in the spiritual. This is a learning process and a little more complicated than we perceive the physical reality to be.

Just because our sense are really tuned into that as well as our physical senses are tuned into things - our eyes, our ears and what we're able to perceive on a physical level. So, it's a little more complicated in dealing with the spiritual reality that's around us, and unseen most of the time.

For instance, talking about the presence of demons here. For instance - just as we encounter good people and bad people at the mall, when we are sensitized to the spiritual realm we will encounter God and His angels, and sometimes demons. Now, before we get the chills and weebee jeebies about demons, let me say that all of them are subject to God, none of them can act without His permission and very rarely will He allow them to overpower us. The kind of demons they dramatize in movies are very, very rare in day-to-day lives of the normal person.

So, what does an ordinary day-to-day demon look like?

Let's imagine for a moment, something has burned in the oven and the house is filled with smoke. So, you open the doors to air it out and a mangy old dog comes wandering in to check your house out. He goes here and sniffs, lifts his leg and there he goes, lifting his leg again on the couch, on the cabinets, etc. and claiming his territory. When you spot him, what's your first response?

"Out, get out! Go home! Go on, go home." And if he doesn't yield to that you might get a broom. (I'm a dog lover...please don't tell me how cruel I am. I'd probably feed him, unless he chased my cats, then I'd probably get a shotgun...cats are Alpha in this household.)

Anyway, It's your house! You take authority over your property and make the dirty influence leave. Most day-to-day demons are no higher than two feet, (if you could see them physically.) They're ugly, warty, slimy creatures that are scared to death of the Name of Jesus and His Blood.

The last thing they want is to be found out and sent back to the abyss with not having done what they were sent to do. The devils are mean. There's no love in them. They're terribly mean - mean to us, mean to each other. So, the consequences of being bound and sent to the abyss are not happy consequences for them or for their leaders. They're going to get some heavy flak for that. So, they're already afraid of a believer.

So, now that we have demons in a better perspective: filthy emaciated dogs or warty frogs - when you go to the grocery or other kind of store, you are entering a world full of demons that you probably will not see, but will feel the influence, if you're sensitive. For instance, they make all kinds of sinful suggestions based on our particular weaknesses. At the cash register, through our tendency to curiosity, they are tempting us to look at an unseemly, inappropriate magazine.

Through our insecurity, to buy more than we need. Through intemperance, to buy all kinds of luscious, fattening foods. Or in line, to judge the person ahead of or behind us. Through our need for attention, to respond to flirtatious advances by an attractive person of the opposite sex.

And where do you suppose all these temptations come from? They are all around us, and though we don't see the demons, we can feel their action on us by what we are drawn to and have to exercise self-control to avoid. I mean, you have to exercise resistance to these things. When you find yourself having to exercise resistance, I'd say that nine times out of ten you're dealing with a demon - not your own flesh. Although they work through the desires of our flesh, for sure.

In the same way, when we go to church, for instance, there are demons of gossip, jealousy, judgment, greed, lust - all kinds of demons trying to get our attention off of God. It is a spiritual fact, and I do mean fact, that wherever the Spirit of the Lord is, the demons of oppression are nearby, waiting to snatch the Fruits of the Spirit away from a believer. The more intense the Godly environment, the more intense the enemy's warfare. So, there you have a snapshot of what you deal with every day.

I'm sure you've noticed how you get interrupted the minute you try to do something holy or go into prayer, and the more important the task, the stronger the resistance. The number one threat to the kingdom of darkness is a spiritual Christian who hears from God. A person's intimate relationship with God is the most threatening thing to the kingdom of darkness. That's why so many of the really spiritual moves of God have come under so much opposition and fire.

In the course of events, Holy Spirit brings on a new movement of holiness and the devils respond by sending a counterfeit to confuse and scandalize anyone drawn to that movement. The enemy uses people short on discernment, who label it "from the Devil" and thereby try to put a stop to it. So, anytime you go deeper with the Lord, you will get demonic resistance: whether it be a child getting a fever just before you walk out the door to go to church, or telephone calls during prayer time that never seem to end if you haven't been smart enough to unplug your phone... Or car trouble on the way to a prayer group meeting. The more important the Godly activity, the more opportunity there is for you to be blessed and grow in the Lord - the more the demons are going to oppose you. They are there, whether you see them or not.

There are more subtle forms of resistance for people seeking an intimate relationship with the Lord. For instance, the Lord may allow your virtue to be tested while you're praying by allowing a lying spirit to say something derogatory about a brother in Christ. I think we've all experienced judgmental Christians coming on strong to correct us of something they know nothing about. But they believe that they have been privileged by God, that He confided to them our faults or something in the spirit, so they come on strong with condemnation. Who do you suppose planted judgment in their minds? Who do you suppose tells lies to separate the brethren?

Hearing a voice in prayer telling you negative things is a test in charity that I believe the Lord allows, to see just how mature and kind you are. So in other words, you know - the demons know when someone's falling short on a virtue! It's not like they need supernatural knowledge to tell that you have a problem with fear or you have a problem with vanity. They can see that clearly. So, when you go into prayer, even though the Lord may want to deal with you on a vanity - the demons might come across as "it's something that should be taken care of NOW", when in fact the Lord has a WHOLE different approach to it. But the demons know you have a problem with vanity, so they feed that to an immature Christian moving in the spirit - and he comes roaring out of prayer with judgment against you, that you're vain or you have a problem with vanity.

In reality, everyone knows you have a problem with vanity! And the demons have just put it in this person's head that HE'S privileged or SHE'S privileged to know that you've got a problem, and that you need to be corrected by them. So, that's typical, typical activity of demons. And I've been involved in that, I've learned things the hard way. Other people might - if they were given that information - they'd pray. They'd pray for us, or pray for you, or they'd pray for each other and not get involved in judging at all. In that respect, they would pass that test. A prophetic calling must have a rock solid foundation of charity and humility to keep it intact and from doing damage to souls who are struggling in their lives. To be useful to God we have GOT to have that foundation of charity and humility.

So, that's not something, charity and humility are normally not something that you come by very easily - these are things that take years to develop in us, if we haven't been raised the right way. Most of us have been raised in the world and our parents didn't teach us anything about that. So, that's something that has to be cultivated. And the Lord cultivates that in us, and so we can pass those tests. So that He can use us to minister to other people.

Another kind of test can be in the virtue of chastity. All of us have hormones, some of us have immorality and promiscuity even in our generational past. And getting close to Jesus, our most Beautiful God - being in His kind and loving presence and discovering His love for us, when we are hungry for affirmation and a meaningful physical relationship with a man... can make us more susceptible to a longing for a physical union. Demons standing by can even inflame the fires of lust in His presence if it is permitted by the Lord

to test our chastity and purity. If we follow these impulses we can fall into the sin of impurity, or masturbation. Galatians 5:17 For the flesh desires what is contrary to the Spirit...The acts of the flesh are obvious: sexual immorality, impurity...etc.

So, if we have these impulses in prayer... what do we do? Resist the devil and He will flee from you. It's not a sin to be tempted, but it is a sin to go with it. We don't resist the pure and loving affection of our God and Savior - we resist the sexual advances of impersonating spirits. And let me tell you, this is very, very common in Christian community where this kind of activity is going on, sexually in the spirit realm. It's something that people are either...too ashamed to admit that it's going on or they just are ignorant of it, and they don't realize what's going on. But it's demonic.

These sexual advances of impersonating spirits, these impersonating spirits are demons. They're still dirty little dogs. But they're projecting a costume that resembles our Lord Jesus, along with lustful thoughts. This is typical for demons. Halloween is a daily masquerade party for them. They project an image and snag a Christian.

Now, while all of this is going on - Jesus is there. He is God, He created hormones, He understands us and is not shamed by our temptation. Remember: He has been tempted in every way but never fell into sin. I have experienced this kind of temptation when I was in my 40's and God gave me the grace to walk away from it.

But let me tell you, it wasn't easy. The urge was extremely strong. I rebuked a spirit of lust, got up from prayer and began doing something else with my time and it finally went away. I saw Jesus and He warned me that it was a temptation from the devil and not Him, so I was able to walk away from it. But if I hadn't seen and heard Jesus clearly, it could have gone the other way.

Maybe you have had the same experience and fell into masturbation because of it. Don't be ashamed to repent and confess it to the Lord...just as you would confess gossip or lying. It's a sin. Don't let it stand between you and a pure and intimate relationship with God. This may just be a time in your life when you are really needy and very vulnerable. The Lord understands that and He's trying to bring you out of it.

I have had three people in our Youtube family come to me with this problem, so obviously it's not that rare. I'm sure there are many who have encountered this temptation and just don't know how to deal with it. But please, don't let a counterfeit "Jesus" steal your relationship with the REAL Jesus. Don't come to me and say, "This is too dangerous, this dwelling prayer. It's getting this close to the Lord. I might be deceived." If you've spent too much money at the store, or gotten hooked on soap operas, you've already been deceived. You just recognized it for what it was and next time you went shopping you stuck with your list and skipped that disgraceful channel. In just this same way, you will overcome temptations from the devils to fall into lust.

A little practice and some good rebukes in the Name of Jesus, and you will pass through your test of purity. If you know the Lord is Pure, that He is a Virgin, that He is our Creator - just that knowledge alone is enough to fend off lying spirits of lust, because now you can recognize HE'S not the source of that inspiration - it's coming from the enemy.

This is new spiritual territory you are entering. God will give you the grace to navigate it with self-control just as He taught you how to stand up and walk and keep your fingers off a hot stove when you were a

toddler. Don't let the enemy bully you by making you think he is more powerful than you. The demons are no more than filthy little dogs you can easily take authority over. So take authority, press into the Lord's warm embrace and keep on worshiping.

Now having said that, I want to point out that if you or your parents or your ancestors have ever been involved in drugs, witchcraft, Ouija board, studied the occult or Eastern religion in any form, crystal balls, palmistry, Tarot cards, anything supernatural, not of God - you already have a strike against you going into dwelling prayer.

One thing you have going for you is that you are more sensitive than most to the spiritual realm. On the other hand, you probably have company tagging along from your past. You may have been delivered, but believe me they don't give up easily. They delight in causing confusion.

That's one reason why we are so strong on worship leading into hearing from the Lord. Worship or praying in tongues clears the air and the environment. It settles also your motive. Your motive is to worship. You are coming to the Lord to adore Him, not to get something from Him - unless it is His love. You are coming to adore and worship and be close to Him.

Wrong motives are open doors to the demons. Check your motives: you are not coming to get supernatural Knowledge, or to stand out as a prophet among others, or to feel good and have a sublime experience, or to be better than others. You are coming to adore the Lord God Almighty, and to serve Him through worship.

Your motives in the occult were totally different. So, there is a purification of motives that has to take place and until that is completed you may still be vulnerable to deceiving spirits. So, should you stop worshiping God and seeking His presence? Of course not. You need to be prepared to fight your way through a wall of demonic resistance for your relationship with Him. Are you willing to do that? Do you love Him enough? Please don't come back and tell me that Dwelling Prayer is opening doors to demons for you. No, it's not. You and your past are opening you to demons. With the Lord's help you will get through this.

Don't you think I get resistance? I was a New Ager for 12 years. I got terrible resistance when I became a Christian. Even now I am extremely careful because I know I have pride, which proceeds a fall - and I know the enemy is looking for a way to bring me down. New levels, new devils... who are masters of disguise and will hook onto any ungodly motive that might still be lurking in my heart. They can read me like an open book, they know my past, they know my longings, they know my buttons, and they know how to erect a wall of un-teachableness in order to protect their strongholds in your thinking, so you will literally resist and dislike the very people and teachings that could deliver you out of the enemy's hands.

What I'm saying here is: not only do they know everything about you, but they also know how to protect themselves, by trying to make you unteachable, or telling you that you are above the necessity of being taught by anyone else. That you already "know all that", when in fact you are actually in a bondage.

What I am saying is that you need to be honest, brutally honest with yourself and your motives, and you need to value truth and the Lord's presence in your life more than protecting your ego or image. And you need to fight for your relationship with Jesus if you start getting any kind of resistance.

How badly do you want this intimate relationship with Him?

How badly do you want this intimate relationship with Jesus ?

How much of yourself and the enemy are you willing to overcome with God's grace?

He is with you and wants nothing more than to have this very tender relationship. He's given you all the tools, He's at your right hand, He's promised that nothing can separate you from Him...all that's left is your resolve and cooperation - and that you desire with all your heart to be with Him in an ever deepening relationship of pure love.

We pray Lord, that whatever maybe standing in the way, whatever lies or deceptions may be standing in the way of a pure and deepening relationship with You in our lives - we pray that You would move these things out of the way. Reveal them to us and give us the grace to fight our way out of it and to overcome. Amen.

Experiencing Jesus in Dwelling Prayer

June 23, 2015

I just wanted to share with you how we draw near to God in intimate communion in Dwelling Prayer. We call our form of prayer Dwelling Prayer, because we're dwelling with the Lord according to His promise that if we love Him, we will obey Him and He will dwell with us. (John 14:21)

We do have a playlist that explains the Scriptural basis for dwelling prayer and in that I go into great depths.

The name of it is: I'm Calling You To Intimacy (Playlist) Paste in your browser:

<https://www.youtube.com/watch?v=v4MZGRdcvNo&list=PLJPAM4wf9t65VEZlpObNPlihVpJtTEsV>

And, I think I will mention this in the description box and give you a link to that if you want to look at some of the videos that are on the playlist. But as a general rule, as this is only a general rule because the Lord likes to do things his way. You can do everything picture perfect and not hear a thing from the Lord.

I remember a time I went up to the mountain fasting and praying and I spent the entire day in Prayer and Worship and the lord didn't speak to me once. At the end I thought what is going on here, this is terrible, Lord? And, His basic thing was, and He said it to me clearly enough to realize 'WOW, you're there, you're here, you heard me!'

And it was simply that, *"You can't make it happen, Clare. It's up to Me it's not up to you. I don't care how many fasts you do, you know, it's still up to Me."* I find that very humorous but it's also very true.

But, we can dispose ourselves to intimate Prayer with the Lord, a visitation from Him. We can cultivate a relationship that will make it possible for us to fall into that place every night when we go into prayer. That's what we're hoping for and praying for, for everyone that listens to our channel. These are real difficult times and you cannot discern by the rules, all the black and white rules. You've got to be able to read between the lines and discern by the Spirit of the Lord. And, unless you've cultivated that ability, you can be easily fooled by people who say one thing, but they're thinking and doing something else.

Basically, before we come into prayer we use a Binding Prayer. And, this is an evolving prayer. I started, I think my first copy of it was a couple month's ago and every time I pray it I see something new that needs to be changed and after I've got enough things, minor details, that need to be changed, I'll re-post the brand new one.

The most recent Binding Prayer is the one you'd want to use.

This Binding Prayer begins with repentance for our sins and shortcomings. What's nice about that is that when you're looking at these different things that are possible sins that we could have committed during

the day, it kind of gives you an outline: "Ok, did I do that? Did I feel this? Was I angry with someone? Was I judging someone? Was I jealous of someone?"

So, it's a good idea to do an internal check about where you're at and what you've done today, your attitude about the day. Your attitude about the Lord and your attitude towards others. So, I'd take the time to do that, looking at each item and making sure that I've apologized and asked forgiveness having done what I did. And asking for strength not to do it again.

And then, when we come to the prayer part, I have a whole list of manifestations of things that we have found that tend to come up during prayer time. There are things like tiredness, distractions, Spiritual deafness, unbelief. Things like that.

We address those things individually in that prayer. You pray against a spirit of Unbelief, a spirit of Anger, a spirit of Distraction. You pray, actually bind and pray against those demons that are assigned to hinder your prayers.

So, that list also kinda gives you some insight into the tactics of the enemy. These are things that are used against us to keep us from praying and from taking our prayers seriously and really enjoying them and then being fruitful.

The other thing we do is, we proclaim this prayer with authority through Jesus' Name over the people, the spirits and the manifestations and the list, we take authority over those manifestations like Lying Symptoms. A sickness will come against you. Tiredness, oppressions, depression. We name all those things.

So, it's quite a complete list and there's one area in there for sure, part of that prayer came from Francis McNutt who's a world authority on deliverance and traveled all over the world. He has done some amazing things and found out some amazing things about how objects can be cursed and there can be demonic manifestations, different kinds.

