

How To Use The Bible For An Anointed Word From God (Rhema) 4/4

July 1, 2015

Peace is a wonderful reading in this book. It's a wonderful one to get. When you're in strife, and you're being drawn *this* way and being drawn *that* way, and you don't know if you did *this* right, or if you did *that* wrong, and then the Lord gives you **Peace**. He's saying, "*Just calm down and rest in me. Be at peace. You've done what you could do.*" That's a very calming and reassuring one.

Poverty. That's the place where we put a flyer sheet in, because **Poverty** is on the left, and **Prayer** is on the right. That's why we separate it.

When we get **Poverty**, the Lord is telling us, "*You don't need that.*" Now I'm not sure how it'll work with *you*, when you get **Poverty**, but when He gives *us* **Poverty**, he means, "*Keep it simple. Don't go off the deep end with something.*" That's just what He means for us. I'm not sure how you would take it.

Of course, **Prayer**. That's a call to prayer. When we get **Prayer**, we try to stop what we're doing, as quickly as we can, and go straight to prayer.

After **Prayer** is **Pride**. That is such an ugly, ugly thing, that I have a flyer sheet between that and the last page of **Prayer**.

Pride is terrible. It's probably the worst thing in the world. It's the worst reading that I can get. You see a man wise in his own conceit? There's more hope of a fool than him. Look on one that is proud, and bring him low; and tread down the wicked in their place. The fear of the Lord is to hate evil; pride and arrogance, and the evil way, and the forward mouth do I hate. Woe unto them that are wise in their own eyes, and prudent in their own sight!

If He gives me this, I just buckle. I know that I have overstepped my bounds. I'm contending with God. I'm not receiving God's wisdom or instruction well at all! I'm rising up and contending with Him in my *own* strength and my *own* wisdom. That's a *Repentance* Scripture for me.

Prisoners has to do with those times when Simon's Cross is involved. When we get **Prisoners**, that means that we are contending for souls by offering our fast offerings and sufferings to the Lord, because He's setting **Prisoners** free.

Captives of the mighty shall be taken away, and the prey of the terrible shall be delivered: for I will contend with him that contends with you, and your children I will save.

He brought them out of darkness and the shadow of death, and broke their bands asunder.

Prisoners is about salvation, and the Lord taking the spoils from the Evil Ones, and delivering the people into the Kingdom of Righteousness.

God's Protection is a wonderful one! It means, "*Yes, I know you're threatened, and Yes, I know there is danger all around you. Yes, I know it looks really bad; I am protecting you.*" We've gotten **God's Protection**, when we've gotten a Word from the Lord we need clarified. For example, one night Ezekiel asked the Lord, "I'm concerned that, perhaps, Clare's personality is getting into these messages too much." He went to the Lord about it, using The Bible Promise as an oracle. He bound a lying spirit, and he opened to **God's Protection**, and that told him that the Lord is protecting me. He's watching over that, so that such problems *won't* happen. That made me feel good, too, because that's what I don't want. I don't ever want to be inserting myself into a message.

Repentance is so important! If you get **Repentance**, it means that you've sinned, and you need to look at it. Or, perhaps, someone else has sinned, and you're helping them, and you need to tell them to repent.

There's a fly sheet between **Repentance** and **Righteousness**, because they're on opposite pages.

Righteousness is a beautiful one. When there is a situation in which there are many different people talking about something, and there are accusations flying wildly between people, and you go to The Bible Promises, and you get **Righteousness**, that means that the Lord is with you.

The fear of the wicked, it shall come upon him: but the desire of the righteous shall be granted.

A good man obtains favor of the Lord: but the man of wicked devices will He condemn.

The Lord is a sun and a shield: and the Lord will give grace and glory: no good thing will He withhold from them that walk uprightly.

Salvation, once again, is about the work of **Salvation** for souls. It's the work of contending for souls. It could have to do with a Simon's Cross. Or **Salvation** could relate to a situation where you're praying for a loved one, and you're asking the Lord the status of their heart, as far as being converted, and you get **Salvation**, that could point you to the fact that there is Grace being exerted here to help a soul to be saved...to help bring them in.

Seeking God. I get that one when the Lord wants me to put everything down and go into prayer.

It's good for them to wait for Him, to the soul that seeks Him.

When you seek the Lord, your God, and you will find Him, if you seek Him with *all* your heart and with *all* your soul.

And the hand of our God is upon *all* of them who seek Him; but His power and His wrath against *all* them who forsake Him.

Seeking God is beautiful, because it is a call to deeper prayer, and more commitment to prayer.

Self-Denial. "No Magnum Bars, Clare" (laughing). "Pass up the Magnum Bars."

That's one place I might get it. Or, perhaps, Ezekiel and I are talking about watching a movie, and we

get **Self-Denial**, we know we can't do that tonight. That's not on the Lord's agenda for tonight. Self-Denial is a pretty downright tap to say "*Deny yourself. Pick up your cross and follow me.*" Remember that one.

Self-Righteousness is a yucky one.

There is a generation that is pure in their own eyes and yet is not washed from their filthiness. Oh, how lofty are their eyes, and their eyelids are lifted up.

The way of the fool is right in his own eyes: but he who harkens unto counsel is wise. This reading is almost as bad as **Pride**.

You say because I'm innocent, surely his anger shall be turned from me. Behold, I will plead with thee, because thou sayest, I have not sinned.

Basically, it is saying that if you think that you are without sin, then you had better look again. This is a serious one, because **Self-Righteousness** stops me dead in my tracks, and I think to myself, 'My thinking has gone the wrong way here.' I'm just as guilty as the next man. I don't need to be trying to cover up my stuff.

Sexual Sins often has to do with compulsiveness - obsessive compulsive behavior.

There is no temptation, which has taken you, but such is as is common to man: But God is faithful. He will not suffer you to be tempted above what you are able; but with the temptation will also make a way to escape, that you may be able to bear it.

This one is important. This topic can even relate to Ministry. For example, let's say that someone has made a remark, and you want to correct him really bad, but part of you feels a check in your spirit, because you may be thinking, 'I don't know if this is going to do any good, or if it's going to be a waste of time and energy, and I doubt that he'll listen to me anyway.' A part of you is thinking this, while another part of you is saying, 'No, this person *needs* to be corrected.' In this case, you go to the Bible Promises as a tie-breaker, and you open to:

There's no temptation, which has taken to you, but such as is common to man: But God is faithful. He will not suffer you to be tempted above what you are able to bear.

This is interpreted as "No, you do not need to do a rebuttal to that remark. You need to leave it alone." There is often a knee-jerk reaction to defend yourself, or to tell people the way that it *really* is, and the Lord is saying, 'No, that is not necessary.'

I have a little bit of a compulsive side, which can lead to a real temper, if someone *really, really, really* offends my motherly sensibilities. I can get *really* angry, and my first thought is, "I want to go and

deal with them.' Many times, when I have been in that frame of mind, the Lord has given me, There's no temptation that's taking you.

but it's all common to man, and that the Lord was tempted in every way but didn't sin. Then I know that I just need to lay down with it. This is *not* something that I need to pursue.

The other meaning to **Sexual Sins** could also be addictions. Drug addiction; addiction to lying; any kind of compulsive, addictive behavior could be under **Sexual Sins**, if you get that as a reading. Then, of course, obviously, fornication, or anything similar, you could open to **Sexual Sins**.

We have found that nine times out of ten, for us, it refers to compulsive behavior and knee-jerk reactions.

Shame. I never know how to take this one. Whoever believes in Him shall not be ashamed.

And hope is not a shame, because the love of God is shed abroad into our hearts by the Holy Ghost, which is given unto us.

And though we suffer these things, ne'ertheless, I am not ashamed: for I know whom I have believed, and am persuaded that he is able to keep unto him that which I have committed unto him against that day.

These are some beautiful promises under **Shame. Sickness.** When we've seen this, it has to do with compulsive behavior, and a need to know, or a need to do, or a need to be...just a need that drives a person. We're often talking about obsessive-compulsive behavior. Or, at times, it could be physical sickness. Sometimes, if we ask the Lord if He knows what is going on here, there will be an illness - a physical illness - and He'll give us **Sickness** and tell us how to pray for the person. Sometimes, **Sickness** means that there's a **Sickness** of the mind. The mind is not level, and it's not understanding life properly, and it's not coping properly, so it can also mean that.

Sin, Freedom from. Or **Freedom from Sin.** When I get that, I know, right away, that I've sinned. If I was wondering, 'Did I overdo it here or there?' And I get **Freedom from Sin**, I'll know, 'Yep. You overdid it,' and I'll have to repent.

Sin, Redemption from. Same thing. The Lord's letting me know that I fell.

Slander and Reproach. That's when people are gossiping about us. And they're saying things about our Ministry, calling us 'false prophets' and putting us down or taking our words and twisting them to say what they want them to say. It basically means that we're being spoken against. **Slander and Reproach.** The Lord is calling for prayer and forgiveness, so that we pray for them and forgive them.

Blessed are ye, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake. Rejoice, and be exceedingly glad: for great is your reward in heaven: for so persecuted they, the prophets, which were before you.

Slander and Reproach is usually about that.

Success is a wonderful reading.

By humility and fear of the Lord are riches, and honor, and life.

Wealth and riches shall be in his house: and his righteousness endures forever.

Every man also to whom God has given riches and wealth, and has given him the power to eat, and to take his portion and to rejoice in his labor, this is a gift of God.

So, for us, success is a wonderful, wonderful thing. It means that what we're working on is going to work well. It's going to bear fruit. That's a wonderful one!

Success also means, "*Stay at it! You're going to have success. Just keep working at it. You're going to bring forth fruit in its season. Whatever you do will prosper.*"

That is a beautiful one!

Trust. We don't get this one very often, but when we do, it's about letting go of our fears and knowing that God's going to handle it. He's got it in His control absolutely.

The Lord is a sun and a shield. He'll give grace and glory. No good thing will he withhold from them that walk uprightly.

Delight yourself in the Lord, and He shall give you the desires of your heart.

Trust in the Lord with all your heart, and lean not unto your *own* understanding.

In all your ways acknowledge Him; He will direct your paths. When we get this Scripture, it means "Go with the Lord and trust Him."

Wisdom. We don't get this one very often either, but if we get **Wisdom**, we'd probably think that the Lord wants us to seek His **Wisdom**, and that we need to ask.

If anyone lacks wisdom, let him ask of God.

Word of God. I get that sometimes when I'm teaching, and I ask the Lord if I'm approaching this the right way - "Is this the message you wanted to get across, Lord?" - I'll get **Word of God**, and that will be a beautiful confirmation that it is.

Blessed is he that reads, and they that hear the words of his prophecy, and keep those things which are written therein: for the time is at hand.

The word of God is quick, and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and as a discerner of the thoughts and intents of the heart.

Search the scriptures, for in them you think you have eternal life: and they are they which testify of me.

That's a good one to get!

Work is always a good admonition to get busy.

Be strong, therefore, and let not your hands become weak: for your work *shall* be rewarded.

Work is a very, very encouraging reading.

Worry. Be careful to worry for *nothing*; but by prayer and supplication with thanksgiving, let your requests be made known unto God.

Stop worrying. Trust the Lord. He's our refuge and a very present help in trouble. Therefore, we will not fear, though the earth be moved, and all mountains be carried into the midst of the sea; though the waters thereof roar and be troubled, though the mountains shake with the swelling thereof.

The psalm that I wrote, *In the Storm*, was very much like that - that the Lord would be with us in the storm.

When the mountains shake the seas, then He'll come to rescue me.

The final word is **Worship**. When we get that, we go into worship. We don't get it too often, since it's at the back of the book. And that is basically *it* (smiling). That is virtually all of the readings, and how they apply to our

every-day life in **The Bible Promises**.

I know that this is a long teaching, but I *really* did feel quickened in my spirit, by Holy Spirit, to share this with you. You could *really* make this little book, and the Scriptures that are in it, a *very* familiar tool to you, to see just exactly how we work with this tool, and how the Lord works *with* us, using this tool.

May the Lord bless you and give you understanding, and help you to comprehend His perfect Will, and, of course, along with that, to give us all the grace to obey.

Amen.

Spread Your Wings and Fly

July 1, 2015

Well, my precious Youtube Family - here it is and no Rapture in June. Ohhhh...I think all of us are just a little bit disappointed but I've noticed that the Lord is giving us an unusual peace and patience. I know that we've had a tremendous amount of peace, not even the least bit of anxiety about Him not coming in June. And all I can say is that we all sense very strongly that things are about to break

loose very soon.

So, taking that into account, I wanted to share with you some things that the Lord gave us tonight, some feedback on our situation in not hearing from Him. He made it pretty clear tonight, it was really sweet of Him. Because it helps to clarify exactly what He's doing. When we understand what He's doing, we tend not to get insecure about it. We can go with the flow and rest in Him. And I appreciate that very much.

Tonight when I spent a couple of hours with Him, I just wanted to be there for Him and He was very present to me, yet very quiet. I saw myself in my wedding gown a couple of times, and He was dressed in formal attire as well.

I told Ezekiel, who was praying backup for me, which he always does, that I felt I needed to move on to a teaching, after I guess a couple of hours. He asked me to wait a little longer. So, I stayed and lingered with the Lord. I asked the Lord if He was going to speak to me and I prayed the Binding Prayer over the Bible promises so no demons could get into my readings, and opened the book to Humility.

I know what that means. Basically, "No, lay down with it." That's pretty much a cut and dried answer for me.

Then, Ezekiel said that he thought I should move on with the teaching. He asked the Lord if the Lord was going to speak with me and he went to his own Bible Promises and got "Lust", and basically when He gives us that particular reading, He saying, "You're thinking with your fleshly mind. You're not thinking in the spirit." So that's what He means by "lust", we're in the flesh by thinking that. Which is kind of what I felt. You see, He's doing something here. And for us to interfere by thinking any other way, except in agreement with Him, would get in the way of what He's trying to do.

Ezekiel asked about me doing a teaching and he opened to "Joy" and "Help in Troubles" and "Holy Spirit." Now, the "Help in Troubles", Ezekiel felt that something really bad is going to happen, really soon. And he asked Holy Spirit about that and got "Holy Spirit." So, things are brewing, really brewing. And we're facing pretty horrendous times here in the fairly near future. Oh, yes - and when he was praying over "Help in Troubles", he got the Scriptures about the Rapture and Eternal Life in the Bible Promises. So, there's going to come a time of, trouble time and then right after that the Rapture. Which is what we've all been preparing ourselves for. I think the Lord has been very consistent about that, at least on our channel.

One of our YouTube family wrote in about my last video, Calm Before the Storm, and this is what she had to say. And I'm ashamed to say that it somehow got erased - so I'm going to have to repeat it from memory. I don't know how it got deleted! But I remember this part:

"The truth be told, (and this is about NOT receiving a prophetic word every single night, and the Lord withholding that from us.) we are all spoiled. A word from the Lord...Every day! For Weeks! And, yes, we get addicted, but I can see He doesn't want that. There comes a time to start using what you've been taught. When that time comes, you have to let them fly or flounder. You can't stand by and hold our hands, we have to learn to walk on our own."

And that's exactly to a "T" what Carol and I had, and Ezekiel and I had all discussed earlier in the evening. It was time to set aside the prophetic words that I've been feeding you and giving you and for you to get your OWN words from the Lord. And use the tools that He's given us to share with you. Later on in her letter, she said:

"Most folks really ARE clueless! (she was walking her dog, she lives in New York City) In fact, when it all hits the fan, it will likely be some of US will have to take the lead and calm others down. We are some of the very few who know what is really going on. The other little chickadees have to realize that they will probably be responsible for more than a few confused and almost comatose companions. Nobody will be holding our hands, but we might be holding a few others. That is what we are supposed to do!

"Why do you think the Lord spent so much time explaining things to you/us? Because when the time comes, we may have to gather up a bunch of crazy people and move -- FAST! I am sure that He has plenty of angels in place, but I'm betting that He knew how crazy everything and everyone would be, and He made certain that He had some well-trained help "boots on the ground," when things got tough."

Now, what did we just talk about in a recent video, what was my remark, now? Didn't we say that the Bride is beautiful on the battlefield and we have a picture of a Bride lacing up her boots? Well, no - I didn't use that image, actually, but that was one of the images I was going to use. A Bride with boots on, like combat boots with her bridal gown.

I continue with her letter: "I just finished praying, and I asked Jesus if something happened, and I got killed before he could get here, could He just put me back together in Heaven? I opened my Promises book (just like a good teacher taught me to), and I looked right at God's protection:) (wow, that's a wonderful heading in the Bible Promises book!) But, although, He wants to save our souls for Heaven, I think that He is also hoping that we can save a few more, at the last minute. It makes a lot of sense to me."

It makes sense to me, too. I mean, we're gonna know what's going on when no one else does!

She continues: "I know that I would feel TERRIBLE, if I discovered that Jesus had NOT gone to get every last soul He could, because He felt that we couldn't make it without a message from Him every day! I am more than happy to take a splinter of the cross, and give up my messages, in order to insure that there is a chance to save more souls. I know that I'll be very weepy but its a small price to pay for the saving of souls or to increase His ability to bestow Grace where and when it's needed the most.

"Things are gonna get very hairy soon. But we knew this. We always knew it. I think that it's possible that

a couple of folks thought that they'd get their hands held the entire time. But that's never been your job. We'll do our best to shore each other up, take things step by step, probably pray a lot, and look forward to seeing you and Ezekiel "upstairs" when things quiet down.

"And who knows? You may still get the opportunity to make a couple more videos."

Amen to that! Well, here we are...one more in the works. So, to sum all this up, the Lord basically is calling us to get our own words now and using the Bible Promises. He's calling for YOU to do that and He's not speaking to us because He wants YOU to listen to Him, and YOU

to speak to Him and get your own words.

And I think that's really exciting, because that means He's going to speak to us, He's going to give us that grace - to receive a personal word, a personal rhema from Him. And the other thing that's in the background, again, that we're feeling is there's...something is brewing. Something is going to break. And when it breaks, will we be prepared, will we be standing and able to help the people around us? That's what we're working on right now, that's been the whole purpose of the Lord's time of teaching us about how to get our own word, how to stand in prayer. And how to get our reality into Him, and not into the world that going to crumble. So we would be ready to help Him when the time comes.

So, the Lord bless you Family and there'll be another video tomorrow night. I'm going to introduce you to one more method of getting a reading from the Lord. I think it's going to be really, really helpful. That is, if He doesn't come before then...(smile)

The Lord bless you. Pray for us? And we pray for you every day.

How To Build a Rhema Box & Separating Peas from Gravel

July 2, 2015

The Lord bless us tonight with discernment and understanding. Amen.

I have a wonderful teaching to share with you tonight. Something that's really helped me and Ezekiel over the years, to pick through the very interesting and twisty-turney life that He's chosen for us. That the Lord's chosen for us, that no one could guide us into but the Lord. As I've said so many times before, He writes straight with crooked lines! And the kind of wisdom that it takes to move alone in your life in His will is not readily available through man, because there are many times where the Lord contradicts man's ways in order to teach you something and take you into an area that you need training in for a season.

I wanted to share with you a couple of different methods of discerning and getting a word from the Lord, for direction, inspiration and understanding. There are many good Christian books out there, people who have led very holy lives, have great understanding and have written books. Of course we also need discernment when picking out a book, and no author is perfect, no preacher is perfect without some error in their theology, or without offense to someone. We can't please everyone. We're not called to please everyone, only God.

There are seasons in our lives. A season where perhaps we've been overcome by failure after failure to attain our dreams, and we are lying on the floor half dead. During those times we need something different than in the times when we are being propelled into success by the Lord, or we've been traveling a rewarding road for many years but Jesus wants to do something different and new in this next season.

Different authors tend to address their favorite issue, and there will be times when we are drawn to someone like for instance, Laurie Beth Jones, who wrote Jesus, CEO. She's a business woman, very established in the world of motivational speaking and helping large corporations sort out their problems, in a biblical way. She for instance is a person who is constantly looking for ways to get your mind on how Jesus did it, how He handled the difficult situations. Then she takes that wisdom, from His example and applies it to the business world.

Rick Joyner has visions of the church that are very revealing about leadership and attitudes in the Body of Christ, and obstacles through the Holy Spirit that you will encounter in any church. When I feel victimized by a church group, his books bring me comfort and hope. He also confronts sins in the Body that most pass over as acceptable. Many times Holy Spirit has used his books to give me a Rhema, a correction on my behavior or a comfort when I've been persecuted.

Then at the opposite end of the spectrum is Richard Wormbrandt, the founder of Voice of the Martyrs, who confronts materialism in the west, head on. He came and preached about compromise with the world and worldly values, at a church I was attending in Phoenix 30 years ago. I was sitting in a side wing of the church, so I wasn't in direct view of him. But he looked directly at me and said, "Everybody has a price.

What's your price?" Whew! I nearly fell out of my seat. The Lord was calling my husband and I to join Youth With a Mission, but in order to do it we would have had to grossly offend his father who had just bought us a brand new station wagon to for our three children to get around town. I was foolish and insecure and still very attached to the world. I missed our Lord's calling on my life. But through a dream He promised He would call again.

That's in my testimony, guys.

Reading Richard is a whole different world than reading Laurie Beth. Or Rick Joyner. Different people have different callings, and they touch us in a very special place, a place where Holy Spirit knows we need ministry. Only the Lord knows which medicine to apply at what time. My point is, it is good to have a selection of authors who have really gotten down to brass tacks and touched us at different times.

These books are highly useful for an anointed word from God, a Rhema. In other words, Holy Spirit will use them to instruct you if you let Him choose the page to open to. Of course, as in all things use the binding prayer first for prayer time and a special prayer over the book, "In the Name of Jesus I bind every lying, beguiling spirit off this book."

Since I tend to depression and self-pity, especially after long trials, I needed someone to grab me by the collar and say, "Look here! God is with you. Get up and try again!" Joyce Myers has helped me with that. Graham Cooke has helped me. Now I am asking you right now, you may have a bone to pick with those authors, but I am asking you to put aside your bone of contention, and understand God uses people like that to motivate people like me, when I'm Oh So tired and down on myself and the world.

That doesn't mean you swallow their teachings hook, line and sinker. No, you need to be very careful, use discretion and if you pick up compromise on what Jesus taught, certainly don't absorb it. But for Pete's sake, don't throw the baby out with the bathwater. Such wholesale rejection is the mark of an ignorant, bigoted person, one who is long on opinions coming from his upbringing and short on intimate fellowship with God, and the wisdom and understanding that that brings. We should all be quick to listen and slow to condemn. And just because you don't like a person's personality doesn't mean he's not anointed by God.

The Lord uses the willing, not the perfect. If He used the perfect, well we'd all be in trouble. We'd all be wandering around without any teachers or inspiration. These teachers are under construction just like us, and they may have opinions or attitudes that put you off. What Holy Spirit needs from you is the maturity to be able to hear His Voice through Balaam's donkey if that's the voice He's put before you.

Listening to a teacher or preacher is just like reading between the lines of your Bible to get an anointed word from God or a Rhema. You have to cultivate an 'ear' for Holy Spirit, not only in the Scriptures when He is trying to speak to you through them, but also through teachers you might feel prejudiced against. Driving down the street you don't look at every bumper sticker, and there are some pretty yucky ones out there. But when you see one that speaks to your situation directly, you get the feeling Jesus put it right there in front of you and a light goes on inside and you are inspired. That's a Rhema.

It's the same with these preachers. They may not be living the way you would choose to live, they may have made huge mistakes in teachings before, they may be divorced and remarried, but you're not listening to the preacher, you're listening for Holy Spirit through the preacher.

For this you need to have good discernment, that is knowing the basic faith so you won't be led astray by their errors. And a sensitivity to Holy Spirit, who will be grieved when one teaches error. He's been leading you for years and many right beliefs have been established in your soul. Now we are looking for everyday encouragement, understanding and motivation and this is where a good selection of authors come in handy.

Someone once said it's like eating peas with gravel. Can you image that? You have to sort the food from the rocks and that's precisely why intimacy with the Lord is so important. He may lead you to a teacher you wouldn't have listened to in a million years...He did that with us, just in the last two years. And you may sit there awestruck listening to exactly what you needed to hear, kicking yourself for being an opinionated bigot in the past and refusing to listen to this person.

That doesn't mean everything he says is right doctrine, it just means Holy Spirit is using them right now to adjust things in your mind, to help you move forward in your life. It takes GREAT discernment to be able to listen to different Christian preachers and get something out of what they say. Not just something, but I mean, get what Holy Spirit wants you to get out of what they're saying. It also takes courage and fidelity to Holy Spirit. If He puts a plate of spinach in front of you, you can't turn your nose up, you need to eat the spinach because He put it in front of you.

Recently, I heard an interview with a famous preacher whose teachings had helped us get out of the darkest time in our lives, but he was obviously tending towards the one world church movement. I was saddened by this, but it didn't negate what Holy Spirit taught me through this man. The knee-jerk reaction is to vigorously put the man down. Speaking against the doctrine is important, but speaking against the man and interpreting the motives that's not our job, only God knows the heart of a man and why he says something.

He may have exemplary motives but be totally deceived. That can happen to ANY of us, guys! That's happened to me. Many times. And it can still happen. That's why YOUR discernment is so important, and that's why I keep trying to teach you to listen for the Lord's voice and to be able to discern yourself. So that, even if I make a mistake, you're not going to follow what I have to say.

But it's not for us to judge that person. Remember, the Lord didn't allow the harvesters to pull the tares up lest the wheat harvest be destroyed. Hundreds of people in this man's church were drug addicts, alcoholics, homosexuals at one time, and were reformed. They refused to go to any church, until they heard him. There, they felt accepted and loved there in spite of their sins and eventually gave their lives to Christ.

Now, what's going to happen to them with this new bent in this preacher's teaching, I don't know. But if they have a relationship with the Lord, which he encourages, then they're probably gonna recoil at some of the things that he's talking about.

So if you met one of these people, a drug addict, a heroin addict that had struggled all of their life and finally had gotten free from heroin and their addiction. And they've given their lives to the Lord. If you met one of these people and you denounced the preacher that had brought them to the Lord, how do you suppose you would affect them? If they were new Christians, two or three year old Christians, they might be turned off to Jesus right then and there and never come back, being convinced that all Christians are hypocrites.

In other words, if you give a bad report about this preacher, and scandalize this new believer - he could abandon the faith, because here was a man he trusted and now he's finding out this man is a hypocrite. And YOU would be held accountable for this man's soul, by the way. That's being a stumbling block. That's what the Bible teaches is a stumbling block.

We can't afford to be controlled by denominational or non-denominational thinking. We can't afford to belong to a church with its particular doctrine, in the sense of, we'll believe anything they'll say. We must be 100% totally devoted to the Lord and go where He leads us. Every church I have been in fell short of the Early church of the apostles, but the Lord brought me there to learn and be a part of that body for a while.

This must be very important to the Lord because this is not what I was going to teach on tonight, but I just feel a very strong leading to share this with you tonight. What I wanted to say is that it is good, well rounded, well grounded to have a handful of authors that inspire you. It is good to allow Holy Spirit to open the book to what He wants you to read.

So, you don't go to a book and pick a chapter of what you want to hear, you pray and allow Holy Spirit, and open randomly and allow Holy Spirit to pick your reading.

Now I want to introduce you to the Rhema file. Once you get these readings, it is really a good practice to write these things down on file cards and put them where you will see them over and over again. So I will write them down on a 3 and a half by 5 file cards. Sometimes I put a little bird or trees or something along with the word that I gleaned from a particular book, or from the Scriptures, and put them on the mirror, the frig, near my desk, etc. Reading these Rhemas over and over again plants them solidly in my mind. After I've absorbed them for a while, I take them off the mirror or refrigerator and I put them in a file card box, which now becomes a resource for me.

So, I start collecting these cards.

When you're sitting in front of the Lord after worship or on a hard day, and you just can't hear a thing, go to your Rhema file and allow Holy Spirit to guide your fingers to a card. You will be amazed if not knocked off your feet, when you see how very present God is to you in your situation and how appropriate the card is that Holy Spirit picked.

I wanted to clarify, that I don't use the Bible Promise Book all the time, only when I'm having issues discerning or when I want to make sure what I've been given is not from my flesh, my own mind or the enemy. It is a sacred trust to speak in the Name of the Lord. But most of the time on day to day issues, I just act from my conscience and do what I know is right. And when I feel God prompting me in one direction or another, I just follow that.

It is only in times of dryness or confusion that I use my Rhema file or Bible Promises, or the book of Psalms, which is wonderful, because when you get a rhema from the book of Psalms, you're going to get one Psalm. It's on the pages, and that helps you to really pinpoint what the Lord is trying to say, and the Psalms are the prayers of Jesus, they're so encouraging. So, on those times when things are dry, I use those books as well as inspirational reading, like I might read Lori Beth Jones, or Rick Joyner, Richard Wurmbbrandt.

When you've been in prayer and worship and you need to hear from God, that's the perfect time to choose a book for a Rhema. The word you get will point you in the right direction and break the ice. Very often after I've received a Rhema, I have a breakthrough with the Lord and a stalemate is broken.

Another time when a Rhema is very important is for confirmation. We all need a second and third witness before we act on a certain direction. If you go to a book and find the chapter and verse you want, just because it addresses your issue, you're not letting God lead you. It would be far better if you opened randomly after you prayed so the Lord could point you in the right direction. Your problem may have a root that you don't recognize, and allowing Holy Spirit to pick the reading will allow you to get to the meat of the matter immediately, rather than beating around the bush. Or maybe never figuring out what's at the heart of it.

Now, it's been my experience that people who really don't want to give up their own will, reject this method of discernment and prefer their own intellect to guide them. And people who are given over to dying to self, hunger after this method of discernment and are very suspicious of their own will and intellect.

Remember: "unless you become as a little child...."

So, this is about having the faith to believe that the Lord is going to guide you. He's going to guide your fingers and He's going to pick the reading that YOU need.

So really, what I am asking you to do here, if you want to have continual guidance directly from the Lord, is pick a handful of books you've been led to for inspiration, keep them in your prayer place or even in the bathroom, and when you are praying you will find that Holy Spirit will draw your attention to one of these books. You know, you'll be glancing at the books and one will just catch your attention. So, pick it up, pray over it binding a lying spirit and open. Then sit and read and consider. God has just spoken to you in this book. Now, write down what He has said on a file card. Keep it visible for a few days and then put it in your Rhema file box. In no time you will have at least 100 cards in that box, which gives Holy Spirit a wonderful selection of readings to choose from.

