

## Powerful Dream 600 mph Tsunami Hits San Francisco

---

March 2, 2016

The protection and blessing of our sweet Lord Jesus, Holy Spirit and God the Father is with us, Heartdwellers. He truly is!

Tonight I'm going to share an excerpt from Ezekiel's journal. I'm still working on the thumb drive and getting everything together.

First, I wanted to tell you that we're finalizing the digital copy of Tethered. In going over the tracks, I found two tracks that needed to be revised. So, when the final copy is up, which should be - I'm not sure. Probably next week. When the final digital copy is up and has been approved, the two tracks that are going to need to be downloaded again are "Swift Away", the first track on the first CD and "The Binding Prayer" on the 2nd CD of the Tethered album.

So, I re-recorded those tonight and the digital version will be approved tomorrow...and I'm really sorry, those of you who have already downloaded it! We're going to make it available to you, so don't worry. It's going to be on the website somewhere - Carol and I are going to work that out.

For now, I had a short message from Ezekiel's journal. And there was also a dream that came through, again from the same vessel that had brought forth another dream, just a few days ago, last week. Again, a very powerful dream. Very powerful. And this dream is from Pam again.

She begins:

Good morning Clare. I wanted to share a dream I had early this morning, about an hour ago. I asked the Lord if He wanted me to share it and I prayed over the Bible Promise Book and I turned to Help in Troubles, and every verse fit the dream so I felt the Lord wanted me to share it. (It's a very powerful dream, guys.)

I was sitting in a restaurant on the Embarcadero across the street from the Ferry Building in San Francisco looking at the bay bridge and within seconds an enormous wave came in and covered everything bringing every building in sight down under water. As the water came in, a voice behind me told me that the water is coming in at 600 mph. The water hit the restaurant and it pulled me under and carried me for what seemed like several miles. My thought was that my time on Earth had ended and I was now going to die. I was fearful at first. Then I let go and told the Lord that I trusted Him and then my fear left me. I then saw myself standing on Ocean Beach close to the Cliff House and the water had receded. There were dead bodies everywhere but still many people alive. They were all stunned and wandering around in a daze. Everything was a muddy mess and the land was so rearranged from the force of the water it was impossible for people to figure out where they were.

I looked across the beach and saw the Lord, the Father and Holy Spirit. The Father and Holy Spirit were

comforting the Lord, as He was in so much emotional pain. The Father was directing and helping Him and showing Him what to do. Holy Spirit was standing by, as though He was shielding the Father and Son with love, care and protection. There were several angels around that seemed to be standing in areas assigned specifically for them and each had their instructions as of what they were assigned to do. Every angel was 7 feet tall or taller. The Lord turned and saw me and He screamed very loudly at me to run as fast as I could and tell them about Him, say the sinners prayer with everyone and get as many people saved as I possibly can. He said it is time for the Rapture! He told me to scream as loud as I can and bring people to Him. I ran and ran everywhere and told as many as I could.

People were so desperate that they ran to me so they could be saved and go in the Rapture. People came running in the hundreds as they heard about Jesus. Hundreds and hundreds just kept coming to that area at the beach. The beach was covered with so many people you couldn't see any land, just people. Then I woke up. I know the Lord will arrive in the clouds in the Rapture and He won't touch the ground, people will rise up and meet Him in the air so I don't know why I saw Father, Son and Holy Spirit on the ground. I'm sure there's a reason why, and there must be a message - but I'm not sure what the message is.

Afterwards, I received a Scripture: "Give thanks to the Lord and proclaim His greatness. Let the whole world know what He has done." Psalm 105:1

Wow! What a dream! My goodness. Pamela is really being graced with dreams, guys. I totally believe that that was from the Lord.

Well, here's a short excerpt from Ezekiel's journal now.

### Come Aside with Me to a Quiet Place

And so, Jesus - here I am, Beloved.

The Lord answered, *"I know that it's been hard for you. As it has been for many others. But this truly is the calm before the storm. And so, let Me help you now. All of you. You know exactly what is coming, and that these things will all culminate in rapid fire succession - one following on the heels of the next and the next and the next.*

*"But this is not what I wanted to speak with you about today. What I want to do today is to bring you great and solid Hope. In these last weeks before My coming, I want to draw your attention back and away from all of the wars and rumors of war. These things must and will continue to expand and spread throughout the world. However, there is much to be excited about! When was the last time that you let yourself really drift away in your imagination? When was the last time that you allowed yourself to really dream?"*

Well, Lord...I guess... I really don't remember. It's been a while.

He replied, *"It seems to Me that our last really big adventure was on the ocean floor, where everything was blazing with the most beautiful colors, from the corals to the multi-faced creatures that live there."*

Yes, Lord! I remember that - it was all so wonderful!

*"And do you also remember the large conch shell that we literally walked through? Opening up into a whole other world?"*

"Wow! I remember that, You shared that with me. That was amazing. It was a child's world. Everything. There were children everywhere and it was just perfect for children!"

I do. I do remember it clearly. I also remember being a bit disappointed when that adventure ended. I wanted to see more!"

*"You will, My Precious. You will. Now, I want you to pay close attention to what I'm about to tell you. Yes, the end IS near. Not for the world, but for your time of service here. No, I will not tell you exactly when. That time and date are reserved for the Father alone.*

*"I have encouraged you for years now. That is because I want you and all of My servants to keep working. I want for you all to keep working with an eye towards the prize of your high calling in Me. As you pray, and reflect and discuss these things the refreshing wind of My spirit will stir up the gifts of Faith and Hope inside of you once again.*

*"It is hard to stay down when you are encouraged. Time and time again, I cause My Spirit to refresh you, that you might not lose Hope. That you not weaken in your Faith. The reason that I brought up using your imagination and wishful dreaming is simply that I want you to be able to look out into the future and think of all the wonderful possibilities that truly DO await you. In this way you will genuinely be living in Heavenly places.*

*"Keep your hands on My heart and seek My face. See Me always before you, for this is where your strength comes from - as well as My joy for the journey."*

## Who Will I Rapture?

---

March 4, 2016

The Lord is with us, Heartdwellers. And He's come to straighten out some confusion over who will be Raptured.

Well, as you all know, I've been working on the album and the thumb drive for days, that's why I haven't been totally here. But I have been hit with darts of guilt for days.

"You're not praying enough, you're a Martha, you've lost the Lord, He's unhappy with you. Etc. etc."

So, I wondered. And then I pulled a Rhema card that said, "These thoughts are not from Me, reject them immediately. I encourage and approve you." Well, that helped a great deal, and on top of that Ezekiel discerned that I was in God's perfect will, as well. Even though I hadn't had my usual time of really deep prayer with Him. I was really feeling the loss, really missing Him.

So, it's been a struggle, not just for me but also for Ezekiel and Carol, too. They've also gotten hit with condemnation, lies. You know, a Lying spirit.

Do you know who is responsible for keeping us going??? Those of you who are praying for us! You are the ones who will share in the rewards of this ministry. It is your prayers that are moving Heaven and Earth to keep us in the saddle and on our feet. This has been told to Me by the Lord. All I can say, guys, is thank you. I don't know what we could get done without you. We've been under a LOT of attack.

Jesus began speaking to me after worship. He said, *"Don't even think that way. As if I would leave you to yourself, simmering in condemnation after you'd put out all your efforts for Me. Not in the least. I am with you, day in and day out, hour to hour. I know how you miss Me, Clare, and I'm guarding your heart. You're almost there, My Love, you're almost finished. Don't allow yourself to be riddled with condemnation, and you know now that it is not from Me at all.*

*"The devils are so angry at you because you keep going, you don't stop and they hate you for it. You have quite a backup prayer chain, many of whom you don't even know. Nevertheless, they are praying for you night and day and those prayers add up to Victory. So, do not concern yourself with the rantings of the enemy."*

And that was an interesting word from the Lord, because I spoke to Carol later on and she confirmed that the Lord had told her the demons were very angry, because we wouldn't give up, no matter what they did. So, that was a good confirmation.

The Lord continued there. *"Let's talk about the category of those who will be saved, as though going through the fire."*

"Oh, thank You, Lord! So many are asking me questions about their unsaved relatives, based on the dream you gave Pam about the Tsunami in northern California, when You stood on the beach and called

out to her to run and tell everyone the Rapture is about to happen. Pray the sinner's prayer with everyone."

In this next sentence, by the way, He is referring to something I said to Carol, that everyone has a different capacity and longing for Jesus.

*This is what He said, "It is quite true that tea cups, thimbles and barrels will all be raptured. I am looking at the heart and each one has different capacities, each one was formed differently, each one endowed differently. That is why there will be such a wide variety taken in the Rapture.*

*"As far as Brides go, there are different levels of commitment, different levels of self-effacement and emptiness, longing and corresponding to My Grace. But the mystery of this is that I love each and everyone, all the same, in completeness. Though the thimble cannot hold what the barrel holds, nonetheless it is full and filled with My Love.*

*"There is no room for discrimination or judgment here. What If I were to tell you the thimble actually holds more than the barrel?"*

Well Lord, if You told me that I would be perplexed, but I believe the thimble is beautiful. I'm just sad that it is so small.

*"Do you think that thimble thinks any less about Me and loves Me any less?"*

Well, I don't know. I suppose since the capacity is smaller, I suppose less.

*"What about the widow's mite?"*

She gave all she had.

*"That's exactly right. There are those who have little and have given it all. There are those who have much and have portioned it out, keeping some for themselves."*

I thought about myself for a moment, and I said, "I hate to say this, but I think I must fall into that category, because there are certain things I haven't been able to give up."

He answered me and said, *"Well, you let Me be the judge of that. In fact, let Me be the judge of all. But still, the widow who gave the mite is much richer than the widow that was wealthy and gave only a portion.*

*'It is a mystery, but understand: it's not the size of the vessel but the complete abandon with which the vessel gives, that I look at. In a sense, those who are wealthy with many graces and still hold back from Me are indeed very poor in Heaven, because they held back anything.*

*"But like the little boy who gave Me his crutch as a Christmas present, that was all he had."*

Now here, guys, the Lord is referring to a story, "Amahl and the Night Visitors". That's one of my favorite stories. The three Kings stopped at his house on the way to see the Christ child. And Amahl, who

was crippled, longed to give something of value, too. All he had was the crutch that he used to help him walk. And while the three Kings had magnificent gifts to present, Amahl chose to give the most valuable thing he had and he was healed.

The Lord continues here, *"He was the richest of them all. Oh, how I love to sweep the lowly off their feet and give them EVERYTHING they ever hoped or dreamed for. I derive so much pleasure from such as these.*

*"I wanted to make it clear: it's not the size nor the importance of a vessel, but the completeness with which they gave to Me. I they give their all, I give My all. And whether they contain My All or not, doesn't matter. All that matters is that they are completely Mine. Isn't that wonderful?"*

Oh, it is, Lord! It is sublime. Like Mother Theresa said, "God likes little things best."

He continued, *"That's a guarantee. And God looks at the littleness of the heart, not the littleness of the ministry. When you are responsible for feeding so many people, I must impart to you more and more and more to keep up with the demand. But that does not mean you have become big. Rather, it means I have become big through you. And the littler the vessel, the more credit I get. This is as it should be."*

Well, Lord - my heart rejoices in this. How I hate that "bigness".

And He answered, *"Yes, yes indeed, that's better gone. But those who have a little heart and stay very little should rejoice in that, because others can see what I've done with a little nobody and have hope that I can use them as well."*

Lord, what about those that are saved at the very last minute? A lot of people are asking me this question.

*"Did I not say they would receive the same reward as those hired at the beginning of the day?"*

But I thought that applied to those who have worked for You, who were waiting in the wings for their assignments, as we were?

*"Clare, in My fathomless mercy, I cannot deny the most recent, sincere conversion the gift of being removed from this planet. If they have given their entire selves to Me with full repentance - they, too, will be taken. But it must be sincere and complete. Those who still want to walk the fence, I will not take.*

*"Now, I will tell you who should be worried: those who knew Me, knew what I called them to do, and followed their own flesh and self-will, nonetheless. Those who didn't have time or money for the poor, but rather saved up their money to lavish on their comforts and trinkets. When I warned you seven years ago, I was quite serious. You were on the edge and I needed you to abandon yourself to My total will. Once you realized the seriousness of your condition, you repented and asked Me to help you leave those foolish things behind.*

*"But some of My children have been Christians for years and are still toying with their walk. They have an inkling they are on the edge, but consider My Mercy will cover for their laxness. No, My Children. My mercy is not for those who have held Me off. It is for the lost who have never known Me and the weak that falter with every other step. For those sheep who are big and strong but still have no time for Me, they*

*will stay behind until they are perfected in charity, honesty and devotion to Me. For them, there is a choice to make.*

*"Many of them have been given very great graces but used them selfishly, even in the faith, to accumulate wealth, popularity and influence. Or instead, they have used the grace for the world to live like kings."*

What about the really wealthy teachers?

*"The ones who have put their hearts in My hands and done their very best to obey Me, they will be taken. Again, it is not wealth, riches, power that disqualifies - rather it is a lukewarm heart. A heart that has not considered what I suffered for them and how I have called them to sacrifice for Me. These are those who were like the rich young ruler and said, "But, I have many possessions!" And I say to them, you are indeed poor, because you do not possess Me.*

*"These are the ones you should all be concerned for. I've called them many times. They've had ample opportunity to deny themselves, pick up their crosses and follow Me. But they were completely taken up with popularity among men. And for that reason they will be left behind.*

*"Those who have been saved at the last moment, if they are broken by their obstinate denial and putting Me off, and My Kingship in their lives - if they are thoroughly repentant to their very core, I will take them. One of your children may be among that group. I have told you that before."*

I started to have doubts at that point, 'Was this really Jesus? Or am I getting a lying spirit here?'

And the Lord answered that, *"Clare, I am not misleading you. I know you've been preoccupied for the last week or so, but trust Me. I am speaking to you, My Love. I mean it with all My heart. I intend to pour the oil on this child when the time comes, because she has been instrumental in turning others away from Me and from you."*

Oh Lord, please do. Please, Lord, she is a beautiful soul. I pray she will make the Rapture.

He continued and said, *"This is the first time I have seen you invest faith in her...Continue to cry out to Me. Stand with Me, Clare, stand. Remember, I am merciful. Sometimes our children make foolish mistakes, because they are still children and not thinking or seeing like adults - but seeing the world like a jar full of candies, all different and alluring. They don't see their blind spots and of course the enemy keeps them blinded to the truth. There have been moments of truth in her life where she has considered those things. There is a chance for her, keep praying.*

*"But to the rest of My mature Christians I say, consider your ways. Have you really lived for Me and answered My call, or have you preferred your comforts? Do you value Me enough to die for Me, or will you continue to walk away and protect them? For you, there will come a time when you are forced off the fence. Know that this time is at the door and your eternity is at stake.*

*"Do you think that being a Christian by name will save you from Hell? Please think again. God will not be mocked. I will not be made sport of. Either you are hot or cold. The lukewarm will go through the fire and be saved only if they cleave to Me above their children, families, jobs, and even lives.*

*"Those for whom My Brides have been praying - they will be given the opportunity to be stricken to the core and repent with all their hearts and I will take them in the Rapture. Those who waste this grace, woe to you; you shall be left behind to face the fire. Not all will receive the same rewards in Heaven, not all will recline in mansions. Some of you will be fortunate to have a shack on the outskirts. Still, you will be happy, because you will know justice and accept your lot with great thankfulness.*

*"So, I hope this clarifies much for you and all My loved ones. I wish for no one to be left behind to suffer the Tribulation. But for those who are unrepentant in that moment, I visit them with grace. Living through the Tribulation and perhaps martyrdom will be your only chance for eternal blessedness in Heaven with Me.*

*"But to you I also say: never doubt My presence and My eagerness to forgive you. I am always with you, waiting for that moment when you will see the seriousness of your condition and turn to Me with your whole heart."*

Well, I want to add to this message just a little bit. Ezekiel was sitting by my side here while I was recording this, and he pulled a card from our little rhema box that has index cards with all the different Scriptures and words we've gotten. And this is what the card said. I'm so amazed!

"Yours will be the glorious lot of the good thief."

That's a beautiful promise for those who repent at the last moment. "Yours will be the glorious lot of the good thief."

So, hold on to this promise and remember it, because the Lord truly wants to show you Mercy.

## Events Before the Rapture & Thumb Drive for Left Behind

---

March 5, 2016

The blessing of Almighty God the Father, the Son and the Holy Spirit be with us all, dear Heartdwellers. This is a very important message tonight. It's bringing together many loose ends, things that have been floating around in my mind, unresolved questions I guess you could say. The Lord brought all these things together tonight and gave me some clarity. So, I'm going to share that with you.

My mind has been mulling over the details of dreams and messages from the last weeks and I've needed to get clarification from You, Lord.

He began, *"Yes I've been listening to the musings of your heart all day long, all through the night, and not missing a thing, Clare. All the conjectures, etc. How many of them came from Me, do you suppose?"*

Well, a lot I guess...

*"Maybe even all of them?"*

Well that's what I wanted to clarify. I don't want to ask for the portions of others, but I would like to see the entire fabric coming together, Lord.

He continued, *"So many sad stories, so many tragedies. It's almost too much even for your God to handle, let alone spread around to His Bride. Sweet, Clare. I don't want to talk about the details of these events... yet, and I know you want to represent Me in clarity and put to flight things that are NOT of Me and just concocted to scare people. I wish I could say their reports are way over-exaggerated, but I'm afraid I can't. In fact, they are way worse. But let Me try and prepare you for what is coming.*

*"You see, these souls on this channel, many of them, are gifted with a completely laid-down life, completely given to Me, no matter what the cost. I wanted them here, because I knew some would pay a very high price to support the gathering of souls into My bosom. You have many here who are very mature and wish only to live or die for Me, according to My will.*

*"They have lived in this world long enough to know how very worthless it is and they are ready to graduate. But in their hearts, they want to take others with them and these opportunities to die with the masses of sinners and unsaved, is their way of thanking Me for My sacrifice on the Cross.*

*"Oh, this is not understood very well on Earth, but before they were born there was indeed an agreement that someday they would give their lives for Me. This was their free will offering, Clare. I did not force this upon anyone. But I did inform them and they did consent. You see, My Bride will be united with Me in life and in death. This was not an easy decision to make, but from their perspective in Heaven it was the most wonderful thing they could do for Me.*

*"No one likes pain or suffering, but even these things seemed insignificant to them at the time. Yet, I will spare them much and as you have surmised, repentance en mass will break out immediately after these events. I had inferred that to you when I told you about one of your daughters. Now that does not negate what I said about the Great Revival, the one that will follow the Rapture.*

*"This will be My last call to repentance before the Rapture."*

Lord, please help me.

And at this point, let's just say I was listening to all these things and trying to sort them out. I didn't want to assign any answers to what He was saying, I didn't want my mind to jump in and fill in the blank. I was being really cautious and went and received communion and sat with the Lord for a moment. The MOMENT I received communion I heard:

*"Days."*

*"There will be days between the first event and the Rapture. Those who have been standing back and withstanding Me and My Lordship in their obstinate pride, will be given a chance. Some will respond. Others become even more hardened, if you can believe that. My spirit will be poured out profusely on mankind to convict them of their sins. There will no longer be any who don't know right from wrong, who don't know their left from their right hand, so to speak.*

*"I am doing this as a great act of mercy, and those who perish in these events are co-laborers in the field, giving their very lives that their brothers and sisters may follow them into eternity. That is another reason the dead in Christ will be Raptured first; they gave their all and they certainly deserve to be the very first to be resurrected."*

I was receiving all of this message with great caution, lest a familiar spirit deceive me, especially when it comes to talking about time frames. That can be a real pit to get into, and our minds can deceive us. The enemy can deceive us, too - so I was being ever so careful.

But I was beginning to really connect with the Lord and have peace that it was indeed Him. Besides, why would He mislead me? What has He to gain from that? This channel is all about the Love of God, His love for us, our love for Him shown to our brothers. If He truly wants that message to stand, I don't see how He could allow me to lead anyone astray. Nevertheless, Jesus, I trust in You. I believe You are faithful to give to us a fish and not a snake when we come to You this hungry for answers.

You see Heartdwellers - I struggle, too, with discernment. I know I am not worthy, but His Mercy is by far greater than my unworthiness and for 35 years He has been faithful in His promises to Ezekiel and I. I never conceived of a ministry this size, I never sought it. All I sought was to do His will day after day, feeding the poor, recording music to share, and backing up Ezekiel sometimes when we would play at prayer groups. And with all my heart, from day one all I ever wanted was to tell everyone about the inconceivable love Jesus has for us. And that He is the Truth and the only Way.

Yet, He had promised that He would reach the world through me, that all my suffering and hard lessons would benefit others. I would be able to tell them about His love and that I just needed not to grow weary in well doing and in the end, my obedience would bear fruit.

So, you see? He has a track record with me. I believe Him. I trust Him. And all of His words to me have come to pass. He has proven Himself faithful in all His ways. The Lord was hiding me in His quiver for this time and He was testing me to see if I would be happy to be a little nobody, nowhere, doing nothing but loving Him. And that was His preparation to bring me into this ministry. He really, really humbled me and continues to do that. He brought me to the point where I said, "All that matters is You, Jesus. All that matters is what You want."

So, I believe His words to me, because He has proven Himself.

At this point, Jesus continued, *"Oh, I see the light dawning in your eyes, dear Clare...you are receiving My words to you in faith."*

At that moment I was thinking back on something I'd noticed on someone's channel, just a remark that someone made about me.

The Lord said, *"I am sorry for the cruelty of those who hate you without reason, My love. My heart aches with yours and indeed it is a good offering for their sanctification. Rather than allowing that to poison your heart...always react in charity, 'Father forgive them, they know not what they do.'"*

I had come into prayer with an aching heart after having stumbled upon those who have lied about my relationship with Jesus and His teachings. Oh, my brothers and sisters, count the cost when you receive the graces of God; persecution, lies, calumny...they come with the territory. And you will find that the greatest pain you will ever feel is to see the Lord's graces mocked and turned away, when He in His consummate kindness has showered souls with graces and invitations to come closer. And they turn away. There's nothing, nothing I've ever experienced that's more bitter than that.

Jesus continued here, *"But I have to tell you that I have brought to you quite an assortment of seasoned warriors for truth and 'laid down lovers' (that's a Heidi Baker term) because I want the many who visit here to mature quickly through their example. They have found a home here and no amount of lying or calumny is going to pry them away and out of My Heart, or this channel - because My Sheep know My voice and jealousy will not rule over them. They have matured in understanding and are at peace with their positions in the Body. They are the ones covering you with prayers and drawing all men unto Me. Yes, they have quite an influence on this channel with their prayers and examples.*

*"And all you can do is pray for those pitiable souls that find fault with what I am teaching. Pray, pray, pray. They are indeed a sorry lot, many blinded by jealousy and others by fear. If only they knew. I called them here so they could grow and come forth out of their insecurities, out of their fears and into My arms, where I administer healing and profound peace and acceptance of how beautiful they truly are to Me. But now they will have to wait for another time, another opportunity, to embrace Me without fear."*

Oh, Jesus, I wish I could have gotten to know each and every one of those who visit our channel, and in some way encourage them. Sometimes I am very sad indeed that I can't stay on comments for hours. I really, really enjoy the people who come here.

*"I wish you could do it all, but you are limited by your illness, and time. And in fact, even that I am using - so don't worry, Clare. I love these with all My Heart and will bring them into the banqueting table of My arms, even though they do not understand it now."*

*"In any case, I wanted you to know that many of the souls who will perish in these tragedies are in fact very special believers. Very, very special and their reward in Heaven will be a portion of the harvest that will follow upon these events. In that moment, I will embrace them with ecstatic joy and warm arms and forever they will be with Me. They have nothing to fear and everything to rejoice over as their time draws near."*

I'll tell you, guys - some of you are really brave! I don't know if I could face what you guys are facing. I think the Lord would have to keep it a secret from me. Some of you have stated that you don't care if you're taken out in a tsunami or whatever. You just want to be with the Lord in Heaven, and any way it happens is fine with you. I mean, THAT is courage. And that is love. And that's just awesome.