He always prayed his prayers three times. So, I give you the formula to repeat three times. Part of that prayer is his and part of it is ours.

We have found that in this day and age that we're also dealing with extraterrestrial oppression.

That is to say that these demon entities that inhabit demon bodies, I call them demon aliens, are sometimes a sign, they are all part of a Spirit of darkness, they are all part of Satan's kingdom. They're just fallen angels that have figured out a way to manifest physically cause they're highly intelligent so they know all the rules of physics, ones that we know and we don't know - and they actually oppress you.

We discovered that there was a UFO hovering over our house, way up high in the atmosphere, and they were beaming down an oppression into this house that you could cut with a knife, it was so thick.

So, now we've included those kinds of prayers against manifestations of inter-dimensional energies against us. So, that's been included in the prayer now. Very important! It's becoming more and more prevalent, especially if you're taking some territory from the enemy, you're gonna find that you're gonna be a target, so we cover that in this prayer as well.

OK, so after you're done with the Binding Prayer, we like to enter into the Lord's presence with praise and thanksgiving - that's Scriptural. Worshiping Him in spirit and in truth. You can do this with or without music. We prefer to be drawn to Him through the lyrics of a worship song, sung directly to Him, or by His Grace He may touch you and draw you in without any other manifestation. You may feel more led to pray and worship - in tongues, for instance - without music, just going to Him directly your heart. I mean, all of these things work. We just want to be close to Him and there's many different ways to be close to him.

There's no set formula. But we have found a formula that most often works for us. And we begin by playing worship music and entering into the song. Worshiping the Lord through the lyrics of the song and, many times we'll begin to see Him very clearly while we're worshipping. And then we just connect with Him and continue to worship Him.

Let me read to you what else I've written down here.

As we worship, images may come to mind, like Jesus standing nearby. These are not usually just imaginations that you make up. They aren't! They're sanctified images that God puts before you in your imagination. Don't brush them off, take them for the real thing. Take them seriously because you have just reached out to the Lord now He's reaching out to you through some kind of image of Him being present to you.

Continue to worship, continue to enter into that vision that you have, but paying attention to what you see in the 'spirit' or in your sanctified imagination. Continue to Love the Lord and adore Him. The Lord may invite you to dance, or He may walk with you on a beach or sit with you in a garden. Be sensitive to the imagery around you in the spirit, He's a master at creating beautiful environments for you to be in with Him. Go with Him. Stay focused on adoring the Lord. His love will draw you into Himself - and you'll feel His affection for you, you will sense that He is happy to see you. Stay with that. 99% of the obstacles in seeing and hearing the Lord is our own unbelief or false guilt about ourselves. Our own self hatred.

And that's one of the reasons why I have so many teachings on self-hatred and guilt.

Don't take your time with Him lightly or brush away images - that's how unbelief manifests.

Believe that He want's to be with you more than you want to be with Him because, I'll be honest with you guys, that's absolutely the truth. He longs for your presence and because you're not there with Him and for Him, He continues to long for your presence.

It's a lie that you're not good enough for God to talk to you. He's no respecter of persons.

He may begin talking with you by putting thoughts in your inner mind...like a spiritual voice. He'll always be kind: kindly, gentle, and affectionate with you. Never harsh or condemnatory. He may even ask you to write down or journal your conversation with Him.

This is a good thing to do. Then you can go back and read it from your journal to see what He's saying and again, have confidence in listening to Him. Because when you go back and read your journal you can feel it and hear the voice of the Lord just coming through those lines and it gives you so much more confidence to go back into prayer again and expect to hear from Him.

You can also answer Him and this will become a time of dialogue between the two of you.

This is where the relationship really begins to blossom and you talk to each other and He speaks His Heart to you and you pour your Heart out to Him, too.

Another thing, Jesus will always be very pure in your presence, there will never, ever be a hint of impropriety or sexual advance. Now, I'm gonna stop here for a minute and just say there are certain people who are very needy for affection and are still in that age group where hormones can be very, very strong. So, the enemy will take advantage of that at times, because you start feeling very warm towards the Lord and He never, ever makes an advance at us but we feel that warmth and that love. And if you're very needy and you don't have a husband and you're alone and lonely, the enemy may come in and take advantage of that in you, in what you're going through. Just be on the lookout that He's never, ever sexual in any of His communications with us. He's God, He's Pure and He's a Virgin. His affection is strictly for the purpose of revealing to you that you are His precious soul whom He loves infinitely in a personal way.

During this time you can pour out your heartfelt prayers for others to Him as well. Now, as you become more accustomed and comfortable listening to Him, you'll find that you slip into His presence with more ease every time you're together.

He's always present to you. Whether you hear or see Him or not, He's always there at your right hand. If you've fallen and done something you feel conviction about, don't run from Him! My goodness I spent my first 20 years as a Christian running every time I blew it.

NO, run to him! He's waiting to comfort you, to forgive you and to help you get back on your feet. So, please don't run from Him, rather run TO Him. Don't be afraid to confess and apologize to Him - that brings Him great joy! He's so quick to forgive you and give you the grace to stay stronger next time. Or, to stay out of temptation all together.

People ask us, "Well, how do you know it's the Lord and not a demon or familiar Spirit, or yourself talking to you?" That's a very good question. We have a teaching on that, I think "The 3 different Voices You Hear in Prayer". That would be worth listening to, it's not very long I don't think. I think that would help you discern from the Lord's voice, your own voice, your own wishes, your own thoughts and the interjections of the enemy.

But, our major answer on this point is: You'll know by the fruit.

You're going to know by the fruit. Over and over again, whether you're on a channel and you wanna know if a person is authentic or of God, you'll know by the fruit. Are you being edified? Are you walking away strengthened in peace, in strength in the Lord and built up? Or are you walking away totally shattered and fearful and wanting to hide? There're so many people who are spreading so much misinformation, and then information that's true - but it's just terrorizing.

Unless it's for a specific purpose, like when you're called in to intercession and, you know, how the Lord brought up to me that He needed more prayer for the ISIS victims. Unless it's that kind of thing, you know, which is legitimate prayer, be very careful because you'll know them by their fruit.

There is a God-shaped place inside of you that no demon can fill. There's no demon that can fit into this space and fill it perfectly. And as you get better at prayer, and recognizing the Lord's presence, you'll learn to be able to sense that place inside of you. And when it's full, and when it's empty. You will above all, feel a deep lingering peace and feel the strength that you need because God is indeed with you. He's there, you can feel it and the words that you're hearing, through your mind when you're in communion with the Lord in this way, are filling that God-shaped place inside of you.

They're authentic, you can feel it. You will never feel shame, confusion, condemnation... although you may feel conviction and apologize, asking for forgiveness. The fruit of that apology will be peace and His Love for you! Oh, you will be SO overwhelmed by His Love for you when you fall and His encouragement for you to get back up!

Now, some people use a verbal formula, asking the person appearing as Jesus in your vision; "Do you confess that Jesus Christ has come in the flesh?" Ok, that's the formula they use. Now, I wouldn't trust the answer "yes". I would make them repeat it. The right answer to me would be to repeat what you just asked: "Yes, I confess Jesus Christ has come in the flesh." But, I've seen similar Scriptures during a trance meeting and they replied in the affirmative, but we knew they were lying, so we really don't trust that way of verification.

And, as I said at the beginning of this video, you have got to go deeper than what's on the surface. People can say all the right things AND be full of so much deception. And the demons are masters at deception. Plus, they have a big fat file on you. They know all your buttons, all your likes and dislikes and they'll play up to your vanity.

So, I've seen these questions asked and I've seen different answers being given. One thing I'll tell you I've never seen, during a deliverance, or praying with someone who had a demonic spirit - they will not, in my experience, they will not repeat part of the our Father: (the Lord's Prayer) "Deliver us from Evil". They mumble that, (mumbling...) They just mumble it so that you can't understand it.

They WILL not say "Deliver us from evil".

That, we found to be a black and white, solid truth. But the other verifications, you've got to have the Spirit of the Lord. We have to know one another by the Spirit of the Lord because the surface just doesn't work anymore.

Ok, if in your time with Him you start to feel anger, hatred, condemnation, hopelessness, jealousy, frustration or sexual stirrings, that is NOT the Lord that you're with. Now, the Lord may be nearby, but the one that you're communicating with or that's causing those feelings is definitely not Him. At that point, I would stop and pray the Binding Prayer. I'd have Ezekiel come in and pray for me and I'd go back into worship again, or spend some more time in worship, using music this time.

We have a playlist of songs that always work to bring us into that really sweet, intimate place with Him.

Ok, so that pretty much covers Dwelling Prayer. We're dwelling with the Lord in our hearts. He's present to us at our right hand and in our hearts. But He doesn't always manifest in a way we can see Him, but we are dwelling with Him. Through Him we live and move and have our being and He's always present to us, always.

I personally prefer the Dwelling Prayer, because it comes into the Lord's presence through worship. And I feel that, that is a safer way to approach the spiritual, 'cause you're dealing with the spirit world. We're not dealing with one person walking into the room and talking to them, you're dealing with all the company that's around that person, the demons that are with that person, or if there aren't demons with that person.

We deal with spiritual things. Our fight is not against flesh and blood, but spiritual powers of the air. So, when you are moving into the spiritual realm, you have to be careful that your motives are very pure. This isn't just a fun trip! There needs to be a real, sincere desire to be close to the Lord and to worship Him and to pray. If you come into prayer to enjoy yourself, because it's a beautiful space or whatever, that's not a pure motive.

The pure motive is to be in worship and to be in communion with Him, so make sure your motives are pure.

Always remember, at all times, the Lord's presence is loving and gentle. Anything other than that, you should be highly suspicious of. Pray the Binding Prayer again. If you've come from a background of witchcraft or been dedicated as a baby to Satan or have a history with Ouija boards and the occult, you may need deliverance before you can be sure it is Jesus that you are speaking to. If you have a history of mental illness in your family or instability, be very careful to enter the Lord's presence through worship.

And do not follow any extremes of thinking or extreme emotions. You are now dealing with the spiritual world. And just like going to a shopping mall to get something you need, there are predators that hang out at those malls also, wanting to make a connection with you for their own evil purposes - so be aware of that. You're in the spiritual realm, there's good and bad. There's God - and then there's Satan and his devils.

Wherever the Spirit of the Lord is strong, there's a strong crosscurrent of the demonic realm as well. Why is that? Because anyone who's close to Jesus in spirit and in Truth is a threat to the kingdom of darkness! So, the demons are present to do everything they can to discourage you from this kind of relationship.

You know, as long as you're not close to the Lord, you're not any threat to them. But get really close to the Lord and wow, you've got some tools and you're trouble! For one thing, you can duplicate your relationship by sharing with people how the Lord brought you into His relationship with you, and you can duplicate more people who have an intimate relationship. So, you are definitely a threat to the kingdom of darkness when you can communicate with the Lord clearly. The Lord does protect us, but it is a learning process, too, so you're gonna encounter turbulence. Don't be frightened, seek out an answer with one of us or another qualified group.

Remember, at the mention of the Name of Jesus, every knee must bow, every tongue confess that Jesus Christ is Lord. Use that name!

Say, "In the Name of Jesus, spirit of Depression, leave and never return" or better yet, use the Binding Prayer form, it's a lot stronger. Because when you use the Binding Prayer, you're binding the demon that is afflicting you, you're binding the backup pool for that demon (and I guarantee you every demon has backup pools) so if they get knocked out by a prayer, someone else can jump in and take their place.

So, you're binding the demon, you're binding the backup pool and you're binding the leaders, the ones

who sent them. They're getting bound, also. So, that Binding Prayer is very strong. It's still the most effective prayer we've found and we do keep it updated so the most recent date is the best version.

And, beyond all this, I just want to remind you that you're the Lord's Beloved. He's absolutely in Love with you! And, it's true that He desires your company more than you desire His, so don't be afraid to press in and adore and Worship Him.

Lord Jesus, please help us to remember the things that you've given us in this teaching and help us to put them into practice. Help us especially, Lord, to know that you really and truly are longing for our company and put an end to the self-condemnation that keeps us apart from You. Thank you, Lord Amen.

Distract Me with Your Comfort

June 24, 2015

The Lord's peace be with you.

We've had a couple of very, very quiet days. There's been a lot of activity over here, a lot of things we're trying to take care of. We've been supporting the Crisis Pregnancy center right here in town, and helping out with homeless children out on the mesa with their basic needs for food and medicine and things like that. So, we've had a little bit of a distracting time. But this is also what we're called to do, and

it's not really a distraction, it's really what the Lord wants us to do. So, we got taken away for a little while from doing messages, 'cause I can only get so much done in a day.

The Lord has been very quiet for the last two days, and what I would say is very somber. He's been very present to me and we spend time together dancing. I've seen Him and He's been holding me, but He really just was not in the mood for talking...at all.

And, the same thing happened yesterday. Plus, I really wasn't feeling well - I was very tired and needed to go to bed early. In fact, I fell asleep one night waiting for Him to speak to me - which as you know from other videos, it can be a 2 or 3, 4, 5, 6 hour affair in worship before He says anything. But I wasn't able to hold my ground, so I ended up going to bed early. And the same thing happened to me last night.

But Ezekiel stayed up in vigil. He was strong, and he was able to stay up in vigil, and the Lord gave the message to him. "The two are one flesh." It happens that way, it's beautiful - it's just beautiful.

So, this is what Ezekiel left for me this morning to share with you:

Ezekiel: The Lord had us stay up in vigil with Him, but He was **VERY SOMBER - VERY QUIET AND VERY SERIOUS**. And it has been a bit strange, but for two days and nights now, He has not let me do anything, but keep Him very close company. He has called me to the Ballroom in my Mansion, and using some very old, classical waltz pieces that I turned up on Youtube, He just wanted to linger seamlessly from one piece into the next and so on.

Although we were dancing together, I must say that His Heart and Mind and Eyes seemed to keep drifting off somewhere far away. He was obviously troubled and a bit restless - very solemn and unhappy. He would look into my eyes with great Love, but I could see and sense and feel something very deep that was so forlorn and sad. He gave me to know that He just wanted to be comforted, and distracted from the terrible punishments that were right at the door for this country, and the world.

He reminded me of the example of a mother whose child was severely deformed. At every mention of the child's deformity, a knife would pierce her heart.

Then He said to me, *"When a Mother is so terribly unfortunate as to have given birth to such a child, she loves her child just as deeply as any Mother would a normal, healthy child - her Mother's instinct being so deeply embedded within her.*

"At the same time, she grieves just as deeply for her baby, knowing the suffering and rejection that her child will surely have to endure throughout life. Any mention about her child and his awful situation simply tears her heart apart, again and again.

"You know that terrible sufferings are soon to befall your country, as I have told you. But just to hear any of you mention it - bringing up the latest news - is so horribly painful to Me. Although I know more than anyone just exactly what is being planned, and when and where these things will take place - in Truth, I intentionally am very sparing with just how much I am willing to share with My Bride.

"For Me, it is the absolute gutter, and when I see you down in the gutter, looking to find the latest news... rather than being consoled and comforted, I am deeply grieved. It is as if a mirror were being held up to Me, reflecting back and confirming the very thing that I am already in agony over.

"I know and understand just how desperately you all want to know and see the signs of My Coming, just to encourage you and keep you believing. But if you only knew the depth of what you are looking for each day, you would no longer want to read, hear, or see even the least bit of it anymore. This I am asking of You with tears: please, you are My Bride. Do not descend down into the gutters any longer to look for more signs.

"I need for you to take your proper place, here beside Me, far above all of the filth of destruction and death. I need for My Bride to comfort and console Me. Take Me far away from these things with your love. Distract Me with your solace. Turn My eyes with your loving heart. Dance with Me. Be with Me. Do not leave Me alone in My Hour of Desolation.

"This is why I have brought you up High, into the Heavenly Realms that are being kept for you; hidden in God through Christ, seated in Heavenly Places."

Clare: And for all of us, Youtube Family. I pray that God will give us the Grace to mind His business, to keep our hearts and minds on Him. And if there's something He wants us to pray about, He's going to bring it before us - somehow, someone's going to say something. For instance, with ISIS. I didn't go looking for that, it just came to me.