Sometimes He leads me to pick a card and it absolutely contradicts what the devils have been whispering in my ear: condemnation, self-hatred, lies. And all of a sudden a cloud lifts off of me and I am restored to my former joy. In the beginning you may want to spend an hour making your own Rhema cards from Scripture and your favorite books. That's awesome. In that case you can use your card file immediately. I like to pick three cards at one sitting. That helps me navigate to the very location of the problem, but each with a differing viewpoint. You have to be flexible and creative in interpreting these Rhemas because this is the Lord's mind you're dealing with. It's so much higher than our minds, you have to be flexible.

Recently when I asked about whether or not the Lord was speaking to me, I got scriptures under the heading of, Humility, Laziness, and Brotherly Love. What does that have to do with the price of tea in China I asked myself???

Then because I've been doing this for so long the pieces started to come together. Humility refers to me being corrected for my pride...which is a major open door for a familiar spirit, as I have taught you in other videos. When I am operating in pride, the Lord allows me to fall in discernment. Ok, red flag...the Lord is warning me that my pride is rising up again.

Laziness is about working hard, working on teachings, being faithful to teach the things the Lord has given me.

Brotherly Love nails it. 'Cause I have a history of Brotherly Love and Humility and Laziness, I've seen those before and I've seen how the Lord uses those to direct my attention to my faults. Brotherly Love is about loving and deferring to my husband. Yes I see it, I've been impatient and proud with him. I haven't honored him as I would honor Jesus, I am under correction. Chances are good, whatever I've heard is not from God.

Now this is just the way the Lord has dealt with me in the past. Then I pick a card from my Rhema Files: on this card Jesus is speaking directly to me, "I have no other recourse than to correct you this way when you fall into pride."

Wow... That's what I suspected the problem was, and indeed the Lord confirmed, that's the problem.

So, how do I apply these readings, now. First of all, I'm under correction right now, I need a major attitude adjustment only God can make, but I will certainly repent and keep trying. In the meantime, even though Jesus isn't giving me a word, I need to work hard and feeding His flock with teachings.

So you see, you don't always get a nice clean, direct answer like, you know when you ask the Lord, "An I hearing from You, Lord?" and you get Holy Spirit. That just nails it. Rather you get what you need, an attitude adjustment. And a warning to be very careful, you've opened a door.

Well family, I've shared with you how to get your own word from the Lord. How to expand on that for a well-rounded word using different books. How to write it down and how to build a whole box of Rhemas to draw from when you need a word or an icebreaker in prayer. And how to avoid becoming a bigot, a hypocrite and stumbling block that pulls the wheat up with the tares.

I pray now that these tools will become a source of growth for you. Lord, your words in any form are absolutely precious and vital to our lives. Please help us to discern, meditate and obey them...Dwell with us, Lord. Abba Father, Holy Spirit, for without You we have nothing of any value in our lives, and we are blind men and women stumbling along the treacherous paths of life...but with You and Your words our path becomes brighter and brighter everyday.

Jesus Breaks The Silence & Jesus Before Pilate

July 3, 2015

The Lord bless you, Youtube family. I'm happy to say that the Lord began speaking to me again tonight, and I'll be sharing that with you in a little while.

It is July 3rd, 2015.

We sought the Lord about the rumors of about July the 4th and July the 7th, that there would... the Rapture would occur during this time. And He's just not confirming that. So, I'm wanting to encourage you to enjoy your weekend into next week, and for the next week or so, that's it's going to be peaceful. There may be things that come up, but not the whole shebang, not what we're expecting.

So, on that note, I wanted to share with you Ezekiel's, Carol's and my observations about where the Lord is right now.

For the past week or so, we've very much felt Him in the Passion, in the sense of the Garden of Gethsemane, the approaching time of His crucifixion. We've felt a similar kind of suffering for Him, that He's doing through as He approaches the things that have to come to pass.

Carol said, I'm going to read this to you:

"The sense that's been growing in me: if the timeline were to be compared to Jesus going to the cross, we are now at the time that Jesus has 'left' the Garden - the toil of prayer, the suffering of knowing what is to come, the pain of the anticipation of what must be... And now we've advanced to the "standing in front of Pilate" stage. His face is "set as flint to the things to come". He is resolved that what must happen will and must happen. Now He looks to knowing that both the horror of the Tribulation is upon us, Him and the world...and that the Father will soon open the gates and the 4 horsemen will begin their horrible ride. But at just the same time, on just the other side of it all, is the Joy and Glory of the Wedding and gathering His Bride to Himself.

She had a vision: she was listening to We Will Dance on the Streets of the City by Travis Cottrell and "I saw multitudes upon multitudes of people dressed in white, peasant-type costumes. The women in white dresses, not robes - some with the dainty flower embroidery decorations on their bodice. They reminded me of a Scandinavian folk costume. On their heads were wreaths of many colored flowers with ribbons hanging down behind. The men were in white, long sleeved tunic tops with wide, white trousers. All were in bare feet. EVERYONE was dancing together in the streets of New Jerusalem! Some were playing the tambourine, some flutes, some dancing with arms about each other's shoulders in a line, others watching and clapping along, some dancing in circles together. Jesus was EVERYWHERE! Now with this group, now that, smiling, laughing, singing and dancing along with all. It was a celebration of celebrations!

So, that is how the Lord is speaking to Carol right now.

Ezekiel has been in the Garden with Jesus, and so have I for days, and now He has appeared resolute before Pilate.

Ezekiel has used his Scriptures, gone to his Bible and opened to Matt 27:1-2 Early in the morning, all the chief priests and the elders of the people made their plans how to have Jesus executed. So they bound him, led him away and handed him over to Pilate the governor.

This is the exact same vision that Carol was having.

The other thing that came to Ezekiel was Isaiah 50:6-7 I offered my back to those who beat me, my cheeks to those who pulled out my beard; I did not hide my face from mocking and spitting. Because the Sovereign Lord helps me, I will not be disgraced.

Therefore have I set my face like flint, and I know I will not be put to shame. So He set His face like flint. That was the message Ezekiel got from these Scriptures.

And as you all know, I have been not hearing from the Lord for over a week now, and it's been really hard. But I know that the Lord was allowing it because He's in charge of everything. And tonight, Ezekiel and I had a communion service and right after I received communion, the Lord began to speak and He said:

"Have you forgotten, My Bride, how to hold Me? Do you not care about My suffering right now? Do you not see I am in the midst of the trial? Please forget yourself and stand with Me as I go through My renewed Passion."

Now, I want to say before I share this with you - I have to say that I've been pretty selfish in prayer... I really wanted to see and hear Him, and I've sat before Him worshipping Him - but not really connecting with where He was at and the suffering that He had right now. Thinking more about the suffering that I'm having with not hearing from Him. So, this is how He began...

And then He continued: "What is coming upon Me now is nothing short of a second crucifixion. And how I long to see My Bride at the foot of the Cross.

"Clare... are you listening?"

I'm trying to, Lord. (My mind was wandering... Is this really You, Jesus?)

He continued, "This is My breakthrough for you, My Love. I have longed to speak to you and hear your sweet voice replying, but much has been intercepted by the enemy."

Lord, how can that be?

"It is what it is; faulty discernment. I have been with you this whole time, but the enemy has stolen what I wanted to give you."

Lord, why did you allow this?

Just a few minutes ago, I had gone to the Bible Promises because again I was drawing a blank in worship, I couldn't even see Him. And I discerned through the Bible Promises that I had fallen short in hospitality with our elderly guest up front. I resolved to make it right tomorrow. But I certainly didn't expect that He was going to speak to me tonight - until He did.

So, I asked Him, you know, why have You allowed this? "...faulty discernment. I have been with you this whole time, but the enemy has stolen what I wanted to give you."

Lord, why did You allow this?

"You already know the answer to that, so let's move on. Suffice it to say you need to be much more careful these days in discernment, both of you - for the enemy will use your techniques against you."

So, how do I protect from that?

"Humility and appealing to My Mercy. I only allow what is necessary for the health of your soul. When I need more attention paid to shortcomings and neglects, I allow this. The readings about hospitality and your inspirations for your elderly guest were a key to unlocking this stalemate. Now that you have chosen to care for this very little, irascible soul, I have visited you with My deliverance. Never underestimate the power of charity to a very little one."

I am sorry, Lord. I have been avoiding this. But, I thought perhaps it was my husband I was neglecting.

"No, you allowed your flesh to dictate to you. Be on guard, the enemy is cunning and you aren't always paying good attention. He knows that if you neglect someone in your charge, I will not be happy and perhaps will correct you as I have. I wish you would care for her out of the love in your heart, and not fear. But, I will use whatever works for the good of your soul."

I deserve this, Lord, I'm so sorry. And I do feel love for her - it is my flesh, You're right. But, thank You for delivering me. I always feel better when I go out of my way for her.

"Let Me welcome you back into My arms and fellowship. I have missed you, Clare."

(I was crying at this point...I mean, who wouldn't?)

"I know. I have heard the longing of your heart, and it pained Me. Yet I knew this was a lesson you had to grasp. Please don't let Me down, nor let your guard down. When you got Enemies, that should have been a clear signal to you that this was not My doing - there was interference."

Lord, You know it was, but I also know the enemy does nothing without Your permission.

"Well, tonight you hit on it."

Ezekiel piped in from the other room, "The gate of charity being abandoned, the devils came and feasted." That's from the ancient Desert Fathers'. "The gate of charity being abandoned, the devils came and feasted."

Well, I thought perhaps you were allowing this as a fast offering, too, Lord.

"I always make the ultimate use of every suffering and inconvenience in your life. Typically, part goes to correction and part goes in the offering...that is, Simon's offering. In these times, your offerings evaporate like the mist the moment they are made. Such is the nature of the demands of Grace.

"Listen, My Dove. I am here now. I have hidden you in My Heart where no evil can penetrate. I have washed you and dressed you in fine linen - you are clean before Me. Those who have attacked you, I have visited with correction. I desire peace and concord in My Body. I hate dissembling and jealousy. I will visit all according to what they have sown.

"My Brides, please do not force Me to visit you with judgment.

"In all things I wish for My chosen vessels to respond to My voice in whomever I send. Downgrading others is a terrible sin in the Body and it hurts those who do it more than they recognize. I visit them with trials and remove My hedge of protection. I wish to restore them! Don't harden your hearts against one another. Rather, in all humility embrace the words I speak through each and every one when you discern. Do not reject My vessels. They've been sent to bless you.

"And you, on your part, My Bride, continue to do violence to the flesh that wishes to respond in an unseemly way. (Boy that's the truth! Oh, I get upset...well, for a short amount of time. There's a button there, you know... And my flesh wants to jump up and strangulate somebody! But thank the Lord, He gives me the grace to correct myself and end up praying for them.)

The Lord continued, "Bless them who persecute you, and if your blessing is rejected, it will return to you multiplied. I have need of prayers for these who oppose Me. I ask of all on your channel: pray for your enemies. They are in danger of being left behind because of their bitter, jealous spirits. I have no desire to see them suffer in this way, so I ask you - forgive them and pray for them.

"This is all for now, My Darling Bride. I am so happy to hear your heart responding to Me. I am so happy you know that I am truly with you and will never depart from you, but hide Myself for only a moment to correct your sins. In Truth, I can't wait for such a trial as this to be over. Oh, how I love you!

"And, as for you all, My Brides - you already know My approach is at the door. Continue in patience and serving Me. Let me find you all busy about My business when that fateful moment comes. Let Me see you going to bed exhausted from serving and interceding. This will be highly pleasing to Me, as the rest of the world sleeps and has no idea what has come upon them."

And that's the end of the message.

Minister To Me My Tender Bride July 4, 2015

As I was in worship today and this evening, I saw the Lord in the Crown of Thorns, and He was weeping. The only thing He really wanted was comfort. He just wanted to be comforted... And that went on for quite some time. And then I felt that it was time to listen - He began speaking to

me immediately:

"Tuck into Me, Clare. Your love brings such consolation. Little as you are. Deficient as you are. Frail as you are. Weak in temptation as you are... nonetheless, your love consoles Me. Truly it does, please don't doubt Me. Please embrace Me in My time of misery - you so distract me from what is ahead. My world turns around as you draw near, you turn My mourning into dancing with just one little smile and mark of love."

It's interesting that He said that, because as I was embracing Him at the beginning of our worship time and singing to Him, and He was weeping - He started to calm down. And all of a sudden I realized He was no longer wearing the Crown of Thorns, but He was wearing the Bridegroom's attire. And He seemed to be much more at peace.

"Please don't underestimate the attentions of a little soul. Yes, even as the angels ministered to Me in the garden, you, My tender little souls, minister here to Me now. Amidst the frightening prospects that approach, amidst the blood and gore I must deal with every day, believe it or not, the advances and pure affection of My Bride turn My Heart inside out - from bitterness to quiet joy. She is there for Me.

"I come home from the battlefield and lo, she is at the door, serving Me the warm portions of her love, caressing My brow, removing My sandals and kissing My feet. Yes, she awaits My arrival with such tenderness. She tends to the wounds of indifference, the mocking, the scourging, the blows. And the piercing pain of My Crown of Scorns, she removes from My Brow and pours oil upon My wounds.

"Yes, My Bride, this IS what you have been called to do."

Just as an aside here, I just wanted to mention that sometimes I get under condemnation because - in fact, quite a bit - because I'm worshipping Him and I'm comforting Him. But I'm not getting into really gut-wrenching intercession. And it bothers me. I think to myself, 'Am I using this time properly? Am I doing what He's called me to do - or am I getting so caught up in the joys of comforting Him and being with Him that I'm actually being lazy and not interceding vigorously. So, when He brought this up, He was really instructing me on something I had thought earlier this evening as we were spending time together.

"Yes, My Bride. This IS what you have been called to do. You may do it for others in My Name and you may do it for Me in the privacy of our heavenly trysting time. I am weary from the battle. To see you waiting for Me does My heart more good than you'll ever know. This is a lonely road, a lonely, lonely road on this Earth, yet the tender attention of My Bride makes up for it all. She alone is My consolation in utter degradation."

I was at this point blushing, because I overdid it today with pie, and yesterday with cake. It just seems like the last two days I've had a craving and no self-control as far as the things that I normally avoid. So, I was feeling a little guilty as He was saying all these very sweet and tender things to me.

"Yes, yes, I know...I know all about the pie and the cake and your lack of self-control. Nevertheless, you have done it for the least of these, you have shared what I have taught you. So, much is to your credit - I wipe away your self-indulgence. So, stop fretting. Your charity has covered your lapses in self-denial."

"Let's not stumble over trifles. The more you engage in the battle directly, the more you will lose. Let me gently guide you away from these things so it does not become a struggle."

I think what He was referring to here was, when we meet a problem or a fault head-on and struggle directly against it - sometimes we get entrenched in this battle that is so distracting, your life kinda stops while you try to deal with this issue. If you've got a craving for something, or whatever. **"If you try to address it head-on, allow Me to distract you away from it."** So that, He's going to draw me away from it so that it's not important anymore. And I've seen Him do that time and time again.

"Each day I look for those who would comfort Me. My children, do not allow the enemy of your souls to cause your attention to be turned inward on yourselves. Trust that I love you, I forgive you and I'm indeed coming for you. I never asked you to be perfect in all these details of life. I did ask you to be perfect in charity and love for your brother, good or bad. Yes, that I did ask."

And at this point I was saying, "Lord...is this You?? 'Cause you DID say Be perfect, even as your heavenly Father is perfect." And He clarified it for me immediately. He said,

"Look at the context, Clare:"

When I read the Scriptures in the Bible Promises Book - it's under Love for Enemies

Matthew 5:43 You have heard that it was said, 'Love your neighbor and hate your enemy.' 44 But I tell you, love your enemies and pray for those who persecute you, 45 that you may be children of your Father in Heaven. He causes His sun to rise on the evil and the good, and sends rain on the righteous and the unrighteous. 46 If you love those who love you, what reward will you get? Are not even the tax collectors doing that? 47 And if you greet only your own people, what are you doing more than others? Do not even pagans do that? 48 Be perfect, therefore, as your heavenly Father is perfect.

And that's the context in what He was saying there.

"Be perfect in Charity, to Me and to one another. This is what I am calling you to. When I see you doing thusly I smile, and I say, 'Yes, this Bride is ready for more graces, more gifts. She has done

well with what she has, now it is time to increase her talents that she may bring forth even more fruit for the Kingdom.'

"Do you not know that charity is STILL and always will be the heart of the law. Put away your condemnations for yourselves and your neighbors and look to see if charity is missing or if it's there. Then you will know where you stand with Me. Choose the things that endure, not those which will pass away."

And when He said that, I was reminded of the Scripture of when prophecies pass away, and all things pass away - but Love will never pass away.

"As long as you allow the devils to put you under condemnation, you will look at others through the same lenses through which you see yourselves.

"This is the reason for the main assault against your characters. Don't you know that, as they succeed in turning you towards yourself and faultfinding, you will withdraw more and more from Me and from one another? When you are focused on your faults, you more readily see the faults of your brother. When you are focused on My Love, you more readily see the goodness in others and in yourself. I reflect back to you the goodness I see coming forth as you travel this road with Me, as you allow Me to carry you. I will even show you the perfection I have planned for you, which in truth has been completed in Heaven and has yet to be manifested here on Earth in its time.

"So, keep your eyes on Me. Have nothing but scorn and contempt for the ugliness of the world and your own failings. Declare that you are under My Blood and I have already perfected you. Short circuit their strategies to keep you in a downward spiral of discouragement.

"Yes, rise above. Rise through resting in Me as I bring forth all the beauty of your souls I have envisioned from the very foundations of the world. Rise and come forth, My Beautiful Ones, for it is I your God who calls you forth from the mire of the past into My glorious, transforming light.

"Rise and come forth I say to you!"

Your Very Own Gift of Worship

July 5, 2015

Lord, we pray that Your sweet blessings of fellowship would be upon us at this time as You share with us the things that are truly important to You for us to know. Amen.

It's July the 4th in the evening, and we may be having some fireworks going off in the background here in Taos, but this is the message the Lord wants for July the 5th. So, I'm

going to be bringing it to you.

I noticed tonight, when I was in my time of worship, that I was being distracted several times by accusations against me, 'You should be travailing in the spirit, you should be crying and pulling your hair out, putting ashes on your head - travailing! What are you doing, just dancing with the Lord and enjoying yourself?? That's no way to pray!! What's your prayer life like - that's not prayer...' I was getting barraged with these accusations, and it began to get to me, to be honest with you. I was fighting with myself, because I knew the message the Lord gave us just last night was on this very topic.

So, I finally stopped, and went to Ezekiel and told him what was going on. He said, "Honey, that message last night - I had discerned it three different ways, and that was from the Lord. You're just under attack." So, I rebuked these things, even though I had said the binding prayer. I came back and I pinpointed the dynamics of what was being thrown at me, and I bound those dynamics and demons by the name of those dynamics, like: lying, slander, accusation and so on. And, it cleared up - pretty much. I didn't give any ear to anything that came after that. But, the Lord began speaking to me during worship time, and I experienced Him today again, I'm sorry to say - that He was crying again. I just held Him and comforted Him. It was interesting, because yesterday I talked about, or rather the Lord talked about, how He loves when the Bride waits for Him, and when He comes in to her, she kisses His feet. I thought that was so beautiful, and I remembered that.

Well, this morning when I got up, something very different happened. My favorite "Jesus" kitty - the one who always comes around when the Lord wants to confirm that He's talking to me, or that something is of Him... "pay attention to it" - that kitty. He came around, and he was all over me, first of all - waking me up.

And then, when I got up to go in the other room, he started licking my feet. He's never done that before! He started actually kissing my feet, and when he did that, I remembered what the Lord had said the night before, about how the Bride kisses His feet. It was just a real tender moment, and I thought, 'Wow, Lord. You're really confirming that word to me, by sending this humble little cat to demonstrate to me that love that we have for You - and that that's valid.' Because the devil will try to find all kinds of ways to turn us off. And I thought for a minute, 'This worshipful presence of the Bride must be highly threatening to the kingdom of darkness, or he wouldn't try so hard to kick me out of it.' The enemy has tried to lie to me again and again that I am shallow and pleasure seeking for wanting to dance with Jesus, hold Him and comfort Him.

I wanted to take a moment and clarify a few of the forms of worship that I've witnessed and experienced - there are so many. These are just three that I can really verify.

There are times when we enter joyously into worship and find ourselves in His arms, or before the Throne, and the Glory is so thick you could cut off a piece and wrap it in foil. There are other times when travail and holy grief take us over and all we can do is cry. And then, there are other times when we experience something like a glance into His holy face, and we really, really, really connect with Him on a deeper level and we become so love-sick, our heart just drops out of us, and we're left an empty shell - so great is our longing for Him.

The Lord began speaking, and He said,

"Don't worry - there will be a time for you to weep and wail. But, do you understand, My Brides, you have spent your whole lives weeping and wailing for the sins of the world. Am I then to subject you to their trials? No, I say unto you, I will not subject you in the same manner as those who have been blithely skipping along in this world, paying no heed to whom they are hurting by their lifestyles and manner of speech, by their sinful cultures and ignorance of all that is right and good.

"They shall have their turn, indeed. Their turn will bring them into repentance and to the foot of My altar of Grace. This is all I seek: that men should turn from the ways of Satan and live holy lives that begets a healthy, God-fearing society. This struggle between light and darkness has played out for centuries, and I am about to put a complete stop to it. No more degenerate generations corrupted by demon entities infiltrating society. At the very end, those who still have their allegiance to a bound and impotent demon god will arise and draw their like kind together... and I shall put a final end to them all.

"They would have all believed some space-age fantasy, undermining Who I AM, and what I hold together by My Power. They would have you to believe you are only one inhabited planet among millions. Do not suppose this for one moment, My Love. It is a lie from the enemy, and totally undermining My sovereignty. Every demon from every place in the universe is about to be bound, and will meet their total end in the Lake of Fire at the last Judgment.

"I want you to believe this with all your heart, Clare. Did I not say that I created ALL other heavenly bodies for light on the Earth? The other supposedly inhabited planets are taken over by demons and have absolutely no life in them, other than the filth and ugliness of demons and their creations

"But, getting back to worship. What happens in those times when we are so tenderly exchanging our hearts of love, is that you become filled with the Living Waters that are sheer poison to the enemy. Even just a bit of those Living Waters splashed on them causes incalculable pain, for in those waters is My Living Presence, something they can never again experience the benefits of. Something that reminds them of the glories of Heaven they lost by disobedience and rebellion, yet now causes them searing condemnation. Nothing is left to them now but the stench of their hatred for all that is good. And so they plot evils and rebellions, over and over again to decimate humanity. But, in the end - and I do mean End - they will all be exposed for who and what they are, and at last be detained for eternity in the Lake of Fire.

"Until then, My Doves, continue to wash My feet with your tears, and wipe them with your hair. Continue to worship, to weep and wail and intercede in the manner I have given to each you. Each of you has their own particular gift. Sometimes it is tears, other times it is joys. All is for My Glory, none is better than the

other. All find their mark in My Heart and release those streams of Living Waters into your very being, an unending source of Grace and Truth. So, fear not the times of rejoicing. They are just as valid as the times of tears.

"Do you really think for one moment that these things originate in you? No, the gifts are from Me, along with their manifestations. For each one, I have chosen a season in which you manifest what I have given you... and according to My needs, I might add.

"So, go now in Peace, to delight yourself in My Presence, however I manifest it to you. That's My Divine Prerogative and brings forth the sweet, sweet fruits of intimacy and union with My Heart and My purpose for your life."

Wrap The Lost In The Blanket of My Love

July 6, 2015

May the Lord bless us with the grace to hear this sweet message.

It's July 5th, 2015.

And the Lord just seems to be getting sweeter and sweeter as far as messages go, just very, very Heavenly messages.

Tonight is about brotherly love.

I'd been in worship for quite some time and the Lord began speaking to me:

"I'm right here by your side, My Love, and I do want to draw you far away from the world and way high up into My Heart."

And it's funny, every time I would worship I would feel like I was tucked up under His arm and I was just kind of disappearing into His heart. And I just kept having this feeling all night long, in fact all day long, that that was my place, right there beside His heart. And that every time I was worshipping somehow, I entered into that heart and just about disappeared in His Love.

So, this was right on target for what I was feeling. Don't know if I'm saying it the right way, but maybe you get the picture.

Anyway, He began: *"I'm right here by your side, My Love, and I do want to draw you far away from the world and way high up into My Heart. This is that place of fullness where I exchange your weakness for My strength, My Wisdom for your ignorance, My commitment for your laziness, My Faith for your fears. Up, up and away high into the habitation of My Heart, out of harm's way, in that place where none can disturb or disrupt."*

"When you worship in this way I have given to you, your soul is drawn along as if on a conveyor belt. I draw you with cords of love into the secret high place where all eventualities are realities. You exchange your limited human time for My eternal endless time, in which I see the completed majesty of My creation."

"This supernatural exchange of energies from the Divine Wellsprings of Life are what I wish to fill all My Brides with, that they may walk in victory until I take them up and away with Me. The challenges of your corrupted world overpower ordinary humanity. Nothing that is grounded in the world can stand, all must have its foundations in solid rock. That is My will, My empowerment, My Love. And tucked away, securely, hidden in the Vine, putting forth the sweet fruit of Divine Love."

"In this world all turns bitter. In Heaven all turns sweet. As you walk in this life grounded in Me, this sweetness is exuded into your grapes from deep within Me. These choice clusters are readily identified by"

those who know the voice of their Shepherd and another they will not follow.

"In these times, I am calling, calling, calling out in Love to those who have departed from the way, to those who have never known the way. Amidst a sea of bitterness I am offering the sweetness of My Love, something never before experienced. My focus is not on punishment but Love, for Love is the last call to the rebellious and uninformed. The sweet melody of love is unmistakably different than the harsh crassness of the world. This Divine Fragrance touches that tender place within a soul that has yet to be filled."

When He was talking about that, I was thinking of the film *The Mission* and the beautiful melody that the priests were playing on the flute, and how it just mesmerized the natives, the Indians and how they were so drawn by Love, by this melody, so drawn to them by this melody.

He answered my thought.

*"Yes, much like the flute playing in *The Mission*. The melody reached beyond the barriers of hostility and hatred and drew those souls into My arms. Never mind that man came along and spoiled it. Still, many souls made it into the safe haven of My arms."*

"Yes, Truly I tell you, unless you change and become like little children, you will never enter the Kingdom of Heaven. Matthew 18:3

"The simplicity of the Gospel can never be improved upon by the intellect of man. It only sows confusion and pride. That is why I prefer simple things best, things that bypass the intellect and lodge in the heart like a dart tipped with a drop of My sacrificial love. Once that finds its way into a man's heart, he knows right from wrong, good from evil and that is when the poison of self-will can do the most damage."

I was thinking when He said that, I was thinking, 'Lord, what is going on that I am missing? What are you addressing?'

He answered my unspoken question. *"What am I getting at? Your channel is about that simple love. It reveals how very simple, tender and approachable I am. This is by My design, for I wish to reach inside souls and bypass all the religious traps and mazes that have so hindered conversions. I want to provide a straight line to love. I want to nourish and suckle the little ones directly from My own Divine Breast, without the posturing and learning of men. Charity edifies, Knowledge puffs up and Pride precedes a fall."*

"The way to My heart is straight and narrow. These other things are there only to direct the soul into My arms and a Divine Union of wills. But men have made them an end in themselves and have devised a million ways to detour humanity from My simple and direct love. As a result, so many do not make it into My arms but are turned away in confusion."

"I want to go back, Church!"

"I want to go back to the simplicity of the gospels, the witness of My Miracles, and the kind of love that does not exist in the world. I am calling to the Lost with My Love. You are all ambassadors of love, a rare quality, one that only thrives in the Garden of My Love where you daily come to bask in My transforming presence."

"I am calling you all to simple Brotherly Love. Please put aside rhetoric and squabbling over doctrines. It is so easy to be caught in the trap of Pride and Learning, but so very challenging to skip on past needless disputes and answer with love and graciousness, dwelling together in one accord on Earth even as it is in Heaven. I am not asking you to compromise, not in the least. But, I am asking you to use the superior tools for conversion: Love...not endless doctrinal arguments and disputes that only reveal the hypocrisy in My Church.

"Love one another as I have loved you. Yes, this I will bless, this will reap the bumper crop and My storehouse will be full. Go forth now in humility and wrap each soul in the tender blanket of My Love. There they will find shelter from the relentless storms of confusion. There they will find rest. Bring them to Me, I long to embrace the lost. Tenderly bring them to Me."

Talents, What Did You Do With What I Gave You?

Talents, What Did You Do With What I Gave You?

July 7, 2015

Tonight, Ezekiel and I took a little bit of a break. We watched a movie called "Camp". It was about under-privileged children, orphans and that kind of thing that went away to a camp. It was a very touching movie - I highly recommend it. We watched it on Netflix. Just to give you an idea, the story line was kinda centered around this one little boy, where the mother is a heroin addict and totally wrapped up in herself. She doesn't even have food in the refrigerator for the child, is

constantly telling him to stay in his room - he can't go anywhere, do anything.

It's his birthday, and she goes out on one of her dates and leaves him alone at home with nothing to eat, nothing at all. Then, along comes his dad, bursting into the house looking for money. Because the boy was hungry, he'd gotten up in the cookie jar and taken out what money was there. When the dad saw that (I guess he didn't live with them) he wanted to know where all the rest of it was - the boy only had a little bit - and the dad beat him to a pulp. He broke a broomstick and beat him with the broomstick. Then, the next scene, they're taking him away in an ambulance to nurture him back to help and send him to this camp. Which is a real

- life camp, by the way - Camp Hume, by Hume Lake in California.

Along comes this businessman. He's on the fast track, you know - he has it altogether, has this Porshe and everything. He's going to this camp to try to impress a woman who is very, very wealthy and needs a financial advisor - an elderly woman. So, he pretends to be a camp counselor, he offers to do that. So, they take this guy on, and he's on the sofa all the time making deals - obviously his heart is not on what he's supposed to be doing - be a camp counselor.

