

Spiritual Warfare: 2 - Ranks & Weapons

August 1, 2016

Wow! What a powerful lesson in Spiritual Warfare this is. Oh Heartdwellers, I pray you will hear and understand this message clearly and use it as your first defense against the enemy. May His courage and wisdom is with us! It IS with us!

The Lord began, "We are going to continue on with spiritual warfare. First, I would like you to tell them about your

experience with the multitude of demons."

Okay. Well, Ezekiel and I pray for each other constantly, and on this particular occasion, he had bound specific demons and we also bound replacements, leaders and retaliation. But they kept coming back day after day after day. I looked for open doors, but was not aware of what that might be. Ezekiel asked the Lord, "Why do they keep coming back?"

Jesus answered him, "*Because there are so many. Many, many more than you can number.*"

And now I am learning from a friend of ours, who is also a Dr. of Radiology and a very spiritual person, that there are demons for every little thing.

For instance, if you are troubled by diverticulitis, there are several different kinds of demons that work together to cause the disease. And I'll just give an example here: something to begin the process by sticking, demons of accumulation, constriction, stretching, infection. Demons of permeability, inflammation, blockage, spasms, etc., etc. Those are just examples of the type of demons that would be involved in that process of giving you that disease.

Now, since she is a doctor, when she prays, Holy Spirit gives her medical terminologies, very exacting terminologies. How amazing this is! And she is constantly telling me, "You've got to ask." Meaning, if you want to know something, we have to ask Holy Spirit to disclose it. We all know He gives us a word of knowledge without asking, but the way He works with this vessel, we have to ask.

And I love medicine, and the body and its systems, so this is very educational for me. When she prays in tongues, sometimes it's Russian, Spanish...different languages I don't always understand. But we have discerned over the months that she is the real, authentic thing. She is also a victim soul and frequently attacked with stroke demons, which damage different parts of her body. But because she is completely yielded to Jesus, He heals her afterwards and there are very few symptoms left. But while it is happening, it is very serious.

I'm sharing this with you, because much of the information I am going to impart to you comes from our experiences together when she prays and the many things she has been taught by Holy Spirit.

So, yesterday we talked about open doors - you and I talked about open doors. And we only touched on it, we didn't go into depth. Suffice it to say that God is so HOLY. His standard for thinking and feeling is HOLY and bears no resemblance to our human ways that so easily write off our bad thoughts and behavior as if they don't do any harm.

But they do much harm. As I have told you in other messages, when you think a bad thought about a person - it wounds them. If you speak it - it brutalizes them and leaves them in a heap with much injury only the Lord can heal. That is only one reason why He is so adamant that we not judge another. Another reason is that judgement is like effluent, that comes out of the sewer, to the angels and saints and our sweet Holy Spirit and Jesus, who are always with us. That's terribly offensive and opens the door for demons to come flooding in.

There is a reason why the Scriptures tell us many times to keep a guard on our mouth, because it can do so much injury. And if you are criticizing a Christian you are putting lashes on Jesus Himself. If you are criticizing an unbeliever, you are pushing him or her away from the possibility of ever being saved. So either way, any kind of critical word, attitude, or thought is serious sin and opens the doors for us to be sifted.

That said, as she was praying for physical healing, several times she had a long string of demons, sometimes even twenty or more associated with one issue. Demons that cause infection, demons that cause sciatica, demons of edema, bruising, lesions, demons of infirmity, lying demons, on and on and on.

It was acknowledged to us that if you are not given the specific names of demons, you can still lay hands on someone and pray with tender love that they be healed - and God will do the rest. So, there is hope for us simpletons. This is a confirmation of what Jesus has been teaching us. All that is needed is a believing Christian and a sick person to make a miracle. It's just that simple. But understand, there are millions of demons loosed in the world, especially now since CERN has opened portals and we are near the end.

Lord, what would you like to teach us?

He began, *"I am more powerful than all the demons collected together in one place; there is no comparison. My children, I allow them to sift you to get your attention. When a child is a toddler, the whole world is new to them and unexplored. All of you are like toddlers to the demon world; you have no idea how complicated it is. Yet to pursue this knowledge, without increasing charity at the same time, would leave you very vulnerable to Pride.*

"So, I am going to tell you now: keep charity, brotherly love and humility as the MOST important virtues, that you must make progress in every day, to stay out of serious attacks by the demons. These virtues are like armies that fight a puny little group of soldiers. They are no match for these virtues. But if you think, say, or do anything contrary to charity, you are moving your army out of the way and leaving a huge opening for even the littlest demon to attack.

"So please, arm yourselves each day with the fruits of the Holy Spirit through worship and meditating on My Words and deeds. Hold these things tenderly in your hearts and mull them over frequently... 'What would Jesus do?' This will help strengthen your character and humility, which has been so damaged by this world's thinking.

"Especially you who have been rejected and wounded. You are most vulnerable to attack, because you've developed an emotional bruise, which also allows a demon to enter. Demons of rejection, retaliation and pride - which work to build you up where you've been criticized. This is a natural, fleshly, defense mechanism and survival response to being talked down. You are made to feel vulnerable and less than others, so in order to compensate, your mind begins to make you better than others, to fill in for that lack. This is trouble. Being wounded, you can't help but respond in pride. You can prevent if you are very careful.

"Your self-worth, their self-worth, anyone's self-worth is not in what they own or what they've done. It is in My shed Blood on Calvary. Plain and simple, I've purchased them with My Blood and they could never produce anything that even approximated the worth of God's blood.

"Now, I will tell you about these demons. They are very little and must work in groups to get anything done. They hate prayer more than you would hate boiling, molten metal being poured on your body. Prayer burns and debilitates them.

"They have very specific ranks and groupings. And just as in the armed forces you have divisions made up of 10,000 to 18,000 men, so in the demon world you have groupings of large numbers. They are controlled by different ranking demons, with the heads being principalities that rule over specific areas and call the shots as to what will be loosed on their victims. That is why you will notice that you all suffer similar setbacks and attacks, because these same tactics are being spread far and wide simultaneously. It might be the flu, marital problems, strife at work, gossip or spiritual dryness. You will notice, on this channel, it often happens that almost everyone is going through the same trials at the same time. That is the work of a principality.

"For a disease, you may have hundreds of demons that work together in body systems. Demons of inflammation of muscles, inflammation of nerve endings, inflammation of bones. Demons of swelling, water retention, dehydration, weakness, fatigue, over-stimulation. Demons of infection, viral demons, and excrement that is left behind by these demons when they are done working, which is also toxic to healthy cells and spiritually very toxic. You will never be able to pinpoint and name every demon. But with a blanket of genuine, heart-felt brotherly love, you can pray and I will heal.

"So, you can't necessarily fight these individually, unless I provide you with the names. Praying in tongues, in the Spirit, is your most powerful weapon, next to Love. Praying in the spirit looses your intellect, that Holy Spirit may take over your intellect and pray through you in His own words and thoughts. You may ask for interpretations of the tongues, and sometimes that will be granted you.

"The amount of gifts I allow you to manifest is in direct proportion to your humility and genuine love for your brother. So, anytime you ask Me for a gift, expect to be humbled before it is granted you. The living waters flow downhill to the lowliest of places, where they collect in pools. So, if you want more giftings, it is up to you to correspond to the graces I give you, to humble yourself not only before Me, but before all men, as well.

"What is humility? It is seeing yourself as the very least among others, and knowing for a certainty that they are 'better' and more deserving than you. When you come to this place, you will be very happy, peaceful and secure. There is nothing to prove, nothing to defend, nothing to show off, nothing to recommend you over anyone else, in anything. You are already at the absolute bottom of the ladder, so

there's no place to fall.

"Remember, also, that the holy angels observe the truly humble soul and rush to their side in difficulties. They are less excited about helping the proud, though they do so under obedience. Still, they delight in turning the tide on humble and little souls.

"So, what am I saying to you? What I have been teaching on this channel is still the most important and sophisticated weapon of warfare you can have in your arsenal. Tongues will cease, miracles will cease, healing will cease, knowledge will cease. But Love... will never cease.

"The best defense is a good offense. And nothing is as obnoxious to the demons as authentic, brotherly love from the heart and prayer. When you refuse to listen to a derogatory remark, refuse to allow yourself to think something derogatory, and replace these things with something positive to say - you infuriate the demons. They are trying to open doors and your's is slammed shut. And worse yet, you are closing other people's doors by your example.

"Especially now, Beloved, where there is nothing but filth in the media about candidates. Do you realize what's being done to you? Right now, the media is opening your doors to demonic oppression. Yes, when you listen to criticism, unjust criticism especially - calumny - you've just opened a door. How simply elegant is that? Demoralize America by flooding their minds with filth. And it works! My People, you have to be smarter than the enemy. This is one reason why I ask you not to watch the news, because there's sin after sin after sin in the news. Not only the sin of crimes, but the sin of calumny and lying, gossip.

"If you want to be strong against the demonic powers, practice charity and brotherly love with humility, and you will be the victor in every battle.

"Go now, My little flock, and understand you are the target right now of vicious attacks. But I have just armed you with the most formidable weapons of warfare. This channel will continue to be attacked for what is being taught, and it will be wisdom for you and much to your benefit if you totally abstain from engaging that poison out of curiosity. And please, stay away from the media propaganda, which has been engineered by Satan to open your doors to his oppression.

"Understand that you can be defiled by what you choose to view or hear. And in the process, I am defiled as well, and deeply grieved.

"Go now, My chosen souls, and wield the power of My Love as Sampson even wielded his weapons under the anointing. You will do great exploits with these weapons.

"And remember: a pure soul - that is, one who refuses to think or listen to evil - has incalculable influence before God."

Spiritual Warfare: 3 - Critical Spirit an Open Door

August 3, 2016

Well, Heartdwellers, the Lord is taking us by the hand and helping us cross the Santa Monica Freeway at rush hour...without getting run over. Just sayin... We are continually crossing fast-moving traffic in the spiritual realm. And we've been creamed in the past; but this is a new day.

During worship, Jesus came to Me and said, *"I'm proud of you. You are doing much better with judgment."*

Thank you for helping me, Lord. I hate my pride, judgment and critical spirit - they are absolute poison.

"You can say that again."

They are absolute poison!!!

(We giggled.) Nonetheless this is a serious, serious issue.

"It is, and you are finally beginning to understand the scope of it in your life. It explains why there have been a lot of attacks. The critical spirit is a fast door-opener."

And then He said, *"Share with them your experience."*

I figured I'd be doing this again...

He replied, *"Always. It really helps so many of My children to come to terms with their faults, because you are transparent about yours."*

OK. This morning, Ezekiel and I were praying the binding prayer together. And halfway through it, I had the strongest understanding that the battle is in our own hearts more than anywhere else. What good does it do to pray the binding prayer, when I turn around in the next breath and have an accusatory thought, which I follow up on with my own thinking, topping it off with condemnation for that person?

It does no good, dear ones. You might as well forget praying the binding prayer if you are going to continue with judgment and a critical spirit.

I also wanted to share with you, that when He allows suffering because you did have a critical spirit and injured someone else - part of that suffering is for your correction. Part of that suffering is to comfort that person, because they need spiritual healing - so it's a fast offering for them. And part of it is applied to lost souls in the world. So, in other words, the Lord is continually using anything we have as a fast offering, for the work of redeeming souls.

So, don't feel like all is lost if you opened a door. The attack from that is partly to correct you, partly for souls, because you have consecrated yourself to the Lord and given all that is yours into His hands. And it's like a fast offering behind missionaries, so to speak, just the gospel message can be delivered and hearts will be opened. And part of it is a fast offering for the healing of the person you've injured by your words.

But every time I open my heart and mind to be critical of others or hold judgments, every single time...I'm cutting off my nose to spite my face. Not a pretty sight. When Holy Spirit quickened the thought to me that praying the Binding Prayer wasn't going to cover the day unless my heart stayed in the place of charity, I realized how very serious this is.

At that point, the Lord began speaking again, *"It is a fact. When you are critical of others, even in your heart or mind without saying a word, you have just opened a door. Not only that, but the thought sticks to the person you criticized and hurts them. So, first you must repent of the thought which you followed up on; then you must pray for the person you just injured."*

"This is a spiritual law. So few Christians realize it. The ones that do and live by it are very high up in ministry, because I can trust them. Other ministers, once they get into name calling or accusation, all the demons that have been waiting in line for years fly in the open door and begin oppressing them. The more harm that is done, the worse the oppression they will suffer. And some will even lose their lives. This is a law, a dynamic of the spiritual realm."

"My Children, say NOTHING evil about anyone. Do not linger on an evil thought, do not entertain it, do not follow up on it. Do not. I tell you this for your own good. If you do this, you will suffer. You have just stabbed one of My children in the back and opened a door. Much damage comes through just one critical thought."

"And by the way, most of what you accuse others of, you have been guilty of at one time or another - and the accusation may not be grounded in fact."

"Very often the devils will goad you on with all kinds of thoughts about people who have hurt you, or you feel have done you wrong. They are like cheerleaders cheering you on. They goad you to make all kinds of nasty connections and accusations. Most of the time what they say is pure, unadulterated lies with no basis in fact. You have been very guilty of this, Clare. That's why you are getting so much calumny - at least one reason."

And then, I broke in at this point and said, 'Yes, when we were on the mountain we had people who were known Satanists constantly coming on our property under the guise of an innocent trek in the woods. But there were others that came by, and we didn't know if they were part of the coven or not. But by assuming they were, we opened a huge door, because some of them were just curious and were innocent of any wrong-doing.'

And I think here, it is important to note, we were barraged and provoked by demons to accuse everyone we came in contact with. And that was my downfall.

Jesus continued, *"It is important to note that when your mind is perceiving thoughts that are critical of others, you may be picking up on what the enemy is broadcasting to deliberately lead you into judgment,"*

so they can walk right into that open door. In fact, many come with the assignment to open the door and then proceed through it, so they work very hard at getting an opening. Until that door is open, they are stymied.

"This is why, My People, I have continually told you, from the very start, not to judge and to stay away from the news. The news is slanted to get you to criticize. It doesn't matter whether it is true or not, whether you started it or not. All that matters is that you took it upon yourself to judge another, and most of the time without even knowing the facts.

"When the so-called facts are lies, then you become complicit in the sin of false accusation. Do you see the wisdom in this, My Brides? The media is being used by Satan to provoke you into judgment so there are open doors in your lives, and the enemy can penetrate and wreak havoc. I very much want you to make this connection, so that you can protect yourself."

Lord, is it ever safe to watch the news?

"The information you get from missionaries is for the most part honest, and gives you an occasion to pray and offer gifts. But the news which is politically controlled is divisive, misleading and manipulative. I wish all My People would come to Me for the news and I will tell them what is important for them to know or pray about. This is why I will send something across your desk, without you asking. But even then, Clare - be vigilant.

"But even in your correspondence, or conversations, watch out when people are having difficulties and are accusing others left and right. It isn't healthy to engage these things, and most of the time the information is slanted to their advantage and you become complicit in false accusation."

Wow...this really gets convoluted and tricky...!

He continued, *"I wish you could all see the knives I pull out of the backs of Christians daily. You would not believe the extent to which this is being done all over the globe. And not by Muslims or Communists, but by other Christians. And then they wonder why they've come under such heavy oppression."*

I would like to share something with you, Dear ones. You know how you can be in a hurry or get irritated because your loving spouse misplaced something or used something important without thinking it through or asking? This is the most common source of sin in my life. I tend to be very impatient and guarded about my time, because I never finish a day having written to everyone as I should have. Or worked on the painting, or worked on music. So, I am very, very jealous with my time. And if something inconveniences me or makes more work for me, I get resentful.

Guys, this is a terrible poison! Even when you hold it in, it damages you and your spouse. Resentment builds, and pretty soon you have a full cesspool of effluent. Those little things that can irritate and cause you to sigh and wish that hadn't happened? If you don't catch those the very moment they come to mind, you're allowing a seed which can take root and make a very deep crater in your relationship, full of unspoken resentment. And you don't even realize from day to day that it is there, until another thing gets flushed down the drain. It does get full guys, it really does. But worse than that, is the door you opened by being critical. That allows the demons to come in and sift you in so many ways - it's a huge open door, bringing with it ingratitude.

What's the answer? Brotherly love. Making excuses for one another. Thinking back to a time when you did the very same thing or worse. It levels the playing field and you can't criticize them for what you just did last week! Calling to mind their wonderful virtues and all the times they were there when you needed them. And considering how faithful they've been to you, though you have let them down many times as well.

Remember back to when you didn't have someone who truly loved you and shared in your troubles, really caring for you. That in itself is very sobering. Consider how you would feel if they were gone tomorrow. That really helps with appreciation. These are all ways to get ahold of your thoughts - taking every thought captive and submitting it to Christ in all His Divine Humility. He Who humbled Himself, dying the death of a sinner just to have His Church in Heaven with Him. We have not resisted to that point yet - so what do we have to complain about??? Here, I'm preaching to myself.

The Lord continued, "Well said...and better yet, if you live by these thoughts. Then you would have very little need for spiritual warfare; the angels would be continually rushing to your side and you would have no open doors.

"This is very serious teaching, My Loved ones. I am telling you this, because many of you have bitterness in your hearts and this has left the door wide open for more oppression in your families and in your marriage. And please remember: you pass your example on to your children.

"I am praying for you all, My Dear Ones. I want to see you enjoying the beauty of your lives. I want you delivered from evil, but many of you have tied My hands by continually opening the same doors. And until you see what you are doing, My intervention will only last a few hours or a day until you open that door again.

"So, look deeply into your hearts and do not allow the enemy to make it his home anymore. Keep very strict vigilance over your thoughts. And anything negative, immediately renounce it. And if you find yourself entertaining it, repent and pray for those you have injured. I am with you in this. This is the season for getting a grip on how you invite the enemy in. I am strengthening you in wisdom and spiritual warfare. Now that you know, blessed will you be if you practice them."

And I'd like to just take a moment and thank you so much for supporting our ministry. Beneath this video, if you click on "show more", it'll guide you to all the different resources we have on our channel.

How WE Can Develop Blind Spots, An Obtuse Spirit

August 5, 2016

The Lord bless you, dear Heartdwellers, with His Wisdom.

When I came into prayer today I was upset about something, a situation that I was trying to help in - and it kind of backfired on me. So, I was a little bit upset and I was concerned for a certain soul.

And I said, 'Lord, I am here and you know the grief I am feeling. Where are You?'

Jesus began, *"That's a silly question. I'm right here with My Bride, whom I love."*

Awwww.

"Don't worry about this soul, I am taking care of it. 'Faithful God' - get the hint?"

Well, the reason He said 'Faithful God' is when I awoke from my afternoon nap - after I fell asleep in worship, I was praying for someone and very concerned. Aching, really. And the song "Faithful God" by Gateway Worship came on. I sensed it was the Lord's answer to my concern, because when I tried to approach the situation directly, it was rebuffed. So, now I know I can rest in His Faithful provision and not worry about it. So, that's why He said that, 'Faithful God - hint, hint!'

At the risk of repeating myself, I just want to say: that's a wonderful way to hear the Lord and what's on His heart for the day.

'Lord, is there something more you want to say today?'

"Never be afraid of being wrong. If you have this fear, you are sure to be manipulated by Satan. If you care nothing about being right or wrong, but care very much about the truth, the demons will have no leverage on you."

"Very often I allow error, because I'm taking the soul into a breaking through to a better level of understanding. Always, humility comes before promotion."

"My Dear Ones, there is nothing wrong with being mistaken; there is everything wrong with being in denial."

"When a soul becomes convinced of their own rightness, an obtuse spirit gains entry. An obtuse spirit builds walls that make you blind to the truth. Whatever knowledge threatens you, they build a blind spot into your thinking. If it goes on for years and years, a person's world becomes more and more narrow and limited. Please, always value the truth above being right and this won't happen to you."

I looked up the word obtuse, by the way - and the only thing that fit what I knew He meant from my experience with this word was "boneheaded." lol... Oh well, I think "obtuse" is a nicer word!

"I lead My vessels through many, many paths of breaking and reforming; more numerous are they than you can count. When you come to serve Me, I have plans that I automatically implement, so that you will go from glory to glory. Don't be stubborn or lax, Dear Ones. All is for your good and the good of My Body."

At that point, I was reminded of the building of a skyscraper. The foundation goes down so many hundreds of feet to support the top of the structure. So, the more important the ministry, the longer and deeper the preparation time. At least, that's been my observation.

He continued, *"I am purifying My vessels in this hour, so don't be surprised if you uncover some blind spots in your life. Better now than later. What you work on now will no longer hinder you as you move forward. What you refuse to work on will hold you back - just like the Israelites were held back, when they continually went 'round the mountain for 40 years.*

"Souls that fall into this life pattern only come to know themselves when I take them to Heaven. Then all is seen so very clearly. For some, it's a painful shock; but for others, it's a happy surprise. If you know Me, truly know Me on this Earth, you will also know yourself, because I teach you all about yourself as you follow Me with your whole hearts.

"So, never be afraid to be wrong. But always be concerned about missing the Truth. Stay faithful to Me and faithful to the Truth and you'll have nothing to be ashamed of in that Hour."

Is Still Small Voice A Study in Blasphemy? Is Clare du Bois Possessed?

August 6, 2016

Well, my dear Heartdwellers. Because certain souls have been scandalized, I've been asked to address this accusation that I'm committing blasphemy.

So, let us begin by examining the meaning of the word.

Blasphemy: the act or offense of speaking sacrilegiously about God or sacred things; profane talk, profanity,

sacrilege, irreverence, taking the Lord's name in vain, swearing, curse, impiety, and desecration.

Unfortunately, people hear ugly things being said about me and they don't always take the time to find out whether or not it's true. There are many, many misrepresentations and distortions, taken out of context, so called "quotes" of what I supposedly said or taught, that are absolutely untrue. Please don't be gullible. Be smarter than your opponent, the Father of Lies, who hates the idea of you being close to Jesus in a real relationship. That is the most threatening thing in the world to him. Because if you're in a REAL relationship with the Lord Jesus, you're going to hear from Him. You're going to obey Him. And you are a threat to the kingdom of darkness.

So, before you swallow these lies, I invite you to use our search engine on the teachings the Lord has given us on this channel. Just type in the word you are questioning and then read the PDF and see what I really said - and if what I am being accused of is true or a lie.

I want to begin by saying I have **never, ever** inferred any sexual contact with the Lord. He is a virgin and He is totally sacred, holy and pure. Furthermore, I have never had any feelings like that for Him. I love Him with my life! But at 70 years old, on pain medication for Fibromyalgia, that aspect of my life was over a long time ago. But even if I were raging with hormones - I can guarantee you, in His presence there is NOTHING but Holiness and absolute Purity.

If someone has told you different...such as "she shared her bed with Him" - that is totally distorted. How many times have you fallen asleep, knowing that the Almighty was beside you, covering and comforting you? How many times have you been sick and felt that He was right there with you?