What He's asking is for us to keep our hearts and minds on Him, on consoling Him. Because we occupy a very special place in the Body of Christ. We are here to console Him as His Bride. I mean, some of us have other duties, too. But the greatest thing that a wife can do for her husband is to be there when He's hurting, and to comfort Him when there is nowhere else to turn to be comforted.

So, we occupy a very special place. And if we're busy down in the gutter, reading all the news (which, probably 90% of it is mis-information either from one side or from the other side) it just keeps you going 'round in circles. It's like a hamster wheel, just digging up more and more trash.

He doesn't want to see any of it, because He already knows what is REALLY going on - and He doesn't want to be reminded. He wants to be comforted.

I pray, Lord that You'll help us with our incessant desire and curiousness and insecurity - help us, Lord! To not constantly be turning to the trash to find out what's going on, but to be turning to You and comforting You, and to keep Your mind off of these things that are so painful for You to look at. Please, Lord, help us. You know how hard it is for us to be down here waiting for You - and we really need Your help to keep our noses out of the gutter.

And I have to say, guys...when it happens, it will happen - we'll all know it. When it (the Rapture) happens, it's going to happen in such a way that everyone's going to know it overnight. And until it really happens, everything else is just circular information, constantly keeping people in a state of ignorance and agitation and misinformation. And we don't need that. We need to be in a state of peace, to be there for other people and to be there for the Lord.

So, Lord - please give us the Grace to keep our noses out of that stuff!

Family Update, June 24, 2015

June 24, 2015

Thanks for your patience, Dear Family, and for listening. I've been working on a teaching on "How to Get Your Own Word From the Lord" for probably two days now, and I think I'm going to have it done within an hour or two - maybe three hours, and then I can get it up for you.

We have an awful lot of people asking us to get a word from the Lord for them, and we just can't possibly do that - it's just more than we can handle. So, this is going to be something that will give you the instructions that you need to be able to get your own word. And, besides - that's what we're here for, anyway. To get you into the Lord's arms, so that you can hear and see Him clearly, and that you can be instructed directly from Him.

Okay, here is a Youtube Family update!

Dear Ones, my duties have been changed! Due to the volume of correspondence we've been getting, we now have three volunteers who are helping us with emails, comments and private messages. So, when they see something they know I should handle, they'll send it to me directly. They're super sweet people, and they're seasoned Christians, and we're all of one heart. So, anything you're going to get from them is going to be very much of one heart with what I would say.

I cannot give out personal messages to any individuals - PLEASE don't write in and ask me to do that! Don't write and ask me if you'll be raptured - rather look up my videos on who will and who won't be raptured. 'Cause the Lord has really made that clear, several times, the qualifications for being raptured. Well, He's made it clear several times in different messages, what would DISqualify you from being raptured. So, look those up under the rapture Playlist, okay?

Please... don't ask me if you're pleasing to the Lord, or any other personal message. If you look in the playlists, you'll see I've already addressed these things. And, if you listen to the videos very carefully, you'll be able to ascertain for yourself if you are pleasing to Him.

But, with the new teaching that I'm going to do on "How to Get Your Own Word From the Lord", that should help you. I know we all feel insecure. We all need to know that we're okay and ...umm... the Lord loves us, it's just the way we are - very much that way! So, I'm doing a teaching on that today, hopefully I'll get it up today. And, that will help you IMMENSELY - because that's how we get OUR words from the Lord. We have each other, of course, but, we still use the same methods for one another.

The reason I'm not permitted by the Lord to give you messages is that's not the gift He wants in operation for the season. He's asked that you stay focused on the messages - and I can't do both. It isn't physically possible. One of the things that's been hanging me up for the past two days that I haven't gotten around to the message early enough, and I ended up being very tired, was I was trying to knock out emails. I love you! I see you there, and I see you have needs and I want to talk to you - and so, I get started on one, and

that's it. Before I know it, three hours have gone by, and there's no message for that night, because I've worn myself out on emails.

So, please don't be upset with me if I don't answer your emails. The fastest way to get a response to me is to post it in the Comments, under the video. Because, I do like to go and look at the latest comments when I post a video. If you post it under the video - it's very likely that I'll catch it. Or, one of our three volunteers will catch it and they will pass it on to me. But, the email is going to be an impossible situation. I just can't get to them. I'm farming them out to our volunteers at this point. So, emails are going to our really qualified volunteers for them to answer.

Okay. PLEASE don't write and ask me to call you. I'm not permitted to take ministry phone calls. We've prayed about this, and looked at the volume of phone calls, emails, etc. and we've determined that every one of the questions that came from individuals, asking for a personal phone call, could have been resolved EASILY by searching out our videos. So, please don't insist on a phone call. I know, some of you are lonely, and I'd love to talk to you. We've got a few who've managed to call us that we've been able to speak to that...we just fell in love with! We love you guys! But, if we spent our time doing that there would for sure not be any messages. So, it's kind of 6 of one, half a dozen of the other: if the Lord cut back the volume of messages, I could easily take personal phone calls. That would free me up for about 7 hours a day. But, that's just not happened. Please don't insist on a phone call from us.

People are very transparent on our channel. Get together with some other people on our channel that have the same heart that you have, and correspond with them, so that you're not so lonely. Skype with them. I know what it's like to be a Bride and be isolated - it's VERY hard. This is not a calling that's really accepted by the main-line churches - it's something that's actually frowned upon. So...yeah, you're lonely! The best thing to do is...you know, our channel is a really nice melding pot from all over the world of people who are Brides, and don't have the companionship as Brides. And they need, as well, the companionship of other Brides. So, we're very blessed to have Youtube and have this opportunity to connect with people all over the world, who are called to be Brides. So, take advantage of it, guys! Figure out who you like there, and post on their comments, because I'll tell you what. Messaging...people don't really pay attention to messages, for the most part. And that's one thing I'd ask you - I've written to some of you, I've sent some of you messages, personal messages on Youtube - and you've never answered me, and you've never BEEN on your personal message page. (chuckle.) So, if you try to reach someone through a personal message, you're going to have to tell them, "I sent you a personal message on your Youtube page!" or they normally wouldn't look at that. I was ignorant about it for the first...gosh! Eight months? Personal messages - it's best just to connect with someone under Comments and then move into personal messages or emails.

If you want to make a donation, please read the description box?? Beneath the video - all the links you need for PDF's, and donations, and our website, and our Blog... Everything is in that description box. So, make it a point to check that out before you try to call me to find out how to make a donation.

I know many of you out there are lonely, and this, as I said before, is a lonely calling. And, that's why I'm asking you to pick out some people you feel real kinship with, and start corresponding with each other by Skype, or with phone. They need your friendship, too.

I'd love to talk to you personally, but as you can see, I don't have enough time. Ezekiel and I both have health issues, and we haven't looked at our emails for three days now... Actually, I've got emails from 6 or

7 days ago now that I just haven't been able to get to. So, your fastest way to get an answer is really to make a comment on the comment page. Because, I look at the comments every day.

Our volunteers, if they find out that you've made a comment that's more of a personal nature...one of our volunteers is qualified to go into personal Messages. And, she'll either answer you herself, or she'll pass it on to me. That would be Carol.

If you have something you need counsel about, ask for it in the Comments, and we'll refer you to a video. And, I will request you to email us, so we can counsel you through email.

I'm sorry I'm not able to clone me! But, in reality, only God is necessary for you. And, I know it's hard. But, He's your best answer. And, we will try to connect with you when we can, or in the very least, point you in the right direction for answers.

I love you all, Dearly!

Getting A Word From the Lord

June 24, 2015

This is a teaching on getting your own word from the Lord. And you know, our channel is not just about intimacy; it's also about learning to hear from God on your own. Just about every other email or private message that comes to us from our different sites is requesting a word from the Lord. But, He has asked us to keep our focus on teaching you to

get your own words.

Nothing mysterious about it, Seek and ye shall find, ask and it shall be given to you. Matt.7:7 And the Lord is really up for this, guys. He's got His Grace right there ready to give it to you, if only you'll exercise your faith muscle and use it.

When I first became a Christian, the church I was attending was doing a Bible study by Evelyn Christenson, on a book called *Lord, Change Me*. It was then that I learned to listen to the message within a message. In this very simple book, you are taught to read a section of Scripture and listen for the Lord's voice in a personal way, guiding you in everyday circumstance. That is called a Rhema.

There are different levels of training, and as you mature, the Lord will take you into deeper waters with this practice. But for now, let's keep it simple and start with the basics.

There are two Greek words that describe Scripture which are translated word in the New Testament. The first, logos, refers to the inspired Word of God and to Jesus, Who is the living Logos.

In the beginning was the Word [logos], and the Word [logos] was with God, and the Word [logos] was God. John 1:1

For the word [logos] of God is quick, and powerful. Hebrews 4:12

The second Greek word that describes Scripture is "rhema", which refers to a word that is spoken and means "an utterance." A rhema is a verse or portion of Scripture that Holy Spirit brings to our attention to address a need for wisdom and for direction. So, when we are reading our Bible, all of a sudden something on the page catches our attention and is quickened by Holy Spirit for a current life situation. If we are listening very carefully, we hear the Lord's wisdom for us. It's kind of like, reading between the lines. And that wisdom is right for the moment. It just takes a little practice to get the hang of it.

Man shall not live by bread alone, but by every word [rhema] that proceeds out of the mouth of God. (Matthew 4:4).

Jesus said, "The words [rhema] that I speak unto you, they are spirit, and they are life" (John 6:63).

When God gives a rhema for us to act upon, He often confirms it by a second and third one, that "in the

mouth of two or three witnesses shall every word [rhema] be established" (II Corinthians 13:1). "So, then faith cometh by hearing, and hearing by the word [rhema] of God" (Romans 10:17).

When the angel told Mary that she would have a child: "Mary said, Behold the handmaid of the Lord; be it unto me according to your word [rhema]" (Luke 1:38).

Jesus told Peter he would deny Him. "Peter remembered the word [rhema] of Jesus, which said unto him, 'Before the cock crows, you will deny me three times'" (Matthew 26:75).

This is how we get our confirmations from the Lord. Our opinions about things don't matter, it's God's opinion that matters and when we want an 'outside of ourselves' confirmation, we pray and open the Bible and begin to read. But, rather than using the entire Bible, we use a little book, called the Bible Promise Book by Barbour Publishers. This book that has Scriptures sorted by different topics, so when you open it you're immediately in the midst of Scriptures about a topic like Brotherly Love, Help In Troubles, Marriage, Parent's Duties, etc. As we begin to read, some of the lines will begin to really resonate deeply in our spirits. At that point, we stop and linger, soaking in the anointed words and allowing them to minister to us. When we're reading, the Lord anoints certain things. And when you read it slowly, like I said - kind of 'reading between the lines' in a letter - the anointing; you'll feel it. You'll feel the anointing on those words, just for you in that situation.

So, the way we receive guidance from the Lord is to simply pray for guidance. If any of you lacks wisdom, let him ask of God, who gives to all liberally and without reproach, and it will be given to him. But let him ask in faith not doubting. James 1:5---6 and My sheep hear My voice, and I know them, and they follow Me. John 10:27

And you can really hear the Lord's voice between the lines. It takes a little practice, but it really does work. That Voice has a resonance in our hearts that no other voice can duplicate.

We approach this like an innocent little child: Truly I tell you, unless you change and become like little children, you will never enter the Kingdom of Heaven. Matt 18:2---4 We really do - we come to the Lord as little children. That's the safest way to approach Him. Not only is there the greatest wisdom in doing that, because it's His wisdom. But the greatest protection, because the Lord protects the little children. It's the "big" people who think they know it all, and they can protect themselves who are really in trouble. If you come to Him innocent like a little child, without pride, in humility seeking wisdom, He's going to give it to you.

Very simply, we earnestly pray for an answer and open the Bible or the Bible Promises and start reading. As we read, one of the Scriptures written there will come forth and stand out. And you know, I've seen it where you have to read two or three times before ONE particular Scripture really caught my attention. That's Holy Spirit making that word come alive in our hearts and minds, or a Rhema --- a present---time utterance of Holy Spirit directing us according to our needs.

We prefer to get three Rhemas in a row in order to clarify and establish the Lord's train of thought. So, we take a little more time with it. We also have learned that we need to pray over the Bible Promise book before we open it to receive a word from Holy Spirit. The enemy, also --- and don't ask me how, 'cause I don't know how he does it --- can manipulate the pages to bring up a reading counter to what God has for us. So we simply say, "In the Name of Jesus, we bind a Lying spirit off this book." Believe it or not, we

have many times caught the enemy infiltrating our readings! So now, for safety's sake, we always pray that prayer along with, "Holy Spirit please guide me through this book."

Some would accuse us of fortune telling, but I'm afraid they just aren't familiar with drawing lots, as it is used by the prophets of old as well as the Apostles, who drew lots to choose the replacement for Judas in the first chapter of the book of Acts. In that particular prayer, Peter said, "Lord, you know everyone's heart. Show us which of these two you have chosen to take over this apostolic ministry".... then they cast lots, and the lot fell to Matthias; so he was added to the eleven apostles. Acts 1:24.

So, when you cast lots, the choosing of that "lot" is totally done by Holy Spirit. And when you open the Bible Promises, again the Bible Promises is opened by Holy Spirit. Now, when we use the Bible Promises, we are asking the Lord (who knows everyone's heart) to reveal what is necessary for us to make the right decisions.

Trust in the LORD with all your heart And do not lean on your own understanding. In all your ways acknowledge Him, And He will make your paths straight. Proverbs 3:5

We have walked some VERY crooked paths in our own wisdom, and we've learned that our own wisdom is absolutely a detriment. Always seek the Lord's wisdom before you do anything.

It is SO much easier to do it right the first time, than to plunge headlong into our own wisdom and make a choice not pleasing to God --- and in the end, costing everyone a great deal. I would much sooner act like a five--- year---old child, throwing myself on the mercy and wisdom of God than to receive a precise report prepared by a human --- who at best has limited knowledge.

In the past, coming to God seeking wisdom was called an 'oracle' in the Old Testament. Bible scholars call oracles 'Communications from God'. The term refers both to divine responses to a question asked of God and to pronouncements made by God without His being asked. In one sense, oracles were prophecies since they often referred to the future; but oracles sometimes dealt with decisions to be made in the present. In the Bible, communication was from Yahweh, the God of Israel.

However, in times of idol worship, Israelites sought another word from false gods (Hosea 4:12). Many of Israel's neighbors sought oracles from their gods. THIS you could call fortune telling.

Why were oracles given? To help God's people make the right choices. There were "decision oracles" and "pronouncement oracles." Decision oracles came when people asked God a question or sought His counsel. For example, David needed to know the right time to attack the Philistines --- so he asked God. The answers he received were oracles (2 Samuel 5:19, 2 Samuel 5:23---24).

Saul, the first king of Israel, was chosen through an oracle (1 Samuel 10:20---24). In that case, the communication from God was through the casting of lots. The falling of the lots was considered an oracle from God. So, this is a well---established practice from the holy prophets and patriarchs in Scriptures. This is not some "new age" or fortune telling thing, not at all. This is serious business, this is seeking an oracle from God.

When we come to the Lord prayerfully to be instructed through His Word, we must remember that He is God and not a slot machine. He may choose to bring up something totally different than what you asked

Him. There may be things in your life that He has been waiting to address for a long time and when you ask about one thing... you may very well get an answer drawing your attention to another thing. I can't tell you how many times that's happened to me! Especially when He's drawing my attention to a fault or a shortcoming. It's like, I want to ask Him something, and He draws my attention to my fault.

And I'll say, "Yes, Lord - I know, I know I have that fault...but can You just tell me what I need to know?" And again He'll draw my attention to the fault.

It's as though He's saying, *"I'm not going to tell you what you need to know, until you really, seriously deal with what I'm talking to you about!"*

As you can see, it can get kinda conversational, too, with Him!

There is a learning curve in hearing the Lord's voice through Scripture. We have to slow down our thoughts and restfully read the Scriptures. At first, you might say, "What in the world does that have to do with my question?" When you get an answer, asking the Lord for wisdom and you open the Bible Promises and it's on a totally different topic - and you're wondering, 'What did this have to do with what I asked?'