The rest of the movie is about this transformation taking place in this little boy and this businessman. It was really very touching - I cried at the end of it. I don't like movies I cry over, but I just had to cry. A little later I was sitting with the Lord to listen to Him, to see what He had to say tonight, and He didn't change the subject. He stayed right on track with what I was experiencing emotionally. As we spent some time together, He was trying to comfort me and I was trying to comfort Him, because I know He has to deal with this stuff. But, at one point He asked me to stop worshipping and just sit with Him and listen. So, I did - and this is what He had to say:

"That's just a mere drop in the ocean of suffering I must deal with every day. You cannot even begin to imagine how widespread this kind of abuse is. And so, I have My "angels", those who are willing to put aside their lives to tend to these little ones that in truth have no hope. A mere drop in the ocean. But, don't

let it get you down or discouraged. To everything there is a purpose, a plan, and a season. And, although now suffering seems to come out of the woodwork for these little ones, I am coming to restore humanness to humanity."

Oh, but Lord - what about these that didn't get a chance?

"Clare, no one in this world is without a chance of some kind. What kind of a God would I be if I did not respond with opportunities? How could I be God and not respond?"

Lord, you know how the evangelicals talk about the lost and unsaved who have no one to preach to them the Good News?

"Shall I cast My Creation into the Abyss without first bringing it opportunity? Man has formulas. I have Mercy."

Some would say that's blasphemy, Lord!

"Some, if not all, have very limited knowledge of My workings. They think they know, based on My Word, but they don't truly know Me in My depths, especially the depths of My Mercy."

So, You are saying ALL have an opportunity?

"I am saying that I have a plan of escape for all. It is up to them whether or not they take it. But, believe Me, I leave no one without recourse. I found you, didn't I? I had to wait until you were ready, but I found you and delivered you out of the hands of darkness and into My marvelous Light, did I not?"

You did.

"Then, trust Me. I have plans for each and every soul. Plan A, Plan B, Plan C, and even Plan D. Oh, Clare I am relentless in following up on souls until they flat out reject Me or accept Me. Relentless. You needn't worry, there will be so many surprises in Heaven. Children of My Mercy.

"Man has rules and formulas. I have Mercy. It has been given into My hands: "I shall have mercy on whom I will have Mercy, What then shall we say? Is God unjust? Not at all! For he says to Moses, 'I will have mercy on

whom I have mercy, and I will have compassion on whom I have compassion.' It does not, therefore, depend

on human desire or effort, but on God's mercy." Romans 9

"Again, religion has become a stumbling block to My Favor upon the children of men. Had they but known Me, truly known Me, there would be no need for all these rules. For you see, the way I run the universe is that for each there is a lesson and I need men to teach only to recognize My ways, My workings, that My children may learn from Me. Men's ways are a poison. God's ways are life."

But, Lord! You've been so big on obedience and how you bless obedience.

"Yes, because man's way is not My way. Nevertheless, one must learn from the examples set before them. So, in this case I place people in your lives that help you to recognize My ways. But of course, people will always be people and exploit who they can through fear and manipulation. Yet, I have come to set My people free from the yoke of bondage to the law, and now love becomes the law. And, through My Love, dying on the Cross, I have opened the way of Love and have given ample examples of what love looks like.

"Clare, if you don't get anything else, understand this: I wish that all would come to an understanding of Who I AM, and stop trying to attain their idea of holiness by climbing the rungs of men's ladders. I wish for all to come to a knowledge of My Love through the example of My ambassadors of love shown to others. Yes, there will always be failures, those who cannot carry the load of love that is necessary for a proper example. But, we will never stop trying, never give up, but carry on even in the bleakest corners of the world.

"So much will not be understood until you are here. But for now, it is so important that people get it. I am about Love and Mercy, I am just and kind. I am looking for the fruits of righteousness in My People. I have loved, and now I look for the sweet clusters of love to be passed onto the broken for their healing. There is no greater failure in My eyes, than to fail at love. That is the supreme test of discipleship: love one another as I have loved you. No matter what you did as a Christian, if you failed that test, you have failed as a Christian. Rather, you will find yourself outside the gates with the hypocrites where there will be wailing and gnashing of teeth.

"But understand, to each I give just so many talents. One, two, three, ten, twenty... each has a specified number of talents, places where love has been taught and nurtured - where opportunity and discipleship are offered to souls. And then comes payback time. If you are raised in a family that is whole and healthy, where great care was taken in your upbringing, where many opportunities for growth and happiness were scattered

along the way on your journey, then so much more is expected of you. But, if you come from a family like this little boy's where nothing was given him but harshness, cruelty, rejection, and neglect - you are greatly handicapped along the path of life. I do not expect from an abused child what I would expect from one reared under the very best circumstances. And yet the grace I impart to the poor child is sufficient to get them out of their pit if it is used correctly.

"Sometimes, there is nothing else to do but take them early. Other times, I will watch them struggle until they die of old age, lonely, broken, alcoholic, fading away of liver disease with no one to comfort them. This life is about giving, in case you hadn't noticed, and those who choose to withdraw and keep it all for themselves are the very worst losers. And yet I come to them, with opportunities to repent, especially because of the kindness of my disciples whom I send to them.

"So you see, right before your eyes I have set one of these before you. The bitterness of her losses was so overwhelming she chose to hide away and waste her life. Some do that. Some never learn. Some find out at the last moment and they are ripe for the picking. Yes, that is what I am biding My time for. Yes, that is my strategy. At that fateful moment, I will reveal the poor choices they made to the soul and give them one last chance to repent and accept My forgiveness. They, in that moment, are totally broken down and have no more fight in them. That is when I visit them with My Love. They have no more resistance...pray that in that moment she will embrace Me, the lover of her soul.

"But, to each I do give graces, and to each it is up to them; bury them or use them, work them, bring forth fruit. Some have 50 talents, some have one, it's all in what they do with what they have. I am always just, understanding and giving more chances. Life is so complex, so burdensome, but I visit each with the grace of the day, whether believer or non-believer - I visit with grace."

Oh, yes, Lord. I remember when you visited me with the grace to choose to fight and live my dream.
"And you invested your talent until the time when I needed to call you away and prepare you for your next

mission. So, you see I have a plan and resource for every single soul. It is up to them how they handle it, and up

to those who have, to provide for those who have not and need a foot up.

"So, to you I say, My Bride: do not in any way be puffed up over your status with Me. You have been given the talents and used them wisely. But there are others among you who have been given a pittance of what you have and they are bringing forth more abundant grace with their widow's mite than those who began with a spiritual bank account full of them. Never look down upon the little ones. You do not know how very little they began life with, compared to you, whom I have endowed with many, many talents.

"So, no man may boast before Me. No man can claim the good 'he' had done as his own. All returns to His Creator Who invested, after all, His very own substance into each and now comes to reclaim His investment.

"Part of being prepared My Bride, part of having oil in your lamps, refers to bringing Me a substantial profit at that midnight hour. With what has been given you, what have you to show? What have you done? Where are the souls you have touched with My investment in you? Where are the spiritual children and grandchildren from your life long labors? No one ever really knows what fruit they have reaped. This will not be revealed until the last day when all things are brought to the great tribunal of God.

"Then, we shall all see the hidden fruit that no one but I knew about. We shall also see the hay and stubble - what looked good on the outside but was a mere vacuum on the inside that sucked up resources and returned nothing. All will be exposed to the light, at that time many will receive honors and gifts beyond what they had in this life, even though, to men their lives looked fruitless.

"Others who boasted of all they had done, will stand empty handed before Me."

"I alone know the truth about your lives. Live for Me in these last hours and days, live for My Kingdom to come. My Will to be done. Live only for Me and on that Day you will have nothing to be ashamed of."

Jesus Speaks on THE GOD DIMENSION & Video Games

July 8, 2015

The Lord bless you, dear Youtube Family.

I think this is an important message, because I got a lot of opposition in trying to get everything recorded.

The Lord just brought this up out of the blue, I was not expecting this at all.

So, I pray Lord that You will give us wisdom. Help us to absorb the things that You're saying tonight, Lord - that we might make the best use of our time. And as I said, this message came totally out of left field. I was not expecting it, anything like this.

I spent time in worship and I just felt so inebriated in His love, so lifted up and out of myself, so suspended in a very sweet place with the Lord Jesus. That's just the effect worship had on me tonight, it was really quite amazing.

I started out by saying, "Oh Lord, I feel so totally inebriated in Your Love."

He answered me, "*And I in yours.*"

Really?

"Yes. You remember little Pantutu? You looked into his eyes and were lost in the wonder of his little being?"

Yes, I do remember.

It was intoxicating. That's from a chapter in the book *Chronicles of the Bride*, page 43, *Graces Dispensed on Your Behalf*. A little boy in Heaven that the Lord introduced me to. And I looked into his eyes, and they were just two pools of love, that just never seemed to end. They were so beautiful. And it was very intoxicating, looking into his eyes.

Okay, now don't start writing to me and telling me about getting "drunk in the spirit" or giving me a hard time about any of those things. I'm talking about something sweet and pure, I'm not talking about alcohol or acting goofy...Okay?

Anyway, He continued:

"Yes. It is, very intoxicating. There is nothing like that kind of love. It is indeed a new kind of love, a new class of love. It becomes divine in nature, because it is between our very spirits, the essence of our beings. There is nothing like it on Earth that can correlate - that is why Heaven is so saturated with bliss.

Everyone is relating to one another on that level, there are no things to bring them down... except, perhaps the news from Earth."

Wow, Lord, my head feels like it's floating above my shoulders.

"Yes, that's what it feels like: you are operating in another dimension, another wavelength. This state is so readily attained by being with Me in Spirit and in Truth. Your eyes are even a little blurry, it's as if you have floated behind the veil that separates us, and it's always propelled by divine love. This is at the very core of all miracles, this longing to love. It is responsible for bi-locations, for being lifted up physically off the ground, for the manifestation of miracles, for the ability to overcome everything in this world you are now living in. All can be overcome by this super-abundant love."

And I was wondering at this point, so I just asked the Lord, "Is this what Yogis do? People who do Yoga and that kind of thing?"

And He answered me. He said, *"In a manner of speaking, yes. They control the wavelengths of their thoughts and that brings them into this state. However, it is different than Divine love. It is more artificial in the sense that it is attained by means other than knowing, longing and loving and serving Me. It is a natural consequence of your service to Me. My happiness permeates all that you do or touch and it becomes divine in nature. Music, art, teaching, praying, serving - all of these actions can be brought into the divine as the soul draws nearer and nearer to Me."*

"Well, I want to talk of these things because there is so much talk of the supernatural these days. So much running after the spectacular. But, I say to you, the most spectacular of all things that can occur on Earth is the love of the soul for her Creator, and beside that, for her brother."

"There are different ways to attain these disciplines, many different ways but the very best is the desire of love, this is what brings you into the miraculous. This fire, once it is ignited within you, rages and burns away the pettiness of the flesh bringing the soul face to face with Me and My Pure love for them."

"You are in that altered state of supreme peace. I have brought you here with Me, My Love, just to instruct you about these different dimensions and their access. This is why you love your cats so much, they slip into this state whenever they are around you."

"Satan has a counterfeit for everything. This state of mind was reserved for worship and camaraderie, never just to be used as a private tool of manipulation or mind control. But, if one discovers the principals, they can in fact be put in place with-out the substance and the heart of it, which is Love."

"This is another reason gaming has become so wildly important in the lives of people: it again transforms them out of this reality into an ether-like reality where you become what you imagine. This is also the precursor to witchcraft - dangerously close to that altered-reality, manipulated by the mind for evil purposes. That is: exerting the human will on the free will of another, to overpower and obtain a selfish and short-sighted result. The power of the mind is beyond reckoning, and it is a sad thing when ability overshadows morality. These things are not meant to be had supernaturally independent of divine love. This is an abuse and a premature use of the mind."

"Yet, anyone can access it to their detriment, if their motive is not pure love that I capture, in a sense, and use to transform a soul into a divine reality. In other words, it is like healing skills. If not done strictly from a motive of love - brotherly or divine love - it can become a temptation and even a weapon in the hands of souls who are not given this gift by Me.

"It is ultimately the safest to love Me to distraction, and should I decide you are ready for a supernatural, I give it to you. In this way, you cannot go off track so easily and fall through pride, doing damage to many, many souls.

"Oh My Love, these things are wild fire and if sought as an end in themselves, can lead to the destruction and loss of a soul. So many have tampered with the occult and fallen into perdition, of their own choosing I might add. They have a toxic hatred for being controlled by anyone, or of having limits put on them. Obedience is out of the question - certain souls just want to run rampant with power and show the world what they can do. But, they haven't the love and discretion to control themselves, and since they refuse My control, they have almost nothing but intoxication with their own selves and their abilities.

"Thus, a soul who believed themselves to be starting out with the good of others in mind is easily deceived and led off track if he/she is not submitted to Me.

"A man's gift can bring his ruin, as you well know. I prefer to give gifts with maturity - to protect My children's integrity. I am explaining all this to you because you live in a society that is constantly pushing the limits electronically. There are many specters of control being used against you. By that, I mean energies being used by spirits and electronically to create chaos in the human mind and separate you from Me. That is why quiet time, worship and prayer are so important. Your spirit can very easily get out of alignment with Me once you are steeped in the doings of the world. That does include gaming and certain infused evils that are veiled under a mask of innocent fun. Gaming is very addictive, very dangerous and very deliberately corrupting the higher levels of human thought and desire.

"It is hard to explain, but I think you get the picture. There are many young people who are held captive in this alter reality of gaming. It takes over the mind and provides a means of escape from the pain of this world, without offering a way out of the trouble. You begin to live in the other reality, where it is safe, where you are in control and isolated from harm.

"Why have I brought this up? Good question. You are dealing with a lot of souls who have fallen into confusion about the purpose of their lives because of gaming. This world is so hard to deal with that eventually, if you have a means of escape, you take it and put off dealing with the real problems. If you don't wake up, you fall down the rabbit hole into a make believe existence, where the only way to relieve the pain of failure is to play another game. Ask anyone who has been delivered from this and you will see clearly what I'm telling you.

"So, what is the cure for this? Being drawn into My Presence, My Love, My Reality, My dimension... into Me where everything is supernatural. The God dimension. This happens when you worship, when you pray, when you meditate on My Word. You step out of yourself into another reality, another dimension. My World, My Reality - where I have all the answers, all the strength and all the love you could ever want or need.

"Gaming is Satan's answer to the suffering young people deal with from day to day. Being with Me is the

real answer, being drawn into My dimension".

But don't people need a little recreation?

"Yes, but that kind of recreation is more powerful and has more potential to distort the life than the simpler things. It looks innocent, but examine the fruit. Not only that, but it is deliberately designed to be addictive, so much so that the gamer begins to depart from reality and live in the gaming world, where self-worth is determined by skill level and other gamers and where violence is not experienced on the real level. Fun to shoot the bad guy... but have you ever been with someone who was just shot and dying?"

"Not a game anymore. But, desensitizing young people is the hidden agenda behind this violence. It is a precursor to the chaos and rage Satan has planned for this world and is even now surfacing. Gaming has desensitized this generation, who now see reckless driving, shooting and killing and bombing as a recreational activity.

"My Love, I have taken the time to go over this with you because some of our listeners are caught in this destructive addiction. I wish for them to understand what they are truly dealing with in their lives, to give them a chance to make an informed decision and get out of it. Some would argue that there are benefits, but weigh them carefully against moral decline and addictive behavior."

Well, Lord, are there any games that they can play?

"The rule is: anything that is sinful, depicts suffering, rebelliousness and anarchy, violence, war, destruction - anything like that is NOT healthy. There are simple little games, educational and to increase mental abilities and innocent creative fun like building cities, golf and the like. But, if one becomes addicted, then you have a problem. Be ever so careful to examine the game and its goals before you get involved in it. There is nothing wrong with innocent fun. But if it's sinful that should never be a part of your life.

"My children, I am not trying to deprive you of all fun. I am asking you to be smarter than the Devil and look beyond the fun to see what things you are learning and being introduced to. I am asking you to consider the loss of time when you become so addicted to the game you lose track of your life. Where you are going, who you are serving, what is happening to your goals in life, your true purpose. Consider these things, and be advised that if a man scoops fire into his lap, he will get burned. Be wise as a serpent and gentle as a dove.

"Your adversary has thousands of years of practice corrupting human nature. Stay in obedience to Me and you will be protected. Yield up your will, 'Lord, please reveal to me that this is not pleasing to You and I will stop.' And expect Me to do it. Expect Me to reveal My will. There is little as pleasing to Me than a soul who values obedience above their own desires.

"I bless you now to see through My eyes the things that you are giving your time to and the courage to let go of them if need be."

The Love Particle: God's High Tech Weapon against CERN technologies & demon-aliens

July 9, 2015

The Lord is picking up where He left off last night about CERN. I wanted to mention, one of our listeners posted a link to a short Youtube on CERN, and there were several things there that were very interesting to me, that I hadn't picked up on before. For one, they talked about a wall, a point where the whole other dimension is being held in place, held back by this wall. We call it the Veil as Christians - the Veil that separates us from the other

dimension. But they call it the Wall, and they are trying to destroy this wall. And, the Lord addressed that tonight, along with a few other things which I might be able to insert here and there as I am able to remember them from the video.

This is the video: https://www.youtube.com/watch?v=A_BBBJMvdG0

After I had been in worship for a while, the Lord indicated that I should be quiet, He wanted to speak to me.

"Yes, I wanted you to talk about the Hadron collider because this technology is being used widely in different places each time they want to start a war. The reason the riots never happened in South Carolina is because the people turned to God. They saw through the plot to incite anarchy and refused to cooperate. When they turned to Me I put a stop to the energies being used to provoke them.

In case you don't know what was going on in South Carolina, He's referring to the shooting in the church in South Carolina and then the burning of black churches all over South Carolina.

"Clare this machinery has been used time and time again all over the world to instill the worst bitter hatred and urge to kill, it is standard operating procedure. But you see, when a people is steeped in Me, when they turn to Me, it no longer works. And may I say, they may increase their attack tenfold, and I will foil it elevenfold. I will not permit the people to be tested beyond their capacity to withstand the temptation. I will provide a way out. That is My promise and I will keep it. The wisdom and solidarity the people showed put an end to what could have been a state-wide blood bath of riots, provoking Marshall Law. This is the challenge now. These kinds of civil incitements will increase and unless the people turn to Me they will fall prey to the schemes of evil men and women.

"What I am teaching Our YouTube family is all they really need to know. I love them, how to love Me back and how to stay in that relationship of love between us. What the powers behind the collider are trying to do is basically reduce people to an animal mentality turned against itself until they all kill one another and no one is left. But I will never, ever, allow them to be overwhelmed if they turn to Me. That is why the enemy is trying to find a way to cut off the mind from that portion of the brain that communicates with Me most clearly. What they do not understand is that I am omnipotent; they cannot stop My

communing with a soul. I will override their every attempt to cut the soul off from Me.

As it is written:

Romans 8:35 Who shall separate us from the love of Christ? Shall trouble or hardship or persecution or famine or nakedness or danger or sword? 36 As it is written: "For your sake we face death all day long; we are

considered as sheep to be slaughtered." 37 No, in all these things we are more than conquerors through him who LOVED us. 38 For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, 39 neither height nor depth, **nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord.**

"That Word is written and that Word stands and nothing shall be able to defy it. Who is it that thinks they can destroy what I have created? The prince of demons? His very existence depends on My sustaining energy. His days are numbered and he knows it. What he could not do in his demon kingdom he has enlisted foolish men to accomplish for him. But God shall not be mocked. They may dissemble, but I will reassemble.

(I saw a particle being taken out of the 'wall' as they call it so that it would disintegrate and I saw it pop right back in like it was attached by rubber cement. No matter how hard they tried, they simply could not overpower God's plan. It was really quite humorous, watching all these men in white smocks, being so brilliant and trying to pull this out of the wall to cause it to disintegrate. And every time they pulled on something, it just snaps right back into place.)

"I will intervene again and again and again. They are wasting their time and satan is amusing himself with their Efforts, hoping that somehow if he keeps feeding them technology, they will hit upon it. But he knows his time is short. And I have all the time in the world to play this game while I am putting the finishing touches on My Brides.

"Oh, My Beautiful ones, don't you see? I am leading you! The one thing that holds this universe in place is My Love. Should I cease to Love, nothing and no one would exist. The entire creation would implode and cease to be. And that particle of love I have sown in your hearts is the key to remaining stable when these weapons are used against you. When you feel the almost uncontrollable urge to hate, fight, and fall into this trap, recall My Love to your mind. Recall My Face, lock into My Love, for I am there in that crucial moment, truly there in that crucial moment to strengthen you and foil the attack of the enemy to bring your demise.

Now, before I go on, I just want to mention one other thing that was talked about in this film. A scientist was being interviewed, and he said he took part in an experiment as a Christian. He said he was subjected to a kind of mind control, and the energies of the dark side - I guess in an isolated environment. And he said that it took every bit of his willpower to resist his flesh, to not freak out. It took everything he had not to react. He tried so many different things. He couldn't remember the promises of God, or Scripture, but he said the one thing that worked was the Lord's Love. The minute he focused on the love of Jesus - that very moment, all the temptations STOPPED. So, believe it or not, LOVE is a high-tech weapon. This is an amazing, amazing thing. These evil forces that are unleashed to cause rioting, other kinds of anarchy and disorder can be overcome by Love! That example in South Carolina is amazing, because there they

are: overcoming by Love. Blacks and whites together, solidarity

- all overcoming the temptation to murder each other because of love. Because the Lord has given it into their hands through that one particle of Love that lives in each of us.

The Lord continued then with something that is extremely important, something I seen over and over again. It's a false teaching that is in the churches, the worship songs. It's everywhere - and it really, really needs to be exposed - we really need to get our minds wrapped around the Truth. And this is what He said:

"One thing I must address in My Family: I LIVE IN YOU!! You do not have to search for Me in Heaven or on Earth. I Am Living inside of you ALL THE TIME. Do not confuse seeing Me with My being present to you. I am always, always, always present to you, right there inside of you, I Am. That I have to come down from Heaven to manifest is a false teaching. I can manifest any way and any time I want to, right before your eyes. Many times in a service I will choose to manifest in front of the congregation but every person present has Me residing within them. That's why you are so powerful to overcome the enemy. I have not left you orphans, not for one second. I dwell within you continually. So, when you see Me, it's not because I came from Heaven to visit you. It's because I manifested My All-The-Time Presence to your spiritual eyes in that moment of time. So, stop considering Me a far away God. Speak with Me in your heart, where I Dwell.

"I want to return to the collider. All over the world these instruments of destruction are being manufactured and their small scale mini-weapons. As you observe more and more countries fall under the raging influence of these machines, remember: Love conquers all. With Love, that one particle I put in you will arrest the entire wave of violence when we stand together. What is coming on this world is an unprecedented wave of crime and violence stirred up by these evil creatures, and not the least of which is the scientific community, which is devoid of a conscience. In very fact, many are inhabited by demonic entities - fallen angels, and are orchestrating the demise of humanity under the innocent guise of scientific exploration and discovery... to benefit humankind, so they say.

"Lies, lies, lies. So many lies. The one thing satan does well, is to lie. And these men have been duped almost to the point of no return. But, what I want to make clear here is what I have told you all along: Love Conquers All. Even the elites in science and technology, Love easily conquers them as well.

"So, I am calling for My people to get it solid in their heads: I LIVE AND BREATHE AND MOVE IN YOU!! AND IN ME, YOU LIVE AND MOVE AND BREATHE!!

Your prayers are heard as you utter them. There is no delay. I am immediately aware, and furthermore, I know ahead of time what you will pray. I am SO ready for your prayers. I am SO present to you and NOTHING can conquer the soul who has chosen to live for Me. So, I do not wish for you to be afraid of these things. NO, take authority with My Name over these things and especially your own flesh. Take authority over your tendencies to retaliate, to grow angry, bitter, resentful. These are the things that will conquer you, not some alien technology. I have given this into your hands. It is the very power of love. So, now you must use it.

"How? you say. By choosing to love over hate. By choosing to forgive over retaliate. By choosing to give over Selfishness. At every turn you are tested. Every day, in your responses, you are given a chance to

grow in Love. And because love conquers all, this is no coincidence. I am training you in the Love response. Some of you will be taken, others will stay. Love is the only way the left behind ones will conquer evil. They may take your body, but they will never get your soul.

"The edge for the enemy are the soulless bodies that will collect at that great Battlefield. Those who will be destroyed for the most part will not be human, with a soul. Rather, they will be synthetic soldiers not of God's origin - rather, manufactured. Just like dolls, except with technology that is far superior and ties into the human make up. These will be inhabited by demons. You see, there is so much you do not understand about the early days of the Old Testament, when the order was given to destroy men, women and children. The demonic infestation in even what looked like an innocent child was horrendous. Even the animals were polluted and impure. Entire societies had been corrupted to the point of no return and when an Israelite married out of this stock, it corrupted everything about them. But especially the God connection, which had deliberately been suppressed in breeding. When you trace back the truly evil ones in history, you will find somewhere in their lineage those who mated with demons.

"My children, I have instructed you this day. Choose love over hate and never will you be conquered. Now is the time to exercise that virtue like never before. Each day, I say to you again: choose love over hatred. Do not compromise with the enemy - conquer him by love.

"Of course I am imparting to you now the wisdom and restraint to be free enough to choose what is right. It is the choice of your will. I will back it up with My grace, always and everywhere. Now you know. Happy will you be if you put into practice what you have learned."

Your Past Is In Our Way (trouble connecting with the Lord in prayer?)

July 10, 2015

The Lord bless you, precious Family. It's July the 10th, 2015.

And the Lord had a beautiful message tonight. It has to do very much with Dwelling Prayer, and being in His presence and loving Him.

The Lord began:

"I want to bring everyone back to dwelling prayer. This is the safe haven for your souls. It does not matter whether you see Me or not. No. Truly, it doesn't. What matters is your intention to be with Me in this way, to hold Me in your heart. Seeing and hearing Me, that's additional and will be given to you when I deem it necessary.

"Does that shock you My Love?"

A little, Lord.

"Well, I intended to tell you all this much earlier, but now it is a necessity for you all to understand. It isn't the result that matters, so much. It's your intention. 'Blessed is he/she who believes and has not seen.' For many of you this is a sacrifice, yet I know how to reward My servants and My Bride and wish for you to be very, very sensitive and observant and grateful for all I give you. Gratitude indeed opens the door for My Blessings. I know it is hard to be grateful when things are dry. I am well aware of your struggles with faith. I am, after all, right there beside you and within you.

"What I am looking for, My Brides, is true worship in spirit and in truth. I want you to ponder My miracles, My compassion, My mercy. When you connect with just one thing that is awesome to you, enter into My Heart with worship. Go there, go with that recognition of My Greatness. Ponder, ponder and ponder even more how wonderful I am. Allow that to carry you along through the breezeway of Divine Love. Swim, fly, soar up into the very heart of that thought and allow it to carry you into My Presence. You will find Me when you seek Me with ALL your heart.

"I am not an easy catch.

"I know the kind of love each and every one of you are capable of. I know the depths of your love. I am calling unto deep - 'deep calls unto deep' and the depths of My Love for you is calling unto the depths of your love for Me. I want to release you into the fullness of the Love you carry in your heart for Me...such transports as you have never known before. They are buried under layers and layers of sediment: years of pain, indifference, preoccupation with the world, disappointments in life, shattered dreams and things you have yet to understand and resolve in your hearts.

"Many of you do not understand the path I have chosen for you. You do not understand why I allowed certain events in your lives. And you will not, until you are here with Me and you have the whole picture. You are still grieving that you could not attain your dreams. You have not let go of the past but hang onto it, even though it is long since dead and decayed, buried inside you where it pollutes your soul.

"These are the things that are in the way of your intimacy with Me. Hanging onto the past and not discerning the beauty and purpose of the present will separate you from Me. There is bitterness there: 'Why, God, did you allow that???' There is unforgiveness there: 'Why, God? Why did you allow that?' There is profound disappointment and confusion there: 'Why Lord, why?'

"I cannot heal you of that until you let go of the purse of your own opinion, that which you are holding tightly to yourself. Until you see the futility of your own limited understanding in the light of the Eternal One. I want to heal you, but you must ponder My Glories until you see how very useless your opinion is. Until it becomes without worth to you, you will clutch that disappointment with all its questions tightly in your heart where that decaying corpse will continue to pollute.

"I want to free you, My Children. I want you to soar with Me, but you must be convinced of My wisdom, My workings, and My absolute commitment to you that I give you only what is best for your highest good. For many of you, had I given you what you so desired, you may very well have lost your soul. You may have found your worth in your accomplishments, rather than My accomplishment on the Cross for you.

"Truly, what is the net worth of a man? Is it his holdings, his wealth, his family, his fame? Can any of these hold a candle to My Passion, voluntarily undergone just for you? Do you see? The Body and Blood of God was crucified for you. Can any of your accomplishments mount up to Calvary? Are they all not like the dust of the Earth...one day a stone monument, another day a heap of sand? Do you see how futile your reasoning is?

"I am calling you to let go of what you thought was the great purpose of your life. I am asking you to forsake your own wisdom and empty yourself at the foot of the Cross. I alone hold the keys to the great and glorious meaning of your life. Empty yourself before Me and I will fill you with My wisdom, My understanding, and the tremendous worth of your soul to Me. So precious are you to Me, that if I had to live through a thousand Calvary's for you, I would. So, put aside your shallow human wisdom and oh-so-limited understanding of your worth, and embrace Me in gratitude for all I did not allow you to accomplish in your life. Say to Me, 'Forgive me, Lord. Of course what you planned for my life, what you allowed, has far more merit than anything I could possibly dream of or desire. Of course, You know better. Forgive me.'

"This is the posture I am looking for in those of you who have not yet been able to truly connect with Me. I need you to empty yourselves and come to the settled conclusion that all your wisdom is still nothing before God your Creator. I say this lovingly, My children, because I love you so tenderly. But, I must get it across to you: there is much you are yet holding onto and that is in Our way.

"Forsake yourself. Those who seek to save their lives, will lose them. And, those who lose their life for My sake, will save it. Apply this now to your understanding, My precious ones, and the barrier between us will come down.

"I love you tenderly. I wait for you."

Come Out of Religion, Come Dwell in My Heart

July 11, 2015

Lord Jesus, bless Your precious Family, Our precious Family as we share Your words together.

The Lord had a very interesting, turn-of-events message for us today. He is calling for a favor from the family, from our Youtube family. He's assembled a certain group of souls together on this channel, and He's calling for a favor from you right now.