All of these filthy accusations are the product of a mind that is carnal and has no experience in Heaven or with Heavenly encounters with God. And I might add, has never bothered to listen to the teachings on this channel.

So, let's go back to the beginning of the public writings, where I describe encounters with Jesus in Heaven. That would be found in our first book, [Chronicles of the Bride](#), available as a free download on our web site. The link is below this video, just click on 'show more.' It will open it.

This very special relationship with Jesus. It is portrayed in the book as a REAL relationship with the REAL, fully-God and fully-Man, Jesus. Because He came to Earth to reveal to us the true nature of God.

We have many narratives of His love and interaction with His disciples and His followers. He came to me while I was in worship one day, and invited me into Heaven with Him. He showed me the natural wonders He created for me - and treated me like His dear friend and virgin FOREVER Bride. He took me swimming: He was fully clothed and so was I. We went flying, surfing, horseback riding... I mean, why do you think animals are in Heaven?? He returns on a horse; why shouldn't He go riding with us?

Then Holy Spirit made me aware that people's relationship with Jesus is stunted and artificial. We never "get it" that He is fully God and fully Man. We get the God concept, but totally ignore His human nature - the one that is personal and loves His Bride in total purity.

He set the stage for this by coming to Earth. For far too long, Jesus has been held at arms-length while we sit behind a desk, with the Bible opened to the Gospels, and keep our distance. This is the work of a Religious spirit trying to keep Jesus remote and untouchable.

Yet, Scripture says He ate with them. He slept, He cried, He perspired. And He died. He went fishing, He cooked, He washed. He thirsted, He got hungry. He sought privacy from the crowds. He was fully human with His disciples. Do you really think He sat across the desk from a Bible that wasn't even written when He interacted with His disciples - and sanctimoniously waited for them to address Him??? Do you really think He never touched and held the little children, or Mary and Martha grieving for their brother?

What kind of picture do we have of Him? Is He an animated statue that demands we prostrate ourselves and not come near Him? Or is He a man who lived a real life with His apostles and suffered the same things we all suffer as human beings?

So, what do we use as a reference point?? We use the Scriptures!

Did He grieve? Jesus wept. John 11:33

Did he feel the need to be comforted? "Were you not able to keep watch with Me for one hour?" Mark 11:37

Did He celebrate? On the third day a wedding took place at Cana in Galilee. Jesus' mother was there, and Jesus and his disciples had also been invited to the wedding. John 2:1-2 So, did He sit around with a dour face, while everyone else was dancing and enjoying themselves and feasting?

In John 21:9 when the apostles were fishing and not catching anything, the Lord was on the shore with a cooked meal. The Scripture says when they landed, they saw a fire of burning coals there, with fish on it and some bread.

Did He feel grief when Peter denied Him three times? Of course He did! Peter was hurt because Jesus asked him the third time, "Do you love me?" He said, "Lord, you know all things; you know that I love you." John 21

Did He get hungry? Scripture has it, after fasting forty days and forty nights, he was hungry. ... Matthew 4:1

Did He get tired and seek privacy from the crowds? Early in the morning, while it was still dark, Jesus got

up and slipped out to a solitary place to pray. Simon and his companions went to look for Him, and when they found Him, they said, "Everyone is looking for You!"...Mark 1:35-37 So, it had to be probably 11:00, in the middle of the day, they couldn't find Him, they went looking for Him.

Did He embrace the children? Jesus said, "Let the little children come to Me, and do not hinder them! For the kingdom of heaven" belongs to such as these. And (after) He had placed His hands on them Matthew 19:14-15

Jesus did all these things as an example to us, that He is truly our best friend and in Heaven the fulfillment of all we've ever longed for. Will we see Him only on a throne? Or will we go on picnics with Him?

I believe we will worship Him on His throne AND go on picnics. I don't believe it has to be either/or. What does Scripture say???

He will rejoice over you with singing." Zephaniah 3:17 "Rejoice over you" - literally means "dance, skip, leap, and spin around in joy." God dances with shouts of joy over us!

Will there be a wedding banquet for the Bride without dancing with the groom???"For your husband has become your Maker, Whose name is the LORD of hosts; And your Redeemer is the Holy One of Israel, Who is called the God of all the Earth. For the LORD has called you, like a wife forsaken and grieved in spirit, Even like a wife of one's youth when she is rejected," says your God. Isaiah 54:5-6

Is the Song of Songs an allegory of Jesus' love for His Bride? It has been taught for centuries. Or is just a romantic rambling, something King Solomon wrote over his new wife? If that's true - why was included in the Canon?

Why? Because it has to do with God's affection for His Bride.

The Lord uses the allegory of Husband and Wife to convey the absolute unity and intimacy we should experience in our relationship with Him - not just in Heaven, but now on Earth. But carnal-minded people immediately assign sexual motives to God.

If you ask me - THAT is blasphemy.

How could a holy God enter into an impure relationship? Doesn't He state clearly enough that there is no male or female in Heaven and no one marries or is given in marriage in Heaven?

Jesus replied to the Pharisees who were making these false accusations, "You are mistaken because you do not know the Scriptures or the power of God. In the resurrection, people will neither marry nor be given in marriage. Instead, they will be like the angels in Heaven." Matthew 22:29-30

There is neither Jew nor Greek, slave nor free, male nor female, for you are all one in Christ Jesus. Galatians 3:28

But He uses this intimate language to portray the closest possible relationship with us. Union with Him, even giving us His body to take into our earthly bodies to seal this relationship in a holy and pure way in

Communion.

Christ loved the church and gave Himself up for her to sanctify her, cleansing her by the washing with water through the Word, and to present her to Himself as a glorious church. Ephesians 5:26-27

Some people will say that the Bride is the group...the church. But then, where does the Song of Solomon come in?

Oh, People! Who has beguiled you into thinking like a carnal man over heavenly things? Are you taking this as a man's opinion or are you searching the Scriptures to find the truth??

And are people twisting the Scriptures to make them allegory and not literal? Putting their own twist on it to discredit us?

What does Jesus promise us in the Scriptures about our relationship with Him?

"The one who loves Me will be loved by My Father, and I, too, will love them and show Myself to them." We're supposed to SEE the Lord. (that's John 14:21) If we love Him, we will see Him!

"On that day you will realize that I am in My Father, and you are in Me, and I am in you". That's John 14:20. How can someone live inside of you, and not feel what you feel?

"If you love me, keep my commands. And I will ask the Father, and he will give you another advocate to help you and be with you forever - the Spirit of truth. The world cannot accept him, because it neither sees him nor knows him. But you know him, for he lives with you and will be in you. I will not leave you as orphans; I will come to you." John 14:15-18

Guys, wherever you have Jesus, you have the Holy Spirit. And you have God the Father. The Trinity is inseparable!

"Anyone who loves me will obey my teaching. My Father will love them, and we will come to them and make our home with them. John 14:23 These are all in John 14, by the way.

Explain something to me, and think about this: how does someone live with you and not experience all the feelings you have... and not react? Did He not say, "Weep with those who weep, laugh with those who laugh?" Romans 12:15

So, should He live inside of us like a phantom that has no emotions and doesn't react to our sorrows and joys? Should He never hold and comfort us? Should He never dance and rejoice with us?

Don't you see??? We live on a dark, sin-swept planet and Jesus comes to regenerate new life in us. During worship, holding us to His heart, kissing our foreheads and healing our fears. How can we survive without this interaction with Him??

Personally, I was a very lame Christian until I had this kind of interaction with Him. I needed...MORE. I needed to be regenerated more. We are drained of life everyday. How can He live in us and not respond to our spiritual and emotional fatigue?

This is a new day, People. Satan has wrecked havoc on Earth. People are tired of a Religious spirit walking around with a prune face, judging and condemning. They are hungry for real love. Not sensuality, but being loved for who they are, right now - with all their faults. We are so busy trying to change people from the outside, we don't see that only God can change people and He only does it from the inside out. It is by His kindness that sinners are converted. Scripture has it, "God's kindness leads you to repentance." That's Romans 2:4

Why do you suppose so many testify that they met Jesus here on this channel, or that they have come back to the Lord, after falling away for - sometimes 30 or 40 years!

This is why we are hated and lied about. On this channel, you encounter the love of God; you get to see what a REAL relationship with Jesus is like, with an imperfect vessel. How He responds to me with all my faults. Not a religious encounter, but a born-again-of-the-Spirit-of-God encounter, where the Love of God overtakes us in our sins and we convert out of love...not just fear of Hell.

And I'm totally amazed at people who come on this channel and say, "All you do is talk about yourself and how Jesus loves you, etc. etc." If they ever come back to see my answer - I don't know if they bother - but it's very simple. The Lord wants me to be transparent. And He wants YOU to see how much He loves me, even though I'm a MESS. And that if He can use ME - He can use YOU. That's the whole point of me talking about myself! It's so that you can see: He loves me! I'm not perfect!

Aren't we all sick of the "perfect Christian"? And we know it's a myth and a cover-up. The personal lives of Christians are all messed up, because they don't DARE talk about their faults. At least here, you can see: someone has a LOT of faults, and God still loves them. And the community still loves them! It gives them permission to be who they are, and know that God can change them.

People are tired of our condemnation. They are tired of our religious formalisms. They are tired of man-made rules. They want the REAL JESUS - True God and True Man - and they have seen Him and encountered Him on this channel.

And THAT'S why we are lied about.

Please, don't be duped by a Religious spirit that condemns this tender relationship. Don't be beaten into fear of Hell because Jesus kissed a forehead or held an aching soul to His Heart.

Don't strip Jesus of His love and humanity! Experience Him the way He longs to be experienced. Put down the Religious walls and barriers. Can the fear! He loves you just the way you are and He wants you to encounter Him just the way He is and will be in Heaven forever.

"Don't let your hearts be troubled. You believe in God; believe also in Me. My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you with me, so that you also may be where I am. John 14:1-3

He just said, "I will come back and take you to be with Me..." Where? To the place He just prepared just for you. The place of your personal dreams. The place where you encounter living flowers, bees that swarm in hearts, horseback riding through the hills of Heaven. Where lions cuddle up next to you and

butterflies land on your finger. A place full of beauty and love He just labored and created for you.

Are you going to deny Him the joy of seeing you discover all of this because a Religious spirit said you can't have a picnic with Jesus beside a heavenly ocean? And He can't be possessive of His time with you? Because a lion comes trotting along demanding a cookie...and Jesus teases about that?

Is it sacrilegious to laugh and play???

One of my children had a dream that Jesus and Noah were out in a canoe. And Jesus stood up and started rocking the canoe until he flipped Noah into the water. My son woke up laughing and is serving Him to this day - thirty years later. He also had a vision of blood flowing from the Cross and covering the Earth. God communicated with that child on his level and those memories formed a part of his first Christian experience. Will you deprive him of this joy and tell him he is sacrilegious for laughing and it was really a demon he dreamt of??

I'm sorry to tell you this - and I'm not condemning you. But if you think that way, you are in serious bondage to a Religious spirit and you need to get free and renounce it.

May God forgive us for all the people we have turned away from the Joyful Jesus! They are still wandering in the darkness looking for Him. And when they find Him on this channel, the enemy finds gullible souls and feeds them lies and turns them away from what they could have had with Jesus...and threatens them with Hell.

Tell me, where is the fruit in that? Are you having problems with discernment?

Jesus said, "By their fruit you will know them. A good tree cannot bring forth bad fruit. Beware of false prophets. They come to you in sheep's clothing, but inwardly they are ravenous wolves. By their fruit you will recognize them. Are grapes gathered from thorn bushes, or figs from thistles? Likewise, every good tree bears good fruit, but a bad tree bears bad fruit....Matthew 7:16-17

And turning a soul away from their salvation, because they encountered the love of God on a channel is BAD fruit. And by the way, what do you experience on these channels that keep putting us down? Is it sweet fruit - or is it bitterness, rancor, hatred, condemnation, a critical spirit? What does that taste like? Does that taste like Jesus to you?

It doesn't take a PHD in Divinity to know the difference between something that's sour and bitter, and something that's sweet! The Lord made discernment simple - so simple a two-year-old could taste the fruit and tell you which one's Jesus and which one isn't.

Have we become so sophisticated that we are lacking spiritual taste buds? It's SO much simpler than we make it out to be. "Unless we become as a little child, we cannot enter the Kingdom of Heaven." Those are HIS words - not mine.

So, don't be gullible. Taste the fruit and TEST it with the Scriptures.

Jesus Gives Us 3 More Years, Conditionally

August 7, 2016

Well, my precious Heartdwelling family, the Lord has moved His Merciful hand once again. We have been faithful to pray, fast and repent and He has chosen to delay the horror of a nuclear war.

I had begun worship earlier in the evening and He called me to write down a personal message and I started to get sleepy by the end of it...that time of the day, and after dinner. So, He asked me to get a nap.

When I went to lay down, I saw Him to my right and He said, *"Three years."* Repeating Himself two times. I determined to discern that word when I woke up.

As I came in and sat down to be with Him, He began speaking to me, *"I am with you and I have been speaking to you. Thank you for trusting Me and listening."*

So, we have three years?

"That's correct - provided prayer and repentance and fast offerings continue. I really want to see conversion. Conversion of hearts and attitudes. And this is what's happening."

Lord, You know I'm gonna get stoned for this?

"And what is that to you? You will be with Me sooner."

Oh, thank You! What a way to go!! Are you setting a date for the Rapture, Lord?

"No. I am telling you that if prayer and sacrifice with repentance continue, I will hold off the worst of World War 3, and you will have time to create and do what is on your heart for the Kingdom. I am opening a window no one can shut. But it continues to be dependent on the faithfulness of My People, not just in America, but around the world."

"Russia is a mighty praying force, Clare. Indeed, they do not want war. After so many years of poverty and stifling oppression, they are beginning to enjoy their lives. They are sick of war."

That means no EMP attacks, Lord?

"Clare, now is not the time to be curious, My Love. Now is the time to be grateful."

Oh Jesus! I am grateful!

"Let me explain it to you this way. There are those among you who have been biding their time for the

Rapture and not serving Me with their whole hearts. I am giving them another chance. They have three years to show their love for Me with deeds not just words.

"The others among you have already been making plans and I am blessing them and opening doors that I've never been opened to them before. This message will give them a measure of peace, that what they've started, they do indeed have time to finish. These are things that I want to do with them, for the Kingdom.

"At the end of three years, we will take another look and see what the climate is. How much repentance has taken place, how many laws have been rescinded - abortion, for example - and how people have turned their hearts back to Me.

"Nevertheless, this IS conditional on continuing prayer. But I will say, there are substantial changes in hearts and attitudes around the world. People are waking up to the hidden giant that has been positioning itself to consume the nations and dominate the world, stealing their freedoms, their cultures and forcing them into a meat grinder. Yet, there will be jostling between the communist nations and continued terrorism.

"In this moment, the Elite are making alternative plans, as this grassroots movement has gotten out of hand. Please, do not misunderstand Me: the continuation of this opportunity will only happen if you continue to pray, repent and sacrifice."

Lord, what about these great catastrophes that are prophesied and what You told me about the comet? (He had mentioned before that He had intervened with a certain comet - so that it wouldn't hit head-on with the Earth, but it would glance off. And He had also intervened with the timing.)

"I'm going to decline to answer you right now, Dear One. There are things set in motion and there are delays, as well. Just understand that I have these things in My control. What was to happen two years ago, can easily be delayed or changed completely in the arms of My Mercy.

"Yet, America has many difficulties to pass through and the people have made their will known: they want to change. And so, does it not make sense to give them time to make these changes without a world-altering catastrophe?"

He looked at me very tenderly, His eyes full of compassion. And He rarely looks at me that clearly, so that I really see Him, I really get it. But He did this time.

And then He said, *"I'm not making any promises to you, but I am saying this: you know My Mercy, you know My Love for souls. You may draw your conclusions from this information. You know Me, Clare."*

Indeed, He is merciful and long-suffering. Far more so than we can comprehend.

Oh, dear Heartdwellers, who can fathom the Mercy of God? We know of His judgments in the past. But look at how He spared the Israelites, even though they were committing atrocious sins, worshipping idols, while Moses was on top of the Mountain with God.

Should He have spared them? Any one of us would look at the enormity of their unfaithfulness and I believe we'd say "NO." These sins were committed after the miracle of the crossing of the Red Sea. How

could they have lost faith and fallen so quickly? No doubt they were overrun by demons. But still, can you picture it?

They were the witnesses of the greatest miracle in history, and still they went back to paganism... and He forgave them? He even gave them another chance to have faith in Him to invade the Promised Land and take it for their own, which they failed to do. Yet, He did not destroy them. That, my dear friends, is a glimpse of God's mercy.

Of course, Moses stood in the gap pleading with God not to destroy them. But I believe in this day, we have many praying souls like Moses, making reparation to God for the sins of the world and standing in the gap. I truly believe this.

So, in conclusion, the Lord is telling us that, if things continue on as they are now with faithful intercession, we have three years to serve Him before the next review. In other words, He is holding back the War of all Wars and giving us all a chance to prove our love for Him, to be busy about spreading the Good News far and wide and change the laws in this land that are an offense to Him. And of course, three more years for our relatives to convert.

Although He would not answer me about the prophesied events, comets, meteors, etc. Tsunamis and earthquakes. It is my personal feeling that we may very well go through some serious catastrophes in order to get the unsaved around the world to repent and turn to Him.

But in light of the fact that He's working creatively with us on different projects, it doesn't make sense to me to totally disrupt the world and make it impossible for these things to be put out. It makes much more sense that He'll protect the ability for us to broadcast them, one way or another. There are authors, there are film-makers. There are singers, there are teachers. There are wonderful people around the world who are gathering in a harvest, and they are using the media to do it. So, I can't picture Him taking that away from us.

And surely, if the world went through such a climate-altering catastrophe, that would seriously interrupt these things being done. So, it's my guess that we're not going to go through anything really, really terrible. But we may see Yellowstone bubbling up out of the ground, miles from the crater. We may see that. We may see an earthquake in California. We may see a comet. I just don't believe that He's going to allow anything HUGE to happen, because that would really interrupt the Harvest that He is setting us to work on.

And then, in three years there will be another review to determine if His mercy will continue to hold back the worst. Isn't it amazing? Let's really put our hearts and deeds into this time left to us.

This Is A New Day, We Have 3 Years Before the Rapture

August 8, 2016

My dear family of Heartdwellers, I'm still wrapping my head around the Lord's last message. I know you are, too. Three years?!!

Someone remarked that I was not very thoughtful in my presentation of the Lord's message, in how much grief it might cause. Well, looking back, I have to agree with you. So, please forgive me. My problem is that I don't want to

throw anyone off kilter by my bad reaction and I really needed to work through all my feelings before I addressed you.

I, too, was very disappointed...although I suspected Mercy might be the victor and He might give us more time. But yes, I really don't want to deal with this almost worn-out body. And I've been very lazy, sloppy and irresponsible in taking care of it, because I figured we'd be gone from here so soon, it doesn't make a difference. You know, putting the dentist off and that kind of thing?

As a result, I am more out of shape now than I have ever been and I'm having to work really hard to keep this temple going, so I can serve you. The LAST thing in the world I wanted to do was take time out of my day to exercise. But I don't have a choice now. I have to. Jesus gave me a personal message yesterday that I need to exercise, along with some major diet changes.

Carol, too, is feeling deep disappointment, because of her health. She was really looking forward to being free from her severe pain.

Many of you are living in painful bodies and circumstances and wondering how you are going to cope with another day - let alone three years. You are not alone. I took all day yesterday off from the messages just to deal with that very issue. The only answer I could find peace in, was that God would supply the grace we all need, to again our joy in His will for us.

There is much I want to do for the Lord and this gives me more time to accomplish it...even if it is in this old body. Somehow, He will have the victory over my emotions and fear of suffering.

Also, I've been arguing with God for a long time and have found out from experience...it doesn't do any good. Trying to change what I cannot control, fighting against it - just wears me out. So, really I have no other choice than to accept it with the plea, "God Help Us!!!"

And I can see, He is getting us ready for another climb up the mountain. He is teaching me spiritual warfare on a level I never even knew existed. I knew there was so much more, but what it was? I couldn't even guess. But as I learn more, I will share with you and we are going from glory to glory.

As to the condition of our wedding gowns, didn't we all suspect it? Didn't we all suspect we still had a

few stains? I know I did. And He is revealing to me how glaringly obvious they are to the Courts of Heaven. When He began to bring up spiritual warfare and how open doors allow the demons to rush in, I realized: the only protection against them is Virtue. And I have a long way to go! Just how far I didn't know and to be honest? I think He's still hiding the whole truth from me, lest I throw my hands up in the air and give up. Not that that's an option...lol.

But His Grace and Mercy are ALWAYS equal to the task, and in truth, if we trust Him, we will all get through this in flying colors. Lets pray for each other. This is a rough one. Your feedback on these pages really helps us all to see we are not alone. Although if you get an ugly p.m. from a troll, please ignore it.

At that point, Jesus began to speak, "My Brides, this is indeed a suffering, but we must not make light of it. What you are doing most literally is pulling fish out of the water every time you cast your rod. There are scores and scores of fish on the bank already, but you are continuing to catch them, one after the other."

And here, what I'd like to add - probably many of us are saying, "Well, HOW am I catching fish?" By living an obedient life. There is so much grace in your lives when you are obedient to the Lord - SO much grace. Even the littlest thing, like doing dishes, has virtue to it, and is used by the Lord. Every little act done in love and obedience has Virtue. And He will use it. And the more unpleasant it is to do? The greater the graces. And of course, add your prayers to that, and this all makes sense.

And when He said that, I saw a very deep pond with people all around the edge fishing, and pulling up a fish with every cast. But beyond the pond were oceans of water, and the fish from that ocean were being herded under the land into the pond. I can't help but think of ISIS driving them into the place where they could be saved.

Jesus continued, "ISIS never could have imagined the affect they would have on their own people. But I take what was meant for harm and turn it to My advantage. Instead of Hell filling up, Heaven is filling up - and those meant to stand for Sharia law in the rest of the world, are turning instead to Me and abandoning that culture of death. Those involved could never have calculated the number of conversions that would result from their brutality. But it is true that 'the blood of the martyrs is the seed of the church.' And I have ignored not even one human cry coming from this cesspool of evil.

"Nor is My arm short, for I am bringing a radical conversion out of this deadly sorrow. And you, My Brides, are bringing forth copious fruit by your cooperation with Me. Who has known the mind of the Lord that he could counsel Him?" Rom. 11:34

"Do not kick against the goad, do not take it out on the messengers, do not turn your backs on Me. This is My hour of Triumph and I long to share it with you who have been so faithful to pray and to live for Me and not just yourselves and your families.

"In Heaven, you will have much fruit because you once again shouldered your cross and followed Me all the way to Calvary. If you live to please your flesh, what have you in Heaven to look forward to? But if you die to yourself and follow Me, surely your resurrection will be glorious.

"In the meantime, I will take you from glory to glory as you learn the ways of darkness and respond by growing in virtue.