Well, I don't know. That's for YOU to meditate on until Holy Spirit illuminates it for you. There are no shortcuts. We all have to suffer through the toddler stage. It is painful - but SO worthwhile!

For instance, if I get seriously ill with something unusual, and it hasn't yielded to anointed prayer, I may ask the Lord, "Why am I feeling so badly? Did I do something wrong, was Your protection lifted because I strayed out of the corral?" If He gives me the chapter on 'Salvation' or on 'Parent's Duties' or 'Eternal Life' from the Bible Promises and I read those Scriptures, it is safe to assume that, right in this hour, someone's salvation is hanging in the balance and my fast offering is going to tilt the scales. In which case, I will be happy and receive it like Simon 's cross.

However, if He gives me readings under the 'Guilt' chapter, or 'The World' --- I'll know immediately the devils have been allowed to sift me for an indiscretion.

Let's say I'm invited to a conference with a speaker I really like. I come to the Lord and ask Him if I should go and He gives me the chapter on 'Joy' and 'Loving God'. I'll take those as a confirmation that He will bless me if I go. However, if I get 'Lust' or 'The World' or 'Lying', then I will not go. I'm serious about this - this really does direct our lives. And we've found it to avoid SO many pitfalls.

Let's say I was nosey on the internet and found something that caused me to fear - like reading the news. It was something that could possibly hurt us, and I gave in to fear. If I prayerfully ask Holy Spirit to tell me --- if this is something I should be concerned about, I might get the 'Help in Troubles' chapter, or 'Guidance' - which I always take as, *"I'm speaking to you about this..."* Then I would say it is something we should be prepared to deal with, that there's going to be a problem.

However, if I get the chapter on 'Lying,' or 'Fear,' or 'God's Faithfulness,' I could relax and not worry about it. Because, you see, in the chapter on 'Fear', they're all "Do not be afraid" Scriptures - "I'll deliver you, I'm with you." I use these Scriptures to repeat back to my fears. If a fear should jump up, I'll use the Scriptures, the Sword of the Spirit to cut it off, so I'm not enmeshed in the net of fear. So, these become

tools. Once a Scripture's been isolated that really speaks to the situation, you can claim that Scripture and stand in faith. And that will bring you through the storm in one piece.

As I said, it takes time to interpret what the Scriptures mean. Not everything comes easily. In fact, there are many times when we just don't know what to think and we have to put it on the shelf and pray for better discernment. This is a learning process and Holy Spirit is your teacher. Each day you will learn more and more and more about how God thinks from moment to moment, and in different situations,, because you are constantly going to Him for advice.

There are some people who are too 'grown up' for this kind of discernment...they must find their own way. But we've been using it for 35 years and we can testify --- it works.

One thing to be aware of, in all discernment situations: if you are attached to a certain outcome, or you want things to go your way, you'll have a very hard time understanding your answers. You have to be willing to completely yield to God's wisdom in everything. Ouch! There are times when you might as well not ask, because you know you're not going to obey Him, anyway. Let's be real honest here: when we want our own way, we're not willing to yield to God's way. And rather than pretend that your readings were confusing and you weren't sure what He was saying...well, better to not ask, because you're so attached to the outcome and so set on the outcome, that you can't hear anything else. In that case, a good prayer is, "Lord, I am willing to be MADE willing to be obedient."

So, this is just a primer - something to get you started. I think you'll find that Holy Spirit will be working with you very, very closely, and you'll grow very quickly with this method of what God's heart and mind is about a particular topic.

The Bride's Joys and Sorrows Intensify, Heaven Talk

June 27, 2015

Clare: The Lord bless you, Youtube Family. Forgive us for being absent for a day or so, but it was worth waiting for. The Lord has got some beautiful things for us tonight. We decided, Ezekiel and I, to do a Heaven Talk, because a lot's been happening with him and with me. As well as incorporating some of the things - visions and experiences,

AND frustrations, that a lot of our listeners have been having!

So - to begin with you, Honey (Ezekiel). You want to share about your experiences with the Lord?

Ezekiel: Well I want to say "hi" to everyone. I haven't been here for quite some time, still kinda doing the "behind the scenes" thing. But I appreciate all your prayers and, and your love. And I PARTICULARLY appreciate the way you guys are helping out each other and stepping in on the Comments. It really, really makes it feel like a family.

Clare: Amen to that. It's been kinda like a few days of a certain tone, right?

Ezekiel: Yeah.

Clare: The Lord has had.

Ezekiel: Yeah. For the longest time with me, of not really seeing or sensed or felt or heard the Lord as often as...

Clare: ... in that way, it's more by faith.

Ezekiel: But, He's kinda become more vocal. My Scriptures have been pretty much jumping off the pages all week long. He's been talking about two things in particular - well, maybe three. And that's our marriage to Him, as His spouse, over and over and over again. And with that, how deeply and intimately He loves us as His Bride, as His spouse. And the Wedding Banquet - the actual Marriage and the Wedding Banquet.

It's interesting, I came around the corner the other day - I been listening to some older, classical waltzes - because I can get kinda closer to Him by skating a little, beginning to dance with Him some. And a waltz really lends itself to that. So, I'd just gotten all these readings about the Marriage, and the Wedding Supper of the Lamb...Song of Solomon, you know, my beloved. I come around the corner, and I have a play-list of 26 different waltzes and marches and things, and I had it on mute. When I touched the button - I mean, this is like SECONDS after I put my Scriptures down. I touched the button, like on number 12 or something: The Wedding March! You know, dum,dum ta dum, dum, dum ta dum.

Clare: And you had been having, you know, doubts and fears and whatever about the Rapture, right?

About the Wedding Supper and the Rapture happening?

Ezekiel: I was just, just in that MOMENT, I was saying, 'Lord, are You really going to continue to come to us, and speak to us? In fact, are You still coming to get us soon, like You keep saying?' And I'm telling you, I walked right around the corner, and no sooner had I hit that mute button - out of 26 songs on there...the Wedding March is playing!

Clare: Amazing... Amazing!

Ezekiel: The other thing He's been talking about a LOT, obviously, is the Rapture. He's said He's coming, and I know that for some of us, that just excites us to no end - and for some of us, it frustrates us to no end. 'Cause it's like, WHEN? WHEN?? But you know, there's something about going through struggle and pain that produces a Joy. And our service readings - we have a service every day. And our service Scriptures for the last three days have been all about the Passion. The Suffering. The Garden. The Arrest, Suffering and Crucifixion of Jesus. And THROUGH that, bringing us to the Joy of the Resurrection. So, it's been a mixed bag with a lot of us in our little Youtube Family this week.

Clare: Well, yeah - there's quite a few...I have some things to share with you on that point, as far as, there's been some frustration for some folks, who say they're just are not hearing from the Lord, and no matter how many hours in prayer they put in. And, we're gonna talk about that in a moment. But, one of our emails today, from one of our listeners...she writes:

"I'm still having great difficulty establishing a closer relationship to the Lord. I've listened to all your videos, and have been using your musical selection plus mine, and I dedicated an entire day to make certain that no one could interrupt me. And....nothing. Nothing happened."

But she said, when she went to the Bible Promises the Lord gave her Patience.

"....and so, I'm trying to be patient. But truth be told, at times I feel as if my heart is breaking. I did tell Jesus that I would bear some of the Cross, so that those feeling the wrath of ISIS in some way could have respite. It could be that."

Uh, huh... it really could!

Ezekiel: Yeah, sure could.

Clare: And His sorrow over the whole, ugly business. Well, on top of that, you know - the ISIS thing, is also the Supreme Court and the gay marriage law getting passed today. That is a real suffering, and that was when I saw the Lord... we were together today. At first He was wearing the crown of thorns and the blood was just streaming down, from ONE thorn that was above His right eyebrow and down His cheek. And he was just SO

quiet, and so distressed.

We had one sister who wrote to us, speaking about the Lord weeping and being in sorrow. And getting the Passion Scriptures for the last three days, I have been getting them, too. She writes:

"I heard the news about the passing of the gay marriage in all the states, and I just sat there numb in the kitchen, looking at my picture of the Holy face of Jesus on the wall that comes so alive to me. Words were not spoken - more of a look said it all. And, I just had tears running down my face, feeling SO bad for God. Then, one word came to me: Justice."

Wow. That's a scary word.

Ezekiel: Um hmmm...

Clare: I mean, we've been getting His Mercy...but Justice is something else.

Ezekiel: Yeah.

Clare:

"But, I said nothing, really. It was nice out, so Jesus said, 'Why don't you go out and enjoy some outside time.' Since the sun was out. So, I sat on the swing we have in the shade, and I say prayers there, feeling God's presence and the lovely trees and all. I'd said a number of prayers, and it was hard for me to concentrate. So, I started saying them slower, and that helped me. But, I was still crying, I could not find the words even to say to Him. I was sitting, and Jesus came over to me, and He sat next to me.

And, I just looked at Him, and He put His arm around my waist, and His head on my left shoulder, and just cried into my arms, sobbing. And, I could feel His body as it sobbed. And I told Him, "Let these tears fall into my heart." And, I cradled His head closer to my neck and shoulder to hold Him while He cried, and my head was resting on His head, with my tears falling into His hair. I'm still teary, thinking of this even now. I said nothing...just staring into space. Too numb to speak or feel much. But, He was sobbing. It was so clear in this vision. It went on for about a minute or so."

Clare: She was comforting the Lord, and then, when I was dancing with Him, He had the blood coming down His cheek. So, that was her experience with the Passion. And, just a couple days before that, she'd been out on her porch, praying, and said, "Lord, are You coming soon?" And, lightning struck, nine feet away from where she was sitting. And she felt again, the Lord's Justice. "Yes, I am coming, and there's going to be Justice with My arrival."

Ezekiel: Wow....

Clare: This is the same listener. So, that's the sad stuff that we've been getting. But, we have some beautiful things, too. One of our listeners had a Rapture dream, and this was beautiful.

"As I was worshiping the Lord with music and praise," she says. "I quietly fell into a deep sleep. The Lord began to give me a powerful dream of the Rapture. I saw many people on the streets doing their daily activities, like it was a normal day. I was there watching the people, and I was standing in the crowd, and suddenly - without a moment's notice - there was chaos all around me. Destruction, everywhere! And, people running to and fro.

"Suddenly, I could literally feel my body going through some type of metamorphosis - it was like the skin of my body was melting off, and I was being turned inside out with the new, transformed body. It was

surely a freeing experience, and it felt so REAL in my dream. After this happened, I felt my body literally shot up into the sky where there was a huge opening in the clouds.

"When this began to happen, I could see the sorrowful and disappointed faces that did not make it up in the Rapture. And they were kicking themselves in the foot, and saying to themselves, "WHY didn't I listen to the warnings?" A couple of these people tried to grab my feet as I was going up - but the force of me going up was so great that they couldn't bring me back down again. My body shot up like a rocket into the sky, and it happened so quickly. Then, I felt myself travel through the white clouds. And, I could hear a whirlwind sound as I was going through those beautiful, white clouds.

"What a trip! This was so surreal!! The next thing that I see is that I am automatically in Heaven with the Lord. And, He begins to have me paint with a group of other saints. We were painting and decorating these buildings on the outside with intricate designs as the Lord ordained it. He's SO creative!"

Clare: Obviously, she's got an artistic bent!

"And, there were so many people there that I didn't even know! We were just having a great time completing the projects that we were assigned to do in groups. We were all serving the Lord with gladness, and there was so much peace there in Heaven."

Clare: And that was the end of her dream. That's beautiful, huh. And, you had a rapture dream that was very similar to that. About, where you said you could feel your body being transformed?

Ezekiel: Well, I've had probably four or five up to this point, over the past 5 years.

Clare: Recently. This was like, within the last week and a half or so...

Ezekiel: Yeah...over the last week and a half - I think you mentioned the one about the different lines and colored lines almost like the River of Life going through.

Clare: Oh, yeah! Okay, it was tied into that. Okay.

Ezekiel: Yeah, and then the Lord was in the middle, and as He came toward me the second time, thank goodness, cause I tried to force it the first time. I felt that I was just being swept up into His body, but I could feel my body absolutely changing from the inside out - it was like it was just folding out, and this new body was coming to be.

Clare: Wow, that's amazing. And, you know what it sounds like to me is that, the real man, the REAL us is the interior man. And, that this outer thing is just a tent - and it's almost like the tent is being taken off and the spirit man is being released. Ya know? And being given a new spirit body.

And, I had an experience today in prayer that was really beautiful. And, I'd love to share a word with you guys, but the Lord really has not really given me a word per se. But, He gave me this experience and I feel that it's for all of us Brides, on a different level. These are some of the things that we're going to experience, very soon.

I'd had a really rough day because I was convicted about some things and I had spent some time in

repentance and crying - that's kinda how I came into prayer. Holy Spirit always comes in decorated military uniform - in a white, formal uniform with decorations on it. And He appeared in my vision as I was worshipping, and invited me to dance. It was kinda hard for me to concentrate, but I started feeling better after a few minutes. Then, I was dancing with the Lord in His long, soft, white tunic. We were both wearing white. And He took me to a doorway where a curtain of semi-precious gem stones were hanging, you know, like the whole curtain from the top to bottom of the floor.

And as He moved the hanging gemstones aside, He parted them and we walked into this room...it looked like one of those Roman baths that you've seen in movies. It was like a long, long, long pool, with beautiful, ornate tile work all around it. Just exquisite patterns on the floor. And, plants - lush plants everywhere and the water was crystal clear. And the pool was decorated, even the tiles on the inside had patterns. And He bade me to walk into the water, so I started walking towards the pool, and I saw this very large angel, with something like a palm frond in his hand. He put it in the water and he stirred the water. And I walked into the water that had been stirred, and I walked all the way to the deep end and submerged myself, and then came back out.

And the Lord looked at me, up and down, and said, "Go ahead and go back in again." So, I turned around, and I started walking towards the pool, and as I did, the angel quickened the water again. And I walked into the deep end, and this time I spent more time in the water, and I came back out. And I'm sure this is some kind of a symbolic cleansing thing, which I really needed at that point, because I had done some repenting.

When I came out, I stood before Him and became dry immediately. And an angel came with a large, ornate, glass vial. The Lord took the lid off of the vial and He put it onto my cheek and collected the tears that were on my cheek, and then sealed the vial back up. And he said, "It is full." And I thought, 'Wow, It's full. That must mean you're coming soon!'

Afterwards, He was handed a crown and it was placed on my head. And It was a beautiful crown with amethysts in clusters of grapes. And ALL of us, guys, are gonna have these crowns. The appearance of the crown and the design of the crown is going to be according to the life that you led and the joy that you brought the Lord.

So, you're going to receive a cleansing, and you're going to receive a crown. And then, He put some special clothing on me...some kind of ornate clothing and presented me to the people as His Bride. The Lord is going to present each and every one of us to the people, as we come into the Kingdom. And we're going to be greeted by the Great Cloud of Witnesses. Because, here we are: the Bride being taken from the Earth. It's going to be a beautiful, wonderful time, especially for those of us who have suffered so much persecution and so much rejection in our families, and with our children. It's going to be such a wonderful time, where our family finally embraces us in Heaven.

So, that was a beautiful vision I had today, and that just brings to mind more to me that, things are very soon going to happen.

Ezekiel: Yeah.. There was another listener that wrote in, that the Lord had been dancing with her for days. And He never seemed to say or do much. She could see Him and sense Him and feel Him, and He was just very peaceful and contented and happy. And made her very contented and peaceful and happy. And for hours, they would just dance, every day. And it just didn't seem important to speak. In fact, He began

a few days ago by inviting her to come to the ballroom, "Meet Me in the ballroom." Just like a chapter in our book. So, this went on for a few days...

Clare: He's really needed that. He's needed to be distracted away from the things that are on the horizon.

Ezekiel: I'm sure! I'm sure... on the last day, boy - she got the sha-bang surprise of her life! Instead of beginning to dance with her right away, they ended up behind this beautiful mansion, on a river. There were many guests there, I don't know, like Hollywood Bowl, a big "bowl" type of amphitheater area. And God the Father was there with a beautiful, ornate altar. There were some animals wandering around, and the Lord was on one side of the yard, and she was on the other - obviously, in her wedding garment, and He in His. These beautiful overture things would begin to play here and there. And each time she would look back, they were getting closer to this altar, to the point where He literally took her hand, walked her to the altar, God the Father pronounced a beautiful wedding ceremony over them - a formal wedding ceremony. There were flowers and...I don't know if it was rice or what they were throwing, but everyone celebrated. There was a beautiful carriage waiting for them. As soon as the carriage - a kinda Cinderella carriage - started to take off, it got airborne, up in the air.