So, without further delay, July 11, 2015. I'm going to get into the message.

"My Beloved, I am so happy with your consistency of motive and commitment. Indeed, I look forward to this time as much as you do. So, now we are here with one another. Never doubt My nearness to you."

As an aside here, I'm going to tell you that when I was doing a little bit of research on CERN - things that the Lord had put into my lap, really - 'cause He doesn't want me to go looking for things. Paul Begley had mentioned that he believed CERN was the sword in the hand of the rider of the red horse in Revelation 6, who was given the weapon to take peace from the Earth.

The Second Seal: War

Rev. 6:3 When He broke the second seal, I heard the second living creature saying, "Come." And another, a red horse, went out; and to him who sat on it, it was granted to take peace from the Earth, and that men would slay one another; and a great sword was given to him."

And my spirit really bore witness to that, and Paul Begley said that. And, you know, Jesus has given us the key to protection from this dark force: His sacrificial LOVE, still flowing richly from the Cross. His Blood. His Name. But most especially - His Love, cultivated daily in Dwelling Prayer. This is the weapon He wants to arm all men with.

"CERN is indeed the sword given to take peace from the Earth, but on many levels. All over the world, this dark matter is in place to be used to promote sin and degradation. That is why I want Our messages to be spread abroad. It is important to Me that these messages go around the world. I want to promote them. Those who have tuned into Our channel are a unique blend of mystics, romantics and very dedicated 'laid down lovers of Jesus,' as Heidi Baker would say.

"This is that day and age where the Gospel is indeed going 'round the world. I am sick, sick, sick at heart with the religious bondages that have passed for the representation of My Faith, what I began with 11 simple men. And make note: the one who was not simple among them was the traitor. So, now we have come to the point where it is necessary to deliver this message into the hands of My Little Ones around the world and I want to use technology to make My point."

And this is interesting, as an aside: I've been approached by one of the major channel promoters of Youtube, they want to work with us to spread the message. We're praying about that right now, looking into it - and we're going to walk slowly into it. But, the Lord seems to be putting His approval on it, and what He is saying is that, He wants this weapon - He wants His Love to be taught around the world, so that people are truly prepared to handle what is coming. He continued here:

"What is so beautiful and simple about the Faith we are sharing, is that it is Love and Sacrifice centered. From the very beginning those were the two themes I presented in My life. But that simplicity was lost by very clever men infiltrating My Church. Even now, you are finding out how Satan has entered and perverted the Church and placed his mark on the very foundations."

What Jesus is referring to here, is the symbol of the horned man, who is the same one in the satanic pentagram that was discovered in 1710 in the very foundation of Notre Dame Cathedral. Another name for that god worshipped by Satanists, Celts and Romans was CERN. But, before we start bashing the Catholics, there's nothing new about this infiltration. The same thing happened, with Solomon's temple. On the foundations were written words of dedication to Baal. It seems that these large elaborate, beautiful buildings just invite corruption.

I thought to myself, 'Oh God help me...you are wanting to spread the faith and it is the pattern that Satan stands ready to corrupt it from the very beginning.'

As I was thinking that, He answered me, *"You are too little, Clare. Your foundation is with living stones and in the air where My Holy Spirit has glued together the precious gems from across the globe to form the foundation of what I want to do with My little Heart Dwellers."*

"Just maintain this littleness of spirit, My Love."

"Now, for the message tonight. It is increasingly important that all of you press into My Love. I want to inebriate you in My Goodness and saturate every pore with the sweet serum of My Love - the cure for all the ills of this world and your ultimate protection from the dark and nefarious ones."

"When I first began these teachings, I was reaching out to the ones who fell between the cracks: the rejected, beaten down and misunderstood. And, indeed My Bride is wearing My Crown of Scorns and she has cleaved to Me as I anticipated. But, now we must reach out to the churched who are held in the clutches of bondage to a system I never created."

"Now, many of My generals and lieutenants are captive in ritual Christian culture. Mind you, I did not say simply 'culture'. I love the cultures and the varieties of the whole Earth. I gave to each their own unique flavor and purpose on this earth and all are dear to Me. I want only to infuse them with My Spirit. Not with social correctness and cover-ups but with transparency and honesty, that they too have fallen short of the Glory of God. Not with rules and gates, but with Love, seeping from every pore of their being."

"I wish to reach the pastors of the churches that are dying. I want them to see why I have withdrawn My miraculous presence. Why people are leaving. Why they are luke-warm and worn out. I want a whole new and fresh breeze of My Spirit to permeate the churches and I want to say it will not be dependent on your fasting and sacrifices, so stop torquing over this!"

Boy, does He know me well! Here He is talking at the same time I am thinking this. I was thinking, 'Gee, Lord, if you want to do something like this, I'll really have to fast and pray.' Which I really can't do very well because of the Fibromyalgia. He hasn't given me the strength to do the things that I did in my thirties....which seemed to help me to be very prideful and puffed up...that I could fast 6 days a week! Boy, He's cutting off that venue now! And He's saying, no - just keep it simple. So, He wants pastors to see why people are leaving - they are luke-warm and worn out.

"This is going to be done by Me, My way. You are only guiding the grace I've given you to distribute at the proper time. You needn't be anything more than you truly are. I want them to see this is not about a man and a movement, this is about My Spirit and a movement to come back to My Heart and Dwell with Me.

"All over the world, confusion reigns as to what I'm really all about. I want a complete and total end to that. No more shall man consider religion. No more shall man stumble in the dark looking for the Truth, for I shall take up My residence within Him and He shall know the truth and it shall set Him free.

"I am wanting to put a complete and total end to religion and give all of mankind nothing more than an introduction to My Love and the grace I give on a daily basis to keep him walking in My Love and My Wisdom.

"For this cause, I need the cooperation of our family. I want them to begin to reach out to their brothers and sisters who are still in bondage to a denomination and call them into My arms where I wait unconditionally, to shower My Love upon them, that they may emit the fragrance of My Love wherever they go.

"These who I am targeting are weary, Clare. So very weary with all the games and posturing in My Body. They are looking for a newfound freedom. They sense it is coming, but they don't know what it looks like. They are like the walking dead in the churches, going through the motions and expected routines, yet sick and tired to the core of the emptiness of it all. The vitality and life is missing. It has been replaced by form and ritual. And, I am not speaking of the liturgical churches alone, not at all. My Pentecostals and Holiness and non-denominationalists are also steeped in ritual, but they have been so busy pointing the finger at the liturgical churches they don't realize they are just as regimented, confined and ritualized as they are."

But Lord, a certain kind of form and order are necessary?

"Have you forgotten what I taught you in the Wounding Waters series: Social Status, Fear of Intimacy, Love of Money?? These are the norm for the church. It is expected that they 'do business' this way. I want to break the mold and call them back into My Heart in purity and faithfulness to the example of My very life.

"So, this is the message I have today for My Bride. I am calling you out of man's heart and into Mine. Pure and simple... literally. I am asking you, My Brides, to begin to excite those in your church with what I have touched you with. Transparency, unconditional love, and profound, unheard of intimacy with Me...to carry the flame of My Love forward to those who are suffering in bondage to systems.

"Go now and proclaim My Love, calling each of the wounded back into My Heart for some serious

healing."

Why Are People Leaving My Church

July 12, 2015

Well, my dear ones, the Lord bless us as we listen to His message tonight.

I asked for a real anointing to be in the hearts of all who hear this message. The Lord is addressing the pastors of His churches, what's the reason behind why people are leaving,

why are churches dying out.

My Beloved, We have stirred up quite a bit of controversy over this last video and I want to make it clear that I never said forsake the fellowship of the brethren. But when the fellowship becomes empty and busy-ness or business as usual covers over that emptiness, it is time to make a change. Many pastors don't want to risk change because they are afraid of losing people that like it the way it is. This is idolatry and bowing down to men. But, the very thing they are trying to avoid happens anyway. The good people that long to go forward with Me become disillusioned and leave. Those who are happy in their comfort zone stay. The church slowly dies. This is what I am addressing.

When people are chosen for leadership in worship and teaching, because they are popular or wealthy and respected, there is compromise. If I did not choose them, their ministry will be flat, lifeless, tasteless. People will not experience My perceivable presence, hearts will not be opened or healed, precious communion with Me will not happen in the service. In teachings, the people will not grow because what is taught is safe and without challenges. Don't you see?? You cannot serve God and man? Haven't you seen enough decay and death to be willing to take the chance of following My leading?

There is a strict pecking order in most churches, meant to protect the pastor and staff and keep everyone happy. Protecting the pastor, protecting anything, stems from fear - not Love of God, not Love of the sheep. When decisions are made based on the status quo, the anointing is squeezed out and what is left is stale bread. The pastor has insulated himself from criticism and correction and the sheep have no recourse but to comply or leave. Very often families have many ties in the church and leaving is a painful alternative. Besides where would they go that would be any better?

This is a plague in the Body right now, and people die from the plague. My answer is that if you are a shepherd and you're not leading according to My counsel, you will be held accountable for the loss of souls. They may sit in the pews, but when they leave they go right back to their sin, because there is no conviction, no interior fire.

When I lead a flock, I address the illnesses. I tend the wounds. Favoritism and politics are forbidden, they do not exist in My church. A pastor after My own heart will never yield his office to the pressures of the flock. Never.

He will walk away and leave them before he will bow to their counsel if it opposes Me.

Shepherds, who are you listening to when you choose worship leaders? Teachers? Intercessors? Who are you empowering in growth to serve Me? Where are the ministries that address troubled marriages, teens, and the elderly? Are you caring for all the sheep or just the ones with the thickest fleece? Are you watching what they feed on or are they going toxic from attractive but poisonous plants? Are you correcting and admonishing behaviors that are demoralizing, or are you avoiding conflict?

You see, the sheep see it all. They know where they can slip by you: your buttons, your avoidances, your favorites

- they read you like a book. Many have made My churches social clubs where the elite from the world are the leaders in the church because everyone respects their worldly achievements. That is everyone... but Me. That's feeding them moldy hay - that's not fresh, vital green grass. Everyone confesses Me, but deep down inside they are empty and languishing. They look healthy from the outside but their internal organs are rotting. Must they wait for the judgment to find out why they are dead inside? Don't you know it's too late then?

Your job is to keep the flock healthy. If one has an infestation, it needs to be isolated and treated, not mixed in with the healthy ones, lest the whole flock become sick. So, one of your deacons is committing adultery with another deacon's wife. You just don't want to address it, but it's not going away - rather the plague is spreading to the other sheep. They know you look the other way, and their conscience has become so numb because you haven't addressed what I wanted addressed, and things are so far gone and out of whack they've been left vulnerable to the wolves. The pastor is sound asleep or pre-occupied with the new building program and the wolves go to work right under his nose."

As an aside, Family, I am really struggling with this message. I really don't like giving messages like this, so I keep double checking to see if it truly is Jesus, and He just keeps saying, "Just keep writing." Now, after the fourth time of making sure it is Him, tears are rolling down His holy cheeks.

"Just keep writing Clare, just keep writing."

The last time I discerned this, it was at the very end, I think it was the fifth or sixth time - both Ezekiel and I discerned it - and got Holy Spirit. So, this IS the Lord.

You see, you have chosen the worldly to lead. They will inevitably lead everyone right into the world. You've won the popularity contest, but you've lost the souls. You have your big sanctuary, but you also have trysts going on in the closets. Does this sound preposterous to you? Take your time, take your eyes off the new furnishings for the sanctuary and check up on some of your people to see where they are, what they are doing. How many times have their spouses called to find out where they are? Do a walk about, do something out of the ordinary for your schedule and see what you find.

I tell you, My churches have become social clubs. The ones that long for Me and are anointed to lead men's hearts away from the world and into Me, are overlooked because their financial profile just doesn't measure up. That's because they have chosen to spend time with Me, rather than Wall Street and clinching deals. I have called some of these who are unqualified financially or even educationally, because they have My anointing and in My eyes are qualified to lead. They will challenge the comfort zone and succeed. They may need adjusting and training up, but their hearts are right before Me and they are docile.

But, as long as the worldly are in charge of ministries, they will produce worldly results and what could have been a truly dynamic Body for Me will be a place to blend in and look good, while continuing to sin in their private lives.

When I send you souls that have emerging gifts, do you cultivate them? Or push them back into a safe place where they can't threaten others in ministry? Do you take time to work with them? Or leave them on their own and encourage them to find ministry outside the church. When a worship leader who clearly has a problem with jealousy and territorialism, comes to you and down-grades someone else who has talent... do you correct them or pander to them?

Do you cultivate emerging prophetic gifts and bring them into the opportunities and positions I've called them to? Or do you discourage them and make excuses for why they can't have ministries in the church. I could go on and on and on exposing to you why your church is dead. I don't care how talented or popular the worship leader is - if their heart is not right with Me (notice I said Me, and not the wealthy controlling group or relatives) the music will not lead the people into MY presence. It will be entertainment, not worship. And you ask Me why people are leaving your church?

I am telling you this now, before it's too late. You must follow Me if you want a healthy church. You must preach as I lead you. You must worship in spirit and in truth, not in entertainment. There is very little time for you to get your house in order. Are you willing to lose everything to gain Me? Are you willing to leave or lose the six figure income and live on the edge of poverty in order to lead My sheep into lush green pastures? Really, choose this day who you will serve, because the day is coming when the wood, hay and stubble will be devoured by the fire and those who have served their own agendas will be standing naked before Me and all the souls they lost.

Really, I am calling you to upset the apple cart. Let them all fall to the ground and examine each one carefully before putting it back in. Remove the rotten apples, the ones who are constantly protecting their territory, manipulating and pushing for more influence, gathering others to their side, making their clout felt and causing division. You know who they are; they are the ones who cause you to cringe when you answer the phone. They are the ones with their own agenda and if you don't comply it will cost you.

Stop the cover-ups in the ranks, pull the plug on dead and lifeless programs that are all about being seen by men and have no substance or holiness before Me. Tend to the lame, the hurting, those pushed aside because their anointing is threatening. May I tell you something? If you have a leader who is continually threatened by the anointing of others, you will sow a spirit of jealousy throughout the entire congregation. It will spread like a plague and snuff out the newly anointed life I am showering upon others. The very source of life and anointing will be snuffed out in every single ministry. It is a plague and if you bow once to it, it takes over the whole church. People who are that insecure should not be in leadership. A leader is looking for his replacement. His heart is to train up and enable - not disable and shove into a dark corner.

Had you chosen the leaders with the right heart, you wouldn't have this mess. Begin here. Let the apples fall where they will. Pick up the healthy ones, let the rotten ones take care of themselves. I want a shepherd after My own heart - My heart, and no one else's.

"I am coming soon. There's very little time left. Get your house in order and I will heap blessing after blessing after blessing upon you, because you are a shepherd after My own heart."

Waiting on the Lord

July 13, 2015

Well, my precious Family, I don't have a message for you this morning. But we're gonna walk through this together, hand in hand. I spent about four hours with the Lord tonight. When I first saw Him, He came to invite me to dance, and after we had danced a little while, I began to see that He was standing before Pilate all bloody. Soon after that, He was on the Cross, all bloody. And I just spent a very long time comforting Him, and the tears were rolling down His cheeks. I looked down at what He was looking at beneath us, and I saw armies of military people, just army after army, around the nation in different places.

The west coast: it seemed like there were submarines that were poised to attack. On the west coast, in the Pacific Ocean. On the East Coast, in the Atlantic Ocean. The southern border with Mexico, the northern border, and the Gulf of Mexico - there were three - seemed like three ships in the Gulf of Mexico.

Anyway, I waited for a message for the longest time, and I just don't really know why He didn't speak to me. So, we're holding hands on this ones, guys - and you're accompanying me. 'Cause I'm not sure if there was something that I did that wasn't pleasing to Him. But I can tell you this much: we got "Enemies" tonight and we prayed the binding prayer. I haven't gotten to sit with the Lord since that time we prayed the binding prayer again, and I may do that after we get started here.

Ezekiel's gonna help me with this, 'cause he's my backup. I had gone to the Lord in Bible Promises, and asked Him if there was reason why we weren't getting a message, and I didn't get a clear answer. In fact, I don't remember what I did get. But Ezekiel got something.

(Ezekiel now speaking) Yes, my prayer readings and Scriptures were all about the Way of the Cross, His conviction, and how He carried His Cross alone - except for Simon helping Him. And how the soldiers rolled dice for His garments, just everything, up to the moment He breathed His last.

Clare: And that was tonight?

Ezekiel: Yes.

Clare: So, that was what you got, and I saw the tears rolling down His cheeks, He was crucified at the time - and then I had that vision of the United States below us. And, you had gone to the Bible Promises, and you got "Enemies", right? In fact, you got three readings from the Bible Promises as to why He wasn't speaking to me. Do you remember what they were? I know one of them was "Enemies".

Ezekiel: When I went to the Lord, asking if He was going to speak to Clare tonight, I got "Enemies", and I've BEEN getting "Enemies" and "Help in Troubles" for days, and not really knowing what that was all about.

Clare: I got that, too. I got "Help in Troubles".

Ezekiel: But when you look at the title, and go down and read the Scriptures below it - for example under "Help in Troubles" Psalm 37:39 - But the salvation of the righteous is of the Lord, He is their strength in time of trouble.

Clare: So that's what stood out to you.

Ezekiel: Yes, yes. And several others down there about the Lord being our hiding place, and preserving us from trouble...in the Psalms 32. The next reading I got, or set of readings that I got, were under the title "Loneliness" But basically, the Lord was saying, "I love you, I honor you. You're precious in My eyes because you've been honorable." It's almost like the Lord's saying, "You're under attack right now. First of all, there's some HEAVY duty things coming. He's still asking us for fast offerings of whatever: our joys, our sorrows, whatever we can give Him during the day and night on behalf of souls for that Mercy to flow from the Cross, and be appropriated, applied to them and that they'll receive it. The Grace is there - once and for all He died and opened the way to Heaven for us.

Clare: And that the message will get delivered.

Ezekiel: Yes, soft soil and plow the fallow ground.

Clare: And, what I felt the Lord was saying to me in the "Help in Troubles" readings were, "Though I walk in the midst of trouble, Thou wilt revive me. Thou shalt stretch forth Thy hand against the wrath of my enemies, and Thy right hand shall save me." That one really spoke to me. And then I had three Rhema cards that I pulled from my file. The first one was, "There's never a moment in the day when I am not thinking of you." Another one I had gotten earlier, just before I went into prayer, was, "I believe in you, too." I have another one, "I believe in You." - that means I believe in You, Lord. But, this was a small, 'y' - in other words, He believes in me.

The next thing, "You have a lot of friends in Heaven." That was the second card. "True friends." And then the third card was, "What I have said, that will I bring about. What I have planned, that I will do."

So, it didn't speak very clearly to me as to why He didn't speak to me tonight, and I'm going to be seeking Him. We've talked about this before. Basically, if there's an open door - if there's something you've done or haven't done, and He's trying to get your attention, He will lift His covering and allow you to be sifted.

The hardest thing for me in the world... I've got to warn you guys, don't ever be jealous of me! Because the hardest thing in the world, is when He doesn't speak to me - it is so painful! Because I don't feel like I have fresh manna for you. He makes me walk the straight and narrow and if I get out of line - He withholds that from me.

So, it could be that He's very quiet tonight. It could be that I've done something that I'm not aware of, and I'm certainly going to continue to seek Him about that. It could be that He just doesn't want to talk about it, and He wants us to pray.

Ezekiel: That's kind of the impression that I've been getting. When you are hurting and you're really in pain over something, you don't necessarily want to talk. It's all about souls. And that's where His heart is.

Some souls are going to be comforted and raptured and up and out of here. And some souls are going to have to be here and face the brunt of some terrible things.

Clare: Well, thank you for sharing that with us, Honey. So...pray for us, guys. Pray for me, that if I've offended the Lord in some way, or left a door open, pray that He'll show me what it is, that I can repent and we can be back in receiving fresh manna for you.

We love you guys - the Lord bless you.

Psalm 91+33 Crusade Prayer

Psalm 91 + the 33rd Crusade Prayer

July 14, 2015

Psalm 91

1 Whoever dwells in the shelter of the Most High will rest in the shadow of the Almighty.

2 I will say of the Lord, "He is my refuge and my fortress, my God, in whom I trust."

3 Surely he will save you from the fowler's snare and from the deadly pestilence.

4 He will cover you with his feathers, and under his wings you will find refuge; his faithfulness will be your shield and rampart.

5 You will not fear the terror of night, nor the arrow that flies by day,

6 nor the pestilence that stalks in the darkness, nor the plague that destroys at midday.

7 A thousand may fall at your side, ten thousand at your right hand, but it will not come near you.

8 You will only observe with your eyes and see the punishment of the wicked.

9 If you say, "The Lord is my refuge," and you make the Most High your dwelling,

10 no harm will overtake you, no disaster will come near your tent.

11 For he will command his angels concerning you to guard you in all your ways;

12 they will lift you up in their hands, so that you will not strike your foot against a stone.

13 You will tread on the lion and the cobra; you will trample the great lion and the serpent.

14 "Because he loves me," says the Lord, "I will rescue him; I will protect him, for he acknowledges my name.

