

I Am Not a Taskmaster & Is She Preaching Poverty?

October 2, 2016

The Treasure of Jesus' companionship be with you, precious Friends.

Well, Heartdwellers, I know the last message left some people with a few questions. I didn't get all the specifics, but it seems that someone thought I was preaching poverty.

In order to understand the context in which the Lord has asked me to be happy with what I have and not look for the newest or latest, you have to understand it is my life calling to serve you. How can I serve you well if my mind is on acquisition and not Jesus? You know how the news can be addictive, and we all know how easy it is to spend hours surfing on the net and come back to your senses asking yourself, "Where did all that time go?" That's one reason why He doesn't want me doing that.

If you go back to my original teaching on The Love of Money, in the Wounded Waters series, you will see very clearly the Scriptural basis the Lord is leading me by. My whole life is serving Him and helping the poor. I can't serve two masters, and that black panther is something I've been trying to kill since I knew about it, probably a good 25 years. And it would seem that most of the time it IS dead. But if you remember my original dream, I would overcome it and it would go underwater, and I would think, "Whew, wow! It's dead." Then it would pop back up again when I didn't expect it and go for my throat.

That was an allegorical dream representing a deadly spirit of Avarice.

I grew up wanting a lot of things which I couldn't have, because my mother wasn't real wealthy. I went to school with wealthy kids, and loved to shop. But my whole value system was worldly. Then I fell in love with the Lord and I realized I couldn't serve two masters. Serving myself with nice things and the all-consuming passion for this or that, really crippled my walk.

One year, the Lord broke that stronghold and I was the freest I've ever been in my life. I know what that feels like and it is SO wonderful - not to have anything to deal with, other than God.

When we are in the world we need certain things to keep up our lifestyle. When we leave the world to serve full time as missionaries, we leave those things behind. In a sense I am a missionary in my own country...although I do have more than someone who serves overseas. And these things ARE distracting. The ease with which you can go shopping IS ALSO distracting, and I am on board with the Lord about making do. When I really need something, He always supplies for it.

So, please don't over-react to the message. He is asking ME to make a choice, because I cannot serve myself and you at the same time. I absolutely am much happier when I keep my lifestyle simple. You have to make your own choices and let the Lord guide you as to what you really need. It has nothing to do with poverty and everything to do with faithfulness with His resources and time.

So, I hope this clears the air a bit. I was NOT preaching poverty!

Well, talk about neat confirmations. I had to go on the Internet to look something up real quick, and I got a rhema that says:

"Let us keep going towards the same goal, but by our own path, united in our obedience to God, who manifests His will so differently to each of us."

Wow, what a confirmation, huh?

So, each of us has their own obedience to God and their own path. And I'm not suggesting that you should follow mine, I'm only sharing with you how He's been leading me. And that's basically, as a missionary.

And I had one other announcement that I wanted to make. There was a young lady that wanted to build a room onto her house for her and her daughter, and we have tried and tried and tried to find her. If you happen to be that young lady, would you please leave a comment for Carol? Thank you.

Moving on, yesterday I was the one over-reacting. After a correction like I had, I was over-correcting, even though Saturday is the day when we straighten the house and put groceries away. I was trying to do that and pray as I normally do for several hours. You know all the distractions and interruptions that happen. We had someone helping us, as well. So, my attention was constantly divided...be faithful with a communion service, make sure everything gets done. Did that get put away in the right place? Did the floors get clean? And I was a casualty! I couldn't do either thing well.

I think the Lord watched this and couldn't wait to get my attention because He said,

"Clare! I need to talk to you."

So, I dropped everything and went to a back room with my computer where I could hear Him more clearly.

He began, *"There is no need for you to be harried. There is a time for everything. You need to clean the house; that is legitimate. I am not standing over you like a taskmaster cracking a whip, STAND! KNEEL! GO BACK TO COMMUNION! WITHDRAW FROM THE ACTIVITY!"*

"My Bride, there is a time for everything and today is the day you do housework. Stop being scrupulous! It's embarrassing to Me, as though I was cruel and demanding. I am not. I understand this is the house's turn. I've made adjustments for that."

"I just want you to be coming to Me first thing every morning, because you have been pulled away numerous times and kept Me waiting. For what? A floor? Dirty dishes? Nothing a Sovereign should have to wait for to see His Bride first thing in the morning and receive her love and affection."

"Not under threat of punishment, but because she loves Me. What I have said to you about putting all the work last was also to spare you the push, the rush, the disorder of going to the world rather than Me, first thing. You have done valiantly to pull away."

"But now I want to moderate things. I know you were saving Me for last so you wouldn't be pressured by any that needed to be done. Although the concept seems right, it isn't practical. Have you noticed the things to do, the list, gets longer and longer. Guess who's behind that one?"

"That is why, I want you coming to Me first, My Love. What if I want to spend the whole day with you? Are you available? You see, I can make that choice first thing in the morning when you are fresh and not harried with to-do lists and worldly agendas.

"I want our time to be intimate and sweet, not under threat of punishment. Satan is trying to exaggerate and spill over into unreasonable demands, to sour our relationship. All of you, My Brides, are very sensitive to pleasing Me. So, you are also prone to scrupulous spirits, demons who constantly make you question every single thing you do. That is no way to have a relationship with Me."

"My Yoke is easy, My burden light. Don't let the enemy convince you otherwise. They will take anything I say and blow it up way out of context to cause you false guilt. What I am looking for is VERY simple. Come to Me, spend time with Me, pray to Me and listen for My words of life and love. And do it FIRST thing in your day.

"I know you need healing. It was a hard shot. But as you have been mulling it over you realized that this was not just for one item, but a habit, springing from self-will and not submitting to Me. THIS is what We are looking for. And you know that most of the time the answer will be 'no' because We don't want you living as the world lives with an eye to what's new. Besides, it's important for you to help the poor around you."

"What's old and usable is always best. That way, you are not entangled in endless revisions, keeping up and being owned by what should be useful to you. Rather, it begins to own you. I know you understand this. I don't want to frustrate you, so just assume that if you get an idea, it may very well be from a demon of Avarice. And if you can find a way around it, you don't even have to ask Me. This is the best way. Have My mind and My heart.

"So, when it is the proper time for cleaning once a week, do it without scruples or condemnation. Do it joyfully as unto the Lord.

"Come here, My Love." He pulled me to His heart. And He said, "I know you need healing." A tear ran down His cheek from His left eye. "I know well what you are suffering inside. I know all about your fears for the future as well. I have made provision for you.

"I'm really on this and with you, that this will never happen again. I am WITH you, Beloved, truly with you, Clare. Not with a whip but with tender kisses on your forehead, loving arms to comfort you and ears to listen to every movement of your heart, which I adore.

"We are going to do this together. I know you don't trust yourself, and that is the best possible posture. This way you will stay on guard and cleave to Me. Understand, it was not just one thing that caused the correction. It was a habit of self-will, and in essence rebellion - not to seek Me first before you did anything.

"I truly have every faith in you that with the generous help I am giving you, Clare, you will not take off on

your own again. There will be trials and temptations, but I will always give you ample warning. You are not going to fall into this habit pattern again. This lesson left a lasting mark. Although it is painful, it was necessary. And healing is coming. I hear your remorse and tears every day and though I want to rush to comfort you, there is timing involved, for your own good.

"Now, I want you to look forward to the promises I've given you about the music we will make together. The portrait is beautiful, because it is a product not of your skill, but My grace. We both know what one of your drawings looks like. This, however, is Heavenly and not from this world. Well done, My faithful spouse. Now let us enter into the joy of creating music that will bring hearts to Me, and that I can anoint to heal. I love creating with you, Clare, I absolutely love it."

"And for you, My Brides, the fruit of your efforts will touch thousands of souls for Me, so don't be discouraged when you hit snags. Clare hit many snags in this portrait, but see? We got through it. So, be encouraged. I can do amazing things through each of you if only you will allow Me to."

Well, that's the end of His message. As usual, He spoke the truth to you.

Heartdwellers, I have only done four paintings in my life, and a handful of drawings, that is leaving out kindergarten and elementary school, which really wasn't anything. Each one of them was commissioned by the Lord. I always wanted to be an artist, but I chose photography because I couldn't draw. So you see, this painting which is not quite finished yet, was done truly by His hand.

All glory to God. If I can do it, so can you.

An Invitation To Come Up Higher

October 4, 2016

The Lord be your only light in this dark world,
Heartdwellers.

I'm going to share a conversation I had with one of our Heartdwellers in NYC. Her journey has been short, but extremely intense and the Lord is saying the same thing to her that He has said to us. Namely, He is calling us higher.

There is a group of us on this channel that wants everything God has for them. "Blessed are they who hunger and thirst after righteousness, they shall be filled." (That's in the Beatitudes: Matt. 5:6) God has saved us, and if we abide in His grace, we will go to Heaven.

But some of us are still dying of thirst and want more, more, more of Him. He is making an invitation known.

Here's that conversation.

I missed recording the very first part of what she was sharing, it had to do with "walking on egg shells". She, too, was over compensating to please the Lord. And that was the message yesterday.

Friend: ...eggshells around the Lord, that's what I was doing, 'cause I didn't know what to do. So, He's been making it much easier for me to realize that, it's not always acts, it's the way it's done. It's the respect in my heart. Sometimes, He got relegated...you know, again, the list got longer and He got relegated to when I was free to just spend all that time. And before you knew it, it was less.

Clare: Let me ask you something. Did you listen to the message?

Friend: Well, funny, I listened to that afterwards...

Clare: What a confirmation!

Friend: Yeah. And it's exactly the last...I was listening to Him after, and I thought 'Oh, I'd better talk to Him first.' So, I didn't do that, and I heard these two after, and I just started laughing. Because it's something that you'll need to discuss with the Heartdwellers.

One and all, He's calling us to new levels with Him. And as you said, it doesn't mean starvation and poverty, it doesn't, you know - it is what it is for each person. But, it was impressed on my heart that as He calls each of us to closer and closer intimacy, there are sacrifices and there are wonderful rewards. And they're different for everybody. Everybody's walk is different. But He is calling now. Because He's been saying, remember, "there's something just around the corner, just around the corner" - it's on my heart that this is to help protect us. That if we'll cleave to Him, and if we're glued to Him, they can't mess

with us.

But He said again, it's always free will, there's always free will. So, He offers, but He said not everybody will accept and that He wants our whole hearts. That He doesn't want part of a heart, He really wants ALL of us. And again, that's different for everybody.

If we don't know how to do that - ASK. Ask for help, this giving up you, yourself to Him. ALL of us. That's... He's calling all of us to newer levels. And with that comes greater intimacy, greater joy and greater sacrifice of something. But that could be... suffering... that could be monetary. It could be saying 'no' to your favorite chocolate. I mean, it's different for everybody, but it's about Obedience and Offering.

It's really the next step in all of us, actually. He says whenever we think we've gotten TO the level, there's never an end to that. We get used to something, we actually develop habits in something and then He calls us to the next level. And there's always a next level for all of us. Certainly until we get to Heaven, and I think there - afterwards. There's just going to be continued growth, closer and closer.

But now is the time. And this was a "catch attention" and let everybody know: it's much more than that - it's about giving heart, about literally being obedient when...

I was struggling (the other day), I was really thirsty and I finally realized... The one thing I really didn't want to do is buy water! I'm so offended by that, I skip buying water. And yet, everything else was full of chemicals, so He really wanted me to buy the water. I had to get something and I thought, 'Well, okay, then it's water! I don't want to do it, but I'm gonna do it.' I walked right past the licorice, which is like a "thing" for me and...I'm not stopping, I saw it on display. I'm gonna ask You for help because we know that I want to eat the whole bag right now! And so, you know, it's for me? It's about dying to my flesh, about not giving in. And I think to some degree, that's all of us.

It's also about giving our hearts to Him. I think it's very much like partial obedience is NOT obedience. He wants a whole heart. It's kind of a really all or...I didn't realize, it's very all or nothing. And as long as we're moving in that direction, that's fine. But I think a lot of folks, including me I'm sure, have gotten it in our heads that, "Oh, THIS is the place to stay! Yeah, I'll stay here!" And there's a comfort level - we know what's happening. Whereas in His way, it's a surprise every minute of every day, because you don't really know where He's taking you. You're gonna accept that, if it's Him, on faith... this is something that if you don't like, it's gonna help you and ultimately will be better for you, and will bring you closer to Him.

You know there's great joy in that. Truly, it's inexplicable.

Clare: Yeah, yeah - absolutely.

Friend: I have no words... And I think some people understand that, and some people yet do not, because He's calling them, again, to the next level and I don't know if a lot...actually, it's on my heart that a lot of folks don't really know that it just keeps going. You know? That it keeps evolving. But that with each level comes sacrifice, according to what His plan is for you, and difficulty along with the positive. So that, it is a struggle and it doesn't need to be financial for some, it could be - you know, "I have to keep my weight under control", or "He wants me healthier because my blood sugar stinks". Or, like me, don't eat that garbage; you can't make My body, My temple live on licorice. You know, it's kinda true...

So, whatever it is... And offerings. The other thing was offerings. And I'm not saying to everybody... just like you're saying - Don't live in poverty - you know, this is MY walk. This is mine.

But He wants us to offer all of us. And I think, it's on my heart, that this is for Trump's protection and push. 'Cause He wants Trump/Cyrus in the White House, that's IT. But He also needs stuff to work with. If enough of us aren't praying and giving, and watching over - then, you know. He's not gonna do it. He wants to see that we're in it and with Him the whole way. And I think the reason we're being told is because there are several that have been here for a while - I'm not talking somebody who's just popped in there once to the channel. But who've been there, who hear the messages and is calling them to make a choice. With Me and we go? or Not with Me.

I hate to say that, but that's really what He wants. He wants them to know that there's more, that even at this level there's a fence-sitting, like "Oh, that part looks hard, I'm not gonna do that - but I'm good where I am!" And He's saying, "The walk doesn't stop. You gotta keep doing that." And that's what He wants several to make that decision and to know - even if they don't know what it is, just have faith that He's not gonna make... You know, He doesn't want them a mess, He doesn't want them cracked up and miserable! He wants them joyous, happy and free! They just don't understand, like I don't understand what will bring me joy and happiness.