Clare: Wow...!

Ezekiel: And they end up kinda circling overhead, over the mansion, the guests, and waving and that.

And this went on and on and on, to where it seemed He took her through a long, beautiful day of what their honeymoon was going to be like. They danced and went through jungles and oceans and beaches and quaint little beautiful, Greek village towns and things. In fact, they had a bungalow there, a little rented house - it was almost like they could smell the fisherman's boat motors and they could hear the talk down on the docks and these little side restaurants. And, I mean, He just really opened it up for her! And she just stayed with it, and stayed with it and stayed with it.

She wasn't sure about sharing it, but the Lord told her that He wanted this, eventually. This was a foreshadow, a preview. And she was just gifted with this Grace.

Now, I know many of you have worked and prayed for MONTHS!! Jesus said, "You didn't choose Me, I chose you." You know, there are people around the world who've left everything - lived 40 and 50 years in monasteries, places like that, yet still don't necessarily see or hear the Lord the way we're talking about. But it's BY FAITH. I can't stress that enough! IT'S BY FAITH! They just believe and sense His presence. They believe He's there and that they're called to keep Him company.

I mean, these are people that maybe went in, in their twenties and lived there into their eighties. And gone on to be with the Lord. Can you imagine? Every day for 40, 50 years? But, that becomes the love of their life, because HE'S the Love of their life. But, It's HIS timing, right? It's not ours.

Clare: Right, right.

Ezekiel: Even for Clare and I. It's not like this just started to happen to us a few months ago, when we began to broadcast. It's been almost 3 decades that the Lord has been working this way in our lives - WITH children, in missions, in regular work and regular family time. There's a proper balance, you know. I would say, please be patient and don't give up. There's an order to things.

Clare: Yeah, when you have a family, you know, you can't spend as many hours in prayer. And, the Lord doesn't WANT that - that would be disordered. I mean, I only got maybe two hours a day when I was raising my four children, and homeschooling them as a single mother. I would get up early in the morning...of course, that meant I went to bed very early. I was asleep by 10:00 or by, even by 9:00. I would get up at 5:00 and get a couple of good hours in with the Lord and then have my day.

So, everything has to be in balance. And, if anything's out of balance, and you're neglecting your children or your spouse, then the Lord is going to hold back. Because, He's not pleased with that, ya know.

Ezekiel: There is a Godly order, and we give God that first time, our first fruits. But then, we go out to Him physically present and our wives, our husbands and our children. If we have a family, and are not in full-time ministry, where the Lord is...you know, where we've given up everything, and He's mandated that we just go out in faith - if we were living a regular family life that He's ordained, we need to support our family. The Lord will support the work, but He wants us to put our hands to it. So, you don't necessarily have to enjoy it, even. He can make it enjoyable. You men out there, you really need to step up and cover your wives and your children and keep some occupation and some income coming in.

Clare: Well, and the Lord will give you opportunities to witness your faith to other people.

Ezekiel: Absolutely, absolutely.

Clare: It's a real act of humility to work a job that you don't necessarily like, but because you're dedicated to your family - which is the proper order for the Lord.

Ezekiel: He wouldn't have given you your wife: your heartmate, your helpmate, your soulmate - and these beautiful children if He didn't mean for them to help form and shape your soul as well, and for you to help form and shape their souls. "Blessed is the servant, whom the Master places in charge of giving the Children their bread at the proper time. How blessed is that servant when the Master returns and finds him doing so."

Clare: Amen. Well, one of the things that I have noticed is that, there are those of us who really are called to carry Simon's Cross. Like the one woman who wrote in and said she's just so frustrated...and then says as an aside, "Now, I DID offer my suffering for ISIS, for the people who've been affected by ISIS." Well, when we're in a position - and I think a lot of people who've had anointed prayer for illness, they've had really anointed prayer, they have strong faith, they've seen healing in their life before - but for some reason the Lord has not totally

healed them...a lot of those people have been called to be Simon's. To bear the Lord's Cross for Him. The Simon's Cross and to offer the sacrifice of a fast offering in the form of waiting for the Lord to heal them. Waiting for His timing, His readiness to heal them. In the meantime, they are bearing fruit - they're not just lying there dormant and useless.

Ezekiel: That's right.

Clare: They're bearing fruit. Some of us - the Lord had told us this last week: we are going to see more intense suffering up unto the time of the Rapture.

Ezekiel: And it's solid gold. You know, He didn't just go to the Garden, die on the Cross, raise up and that was it. He suffered. Scriptures say He was a man of suffering, acquainted with Sorrow and Pain. He took on our iniquities, He took on our sins. He didn't say this life would be easy. He said...

Clare: Deny yourself. Pick up your Cross. Follow Me.

Ezekiel: That's right. And in this world you'll have trouble, but be encouraged, because I have overcome the world.

Clare: Suffering is from the devil but the Lord uses it.

Ezekiel: Well, the source of it.

Clare: Yeah, the source of it. But, if you are using the Bible Promises, some of the readings that you are going to turn up when the Lord is asking you to be an intercessor, and to carry Simon's Cross... Some of you are going to get Parent's Duties, when you open the Bible Promises prayerfully. Remembering, of course, to bind the Lying spirit before you open the book. But you're going to get Parent's Duties, and that means that the Lord is calling you to be a spiritual parent for some of these people who are suffering. Or, you may get Salvation, or you may get Eternal Life as well. We've gotten those when we knew the Lord was calling for intercession. We didn't know whether to go to the emergency room, or sit and wait it out. So, we used the Bible Promises, and got Patience and Parent's Duties... So we knew, Okay - this is a suffering that needs to bring the Gospel, or to help to the conversion of a soul to receive Him. So, it's okay - this will pass. We don't need to running off to the ER.

Ezekiel: Yeah... I'd like to qualify something, too. The other day, Clare mentioned - maybe on the last teaching or the one before...we don't use the whole Bible, we use the Bible Promises. That didn't mean we don't use the Bible - we DO! This particular teaching that she was giving was about getting an enlightened word, a rhema, a "word in season" - because you don't always have the time to go through... so and so begat, so and so, and you know. The Old Testament can be kinda long and a little confusing.

But, there are deeper levels of discernment and prayer, where you DO need to use your Bible, the New Testament - the Gospels are easier, I think, to discern - because that's actually Jesus speaking. But, the Lord may speak to you right out of a Psalm. The thing is, don't make it a study, but wherever you open to, there's probably going to be something on those two pages in front of you that's going to stand out, that's kinda gonna hook onto your heart, you're gonna feel it.

But, He DOES caution us not to be slothful, but to be diligent. Proverbs 27:23 Be diligent to know the state of your flocks and look well to your herds. Well, we may not all be pastors, or missionaries, or ministers but we're certainly bearing...

Paul said, "I have begotten you in Christ." We're not only bearing fruit for the Lord, we're bearing children, we're bearing souls. We're either giving birth to salvation experiences by His Grace (He's bringing salvation, but He's asking us to cooperate with that.) To pray for it, maybe to fast and pray for it. Whatever. But, we're responsible for those souls, because they're just children. If we're wedded to Him, if we're His spouse, those are the children that the Bride and Jesus bear together. And any wife is going to be about her husband's business, which number one, is helping to take care of their children.

Clare: Absolutely!

Ezekiel: So, keep an eye on the sheeps and the lambs around you, even if they seem like unbelievers. He loves them, and He's got His mark and His hand on 'em until the last minute. You know, it's HIS desire that NO ONE be lost. And there's lots of opportunity in practical ways - not just witnessing or quoting Bible Scriptures and things like that, but just... doing a favor for someone. Take them to the store, visit a nursing home.

Clare: Showing the kindness of the Lord.

Ezekiel: Being Jesus, being His hands and feet to a hurting and confused world. And the one that you reach out to, Paul says, that you could be entertaining angels, unaware. But, I guarantee you, many times that's Jesus at the door.

Clare: Absolutely. As Mother Theresa used to say, "in the distressing disguise of the poor." And that's why she was so wonderful with the poor, because she really saw the suffering Christ under the appearance of it, distressing disguise of the poor.

Ezekiel: Lord, we simply come before You, thanking You that You Love us more profoundly than we can imagine. We might not always sense and feel it, but it's by Faith. You tell us that over and over again, but we are so fortunate. Compared to the rest of the people around this globe, most of us have more food and clothing and shelter than what we need. We have SO much and so give us a heart of gratitude, Lord.

Protect us, keep us strong in time of trial and temptation. Protect us from the enemy, keep Your mantle and Your covering over us, just as You did for the Israelites with Your pillar of fire among them, Your protection and Your truth. Thank You and Praise You and we put out our hand to receive that ring, as you place it on our finger to be Your spouse, to be Your Bride for richer, for poorer and in sickness and in health and we'll never die so we'll never part.

Father, thank You so much for Your son Jesus and this Bride that you prepared for Him and the Love that you have for Him, Father. And Jesus, the Love that You have for the Father and how You just adore each other. And Holy Spirit, how You work in and through, to give us life and life more abundantly.

We ask all these things in gratitude again, in Jesus' name.

How To Use The Bible For An Anointed Word From God (Rhema) 1/4

June 28, 2015

Now that I've introduced Scriptural Discernment by Lots, with the Bible and it's little abbreviated from the Bible Promise Book, published by Barbour Publishers, Holy Spirit has prompted me to go deeper and really address what you are going to encounter in discernment. Discernment is everything - after Loving the Lord with all your heart and strength, and your brother as yourself. I'd put discernment right after that - because without discernment, you can't fulfill your destiny or obey the Lord. We can't rely on other people for discernment, because they're not walking in our

shoes. They don't know what God is doing in our lives, they don't understand the gifts that we've been given from birth and the graces that the Lord wants to give us. So we can't go to other people for discernment for ourselves, at least I can't. I've tried all my life to find someone who could help me discern, and I've never really found anyone, other than my husband. He's really helped me with discernment, the Lord created that relationship dynamic for guidance and especially for preparing us for Heaven - we prepare each other for Heaven by being obedient to the Lord. So, it's IMPERATIVE that we can discern God's will for us, that we don't have to go to someone else that has their own ideas. And that's what this is all about.

First of all, using the Bible as an oracle involves a sacred trust. Holy Spirit is committed to bringing direction into your life, and with that comes the sacred responsibility of obedience, and honoring His known will and His

Word.

He declares His word to Jacob, his statutes and rules to Israel. He has not dealt thus with any other nation: they do not know his rules. Praise the Lord. Psalm 147:19

I am continually with You; You have taken hold of my right hand. With Your counsel You will guide me. And

afterward receive me to glory. Psalms 73:23-24

... if any of you lacks wisdom, let him ask of God, who gives to all generously and without reproach, and it will be given to him. James 1:5

In many other religions, people wander around in their lives, not knowing what their real mission is. That's not something that taken terribly seriously in other faiths. But it's taken very seriously in Christianity. The Lord wants you to know your mission and what He's created you to do. And so He's willing to reveal that to you. But you have to seek Him with a very pure heart, and very detached heart. That's huge. Detachment is probably the most important thing, next to honesty, when you go for

discernment from the Lord and discernment. You have to be willing to look at it, totally from His angle, and not your own.

This is not a prayer practice that is to be taken lightly. The Lord has extended His wisdom to you so you can walk in His ways, therefore you are expected to honor and obey Him when He reveals His will to you. Approach Him with the deepest sincerity and respect, expecting Him to reveal His will to you. Faith - and the expectation that if you ask, that He'll give it to you, is extremely important. He's going to speak to you, and somehow, in your inner man you need to be convinced that the Lord cares and He will speak to you. If you seek Him, He's going to reveal His will to you.

There is a tendency to open the Bible Promises and just read the heading, and just run with that. No, that's not going deep enough. We need to read the Scriptures under the heading and listen for that still, small voice, that quiet leading in our hearts, that one particular Scripture that has the anointing.

Going once is not enough. We go three times and see how the words intersect like a puzzle piece to tell a story, and give us solid direction. God's ways are not our ways - at first this may seem very awkward because

He is going to give it to you as He sees it, not as you see it. There is a need, therefore, to be open and aware that the situation you are inquiring about may be vastly more complicated than you first thought.

Things, people, events, tendencies, tie together. It's not always black and white. The secret is detachment. We must detach ourselves from the answer God gives us. We can't in any way manipulate Him, God forbid!

We listen to Him as God, the Almighty, the One Who Knows all things - therefore our hearts must be deeply humbled before Him, our minds empty of our own will, and with all our being long for the truth.

This transition from human reason to God thinking is not an easy one. We may expect Him to answer us a certain way and be very frustrated when the answer doesn't seem to make sense.

One of two things is going on when this happens: sometimes, He is not addressing your question, He is addressing what needs your attention now, in present time, what is first and foremost in His mind.

Or, He is answering you, but it's from His perspective and you're going to have to work to bend your mind around it. This is where three readings come in handy. They are like navigational points. One describes your location from east to west, the other describes your location from north to south. And the third one describes your location by elevation. In this way you get a pinpoint of the issue and several aspects to examine it by. So, three readings are very important. For a very complex situation, you may end up using more than three.

But don't allow yourself to go overboard, and just keep getting readings until you get something you like! Uh, uh...it doesn't work that way. Take very seriously the first three readings that you get, and really allow them to sink in. You may have to wait a day or so, or a few hours for things to settle in your mind, and maybe Holy Spirit to help unravel the puzzle for you, so you can see it from His viewpoint.

So, what I want to do now - I'm going to get my little Bible Promises book out and I'm gonna turn to

different pages, different headings and explain to you the different times that we've received these headings and readings. And I'm hoping this will kinda give you a head-start on understanding what these readings possibly can mean. Some are pretty self-explanatory.

There are 167 different topics in this little book. It goes alphabetically.

ANGER: talks about God's anger here. But when I get this, it doesn't usually have to do with God's anger, but mine. My temper rising up, or the Lord warning me - you're going to get angry if you aren't careful. Whenever we get angry, our thinking gets distorted. The one I like is: He who is slow to anger is better than the mighty, and he who rules his spirit than he that takes a city. Verses telling us not to be controlled by anger.

CHILDREN'S DUTIES: Has to do with my own children sometimes living up to the bargain as being part of our family. This does not mean that you give your life up for your parent's will, but that you honor them. Some cultures get very confused and think that children have to do everything that their parents want them to do, especially the matriarchal cultures. It's just a given that you're going to do as your mother asks you to do with your life - and that's totally wrong. First comes God. First you give your life to God. You honor your parents. But you don't obey them in your life path, you obey God in your life path. And there's a lot of misunderstanding and conflict about that. But, since it came up, I just wanted to share that perspective with you.

COMFORT: I've gotten at times when things were really difficult, or going to BE difficult and the Lord was saying I'm going to comfort you. These are wonderful Scriptures once you get them, to command the situation to flee. In other words, these are strong arrows and spears that you can speak to situations, and can quote - and these are your strength. You know, if the devil's trying to get you to worry about something - you can speak directly to the problem. It says, "Cast your burdens upon the Lord, and He shall sustain you. He shall not suffer the righteous to be moved." No, instead YOU can say, "No, I'm not going to be worried. I'm going to cast my burden upon the Lord, because He says He shall sustain me and never allow me to be moved." In other words, you can speak right back to that fear and cause it to be moved.

GOD'S CORRECTION: Right away this tells me that there's some correction going on, whether it be for myself or if I'm going to a situation for someone else. I love this one because it's just as clear as it can be! This is wonderful if you're going through a really hard time.

I'll give you one example...ahh, I love this! We were going to a funeral, and we went to where the service was being held, and afterward I wanted to pick something up at Walmart before I went to the funeral dinner. So, we stopped at Walmart, and I kinda had a check in my spirit - you know: "you should probably just go straight to the gathering and not be going shopping". But then I thought, "No, no, I just need one thing, I'll just run in and get it and be done." Well...I ran in and got it, and when I came out, I was backing out of my parking place and another lady was backing out of her parking place...and we had an accident! That is the first accident I have had in I don't know how many years. She slammed into us! She must have floored it when she backed up. We've got this truck, and we are very, very slow because we're so big, so I was backing out very slow - and she just slammed into us.