15 He will call on me, and I will answer him; I will be with him in trouble, I will deliver him and honor him.

16 With long life I will satisfy him and show him my salvation."

The 33rd Crusade Prayer

Oh, my God, Loving Father, I accept with love and gratitude, Your Divine Seal of Protection. Your Divinity encompasses my body and soul for eternity. I bow in humble thanksgiving and offer my deep love and loyalty to You, my beloved Father. I beg You to protect me and my loved ones with this special Seal and I pledge my life to Your service forever and ever. I love You, Dear Father. I console You in these times, Dear Father. I offer You the Body and Blood, Soul and Divinity of Your Dearly Beloved Son, in atonement for the sins of the world and for the salvation of all Your Children. Amen

~~~~~

I want to share with you a little piece of history here, for these two prayers. This came from Jim O'Connor - we're blessed to have on our channel. During World War I, LTC Whittensley was a Regimental Commander in the British Army. His regiment recited the 91st Psalm every morning. His regiment went over the wall several

times, thousands were killed on this left and right sides, but not one of his soldiers was wounded. It was reported that the German Bullets seemed to bounce off LTC Whittensley's men.

So, when you find yourselves in a really tight place, and the odds are against you - remember: these prayers are very powerful to deliver us. The Lord bless you.

Come to Me My Lost & Lonely Ones July 15, 2015

The Lord's precious presence be with you, my dear Youtube Family.

**"No good thing will I withhold from those who love Me, according to My purpose for their lives. I have not**

**forsaken anyone. People forsake Me. They don't trust Me when their prayers aren't answered according to their advantage, as they see it. This causes so many to fall away from Me. They have no concept of how I love them or how infinite My wisdom is. Rather, they blame Me for the things that go wrong in their lives, even though it is Satan who is the culprit. They come to Me and pray that things would be different, but I cannot answer them with what they want, because I see the path ahead and I know the road they must travel.**

**"From time to time, you get atheists who have been jaded by phony Christians, or Christians "less than perfect"...yet when atheists act badly, it goes by unnoticed. I wish they would apply the same standards to their atheist brothers and sisters that they apply to My Children. I wish I could tell them, 'My Children aren't any more perfect than you are... but they ARE forgiven. And many, many are trying to change with My help.' You don't always see what's behind a Christian's life. You don't see what they were like before I got ahold of them."**

And I thought to myself, 'Oh, my goodness! If people could have seen what I was like - whew!' That was not good. Selfish, proud, deeply entangled in materialism and impressing people. Not able to form deep friendships, give or receive love. But, something in me changed, when the Lord got hold of me. It took years for Him to change me. But it did change. I'm not perfect, I still have problems with all those things, but not anything like the way I was living before.

**"Love came into your life. The kind of love you had always dreamed of: a holy, loving companion. I came and revealed to you Who I was, indeed. And who you were, to Me. So special, so very special. You had never once had anyone treat you like that, you had never ever been understood by others. You never felt secure in your life until I entered into your heart. You knew beyond a shadow of a doubt that I Am God and yet 'have nothing better' to do than hang around with you: guiding you, protecting you and teaching you about My Kingdom.**

**"Your church experience was not any better than any of your other experiences - you weren't accepted there any more than you were accepted in the non-Christian community. But, one thing you did have: a personal relationship with Me. You touched the hem of My garment, day after day, and through that you survived the bad things that happened to you even at church.**

**"You see, religion and God bear no resemblance to one another. Religion is a system fostered by men to get closer to God. Whereas, I embrace you without the rules and regulations, even without**

**the knowledge of My Name. There are those who know Me in their hearts and spirits and follow all I ask them to do. Then, someday, when it is time, when the time is ripe, I reveal Myself to them.**

**"Yet, there are others who have been handled so roughly in their lives, they have no hope of love or of being accepted. I must surprise them with My Love. I must take them in a moment they are least expecting and shower them with My profound, unconditional love.**

**"There are many who blame Me for every bad thing that has happened in their lives, because they don't want to give up their sin. Somewhere, inside their hearts, they hear My voice - but the world and its allurements overpower them and they ignore it until it's too late.**

**"I am always calling, always waiting, always with them, wanting to bring healing into their lives. But, they must at least be willing to give up sin and receive My Love. The pleasures of the flesh call much more loudly than I, so I must wait until the flesh is old and weak. But, even then there is no guarantee that the bitterness they are holding onto will allow them to hear Me. So, I allow them to languish in nursing homes until I can reach them and bring them Home.**

**"Oh, how sad it is when a soul has closed the door on My Love and has nothing in this world to turn to. Alone, abandoned - many times through their own fault, they are so convinced of their own personal righteousness that there is no room for repentance. All is the fault of others - they were the 'innocent victims'. God is to blame for everything.**

**"Clare, I want you to love the unlovable. Go out of your way for those who have rejected Me. Be My hands, My feet, My mouth and My ears. At least in that final moment, I can reason with them. I can remind them of your kindness, even when they didn't deserve it. This, many times, is the very last straw on their resistance and they break...a flood of tears, a deep knowledge of their sins and an even greater knowledge of how enormously special they are to Me...so special, that I endured torture to bring them to Heaven with Me forever. I treasure them, I love them and I embrace them, never to part.**

**"These are the days when many souls will be rescued in this way. That is why I am constantly admonishing you to love the unlovable. They are the most destitute of all, even and especially those who have known wealth."**

**"Lord, You are blamed for all the terrible things the Israelites were commanded to do. Few seem to care to find out why You did what You did, when you ordered the armies to murder men, women and children and just totally wipe out a town. People don't understand that, and that's why they see You as being too harsh, a terrible God."**

**"They did not hear the terrifying, heart-rending screams of infants, when they were laid in red-hot, metal bowls and sacrificed to Moloch. They did not see the perversion the people had with the animals - not even the animals could escape their wickedness. They did not see the mating rituals with demons, who impregnated them with evil and demonic powers. Little has been understood down through the ages as to why My people had to destroy every living thing. Yet, My Word is not lacking in explanations I make it clear that the wickedness was beyond repair. And now, you are approaching the Days of Noah, 'as it was in the Days of Noah'. Yes, every perversion and wickedness will be allowed by law. Fondling young children, sex with animals, men with men and**

women with women - all of it is coming, just as surely as I Am. It is here, but still shunned. Not for long. The laws that have been signed and are in the works will make every detestable practice more legal than pornography. Now there will be no age limits - all may come and see and try it for themselves. After all, it brings pleasure, and pleasure is your right and your freedom.

"I am calling to you, My Children, My Wayward Ones. Forsake your loneliness. Forsake the lies, the darkness, the confusion. Come. Come to Me, all who are weary and heavy laden. You will find rest for your soul and unconditional love for your heart. I will never turn you away. I will never forsake you - rather, your life shall grow brighter and brighter, going from glory to glory. I am not a man, that I should lie. I have good in store for you, not evil. I have gifts and talents for you, things you've longed to do. Who do you suppose put that longing in you? Now I want to bring fulfillment and happiness to your life. Your sins have only brought you grief and disappointment. It's time to make a change, time to release all the old baggage and start anew: fresh, born again.

"I am calling to you, My lost ones. Come to Me. I will embrace you and ring you round with songs of gladness and thanksgiving for returning to the very womb that bore you. Yes, I will dress you in fine linen and place a ring upon your finger, sandals upon your feet and we shall walk together as one. Just tell Me you are tired of being hurt. Tired of hurting others. That you are sorry for the sinful things you have done. Ask My forgiveness - then hand over your life to Me. I will cherish you. I will lead and guide you. I will never forsake you. I will lead you by the hand into Eternal Joy in My Father's Kingdom in Heaven, forever."

"Jesus, forgive me, I give you my life. Teach me, lead me, never ever depart from me."

## You Have Rejected My Rule

---

July 15, 2015

Thank you for your prayers everyone. The Lord gave us a message, so I'm really happy to get into that. But before I do, I want to share with you a couple things that happened. You remember that Ezekiel and I talked about last night that in the Bible Promises book we kept getting, "Enemies.

Enemies. Enemies." And, I was saying, 'Yeah, it's definitely the work of the enemy, trying to block a message...but what did I do to open the door so the Lord would let the guard down?' Well, we never really got that figured out,

but tonight He showed me what exactly what was hindering our communication together.

So...we've got another revision to the Binding Prayer - you're gonna love me for this...(smile.) The Lord always turns things that were meant for evil into good, and now you're gonna have a tool that you didn't have before. Let me tell you what happened!

Tonight, as I said the binding prayer I saw standing before me, to the left, a demonic looking creature like a Satyr, that is half man half goat - except it was erect like a person but had scales on its legs and a hairy body with an ugly, goat-like head. I watched him out of the corner of my left eye as I was saying the binding prayer. He seemed to be casually observing, with one leg poised in front of the other as though he was relaxed and amusing himself waiting for me to finish. When I got to the part about the Blood of Jesus, he recoiled. So, I repeated that three times, "The Blood of Jesus be upon you." And he was gone! I mean, *really* gone.

Like....vaporized.

There are also goatmen which look similar to Satyrs, that are actually known for imitating people and children, and luring them into dangerous situations by their voice. And masquerading like a familiar person. I found that to be really true. When I shared in one of my testimonies, how I had a television explode once when I was coming to the conclusion that familiar spirits take on the appearance of anything that appeals to your vanity, anything that appeals to anything else.

So, please, dear family. Don't get mad at me, but we need to add this to the prayer! To repeat, "The Blood of Jesus be upon you" three times.

Now...the next thing that happened. Boy - the Lord is never boring!

He began speaking to me very clearly, but I couldn't stay awake, and I went to lay down. I came back in about an hour, and He was still speaking to me ever so clearly, but I was struggling to keep my eyes open. Finally, I asked Him, "Lord, please help me stay awake. Please?" And kept on listening and writing.

Now as you know we have cats, five to be exact and each one is like a child to us. The Lord uses them continually to bring us joy and He even ministers to us through them. The back of our house, where the studio is, borders a five acre field in the middle of Taos, behind the main street and the McDonalds. We can see the McDonald's drive-through in the distance, through the studio window. Well, we get coyotes in that field a couple of times a year. Usually they are way far away, closer to McDonald's and the ditch that runs beside it.

But tonight, Jesus wanted to wake me up! Right? Mmm hmmm. Right outside my window, couldn't have been more than 15 feet, a coyote was boldly howling full volume. Right outside my window! The window was wide open, so it felt like he was in the room with me. I freaked!!! I go up and ran to the window, clapped my hands and shouted loudly, and he just kept right on howling. Then Bruno, our big old St. Bernard/Husky mix, took off after him with his very deep throated intimidating bark, and he just kept on howling...!

So, I turned my speakers around to face out the window, put them on full volume, and blasted him with a recording of a deer rifle which I had downloaded just for these very special occasions ...it just about shakes the house. Finally, that nasty critter was gone. But, now I had another issue to deal with: are all my cats okay?? Because a lot of times, they'll wander out into the field, right behind the house. We take them for a walk every evening, but we're very careful every night to make sure all of them are in the yard and the gate is closed. Still, they sometimes take off into the field.

So, I started calling for the cats, and I could only find two. I started calling and calling...finally we had four. One was still missing. He came running when Ezekiel whistled for him about fifteen minutes later. Until then, I was kinda holding my breath, although I really believed the Lord would have Mercy on the cats and protect them.

I went back to the message, so happy to hear from the Lord. Happy the cats were alright. Happy that the gunshots worked. And, I'm just typing along as He's speaking and all of a sudden, He changes the subject and said, *"You asked me to wake you up, didn't you??"*

Oh, so funny... thank you, Lord, I am now wide awake!!! Not only was I wide awake, but I was shaking from the coyote incident...I mean, that really blasted me, too. He has such a sense of humor! But He did manage to get me nice and awake, so I could do this message for you!

On to the message....

Tonight, as I worshipped, I was in the tomb with Jesus - just a real, sweet sorrow settled on me, and I'm sure part of it was all of your lovely prayers. I was in the tomb with Jesus, and I was sitting by His right hand, which was crossed over His body in a position of repose. I wept and wept, because His rule has been rejected. Men preferred sin and the reign of sin over Our Sweet Savior. Oh, Mankind, how could you be so dense, so blind? Oh, how could you??

As I looked at His face, He looked very much like the picture Ray Downing does of the Lord under the Shroud, the profile picture. His face was calm and peaceful, but I thought, 'Oh God how sad, they rejected You: kindness, love, tenderness and truth. Justice, protector of the oppressed... and they rejected You. Oh, how could they?

How could we?'

And, I thought to myself, 'How many times have I preferred my way over Yours? How many times have You waited for me to wake up and see who was entreating me? Little nudges that I wasn't paying attention to. How many times have I rejected You in the little things and done it my own way?? Foolish woman...'

And yet, the rejection of Our God is staggering among mankind. Staggering.

As I pondered these things, and that was going on for perhaps 30 minutes - maybe 45, I saw color beginning to return to His hand and His whole body. I could see that He was totally restored and He sat up and said with firm resolve, *"I'm going to get My Bride, because She wants Me to rule over her."* He stood to His feet and kissed me.

*"You see, I have struggled and struggled with this generation until they have simply proven that they don't want Me. So, now I am skimming the cream off the top. I'm coming for My Bride, who truly longs for Me. Just as I had promised My people, you will not see Me again until you say, "Blessed is He Who comes in the Name of the Lord." This, too, will come to pass, the hard way. The way I never, ever wanted to ordain.*

*"My people, you have made your own choices by refusing to listen to the whispers in your hearts. I have whispered, I have spoken, I have screamed, "Come back to Me, before it's too late." But in vain. So, I am leaving you to your own devices. You will see who is evil and who is good. You will no longer call good evil and evil good. Rather you will long to see My Face again and long with all your hearts to have Me rule over you.*

*"That's what this is all about, My rule was not sufficient for you, so now you must suffer the consequences of your own choices."*

I just want to take a moment here and say that I was amazed at the young people that thought Obama was just wonderful! All ages: middle aged, young, older...they all just thought Obama was wonderful! And it was like, hands down - he was going to be president. And I kept thinking, "You guys can't see?? You can't see that this man is evil? You're calling someone that is very evil - good. And you're calling Christians who are good - evil!

How can you do this? How can you be so blind?? That was what was going through my mind that whole time during his campaign. Then the Lord continued:

*"I have no other alternative. You have tied My hands. What can I do but leave you to your own devices, your own rule, until you reach the very rock bottom? Yes, it has been well said, I am come in my Father's Name, and you received Me not: another shall come in his own name, and him you will receive.' John 5*

*"Yet a little longer now, and My Bride, you will see Me coming on the clouds. Indeed, the whole world will see and the mourning and wailing will reach to the Heavens. I will purify My people, and I will return to rule and reign among them. Until then, you will have much to suffer, yet I will be with you, because My love for you has never grown cold. No, My heart beats out of My chest for this people. How I have longed to caress you, pour oil on your wounds, and grace your feet with fine sandals. Oh, how I*

*have longed. Now this most painful prophecy of history must cleanse the land of the filth that has filled it, until you proclaim, 'Blessed is He Who comes in the Name of the Lord.'*

*"Then, I shall take you into My arms and restore you. You will learn My ways and once again be My people, My chosen ones to carry forth My Words and My Will to future generations. Until then, My people, rent your garments, don your sackcloth, pour ashes over your heads for judgment is coming to this land."*

Now, when the Lord said that, I thought, 'Wow! Are you talking about America?' I mean, America and Israel are so closely tied together. And He answered me,

*"The nation of Israel abides in this country as well. You have only to look at those who dominate to see the vast numbers. Doctors, lawyers, politicians, entertainment. Yes, My people have excelled in every office, every profession, excelled in every talent and excelled in debauchery as well. No people are without guilt, but those who lead have the most. This has been carefully kept from the masses who think they see only a small percentage (of Jews), but in truth they are everywhere, in positions of leadership."*

I know here in New Mexico, as an aside - any Spanish name with a 'Z' on it has Jewish roots. Any family name like Martinez, is actually a Jewish name, because when they were running from Spain, they changed their names. The Lord continued:

*"Well, My Love, I am coming now to take My Bride. The one who harkened to the whispers of her heart, the one who longs for Me, the one who weeps at My Feet for what I must suffer. Faithful has she been flying in the face of success and wealth just to embrace Me. Now I extend My arm to her and together we approach the altar where Our Love will be declared for Eternity."*

*"Lift up your eyes My Beloved ones. Soon, we will embrace and soar to the Celestial City, where your reward awaits you. And, for those who must stay behind, I say, Courage. I will be with you. Great will your exploits be before man, and great shall be the harvest you reap. I will never leave you or forsake you. Rather, I will equip you for this Battle and you shall take plunder from the mighty."*

*"And, when I return - you shall receive your everlasting reward."*

## "Baptize Them In My Love" Jesus said.

---

July 16, 2015

Just a little background on what happened before I came into prayer tonight.

Tonight, in the very sweet presence of the Lord, as I worshiped Him and He imparted His longing for Me to my heart and the sweet Graces He gives me, He took my hands and placed them over His Heart. He does this many times, to bring me confidence in His true presence more quickly.

I am always reminded of something He once told me, *"Place your hands upon My Heart, and My Love will do the rest."* Oh, the pure sweetness of that exchange!

Well, I became hungry and went to make a sandwich. Then, I had a longing for some chocolate...uh, oh....we had a cream pie left over from the holiday weekend. I thought to myself, 'Oh, I really need to be denying myself - things are so tense right now in the world.'

But alas, I just couldn't do it. I had a few bites and came to prayer feeling a wee bit condemned, like my prayers would be worthless without that sacrifice of the chocolate cream pie. I mused to myself, 'Whatever happened to those wonderful days when I was so detached from the pleasures of the palette and food? I could fast for six days and still take care of my family and duties. Plus, for the sake of vanity, I was wonderfully slender.' This was my state of mind when I came back into prayer; part of me was hiding behind my failure of self-control - the other part eager to be with My Jesus again.

He began...*"Do what you can, in fasting. Don't come under condemnation for a piece of pie. I know your body's chemistry right now better than you do and I'm not putting any restraints on you other than to love, first. That doesn't mean ignore the posts in the morning, it means pay close attention to the promptings of Holy Spirit, and always do what He wants, in His order."*

*"The devils will use every little thing to cause disillusionment, discouragement, especially in yourself. Condemnation, to cause you to be less effective. For instance, when you come under condemnation, and you take the bait, the enemy will tell you, 'No use to pray now - you just blew it and God won't hear your prayer'. Like... He would have, if you'd persevered in fasting?"*

*"Lies and half-truths. I appreciate your fast offerings, but I also know your limits better than you do. And when the enemy inspires you to go further into a fast offering than you can handle with My grace, he will wait for you to fall and then slap you down with condemnation, making you want to abandon prayer - because, after all... you failed and they've become worthless. May I say, your prayers are NEVER worthless in these situations? Well, they are not. So, don't allow the enemy to lie to you."*

*"I am so much more concerned about your love for your brother than I am about any fast offering. Many have fooled themselves by taking on extraordinary fasts, and yet treating their brother with contempt."*

*Their fasts were worthless. That is nothing but a show of pride in what they can achieve and how spiritual they are, when in fact, 'I never knew them.'*"

Matt 7:21 Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven. 22 Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works? 23 And then will I profess unto them, I never knew you: depart from me, ye that work iniquity.

And the other Scripture that comes along and goes with this as He was speaking, was quickened to me:

Matt 25:42 For I was hungry, and you gave me no meat: I was thirsty, and you gave me no drink: 43 I was a stranger, and you didn't take Me in: naked, and you did clothe Me: sick, and in prison, and you didn't visit Me.

*"Do not be full of judgment because others cannot fast as you do. For I have come to find fruit on My tree and found none. I looked for charity, humility, pure motive and found pride, arrogance and judgment.*

*"See to yourself that you pass by no opportunity to do a kindness to one who is in need. Comfort the destitute, the mourning, the rejected and you will call to Me and I will swiftly manifest at your side. Try this, My Brides, My Children - see if you do not experience a deep shift in your hearts from a Religious spirit to a 'Jesus' spirit.*

*"Yes, I said it - a 'Jesus' spirit. "*

*"Meek, humble, serving, slow to anger, always taking care of others. For those who had eyes to see, it was not the spectacular miracles alone that brought conviction. It was My love, that I would descend from Heaven to wash feet and make the sick whole - that was spectacular in nature.*

*"God among us.*

*"Now I have imparted these gifts to you, but many do not understand their true nature: 'God among us' and 'They will know that you are Christians by your love.'*

*"I am telling you these things for your own good. Don't be so concerned about prophecy and what will occur next. Be more concerned about tending to Me within you, and doing as I would do in everyday situations. That is far more important to you and the Kingdom right now than knowledge of the future or what is soon to pass. When you are taken from this Earth, it is those things you did in love that will determine your eternity. So you see? In this moment, I am instructing you on the most important thing you can do in this life.*

*"Your love is going to bring conversions. Your love is going to open hearts. Your love is going to bring conviction. Your love is going to disarm...in short, your love is what is preparing the way for Me in this moment. Sinners have heard enough fire and brimstone to last them a lifetime. What they have missed about Me, and why they have not come to Me, is My love for them.*

*"You are My last resort; you are ambassadors of love and mercy. Without you, I can do little. They must*

*have evidence that I, living in My people, make them different. What good are the prophetic dreams I send the Muslim people, if they never see love in action from those who profess to be Christians? But truly, it is the blood of the martyrs unjustly slain, whose last words were 'Forgive them, Father, they know not what they do' that brings searing conviction and proof of a 'Jesus Spirit.'*

*"You will see that there was only one group I was harsh with and it wasn't the prostitutes and tax collectors. They needed to feel My Love, not My wrath.*

*"So, now I give you My mandate: go out and make disciples of all men, baptize them in My Love and they will run to be baptized into the Kingdom."*

## Rope of Grace Teaching

---

July 17, 2015

The Lord bless you, dear Family. This has been an interesting week - I've been doing a lot of things around the house, and kinda getting things in order because I had permission to...including the yard and all of that. And, I guess I've kinda gotten into "nesting". (Anyone who's ever been pregnant can tell you about nesting.) It's gotten to the point where it's starting to distract me, and pull me away from the Lord. I really, really need to bring it to a close.

*Jesus had addressed that first thing, as I was rather lamenting to Him.*

*He said, "I know how you are feeling. These are warning signs that you need to call a halt soon. Do what you can this week, then refocus with all your heart on Me, My Precious Angel. You will recover and recuperate - just get it done now."*

And then I addressed what's been on my mind pretty constantly for the last two days:

"Lord, everyone is asking about Jade Helm and especially me. Oh, You know how bad my curiosity is!"

*"I know how much I love you and steer you away from curiosities. Listen, My Love. You will know what you need to know when you need to know it."*

"That sounds like a circular answer."

*"That's correct, it leads right back to Me. Your focus must be on Me constantly. Not only is there misinformation out there, but demons of fear and intrigue that want to steal your attention away from Me and onto fear and useless fretting. I want your head in the clouds...is that clear?"*

"No, Lord, it's cloudy...."

*"Very funny..."*

*"No, seriously, I want you about My business and not about the business of the world. Over and over again I have told you this. I know it's painful, I know your curiosity is burning you up, but if you put it to death it will leave you alone."*

"Are You sure Lord, I mean...everyday it grows stronger."

*"That's because you let it. You feed it. I have promised you, you will know what you need to know when you need to know it. Until then, I want you to proceed like you don't have a care in the world but being about My business. Can you do that for Me, Beloved? Please?"*

"Lord, I know You are giving me the Grace. I need it. By Your Grace Lord, I can do it."

*"What people want to know is how to protect themselves...that's My job. Their job is to keep their eyes on Me, and because they do, because they honor Me with all their hearts, I will rescue them."*

Psalm 91 'Because he loves me,' says the LORD, 'I will rescue him; I will protect him, for he acknowledges My Name.'

*"In the meantime, there are suffering souls that need the light to shine on their darkness so they may be lifted up to Me. Many are the sufferings of the lost and My heart is to bring them salvation from their enemies, and from themselves.*

*"Deep and dark is the pit they have dug for themselves. As the saying goes, 'If you want to get out of the pit, stop digging'. I say stop sinning and take hold of the rope of Grace. I am lowering it now into your life. Come forth out of this pit, this deep darkness and let the sun shine all around you. I have a new life in Me to give you. This life will be full of gifts and challenges, but it will not be fruitless as your former lives have been. No, this life will bring you the peace you have never had, a sense of purpose, a sense of destiny that speaks to the very core of your being. Yes, I have waited for you. I have waited, holding all these gifts for that special day when you will forsake yourself, and come to Me.*

*"You have nothing to fear. All you have ever wanted is waiting for you in this new life. Yes, you will have to undergo preparation, but nothing will be in vain, as were the things in your former life. Even though you learned what not to do, still there was a sense of futility and lost-ness. Not so anymore. You will belong to Me and be My own special possession. Mine to love and to hold and to care for as I mold you into the glorious creation I meant you to be. Things you have struggled with will fall away, things you have longed for will embrace you.*

*"Do not be afraid to lay your life down for Me. I am your safety and your refuge. I will turn everything you ever experienced in your life around for the good. You will see that even when you thought I had abandoned you, even when you thought I didn't exist, still I was with you through it all. You will reflect on all the times I called to you and you walked away. Yes, there were many, many, many times I tried to get your attention. You walked away, and I waited, knowing that someday you would give up on yourself and embrace Me and I would shower My Love on you.*

*"So, here we are again, and you sense that it is imperative that you finally receive Me into your life. And yes, it is imperative. You will not be able to navigate the rough waters ahead, but I will. Allow Me to take the helm as we dodge the reefs and the sharks. Let Me bring you to the safe haven I have planned for you. Your journey may be long, but you will see that it was so worth it in the end. You will find that your life has become brighter than noonday and you'll wonder why you waited so long to come to Me.*

*"Eye has not seen, ear has not heard the wonders I have prepared for you. We are going to do this together. You will never walk alone again. I will teach you how to grasp My hand in every situation and when you can't reach out to Me, I will lift you up into my arms and carry you. You see, I have planned this from the very day you were conceived. I began making preparations for your Homecoming that very day. I knew you would stray and be taken captive by the enemy, so I planned the sortie that would rescue you from his hands.*

*"I have also woven beautiful garments of righteousness for you. You will be clothed in grace and beauty, and from within you will shine as the dawning sun. Oh yes, I have wonderful things in store for you. Once we begin walking on this path, you will never want to return to your former life. You will see how wretched and dreary it was and you'll want nothing to do with it. Besides, you will be so taken up in your new life you won't have time for the past. I will wash you so clean that nothing of your former life will cling to you. No, each day you will bathe in My grace and all those things will fall away. Yes, even the scales on your eyes, they are coming off - you are going to see the world with eyes of wonder. Everywhere you look, the freshness of the dawning day will surround you.*

*"Come now, take My hands. Let Me look deeply into your eyes. There is no more shame in you, do you understand? I have taken all that was shameful and nailed it to the cross. By My Blood you are all beauty within and now we will step forward together and lay the foundation on the immovable Rock of My Love. Pillars of righteousness, wisdom, purity, worship and praise will rise to support the roof of humility that will forever protect your life within. Each day, living waters will flow freely from within and go out into the world to quench the thirst of others who are still captive in their pits. I will teach you the ways of love and you will be My Ambassador of Love to a hurting world.*

*"Now that we have established your new life in Me, I wish for you to rest. Yes, rest. Your life is hidden in Me now.*

*"No more striving. Striving to become holy, striving to accomplish, striving to produce, striving to impress... No, that is over now. All shall be done by Me, through you. Wait for Me to move. Catch the wind of My Spirit. Flow with My leadings... I am at the helm, My Spirit powers the sails, together we will live this new life, together we will finally arrive at Our final destination - the very shores of Eternal Life."*

## Minister My Love On This Channel

---

July 18, 2015

I pray that the Lord's sweet presence would be with us today, as we listen to His heartbeat. Because truly He shared part of His heart with me tonight.

Our time began with very intense worship. I had just a real sense of longing for the Lord, just eating away at me. It was very hard, really - knowing Who He is and reaching for Him and sensing His presence is so painful. After a while, He just held me very tightly, and I could tell that He didn't want to let me go any more than I wanted to let Him go. Finally, He ended up saying that He would hold me during the whole message. That was probably the only way I'd listen to Him!

Anyway, I said, "Jesus, I can't let go of You!"

He answered me, *"Nor I of you, My Dove. Hang in there, Clare. I AM coming soon."*

"Oh, Lord - You know those words...."

*"I know. Nonetheless, I am sincere, you know."*

"I'm not saying You aren't sincere. It's just too hard to think about it."

*"I know. This IS part of the Sacrifice. My faithful Wife, standing on the seashore, with her lamp lit and burning strongly, looking into the distant mists for signs of Me."* He lifted my chin ever so tenderly, looking deeply into my eyes. *"I AM coming."*

"Okay..."

*"No, seriously. Very shortly now, your life on Earth will end, and no more feelings of separation from Me ever again. I know you can't fathom My love for you right now, even though we hold one another very tightly. You must know how much I love you, Clare."*

"Oh, Lord, this world is so wicked, and You are so sweet and consoling."

*"Not long, now - not long at all."*

"But, Lord - NO one knows the day or hour."

He answered me, *"Unless they'd been told by the Father..."* His eyes twinkled.

"Oh, Jesus! Give me the strength I need to persevere and take care of this Family. Help me in my weakness. Truly, I need Your help."

*"Just hold onto the rope of Grace, My Love. Hold on. Just hold on."*

"Jesus, would You hold on for me?"

*"Always. I am your safety cable, never to let go or fail you."*

"Thank You."

*"Well, are you feeling better?"*

"No...not until You come..." I pouted.

*"Well, I see we have impatient Brides looking for some new words."*

"Lord, can you blame them?"

*"No, of course not. But those who are so impatient still have not put into full practice what I've asked of them. So, they come back on you as if you were the source. As if you had any say in what comes from Me. Well, you don't. And I wish for all of them to take My words more seriously. Those who accept you are accepting Me, and that goes for the messages as well. Just a gentle rebuke, My Brides."*

What's He's talking is about is a couple of folks have expressed their 'boredom' with the last message - nothing new, you know. I even was in that place, where I thought, 'Well, this message is kinda flat'...or kinda repetitive, or whatever. I confess: I was in that spot, too. And so the Lord is giving us clarification of what's going on with Him, and why the last message was as it was.

He continued, *"The church is ever looking for another sign, another prophetic word. Do you know, that's a sign of spiritual boredom? Lukewarmness? Yes, it is. Your relationship with Me should be so vibrant, so exciting to you, that My presence is all you seek."*

"Oh, Jesus...they're going to love me for this..."

*"Do you care?"*

I thought about it for a minute, and I thought in a sense I do...but in the ultimate sense, no. I don't care. I only care about being faithful to what He wants me to say.

*"Clare, I'm not a man, that you can put words in My mouth. I want more maturity from My waiting Bride. I want more depths of understanding. You are not here to entertain them. You are here to expose My heart to them. When I see the unsaved languishing, My heart aches. I want so badly to comfort them. Should I speak, so as to console My Bride? Or reach out to those who are perishing. Truly, Children - where are you coming from? Is this channel just for you? Or for the lost as well? For all - no matter what their status or understanding."*

*"When you see Me tenderly reach out for those who don't know Me, back Me up! In Heaven you'll be trained further to reach souls. This IS the work I have for you. This IS My daily preoccupation, that NONE should be lost. Back Me up, My Bride. Pray for those who visit this channel, that they will invite*

*Me into their hearts and give Me their very lives. Oh, how I so desire they would come to Me. My heart burns with longing to comfort and console them. To heal their lethal wounds, and shed light on the suffocating darkness they walk in.*

*"Let them see that your heart is for them, too, by the generosity of your remarks and prayers. Let them know, that you care not for just yourself, but for them, too. That is a major problem with My Church - enough people don't really care. They don't care to go out of their way, for those who have yet to find their way.*

*"Come with me in this, Beloved Ones. We're walking in times of obtuse darkness. So many languish, because they have not witnessed My love. They know all the things they are doing wrong - Satan has bombarded them with their sins and worthlessness, so they dare not approach Me. We need to present to them the other side of Me, through you, who daily receive generous doses of My Love.*

*"Don't recoil because I've corrected you. I chasten those I love. I'm molding you into perfect charity and self-sacrifice - even in the messages I give you. We are on the last leg of our journey together. This is your last opportunity to harvest with Me. Give it your generous all. Show those who do not know Me the side you know so well, and convince them of My goodness."*

*"Lord - this message seems so repetitive."*

*"It bears repeating until it is put into practice. Actually, I'm giving all a warm invitation to spot the survivors who are barely hanging on, those who've been crippled so badly in this life that they see no hope. You, My Brides, have walked with Me long enough to know that hope. Some of you have been beacons of charity, rushing to the side of every wounded soul, spreading the fragrance of My Love. To you, I say - truly, you have brought Me joy and repaired the damage done by so many remarks of indifference from those who bear My Name.*