"Yes, I have told you many times about your sins. Some of you have even been guilt-ridden when you should have abandoned yourselves to My Mercy and forgiveness.

"But in this next season, we will truly see the fruits of discernment. And not so much discernment of the enemy's tactics, but discernment in what makes for true holiness, acceptable to Me and to Heaven. And to the Heavenly Citizens cheering you on.

"Out of the veil that separates us shall emerge the very substance of Heaven, as you are conditioned in grace and respond by growing in holiness. This is not for the faint hearted or those who want to hear the daily news and the latest prophetic utterance. This is for the Lovers who have laid down their lives for Me.

"I am calling you, My sweet Brides, because I want to promote you. I want to enlarge your territories and garland you 'round with spiritual gifts. But first, I must remove the wreckage of this life, the worn and battered vehicles of religion and man's concept of Who I Am."

At that moment I saw an auto junkyard filled with rusty, old, dilapidated remains of what was once shiny new cars.

"Many of you on this channel have longed for more and to go deeper - and that is precisely where I am taking you. And in the process, you will take your mind off yourselves and focus on the bigger picture: the millions who yet have a chance to gain entry into Heaven. Many of these Muslims are devout souls, very devout and sensitive about offending their god. When I make them My own, they will become vessels unto honor, because they will honor Me with greater reverence than those in the Western Cultures.

"They will be eternally grateful for being delivered from evil and added to the Kingdom of Righteousness. Eternally grateful for being saved from a certain Hell. And many great evangelists will emerge from among them.

"So, I am calling you now to run the Race without faltering. You are needed for the building up of My kingdom on Earth. Whoever serves, serve as unto the Lord. Whoever preaches, prepare your minds for action. Whoever comforts, do not grow lax in lavishing love on others. Whoever supports, be faithful in supporting. Whoever among you who cares to serve Me, but still has not discerned their purpose in life - do everything out of a motive of love and absolutely nothing out of selfish ambition, and you will discover your mission.

"Soon enough, you will be adept at curtailing the works of darkness in your own lives and helping others to comprehend that their battle is not against flesh and blood. Soon, you will approach the altar of sacrifice with holy and pure hearts, finding great consolation in Me, everyday - whether it be a day of rejoicing or a day of mourning.

"If you obey and put your hand to the plough without turning back, you will be swimming at greater depths and the superficial storms will no longer toss you to and fro. You will love and forgive in even the most difficult circumstances. You will live in Me and I will live in you. John 14

"Come now to My bosom and rest your head here, for I wish to reward you for your faithfulness. We are moving forward into a new Day with a bright and glorious future! Prepare your hearts for action, leave

the regrets and failures of the past. Even those, I have used to prepare you for this hour. Draw close to Me and drink from the Living Waters of My Heart.

"I am well pleased with you for loving Me enough to resolve to forsake yourself and live only for Me."

Donald Trump Elected, Prophetic Dream

August 10, 2016

Wow, Heartdwellers - I just had an incredible dream, with the signature of the Holy Spirit, that Donald Trump won the election.

I'm going to share with you exactly how it unfolded.

In the first part of the dream, I was at the polls and there were 7 machines up in the front of this room - all the different people that were there to count the votes. And waiting in line to vote were very, very simple and plain people.

A man came into the room, dressed in a business suit, and he walked over and he said, "Before we do any voting, let's check out these machines and see if they're valid." And he went and he looked at each one of the machines. And there was an error on every machine - including the last machine, that allowed you to vote 3 times. He announced that to everyone. He said, "Look at this! This machine has an error. This machine has an error. THIS machine has an error. And this one, you can vote three times!"

And all the people just stared at him. But then, a hush fell over the room. The little people, the ones that were waiting in line to vote, they all took out a piece of paper and they wrote Donald Trump's name on it. And each one stepped up to a machine, and they put that slip of paper - I guess they brought little boxes or baskets - they put that slip of paper on the floor. They refused to use the voting machines, because they knew they were corrupt.

And then, in the next scene of the dream, the polls had closed and it came time for counting the votes. And in this scene, different people sat down to count the votes, and then the people that checked to make sure that it's honest, the count is honest...they sat down with these papers votes, and they started to count them. And one girl who was counting them, a young woman that was counting them, started counting them before the Trump delegate had a chance to sit down and monitor it. So, she came up to her, and she said, "No. Don't start until I'm sitting here." And so, the girl kinda gave her a nasty look, and she sat down and they went through the votes together. One person's vote had spelled the name "Trump" wrong, and she was going to throw that vote out, because the name was spelled incorrectly. She was going to pitch it out. And the other woman said, "I know this lady. And I know she voted for Trump. And you can't just throw that out!"

Well, that's the kind of stress and tension there was in the room where they were counting the ballots at the polls.

In the next scene, it switched to a very expensive dining hall, with white tablecloths and flowers - the whole nine yards. Mr. Obama was sitting at one of the tables. I believe it was Michelle came running in and told him, "It's good! It's good! We're ahead 2 to 1 at the polls!" So, it's my guess that Obama's planning on running for a third term, and this whole smear with Hillary is just part of the big deception, putting him in that position.

He looked troubled, and everyone was trying to cheer him up, saying "Yay"...

And I just want to say here that, I know there've been rumors that Obama was going to stay in the White House for a third term, but the Lord never verified that to me. You know, He chooses different people for different messages. So, if He gave that information, a prophetic word to someone else - that's fine. But I have to stick with what He gives me. And this is the first indication that I've had that he would be running again for president.

Well then, about 5 minutes later, in walks a man, very unassumingly. And apparently, she (Michelle) was the one who was supposed to announce it. He told her who had won the presidential election, and her jaw just dropped. Her face just fell! And she said something like, some kind of a stinging remark. She looked at Mr. Obama and his face dropped.

And then the scene changed immediately to a little airport, like a little, podunk airport with a small group of people. And I was with these people. And we were waiting for our future president to arrive. And it seems like he did come in on a large jet, but he came to a place that no-one would have expected him to come to. And we saw him walking from the plane to the place where he would give the acceptance speech.

When I looked at him, he was SO HUMBLLED. I just couldn't believe how humbled the man was, I almost felt like he was in tears. Because the voice of the people had spoken. And they had chosen him.

And that's where the dream ended.

So, that's how the dream progressed from one thing to another. And I've been wondering myself: how in the WORLD is he going to win this election, when the polls are so corrupted? And I'm not suggesting that anyone should do that, but I'm just telling you that's what was in the dream. People refused to use those machines, because they knew the machines were rigged. And someone came in and exposed it, just before it was time to vote. So, they all came in and put paper ballots.

I believe that if we continue to pray and fast... I know I had a day of suffering yesterday, with Fibromyalgia. That's one reason why you didn't get a message, even though I started it late last night. When I was feeling better, I started two messages for you, to encourage you with some information on spiritual warfare. But that's why I didn't get around to a message yesterday - I was flat on my back all day, praying for Mr. Trump and for this nation. Praise the Lord, He gave me a wonderful dream to share with you. I believe if we continue to pray, make sacrifices and repent - I believe he will be elected. The Lord will do it, supernaturally - beyond all the odds. Because all the important people were just devastated by this election. But it was clear that it was the "will of the people", and the will of a people had spoken.

Glory to God! Glory to God - His arm is NOT short! He's powerful and strong and He can do anything. Even elect someone against the will of the corrupt generation that has control of our government. Praise God!

And I don't want to fail to mention that after his election and his acceptance speech, I had a picture of a school ground with children running around. And my impression was, the first thing that he did was to re-instate Christian prayer in the schools.

Well, that should tell you something. Just like when Obama came into office, the very first thing he gave permission for was partial-birth abortion, which gives doctors permission to take children apart in their mother's wombs and pull them apart, piece by piece. A horrific, horrific thing. And that set the tone of his entire presidency.

So, we have great things to expect of Mr. Trump, if we continue to pray and fast - and he does, indeed, become our next president.

And I'd like to remind you all of what the Lord said the other day, so this all doesn't sound so cryptic, as to why the Lord is going to allow him to win. I mean, I know a lot of you really understand that, but there are quite a few others that don't. Because they don't realize what's going on with the New World Order and how much damage Obama has done to this nation. They haven't a clue. And it's all been kept from them until the time when it would be too late.

So, God has had mercy on us. And what He once told me, and I shared with you in one of the videos, is "I (Jesus) do not want to leave this country in that condition to face the Tribulation. Because of the prayers of the people. I want this country to be in a better place, with the right leadership when the Tribulation begins."

So, He's doing this for a multitude of reasons. Not only to allow souls to be saved, more time for souls to be reached - and especially the Middle Eastern souls, who right now are displaced and are being... They're trying to herd them back into the Muslim faith, but they don't want to have anything to do with it, they're so turned off. So, a lot of them are truly converting to Christianity.

So, that was what He told me. He wants to leave this country in a better place to face the Tribulation. And that's the reason why He wants to put Mr. Trump into office.

So, the Lord bless you all. And please - let's keep praying for him, day and night. Yesterday, I was very sick with Fibro. and I was lying in bed. And I thought, 'Golly, Lord. What is this about?' And before I even asked myself that question, Mr. Trump and his family kept coming to me - his daughters, himself, his wife. Over and over again, yesterday. They were on my heart and mind. And so, I just lifted them up to the Lord. I realized, this offering, this fast offering of being sick with Fibro - even though I was prayed for and my husband laid hands on me. And sometimes when he lays hands on me, I'm totally healed and set free. And other times, it doesn't work. And when it doesn't work, I know why - that is an offering to the Lord that I have made for a soul. And yesterday, it was about Mr. Trump and his family. And I thank the Lord for that wonderful prophetic dream that He gave me this morning. So very, very grateful for that dream and that I can share it with you all.

As I said, this dream had the signature of the Holy Spirit all over it, and Ezekiel did discern the dream - and opened the Bible Promises to Holy Spirit.

So, the Lord bless you. And please - continue to pray for him and his family. It's going to be an uphill struggle, guys. All the way. We're going to have to back this man all the way. Not just through his election, but all the way through his administration. We're going to have to back him and pray that the Congress and the Senate will turn around and wake up.

Thank you all for your prayers and for listening to our channel. The Lord bless you with His love, His

wisdom, His discernment and His heart of prayer. Amen.

And as I finished this message, the Lord began to speak to me.

"I am calling you, My Brides, to lay down your lives and stand beside Me in this race against Satan's tyranny in this country and the world. I am calling you now and for the next three years to lay down your agendas for being in Heaven and give Me your whole hearts as an offering for this country and the world.

"As America goes, so goes the rest of the world. And now it is your mandate as My Spouse to stand for what is right. Back Me up. Pray, offering every cross you are given for My Kingdom come, My Will be done. You, as intercessors, are standing at the pivotal point of the entire world's salvation. As this country goes, so will the world follow, and this is but the beginning of a purging of evil in the entire world.

"Can I count on you to back Me up? Can I count on you to stop beating My messengers and pray about what is truly important to Me? Can I count on you to be focusing on My agenda, rather than your religious agendas and finding fault with everyone and everything I send you?

"Some of you are so wrapped up in your own opinions and your own lives that you refuse to hearken to My messengers. To you I say: strengthen what remains, lest I come and take even that from you. Walk on the straight and narrow path, not the path of your flesh and fancies. Lay down your lives for Me, lay down your opinions, political and religious agendas. Lay down your critical spirits and stop tearing My Kingdom and people to pieces.

"Those of you who will not hearken to this message will find life increasingly difficult, as I allow you to be sifted as never before. Perhaps then it will dawn on you that you are not gathering with Me, but dividing and scattering. Perhaps then you will realize, even as the conscience of America has realized, that she has been asleep to the realities and allowing her nation to be stolen piece by piece.

"In your lives, as things are taken from you, will you wake up and stop dividing My Body? I give you this word now, because I am sorely disappointed in you. Where I expected to depend on you for support and encouragement, you have dissembled and destroyed. Perhaps you will see this as the weeks go by, and you notice things are being divided and taken from your lives. Wake up, those of you who think you are for Me! Wake up and stand on the right side.

"And for you, My Brides, who have faithfully stood by Me on this channel. I will visit you with My choicest blessings and hold you tenderly in My arms, where I shall restore your souls. Drink from the living waters of My heart, drink deeply and be restored, refreshed and prepared for the battles ahead.

"With Me and for Me, you shall do valiantly."

Spiritual Warfare: 4 - Secret Weapons of Satan Exposed, Used Daily On Us All + A Healthy Marriage

August 12, 2016

The Lord is with us, Heartdwellers, in a really marvelous, marvelous way. May His peace and wisdom dwell in your hearts.

I know some of you are dealing with disappointment, and I am praying for you...but please don't allow the enemy to sow discord or throw you off course with your faith.

I want to address two things tonight. They're very, very important. In fact, I can understand why we've been hit so hard recently, because the things in this teaching from the Lord are going to be tremendously helpful to stop the spiritual attacks and the warfare that's been going on amongst us.

So, the topics are: spiritual warfare and a healthy marriage.

This is a continuation on the lessons on warfare, because I am learning things that will make for a healthy marriage and will also help us to put down these attacks from the enemy.

I have spoken to you about doors in previous message. And that a door opens when you sin in your heart, your mind or in the physical realm. Along with that door comes demons... and more demons... and more demons. Once that door has been opened, it gets used by many demons, depending on what the Lord permits.

So, why would Jesus allow a Christian to be sifted by demons? Simply: they are not walking in perfect charity and obedience. And we have discovered that the Lord's idea of charity and ours... are light-years apart.

Here's how the demons work. (This is a recent example, from my own life.)

I get up in the morning, feeling a little cranky, in pain, not fully conscious. And I find out my husband forgot to circulate fresh air during the night, which I specifically asked him to do before I went to bed. Now these adobe rooms are hot - and the cats, even though they are neutered, went in and marked some territory.

I'm extremely sensitive to odors and oxygen in the air and he is habitually closing windows behind me, because he gets cold, and I love fresh air. So right off the bat: I'm irritated. No, that's not right... I was downright angry. I said it in a nice way, though on the inside it was not a pretty sight, "Honey, you forgot to circulate fresh air in the studio last night and the cats went in there. It smells awful." Of course, we do have a spray that takes care of it immediately...

He, of course, gives me a very good reason why he forgot and I say "I forgive you"... But on the INSIDE,

I'm accusing him of doing it deliberately, because he loves to shut windows behind me. So, I am stewing.

Right then and there I opened a BIG door by my pride, which made me angry. (You can always point to Pride as the root of your anger, and accusing God as the source.) I failed to yield to him and show charity. I falsely accused him, because I suspect he really did it deliberately - so now I'm accusing him of lying. I'm stewing in Selfishness, Anger, Pride, Resentment, A Critical Spirit and False Accusation...and many doors with many demons have just been opened.

And this is at the BEGINNING of my day!

Guys, I am NO saint. I have a LOT of pride. And I can tell that, because I get angry or irritated when something doesn't go my way. I want to make that clear. I get angry, I get indignant, I accuse, I expect perfection. I hold a grudge...secretly thinking, 'He'll do it again, so you'll have to check everything when he's in bed for the night.'

Uhhhh....I am the worst burden to my own self!

But, just in the first 15 minutes of my day I have opened the door for oppression all day long, unless I repent and ask forgiveness and make it up to him. And even then, there is no guarantee the Lord will stop the demons. In fact, even if I shut the doors, repent and apologize, I still have seen oppression hound me for the rest of the day. And when I ask a friend with discernment to pray for me, they are still seeing open doors, along with the demons that waltzed right in with them.

This not easy, dear ones! You are setting out to conquer your flesh: things that irritate, inconvenience, moving too slowly, oppose you...things from years ago that have become an irritating pattern between you and your spouse - and they the open doors immediately. And some of those doors have never been shut, and the demons that came with them have never been kicked out 'cause we are still holding grudges.

So, in this case, I ask Holy Spirit to please help me. I repent and ask forgiveness of my husband, I ask forgiveness of the Lord for my pride, ungratefulness even, that I have a husband. My unwillingness to suffer a little and let it go...not just from the conversation but from my mind and my heart. Carrying this stuff makes you sick.

Once you've opened a door and the demons come in, then they defecate all over you in your soul. And it gets putrid...and it builds up. Rick Joyner talks about that in one of his books.

In the meantime, Ezekiel is getting condemnation that he isn't a good husband, discord from his wife, anger because he likes the windows closed and 'why can't I live with it?' And 'I just always have to have them open!' Condemnation if he forgot, because he wasn't feeling well, condemnation if he didn't forget but just wanted it shut...so now he's got lying to contend with, also. And he's already opened several doors and the demons come in and make themselves right at home, leaving their nasty defecation on his soul.

I want to share with you the demons most commonly at work. A critical spirit, selfishness, false accusation, impatience, condemnation, frustration, resentment, division. That's a big one, and all these other guys operate underneath that one. Pride, fear, grief, sorrow, isolation, alienation, loneliness, and self-pity.

Then there are energy-vampire demons to suck the life out of you, especially when you go out into the public, stores, malls, etc. And there are corrals made up of energy fields, operating at a certain frequency, that isolate you from your work and others, as well as manipulating moods by frequency modulation. A person can have more than one corral and each one has it's own function.

So, you have oppression from four different sources: doors, demons - who open and come in and work through that door, energy-vampire demons (which I banish with the Blood of Jesus, by the way), and multiple corrals that isolate your feelings and thoughts from your work or another person, most commonly your spouse. Usually, when I go into prayer, we both have them. He has one between himself and I. And I have one between myself and him.

Before we prayed against these corrals, my cats had been avoiding me and each other. They were scattered all over the place! There was just a strange kind of distance and coolness. They were always disappearing for a few hours. And that was unusual - they used to sleep on the bed all the time.

We prayed and discovered isolation, alienation and fear demons, as well as corrals. We prayed and they were removed and sent to the abyss. Within the next day, all our cats started sleeping on the bed again, playing with each other, cuddling and following us around to be petted. Just in one day there was a marked difference in behavior. So, these things are SO REAL.

We noticed our dog, too, seemed depressed. He had grief, sorrow and isolation demons. I can't tell you the difference these prayers have made.

These corrals also get in the way of healing from one person to another. So, you husbands and wives who have been praying for one another may feel like your prayers aren't working anymore. Well, they may not be. You may have these energy corrals surrounding you and cutting you off from one another. I've seen a dramatic difference in effectiveness since I pray the corrals down before I lay hands on him, or anyone else for that matter. I have to pray that my corrals and his both come down, before I can pray for the healing.

Are you and your spouse feeling a little distant? Almost assuredly you have these corrals that are separating you. They are also used as steering fences, to steer you away from your work and each other. When we lived on the mountain and raised sheep, we used steering fences to bring them into their corrals at night. And these are very similar but they're made of energy whorls, or vortexes, circles - instead of livestock wire. There have been corrals between me and the painting of Jesus, my music, my husband and my animals.

There are also blocks. They can be the size of a huge limestone block, or a stack of blocks 30 feet high and 30 feet wide, blocking your way from what you want to do for the Lord, even under obedience.

And there can be a multitude of each of these: many doors, many demons, many corrals...double and triple corrals. Uh, it gets overwhelming! One to separate you from your work, one to separate you from your wife, one to separate you from your pets and even one to cut you off from connecting with your ministry or your work.

I have felt these all of my life, but I never knew what to do about them. Sometimes they are taken out after worship. Sometimes the Lord answers the prayer and you feel relief.

But are they being held in place by a sinful habit?? **That's at the heart of this, guys.** That's the point: if you're going to get aggravated again for what troubled you before, that door is going to open again. And again, and again. And it's a merry-go-round until YOU determine that you are not going to continue to fall for the same tricks. Rather, you are going to show saintly charity and say nothing, think nothing, feel nothing.

Good luck!!!

I do not have that kind of self-control, but I know Who does, and I appeal to Him. This is one of the fruits of the Spirit. In fact, He just gave me the Rhema "God will not allow you to be tempted, tested or tormented beyond your strength. His help will always be equal to the trial He sends." So, we are working on this one together.

The main point I am making here, is that we are our own worst enemy. We open the doors to oppression by our bad behavior. Not bad, like... shooting someone, or stealing on income tax. Bad, like holding resentment with someone, even for 20 years or over, just for the littlest annoyances!

This realization just about knocked me off my horse. Do we realize we invite the demons in by what we think and feel, not just what we say or act on? Attitudes *become* habitual sins! But remember what He has taught us before: ANY criticism at all wounds a soul; though they are not aware of where it came from, it still hurts and weakens them. We can keep our mouths shut and put a sweetsie-cutesie smile on our faces - but in our hearts is a cesspool of resentment and frustration, just waiting for the next time that person crosses us.

So what do we do? Well, we can ask for prayer from a good friend, close the doors, bind the demons, send them ALL to the abyss never to send reinforcements or retaliation. So the doors and the demons have to go.

We then have to learn how to respond in charity when we are inconvenienced. This has to do with pride and selfishness. "I want it the way I want it and you can't have it your way." Well, we've been working on that one, for a compromise: close the window part way, leave it open very slightly for fresh air. Both of us give something up for the necessity of the other.

I don't have all the answers, but I know they can be banished by prayer. But are we ready to behave differently once they have been removed??? This calls for supernatural charity and the only place I know to increase that is in the Lord's presence, worshipping Him and receiving His love in return. And when we find out how honored and loved Almighty God feels about us, we soak up this goodness of His and want to lavish it on others who are needy for love, even our own spouses. We become grateful and praise God for the good things in our lives, instead of complaining to Him that our spouse shuts the windows behind our back.

And this is precisely why this channel has come under such attack. Those who are getting truly close to Jesus, in this pure and worshipful way, are getting empowered to overcome their petty likes and dislikes, in order to love one another more than themselves. And it is CLOSING DOORS. And the demons can't enter so easily anymore. Instead of reacting in resentment, we react in supernatural love. The door remains shut and the demons don't have permission to oppress us, so they wait and wait and wait...provoking us with one thing after another until we finally crack.

Satan is angry, guys! And threatened by anyone who has a pure and intimate relationship with Jesus. He is furious and anyone who teaches this is going to get persecution.

Can you imagine it? A soul such as Kari Jobe being accused of carnal lyrics in the song, "The More I Seek You?" This song talks about a spiritual love affair with God...exactly like John the Evangelist had with Jesus.

It is written in the Scripture: "Now there was leaning on Jesus' bosom one of his disciples, whom Jesus loved. John 13:23 KJV

Okay. So John was leaning on the Lord's heart.

And here are the lyrics to "The More I Seek You":

I wanna sit at your feet,

Drink from the cup in your hand.

Lay back against you and breathe, feel your heart beat

This love is so deep, it's more than I can stand.

I melt in your peace, it's overwhelming.

This is a powerful, living picture of a soul totally in love with God...and she is leading others into this place of purity and intimacy. But she gets accused of eroticism here??? This again is a religious spirit, the very same one at work when the Pharisees said,

..." the synagogue leader was indignant that Jesus had healed on the Sabbath. "There are six days for work, he told the crowd. "So come and be healed on those days and not on the Sabbath." "You hypocrites!" the Lord replied, "Does not each of you on the Sabbath untie his ox or donkey from the stall and lead it to water?...Luke 13:14-15

Did not the Lord Jesus allow John to rest his head on His bosom and hear His heartbeat??