Clare: right.

Friend: That's what I was taught.

Clare: You and your licorice... When I woke up from my nap, I thought, 'You know, chocolate always works for me.' The only thing that got me out of bed was the taste of that nice Ghirardelli chocolate on my tongue, right? And the energy I get from it. And I get up and I think to myself, 'What if He doesn't want me to have chocolate?'

Friend: That's' the idea, yeah.

Clare: Because He wouldn't let me have it the other night. So, I just started pushing it away and didn't even bother to ask Him, you know. I'm just not doing it.

Friend: Oh, I'll be He loved that!

(end of discussion)

Well, Lord, You kept me out of the chocolate, that was a miracle. I was having the worst craving to the point of being angry. Then I asked Him to take the desire away and somehow I was given the grace to just keep on going, right by it.

And when I wrote this down, I heard Him say over my shoulder, "More to come!" That's wonderful news. He's gonna help me give up some things that really have had me in a bondage, of sorts.

So, the Lord began, *"Surrender is a good word to describe what I am asking of My Heartdwellers. Surrender coupled with commitment to stay surrendered. I have more for you, Clare, much more, and more for My Brides - so much more. It depends on how hungry you are, how much of Me do you want?"*

How much are you willing forego to have Me?

"You look at someone like Heidi Baker...she has quite a bit of Me. Do you want that much?"

"Do you want more but are happy where you've settled? Do you know that there is no such thing as 'settling' where you are just maintaining? Decay, sloth and lukewarmness settle in on top of the place where you say 'thus far and no further.'

"Shall I lie to you and tell you there are no risks to staying at the level you are at? Yes, there are risks, serious ones. Not the least of which is that you will get sick to death of your complacency. You will feel as though you are hugging an empty shell when you hug Me, because I went on and you stayed at that old familiar, predictable, manageable level."

This truly is disclosing the struggle of my heart, even the long life struggle. I finally make it to a level where I can cope and now You want me to move on.

And He replied, *"That's right. That's totally right. Because I never stop moving. There is always something in your nature to conquer, always uncharted territory I have never revealed to you. And it's a steady climb upwards...with a few plateaus...but they hardly last long enough to get comfortable before I keep moving beyond that point."*

"Now you are looking at all the hurtles. I already have a provision for the hurtles: Look at Me."

"Those who do not make this commitment are going to run into deep trouble as the world disintegrates. What has not been given, what has not been offered, will simply be taken. But make a note of it, there is one thing they can't take from you...Me. They cannot take Me away from you unless you grow bitter from losses. That's their plan by the way, turn Christians bitter. They will be asking, 'Where's the good life, the abundant life He promised you?' And the enemy will provide the answer, 'With the One World Religion. There you will have an abundance of all you need.'

"Oh, yes, prosperity Christians are being set up and have been set up for what will inevitably take place. Where is that land of milk and honey? This land is full of thorns and briars?" And the enemy will point you in his direction with all the frills.

"The REAL Jesus will become out dated and passé."

I find it remarkable that One such as God is actually inviting us all to excellence and total commitment as Christians. He knows what it's going to take to get us to follow Him. He knows how backwards, fleshly and strong-willed we are. He knows that no one would blame you for drawing the line, 'thus far and no further.'

I remember trying to find a man to apprentice my son in carpentry. It was impossible; people don't think that way anymore. They are in it for themselves and not interested in expending time on someone who might someday be a competitor and put them out of business.

And here we have the Lord of Lords and King of Kings, inviting us to apprentice in holiness with Him. He has tailored all the lessons that each individual needs, He is providing all the materials, all the tutoring

- everything. And I stand before Him with my finger in my mouth saying..."Lord, I don't think I can take anymore suffering."

Just last night I told Ezekiel, "I don't want any more suffering; this is enough. I want things to go well and not have challenges thrown at me everyday when I've hardly recovered from the last set of disasters. I like where I'm at, I don't want any more suffering. Please, Lord, no more. Please."

And that's what I told Ezekiel last night.

And you know? He will answer that prayer. If you mean it. If you are convinced, He will leave you behind at the level you're at and keep going with those Brides who were willing, who wanted more of Him. They may be headed for huge trials, but they have the huge consolation: happiness with Jesus. And a sense of fulfillment that you just don't get unless you're really, really working with Him on the level HE wants you to work at.

If I look back on my life ten years ago and ask myself if I am willing to move on with Jesus, I said, "Yes." And we moved on. And now we are here. But looking back on all the hard things that have happened, there are twinges of pain in my heart, but He made it all bearable, and we got through it. That's the point. If you look forward and calculate all the things you think you might have to give up, it looks like a mountain too steep to climb.

But if I keep my eyes on Jesus, and the smile on His face, the warmth of His embrace and happiness with me, and the souls that have come to Him because of what He's done through me. I would have to say, "Well, that wasn't so bad."

Why? Because He carried me. Stair-steps to Heaven are close enough together that even a toddler could climb them. So, even though the mountaintop pierces the clouds, one step at a time is doable. And that's where we come to His Mercy and Grace. He makes the way possible by scaling it to our ability, with His grace. You don't give a freshman in high school a test in advanced calculus. Rather, you create a test that his ability can handle. Something he's learned and applied, not something out of his grasp.

And so, our Lord is inviting us into His classroom and lab to learn and apply. Learn and apply. And He's the One teaching the course, and His Spirit is the One helping us absorb and practice it.

Does it sound like I'm trying to talk myself into following Him all the way? Well, if you've picked up on that, you're absolutely right. I'm looking at my skid marks and the times when I've planted my feet and said, "No." I'm ashamed of those times.

But it all boils down to one concept: the root of the concept, "*Do you love Me?*"

If we have fallen in love with Jesus, how can we stand to see Him walking over the horizon with a group of souls who wanted Him more than anything in the world. How do we wave goodbye to Him?

Yet He said, "*I will never leave you nor forsake you.*"(Hebrews 13:5b) So, we know He's still living in us and working through us, but we aren't with the group that is crossing over under the rainbow into the Promised Land. We are back at Sinai, making do in the desert. Yet we, too, have suffered loss, disappointment, pain and death. We suffered like the group that went with Him, but we had our comforts

and a more predictable life.

So, what is it that would cause us to go with Him in this unpredictable journey full of trials and challenges we never thought we could handle? Very simply: the reward is Him. His peace. Knowing that we have given our lives to Him 100% and we are not holding anything back. He has opened His heart and covered us with His love, revealed Himself more and more to us as we gave up more and more of the world. As we emptied ourselves of the world and the flesh, He filled us with Himself.

How truly glorious and sublime!

And He is so very grateful. He has empowered us for ministries we only dreamt of before. He has spent time with us tenderly sharing the most profound feelings of His heart, His dreams and hopes. And that beautiful expression in His eyes. He has revealed wonders to us and opened doors we thought were just for others to walk through. He has done mighty things through us, yet we feel smaller than ever before. Because we know He did it and we just gave Him our all, so He could.

Taking a short track back to Sinai, we find that the other group of souls, larger than ours, that opted to stay...they are still living in the desert, but find joy in worship and their labors. Yet beneath their smiles is a twinge of conscience, "I could have had so much more."

I pulled a Rhema yesterday that said, "If we don't mortify our passions, we will suffer constant remorse and fear." Oh, how true that is. With every little compromise with the flesh, our spirit sinks a little deeper beneath it. What would it be like to never have remorse or fear? To be operating at the very cutting edge of our skill level, according to the grace given us and have more of His Spirit than we ever dreamt possible?

We have only one life to live. I really don't want to leave this Earth behind with a whimper. I want a shout of gladness amidst a crowd of angels ascending into Heaven. But I must commit to surrendering my entire self.

Dear Lord, help me!

This truly is what I want. And when we get to the top of this mountain range we will see there's another and another and another. And it's not about conquering the mountain, but living our lives fully in Jesus and with Jesus - through Jesus. Abiding in the Vine.

It's the journey and it is hard and it is glorious. Will I follow Him withholding nothing? As Heidi Baker says, "a laid down lover for Jesus?" Only time will tell. But that is where I've set my sights. Jesus, I want to be with You to the very end. Please help me to trust that You will indeed carry me as You always have.

Amen.

Come to Me Ready to Dance & New Age Music is a Genre of Music

October 6, 2016

May the sweet and pure presence of our Jesus heal your hearts and minds and ready you for action.

Dear ones, moving into the unknowable and surrendering to Jesus can be quite a challenge. And we've had a rough week - or a rough two weeks. He understands your frame better than you do and He is ready to woo His Bride deeper and deeper into the profound peace of His Heart.

As He has said, "In this world you will have trouble but take heart, I have overcome the world." John 16:33

After several days of correction and formation with the Lord, all He wanted to do was hold me and dance.

BTW Jesus is pure and a virgin, so put anything unclean about Him out of your minds - please! Everything He does comes from a place of God's love and care for us and there is not a speck of carnality.

In this vision with Him, I noticed my dress was a pale muted raspberry color, with puffy sleeves and floor length skirt. In every vision, He chooses what I am wearing. He was wearing black slacks and a white shirt. For two days now, He has only wanted to dance with me. And how healing and comforting that has been.

When you've had a hard lesson, it takes time to get over. The Lord brings it to mind for several days, because He doesn't want you to forget it. He never wants to have to repeat that lesson, because it is terribly painful to Him as well.

So, after a time dancing, I said, "Lord, I am here."

Jesus began, "*Beloved, come to Me ready to dance. When I have you in My arms and we are swaying to worship songs, I am in 7th Heaven...that is, a blissful state of appreciation that one of My poor ones longs to be in My embrace. Yes, there are indeed difficult times, as you have seen, almost daily. In fact, the perfect day is a rare occasion. I bless you with abundant protection and give you respite from the storm. But it is rare. And I give it to you so that you can clean up the damage and bask in the sun once again, allowing the peace from deep within to rise to the surface. That is the perfect day.*

"As one of My Brides said, 'I go from storms to rainbows, and rainbows to storms, amid songs of praise.' She knew well the weight of sickness and pain, yet she took everything with great equanimity. So steeped in My love for her that she often lost track of herself. This is where I am taking those who wish to go. From storms to rainbows and rainbows to storms, lost in My Love. I know it sounds poetic and impossible, but you have already been living this life to some degree. Many of My Brides on the channel have also lived this life and everyday I am drawing them deeper.

"It is a precious, precious grace to release oneself into My providential plan for your lives. That is why I will visit you with roses and gowns inlaid with precious pearls, because I love to adorn My Brides with the fruits of their labors. I love for them to see how beautiful they have become in My eyes, because they said, "Yes" to Me.

"You cannot live without these consolations, such is the frailty of your frame. From time to time, you must dance with Me and see how much I cherish our times together. How I wait for those times when I can finally shower My gratitude on you and give you but a tiny taste of the joys of being with Me in Heaven.

"That is why I call you to Myself in this special kind of prayer, a time of joyous union and just savoring one another. I wanted that for you today. I wanted to refresh you and begin your healing and cleansing - not as a difficult task, rather as a joyous celebration. Yes I love to celebrate our love, be it dancing, walking in the forest, swinging from vines, or exploring the jewel mines or riding our horses. All is so joyous to Me and comforts My heart, knowing that you are returning to the fray rested and healed.

"My Brides, I do not leave you without consolations. I will set your hearts on fire if you will allow it. Oh, yes, Clare knows well that Holy Fire. But there are times when she gets up and runs from it, thinking that its intensity will overcome her faculties - and that perhaps her heart will burst with longing.

"Yes, I want to stretch your hearts and fill them with such divine love, that you will cease to exist and only I on My throne in your heart will be there. That is what this whole Christian walk is all about: you are to become little Christs.

"You see, you all came from the Heart of the Father with a perfect imprint of His being stamped upon your being. You came into this world carrying all that from the Father. But you descended into corruption which had its affect on you until you no longer resemble Us. He is the mold you were fashioned from, but the world took much of that beauty and destroyed it, until you no longer resemble Him.

"So, we must begin again to rebuild and polish the places that fit so very perfectly in His bosom. Yes, this is what is taking place; you are being restored to your pristine purity and beauty. The filth and ugliness of this world is being removed, the broken places restored, the rough places smoothed until you once again fit the Heavenly mold from which you were taken.

"Oh, My Doves, this indeed is a painful process, because the fallen one has come into the world before you and designed the perfect environment to destroy your innocence and purity. Oh, how terribly he has taken what was good and pure and designed its downfall into the pits of desolation.

"And this is where I enter and pull you from the stinking mire of this world, bathe you in My blood, restore your innocence and beauty and begin to retrain you again to resemble us. Such a painful process this is, such a lonely process, but it must be accomplished and there is no other way than through choice and consequences, suffering and joy.

"Yes, My Heart longs to bring you joy everyday. And I try, believe Me, I try. Sometimes, though, you are not paying attention and you go right by My provision without even knowing it.

"But then, when you have had your fill of the darkness, and are longing for truth and light, then I come

and lift you up to My Heart, tucking you safely away until you find your true meaning and purpose.

"And some of you - well, in truth, ALL of you are SO lovely. Oh, how I wish you could see the beauty that will one day be yours as I am transforming you. I wish you could see who you truly were meant to be. But part of that involves who you truly have become now, and that is an ugly sight that not all can handle. But once you see where I am taking you, once you catch a glimpse of yourself in My mirror, wearing the very exquisite garments I have woven especially for you. Once you catch sight of that, you will understand why all the suffering is necessary.

"And please understand, I took much of that suffering upon Myself at Calvary, and what is left for you is the bare minimum of what you must do with the effects of My very own special grace to bring about the perfection I envision in you.

"So, come to Me in your trysting time. If you are My Bride in the form of a woman, we will dance together. If you are My Bride as a man, we will sit on the cliffs of Heaven and watch the gleaming fire coming from the throne. We will sail on the lakes, climb on the mountains, and rest in hammocks where exotic birds live and bring their young for Me to bless. We will roll in the sand with lions and playfully box the cubs...laughing and tumbling all the way.