*"You who are weary and impatient - come into My presence and worship. Allow your heart to meld with Mine. Allow Me to refill you. It doesn't matter if you don't see Me. What matters is that you came to Me and I'm there with you, filling you with generous rivers of Grace, that you may go out to a thirsty and languishing world.*

*"Do you know that there are actually some on this channel who have given their lives to Me because they have listened to your conversations, and been edified and inspired to approach Me? And after you prepared their hearts, I indeed came to them. Just by this small, insignificant act you have brought them safely into the harbor of salvation.*

*"Souls do not need to be pounded into the ground with Scriptures. They are already face-down in the dirt, hating themselves, and so loaded down with years of condemnation, they really don't believe anyone could ever love them. No, they need you to rush to their side, lift them up, help them stand, dust them off, and like the good Samaritan, clean their wounds with the finest salve and carry them in your prayers -just as surely as the donkey carried them to the inn, where they could be fed and recuperate. That's the response I'm longing to see on this channel, for those who come here wounded and sin sick.*

*"You have only to ask, and I will give you My heart for them. I will equip you with that costly salve, made from My own body and blood. Their wounds will heal, and they will in turn succor others. This is how the*

*Kingdom of God comes: one, by one, by one. It's the little things that matter most. The seemingly insignificant response to a post that reveals the true Presence of the One True God who is Love.*

*"Well done, My good and faithful servants. Well done, for all the times you've revealed Me to others. You have no idea the fruit you have waiting for you in Heaven. Those little acts of kindness were nourishing drops of water in a dry and barren wasteland. You have witnessed first-hand the wasteland on the internet: the bickering, jealousy, down-grading, deprecating remarks and assertiveness of those who thrive on strife. Do not be a part of contentiousness - that is not My spirit at work. That is the enemy, turning souls from love to bitterness, turning attention to My spirit to the spirit of the world. Knowledge puffs up. Charity edifies. Rather, draw others out of the hostile climate into the oasis of your love.*

*"Yes, indeed. You carry within you an oasis, and I am never absent from you, but am faithful to give you an anointed word in season.*

*"So. There you have My Word for you in this torturous time of waiting. Minister to those who are languishing, and be a generous example of My love and patience. You open the way for Me. Just as it is written, 'Prepare the way of the Lord.'"*

## The Yoke of Marriage in Ministry

---

July 19, 2015

The Lord gave me a very sweet message today about marriage and about couples in ministry and the role that they play for one another. Just as a little background here, Ezekiel has been having some real issues with his body and been in a lot of pain...a LOT of pain, and it's really been bringing me down, it's really been hurting to see him like that. And, I pray for him and he gets better, and the pain subsides, but then later it comes back. We're really...I'm

really struggling having to watch this suffering. So, the Lord addresses this tonight.

He began:

*"My Dear One, don't be alarmed at all the suffering he must endure. It is bringing a heavy-weighted glory in My Kingdom. It is My plan, Clare. He is carrying out My plan, which we agreed to at his incarnation. Just make it as sweet as possible by being a very good and kindly wife. That always makes it better and removes any bitter sting. This will be over soon, please don't allow it to demoralize you or take you down."*

Oh, Jesus, it is SO painful to see him this way.

*"I know that. Don't you think I feel it, too?"*

I guess so... but You're God, after all...

*"So, God doesn't have feelings, too? God doesn't hurt, too? Clare, with the capacity to love greatly, comes the capacity to hurt greatly. They go hand in hand. Will you please accept this for what it is? A tremendous grace that is bringing much fruit into the Kingdom? Try. Try, to rest in this. Just try."*

OK...please help me.

*"I didn't say it would be easy, even if I help you, but I can make you stronger. We all have a cross to bear. All. Including Me. I am still carrying a cross for humanity. There is no getting away from it as long as there is contention in the Body, accusation, pain of any kind, or even one unsaved soul."*

*"Because we are united as One, the grace of supporting the work that delivers salvation to souls is spread around so that no one person must carry the brunt of it. I did the major work of opening the doors of Heaven and paying the price. Now you must keep the soil well tilled, planted, watered and protected, until the Harvest. This requires hard work and sacrifice. With it comes suffering and burdens, which are distributed among the Body according to the capacity of each one."*

*"We all have to play a part. When one hurts, all hurt, when one rejoices all rejoice. You cannot separate*

*the parts of the body; they all must be under one head. When husband and wife choose to be a team for Me, the load is evenly distributed. As you well know, many, many times, when you are down, he is up. When you are up, he is down. This is all in My economy, so that each has a share and no one faints from the burden. Not only are you supporting one another, but your meekness in carrying your particular cross at any moment teaches you humility, without which you can easily lose every virtue and all the spiritual growth you gained in this life.*

*"I am continually strengthening both of you in supporting one another and humility. Even in secular marriages, this principal applies; there is a yoke, and each is to have their part in pulling the load. Through this the children learn as well and grow up to be balanced. Yet, Satan has done so much to upset the order I arranged, because it is a model of the Church, My Body. And, distorting the role of the Father figure brings the whole model down 'till it is no longer recognizable. That is one reason why I hate divorce. It interrupts the pattern that I designed to function in raising up children. They grow up wounded and bent in the wrong direction.*

*"Even though the enemy has destroyed it, yet I have sent the graces to restore souls, but it is much more difficult now that the model is shattered. Yet, for Me, nothing is impossible. I wanted you to understand that this role he is playing was agreed upon before birth, that it is his honor and nobility to do this for Me. It demonstrates perseverance, loyalty and selfless sacrifice to establish My kingdom. Clare, if you look at it as an honor, it will be easier for you."*

I suppose so, Lord. I will try.

*"You can see this dynamic at work in Heidi and Roland Baker's life, in Graham and Theresa Cooke's life. There is a ministry there and both are contributing and supporting it. Although it seems like only one is, in reality the hidden partner carries the heaviest burden. This is greatly misunderstood by the Body as it is now. The sickness in the other partner's life is looked at either as retaliation by Satan or punishment for some hidden sin, perhaps even unbelief. What a lie this is!!! The silent, suffering partner is backing up the public partner's ministry, holding them up even as Ezekiel is praying behind you right now. This agreement is in the Spirit, and rarely recognized in the consciousness. But, there is mutual growth in love, selfless sacrifice and humility. In Heaven, both will be rewarded equally.*

*"Do you see how beautiful this is? Do you see this is even a model of My Bride with Me? Yes, we work together. I am the visible One, she is the silent working partner. Her job is to support all my undertakings and do all in her power to prosper Me. My job is to glorify the Father. All have a role to play. Each role is tremendously important. Without the intercession of the Body, a minister has very little influence. The greater the work undertaken, the greater the need for intercessors. You see, this is the life of Billy Graham and other great evangelists. There are prayer teams constantly living for the ministry. Do you know that their reward will be the very same as his?*

*Yes, all of these invisible, self-sacrificing prayer warriors will also receive thrones from which they will rule when I return.*

*"The public partner is exposed to much danger; vanity and pride continually trying to gain a foothold. When the intercessors are wise, they pray for humility and integrity. Many times when they pray in the spirit, they have no idea what they are praying for. But, I understand them very clearly.*

*"If a husband or wife refuses to play a supportive role and gives in to the temptation of jealousy, it seriously hampers what I want to do with them as a couple. So few understand how important they are in the selfless hidden role, and I have to teach them before they can be elevated into a ministry that reaches many. Their greatest downfall will happen at the weakest point... and many times that's their marriage. One feels left out that the other is getting all the attention and they are inferior to their spouse. One wants to rise to equality in public ministry, even though I have not anointed them for that. They must both submit to My order.*

*"As you have experienced, I bring one to the forefront for a season, perhaps even decades - and then I bring them into the background and the other to the forefront. This teaches them a holy respect for My Spirit working through one another. If this is not in place, I cannot use them.*

*"Great is the ministry of women right now. I am raising them up, but their husbands must be raised up in the holiness of covering without jealousy. Even though it seems the woman is the head, she is not. This is especially difficult when a woman is the public figure. Joyce Myers, for instance, had to learn very hard lessons of submission to her husband, as did you.*

*"The beauty of all of this is that everyone in My kingdom is equal in status and the hidden partner gets the very same reward as the public one.*

*"Well, I wanted to sustain you with hope My Dove - all is in order here. I am in control. Enjoy the journey - both of you are My co-laborers and I am the One glorified when two walk together in agreement through thick and thin, with their only goal being to serve Me. I will do this for all those couples who come to me equally yoked, if they are willing. Dear ones, don't ever be jealous of your partner; recognize the calling they have and support it with all your heart. And you wives who have a calling in ministry, just because you are the visible one does not mean you are the head. The power and longevity of your ministry will be supported through a healthy marriage and a husband who knows his place of honor at the head of your marriage, and has no insecurities about who he truly is in Me."*

In closing, I wanted to share with you, Family: due to many pressures from outside sources, I've been getting to bed later and later and later. As a result, I am very dopey around 5:00 am when I should be going to sleep.

Tonight, it was almost impossible for me to keep my head up and eyes open as I listened, and now it's 6:30 in the morning. Ezekiel, my husband, heard my frustration and even though he wasn't feeling well, he got out of bed, prayed for me and then he sat here praying as I was connecting with the Lord.

I was about to go to sleep until he did that. But, because he sacrificed for me, I was able to finish the message tonight. Oh, what a wonderful husband I have! I see how God will be glorified by our mutual obedience to what I call the sacrament of the moment...i.e. putting our shoulder to the work and getting it done, no matter which one does what.

God bless you all for listening and I pray that your marriages are fruitful and strong in humility and service. And by all means: wait for the partner that God has designated for you. Don't jump into anything in your own will. What God puts together let no man separate, but what man puts together can be easily separated. So, wait on the Lord, if you are waiting for a partner.

*For this slight momentary affliction is preparing for us an eternal weight of glory beyond all comparison...*

The Lord' special blessing is upon us tonight, Youtube family. We're going to have some "happy campers" out there, because you've been asking me about this subject that will be coming up soon. I wasn't really able to answer them from the Lord, so I was just waiting to see what He would do.

Tonight, He spoke about it - He set it up. He has heard some prayers. He began the message with one word: aftermath. And as I sat and listened for Him, he began to speak. And now here He's talking about the aftermath, after the bombing of America.

*"People will be so hungry for order and restoration they won't be thinking about what they are signing into. Desperation will be everywhere, every nook and cranny, every hidden place, out in the open, roaming the streets, knocking on doors. They will be like dead men: blank stares, unbelief, suicidal...many, many suicides."*

As an aside on that: you can bind the spirit of suicide. I have done it many times, and no one has ever committed suicide that I'm aware of, that I have bound that spirit over them. If there's a spirit of suicide, if anyone is suicidal around you, speak: "In the Name of Jesus, I bind you spirit of suicide." Repeat it three times, and be adamant, and declare that the person WILL live and not die.

*"Do you see why I am so reluctant about this? Children (beyond a certain age depending on the child ie: their age of accountability) crying in the streets for their parents. Mothers, screaming for their little ones. Hopelessness everywhere."*

*"When order comes to town, people will be so traumatized they will not be paying attention to what they are doing. Some will sign on without knowing what they did. Others will be gone to places they have prepared for such a time as this. There will be My ministers tending to the broken. Yes, just like the vision you had years ago."*

*"Plagues will break out. Some manmade, some from lack of cleanliness and proximity to sick animals. Yes, even the animals will be reduced to shock. That is when CERN will do its best to cause rioting and mass slaughter of innocent civilians. This is the worst case scenario. But, there will be those who will stand and minister, pray for healing, raise the dead. Yes, I shall do mighty exploits through my servants. Food will come from 'nowhere.' Hospitals will be emptied, plagues will be stopped, all in My Name."*

As an aside here, we've got a couple of people who have been able to see demons, who have not budged at the Name of Jesus. And so, I was just praying today and asking Him, 'Lord, what's up with this??'

*"I know some are experiencing difficulties with My Name. They have got to mean it and demand that the*

*demons flee at My Name. The angels will step in and forcefully take those who do not obey the use of My Name. But, you must all have a personal relationship with Me. You must all 'know' Me in the sense of having a deep communion, understanding, assuredness of Who I Am. When you speak in total faith with conviction, they absolutely must flee. You need to see them as well. I will reveal them to you, but you must look for them and speak directly to them, demanding obedience to My Name. This is the issue with why it hasn't worked: not enough faith in Who I Am and concentration until the entity obeys. In the military, obedience immediately is demanded. And, so it is with the spiritual forces of darkness - you must demand obedience. And, as I said, if they try to ignore My Name, the angels will forcefully remove them."*

Lord, I know Heidi sang over the plague victims and they all recovered, not a one died and she did not get sick.

*"That's correct - the faith of that woman is great! Her compassion is great. Singing is a powerful tool to overcome any plague or disorder. There are demons behind these plagues, principalities that move about on assignment to bring in the deadly sickness. Truly these diseases have demons behind them. They can be stopped, they can be spoken to. Death can be stopped, life can be restored, especially praying in tongues. When I pray through you, there is no force on the Earth below or heavens above that can resist My intercession before the Father.*

*"It is done, finished.*

*"This is why tongues are so forcefully denounced. As you know, the more truth and power to something, the more it is opposed and accused as being demonic, and from the devil."*

Lord, is that the unpardonable sin?

*"Indeed it is. There will be a stain on their garment that cannot be removed. There is a difference between malicious speech and ignorance. Those who knew My Spirit, and still took it upon themselves to denounce My Spirit... unless they repent, they will not go to Heaven. Repentance has to be complete, contrition must flow from the very core of their being for what they did to Me and to the people I could have brought into the Kingdom had they not denounced me.*

*"If they do not repent, they will not enter Heaven. If they do repent, they will enter Heaven with a stain on their garment."*

I saw a full length white garment with a cincture around the waist. There was a long, faded stain from the waist to the floor about 12 inches wide, on the right side of their body. It looked like something much more intense in color that had been removed, but there was still a vestige of it. I am thinking perhaps blood from the wound in His side, the Lord's innocent blood because this is how He talks about slander, shedding innocent blood.

*"Truly, that was My Blood from My punctured heart - that stain will remain for eternity. I have warned those on Youtube to be very cautious with their mouth, their heart, their motives. I have warned numerous times. Some have not heeded My warning - I am hoping for contrition from them. If they do not repent, they will not enter Heaven."*

Oh, My God...how terrible, just for denouncing the work of Your Spirit?

*"That's right. If they know My Spirit and they know in their hearts that I am at work in a vessel or movement and they still denounce Me, unless they repent thoroughly, they cannot enter Heaven - they have sealed their place in Hell. This is what the Pharisees did. Many later repented, many did not. You see, Clare, I have no choice. They denounced Me and did not repent. Rebellion cannot enter Heaven. There is a place set apart for the rebellious - it's called Hell. This is why I ask you to pray for your enemies. If My Spirit is moving through you, and they know it's My Spirit, but insist on accusing My Spirit as evil and the devil, they have committed the unpardonable sin.*

*"If they come to their senses before they die, and confess their sin, they will be allowed in Heaven but never have a totally clean garment. It will be forever stained. Pray for your enemies, and never let an evil remark about one of My servants pass by your ears without rebuking it. Do not be a partaker in this sin. Rebuke it.*

*"There are many with loose lips, they throw words around like a sprinkler throws water. They have no discernment, they have no idea what they are saying. For them, it is not the unpardonable sin, because they are without knowledge or understanding of Who My Spirit is. He is SO pure, Clare. So very easily offended and yet purer than the finest molten gold. To assign Him wickedness, after having known the sweetness that He is, is unpardonable.*

*"When one is prone to jealousy, bitterness, hatred. When one is manipulating and grasping for recognition and power. And they have known Me, but cast caution to the wind because they are so eaten up with jealousy... I warn them sternly to reform their heart right there and then. If they persist in that hardness, I punish them. I remove My covering and give the demons permission. I give them three warnings. If they do not repent, but persist in their attitude and speak against My Holy Spirit, calling good - evil: that is the Unpardonable Sin. Their only hope for salvation is a deep and complete repentance, but their garment of salvation will be marked for eternity."*

Gee, Lord, a lot of people were wanting to know about this.

*"And, that is precisely why I am speaking on it now. I have heard their prayers. "Is it possible to go to Heaven after committing that sin?"*

*"The answer is YES, it is.*

*"But the conditions I explained above must all be met for the person to have committed the sin. If they are ignorant and have a mouth like a sprinkler, they are not culpable, although I do give them a strong check in the spirit, none the less. Even if they are not believers, they will feel guilt on a deep level. That's the beginning of a properly formed conscience. They will reflect on that feeling, it will be bothersome, even though they are not quite sure why.*

*"My love, I want you to take people a little more seriously ... please."*

OK.

*"That's good. I will reveal to you who is sincere and who is just using you. But, you do your best with each one until I reveal their heart to you."*

Yes, Lord.

*"And to you, My Youtube children:*

2 Timothy 2:15-25 Do your best to present yourself to God as one approved, a worker who does not need to be ashamed and who correctly handles the word of truth. Avoid godless chatter, because those who indulge in it will become more and more ungodly. Their teaching will spread like gangrene. ... "The Lord knows those who are His," and, "Everyone who confesses the Name of the Lord must turn away from wickedness." In a large house there are articles not only of gold and silver, but also of wood and clay; some are for special purposes and some for common use. Those who cleanse themselves from the latter will be instruments for special purposes, made holy, useful to the Master and prepared to do any good work. Flee the evil desires of youth and pursue righteousness, faith, love and peace, along with those who call on the Lord out of a pure heart. Don't have anything to do with foolish and stupid arguments, because you know they produce quarrels. And the Lord's servant must not be quarrelsome but must be kind to everyone, able to teach, and not resentful. Opponents must be gently instructed, in the hope that God will grant them repentance leading them to a knowledge of the truth, and that they will come to their senses and escape from the trap of the devil, who has taken them captive to do his will.

Right here I want to say, Wow...this passage of Scripture describes everything He's been talking about. And, this thing with Jealousy and maligning the Holy Spirit - He evens mentions that - 'they'll come to their senses and escape from the trap of the devil.' The 'trap of the devil' is that you lose your salvation! "He has taken them captive to do his will." The devil's will is to denounce something that is from Holy Spirit. And He gets two kicks out of that. One is: he brings down the minister in the eyes of the people. The other is: he derails the people from learning from that minister, because they're scandalized. So, that's 'taking people captive to do his will.'

*"You have taught them much of what I have given you. Some are putting it to practice. Others are lazy and just want answers. I say to them: seek Me and I will give you answers, but you must seek Me with all your heart. I'm not an easy catch. To those who do not yet know Me, yes, I am tender and close at hand. To those who have known me for quite some time, but are not seeking Me vigilantly, this shows Me a lack of serious concern on your part, laziness and disrespect. This resembles the servant who had one talent and went and buried it.*

I enjoin you to buy from Me gold refined by fire so that you may become rich, and white garments so that you may clothe yourself, and that the shame of your nakedness will not be revealed; and eye salve to anoint you eyes so that you may see. 19'Those whom I love, I reprove and discipline; therefore be zealous and repent....Rev. 3:18 Laodicea

*"You have taught them how to fish, now I want to see their catch. Come to Me, My Brides, and seek answers from Me. There is nothing wrong with using your Bibles as an oracle. Try Me in this, and I will prove to you this is acceptable and even virtuous. But, along with this, you must have a commitment to renounce yourself in all things or you will not understand, or care to understand what I am showing to you.*

*"It is a true saying that a man will only recognize a problem that he is willing to do something about. If he is lazy or rebellious, he will declare that he could not understand the answer and is not willing to work any harder at it. But, for those of you who press in, you I will reward with understanding.*

*"If any of you lack wisdom, come to Me and I will anoint your understanding to coincide with Mine. That is wisdom.*

*"Well, I think I have given you all enough to think on. My blessing is upon you who diligently seek My Truth in all things. And, for those who are still standing around and not working out their salvation with fear and trembling, I say to you: I am coming and there will be weeping and wailing for those who did not take their election seriously. Repent and I will bless your every effort.*

*"I love you all tenderly. Make Me proud. Use what you have learned."*

## Your Charity Must Exceed Your Knowledge

---

July 21, 2015

Thank you for joining me this morning to listen to what's on the Lord's heart. This message kinda caught me by surprise. I didn't really anticipate it, and I'm not sure just who He's addressing on our channel. But apparently there's a need for it, or He wouldn't take the time to talk about it, so I'll just go right ahead and get right to the message.

*"I have much to say to this generation that is ever learning, but never coming to a knowledge of the Truth. You're striving to know and to have*

*wisdom above your brother concerns me. I wish for your charity to exceed your knowledge, but your preoccupation with learning leaves you no time. Knowledge will cease, and tongues will cease, but Love? Never will Love cease.*

*"Many of you long for deeper relationships, but your obsession for learning and "being right" hinder you. Most you meet in this life need a warm hug and a tender touch. Being right shoves people down - it does not build them up. It does not comfort. It causes them to fall back on themselves, and their attention shifts to their faults almost immediately. It does nothing to bring them into My presence. In fact, this pre-occupation with legalisms and being right actually pushes people away from Me, on two fronts. One is a sense of inadequacy and deficiency you draw their attention to by corrections. The other is a reinforcement of an image of God I don't want them to have - a kind of authoritarianism. People run from this. It is, again, a religious spirit in the guise of defending the Truth.*

Oh, Lord - I've been guilty of this!

*"But, you've also learned a great deal. I want My Ambassadors to be first and foremost tender lovers of mankind. I want them to approach one another with extreme respect and honor. I live in each one. Learn to recognize My presence in them and you will not overstep your boundaries. If only you could see the honor the angels have for even the least significant of My people, you would understand the respect I wish for you to have as you approach one another. People are tender inside. From birth to death they are given numbers, told to follow orders, down-graded and criticized, expected to carry the party line. Marginalized. When I call you forth to be My Ambassadors, I need you to model My love for a soul by coming alongside, and even underneath in a supportive role that shows honor for the individual.*

*"People tend to be preoccupied with fulfilling their agendas through others. I want you to fulfill My agenda TO others. Not thinking about what you can get, but about what you can give. Not thinking about how you can prove yourself, but how you can prove others. Tenderness and honor are two of the most important ingredients in personal relationships. That honor speaks volumes about the Cross and what I sacrificed for each one. As you honor one another, you elevate that soul the way I elevated them when I paid the price of their ransom. When you are constantly trying to "fix" them - correcting their faults and misconceptions - you downgrade the price I paid on the Cross."*

Here I wanted to take a moment and say I have been very guilty of that, and it's a major thing the Lord has worked with me on.

*"I want them to know how valuable they are. You are teaching them how deficit they are. I need your love much more than your instruction. From birth to death, instructions plague mankind almost without end. But what they are missing is Love, Affirmation, Kindness and Honor.*

*"Do you think, My Bride, that you can set aside your quest for honor and being right, in order to walk beside another soul?"*

At that point I said, 'Lord, what in the world is this about? Have I sinned and lorded it over someone?'

*"No, Clare. I'm addressing the tendency for some to need to be right, and correct their brother all the time. There are some here on your channel who are not getting the message of Love and Meekness that I am trying to get across. There are some who revel in instruction, and leave people crumpled up in a ball when they are done."*

Wow. I used to do that. God, help me that I don't EVER do that again.

*"I want that to stop. I want Love to be the most absolute, number one most important dynamic in your relationships with others. Being right does nothing but downgrade you in My eyes. Being loving makes you resemble Me, and elevates those who have already suffered countless setbacks and are ready to give up. I want them to have a sense of being important. Not because they are intelligent or even brilliant, but because they are precious human beings I died for. I paid the price with My own body and blood. This elevates them to the status of royalty.*

*"All of you on this channel are being trained to love one another, and still hold to the Truth. There should never be any striving over the Truth. Rather, it should be presented respectfully and skillfully, being careful to avoid pushing any authoritarian buttons. Rather, setting it aside them carefully, and allowing them to pick it up and make it their own. Using force, or one-up-man-ship detracts from the message and only pushes them further away from Me. You become a painful person to be around, instead of a joyful Christian to be around.*

*"There is a skill level involved here. It all revolves around humility and charity. If this is not central to the core of your being, you will hinder Me in My efforts to bring souls into the Kingdom.*

*"I want to speak here now about husbands and wives. Many of you women here have a much deeper relationship with Me than your husband. But, did you know that I withhold some things from you, because they belong to your husband's domain? Yes - part of his office is to lead. And though he be far behind you in spirituality, his very office demands that I equip him to lead - whether he loves Me and knows Me...or not. But ladies, you have the tendency to look down at him. Clare can tell you the high price she almost paid for this attitude."*

Yes - it almost cost me my husband. He almost died. The Lord really took me to correction.

*"I want you to share the spiritual progress that you've made with your husband. But, do you know that the way you are doing it throws them back on themselves in condemnation, that they don't have this wisdom?"*

*Or even the time and energy to get it? How do you get around this? Knowledge is demonstrated by how you live - NOT by what you say. It's one thing to say, 'God is Love'...and quite another to demonstrate it by humble, yielding and supportive behavior.*

*"In truth: the closer you get to Me, the more instructed you are by Me, the more gentle and meek you will be with your husband. Downgrading him because he doesn't go to church on Sunday will only drive him further away from Me. He must be drawn by your love and gentle submission to all that is not sin. The nature of a man's role exposes him to forces that he must harden himself against, if he is to survive in the workplace. The nature of a woman's role is to nurture, comfort, support, and hold the home front together, so that he has a refuge to come home to. A place where he can truly unwind and be who he needs to be after a full day of the world and its abrasive character. Add to that scenario a demanding, corrective wife and you have a recipe for divorce and a man who hates God. It is the perfume of a sweet spirit that draws a man to his wife. She is his source of comfort.*

*"She looks up to him and out for him. She affirms his good traits, and is patient with his irritating ones. But, it is the fragrance of love and quiet endurance that draws a man to God through his wife. He sees that she's different. She's not like the world. There's something substantially different about her behavior and lifestyle. She's not abrasive or pushy, like those in the world. She's soothing. Reassuring. Strong. Serving and Supportive. Eventually, these traits draw a man to Me. He looks at her and wonders, 'Where does she get her strength? Her confidence? Her inner beauty?' He see something in her that he wants, and that opens the door for Me.*

*"So, all I am saying to you, Dear Ones, is that I want you to stop trying to bring souls to me through what you know and how holy you are. Rather, open the door to hearts with My Love. Then, I will be able to walk right in, and take up residence."*

*"I bless you now with the Grace to live the example of the hidden person of the heart, with the imperishable quality of a gentle and quiet spirit, which is so precious in My sight. Call to remembrance this Scripture: If I have the gift of prophecy and can fathom all mysteries and all knowledge. And if I have faith that can move mountains, but do not have Love - I am nothing.*

*"In conclusion, be tenderly affectionate to one another. In honor, prefer one another. Love one another with brotherly affection. Outdo one another in showing honor. Do nothing from selfish ambition or conceit. But in humility, count others more significant than yourselves."*

# CERN Wickedness Increases, My Warring Bride, Pride Protection

---

July 22, 2015

The Lord had a very interesting message for us tonight. A little background: when I came into prayer tonight, I was extremely distracted, because I've been getting things ready around here, cleaning things up and doing what had to be done to put things in order. And you know, once you get that thing going in your head, where you're nesting, and you're doing what you're doing...once you get going with it, you don't want to stop. It's hard to stop. And coming into

prayer, I was a little bit disordered in my mind, I just wasn't as centered...Oh, I really want with all my heart to just get this stuff over quickly, so I can stay centered on the Lord.

The Lord was very merciful - He was extremely visible, 'cause I think He knew what I was fighting against - a lot of self-condemnation for having gotten into doing these things. But, in retrospect, they have to be done. So, He's on my side. He began the message by saying,

*"Just because you can't connect, doesn't mean I can't connect with you. Yes, it has to be mutual, but part of your problem is guilt, just like everyone else's. Let's put that all of that aside now. We have work to do."*

What He was talking about was false guilt, not "guilt" guilt, but false guilt, and you know the devil's take advantage of that. Well, you know they give you these thoughts of false guilt, and they magnify them. And if you go with it, pretty soon you're running from the Lord instead of running TO the Lord. Or, you're afraid He's not going to speak to you or be with you in prayer time, because you did something bad. But, in all reality - you're being lied to. So, let's be careful with that, guys - the devil does that with EVERYONE.

*"This thing with CERN is going to be a major hindrance to My Kingdom come, My will be done. However, I am going to use it to sharpen the warring skills of My Bride as she has never, ever been sharpened before. Every time satan makes a move, I make a counter move. Every time he steps forward to hinder, I step forward to arm. Like I said, the world has never seen the likes of what My Warring Bride is going to do with the anointing I am sending."*

*"All I want from her is seriousness of intention. Not heavy fasts, but moderate intake of calories and moderate self-denial and pressing into prayer."*

Jesus, am I hindered by my medications?

*"A little. But, I need you to be stable and functional."*

But, You could do that without these pills.

*"I have My reasons, Clare. There is a certain shame associated with being dependent on medication. It*

*most certainly lowers the image of self-sufficiency that promotes pride and comparisons with others."*

And I have to admit, that's true. When I was young and strong and didn't have any physical problems at all...oohh, that pride was just running strong and really high. And He's definitely whittled me down by allowing this - the negative part of me, that is. I was feeling an emotional pain inside while we were talking, and I said, 'Lord, what's going on in my heart right now?'

*"You are grieving for what is yet to come. It is the innocent who suffer the most and that pleases wickedness more than anyone can understand. None-the-less, I will have My Triumphs. My daughter, you are so concerned with your selfishness, and yet you don't see what I see. You are devoted to Me with all your heart. I know your weaknesses and I don't count them against you because, truly, you love much. That you cannot feel that love is to your benefit that you not get puffed up. But, by your actions you have proven - more than proven to Me that you care, even deeply, for Me and all that matters to Me. With many of My Servants I have to keep things hidden from them. Feelings, devotion, manifestations of their love, fruits of their service to Me. I hide these things deliberately because they are weak in humility and I must protect them.*

*"It is when a soul begins to see what 'they' have done that trouble starts. As long as they stay ignorant and forgetful, they are safe. When they begin to take the credit and see themselves as somebody or someone, well, if things don't turn around quickly, that's the beginning of the end. Sooner or later, satan will engineer a fall for them, and because they aren't listening, very carefully, they are taken down.*

*"That's why I want to say to all My Brides, I am going to release gifts to you to overcome what satan has planned. Be very, very cautious not to attribute those to yourself - you will be infected very slowly with a demon of pride. Pay very close attention to your thoughts and feelings that you do not start to feel good about who you think you are becoming or what you think you've done. This requires a closely studied caution and an absolute obedience to Me. I will correct your course at times. I will take detours or stop things mid-stream so you won't skip right over the workings of the enemy and allow it to take root in your souls.*

*"This is what I have done and will always do with Clare, as long as she is willing. She has shared with you transparently, which has helped you to see how I work in a vessel's life. If only you would follow the way I have led her and stay transparent to yourselves and others, I could prosper you and those around you that you might grow in My anointing and gifts without them being stolen from you by the enemy.*

*"Humility, charity and transparency are your greatest weapons against the enemy's moves on you. So often, it is the gate of charity and the covering of humility that is weak and easily invaded. If you know these things and put them to practice, happy will you be. There is no temptation that has overtaken you that you cannot see that I've provided a way out. That is - unless you are operating in pride. Pride works in degrees. There is ALWAYS pride, ALWAYS. The only way to overcome it is in stages. I release grace, I watch for your response, I watch the enemy's moves, and wait to see your response. If you come to me contrite and broken, we can continue on to the next level. You may not have sinned through pride, but you feel yourself going that way. That's when I need you to nip it in the bud and come to Me deeply contrite, before that infection grows and spreads through your whole life. A little leaven raises the whole batch. As it takes root, it multiplies and spreads like wildfire not only in you but in those around you who are not paying close attention.*

I just want to clarify something here, where He said, *"If you come to me contrite and broken... I watch the enemy's moves, and wait to see your response."* You know, when pride starts to invade your space and your thinking. *"If you come to me contrite and broken, we can continue on to the next level."* Then He said, *"You may not have sinned through pride, but you feel yourself going that way. That's when I need you to nip it in the bud... before that infection grows and spreads through your whole life."* So, in other words, you may not have acted on pride, or sinned through pride, but can feel yourself moving in that direction - kind of an undercurrent of feeling good about yourself. THAT'S when He wants you to nip it in the bud, and come to Him contrite, that it's even gotten THAT far in your nature.