I'm not even going to venture a guess to the motives of such unscriptural criticism, but the result is to discourage people from falling in Love, purely, with God. And resting in Him, so He may bring about fresh healing, infilling and anointing. This is where the power is!

Heidi Baker is another example of unjust persecution. After laboring more than ten years in Africa, she had only established a few churches and was sorely disappointed. Until she went to Toronto, and got slain in the Holy Spirit and was plastered to the floor for something like three days. It took several men to lift her, because of the heavy glory of God that was on her.

She went back to Africa after that, and started the greatest revival that continent has ever seen - with continual miracles of raising from the dead, opening blind eyes, deaf ears and conversions to the Lord unparalleled on that continent. Nonetheless, the group of men supporting her withdrew her support, the

moment they learned she went to Toronto. She was going to build orphanages with that money. I mean, we're talking about all these little children left from their parents being hacked to death with machetes. She was going to build orphanages for them, and they took it from her, because she had gone to Toronto and was now endorsing Holy Spirit's legitimate movement there.

This is where the power to overcome our flesh IS. The Trinity fills us with their love, strength, wisdom and anointing during this kind of intimate prayer time. When we've been in the presence of the Lord and the anointing is really flowing, we are feeling wonderful. And it's no problem to come from prayer and overlook these silly little things, loving our brother more than we love ourselves. In fact, we are so in love, we see it as an opportunity to love Jesus Himself. We don't open a door to pride and selfishness, because we are filled with brotherly love in God's presence.

That's why Satan is persecuting us and every other channel or movement that teaches purity and intimacy in Jesus' presence. The demons take things out of context, twist them and put lies in people's heads. If they have purity issues themselves or are captive to lust or pornography, they assign unclean motives to pure vessels and spread lies which cause the innocent new Christians to be afraid they are going to Hell for loving Jesus in purity and innocence.

These are those spoken of in 2 Timothy 3:5 "...having a form of godliness, but denying its power." And very often persecuting those filled with the Holy Spirit, with the evidence of speaking in tongues, as well.

They just aren't aware of the damage they are doing. So all we can do is forgive them and pray God will open their eyes to His Power and coming into His intimate presence in absolute purity and passionate brotherly love, which is how He feels about us.

Without being filled by the power of Holy Spirit and the rivers of Living Waters flowing from the Heart of Jesus, Christians, young and old, can't resist being critical and selfish. They can't stop opening doors with judgment, pride, and selfishness. So, the demons rejoice and move right in every time they fail in charity. And they become seriously oppressed and critical of everyone and everything good. Not taking into account the fruit of ministries. Only finding fault and destroying the faith of new Christians who are innocently hungering for God.

When we fall in love with Jesus, we never want to hurt Him again. When we give our lives to Jesus out of fear of Hell, we don't live in His love - we act out of fear, which after a while fades. But who among us wants to live with someone we are afraid of 24-7? Fear causes us to be suspicious, legalistic, rigid and living a false Christian faith out of rules -not love.

I am telling you all these things so you will understand: we are in a war and your soul is the booty. When I don't get enough sweet trysting time with Jesus, I get tired, crabby, impatient, judgmental, etc. etc. Then I open the doors and oppression comes literally flying in.

So, how do we get rid of these doors?

Number ONE is a commitment to holiness and charity. Then, we must fill up on the passionate love Jesus has for us and let Him heal our wounded spirits and souls by coming into worship and resting in His presence. Allowing Him to take us on a journey to Heaven, or a walk - or even letting you rest your head over His heart. These are times of precious loving, bonding and filling with grace. When we see how

much He loves us, we begin to accept ourselves for who we are, and others for who they are, and lay down the scalpels of criticism.

We must first be able to love ourselves, or jealousy and fear will predominate in our relationships with one another. When you feel good, you don't want to criticize anyone. When you feel lousy about yourself, everyone is a pain.

So, recognize your faults. Repent of them, asking God's forgiveness and strength to go and sin no more. Renounce these spirits out loud, go into worship and praise. Let the music express your heart to Him. Rest in the words, lifting them up to. If you encounter Jesus, rest in Him. Fill up on His presence - whether you see Him or not.

The Scripture says, "I inhabit the praises of My People Psalm" 22:3

So, based on that one Scripture alone, we know - when we are praising Him, that He is with us. He's there!

"Come into His courts with thanksgiving and praise." Psalm 100:4

"Through Jesus, therefore, let us continually offer to God a sacrifice of praise, the fruit of lips that confess His name." Hebrews 13:15

"Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls." Matthew 11:28-29

"For thus the Lord GOD, the Holy One of Israel, has said, "In repentance and rest you will be saved, In quietness and trust is your strength." Isaiah 30:15

When you come out of worship, you should feel refreshed, for you have touched the hem of His garment and grace has gone out of Him into you. He has given us many teachings about this intimacy & purity. Listen to them and please - study the Scriptures we use and site.

You can find resources in the box beneath this video, just click on 'show more.' We have a search engine, website and blog called Still Small Voice, Triage for Truth Seekers. And it contains many Scriptural references and teachings to back up everything the Lord Jesus has given us in these messages.

Then practice the Love you feel on others. When you start to get irritated, stop right there and ask Holy Spirit to deliver you from your bad habit. You're going to get very tired of demonic oppression and this will be incentive to keep you from your sinful attitudes.

Guys, I've been experiencing this for the last week. And I want to tell you, that I am TIRED of my sins!! For more reason than one...

If the doors are opened...seek God as to why. Sometimes He will even give you a Rhema or two as to why. Then repent and renounce that attitude. Close the doors and bind the demons in the Name of Jesus, and send the whole mess to the abyss.

Take authority over the energy corrals that cause distraction, isolation, etc. "In the Name of Jesus, I command these corrals to come down. I command these blocks to go to the abyss. I bind (and use the name of the demon) and command you, in Jesus Name, to go to the abyss and never return or send for reinforcements."

It is no wonder we have been horrifically attacked this week, guys. Satan didn't want this message broadcast. But now you are armed with a powerful arsenal of tools against the oppressions you and your family have been suffering for years. Please take it to heart and remember this teaching, "As you judge so shall judgment be meted out to you."

Do not judge others with your spouse or any other person or family member. Isn't it just so "natural" that when we've been attacked or wounded by something done to us or our loved ones - the first response is to attack those who did it, verbally criticizing them? THE DEMONS COUNT ON THIS KNEE JERK REACTION!!!! They come with arrows in their hands that they pass out to our closest friends. And if they are weak, they use them. You then react and discuss their bad behavior, criticizing them back and forth with your children, parents or spouse. And that's it. All of you just opened personal doors and now each of you will suffer oppression for this.

There is no other solution to this than to love.

That is why Jesus commanded us, "Love one another as I have loved you." John 15:12 And how did He love the Pharisees? "Father, forgive them, they know not what they do." Luke 23:34

So, let us be worthy of His name, not just on the surface where everyone can see, but deep down inside, for it is written:

"Do you not yet realize that whatever enters the mouth goes into the stomach and then is eliminated? But the things that come out of the mouth come from the heart, and these things defile a man. For out of the heart come evil thoughts, etc.etc." Matthew 15:17-19

Just to illustrate this point, (this happened last night, as a matter of fact.) I went grieving to the Lord because I could fast from everything but my Frappacino protein drink, which I enjoy so much. And He answered me, "Do away with your critical spirit and I will ignore your Frappe as if it didn't exist and you were fasting before Me on bread and water."

Wow!

And then the Scripture: You have heard that it was said, 'Do not commit adultery.' But I tell you that anyone who looks at a woman to lust after her has already committed adultery with her in his heart. Matt. 5:27-28

And I want to apply the principle in this verse of Scripture to talking about others. This could be applied to any sin, "Do not criticize one another; anyone who does, has assaulted the soul of another in his heart."

Now, I have seen what criticism does people, in the spirit. It leaves a soul ripped and bloody and sometimes even crucified. This is why the penalty is so heavy. The devils are God's policemen. He allows them to attack, because we have attacked others.

Ezekiel and I had a very turbulent marriage for 12 years. It was REALLY hard. Until we figured it out. The minute after we thought badly about anyone - whether they were innocent or guilty, whether we inferred it or merely thought and discussed it - we got into an argument that ruined the rest of our day. The Lord was training us. It's true.

So, He was very strict with us, and anyone wanting to grow spiritually must conquer this evil before they can go anywhere with the anointing.

You walk away from these incidents wounded inside, whether someone said it to you out loud, said it behind your back or merely thought it. A poisoned arrow of condemnation goes right to the heart and lodges there, making the soul spiritually sick. That opens the demon's door to those that assaulted you and they come under oppression. Then you get home and discuss it with your wife or husband or mother/father, and react in pain - criticizing them. Now, with ONE arrow, Satan has opened the doors of all these people, so that they'll be oppressed.

"Be wise as serpents, gentle as doves. Love one another as I have loved you," Jesus commanded. (Matt. 10:16) He was at that moment arming us for every battle we would ever have in life. Blessed will we be if we obey Him.

Lord, help us! Amen.

Spiritual Warfare: 5 - More Powerful Than Fasting

August 13, 2016

May the peace and wisdom of Our precious Lord Jesus be with you, Heartdwellers.

Well, this message is a follow up on the spiritual warfare message that was given yesterday.

All day I was hounded by condemnation and self-hatred. Though I prayed against it, it just wouldn't leave. And now I have just gotten this Rhema, because it's back again today.

"The fear which you have with regard to sins committed is an illusion and a real torment brought about by the devil. Have you not confessed these sins? Of what then are you afraid? Once and for all, open up your heart to a holy and unbounded trust in Jesus. Believe that God is not the cruel taskmaster depicted for you by that perpetrator of iniquity, but the Lamb Who takes away the sins of the world, interceding for our salvation with sighs too deep for words."

So, He just gave me this word, because again there is this vague gnawing inside of me that I am bad. And maybe it has to do with all the condemnation that's being thrown our way on the internet - that could be it. Remember, we talked about how, when people talk against you, it's like knives in your back. And you feel it! Even though you didn't hear the words, spiritually you do feel it. And I believe it has been brought against me to cause a distance between Jesus and I. 'Cause when we feel badly about ourselves, we're ashamed of ourselves and don't want to go to the Lord. We want to hide and run! And that's precisely when we need to run TO Him. So, as I said, when people say ugly things about you, or they think ugly things - spiritually, it sticks to you. Even though you didn't hear it. And it can cause this kind of condemnation.

But the enemy is forever finding ways to torment us. And the intellect alone cannot put this down. It is by His Name that they must flee, unless He is allowing it for a suffering.

So, now I am praying, "Lord, if this condemnation refuses to leave, I offer it to you as a fast offering for the conversion of Satan's servants on this Earth, that they may experience Your love and be added to the Kingdom of God, serving you for the rest of their days. Amen."

So yesterday, when I came into worship the very first song He played was Kari's song "Beautiful" which is one of the most awesomely pure, intimate, worship songs ever. It always tells me, "I'm here!" And just to get the point across He played it twice, once when I came to worship and once when I was about to give up on worship - He played it again! So I stayed, knowing that He truly was there.

And by the way, that's a very bad example. Just because you don't feel the Lord, giving up on worship is NOT a good example! So, please don't follow my example there! I think I'd been in worship for about 25 minutes - just loving on Him. But I still continued to feel so badly about myself...

But He broke through by using these songs. And for those of you who aren't familiar with this technique, what we do is, we put our worship list, put it on "shuffle" - and that way Holy Spirit can pick the songs as HE wants us to hear. And we get a lot of spiritual guidance that way.

And suddenly we were sitting in my garden together...it was night time, but flowers bloomed everywhere. Hanging wisteria - beautiful, purple drapes of flowers, and every kind of beautiful bloom. The garden seemed to be in full bloom. We were sitting together on a bench there and He was holding my left hand and moving our wedding ring around with His fingers and musing on the beauty of it. And saying, *"You mean so much to Me, Clare. So very, very much."*

And Dear Ones, just as an aside on this remark. Understand, that when He says these things to me - He means them also for you. Because He feels the same way about you. Please, take them to heart for yourself as well.

I had come under condemnation, because I really rely on my frappichinos for energy and concentration. They're home-made, with coconut milk and vegetable protein powder - and they really sustain me for a good four hours, and they really taste good, too! And I felt badly that I didn't want to give them up in order to have the spiritual gifts that come with fasting. In fact, I was hating myself and calling myself ugly, demeaning names. I was secretly hoping He would give me a word to turn my heart away from self-hatred, 'cause I know that doesn't do anyone any good. When you hate yourself, you tend to be very crabby and irritable with other people, 'cause you're so uncomfortable being in your own skin.

I was so scattered in worship - after only 25 min or so, I was going to give up for the night. But He played the song "Beautiful" again and I saw us in the garden.

He continued, *"You are so beautiful to Me, so special, and yet you hate yourself for all the wrong reasons. Just hate your critical, life-stealing, judgmental bent and I will treat the frappes as if they never existed. My Beloved, you are putting far too much emphasis on your frappichinos. It's what comes forth from your heart that means everything to Me. Forego judgment, in all its forms - forever, and I will grant you the fast with your frappichinos."*

"Truly, all that matters to Me is purity of heart and love. Fasting is a wonderful virtue and a way to put the flesh under submission to the spirit, but abandoning judgment? Forever? Is light years beyond any physical discipline."

"You are on the right track, trying to give this up, you truly are. But I don't want you hating yourself, Clare. Just like you tell others, "Hate the sin but love the sinner." How can you love others if you are so preoccupied in hating yourself? You can't. And there is no virtue in self-hatred... unless you are brought to your senses and see yourself in My mirror and abandon pride and arrogance. Then, a little of self-hatred like a fine seasoning, it goes a long way."

"But to dwell on that and constantly put yourself down is not healthy. It only shifts your focus from Me to yourself and I know you don't want that, anymore than I do."

Oh, Lord, you held my hand and moved our ring back and forth so tenderly and so pensively. I was very deeply touched.

"And well you should have been. I was sharing My deepest feelings with you. Feelings that words nor exquisite gemstones could ever express. Feelings I will indeed saturate you with in Heaven. Oh, I shall truly overpower you on that day, Beloved. Totally overpower you. Yes, even as I did the night My Spirit descended into your heart and you received me. You cannot even guess at what it will be like in Heaven...no, you have nothing to compare it with. But you shall have My fullness to the degree you can contain it."

Wow, then we need to continue to expand my vessel.

"Indeed, that is the whole point."

I can't remember who said it exactly, but there's an expression that: "We'll always be full of the Lord, in the sense that for a thimble-sized vessel - that will be full. And for a gallon-sized vessel - that'll be full. And for a barrel-sized vessel - that will be filled with the Lord." It may have come from Therese of Lisieux, who was a Carmelite nun who lived over a hundred years ago.

(The Lord continued) "But just as Therese said that she could not do great sacrifices to offer to Me, but that she could do everything from a motive of Love...just as she said that, so should you undertake forgetting yourself for the Love of Me. In other words, your love has such worth that a thousand fasts would mean nothing in its presence. Did I not say that if you have the gift of prophecy, and know all mysteries and all knowledge; and if you have all faith, so as to remove mountains, but have not love, you are nothing. And if you bestow all my goods to feed the poor, and if you give your body to be burned, but have not love, it profits you nothing...but still, the greatest of these is Love." I Cor. 13:2-3

"Love heals the aching hearts Satan has desecrated with his lies. Love restores hope. Love brings peace and unity among brethren. Love is self-effacing and prefers the last place. Love is the very particle that holds this universe together. Without love, all created things would cease to exist. Therefore, he who loves continues to sustain all the good I have ever done and is living hand-in-hand with My intentions for mankind.

"So you see, the things you and others place so much significance on are merely the eye of a needle, standing beside a camel. They mean so very little unless motivated by love. Then the lowliest and least significant deed takes on the sparkling beauty of a priceless gem.

"Be aware, My children, when you fail to love, you fail Me. Nothing and no one has greater influence on My heart than a soul that shows love in every circumstance. Yet, sometimes it is necessary to speak the truth in love and others may not understand it was done in My love. But I see the motive of your heart. Those who love are like Me."

Do Not Be Satisfied With Past Accomplishments

August 16, 2016

Rejoice, Heartdwellers! We are moving ahead into a new day - and exceptional gifts will be given to those who press in. May His courage and stamina be with you.

Before I get into the message, I wanted you to know that if we continue on as we are now: praying, offering fasts and repenting under the conviction of Sweet Holy Spirit, I believe that whatever natural disasters God may allow, none of them will result in nationwide Marshall Law. I believe the ruling Elite were expecting something significantly destructive, but the Lord will not allow it, because it would interfere with the elections. That doesn't mean that it couldn't happen in different states, but as far as the entire country is concerned, I just really feel the Lord is going to preserve that, so that we can move forward with the elections.

There are all kinds of prophecies about September and world-wide destruction, but the Lord has shared His heart of Mercy with us, which is not the execution of justice but a provision for Mercy and continued repentance. So, let's not get side-tracked with all the doom and gloom prophecies. You know He doesn't want us surfing for the latest bad news and impending disasters. When we begin doing that we undermine what He promised us. It's hard to hold onto your faith when you feed on other people's opinions, because there's so MANY of them - and they all conflict! So, let's hold onto His promises and put our hands to the plough, not looking back.

That said, I've been working on the portrait of Jesus for two days and we are getting really close. I'm not going to show it to you until it's a little more finished, though. And also, the Rhema book may be ready around the same time, so we may use it for the cover. Suffice it to say that Holy Spirit has really taken over the portrait and really helped me. I ran into a few places where I was totally stumped, and He came in and just fixed it.

So, moving on...

I want to share with you, that as the ministry continues to be attacked, we are daily learning more and more of the enemy's tactics. Some things I have shared with you and I'd love to hear back from you about the results. If any of you have been praying against those corrals or barriers, energy barriers that try to keep us limited in what we can do. Try to isolate us from other things. Let me know if any of you have prayed against that, and seen better results with your prayers.

Other things are still so new to Ezekiel and I, we are still discerning. But let's just say, we are getting spectacular results in the healing department and every time the enemy comes against us - we learn more. One thing that I believe is absolutely essential is Baptism in the Holy Spirit with the evidence of speaking in tongues.

There are some who are quite embarrassed to yield their tongues to Holy Spirit, but this is something we

all have to get over, guys. In the Second Chapter of Acts, we are shown what the first Pentecost was like when Holy Spirit descended upon those gathered in prayer.

When the day of Pentecost came, they were all together in one place. Suddenly a sound like the blowing of a violent wind came from Heaven and filled the whole house where they were sitting. They saw what seemed to be tongues of fire that separated and came to rest on each of them. All of them were filled with the Holy Spirit and began to speak in other tongues as the Spirit enabled them.

Now there were staying in Jerusalem, God-fearing Jews from every nation under heaven. When they heard this sound, a crowd came together in bewilderment, because each one heard their own language being spoken. Utterly amazed, they asked: "Aren't all these who are speaking Galileans? Then how is it that each of us hears them in our native language? Parthians, Medes and Elamites; residents of Mesopotamia, Judea and Cappadocia, Pontus and Asia, Phrygia and Pamphylia, Egypt and the parts of Libya near Cyrene; visitors from Rome (both Jews and converts to Judaism); Cretans and Arabs--we hear them declaring the wonders of God in our own tongues!"

Amazed and perplexed, they asked one another, "What does this mean?" Some, however, made fun of them and said, "They have had too much wine." Acts 2:1-13

Well, that's when Peter popped up and quoted Joel to them. But I didn't want to go into that. I wanted to just linger in that area of "being made fun of."

Are we going to allow embarrassment to keep us from receiving the power gifts from on high? You know, the very day that Jesus ascended into Heaven, He gave the command with a promise: Behold, I'm sending the promise of My Father upon you. But remain in the city until you've been clothed with power from on high. Luke 24:49

Satan knows very well what gifts accompany the Baptism of the Holy Spirit. So, he has deliberately contrived lies to discourage believers from receiving the fullness promised to us. He doesn't want to hear us speak in Holy Spirit's language - words that perfectly target exactly what he's trying to pull off, words that stop the enemy's operation dead in its tracks. Words that disclose the darkness that befuddles believers. No, he wants us walking around in the dark scratching our heads, trying to figure out what just happened to us and what he is going to do next.

If this gift were not vital to spiritual warfare, never would the enemy bother to malign it. One thing you can count on: Satan targets those gifts which are most threatening to the kingdom of darkness. So, to have this gift is to shine a light on the dark and putrid workings of the enemy. And the last thing he wants is to be discovered, because not only will Holy Spirit reveal what is going on, He will instruct us in the weapon to use against it. And very often, the most powerful weapons is tongues, is praying in the Holy Spirit.

Now, sometimes you'll be given the interpretation when you are praying in tongues, and other times you won't. But you may feel the anointing. I know that whenever I go into a house to do a deliverance, or to seal any portals - I can feel, I kind of get goose-bumps, when I walk in the room and there's a demon there, or a portal there. And I pray in the Spirit, and the Lord shows me what to do and to say. The language of the Spirit is well understood by the enemy. We may not understand it, but HE understands it.

And Holy Spirit deals directly with him, He doesn't mince any words, He doesn't poke around in the dark. He doesn't shotgun blast it - He goes right for the jugular. So, this is a power gift, and it's so important.

We are going up the mountain, Heartdwellers. The Lord is beginning with housecleaning, repentance and an amendment of life; to live for Him and not ourselves. He is preparing us for the next move of His Holy Spirit and it requires new levels of honesty with ourselves and others. It requires a water-tight ship that Satan can't target and sink, because the hull was compromised by sin. Jesus wants to give us the power gifts that bring healing and restoration to our sick and broken souls. Then we will go out and heal and deliver in His Power.

So, this season is a time of preparation. A time for housecleaning and repairs, so that all the graces He wants to equip us with will be safely locked in a house, with the foundation of Love covered by the roof of Humility.

At this point I asked the Lord, "Do You have something to share with them?"

And He answered me, *"Always. I always have something for My Bride. My people, these times are growing in darkness like never before. The Devil knows his time is short and he has accelerated his attacks and used more clever technological means to drag souls to Hell. And what is yet to come is even more terrible than in past centuries. So, I am preparing those who hunger and thirst for righteousness and long to be used in My Kingdom.*

"But as always, before one can fill a vessel, it must be cleansed of impurities and repaired where it's been damaged. Gone are the days when prayer easily puts the enemy to flight. Now their orders are to persevere against us, until the target is utterly defeated. In other words, the enemy is out to kill you and steal everything you've been given. You cannot run and hide from this; you must present yourself ready and willing on the battlefield. Retreat is not an option. Remember I told you that the cowardly cannot inherit the Kingdom of God. (Rev. 21:8) You have to be willing to fight.

"I know many of you are older and tired; even very tired. But when you press in -doing it anyway, I will be faithful to regenerate all you have lost in My service.