The Lord continued here, and He said, *"But I did want to clarify that there will be an opportunity to repent between the first events and the Rapture. This will greatly increase the Harvest of souls. But it will be days, not a full-fledged revival. That will surely occur after the Rapture. Souls in the thousands will come to Me and the chasm between good and evil will be defined sharply. This is when the great persecution will start."*

But Lord, you said "as in the days of Noah, people will be marrying and given in marriage and it will come upon them suddenly" ...as if to say without warning?

He continued, *"No, in Noah's day they had plenty of warning. But they ignored the signs and laughed them to scorn, just as they do today. That pride must be broken, and these events will give them the chance Noah's generation did not have. Am I not the God of Mercy? What will come upon them suddenly is the tragedy and many will not be saved, will not have the opportunity to repent, although none of you thoroughly understands to what extent I have knocked on the doors of their hearts during their lifetimes."*

He looked into my eyes most seriously, *"Clare, I want none to perish. None. Not even one. Some will be given this last chance. Why do you think I've had you all praying for Mercy, the Divine Mercy Chaplet? Do you suppose your prayers bounce off the walls? No, your prayers have bought more time, more grace, and more mercy."*

*"Again, it is the events that will come upon the whole Earth suddenly, but those who survive will then have the opportunity to wake up and repent."*

So, these things will not just affect America?

*"No, My Love, they will be felt by the whole world. We are approaching that day as we speak - time is indeed running out. But I will have mercy on whom I will have mercy and My heart is breaking for My lost children. It demands that I give one more chance for repentance. You have put the pieces of the puzzle together well, My Love. Now it is time to tell My people: days are left to you, get your house in order."*

How will we know it is time, Lord?

*"Remember? You will reach a point of peace, deep peace. In that place you will know. It will be a supernatural peace that all will feel."*

Lord, will I get the thumb drive out?

"You will."

And the thumb drive, by the way guys, is going to be a collection of all of the really important teachings for the left behind, as well as music and the album Tethered. And as well as things for faith, like the things about Ron Wyatt and his discoveries with the Ark of the Covenant and Exodus - all the evidence that he garnered from laboratories. And a few teachings from other people that will really help.

It will be divided up into an index, into categories so that you can go to each category and look for the teaching that you need at that time - or they will be able to. They'll be able to find things, because they'll be labeled according to the subject matter.

So, I've been working on that, and it's been really hard 'cause it's huge. It's gonna be about, oh gosh, about 15 gigabytes. By the way, the contents of the thumb drive should be done by next week. We'll let you know where it's going to be on our website, and you can download it. But in order to circulate it to the world at large, we are going to be offering it on Amazon and they have set rules about pricing for distribution. It's already paid for, so - I think they cost \$10 apiece to make, but we'll be giving them away basically for maybe \$4 or \$5, depending on what Amazon requires for the distribution. But you can always download the contents yourself, off of our website.

The same for the albums. We wanted to mark the albums and the books down really low - but they have certain rules. And if we want the distribution to go world-wide, we're stuck with it. So, please forgive that. But you know that on our website, everything is a free download.

That's going to be a wonderful, wonderful extensive resource that people will be able to put on their phones or their iPads. And we chose a thumb drive because it will hold a tremendous amount of information with the least amount of energy used to pull the information up. And it can be hidden - worn around the neck or tucked away somewhere, and no-body really knows what it is until they open it.

Well, one of the things that we feel is important, that we're leaving behind for some people that we know - for the children that won't be taken, is a hand crank - an energy crank. Like you get sometimes with these crank radios and so on. They put out enough energy to power something like a cell phone or an iPad long enough for someone to be able to extract the information from it. So, that's the reason why we're doing the thumb drive. It's something they can take with them anywhere they go and always have that information, as long as they have just a little bit of electricity to charge their cell phone.

We're anticipating a nuclear winter, that's one reason why we will have a little solar power available to people. But for the most part, we're relying on crank devices to generate power to run something simple like a cell phone. That's a resource that we've almost got ready, and I really, really want to finish that.

So, I asked the Lord, "Will I get the thumb drive out?" Because not only do we have to finish it, but it needs to be formatted and distributed.

So, He answered me, *"You will. And it will be in distribution when this happens. Remember all My promises to you are true, Clare. What I have promised, I will do. I gave you My Word, I will accomplish it."*

Oh, thank you, Lord.

And by the way, guys - that's got to be at least 3 weeks. It's got to be. There's no way it's going to be done sooner than that.

So the Lord continued here, "Now take your heart to prayer and work diligently at the same time. Finish this race.

*"And to all of you, My people, I say: finish the race. Look neither to the left or the right, do not wander. Do not waste time. Be about My business when I come for you. Be praying or working, loving and serving in the capacity I have endowed you with. Make the most of your gifts in these last days. Gather as many souls as you can into My arms. Cast your net out into the deep for a catch and be prepared to labor hard to gather it in, in that hour. There will be one last opportunity. Please - be prepared for this."*

## Empty Fears (song)

---

March 7, 2016

### Empty Fears (song)

March 7, 2016

The Lord bless you for your patience with me, Heartdwellers.

I'm just going to give you a quick introduction to this song that I finished tonight. It's not perfect, but it has such an important message, I didn't want it to be left out of the thumb drive that we're going to be providing you guys with. So, I went ahead and recorded it, even though my voice is totally out of practice - for by a couple of years...

So, I wanted to share it with you, because I do feel it's important to help people stay out of despair. I wrote it at a time when I was very despairing, the Lord had a reason for it.

So, thank you for your patience and hopefully tomorrow we will have a message. The Lord bless you.

Lord, I have no courage, I'm growing weak.

My heart is faint.

Secret fears invade my soul, they say, it's just too late.

Your life is over, it's passed you by.

Summer's leaves fall beneath the autumn sky.

I've lost my joy, I've lost my hope, I've turned my heart away from You.

Restore my joy, Restore my hope, Turn my heart around to You, O God.

My child, put those empty fears far behind you now.

Come, and rest your tender cheek, beneath My watchful brow.

We'll rise again in springtime bloom.

Life comes forth, anew, from empty tombs.

For I know, yes I know, all the good I've planned for you.

Gifts of faith, gifts of hope, love and joy restored to you, My child.

So trust the plans I have, in Me our future shines.

I'll guide you through the fires, we'll stand the tests of time.

I am yours and you are Mine,

'till we pass, at last through Heaven's door.

For I know, yes I know, all the good I've planned for you.

Gifts of faith, gifts of hope, love and joy,

restored to you, My child.

Eternity My child.....(hot licks break)

## Forget Time and Get To Work

---

March 8, 2016

The Lord bless you, Heartdwellers. We have a wonderfully freeing message tonight from the Lord. I'm very excited to share it with you.

It took me aback for a moment, and I had to really consider what He was saying. But once we got to the end of the message, I thoroughly understood. So, just listen through the whole message, and don't react to any part of it, if you can avoid it, okay?

Well, as you know, we've been working very, very hard on other things - the thumb drive, which is probably going to go into production this week, and I'll let you know when it's available, and when you can download the contents from our website, as well.

So, we've kinda been working at break-neck speed, because we figured we don't have much time left. The Lord had something really interesting to say about that. So I'm going to share it with you. He's been giving me songs to do, He's actually been encouraging me to work with music, and I didn't think I'd ever get to work with music again this side of Heaven. Not to neglect you guys, but you know - in addition to that, using my time in a better way.

He's also mentioned doing a portrait of Him and I was thinking of these two things, as He was talking to me. And I thought, 'Lord, these are not overnight assignments. What's going on here?'

And I had this sense of freedom, like something in front of me, like a wall was moving towards me, and that wall was taken away. And all of a sudden, the vista was clear and I could see for miles. The sun was shining. It was just a very strange feeling - and He explains it here.

I said, "Lord, why am I feeling this way, like we have 2 more years or something? Why am I feeling this way? Just all of a sudden, I feel such a freedom!"

He answered me, "*Rest in the Peace I give you.*"

Oh, Jesus, I want to proclaim Your Love through every medium so that others truly can fall in love with You! It grieves me so that the artist won't let us use Your picture, when it speaks volumes to hungry souls. This is so hard for me. I want to do a portrait of You, one that will have it all and really grab the hearts of the people.

*"You know I can use a rock to do that."*

Yeah, and You often have. I have several rocks that have cried out - that are anointed and cry out.

He replied, "*Your point is well taken. I'm just playing with you and putting it into perspective. Anointing*

*is where it is at, and many, many images of Me are anointed."*

Yes, I know...but

*"You really like that one, don't you."*

Yes, I really do.

*"I do, too. Yet, you could do better."*

I could?

*"You could."*

Well, with the Lord's help I can do anything. But there's no time for all these things - pictures, songs, I'm beginning to get confused. These are not overnight assignments.

*"Did I not say to be busy about My business when I come? I would love to see you in the middle of a portrait of Me when I come...or preferably at the end."*

But there is not time?

*"What is time to Me? I have been shaking everyone out of their complacency so they would begin operating at a higher level. I have been squeezing the work out of people and bringing them to new levels of achievement. Now I want them to operate at those levels without an eye on the clock. Without the stress of time, but freely accomplish all their hearts desire."*

*"Some will not like this and take exception to it, but facts are facts and I haven't come yet. And you are being stirred up to produce more. I will come when I come, but you will be operating at optimum levels - that's what I am doing with My Body."*

*"My People and My Bride have been asleep in the arms of the world. I have shown you your end, you have rallied and now are in a position to accomplish much more for Me. Don't stop now, you are bringing forth copious fruit. When the events unfold, it will ratchet up some into overdrive and right off the charts of accomplishing My will."*

*"But for now I have raised you all up to a level of productivity that you have never known, and that is as it should be. You have all seriously contemplated your end, be it death or translation into Heaven, but ultimately face to Face with Me."*

Lord, I remember a holy man that said, "Ask Sister Death." before he decided on anything. In other words, will this be something you are proud of when you die?

*"Precisely. Because the enemy has sown lies about the birth of Earth and her years, people have fallen into a slumber thinking, 'Oh, tens of thousands of years from now...such and such will happen.' No, the Earth has not existed that long. A lot can happen in one day. You do not have endless generations to destroy the Earth and one another. My judgment is coming quickly, but until then, pick up your cross and*

*follow Me.*

*"Create freely without constraints of time. Serve freely, preach freely. Yes, time is short but you can make the best of what you have now as though you had more time. Time is an illusion, Clare, and it is totally in My Hands. I am not changing anything, but I have been squeezing you to reach higher and higher. I have used the coming events to do it. Now I want you to move forward without fear of time. Do what is in your heart, keep your eyes and heart on Me, and time will pass swiftly.*

*"It is not My heart or My will for you to be under the yoke of time. Rather I want you to live, serve and create freely without this eroding fear constantly nipping at your heels. What you begin, I will finish...either here on Earth or in Heaven. In other words, follow your inspirations, follow them with love and passion not looking for barking, snapping little dogs biting at your heels, and reminding you of the time that is short.*

*"Don't panic, nothing has changed. Nothing. I have not given you a date deliberately. I have not told you 'on such and such a day', I have said 'weeks.' None of that is changed. What is changed or what I want you to change is how you look at time; no more should you be intimidated by the clock. Keep your eyes on Me and on the work set before you. What you begin, I will finish. Nothing you undertake will be in vain. Nothing. For My words NEVER return to Me void."*

Lord, did I hear you right on the three days of darkness? When we discerned that together, we came up with the understanding that that event is not going to happen the way that people think it is. What I'm referring to here is, certain people believe that there are going to be 3 days of darkness, and during that time they are going to be taken up - a pre-Rapture kind of thing. And changed and given glorified bodies - and then at the end of the three days, sent back down to Earth to serve for 40 days, until the final Rapture of everyone else.

So, I was asking Him, 'cause He said that's NOT going to happen that way. That's a deception.

So, I said, "Lord, did I hear You right on the 3 days of darkness?"

He answered me, "*You did.*"

So, they are not happening and people being transformed to work here?

*"No, that is not My plan. What I have told you, Clare, is reliable."*

Lord, I can't reconcile what You are telling me with the time frames you have spoken of. This is so painful. Am I deceived?

*"No, My Love, I have not allowed you to be deceived. What I am asking of you is to forget time and get to work. How much plainer can I be? What you begin, I will finish. Clare, you have been cowed by time, I am putting an end to that. It will happen when it happens and you will be busy until then. I have promised that what you begin for Me, I will finish for you.*

*"Let Me ask you a question, Dearest: how can you lose with such a proposition?"*

I can't.

*"Exactly. I am removing the burden of time from your shoulder and giving you license to create to your heart's desire. What could be more wonderful than that??"*

Ummm...let's see. A healthy mind and body?

*"And as we speak, you are finding the energy to continue on in your work for Me. Don't you always quip, 'Where God guides, He provides?' Well, I am providing.*

*"And to you, My Brides, I say do not lose any ground. You have seen how very short your lives are. Live for Me, not for the world and you will have nothing to fear in that moment that casts your eternity.*

*'You have all been ratcheted up to higher levels of service for Me. I want you to continue this way, being alive and on the cutting edge of your days until I remove the restraint. Understand, My Loves, when this world changes it will be so radical, so catastrophic, so turned upside down that I loathe to bring it forward. It is coming, I assure you. Time is ticking, but all of you have been stressed to the maximum with time, all of you have been sitting on the edge of your seats.*

*"What I am now asking of you is sit back, continue to produce for Me at this level but without the stressors of time coming to an end, possibly tomorrow. I am calling for abandonment to the moment, abandonment to the work you are all assigned to do, and abandonment to Me. Immersing yourselves in this work without worrying about the fruit. Am I not Lord of the Harvest?"*

*"Rather work with reckless abandon in regards to time and be free little birds, be free to fly and chirp, sing and pray, all the while resting in the palm of My Hands, knowing that everything good thing you do for Me is so very pleasing.*

*"I have allowed you to work under the constraints of time to force you to a higher level, so you would come into your optimum state of cooperating with My Spirit to accomplish My will. Now I am merely asking for you to stop counting the days and looking at the clock and enjoy the work. Immerse yourself in the partnership with My Spirit and enjoy what you do together with Him.*

*"In this way Scripture, will be fulfilled. I will truly come at an hour you least expect, and because you are 100% devoted to My will at that moment, great will be your reward."*

## Be Without Guile and Repent for the World

---

March 10, 2016

The Lord is with us, precious Heartdwellers.

Well, we completed the thumb drive content and have been waiting to upload it to the company, so we're going to have it ready pretty soon. And the method for you to upload it, also, to your own thumb drives. That's going to be a couple days yet, we still have some things we need to figure out.

But it's been rough. Every one of us has been under attack, with either sickness or things going wrong. So, those are wonderful signs (chuckle) that this is a very important project that's going to touch a lot of people who are left behind.

When I came into prayer, I have to tell you - I was very frustrated! I've had a rough 4 days and...I'm just like a little kid. I really wanted some ice cream! Tiramisu is exactly what I wanted. I asked the Lord about it, 'cause I didn't want to break my fast from sweets, and I got "Lust in the Flesh" in the Bible Promises. And Ezekiel got thumbs down on it, too. And I was so angry! I was like a little five-year-old that couldn't get a cookie. It was terrible! It was just awful. And I know that the enemy has gotten in and is being allowed to make things harder for us right now, but it's the virtue of a soul that keeps the enemy on the outside - it's not little kids throwing fits, little 70-year-old kids throwing fits, nonetheless, to get their own way because they didn't get the sweets they wanted.

So, it took me a while to work that one down. And there were some other things, too, that were bugging me, and I'm going to share that with you here.

I came into prayer and the Lord was so merciful. He said, *"I know how hard this has been for you, Beloved. But there is an end in sight. I mean that, with all My heart. And haven't I promised you I would sustain you, even in the midst of these trials?"*

He was very sweet, but I have to tell you - I did repent of my attitude before I came into prayer. 'Cause I was a very bad girl.

Anyway, I said, "You have, Lord. You have promised me that. But I think I kinda dropped off the edge today, fighting off opposition."

He answered, *"Yes, unseen opposition."*

And I replied to Him, "Obstacles. I think I just ran out of patience and I got very weak. Could You PLEASE move on that man's heart, or whoever is intercepting my letters - move on their hearts to let us use that picture?"

Yep, we're back to that again, guys. My heart was really set on that, because it is so tender.

All He answered was, *"We'll see."*

And I said, "Okay. I repent for losing it with that gentleman. Would You please give me favor with him?"

He said, *"I'll try."*

Forgive me here, guys, for changing the subject very quickly.

Lord, You asked me to pray for my children. I really don't want them to be left behind, but I don't see any remedy in sight.

And the Lord said, *"The Dome."*

And I said, "Really?"

*"Yes, really. We're very close. That's why I need your prayers. Of all the prayers for your children, it is the mother's heart that are the most important, that they will not be left behind. Don't give up on praying for them. Don't give up."*

Okay, I'm really going to try, Jesus.

So, Jesus - what would You like to speak on tonight?

*"Well, there are many roads before you every day. Always choose the narrow one. Always. Sublime words do make a man holy and just: but a virtuous life makes him dear to Me."*

So, okay, I'll fill you in on this, guys. This was my "bad" again. What He's talking about here is that I wanted so badly to include that painting of the Lord in the thumb drive, to comfort those who are left behind that I tried to slip it into a small picture in a letter. But we had nothing but trouble uploading the files, so I figured that the Lord could not protect us from the enemy, because I was not being totally honest.

So, I went to the Bible Promises and I got - guess what? Honesty. Oh, I was so upset! I was so angry!!

I said, "But Lord! Christians smuggle Bibles into China! And that's not honest!!"

But He wasn't buying any of it. So I took the pictures out. Oh, I was so angry. I thought about it again and I wrote to the artist, saying, "This is a 15 gigabyte thumb drive and your picture is 74 kilobytes. It's something everyone can get on the Internet now - but no-one will be able to get as Revelation is fulfilled. And these people need hope! They need to see a loving Jesus and your image so captures that about Him. Would you PLEASE reconsider?"

So, I sent that off to him and I told him we'd paid for these thumb drives. We're not making any profit on it. We're basically giving them away.

And the Lord broke in at that point, and He said, *"Now, THAT was the right thing to do. Not to be sneaky. Did it ever occur to you that I wanted to give this very wealthy man a chance to do something for Me?"*

*Without gaining an earthly reward? Or that his soul may be in danger? And this one act of kindness might just return to him in the form of mercy, at the very hour he needs it most?"*

Yes, Lord, that did occur to me.

And after all this had happened, guys, I was thinking about Ron Wyatt - the anesthesiologist that did archeology in his spare time and was privileged with the find of the Ark of the Covenant, and Noah's Ark and the Red Sea crossing and so many other things. He's just been so highly blessed. But every time he turned around, he was offered opportunities to walk away with specimens without the government's permission - and he refused to do it. Every single thing that he took from the sites he ran by them first. Was given permission by them. And I thought a lot about that as I was straining my way through this whole situation, looking at my own behavior. And his example really had an impact on me. So, the Lord brought up the fact that I was thinking of Ron's example.

*"Well, you were right to think of Ron Wyatt. He had many, many opportunities to be dishonest, but he was a very upright man. That would cost him dearly. In the end, I rewarded him with the greatest find in Revelation of his life, and an archaeologist's dream come true. Something I reserved from man who would not be deceptive.*

*"My children, if you want to receive My greatest blessings, you must be honest. No, I am not talking about smuggling Bibles into China - that's man's law, not Mine. In that case, you are justified. But in this case, the man has a right to deny you use of his image. He may not see the consequences of his actions now, but he will later. And I even can turn that to good. I cannot bless shortcuts, Clare. But I can bless unwavering honesty. Even if at the outset it looks like a loss, I will recompense you for what is unjust. The heart of man is wicked in all his ways, until he comes to serve Me and I dwell in him. Then, it is expected of him to live righteously before God and man. He's no longer his own - He's Mine. And Mine must be totally without guile."*

Lord, when the upload got stuck and Tad said it was because of the image, I figured You were trying to get my attention. And when I went to pray against the opposition, I heard, "I cannot protect what is not honest."

So, I went to the Bible Promises and got "Honesty". And here I am again, guys - confessing my fault. I was sneaky. And I removed all the images, 'cause the end does NOT justify the means. No matter how much I wanted to do something good for those who are left behind, it's not right for me to be dishonest. So, please forgive me.

The Lord began again, *"It is because I love you that I discipline and guide you, My Brides. Let nothing of the world be found in your hearts. May you all be Israelites without guile. You are learning, all of you. I present you with many opportunities every day to exercise virtue. And as you say 'yes' to Me, you grow in holiness before God and man. In the end, no matter what it cost you at the time My blessings will overtake you because of your honesty.*

*"And now, I am again asking for your prayers for the world. So much is at the tipping point, and I need My people to repent for the sins of the world: for child trafficking, abortion, drug abuse, government exploitation, mass destruction of the planet. Your rulers do not see they are sawing off the very branch they are sitting on. They are completely blind and deceived about this planet's future and the fact that I*

*WILL intervene and turn everything around. Selfish ambition has taken a hold of the ruling class and selfish ambition will be their downfall.*

*"But I want your hands to be clean before Me. Do not soil them with the blood of judgment. Rather, beg mercy for all mankind, even the most vile. In this way, you will be like My Father in Heaven, Whose heart is moved to pity by the relentless seeking of power by those who seemingly control the world, but are merely pawns in the hands of Satan.*

*"I'm coming to take back the control from the wicked and mete out justice, enforcing peace, equality and opportunity for those who have been deprived for so very long. I WILL restore the Earth. I will heal disease. I will dispense with radiation and all the other toxins in your environment. I will turn the waters to crystal again and the young will again be born without deformities. The sick will recover and men's hearts will be moved to pity for one another, seeking only to do good to their neighbor.*

*"All shall rejoice in My righteousness. Their hope will be restored. Broken lives will again rise from the ashes, and all men shall worship Me on My holy mountain.*

*"But for now, My Blessed Ones, I need you to repent for the sins of the world. Bring them to the throne of the Father and beg Mercy. Beg Mercy, for time is so short. And I am not willing that ANY should perish.*

## My Young Paternal Heart (God the Father and Jesus His Son)

---

March 11, 2016

The sweet presence of our Lord Jesus be with you all, Heartdwellers.

Well, I have something very special to share with you tonight. Ezekiel had a vision of God the Father and a word from Him, and it's very, very tender and beautiful. So, I'm going to go ahead and read that to you.

(Ezekiel) Instantly in prayer, I saw God the Father - Abba, Daddy. And He's holding the infant Jesus in His arms. He's just exactly the same way a new, young father would hold His newborn child, once the midwife has placed this tiny, little, swaddled gift in His arms. He had such a look of wonder and sheer amazement! You can just audibly hear Him softly saying, through misty tears of joy, "Hi. I'm your Daddy."

And the tiny one instinctively moves his little head towards his Father's chest, partly drawn by such powerful Love and warmth exuding out from the Father's heart. And also, just as instinctively, he is looking for his first bit of nourishment at the breast.

Reluctantly, the radiant young Father places the child ever so gently into his mother's waiting arms. Oh, what a beautiful and tender moment the three of them share! What profound love the young couple feel in these heavenly moments for each other. Through all this time, having hoped and prayed, nurtured and cuddled, even touching and singing to the little one while he was yet in the womb. And now the months of waiting and nervous anticipation have given way to a wonderful cascade of happy tears and "I love you" spoken back and forth so deeply.

So now, back to the image of God Himself, holding His True and lovely Child for the first time in that way.