To make a long story short - that was a very painful experience, that was God's correction. In fact, when I went to the Bible Promises book - I got "God's Correction". It was like, "You weren't supposed to be

doing this. You were supposed to go straight to the dinner that they were having, and console these people and be there for them. Instead, you were being selfish and going shopping." See, the Lord...He's pretty up front about these things. And this is how you learn the fear of God - is when He takes His hand off your protection. You learn to fear that if you don't obey Him - things can happen. He wants our obedience out of love first and foremost, and I think that's most of the time where I'm at. But when that doesn't work, He has no problem using fear as a second motive. Anything to get you to obey! And to have respect for Him - holy respect.

ENVY: I've gotten this one when I'm dealing with people, I'm praying for people, and I'm trying to unravel a messy situation. When envy comes up I know there's some type of jealousy going on, maybe even between a husband and wife.

ETERNAL LIFE: This is wonderful - often it's all about the Rapture. Okay - so, let's say the situation I might get this reading...let's say I've had a really hard week, and things have just been really difficult and I just don't know if I can stand it anymore. My knees are ready to buckle, and I go to the Lord for a rhema and this is what comes up. He's reminding me, in a moment - in a twinkling of an eye - that we'll be raised incorruptible, that we'll be raised. And He's saying, "Just hold on! It's coming! The time is coming when you'll be with Me. I know it's hard right now. But the sufferings of this present moment are NOTHING compared to the glories that will be revealed to you in Heaven." So that what's I'll get about the Rapture.

Other times I'll get this when someone's died, and the Lord will give me the perspective, "Okay, this is not so much about them dying as it is them coming to Me and coming to eternal life. And that can be very comforting when you focus on that. There's a lot of Scriptures under this heading that are very comforting.

FAITH: Sometimes when things aren't working out, and I wonder, "Why isn't this working?" or I'm faced with a really threatening situation, like losing our housing or something and I go to the Lord for a rhema, and I'll turn up the Faith page. Assurance to have Faith. Watch. Stand fast in the faith, be strong in the Lord.

FEAR: Is good because it gives a lot of reasons NOT to have Fear. Many, many Scriptures under Fear. Especially when I'm thinking about the future. A lot of times He'll use these Scriptures to tell me that He's protecting me. My favorite - He shall cover thee with His feathers....Psalm 91. The premier Psalm declaring God's Protection over us.

FOOD AND CLOTHING: Usually means, "Be happy with your food and clothing - don't be chasing after these things." This was more in the past for me, now I really don't care too much about anything, other than what I really need to keep my Youtubes going. He's telling us, "I'll take care of the food and clothing, but don't get your minds on the world or anything else. That's how He uses those Scriptures with me.

FORGIVENESS: is obvious. Now, I've done something here a little different. Because I use this book as an oracle, I will take a blank page and separate two topics, one falling onto the left and one on the right. In this case, I opened to Food and Clothing on the left hand page, and Forgiveness on the right. So, I've taken a blank page (or sheet of paper the right size) and stuck it in between the two topics so when I open to the page, there's no confusion which one is intended.

FRUITFULNESS: Sometimes, when things are getting real difficult with a situation, it seems like a lot of confusion is going on - I get Fruitfulness at those times. When I think of fruitfulness I think of pruning, and think to myself, "Yeah, the Lord is pruning me a little bit." Sometimes it heals me to understand why things are so stressed, that there's a pruning going on. And of course, the beautiful promise of the tree planted by the water bringing forth fruit - that's a wonderful promise. So, it could mean that I'm bringing forth a lot of fruit, that I'm abiding in the Vine, or the Lord's reminding me that I can bear NOTHING outside of Him. Or He's doing some pruning and it's a little uncomfortable, and He wants us to now that, and not to be stressed about it. In the end, it's going to bring forth more fruit, even more fruit when He's done.

GOD'S FAITHFULNESS: When things are dire - like, I don't know if we'll have the money to fix the car, or tires or whatever, and we go for a rhema and we get this, it means He's got it covered. He's already there, He's got it covered.

GOSSIP: Here's one you don't want to get! Oh, when I open to gossip I tremble: "Lord, have I spoken a word, have I judged someone in my heart, have I spoken a word of judgement, have I gossiped?" Believe it or not, on this particular one about a gossip separating good friends, I've gotten this as a warning when the Lord is telling me that the enemy is lying about His character, the enemy is trying to separate me from God by talking about the Lord in deprecating terms and saying, "Well, He's not going to do this, He's not faithful. He's angry at me, He doesn't want anything to do with me." That's gossip, too.

So, if you start feeling self-condemnation and the Lord doesn't love you...so many of us fall into that trap...understand that that's a Lying, Gossiping spirit and he's trying to separate you from the Lord. Don't listen to him! When there's no tale-bearer, the strife ceases. This is really a terrible thing - especially people who put down ministries and ministers because of what they've heard on the internet and what they think. But, they've never been a part of that ministry, they've never sat under that person as a teacher - they're just listening to reports - evil reports - that are coming up from different places. And they're not investigating those reports for themselves to see how accurate they are, how balanced they are - they're just taking other people's word for it. And they become stumbling blocks, because every ministry has a gift to share, and no ministry's perfect - there's going to be some error in every ministry. But, if you focus on the error, then you negate the good that is there, the gift that that person has been given. They have a gift, and you never get to receive that gift that the Holy Spirit wants to give you because people have gossiped about that person, and told all kinds of stories - and you're focusing on that. So, it's just as much a sin to be a tale-bearer as it is to listen to it, to listen to gossip and to be a stumbling block. In the Kingdom of God, it's a terrible thing to put down others' ministries because you don't agree with something or you think they're wicked people, because that's what is being told to you on the internet. You don't bother to check out THEIR sources because you're lazy, you know - you just take their word for it and go with it. And it feels good sometimes: "yeah, they're really bad, we need to stay away from THEM" Just like a self-righteous thing, but it's extremely destructive and the judgement is going to come with stumbling blocks....is horrendous, because there are so many people out there who need different kinds of ministry. And some of these ministries have what they need, but because they hear a false report and gossip, they won't go to that ministry, so they never get what the Holy Spirit intended for them to have. It's a very serious and sad thing. So Gossip is probably one of the worst things you can do.

I remember a story about a monk who, someone came to him, talking about how they had gossiped. She was confessing it to him. And he told her to go home, take a feather pillow and open it and shake it out the upstairs window. So she went home, cut open her pillow and went upstairs and shook it out all over

the ground. The next week, she went back for confession, and the priest said, "Well, did you do what you were told?" and she said, "Yes, I opened my pillow out of the second floor window - the feathers flew everywhere!" And he said, "Good! Now go home and pick up all the feathers."

So you see, that's what gossip does: it's impossible to retrieve the damage that a bad report causes. And the Lord will hold us accountable for every idle word. So when I get Gossip - I shake. 'Cause if I've gossiped, it's a really serious sin.

GROWTH AND GRACE: Is another reading I've gotten when things are a little difficult and I've made some mistakes, and I've asked for forgiveness and He'll come back and give me Growth and Grace. The promises are beautiful, showing us that we are to press on in our growth in His grace, that we are to walk to please God. So this is a comforting one, where the Lord is basically saying, "Yes, I know you blew it - but you're growing.

GUIDANCE: That a wonderful that I get when the Lord is telling me that He's speaking to me. "This is the way, walk in it." This reading is very useful when you're asking, "Lord is this you? Are You speaking to me?" You know, when you're in your devotions and you feel the Lord is speaking to you, and you - of course bind the lying spirits off the book - and you open it and get Guidance. Wow! That's a wonderful one - that means Yes, I'm speaking to you - you're "hearing a word behind you". That's a beautiful confirmation that you are hearing from the Lord.

GUILT: This is another one that makes me shake in my boots! When the Lord really wants to confront me with something, or when we're counseling a couple, or counseling someone and we get Guilt - it means that there's some things there that need to be confessed, they need to look at and need to confront - some things that they've done. I don't think the Lord EVER gives this to us when someone comes along and they're very contrite over what they've done. No, this would be for someone that's trying to hide something, and the Lord's just coming right in their face and saying, "no, - you're guilty". I've gotten that one for myself - and it's no fun!

HELP IN TROUBLES: Scriptures about help in trouble, lifting you up. This is a beautiful one, you know, when you are really feeling low. I've gotten this one when we were seeking the Lord on taking Ezekiel to the hospital, we asked the Lord through the Bible Promises if it was necessary, and we got Holy Spirit and Help in Troubles. So, off to the hospital we went, and he had emergency surgery. "My flesh and my heart fails, but God is the strength of my heart..."

"And the Lord will not cast off forever." Now this is the second page of Help in Troubles, and when I get this one, this is one acknowledging my sin, but talking about the Lord's mercy. "though He cause grief..." or "rejoice not against me..." When I get that - it's kinda like guilt - yes, you've sinned!

HOLY SPIRIT: now, this is my favorite! When I open to this page - or actually it's four pages in the book - this is also another one that will confirm that you are hearing the Lord's voice. If you are wondering if it's really the Lord and you open to Holy Spirit - wow - that's the best news you could possibly get. "The anointing you've received abides in you, and you do not need man to teach you." This is what I'm trying to do for you guys, on my channel. I'm trying to help you get to a point where you don't need a teacher, where you're totally relying on Holy Spirit. These verses speak of Holy Spirit's guiding us into all Truth.

HONESTY: This is one that follows a page of Holy Spirit, right between pages. So I've taken a page the

same size and placed it in between them, so there's no question which page I'm opening to when I get to this place.

HOPE: I get that when things seem really dark. I get that a lot when I've blown it... It's like the Lord is saying, "There's hope for you...there's hope!" Things that speak to our hearts and say, don't give up hope.

HOSPITALITY: when I get that, it's usually about feeding or clothing someone, taking care of their needs in some way. Another time the Lord's given this to us is about using our gifts - like the gift of music or the gift of writing. I prefer to take Hospitality as corporal works of mercy, like buying something for someone if we have the money, or taking a food box to someone or taking someone to the store - like the elderly lady up front, seeing to it that she has a way to get to the store and helping her with her grocery shopping. That's hospitality. Sometimes I'll even get that when the Lord wants us to put someone up for a time.

HUMILITY: I get this a lot, and that's because I have a lot of pride. So, the Lord is continually admonishing me "And whoever will humble himself..." My heart always sinks when I get humility, because that's the Lord's way of saying, "Your pride is active again - and it's causing problems." And that's really painful. But, I want to know - I want to know when that pride is getting up there. I beg Him to tell me when I'm starting to fall into pride. "Humble yourselves under the mighty hand of God..."

LAZINESS: Work hard! Apply yourself... another time I get it, let's say my mind is straying on the internet and I'm really curious about what someone said about prophetic events or whatever catches your eye - you know how that goes! And then, if I go to the Lord about a rhema about something and I get Laziness, and under that it says: "Drink water from your own cistern." That's pretty important - that means don't listen to other prophetic voices - you've got your own relationship with the Lord and you need to be focused on what He says to you. So...laziness, we are continually reminded to work harder.

How To Use The Bible For An Anointed Word From God (Rhema) 2/4

June 29, 2015

Another topic is **Fear**, and this is a good one, because under **Fear**, they give a lot of good scriptural reasons *not* to be afraid. He says, Why are you so fearful? How is it that you have no faith? And, Fear not, little flock; it's your Father's good pleasure to give you the kingdom.' For I the Lord thy God will hold thy right hand, saying unto thee, Fear not; I will help thee. There are many, many different Scriptures under **Fear**. I know that I've gotten this many times, especially when I think about the future.

Be not afraid of sudden fear, neither of the desolation of the wicked when it comes. For the Lord will be your confidence and shall keep your foot from being taken.

He will often use *these* Scriptures to tell me that He's protecting me.

The eyes of the Lord are over the righteous, and His ears are open to their prayers: who is it that will harm you, if you are followers of that which is good?

In righteousness you'll be established: You'll be far from oppression; you'll not fear from terror, for it will not come near your tent.

Fear not, for you will not be ashamed: neither be confounded.

I love this one. This is my favorite: He shall cover thee with his feathers, and under His wings shall you trust: His truth shall be your shield and buckler. You'll not be afraid of the terror by night; nor the arrow that flies by day; nor the pestilence that walks in darkness; nor the destruction that wastes at noonday.

This is the psalm that we refer to so many times for God's protection.

I've gotten **Food and Clothing** before. That's the next one. When I get **Food and Clothing**, the Lord is saying, "*Be happy with **Food and Clothing**. You don't need all these things that you're chasing after.*" This was more for me in the past. Now, I really don't hear too much about anything, other than what I need to keep my You-tube channel going. He's basically saying, "*I'll take care of your food and clothing, but don't get your mind on the world or anything else.*" That's how He uses that Scripture with me.

Forgiveness is obvious.

'Forgive men their trespasses, your heavenly Father will forgive you also.'

I've done something here that's a little different, because of the way I use The Bible Promises as an oracle. I will take a blank page and separate topics, when, normally, I would open the book, and one topic will

fall on the left side, while the other one falls on the right. In this case, I open to **Food and Clothing** on the left-hand page and **Forgiveness** on the right; so, I took the Introduction out of the front of the book and I stuck it in between the pages, so that it either opens to **Forgiveness** or to **Food and Clothing**, and there's no confusion. Sometimes things can seem really difficult - what we're getting involved in; what we're doing. We can get a lot of opposition, or we're just not sure what's going on. I get **Fruitfulness** at those times. When I get **Fruitfulness**, I think about pruning. I'll think to myself, 'Yep. The Lord is pruning me a little bit.'

I am the vine and my father is the husbandman. Every branch in me that bears no fruit he takes away:
and every branch that bears fruit, he purges it that it may bring forth *more* fruit.

Sometimes, that helps me to understand why things are so stressed. There's a "pruning" going on. Then, of course, there are wonderful Scriptures there, too:

He shall be like a tree planted by the rivers of water, that brings forth his fruit in season. His leaf also shall not wither; and whatsoever he does shall prosper.

Oh, that's beautiful! It's a beautiful promise.

And they shall still bring forth fruit in old age. Yay! They shall be fat and flourishing.

Hmm. I don't really want to be fat. "Flourishing" is fine, but let's leave the "fat" out. I've already got enough of that (laughing).

When I get **Fruitfulness**, it could be that I'm bearing a lot of fruit, because I'm abiding on the vine, or the Lord's reminding me that I can bear nothing outside of Him. It could also be that He's doing some "pruning," and it's a little uncomfortable, and He wants us to know, "*This is about pruning, so don't be stressed about it. You're going to bring forth more fruit because of it.*"

Here is one that you don't want to get: **Gossip**. When I open to **Gossip**, I tremble. 'Lord, have I spoken a word of judgment? Have I judged someone in my heart? Have I gossiped?'

A froward man sows strife: and a whisperer separates friends.

Believe it or not, on this particular one, about a gossip separating good friends, I've gotten this one, when the Lord is warning me that the Enemy is lying about *His* character. The Enemy is trying to separate me from God by talking about the Lord in deprecating terms and saying: 'He's not going to do this; He's not faithful; He's angry with you; He doesn't want anything to do with you.' That's **Gossip**, too! So, if you start feeling self- condemnation, and that the Lord doesn't love you, so many of us fall into that trap! You must understand that this is a gossiping, lying spirit, and he's trying to separate you from the Lord! Don't listen to him!

Your tongue devises mischief; like a sharp razor, working deceitfully.

Where there is no wood, there the fire goes out: so, where there is no talebearer, the strife ceases. As coals

are to burning coals and wood to fire; so is a contentious man to kindle strife.

The words of a talebearer are as wounds; they go down into the innermost parts of the belly.