"Heaven is now open to all who wish to go there, you have only to ask, 'Jesus would you take me to Heaven?' Then when I come to you in prayer, and extend My hand, take it and I will do all the rest. You know the rules of discernment, but would I give you a snake if you asked for a fish? Certainly not. Especially after you've battled long and hard and overcome the wiles of the enemy.

"I know well how rough this journey is, and I know well how to heal you of your wounds and steady you for your next journey. I know well how to entertain you with My creatures, how to scale lofty mountains, and rest in Paradise, refreshing your soul. I know well how to form and prepare you, My Brides. Come with Me. Allow Me to take you to places you've never dreamt of. Then, when we come back to face the trials this Earth is sure to bring, you will have strength for the battle."

And that was the end of His message

Well, my precious Heartdwellers, I have some recommendations for you as far as music goes and the special Dwelling Prayer, which I do have some teachings on in my earlier videos.

But first, I just want to encourage you to be well rested and alert - coffee or tea or some kind of caffeine really helps when we get older and have trouble concentrating. I highly recommend that for mental clarity. A place where you can recline or even lay down if necessary, comfort is very important. And something in your stomach, please, so you don't grow hungry in the middle of your time with Him.

Then, I highly recommend some form of music that will put you in a very special state of relaxation, yet worshipful of God. I really love Julie True's new album, "Spirit to Spirit" and I just bought most of her albums and put them on one playlist, then I put that playlist on shuffle and repeat. I listen to her while I'm painting the portrait of Jesus...which by the way is not done yet, we still have the background, His shirt and other details.

Just so you know, no songs that talk about your sins, or faults, or difficult things and no rock and roll -

just mellow, loving music.

I also have a free album on our web site Heartdwellers.org, Journeys Through the Beautiful Place, which is a very freeform and flowing album. Or you can put together your own playlist with tender-hearted songs, slower songs, something very contemplative and put that on shuffle. Ezekiel and I have a few songs, such as his instrumental, The Bride and my song, Come to Me, which was the Father singing to me in Heaven during dwelling prayer.

A note to our listeners: there is a difference between New Age Music and the New Age Religion. New age music uses a lot of synthesizers, flowing sounds, chimes, mystical sounding instruments, etc. When this music is created by a Christian, even without the lyrics, it is coming from a pure source, because Jesus works through His musicians and gives them these sounds. He knows what we need to relax and to be drawn into that special place with Him.

So, I wouldn't recoil...One day, I recoiled in horror when someone called my Journeys album "New Age". Oh, boy - I thought, "Nuh ah!" Until I did some research and realized it was a genre of music, NOT religion.

And I want to say that when singers repeat a line many times, it is to relax and take you deeper into the meaning of the words - usually Scriptural - it is absolutely NOT hypnotic. It is what the monks called Lexio Divine, meditation upon a verse of Scripture or a precept from the Bible, by just studying it over and over again, repeating it and listening between the lines for what the Lord is saying.

It tends to put you in a state of rest and recollection in the presence of God, not off in some "New Age" darkness. Then, when you have a crisis in your life, Holy Spirit brings to mind that very verse to strengthen your heavenly perspective about what you're going through.

So, to clarify, new age styled music is not the same as New Age religion. A Christian can compose music to honor God that has very ethereal and angelic sounds in it, to accompany your travels in Heaven. After a while, the music will fade away anyway, as the Lord shows you the wonders of Heaven. You may even want to turn it off, because it can become distracting. Especially when He starts speaking with you.

This, dear ones, is a new dispensation from Heaven: visits to the Beautiful Place, where you can experience your homeland before you actually go there to live forever. The Lord knows how hard this Earth is, and He's opened the Heavens to us, so that we can see the Promise. And the Promised Land.

Jesus is waiting for you. His arms are open and He has made the invitation. This will be a place of great strengthening as you ascend the rugged peaks of holiness.

Ascending the Mountain of Holiness

October 7, 2016

May the assistance and peace of Jesus be with you, precious family.

After worship today I asked the Lord, "What is on Your heart?"

"You are. You are always on My Heart. Waiting for you to see the futility of earthly things, My Bride, yet not wanting to stretch you beyond your means. So, we go slowly, ever so slowly, pulling away from those things that caught your attention before. And you are doing it with My Grace and I charge you to do it more and more at every turn."

"You once told Me that you would be more prone to sacrifice if you had others to take care of. Well, now you do, Beloved, and your example will speak more loudly and eloquently than any words. Aristotle will be but a toddler when set side-by-side with a holy soul of the greatest simplicity."

"For the message of the Cross is foolishness to those who are perishing, but to us who are being saved it is the power of God." I Corinthians 1:18

"As in everything we have done before, turtle steps; the steady, unwavering tortoise wins over the impetuous hare. And My Mercies are new every morning as you pursue the course set out for you. Just be aware, My love, continually, that you are moving towards the goal of detachment from all earthly values, even the opinions of men. Shall the servant of God hearken to the wisdom of men? No."

"My sheep know My voice and another they will not follow." John 10:27

"So, now we are on a new leg of our journey to be detached more and more from created things. And attached more and more to Me and to My heart of love for you. I know you have gone this way before, so the journey will not be so difficult...but you are also older and have a different mindset now than you did in those days."

"But rather than causing confusion among My Heartdwellers, I want them to understand the rule of thumb that will forever bring them closer and closer to Me."

"Do everything from a motive of Love for Me."

"Some of you have your lives cut out for you. You are raising children and have a husband or a wife. Others are free and have serious choices to make: stay in the world and pursue wealth. Or leave the world behind to its own doings - and pursue life. Follow Me."

"I'm calling you to live a holy life no matter which life you choose. But if you choose holiness with great consistency, you will find it increasingly hard to live in the world. That is why I am forever telling you

who are young on this channel to leave the world and join a mission effort. But you will have to come to Me and ask for courage, because everyone will come against you in your decision."

Lord, I sometimes I feel it's me telling them that?

"Clare, you have My heart, this is truly what I want. But so few hearken to My heart. Even as a married family, pursuing missions, I call you. If you have been brought together with your spouse by Me, you are equally yoked and may having a calling to serve as missionaries, even with your children. I have told you this before. Some have obeyed and others have left the channel. Many are called, few are chosen, and even fewer respond.

"But as you put Me first in your lives, you will feel the anointing on every act you do out of the pure motive of love. Seek these opportunities out. Even tending to the needs of your little ones out of Love for Me carries with it Heavenly graces. Teach your children also to do every act out of the motive of pure love. In the world they are taught to compete, but in your home should be free of competition...and full only of love.

"In the world, you are taught to overpower others with your talents; in Heaven you are taught to be totally yourself and shine as the unique soul I made you to be. That's why everyone is continually helping one another to become fully themselves. Each soul that blossoms into who they were meant to be is a wonderful, fragrant surprise and the handiwork of My Father. How beautiful is the discovery of oneself when one has lived under the tyranny of competition and deception their entire lives.

"Love drowns out competition, because love is constantly giving. It has no interest in taking for itself."

Lord, I've lost track of what You were teaching me and I'm struggling with a foggy head.

"Which I am accepting as your offering, even though it is so small, Clare. Truly that is the hindrance here; I needed another offering for the peace of the world. In fact, to all of you, My precious ones, any difficulty that you are having that you cannot pray away, you may safely assume this is an offering to Me for the state of the world. Please share that with them, Clare."

What He was speaking of here, was a thought I had as He was saying that. I was thinking that just two days ago, I felt like I had been drained of all my strength and I couldn't stand or sit for any length of time. I kept going back to bed. Having worship. Just playing worship music and worshipping the Lord. But I couldn't sit up to worship. Even now I am feeling very weak. But I finally realized, and later it was confirmed to me, that the Lord was allowing me to carry a burden for this nation and the world.

And weariness was the burden - and often is, by the way. Accompanied by a feeling of absolute uselessness when so many creative projects have been set before me to do. Joyful things, like painting and music. I couldn't do any of it; He needed this from me.

Do you know what it feels like to be inspired and then not be able to act on it? That is definitely a sacrifice.

"This is all part of climbing the mountain, Clare. Continuing on in dryness is most definitely a climb up the mountain. Being immobilized and praying a Divine Mercy chaplet - that, too, is a sacrifice.

Everything you must do with great effort, having only love of Me or others as your motive, builds you up into the stature of a saint. The more effort it costs you, dear one, the greater the sacrifice.

"That is why loving your enemies is so very powerful. They have deliberately injured you and you respond by praying for them and blessing them; there is no purer sacrifice of love than that. And in that instance, your prayers for them are tremendously powerful, because of the injury they have done to you.

"Your prayers have already rescued one of them from the powers of darkness, although they are not yet strong enough to make a public announcement. However, I wish to say to you, My precious soul, I will protect you from those who would at this point destroy you for deserting them. You belong to Me now, and My angels are surrounding you. Do not fear. Come to My Heart. Allow Me to hold and nourish you with life from My very own substance.

"Let everything you do have its source in Love, Heartdwellers. Do it as an act of love. The more it costs you, the more fruit will come from it, the more you will ascend the mountain with Me. Do not forget to ask Me, 'Lord, I need Your help. I cannot do this on my own.'"

Unless you abide in the vine, you cannot bring forth fruit... John 15:5

"That is why you put Me first everyday so that I can prepare you for the day's growth."

That's the end of His message.

Are You With Me or Against Me?

October 9, 2016

The Lord bless you all, Heartdwellers. May we all be given the ability to outsmart the enemy when he comes against us. Surely in this message the Lord is definitely outlining what we can do to prevent things like that from happening.

Worship has been so sweet lately, it's been hard for me to move on. Especially because I've been feeling the need to repent for even the slightest offenses to the Lord. Which I am coming to understand, nothing is slight.

We've been in a war zone, guys - but Jesus has delivered us time and time again, so the work carries on. I mention at the end of this message that my days have been peppered with sacrifices and offerings. No doubt for the world condition and the coming elections in our country.

When I sat quietly before Jesus, He began to speak to me. He said, "*Time is short.*"

And I asked, "What do you mean by that, LORD?"

He continued, *"The time left to you all to do what is good and right in your lives is short. Therefore, repent for those things you have been holding back from Me. Take hold of this new rope of grace I am extending to My entire Body in this moment. Take hold and make good use of it. Don't live just for yourself. Look around you, see the needs, live for one another, even as I live My life each and everyday for you, that you may grow in holiness and sanctity."*

"Please, let no evil speech proceed from your heart and leave your lips. Please pass over those sins so atrocious to Me. Don't think of them twice. Don't watch entertainment glorifying them or replaying dark stories. Embrace holiness, warmth, kindness, doing for others and reaping a harvest of peace from My very own heart. Because truly, when you do these things to one another, you do them unto Me. My peace shall sustain you as you pour yourselves out for one another."

"Oh, please refrain from divisions. Do you know how Satan creates division? Very simply he preys on your individual tastes, fears and preferences. He gathers that data, then whoever he wants to bring down, he points out things contrary to your liking. If you are naive, foolish - without charity and wisdom, you then pick at that ministry because you don't like what they are doing, though it is innocent and without fault."

"Take, for instance, worship. Each of you have preferences for worship. Each of you think yours is the best way. Each of you has divergent tastes in music, and each of you think your taste is the holiest and most effective.

"Oh, how mistaken you are!!!

"Satan sees your like and dislike and attacks that ministry through you, because it doesn't suit you. Whether it be fear or ignorance, something in you doesn't accept it. So you begin to believe lies about those who minister that way. You fall in with the dissenters and build a head of steam. Denouncers come forward, finding fault in everything that ministry does. They are all things you yourself are afraid of or don't like. Or don't understand. So, you are eager to detract from them.

"Once you open your mouth against them, Satan collects two scores: a demon just entered through a door of criticism into your life - and now you will be sifted. And others are provoked into detraction and criticism and the ministry is injured. That means all the souls I sent to that ministry, because of its uniqueness to minister just to them, are attacked by lying spirits of division and calumny. And many of those souls are but babes in Me and cannot discern a lying spirit, and certainly don't expect Christians to lie about one another. So, they turn away and go back to wandering out of fear of deception, though nothing about that ministry was deceptive.

"They can't find a home, but Satan follows them until they are so isolated and down-trodden that a kind New Ager can come along and show them compassion and draw them into false doctrines, which Satan applauds and does not undermine or send spirits of Division to. So, in essence, you have become the devil's tools to undo the work I am doing. How tragic! You no longer work for Me, you have taken sides with the enemy.

"Recall how Paul handled the Scribes and the Pharisees who came against him before the Sanhedrin:

Then Paul, knowing that some of them were Sadducees and others Pharisees, called out in the Sanhedrin, "Brothers, I am a Pharisee, the son of a Pharisee. It is because of my hope in the resurrection of the dead that I am on trial." As soon as he had said this, a dispute broke out between the Pharisees and Sadducees, and the assembly was divided. Acts 23:6-7

"So, you see, this tactic is age old, divide and conquer. You think rock and roll is in bad taste, another thinks Gregorian chant is too stuffy, religious and without meaning - so the devils pit you against one another. One is prejudiced against speaking in tongues, another is prejudiced against soaking prayer, another is prejudiced against a personal and intimate, pure relationship with Me and yet another thinks it is only fitting to talk with God on their knees from a million miles away.

"May I say I listen to and answer all, no matter what their preference is? But you would take sides and condemn one because it isn't your way?

"This is so grievous to Me. When will you unite yourselves together in My heart and stop these useless quarrels? Don't you see you are being used? Played? And all of this divisiveness is hurting Me and separating brothers and sisters.

"Well, My dear ones, I did not mean to harp on you, but I hear much too much pickiness and grumbling in your ranks. You are sawing off the branch you are standing on. Can you not see that you are destroying My Body with these useless issues of good and bad taste according to what you personally prefer?