God the Father began:

*"Now, I want for you to consider a couple of things. Firstly, there was an extremely important moment that has just taken place between this new, little child and His new Paternal Father. Also, with His mother, as well. But for now, we will consider these first moments between Daddy and baby. Why?"*

*"The second thing that I truly and deeply want for you to consider is this profound Truth: each and every time I look upon YOU, do you know what the very first thing is that I see? Regardless of what you have or have not done in your life up until this point? Do you have the faintest idea of what I see when I behold you?"*

*"When I take that long, loving look - much as a young mother who has lain her precious little one down for her afternoon nap, and then the mother stops suddenly at the door and simply gazes back at her little*

*treasure, admiring and adoring those tiny, little fingers and tiny, little toes. Those delicately turned-up lips and little round cheeks. I could go on and on.*

*"My point. My profound Truth in all of this is simply to tell you that I am that young parent. Yes! Yes! I am! Just for a fleeting moment, I allow Myself to be that young, innocent, pure, inexperienced and totally awestruck young first-time Father. Oh, how I hold you so tenderly as I breathe My Spirit of Life into you for the very first time! If only you could see the days and weeks and months that I hover over you, begetting you from the womb and saying, 'This one is Mine!' Yes, even claiming you from the womb of your mother, so enraptured am I with your little soul. So, so little. So frail. So pristine, pure from the very breath of your God.*

*"How I love to see you go, as one more carrier of My very own heart and soul, with enormous, earthly and eternal potential! And how I grieve to see you go, knowing full well just exactly what does await you in this fallen and sinful world that you've been born into.*

*"Some have said that I am a hopeless romantic. Oh, no - that is so far from the real Truth of Who I AM! On the contrary, I am Absolute and complete Hopeful Love.*

*"And so, maybe you can begin by trying to look at yourself through a different set of lenses. A different set of eyes. A different heart. MY eyes. MY heart. And when the enemy of your soul comes with his lies and distortions and false accusations and talks of guilt...remember: that long, loving look. The most precious and priceless Treasure of My heart - and that is YOU.*

*"So, come. Let us reason. Though your sins be as scarlet, I will make you white as snow. I will take the stony heart from within you and replace it with a heart of soft, tender, newborn flesh. Filled to overflowing with My own pure love for you and all those you will meet."*

## How To Handle An Assignment of Division

---

March 13, 2016

The sweet presence of the Lord Jesus be with us all.

I want to begin by being honest and transparent with you, my precious Heartdwellers and share with you why there wasn't a message last night.

A few days ago, the Lord Jesus mentioned doing a painting of Him. This was on the heels of a rejection from an artist who has a painting of Him which communicates His gentleness and kindness. And that's something we all need

right now and especially will need after the Rapture. I had asked this artist if I could use his painting in the thumb drive and his answer was, "No."

Then, in the next message, the Lord told me that He would do one through me that would be even better. Well of course! If He does it, it will be perfection...if I don't get in the way, that is.

A painting for me is very involved, very time consuming and needing intense concentration. In the past, by my own fault, I have neglected my husband and family, because I was so caught up in a painting and Ezekiel has some bad memories of those events. I thought I had learned my lesson, but still we wanted to be sure it was Jesus, and not a familiar spirit trying to lure me away from God's real will. He and I were also concerned that the enemy may be trying to draw me off into a project, rather than taking care of our channel, which I will not allow to happen.

This was a problem for the last two weeks, working on the thumb drive. But since the Lord has taken the time constraints off of us, whatever we do from now on for Him, He wants us to thoroughly enjoy - and He will surprise us with the Rapture - but we will be fulfilling His will and working right up to the very last moment. And in last night's message, the Lord told me to begin a painting of Him.

Well, Ezekiel and I were working on discernment with that. The readings from our Bible Promise books were anything but conclusive, in spite of the fact that I felt it was His voice. But I must tell you, whenever I think I've made an error in discernment and perhaps heard from a familiar spirit instead of My Jesus, I am crushed and can't move one step forward until the issue is resolved. That's why you didn't get a message last night. If the word about a painting was false, then the rest of the message was false, too.

Fortunately, though, we have a discernment team and finally, after grieving all day and repenting for whatever sin had opened the door to bad discernment, I called on them. This is what I learned: that we have a very high-up demon of Division with a whole crew of underlings working against us. It doesn't matter what divides us, as long as we are divided. Sickness, differences of opinions, judgment, tiredness, obstacles, technical glitches, delays, slander and lying spirits, attempted jealousies, strife... you name it: if it can cause division, it's in that demon's service and that ugly thing has been working against this Channel day and night for weeks now.

How do you defeat a demon of division? It's not really that hard. The secret is Charity and refusing to judge, humility and being willing to defer to and hear one another's opinions, a teachable spirit, and obedience. Satan does not have a weapon against these. If everyone exercises these virtues, you create a brass wall with no openings.

So, it was discerned that the Lord wants me to do a painting of Him, and after praying and discussing, we were all on the same page together. So, that's the history behind this message. I got my Jesus back...it was Him and not a demon, and my heart was restored.

So, He began, *"Welcome back, My Love. Rest in these arms that long to hold you. Rest in them, Clare."*

*"The wicked ones are trying to steal your gift and divide your marriage; they are always below-the-belt hitters. But I am here to your rescue, to reinstate and lift you up and tell you 'Yes,' I do commission you to do a painting for Me. Which, by the way, I will execute through you. Is there anything too hard for Me? I know what you are trying to accomplish. I know your heart and it is quite in unison with Mine. That is why I will do this thing through you. If you want Me to. No one is forcing you, Clare."*

He said that, because I hadn't committed my heart to this yet. I wanted to make sure it was the Lord and not self-will. And, as I mentioned before, a painting is a very involved thing for me, very time consuming and draining.

*"Yet, if I do it though You, it will be joyous."*

Yes, I am counting on that.

*"Your job is to communicate My Love for them to others. Whether it be in a painting, in music, in teachings, makes no matter. It is the communicating that is important. This is what I anoint in you. Different seasons we use different tools. What would make you happiest right now, My Love?"*

Jesus, I really want to sing those songs You gave me. They've just been sitting there for two years and I think they would really minister restoration to the broken, after the Rapture.

*"Then do that, first. There is time for both, if you don't waste it. There is also time for you to be a good wife. Make time for everything, but work steadily."*

Lord, what do you want to talk about tonight?

*"Everyone should know, the enemy is out to divide and conquer. But I have assigned more angels to all of you, and if you are obedient, if you are humble, preferring one another before yourselves, if you are loving, he surely will not succeed. These are the traits most lacking in the world, that is why there is so much strife. That is why there is division and divorce, church splits, and all kinds of toxicity spread like a mist over the eyes of each soul."*

*"The soul who is humble and loves others more than themselves, is the soul who sees clearly. The devils may try to blind you, but because you are committed to righteousness, they do not succeed. Sooner or later there is a witness in your conscience that something is not right. When you stop to examine this, that is when you find the fingerprints of the enemy. But if you insist on your way, and dismiss the voices of*

*those sent to assist you, you will fail.*

*"In your case, the aim was to stop you from receiving messages and from listening to Me. The enemy knows how very sensitive you are to being deceived, so he whispers lies in the ears of a key person to contradict Me, he even uses lying readings to confirm that and trip you up. Then, in one fell swoop, he has taken away the assignment I gave you and instilled you with a fear of listening to Me. He is very, very clever.*

*"But you are surrounded by a faithful, praying husband and friends, so as you rely on their counsel as well, you uncover the plot to deceive you away from Me. This is why so many turn away from discernment. It is painful to consider the options. And unless those who stand with you are willing to lay down their own opinions for My sake, or better still, they have NO opinions, you cannot count on them.*

*"I have surrounded you with such friends in this time and season, Clare. I have given you an army of angels, Lieutenants and Captains to guard you and carry out My will and My wishes and stand beside you. A wise leader is careful about who he assigns positions that are close to him. He doesn't want 'yes men', nor does he want jealous men, nor does he want weak men. The best leaders are strong, because their support is strong. I have watched and waited for the day when I could bring together My chosen flock, with each of its members strong and totally in love with Me, dedicated to My will only. This is what you have, and what a blessing it is."*

Oh, thank you, Lord, they are truly beautiful people and I am honored by the great hearts these souls have for You. Even their example stirs me to reach higher. Indeed I am blessed. Thank You, Lord.

*"Well, now you have before you a joyful journey - be it ever so short.*

*"And for all of you, My Brides, I want you to enjoy this time before the Rapture, doing the things that you've always wanted to do for Me. Is there a song, a drawing, a poem, a work of charity, something that will draw all men unto Me? Are there forums you post on, with hurting people crying out for answers? Are there hurting souls to be prayed over? Yes, all around you there are voices crying out for your attention, the very least you can do is pray. Do you know that in Heaven that carries the highest reward? It is not the great things you did for Me, it's the little things done out of love for others, and especially prayer.*

*"Do you know that you will share in the rewards of souls gathered to the Kingdom from this channel because you prayed for it? Yes, the benefits and rewards go on and on and on."*

Lord, that reminds me of what a wise Christian once said, who was gifted with incredible miracles. He said that it is the hidden souls praying for preachers that are actually more responsible for the harvest than the preacher himself. He said that, "You who pray will have more glory in Heaven than the one people point to and say, 'What a great preacher!'"

*"It is a fact. It is the hidden prayer warriors that sustain a ministry and bring all kinds of rewards down upon those they pray for. Without them, Clare, you could not function. And so I am warning all of you: do not allow any gossip, jealousy, or other negativity to gain entrance in your lives, because that is what the devils want to cause division. Rather, love one another as I loved you and he will find no entrance.*

*"In parting, My final word to you is get busy with some work for Me that you truly enjoy...even prayer, worship and serving. Enjoy these last days appointed to you, let your good works declare My goodness to the world, let your joyful countenance be what they remember."*

## Why Temptations & Hope For You Who Are Lost

---

March 14, 2016

The blessing and the Hope of our Lord Jesus be with us today, Heartdwellers.

I asked the Lord, what was on His mind, what was on His heart for this day?

He said, *"You are always on My heart, everyday, all the time and the sweet partnership we have - how I rejoice in that. How I long for that with all My Brides...whether they*

*carry prayer burdens, do the dishes and prepare meals, visit the sick. The fact that they have Me always on their minds is such a comfort.*

*"You have been pushing it for so long, you've almost forgotten how to rest in Me."*

I know, Lord. I know.

*"That's what this day is all about. Rest. Much needed rest. You cannot keep pushing and pushing and pushing and expect to stay tuned into My frequency."*

He mentioned this being a day of rest, and I've had a hard time waking up today. I think I've had to take 3 naps! I must just be exhausted from all the weeks of getting things done.

*"But here we are together now and it is good. Especially if you will believe Me."*

I was having a little bit of a problem tuning in - it's been a strange day. I'm not really connecting with the Lord like I normally do. There's a little bit of a distance there. Sometimes He allows this as a suffering, and I'm aware of that. But I know it's Him. It's just not that kind of warm, cuddly feeling, you know? Kinda where He has His arm around you. It's more of a thing where He's just speaking to you and kind of preoccupied with something else.

Then I heard:

*"No weapon formed against you will prosper.*

*"It means that you will be engaged in battle, but will overcome. It does not mean you will never be tempted. The moment you are no longer tempted, is the moment your spiritual strength begins to decline. Just like one who never walks, eventually loses their muscle mass and strength in their legs, one who is never tempted becomes a spiritual weakling.*

*"Most are prone to thinking that when they are attacked or tempted it is a punishment, when it is in fact an opportunity for you to strengthen your spiritual muscle mass. As bigger and bigger trials and*

*temptations come, you grow in virtue until you are mature and complete, not lacking anything, as it is written:"*

Consider it pure joy, my brothers and sisters, whenever you face trials of many kinds, because you know that the testing of your faith produces perseverance. Let perseverance finish its work so that you may be mature and complete, not lacking anything. James 1:3-4

*The Lord continued, "I will allow the temptations, but I will never leave you on your own with them. Either I or My Spirit or your guardian angel will assist and alert you to the tactics of the enemy. Where this fails is when self-will is stronger than self-sacrifice. This is at the very root of your existence. This is the place where a man interfaces with his spirit, this is also the seat of consciousness of the body, thus there is a struggle for supremacy. One who is able to keep his body under control is one who has mastered himself. What abides in this place is the tongue, the desire nature, pleasures of all kinds: food, sex, entertainment, leisure. All these things pander to the body and this is where the struggle begins.*

*"Even at a young age, these things wrestle with children, pulling them into sinful patterns of behavior that will eventually be their downfall. That is why it is so important to train a child up in the way he should go. Without this training he will most likely go the way of the flesh.*

*"The whole heart of this message, My Love, is that I never allow temptations that I do not accompany with My graces to pass through without sin. Yet there are some who have been beaten down so badly, morally, that they are beyond weak and cannot rise to defend themselves or do what is right. These are those who are spiraling down a tunnel of desperation and with each new fall, hate themselves more and more. Such as these are the prey of Satan. He takes them under his counsel, offering them all kinds of recognition and benefits, when in fact he has entrapped them for the rest of their lives as well as eternity. Until, that is... until I come and offer them new hope.*

*"This is why there is such brutality in the world. It begins in the hopelessness of poverty and abuse and culminates in torture and murder. These are the poor I have come to rescue. For too long Satan has had them subservient in fear to himself. I want to raise them up from this dung heap to dwell with Me in Heavenly places. This is My heart for every soul on Earth."*

Let the sinner turn from his way, and the one who does not know God, turn from his thoughts. Let him turn to the Lord and He will have loving pity on him. Let him turn to our God for He will surely forgive all his sins. Isaiah 55:7

For the Lord your God is kind and loving. He will not turn His face away from you if you return to Him. 2 Chronicles 30:9

*"I am speaking now to you lost ones: you do not have to live in terror of your enemies. When you give your life to Me, I protect you. I assign angels to care for you. I meet with you everyday and instruct you...if you give Me that time. I watch over you in all your ways and plan surprises for you, good surprises, callings and giftings you never knew you had. Things that will be a source of unending fulfillment and joy. Things the enemy kept you from by throwing you into despair and a violent lifestyle.*

*"This lifestyle, while it gives you a very fleeting impression of importance, is empty and without eternal rewards. It begets more violence, sickness, bitterness and death. It can never satisfy your need for Love,*

*the genuine article.*

*"Yes, I know all about you and I still love you, I still want you in Heaven with Me. Yes, I know how cruel and dark your life has been, but I am promising you a home in Me. Yes - living with Me, where every new day is full of opportunities, every month full of growth, every year yields greater and greater happiness.*

*"Yet, you must turn from the wicked ways you have followed all your life, turn your back on them, come to Me and give Me your life. I will take you by the hand and lead you to victory. You will overcome what always overcame you before. You will be filled with meaning and purpose, where in the past you had only disappointment, incarceration, oppression, and darkness to embrace you day after day.*

*"Yes, I have come to rescue you, My child. I have come to break the yoke of bondage you've been living under. I have come to heal the wounds without number your heart is stricken with. I know what it is like to be despised and hated. I know what it feels like to be beaten almost to death. I know what it feels like to be kicked in the face by those you meant only good for. I have lived through all those extremes of life and conquered them with Love. And I will empower you to conquer and be empowered by Love.*

*"I will remove the bitterness and condemnation of the past and run to place a coat upon your back and a ring upon your finger. I have come to give back to you the very life that was stolen from you when you were born. Yes, I will restore you to someone you never knew you could be. Yes, I will set you free! Yes, I will protect you and bring you to Heaven with Me.*

*"All you need to do is turn to My loving arms and say 'Yes, Lord. Today I give You my life, such as it is; today I surrender my soul to You. Forgive me for the wicked life I have led, forgive me for what I have done to others and help me forgive what they have done to me. Come into my heart, Jesus, take over this mess I call my life. I surrender it to you.'*

*"Say this, My child, from the heart and I will embrace you and bring you into a glorious new future. Yes, I make this promise to you: give Me your life and I will give you My hope. The scales of blindness, the knives of bitterness still in your heart, I will remove. I will heal these wounds and set you on high above your enemies. You will conquer and overcome the devils of the past and their terror will terrify no more.*

*"Come, place your hand in Mine. Come, you are Mine now. Let us together walk out of this prison of the past and into the glorious light of a new day. Come."*

## Seeking a Word From Others vs. Conversing With Me

---

March 15, 2016

Lord Jesus, lead us and guide us through Your sweet presence.

The Lord bless you, Heartdwellers.

Well, the last day has been kind of a struggle in many ways. Do you even get yourself in the position where a well-meaning Christian has some advice for you, and you take it a little bit too much to heart? Without going to the Lord? Well, that's kind of what I was dealing with.

And when I came into prayer, I've kinda been feeling a stalemate. And when I came into prayer, the Lord began speaking to me immediately, "Have I ever put anyone between us?"

And I said, "My husband, Ezekiel."

And the Lord replied, *"He is your covering. Caution, discernment, teachable spirit. But in all things, My Love, come to Me. I am your last word. It is not healthy for souls to insert themselves between you and I. This encourages a dependency that is unhealthy, as well as opportunities for pride and has the potential of becoming manipulative."*

"Thank You, Lord - I needed to hear that from You - thank You."

And after the Lord said that, I realized I'd been hamstrung, because I'd been listening to a voice other than Holy Spirit. And not that people don't have wisdom - I think we should all be teachable and listen to what someone has to say. But in the last analysis, we need to go to the Lord and be sure that that's a timely word for us. And that it is from Him. And even at that sometimes, the way things are said can cause a burden on us that doesn't necessarily have to be there.

I have to point the finger at myself on that one, as my sweet prayer warriors - many of them - were coming down with the flu and all these different things. I have all these remedies I've been taking for years that keep me out of that kind of thing. I wrote them a letter and I said, "Okay, guys. If you want to be sick, just ignore this advice from a little old lady." I made a list of all the things that really work, you know - that I've found that really work.

I didn't get an answer back from any of them... I think I was a little bit too brash. But I was hurting for them, 'cause I hate to see anyone sick.

So, we got through that and the Lord advised me in what He had in mind for me and I let it go.

"What in the world is the matter with me today? Is it oppression, fatigue? This day has been so weird."

And it was. It was just like I went from one thing to the next, not connecting with anything. Not feeling well, but not feeling bad enough to go back to bed. Just kind of stumbling and bumbling through the day. I really felt like I wasted it.

And He answered me and said, *"Buffeting, you've been buffeted. Not an easy thing to withstand and continue on for Me. I am strengthening you, Clare. I am giving you more opportunities to show your love for Me. Tomorrow will be a better day."*

Thank You, Lord, I do need a better day. What would you like to speak to us about tonight?

*"You don't have long to wait. I am accelerating the process as we speak, I am bringing to completion those things I was waiting for. As you press into what I have given you, time will fly by."*

Lord, this apathy is like pea soup.

*"No matter, keep on walking. Part of your problem is an upset schedule and a sense of suspension."*

And guys, by that I think He means, what happens to me every time I complete an intense project, before I begin the next project there's that lull in between where I just feel a little bit disoriented.

He said, *"You'll have to fight your way through this, Clare. Your efforts will bring results but the lack of ease with which things happen is a challenge to your perseverance. I know how you feel and I know the remedy. Press into Me, My Love. Press in. Don't allow the enemy's smoke screens to trouble you, just keep on walking, calling for My help. 'Lord, help me get a handle on this and keep moving.' Ignore that opposition and keep on walking. There is an end in sight."*

And then I asked Him, "Would You like me to do the painting or the song first?"

*"The song would be lovely. I really poured My heart out to you in that song, I would love to see it finished. Would you please do that for Me? There now, does that help your motivation?"*

I smiled, "It does indeed."

He continued, *"Lack of belief in Me, lack of faith in My nearness is one of the most painful things for Me. (that's what the song is about) Can you imagine it? Your daughter is going through a really rough trial and you are there with her, coaxing her, making suggestions, comforting her and she feels something but writes it off and says, 'I wish Mom were here to help me through this.' And you are right beside her all the time. How frustrating can that be?"*

Wow, I see what You mean. I think it would drive me nuts! I can just see myself pacing back and forth shouting at her, "But I AM here! Don't you see me? Don't you hear me? What's the matter with you?"

*"Yes, exactly. Except I know what's the matter with you...unbelief. So now, this song addresses the tendency for souls to write off that gentle voice to their imaginations instead of to Me."*

I want to break away for a moment here and tell you all, I don't hear the Lord from a megaphone. There's a bit of a misconception there. In fact, it's not that I hear Him at all like someone talking through a

telephone, or someone talking in the room. Rather it begins with a very gentle, quiet thought and as I latch onto it and keep tuning my receiver in to it, the words become clearer. The words begin to flow together with more ease and it becomes a stream of consciousness that somehow I interpret as His voice.

I at first feel this gentle thought, then as I type it down, it begins to flow into a paragraph, becoming clearer all the while until it is actually a soft voice. But I must reach out and capture it. By then, He and I are talking.

So, if you had some impression that I hear a clear voice, let me assure you that I don't most of the time. I have to reach out with my scanner to connect to His thoughts which are almost always very gentle, kindly and faint, until I still my mind and focus only on them. At which point we are conversing. So, don't grow discouraged if that's all you hear at first, that is quite normal. You might want to begin writing. I have found that is the easiest way to slip into a conversation with Him.

*He continued, "Yes, I speak to many of you in just the same way, a still small voice. One of the reasons I do not allow this vessel to come to Me for a word for others is that I am speaking to you and you must learn to tune in to that and receive directly from Me. If you are always coming to her for a word, you are not growing in your relationship with Me. Her ministry is to get YOU connected with Me. Not to take Holy Spirit's place and get a word for you. I have given you all the tools to do this, by the way, they are in the teachings for the last two years. If you follow these, you will not need to ask anyone for a word.*

*"Many seek to know without the labor of listening and discerning. Be aware, My children, this is not healthy. Much better for you to suffer through this stage of trial and error to learn to hear My voice clearly and follow the teachings I give her for you as an addition to your skill. There is so much I want to share with each one of you, so much that is unique to you, so much that you need to hear personally from Me. It is well worth the effort. Press in.*

*"In any case, this song is about My struggles with My children to convince them of My Love, My trustworthiness, and that I am indeed with them 24/7 speaking and whispering many, many things into their hearts which they pass off as vain imaginings. Some of you are walking around blindly, not knowing what I want you to do. Return to prayer, write your concerns then write the words you hear coming to you as the answer.*

*"My voice is always gentle, never harsh, never condemnatory, never judging others - although I will tell you when you have been wounded that something is out of order on the other side of that communication. But I expect you to pray for them, not single them out to be critical, for in the very next moment that could be you making the same mistakes with another soul. So you see there is no room for pride.*

*"Even and especially when I have to correct you, I am very tender because I know your frame. If I ever have to address the faults of others, I am extremely careful to balance that with yours so that you do not become proud. So you see, you have nothing to fear in listening to Me, and everything to gain. To grow in this area you must be willing to take risks, you must be willing to make mistakes and look foolish. Just like typing, there is a learning curve, but once you master it, you have a lifelong skill that will serve your needs admirably.*

*"When you enter into worship with Me, you draw close to My heart, My voice, My thoughts. That is the ideal time to start the process of fine tuning. You ARE in My presence, you need only to capture the gentle*

*thoughts that bubble up from inside of you like living waters. Capture and put them into words, and we will begin to converse back and forth.*

*"You will also notice that I most often begin speaking with you when you are hurting and need comfort. Yes, I hold you to My Heart and whisper comforting words in your ears. Never condemning words against the one who hurt you, never. Rather comforting words that encourage you to forgive and see how you in the past have done the very same things. Not to condemn you but to keep you balanced in the real world, the world as I see it, and the world as you will one day see it when you stand before Me.*

*"So, take heart, My Dear Ones. I'm ready always to speak with you. I'm ready always to comfort you. Develop this skill and we will have deep and rewarding conversations together."*

## Under His Pinions (psalm 68:13)

---

March 16, 2016

(by Clare du Bois)

When I ventured through the dark wood  
I lost my way among the thorns  
Deafness whispered, "Follow me..  
Surely there's fruit with these thorns."  
And so the darkness enfolded me  
Quenching flames that had dimmed.  
'Till you quickened my darkened soul  
Stirring faint embers within

(Chorus)

Born on wings sheathed in silver  
In feathers of shining gold.  
Under Your pinions I'm lifted  
Tenderly carried Home.  
Morning comes the dark wood beckons  
Restless heart, so frail my soul.  
Draw me close in Your loving kindness  
'Till our hearts beat as One.  
As we soar aloft the heights  
Snowcapped mist beneath our feet.  
Chiseled crags greeting the sunlight  
I rest in the cleft of Your Love.