"You must learn to keep walking when you've been shot, and go back for your brother who is lying wounded in the trench. I'm calling for a new level of commitment and service from you all. As always, the benefits will be "out of this world." But I am deeply blessed, for My People are not mercenaries. No, they are dedicated shepherds and shepherdesses.

"And as you press in and are called up higher, into more fierce battlefields, you will be fully equipped and protected with all that is necessary. Rely more and more on My Holy Spirit, and less and less on your own prowess and experience. The enemy is far more experienced at these battles, and only by relying totally on My Spirit for direction and arming, only 'by My Spirit says the Lord of Hosts', shall you do valiantly.

"Is there anything too hard for Me? No, I say, there is not. So, do not allow the perimeters of the past determine your future. Rather, keep your eyes on Me and I will lead you into new territory to take for the Kingdom. My People, the unsaved are calling out desperately for Truth. You have what they are longing for. Move forward in complete confidence that where I lead, I equip - and expect to do things unheard of

in the past. I am with you. Confidently move forward into new anointings. Do not be satisfied with the past, lest you fall asleep at the wheel, while others move forward into their dreams.

"Remember: I am with you. I will equip you. If I've put it in your heart to do, and it's one of your dreams - we're going to move forward and accomplish it. In My power and anointing."

Healing Tools In The Hands of Love, NEW GIFTS COMING!

August 18, 2016

May the wisdom and blessing of our Lord Jesus Christ be with us all.

I had been struggling to get up today. We have discovered, (and when I say "we" I am talking about another person who has been shown new healing techniques) and she has shared them with Carol and I and Ezekiel. As I mentioned before, we are all gathering this together and organizing it to share with you. Which might take a little time - but I'll give you little snippets as we learn them.

And this is what we were shown, in a nutshell. When a person goes through a trauma, they are hit with an emotional blow that affects all three layers of their being. Spirit, soul and body. Normally these different parts are aligned like perfect layers, one on top of another. But when they've been damaged, this blow breaks through all three layers and makes them convoluted and mashed together. And if that weren't bad enough, a demon of oppression comes in and causes even more injury. This forms some of the negative behaviors we struggle with all our adult lives. If these three layers are not healed and aligned properly again, the person is open to further twisting and distortion.

When I was a very little girl, this happened to me and a demon of perfection left it's nasty marks in my life. And what a difficult trait that is to live with!!! You are always accusing yourself of being stupid or sub-standard. And I think you go at it one of two ways: give up and accept that you're flawed and mediocre, or refuse to accept that tag and over-achieve. The sad part is you expect that behavior from others as well.

The Lord has been teaching me about His Mercy for a long time, and that had made a huge difference in my expectations on others. But still, this wound has infected every area of my life and especially the tendency to a critical spirit. And that's what's blocking me more than anything else right now, is a critical spirit.

Well, the Lord has set to work to fix that and yesterday I had a bit of spiritual surgery. When I awoke yesterday morning I felt like I'd been hit by a train. That's why you didn't hear from me. In fact, five different times I got up to listen for the message and after an hour I'd have to go back to bed... Then in a couple of hours I'd get up again. Then the Lord began to speak to me and soon after I had to go back to bed again. So, this went on several times.

But this is what He had to say:

Jesus began, "Your heart is just a little crushed. Bringing up things of the past opened some deep wounds I am healing. When you were laying down, I called you, because I don't want you feeling that you are alone. You are NOT alone, not at all. I have NOT abandoned you. Your emotions have gotten the upper hand and you are also under attack. Weather this storm, My Bride, weather it and it will soon be over

and you'll be better for it."

OK.

"Now, I just want to hold you and tell you that you are doing an excellent job. I love you and it won't be long now."

Before what?

"Your breakthrough."

You mean finally, I will cease judging and being so critical?

"That and other things."

Well, I like surprises, so I'm not going to ask, Jesus.

"Very wise... 'cause I'm not going to tell you. I like surprises too!"

I didn't think I was doing a very good job though, Lord.

"Why do you always listen to the devil? Your energy is depleted right now and you are healing from the work we have done on you. And you do have enemies, you know."

Well, after that little snippet of information, I went back to bed for a few hours. And then I got up again.

My sweet and precious Jesus, please give me a word for your Bride.

"It's coming."

What's coming?

"Breakthroughs. Not just for you, but for all My faithful Brides that long to serve Me - as you have many who are ministers who listen in on this channel. As they continue to long to serve and be there for others, as they continue to weather the storms, I am bringing breakthrough to their ministries. I will increase the gifts, giving the ones that are longed for."

"Everything hinges on love. It is your love, My people, which enables the gifts. As you move more and more and long more and more to relieve the suffering of others, I increase your anointing. As you keep your head down, and walk humbly before Me, I can trust you with the power gifts, because you are not looking at yourselves but upon the suffering of others."

"You are not claiming the miracles for yourselves, but giving the glory to Me, as it is due. There is need, so much need for the healing and deliverance gifts to witness to Who I Am. Confusion grows with the darkness and even those who are professing Christians have serious moments of doubt and unbelief. This is something the enemy will take advantage of by offering them alternatives. But to see the healing gifts in action will be proof to them that I am a God of miracles and I truly DO have authority over their body"

and soul.

"I have been preparing this group in a very special way for the last 15 months. As I have witnessed their responses to My needs and their faithfulness during persecution and above all else their continuing commitment to love from the heart despite the unbelief, persecution and bitterness of those around them. This means more to Me than I can ever say. That is why I can increase the anointing.

"My people, before you can carry the most favored and choice anointing, your vessel, your soul must be cleaned of ulterior motives. Your love for others must surpass your gifts, and your knowledge of Scripture. All these things are only tools in the hands of love. To have these tools without love, as you have witnessed in your own lives, is damaging to souls. Because rather than meeting their deepest needs you become embroiled in being right and having it all together, sealed up tight and down pat. So, the only way for a soul to react is submission.

"This is not My idea of ministry. My idea of ministry is meeting the soul where their need is. Tenderly being there present to them in their need, meeting them where it hurts the most with no other agenda than to love them as I have loved you.

"Because the Church has gotten caught up in showmanship and prowess and 'oh, my, what an anointing!' - they have lost sight that I was tender in My earthly ministry, with all of the most wretched and needy. I did not seek to minister to the well-groomed in order to impress others. I reached out for the truly broken. I showed to you the example of meekness with the little folk and withstood the hypocrisy of the ruling class. Yes, My heart was for the poor of the land. And regrettably had to turn away those who had been chosen to be My ambassadors.

"You will come to see, more and more, that those who are willing to look foolish for Me can be trusted with the greater gifts. They have cultivated a dependence on Me and a care-less disregard for what people say about them. This freedom of heart is absolutely essential to those of you who wish to walk in My power and anointing. Can you look at those who show scorn and contempt for you and still love them? Can you stay detached enough to speak gently about their sins, to bring about a reformation of their lives and conviction? Can you do these things without rancor - but with a heart of love and concern for the state of their souls?

"You see, there is no room for rancor or retaliation in this ministry. There is no room for slander, gossip or rash judgment. As you judge, so shall you be judged - until you become so sick of yourselves that you would rather go without ministry than be drawn into an unjust consensus or judgment of the motives of others. Yes, you would rather withdraw and remain silent than chime in with an opinion that offends My Spirit.

"Do you understand? This calls for an uncommon detachment of soul, and as you can see I have been raising you up in this on this channel. I have allowed ample opportunity for you to confront evil-doers and yet you have responded in charity and concern for their souls. There is no greater love than what is shown to those who are in vehement opposition and persistent calumny towards you. I have allowed this here to test your meddle and see if your heart truly is for the good of all of my people - not just the little ones who are still learning.

"You are all learners and have but one teacher. And if you reflect on this in your humility in dealing with

others, you are reaching a point where I can trust you with the greater gifts. But if there is still a need to defend and justify yourselves, you are not ready to walk in My power gifts. Oh, My children, it is truly worthwhile to die totally to your own righteousness as others perceive it and seek only My approval."

Lord, did I do the wrong thing by stating clearly what we teach and what we don't teach?

"You were led by My Spirit for the sake of the weaker ones, to clarify what I am teaching through you. Had you not done that, more injury to innocent ones would have been done.

"But it ended there, as well it should have. Now you are moving forward with what's been given you and those things are no longer your concern. Now it is to care for the sick and misunderstood souls that seek a place in My heart but are being discouraged by those who have not taken time to understand what I am doing through this channel. As you continue to pray and offer fasts for those who calumniate you, I am drawing others who are not in bondage, as well as winning over some of those who were at first against you.

"All I require of you, My Brides, is to love and in the end, I will have My way. Remember this as you move closer to your breakthroughs: knowledge, understanding Scripture, experience in ministry, and anointing - all these are only tools in the hands of Love."

Above all else love one another as I have loved you. That's John 13:34.

And I felt led to add this Scripture: These three remain: Faith, Hope and Love. But the greatest of these is Love. I Cor. 13:13.

Now, here is a letter I received from the sister who is being shown these things to share with us all.

She began, "I had been 'seeing' miraculous healings in my mind's eye - in the spirit. Things that utterly defied medicine. Like a patient with an ostomy that just suddenly dried up, fell off, and they were healed; or a long-term paralyzed patient just walking after 30 years. I began wondering if these were those lying spirits again, or if the Lord was sending me something that had yet to surface fully into my consciousness. And so I asked Him."

And He had quite a few things to say, but I'm going to distill the important parts for you.

"Some of my servants have toiled ceaselessly, often in utter obscurity, for decades. And now, even when I have brought many of them out to shine, they struggle mightily against the enemy, bear the heaviest of burdens, and still work to bear fruit for My Kingdom. Such are the struggles of many others, who do so purely for their love of Me and of souls. These efforts will be rewarded! Already I have shown you many, in whose healing you will participate. Others are being trained around the globe to fulfill a similar purpose; a purpose that makes their souls shout with joy!

"These healings will be miraculous! Just as you saw in your visions. Those visions were not the work of the enemy. Rather, I sent them to you both for comfort and to help you to dream; to strengthen your imagination; to let you know that the dreams of Man have become small, and you are caught in a trap that is, in part, of your own making. I will show you miraculous healings! Already, the teaching of many around the world has begun. Healings will eventually be performed as they were performed of old.

Already they are beginning. The healings will evolve with experience and teaching, which will occur rapidly, until true miracles are seen, to give witness to My Glory.

"During this upcoming period on Earth, these souls, in their human bodies, will be prepared for healing. Healing angels have already been sent out around the world, to begin this process. When the soul is fully prepared, healing will be performed. But all must be done with precise order and timing for the healing to be done properly; with complete healing of body, mind, soul, and spirit. You have seen what the enemy has done to My beautiful creation. Man was never meant to know such suffering; nor was he meant to be distorted and damaged in such ways."

Here, He is referring to the Divine Design of Man's body, soul, and spirit. This is normally a beautifully organized, precise design of layers, all of which meld with one another, but which maintain a very precise pattern, laying one on top of the other.

"It is an abomination", He continued. That is, the distortion that's been done on Earth to mankind and to the Earth. "But many will receive complete healings, when the time is right. Not only do so many wish this; I desire this for them. When the time is right! And so it shall be!

"Be patient, My dear ones. Help is on the way. Miracles are on the way. I will strengthen you until this time. Ask Me, Beloved children. I have much to give you."

And that's the end of her letter.

And one thing I am learning is that we must ask. And our desire to have these gifts must be motivated by love. As Jesus said to me, "*All these things are only tools in the hands of love. Above all else, love one another as I have loved you.*" "

Golden Grace-Filled Years, Elderly, Best Wine Last

August 19, 2016

May the sweet presence of our Lord Jesus be with you all!

Well, yesterday was a difficult day. I was very impressed to pray for Mr. Trump and for his safety. Right after I did, boy - I'll tell you! lol... A front came in here in Taos and my Fibro just went off the charts. We have access to a very small hot tub, and it ended up being four soaks in the hot tub that day! When usually one will get the job done. So, it was a rough day yesterday. And that's part of the reason why you didn't hear from me.

The Lord had something interesting to talk about. When I came into prayer I said, "Lord, am I getting luke-warm?" Because I was so flat-lined.

And He said, *"No, you're not lukewarm...but you could get there."*

I thought, 'oh, oh, I don't want that!' Well, what's the matter with me?

He answered, *"No one said suffering would be easy. You're the one who wanted to pray for Mr. Trump. There's a price tag on these requests, My dearest. I know you are weak, I do not hold that against you. I sympathize, I care for you, Clare. I know your frame. You'd love to take on the world until you find out the cost. Only I was fit to take on the world, dearest."*

"These episodes of pain will not last that long. If you can just bear with Me during those times, the fruits will be wonderful. You have been chosen to carry a cross for this man. You are part of a group that's carrying their cross, and I will empower you. Though it is not easy, it will not be suffering every day."

What do I tell my Heartdwellers, Lord? 'Cause I've missed getting a message out to them now a couple of times.

He answered, *"Honesty is the best policy. Tell them you bit off more than you can chew and turn out a message at the same time. Always be honest. That, they will understand. There is a price tag on intercession. I have taught you that before and they will understand the predicaments they incur through intercession. So much inspiration is lost, because this is not taught. So many times souls get discouraged, because they become sick or cannot do what they feel is their assignment for Me."*

"This, too, is a suffering in it's own right. A big suffering."

Boy, you can say that again! I feel really badly, guys, when I miss a day or two - or two in a row. It's terrible.

He continued, *"Yet when these burdens lift there is ample time to carry on and finish what was begun for Me and with Me."*

"Now, My message tonight is about these voluntary sufferings, that there is always a cost to moving mountains and indeed the threats against this man are mountains. Nonetheless, because My Brides are faithful to pray, they will be averted. I do not want them to get discouraged or to be ignorant that every little or big cross carries with it a reward.

"Just as My Cross brought about the redemption of mankind from a certain dark fate, just as surely as that occurred, so are there rewards for those who carry these pains and inconveniences. There is perhaps nothing quite so disheartening as feeling useless and without a purpose. It is so tempting to think that people who are bed-ridden or infirm have no other purpose in life but to lay there and deteriorate.

"I have engineered it that the older you get, the closer you get to Heaven. The busywork of daily chores is lifted from you and others take on that burden. You, in turn, are left free to delve into the mysteries and beauties of My inscrutable will and a relationship with Me that is deeper than ever before.

"How beautiful it is to have so much time free for Me! Yet so few understand the later years of their lives. Many times they are caught up in the discouragement of their failures and cannot see beyond the past. A little healthy conviction is a good thing, but being pounded with so-called worthlessness every day is not from Me. Rather, now you have the faculties and time to look upon the world as one who is no longer striving in it.

"From this viewpoint you can pray for your children and those around you. Finally you see life as it is. You see vanity and a chasing-after-the-wind and how very fickle the lust for things, status and beauty truly are. Yet I am saddened by those who cannot see anything but the mirror of their lives gone by. They become stuck in this perspective and do not see all the opportunities for a meaningful life around them. When handled well, this can be the very richest time of your life. Did I not serve the best wine last? Yes, there is much meaning in that, as you have perceived for your life."

That's true, guys. This is a much better time in my life than anything that came before it.

He continued, *"Some of you, My Brides, have taken on the world's dead-end view of your later years, rather than seeing it as a golden opportunity to serve Me. How wonderful it is to receive a commission from Heaven when the wisdom of years is at its height. I do so want you to understand how powerful you are now. It's not like it was when you were younger and so enveloped in the world's activities. Now you have the opportunity to back away from the demands of others, to take on assignments from Heaven. Now you have more power and ability to affect others than ever in your lives. You are far from useless.*

"Again, Satan has relegated those last years to being a waste of time and money for the more productive people in society, because you are very threatening. Your experience and ability to size-up situations is very threatening and the best way to keep you from exercising that talent is to convince you that you're useless. Does My Word not state that Wisdom is with Age?"

"No, you have graduated to a life beyond busy-ness and now are equipped to intercede and dispense wisdom to the younger generation. What a tragedy in your culture that age is not valued with wisdom and ability to guide younger lives! So much has been lost in your culture by making it a culture of youthfulness and financial gain. When those opportunities run out, there is nothing left. And a gripping sense of failure and worthlessness assails victims, leaving them on a heap to grow old, to rot and dry up.

"When they could be dynamically leading prayer functions and praying for the younger generations, always there to counsel and guide. That is the beauty of this and other channels: elders are here to answer questions, pray and encourage. How wonderful is that? Many did not have access to the wisdom of elders growing up and now they don't recognize the very real gift they are to the younger generation."

Well, that was the end of His message, because I started nodding off at that point, and I had to go to sleep. It was a real intense day yesterday with pain, that's for sure. So, forgive me, dear ones, that I haven't been able to keep up with the messages. But we're getting there.

Know that the Lord is encouraging you to use your gifts on whatever skill level is available to you. Especially those among you who are elderly. And if you know somebody who's older, and elderly - to get them involved somehow in the Internet. The library offers all kinds of entry-level classes for people to understand what it's about.

There is a whole, whole crowd of people out there that are hungry and thirsting for wisdom, and they have no place to turn. And there's so many forums where you could come in a help people.

And for those of you who might be suffering with arthritis in your hands and have less mobility in your fingers that you used to - every computer is equipped with a microphone that you can speak into, that types out the words. And you can do that by just pulling up a sheet of paper on your computer, so-to-speak, speaking an answer into that and then saving it and pasting it into the dialogue box on Youtube, so that you can answer people directly.

So, there's all kinds of ways to get around that issue, if you're having problems with typing. I'm just encouraging you to pursue that. And to have others who are getting up there in years. Understand that they have a tremendously valuable gift, and their life is not over by any means. And certainly the influence, the good influence, they could have on others is not at an end - it's at an all-time high! The only thing getting in the way is the fear of the Internet - and that can be overcome with a little coaxing and a couple of library classes.

So, please, dear ones. Make good use of the time that you have. And know that those of you who are up there in years have so much to offer the younger generation. Be present to them. Listen to their heart cries and remember back to the time when you had the same problems. And do your best to give them an answer and pray for them.

Certainly on this channel you've got lots of space to do that. We're blessed with a lot of young people here.

The Lord bless you, Heartdwellers. Thank you for listening in. And hopefully I'll be on time with my message just from here on out. But if I'm not - pray for me!

By the way, thank you for those of you who are helping us out every month. It really makes a difference - it frees us up to do what we love to do most, and that is to pray and wait on the Lord to share with you. Thank you so much for your prayers, and your donations - it's so appreciated.

The Lord bless you.

The Best Wine for Last, Jesus is Calling All Seniors to Pray

August 20, 2016

Our Precious Lord Jesus is with us, Heartdwellers.

Today in worship the Lord was bringing up all our songs, both Ezekiel's and mine. Every one that we've done. And it was beautiful, because very often I don't think much of what I've been given in a song, and then to come back and have that song chosen by the Lord in the playing order, because we have it on "shuffle" and ask Holy Spirit to choose the

songs. To have that very song come back and minister to ME...really, really illuminates the purpose of the songs and how important they are.

And one thing the Lord quickened to me today about music is that you can write a letter and reach one person. And that is important. But you can write a song and reach a thousand - or ten thousand with the same message.

So, that's part of our ministry and that's something that we're going to be continuing to work on. Especially as soon as I get the portrait done!

Many times we feel compromised, because we love to correspond with all of you. And yet we are also called to receive these songs from Heaven and turn them into a gift that will reach thousands of souls. What a precious gift this is to all involved!

And as I entered into the songs, the Lord chose one of Terry MacAlmon's "Holy Is Your Name" - which is a beautiful worship song. And I saw that Jesus and I were dancing in a ballroom. It was a formal affair, and I was wearing the same dress, the very same dress, I wore to the Prom when I was 16. He made a point of the fact that it was indeed that dress. He was wearing a black tuxedo, and my heart was in a place of worship as we danced to that song. The room was filled with others as well. I would guess they were all dancing with their Jesus.

I began to get impressions as we were dancing. Things I wanted to say after His message yesterday about the elderly. Which I'm...approaching. Being 70.

He quipped, *"You're doing it again! You're reading My Mind."* He smiled.

And I quipped back, 'Does not Scripture say to put on the mind of Christ?'

He smiled, *"Well said."*

I had the best teacher! (Meaning Holy Spirit)

He said, *"Indeed you do. Please share that, what's on your heart. It truly is in My heart and mind for My*

weary ones to hear. They need a regeneration of thinking, a new perspective."

Very simply, I saw clearly that even those of us with many years, 60 and above, are still fresh and fully equipped to go out into the world and be a force for good. He is showing us how we were at the prom, because that is the way we most quickly equate with our beginning years, as being young adults and starting out. We are not all shriveled up in nursing homes. We are alive and full of spiritual vitality and the ability to guide and pray powerfully for those without the anointing of experience that years of life bring with it.

He is showing us the prom because that is who we truly are to Him, both on Earth and in Heaven. We are only just beginning, dear ones. We have what the younger generation needs desperately. We have the ability to see through the loopholes of materialism, greed and sensuality and pray for young mothers and fathers who are still walking in the ways of the world.

Jesus began again, *"Why do you suppose, My Loved ones, that you are but 33 in Heaven?? Have I not restored to you the years the locust has devoured? Are you not eternally beautiful to Me, forever at the peak of creation, the very crowning glory of My creation? Have you not lived for Me and given up the world for Me? How then shall I see you - weary and full of years, worn out... or full of life and vigor? Not what the world calls vigor, rather what I call vigor: Holy Virtue, a heart beating for Me, a heart of gold, forever stunning in beauty in Heaven."*

In that moment, I went to look up the word "locust" and my browser opened to a rhema:

"Vocation (Calling) today means also to understand the hard but stupendous mission of the church, now more than ever engaged in teaching man his true nature, his end, his fate, and in revealing to the faithful the immense riches of the charity of Christ." That was the quote. And I believe this is from Mother Theresa of Calcutta.

But how perfectly it underscores the glorious riches that await us in Heaven. Not the least of which is a new body, which all of us are going to be happy to have! And the truth and reality of who we are before God right now in this moment. We are this beauty celebrating our coming out into the world, even as we celebrated when we were young at the prom. But now rather than fulfilling a worldly and fleshly agenda, we seek to fulfill the will of God.

Jesus began again, *"I want you to know, My Brides, that you in this moment are more capable of fulfilling My will for you than ever before in your lives. You may be in your 80's but you still carry that spark of love and light for Me. And that spark can catch a whole forest on fire. One little spark can destroy acres and acres of darkness. That is your calling: to be one little spark in this world. That one word you speak to a young one in turmoil and confusion may be what is needed to burn away the darkness in his life and set his feet on the right course."*

"That one prayer you say for him may be the very key to Heaven and eternal life. Because you have lived so long among the futility of men, you do not have a real concept of the power of prayer. Everything of consequence in the world's eyes that has been presented to you is a big endeavor: expensive, elaborate and powerful by the world's standards."