"That's why sheep and lambs wander the hillsides, there was no place safe for them. Scrutiny came against them everywhere they went. And the tragedy of this is, whatever you do to the least of these, you

have indeed done to Me.

"Will you continue in this? Or will you repent and receive the different expressions of the faith as long as they still conform to the Scriptures? Not your interpretation, but the true interpretation.

"This is a time of gross darkness, and I need every conceivable means to communicate My love to this death-ridden generation.

"Are you for Me or against Me???"

In the meantime, as the Lord was saying all this, I'm sitting here quietly wondering what He's talking about, because I've been out of the loop and overwhelmed with attacks against us. Personally, in the household and family. So the Lord continued.

"Clare, I miss nothing. And I am not saying this is about music. I am using this example to call to account those who attack the purity of our channel and the deep relationship you and others have here with Me. There has been talk and there are some who believe closeness to Me is inappropriate. Well, if they are so convinced that a precious relationship like that is not to their liking, they can stay with what pleases them. But please don't come here and attack innocent new believers. Stop working against Me. You are opening doors to your own downfall and not doing our relationship any good at all.

"As you judge so shall you be judged."

And I just wanted to say here, if you have a question anywhere about doctrine and what the Lord presents here, please go to our apologetic blog, Triage for Truth Seekers, and find answers to your questions. And you can also access all the teachings just by going to the Search engine that's on the Heartdwellers.org website. That'll bring up all the teachings on a certain subject.

Jesus continued, *"What I would like to convey here is that I use one kind of nectar to feed butterflies, another to feed bees, another food altogether for sheep, another for lions; each has the kind necessary to their nourishment. What appeals to a butterfly would not appeal to a lion and vice versa. So, please do not take My place by trying to appropriate for all what appeals to you. Rather nourish your own relationship with Me and let others find nourishment in ME in their own ways, as My Holy Spirit draws them.*

"The enemy has deliberately sent in demons of division, sectarian spirits, finding fault with what is presented here because it doesn't meet their sectarian standards. This channel is to be a place of healing and brotherly love and no one is to force their belief's on anyone else.

"What I want here is Brotherly Love. That's the church that is guaranteed a place in the Rapture. The other churches had many different agendas and focuses that caused dissension. You will notice I did not promise them deliverance from the time to come.

To the Church in Philadelphia

To the angel of the church in Philadelphia write: These are the words of the One who is holy and true, who holds the key of David. What He opens, no one will shut; and what He shuts, no one will open. I

know your deeds. See, I have placed before you an open door, which no one can shut. For you have only a little strength, yet you have kept My word and have not denied My name. Look at those who belong to the synagogue of Satan, who claim to be Jews but are liars instead. I will make them come and bow down at your feet, and they will know that I love you....Because you have kept My command to endure with patience, I will also keep you from the hour of testing that is about to come upon the whole world, to test those who dwell on the earth....I am coming soon. Hold fast to what you have, so that no one will take your crown....Revelation 3:7-11

"In Heaven, there are no such arguments. Rather, there is tremendous diversity of expression and all that honors Me and glorifies My Father is accepted and appreciated. If you are Heartdwellers, you will nourish and fortify one another in their own way, you will not dispute and divide. Those who spend their time doing that, have no part in Me.

"Strengthen what remains in your walk with Me, for by your detraction of others, you have lost ground and are walking on thin ice, while the enemy is planning for your downfall. Pride proceeds a fall.

"That truly is My message, Clare. I know you wanted something way different, but this had to be said. I love My children, and when I see them throwing sand at one another, My heart grieves and I long to make the crooked way straight with My love and forgiveness.

"Come to Me if you have been detracting and hurting the flock. Come to Me repentant. I will forgive you and I will restore you, for My heart aches for you. Do not go your own way, it leads to death; rather come to Me and allow Me to heal you."

And that was the end of His message.

Well, family, I just wanted to add here that there are days I just can't get a message out because of health or fatigue. Ezekiel is doing wonderfully and just wrote a new song last night. But it's going to take a lot of vocal practice before either of us can share our songs with you, so please be patient. Yesterday I believe I was laid low for intercession for Ezekiel, because that night he had such a big breakthrough.

We've been seeing this pattern for many years - since we've been married. One of us has a great day, the other carries a burden the entire time. And that's why messages have not been as consistent as I would like for them to be. I have to go with the Lord's agenda for the day and it isn't always possible for me to be here for you if He is moving in another direction.

The day before yesterday I put 6 hours in on the portrait, working through the wee small hours of the morning, and that was one reason why I was toast the next day. I am hoping it will be done soon...we will see! I will know when it is done, I always do. So until then, please be patient with me.

Thank you so much for your precious prayers and donations. We truly do labor for you, day and night. This is our joy. We love you. God bless you all.

The Fragrance of Longing For Me Is Upon the World / Pray for Mercy

October 10, 2016

May your hearts rejoice in the Love of our Savior...and His longing for you.

Today I stopped myself from making certain decisions I normally would have taken for granted and just moved ahead with without asking. I wanted to see if Jesus was asking me for a sacrifice of those things. One of them was our hot water heater. We have not decided on this yet, but I

have offered it to Him. We have lived without hot water on demand for a good 20 years, if not more, so this is not quite the sacrifice it would be for most families.

And the reason for this is, the elections are coming up. We don't know what the evil ones have planned, but we do know that the Lord is going to safeguard this time in some way. I feel like He's calling upon us to give as many offerings as we can for Mercy on the world, because we know that the enemy is going to try and stop this.

And so, the point He's going to be making here has to do with two things. One is offering more sacrifices and living more for Him. And the other is giving up my self-will and pride in making decisions on my own, and not asking Him first.

Jesus began, "*You are trying. You are not out of the danger zone yet, but you are trying. Really trying.*"

Jesus, I want to love You more.

"Well, you are going about it the right way."

And I added, "Thanks to your Holy Spirit, Lord."

He continued, *"You have prayed for Mercy and Mercy is coming. Do not be alarmed by the sounds of war and rumors of war. These things must occur in the order of events staged in the last chapter going into the Tribulation proper. Do not be alarmed, do not be afraid, rather brace yourself in My grace, taking hold of My garment and promises to you as your covering."*

"Many are called, few are chosen, and even fewer respond. To those of you who are responding to My plea for personal holiness, You will forever shine with glory, because you chose the robe of sacrifice and righteousness above all other carnal pleasures."

"For those of you who are staying behind: I love you and am with you as well and appreciate all that you do in My Name. You, too, have a reward in Heaven."

"So, none of My faithful are left out, even those who chose not to climb the mountain with Me. You are

still Mine and I cherish you. By no means will I abandon you to the enemy; you are still My precious possession.

"The sound of war drums has reached the ears of many. Yet did I not say I was postponing the very worst for the summer of 2019 when I will again reassess the condition of My people and the world? Until then, I am calling upon you still for sacrifices, fast offerings, wedding presents. Yes, I am still calling for these things.

"You just have no idea how much good you are doing by making these offerings to Me. It is hidden from you. But trust Me, there are great rewards for you who have chosen this more difficult path out of love for Me. Your love shines like the firmament of the stars, not in space, but from the Earth. Yes, among those on the Earth, you are beautiful as you progress in the splendor of holiness. Yet, this hidden from you.

"Clare, you asked about the events or event that you are all preparing for. You are all now putting in your prayers and fast offerings for Mr. Trump and President Putin. You are coming to the aid of these two men and preparing the way for them that they will accomplish My will.

"Do not listen to forebodings of disaster; I don't want your focus there. Please don't listen to that. I have told you trouble is coming, but I have not told you what, because I do not want your thoughts giving any more weight to it. You see, prayer suspends tragedy. And if your focus is on prayer, tragedy will not get its way, totally - or even possibly in part."

And the Lord brought this up, because one of our intercessors has been in travail for a day and a half. They offered this to the Lord for Mercy on the world, and I, too, am finding things I can sacrifice for this time. With Your strength and permission, Lord.

He continued, *"Always seek My wisdom, Clare, always - before you make a commitment, so the enemy does not dishearten you with something beyond your ability to offer. Although My love will meet you right where you are at and I do understand your longing for Me. This is a grace that is now spreading like a perfume over your land and indeed around the world. I am wrapping the world in this grace of hunger for Me, a longing such as most have never conceived of. This is to prepare and strengthen you for greater works, springing from greater love, greater confidence in Me. And Faith.*

"The portrait was given for such a time as this, My Love. I want My people to see the love and longing in MY heart for them, that they will reciprocate out of concern for My tender feelings for them. Oh, so many still have no idea how I wait for a glance in My direction from them. Even Christians are unaware of My vulnerability - how deep and painful My love for them is.

"I gave you a tear drop, please use it for this message. I want them to know: I long for your company, children, even as a father separated from his little sons, do I long for you."

And the teardrop that the Lord is speaking about was that some water happened to drip on the painting, but it dripped right beneath His eye, and it was a very obvious teardrop. And that's the image He wanted on this message. So, it wasn't a supernatural teardrop. It was a natural drop of water. But it landed supernaturally, right under His eye.

Continuing on, He said, *"And My Bride, you understand, you have been with Me, you know the gnawing*

pain of separation I feel towards you. But this is a new season, with new longings that will lead to greater intimacy and faith. You will begin to feel My heart for those who are suffering and prayers authored by My Holy Spirit will bubble up from within you, as you bring petitions for them to Me.

"So, My counsel and message to you all today is to again grasp the rope of grace that is bringing you closer to Me. Make more time for Me. Pure, Holy and intimate time away from the hustle and bustle of the world. Use gentle dwelling prayer music and tuck away with Me and allow our hearts to be united in love. Do not run from your deeper feelings for Me.

"I will catch your tears in My crystal vase where the other tears from your life are stored. I will apply those tears to the suffering ones, especially those who do not know Me and have never conceived of having a pure, loving relationship with Me.

"Each tear you shed for Me and for the suffering ones, each tear is the product of deep graces granted to you, and therefore carries with it healing properties in the spirit. When you weep with the gift of tears, I cherish each and every drop and I know exactly where I will apply it.

"Some of you are still waiting for your children to come around. There are tears I apply to their hearts, too, to soften them to receive the grace of conversion.

"Nothing is wasted, My Precious ones. Nothing is wasted."

And that's the end of His message.

And I'm finding it very interesting every day, that the readings that I get from this liturgical missal line up so beautifully with the messages. I was going to share with you the readings that I got today for communion, before I got this message.

So, this is a reading from the book of the prophet Joel, Chapter 3.

Thus says the Lord, I will pour out My Spirit upon all mankind. Your sons and daughters shall prophecy; your old men shall dream dreams. Your young men shall see visions, even upon the servants and the handmaids. In those days, I will pour out My Spirit. Joel 2:28-29

And I felt that this very much corresponded to the fragrance of longing for the Lord, because that precedes every great move of God. And it's going to swathe the whole Earth, it's not just something for our country. It's for the entire Earth. That this fragrance is going to wrap the Earth. And out of it, I believe, will come a greater intensification of the gifts of the Spirit, and intercession.

I will work wonders in the heavens and on the Earth. Joel 2:30

And then, the Psalm that was included with this is:

Lord, send out Your Spirit and renew the face of the Earth. Bless the Lord, o my soul. Oh, Lord my God, You are great indeed. You are clothed with majesty and glory, robed in Light as with a cloak. Lord, send out Your Spirit to renew the face of the Earth. (response taken after Psalm 104)

A reading from Romans 8: The Spirit, too, helps us in our weakness. For we do not know how to pray as we ought, but the Spirit Himself makes intercession for us with groanings, which cannot be expressed in speech. He Who searches the hearts knows what the Spirit means, for the Spirit intercedes for the saints as God Himself wills. Romans 8:26

And the Gospel of John, Chapter 7

Come, Holy Spirit. Fill the hearts of Your faithful and kindle in them the fire of Your love. is the response before it.

It begins:

On the last and greatest day of the Festival, Jesus stood up and cried out, "If anyone thirst, let him come to Me. Let him drink who believes in Me. Scripture has it, 'From within Him, rivers of Living Waters shall flow.' John 7:37

So, in this passage of the Gospel, it talks about a thirst for the Lord, which is very, very much like what He is talking about - the fragrance of longing to be poured out upon the Earth.

So, all these readings tie together very beautifully, and to me, they speak very much of that perfume of longing that the Lord is spreading all around the world.

May the Lord bless you, Heartdwellers. And thank you so much for praying for us. We covet your prayers and we pray for you every day. That you'll increase in knowledge and love and understanding of the Lord.

Who May Dwell, REVISED song By Clare du Bois

October 10, 2016

Who may dwell, who may dwell, in Your holy tent?
He who walks righteously speaking truth from the heart.
He who rejects dishonest gain, and stops his ears against plots of destruction,
Who shuts his eyes against contemplating evil, who slanders not his neighbor, nor harms another.
And never defames a friend.

Who may dwell, who may dwell, on Your holy mountain?
He who refuses to contemplate harming his brother,
And keeps his tongue from evil, never using his lips to deceive.
He who harbors not bitter envy and selfish ambition, who keeps his heart free of judgment,
And always speaks well of others.
You will dwell on the heights, never to be shaken.
You will dwell on the heights, never to be shaken.
He who forgives offenses and is quick to confess his own fault.
Who is lenient with the shortcomings of his brother, swift to correct the error of his own ways.
He who spends not his life on worldly gain and pleasure, but looks after the needs of the poor,
And the alien in his midst.
He who cares nothing for the praises of men, nor courts their favor,
But considers his ways before God and seeks only His favor.
You will dwell, on the heights, never to be shaken.
You will dwell, on the heights, never to be shaken.
He who gives thanks when things go well, as well as when things go badly.
Who entrusts His life to the wisdom of the Almighty.
He who forms no complaints in his heart, nor utters a deprecating word.
But makes his heart a tabernacle of Praise and Thanksgiving to the Most High God,
Always giving thanks for His benefits.
He will dwell on the heights and never be shaken.
Your refuge will be the mountain fortress.
Your bread will be supplied and water will not fail you.
Your eyes will see the King in His Beauty,
And view a land that stretches afar.
You will dwell on the heights, never to be shaken.
You will dwell on the heights, never to be shaken

Holy Trials, Holy Fruit, Stand in the Gap for America

October 12, 2016

May the faithfulness of the Lord Jesus be our comfort and help.