Chorus

Cries echo forth from the valley  
Travelers lost among the thorns.  
Broken dreams, gone are the pieces  
Like seeds scattered after the storm.  
You descend with tranquility  
Restoring the hope of the dawn.  
You forgive all our offenses

Gently urging us on

Chorus

Born on wings sheathed in silver  
In feathers of shining gold.

Under Your pinions I'm lifted

Tenderly carried Home.

# Circle Me, Oh God

---

March 17, 2016

Circle me, O God  
Let Your arms enfold me.  
Circle me, O God  
Let Your love surround.  
Circle me, O God  
Let Your light shine brightly.  
Circle me,  
Circle me, O Lord.  
Circle me, O God  
When I'm weak and weary.  
Circle me, O God  
When despair is near.  
Circle me, O God  
Let Your peace surround me.  
Circle me,  
Circle me, O Lord.  
Circle me, O God  
When I'm tired and restless.  
Circle me, O God  
Be my hope, my strength.  
Circle me, O God  
Let Your presence guide me.  
Circle me,  
Circle me, O Lord.  
Circle me,  
Circle me, O Lord.

# Throw Off That Yoke of Complacency

---

March 18, 2016

The blessing and wisdom of our sweet Lord Jesus is with us, Heartdwellers.

Well, this week has been a real struggle. I've been fighting against fatigue, I guess that happens after a big project. Thumb drives are not in production yet, but they should be any day now. I've been fighting against fatigue like I never

have before, and along with it a certain degree of mental numbness.

And the Lord began speaking to me right away tonight. He said, *"There is little time left, stop dragging your feet and get in gear, My Love. Please. Do not allow yourself to be lulled to sleep, this is the enemy stealing grace from you. I have told you what to do with these weeks ahead, nothing has changed."*

Here I go again, Lord...my feelings are tugging me in the other direction. My flesh is saying, 'It's all good, you have plenty of time, enjoy your life. Years from now the Rapture will happen.'

Wow! I've been struggling with that temptation!

And the Lord answered me and said, *"Clare, your people have more faith in Me than you do. Did you know that? They are more astute and tuned in than you are. Aren't you ashamed of yourself?"*

Yes, Lord, I am. But the feelings are not something I have control over, are they?

*"You can allow them, or you can cut them off. Which way do you want to go with this? It is going to happen 'suddenly' when no one is expecting it. Sud-den-ly, when no one is expecting it. That's part of your problem. It doesn't feel that way to you, either, because you are under the cloud of the unconsciousness spread over this nation. The part of your mind that is not regenerated in Holy Spirit is not expecting it. That is what is being generated... 'things will continue on as usual, nothing will change.' Many people feel this way, you are a part of the many in this respect."*

At that point, guys, I really felt like I needed to go to the Bible Promises and get a confirmation of who I was talking to. And I opened the Bible Promises, and what do I open to?

For the Lord Himself will descend from heaven with a shout, with the voice of the archangel and with the trumpet of God, and the dead in Christ will rise first. Then we who are alive and remain will be caught up together with them in the clouds to meet the Lord in the air. 1 Thessalonians 4:16-17

The Lord said, *"How's that for a confirmation?"*

It's right on!

*"Continuing on, the enemy has tried to throw a blanket of complacency over you. You must fight it off with the Word. Renounce it and kindle My words of faith in your heart.*

*"There is a web of unconsciousness that everything is just alright and will go on and on tomorrow just as it has yesterday and the day before. This is held in place by the media and it is a web of complacency to lull Americans into a false sense of security.*

*"As in the days of Noah'...that means it will come upon you suddenly. Your doubts about the Rapture happening are the result of the enemy's campaign to lull America into this deep sleep, unaware of the plight of the rest of the world and how very fragile and vulnerable your nation is.*

*"Only those who are aware of Scripture and the end times are convinced that at any moment life on this planet will be changed irreparably. They are laughed and scoffed at for being ignorant, but in truth it is those who are not paying attention that are the uninformed and will be caught just as unprepared as those in Noah's day when the fountains of the deep suddenly opened up beneath them and they had nowhere to go.*

*"I do want to address this sense of 'tomorrow will be as today or even better.' I have made you aware of this thinking because it is poisonous to the truth and is laid across the Earth like a web, convincing man he has millions of years to work out his problems. Total lies. Overnight this planet could meet its end. One well placed meteorite and it would be all over. Yet, I have held back the hand of judgment and stayed the execution of justice. But not for much longer.*

*"I have given you license to enjoy your work for Me as time narrows down to that decisive moment. It will truly be a surprise if you are taken up with your work. Is it not better for you than carrying this heavy burden that at any moment life on Earth could end? I do want you to enjoy your last days on Earth and yet bring forth fruit for the Kingdom. I want you to be an example, a shining light. That is why I have asked you to continue working on those things that will bring souls closer to Me.*

*"My people, truly you are being rocked into lullaby land, where everything just goes on and on and on. It is a major deception to control you and keep you in line until the moment is right, and then you will be caught totally unaware and off guard. People will be saying, 'Nothing like this has ever happened to our country, how can this be happening?' That will be repeated on the streets and in the bedrooms of your country.*

*"You have prepared your hearts, your relatives and your friends and you are waiting in a holding pattern and doing your part to continue the harvest of souls. I am so proud of you who have been witnessing, even when it was awkward. Though you may not have seen instant results, you have planted seeds and they will come alive when the events foretold begin to manifest.*

*"In the meantime, labor for Me. Not with crushing time constraints but make it a labor of Love for Me, consistently, so that your lamps will be blazing in that dark hour. Much of what you have done that seems fruitless, will bear a heavy harvest when you are gone. In this moment you have no way of knowing what will succeed and what will fail. But I want to tell you this truth to encourage you, not one word of Mine spoken through you will return to Me void. Much shall take deep root in that hour. Much repentance will burst forth with cries for mercy and that will finally open the door that has been closed, so closed to Me for decades.*

*"Take heart. Don't be lulled into complacency. Continue to carry on your work for Me until that very last moment, so that your lamps are shining brightly. For the darkness will be so thick that no-one will be able to see. But your light will shine, and it will be the only thing shining in that darkness."*

## Love And Protect This Channel

---

March 19, 2016

The Lord bless us and keep us, Heartdwellers. And especially help us to be smarter than the opposition, smarter than our enemies, and stay in a posture of love and honesty with one another.

So, tonight in prayer and worship, I felt the bumps and bruises, stabs and breaks that life is made up with in dealing with human nature - my own included. It tore at my heart

and I saw our Lord crucified before me. But as He chose the song, towards the end of my worship time, Left Behind in Nuclear War, He reminded me that these things that sting and hurt our human hearts are nothing compared to what is coming upon the world and that's where our attention must be now. All other things will be handled in Heaven, so just keep going. They have been thrown out along our path to cause us to stumble...so don't stumble.

(Easier said than done, huh?)

Anyway, the Lord began to speak and I heard, *"Star studded raiment...keep your eye on the prize and the race set before you, even though it has nearly run its course."*

*"My children there is so little time left to you. Satan has planned all kinds of diversions for you to remove your attention from what is truly important. Right now there are souls languishing that have yet to hear from Me. There are missions that in days to come will gather souls to Me. There are laborers in the fields that need your support. This is not a time for petty differences. This is not a time to fall into dissension and judgment, jealousies and divisions and rivalries. NO, this is a time to gather round one another tighter than ever."*

*"Have you ever seen a penguin protect its young? It's a group effort. They all gather round their young putting them in the very center of the circle and close ranks in that circle and protect them. There are many young Christians among you on this channel, who still do not know their left from their right hands. Many of them have come from different disciplines, even the occult, but they are yet babes in My ways."*

*"There are those among you who have not listened to My teachings on this channel that have formed you who are more mature. I appreciate your kindness and tenderness to one another more than I can ever say, but once you have comforted that soul, direct them to a teaching to refresh and strengthen them."*

On that note, guys, I just wanted to mention that I have a bookmark folder that says, "Youtube videos" at the very top of my browser. And it lists many of the most commonly needed teachings - like on condemnation and how to get a word from the Lord. All kinds of things like that. And so, when I'm answering a comment in the Comments section, all I have to do is open that folder and find the Youtube that would really help them, and drag it down and pop it into the comment box and then they have a teaching that they can follow up on and strengthen them.

The Lord went on from here, *"Their comfort and unconditional love is important, but so are the teachings on this site. I am asking you to take the time to direct them to something solid on the very topic they are in turmoil over. All of you need comfort, love and acceptance but understanding is key if you are to withstand the assaults of the devils once you are away from this channel and its support.*

*"There are many among you who have come under extreme condemnation and attack. Yet you have forgotten who is the author of that and allowed yourself to draw away from Me. No more! When you feel condemnation, draw close to Me and recognize the source is the enemy trying to disarm and discourage you. When you feel condemned, you dare not counsel or comfort others. It causes you to withdraw. Fight that tendency and come running, running to Me. And I will set you straight.*

*"Multiple diversions and divisions have been planned against this channel. Do not allow yourselves to be taken away from My Heart. All of you who are Heartdwellers, cleave to Me and do not allow yourselves to be captivated or diverted by specious arguments, vain imaginings, accusations and topics that cause division. Recognize these for what they are, insertions of the enemy to take your attention off the things that really matter at this time.*

*"Edify, edify, edify one another with Scriptural passages, Psalms and exhortations. Share your burdens one with another and workout your salvation with fear and trembling. Do not allow any souls to leave this channel feeling badly about themselves. Calm and encourage those who come limping in the door. And give them more to feed on from My previous messages.*

*"There are those, many, many of those who feel so condemned that they have lost hope of being Raptured or that even their salvation is at stake. Tend to these. Gently mother them back to health and point them in the direction of getting their own words from Me. They need to know, in those dark moments when no one is around, they need to know that I am with them, I love them and their hope will not be disappointed in Me. That is why you have all been taught to seek Rhemas, so you will not be overpowered by the darkness at a time when you are all alone and most vulnerable.*

*"When a soul comes on this channel asking questions because they have heard slander, give them something solid to latch on to. Especially the teachings on getting confirmations from Me. Start them off immediately on cultivating their relationship with Me. They are here because they are looking for answers. Yes, give answers, but more importantly teach them how to get their own answers from Me. Until they have cultivated that skill they will be at the mercy of the most convincing arguments and deceptions.*

*"These times are rife with lies, distortions, theories and proclamations not from My mouth, and your faith is NOT one of confusion but clarity, joy and peace. Yet those who come to this channel have been fed by the world and have had their fill of the world, of religion and churchianity. They are looking for relationship not only from those who truly care and take the time for them, but relationship with Me they can count on. Teach them those skills and refer them to videos that clarify those skills. Take the extra time to make sure that they've latched on to some solid food.*

*"Understand that this is a fish gate that has gained notice from the powers of darkness and many divisive tactics to injure you and the core group have been set into motion. Shun underhanded attempts to cause division and confusion. Cleave to the mandate of all my Heartdwellers, to love the truth, love your brother as yourself and love Me with all your heart and strength. Do not let pettiness or jealousy gain a*

*foothold here. Run to uplift others and utterly stamp out those things that are repugnant to all of Heaven: jealousy and judgment.*

*"I say this to you as a caution, because I can see what is planned for this channel. As we draw closer to the moment of supreme truth and sifting, the devils will throw in any kind of device that can injure those who have given their lives to Me on this channel. You have all passed through some very rough waters here and I commend you for your faithfulness. Know that the battles will intensify, so love one another from the heart, tenderly, and rush to each others side when trouble comes calling.*

*"Know that this channel is noted for it's brotherly love. There is no mistaking it. It resembles the church of Philadelphia, the one church I promised that I would keep from the time of testing that is to come upon this Earth.*

*"That is why I have so readied you all for the Rapture. You are that church and as such you have a solemn obligation to protect the love and concord of everyone who looks to this channel for inspiration and guidance. You have done well, My Brides. Just be aware that the enemy is not done with you yet, nevertheless, I am with you and brotherly love will conquer all the enemy has planned to stop you.*

*"I love you, My Brides and hold you tightly to My Heart. Continue to take draughts of mercy and love from your intimate times in prayer with Me and you will have more than enough to neutralize the poisons that bring disrepute to My Name.*

*"Love one another as I have loved you."*

## Enemy Tactics & An Invitation & Opportunity

---

March 20, 2016

The Lord is with us and His kind heart is watching over us, Heartdwellers. And He's been giving me some head's up on some things, so I'm going to share that with you in just a moment.

But first, I wanted to include a little dialogue for you...a conversation with the Lord before I share the message. You know how taken up I've been with 'doing' for the Lord - getting thumb drives and things together. And my prayer time has suffered substantially. I've had this experience many times throughout my life, when I get on a project. And it's always hard getting back into prayer, because you lose that fine tuned connection with Him when you don't spend that much time. I'm only now beginning to take the time I really need with Him.

And my precious assistant bought me a Tiramisu cake for my birthday. Well, you can put two and two together; all I can say is that it's been delicious. But now is the time to abstain. I am loosing ground spiritually by indulging myself. He brought this up tonight.

I also am struggling with unbelief about the Rapture again. Forgive me Family, I am so human. Remember, I told you in the beginning, if you've been with us for a while, the Lord chose me for this job because I was the worst candidate He could find...so no one has an excuse. If He could use me, He can absolutely and positively use you. So, here is our little conversation. I was at that time struggling with the Rapture.

Oh Lord, You must truly be disappointed with me. I'm struggling with unbelief, AGAIN!!!

He answered me, *"Did I not know beforehand, you are human?"*

"Human" has almost become a dirty word to me, Lord.

*"Well, don't let it. You are formed in My Image. 'Male and female He made them.' You also have an unseen and sometimes unheard enemy translating words into subtle messages, that subliminally penetrate into your mind and before you know it you are dealing with unbelief. Your enemies are many."*

And I asked Him at that point, 'cause I was thinking of human enemies, and I said, "Please Lord, bless my enemies with a knowledge of Your Love for them."

He continued, *"This is a continuing effort for Me, however I do not bless the demons."*

And at that point, my curiosity got hold of me, and I said, "Did they ever repent for falling? Did any of them ever repent?"

He answered me, *"They were given many opportunities to do so very long ago. These are the ones who have chosen Hell as their final destination and are giving it all they've got."*

*"But back to the point, I know what you are struggling with. I am not without compassion Dear One, and I forgive you. As I said, your enemies are many. Some things they accomplish subliminally and that makes it most difficult to detect until it is strongly implanted in your consciousness."*

Oh, Jesus, help Me.

*"Come here My Bride, let Me hold you, Clare. You have been too far away from Me for too long and now your tuning device...well, it needs a tune up. If you want this intimacy with Me, you will have to fight for it, with fasting and rededication to prayer."*

And here I just wanted to mention that when He said "fasting" He means abstinence from delicate foods.

Lord, since I was doing this all for You, can You not make an exception and restore these faculties to me without having to wait?

He answered, *"No."*

Oh Lord, this doesn't feel like My compassionate Jesus!

*"Now you are trying human tactics on Me...did you really think that would work?"*

No.

*"Silly girl."*

Then He changed the subject and began the message.

*"There are many tactics planned to toy with emotions and get you all sidetracked by your feelings. Be particularly vigilant with relatives and friends that may not be sensitive to what you are feeling or going through. They aren't always hostile you know, many times it's an arrangement of demons pulling different strings to set each of you off in your own ways."*

*"You will be greatly strengthened by keeping in mind that it is not always deliberate on their part, (the relatives' part, that is) but rather it is deliberate on the enemy's part. If you see that clearly, you can stay clear of emotional traps by not taking it personally. This will greatly frustrate the demons, but keep you free from emotional entanglements."*

*"I know you are all facing great challenges right now and I am with each and every one of you. Only stay in the spirit and don't give place to your flesh. If you feel that beginning to happen, escape to a private place and pray, asking Me to help you abstain from venting, which will only make everything much worse for you."*

*"What I am trying to do here is cutoff confrontations before they happen and create a mess for you. If you know these things, you can remind yourself every morning and be on the look out for volatile situations,"*

*praying to sidestep them and being meek and humble in all your dealings."*

After He gave me part of this message, I was really, really missing Him and remembering what He said about abstaining and rededicating my prayer time. In short I was missing His tender arms so much! I put the song "Draw me Close to You" back on, and decided to just meditate on Him for a couple of minutes. So, the song went through two different cycles, and He began speaking and said, *"You're here, I'm here, we are together. I do rejoice over you with singing, I just need you to reach a little further and honor Me by abstaining. Oh Clare, I love to hold you ever so close. I miss you, too, My sweet Clare. I really, really do."*

And that was really comforting for me, guys. I got my connection back with Him, because I saw Him and felt Him very, very clearly. And I DID see Him singing over me with that song.

So, He continued on with the message, *"How pleased I am that all of you Heartdwellers take My messages to heart. I saw today where many of you went out of your way to supply people with links. I cannot stress the importance of that enough."*

*"You see this channel has become a fish gate I can trust with baby Christians. They have not had the benefit of My messages, so they are still very confused about who I am and how to please Me, what I yearn for and how far I am willing to go to rescue a straying lamb."*

*"When you point them in the right direction and give them solid food, you are actually evangelizing and forming these souls. That is the beauty of having so many resources to draw upon. Not only are you refreshed in the things that are important, but they are brought to living waters to drink, and even partake of full meals."*

*"They will grow quickly on this kind of nourishment and you will be responsible for many who had no one to care for them. That's why I am encouraging you to do this. In addition to that, the human mind is prone to forget." And He chided me, "...no matter how much Ginkgo you take."*

Yeah...

*"All of you who have been here for a long time and absorbed and put to use what you have learned are now qualified to teach others. That's why I am bringing new Christians here. They will be loved and formed without manipulative agendas or constraints to fit into any denomination."*

*"There are many teachers on the net who fail to love and show tenderness to new souls. They are concerned with conformity and sin before a soul has time to realize their life is now totally different. This is a movement of My Spirit; it is called Loving Them Into the Kingdom. Here you combine truth, gentleness and love to invite them into the fullness of the Faith."*

*"Do you understand? When you are harsh and condemnatory you bring forth other souls who will in turn be that way. 'Radical' doesn't mean harsh and demanding. It means being a laid-down lover of Christ, as Heidi puts it. (He's referring to Heidi Baker there.) It means giving up your own agenda, abandoning yourself into My arms, not the arms of men, but into My arms. Along with deep abiding trust, because the soul recognizes My love and that I can be trusted."*

*"It is always My Love that leads to a deeper commitment to break from sin. Moves that are made because of legalisms and threats only beget more legalisms and in the end disenfranchise souls and alienate them, because the standards demanded are often broken by the very ones demanding them. It doesn't work that way, My People.*

*"It is My kindness that leads to repentance. That kindness wins over the heart and the heart makes changes in the soul's priorities and behavior. How beautiful! It is Love that makes the difference. Love is so much more difficult than reading Scriptures and demanding that they conform. Love reveals My true nature and helps them to grasp My character and eventually fall head-over-heels in love with Me.*

*"I ask you: which would you rather be - a soul threatened with punishment who takes every step with fear of losing their salvation or the Rapture? Or a soul deeply in love that cannot imagine anything better than making Me happy? Do you see the difference?"*

*"So, what I am saying here is that you who have loved much and learned the lessons shared here, are qualified to bring others into the Kingdom, the RIGHT way, with love. I don't say avoid confronting sins, but I do say when you have to deal with sin, be understanding - but firm - that sin is death and you, too, were in the clutches of death. But by My Spirit and grace, you were delivered - and they, too, can be.*

*"Well, that is enough for now. I am with you, Heartdwellers, and I am very, very proud of those who have taken steps to change their lives according to what I have taught here."*

And that was the end of His message.

I just wanted to mention to you all, that I've been a bit lazy about gathering videos in my bookmarks to refer people to. So, today I took a good hour and made a bookmark folder in the toolbar. And that folder said "Videos." Then I made several folders inside that one, that say things like The Rapture, Getting a Word from the Lord, Intimate Prayer, Healing, Prophecy, Discernment, Condemnation, Marriage and so on.

And by the way, I also made a folder labeled "Meditationals" for the longer teachings that have music behind them and help people to meditate on a certain subject and to picture the Lord with them. Those come in very handy in different places, especially Forgiveness.

Then I placed each one of my bookmarked videos into the proper folder. So now, when I share a link with anyone, all I have to do is open the right folder and pull it out. Before I would sit here for 5 or 10 minutes going up and down, back and forth, looking for that one video a person needed. What a waste of time!

So, if you want to make life a little easier and more convenient, take some time to find your favorite videos that deal with different issues and compartmentalize them on your browser's toolbar under one folder, Videos.

The Lord's greatest blessings of wisdom and love be with you all Heartdwellers. Thank you for mothering the souls who come here lost and hurting. Thank you so much for being here.

## 15-Year-old Secular Jewish Boy Nathan's Vision of WWII

---

March 20, 2016

Now, I'm going to tell you a dream, not a dream, a vision from a 15-year-old Jewish boy who died for 15 minutes. How many of you have heard this before? This is very exciting and it's the buzz among the end-time community, if you're into "end times" you will definitely be into this dream.

This Jewish boy, his name is Natan - we'll say Nathan in English or Anglicize it. Nathan died for 15 minutes on the first day of Sukkot 2015, which was the day we preached about the 4th blood moon. And that blood moon is a sign to the Jews. The blood moons are a sign to the Jews. The solar eclipses on God's Holy Days are a sign to the Gentiles, most of us. So it doesn't surprise me at all that on that 4th blood moon, and we're in that season, we're in this time right now where the 4 blood moons announce something major for Israel. He died and saw something.

Nathan had no religious upbringing. In fact, his parents are against his vision and threaten the synagogue to sue it for posting his vision on Youtube. Nathan was interviewed by an Orthodox Rabbi named Eliezer Hagadol who ignored his parents threats and put it up on Youtube.

So, it's very hard to follow this interview, because it is long and it's all in Hebrew. So, I'm going to read it to you in English, summarize it for you. But before I do that, I just want to show you like a one-minute clip so that you can at least see it's a real, orthodox Jewish Rabbi. He's very strict with this boy. This is a real secular boy - he knows nothing about the Bible. Take a look at a minute of the interview.

"When the soul leaves the body, it can receive a huge amount of information that would take years for a person here in this world to learn. One can understand within a matter of minutes everything."

So, he has a lot to tell. It's hard for him to tell it. He doesn't know the exact words to describe what he experienced. (can you just fast forward so we can hear his voice a little bit?)

"Things that do not relate to this world."

He saw planet Earth from above. He kept going up, leaving his body.

"I don't know how to explain it, suddenly out of nowhere I entered a sort of tunnel, really huge. At the end of the tunnel, a very small light. I was in a tunnel, I don't know how to explain it. There were circles, more circles inside, lots and lots of souls. I started walking, the lights got bigger and bigger. Finally, I reached that light."

Obviously, whenever somebody says that they have had a vision or gone to Heaven, you've got to test it with the word of God. That's always the standard. But I do believe that this is a genuine vision, because the things that Nathan said are...basically, he's preached my sermon that I've been preaching about end

times for 15 years, through a lot of study. He's just got it done in a few minutes. And there's no way that he could have gotten it, without the study. And not only that, he's not from a religious family, so he wouldn't have even overheard it in a sermon. He doesn't attend the synagogue - now he does.

So, something supernatural happened to him. Some of the ways that he describes things sounds to me like a Jewish way of describing. It doesn't necessarily mean that it's wrong, but it wouldn't agree with the way that we would say it. I think if God was reaching out to somebody, like a Buddhist - He'd speak to a Buddhist in a Buddhist language. If He speaks to a Jew, He reaches out to a Jew in Jewish language. So, you've got to give it a little bit of leeway, that God is quite bigger than the Christian box that we put Him in. Do you understand that? God is bigger than the Christian box you and I put Him in.