*"This is why I deal so painfully with Clare when this sin tries to take over. There will always be a little, but by degrees we will snuff it out. Constant vigilance is required that it not begin to spread again. As you overcome the temptation to pride I can continue to anoint, bless and increase all you put your hand to."*

You know, when He said that, about how it will spread again, I thought of cancer. They operate on you and take out the cancer, but they are constantly vigilant to make sure that it doesn't pop up in another place. Well, pride is certainly spiritual cancer of the worst kind.

*"My children, this is the way I work through My chosen vessels whom I love so very much. Those that are wicked take off with pride and go their own way. Eventually it is to their ruin. They would not pay heed to attitudes in their deepest being. They allowed the world to seep in like leavening in a bowl of flour."*

*"So, here I have laid out My plan for you. Satan is about to make his moves through CERN. Wickedness will increase, along with it your anointing to defeat every tactic of the enemy, AS LONG AS YOU ARE VIGILANT NOT TO GIVE IN TO PRIDE."*

*"If you begin to get lax, I will withhold from you My anointing. You will then seek Me with your whole heart and discover how the enemy has entered in. If you deal with it appropriately, I will return the active anointing to you and we will continue to grow together. You, from virtue to virtue, and anointing to anointing. It is because I love dearly that I tend to you this way...I would rather see you without any anointing than lose your soul to the devils."*

*"How do you know the difference between the enemy's opposition and Me withdrawing the anointing? Have I not given you tools? Do you not have what you need now to discover what's going on with you? Use the tools you have been given. I want to see breakthroughs. I want to see you with your second and third witness."*

And I want to say here, guys, that when you use the Bible or the Bible Promises, and the Lord confirms something to you - you have something to stand on. You can stand on that word, and you can get through any opposition, because it's the Word of God that you're standing on.

*"I tell you the truth, if you do not use what you've been given to the greatest extent you may very well not fulfill your calling on this Earth. There are many forces against you, lying spirits abound, and it is My desire to see you so close and tight with Me and knowing My thoughts about your situation that you not fall into any of these traps."*

*"Some of you will be equipped to move into new territory because of these second and third witnesses. Others will be lazy and because they do not have the assurance that they are in My Will, positively, they*

*will draw back and lose what could have been their missions. You will find increasing opportunities to move forward in your anointing, but you Must Stand on the Words I Give you to Hold on to Your new Ground.*

*"I am with you in this. Do not grow discouraged. But cleave to My Words."*

## The Black Panther Prowls Again

---

July 23, 2015

The Lord bless you, dear Family. Well, this is a Ben & Jerry's New York Chocolate Chip Fudge ice cream night: time for me to fess up. That black panther of mine got loose again and started dragging me under. You'll have to go to the description box for the link to the history behind that panther story...

I don't know if you listened to last night's video: "CERN, Wickedness Increases," but when I went to the Bible Promises last night before I began to receive the message, one of my readings was under the "Repentance" topic. And I thought, 'uh,oh...does that have to do with me, Lord??'

I thought it didn't have to do with me. Very funny. Isn't it always someone else who has the problem and we're just SO clean before the Lord???

Well, here's the story. I received permission to get our yard cleaned up. We have a gigantic cottonwood tree in the yard and it dumped a ton of cotton pods everywhere. The animals were dragging them in, mud was forming around them because last year's leaves were never picked up. Hey, it's either Youtubes or yard work with three days to recover. So, that's a no brainer.

Anyway, the Lord had given me permission to have two young men clean up the yard and put gravel down because the driveway and yard were turning to mud. I was just so happy, I'd been waiting for this for months. I expected the Rapture to happen sooner so I figured I'd have to leave that mess behind, which I didn't like either. It's taken several days to get the job done and I was beginning to feel my attention shift from ministry to cleaning things up.

Not good. I could feel it. Like a compulsion rising up inside of me, wanting to get everything put in order, just right, then be done and get refocused. But, these things have a life of their own! My Obsessive Compulsive streak started dragging me further and further away. Like... what about the gate that's stretched beyond usefulness, with holes in the sagging bailing wire and odd sized boards to keep animals in? I mean it has holes everywhere, won't stand up straight and is a real eye sore... so I figured I'll replace it.

I didn't check with the Lord first. For one thing, I didn't want to hear, "No" which would have been a reading like Lust or Money or worse yet, Pride. Oh, these are never, ever good to get. I'd better get down to the lumber yard and get that gate before I get a bad reading... I could feel that compulsive panther dragging me under, I just kept ignoring it and explaining it away, 'This will be the last thing.' I kept telling myself. 'Once the gate is up, I'm finished.'

Sure you are. Who are you kidding, anyway?

I didn't ask the Lord if I could, I figured this just has to be done. But inside I could feel something taking

over, a compulsion that kept finding more things for these guys to do - and believe me, there is plenty! So, I bought a nice new gate and was going to have them mount it. In the meantime, Ezekiel started getting bad readings about money, the world, your wife, lusting after a neat yard, sickness...which is all about compulsion and so on.

He just started getting these readings today, so I went off licking my wounds and the Lord confirmed it. The Black Panther was out of the bag and in control a.g.a.i.n. I repented. He was right. I should have known last night when I got Repentance in the Bible Promises and He said to me, *"Just because you can't connect, doesn't mean I can't connect with you. Yes, it has to be mutual but part of your problem is guilt, just like everyone else's. Let's put that all of that aside for now. We have work to do."*

So, in that sentence, the Lord was saying, *"yeah, you're guilty. You've got guilt. A lot of people have guilt, too. But I've got a lot of things for you to do, so let's just set that aside for now. We'll come back to it..."* Oh, boy...

I was having real problems connecting because this perfectionistic, compulsive animal had been dragging me under with getting the yard in order. One thing after another, working with the guys, catching them cutting minutes off their hours, checking on them, not getting enough sleep because they came early. It was not good.

When the Lord said that about guilt last night, I thought, 'Oh, false guilt.' Noooooooooooooo, real unadulterated guilt! Hello? Jesus to Clare....tune in please. You are guilty. You knew you were drifting...come on...fess up.

You can even catch me in my denial on that video, the opening paragraph when I say, 'Oh, it's that false guilt thing that keeps us from Jesus.' Right? No, not false guilt... real guilt. So, I'm asking you, if you're having trouble tuning in with the Lord...what's in your craw that you're covering over or hiding from???

Is there something you've known He is not happy about but you try to explain it away. Come on! Misery loves company, fess up!!!!

OK, that said, I repented - but during prayer that ugly old, broken down, bailing wire gate kept assaulting me. It was saying, "I'm too ugly, don't put me put back up! You have that other new one, it's perfect, not a mess like I am - and it will work. You don't want to put me back up - a piece of sagging garbage full of holes that I am on your nice new gravel driveway... do you? After all, the new one is so shiny and perfect."

So, between the Lord holding me and telling me how much He understood as I tried to worship tonight, and the thumbs down I got about the gate - I've been wrestling a monster tonight! The monster of self-will, materialism and perfectionism. He just wanted me to tell you ALL about it so you could be amused at my foolishness. Of course, no one else out there can relate, can you? Well even if you could, I'm not supposed to justify my foolishness with 'But Lord, I'm not the only one.'

Oh, slippery slope this Pride and Self Will thing!!!

Well, He did say your problem is the same as everyone else's...so obviously He was setting me up for today's teaching. Guys, find your 'black panther' and put him in the cage. Lock him up tight and don't let

him out again. Then, sit down with a clean conscience and tune into the Lord. Try Him in these things and see if it doesn't work.

OK, Lord I've exposed just one of many vices and weaknesses. Do you have a message tonight or is my folly the only message?

*"Well, truth be told, I think your folly does quite nicely."*

*"However I want to add to that, My Brides. Oh, I love you all so dearly. But there's an aspect of your personalities that causes you difficulties and that is holding yourselves to too high a standard. If, in your consciousness there is anything you know I am dealing with you about, you will tend to shy away from Me and not open your heart to Me all the way."*

*"Is it worth it, My Beloveds? Really, think on this. Weigh it in the balance - your vice or sin vs My perceivable presence. You see, that's what it comes down to: you have to make a choice, because something inside of you sees Me as the Righteous God and if you are holding out on Me, you will not quite open to Me all the way lest you expose that dark corner you're holding out in."*

*"Of course, there are layers of sin in your life. You can only handle so much at one time. I choose what that is going to be because I know it is time for you to deal with it so you can move on. I know you can deal with it if you are willing and the graces you need are right there if only you will acknowledge your fault and take hold of the rope of grace so I can pull you out of the pit of your vice or sin. But, whether you are willing or not, as I told Clare last night: let's put that all of that aside now. We have work to do."*

*"So, I am saying the same thing to you tonight. Put the guilt aside for a moment, come spend time with Me. We both know there's a problem you haven't been willing to work on. Staying away from Me will weaken, not strengthen you. Come to Me just as you are and we will work it out together. There is much work to do, many gifts I have for you, but this vice is in your way, psychologically. The best scenario is for you to start working on the vice or put your foot down and say 'NO, I'm done with this.'*

*"But, if you aren't ready to do that, come to Me anyway. We have work to do. In the process of the work I will shift your focus off the significance of your fault and onto the fruit that is out there to be harvested. As you grow in grace and harvesting, you will begin to feel stronger, like you really want to tackle that vice, you want it out of your life. The benefits of fellowshiping with Me WAY overwhelm the pleasure you get from the vice."*

*"But, do try to understand - the enemy is going to try and exploit your weakness. He's going to distract you away from others and onto yourself with guilt, which will severely hamper your ministry and your walk. I have so much for you to do, My Brides...in the short time left. I really would like to see you overcome some things I've been dealing with you about. We can move on into new territory as you overcome. But, if you hang onto that vice you will be a walking pin cushion for the darts of the enemy."*

*"So, think about it. Come to Me and let's get to work on it."*

*"I bless you now with courage...the courage it takes to carry your cross and be crucified on it. Just remember the resurrection. It is SO worth it."*

## Obsessive Compusiveness & Forgetfulness of Self

---

July 24, 2015

The Lord had a sweet message for us tonight, and a directive message, as well. I went to bed last night throwing a pout and being upset, because I couldn't have my shiny, new gate. I was mad! I was glad there was a teaching that came from it, but I was really struggling with my flesh and my human emotions.

I cried. Kinda pouted and fell asleep.

Anyway, tonight when I was with the Lord in worship, and I'd gotten over myself, for the most part, I remembered that, two or three days ago I was wearing a wine colored dress. And whenever I'm wearing that color, it means there's a sacrifice coming. Tonight, I didn't notice what color I was wearing. I think it might have been that same dress. But He was wearing slacks and a shirt. He danced with me and He was just...well, a few times, it was as if I was looking at us from a distance, I caught His expression and it was so vulnerable, and so tender, and so happy that I had gotten over myself and that I was there for Him. It was really something to behold - I really can't even describe it. It brings tears to my eyes just to think about it. He was just so happy to have me there, and that I so wanted to be with Him.

In the past, I don't think I handled my corrections quite as quickly - but with age comes wisdom...yes!

Tonight, He began the message with:

*"I'm just happy that you're not upset with Me anymore."*

Oh, Lord how ignorant to be upset with You. How foolish!

*"But you were."*

Yes, Lord, I was.

*"But, you know it was for your best?"*

Yes, I know I have been very foolish. Lord, I woke up with this Scripture on my mind:

I Cor 7:28 I think that in view of the present distress it is good for a person to remain as he is..... those who marry will have worldly troubles, and I would spare you that. 29 This is what I mean, brothers: the appointed time has grown very short. From now on, let those who have wives live as though they had none, 30 and those who mourn as though they were not mourning, and those who rejoice as though they were not rejoicing, and those who buy as though they had no goods, 31 and those who deal with the world as though they had no dealings with it. For the present form of this world is passing away.32 I want you to be free from anxieties.

Wow. That sums it up...

*"You know why, don't you?"*

Oh Lord, if I look at this passage and when it was written, I will get extremely depressed. ('Cause back then, first century, you know the passage of time and that time was short. It's been two thousand years since then! And I thought, ooohhhh, I don't want to think about that!)

*"So, look at it as if it were just written because I have just quickened it to you. It's not so much getting something you need, it's more about getting all tangled up in the world...Do you not know that no soldier gets entangled in civilian pursuits, since his aim is to please the one who enlisted him? 2 Tim 2. I would have you free from the cares of this world, My Little Martha. Remember how hard we have worked to see your Mary nature overtake your Martha tendencies? Do you want to throw all that hard work away?"*

Of course not, Lord.

*"Well, the devils are slippery, Clare. They tell you, 'You can do this, you can get involved...you're not drifting, as soon as you're done you can shut the door on this.' Don't you know that's a lie? They had plenty planned for you, way beyond what you can even see or imagine right now. Give an inch and they take a mile. It is so tricky, literally. You begin to feel confident and that's when you begin to slide. With your nature, when you're doing any kind of project in the world, it is like I am watching you negotiate a mine field, and at some point when you begin to get too close, I have to stop you. This is your agreement with Me. This is what you want Me to do, so I do have your permission after all."*

You know, guys - I have to say that yep, that's true. I remember times that I'd get started on a project around here, and by the third day I'd say, 'Oh, I'll be done with this by the end of the week. I'll get back to serious prayer - prayer for the larger portion of the day and study.' A week would come and go. Two weeks would come and go. Four weeks would come and go. EIGHT weeks would come and go - and I mean, I was HOOKED! I was OFF on a tangent, and you were not getting me back! And I would long for the Lord, and say 'This isn't right, I need to stop.' But I couldn't stop! I was caught in some kind of a whirlwind, a vortex of some kind, and I couldn't get out of it. Finally, after enough time elapsed, the Lord would come and rescue me. I'd collapse in tears, and say, 'This isn't what I wanted, Lord! This is not what I wanted, I'm so sorry. Thank you for rescuing me!'

So, continuing, after He talked about our agreement:

Oh Lord, couldn't You have stopped me *after* the shiny new gate was up?

*"And miss you throwing a fit? Not in this world, I love to see you sacrifice and overcome yourself for Me."*

That's mean.

*"You won't be thinking that way when you get to Heaven, you'll be thanking Me."*

Well, you're always right, so I have to take Your word for it. But still....

*"You Love Me very much, Clare. And, I love it when you prove your love by obedience."*

OK. (sigh)

He began speaking to all of us then:

*"My Precious Brides, this is what it boils down to. If you Love Me, REALLY Love Me, you will deny yourself, pick up your cross and follow Me. In short, you will obey Me, even My every, little wish. And I wish for nothing but your good and the salvation of souls. When I correct you, it is a pruning. I am cutting back the dead wood to increase the yield of grapes. As I said, it is for your good and for the good of souls for Heaven.*

*"Although at the time it isn't pleasant, still it will bring forth an abundance of sweet fruit. You prove your love for Me through your obedience and faithfulness to Me. I see what is around the next bend, you do not. I am ahead of you and fully aware of Satan's next move with you. I prepare and protect you, even though at times, it is unpleasant. What joy it brings Me to see you bend your will to Mine. There is nothing quite like it in Heaven or on Earth: a soul who has free will, free agency to do whatever they please, but they are only pleased with what pleases Me.*

*"Can you imagine how much joy that brings Me? No, you can't. You cannot see a world full of ungrateful souls running to their ruin and busy taking all around them into perdition. To see a soul that stands against the flesh and says, 'No, I choose not to do this - for my God.' Oh, it is so heartening for Me, so encouraging, so full of the splendor of holiness. This is what I need from all of you, My Brides.*

*"Just like there are layers of sin, there are layers of sacrifice. The more you lose, the more you gain. Oh, if only you could see what you gain from these insignificant sacrifices. But, can you trust Me? It is a heavy weight of Glory that descends on such a soul. His or her dreams become My dreams. Her agenda becomes My agenda. My resources become her resources and no good thing do I withhold from those called by My Name who are living the life of faithfulness to My sovereign will.*

*"It is so contrary to the world. It is Heaven among us. Oh, the splendor and the glory of a soul that will live for Me alone. How much I can do through such a one as this. When I pour My life into you, it is meant to go out to others who are hurting in this world. But, if you appropriate it for selfish means, it frustrates My plan and it's as if you buried the talent and kept it from being fruitful.*

*"When I see that you are willing to use My graces as I meant them to be used, I continue to pour more through you until you become a living fountain of the manifestation of My Love for mankind. Oh, what a storehouse of treasures are laid up for those who love Me to the exclusion of themselves! If only you could see, you would never again appropriate My grace for selfish ends. And time? Yes, time is one of My graces to you. Once spent, it can never be regained. As you become more and more accountable to Me, in your heart, you will feel the pressure of time more keenly and be very careful not to waste it on your own pleasures.*

*"Of course there are times of refreshing, like the pizza I allowed Clare to have last night. There are times when I long to see you happy and satisfied with the gifts I give you. But, for the most part, the work of bringing salvation to souls is so pressing, so important and timely, that I prefer that you manifest forgetfulness of self. To this end I give you many graces and instructions in your conscience. I long for*

*you to recognize and put them into practice. I know there are certain things you don't want to give up today, but tomorrow comes with new graces and as you fall more deeply in love with Me, those things have no more power over you. You have broken away from the man of flesh. Those who belong to Me have crucified the flesh with its passions and desires.*

*"You know, there are those in this world who are walking two feet off the ground, (figuratively speaking) completely detached from their fleshly nature. You wouldn't know them unless you studied their lives. They will always be found doing My will. The will of another they will refuse to do. They consider the time in their lives as not belonging to themselves and therefore avoid those things the carnal man values so highly.*

*"I am working with you. I am bringing you to this place. Don't be discouraged by your failures. If you handle them correctly they will only be stepping stones to the victory I have for you. Don't beat yourself when you fall. Get up, dust off the world and begin again in My grace.*

*"Beating yourself is counter-productive. Being resolute is a necessity. But, remember in all things: charity first. If your fasting ends in quarreling and strife, and in striking each other with wicked fists, that is not the fast I have in mind. Rather, 'loose the chains of injustice and untie the cords of the yoke. Set the oppressed free and break every yoke. Share your food with the hungry and provide the poor wanderer with shelter--when you see the naked, clothe them, and do not turn away from your own flesh and blood. (taken from Isaiah 58)*

*"These are the things that form a man in holiness. When done with a pure motive, and from the heart, using the life I've given as I would use it, you become My hands and My feet, taking on My appearance, and loving others as you love yourself.*

*"So, go forth, My Bride, and be a blessing to all, confident you are living in forgetfulness of self. This grace is here for you - now, appropriate it! Live it! Blessed is that servant I find doing My will when I return...you know not the hour...so live this way, hour by hour, day by day...for I am coming at an hour you do not expect, and I long to shower My rewards upon you."*

## Violate Your Comfort Zone, Welcome to Mine

---

July 25, 2015

Blessing and Wisdom be with us tonight.

Well, I'm gonna have just a short little introduction here before I get into the meat of the message. I kinda "blew it" earlier this evening. A quarter to seven this morning, I got up to make a coffee drink and I got snagged with the dishes and a couple of other things and came back two hours later.

So, I didn't really make the right choices earlier this evening, and I felt kinda guilty when I came into prayer for making the Lord wait. I mean, the Lord was so sweet - He sent my Jesus kitty over to come and lick my nose and tell me that He still loved me.

So, I said, 'I'm sorry Lord. It happened again tonight. Please help me change.'

*"A little humility goes a long way. But, don't condemn yourself. That accomplishes nothing but demoralization. You get enough of that on a daily basis from the world. And yes, this is for everybody: don't get down on yourself when you make poor choices. I am right there with you, with My arm around you, saying, 'Come on. Let's try again.' That's all it means to Me - very simply, a lesson learned now; in the future we'll make better choices together.*

*"The devils are opportunists, as I have told you before, so don't give them opportunity. Get up and keep going. Many times they have set you up anyway...just to see if you'll fall for it. After a few times, you begin to get the picture and stop falling for it.*

Really, Lord?? I'm not quite seeing that, but I appreciate the encouragement.

*"I want to give all of you an encouraging word tonight. Rome wasn't built in a day, and neither were My saints. So, don't push yourselves excessively, beyond what you can feel is My desire.*

*"All of you have made progress with what I've been giving Clare. Some of you have made spectacular progress, especially those who do not have to fight against the formation you got from people with religious spirits. When I say religious spirit, I don't mean Catholic or Liturgical churches - I mean believers with an extremely staunch, hardline and narrow viewpoint. Those who stopped learning years ago and are still defending and repeating the same litanies over doctrine, rules and ways of living and worship that were passed onto them.*

*"I have done many things out of the ordinary that have come under serious condemnation from those whose comfort zone feels violated by My Holy Spirit's new way of moving. It is so easy to defend what you've been taught and condemn what you've never personally experienced. What I want to tell you tonight is that 'You will know them by their fruits.'*

*"Going back to Heidi Baker. She was a hungry woman. She worked in a dried up and barren mission*

*field with very little fruit to show for her labors... which, by the way, were in keeping with what she had been taught growing up and at the university level. She followed the conservative way - and it led nowhere. After years of that, she was left hungry and aching, asking so many 'why' questions. She loved the people and she loved Me and she knew, just knew, there had to be something more.*

*"When you've tried everything in your sphere of knowledge and nothing brings results, you get desperate. She was desperate and willing to try something that could result in her losing her funding. She was in love with Me and with the people and was desperate to touch them deeply - to see real miracles, signs and wonders resulting in conversion. Mass conversions. So, she went out on a limb and her support sawed it off.*

Just as an aside here, the people who were supporting her were, I guess, pretty conservative. And they had said, 'If you go to the Airport (church), we're cutting your funding off.' Because that is where she went and got this new anointing. She was desperate - so she went, anyway. And that's a whole story in itself, about how she got touched. It was quite miraculous - she was "out" for several days, I think.

*"But, when she went back to the mission field with the new anointing she gained at the Airport, I struck her with the greatest move of God ever on the African continent. That's saying a lot. That's fruit. 'You will know them by their fruits.'*

*"When I incarnated, I deliberately looked foolish: born to a lowly carpenter, raised up in poverty in one of the lowliest vocations of the day. I did this deliberately, because I wanted to be recognized by My Spirit, not My wealth. I could have made a grand entrance, impressing even the rulers of the day, but I came for those who were desperate, just like Heidi. The ones that were trampled on every day by the ruthless Romans, not the ones taking their ease in palaces by oppressing the poor. And, there was only one way I could be recognized: by My fruit. Lives were changed, new traditions were instituted, the seriously ill were healed, the lame walked, the blind could see. This is what I mean by fruit.*

*"If your discernment cannot operate out of your comfort zone, you're going to have problems. In fact, Satan relies on that flaw in your understanding and will exploit it for all it's worth. For instance, if one day the news should announce that the Messiah is coming, and he makes a grand entrance - approximating the supernatural. And every eye should see him, because the news cameras will see to it - and he makes world peace after a time of destruction and promises everyone prosperity, emptying money into the pockets of the masses... all of this would fit the comfort zones of those who maintain their thinking inside the comfort zones society has provided for them. They would fall for this false messiah in a heartbeat.*

*"In the meantime, the Christians with discernment would be mercilessly persecuted, homes and children taken from them, put into jails and executed as dissenters. Those whose comfort zones had been pandered to would applaud such moves and call all Christians trouble makers. I do not wish for you, My People, to be fooled by anyone. I am warning you now: there will be a spectacular display of the supernatural to convince all that the messiah has truly come. You will not stand unless you are willing to oppose the status quo, and opposing the status quo will have serious consequences.*

*"What are you willing to relinquish in your ways of thinking? How far out of the box are you willing to take your faith? Have you in the past recognized a move of the Holy Spirit and corresponded with it? Or, have you denounced it along with the people who had no discernment.*

*"Some of you who have visited this channel are not comfortable with the way I talk to Clare. You feel something good but your upbringing in the faith totally contradicts how I speak to her. At times, you feel threatened...could it really be this easy to talk to God?"*

*"I'm asking you to examine the fruit in the lives of the people who post here. Get acquainted with the moving of My Spirit in ways that you are unaccustomed to. You need to practice this skill, whether you're taken in the Rapture or stay behind. You'll need to be able to recognize Me in My variety of movements. I love variety, I love fun, I love to be close to you. I love to show My human side to you. After all, that is one reason I incarnated on this Earth, to reveal the Love of the Father to you.*

*"Get accustomed to finding Me in ways you never expected. Go deeper in your discernment. Take the time to stretch your thinking and definitely rebuke a Religious Spirit, because that's what's behind your difficulties in discerning Me. I don't fit in the box... and neither should you. I've called you to be Mine, exclusively - not the byproduct of some religious denomination or non-denomination. I created you to be unique and an individual. Don't allow yourself to be crammed into someone's comfort zone. Grow into who you are, no matter how unconventional and out-of-the-box it may seem to you. If you feel the fire in your heart, pursue it. Don't allow the enemy to water you down with someone else's boundaries, guidelines and agenda for your life. Take the collar off your neck and break free of that Pharisee leash.*

*"I have come that you may have life, and LIFE ABUNDANTLY in the Spirit. But, it will never happen if you're living someone else's vision of who you are. You need the courage to discern for yourself. Swim against the current and cleave to My Spirit, above all else. He is the only One that should be setting your guidelines and boundaries, in a fresh and exciting way, without the musty old murmurings of a crowd that died a long time ago and gave up their dreams to protect their future.*

*"So, this message is about discernment, breaking free of a Religious Spirit, and proceeding on your way with My Holy Spirit. Into the life you should be living in the Spirit; out of the comfort zone.*

*"I bless you now, with the courage to commit to thinking as I think, doing as I would do, and tasting the fruits of the tree over the fence, OUT of your comfort zones... but right in My back yard."*

## Discerning the Sucker Punch

---

July 26, 2015

Lord I pray that you would bless Your family with a teachable spirit this day. The Lord bless you, Family. I had a rough morning, and I had a temptation that hit me - a temptation of rejection and abandonment that hit me like a moving brick wall. Just before I was going to listen for the Lord's message today. It nearly took me totally down - but I

had recourse to find out whether this temptation, this thought that I had that was so discouraging was from God or from a demon. So, I'm going to share with you what happened.

When I first came into prayer, the first thing the Lord said to me was, *"Don't let the devils take you for a ride like that! You should know when you get hit that hard that it's a sucker punch. I have many angels watching over you but you must choose who you will listen to."*

A sucker punch is a hard blow that you're not expecting, that comes out of nowhere, and has a really heavy emotional effect on you.

I was thinking, 'Oh, no, Lord - please don't make me share this too!!' And, it occurred to me that the rest of my time here on Earth before the rapture was going to be one confession of weakness after another. Oh, my gosh, please say it isn't so...

Jesus broke in, *"Why not... isn't everything a teachable moment?"*

With You, Lord? Always.

*"Well then, teach."*

I was afraid You'd say that... Lord, can't I have a private moment? Do I have to show ALL my weaknesses???

*"Do I need to answer that Clare?"*

No...(sigh)

So, this is what happened. I think all you dear ones can relate. Ever had a friend, a very best friend, someone you had really cherished and all of a sudden you weren't their friend anymore? They just weighed anchor and sailed away?

Well, I think we all have. I don't make friends, deep friends easily...as the Lord says, He entrusted Himself to no man because He knew their hearts. I found out the hard way how fickle and jealous hearts can be. Especially when your friend has a commitment to the status quo... and you, they've discovered, are a little weird. Or maybe even a LOT weird. And overnight, your friendship raised its sails and

disappeared over the horizon.

Well anyway, for the last few days I've been getting readings from the Scriptures about Judas and how He betrayed Jesus. That's never a good sign. And there was only one person I could think of that could hurt me as much as Judas hurt Jesus. And this friend, it seemed, was getting very busy... too busy to talk for days and had explained why, which I totally understood. But I still began to feel something potentially painful was going on.

Well, this morning when I was preparing to hear the message, I was overcome with a sense of strong grief, to the point where I nearly fell to my knees. I tried to reason through it, but such a strong wave of rejection came over me, it was like someone just died. I am very familiar with that feeling, and I know where it leads to - and it's never good. Here I was, getting ready to prepare a message for all of you and I got hit with a tsunami of rejection in someone I had really entrusted my heart to.

When you haven't discerned who is putting this in your head, you may very well fall for it while the other person may also be suffering their own trials. This is one way the devils separate close friends! No, it's imperative that you know the truth before that lie exhausts you with fear or grief.

Now, I at least know that I should always check in with the Lord when something like that happens. So, Ezekiel and I both went to prayer, and we asked the Lord for a rhema - an anointed word, from the Bible Promises. And when we did, Ezekiel got good readings. We both did. We got nothing but good readings about that person - not the kind of readings that I would get if they were betraying me - not those kind of readings at all, rather very good readings. But... some indications that something difficult was going on. Nothing about lying, or stabbing me in the back or anything like that.

I had reached out to that person but they weren't responding, even in the least little bit. And this wave of rejection was pounding me. My last reading in the Bible Promises was about getting into prayer. So, I dusted myself off and went straight to prayer. The very moment I sat down before the Lord with the intention of being there for Him, He said, *"You've been hit with a temptation. It's not true."* And emotionally, the grief began to lift off of me and I began to recover myself.

So, mind you: here the Lord had given me confirmations in the Bible Promises, and then spoken to me as well.

Well, about an hour later, the friend called me and shared the trial they had just been through that had nothing to do with dropping our friendship. So...here I am, Lord. Did You have something You wanted to tell us?

He began, *"This is so common, and what I want to say to you all is that the devils will use this on you if you let them. Don't go into agreement with such things as this, come to Me and discern if there is any truth to it."*

*"How do you do that? You get an outside confirmation, something you cannot choose or manipulate in any way - you need a Rhema, an anointed word....from ME."*

*"Clare was able to recover and do this message because she had My assurance that it was a lie and she was under attack. What if she took the bait and ran with it, crying, grieving, totally messed up and unable*

*to function? These attacks are far too common and My People do not know how to handle them, so they fall into depths of despair, thinking the false report was My Spirit warning them."*

Lord, I've had that happen with my spouse or children. I'd get this terrible thought, 'They were just killed in an accident.' Or, my bank account, 'You're hopelessly overdrawn - you made a BIG mistake.' Oh, here's my personal favorite: 'You have a familiar spirit, it's not Jesus.' That's my big oweeee! And, you know I've come from the store, because I got delayed at the grocery store for some reason, and Ezekiel will be worried about me, or concerned about me, and he'll tell me, 'Well, I went to the Bible Promises and the Lord told me you were fine.' So, he regained his peace.

But how many times have we been thrown off track and not been able to regain our peace because we were afraid that something bad had happened. Wow...that is a way to stop you dead in your tracks... it steals your peace, it steals your energy, it's discouraging. And, when the person comes home or things get straightened out - they feel badly because they made you feel badly. You know, it's a vicious circle! So, the answer to all of this, to keep this from happening is to get a word from the Lord: is this true, Lord? or is this a lie? Am I being attacked?

He continued, *"I call those sucker punches - you've just been knocked down and hit hard. They are immobilizing and unless you spot them before they get a foothold, they knock you out of commission until you can get to the truth of the matter.*

*"Some of you are too "mature" and "intelligent" to use the Bible as an oracle. You are the most likely to get misled or with no leading from Me at all because of your Pride. Many of you continue to ask for a word when I have taught you how to get your own word. Many of you continue to languish and say I'm not speaking to you, you never hear Me, or what am I doing wrong and so on.*

*"May I say, it's not what you are doing wrong, it's what you are NOT doing. You're not taking the initiative to seek a rhema from Me. Unless you become like a little child...you cannot enter the Kingdom of Heaven. A little child doesn't ask its parent, 'Are you sure it's ok? But isn't that fortune telling? Are you sure God will give me the right Scripture? How can God lead me to the right Scripture with my own hands when He's in Heaven and I'm down here?'" Hello? I LIVE in you.*

*"No, a little child simply picks up the book, prays like she's been told to pray and opens it. Then, wonder of wonders, God picked the reading!! She had the faith and the obedience to do a very simple thing and because of that I was able to instruct her."*

As an aside, I just want to say that, here the Lord is not asking you to put aside testing the spirits. We must ALWAYS test the spirits. But, if you've been listening to this channel consistently you've already tested the spirits. He is asking you to Trust Him and not be looking to have all the answers as to why this works. You've already discerned Jesus is speaking. Now it's time to just trust and obey.

*"So, I'm asking you to put down your university degrees and pick up a pacifier. It will do you a world of good to get closer to your childhood. I want to be your Father, your Counselor, your Prince of Peace, but you are still too worldly. The intellectuals are your father, the scholarly are your counselors and you have no peace.*

*"For those of you who will listen and act in faith, I have some wonderful guidance for you. And, for the*

*others who are still questioning Me, I'm sorry - you'll have to continue to live in the confusion of your own minds until you figure out that your way is NOT My way. When you figure that out, I will have answers for you.*