Well, my precious Heartdwellers...we certainly are on this journey together and I don't for one moment want to withhold my trials from you, because I know they are not unique to me but the entire Body of Christ is going through

it right now.

And I want to share His mercy with you.

As I have mentioned before, the Lord Jesus is revealing those dark things in me that cannot enter Heaven and hinder His working through me. I, for my part, am like a little child clinging to her daddy in the midst of a dark mud storm. Where, rather than hail or rain, mud is churning all around me - the mud of my unresolved sinful nature, and the wilderness of my unconquered sinful nature. And not only is it dirty to look at, it reeks to high heaven.

If you are going through intense trials right now, you are right on target and in the boat with those who have said "yes" and want to keep going with the Lord. With my mouth I said yes, but I am seeing skid marks and places where I fell out of the boat and the sharks got a bite of me. They are on a feeding frenzy with the Body of Christ right now, as the Lord allows assists us in fighting our way through our flesh into the pristine purity of the Kingdom of God.

Someone told me there was chatter on the internet about the category 5 hurricane Matthew making landfall on the 10th month and in the 7th day, mirroring Matthew 10:7 As you go, proclaim this message: 'The Kingdom of Heaven is upon you.' And for us who are undergoing the purification necessary to continue climbing the mountain of holiness with the Lord, it certainly bears witness to our present trials.

But I have always believed that our trials contain two components: graces released for sufferings endured, as in Simon's Cross, and God's correction for things that should not be a part of our nature, and must be removed. We have been assailed by many supernatural attacks, which are bringing us closer and closer to the Holy Mountain. Even though they are painful, the fruit is amazing.

For one, right now the Lord is calling for fast offerings to turn the evil plans of the powers-that-be in this country, to prevent the elections and cause martial law in America. He has told me that many, many attempts would be made to stop them from happening, but that if we continued to pray, fast and offer Him our sufferings - whether they be financial or physical or family related - any suffering we are undergoing can be offered to stop this evil government from getting control for the next four years.

Anything, anything, anything. If it hurts, offer it.

And so while we are being purified, supernatural levers of grace are being raised to prevent catastrophe, and the death knell for America. Oh, the divine economy of Heaven is totally amazing and efficient down to the very last tear. So, take heart; these sufferings are going to bring forth a harvest of righteousness as well as a purification of our hearts.

Truly, all Ezekiel and I have been able to do for the last week, is repent for what the Lord is revealing in our natures. Just when I feel I cannot take another drop, not another look at myself, our Sweet Jesus comes and holds my face tenderly in His hands, "*I forgive you. Let's move on.*"

And just when I feel at my most pitiable and weakest, like a smelly and dirty little child pulled out of a hole in the ground, with a runny nose, tangled hair, when I feel at my absolute lowest, He comes and says, "*Trust Me.*"

I look around and catch a glimpse of myself in His mirror and I don't understand why my whole world hasn't fallen apart. The answer is so simple, "unless the Lord guard's the house, those who guard it do so in vain." This is His work, from His hands, from His grace and He is the one maintaining - it whether I'm up for it or not! And I guarantee you; I am not up for it!

Guys, this is not a pity party, this is an encouragement to you. Hang in there; God is with you. Don't fall into despair, don't run away, don't give up, don't give in to dark thoughts Satan is pelting you with. Stand your ground. You are on the Rock and your house is not going to fall, because it is built on the right foundation and His angels have been sent to protect it.

At one point, when my emotions got the better part of me, instead of persevering in prayer I started to go back to my old pattern...nesting. Straightening the house. In the middle of it, I was moved to pick up a Bible and get a word from the Lord...it was all about how Saul disobeyed and offered the incense because Samuel was late and his soldiers were deserting him. Because of that he lost his kingdom. Oh that was a sobering reading, not exactly a sweet hug and encouragement at that moment! I couldn't wait to get back to prayer and repentance, and the Lord was right there holding my face in His hands again and hugging me to His heart. I saw myself as a little 5-year-old girl clinging to Him for dear life and burying my head in His heart.

The readings from the Missal that I was following for the day's communion service were: Acts 3: Reform your lives! Turn to God, that your sins may be wiped away."

and

The 1st Letter of John chapter 2:1-6 My dear children, I write this to you so that you will not sin. But if anybody does sin, we have an advocate with the Father--Jesus Christ, the Righteous One. He is the atoning sacrifice for our sins, and not only for ours but also for the sins of the whole world. We know that we have come to know him if we keep his commands. Whoever says, "I know him," but does not do what he commands is a liar, and the truth is not in that person.

But if anyone obeys his word, love for God is truly made complete in them. This is how we know we are in him: Whoever claims to live in him must live as Jesus did.

Wow - that was just so, so right on!

And the Gospel of Luke 24:46-47 "The Messiah will suffer and rise from the dead on the third day, and repentance for the forgiveness of sins will be preached in his name to all nations..."

So, there was no getting around it, this was about sin and repentance. And the Lord confirmed it in my communion service.

One thing I want to share with you, that I have seen over and over again, when we have a victory in ministry. Immediately after that, we are most vulnerable to a fall. I think that's called "overconfidence." I consider the painting a victory, though it's not quite done yet - so I am not at all surprised at all the trials, especially knowing the elections are close at hand.

At this point, guys, I ran out of what I wanted to share with you, so I asked the Lord: is there anything You want to add?

He began, *"My people, if only you knew the battle you are embroiled in now, if only you knew. I am not going to discuss with you what is being planned, but I will tell you this. Whatever you are now suffering is nothing in comparison to what you could be suffering if We do not put a stop to this."*

"You recall how I turned missiles around and saved an entire neighborhood from certain death in Jerusalem. Well that was only the beginning. There is so much more I am going to do because of your faithfulness. What is planned is horrendous. What the Father will not allow expands each day you offer Me the littlest of sacrifices. That means in food or convenience, anything, anything that causes discomfort or extra work, delays, suffering and loss, anything counts to stop what evil people are planning for this nation and the world."

"So far, there have been many miracles, many. One was the turnout for the supposed rioting at the Republican convention. There have been so many more. You don't know about them because they are hidden from you, but rest assured they have been averted by your sacrifices and cooperation with Me."

"As you get closer to the election, things will be more trying and difficult. Please do not walk away in My hour of need. Please stand by Me and allow whatever I allow, giving full consent in the knowledge that your decision is turning the tide in this world. Stand with Me against the evil, stand and do not be fooled by propaganda in the media."

"Do what you know is right and avoid contact with the media. It is a reprehensible sewer spilling effluent all over this nation. If you are close to Me, you will know what is right. If you are not, you will act foolishly, not understanding what is truly at stake in this election."

"I have prepared you for this time. I have prepared you to understand, to sacrifice, to repent and to stand your ground for what is right in this country, and ultimately for the world."

"Please do not neglect the Divine Mercy Chaplet. Coupled with your offerings, it is moving mountains. I offered Myself for you, for your nation and the world. This prayer recalls all that suffering to My Father, Who suffers still from the vision of it. His heart is ever so tender to this prayer. Please use it."

"And remember My face, My eyes, My smile for you, how much I love you and I will not allow you to suffer beyond what you can endure. Recall My face in this portrait, and know that My Heart is Yours and

I am still in control.

"Trust."

And I had to look something up in the middle of this message. And the rhema that came up when I logged onto the Internet was: "Offer sacrifice in the right spirit, and trust in the Lord." Holy Spirit uses those rhemas to really drive a point across. And He'll do the very same thing with your Bible readings and your music, if you put it on shuffle and give Him the chance.

You Will Know My Glory - You Can Never Out Give Me

October 14, 2016

May the Lord open our minds to the miracles He has in store for us, dear Heartdwellers. Wow! You can never out-give Him. Each day is a wonderful adventure with the Lord. And knowing the challenges we will face each day He gives us sound instruction on how to maintain and grow in intimacy with Him and in Holiness.

Today, I felt a bit distant after communion and asked Him to please make Himself visible to me. Oh, how tender is our Jesus! Knowing my frailty and neediness He immediately showed Himself to me and motioned for me to put my hands on His Heart. As I did, I immediately felt an infusion of grace and a sweet transfer of His glory into My being.

Dear ones, we are creatures of light and glory, brought forth from the very bosom of God. When Jesus comes to live in us, that glory and light are amplified. But we are so steeped in the world and our flesh, we don't perceive the beauty of His presence and the power of His glory on a minute-to-minute basis.

Oh, I pray that for each of us, that we would be your vessels of glory, Lord and light in the darkness of this world. Help us to see who we are, not flesh and blood but fragments of glory from the Father's heart. Help us to feed that holy fire and grow in holiness, that we may truly be a light to the nations, as He has called us to be.

My dear ones, we need only to cultivate our relationship and love for Jesus and the Father and He will do all the rest. We need only to be obedient to His inspirations and commands and He will flood the world with our light. And to reach this amazing place, He asks us to immerse ourselves in Him everyday, putting Him first and giving Him the very best moments of our day.

In this place, He is greatly comforted by our love and we repair for all the indifference of His other creatures who have turned their backs on Him and are preoccupied with the world. And in this place, He shows us His immense gratitude by feeding us with the true Manna, His very own substance.

After I had placed my hands on His heart and felt that infusion of grace, I again saw myself as a little 4 or 5 years old girl being held by Him. I tucked my little face against His and just basked in the sweetness of His love.

Then He gave me to the Father, and I cried tears of joy and thanksgiving for His immeasurable kindness to me. Because, as you know, just recently He's shown me a lot of things about myself that were certainly not lovable. Daddy held me ever so closely, and again I found my place against His neck and beard, and just tucked in to the most glorious place in the universe.

I came from prayer filled with His goodness and now I long to share it with you. Oh, have no fears. Draw close to Him, very close to the Father. I hear so many stories about the immense power of the Father, but

I have never experienced anything other than a father's tender affection and comfort. Maybe because my soul was made to be a child forever...I don't know. But the thought of all that power scares me. Yet, He has never chosen any other way to greet me than with the tenderness you would show to a young child seeking comfort. And I didn't have a father, so it's really quite amazing that I can even understand what that comfort is.

In fact, in the song "Come to Me" - which the Father gave to me some time back, He expresses a tender welcome to me into His house, into His home in Heaven. And it's meant for all of you, to understand His true nature is loving and gentle and caring. And He longs to have you in Heaven as well.

Lord, have you something to add?

Jesus began, *"What could I possibly add to that? This is how I experience My Father, with great tenderness. How I long for the day when all My children will finally see Who He really is."*

"Clare, everyone has a different way of relating to Him. But you have chosen littleness for your life and littleness must be treated with infinite tenderness. It is fragile, delicate, sensitive, the very essence of love. It is vulnerable and easily shattered. That is why I have called so many of you away from the world, the media and sinful entertainment."

"I am restoring your childlike purity. I am washing away the crust that has encased your hearts and made you so insensitive to Me and the voice and the breath of creation. As you are purified from the ways of the world you will begin to feel an ever-increasing love for creation. Both those who are created in Our image, and the world of nature, the trees, plants and animals. Your desire to communicate with My creation will begin to blossom and be fulfilled."

"I intended this relationship in the Garden, but after the Fall I had to instill the fear of man in My creatures. You will find that fear no longer exists in Heaven."

And then I was reminded to quote "The fear of you and the terror of you will be on every beast of the Earth and on every bird of the sky; with everything that creeps on the ground, and all the fish of the sea, into your hand they are given." Genesis 9:2

Jesus continued, *"But even now this dispensation of love is growing on the Earth as people begin to see all creatures as miracles of creation and relate to them with tender care, rather than exploitation. You, My people, will grow in your ability to communicate with My Creation as you grow closer to Me. When you say, "Something is in the air," you are perceiving the movements of creation, the trees, the flowers, grasses and animals, you are hearing their thoughts in your spiritual heart."*

"They, too, long for the redemption and not a day goes by that somewhere they are not suffering even as you suffer which Paul has written":

I consider that our present sufferings are not worth comparing with the glory that will be revealed in us. For the creation waits in eager expectation for the children of God to be revealed. For the creation was subjected to frustration, not by its own choice, but by the will of the one who subjected it, in hope that the creation itself will be liberated from its bondage to decay and brought into the freedom and glory of the children of God. We know that the whole creation has been groaning as in the pains of childbirth right up

to the present time.

Romans 8:18-22

"And so you see, you share a common bond as brothers and sisters who came forth from the Father's bosom. And therefore it is important for you to respect what has been given you and take good care of it."

Then God said, "Let Us make man in Our image, according to Our likeness; and let them rule over the fish of the sea and over the birds of the sky and over the cattle and over all the earth, and over every creeping thing that creeps on the earth." Genesis 1:26

Jesus continued, "Not even one day passes before one of My precious creation is abused or wantonly slain, because Satan has made all that I created a target for His wrath - but particularly the crowning glory: mankind. That is why the Earth is being destroyed. He continues to take vengeance on Me for exiling him from Heaven and that he will never be equal or exalted above Me.

"Again, I make the appeal to you, My children, who are steeped in the darkness of this age. Satan has made promises to you, but just as he has taught you to lie, steal and cheat, you will see that he has lied, stolen and cheated you of the reward for your services rendered. Understand: time will be rolled up like a scroll, even as the Earth shall be, and time will be no more. And all the empty promises made to you about a kingdom in different dimensions and times will be shown for what they are.

"*Lies.*

"My children, how can choice fruit come from a tree of worms? How can you sow evil and expect to reap good? Do you not see that all you have done to others will be visited upon you in that hour and Satan will laugh you to scorn as his demons rip and tear your flesh? Common sense should indicate to you that every action has an equal and opposite reaction. Simple logic should reveal to you that you cannot sow a wicked seed and reap a choice harvest of good fruit.