This is really a terrible thing! Especially stumbling blocks! People who put down Ministries, because of what they've heard on the Internet, and what they think, but they've never been a part of that Ministry. They never sat under that person as a teacher. They're just listening to evil reports that are coming up from different places, and they're not investigating those reports to see how accurate they are, or how balanced they are. They're just taking people's words for it, and they become stumbling blocks. Every Ministry *has* a gift to share, and *no* Ministry is perfect; there is going to be *some* error in every Ministry, but if you focus on the *error*, then you negate the *good* that is there - the gift that this person has been given - and you never get to receive the gift that the Holy Spirit wants you to get from this Ministry. People have gossiped about this individual or Ministry, and told all kinds of stories, and you're focusing on that, instead of on gift that the Ministry has to share. It's just as much a sin to *be* a talebearer, as it is to *listen* to one. To listen to gossip, and to be a stumbling block in the Kingdom of God is a terrible thing! To put down other Ministries, because you don't agree with them, or because you think they are wicked people is terrible; and all this, because that's what's being told to you on the Internet, and you don't bother to check out *their* sources, because you're lazy! You just take their word for it and 'go with it,' and it feels good. You get to agree and say, 'Oh yeah, they're really bad. I'd stay away from them.' It's just like being **Self-Righteous**, but it's *extremely* destructive; the judgment that is going to come with stumbling blocks is *horrendous*!

There are *so* many people out there that need different kinds of ministering, and some of these Ministries *have* what they *need*; but because they hear a false report and gossip, they won't go to that Ministry, so they never *get* the help the Holy Spirit intended for them to have. It's a very serious and sad thing.

Gossip is probably one of the worst things that we can do!

I remember a story about a priest, who told someone about a woman who came to him for confession, talking about how she gossiped. She had gossiped about so-and-so, she confessed to him.

He told her, "Go home and take a feather pillow, rip it open, go to the window on the second story, and shake it out."

She went home, and she cut open her pillow, and she shook it out all over the ground. Next week, she returned to confession and the priest asked her, "Well, did you do what you were told?"

"Yes," she replied. "I emptied the pillow out the second-story window. The feathers flew everywhere!" "Good," he told her. "Now, go home and pick up all the feathers."

So, you see, that is what **Gossip** does. It's impossible to retrieve the damage that a bad report causes, and the Lord will hold us accountable for every idle word. When I get **Gossip**, I shake, because if I've gossiped, that's really serious. It's a *very* serious sin.

Growth in Grace is another reading that I've gotten, when things are a little difficult, and I've made mistakes, and I've asked the Lord to forgive me, and He'll come back and give me **Growth in Grace**.

The Lord will perfect that which concerns me: your mercy, O Lord, endures forever: forsake not the work of your own hands. That's beautiful. That's a promise. I press on toward the mark for the prize of the high calling of God in Christ Jesus. I beseech you, brethren, and exhort you by the Lord Jesus, that you ought to walk to please God, so you will abound more and more.

Growth in Grace is a comforting one. The Lord is basically saying, *"Yes, I know you blew it, but you're growing. You're growing in grace."*

Guidance is a wonderful one that I get, when the Lord is telling me that He's speaking to me.

Your ears will hear a word behind you, saying, "This is the way. Walk in it. When you turn to the right and turn to the left."

This reading is very useful when you're asking the Lord, "Lord, is this you speaking to me?" For example, when you're sitting in prayer, or you're in worship, and, all of a sudden, you feel that the Lord is speaking to you, and you want to make sure that it's Him. First, you bind the lying spirit off of your Bible Promises, and then you open it, and you get **Guidance**. Wow! That's a wonderful one! It means, *"Yes, I am speaking to you. You're hearing a word behind you. This is the way. Walk in it."* That's a beautiful confirmation that you *are* hearing from the Lord.

Another one that makes me shake in my boots is **Guilt**. When the Lord really wants to confront me with something, or when we're counseling someone, and we get **Guilt**, it means that there are some things there that need to be confessed; that they need to look at and they need to confront. Some things that they've done need to be addressed. I don't think that the Lord *ever* gives this to us, when someone comes along, who is very contrite over what they've done. No, this would be for someone, who is trying to hide something, and the Lord's just standing face to face, saying "You're guilty. You have guilt!"

I've gotten that one, and it's no fun!

Another good one that I get is **Help in Troubles**.

The Lord is good, a stronghold in the day of trouble; and He knows the ones who trust in Him.

And though you fall, you'll not be utterly cast down: for the Lord holds you up with His hand.

You're my hiding place; and you'll preserve me from trouble; you'll compass me about songs of deliverance.

This is a beautiful one! When you are *really* feeling low! I've gotten this a few times, when I had to take Ezekiel to the hospital, and I asked the Lord, through The Bible Promises, if it was *necessary* for him to go to the hospital. We got **Holy Spirit** and **Help in Troubles**. So, off to the hospital we went, and he underwent emergency surgery.

My flesh and my heart fails: But God is the strength of my heart, and my portion forever.

Many are the afflictions of the righteous: but the Lord delivers him out of them all.

For the Lord will not cast off forever.

This is the second page of **Help in Troubles**, and when I get this one, it acknowledges my sin but talks more about the Lord's mercy.

...the Lord will not cast off forever: But though He cause grief, yet will he have compassion according to the multitude of His mercies. For He does not afflict willingly nor grieve the children of men.

Here is another one on the second page of **Help in Troubles**:

Rejoice not against me, my enemy: When I fall, I will arise; when I sit in darkness, the Lord will be a light to me. I will bear the indignation of the Lord, because I have sinned against him, until he plead my cause and execute judgment for me: he will bring me forth to the light, and I shall behold his righteousness.

When I get that Scripture, it's almost like **Guilt**. "*Yes, you sinned. You've missed the mark.*"

Here is my favorite one in the whole book - **Holy Spirit**. I love it when I open to this page, or, actually, to this four-page section in the book! There are so many different scriptures!

And I will put my spirit within you, and cause you to walk in my statutes, and you shall keep my judgments, and do them. This is another Scripture that will confirm a word from the Lord. If you are beginning to get a message, and you want to make certain that it's the Lord you are speaking to, you stop, and bind a lying spirit off of your Bible Promises, and then you seek the Lord, and you ask Holy Spirit to show you, "Is this you?" Well, if you open to **Holy Spirit**, Wow! That's the best response you could *possibly* get!

I will put my spirit within you, and cause you to walk in my statutes.

The anointing you receive abides in you, and you need not that any man teach you: --

This is what I'm trying to do on our channel, guys. I'm trying to help you get to the point where you don't need a teacher; where you're totally relying on the Holy Spirit.

--but as the same anointing teaches you of all things, it is truth, and is no lie, and it has taught you, you shall abide in him.

When the spirit of truth has come, he will guide you into all truth.

He that searches the hearts knows what is the mind of the Spirit, because he makes intercession for the saints, according to the will of God.

Honesty immediately follows these Scriptures and begins in the opposite page. So, once again, I've taken a page, ripped it out, and placed it between the last page of **Holy Spirit**, and the first page of **Honesty**, on the right-hand side, so that there's no confusion when I open the book, to which set of Scriptures the Lord is pointing me.

Let's see what else we've got here. **Hope** is something I get when things seem really dark. My gosh. I get that a lot when I've blown it. It's like the Lord is saying, "*There's hope for you.*"

Gird up the loins of your mind, be sober, and hope to the end for the grace that is to be brought to you.'

Every man that has this hope in him purifies himself.

The wicked is driven away in his wickedness; but the righteous has hope in his death.

The hope is laid up for you in heaven.

There are all kinds of Scriptures in here...

...Christ within you, the hope of glory:...

...which speak to our hearts and say, "Don't give up on yourself! There's hope!"

Hospitality is a reading I get when it's about feeding or clothing someone, or taking care of their needs in some way.

Give hospitality one to another without grudging.

Another time that the Lord has given this to us, it has been about using our gifts; like the gift of music or the gift of writing.

As every man has received the gift, even so minister the same one to another, as good stewards of the manifold grace of God. I prefer to take **Hospitality** to mean corporal works of mercy; like buying something for someone, if we have the money, or taking a food box to someone; or taking someone to the store, like an elderly lady, and making sure she has a way to get to the store and helping her with her grocery shopping. That's **Hospitality**. Sometimes, I'll even get that one, when the Lord wants us to put someone up for a time.

Humility. I get this a lot! That's because I have a lot of pride. So, the Lord is continually admonishing me. And whoever will humble himself as this little child, the same is the greatest in the kingdom of heaven. Whoever shall exalt himself will be abased; and he that shall humble himself shall be exalted.

My heart always sinks when I get **Humility**, because that means that the Lord is saying, "*Your pride is active again, and it's causing problems.*" For me, that's really painful, but I *want* to know when that pride is getting up there. I beg Him to tell me when I'm starting to fall into pride.

Humble yourselves, therefore, under the mighty hand of God, that he may exalt you in due time.

That's under **Humility** also.

Here is another instance, where the last page of **Humility** butts up against **Joy**. Now, remember, The Bible Promises that *you* get will probably be arranged differently, but in my book, I put a fly sheet

between the last page of **Humility** and the beginning of **Joy**, so I know which Scriptures I'm being directed to when I open the book.

Here's another one that I get a lot - **Laziness**. Diligence. That just means, "Work hard. Apply yourself."

Another time I get it is when I'm on the Internet, and my mind is straying, and I find myself really curious about what so-and-so had to say about prophetic events, or whatever catches your eye -- you know how that goes - and I go over to that page, and I start listening, but then, when I go to the Lord for a rhema about something, I get **Laziness**, and under that, it says:

Drink water from your own cistern.

That's actually pretty important. It means, "*Don't listen to other prophetic voices. You've got the Lord with you, and you need to be focused on what He says to you.*"

I went by the field of the slothful, and by the vineyard of the man void of understanding; and

it was grown over with thorns...

Don't love sleep, lest you come to poverty; open your eyes...

The way of the slothful man is a hedge of thorns: but the way of the righteous is made plain.

Laziness continually reminds us to work harder.

(Please go to the next video/pdf to continue on to Part 3 of this teaching.)

How To Use The Bible For An Anointed Word From God (Rhema) 3/4

June 30, 2015

(Continued from prior videotape)

...**Loneliness** comes after that. I love this reading, because the Lord gives me loneliness, when He's going to come to me and speak to me. *"I will not leave you comfortless. I will come to you."* You'll call to the Lord and the Lord will answer. You'll cry, and He shall say, 'Here I am. And since you are precious in my sight, and you have been honorable, I have loved you. I am with you and will keep you in all places where you go and will bring you again to this land. I

will not leave you until I have done that which I have spoken of.'

Now, this is interesting. We got this about 25 years ago, when we were here, in this area, in northern New Mexico, and the Lord sent us out of New Mexico. I remember Him telling us 'that I will bring you here again into this land.' I remember that. We got **this** reading when we were seeking Him about leaving. So we knew that we would be coming back to New Mexico at some point in the future. Some of these things really stick in your mind.

Long Life is another one, and it has to do with being prudent and teaching the right things. 'The glory of young men is their strength: and the beauty of old men is the grey head.' 'With him is wisdom and strength. He hath counsel and understanding.'

'Oh, Lord. You've taught me from my youth? And I have declared your wondrous works.'

'Now, also, when I am old and grey-headed, O God, forsake me not, until I have shown your strength to this generation and your power to everyone that is to come.'

'Lord, make me to know mine end, and the measure of my days, what it is; that I may know how frail I am.'

It's beautiful! And it's definitely for me. It talks about teaching, and walking in the Lord's ways, and using wisdom.

Brotherly Love. That's kind of an obvious one. I'll get this one about my husband. If I'm being a little selfish or protective of my time, because I feel overburdened - (to herself: Well, there's no excuse for it) - the Lord will give me **Brotherly Love**. So, if Ezekiel says, 'Hey, you want to watch a holy movie tonight?' and that may be the *last* thing I want to do, but if He gives me **Brotherly Love**, I'll lay down whatever my agenda was, and I'll watch the movie with him. This is an important one, because a lot hinges on brotherly love. The Lord looks to see how we take care of others, and how we give of ourselves, because He's constantly giving us Grace and Love, and filling us with His presence, and He expects us to pour that out on other people. So, when we get **Brotherly Love**, it means 'Lay down your agenda, and take care of

this soul that I've put before you. Love your brother as you love yourself. Now that may mean some self-sacrifice at that moment.

And here's Ezekiel's favorite, **God's Love**.

'For God so loved the world that He gave His only begotten Son, and whosoever believes in Him should not perish but have everlasting life. As a young man marries a virgin, so shall your maker marry you. As the Bridegroom rejoices over the Bride, so shall thy God rejoice over you.'

Isn't that beautiful? That's his favorite. For us, that's a confirmation. We'd ask, 'Lord, we'd like to take a drive to Taos Canyon or the Ski Valley, where it's really beautiful, and just go for a walk?' We'll seek the Lord and we'll make sure that it's in His Will. That we're not wasting His time, and He'll give us this beautiful reading - **God's Love**. Then, we know that we have His approval and His blessing to use His time that way.

Lust? Oh, I hate that one. Now, **Lust** for us does not a sexual thing at all! It means 'to desire something inordinately.'

'Submit yourselves to God, resist the devil, and he will flee from you. Draw nigh to God, and He will draw nigh to you.'

'Abstain from fleshly lusts.'

That could easily be about food for me. Cream cheese coffeecake. Mmm (a small laugh, as she recalls it). Hey, Ben and Jerry's ice cream, too! (Another small laugh) Oh, and they've got something *really* wicked now, called Magnums. (Laughing as she speaks) They're like dark chocolate with dark chocolate inside, and a dark chocolate coating on the outside, and chocolate nibs crunched into the crust of it. It is *outrageous* chocolate! Just *outrageous*! That's only rarely for a treat. That's not something we do every day.

If I ask the Lord if it's time to go to the store, because I've got a list building, and I get **Lust**, our money in the world, I say, 'forget it. I'm not going.' We can lust over different things. You can lust over a car; you can lust over clothing; you can lust over a position. Any place where there's really strong desire - any place like that - you're prone to lust, and that's something that overtakes your life. It completely blinds you to reason and to God's Will. It completely overtakes you, until you've got to have it. And that's the truth, guys. If you get into *that* place, you need prayer. In fact, pray the **Binding Prayer**, and confess your weakness to the Lord; ask Him to protect you. That's a big one!

For those of you, who still have very strong hormones, you can figure that out pretty easily.

Even under **Lust**, '... they told you there should be mockers in the last time, who should walk after their own ungodly lusts. These are they who separate themselves, sensual, having not the Spirit. But you, beloved, building up yourselves on your most holy faith, praying in the Holy Ghost, keep yourselves in the love of God, looking for the mercy of our Lord Jesus Christ unto eternal life.'

'Walk in the Spirit' - Galatians - 'and you shall not fulfill the lust of the flesh. For the flesh lusts against the Spirit, and the Spirit against the flesh; and these are contrary the one to the other: so that you cannot

do the things that you would.'

So, if I'm at the store, and I go by the ice cream aisle, and I'm tempted to get ice cream, I'll probably pass it by. Because the Lord will bring the scripture to mind, 'but make no provision for the flesh,' and if I don't really think that I'm going to need ice cream, then I just avoid it. It happens at times when your blood sugar falls. Have you ever noticed that? When something happens, and there is a lot of stress, your blood sugar comes crashing down and you crave something sweet. But I don't like to keep these things on hand, because they are a temptation.

Lying. I get this one a lot. This one I get when I've got a lying spirit, who is trying to start a conversation with me. I'll be seeking the Lord, getting ready to make a message for you guys, and ready to receive a message from the Lord, and I'll get some false starts. I'll use *The Bible Promise Book*, binding a lying spirit from the onset. 'In the name of Jesus, I bind the lying spirit off of this book. I'll only receive wisdom from the Holy Spirit.' Then I'll pray, 'Holy Spirit, reveal to me, is this you speaking to me?' If I open to **Lying**, then I know I've got a lying spirit.

You know, once you've learned to listen in the Spirit, you can hear all kinds of things you don't want to hear. It's just like having regular hearing. You may be listening to a symphonic piece or something like that on the radio, and people are talking in the background. You hear both. You hear the good and the bad, because you have that skill of being able to hear. It's the same in the spirit realm, as you learn to hear the Spirit, there's the 'other company' that talks in the spiritual realm, that you don't want to listen to. That's the reason why we're so careful with discernment. I don't think that we have ever put out a message that we didn't first discern, using the Bible Promises, both Ezekiel and I, because we didn't want to deceive you, and we didn't want to say something in the name of the Lord that was not from the Lord. Therefore, **Lying** is an important one for us.