So, he describes certain things in a very Jewish way. Let's start from where it's relevant.

Rabbi Eliezer Hagadol said, "Let's get back to the tour - let's call it a tour. After they showed you that there is Gan Eden."

Gan Eden literally means in Hebrew The Garden of Eden, but it's now a term that they use for the afterlife.

"After they showed you that there was Gan Eden and after they showed you that there is Gehennom." (which is Hell) a huge reward for Mitzvot (which is obeying the commands) and severed punishment for transgressions, even for the smallest transgressions. Then they sent you back to where?"

So, this was...you're missing many minutes of this, so let me just explain. One of the things he realized was, when you go up to Heaven, the things that you did wrong are so embarrassing. He says they tell everything! The go from start to finish, from the start of your life at the moment of birth to the very end. And he says they can do it in seconds. And it's extremely humiliating! And he says, just a little thing that you think wasn't a big deal is SUCH a big deal! In Heaven.

But then he said this - when you do something that obeys the Word of God. He says, even though it seems so little to you, when you go to Heaven they make such a HUGE deal about it. It's such a big deal: you obeyed God! And he said even a small thing like keeping the - you know, they have the, what do they call it, the tassels that the Jews are supposed to keep, right? Even just that tiny, little thing - they make such a HUGE deal about it! Everything you give. Your attitude - HUGE rewards in Heaven, alright? So the Rabbi's very happy about that, 'cause this is the Orthodox Rabbi, the strictest of all the Rabbi's. God in Heaven is very strict. Some people call that legalism today, but it's actually quite Godly.

So now the Rabbi said, "Where did they send you TO?"

Nathan said, "So, in the beginning, the moment I saw Gan Eden I said, 'I want to stay here. I want to stay here.' But after that they showed me the other side and all that. (He speaks like a teenager) They asked me if I wanted to stay. And I said, 'I would prefer to go back down.' Why? Because I felt that if I went back down I could do more Mitzvot. (that means obeying the commandments of God.) Earn more reward, more of everything. I could, like, earn a greater reward and do more Mitzvot. And reach an even higher level. So, why would I want to stay there and not do that? So I said I would rather go back down and they sent me back down."

I feel this is a very Jewish understanding of the afterlife. You know? Christians have a very nebulous, unclear picture of Heaven. But a Jew went up to Heaven and says, "It's an economy. There are rewards. There are incentives and I see the incentives: living for God and doing anything good for God on Earth. Living for eternity is going to put me in a very good economic position forever. So, I'd rather come back down and invest and keep investing in my life, so that I'll have eternal rewards up there.

You know, for a Jewish boy who doesn't even know the Messiah to speak that is to our shame. Because many of us Christians live day-to-day as if God wasn't real. And you know we - the best measure of our Christian life is our Christian prayer. And many Christians don't really have an intimate relationship with God today. God really seeks that of us, a day-to-day experience with Him. Lots of time with Him. Long hours of studying the Bible and praying. That's good! That's not passé, that's not out of fad - that is IN fad in Heaven. They make a HUGE deal of that in Heaven. Amen?

That's why I keep encouraging. I want to see the WHOLE church come to Power Prayer. Come to extended hours of prayer. I still have never seen the whole church come, but I'm still dreaming of that.

The Rabbi then asked, (this is the one they want to know!) "Could you know who the Maschiach was?"

The Maschiach is the originally word for Christ. They want to know: who is the Christ? Who is the Messiah?

Nathan: I couldn't know. I could only know what His traits were.

I think God is smart to do that. If God had revealed that it's Yeshua, Jesus - immediately the Rabbis would have said forget it, we're not Youtubing this - end of interview. So, God is very wise. Don't think He's in your box. He knows what He's doing.

He said, "I could only know what His traits were."

Now, listen to His traits.

"What He needs to be, in order to be Mashiach:

#1 He is HERE. He MUST be here. It CAN'T be that Maschiach is someone who is dead. That can't be.

#2 It has to be someone who is here who people know. But when He becomes Mashiach, everybody will be surprised. A HUGE surprise. And people will say, 'AHH! THAT'S the Messiah!' It will be like, WOW! THAT'S the Mashiach?? Like that.

"When will it happen?"

#3 According to what I understood, the gehoola, which is the redemption, and the revelation of Mashiach is going to happen very soon.

The Rabbi's not very impressed with this, as you are not. Very soon means a lot of things.

Rabbi says, "Now, tell me. When you were there, there was no concept of time. How can you estimate the

concept of time? What is 'imminent'? Is it 20 years? Two years? a month?

Nathan: Imminent is right away. Like, in the coming months. Like, I can tell you that the redemption is very close to here. I understood, according to what I understood there. I am certain that I know it. When I was up there, I understood what was going to happen in the world. And according to what I understood, very bad things are going to happen. But it depends on who.

Rabbi: Is there a way to avert it?

Nathan: There is that possibility if we ALL repent, that it won't happen.

Rabbi: What's coming?

Nathan: It's going to be something that is called a very big war. And everybody, the whole world, will be involved in that war, according to what I understood. The whole world will be involved in that war - everybody. All the Goyim (that means us, the gentiles). All the Arabs, the Muslims. Everybody will come against the nation of Israel and will fight in that war.

Hey - I've been taking the last year, teaching this on end times saying, Here are the nations, here's the positioning, here's what's coming next. I have to convince people through arduous study of the Scriptures, through arduous exegesis of the Scriptures to say It's lining up NOW. And one boy goes up to Heaven 15 minutes and comes back and says the same thing. (lol) It's unfair! But, I get higher reward, because I studied. I did my Mitzvot of studying the Word of God. So, I'm quite happy. We are in agreement.

The Rabbi asked, "Who will start it? This war?"

Nathan: It will begin, the person who will start the war, will be someone named Gog. As far as I understood up there, only up there, I understood.

Now, you know how many Christians have to study the Word to even FIND the word Gog? And he, without studying the Word, knows - this is the bad dude. We call him, possibly, the antiChrist.

Rabbi: And do you know who this Gog is?

Nathan: I am certain who he is.

Rabbi: Who is it?

Nathan: Obama. He will be the one who starts that war.

Rabbi: And he'll fight against US?

Nathan: He will fight against us. At first, everybody will simply want the nation of Israel. Jerusalem, Israel - everybody will want it. They won't pay attention to us, they simply want it. Everyone will fight each other because they want it. Everyone will fight.

Now, you know that Jerusalem and especially the Temple Mount is the most sought after, the most

prized, the most expensive piece of real estate on the planet - bar none. Everybody - God, the devil, prophets, infidels - everybody wants this piece of land. But we don't know what's gonna trigger the war.

Now, we know that there's a lot of fighting going on at the Temple Mount, over the issue that only Muslims - who have NO historical tie to the Temple Mount. The Al Aqsa mosque was imposed there, way after Jesus' ministry. They have no connection, but they're fighting, not allowing...you know, Jews and Christians are not allowed to pray there. I've been up there. And technically, you're not allowed to pray up there. I mean, what...what an affront! To the Jewish people. Imagine: you live here in Melbourne and you're not allowed to pray in the CBD. I mean, no country in the world would put up with this! And yet people are against Israel. Can you imagine? In your own country, in your own city there's a place you're not allowed to visit and you're not allowed to pray.

So, Temple Mount definitely would coincide with the four blood moons, because the blood moons in 1949 coincided with the State of Israel. Blood moons in 1967 coincided with the City of Jerusalem. So this blood moon, in this century, would coincide with something to do with the restoration of the Temple. That may trigger the war.

However, there's a development going on where they found some oil and some natural gas in Israel.

So, everybody's positioned, right next door to Israel. The Iranians are there, the Russians are there, the Americans are there. How many other people in proxy: UK, France - they're all there. And they're all gathering there as if, unnoticed, as if it's got NOTHING to do with Israel. And yet, we've read in the Bible, all this is a stage.

This is a show for the world to gather together and next would be the spillover into Israel. Only one thing has to happen, one bomb has to go off. One nuclear warhead gets dropped, one nuclear "accident" they might call it. And suddenly the whole world is upon Israel. But they've been gathering the troops and the tanks and the ships and the boats there all this time. And no-one, except us whose reading the Bible will say, "Hey! Red Alert! Israel!! Israel!! This is WWII that's coming, Ezekiel 38-39!! Prophesied for nearly 3,000 years."

What's the proof that the Bible is the Word of God? Fulfilled prophecy. It may take 3,000 years, but you better believe - it will come to pass.

So, Nathan saw this. And he was very bold to say Obama. I've never been that bold, because I believe Obama is the White Horse, living in the White House and he's triggering bad things. He's the false peace, because he got the Nobel Peace Prize. He's the White Horse. Irony: a black man in a White House being the White Horse with the Nobel Peace Prize. But I never actually quite had the confidence to say that the White Horse is the same as Gog. Or the same as antiChrist. There may be many personalities involved in this.

But this boy says he's Gog. Does that mean he's the antiChrist? Maybe, maybe not. But he's Gog. He's the one that fights Israel. Is that hard to believe? No. Because anytime Christians die, rather than saying Christians are being persecuted, that's bad - all he says is, "Oh, the worst thing that could happen is if we get Islamophobic." If we say mean things about Muslim, that would be the worst thing. But Christians, with their heads toppling off their neck - that's not bad.

And he doesn't fight. You know, he's left Christians to get persecuted all this time, and has not engaged ISIS, all this time - until RUSSIA finally got their plane shot down on the Sinai Peninsula and they came in. And now, because it's a balance of power thing, and ego thing - he's had to step in. But he's totally allowed the slaughter of Christians. And allowed the growth of radical Islam.

Because they want a Caliphate. And if it's not a Caliphate of ISIS, it'll be a Caliphate that replaces the Caliphate of ISIS. The solution to evil is evil. That's what they'll say. So, everyone will be fed up with ISIS that wants a Caliphate - how to get rid of them, maybe...Turkey says, Saudi says. "We need the True Caliphate. With a very STRONG Muslim Caliphate. With REAL Islam that is established on peace. Then, we will get rid of ISIS." And the whole world will say, "Oh, that's great! United Muslim nations. See, it's all being set up right now. And who's the antiChrist? I still am not going to say I know for sure, but Obama, apparently, is the Gog that leads this war against Israel.

Now he says, (the timing of this is quite interesting) "All of that, all of the bad things will take 2 weeks. In those 2 weeks, what is the bad thing? More than a few million people will die. They will die. The only thing that saves them, according to what I understood, is only if they do Tu Shuvot."

Tu Shuvot is to repent. You have to repent. And then he defines it later on, very interesting. He doesn't believe saying "sorry" means that you've repented. His definition of repentance is so close to the Christian one - I'll come back to it, okay?

Nathan continues: "Many people from among Am Israel will die - several million will die. A ton of people will die."

Rabbi: Those who didn't keep Torah and Mitzvot?

Nathan: They will die.

Rabbi: Those who kept Torah and Mitzvot?

Nathan: Those who kept Torah and Mitzvot - it depends.

Very Christian answer! So, if you're an Orthodox Jew, you'd be very self-satisfied and assured: oh, yeah, I keep the Torah, I'm Orthodox Jew. Everything's fine. He said, no - it depends.

Nathan: It depends if they did Torah with gimlet kasidim.

(Now, gotta explain this.) There are those who are observant, but they don't really care about it. They are casual about it. But if someone is really strict and studies Torah and does acts of kindness - he will be saved.

Did you get that? True repentance for us is not saying, "Jesus, forgive me my sins...la de da..." No worries. He said a true act of repentance will be accompanied by studying the Torah - which is for us, studying the Bible, doing the Bible. And showing acts of kindness. How many so-called Christians do you know out there who say they're close to God, they've forgiven others, they have repented of their sins - and yet they can't be kind to people. They can't even smile at people. They can't show an act of kindness to people. And this guy, Nathan, says when he saw Heaven, is that those people do not qualify. They will

be part of the destruction, the war.

He now begins to unravel the Jewish self-confidence. Very strange. No Jewish person would really believe this unless it's revealed to him.

Nathan: We, the IDF that is, will manage to keep them at bay for two days.

I have been saying this. I have been preaching this from end-times Scriptures, that the Jewish pride in their own military strength is gonna be their undoing. They have won every war - and rather than seeking Maschiach and saying, "To God be the Glory. To the Messiah be the Glory." they take all the glory to themselves. And I said, "I guarantee, pride comes before a fall." They're gonna fall in the war. They're gonna completely fail.

But I've never heard a Jewish person say this. I don't say this because I don't love the Jews, I say this because I love you! All the Jewish people gave us the Torah and gave us the Messiah! But you can't be confident in your own military strength. You've gotta repent and do Tu Shuvot and seek the Messiah. And His identity is very clear - He is known by everyone.

So he said, "They will keep them at bay for two days, according to what I saw. And then everyone will simply kill us and we won't have anyone to rely on but the Holy One, Blessed be He.

Rabbi: Who will join him?

Nathan: Iran will join him.

Well, hang on! How many sermons have we been preaching about the next attack is from Iran?? I mean, this is dissecting Daniel, chapter 11. This is dissecting many Scriptures about Persia - Ezekiel 38,39. This is amazing!

He said, "Iran would join him." (would join Obama)

Isn't Obama, strangely enough, a friend of Iran? Giving them a nuclear deal where they can get nuclear weapons, under the radar. And any inspection is announced, like, a month ahead of time? It's ridiculous!

"So, Iran will join Obama. The UN - the whole UN. Yes, Russia, South Korea - the whole United Nations, really everyone. Everyone. All 70 nations will rise against us. 70."

Rabbi: Where is ISIS in all this?

Nathan: ISIS? What they will do is - this is what I saw. They will kidnap people. They will simply kidnap people. Like they did to Gilat Shalit, they will also do that. They will kidnap people and they will torture them. Now, what I also saw was that Har Hazitim (which is Hebrew for the Mount of Olives) next to Jerusalem. That mountain will split in two! At the moment the mountain splits in two, in that second, the Maschiach will be revealed to everyone. Meaning, before everyone. Before everyone. Everyone will simply see that it's Maschiach!! Everyone will understand - it's the Maschiach - here He is, revealed to everyone!! And He will stand at the entrance there to Har Hazitim.

Do you realize he's quoting Zechariah? Chapter 14? Again, you have to study end-times Scriptures. Even the common Christian doesn't know this. Zechariah 14 - let me read it to you. Verse 4

"And in that Day, His feet (who? Yeshua's feet - Jesus' feet) will stand on the Mount of Olives, which faces Jerusalem on the east and the Mount of Olives shall be split in two. From east to west, making a very large valley. And half of the mountain shall move to the north and half of it toward the south."

Nathan: And the Maschiah will say who can enter and who cannot.

Rabbi: Now, how does it open? Atomic bomb?

Nathan: No, no, no.

Rabbi: What?

Nathan: So, two of the dead people will arise. Two dead people will come back to life. One from here and one from there, and it will split in two.

Now, come on. This boy is now quoting Revelation. This is part of the Bible he doesn't even know about! This is Revelation chapter 11. Again, so few Christians are educated in end-times, they don't even know this. Let me read it to you - Revelation chapter 11. The two witnesses of Revelation. The two JEWISH witnesses - these are not Jehovah witnesses, okay? These are Jewish witnesses. Most of the Jehovah witnesses are gentiles. They're so deluded to think that they're 144,000 Jews. That's in Revelation 7 and 14. It says JEWS. The two witnesses are Jews.

"When they finish their testimony" verse 7 of chapter 11 "the beast that ascends out of the bottomless pit will make war against them, overcome them and kill them. Their dead bodies will lie in the street of the Great City, which spiritually is called Sodom and Egypt, where also our Lord was crucified. Then those from the peoples and tribes and tongues and nations will see their dead bodies three and one half days, and not allow their dead bodies to be put into graves."

That's a prophecy of television, folks! Internet. How can the bodies of somebody, in a specific local - Jerusalem, be viewed by every nation on Earth for 3 days? You don't believe we're living in the end times? We're almost there at this event. It could happen this year. This boy says it's within months. You now, a great preacher said, within the first five minutes of entering into eternity, we will have wished that we prayed more, gave more, grieved more, loved more, preached more. Within 5 minutes of being in eternity, we'll realize it's over. Never again. What if we had those last, metaphorically speaking, those last 5 minutes are upon us. How do we live? How do we pray? How do we love? How do we talk about other people, how do we share about God? I think we would live differently if we really, really believed this.

"And those who dwell on the Earth will rejoice over them and make merry."

This is called the satanic Christmas. They make merry over godly men being murdered. But it's happening already, you know that. They don't care about Christians being murdered. They care if a Muslim is murdered. But they don't care if Christians are beheaded.

"And they send gifts to one another."

Can you imagine the vile, despicable, abominable depravity of man - you send gifts because two preachers of God are murdered.

"Because these two prophets tormented those who dwell on the Earth. Now, after 3 1/2 days, the breath of Life from God entered them and they stood on their feet. And great fear fell on those who saw them."

I guess it would!

"And they heard a loud voice from Heaven saying to them, 'Come up here!' And they ascended to Heaven in a cloud. And their enemies saw them. In the same hour, there was a great earthquake and their enemies saw them. And a tenth of the city fell and in the earthquake 7,000 people were killed and the rest were afraid and gave glory to the God of Heaven."

Thank God a few people get saved from that.

So, here's recap, okay? What's gonna happen, here's what we know from Nathan about the Messiah.

The Messiah is first of all someone who can't sin. Now, we listening to this, we already know His Name - Yeshua. Someone who can't sin. Who didn't commit any transgression, He didn't commit even one transgression. It can't be that the Maschiach is someone who committed transgressions. This is him, verbatim.

Nathan: Now, it can be someone who we actually know very well. Who we know very well.

Let me tell you something - when God wants to pick someone who we know very well, he means the one we know very well! The most famous human on Earth. The calendar is pegged to His birth. Jesus Christ. Think about it, Jews. It's the most obvious thing. Your Messiah is Jesus, Yeshua.

Nathan: Lots and lots of people.

So he says WE know very well. When he says "we" he doesn't mean us, he means the Jews.

He says, "First of all, the Jews know Him very well. (Then he says lots and lots of people know Him. He means us, the gentiles.) Actually, according to what I understood. But everyone will be very, very surprised that He is of all people the Maschiach. This Maschiach will fight against Obama. And not only that, He will kill him and bury him in the land of Israel.

Think about that. I'll show you in a second, that's Scripture. I bet you, you didn't even know that, that Gog will be buried in Israel. I'll show it to you.

Nathan: And I saw that the moment that Har Hazitim, the Mount of Olives splits into two, then the Maschiach will stand at the entrance and He won't see who is religious or who has a beard. What He will see, He sees according to a person's holiness. He will smell each person. He will smell if someone has holiness, if he is pure, if he did Mitzvot, if he performed acts of kindness. To see if he really had the true fear of Heaven and not just the fear of punishment.

Do you know that if you just are afraid of being punished, you're probably not a Christian? You have to

have the true fear of your father. The fear of displeasing our Father. We don't walk in fear of going to Hell - we walk in fear of displeasing our loving, wonderful Father. We won't say certain things, we won't do certain things because we walk in the fear of our Father God.

He will "smell" it.

Nathan: He won't say, "Here you are. You have a hat, you have a kipa. So, like that, you can go in." It's not like that. I mean, really. He will have a certain power, that He will be able to feel what is truly inside every person.

Who is he describing? If not Jesus Christ, the Messiah.

Rabbi: That means a week ago, you didn't know this?

Nathan: I did not know these things. I didn't know, I had no idea.

Then the Rabbi turns to Ezekiel 39 and quotes verse 11:

"It will come to pass in that Day that I will give Gog a burial place there in Israel. The Valley of those to pass by the east of the sea, and it will obstruct travelers, because it is there they will bury Obama." (let's put it that way.)

If he's right, now we know. We can update. A very... It's a very strange man, Obama - don't you think? Nobody can agree: where did he come from? How can a senator from Chicago suddenly become president? Is he born in Hawaii? Is he born in Kenya? I mean, we don't even know. Trump says his birth certificate is fake. I mean, this is a very mysterious man. The first man ever to be president and both his father and step-father are Muslims. And he has no kind thing to say about Christianity and he bows to the Saudi king. Kowtows to him, full on. I mean, we got a person who's very mysterious, very hard to describe. Maybe God says, "Ah, forget it. Call him Gog."

And we're all tearing our hair, figuring out who's Gog, who's Gog, and we're looking up this and that. Well, maybe it's meant to be a bit of a mystery. Maybe the man of mystery IS the man of mystery! And the man of mystery is Obama.

Why a guy who's never done anything for peace, who's started more wars, and killed more people and didn't close Guantanamo Bay, and got Gadhafi murdered and got Saddam Hussein killed...how come THIS guy gets the high (supposedly on this world) the highest peace, the Nobel Peace prize?

So, Ezekiel 39 verse 11 says, the people who are traveling through Israel are going to get obstructed by the body of Obama, because "they will bury Obama and all his multitudes. Therefore, they will call it the Valley of Hammon Gog."

Nathan says, "That is exactly what will happen if things continue as they are. Like, if the world keep going on like this. That is exactly what will happen, for certain, according to what I saw - it has already started."

The Rabbi said, "It's already started? When did it already start?"

Nathan: On the day 27 of Elul.

Remember when we were preaching about end-times, we're preaching around that date. Saying the pieces are falling into place. You go and look at all my sermons about the blood moon and all the 21 future events of Revelation, WWIII. We've been talking about this and he said it started on September 11, 2015. This war already started.

Nathan: Because the Holy One, Blessed is He, will not bring it in the beginning. What will happen is, on day, everything will explode. Something will happen to cause everything to escalate, and we will know instantly that we are in full-blown war and everyone will say WWIII has started, has begun. That's it. There's no time left.

Rabbi: So, you are saying there will be some sort of security breach that will blow out of proportion and they will be fighting one another? What about us?

Nathan: At first, we will be excluded from this, but after, they will unite against us.

So, we've got some history for the - not history, prophecy for the Jews: if you're a Jew, don't put your trust only in the IDF, in your military economic power. You need to turn to Maschiach and do Tu Shuvot.

If you're a nominal Christian, if you're not sure you're a Christian, if you're just a Sunday church-goer. If you're a church hopper - you need to do Tu Shuvot. You really need to forgive people in your lives that you think hurt you, and you need to do acts of kindness. It's not time to play around. This is time to really show acts of kindness. This is time to make absolutely sure that our faith and our repentance is genuine. That our relationship with God is solid by the Blood sacrifice, the atoning sacrifice of the Messiah. We have been made clean. Therefore, we fear displeasing God, not fear of going to Hell. Amen? If there's any sense of fear of going to Hell, we need to repent tonight, we need to repent right now and ask Jesus, the Messiah, to come into our hearts. You can do that right now.

I'm going to ask everyone to close your eyes and pray. There are people who are listening, and I believe there're many Jewish people whose eyes, God is opening right now to show your own Scriptures, your own Maschiach. We've quoted from your Scriptures, that you've given to us. We are indebted to you. Now, we give you back the gift that you need to receive, accept the Maschiach. The Messiah before it's too late. Before the atom bomb goes off, before war starts - there'll be no time. You can't even respond to the sirens in time. Accept your Messiah now, I pray.

If you want to do that, pray these words out of your own heart, out of your own lips.

Dear Heavenly Father. Dear God. I do Tu Shuvot. I repent for my sins. I'm sorry for rejecting You, for not studying Torah, for not doing Mitzvot, for not obeying the commands of the Bible. Now I give my life to the Messiah, the one who can save me. I trust in Him, not my good deeds. Not my righteousness, for I have none. My good deeds are as dirty rags before You, God. Thank You for accepting me and making me Your child. I pray that right now my name would be written in the Book of Life, in Heaven's book. Now and forever, I belong to Hashem. I belong to God. Thank You, Lord, for I am now sinless. Help me to live for eternity. In Yeshua's Name I pray. Amen. amen. Praise God, praise God.