"Please, My children, please: turn from these lies and I will forgive you and wash you clean with My blood. You have been lied to and a lake of fire awaits you if you do not repent. The only good that can possibly come to you is My forgiveness, salvation and the very real gift of Heaven. Please, consider: time will be no more - not in any dimension - what you have been told is rife with lies and deception. Anger, bitterness and retaliation, jealousy have blinded you. Step out of your emotions and hardened hearts for only a moment and consider the character of who you are serving.

"I address you now, my servants and Lovers. Pray for these who are so blinded and crippled by bitterness, they cannot see. Yet I give them opportunities to see, to glimpse, to repent. Please, pray for them."

Lord, I have a question about Your glory and the nature of our being, and what we are truly capable of.

Jesus continued, "Yes, there are many things being revealed to My hungry ones now. This is why I have asked you to separate more and more from the world. What I have for you is truly beyond your wildest imaginings.

"Many Christians live in the dark as far as what is physically possible to those who believe. As you become more and more entwined in My Being, more intimately joined in heart and mind, I will reveal to you the nature of creation and the power you have over it, as you have been created in My image.

"There are wonders of ministries available to those who love without reserve. Those who love with all their hearts and live only to please Me. These things have always been, but now they are coming out into the open as never before, because of your ability to communicate with one another and the shortness of time.

"Yes, you are creatures of light who transform all you touch. To the degree that you love as I love, to that degree will miracles be done. Did I not say greater things than this shall you do?"

And that Scripture is "Truly, truly, I tell you, whoever believes in Me will also do the works that I am doing. He will do even greater things than these, because I am going to the Father." John 14:12

"But, My people, do not chase after miracles; chase after Me. Do not consider the working of wonders to be more valuable than fellowshipping with Me. Yes, in the still, dark place where My transforming power visits you, the coveted grace is still My presence. Not the miracles - they are the natural progression of events stemming from your desire to know Me, to be like Me, to walk on this Earth as I walked. And this is the way I fulfill it in you.

"Some of you have made remarkable progress in grace. Carry these burdens well, My dear ones. I have so much more for you. Know without a doubt this saying is true, 'You can never out-give the Lord.'"

Do You Love Me More Than These?

October 15, 2016

Oh, my dear friends and Heartdwellers, please don't be frustrated that this is such a short message! It really packs a whollop if you enter into the message and read between the lines of His heart.

I know it went straight to my heart.

As you all know, I am a Martha by nature - compulsive, perfectionistic and so caught up in having order in my house. But since He made everything so clear to me - my faults, that is...I've really been trying to change my ways.

This morning I woke with a start, because Ezekiel was telling me about a bank scam in Northern New Mexico. My eyes weren't even open, let alone my brain working. What a sucker punch! It really was.

Normally, I get up and go straight into prayer, since all of my corrections and directions. But this morning, this bank scam kinda jarred me into a different space. Then the volunteer who was supposed to come and help - she didn't show up. And finally, I was so frustrated - I asked the Lord and I heard Him say, "*She's not coming.*" So, I telephoned her. And sure enough - she wasn't coming. And here I was, wasting time on the world again, waiting for someone who doesn't show up.

I apologized profusely to Him, and went straight into worship.

By all appearances, I had put the house first again, but He knew my heart. So, I came to receive the message, with hours in between the communion service.

Okay, Lord - I'm finally here. What would You like to talk about?

And at that point, one of my cats was distracting me...

He answered me, "*Are you sure you're here?*"

I know...the cat. I'm feeling a bit spacey. Jesus, what is on your heart?

"You are," He answered.

Oh, Lord - what have I done this time??

"It's what you haven't done. It's not always bad. Sometimes I'm very happy with you, because you are tackling the things that offend Me."

Is that what this is about?

"It is."

Just then another distraction came rushing in, and I bit the bait. Five minutes later, I was again apologizing for letting anyone interrupt us.

I'm sorry, Jesus - You shouldn't compliment me. You see how fickle I am.

"I made you that way, so you can overcome your impulsive/compulsive nature - just for Me."

And then You came alongside of me to help?

"That's right."

Tears welled up in my eyes. I so wanted to be on good terms with Him and put Him first.

"Just keep doing everything you can to separate yourself from housework and distractions. Keep pulling away from them. Keep drawing nearer to Me."

Lord, is there more you want to share?

"What if that's all I want to give you? Can you accept that? Sometimes the less said, the better. Now, go to work on that song."

Oh, Lord - it's very touching. He held my head on His heart and I could see teardrops cascading down His cheeks.

And He said, *"I really needed to see that you love Me more than these."*

This Is The Critical Hour

October 16, 2016

Beloved Heartdwellers, the Lord is calling us to stand together. And I'm asking Him, "Lord, please give us the endurance to run this race knowing that we are running with You and for You to turn the tide of evil on this Earth. May we find our joy in You and not in anything from the world. Amen."

The Lord wasted no time tonight. Right after communion He began speaking to me.

"Tell My People that we are all suffering in this moment. You, Clare, are suffering from those who are unfaithful, Ezekiel has another burden, Carol another; all of you are carrying a part of My Cross for the world right now, because humanity is at a turning point.

"Yes, this is a critical hour and from every nook and cranny of this Earth I am taking fasts and offerings to avert what is sure to be the end of life on Earth as we know it. What they have suffered in the Middle East will surely manifest in every country of the world. And the only thing that will stop it is what you and I, 'WE', are going through right now, for truly, I am there, right there by your side, suffering with you as you have to make sacrifices.

"How can I get it through to you, My People? Your sacrifices are absolutely the very thing holding back the absolute tyranny that will come to America and all countries. Not just any tyranny, a bloody tyranny that you cannot even imagine here in this country. Something so graphically evil you cannot conceive of it, except in horror movies, which will never convey the depth of suffering that comes from those who have been trained to be butchers and monsters of the worst kind. Even though your prayers for them are powerful, and there is conversion inside that community. Still it is a mounting force of evil that is spreading all over the world, and lying dormant, waiting for the word to spring into action.

"Yes, your prayers, your financial sacrifices, your relational troubles, even your sicknesses, your inconveniences, your persecutions, your injustices - absolutely everything is being conscripted to stop this mass murdering and butchery. You simply have no idea. So, I come to you with the news as bluntly as I dare.

"You are holding back the wrath of Satan on this Earth.

"Please, do not complain. Offer this to Me in utter thanksgiving that what should be right now has still not manifested. Give thanks to Me that your loved ones are not hacked to pieces before your very eyes. Give thanks to Me that I have given you yet another chance to defeat the enemy. Give thanks to Me that you still get medicines for your illnesses, you still have food, water and clothing, a bed to sleep in, a beloved pet to comfort you.

"Give thanks because Satan is straining at the bit wanting to launch into all who are good and innocent, especially children, and utterly destroy every vestige of human love and decency off the Earth.

"Give thanks, mightily, that you have something to offer Me - for truly I tell you, what you suffer is nothing compared to what you could have suffered without these offerings. Nothing, absolutely nothing, you have suffered compares to what is planned, what is coming, what I have managed to hold back because of My faithful intercessors who stand in the gap under all adverse circumstances, offering all they have to stay this butchery on humanity.

"Now you know, or should know: it is critical, this hour is critical. Please. Hear Me: CRITICAL.

"And I need all your cooperation, support, prayers and offerings. We are suffering together, we are working together, we are stopping this together. It cannot be stopped forever, but we are stopping it now.

"Oh, give thanks for that...give profound thanks - you know not what faces you.

"This election will be a major determining factor. As America goes, so will the world. It is not about Clinton or Obama, it is about the Satanic government that is already entrenched in your world and this is your last chance to avert it. Your last chance. Please, do not grow despondent or despairing. Rather, thank Me profusely that we were able to hold this back."

At this pointed, I needed to ask Him a question, and I said, "Lord, what about the dream you gave me? Was it symbolic when Michelle Obama said, 'We lost.'?" 'Cause I had that dream back several months ago - very, very vivid, Holy Spirit dream that Donald Trump had won the election, and that Obama was totally blown out of the water by that. 'Cause he wasn't expecting it.

The Lord continued, *"That was prophetic...it's not about Obama or Clinton, it's about Anti-christ getting his way. He is the symbol for those candidates; it matters not whether he or the Clintons run, what matters is what he stands for in the dream. That was the essence - it was about what he stands for losing control.*

"But understand, this comes with a cost and all of you are suffering for it now.

"Carry that cross with the knowledge that you are standing in the gap with Me. I suffer as you suffer, and together we offer these things to the Father as a fragrant offering to stop the butchery."

And I wanted to say, as an aside, in the dream about 'Obama' losing, everyone around him was saying what a SURE WIN it was - it was a done deal. And they were celebrating. However, even while they were celebrating, there was a cloud in Obama's mind. And he was worried that he might lose. That's why he was so anxious even though they were having a party for 'his' victory.

The Lord continued, *"My People, the dream still holds. If only you will continue to work with Me, the dream will stand. What I am asking of you here is to be cheerful givers...not grumpy givers.... Clare?"*

Ummmm...Guilty as charged, Lord. I've been very impatient. I am spoiled. I'm not use to having all these kinds of delays, problems, betrayals and glitches. I'm just not.

He continued, *"Yes, you are spoiled, My Love. I have spoiled you with many good things; now I am asking you to spoil Me with your sacrifices. Will you?"*

Oh, Jesus, how can I say no to You? Thank You, Lord, for these contradictions and difficulties. I offer them all to You. Please help me to have a good heart, a grateful heart. That's a little bit beyond me right now.

He continued, *"It will not always be this way. There are times and seasons of sacrifice. This time, being critical, is one of those seasons. But there will be breaks from it when I again strengthen you with joy. But for now, please find joy in what I am doing with your very little offerings. Truly, there will be a return to joy as I weave everyone's gift into this tapestry of history that demonstrates what God can accomplish when all else seems impossible."*

"Go forth with this message now and stand with Me in the Gap."

And I just wanted to make mention tonight, that we live in a very poor area of New Mexico, near the Reservation. And there are a lot of children that don't have coats for the wintertime. What we're doing is, any donations that come in we're setting aside a part for new coats for them for the winter. We're going to do everything we can, in our power, to help these children go into this season with something warm to wear.

I just wanted you all to know that, anything that you send us as a donation - not only do we use it for our expenses, but we take care of those around us that are poor. Last year, we were able to buy firewood for several very poor families. And all of this comes from the kindness off your hearts. When you donate, first we cover our basic operating expense, which includes distribution of food, clothing and utility bills for poor families. In this way, we maintain our stability, to be able to serve the community. But still, see to it that the poor are helped.

Anything you send that is earmarked, we try to use for what you earmarked it for. But if there's another more urgent need, we cover that first. In this way, everyone gets blessed - and we're still here!

As the Scripture says: Pure and undefiled religion before our God and Father is this: to care for orphans and widows in their distress, and to keep oneself from being polluted by the world. James 1:27

So, it's very important to our ministry that we reach out to others and take care of their needs. And by your kindness, you've made that possible for us.

Thank you, Heartdwellers, for showing the kindness of Jesus and His caring for us and for the poor. May He bless you with deeper and sweeter intimacy than you've ever had before with Him.

Will You Fulfill Your Divine Destiny?

October 17, 2016

What a beautiful message this morning, Heartdwellers. I'm thrilled for you, because this is just a beautiful, beautiful, encouraging message.

You know, while the whole world is chasing after this disaster and that disaster, and this collapse and that collapse, and this war and that war - the Lord is taking His Bride to new heights, and to new layers and levels of fulfillment in her destiny. And that's what this message is all about. This

is not ear-tickling prophecy - this is real, sirloin steak for the soul. And something to lift you up and above in the world, and bring you to completion in your life on this Earth, for the little time that's left to you.

So, here we go. May the Lord bless you with deep faith, that you would hearken to this message and make it a daily part of your life.

I had beautiful worship this morning, and the Lord just wanted to dance and dance and dance and dance... He was just ecstatically happy that I was so enthralled with Him. He was just so happy that I had received His love and I was in His presence with all my heart.

The music that I was using for dwelling prayer was Julie True's music. And if you haven't listened to her, I want to tell you - she's gonna take you to a deep place, a really deep place with the Lord. I highly recommend her music for worship when you come into the Lord's presence. She really worships from the heart, directly to the Lord. And it's awesome. She's wonderful. I have to say, I was probably smiling the whole time I watched her testimony on Sid Roth, and I was just smiling at the beauty of her soul. She plays beautifully, from the heart and I thought of all the beautiful Brides that listen in on our Channel, and that many of us have similar gifts. And how the Lord desires for you to flourish. I expressed this to the Lord.

And in essence this is what He had to say.

Jesus began, *"You people are just as beautiful, each in your own way."*

I saw Jesus sitting with His Bride and her hands were in His and He was looking intently at them.

"I want you all to cultivate your gifts. You've all been given an anointing." He was still looking at her fingers. "Not just for music, but to live your lives from your heart. Many of you haven't done this yet, with a few exceptions. There is so much locked up in you, My Brides. So much. When we get close to it, you bolt and run off. Something catches your attention, because you get restless, but mostly because you are afraid of what you will find in those deep places.

"Your emotions run so deep. I made you that way, so you could pour yourself into your lives and souls would be drawn to the beauty I created there inside of you, My Darling Brides.

"Oh, don't be afraid. Please, don't be afraid, please... don't be afraid. I will sustain you. Don't be afraid to go into that place - there are rivers of living waters in there. Rivers and rivers and rivers. I want them to come out, Beloved. I want that water to nourish My People."

When He said that, I was thinking of Julie and how beautiful her soul was, she just shines. Her simplicity and her purity just shine. And I said to the Lord, "But if they get too beautiful, people will look at them and feel ugly about themselves." I know I tend to have that reaction, when I look at what He's done in other souls. It's so amazing.

He continued, *"Oh no, no, My child, no, no! The beauty in them will be stirred up. Each one of them has this beauty inside, a fullness of beauty. Some are meant to nourish, others have roles that only they can fulfill. All have a very high calling. It is merely a matter of wanting to serve, loving Me and loving others enough to sacrifice their lives for one another.*

"All have a pinnacle calling; it is their God-given place. It is the peg that fits perfectly into the Father's heart and draws from its substance to nourish others.