'If a false witness rises up against any man, to testify against him,' that is bad news! 'And the judges shall make diligent inquisition, and behold, if the witness be a false witness, and has testified against his brother, then shall you do unto him, as he had thought to have done unto his brother.' If I get this one, that's another red flag that this is not the Lord; or that this person is not telling me the truth; or have you been honest about everything?'

Marriage. When I get that one, it has to do with listening to my husband; I'll be in discernment, and I'll not know exactly what the Lord is trying to say, so I will engage Ezekiel. If I get marriage, then I know that Holy Spirit is going to give Ezekiel the answer. All I have to do is pray, and ask him to help me discern, and he's going to have the wisdom that I need from Holy Spirit. I really felt like I needed to take time doing this with you guys, so that you would have an understanding of how these different Bible Promise readings can possibly relate to you. For example, 'Drink waters out of your own cistern and running waters out of your own well.' Sometimes, if we ask the Lord if we should listen to a certain prophet, we may get this scripture under the **Marriage** reading. So, in your case, if you were inquiring if you should go cross-town, to a service, where this prophet was in town, and you got **Marriage**, you might be wondering, 'What is that for? Why did I get **Marriage**?' Particularly, if you are not married. Or, perhaps you are married, but there's nothing going on with your husband, so you're wondering, 'What in the world is this about?' Well, if you look down the page there, it says, 'Drink waters out of your own cistern and running waters out of your own well,' and that may be the rhema for you about the situation; that you've got what you need. You really don't have to go across town to listen to someone else or 'drink

water from their well.' We've had it to mean that before. Both Ezekiel and I have encountered that.

However, it could also mean, 'Spend time with your spouse.' I've had times when this has come up. Every time I when I open up The Bible Promise Book, **Marriage** came up. The reason it did is because Ezekiel was going through some interior things that he was not sharing with me, and he was hurting, and I needed to drag it out of him, so to speak. The Lord was trying to tell me that there's something going on with him that you need to be attentive to.

'Wives, submit yourselves to your husbands.' Don't we love that scripture? (Laughing) Oh, I just *love* that scripture. Oh, and this one:

'Husbands, love your wives even as Christ also loved the Church and gave himself for it.' Yes, I like *that* one better!

'Men ought to love their wives as their own bodies. He that loves his wife loves himself.' Ezekiel is a good husband. That's how he is.

'Wives, submit yourselves to your *own* husbands, as it is fit in the Lord. And husbands love your wives, and be not bitter against them.'

'And husbands, dwell with them, according to knowledge, giving honor unto your wife, as unto the weaker vessel, as being heirs together of the grace of life; that your prayers may not be hindered.'

You see, our prayers can be hindered by the way we treat our spouses. In fact, just recently the Lord corrected me on that. The hot weather was getting to me, and I was getting impatient, and a little gruff, and I was not my normal, sweet self with Ezekiel, and the Lord came back and called me on it. He said, 'This is not pleasing to me, because I *live* in him, and when you don't honor him, you're not honoring me.' I repented. This just happened recently.

It's a tendency for us, in marriage, to start taking each other for granted. Then recall a time when you didn't have each other, and you were still looking for your soulmate - your spouse - and you were *so* lonely, and that will help you in present time to appreciate what you have more. These are little foxes that get into marriages and destroy them. Those little nattering things, those inconveniences. The War of the Windows. Yep! I tend to be hot, and he tends to be cold. As a result, we have what we call 'The War of the Windows.' I'll walk out of the recording studio, and the windows will be nice and open, and breezy, and airy, and he'll come back here to do something, so he'll close the windows. So, I'll wait until he walks out, and then I'll open the windows. However, I opened the kitchen windows, too, to get a cross-draft, and, lo and behold, I go in the kitchen, and those windows are shut. Yep! (Laughing) The Wars of the Windows.

Those things can get on your nerves and can wear you down, and destroy charity and love, and you begin to get irritated with each other. Charity covers a multitude of sins, so we need to be charitable with one another. When I get **Marriage** or **Brotherly Love**, I start thinking, 'Uh oh, I need to start paying more attention to this. I need to see what this is about.' My husband is needing more of my attention.

Meekness comes after that. How Beautiful. I love **Meekness**. I get that when the Lord is warning me that my pride is beginning to swell again.

Mercy is one of my favorite readings, because it means 'I've forgiven you, and I'm going to show you my mercy.' You're going to receive mercy. I got this about Yellowstone; after we finished watching this movie, 'Supervolcano,' or 'Yellowstone,' or whatever it was. It was a real dramatic movie about Yellowstone, where the whole United States was just ruined. I went to the Lord about it, and I asked him, 'Lord, is this going to happen?' And I got **Mercy**, so I knew even when that film came out years ago, that the Lord was *not* just going to allow Yellowstone to destroy this country. Then, when he was more pointed about it, he brought me a message about it to share with you, about the things that would be happening. That's when I knew that, although he had given me **Mercy** before, He brought it to light and actually explained how He was going to handle the magma from Yellowstone - that it was going to seep out of the earth, there was going to be an explosion, but that it wouldn't be *anything* like 'Supervolcano.' Then there would be a lot of fissures, where the lava would come forth and let off the pressure that way. **Mercy** was the word He gave me that time.

Here's one of my least favorite ones -- **Money**. 'Don't labor to be rich. Cease from your own wisdom. Why will you set your eyes upon that, which is not, for riches certainly make themselves wings, and fly away, as an eagle toward heaven.'

'Charge them that are rich in this world, that they be not high-minded, nor trust in their riches, but trust in the living God, who gives everything to enjoy; That they do good, that they be rich in good works, ready to distribute, willing to communicate; Laying up in store for themselves a good foundation against the time to come, that they may lay hold on eternal life.'

'Don't store your riches on earth; store them in heaven, where moths and dust cannot corrode.'

Money is a hard one. If I get that, and I need something from the store - or think I need something - I'll ask, 'Lord, can I have printer ink?' Of course, it's at a time when we don't have money for ink. I may get **Money**, and it's basically saying, 'You're going to have to do without it for now.' When you get **Money**, it's a reminder not to go out to the store. Be happy with what you have. Don't be searching for more.

Don't focus on that. Don't long for that. It's a trap!

'They will cast their silver in the streets, and their gold will be removed: their silver and their gold shall not be able to deliver them on the day of the wrath of the Lord: nor shall it satisfy their souls, neither their bowels: because it is the stumbling block of their iniquity.'

Money, money, money. That is a serious warning, guys. When you get **Money**, that's a serious warning to triple-check your motives and necessities...or what you consider to be necessities.

Obedience. 'Yes, I've set before you this day life and good, and death and evil.' When I get **Obedience**, it's almost always a confirmation of something that came before it. In other words, 'I told you to do such-and-such. Please obey.' **Obedience** is very important. If you get **Obedience**, then the Lord is definitely trying to get your attention, to obey what He has told you in the past. **Obedience** is a very important reading! Very important!

Parents' Duties. I always take that as 'Teaching,' because my children aren't here.

'Showing to the generation to come the praises of the Lord, His strength, and the wonderful works, that He has done.'

We'll get **Parents' Duties** when we're sick. We wonder, 'Why am I sick? Have you allowed this, Lord, as a punishment?' If we open to **Parents' Duties**, we'll know that it is Simon's Cross. We are being given a suffering to carry for the Lord, for the gospel to reach people, and for hearts to be softened. **Parents' Duties** is a real good one for us. It really tells us what the nature of the situation is.

The other thing **Parents' Duties** can signify is if there is something you need to instruct someone on, and you haven't done it. For example, if you haven't corrected your children on something, or if you haven't provided for them in some way, and the Holy Spirit's been nudging you to do so, you can get **Parents' Duties**.

Patience is beautiful. It means 'Yes, I'm going to give it to you, but you'll have to wait.' I would rather get that than anything else. It's better than being told that you're not going to get something. **Patience** is a beautiful one.

It also says, 'Count it all joy when you fall into diverse temptation. The trying of your faith works patience.'

The Calm Before The Storm

June 30, 2015

God Bless you Youtube Family.

Ezekiel and I both spent time with the Lord tonight and He did have something to say which I'm basically going to um, paraphrase for you. It's not a verbatim word as we're used to having, but it is basically his Heart, I would have to say. I

know some of you have gotten a little antsy because the Lord hasn't spoken to me in that particular way in about a week now.

Well, about a week ago I was being corrected for something and that lasted for 3 days. But after that, the Lord asked that we offer our sacrifices of not hearing from Him for the lost souls in these final hours. And I know that these are very painful sacrifices for all of us. He's been comforting me every night I've seen Him: He's held me, He's made His intentions very clear to me. And He spoke a Word to Ezekiel about this very thing and confirmed it through the Scriptures. And, he had already spoken that to my Heart. I knew that He was withholding consolations from us, because He's trying to gather in as many as He can at the last hour. And this is a sliver from His Cross.

So, basically this is the calm before the storm right now and He's asking us to bear with Him as He gathers our sacrifices together for the unsaved. I know you're all frustrated with Him not giving a verbatim word, but shall we deny Him this sacrifice by grumbling and complaining? Please offer this to Him as a willing sacrifice! He's squeezing the last drops out of the grapes!

If you will remember, not so long ago He warned us that things would be intensifying before the Rapture and that we'd only make things worse by surfing around on the net and looking for the imminent signs of His coming. I mean, all of us were infected with this curiosity. I know I certainly was, but He told us this restlessness would only intensify insecurity and cause us to question what we've known in our hearts to be true.

Once you've discerned a thing, that you know it's the Lord, it's not healthy to go around questioning and listening to different arguments, to see if it's really true. It's much healthier to stay in a place of peace, and a place where you're not totally focused on yourself and on the Rapture, but on a peace that allows you to reach out to the people around you that still need a touch from Him.

So, if we become obsessive-compulsive about the timing of the Rapture, constantly looking for imminent signs, listening to this one, listening to the reason of that one and back and forth and back and forth - we're gonna be chasing our tails. And a person who's chasing their tail doesn't have very good balance when it all falls down around them. We're gonna need to be standing strong when this hits, because you know, as far as my understanding is, for the last probably 13 years, there is going to be war. And the day the war starts is the day the Lord is coming for us. But it's going to shake everyone to the very core, because it's going to be SO horrendous, so widespread and so sudden.

And, He's asking us to be some of the ones that are so focused on Him that when this hits, we will be a pillar on this Earth until He takes us out. That we won't be running around like everyone else, you know, crying "the skies falling in." We'll be sound, be steady, be able to lead people to Christ in those final hours and explain to them, "This is written, this was going to happen, this has been prophesied for hundreds of years."

And we'll have a solid reality to share with them, because we will be solid in the Lord. But if we're running around on the Internet looking for different viewpoints and listening to this and listening to that and checking the news, we're not gonna be steady on our feet. And that becomes our reality. When that crashes and crumbles (and by the way, most of it is false information, anyway) when that crashes and crumbles we're gonna come down with it. So, the best thing is to keep our hearts and our focus on the Lord.

Ok, so He asked us not to do this, because it would weaken us. (To be surfing around on the net) And we would not stand when everything begins to crumble around us. Rather, He wants us to keep our eyes single and on Him, holding fast to His promises. The idea behind that, is that we've spent probably what - months now discerning and listening to His voice and receiving peace from these messages? And I think because of that we should be steady in the fact that the Lord is indeed speaking to us and not go looking for other voices. And it's going to knock us off our foundation.

I have an excerpt here from the May 11th, 2015 message where He calls for focus on Him and away from the World, and I think it's appropriate for me to read part of it to you. There are plenty of excellent ministers out there, too, that have very solid histories, who do not agree with the pre-Trib Rapture. Now, this is my viewpoint. I can't defend my stance, because it came from the Lord after many years of discernment, dreams, visions, and words. I can't deny what I know I've been shown over and over again.

So, this is why I teach discernment, because many men have many things to say and a lot of what they say contradicts one another. But if you know Jesus, and you know what God says, then you have the answers that you need. Another thing to consider is that not everyone's going in the Rapture. Some are called to stay behind and it could be that the Lord has asked them to prepare, because they are going to go through the Tribulation. They may interpret that as being a post-Trib rapture, because that's their reality. The Lord hasn't told them anything different, but that they're going to go through the Tribulation. But in fact, it may very well be that the Lord hasn't clarified that for them, that they're staying and the Bride is going. I don't have any other answers for those ministers; all I know is that when Miami falls, Jesus is coming for us. That's my reality about the Rapture.

Ok, this May 11th message begins;

"In one day the world will change. Those who have invested their lives in communicating on the Internet, the news, Facebook, Youtube, telephone calls and all forms of communication will all of a sudden be left barren and empty as the world they know comes to a standstill, and they are isolated from one another. In that moment, our only reality will be God. And if we have not cultivated that relationship with Him, we'll have no reality at all, other than what authorities offer us: to lead us blindly into bondage to an ungodly government. If you have lived by the dollar you will fall by the dollar. If you have lived by vain entertainments, worldly ways and communications and curiosities, you will be stripped of your reality...and then when you are offered those comforts back, you'll do anything to establish a sense of security by having them returned to you. But at what a cost? What does it profit a man if he gains the

whole world but loses his very own soul? So many will lose their souls in that hour, they will do anything to have their comforts and their reality returned to them, setting their Bibles right next to their check books".

Jesus is trying to prepare us for these moments so we'll stand in Him and not be totally disoriented and freaked out. We have prepared our hearts for this moment. We've cultivated our strength, not in communications outside of ourselves, but communications interiorly with God. And guys, even if you don't hear His voice, His presence is very steadying inside of you. And you can rest in that. He said He "dwells in us" and you can believe in that and you can rest in it.

"He alone is our strength. While the rest of the world is reeling in utter chaos, not knowing up from down, we will have the peace that passes all understanding while that's going on. He'll be at the helm of our ship, directing and guiding us. The seas may toss violently, but with Christ at our helm, we will sleep peacefully in the back of the ship just as Jesus was in the storm."

So, I guess what I am asking you, is to not begrudge the Lord this shift of focus in your life. He is asking this for a very real and necessary purpose. Now this is still part of that May 11 message.

"Not only for our wedding day, but to keep you standing when the rest of the world has collapsed in chaos. So, be of good cheer, press in with God, place all value and emphasis in your life on Him and when the world falls apart you will be standing secure in the promises of God".

Now, that's the end of that May 11th message.

I just want to say this much: a couple of people have expressed consternation that the Lord hasn't given me a verbatim message. He has given me a message. He's let me know that He wants to use His sacrifice of not receiving a message for gathering souls together at the last minute. And then He wants me to put out the teaching on discernment, because this is going to be needed, so desperately, by those left behind. I've been trying to teach this all along, and it's a little bit unsteady to me that, I've been trying to teach this and still, some folks are still almost... what's the word? Addicted to getting a message from the Lord every day. And that's not healthy, guys. It's not healthy and it worries me, because I've been trying to teach you how to get your own Word from the Lord and how to feel secure in His presence. So, it makes me wonder if I've done my job right.

You know, when you get upset or when you're afraid or insecure - I'd ask you please, use the tools that I've given you and that the Holy Spirit has given you and that the Lord has given you. Use those tools to steady your ship whenever you feel threatened. That's another reason I was so strong with the Bible Promises, is because there are so many promises there under the heading of "Fear" that you can glom onto. And you can just meditate on and you can just cause all that fear and worry to leave. As well as the Binding Prayer addresses fear.

So please, as I continue to do what the Lord has asked me to do, to finish giving you the Bible Promises teaching... And I have another one on the heels of that, if time permits, if we're still here. Please, absorb those teachings and start applying them to your life. OK?

And, if you have any issues with the readings that you're getting and you're confused, post it in the next video, because I read all the comments in each current video. And that way I can get to you and help you

discern. And when you post things in the comments, it's wonderful because everyone gets to see it. And that helps other people who are dealing with the same issues and the same struggles. They see that and they say: "Oh wow, she's got or he's got that same problem. too! Lets see what Clare or Carol has to say, because I have that problem." I mean, that's how they think, so we share in this. All of us together share in this.

So, steady as she goes, this is the calm before the storm. The Lord is asking for the sacrifice. I'm not hearing from Him for the sake of gathering these souls together that are right on the brink of being saved.

I love you all dearly and we're praying for you. Pray for us, too!