"But look at My beginnings. Was I not just a voice, a gentle voice, calling out in love to My creation to

come to My banqueting table? Can you put a price tag on the Sermon on the Mount? Out in the hills, sitting on the grass. A natural amphitheater, lighting from the sun. A simple teaching that was given which changed the course of mankind and shattered the religious stranglehold the ruling elite of their day had on simple men and women.

"One healing - a woman touching My garment - and an unclean woman at that! Healed, and all around her had their eyes and hearts opened to the true character of their God. I did not beat the woman for touching Me, although the law would have proscribed that. No, I came to fulfill the heart of the law: love. But it was done so simply, through one touch. No amphitheaters, no choirs, lights, camera, action!!! etc. etc.

"No, only a simple word, 'Take courage, Daughter, your faith has healed you.' And her suffering of 12 years was brought to an end, and all who beheld it were healed of their blindness. Their spiritual blindness.

"This is the power in you, the elderly and infirm, this is what you have in your very hands. This word, this prayer you speak has the power to change the course of history for but one soul and perhaps beyond. Because when that soul changes, he changes all around him and the next generation as well.

"You have no concept of the power I have entrusted to you. Did not the young man, Nathan in Israel, who had the near death experience - describe the infinite value of mitzvah? Good deeds done purely for the motive of pleasing Me. And that is the character of what you have to offer in these your last years on Earth. You have lived through the passions of youth, done the foolish things that go with inexperience in life. You see clearly the traps that have been laid before these in the world, when they come on the channel and leave their comments.

"My Brides, you are just as beautiful and powerful now as you were the day of your prom. In fact, now you are adorned with the priceless jewels of wisdom that only years of experience and suffering can bestow on you.

"And I have given you an audience - a place where troubled souls are drawn looking for answers. Adopt them, make them your own sons and daughters. Commit to praying for them and staying in touch, being there to give them a shoulder to cry on. What good does it do for you to fill up on worship if you are not pouring it forth on others? It does no good. And how can I pour more healing anointing upon you, when you have not emptied your vessels on others?

"You have been cowed and discouraged by a society that honors not the wisdom of years. But I have anointed you and given you this mandate: go and bind up the lonely, hurting and confused. Pray for them. Speak a word in season over their situation. Follow up on this word. Keep track of the names of souls that you touch, save the conversations so you can refresh your minds as to what their situation was.

"You have seen how Satan has used technology. Well, now you shall see how I use it - one by one, to convert the lost, comfort the aching and direct the young and inexperienced in their life course. Yes, I have handed you a very powerful tool and opened to you a huge audience of seekers. Make good use of it. Make Me proud of you. I will increase your vigor and wisdom as you pour yourself out on others.

"Reach out to those around you who are full of years. Encourage them to join in this last-days battle.

They, too, can be part of this army filled with wisdom. Even just laying in bed, unable to move about - bring the broken hearts to them and ask for their prayers. Oh, how powerful are the prayers of those who suffer illnesses and immobility! How powerful! Only, you must convince them that they, too, have a pivotal role to play when they lay at the center of the hub of the wheel, their prayers reach out to all the spokes.

"These who are lying in bed languishing have been derailed in their purpose to build up My Kingdom. They've been lied to that they are worthless, of no importance, unable to do anything. Oh, how great this lie is! A terrible travesty and the author of it is none other than the Father of Lies, because he fears that these will pray and bring his kingdom down, thwart his purpose of dragging the young ones to Hell.

"But I am appealing to you, My Brides, to convince them otherwise. They have the powerful weapon of Simon's Cross, which they can wield from that wheelchair, from that bed. But you must convince them and engage them in the work. Will you do this for Me? Will you cultivate warriors to stand with you for those who are perishing?

"I call upon you, My Brides, because there is a great army lying dormant, wasting away with nothing to live for. And you can offer them this great commission to pray behind you and even rise up and learn to use the Internet and be a part of what you are doing.

"Thank you, My faithful ones. You, I am calling to restore hope and meaning to these lives by their simple prayers, and to continue to carry that spark that will set the forest of darkness on fire and bring My lost ones into the light for eternity. You are My choice instruments, and with you I will do valiantly."

Are You Called?

August 22, 2016

The Lord is passionate about being with you, Heart dwellers.

He took me to task today, because I was going to forgo the message. But through my husband, Ezekiel, He let me know He was not pleased with my decision. So, here I am...still

stinging a bit, but ready to obey.

"Please don't be upset with Me, Clare." the Lord began. "I just want to see a little more consistency, because I do have ministry to these souls and I count on you to deliver it in a timely fashion."

I'm sorry, Lord. I will do better with Your help.

"Thank you. I knew you'd say that. Some of these souls are starving to death for a word of encouragement. Some are so devastated by churches and church people that they are about to give up on Me. I send them here to be loved."

"Many stay in the background just observing how others are treated...biding their time and coming forward when they are comfortable doing so. I need for you to be faithful for them all. Truly you have a little following that loves to hear My voice through you - don't underestimate the power of My words through you. They do way more than you could ever think or hope for. Fruit in Heaven, dearest...fruit in Heaven."

He was toying with our wedding ring again.

"Oh, My little, little Clare. You just have no idea. And for now it is better this way, it really is."

"But I do have a word for tonight. I want everyone who is serious about Me on this channel to move forward WITHOUT looking back. Even as I told you earlier, no one is worthy of Me who puts his hand to the plough and then turns around to look back."

"I want you all to press in. I am telling you this for your own good. This is a steep, upward climb and you cannot afford to fall behind. I have plans for you, My Heartdwellers; I have plans. Many of you have been aching for the gift of healing and other gifts to bring relief to the suffering. I am preparing you for these gifts."

"Everyone loves to look at those who are front-runners in ministry, but little do they realize exactly how much it costs them. For those of you who are truly committed to Me, you are going to find out. Clare and Ezekiel have suffered much to be in this position with Me, and yet they, too, are hungry to grow and be of more service in My Kingdom."

"But I must tell you, you will die to your flesh if you follow Me. There will be nights like tonight, when Clare just wanted to go to bed, because Ezekiel had been in intercessory suffering all day and she wore herself out with concern and prayer. But I needed her and I called her to forgo sleep and listen for My message to you. And I have given her the grace to be here and obey.

"There are times when you would rather write someone off, but I will ask you to go the further mile to restore peace, even though you are not in the wrong. There are times when I will ask you to do something that will bring down the censorship and calumny of other people. You will lose face with them and lose friends and relatives. You will have to choose between them and Me.

"There will be times of reproof and correction, even humiliation. Will you keep going for Me when you've been embarrassed by My word? Will you continue to follow Me if your spouse threatens to leave you?

"What did I say:

"He turned and said to them, "If anyone comes to Me and does not hate his father and mother and wife and children and brothers and sisters -- yes, even his own life -- he cannot be My disciple. And whoever does not carry his cross and follow Me cannot be My disciple..." Luke 14:26-27

"Both Clare and Ezekiel know exactly what that means, they have both lost spouses and children who did not understand what it means to belong to Me.

"I am not suggesting you make any rash moves. But I am warning you that it may come to that. If it does, it will be painfully clear that you cannot continue on in that relationship. There will be no mistake about it. Some of you are called to remain and endure unjust persecution from your spouses, and offer it to Me for their hardened hearts. This will cost you much.

"You ask, 'Where's the joy in all this?'

"The answer is simple: it is an interior joy, the joy of Me living, moving and breathing life through you to others. It is the interior life, way below the surface of the ocean where the squalls and storms toss you to and fro on the surface of the water. No, here at these depths we are swimming in together, there is joy, there is peace, there is a happiness and satisfaction no one at the surface can enjoy. It's a hidden joy that few truly see, but is evident by your calm nature as you take things in stride... knowing that the only thing that matters in your life is My approval of you.

"This is not for everyone. Count the cost. But if you are longing for the life of the first apostles, reflect on what they suffered and gave up to serve Me.

"How will you know I am calling you to this? You will find that nothing in this world can satisfy you. No matter how much of Me you have, if you are holding back, you will not be happy - you will want more, and more, and more. This is where most stop...

"A certain man was preparing a great banquet and invited many guests. At the time of the banquet he sent his servant to tell those who had been invited, 'Come, for everything is now ready.' But they all alike began to make excuses. The first said, 'I have just bought a field, and I must go and see it. Please excuse me.' Another said, 'I have just bought five yoke of oxen, and I'm on my way to try them out. Please

excuse me.' Still another said, 'I just got married, so I can't come.' Luke 14:16-20

"And so they sell their lives short...always wondering what it would have been like to follow Me wholeheartedly, when I made the first invitation."

Wow. I did that. I missed Your first invitation. The next 2 years were terrible, lukewarm and filled with remorse that I passed by an opportunity to truly live for You. But when I finally got that second chance...WOW!!! Never in my life have I had more of You.

"You were blessed, My Love. Not all get a second chance. But I knew you would not be happy, I knew you wanted more. Some of you listening to this message now recognize yourself in her - you're still wondering if you'll have another chance. That is a decision you will have to make. But I will tell you this: if you put it off for too long, you will never do it."

"Many give Me the dregs of their lives, the left-overs. Yes, I'll take that. I'll take whatever you want to give Me, but you will wish you had made that decision when you were younger."

"Some of you are young and vigorous and looking forward to a well-paying career after university studies. I will warn you now, if you survive in that climate, you may come out without any faith at all."

"Some of you may choose a Bible school and study to be a pastor, having an eye on a well-paying job and insurance, etc. You are still thinking like the world."

"If you want to follow Me, you will have to follow your heart. None of My apostles were educated - except the one who betrayed Me. That should tell you something. Everything in the Gospels is an allegory for your present day. The men who most succeeded with Me were simple men of heart and on fire. They fell in love with Me and wanted only what I had to give them."

"Peter left a lucrative fishing business with employees, servants, a wife and children. Matthew was well on his way in a lucrative government job, working his way up the ladder to a higher position. Later on, Luke was a physician with a thriving practice, a substantial income and the promise of a comfortable life with social status and favor."

"All these men had worked hard to get themselves into a secure position with the promise for a good life. All of them recognized the Pearl of Great Price...turned their backs on the world and followed Me."

"And what about you? Who do you say I am? What does My invitation mean to you? Have your parents set you up for a college education and you dare not disappoint them? Do you go to college class after college class, coming away feeling like you're wasting your time and moving in the wrong direction? Well, you probably are, if you feel that way."

"So, what must you do to follow Me? Like the rich young ruler...go sell all you have, give it to the poor, then come and follow Me. Just like in the beginning. And where do you go? Wherever My Spirit is moving, wherever miracles are being done in My name, wherever people are risking their lives to bring the Gospel. Wherever your heart leads you. Because I dwell in your heart, and I advise you from your heart. I put My desires for you, which are truly your desires, in your heart."

"Yes, you can choose Bible College...but I'll ask you this. What do you want to learn? All about the Bible and how to run a church? Or My ways? You will not learn of My ways until you go out among the people and learn to identify with their sorrows and successes. You will only learn to love as I loved when you go out among them, living as they live, being there in all the diverse situations of life they encounter with Me, only, as their helper.

"You see? This invitation is a call to strip your lives of the world and plunge into the sea of hurting humanity, with only My voice to guide you.

"Above all else, follow your heart. Follow Love. Go with the anointing and learn - learn to work with others and learn how to be true to Me alone in the midst of contradictions.

"Yes, I will be with you. To the degree you sacrifice, to that degree will I be with you. I will never leave your side, and you will learn My ways, first hand. The only requirement is the desire to love Me and love your brother. You may not be there yet...but if that's the passion of your heart, I've put it there and I will bring it to pass.

"Deny yourself, pick up your cross, and follow Me."

When Giving Up is NOT an Option/Part 1/Interview with Ezekiel

August 23, 2016

Clare: Well, Heartdwellers, a lot of you have been praying for Ezekiel because he's been sick. He's had kind of a bout with his stomach and intestines - it's been really hard. Especially our prayer warrior team has been praying fervently for him. And a really amazing thing took place last night. We wanted to share it with you, because it just highlights the awesome power of God.

You want to tell us what happened?

Ezekiel: Sure. A lot of you, as Clare has said, have been praying for me, fervently - and I'm overwhelmed at the letters and cards and emails from the heart, from the soul, from the spirit. The **STRONG**, strong words that you guys have spoken over me. I mean, it's so amazing when you write and then Holy Spirit starts praying through you.

Clare: Giving you a blessing...

Ezekiel: Oh, my gosh!

Clare: It's beautiful!

Ezekiel: What you speak, He incarnates, I gotta tell you - I'm living proof. Well... He spoke the Word and the Universe was created, so...

Clare: Tremendously powerful.

Ezekiel: When these abdominal seizures would begin to happen - and I'm not talking about here and there. I'm talking about every day, every night for hours on end. And I'd get some relief in between, but it was like, oh, my Lord - it was over 5 1/2 weeks at least this last bout.

And you're watching two people that you really...that you love more than anything in the world. You're watching the Lord and you're watching, if you're blessed to have a helpmate/heartmate in your spouse...you're watching them. Some of you understand what that's like. And it's killing you. In your heart and mind and soul, it's killing you to see that it's killing them slowly. Something's attacking **YOUR** body and you just see them, somehow - by the grace of God - get up again and again and again. And keep going and keep praying and keep smiling. And they're there for every single detail that the Lord wants, that you need - and anything or anyone else.

So, I gotta tell you that right off the bat. This 5 1/2 week period led up to a, I guess a topping off point, a crisis point. It really came to a head yesterday.

I've walked with the Lord for some 30 years. I've come very close to the "crossing over" 3 times. Well, yesterday was number 3. And I've gotta tell you - it wasn't pretty. It was the hardest thing I think I've ever, ever been through. I just can't describe what it was like. And I kept thinking, 'Lord! I wanted this to be a time of celebration, a beautiful time. Something's not right in the water, here. Something's not right - there's darkness. There's turmoil. There's no peace.'

And my poor wife is just exhausted. I mean, we're talking about, as of yesterday, we were running on about 28 hours at that point.

And so, I went to my Scriptures, asked for some kind of guidance. I've turned up Scriptures on Death many times. But usually, it's always before or after something about our enemies, or this thing or that thing. THIS time it was sandwiched smack in the middle of Eternal Life - you know, how it's gonna be when we're in Heaven. Here's Death, right in the middle, all these Scriptures about how we're destined to die at some point... Unless! We're caught up in the Rapture. And He's going to raise us up on the last Day anyway. The third reading as we recall, because I was so in and out of it, readINGS, Scripture readings were all about the Holy Spirit - "I've told you these things that you might have joy."

Clare: You were using the Bible Promises.

Ezekiel: At that point, yes. The Bible Promises is...I know there've been a lot of critics, but it's just pure Scripture from cover to cover. And it's...sometimes you need "a word in season," you know? People used to make fun of "flip for a Script" or "Bible roulette" - open a Bible... badoo! Well...the Lord SPEAKS through His Word. And whether it's your large family Bible, or your church Bible, or whatever - Scripture is Scripture.

Clare: So, tell us what happened.

Ezekiel: So, the third Scripture was confirming that "this is the Holy Spirit". And I haven't heard - I haven't been able to hear from the Lord. I've been able to sense Him, oh, months. It's been a LONG, dry period. And I know a lot of you have been praying for a breakthrough with my music. It's been over a year since some of the songs He gave me...

Clare: So, the readings were very convincing that you might be dying, right?

Ezekiel: Yeah.

Clare: The Lord had been kinda quiet. You have the added cross of hearing the demonic dimension very, very clearly, most of the time. Tremendous amount of lying spirits, discouragement, condemnation - trying to cause fear and that kind of thing. So, you're real familiar with that and the Lord once told me that's one of your crosses.

Ezekiel: Oh, yeah..

Clare: And then when He breaks through and you start hearing HIM, it's like He gives you a respite from all that, and you have this wonderful time of really clear communication with Him.

Ezekiel: Right. Right.

Clare: So, this was still in a time of darkness.

Ezekiel: Yeah. I mean, we're just going back a few hours to yesterday evening, getting into the early hours of this morning. I heard the Lord clearly, and He said, "*You have a choice. You can get up and walk out of this bed. Or...I love you, but I'm gonna have to bring you Home. I can't use you, I can't use you like this.*" And I thought, 'What?? Well, what about all the suffering, and those behind...?' He wasn't talking about that.

So, I got a little suspicious about the Scripture readings I'd been getting, you know? I thought, 'I'm gonna do a little tie-breaker thing here, so to speak.' And I went to the Scriptures a fourth time and got Laziness.

Clare: ooooooh...ouch!

Ezekiel: Ooooh... I thought, "Uh oh! Wow! Lord, I'm laying here basically almost Cheyne-Stokes breathing, the last breathing that you have, when you only take a breath every two or three minutes, sometimes. I felt like not a drop was left of anything in my body - heart, mind, spirit, soul - you name it. And I said, "You're asking me...You're telling me that I'm LAZY?" I mean, I repent! And I know I have been at times, but... My God! Where's Your mercy?!"

And it was as if He said, "This IS My mercy. This is My mercy. I won't breach your will, I won't cross your will. But I love you enough, and I love souls enough that I'll bend your will. I'll push your will. I might even "scare" your will. But I WILL have My way in your life, if you'll let Me."

I started to get Scriptures about Faith at that point. So, my spirits started to lift. But I'm telling you, guys - I have never been closer to death in my life, except those NDE's, crossing over. And this was not a nice, happy thing. And all of a sudden I felt like I was under correction - I didn't understand.

And I just said, "Lord, I'm in the deepest, deepest pit. I'm at the bottom of the well. I don't...there's nothing left! I don't have anything. If anything happens, it's gotta be You. There's just not a gram or shred of any....I CAN'T!"

Clare: You mean getting out of bed.

Ezekiel: Right!

Clare: You didn't have any strength to get out of bed.

Ezekiel: And then I remembered: confession is good for the soul. We need to confess our sins to one another. This past week it had gotten so ...and you know. I know that you know what I'm talking about. So many of you guys. I got to the point where I said, "I can't do this anymore, Lord. Take the mansion You've shown me, everything You've promised - please don't send me to Hell...but, give me a little corner shack in the WAY far reaches of anything...but I can't do this anymore. I just can't."

Clare: You mean the pain, every day. Every time you eat...yeah. The pain was just terrible. Ice packs every night.

Ezekiel: Every day, every night. If you get up at all, you know. And I can't describe all that - but you all

have IV's, and ...well, not all of you. But many of you have those kind of things. You've been bed-ridden...trying to give you some hope, here.

Clare: We didn't really talk about why...about how, day after day, you just couldn't work. I mean, you'd come in and look at your equipment...and people were praying that you could do some music. But it was like you were avoiding it. And then, when you did try it, to work on it, then you had pain because your guitar was in the place where your stomach was sensitive. But there were a few days in there where you just didn't have the will to carry on, really.

Ezekiel: Right.

Clare: You know. And you were really balking, and I think that's why the Lord brought you to this point where you're either going to get out of bed or I'm going to take you Home, because you're not - you're not doing what you're supposed to be doing.

And He corrected me the same night.

Ezekiel: All, exactly at the same time!

Clare: ...exactly at the same time - yeah. And my correction was - which I shared with you guys yesterday, in yesterday's message. My correction was that He wants a message out every night. He wants more.

Ezekiel: And this was a loving correction. I mean, you guys that know the Lord, you know Him.

I'm telling you, I was RIGHT THERE. And...an amazing thing happened! I found myself up on one elbow and turning...and slipping out of the bed. And...on my feet. Well, it's not all flowers and roses yet, because there's still no strength...just enough... It's like, He gives you just enough for the next move. Just enough for the next step of faith. I tried to take a step, and I basically kinda caught myself on my elbows on the side of the bed. Had my head down...and one of our poor little kitties, Gracie, she was sound asleep. She woke up, she looked so worried! I mean, the cats were so clingy, like they knew. And the puppy...everything. So, I'm standing there, holding myself on my elbows, and somehow get a breath, a deep breath and push myself back up. That probably happened three times. It took me, easily, about 10 minutes to get from that bed to my room, where I have a little prayer altar, and my sound equipment, recording console, instruments, that kind of thing. Just one room away. 10 minutes.

Walked through the kitchen - for some odd reason, Clare decided a couple days ago to make a BIG batch of Kaniwa, or Quinoa - however you pronounce it. What's - it an old Aztec grain or something?

Clare: Yeah, it's high in protein and I creamed it, because you can't have anything that has little tails on it, like that does when you cook it. I creamed it and put a little sugar and a little almond extract and a little...that's about it. And blended it. Oh, a little coconut milk, I think. And blended that. It makes a wonderful drink. You can drink it hot or cold, it's very, very nourishing. Well, I made that...

Ezekiel: All I can tell you is, this is like a recipe straight from Heaven. The Lord sent...she hasn't made that for years.