"Getting to this place in your life is very, very rough. There are many obstacles. But if the desire is strong enough - and I am continually refueling every soul and encouraging them to reach higher. If the desire is followed with devotion, and without deviation - that is, looking at this one, and trying to be like them. And looking at that one, and trying to be like them. If one follows what is inside them, in their hearts - they, too, will reach this pinnacle anointing.

"You see it all goes back, it all goes back to the Father. When He breathed His life into the soul."

As Jesus is talking, I am seeing a child's puzzle that has pegs in it. The piece has a peg in the back that fits into the matrix of the puzzle just perfectly, with a click.

The Lord continued, *"Yes, the Matrix is the Father, the puzzle piece is the soul. When that plug or series of plugs is set properly into the Father, then the soul lights up with a Divine power and anointing. The enemy knows all about this, and his job is to prevent you from reaching your destination. You can feel that, can't you?"*

Yes, Lord, I can. In fact, I know I have deviated so far at times.

He continued, *"And I have given you a long life, health and time to accomplish what is in the Father's heart for you to accomplish. Yet a little more effort on your part. You are not far from the goal, the foundation has been laid, so you are SO close Clare. Yes. So close. Just keep letting your heart be your guide. We live in that heart...we are guiding you. You will arrive in that very special place, you will - you have My word for it.*

"You see, My Brides and My children, all of you have the substance of the Father in your beings. All of you. And within the Father are endless rivers of life. Once you reach that place you were destined for, those rivers gush out and influence and nourish the whole Earth. Yes, you are meant to carry the waters

of life, and tremendously impact others.

"You bear an imprint that is uniquely your own from the Father. There is none other anywhere on the Earth or in history. Yours is divinely inspired and unlike any other. Just as we are One, and you are the only one who can satisfy that place in Me that you came forth from, just as our relationship in that way is monogamous, there is only one of you, and there is a place in Me that only you can complete.

"There are infinite facets to My Being. But there is only one facet that you complete, that place in Me longs to be completed by your love. You are the only one who can complete that facet of Me.

"But a facet of Me is not a part, it is a whole. You must stretch your intellect to understand this. So, when you receive Me as the fulfillment of all you have ever longed for, you, in a sense, return that part of Me that was given to you. And that is why you see a ballroom full of brides with their own unique and monogamous Jesus.

"Each of you are unique to Me in a way no other can duplicate or satisfy. And that is the reason for My grief when a soul turns away from Me. A part of Me will never be completed by the one I gave Myself to. I have offered all I am to them, died on the Cross for them, but they reject Me. Oh, how painful that is - infinitely painful, as only I can experience.

"But getting back to the fulfillment of your dreams, My Bride. Dreams you know nothing about, but are waiting to be discovered inside of you. These dreams, the essence of your mission and who I have created you to be, the impartation that was given in the hope that you would discover and fulfill it. You will only find this impartation through solitary devotion to Me and a total rejection of all the world offers you.

"Satan will use your attachments to pull you off track. To lure you into a different destiny. How does he do this? By playing on your vanity and false value systems. That is where followers of the dark spirituality have gone astray. Many were meant to be prophets and healers in the Christian community and they have been side-tracked and lured away by fleshly desires.

"Yes, indeed, I have called many of these practitioners to serve Me, but they turned away for something they considered more lucrative in this life and in the next. The tragedy is, that they are lured away by lies and empty promises, and if they are not paying very close attention, only at the end of their lives do they discover it was all a lie. That is when their sins come back in the form of torments, for eternity.

"The Devil guards them very closely. He holds great expectations of how he will make them suffer when they die. He rejoices with every curse and evil act. He says to himself, 'Oh, yes, you wicked human, I will get you for this. Oh, yes, I have just the right tortures ready for you...come to papa.'

"Oh, he is absolutely fiendishly passionate about how he will betray and hurt them over and over and over again, all because he cannot get to Me except through My creation and his delight is in causing pain and death.

"But for you who have decided on My choice for your lives, you must cleave to Me with all your hearts, that you are not lured away from the purity of My calling on your lives.

"Oh, Clare, how I languish for those who have chosen the world over Me. I see the great good they could

have done and I also see that what they have chosen, how it will be burned in the furnace along with all the other dead works inspired by human vanity and selfish ambition, by all of those who live for themselves. And it is sad to see such talent and gifting go up in smoke even as wood, hay and stubble.

"What a waste, a waste of life and divine giftings that can never be replaced.

"But for you, My Heartdwellers, I am more solicitous for your futures than a mother hen for her chicks. I watch over you, assign angels to you, warn you when you make wrong choices, groom you for Heaven and anoint the works I've given you to do.

"For you, I pour out the graces of Heaven and guard you as the apple of My eye. I suffer with you when you must learn the hard lessons, and I rejoice with you in your victories. How blessed you are, My dear ones. How blessed indeed.

"Let this be your guiding light, do nothing out of selfish ambition. Do all for the love of Me and your brother. Follow the light I give off in your heart, where I sit as a king on His throne. Follow that Light and rejoice that you have been chosen for the purposes of Heaven.

"Do not seek fame or success in this life. Seek only to please Me. Thus your place in Heaven, a glorious place indeed, will be secured and you will not be conscripted to the outer darkness with those who chose to serve themselves and impress the world, while pretending to serve Me.

"I bless you now to go forth and bear much fruit for the Kingdom, and to keep your eyes, your solitary glance, upon Me."

Donald Trump is Still God's Choice, Trump vs. Clinton

October 19, 2016

May we all rely on the Lord's judgment and not our own, Heartdwellers. And may our hearts be in one accord with Holy Spirit. Amen.

I want to take a moment and thank those of you who donated. Valerie is taking sizes for the children's jackets and she's going to be getting them this weekend. Thank you so

very much.

Well, tonight I was not thinking real straight - nothing new about that! I sent a friend to Kentucky Fried so I could concentrate on the channel and working on music for a few days and I sent them out to get some chicken. Mind you, this is a once a year or once every two years treat - we never do this. I didn't realize until after I had sent them that this was a fasting/abstinence night for the presidential debates and election.

Once I realized my error, I thought, 'I can't eat that chicken.' I sat down to speak with the Lord and began repenting.

I am so sorry Lord, I wasn't thinking at all.

He replied, *"You had a moment of weakness and indulgence. You may eat one piece."*

Oh, thank You, Jesus, I wasn't going to eat any...it would have been hard. Do you have something you want to share with us tonight?

He began, *"Be watchful. Your enemy knows your weaknesses. You are never alone, Clare. If you could see right now, you would see that a very gross demon put that in your head, and had you checked with Me, I would have removed the desire."*

"But now that you've corrected yourself...just one piece, no more. That will be your offering. Find something else to offer Me tonight. You see? You're not hopeless, just a bit impulsive."

So, I offered more than one biscuit and a Dr. Pepper. It doesn't seem like much, but what is fried chicken without a Dr. Pepper? I don't know...

Anyway, the Lord launched into the message right after that.

"My people, your offerings are making an impact, but so much more is needed. There are terrible slanders against this man (Donald Trump) and they are not all true. Anyone who raises their head against the Monster will be lied about in every circle. The problem is, that most Americans are too lazy to research and find out if what was said is true. They just assume it, because it's in the media. And that's

the same mistake the German people made in Hitler's rule.

"If you want to know the truth, come to Me. If you can't hear Me, then find someone who does and ask them. What is at stake right now is not Mr. Trump's marriage, nor his character traits, nor his personal business - for if the truth were told, you have those looking respectable who were present when a sacrificial infant was slain and they drank her blood.

"So you see, you really don't see. You hear, but you don't really hear - not the truth, that is. You see and hear a facade, a socially acceptable mask, and beneath it Satan and his minions are pulling strings to slaughter all the Christians world-wide, but especially in America.

"If you are a Christian, you are slated for death in this country, unless another comes to power and at the very least delays it for a few years. Nevertheless, I will remove My church in her glory. But times until then will not be easy.

"But now I am asking you to pay very close attention to Me and not the media. If you want to preserve your country, you do not have a choice on who to vote for. I have already made that choice for you.

"In the meantime, this man is learning a whole new way of living and thinking. He did accept Me as his savior - he did. Now, he is finding out how detestable his behavior has been all these years. He is deeply ashamed of himself, as he should be. But not everything said about him is true. There are many, many lies and manipulations to convince the non-thinking public he is unfit for the job and a scandal.

"I am standing here waiting for you, My People. I have drawn a line in the desert, even as Moses did when he confronted Korah. I am not suggesting that Mr. Trump is morally cleaner and free from error than Mrs. Clinton. I am simply saying he is My choice, because he will do My will and bidding. I have chosen him to lead this country back into a healthy state, that at the very least the structure that upholds your rights will be intact. There will come a time when none of that matters, but in the meantime, I have chosen him to lead.

"So I am standing here and asking you to choose: are you on My side or the enemy's side? Your decision has life-long consequences. This is not about choosing the most socially acceptable candidate. This is a war you're in. And you have the power to overcome the enemy right now."

And I just wanted to mention, for those of you who are not familiar with the rebellion of Korah in Numbers. The Israelites were out in the desert, it's in Numbers 16. And the rebellion - and I'm going to quote here from gotquestions.org.

"The rebellion of Korah demonstrates the grim consequences of usurping the authority of God and of those whom He has chosen to be leaders of His people.

"Korah was the oldest son of Izhar, who was the son of Kothath of the tribe of Levi. Korah, then, was of the same tribe as Moses and Aaron. He led a rebellion against Moses and Aaron, accusing them of exalting themselves above the congregation of the Lord (Numbers 16:1-3).

"Korah was not alone in his charge. He gathered 250 other men to challenge Moses' authority as well: they complained "You have gone too far! The whole community is holy, every one of them, and the Lord

is with them. Why then do you set yourselves above the Lord's assembly?" (Numbers 16:3)."

Can you imagine that? After he led them through the sea, the Red Sea and everything? Oh my gosh...

"Obviously, Korah thought that he could do a better job leading the people than Moses was doing. But by leading this revolt against God's divinely appointed leaders, Korah was actually revolting against God (Numbers 16:11).

"Moses proposed a test to prove the source of his authority. Korah and his followers did not pass the test, and God opened up the earth and swallowed the rebels, their families, and all their possessions. Furthermore, "fire came out from the LORD" and consumed the other 250 men who were party to Korah's rebellion. The rest of the Israelites were terrified and fled (Numbers 16:31-35)."

This is about rebellion, and gathering a force against Moses to rebel against him as the leader and the head. It's interesting, 'cause I went to the Scriptures for a reading and I opened to Ezekiel (I can't remember which chapter). But it was when He sent Ezekiel to the Israelites to prophecy to them and he said they won't listen. You know, they're stiff-necked, stubborn, hard people and they won't listen. That was the warning that they were given about Jerusalem's destruction. I hope we're not in that category right now. I really do hope we're not in that category.

But what the Lord is basically saying is that He has made a choice. And it's not the same choice that Korah and his followers made, but He has made the choice and He has divinely appointed someone. And so, my heart is to follow what the Lord wants. Because He alone knows the outcome. He knows who's going to do the right job and the best job. And the enemy will come up with every argument against the Lord's choice, to try and dissuade people from following the Lord's choice. Those Christians who are sensitive and they know the Lord has chosen him will stand with the Lord against the rebellion of His people, who have already elected a disastrous president for 2 terms. And we're just on the brink of losing everything, because of this man.

So, the Lord bless you, dear Heartdwellers. And normally I don't get involved politically at all with anything, but I bring this up simply because the Lord has brought it up. And I pray that we can all back him in this decision. And if you're not voting, please pray for the right choice. Please pray that the Lord will have His way in this election. So much of the survival of this nation depends upon it.

Spiritual Warfare: 12 - Curses & Assignments on All Christians

October 21, 2016

Well, my precious Heartdwellers, it looks like we have another lesson in spiritual warfare for today, because the Lord Jesus has asked me to share with you what I have learned as we have been under attack.

May these lessons go deep - and really stick in our hearts.
And may we be totally equipped and armed to take

authority over everything the enemy throws at us. Amen.

I have been unusually short tempered lately, mostly because situations have dropped into my lap that are taking me away from you and I've become very angry about that. But even if my anger is justified, it isn't right. It is judgment against others who have done to me what I realized I have done to others in the past.

Rather, the Lord is calling for a response of patience, and brotherly love, no matter how rebellious and disordered the author of the confusion may be. It's not that I am being foolish with my time, because I am not. We are in a constant war over here and I'm beginning to learn how to respond to it.

So, I'm going to share that with you.

I want to tell you that attacks against us are going to ramp up. The Lord is warning us. So, the solution is not to just wait out the storm and hope for better days. No, the solution is to take authority over those outside forces and demonic seeds of bitterness that are sent to enter our hearts and take root.

Some people think that curses cannot land on Christians. Well, that is not our experience. This is what we see. If I am not walking in supernatural virtue, charity and patience, I may react in my flesh to something.

Here are two examples. One was, as I had mentioned, an attack against my time and concentration for the channel. Curses are sent to us every single day, sometimes several times a day. I am finding out that they hang in the air until I enable them by lack of virtue. So, instead of brotherly love, let's say I get angry - well that demon of anger with a seed of bitterness is now permitted to land, and the bitter seed that will grow to be quite large goes down into my heart.

So, the principle is that if you are cursed with anger and jealousy, you are safe until you get angry or jealous, then the curse can land.

I became aware of these two negative feelings and repented of them but it was already too late - it was a day later, and the seed of bitterness had already taken root in my heart.

But from my understanding, if the very second you feel anger or jealousy or any other unrighteous fleshly emotion -if you don't repent immediately and ask the Lord to remove it, a day later is too late. Then you need special prayer to have it removed.

And you know, in the past I have seen many times where the Lord put me on a table and was doing surgery. And I never knew quite what that meant. But now I do know.