Well, it's my privilege to pray with you and to bring this message to you. I thank God that He's speaking

to Jewish boys, Christian boys. We're really on the same side, we're in the same family. Christians are friends of Israel and Jews, and I hope that the Jews will realize Christ has taken the wall of partition away, He's taken the wall of enmity the New Testament calls it. He's taken all of that away and we are one family, we're the seed of Abraham. He's coming soon. And if you're a Muslim, you also have a Messiah. It's Jesus, alright? So please turn to Yeshua and all this fighting and all this violence can end, in Jesus' Name. amen.

## How I Train My Prophets

---

March 22, 2016

Well, my precious Heartdwellers, the Lord gave me a message tonight that began as, really - something I was going to write to help some people out of a very difficult trial. As I was beginning to write about it, He cut in and He started talking. So, I'm going to go ahead and share with you how this all happened.

I began by saying, "Everything has an order, ordained by God, upheld by God from rulers to ministers to street workers who repair the water supply for a city." And at that point, I was seeing men working in a manhole.

Then Jesus began to speak, and He said, *"Each of them has a mandate from Me to carry out certain tasks. Each of them has been trained by Me and found competent to function in their calling. The greater the calling, the longer the training and the deeper one must be cleansed. Imperfections in the foundation of a building 30 stories high spells disaster, whereas imperfections in the foundation of a building only 20 feet high, may never have an affect. So, for the taller buildings, the preparation must be made meticulously so the building will last and not give way to killing all the inhabitants.*

*"And so it is with my ministers. The gifts must be harnessed and used to pull the carriage forward at a steady yet safe pace. If the horses are not well trained under the harness, they will lunge, buck, take off running wildly, dart through trees and destroy the carriage and themselves. And so the discipline and preparation for ministry can be arduous and long.*

*"My servants, truly it is a fearful thing to fall into the hands of the living God. My gifts are nothing to be toyed with or treated lightly. There is a way to operate in My gifts and a way not to operate in them, lest they do more harm than good. Having the gift is only the beginning. Then you must be trained in how to use that tool. Just as a surgeon goes through many hours of training on how to perform surgery, so My Spiritual surgeons must undergo many, many hours of formation, and sometimes very personal formation. You do not rush in with a scalpel and begin directing the surgery team on how to perform the surgery when you haven't even been through your first year of pre-med training.*

*"So it is with My gifts. There is a protocol, a preparation, training, character formation where discretion becomes a prized entity. Discretion not only preserves the patient but knows where and when to apply the medicine, how much, how little, working in tandem with other disciplines to bring a patient to perfect health. I wish for you all to operate in the greatest gifts, but understand when you come to serve Me, prepare yourself to undergo many hardships. You will not understand why certain things will be done or not done with you, until you are near the end of your training. Then you will be able to look back and see why that time of trial was so very necessary to you.*

*"The gifts in the wrong hands, or the hands of those who are untrained is a disaster waiting to happen. There are yet many layers of lessons the surgeon must learn. How to diagnose the healthy tissue from the*

*diseased tissue, how much to take out and how much to leave. What effect taking this out will have on the other parts of the body system. How to anesthetize the patient, how to prepare them for surgery, how to make them cooperate during the healing process, what complications can set in, what infections can overtake the body and kill it despite a successful surgery. You see, working with souls is no different. There are many layers to their growth, each one must be laid down meticulously, and one who doctors souls must be trained as well as one who doctors bodies.*

*"Each person carries a different anointing. A hospital administrator's anointing is different from the cook's, from the nurse's, from the maintenance and security staff, from the surgeons and trauma staff. Each has been trained and attained a degree of responsibility in their area of expertise and that's why they are appointed to be responsible for what goes on beneath them.*

*"A cook does not tell a nurse how to administer medication, an administrator doesn't tell a surgeon how to operate, an anesthesiologist does not tell the maintenance man how to get the floors clean nor do the maintenance staff tell him how to administer medication.*

*"And so it is in My kingdom. Everyone has an appointed task. Everyone has an area of expertise, and when all honor. And when ALL honor the position of each other, My Kingdom comes, My will is done. When change needs to be made, I send in My representatives to approach the department head and give the message. They are not responsible for how the message is implemented or even if it is implemented. That is My job. Conviction is My appointment. I do not force anyone to take My advice and use it. I simply offer it and allow the person qualified for the job to make the right decision on how to use it.*

*"Just so with my prophets and ministers. They may be given a message, but they have been trained to present it without constraints or force. There is an art to this, that is why it takes many years of training to prepare one who advises department heads. There is a right way and a wrong way. The message is so important, that if it is done the wrong way, the messenger is responsible for the failure of that message to be heeded.*

*"One must be a follower before they can lead. They must be tested in temperance, patience, respect, decorum and presentation before I can trust them with the bigger tasks. I am pre-eminently respectful of those in positions of authority and responsibility. I take their office very seriously. If they do not come to Me for advice I stand back and watch. If they seek Me out, I offer suggestions - but never in a way that disrespects their office. Never forcefully, never presuming to have the only the right answer or saying 'God showed me this is the way to run your department, or this is the way you should minister. God told me to tell you.'*

*"That administrator has been listening to Me for a very long time and they know My voice, another they will not follow. If your suggestion is from Me and given in the proper way, I will open the ears of the hearer without such announcements as 'God told me to tell you. Or God said to do it this way. Or God showed me what was wrong with your department.' These are lessons the messengers of God must learn if they are to be trusted with greater assignments. Your motive may be right, your understanding right, but if done in the wrong way, what you do will be wrong.*

*"My people, you see only in part. You hear only in part. You are all open to clever deceptions. Not a one of you has been perfect in your hearing, and if you come to serve Me, you will not operate in presumption and rush in where angels fear to tread. Rather you will walk lightly and be very cautious about what you*

*hear and how you tell others about it, not presuming for one moment that you know better or have been shown better. Rather in fear and trembling, speaking for Me, you will gently offer the word knowing full well that you have been mistaken before and could be again. And for you to give advice in My Name, when you are mistaken is a grave, grave thing.*

'Let not many of you be teachers, my brothers, knowing that we will receive heavier judgment.' James 3

"In speaking of requirements for overseers, 'He must not be a recent convert, or he may become conceited and fall under the same judgment as the devil.' (which was pride, by the way.) I Timothy 3

*"An overseer is one who advises department heads of the wisdom I impart to him. Though he come in My authority, never does he say, 'This is what God told me to tell you to do.' Rather he offers up the word of truth in all humility and that servant, knowing My voice will take it to heart. But this is the task of overseers, not recent converts. People who rush to tell a pastor what to do, and are still very young in the Lord, are immature in their character formation. They will meet with scorn and contempt, and rightly so. The Pastor knows My voice and another he will not follow. And the pastor also knows how I operate.*

*"Though you have done your best to hear Me, if you do not understand how naked, fallible and empty you are before Me, you will not present it in such a manner that reflects My humility. Many times I show you things to pray for and not declare openly to others. A novice is eager to show the world that he hears from Me and share sublime things that I would prefer he kept for us alone. And for this reason, I soon remain silent in his presence. A wise man is careful in his speech not to cause offense and more often is silent, and this man I can freely converse with.*

*"When you are trusted with great treasure, you do not run about exposing it to the thieves who will come and murder you in your sleep and steal it. Just so, the demons watch and wait for the slip of a tongue, plotting how best to entrap you and bring you into disrepute.*

*"And so My children, the greater the mysteries I reveal to you, the greater the discretion you must have, the more humble you must become, understanding that they are only on loan to you and at any moment I could return you to your former ignorance. And at times, that is exactly what I will do. I will withhold the former things from you that you learn the virtues of discretion and humility. I do this because I love you and have great things in store for you, not to punish you, but to form."*

That was the end of His message. And I really felt the Scripture on my heart from Hebrews 12:

My son, do not make light of the Lord's discipline, and do not lose heart when he rebukes you,

because the Lord disciplines the one he loves, and he chastens everyone he accepts as his son.

Endure hardship as discipline; God is treating you as his children. For what children are not disciplined by their father? If you are not disciplined--and everyone undergoes discipline--then you are not legitimate, not true sons and daughters at all. Moreover, we have all had human fathers who disciplined us and we respected them for it. How much more should we submit to the Father of spirits and live! They disciplined us for a little while as they thought best; but God disciplines us for our good, in order that we may share in his holiness. No discipline seems pleasant at the time, but painful.

Boy, THAT'S the truth...

Later on, however, it produces a harvest of righteousness and peace for those who have been trained by it. Therefore, strengthen your feeble arms and weak knees. Make level paths for your feet, so that the lame may not be disabled, but rather healed. Hebrews 12:5-13

And you know, as I just finished this Scripture, I looked at this...wow. "Make level paths for your feet so that the lame may not be disabled, but rather healed." That's exactly what the Lord is talking about here. He's sending out His messengers to heal, but if our paths aren't level, we're not going to be able to heal the lame. Rather, they'll continue to be lame and disabled.

"So, make level paths for your feet, so that the lame may not be disabled, but rather healed."

So that those who are already crippled and we are sent to minister to will be healed.

God bless you, Heartdwellers. I hope this throws some light on different aspects of ministry for you. Everything that the Lord has said tonight, I have been through in spades! So, I can testify that not only in the past, but even every day there's an opportunity for being fine-tuned. And He's doing it. Hope this helps.

## Thumb drive for Download

---

March 23, 2016

Well, Heartdwellers, at long last we have finished the download for the thumb drive. And what this simply means is if you get from Walmart or wherever a 15 gigabyte thumb drive that plugs into a USB port on your computer - if you get that you can download the complete contents for the left behind. The Tethered Album and everything else, all the teachings, music and everything. You can download that onto your computer and then upload it to the thumb drive and give it to whoever you want to give it to, or leave it behind for.

So, the way to do it would be to go ahead and get to the link, which will be shown in the description box underneath this video. Go ahead and click on that link, click on "download". It would be wise to download it into Documents or something other than your desktop, because it's going to be big files, and it can really slow your computer down when it's on the desktop. So, download it somewhere into your hard drive and then when it's done, and by the way, they put it into pieces for you, to make it easier, 'cause it's a huge download. Less you get impatient, it's broken down into Art, Photos, Books, Faith building Jesus teachings, Music and Movies. So, it's broken down to make it easier for you to take little bites at a time, because the whole download might take 20 minutes or so, or maybe more, depending on your internet connection.

So, that's the good news! And the Tethered album is still being mastered, it should be ready pretty soon and when it is we will add that to the thumb drive download page. We really thought about it for a long time, and I really put my heart into the selection of the contents. Tad and Paul and Carol all helped with it, and our intercessors backed this up with prayer. It's got some wonderful things for those who are going to be left behind, which all they really will need is a tablet or possibly a cell phone with a certain kind of connection and they'll be able to connect that thumb drive and go through it and use it, if they are in a situation where there's hardly any electricity or they're on their own or whatever.

So, we picked the selection of things to really help in a time of extreme, dire need.

The Lord bless you all, and I hope you really enjoy this!

## Your Lives Have Not Been Wasted

---

March 23, 2016

The sweet peace and wisdom of our Lord Jesus Christ be with you all.

Well, tonight He's given me a message, once step ahead of the devil as far as protecting us from the lies of the enemy. That comes in a little bit towards the end of this message.

Immediately upon coming into prayer my Lord and I were on a low lit dance floor together, alone, dancing to a worship song, Kari Jobe's song "Beautiful," which is a masterpiece of intimacy in worship. That's what was playing. I was wearing my wedding gown, and for the second time since I abstained from sweets (my little offering to the Lord since I can't do a full-on fast) I felt so totally connected to His Beautiful heart, it just took my breath away. You know, I came into prayer and began to worship and it was like He...ohh, like He inhaled me! It was so sweet and so powerful and so anointed.

Every once in awhile, we would look into each other's eyes and get lost in them, so much euphoria...just a lifting up off the ground into the heavenliness of His Being. Tears of joy trickled down my cheeks, I was so caught up and enthralled with My God's love for me.

He was so present to me, almost as if Ezekiel and I were dancing. And I thought to myself, 'This feels familiar to me, like what I have felt in the presence of my husband when he holds me, very purely to his heart.'

And Jesus answered me and said, *"Yes, I love you like he does."*

And I pondered that. My husband is a very kind and affectionate man and no one has ever loved me as purely as he does, almost to an excess...if you could say that, if that were possible. He is constantly praying over me, wanting to just sit with me and be in my presence when, for instance, we are praying or eating dinner together.

There's absolutely no sexual passion involved in it - it is a deep respect, an amazing recognition of our souls that overwhelms us with gratitude for the love we have for one another.

And I felt this with Jesus tonight and He confirmed it. *"Yes, I love you like Ezekiel loves you. I live in him, can you feel it?"*

Now that you mention it Lord, yes, I can.

*"Yes, it is My presence in Him that adores you and My presence in you that makes you feel that way about him. That is the way I intended marriage to be. That is why when you grow older, sexual desire fades into the background and what emerges is a sublime and holy love for one another. That is why it is so important to marry the right man, so that in your later years you can enjoy the finer dimensions of*

love."

Oh, Jesus, I could spend the entire night this way.

*"So could I." He answered. "Tonight perhaps you've gotten a glimpse into how much I love you? Hmm?"*

Yes, I believe I did. My heart is truly at rest.

*"We are practicing for our wedding dance." He said. "Don't you feel how near it is, Clare?"*

I do, Lord, I am feeling it again.

*He continued, "Our time is SO close, My Darling, so very close and every promise I have ever made I will indeed fulfill. You have only to keep putting your hand to the plow and till the soil for the seeds, then comes the Harvest. But now you are indeed still working in the fields and every day that goes by you are netting more fish! Believe Me, there has been a wonderful harvest of souls from this channel, but nothing in proportion to what it will be like when you are gone. Then it will be bursting at the seams!!!"*

*"I wanted to reassure you that you are on the right track no matter how many condemnations are hurled at you."*

Lord what is on your mind, tonight?

*"Well, I do want to talk about the harvest of souls that is coming. I want to assure all My Brides on this channel that what they have sown while here on this Earth, they are going to reap an immense harvest from. It is difficult for you to see what the repercussions of your holy life is going to have on those who knew you. Suffice it to say that, when you some day see it, a holy shock will set in. 'Jesus did THAT through my poor little life?'*

*"The sufferings of persecution, labor and disappointment will continue to fuel conversions. There is a huge underground pocket of grace waiting to alight on souls who have been prepared for conversion. Imagine the oil fields. The farmers had such a rough time sustaining crops to live off of and then one day that black stuff trickled up from the ground. It was at first a nuisance but then when discovery set in, it was seen as pure black gold.*

*"You remember the dream Ezekiel had about the mountain property?"*

Uh...You mean the one where there were gemstones lying just beneath the soil and every time we needed something all he had to do was move the dirt aside and collect a valuable faceted gem?

*"Yes, that dream. You didn't know its meaning at the time but now you do. All that you suffered and experienced on that mountain was an offering to Me that now, in this day, is bearing fruit. Just so, the lives of all that have been dedicated to Me and seem barren now are going to spring into bloom in the Great Harvest.*

*"That is why I have taught you not to look for results, just to be faithful to Me, doing all you know in your hearts that I've called you to do. Those who look for results and rewards in this world are easily*

*discouraged. But those who seek the reward only of making Me happy and accomplishing My will, they will be rewarded tremendously by the harvest of souls they fueled by their lives. Is it not said that the blood of the martyrs is the seed of the church?*

*"Well, many, many have suffered a white martyrdom. They have not seen what their sacrifices have accomplished. I wish to tell you all, even if you do not see the harvest, your lives have not been in vain. You will see that in the end. And most amazingly, the simple, unrecognized praying housewives and men will be beside themselves with joy when they see what their prayers have wrought and the positions I appoint to them in Heaven. Those who have been faithful with what I have given them are going to get a promotion that is literally 'out of this world.' Yes, all who have labored for me will be beside themselves in joy.*

*"As we draw closer to your time of departure, I do not want any of you to fall into despair that your life has been worthless. Just because you are not a great evangelist or famous pastor does not mean you do not have an orchard full of fruit. Understand that it is the underpinning of your prayers that is responsible for those who bring in a huge harvest.*

*"When you attend a revival, such as Billy Graham has organized, and you see a young man go to the front and receive Me, know that it is the mother's prayers that birthed that young man into My kingdom, not Billy Graham, who has also received his anointing because of the prayers of others. He was anointed to cast the net, but it was the current in the great ocean, the prayers and supplications offered that drew them into the net at just the right time. This is so misunderstood on Earth, but in My Kingdom it is readily recognized.*

*"That is why so many who visit Heaven are amazed at the simple people that have been exalted to positions of great authority. I have been watching the hearts of My Brides, transformed into hearts very much like My own. I have seen their wounds, the scorn and contempt, the rejection, the acts of forgiveness - and their hearts look so very much like Mine. Many look for a Queen, but I look for a servant. I am a King, but I came as a servant. This is why the Bride must resemble the Groom.*

*"Do not imagine that fame and influence will follow you into Heaven. No, it shall be stripped from your person and all that will remain are the kindnesses and prayers you offered to the needy. All you sacrificed in your labors of love for Me will shine like the noonday sun. So great will the splendor of your glory that one from Earth will only be able to see you with great difficulty. This especially is the reward of My anonymous ones, whose only motive was love. I am telling you these things to encourage and strengthen you, for as I told you there will be many assaults against you, against your faith and hope in Me, in the coming days.*

*"Bring this message to remembrance and keep it accessible so that you can refer to it and put out the flaming darts of the enemy who will attempt to draw you into despair before I come for you. Many of you are weak and you need this comfort. Hold onto it, read it when temptation sets in. There are those of you on this channel who have been in the center of My will for decades, and yet the enemy has convinced you otherwise. And now that you have grown old you look back on your lives as if they had no fruit. Oh, how mistaken you are! Your good will and devotion to Me, even though you were perhaps thwarted in ministry, has netted for you thousands of souls. Yes, thousands of souls. You will see this and rejoice.*

*"In closing, do not allow anything to frighten or discourage you or condemn your lives. If you loved Me*

*with all your heart, I used EVERY thing you suffered to fill My Kingdom with souls. So, rejoice in even your failures. Just wait until you see what they accomplished for Me!"*

## Spiritual Jealousy

---

March 24, 2016

Well, my dearest Heartdwellers, since the Lord gave us a warning about jealousy, I thought I'd share my brush with that ugly demon.

We have a friend of the channel who has many spiritual gifts and often shares some of her truly amazing stories with us. We have even benefited many times from her prayers.

I love her dearly and she is one who was terribly abused as a child, twisted in her formative years by parents that were over-achievers and put heavy loads of condemnation on her. When she recounts these amazing things to me, I think to myself, 'Gee, Lord, I'd love to do some of the things that she's doing!'

And as a result of that, one little spark, one little desire to be someone other than who God has made me, I could feel an assault on my gut. A churning of sorts and I soon realized it was a demon of jealousy trying to gain entry. I even told Ezekiel, my husband, "Honey, I feel like I'm being attacked." He replied, "I see a big, ugly, green frog-like demon called Jealousy, trying to gain entry into your soul."

Immediately, I renounced it and the attack stopped. And in that moment, I rejoiced for the good the Lord was doing in that soul and thanked Him for who He made me to be.

Such a deep and undisturbed peace set in and ever since then my heart has been able to rejoice in the accomplishments of that soul and others, who seemingly have much greater gifts. This place of peace is a warm, fuzzy place of affirmation that is supportive of all Holy Spirit wants to do through His Brides and leaves absolutely no room for feeling threatened by their accomplishments. If all of us look at the good in one another and refuse to enter into jealousy, we are supporting Holy Spirit in His wonderful works and cheering on those who are highly gifted.

For every gift there is a price, and for every price the soul must die to itself and give their all. How wonderful to see that example in others...it spurs us on to give up more for our sweet Jesus. For every ministry there are challenges and all the glory goes to God for those He enabled to cooperate with them. As the Scripture says, if you see good imitate it. (that's in the third letter of John)

Wanting to be like someone else is a terrible deception. You would never be happy living their life, it wouldn't fit you like a glove. The Lord said He would make Israel jealous with a nation that was inferior to them. There is such a thing as healthy jealousy. It's the desire to accomplish something that another has persevered and sacrificed for, and its affect on us is to spur us on to give more and more of ourselves to Jesus.

This is one very important reason the Lord has asked us to keep our eyes on Him. We are wet clay, He is the potter and out from His heart, reflected in His eyes, He sees the exquisite object He will form us into

with our cooperation. If we abandon ourselves totally to Him, without reservation, He is free to do as He pleases, and His joy is to create masterpieces that reflect the greatness and glory of God in His creation, each one highly unique.

Only He has vision of who you were meant to be. Only He can accomplish it with your cooperation. You may see others who have progressed further in their gift than you have in the very same gift...for instance, for me it would be singing. But sooner or later, through God's eyes you will come to a complete peace about who He created you to be, about what your voice should sound like. And now that I look back on the ministries and vocal ability of other artists I have admired, I actually can say I prefer what the Lord gave me. Nothing in this world is more satisfying than what He is doing in me.

So, if you see a gift or talent in others and it provokes jealousy, the answer is to work harder, correspond harder, cooperate more fully, and become the masterpiece He has created you to be. This gives no place for jealousy to land, rather you will find your joy in the excellence of others!

## There Are No Bigots in Heaven & I Had a Religious Spirit

---

March 26, 2016

The Lord bless you, my wonderful Youtube family. Oh, this is a special night. There's some special testimony coming up that I'm going to share with you, because the Lord asked me to.

The Lord has asked me to share the path to Him that He's led us on. In other words, what experiences are behind the things that we're teaching, and how He writes straight with crooked lines! Oh boy! Does He EVER write straight with crooked lines!

The night began with several hours of worship. And tonight the Lord was not sad, although He was earlier in the evening. I spent several hours with Him and He was very, very sad. Then I took a break, a nap, and came back and He was dressed in His wedding attire and I had orchids in my hair. Oh, that was so sweet. I love orchids, they're so beautiful. And He was holding me and He was wearing white formal wedding attire and I was wearing my white dress. I kept being nudged by this thought: that I needed to share some of my past experiences with you in different churches. And I thought, 'No, no, no - this is a distraction.'

I stopped and prayed and Ezekiel prayed and we came to the conclusion that it truly was the Lord. I think it'll iron out some questions that some may have, especially since we posted the Divine Mercy Chaplet. But it may iron out some questions about where we're coming from. I want you to understand what our paths have been and what our mission is. So, I'm going to go ahead and begin:

My earliest memories involving religion go back to my high school years. (I don't have a really good memory of before High School.) I attended South Shore High School in Chicago, in the early 60's and was one of the few gentiles in a school dominated by Jewish students and teachers. I also happened to be one of the very few latchkey kids, because my mother worked full time as a make-up artist, having been divorced. I didn't have a father. I had no sisters, brothers or any relatives of any kind for that matter.

I'd come home from school and let myself in, and kind of fend for myself, sometimes until late at night when she had to work or went out with friends.

Well, it seemed everyone in the school was well off. Have you ever felt that way? And we were just below the middle class. But since mother was in the beauty business she always managed to dress me very well. A lot of the kids in the school had fairly well-to-do doctors, lawyers and professionals for parents, so they got to do a lot of things that I couldn't do, I wasn't able to do. It was definitely a class distinction there aside from being a gentile in a Jewish school.

My mother worked predominantly with upper middle class Jewish women and mafia wives.

That's an important point: she intensely disliked the Jewish women and looked down on Catholic mafia families and was totally disgusted with Pentecostals. Mom had strong opinions.

In other words, she had strong opinions and was basically a bigot.

Now, this word "bigot" came up very early tonight in my prayers - I kept hearing that word. So, I looked it up. I'm not going to give you the full definition now, but I'll give you part of it, 'cause I wondered: bigot. I always think of the South, the Ku Klux Klan and things like that. But, no. Bigot is a person who's intolerant towards those holding different opinions. A person who strongly and unfairly dislikes other people's ideas. That's the short version of what is Bigot.

So, Mom was a bigot.