So, that was there and I had a little bit of that. I'm talking about 2 or 3 little sips... and a little sip of fruit juice. And I felt stronger.

~~~~~

Clare: Well, so much for part one, guys. Tomorrow we'll have part two - and maybe part three! So stay tuned. The Lord bless you.

## When Giving Up is Not an Option, Part 2

---

August 24, 2016

Clare: ;Okay, so - you got out of bed..

Ezekiel: I got out of bed, made it into the loop, but as I was walking through the kitchen, I had a very clear, very clear picture - mind's eye vision, whatever - of all of these demons... I don't mean to be campy or silly, but there was a computer-animated movie out a while back. And I...gosh, can't even remember the...Oh - Kung Fu Panda! And the - if any of you saw that - had these gorilla, I mean these rhinoceros-looking guards, you know, they had armor on. Well, these demons looked just like that, man. They were like, upright rhinoceros-looking things with armor on!

And every step I'd take, this HUGE, curling-ball would come behind me.

Clare: an iron ball...

Ezekiel: It almost looked like one of those things you swing with iron balls and spikes - but this was just...these were just big balls with spikes! And I mean, HURLING. And when it would hit them, it would knock out bunches of them.

Clare: Huh! Of the demons?

Ezekiel: Yeah!

Clare: With every step that you took...

Ezekiel: I'm so used to... You're talking to the son of the son of the son of Thomas - doubting Thomas, you know? It's been my Achilles heel, is doubt. And when I start to see something, or it has been for a few years - I kinda brush it off, you know. "That's just my mind, or my head." Whatever. But I'd take another step.

Clare: Couldn't do that this time, it was too clear.

Ezekiel: I'd take another step. Take another step. It never went away. I'd take another step, there's another group of these guys and WHAM! This thing would come out of nowhere behind me and just obliterate them. And with each step I took, I mean, it made no sense at all. Every step I took I got stronger. I could feel it. And I can't tell you, I had tingling from head to toe. All I know is, with every step - I don't know, 24 steps from my room to the bed to here...Wow! The closer I got to the room - and Clare mentioned, I'd tried this so many times before. I'd go in, I'd pray, I'd turn on the equipment and get things ready...and wham! I'd get hit with one of...several of those abdominal convulsions-like things, those seizures. And they'd...I was out. I was down for hours, maybe two or three days at a time. And nights.

But not this time! And I gotta tell you, because of His grace, because of your prayers, because of your faith - when I didn't have faith of my own, you guys were like the ones that busted the hole in Peter's roof and let the man down in front of Jesus.

Clare: Yeah...

Ezekiel: I didn't have any faith of mine. I just had nothing - I was totally bankrupt. 30 years with the Lord and bankrupt. But you guys came along, made a hole, put me down in front of Jesus...

Clare: That's beautiful. Yeah... So, there was a...we were obviously under demonic attack. And for all you loving Satanists out there, God bless you!

Ezekiel: He really does love you guys.

Clare: lol...He does!

Ezekiel: And He's given us the grace to love you, too!

Clare: And He takes these things, the Lord takes these things and turns them around for good, because now we're learning about some of the tactics and techniques. As we're seeing into the spirit, He's showing us.

Ezekiel: And again, a lot of you guys know what it's like to lose your "purpose-driven life". And that brings me to this point: Obviously, I'm telling you about a life changing, amazing, powerful healing. I mean, off my death bed. Off my DEATH bed! I mean you're talking to kinda like Lazarus, man. I remember thinking, 'Wow. I almost feel like I'm born again...AGAIN!' Just like a fresh baby out of the womb.

Clare: And some of this, you know... people say Christians can't be cursed. Sorry! You're not right about that. They can be cursed. And whether the Lord allows them to land or not... But here we're talking about a death curse, where the Lord directly raised you up in the face of that death curse. And angels blasted the demons that were trying to bring it on, because of your will to take a step here and take a step there.

And what I want to say about that, is that we are finding out more and more - what a righteous God we serve! We have no idea of some of the things that are sinful, that we're doing. We don't realize. God revealed to me my hidden sins, cleansed my hidden sins. And we don't realize how we open doors. This is what we're finding out more and more in the spiritual warfare, is that we open doors just without thinking. We don't realize that we're sinning and the effect that it has - maybe a sin of unbelief, or a sin of criticism or judgment. We just don't realize that. And so that allows a curse to land, because we sinned. And we're just now, the Lord is just now beginning to reveal to us a much higher standard of holiness than what we've been functioning at.

And this calls for a real amendment of life and repentance. And that's when the curses can't land. Although He does allow suffering, again, to deliver the Gospel into the hands of the lost, as a fast offering. He does allow it. So, it's a little bit of a mixed bag, but certainly we don't want to be opening doors by our own sin. Not only do we not want to open doors, but let's think about it. We're so in love with the Lord, we don't want to hurt Him. We don't want to hurt Him with the things that we do, or grieve

the Holy Spirit.

So, these are things that we need to look at again.

Getting back to the narrative of what happened there, you felt that it was actually the warring angels that were assaulting these demons?

Ezekiel: It wasn't angels. It was God the Father Himself. I could feel Him, I could sense Him. You know, you've heard some of my past. Like a lot of you, never knew the love of a real father, just the hard...violence and abuse and all that stuff. But. So, I was a little shy (of God the Father). And Clare would tell me, "Honey, you've got to get to know Him. He's got the heart of a child! He's so innocent and pure and so beautiful!" And it just was like, bounced off my head. I had no point of reference.

And this past Spring, (I heard he's gone to be with the Lord now), Brendan Manning, who was a former active Franciscan priest, who ended up being laicized, getting married and going on and giving talks and things. It's an amazing story that he told. About how much the Father loves Jesus and Jesus loves the Father. I'll get back to that another time. But through that talk, I met Him! Yesterday I couldn't have told you anything, 'cause I felt like such a hypocrite...but, His love breaks through. His love breaks through. And it was Daddy. His little boy that He's taken and swung me by the arms, Jesus on the other side of the River, like they're swinging me over the stream. And they're putting me in front of berry bushes - no thorns, you know. And this is some months back. And I had a little honeymoon with my REAL DADDY. I don't have any other name I can call Him. I understand "Abba". And another time for other things, beautiful stories and places He's taken me and things He's been.

Clare: Some of that is written in Chronicles of the Bride, too. Which is a free book online on our website, [Heartdwellers.org](http://Heartdwellers.org)

Ezekiel: A little bit, a little bit of that.

Clare: Coming up on the music, how that turned around. 'Cause we've been asking the prayer warriors to pray for your music.

Ezekiel: Right, right. So, with every step, every move... So, I pull the cover off the keyboard. Normally, I'd try to sit and pray and spend some time with the Lord. But you got hours and hours and hours to do that when you're "down". And this was time for Lazarus to come out of the tomb.

Clare: lol...time for ACTION!

Ezekiel: An author that we love, Lori Beth Jones, who wrote "Jesus, CEO" and following books - beautiful. In one of her books I think she said, "It's like Jesus came out of the tomb and went, (finger clicks, hands clap) TaDa!" lol!! And I thought about that, and I was quipping about that earlier tonight. And I felt like the Lord was saying, "Yeah - but it was WAY more than that!! But! There was part of that, too!"

So, I pulled the keyboard cover off, like I'd done countless days and nights before. Turn on the switches. Recorder console fires up. Keyboard fires up. My guitar's sitting right there in almost perfect tuning. And I started getting kinda tired, you know. And I thought, "Wow - this is...well, 28, going into maybe 29

hours (of being awake) and I've still got my flesh. I'm thinking...you get in a habit of conditioning of well, she's down, or he's down - I need to go down. You get lazy!

Clare: Yeah..

Ezekiel: I got lazy! And oh my gosh! It's like He's teaching me, He's wiped the whole slate clean. This was not just a physical, amazing physical resurrection healing. This was an amazing, start-again, fresh, baby-skin...I mean, I feel like I'm in Kindergarden, learning all over again. And that's how I ever want to be! No wonder He said that, unless you become like a little child...

So, everything's fired up and I'm tired and want to go to bed. And I hear the Lord clearly. After MONTHS, I'm hearing Him clearly. I'm not hearing demons saying, "You're this, you're that...badum dadum dadah..." I'm hearing JESUS. God Himself. I'm hearing the Holy Spirit. I'm hearing Daddy. Clear - just like you and I talking, right here. And He seemed like someone in a grandstand, watching this Olympic event, and He was both the spectator and almost the Spartan in the middle of the Coliseum. You know, dueling it out at the same time.

And He would say, "Let's keep going."

Clare: And you told me you were tired. And I said, "Honey, you need to break through this." Because that's the demon of lethargy and laziness, tiredness...it comes on you, to stop you.

Ezekiel: Oh yeah! It didn't want to let go.

Clare: Yeah. And you just have to break through it, you have to keep going.

Ezekiel: I want to tell you, I knew of a pastor who said, "You know, I didn't believe in demons until I found out I HAD one." LOL! You know?

Clare: If you've got one, believe me, it's not the only one you have!

Ezekiel: Yeah... And I was a lot like Mary Magdalene, you know. And I'm sure, 30 years ago, He delivered me of more demons than you could shake a stick at - in and INSTANT. In an INSTANT - at two minutes 'till eight that night. I still hated Christians and everything to do with Christianity, church, religion, blechh! You know. I'm sorry, but that's the way it was. And I end up in this group of people, with some food. And they're praying and - you've heard it, if you've heard the past several months back, my testimony.

It was like He did that again! It almost felt - even though it took 10 minutes to get there - here it was into an hour, and I was getting tired... 29 hours... It felt instantaneous. It's amazing. It's like He said, when a woman in laboring to give birth, she groans in travail. But when she gives birth, she rejoices in the child that came forth and remembers not her pain. The first words out of my mouth were the Psalms. I mean, they were POURING out of me. I don't know the Psalms by memory! I've walked with the Lord for 30 years - yeah I know a lot of stuff by rote.

Clare: We know bits and pieces.

Ezekiel: Yeah - it's just pouring out of me! And the very first words were something along the lines of "You bring LIFE where there IS no life. You bring hope where there is no hope. You bring blessing where there's nothing but a curse." And on and on and on.

So...I looked up and... I write - like many of you. I write little cards to remind me. And I have this big 8 x 11 sheet of paper beside one of my vocal processor units, by the recording console. And it says: Come PLAY with Me. PLAY. Big words, big letters. Neon. PLAY. I never learned how to read or write music. Since I was probably 7 years old I've plucked around on little toy guitars and stuff, and I've always played by ear. And music was never work - it was always play. When I wrote that little card, that big sheet of paper - I was thinking of, you know, going off with the Lord. Skating, ice skating, you know. Riding horses, kick a soccer ball - whatever. I wasn't thinking music. But it's amazing how those words that the Lord gives you are like memorial stones. Like Jacob used to pile up and the Patriarchs, when the Lord would visit them. And they'd leave a memorial stone. Those words come back to you.

And just like the Scriptures, they'll catch you and hit you a totally, new, fresh way. And here it is. I'm tired, want to go to bed, "Let's keep going...PLAY with Me." Here's the Lord... And I'm just seeing Him, up on His haunches almost, almost kind of squatting up out of His seat in these Coliseum kind of stands, watching the contest that is going on. And yet, He's down there, almost like a gladiator, going after masses and masses of Spartan gladiator-mongrels.

Clare: Demons...

Ezekiel: Just ...yeah.

Clare: You saw this in the spirit, when you were picking up your guitar, or..?

Ezekiel: While I was sitting right there at the keyboard and getting ready to pick up the guitar. This happened like, three times throughout the next 12 hours. What's 12 and 28...40. Isn't that interesting? And He's going at it, you know? And when He would do that, I'd just fill up with air again. I'd just be re-inflated and re-enlivened, quickened and boom!

Clare: When He did what?

Ezekiel: When He would say, "Let's keep going!" And He's on His haunches and He's up out of His - He's watching a contest. But the third time that happened, into almost probably the 10th hour of this breakthrough. We're going on 40 hours. Wow. It's like an Odyssey. The third time this happened, and He said, "Let's keep going." And it was almost like, part of me was like, "Lord! This is amazing - but You gotta be kidding me! I'm only flesh and human! I mean - this is great, but You're going to have to enlarge my head and my body or something. I'm having trouble keeping up!"

And He looked at me, with a very...very intentional, loving, excited, passionate smile...and He said - both fists clenched - and He said, "We're gonna TAKE these guys! We're gonna take 'em down, every single one of them. We're gonna give 'em back every, single thing that they deserve and we're gonna TAKE BACK everything they've stolen. And I'm gonna multiply it. Now, let's keep going!"

Clare: Wow!

Ezekiel: Whoa! That was all I needed, that's all I needed. Here we go, boy, we're into the last two hours. I didn't know it, I didn't know how long this was going to take. I used to be able to just sit down, write a song, zip it out - play a tune, put the words, record it - and I could be done in 20 minutes, sometimes.

Clare: Yeah, and I'd labor for three weeks over a song, and he'd have it down in 20 minutes!

Ezekiel: There's so many things that are different within these past few hours, in that I can look at these fruits that are coming up now. I sound excited, because I am! Oh, my gosh, I was DEAD! I'm ALIVE! We're into, probably the 10th hour of this thing. And I'm thinking - yeah, I've been sitting here a while, and all these Psalms are pouring out of me, praise and you name it. Like I had 12 different channels goin' on in my head, and they were all Lord. Psalms, Praise, old songs, new songs - you name it.

And I'm sitting here with this plethora in front of me, and a melody came to me. I just happened to have my guitar and kind of a strange - what we call "open tuning," it's not a standard tuning - you tune it to something that sounds pretty. And then when you put your fingers on different places on the strings, it just sounds prettier. It's nice! Nice!

Clare: Of course, we're dying to hear this song...

Ezekiel: Oh my...yeah. Sorry.. Well, I wanna tell ya, He's doing a new thing. A while ago I heard so clearly, "Look on, you scoffers, and be amazed! I'm doing a new thing."

## When Giving Up is NOT an Option, Part 3

---

August 25, 2016

Ezekiel: A while ago, I heard so clearly, "Look on, you Scoffers and be amazed! I'm doing a new thing!"

You know, here a lot of us are getting past middle age, getting into what are supposed to be our "golden years", our senior years, whatever. Forget it! That's nonsense, man. I'd see people older than me, just full of fire and I just couldn't understand it, you know? "Boy, this is it - I've seen it all, done it all. Gonna coast on out!"

Clare: Well, but then the golden years thing is...the last wine that was served was better than the first!

Ezekiel: I can guarantee, I have NO idea what's gonna happen. This is day one!

Clare: This is an army, you know, out there that we're talking to, the Heartdwellers. This is an army of people who are in love with the Lord. And some of them have given up, because they're...like you said, they're just tired of suffering, they're tired of pain, or they've been talked down by the devil telling them, "You're too old, this will never work." And that's why I freely tell people, "Hey, I'm 70 years old and I'm having the best time of my life! Finally!" I wasted many years. If He can get this body going. And He keeps renewing my body.

Ezekiel: She's amazing!

Clare: Things'll come after me, body problems will happen - and the Lord will turn around and just kick them right out again.

So, you ended up writing a song, right? A pretty melody came up.

Ezekiel: The 10th hour. There's a melody, this beautiful something on a steel string guitar with harmonics...just stuff that a really GOOD, maybe a trained, classical musician would do. It's just coming out of my, every fiber in me.

Clare: And your fingers weren't even...

Ezekiel: Calloused.

Clare: Calloused over.

Ezekiel: I've got... I've had calloused fingers for, oh I can't - as many years as I'm alive almost, on the tips of my fingers. (now) I have BABY skin here. You're talking about steel string, tight steel string guitar. No pain! I played that thing like...lol!

Clare: I was amazed! Really - 'cause you told me that you'd been playing and I thought, 'With those fingers?'

Ezekiel: I mean, it just...

Clare: He turns everything to good.

Ezekiel: Just what He said - He took back everything the devil stole and He multiplied it. This is day 1, you know. The adventure continues. I have no idea what's going to come up and out. One of the fruits in my life, right now, I can see is I'm not in a hurry to "get it done, get it quick, badoom!" I used to tell Clare, "My head burns when I sing, I don't know why. It feels..."

Clare: And I told him, you're pushing. And all you need to do is let the sound come out.

Ezekiel: Yeah...

Clare: It's a whole different way of...

Ezekiel: Yeah. And so I'm sitting there going, Wow! I've been here for 12 hours and I'm just now got the first track of the kind of chords and flowing, you know. Whatever was on the guitar there. It was like, that was good enough. There was such a peace, the Lord was so soft. Man, I got...I can't tell you how good it is to see Him smile and laugh tonight! He had tears in His eyes of laughter and rejoicing. I had begun to feel like I was almost His enemy! I knew, I could FEEL that there was a distance, there was a gap - there was...something was getting further away.

And you know what He told me? He said, *"I've wanted to talk to you as much as you've wanted to hear from Me. There's so many things I wanted to tell you and show you, but you just weren't ready. I had to open you up and clean you out to the bottom of the bottom of the shell of the bare minimum."* I saw a tree cut down, just like in the Scriptures, to the trunk. And then a shoot coming up, a fresh shoot.

And I remember at one point, this was hours ago, I'm saying once again, "Lord, can You make my head bigger...this is a LOT to keep up with!" 'Cause He seemed almost more talkative than what I'm used to. And when I asked Him that, He kinda put His hands together in front of Him, He kinda stepped back...it's like *"It's okay. It's all right... I can't do it!"* lol!! And He takes two steps forward and He's right back, just right there with me, ya know. He's like...*"I'm over flowing like YOU are! I have LONGED for this moment. I've WAITED for this moment! I HAD to do this. I had to allow that kind of what seemed to be harsh - love. Tough love."*

Clare: Searing conviction.

Ezekiel: Oh...I'm telling you. *"I had to. I had to be sure there was not a speck or particle of you there anymore. So I could pour Myself back into you."* And I can't tell you, it's been like a rocket ride ever since. I don't know how many hours I've slept today - not a lot! Yeah, it's my first thought, too, mmmm. I can hear some of you guys: "Yep. He's on a manic high, you watch. Two or three days later, and he's gonna crash..." And I started to hear, I thought, 'Man, my wife is going think he's really, you know. He's loopin'. He's gonna crash.' And I didn't even let the thought, something in me rose up and caught that thought before it ever formed fully, and said, "NO. No way. I am NOT going to lose this. I'm NOT giving

it up." And I've been praying and asking the Lord, you know. We DO need to ask. "Lord, please. Give me Your faith. Your strength. Your everything." And I tell Him all the time, "You're GOD. You can do anything!"

And He has. Because of His goodness, His love, His grace and YOUR prayers, your fastings. Your offering of your joys and sorrows, happiness, suffering. Everything you guys have poured in a BIG family. And you've all put your heart and soul into Him, and into each other - into us and this wonderful thing He's doing all over the world with the Body.

Clare: Amen!

So, I think what we've had, really, is a breakthrough from self-pity and laziness. "So it hurts? So keep going. So it's hard - keep going. So you're tired? Keep going." It's like, you'll get to rest and you'll get to recover, and God will fill you, refill you as you pour yourself out for Him. The thing is, you just don't yield to the enemy. 'Cause the enemy wants to stop you.

And that's the issue here. That's exactly what's going on. Through our OWN fault, we back off sometimes. We get lazy, we get tired. We give in to self-pity and whatever. And that opens the door for the enemy. And when I say it opens a door for the enemy, what I'm talking about is - in Christian ministry, you have enemies. You have Satanists and other people who deliberately attack a ministry and cause sickness or division or strife. Of course, if you're walking in perfect virtue they can't do that - but who among us is walking in perfect virtue 100% of the time??

So, what happens? So, the door gets opened and the Lord allows that curse to land. He permits it. And it's measured, because they can't do any more harm to us than what He allows, because He's still in control. And when that happens, we begin to wake up and we say, "Wait a minute. Why is this happening to me? What's gone wrong here? What's going on?"

Sometimes it's an offering, a Simon's Cross. And other times it's a correction from God. And we knew this was a correction, 'cause we kept getting God's Correction in Bible Promises. We just weren't sure what it was for. And what the enemy was trying to get to was a base-line attitude of "This is just too hard, I'm giving up! I'm just not going to do it." And yet, we want to do it. We want to do everything the Lord wants us to do, but we have our flesh to contend with. When we give in to our flesh and we back off, then the Lord comes in and says, "*I know this soul. I know this soul really does want to do this. So I'm going to help them get control of themselves, and wake up to the possibilities.*" And that's when He comes in and...you know... I can't tell you how many illnesses the Lord has cured me of because He wants me to keep going in ministry. I mean - Ezekiel could have been dead, and He would have raised him from the dead, because He needs him to complete this ministry.

So, ultimately, the Lord is in control. And I think what the Lord was so overjoyed about, and that He was so happy about in the spirit - to just see Him dancing for joy, as the Scriptures say - the Lord dances over us with shouts of joy. And His joy was that Ezekiel had confronted something in him that was preventing him from having the fullness that he needed in ministry. Now he's taken it on, he's confronted it and he wants to move forward.

And me, too. I confront my laziness as well.

We don't have much time. I know you've all heard that so many times, you're sick of it. But the point is, we want to make the time count. When the Lord comes, we want to hear Him say, *"Well done, My good and faithful servant. Enter into your Master's joy!"* And this will happen when we respond to His correction and then we trust Him in faith to cure us, or to heal us of whatever it was that came against us. He takes EVERYTHING. Everything evil, wicked and hard that the enemy throws at us, He takes it and He turns it around to something good and beautiful. It's just wonderful!

Just as He permitted the Lord's physical body to be killed, just so He could raise it up again. And keep on going...

So, there's no way that you can lose if you obey Him. No matter what you have to go through, there's no way that the Kingdom of God is going to suffer, because the Lord will turn it around to good. As one of the church Father's said, "The blood of the martyrs is the seed of the church." And there's always that resurrection power that follows on the heels of suffering.

So, the Lord bless you all, dear Heartdwellers. And look forward to what the Lord has for you, for at least the next three years. He's gonna break out with some wonderful ministries. Whatever condition you're in right now, I want you to have a lot of hope, because there's so much that He wants to do with those vessels that... Let's just say, you're on your death bed. And you still want to serve Him. Well, He can turn that around, too. If you totally put your trust in Him, He can turn it right around and get you back up on your feet again, serving Him.

So don't give up! Refuse to give up! Continue to believe and confess the Scriptures. And pray in the spirit and have other people pray in the spirit over you. Just watch and see what that faith will do.

You've got to purpose in your heart, you're NOT going to lay down and give up. You're not going to do it - it's not an option! You're got to purpose that in your heart and get to that rock bottom place where you're just convicted that there's no way you're going to give up! And somehow the Lord will give you the strength to get up and keep walking.

Ezekiel: I told Clare I had no idea. I would say that over and over again yesterday. I had no idea what people were really going through like this.

Clare: Yeah, we have a lot of people that are going through different kinds of suffering, but still. It's a kind of crushing defeat that makes you want to give up.

Ezekiel: But there's something about powder. Being broken down into powder. I used to mess with powder, where you've got a pot and it's got a loose lip, or it's weird. And you break it down. And if it's dried, you have to crush it, and powder it and re-hydrate it and make it again. So, the Scriptures say, "Jesus learned obedience through the suffering He endured." There's something about the crucible of humiliation, and as the Scriptures say: "The crucible of suffering." - that is so amazing on the other side.

Clare: All the glory to the Lord.

Ezekiel/Clare: Amen.

## I Am Leading You Into Your Dreams; Trust Me

---

August 27, 2016

May the Courage of Jesus be our strength as He leads us in new paths.

Today He is sharing with us the very best ways to reach the destination of our heart's desire. This is such a strengthening and comforting message, Heartdwellers.

He began, *"My daughter, My Bride, My Precious. How I long to speak to you on behalf of My Heartdwelling family. Not a moment goes by that I do not long to cradle them in My arms and comfort all their wounds, healing and forgiving all their shortcomings.*

*"Oh, so many of you are swept away by your sins, things from the past you still do not recognize; habit patterns that seem innocent enough but yet are grievous to Me. As you draw nearer to Me, embracing Me with great longing, I speak to your hearts and help you come to terms with these things that have not been recognized for what they are in your lives.*

*"There are so many things that are invisible to you - but quite visible to the enemy, who is constantly using them against you. But as you draw near, I can put My finger on things and bring them to your attention. As I do, I also endow you with the necessary graces to overcome these things in your lives.*

*"This is a war you are in, and it never lets up. One reason I counsel you to get adequate rest is that, when you are tired, you are easier to draw into sin, and to say and do things that in a more lucid state of mind you wouldn't say or do. Please, do not resist Me when I try to point out an area in your lives that is due for revision. I do not do this because I am a hard and critical taskmaster, depriving you of certain pleasures. I do it, because I know well how it will be used against you in the future and I am trying to prevent a train wreck.*

*"You have all come so far in drawing close to Me, listening and hearing Me, obeying Me - even making life-changing revisions in your plans and future. With this, I am well pleased. But understand: I want to increase your territory, enlarge your sphere of influence and garland you with new graces to tend to My sick Body.*