*"My children do not be stubborn. I will instruct you and teach you in the way which you should go; I will counsel you with My eye upon you. Don't be like a horse or mule, that has no understanding, that must be held in check by a bit and bridle. I am, in this moment, blessing you with a teachable spirit and Godly wisdom, if you will have it.*

*"My sheep hear My voice. Press in, I am longing to speak with you."*

## Sincerity, Prophetic Word from Jesus on Our Characters

---

July 27, 2015

This morning the Lord had a message for us about Sincerity. I looked up the word: The quality of being free from pretense, deceit, or hypocrisy, honesty, genuineness, truthfulness, integrity, trustworthiness; straightforwardness, openness.

*"One of the things I most value in a vessel of Mine is sincerity. There is a vibration that goes with truth, it is very subtle but powerful, as has been said 'Truth carries its own anointing.' When you speak the truth, that vibration penetrates deep down into the heart of a soul. It lodges there, never to leave and becomes a very part of that person.*

*"I wish for all My vessels to be without pretense and sincere, but it is costly. From childhood on you are taught to hide your weaknesses, to give the impression of being strong, perfect, without flaw. This has the effect of building walls of alienation and pretense to protect the inner man who is vulnerable, tender and soft. It is a social survival mechanism that has absolutely no relevance in My Kingdom on Earth. You are not Gods, you are human with flaws and when you hide them you affectively cut off spiritual growth in yourself and in others.*

*"When flaws are out in the open they have to be worked on. They won't be tolerated by others, in the sense that they can continue to do damage. I address them openly and ask you to do the same. Without solidarity between people, you become islands impenetrable, hidden, dark, shameful, obtuse and closed. This is the state of society now, but not in Heaven. In Heaven, all thoughts are open and visible to everyone because compassion abounds and charity rushes to comfort those who are lacking."*

But, Lord, I thought that in Heaven we didn't have any faults?

*"Oh no. In Heaven you will continue to have areas where you need to grow in depth and understanding. What you won't have is sin."*

Lord, this is difficult to comprehend because I have always heard that in Heaven we are perfect, whole, entire, lacking nothing. After I said that, I remembered the River of Life for the healing of the nations...so obviously there will be shortcomings, and healing will have to take place.

*"My Love, in Heaven all knowledge will be available to you even as you question it. But, wisdom is an acquired quality. It takes time and experience to cultivate and wisdom is greatly lacking on this Earth. Each soul is capable of infinitely more understanding and love, but these areas have to be opened up in layers, by inquiry. Inquiry happens when the soul develops a hunger for something. And, in Heaven, it always has to do with love and healing. Everything in Heaven is done from the motive of LOVE.*

What about things like mechanics, architecture, energy, etc.

*"Yes, even those things begin with the motive of improving, assisting and enriching life. These are gifts stemming from love."*

Just when He said that, I was reminded of the Scripture; Prophecy, knowledge all wisdom all shall cease but Love will never cease.

*"Love is the VALUED particle. All the other things are subservient to Love. The motive and sustenance of Heaven is Love. Nothing at all occurs in Heaven that does not have love as its source. It is also the particle scientists are trying to isolate and capture. To them I say, 'Love cannot be captured because Love is of God and God cannot be captured. You're wasting your time.' I have designed it that way because I understood from the beginning the corruption of free will in men and knew it would eventually come down to this.*

*"Back to sincerity and transparency and vulnerability. What I want you to continue to manifest on this channel is that openness, where it is safe to be real, this is unconditional love in action. When people can confess their faults openly...confess your faults one to another...there is understanding, healing and a sense of solidarity instead of isolation.*

*"You see it is this isolation that drives people to the brink of insanity. Their life loses relevance in the world at large when their faults cannot be brought out into the open and dealt with. They live a double life...the one they show to others to be accepted and the one that is really going on inside of them. When these two are reconciled to one another you become whole and healed. But, as long as they are separated, there is an element of illness and encumbrance to growth. You cannot grow and move ahead when you are constantly dragging and covering up your dark side. You have to cope with what's really going on and appear as though nothing is lacking. This double life is endlessly tiring. So, it is much easier to be who you are and take the flack for it.*

*"My aim on this channel is to bring souls to a place where it's ok to be struggling with faults and working on them without condemnation. This is where real love emerges to nourish and strengthen one another. How I love to see the kindness of souls who comfort the down trodden and weak. How I love to see this charity in action, as it is in Heaven so it is on Earth. Everyone who has ever visited Heaven knows that thoughts are totally visible to everyone. And, as you experienced, when they are difficult everyone rushes to comfort.*

Yes, I had an experience in Heaven. I was invited to a dinner with a very holy family of people I recognized from the 1800's, who led holy lives devoted 100% to God. As we were all sitting at the table, one particular person walked in, who I greatly admired the writings of. She sat at the head of the table opposite Jesus and I was sitting on His left. I became jealous. Everyone in the room stopped eating. The one I was jealous of stood to her feet and came running to embrace me, and everyone comforted me saying that they all had experienced jealousy in their earthly lives, but in Heaven those feelings will not exist.

The Lord continued, *"Yes, exactly, that's precisely what I'm talking about. Jealousy is a terribly ugly emotion and at the root of many sins. No one wants to be jealous. But, rather than condemn you for these negative feelings, they all rushed to your side to comfort you and confess their own struggles with that sin.*

*"You see, there would be no sickness on this Earth if everyone confessed their faults to one another and received healing prayer. This is how I designed life on Earth to be. But, because of ego, pride, and greed, people covered it over and led a secret life of sin.*

*"That's what I am saying to you dear ones. If you want to be raptured, you do not want to have secret lives of sin. You want to be open with one another and pray for help. As long as you are committed to changing, I will take you - whether you have totally conquered the fault or not, the commitment to change is there. But, for those of you who are nourishing a secret life of sin and looking pure on the outside, I will leave you behind to be purified.*

*"For those of you who have been struggling with entanglements in sin, the chains will suddenly break off and you will fly Home freely to Me. In the blink of an eye, you will be delivered from the sins that beset and entrapped you. Sins you have fought against for decades will suddenly evaporate into nothing. Nothing dark will be able to cling to you or hold you back. In the blink of an eye, transforming Grace will liberate you from the bondages of Earth. This will be My magnificent gift to My Bride.*

*"Now I want you to take these thoughts to heart, My Dear Ones. I am giving you a chance to repent of hidden sin in your life. Bring these things to Me, confess them openly, ask for prayer from your friends, let the light shine in those dark places. Pray for one another. Open the windows to let the Grace in and completely transform you. Then, in that moment, there will be no hindrances to your flight to Me. Truly, you will be set free.*

*"I bless you now for embracing a holy life where there are no musty corners for the demons to hide out in, no hooks for them to use against you. Your transparency and My deliverance have met. I will bring you up out of your pit, out of despair with things you have never been able to conquer. Out of shame, because you felt you were the only one; out of bondage and crutches that hampered and made it impossible to walk in freedom.*

*"I bless you this day, to be opened up to the safe haven of My Love where you will acquire all that you need to make this commitment."*

## "Receive From Me My Church" Jesus said.

---

July 28, 2015

I came into prayer today, and the Lord said, *"Steady your heart My Love."*

Well, we have a couple people that are a thorn in my side! One gentleman in particular who drives me up the wall. And, I've been wanting to block him from our site, but I just didn't feel to do that. Today, I pulled up all the remarks that he'd left and I answered, I think, three or four of them...you

know, I don't talk about the gospel.... You know how people can be, right - not going into all the details of it. It was very provoking, and I guess I got my ire up...although I'm not at all Irish...(chuckles)

I got my ire up and I answered him Scripturally, but not without a little bit of passion, I might say. When I came into prayer and the Lord started dancing with me, He was so funny! When He went to embrace me, steam came off of His body and He jumped back and said, *"Whoo, you're hot!"* And every time He went to take my hand dancing, steam would rise off of His body and He would go, *"Whoo! You're really hot, My Bride!"* I mean, like physically hot, hot under the collar, you know? He kept doing that and kept teasing me about it. And, He was so very present to me in our very special time. He was really very amused by me getting so passionate about these things, He was really amused about that.

But, after a while, (He talks about that person in this message) after a while He got quite - I could feel some deep, deep grief in His spirit. He was hurting. He was really hurting. And, I thought 'Oh my gosh, what is He hurting over now?? Did I do something? What's going on - is it the world again... what is it?'

So, that's the history behind this message, and when I come to those parts, I'll go ahead and refer back to this introduction, so you can connect the dots.

The Lord began,

*"Steady your heart, My Love."*

Oh, Lord these people make me so angry!

*"And what do you care what man thinks?"*

But, look what he's missing out on!

*"That's his choice, Clare, he has hardened his heart. Only I can repair the damage he's done to it. Only I can do it."*

Ok

*"But nice try. Keep praying for him."*

Then, he's not a troll?

*"No, he's not. Just very misgiven, very wounded, very stubborn."*

I had to look up "misgiven", because I wasn't sure just what He meant. Misgiven: (pertains to a person's mind or heart) filled with doubt, apprehension, or foreboding. And I thought, yeah - he seems really fearful about things. That was one of his criticisms of our channel, that we weren't Scriptural enough. And even though when the Lord speaks, He studs every sentence with Scriptures - it's all OVER the place! But, some people cannot see that, or they are not familiar enough with the Scriptures, so they don't pick up on it the way they should. And that was one of this gentleman's criticisms.

*"But, I will touch him, just keep praying."*

Oh, thank you Lord...for some reason my heart goes out to him.

*"I have placed him on your heart. I appreciate your prayers for him."*

Well, did you have something else you wanted to talk about today, Lord?

*"My heart is aching."*

Why, Lord?

*"You know why."*

Truly? That is the reason? That's enough to make Your heart ache?

*"Indeed it is."*

What He was talking about here is, we have a couple of people here who have needs. And I've tried to reach out to them, and give them a donation because the Lord told me to. See, normally we have just enough to cover our needs, but once in a while, the Lord sends us something extra. And, when He does that, we're on the lookout for those people that that is targeted for, and He tells us that there's gonna be a need coming up. He points it out to us. So, we set that donation aside, just for that person. There've been two people like that in the last week that I have wanted to reach out and give them a donation from the Lord, because He asked me to do it. This is my mandate, to do this. And, they would not respond to me. That was very hurtful. I thought, 'Well, what's the deal? Why aren't they responding?'

So, this is what's been troubling the Lord today. This is why He got very quiet and solemn, very quiet and obviously grieved about. He was very grieved...

He went on:

*"Men do not wish to receive goodness from My hands. They are so wrapped up in themselves they cannot open their hearts to Me. As if it were shameful to receive blessings from Me."*

*"Their unbelief and rejection wounds My heart, deeply. They can receive from man, they can receive from the government - but they cannot receive from Me.*

*"And the roles have been subverted in society. Satan has deliberately put the government in the position where the church should be. When I send you a donation and tell you what to use it for, and they reject it, they are playing into Satan's hands. They are so wrapped up in themselves, they cannot see My hand graciously extending a blessing -the blessing I meant for them from My heart. That hurts Me terribly.*

*"This is how the church is to function: The man who has two tunics is to share with him who has none; and he who has food is to do likewise. You've hurt Me, children. This is a functioning Body of Christ and I expect to see charity extended graciously to those in need and of course I expect to see you receive it with a grateful heart. Rejecting it has wounded Me."*

I wondered why I've been so grieved and upset with these two, Lord.

*"I have allowed it to expose attitudes that are not pleasing to Me and have no place in the 'church' because they violate the gospels. That should be plain to anyone. You are My hands, My feet, My side. When one lacks your hands and feet must be quick to rush to their aid. When My side -that is, My heart - aches, your heart should ache too. This is how you know you are part of the Body. Do not the hands assist the body in putting on sandals? Does not the mouth bring nourishment to the entire body? You receive from the mouth... can you not receive from My hands?"*

At this present time, your abundance is being a supply for their need, so that their abundance also may become a supply for your need, that there may be equality; II Cor. 8:14

Lord, forgive me. I just don't understand how You can be so grieved over this?

*"It is a sign of Pride, the kind of Pride that defies God and quenches the Spirit. Now do you understand?"*

How does it quench the spirit? Forgive me Lord, I know I am dense.

*"You are indeed My Love, very dense indeed. Silly Clare, My Spirit reaches out His hand to give a gift and His hand gets slapped down? As if to say, 'I don't want your gift!'"*

*"Wouldn't you be hurt if one of your children did that to you?"*

Lord, I'd be crestfallen.

*"Exactly. That's what you're feeling in your gut right now, that's the source of your grief.*

*"My children, I want you to take a lesson from this. If I give you a gift, do not presume to reject it. If I give you a gift, it is because I believe you deserve it and you need it. You have been faithful to Me and now I wish to bless you. I have seen your suffering. I have suffered with you! Don't you know that your lack hurts My Body? Don't you rush to comfort one of your children when they are hurting? How would you like to be pushed away...saying...'I don't need you. I'll be fine on my own!'"*

*"Don't you know what that does to Me? Can you understand, you are all part of one Body - MY Body and*

*I expect all of you to come to the aid of each other when there is a need. I also expect you to accept it graciously, because it is truly from the hand of God.*

*"There are so many gifts I want to give to this Body, but they must prepare their hearts to receive. They must be humble, meek, gracious and thankful. There is no room for arrogance or pride.*

*"Don't close your hearts to Me, My Brides. Open your hearts, your arms and your hands to Me as well. Allow Me to be the Spouse that provides for you when men fail to. I am also training this vessel in charity and administration. These, too, are My gifts - how can she exercise them when she is rejected?"*

*"All of you need to humble down and be gracious in giving and receiving. I want to see a continued exchange of grace here, in no matter what form it comes in, whether it be prayer or resources. I have brought all of you here together, because of your love. And to strengthen it, I expect you to move in love towards one another, both in giving and receiving. Please do not nurture the leaven of pride on this channel.*

*"Be examples of meekness and thanksgiving. And for the rest of you, I say: the government has stolen the golden treasure of giving to the poor from you. The poor are My special treasure and they suffer things you have never suffered. I designed My Church so that the abundance of one would repair the lack of another. But, Satan has stepped in with his counterfeit and taken from you the graces you could have had by your charity.*

*"In all things, I want you to resemble My Father, who sends rain on the land of the good and evil as well. Bravo for those who have found other ways to give. Good for you.*

*"But I say to the rest, the poor are your opportunity to become perfect, even as My Father in Heaven is perfect. Do not frustrate that opportunity by handing it over to the government. Many of you will disagree with Me on this, but you know very little beyond what you can see. You do not see as I see - the entire lives of the poor. So, do not ever speak against them, lest I allow you to live in their shoes.*

*"To offset this harshness, I say that I love you tenderly and I wish with all My Heart that you follow in My Footsteps and abandon the thinking of man. Love one another as I have loved you. By this, all men will know: truly, you are My disciples."*

## Tipping Point, Evil is on the Rise, Jesus speaks to His Bride

---

July 29, 2015

It's been a hectic day today, I've been all day in prayer, I've basically never left this chair. We had one of our precious Family that got a sucker punch, and misunderstanding and got hurt badly. So, I've been praying for them. Roughly, it takes about six hours from the time I begin in prayer until the time the message is posted. The editing, transcribing, bouncing the disk - all of that happens before the message goes up, so that's what causes delays sometimes.

In this message, the Lord mentions that things are ramping up in the world, and I do believe He's referring to the evil that is on the increase through CERN, through the portals of wickedness opening. And, there's a tremendous amount of interference going on, on the internet right now, and communications - in emails, and...glitches that we've never seen before. I highly recommend that you pray over your computers and download the sound of the shofar off the internet, and play that sound frequently to clear the air of anything that could get involved in blocking emails and communication. Because, many people are under attack right now in this area - not just us, but a lot of people. So, just be aware of it, and pray especially - to bind the interference on the internet.

But, here we are and the Lord has a good message for us today.

He began: *"Things are ramping up in the world. It is going to take more and more self-control to stay out of sin and the condemnation that it can bring. We are moving towards a tipping point where evil will have the upper hand. But, I still have My Saints on Earth, who through the Power of My Grace, will stand. You are among them. I am going to shore you up, and for those who have listened very carefully and put into practice the wisdom I have imparted to them - they, too, will stand."*

*"My Brides, the hour is coming, when no man knows what is about to be unleashed on mankind. I can only say that I have been preparing you for this hour here and on other channels, and your faithfulness will be your deliverance. Foolish man has made plans under the cunning auspices of the prince of darkness. He has used their vanity and desire to be singular against them; it will be their undoing. Little do they know that they have planned their own undoing. Little do they know that, in some ways, I will save them from what is planned. They have nothing but scorn and contempt for Me, yet I still love them and wish to rescue them from total demise. Some will go on to that route in spite of My Loving admonitions and protection, taking their own lives when they discover what they have done."*

*"But, it is not My wish. I was there with them when they were little boys playing in the mud, making little tunnels, moving the earth, building pretend dams. I watched them play and discover the attributes of matter. They were taken into institutions and taught the ways of power and recognition, the 'no go' zones, the 'accolades' zones, as they matured into adults. Much was stolen from them. Innocence, a sense of wonder - replaced by power hungry institutions and think tanks. Now they are hopelessly captive to a system that is beyond their reach of understanding, because they no longer acknowledge Me."*

What I think He's referring to there is, because they don't have God, because they don't understand His ways, these things that they're doing are beyond their reach of understanding.

He continued: *"And so it goes, round and round again; the Tower of Babel, reaching for control of the universe, taking the bait, hook, line and sinker from fallen angels who have manipulated them to the hilt. Had they maintained this relationship with Me, this never would have happened."*

*"My greatest concern right now is still for the unsaved as the door closes and a wicked government takes possession of the world. I am calling on all My Brides to do everything in their power to bring souls to Me. Unfortunately, the conventional approach is not working. There is what I would call massive burnout with people being railed on to repent."*

*"No, it is My Love working through My Bride that is making the difference. I am so proud of you, My Brides, for showing love when you feel the exact opposite. When you're maligned and persecuted, that's when you most resemble Me. Don't allow that to get you down. Rather, look in the mirror and see Me standing before you. You will draw strength from the recognition that you most resemble Me."*

*"New avenues of grace are being opened up for you. Take full advantage and walk right through those open doors."*

You know guys, when He said that, I thought of the podcasts that we're working on now. There's gonna be a Still Small Voice podcast that you'll be able to access through iTunes. And, there's another book coming out. We have people that have come to us, and offered to help - it's beautiful. So, these are new open doors for us. And, for all of you, I know - the Lord is just going to be opening doors for all of you.

He continued: *"Those I bring before you may very well be consumed with fear of what is coming upon the world. And, you will be an answer to prayer and a refreshing breeze, offering hope where there is none. Remember that Love trumps all other ways of touching the lost. Remember that they are jaded on religion and haven't a clue that I'm not about religion, but relationship."*

*"Your friendship in those moments will mean everything to them. So many are jaded from the world's relationships of what they can extract from you. But, if you stand in the place of giving only, you will bypass that button. You are not trying to gain notches on your 'salvation gun'. No, you are introducing them to your best friend, and the one who loves you so unconditionally, in spite of your failures."*

*"As We go out for the Harvest, remember, minute by minute, I am with you. Ask Me for wisdom. Ask Me to do it. Ask Me to soften hearts to listen to you. Being kind to the most despotic person has an inestimable effect on their hearts. It is something hard to calculate, but believe Me, it leaves an imprint. Many who are this way expect nothing but rejection, so when you show them kindness, it stops them dead in their tracks and causes them to wonder."*

And when He said that, I replied to Him, 'Oh, Lord... that's not easy for me at all.' Cause I don't like bullies, and I don't like manipulative people. I just don't like that kind of action, I just don't do well with it.

*"I know Clare, not easy but necessary. In that moment, you can count on Me for the grace. Yes, you will have to do much violence to your flesh. The clever 'come back' and 'put down' will have to be suppressed."*

*I will help you. You see, there are some who can only be won over by this kind of kindness. Nothing else will work, because they've heard and seen it all before. I know you're feeling disconnected from Me right now. But you're not. I have you right where I want you...buried in the palm of My Hand.*

*"Just remember as you walk with Me that things are not the same on the inside as they look from the outside. Many are deeply troubled with a foreboding about the times, and haven't a clue as to why. As you make it safe for them they will open up and begin to ask questions. You will be asked, 'How do you stay so calm in these troubling times? That will be your open door to share Me with them. You may not see instant results, but as things unfold, your words will be proven as accurate and valid. This will also be a witness to them that God is in control and He has foretold these things with extreme accuracy."*

And He has also promised, *"Come unto Me, you who are heavily laden, and I will give you rest for your souls."*

## Communion, Jesus teaches on Communion

---

July 30, 2015

The Lord's Blessing is Truly with us, Youtube Family.

The Lord had a teaching about communion today. Before I start to share with you about what He had to say, I would ask that we don't get into any strife or fighting or disagreement about who's got the best communion and what's valid and what's not, and 'pagan worship' and what is not...all of that is just abhorrent to the Lord. He just has a

simple message to His Bride

today, and it's about you receiving communion. It's very, very important to Him, especially as our environment grows darker and darker, you need to be strengthened more and more.

And I'd like to say that, in MY life, receiving communion every day has been a tremendous strength for me, and a pivotal point in my conversion to the Lord. Even Smith Wigglesworth - a great revivalist - received communion every day. What a great testimony!

So, this is the way He wants to manifest to us and to strengthen His Bride for the journey, and to be One with Her - physically - through communion.

The Lord said, *"I want to talk to you about Communion."*

Oh boy, that's a touchy subject...kind of a 'no go zone', isn't it? Since so many are at odds about what communion truly is.

*"Haven't I made Myself perfectly clear on this? At the very least seven times in the Scriptures?"*

*"If you believe in your heart, and confess with your lips in all sincerity, I will be present to you in a miraculous way in communion. This IS My provided way, for the times you live in."*

And when He said that, I sensed what He was saying was, *"This is not my ideal way, but this is the way I am providing for you, because the times are so evil."*

*"I have already provided the Scriptures to convince any skeptic that I am truly present in the Bread and Wine. It may look like bread and wine, but none-the-less, I have chosen to be there with you, that you might be nourished for the journey."*

Whoever eats my flesh and drinks my blood remains in me, and I in them. John 6:56

I'm going to be quoting from John chapter 56 quite a bit, because He did. But, I wanted to give you the address for the Scriptures so you could look at it yourself.

*"There is absolutely no sense in arguing about the way different faiths approach the communion table. This channel is not for that purpose. But, all Christian faiths are agreed that I have declared, 'This is My Body and My Blood.' Their particular way of approaching the communion table may be different, though.*

*"But you, My Bride, must be nourished on My Body and My Blood as well. This is our point of physical union: the bread becomes a part of you physically, and because of that, you and I become One. You are fruitful and bear spiritual children, as well as being strengthened for the journey.*

*"If you are from a liturgical church and receive communion from a priest, make sure to reinforce the words - 'truly, Jesus - this is Your Body, and truly - this is Your Blood'. In this way, any lack of intention due to the destruction of the church and the faith from the inside out will be accounted for and made up for in your confession. Yes, you will repair for any lack of faith by your deep reverence and the faith proclamation of your heart. I will honor the sincere prayer of faith.*

I think what the Lord is alluding to here is that, in this day and age there's so many different kinds of ministers and priests, who then they say, "This is Your Body and Your Blood" - they don't really mean it, they don't really believe it. And what the Lord is saying is that, YOUR confession of faith, that it truly IS His Body and Blood...that it will make up the difference for their lack of faith.

*"May I say, I ALWAYS honor the sincere prayer of faith, although I might not always answer it the way you wish. But, in matters of communion, I will.*

*"Not all of you will agree with Me. You have the right to disagree, but I would ask you to consider that these times in which you live, what seems to be the truth on the outside is sometimes lacking in internal form and this is to be considered in any church you receive communion.*

*"It is a Mystery of redemption and salvation, sanctifying you for all eternity.*

And then He quoted: John 6:53 Very truly I tell you, unless you eat the flesh of the Son of Man and drink his blood, you have no life in you.

*"I want each of you to design your own communion service using, the Last Supper as your guide. To the degree that you believe, to that degree I will be present to you.*

And, may I say also as an aside, I think that if you really believe that it is the Body and Blood of Jesus, that you ought to dispose of whatever is left over VERY respectfully. Rinse it off and put it in a plant, dissolve it in water and then pour it into a plant or somewhere where it won't be tread upon. Certainly, don't feed it (leftover bread) to the birds! Dispose of it very, very respectfully, not putting it down the drain, but, pouring it on a plant or someplace special.

*"As things become darker and darker, I want to strengthen you completely in every possible way. The reception of My Body and Blood is one of many ways, but profoundly important to Me.*

John 6:47 Very truly I tell you, the one who believes has eternal life. 48 I am the bread of life. 49 Your ancestors ate the manna in the wilderness, yet they died. 50 But here is the bread that comes down from

heaven, which anyone may eat and not die. 51 I am the living bread that came down from heaven. Whoever eats this bread will live forever. This bread is my flesh, which I will give for the life of the world.

*"For those of you who come from a tradition, continue to receive communion as you do. But, if that should ever be brought to an end through persecution, have your own private service in reverence and faith and I will be present to you in a special way.*

*"I long to be received into the heart of My Bride. I long to share this communion with you. I long that we should be One in every possible way. Do not deny Me access to your bodies through communion. Do not abstain from receiving Me because you have fallen. It is the sick that need communion the most. First, confess to Me what you have done, sincerely from the heart repenting, and then you may receive.*

*"I want you to follow the conviction of your hearts. If you receive from a priest, continue to receive, remembering to confess in faith My presence. If you receive at a non-liturgical church, continue to do so as long as your conscience bears witness - but, be sure to confess in faith My presence.*

*"There is so much the many denominations teach that is error, and because of men's egos, the Truth - for now - shall only be known in Heaven. Do not let a Religious spirit dominate your thinking on this. Do not bicker over traditions. May I say, I hate your bickering. It is filthy vomit in My eyes. Do you know it is better to be silent and maintain the bond of brotherhood and love than to dissemble and contend with one another? What was ever accomplished by that, but enmity.*

*"For your information, I will reveal truth to you in your conscience but you are not to force it upon anyone else and say 'I am of Paul, his way is better. I am of Peter, no! His way is better!' Do you see how foolish you are in the sight of the angels??? Rather pray for one another that the truth will prevail and the rest I shall do in My Own Timing.*

*"In the meantime, love one another as I have loved you."*

## A Simple Communion Service by Clare du Bois

---

July 31, 2015

The Lord's very sweet blessings are upon us.

I wanted to share with you an outline for a very simple communion service and then I'm going to do another short video that will just be the communion service. But I wanted to go through the different steps with you first. All of these prayers are taken from the Scriptures, all of them Psalms or the Gospels. I'm going to have a PDF of the full service, so you needn't worry about remembering it.

When you go to have a communion service, really the purpose is to bless the bread and the wine, and to set it aside so that you can receive from it. And you can save it aside for a week or a few days. Or you can have the blessing in a communion service every day - which is, of course, preferred.

I just want to mention to you that this is not a replacement for the Catholic Mass, the Orthodox, or Episcopal Liturgy, if that happens to be your faith. It is simply a form of communion for use at home or during a time of extreme persecution when other options are not available.

The Lord has promised that if you confess with your mouth and believe sincerely with your heart, He will indeed visit you in a very special way through a simple home-spun service. It is totally up to Him as to how He wants to manifest. But, we should honor Him by treating our communion elements with total reverence and respect. Please do not throw leftovers to the birds or in the garbage. Dissolve them with water and put them in a respectful place where they will not be trampled under foot.

There are seven very short parts to this service. And you can add or subtract anything you want to, but this is the way that I've laid it out:

**Worship** - that could be a song or a whole time of worship.

**Thanksgiving** - thanking the Lord for Who He is and what He's given us.

**Confession** - bringing our sins before Him.

**A Word From Scripture** - a word from the Scripture. And here I prefer a rhema reading, that is going to a holy book: the Scriptures or a collection of Scriptures under headings. Praying and openly randomly and allowing Holy Spirit to pick the reading for the day. And then confessing that word out loud, tucking it away in your heart and repeating it several times a day. So, that's a word from Scripture.

**The Blessing** - the blessing of the bread and wine.

**Receiving Communion**

And after receiving communion,

### **Resting in the Lord**

So, those are the seven steps that I've outlined in this communion service. As I said, you can do whatever you want, this is just a rough outline for you to follow if you like.

The first thing I like to do is

have a worship song or two before your prayers, coming into the Lord's presence with worship and thanksgiving.

And then a very simple prayer:

**"Lord, I thank and praise You for all You have done for me, all You have given and that You will never, ever forsake me. I confess I have sinned against You and my brother."**

At this point, pause and take time to go through your heart and look at the things you've failed the Lord in, and bring them before Him. After you've thought about your sins, and you've reflected on it and repented, then pray:

**Have mercy on me, O God, according to your unfailing love; forgive me and, cleanse me from my sins. Create in me a pure heart O God, and renew a steadfast spirit within me. Grant a willing spirit, to sustain me. Taken from Psalm 51.**

Then it's good to have a word to meditate on. I like to say a simple prayer:

**"Your Word is a light unto my feet, guide me in Your ways, oh Lord."**

Open randomly to a rhema reading, preferably something like the Bible Promises, because it's a collection of readings. Or your Bible. Meditate on that, repeat it out loud. For instance, and remember to confess this word all day, "Behold, I will pour out My Spirit upon You and make My Words known to You." Just take that and meditate upon it, and keep it in your heart and mind, even write it down on a card and place it someplace visible to remind you during the day of the Lord's promise to you.

After you've meditated on the Word, just make a simple declaration of the holiness of the Lord: **"Holy are You, Lord. Full of power and might. The Heaven's declare Your Glory! and As the deer pants for Living Water, so my soul longs for You, O my God."**

You have the bread and the wine set aside, and you say the blessing over them. The Lord wanted you to do your own, but this is just a simple formula to follow if you can't think of anything else:

**"On the night before You died, You had supper with Your apostles, You took bread from the table, lifted it up to the Father and gave thanks and praise. You broke the bread (break the bread) and gave it to Your apostles saying, "Take this, all of you, and eat it: This is My Body which will be given up for you." (set it aside)**

Next, take the cup and say, "**Then, You took the cup, lifted it up to the Father and gave thanks, saying: take this all of you, and drink from it: this is the cup of My Blood, the Blood of the new and everlasting covenant. It will be shed for you and for all so that sins may be forgiven. Do this in memory of Me.**" (set the cup aside)

Before you receive communion recite this prayer:

**"Lord I am not worthy that You should come under my roof, but only say the word and I will be healed."** and that's the prayer of the Centurion. After you receive the Body and Blood, just say a quick prayer: **"May your Body and Blood give me the strength to live for You until You Come for us in glory."**

Spend time with the Lord after communion. It's not the least bit uncommon to actually see and hear the Lord after you receive communion, so don't be surprised if your spiritual eyes and ears are a lot more open than normal, because that is a very consistent, consequence of receiving communion.

Then, respectfully clean the cup and plate - even little crumbs, in a bowl of water, then pour the water on a plant or a place where it will not be walked on.

If you want to save the remaining communion bread & wine that has been prayed over, so you can receive it again: remember the Lord promised He would be present to you in a very special way, so treat the wine and bread with special reverence. Put it in a special container in a respectful place so you can receive from it tomorrow without saying all the prayers again, just making a confession of sin and saying that short prayer: "Lord I am not worthy..."

And that's really it - a very simple little ceremony, very intimate and simple. That's just a bare outline, bare bones outline. You can add or subtract anything you want to. But I knew that you'd be kind of lost for some form for communion service, so that's why I just picked out Scriptures from the Bible and from the experience that we've had going to different communion services and the service at St. James that was written in the middle of the first century roughly follows this outline. It's far more formal and longer.

You might include prayers at some point in this, prayers for other people. Or you may receive it separately. It's up to you. Interceding - mentioning different prayers for people, you can fit that in here. Or you can do that separately after your little communion service.

The Lord bless you and I pray that you'll really enjoy this short little service and add your own prayers and Scriptures to it, or subtract whatever... whatever makes you feel really comfortable with it. Make it your own, as the Lord asked you to do.

In all things, I believe we should always be guided by our own conscience, that we're not under obligation to any man, but only to the Lord our God.

May the Lord always bless and guide you.