Around thirteen or so, I started to have a very, very strong draw to knowing who God was. My mother went to a Congregationalist church at Christmas and Easter. She believed in God, but didn't know what happened to you when you died. I longed to have real answers to these real questions and ended up totally frustrated after talking to the Congregationalist pastor. I came out of the office thinking, "He doesn't know who God is, either. Maybe there is no God." And so, I became an agnostic.

I became best friends with a Russian Jewish girl whose family had been in the concentration camps. And she had a strong intellectual bent, so we talked about Ayn Rand, searching for answers to life. But it bothered me terribly that my mother thought when I died I just ceased to be. Something wasn't right with that. I mean, I felt it deep in my spirit, it shook me. Like, "Uh, uh - that's not RIGHT. That can't be. How can that be?"

Well, anyway. My friend Nina and I never talked about the faith. And looking back now, I wish we had. Even though she was Jewish, the Jewish people knew God, at least, and that would have helped me along the way. I don't think the neighborhood I lived in had any Pentecostal or non-denominational churches. In fact, I don't think those even existed back then.

After I dropped out of high school, totally frustrated with the environment, ( I REALLY disliked it...) I decided to become a nature photographer and dove right into the hippy era - really glad for the freedom from all the social restraints my mother was bound by. But, I never became a hippy, just a countercultural agnostic. Since my searching for answers to spiritual questions was not satisfied, I ended up finally calling myself an atheist. Still, I was very much bothered by the existence of the supernatural. I had a very strong sensitivity to the supernatural.

I looked at my life, and the lives of others and said to myself, "There must be more to this than meets the eye. There MUST!" And so my journey into the New Age began.

I held strongly to my mother's bigoted opinions about organized religion and was intrigued with Buddhism and New Age teachings. When I moved to San Francisco in the 60's to begin my career as a photographer, I found the ideal atmosphere to explore the supernatural. I had a healthy fear of Satanism but delved into the iChing, Transcendental Meditation, Astrology, Palmistry, Native American Medicine Ways, Scientology and other New Age studies, including Numerology. And I was very serious in studying these things when I wasn't on a shoot, you know, taking photographs and editing and seeing clients. I spent a lot of time doing that. And finally my fascination with the spiritual overshadowed my photography career. And I went down that path.

As I explored these spiritual realms, I became more and more disenchanted following their rabbit trails

and never ending circles, where I learned all kinds of things but still never knew really, "Who are You, God?" The last place I expected to find Him was in Christianity. My opinion of Christianity was, they were just a bunch of ostriches with their heads stuck in the sand, because they didn't see what impact the stars had, and the rising sign, your ruling planet, and blah, blah, blah, blah, blah. I didn't see any of that, so I thought, 'Well. Their heads were stuck in the sand.'

Well, God finally revealed Himself to me one night while I was meditating on the Mayan Tarot underneath a copper pyramid. As I was trying to connect with the meaning of one of the cards, my eyes were closed and I, of course, saw nothing but blackness... until a crack in the blackness happened. It got bigger and bigger and bigger and suddenly a dove on fire like lightning descended from Heaven and came to rest in my body, setting off a physical bliss like nothing I'd ever experienced, for a good 45 minutes. The heat was tremendous.

I knew nothing of the Holy Spirit but when my former husband, who was sitting with me said, "Your body is on fire! What's going on?" I answered him, "I'm having a visitation from the Holy Spirit." On the outside I looked like I was burning up, on the inside, I was being convicted of all my sins... and I had a lot of sins. But, at the same time I was being inundated in a love like I have never felt in my life. I knew I was a sinner for the first time. You know, in the New Age, being a sinner doesn't exist. I knew I was loved and forgiven. I knew, all of a sudden, Who God was and His nature. And He was nothing like the darkness I had been dabbling in.

You see, I was so proud, and such a bigot that I couldn't recognize God in Christianity. My opinions were so overpowering and based on falsehood. So the Lord did to me what He is doing to many Muslims today - He overpowered me.

Through this experience, I just knew I must conform my life to the Bible's standards. You know, I'd been studying all these other masters and teachers for years. They had a lot of beautiful things to say, but in that moment I was so illuminated as to the source of all Truth that all those things faded into the background and I realized that the Bible was the ONLY thing I needed to study. The illumination at that moment was tremendous. Just the difference between midnight and high noon, spiritually and mentally speaking. That was the beginning of my Christian journey.

I got rid of all my paraphernalia, I bought a Bible and began studying it. The Lord began to speak to me through the Scriptures. The three He gave me at my conversion were: Moses and the burning bush and how He spoke to Moses out of the burning bush. And that really, really described my salvation experience. The second one was Esther the Intercessor, and how she interceded for her people. And there were others things about Moses that came up, bringing them into the Promised Land And the call of Jeremiah was very strong. And I'll never forget those three Scriptures the Lord gave me. They're really the basis of my walk, even to this day.

At one point, I was delivered of 70 different demons from my illicit lifestyle before. I found a non-denominational church, I was baptized in water (one of those big tubs - immersion) and received the Baptism of the Holy Spirit with the evidence of speaking in tongues shortly after that. And I joined a women's intercessory prayer group, where prayer and tongues was extremely important. We saw a LOT of miracles. And that's when I began having visions of the Lord, too, of seeing Him. Was when I was speaking in tongues and worshipping Him in tongues. I began to see Him and He'd speak to me.

Well, I thought I had arrived home. Because I'd been on this long journey through the esoteric and occult, Eastern religions. And I thought, "This is it. I'm home now."

But what I was learning about Jesus was at times very different than this so-called, 'Christian' lifestyle. It troubled me that Jesus was meek and gentle and preachers were loud and powerful. It troubled me that I was vain and proud and I didn't see that being addressed in the church. In the end, I think we were there for three years. I'm not a person to hop around, I like to settle with something and in the end, we left that church because of a serious scandal and more importantly than the scandal, a lack of opportunity and support to grow in ministry. They just were not training people up and sending them out. In fact, a prophecy had been spoken about that church, that it "gave birth to souls but kept them babies." And I can testify that's what happened there.

So, we went on a search. We visited many other churches for seven years - we continued to look for our home in the Christian community. Nothing felt right. Same sins, every church we went to: materialism, vanity, pride and no resemblance to Jesus in the ministries. Very little. Every once in a while, there'd be one person. But as far as the church went, it was very hard to find a structured church that resembled the ministry of the first apostles and the Lord.

My husband at this same time kinda followed along with anything I did, but I was passionate and not finding the faith that mirrored Jesus, I was deeply troubled and frustrated. Eventually, he left me and our four children, because I was committed to a very different lifestyle in the end in all my searching. He really wanted the world and to be involved in things in the world and I couldn't do it. I just couldn't.

Right around that time, John Michael Talbot had become a popular Christian musician. He's a Catholic - a Franciscan Catholic and when I heard his music, deep called unto deep. So, I began to research the Catholic Church and the Franciscan order.

What I found... shocked me. The very first thing I discovered was that I was a religious bigot. Just like my mother, I had strong opinions based on hearsay and things that other people or bad examples of people who were living in the Catholic faith.

I discovered that almost everything I had heard about the great 'harlot' and how they practiced their religion was a lie, and totally unfounded in reality. I mean it blew me away when I went to the first service and it was all Scripture! It was very beautiful Scripture, and I walked out feeling like, 'I don't get it!' I discovered that the people most ignorant of their own faith were former Catholics. And I thought, 'What's up with that???'

It really perplexed me, until I realized the Illuminati, Masons and other Communists had infiltrated the church since the 1950's to destroy the faith that began with the apostles in Jerusalem. The people just were not being taught the real faith - they were being taught some kind of formalism without the intimacy with the Lord - at least, not in the general church. But we did discover that as we dug deeper. There was a Catholic Charismatic group and movement in the church that, believe it or not, there's millions world-wide of these people. That was very much on fire in the Church! We didn't discover that right away.

Looking back, I am personally convinced that the whole mess with Rome and Constantine in A.D. 300 was the Devils plan...He was thinking, "Can't kill them by opposing them, or martyring them - they just keep multiplying. Let's infiltrate, fill them with rules, regulations and courtly manners, money and

influence and turn it into a political machine and destroy it from the inside out."

Well, that worked and now the institution is indeed the Harlot. But what about the roots? What about Jerusalem, the Apostles, the hermits and desert Fathers?

And that's what I discovered - that there was still a very pure strain of Christianity in the church... in monasteries. I won't go into doctrinal variances, but I will testify that Holy Spirit is at work, hidden away in very simple little Christian communities. Not necessarily gigantic monasteries, but in little enclaves and communities that live the same kind of lives the early apostles lived in the book of Acts.

Right around that time, (5 years after my husband had left me) the Lord brought Ezekiel into my life and through serious prayer and fasting, the Lord told us that we would be a sign of the unity of the Body of Christ. That we would go to the Catholic, Russian Orthodox, Greek Orthodox, Syrian Antiochian, Pentecostals, Charismatics, Church of God in Christ and so called 'non-denominational' churches. And we would find Holy Spirit at work in them all, and bring unity by stressing the Love of Jesus and the faith of the Apostles at work in them all!

In the liturgical churches, especially Russian Orthodox, angels would be seen and heard during the worship! Here, we had come to believe that the ONLY way to worship was the non-denominational way, and singing in tongues. But we were lifted right out of ourselves in ecstatic joy, and even the Lord and ministering angels in these different churches with worship that was so foreign to us and that Evangelicals had condemned as evil.

Wow, what a revelation!! I also learned that the form of that worship and what they called the Mass, or the Liturgy, originated in 50 A.D. and was written by James, the brother of the Lord. Wow! I mean, you can't get much more original than that! But it's the same form that it was in in 50 AD. So, these were all revelations and I thought, 'My goodness! Where have we been? We really had our heads stuck in the sand!'

And so for thirty years, the Lord Jesus led us to the leaders of many, many different monasteries and churches and we lingered there at each one long enough to get a deep and authentic sense of what the Lord was doing in their worship, their prayers, and teachings, springing very purely from apostolic roots. And the desert Fathers. I mean, that's really pure stuff!

We were totally amazed!

Before I mention that, I have to say that in every place there's sin, wherever there are people there's sin. There's sin in church, there's sin in monasteries. There's sin in Sunday School classes. There's sin EVERYWHERE. It just takes different forms. So, you can't point the finger at one particular place and say, "Well, they did this and they did that!" And stand there before the Lord knowing that the same things are being done at your church. There's sin EVERYWHERE. And we don't focus on the sin, we focus on what the Holy Spirit is doing.

So, we were totally amazed. Jesus would show up in many, many different places, and we observed so many totally dedicated to the Lord, with a sweet spirit and profound humility, a simple life. They'd had left behind mother, father, sister brother, all their worldly possessions. They didn't care about their hair, their makeup or their clothes. They let these things behind to be free to live only for Christ. To be free

and have their attention on Him 24/7 and not to be shackled by society and how we're supposed to look. Getting dressed up for church on Sunday or whatever. And trying to impress people. Oh, that's such a bondage.

The Divine Mercy Chaplet was one of the sweet discoveries we made and we experienced the power of intercession with a formal prayer. We had NEVER prayed "formal" prayer before, it was always praying in tongues, praying in the spirit. And here we were, with a formal prayer - a chant, really. And the power of the intercession. Wow. The feeling that we had when we would finish with this was such profound peace. Like something really important had been accomplished.

And it's interesting, because it involves all the sense when you pray the Divine Mercy Chaplet. They normally do it on beads. And the physical sense is involved, the vocal - the voice is involved. The ears are involved and the mediation is involved, because we're meditating on the Passion of Christ. So, it's a thoroughly engaging prayer. For some people, it's not a very comfortable prayer because they get bored, but for others is very rich. As I said before, we'd only been praying in tongues or in loosely formed home groups, you know, where we'd each share prayers and so on.

In the Catholic Charismatic groups, you know, we'd be singing and praying in tongues. But the peace and joy that we felt in that prayer that was chanted - the Divine Mercy - was something totally foreign to us and just caught us off guard. It's like, Wow! Where did this come from? You can really feel the Holy Spirit in this. And it just seemed so different.

In the Catholic Charismatic groups we were able to minister in song, prayer, healing and in yet another dimension we had never experienced - and that was the profound closeness to Jesus as we meditated on His passion. We began to spend hours in worship and prayer, meditating on His life and the meaning of the things He did. On His mildness, meekness, profound tenderness with the most wretched of sinners and His complete disgust with the religious professionals - the Pharisees, Sadducees, religious bigots and hypocrites. The closer we got to the Lord, the more black and white it all became. We could really see why He was persecuted the way He was. And that we, too, were going to have this kind of persecution.

We began to recognize these characters in every single church we visited. Religious spirits who quenched the Spirit of God. Bigots who had strong opinions based on error and lack of personal experience and research. We found that we, too, were bigots, who had all kinds of obnoxious ideas that pushed people away from Jesus instead of drawing them tenderly to His bosom.

That is when we resolved that we would no longer allow those traits in our ministry. The Lord had taken us on an odyssey into different cultures and revealed to us that they sincerely worshipped God in Spirit and in Truth. We wanted to live on Earth as they do in Heaven - without bigotry and divisions, just loving and worshipping Jesus from the heart, as His Bride - in Spirit and in Truth.

So, this is all to say, if you sense different forms of Christianity in our teachings, you'll understand why. We went wherever we were led by Holy Spirit, and whatever He had sown in those churches that was consistent with Scripture, we embraced and made our own. Because we believe with all our hearts, this is the true atmosphere of Heaven.

We are not church dwellers, we are Heart Dwellers, dwelling in the heart of Jesus... a Heart that embraces all expressions of love and worship from His Creatures, whether they be Russian, Greek, black, white

Anglo-Saxon protestants, holy rollers, or Catholic... whatever. If they love Him in Spirit and in Truth, He rejoices in their worship and receives it unto Himself with tremendous joy.

In conclusion, I would ask our family, please, Youtube family. Don't bring criticism of other Christian faiths into our channel. That really is more appropriate for apologetic and theological channels than it is for Heart Dwellers, for people who are so taken up with the love of the Lord that they don't notice the difference and ideas and opinions.

I felt the Lord tonight convicting me of religious bigotry in my past...and even the temptation to judge what I do not understand in the present. So, as I had told you, I have a longer definition for Bigotry:

1. A person who is intolerant toward those holding different opinions.
2. A person who strongly and unfairly dislikes other people's ideas,
3. A person who is utterly intolerant of any differing creed, belief, or opinion
4. 16th century ... a superstitious religious hypocrite. someone who relied on superstition and ideas and religion and they were hypocrites.
5. "sanctimonious person, religious hypocrite,"

I have seen this behavior in myself, my mother, and in every church I have ever set foot in. It just takes on different forms that seem less apparent. Bigotry and a religious spirit is a very, very subtle thing. It looks all squeaky clean and righteous on the outside, but in fact it separates, it divides and promotes pride and self-righteousness and quenches the Holy Spirit of God.

One can hardly live this kind of life and still expect to be taken in the Rapture. The Rapture is for those who are ready for Heaven. People who are still critical of others because they worship differently than they do, they are not ready for Heaven. Heaven is filled with those who worship in Spirit and in Truth, and in the ways Holy Spirit has led them.

What did Moses say..."Let them prophecy...I wish all of Israel would prophecy". What did Jesus say, "Leave them, they cannot do miracles in My Name and be against Me."

So, I really felt the Lord's agenda for tonight, sharing it with you. And I want to end it with a short prayer.

Lord, forgive us for judging others based on our own opinions and not Your opinion. You alone, Lord, are qualified to judge. You alone are Holy, Righteous and know all truth. By Your blood, cleanse us of religious spirits and deliver us from the evils of pride and self-righteousness. Amen

After I finished writing this, I heard the Lord's voice and He said, *"I will work wonders in My Bride to bring her into agreement, that she may worship freely with all the hosts of Heaven in the days to come."*

Wow. That sounds to me like the Rapture.

The Lord bless you, Youtube family. Thank you so much for your prayers and support. We really, really

love you.

## Prophetic Dream: NYC Falls Under Tsunami

---

March 29, 2016

The Lord is with us, precious Heartdwellers.

I just wanted to give you an update on some things that are happening - we had a prophetic dream from one of our senior members that I want to share. And also a note from a young lady who lives in Vancouver. Things are moving along, guys. Things are progressing. The clouds are gathering on the horizon. If you remember the prophecy the Lord gave me, He talked about the entrance through Canada - how Canada would be cooperating with those who are sent to destroy our country.

She lives in Vancouver, and this is what she wrote to me:

I'm often out at night doing errands, and there's a huge influx of Syrian refugees here now. Almost none of them speak English, not even a basic, 5-word sentence. And they can get aggressive and rude. The atmosphere here is changing. A few weeks ago, I saw a Syrian refugee. There's a very distinctive look about them, and prior to them coming over, we hardly had any Middle-Eastern people in Vancouver.

But I saw this man shining what looked like a signal mirror, attached to his cell phone, into one of the upper windows of the Hudson Bay Company - a huge landmark on Grandville. And right above, one of the key sky train locations on the Grandville.

Standing outside and shining this signal mirror for at least 5 minutes.

And tonight, I saw a Syrian refugee aggressively beating his fists on our electrical utility box downtown, for at least 5 minutes - or closer to 10. And it was like a war drum. And then there were 20 crowded into a McDonald's - all men. Women and children seem much rarer. Some are aggressive and rude, and others are very polite. But Vancouver is not the same anymore. It is really changing.

And I want to add to this that, you know, if I were in the situation of being in a foreign country and not finding a place to sleep or having trouble getting food or whatever...I'd probably be beating my fists on something, too! So, I don't think that's any sign of malice. I think it's a sign of frustration more than anything else. And certainly, all of us can be rude when we're hungry and tired, so I definitely don't want to buttonhole the Syrian people that way. They are some of the most beautiful people I've ever met and very, very polite.

But I do think it's worth noting there's a change going on at our northern border, and there is an accumulation of possibly hostile people on our border.

So that said, to me that's just a sign of the times and what is soon to come.

Now, here is a dream that I was telling you about.

She began:

"I was in New York, staying in a high-rise hotel. I'm not sure what part of New York it was, but it was practically right on the water. I did remember that it was the highest building in the midst (middle) of the city where every building surrounding it was smaller and it was a shiny gold color. My husband and I went online and searched out high-rise hotels that would be very close to the water in New York and we found a picture that matched EXACT TO THE VERY "T" of the high-rise in my dream!"

Now, I want to say that I've seen this very same building, which I'm going to tell you about in a minute. And depending on the clouds, it can be golden or it can be grey or silver. It depends on the sky at the time.

Anyway, she continues:

"It was Trump Tower in New York! I was on the very top floor and was getting ready to just walk into this huge main office when I stopped to look out the windows at the water. The entire top floor of this main office area was entirely windows and the view of the water (ocean) was very spectacular. As I began to walk over to the windows I felt a "rumble" under my feet and the building swayed a little. I felt little nauseated."

That happened to me in Columbia. I started getting sick to my stomach and it was an earthquake.

"I turned my head and looked into an area of the office where there were two women and a man working at their desks. I asked them, 'Did any of you feel that? I think we just had an earthquake!' Then I looked up and there were hanging lights in the office and they were swinging back and forth and I said, 'Look at the lights!'

"Then I turned and saw a woman that was in the process of ending a phone call (it was weird, because she was using the old fashioned rotary-style phone ) and she looked up at me with complete terror in her face and a stunned look in her eyes as she laid the phone down and said, 'They said it was a "10" in Indonesia.' (I was made to know that this one happening was a bigger one in New York where we were) and earthquakes were beginning to erupt simultaneously all over the world. Everyone in the office just stood in shock unable to speak/frozen in total fear.

"Then I heard a Voice say, '...and their hearts will be failing them for fear' and I turned to look out the window and a wall of water rose up and rolled over the entire city and I stood there and watched all the buildings fall like dominoes. Then it hit the building we were in and it started wobbling back and forth, then it fell over and me and one of the women and the man were laying on the wall as the windows were breaking and the water was pouring in filling up the room.

"Then I remembered what the Voice had just said and I screamed out to the Lord and asked Him to help me remember anything and everything that I needed to repent of if there was anything else that I hadn't remembered (as my husband and I stay repented up all day long. We're always reminding each other about keeping our wedding gowns clean and without wrinkle, spot, stain or blemish).

"So then, back to the dream. I turned and looked at the man and woman laying on the wall beside me and knowing that we had only a few split seconds to live. I screamed out at them, 'YOU MUST SAY THE

SINNERS PRAYER RIGHT THIS SECOND! YOU WON'T GO TO HEAVEN IF YOU AREN'T SAVED! YOU MUST BE BORN AGAIN SO YOU WILL GO TO HEAVEN! I kept screaming, 'HURRY AND PRAY THE SINNER'S PRAYER WITH ME! PRAY WITH ME BEFORE WE'RE GONE OR YOU WILL NOT GO TO HEAVEN. YOU WILL BE IN HELL!'

"I knew they weren't saved. My heart broke in half for them as I watched them frozen in fear unable to speak. Then the water covered over us all, the building went down under thousands and thousands of layers of water and then it rolled under water towards the ocean and disappeared. I was choking and drowning in the water and I knew that I was going to be dead in moments but I also knew that Eternity with Jesus in Heaven was waiting for me and that I would be with Jesus forever - so a few moments of going through death compared to eternity was worth it.

"When I was screaming at the man and woman in the dream my husband was shaking me because my screams woke him up and scared him, but the screaming was coming out in struggled squeaks which probably sounded creepier to my poor husband. Sort of like when you're trying to run in a dream and you struggle because you can't run. The dream was so realistic and terrifying that I got up for a while and sat in my chair until I settled down enough to go back to sleep. My husband asked me, 'Honey, what in the world is going on with you lately?'

"The Lord began waking me up in 2009 and I have never been the same person. My whole personality has changed. My family wants nothing to do with me because they say I'm crazy. My sister told me that I needed medication and serious counseling. lol! The lukewarm church just doesn't 'get it' and it's just so frustrating. It makes me cry because no one will listen! Sometimes I just sob in my prayer closet I see our Lord's Heart breaking and it breaks my heart! But He did say it would be exactly like the Days of Noah and here we are!

"So, I looked up the verse in my dream: Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken. Luke 21:26

"Oh how I long to be home with the Lord and be rid of this place. NOTHING interests me here anymore. Do you feel this way, too?"

And that was the end of her dream and message. Wow. Just...wow. That's amazing.

Well, people, we're getting closer to that time. And the Lord tells different people different things. He doesn't show us all the same things. But if we're unified as one, if we listen to one another and if we listen to what the Lord is saying through one another, we can put all the pieces together. It never was His wish for His Body to be divided. It has always been His purpose that we should work together and listen to one another, and understand more fully His inscrutable plans.

The Lord bless you, Heartdwellers. Let's stay repentant and in prayer.

## I Wanted To Go Fishing, But the Nets Were Torn 2

---

March 29, 2016

The Wisdom and Instruction of the Lord be with us all,  
Heartdwellers.

Well, my beloved Family, forgive my absence, I've been recovering from all my activity, enjoying our family and fighting slimy monsters. But thanks to all of your prayers and our prayer warriors, they are defeated, and we are

moving on.

The Lord and I were dancing to one of Terry MacAlmon's worship songs. He was holding me to His heart, so very happy to have me back from all my distractions. As you know, I've been working on albums, thumb drives and also some survival equipment for those left behind and had just finished.

As He held me I noticed I was wearing black and a black veil. We were hovering somewhere over southern Pennsylvania, facing New York City, as a tsunami came thrusting through Long Island and Manhattan onto the mainland. Oh, the terrible things yet to come to America. The very next morning a confirmation of the vision came through one of our elder prayer warriors who has moved in the gift of dreams and visions. I will be sharing that along with other information brought to me in a day or so.

But first, I asked the Lord, "Jesus, what do you have to say?"

And He began, "*Welcome back?*"

Oh Lord, it's so good to be back, but I need some kind of serious, spiritual shower to clean all these busy-work tasks off of me.

*"More time in My Presence, in the stillness of the night and in My Word would help you tremendously."*

I know, Lord. That's what I want to do. Help me to persevere. I am so hungry for Your thoughts. What is on Your heart tonight?