*"But before I do that, I must clean, strengthen and renovate your interior so that you have room for the new gifts and they are secured within a foundation of authentic, heart-felt, brotherly love, walls of obedience and a roof of humility. Without this structure in place, the gifts can be washed away by the storms of life; doors can be opened where the thief comes in to kill, steal and destroy. When I elevate you to a new post, you are also assigned new demons by the enemy. As the saying goes, 'New levels come with new devils.'*

*"Why, you ask Me? Because you are now in a position to steal more souls from the enemy, to love more souls into the Kingdom, to lead them to Me. And so now you are a bigger threat and one that must be*

brought down. And how do they bring you down? Through your own sins. They are experts in marshall arts; they use your own motion against yourself.

"The further you go in My Kingdom, the more meticulous you must be with your behavior: what you view in the media, the music you listen to, where you spend your free time. How you manage your life to give Me the time I need alone with you. Your priorities shape your future. What you put first and what you put last tells the whole story of the condition of your soul and how much grace you will be capable of maintaining. Or how much grace you will easily let slip from your hands, because you are not walking in sufficient virtue to protect it.

"I know you, dear ones, much better than you know yourselves. I know how much temptation you can withstand before you give in to compromise and sin. I also know what, in the long run, will bring the true and lasting joy you seek. And you have given Me permission to shape you, so I lead you along the path that will most efficiently and solidly bring you to your deepest heart's desire and destination.

"Sometimes it may seem that I am leading you in the WRONG direction. But that is only because you do not see yourself clearly. You cannot just go from point A to point B. First you must be cleansed of self-interest, vices, life-long habit patterns that have held you back. For this reason, I allow you to fail and to fall, to bring you to your senses so you can see for yourself the areas you are weak in, the doors you open, the demons behind those doors.

"Yes, I am looking out for you, Beloved. Please, do not fight against Me. Do not resist what I call you to do. Rather, shoulder that cross and run the good race with it. For everything you feel I am depriving you of, there is a blessing coming to replace what you gave up for Love of Me. Yes, for every sacrifice there is a reward that will bring you closer to your dreams.

"It is not a sin to be weak. Merely declare, 'Lord, I am willing to be made willing'. It is a sin to say, 'Lord, I am not willing to be made willing.' In that case, I leave you in the desert for a determined amount of time, to experience the folly of your choices. Then, when you are weary of yourself, I come and deliver you into a new life. So, do not fear change. Do not fear the consequences of the changes I lead you into. Fear nothing but sin, and Trust Me.

"The more painful and insecure the change is, the greater benefits to your soul. You see, there are many things you cling to out of worldly wisdom. The very thought of letting them go is scary, but remember: I have put a net of grace beneath you and nothing I ask you to abandon will be of any benefit to you in the future - and more likely than not, it will be in the way and prevent the blessings I have in store for you.

"When this fear grips you, reflect on all the life events and situations you called out to Me to help you with. Reflect on My faithfulness and how well I resolved them for you and the many blessings that followed that time of crisis.

"Nothing I allow in your life is fruitless, nothing is senseless. You just don't see the necessity of that event for the good of your soul while it is transpiring. But hindsight is always 20-20. In the weeks, months and years that follow, you will begin to see what benefit those events were in your lives and how I turned something tragic into something good.

"I never take anything from you that I do not replace with something better, because I love you and

*positively hate to see you suffering. I love to bring joy and blessings into your life, but in order to have those, I must make room for them.*

*"This now is a season of making room for new beginnings. So I call out to you, the Love of My Heart, to hearken to these changes and embrace them trusting Me, that I will never lead you into deep waters without teaching you how to swim.*

*"You are My treasure, My very great Treasure and the joy of My heart. Allow Me to enrich you, dear ones. Follow Me in complete abandonment and trust."*

## Spiritual Warfare: 6 - Healing & Walking in Victory

---

August 29, 2016

Well, my dear Heartdwellers, the Lord is truly with us, to instructs us and encourage.

Tonight I had a beautiful worship time with Him. Again, we were dancing above the Earth, and it seemed like the angels were upholding a dance floor in the stars. Terry MacAlmon was playing his wonderful, wonderful worship songs. And that's just the place we were in.

I was so totally in love with Him, and so totally in worship - in the purest and sweetest sense. There's nothing carnal about communing with God. It's totally holy. But there is something really beautiful and warm about His embrace that just brings forth the sweetness and kindness of His person. Just like when we love a child, we want to embrace them. It's the same kind of feeling. There's just so much love there, and truly - we are His children AND His soon-to-be Bride.

So, I began my time with Him tonight by saying, "Oh, my precious Lord, how kind of You to visit me in this special way tonight. You know too well how I've been floundering these last few days...even weeks and have missed Your tender company so much. Not that You withheld anything, rather I have put so many other things before You. How grievous for us both.

He began, *"Yes, you have indeed had a plate full of worldly cares. But now we have had at least a few moments, time apart. And indeed I need to continue to instruct those who love to dwell in My heart.*

*"First, I want you to share with them what's been on your heart all day."*

I want to explain in a bit more depth the happenings with Ezekiel and what is to be expected after the very special healing of the consent of his will to the work Jesus has for him.

That particular night, when things came to a head - I think that was two nights ago. Jesus called the question, *"Will you or will you not carry this cross?"* and Ezekiel repented of reluctance and sloth, and so did I - that very night he did indeed receive a major healing: body, soul and spirit. And in essence the Lord told him to rise, get up and walk. And so he did, straight to his guitar where a new song came forth...even as it is written...*"Sing a new song to the Lord, play skillfully with a shout of joy!"* Psalm 33:3 And there may be lyrics to that song yet - we're not sure.

And so now we are both walking in victory. Victory over our self-will, self-pity, and sloth. And no one can take that victory from us if we maintain it.

Nonetheless, when he received that touch from the Lord, it came on the heels of an attack from two Satanists that visit our channel. The Lord allowed their death assignments to touch down (theirs and many others who have been after us for a very long time) and He used it as an occasion of breaking and

bringing to the surface things that must be emptied from our vessels before they can be filled with the new wine.

That was a victory over our flesh for us. And came with the blessing of deliverance from a serious body condition. But that does not guarantee that we will not be attacked again, and again, and again. And with each attack, we are learning more about the enemy's tactics and we're sharing that new-to-us understanding with you.

And during the prayers for deliverance and healing, the Lord made it very clear to us that He was not going to allow Ezekiel to die from these attacks, but He would leave behind a small vestige of suffering to be used for a fast offering when critical situations come up.

One such situation did indeed come up and again our enemies sent a death curse and tried in another way to cause heart failure...and the Lord delivered him from that. Along with it, he was troubled in his intestines again for a very brief period of time.

Now, at the same time that this was happening, we have a very dear Heartdweller and spiritual family member whose wife is in ICU in Critical condition, with kidney failure and other life-threatening malfunctions. And Ezekiel committed to a nine day cycle of prayer for her, and those special offerings to the Lord almost always come with difficult events on the seventh day - and that is when the second attack against his life took place. This is after we posted his song, in fact the same day.

I am telling you this, because when the Lord heals you (and Ezekiel did receive a substantial healing, both in body and soul, because everything is functioning better than it ever has) the Lord may leave a sliver of that suffering for another time when He has dire need of intercession with sacrifices. And at that time, you may be tempted to think, "I've lost my healing!" or "I never was healed."

Please don't swallow that lie. You didn't lose that healing, but the Lord allowed a recurrence for His own purposes.

After every healing, we must allow the healing to do its complete work, while we rest in the Lord for a period. And we must walk in that healing. It may also be necessary that additional prayers are needed, because some healings have their origins in trauma from childhood and the past. We are like onions, so to speak: sometimes there are several layers that must be healed before the Lord gets down to the point of entry of the demon of infirmity, or the incident that caused it. And more often than not, that is connected to some event from the past that must be forgiven. It truly is complex, but as we learn more we will share it with you.

So, you may also come under attack from your enemies again, and again, and again, and the same symptoms may manifest - but after deliverance from that attack, you will see that normal health returns to you. The point is, Satan doesn't give up ground easily. He will send his goons to cause more trouble in the same area, trying to get you to give up your faith and fall into serious unbelief.

Dear ones, you may get a wonderful healing but then come under attack again. You have to fight to keep that healing. We are also finding out that sickness exists in three places: your body, your spirit and your soul. So, when the Lord heals you, He must put you back together again, in order that the three layers are once more are perfectly united, along with the healing of all three parts.

When an injury happens, it bursts through all three layers - causing them to be twisted, compacted, contorted and confused. No longer do they lay flat, one on top of the other in perfect synchronization. Rather, now they are knotted up and therefore have to be separated and healed separately, then rejoined. This is something only the Lord can do.

Jesus, did you have something to add?

*"I do." He said. "This calls for patient endurance and faith. When I heal you, you may manifest total or partial healing, depending on what is best for your soul. Remember, I prayed twice for the blind man to see."*

So He took the blind man by the hand and led him out of the village. Then He spit on the man's eyes and placed His hands on him. "Can you see anything?" He asked. The man looked up and said, "I can see the people, but they look like trees walking around." Once again Jesus placed His hands on the man's eyes, and when he opened them his sight was restored, and he could see everything clearly.... Mark 8:23-25

Jesus continued, *"This I did deliberately to show you that continued prayer is necessary for some conditions. It is one thing for Me to pray and a miracle manifests, and quite another for My creation to pray, whose faith is imperfect, and a miracle to manifest. Nonetheless, it can be done, according to your faith and this is where I am leading all of you.*

*"A soul must be ready to be healed. The circumstance that allowed that cross to manifest must run its course, and when it does, the sickness, too, can be healed. Then the soul must walk in what I have done, even with repeated attacks against it both in body and mind. They must walk in faith. This is the point where most lose their healings.*

*"My children, indeed, you must fight to keep your healing. You will continually be assaulted with lying symptoms, even attacks against the vessel I used will be insinuated, to undermine the healing. If you can just continue to keep your eyes on Me, like the woman who touched my garment. Continue to touch My garment and firmly refute every accusation that you were not healed.*

*"Then there are open doors that allow the sickness back in. There are many among you who have brought these sicknesses upon yourselves, because of your critical attitude towards your brothers and sisters. Your healing will not last unless you are in an all-out war against your pride, which allows you to raise your head above others and look down upon them with judgments. This IS the major door for sickness: continual negative judgments against others. The healing needs to begin within you in order for an external healing to be totally effective.*

*"I do not want to discourage you, My very Precious Ones, but I must speak the truth to you or you will be continually frustrated with your results. Judgment opens the door for demons, demons bring sickness, and I cannot keep a door closed that you are continually opening. I will reveal to you what it is like to walk in victory, but then you must maintain it by holiness of heart and mind.*

*"And what Clare has said about leaving a vestige behind or allowing a very small portion to manifest is absolutely true. But if it is My doing, it will go away after My ends are accomplished, unless you know that this illness is allowed because you have offered yourself to Me without conditions and we have agreed upon it. In which case, symptoms will be more severe at certain times, but then they will decrease.*

*There is nothing I have more compassion for than those who have chosen to suffer voluntarily, because they love others enough to carry that cross I have offered them. This is profoundly pleasing to Me, and with such souls I commune and reveal secrets.*

*"This teaching is sorely neglected and misunderstood in modern Christianity. And due to that, you have monumental depression among those who are afflicted and not healed. Guilt weighs them down day after day as they cry out, 'Why, Lord, have you not healed me? What have I done? What are my sins that deserve such punishment?' They live guilt-ridden lives, believing that they have no faith, that their devotion and belief in Me is at fault. When I would have them know that they are intercessors with golden censors, whose fragrance reaches the Father's throne. In this way, they would live in peace and happiness, rather than living full of doubts, bitterness and depression - feeling bankrupt with nothing to contribute in the church. Nothing could be further from the truth.*

*"Well, this subject of healing is deep and wide. I wish for you all to study these messages and understand the true dynamics behind healing and walking in it. I want you to understand how you will be assaulted with lies in vulnerable moments, lies that are deliberately tailored to derail your faith and cause you to fall into despair.*

*"If you are walking in good health, rejoice and use your body to serve Me and not your own pleasures. If you are bedridden or wheelchair bound, rejoice! Your prayers ascend to Heaven with every pain you suffer. Simply cry out to Me, My beloved ones. Cry out, 'Oh, God, heal her! Oh, God, help him! Oh, God, MERCY!!'*

*"Yes, these are powerful prayers you can use any time you see suffering. Bring it to Me, My suffering servants, and truly I will respond to your pleas. You may not see the healing or comfort I bring to those you pray for, but I promise you I will act in accordance with what is best for that soul.*

*"The rest of you who walk in good health, do not waste what you've been given. See to it that you devote yourselves to the building up of My kingdom and not the kingdoms of this world. Do what you can, while you can, because you, too, may have some heavy crosses to carry. Right now in this world there is SO much need for souls to offer themselves for others. So many are perishing, even as we speak. None of you has an adequate concept of My Mercy, and neither do you realize the power of your prayers and supplications. If you did, you would devote much more time to it.*

*"I have given each of you talents. I have led you and taught you and many, many of you ARE walking in My will for your lives, and really don't recognize that. How will you know? When you feel deeply satisfied with something you have just done, that will be an indicator. It is a peace of soul that cries out, 'Truly, I have found my gift from God.'*

*"Yet you may not acknowledge that. I am giving you a clue here: pay attention. When you feel that profound peace after doing something, you will know it was My will for you.*

*"If you feel jubilation over an accomplishment, but unrest in your soul, you can be fairly sure what you were doing was not My calling in your life, but your own will. In those things, the glory fades quickly and a certain, undefined emptiness takes its place within you. Whereas the things you did for Me are like burning embers emitting a warm glow as you look back on them, accompanied by a certain sense of satisfaction and peace. In Heaven, they will be seen as brilliant diamonds adorning your crown.*

*"Press in My Most Beloved Body. Press in. The rewards are both for now and forever more."*

# Spiritual Warfare: 7 - Taking Ground From the Enemy and A New Wave of Demonic Assignments

---

August 30, 2016

The Lord has gone before us, Heartdwellers. And He's instructing us on how to fight off the attacks that are coming against the Body at this time. Really, very vicious attacks on relationships, to cause confusion and miscommunication. It's been unleashed on the whole world.

And a lot of people are finding themselves right now in the depths of misunderstanding and strife, not knowing really how it came about. But He really doesn't want us to be ignorant. He really wants us to understand what we're up against.

So, this is a message about that. The demons have been sent on assignment to twist words and distort meanings and intentions. Even people who are best of friends and normally communicate really well are coming up against misunderstandings that have no basis.

In your dealings with others, please understand that you are in a war that has been planned to derail relationships and stop your forward motion. We are having to be ever so careful in what we think or say, because the Lord is holding us to a much higher standard of virtue now.

In your heart attitude and thinking...way before any words are formed with your lips, be meticulous about humility and charity. And don't be surprised if the person you are talking with completely misinterprets or misunderstands what you have just said.

Don't try to be right, just love the other person, treat them with respect and do your best to clarify what you meant, rather than the inflammatory perception they have of what you said, which may indeed be something you weren't even thinking!

Well, that's what happened to Ezekiel and I yesterday. We got crosswise in misunderstanding. And instead of me being meek, apologizing and laying down with it, I protested and it got worse. Oh, boy...! That took quite a nasty chunk out of our day. We prayed and made up and I went to bed, exhausted. Ezekiel was led to stay up and work on music. But during his evening prayers, something rose up in him. For all these years we've been cowed by the enemy and the spoils he has taken from us. But the enemy got it last night. These last few attacks were just the last straw.

The Lord Jesus rose up in Ezekiel and He sternly rebuked the Devil for the havoc he has been causing in families and even with Heartdwellers and those who are seeking a deeper relationship with God. He reminded him of his future in the lake of fire and that there would be no water to quench his thirst. The Lord took over during this encounter and just railed on him. It was truly a supernatural moment. And the Devil was paralyzed in place and forced to listen to Him.

Wow! That was pretty amazing! By the way, he's doing really well with his music and the substantial

healing he received. He's doing really, really well. So, thank you again for your prayers.

Well, when I opened my e-mails there was a word from Lana Vawser that absolutely nailed what's going on. This is what she had to say.

"I saw encounters with Jesus upon God's people that is seeing the release of a DIVINE CLINCHER into their lives and circumstances."

DEFINITION OF CLINCHER: fact, argument, or event that settles a matter conclusively. Wow, that's just what happened last night.

"I saw these encounters being so momentous and transforming, and so profound where God's people experience His power on an unprecedented level and there is sudden breakthrough and victory."

Exactly what happened!

"In the middle of these encounters, I saw a very large hammer being brought down by the hand of God upon chains, and assignments of the enemy upon believers, upon injustices and upon impossibilities. And as the hammer met with these intense, pressure-filled situations, I heard the loudest cracking sound in the spirit and I heard the words 'DIVINE CLINCHER'.

"The sense of finality surrounded me. The 'end of the story'. The end of the assault, onslaught and injustice. The sense surrounded me again of the Warrior King, the Dread Champion arising (Jeremiah 20:11) and bringing a FINAL BREAKING THROUGH that sent the enemy running in dread. Where he has come time after time to bring dread and such onslaught against believers who are moving forward and taking ground, the Lord was fighting for them and bringing an end to these vicious attacks."

Wow! Amen! Say "amen" so I can hear you, to all of us who've been under these vicious attacks!

"From this place of encounter, I saw the people of God rising up as dread champions and moving out: courageous, bold, fearless and with such authority and creating havoc for the kingdom of darkness through the incredible move of the Spirit and Glory of God rising on them and through them."

Wow, guys, this is exactly what happened to Ezekiel last night - to the LETTER!

"The enemy has tried to take many of you out lately. He has tried to kill many of you, " she continues. "He has come again viciously to attempt to steal from you. BUT encounters with Jesus are before you that are SO PROFOUND and GLORIOUS that will see the Dread Champion arise on your behalf with a hammer in His hand to strike that which has come against you and release a DIVINE FINALITY."

Wow...I wouldn't want to be on the other side right now!

"Many of you have felt you have been in this season of absolute onslaught."

Yep...

"We have been in a season of confrontation, but He has been working in you and deepening your roots in Him. And now there is a great turning taking place, from the season of onslaught to the greater accelerated spirit-driven and empowered SOAR!"

You, dear children, are from God and have overcome them, because the one who is in you is greater than the one who is in the world. (1 John 4:4)

And that's the end of her message.

So I came into prayer and I said, "Lord, those are some wonderful words from Lana Vawser, and so timely!"

*Jesus began, "She is truly My prophet and seer and has a wonderfully unique mission of encouragement, just as you do. You see, My people, when you are authentic, you shine with a special anointing, shining brightly in the darkness. When you try to imitate others, you are like old, stale bread. When you cooperate with My grace, your uniqueness shines in the darkest places bringing light, understanding and resolution.*

*"That is what I am doing right now with My Body. Do not imitate the ministry of others, rather be uniquely who I created you to be. There is a place in the Body for all of you. A place uniquely your own. And when you fulfill that place, you bring completion to those who hunger and thirst for righteousness, while fulfilling dreams you didn't even know you had. Those who seek Me with all their hearts, find Me; and those who have given Me their whole hearts bring Me to others in a powerful and un-duplicate-able way.*

*"I am also calling you, My children, right now to take ground from the devils. You have My Name as your authority. And as you work on personal holiness - and it increases - you gain more and more authority in My Kingdom.*

*"Stand up to these cowards. Speak out, I am with you and I will arise from within you. Ezekiel had his fill. What is your fill? When will you get to the point where you say 'Enough!! No more!!' and draw the line, ready to defend it?"*

*"Yes, there is virtue in suffering but there is no room for cowards in My Kingdom. You must arise and come forth in righteousness, not allowing the enemy to walk all over you. When My righteous indignation arises in you, rise to the occasion and draw the line. Stand up and be the warrior for righteousness I have called you to be.*

*"There is a new standard being raised now for all Christians. A new clarion call going out. This is a time of pressing in and gaining ground for the Kingdom; putting the enemy to flight, causing casualties in the spiritual realms of darkness. You must contend with the enemy for new ground, for healing, for justice. No longer can you sit back and embrace the victim mentality. Rather, now you are the aggressor against the wiles of the devils and you're not giving up nor are you giving away any territory. Rather, you are pressing in and taking territory from the wicked ones.*

*"Do not be cowed. Rather, arise and see My Glory all around you as that hammer comes down and smashes the strongholds of the past in your life and the lives of your loved ones. As you arise, My Glory descends upon and all around you. Be not afraid - rather make the enemy afraid of you. As you contend, I shall display My Power on your behalf.*

*"Go on the offensive and be courageous. My power is perfected in your weakness and no weapon formed against you will prosper. Rather, put the enemy on the run and declare your new territory."*

And that was the end of His message.

I'd like to say that I'm feeling this call from the Lord to stand up and take ground. And I'm normally a very gentle and passive person, but I can see the Lord is asking us now to really stand up against this. Against the evil that the enemy has put on Christians and Christian communities and Christian marriages. It's really time to put him to flight. And I have to tell you, I'm gonna have to work hard to get that mentality, because it's just not my mentality.

Unless I'm a mother and you get me angry. If it's an innocent animal or a child, and you get me angry - watch out! lol... So, I guess that's the thing He's going to have to stir up in me.

Now, I also want to take a minute here and thank those of you who have cared for us. Your prayers and support have allowed us to pour our whole being into this ministry. All of you around the world who continue to support us every month have made it possible for helpers to come in and take some of my work load, correspondence and other things, so I can devote more to you and to music and to art. By the way, that portrait is ALMOST done...

And the Lord has been calling us to radio because there are so many more we could reach who are shut-ins, or people that are out in the boonies. And we could reach them through the radio. So, that's a new calling that the Lord is asking us to go out after.

I know the Lord will reward you for your faithfulness, and I am especially touched when Heartdwellers in impoverished countries take the time and the sacrifice to send just a tiny donation. My heart absolutely melts when I see that and I wish I could reach across the Atlantic and just hug you! Thank you so much.

These sacrifices you are making for this ministry - some of you faithfully every week even - has caused us to cut way back to a very minimal personal lifestyle, so that we can also put a little aside for the elderly

and poor in the community and do justice to your donation by keeping our lifestyle really simple and making do when needs come up.

For instance, Ezekiel's computer is a used dinosaur and when we asked the Lord if we could save up for another and better Mac, He asked us to make do with what we have. And to be honest with you, I didn't want to spend money on that anyway, if we did have it. Because there are too many people in Taos, in this area, single moms and single dads. Widowers. That are really, really hurting right now. We try to keep their lights and electricity on whenever we can.

We have a volunteer who mends our clothing and another who who helps when the necessity for a small project comes up. So, we keep it so, so simple. We are doing everything in our power to live the life Jesus lived with very little and give our all to the ministry and give our excess to the poor when we have it, and those who come to us with dire needs.

So, please know that your kindness is being extended to the poor in the community and even some around the world that get into desperate situations - when we can, we help.

Thank you again for caring. And may the Lord bless and keep you in constant awareness of His loving presence with you.