*"In these last days, the enemy is making every attempt to divide and conquer. Not just your group or channel, but every single church that is true to My Word. Every single minister that is faithfully Mine is coming under monumental attack. Mostly by very inexperienced and unsuspecting Christians that have not yet learned to rule over their pride. They pride themselves on clever retorts but are much lacking in humility and experience. And so, those who are floating on the surface, and not diving deep for the Pearl of Great Price, are easily conquered by the enemy and used to divide and conquer others."*

*"Some have grudges, some bitterness and unforgiveness. Others want to fit in and be popular. So, they take sides with whichever group is in the winning position. And some just go the easy route and do not bother to discern for themselves, so they parrot what they have heard. This does irreparable damage to*

others, and separates them from their place of grace.

*"Each of you, My children, has an appointed place of grace, a place where you will flourish and come into a deeper relationship with Me. But unless you recognize this place, you can be easily fooled and led astray and the intimacy and maturity I had planned for you is lost. You fall back into the popular crowd in the safest position, convincing yourselves that I am pleased with that."*

Lord, do they really think that will please YOU?

*"Indeed they do. Because they did not have depth, they are easily drawn away. Clare, I give every soul a chance to go deeper with Me, but most are taken up with the world and their minds are terribly fragmented. Their affections for people and things cause them to doubt Me. When someone leaves your channel, it's not about you, it's about their failure to make the best use of the graces I imparted to them. They didn't grow deeper, and when they don't grow deeper, the enemy picks them off."*

*"I allow this to make way for other souls who will take Me more seriously and dive deeply into the rich waters of My Grace. Souls that will persevere until they find the Pearl of Great Price. Don't get Me wrong, there are souls that are not meant to be here, and I move them on because they will grow in the area most important to them under another minister."*

*"I am speaking of those souls who come here and know My voice. They begin to grow and as they do, I allow temptations and challenges to bring them up higher. If they don't want to go higher, they grow lax and begin to question My voice. Then they begin to hearken to lies and calumny until they have an excuse to leave. The answer is simple. I presented them with a hurdle in their natures. They didn't want to take the chance, or make the effort or the sacrifice, so they find fault with you and with Me."*

*"I know you've seen this before in your own life. You've said, 'I'm not willing to give that up.' And so, you find fault with those that ARE willing to 'give that up'. Fortunately, you do come back to Me and follow My Spirit so we can try it again and again, until you do come to that place of making the hurdle."*

*"I love these souls with an everlasting and deep affection, so I give them a less challenging teacher until they are hungry for more of Me and are willing to go deeper and make those life sacrifices. Of course, there are others who are already in the place with Me that you are drawing others to. They come because they enjoy My voice and the new things I am doing. But ultimately, they come more for fellowship rather than instruction and here they find an encouraging environment, a safe haven from the storm. And at some point, I may call them elsewhere, but there is always a fondness for this channel."*

*"My concern, My grief, is the dividing of the Body. It is the fault of shallow discernment that people make pronouncements on this church and that church. All of the churches have serious faults: adultery, entertainment instead of worship, materialism instead of simplicity, social status rather than anointing. Every single church has fallen to Satan's wiles in some way, at some time or another. The integrity of the minister is what gets them back on course, one who's willing to cooperate with Me. So many have opinions that seem right in their own eyes, but are an abomination to Me. Simply put, anyone who divides My Body is in serious error."*

But Lord, what about the innocent people that think that perhaps I'm hearing from a familiar spirit or find fault with what I'm teaching based on their understanding of the Scriptures?

*"When they act in an immature way, pulling the wheat up with the tares, they do inestimable damage not only to the anointed minister, but to the little sprouts, the newcomers, the immature. They are not examining the fruits before they make their allegations, they are just finding fault and they hurt Me. You have seen Me bruised, torn and bloody, wearing that crown. This is what those who criticize this channel, with no regard to the fruit it is producing, are doing to Me. They are crucifying Me all over again.*

*"My children, every time you attack one of My anointed ministers, you are shedding innocent blood. My Blood. Do you understand? My anointed servants have My Blood running through their veins. When you hurt them, you hurt Me. Doubtless you will say this is but another instance of a familiar spirit defending itself. But in those quiet moments, when you find serious disorder in your lives, when things that should have succeeded fail. When there's accident or sickness. When others speak badly of you, when your marriage deteriorates, and your relationship with people at work or church are falling apart - remember these words. Remember: you have sought to destroy others and I have allowed the door to remain open to the enemy to bring you to your senses."*

And then the Lord quoted this Scripture:

"He who is not with Me is against Me; and he who does not gather with Me, scatters."

Luke 11:23

*"Some of you were in a very good place with Me not long ago. But you hearkened to lies and calumny and stopped gathering with Me. To you I say, I am coming to separate the sheep from the goats."*

And the Lord reminded me of Matthew 25 "But when the Son of Man comes in His glory, (it talks about the timing of the Millennium here) He will separate them from one another, as the shepherd separates the sheep from the goats; and He will put the sheep on His right, and the goats on the left. Matthew 25:31-34"

The Lord continued here, *"This is not only at the Millennium, but now, as the Day is about to dawn, I am coming for My Bride. I am coming to provide for My remnant. Even as the young Hebrew boy (Nathan) said, 'I can smell holiness and sincerity.' I can also smell corruption. And some of you that were to be taken, because you butted the sheep and injured the innocent, will be left behind - not to be punished, but to learn how to love.*

*"Some of you, who have presented yourselves as shepherds, delight yourselves in criticism of those who are feeding My sheep and in no way are you providing for My flock. You are not strengthening the weak, but strengthening rancor and division in My Body. You are not healing the sick, but provoking them to sickness of soul and isolation. You are not binding up the injured, rather you are teaching them to injure and divide. You have not brought the strays to Me, rather you have picked them off from Me. You have not sought the lost, you have separated and divided until they are without a shepherd and vulnerable to wild animals.*

*"I ask you, My people, to examine your ways. This is not the time of scattering. It is the time of gathering. I am asking you to repent of your divisive ways and take the net in hand. Help Me to gather in, rather than cutting the net and scattering. Yes. Yes, indeed I want to see the Harvest. But as long as self-appointed teachers divide and scatter, the nets remain torn and I am without My catch, which I have labored long and hard for.*

*"But never mind that. You will not hearken to My voice to stop dividing, and I will come soon to take My portion of the Harvest with Me. And you will be left behind to learn the value of every believing soul, no matter what church they come from. You will learn to love all and stop wounding and dividing. Yes, you will learn how to love and how to draw the net in without breaking it. You could learn this now, but you will stiffen your necks at this message and despise it.*

*"How I long to embrace you and fill you with good things, but until the corruption is cleansed there is no place for My graces to fill.*

*"And to the rest of you, I say: I have made a home here for the lonely. I have lead you out into prosperity and health of soul. Guard what I have given to you. Don't let anyone steal it from you. I am coming soon."*

And I would like to add to what the Lord has given us here: to those of you who have been finding fault and attacking our channel, I forgive you. And we pray continually for you, especially the words of our Lord in John 17: that they may all be one; even as You, Father, are in Me and I in You, that they also may be in Us, so that the world may believe that You sent Me. The glory which You have given Me I have given to them, that they may be one, just as We are one. John 17:21

And that is our prayer for all of you. I encourage everyone on this channel to be praying that for those who don't understand us, or for those who've attacked us. Be praying this, that we might be brought together in unity and glorify the Lord. Please, be praying this.

## Feed My Lambs

---

March 30, 2016

The Lord bless you, precious Heartdwellers.

Well, it's been on my heart for a few days, in fact, maybe a week or so - that a certain video went on by kinda unnoticed. And I really feel Holy Spirit has been urging me to explain a little more depth what the Lord wants done here. The video with the penguins explained a lot about new

people coming on the channel. And the new people don't have a lot of the foundational teachings about humility and prayer, and seeking the Lord and how to get a Word from the Lord. Spiritual warfare and discernment.

And those of you who've been with us for a year or more have had all those teachings and you still tune in to get the fresh teachings. But the Lord is really wanting you to take a little more responsibility as a spiritual work of mercy, for the younger people who come on board. He really was very clear about it in that other video, and it seemed like nobody paid any attention to it at all. That kinda grieved me, so that's another reason why I am bringing it up.

And in truth, what are we doing, just soaking teachings and not sharing them with other people?

That's not a good thing. If we haven't learned the lesson that the Lord has given us last, and applied it - then why should He move on to another lesson? You know, this is just logic. So, let's get this one down and make sure that newcomers to the channel really have a chance to be fed. I'm asking you - all of you who have benefitted from the teachings on this site, to take about an hour's worth of time. Go to your browser and make a file with a playlist for each thing. For instance, discerning of spirits and spiritual warfare. Grab some videos from our video list and put them in that file. I'm going to show you a picture of that here in a minute. And another list, maybe on marriage. Grab a few videos and put them in the marriage list.

This is in your browser now, the file at the top of your browser. So that when new people come on board, you can just go up to the top of your browser, you'll see a file that says Youtube videos. And you open that file and scroll down to a folder that says, maybe, Marriage or Discernment or Humility or Spiritual Warfare or Getting a Word from the Lord. Scroll down to one of those folders that you've set up previously, and grab a video out of that folder and drop it into the comments for that person. This is really important, guys.

You know, a lot of you were looking for ways to serve the Lord in these last few hours before He comes for us. And He made it really easy for us by giving us this assignment. You can give people words of encouragement "Oh, I'll pray for you." or "You're really on the right track, the Lord bless you." Those things don't mean as much as pointing a person to something else that they can really chew on. I mean, it's very nice that we're all loving on this channel, and that's extremely important. But when we get past that point, we need to feed these new souls that are coming in. This is a spiritual work of mercy, and it's

very, very important, guys.

So, as your "mother" so to speak, your spiritual mother and also the Lord's Bride, I was a little grieved that no-one took to heart what I said and started doing that. So, I'm asking you to take about an hour or maybe an hour and 1/2.

So, just to be clear about how you're going to do this. Go ahead and open your browser. At the top of your browser, you have an option called the Bookmarks Toolbar. I'm working with Firefox, but all browsers have this option. It's a Bookmark option, where you can put a bookmark in the very toolbar at the top of your page there. Go ahead and create a folder in your Bookmark's toolbar that says Teaching Videos, or whatever you want, however you want to label it. Youtube Still Small Voice - just anything. Make a folder, and then in that folder add several different folders: Using the Bible Promises, Discerning, Worship, Dwelling Prayer, Songs for Encouragement and so on.

So you have maybe, oh, 10 or 15 different folders. And then, go through my videos and add to each category a video. Drop it into that second folder under the Bookmarks toolbar. Be sure that you go to the page, drag the address into that folder and it will bookmark it. Every time you find a video that is good for one of your folders, just drag the address down and drop it into that particular folder. And that way it will be bookmarked in that folder, and be really easy to find.

I like what the Lord just gave me. I went to open my browser to share this with you.

Oh, boy - He's a lot of fun! "Life is like a journey. You can wander around in the wilderness for 40 years. Or you can have a safe passage in one day." And that's the reason why we're organizing these folders - to make it a quick reference to help people, to get through their problems quicker, so they don't have to keep wandering around looking for answers. And that gives them a place to start.

On our website we have an index to the teachings, which a couple of really awesome volunteers have put together so that you can search every teaching for certain words. And that's on [Heartdwellers.org](http://Heartdwellers.org). That would be another link to drop into a box for someone who's looking for a specific teaching.

So, anyway, I'm going to go ahead and play that video again. Please. Hearken to the Lord's voice. You wanted to know how you could gather more souls for Him in these last few weeks that we are here. This is it. This is it. Because if these souls come to you and they come on the channel, they want to be fed, they've got certain problems and you give them an answer to their problem through one of the videos - they're gonna tell other people about this site. And other people are going to come. People who aren't saved. And that is a spiritual work of mercy that you're doing for the Lord, you're laboring in His vineyard with Him.

So please - take this request very seriously of His. The Lord bless you with perseverance and a soft heart for the new people, that you take more than just a moment to minister to them. And not just out of your own wisdom, but pointing them in to a teaching, something the Lord taught on that will have some depth that they can really chew on.

*"My children, there is so little time left to you. Satan has planned all kinds of diversions for you to remove your attention from what is truly important. Right now there are souls languishing that have yet to hear from Me. There are missions that in days to come will gather souls to Me. There are laborers in the fields*

*that need your support. This is not a time for petty differences. This is not a time to fall into dissension and judgment, jealousies and divisions and rivalries. NO, this is a time to gather round one another tighter than ever.*

*"Have you ever seen a penguin protect it's young? It's a group effort. They all gather round their young putting them in the very center of the circle and close ranks in that circle and protect them. There are many young Christians among you on this channel, who still do not know their left from their right hands. Many of them have come from different disciplines, even the occult, but they are yet babes in My ways.*

*"There are those among you who have not listened to My teachings on this channel that have formed you who are more mature. I appreciate your kindness and tenderness to one another more than I can ever say, but once you have comforted that soul, direct them to a teaching to refresh and strengthen them."*

On that note, guys, I just wanted to mention that I have a bookmark folder that says, "Youtube videos" at the very top of my browser. And it lists many of the most commonly needed teachings - like on condemnation and how to get a word from the Lord. All kinds of things like that. And so, when I'm answering a comment in the Comments section, all I have to do is open that folder and find the Youtube that would really help them, and drag it down and pop it into the comment box and then they have a teaching that they can follow up on and can strengthen them.

The Lord went on from here, *"Their comfort and unconditional love is important, but so are the teachings on this site. I am asking you to take the time to direct them to something solid on the very topic they are in turmoil over. All of you need comfort, love and acceptance but understanding is key if you are to withstand the assaults of the devils once you are away from this channel and its support.*

*"There are many among you who have come under extreme condemnation and attack. Yet you have forgotten who is the author of that and allowed yourself to draw away from Me. No more! When you feel condemnation, draw close to Me and recognize the source is the enemy trying to disarm and discourage you. When you feel condemned, you dare not counsel or comfort others. It causes you to withdraw. Fight that tendency and come running, running to Me. And I will set you straight.*

*"Multiple diversions and divisions have been planned against this channel. Do not allow yourselves to be taken away from My Heart. All of you who are Heartdwellers, cleave to Me and do not allow yourselves to be captivated or diverted by specious arguments, vain imaginings, accusations and topics that cause division. Recognize these for what they are: insertions of the enemy to take your attention off the things that really matter at this time.*

*"Edify, edify, edify one another with Scriptural passages, Psalms and exhortations. Share your burdens one with another and work out your salvation with fear and trembling. Do not allow any souls to leave this channel feeling badly about themselves. Calm and encourage those who come limping in the door. And give them more to feed on from My previous messages.*

*"There are those - many, many of those who feel so condemned that they have lost hope of being Raptured or that even their salvation is at stake. Tend to these. Gently mother them back to health and point them in the direction of getting their own words from Me. They need to know, in those dark moments when no one is around, they need to know that I am with them, I love them and their hope will not be disappointed in Me. That is why you have all been taught to seek Rhemas, so you will not be*

*overpowered by the darkness at a time when you are all alone and most vulnerable.*

*"When a soul comes on this channel asking questions because they have heard slander, give them something solid to latch on to. Especially the teachings on getting their own confirmations from Me. Start them off immediately on cultivating their relationship with Me. They are here because they are looking for answers. Yes, give answers, but more importantly teach them how to get their own answers from Me. Until they have cultivated that skill, they will be at the mercy of the most convincing arguments and deceptions.*

*"These times are rife with lies, distortions, theories and proclamations not from My mouth, and your faith is NOT one of confusion but one of clarity, joy and peace. Yet those who come to this channel have been fed by the world and have had their fill of the world, of religion and churchianity. They are looking for relationship not only from those who truly care and are real Christians, and take the time for them, but relationship with Me they can count on. Teach them those skills and refer them to videos that clarify those skills. Take the extra time to make sure that they've latched on to some solid food.*

*"Understand that this is a fish gate that has gained notice from the powers of darkness and many divisive tactics to injure you and the core group have been set into motion. Shun underhanded attempts to cause division and confusion. Cleave to the mandate of all My Heartdwellers: to love the truth, love your brother as yourself and love Me with all your heart and strength. Do not let pettiness or jealousy gain a foothold here. Run to uplift others and utterly stamp out those things that are repugnant to all of Heaven: jealousy and judgment.*

*"I say this to you as a caution, because I can see what is planned for this channel. As we draw closer to the moment of supreme truth and sifting, the devils will throw in any kind of device that can injure those who have given their lives to Me on this channel. You have all passed through some very rough waters here and I commend you for your faithfulness. Know that the battles will intensify, so love one another from the heart, tenderly, and rush to each others side when trouble comes calling.*

*"Know that this channel is noted for it's brotherly love. There is no mistaking it. It resembles the church of Philadelphia, the one church I promised that I would keep from the time of testing that is to come upon this Earth.*

*"That is why I have so readied you all for the Rapture. You are that church and as such you have a solemn obligation to protect the love and concord of everyone who looks to this channel for inspiration and guidance. You have done well, My Brides. Just be aware that the enemy is not done with you. Yet, nevertheless, I am with you and brotherly love will conquer all the enemy has planned to stop you.*

*"I love you, My Brides and hold you tightly to My Heart. Continue to take draughts of mercy and love from your intimate times in prayer with Me and you will have more than enough to neutralize the poisons that bring disrepute to My Name.*

*"Love one another as I have loved you."*

## From Glory to Glory

---

March 31, 2016

I pray the sweetest blessings of His presence will be with all of you, Heartdwellers.

Well, today as I came into worship, still coming down off of "work, work, work", really several times I caught a glimpse of Him holding me as we were listening to worship music. And just kind of gently rocking back and forth. He does this SO often, and with so many of you - and you're not even aware of it. And that's the subject of His message tonight.

As that was going on, I kinda was fighting distractions and that kind of thing. And after about, oh, the eighth song He said, "You try too hard, My Love, I am right here with you. You don't have to try so hard, it's as natural as breathing in and breathing out. I am just here, holding you, caressing your brow, and speaking tenderly to your heart. Through no fault of your own, your 'tuner' has been corrupted by work in the world, but I am here and resetting it to My Perfect frequency, the God frequency.

*"Oh, how I wish everyone would come to Me to have their tuner reset. Many of you try too hard. You imagine Me to be some kind of task master and evasive presence that stands far off waiting for you to grapple your way in the dark to Me. How silly! Rather I am standing before you, even holding you in My arms saying, 'I'm right here, Beloved, what is so hard about that? I'm right here.'"*

*"You see, it is My heart that is longing for attention from your heart. So if one is longing for another, do they not make their presence known and felt? Do they not pursue the object of their affection, send sweet notes (rhemas), send flowers and even play romantic songs for them?"*

*"So, do you think I am less romantic than the most passionate yet pure earthly lover? Oh, how mistaken you are. I know everyone of your buttons! I know your favorite colors, your favorite music, the little things that bring you the most joy - like the robin singing outside your window, or your kitty softly purring by your side, or the sweet spring air. Oh, I am so very aware of what moves your heart. Did I not create creation just to bring you joy?"*

*"I did, and neither did death or suffering enter in until your ancestors fell. That was not My plan. Yes, what I created for you was a perfect world. One where the animals ate from your hand, the fish rushed to greet you in the water, the flowers turned their petals and followed you. Everything was full of Divine Life, because that is what held it together, uncorrupted. My Love held it together and My Love still holds it together, though it is monumentally corrupted by Satan."*

Through Me you live and breath and have your being. Acts 17:28

All things came into being through Him, and apart from Him nothing came into being that has come into being. In Him was life, and the life was the Light of men....

This is a Scripture that came to me as He was saying that. That's John 1:3-4

He is before all things, and in Him all things hold together. Col 1:17

*"Have I not given My very life's blood for you? How then can I stand afar off when you come searching for Me?"*

*"Many of you hear My voice very clearly, but you attribute it to yourself. I am working with you to assign My station to your tuner so you can clearly tell who is Who. This is My top priority for you, establishing communication. How can you do My will if you cannot discern My voice? Well, it is more than a voice, it is movement in your heart, a subtle kind of yearning or sometimes a deep burning that can only be satisfied in My presence.*

*"There are times of infusion. An infusion of grace and wisdom, love and healing. Yes, as you enter My gates with thanksgiving and praise, My heart is stirred into flame again and again for you and I impart whatever is most needed to your soul.*

*"Some of you who are new to this channel have not heard or understood how I long for your company. I have spoken on this many, many times. But it bears repeating even in the presence of those who have heard it before.*

*"I long for you. I ache for you. I know the hurdles you must conquer in the days ahead and I want to be there for you every inch of the way. I want you to know that there is nothing ahead in your life that we cannot accomplish together. There is no dream I have put in the deepest places of your heart, that I will not grant you the graces to accomplish.*

*"So many give up on life before it's even begun. You settle for the little bit you need to maintain your physical life, but do you know that I have so much more in store for you? Do you know that each of you has the perfect DNA for very specific accomplishments, things you would never imagine yourself doing?"*

*"Oh, I long to get you to look much further than a roof over your head and food for your belly. What I have endowed you with will easily provide those things, but you must join with Me in your dreams and plans."*

And at this point, I just had to ask Him, "Lord...there is little time left for the pursuit of new paths?"

And He continued, *"For some, that is not true. There are those who frequent this channel that will be left behind and many of them are aware of it. But even more than the concept of limited time, Clare, is the ability to dream. Most people confine themselves to a little box that will provide for their basest needs.*

*"That is no way to live. I created man to flourish, expand, dream and accomplish great things. But man has settled, and those that have settled are not happy, are not fulfilled. They know there is something greater for them to do, and I am encouraging them to dream.*

*"For those who will be taken in the Rapture, there is not one dream you have had from Me that will not be fulfilled. Every wonderful expectation and possibility, will find its fulfillment in Heaven. For I wish to see you rise into the beauty that lies dormant in your souls. Therefore, you will be richly provided for to*

*accomplish things you have admired but never dreamt possible. So you, too, can be edified by this message.*

*"When I come to set the captives free, they don't file off to some refugee camp. No, they are brought into the courts of Heaven, given new bodies, new raiment, new tools, new training and new opportunities - and most important of all new love for Me and for mankind. Knowledge is infused, it pervades the atmosphere; you don't have to ask, you know. Talent is a given, to hear or imagine and to execute comes automatically, without a second thought.*

*"Oh, how wonderfully easy is life in Heaven and yet there is still challenge, an invitation to rise higher and higher in love for your God and fellow man. An invitation to serve and bring joy to one another.*

*"So, for those who will still be on the Earth, I ask you, search your soul, still your spirit and rest in My presence. Come to be filled, instructed, encouraged and healed. You cannot receive these things if you are constantly active, constantly thinking and planning. What I want to impart to you lies beyond the mind, in the heart - the very place of your being. There I wait for you that together we may walk into the glorious future ahead of you."*

Oh Lord, with all the things written in Revelation...where is the glory in that? All those terrible things that are to happen to the Earth?

He continued, *"Oh, the challenges are horrific, and for those who overcome, so is the glory, so is the satisfaction of knowing you have lived your life to the fullest. You have taken My hand and gone beyond the boundaries you set to maintain the basics of life. Many will be plunged into unfamiliar waters. This will cause them to seek Me until they find Me and from there we will negotiate those rough waters until we are walking on them. Gifts of knowledge, healing and working miracles will come with earnest and even desperate prayer.*

*"Some of you have watched as others prayed for miracles and they manifested. Secretly, you longed to be used in this way. Well, in the days to come, that's exactly what will happen; you will be called upon to pray and see the miraculous manifest before your very eyes. Some of you will courageously and gladly face death for your brother and for Me. Secretly, you have longed to have such courage but looked at yourself only as only a coward. That will change! Trust Me, that will change.*

*"Each step along the way, new impartations of courage and wisdom will be given and you will ascend the heights I had always destined for you. Do not be afraid of what is to come, rather set your face like flint, knowing that I will take you from glory to glory!"*