So, a curse was sent. I got angry; it landed. I was infected with demons of judgment, anger, impatience, frustration, bitterness and the seed took root. Plus the door was opened for lots of nasty traffic. I have been delivered of those as well as the bitterness, but I feel like I'm in a shooting gallery guys. I mean it is BAD. And what I am going through right now is a foretaste of what we are ALL in for as things heat up. And the Lord continues to tell us things are going to get tougher.

The major open door for curses is still: lack of virtue, especially love, compassion, and humility.

I love you all so much, and my heart is to feed you each day, but when I get hit with these distractions and fragmenting emotional bombs, I am crippled and slowed down. But thanks be to God we are going to use these for lessons on how to break these nasty snares. The enemy is doing us a favor - he's educating us.

So, immediately, when you perceive a wrong fleshly feeling in yourselves, literally, renounce them and ask the Lord to forgive you and remove them. Remove the door they opened, the demon with the door, and the seed. Be sure to forgive and pray for whoever set you off as well as the practitioner that sent the curse.

Really, the best way is to drop to your knees in repentance, in a private place and ask Holy Spirit to remove this nasty stuff, trust and believe that He will, then begin praying in tongues. He lives in you. He loves you. He doesn't want you carrying this poison. He will help you. Get a Rhema to stand on as well.

And for the Catholics who are listening in, you may also offer your communion to the Father, asking Him to break the curses, or have a special liturgy said to break the curses in your family. That is very powerful and moves on the heart of the Father to assist you.

Situations where people cannot be delivered are when they are actively engaging in sin. You don't want to deliver a person unless they have repented and are ready to stop sinning or the devils will be invited right back in the next time they sin, and bring many more demons with them. And as the Scripture says, the state of that soul will be worse than it was before they were delivered.

And here's what the Bible has said about that:

"When an impure spirit comes out of a person, it goes through arid places seeking rest and does not find it. Then it says, 'I will return to the house I left.' When it arrives, it finds the house unoccupied, swept clean and put in order. Then it goes and takes with it seven other spirits more wicked than itself, and they go in and live there. And the final condition of that person is worse than the first. That is how it will be with this wicked generation." Matthew 12:43-45

Notice the Lord said, "That is how it will be with this WICKED generation." But He did not say it would be this way with a repentant soul. They will be set free and filled with His Spirit, so that nothing evil may come back in.

And you know, we may not be perfect in virtue, but if our heart is set on perfect virtue, if we are

absolutely sold out to God that we want to be virtuous, then it's much more latitude that He has to work with us. It's the ones who don't really care that have a problem, and will have a continuing problem.

It is when we sin that we open the doors. From the very first month I began on Youtube two years ago, I have been preaching VIRTUE. Not many hits on that topic...but all kinds of hits on the Rapture. Then I tried to explain, without virtue what makes you think you will be taken in the Rapture??? But no one wants to be told to reform their lives....

Dear ones, you are going to be miserable if you don't work with Holy Spirit to clean up your life. You will be under constant demonic oppression and be absolutely helpless to rid yourselves and your families of them and their curses.

Evil is on the rise. Witchcraft is on the rise, demons are being multiplied and assigned all over the Earth. Your ONLY protection is to live a virtuous life under the blood of Jesus. "Under the Blood" is not just a prayer or a catchword, under the Blood is a state of cleanliness and purity of soul, that a repentant soul is restored to by the Lord's sacrifice on the Cross.

The Lord wants you clean and operating in the gifts of the Spirit. He wants to use you to set others free, but first you must come under His loving gaze and have your sins and attitudes cleansed.

If you are in ministry, depending on how far-reaching your influence is, you can be sure you will have curses sent to you every, single day.

Lord, did you have something to say at this point?

He began, *"My People, you can no longer bury your heads in the sand and pretend that curses cannot touch you. You are very mistaken if you have fallen for that lie. I am now arming you for the onslaught of evil that is continuing to cover the Earth. If you do not know how to protect yourself and your family, you will suffer unnecessarily. It is very simple: sloth, the sin of laziness not to cover your loved ones."*

"I am indeed giving you tools to overcome the enemy with. But as Clare has stated so many times, a virtuous and charitable life is your very best protection. And when I say 'virtuous', I mean relationship with ME. Where you come to Me and pray and you listen for the answer. And you obey Me. That's being in relationship with Me.

"Yet no one is without sin, there is always a little unnoticed hole in the boat. Always a place where the water can sneak in. So it is with everyday life for all of humanity.

"The cultures of the Earth have many sinful practices that you just take for granted as being ok. For instance, swim suits are abhorrent to Me, because they incite lust and sexual impurity. But unless you are close to Me and listening very carefully, you will offend many by wearing them in public. And it does open a door. You do not see these things unless you are very sensitive spiritually. And willing to have your eyes opened."

And I broke in at that point and said, "Lord, even Katherine Kuhlman wore a bathing suit? That always perplexed me."

"And she suffered for it as well. But as abhorrent moral impurity is to Me, slander, gossip and evil speaking does even more damage, hurting many who are innocent. And one little negative word casts a slur on another and causes friendships to be suspended.

"I hate evil speaking.

"But rather than list all the offenses, I ask you My dear ones, listen for Holy Spirit's opinion very, very carefully. He will warn you when you are about to sin. If you do all these things, your life will be much more calm and blessed than those around you who care not for the upkeep of their souls.

"And one more thing worthy of mention. There are some among you who have listened to these messages and felt Me prompting you to give up a certain lifestyle, certain dishonest attitudes, certain scorn and contempt for My voice through My vessels. To you I say: do not ask me why you come down with cancer, why there are so many sorrows in your family - divorce. And why you are financially oppressed, and why you have quarrels with your spouse and children.

"I say this in all charity. You have heard My words, you have felt conviction way down deep in your soul. And you have brushed off My warnings and pleading with you. I did not put the cancer on you, I did not cause the divorce, I did not do these things to you, My precious ones. They happened because a door was opened - perhaps bitterness and unforgiveness. They are a main entrance for the disease of cancer.

"If you scoff at My warnings why would you wonder why you have been afflicted? Do you not know that there is cause and effect? There are things in your life that are not pleasing to Me and you are not willing to change them. You don't listen to these words and take them seriously - not because you doubt it is Me. You may think that on the surface, but some quiet reflection and listening more closely will reveal to you the real issue. Very simply, it is that you love your sin and don't want anyone telling you what to do. And you don't want to change.

"That is the TRUE source of all your afflictions.

"Yet I come to you as a loving Father and say, 'Please, do not be afraid, I will help you.' And all you have to do is simply pray, 'Lord, I am not willing to give these things up, but I am willing to be made willing. I commit them into Your Hands.' And watch to see what will happen. I will change your heart.

"There are others among you who say you trust Me and pray to Me. Yet you do not have a real relationship with Me. You do not seek My opinion, you do not seek My answers to your problems, you just assume I will protect you - even though you are not willing to change. That is true for a while in some circumstances, but not permanently. To you I say, 'Sorrow is coming, troubles are coming, difficulties and tragedies are coming.'

"The further you roam from the safety of the sheepfold, under the guidance of the Shepherd, the more you are stalked and eventually taken down by the wolves.

"I do not curse you - I bless you! But you go your own way with the blessing and then it is stolen from you and your life goes from bad to worse.

"Do you not see? This is 100% your fault, because you refuse to come under My protection, to trust that I

am good and I impose nothing bad on you. You still want to take your life into your own hands, you still scorn My counsel and laugh at My prophets. I tell you the truth, they have been sent to help you but because you rejected them and walked away off into the wilderness with no covering, I can do nothing but watch.

"You have free will and you have made your choice. I will suffer with you and I will always be there when you cry out to Me, 'Lord! Help me.' But then you must wait for My answer and act on it. Obey it. And it will go well with you.

"So, I am not condemning you, dear ones, you are precious to Me. I hold you to My heart when you know it not, and I weep over you. I beg you to come to Me and reform your lives. But until you do, there is only one thing I can do. And that is suffer with you.

"So, be not afraid to come to Me and admit your weaknesses, your sins, your folly, your arrogance and ignorance of why you are oppressed. Don't be afraid. I do not condemn you, rather I will take you tenderly in My arms and ask you, 'Are you ready to trust Me now?' And if you answer 'yes' your life will begin to turn around.

"Do you trust Me, child? Do you indeed trust Me? Will you release your life into My hands? Or will you again go your own way until the next crisis?

"No matter what you choose, I will never ever abandon you, I will always answer your call. Please, please, consider these things and answer My call. Oh, come to Me...I do indeed wait for that day when you will truly trust Me."

Spiritual Warfare: 13 - Protection Through Obedience & The Best of the Worst Candidates

October 22, 2016

May the Peace of Jesus, that passes all understanding be with you all.

Well, catching you up on everything, I just want to let you know that there may be times when I begin to miss a day in-between messages. And that will be because He is giving us deeper lessons and they aren't quite ready everyday, they

mature over the course of two days. We'll see. I'm not saying this is cast in concrete; I'm just observing what He is doing and drawing conclusions.

Also, last night after prayers and worship, He asked me to go work on music, because He is going to bring some very important spiritual, emotional and physical healings through that medium. So, that's what I did.

Of course, I know those who work on the dark side will jump on this like white on rice, as my husband says. But every time they do, we learn more about their tactics. It is really quite amazing how the Lord reveals the way they do things and what results they expect.

In the meantime, the Lord is initiating us into what is coming to all of us, so we can share how He navigates us through rough waters.

I want to begin by saying that obedience is still absolutely vital to escaping the enemy's snares. Obedience is one of the virtues that protect us. The Lord always knows in advance the enemy's next move, so when He directs us to do something, it is because He loves us and is protecting us. And we're one step ahead of the enemy.

For those of you who are tired of hearing about the enemy? Me, too. I'm sorry, I apologize. Even when the Lord allows something very painful for me to deal with, even though I needed it, He always is so kind and conciliatory, saying, "I'm sorry for this ordeal." No need to apologize, really, but why does He do that? He's just so loving and kindhearted. He didn't do anything wrong, but He hurts when we hurt and even He regrets that we must live and fight our way through this corrupted world. So, to you I apologize...but this is what He wants, He is preparing us.

So, I want to talk to you about how He has been handling the demons. Boy, this is a real eye-opener. Ezekiel has been under attack with his pancreas. This came out of the blue...all of a sudden. And the Lord is allowing it as a suffering. But the Lord's idea of a suffering is more like a four, not a nine on the scale of pain. When the pain gets so severe that he can no longer talk, it's gone too far.

You see the enemy knows God is allowing suffering to His children, because of what is at stake right now. He knows well, so he being an opportunist, jumps in and increases the pain, adds demons of fear,

hopelessness, isolation, depression, torture, desperation, torment, fear of the future, doubt in God. The enemy adds these demons to the mix, taking advantage of the weakness of that time. Whatever he can to cause a soul to give up and make the ordeal worse.

But when we turn to the Lord and ask for help, He comes to our aid, and kicks the demons out. We have been privileged to see exactly how He communicates with them. They have been given permission for a four on the pain scale, but today they far exceeded that on Ezekiel. When we came and asked for Mercy, the Lord addressed the demons of pain and told them, "You have overstepped your boundaries. You have two choices: go and inhabit the arid lands, or I will cast you into the Lake of Fire." His patience, even with them is amazing to me.

He gives them about three seconds saying, "*I'm waiting. I'm waiting. I'm waiting. I'm done waiting, you're coming with Me.*" And He takes them to the Lake of Fire. As a result of this, when they see Him coming, they run. But He still has those demons who are not yet seasoned in wisdom...if that is even possible, for a demon to have wisdom...and He gives them a chance to leave before they are cast into eternal torment.

Every day, dear ones, every day curses are sent to us, every day the Lord breaks them. Yes the binding prayer does work, but as we progress in our intimacy with the Lord we are finding out that He is stepping in and bringing strongholds and curses, fences, blocks, devises DOWN.

I know He's given us authority, and I take it, but this is something new, that when I ask for mercy He steps in. We have seen Him doing this more and more.

Father also has been present and active in this spiritual warfare. It's amazing to watch Them step in and deal with the demons directly. I suppose it's because we are His children on the front lines, and we are sharing with you, and they have overstepped their permissions.

So, this is another way to petition the Lord to be delivered of curses and demons. And I know we've talked about that before. Call upon the Lord for mercy and He steps in.

This is in the Scriptures, Psalm 91 and many, many other places. Starting at verse 14: "Because he loves me," says the Lord, "I will rescue him; I will protect him, for he acknowledges my name. He will call on me, and I will answer him; I will be with him in trouble, I will deliver him and honor him." Psalm 91:14

So, as things heat up, we have another recourse.

At this point I want to remind you that we received an invitation to keep climbing with the Lord. We were told, it is going to get very, very hard, and today, when we discovered a sword had been plunged into Ezekiel's pancreas, the Lord reminded us of what we had agreed to do.

Dear Ones, this is no cakewalk. This candidate, Donald Trump, is not a New World Order clone. He really means to turn this government upside down and inside out. They really want to stop him. He is heavily protected by the Lord. But if we continue to cooperate with the Lord in our offerings, He will have enough levers to protect this man further and put him in office.

But after that, I believe that the former powers will try to raise insurrections, riots and all kinds of strife and emergencies. But we are here by the Lord's side, giving Him all He asks of us as we stand in the gap.

You can see a reflection of a suffering servant, in Roland Baker. Heidi's ministry has grown enormously and obviously, God permitted Roland to back her up with the terrible damage done to his body through malaria. Most likely that was a curse that was permitted to land, not because they did anything wrong, but because God needed suffering to back up the conversions.

That is what we are seeing right now. Ezekiel is backing up something tremendous...a very large and important cross has been given him for this nation and our ministry. In between these bouts of suffering, He is allowing a few days for him to recuperate, and it takes that in sleep to repair all the damage the pain caused to his body.

What is so insane about these spiritual attacks is the enemy can't win. I just don't understand why they don't get it? The more we suffer, the stronger we get, the more conversions that take place, the more their tactics are exposed to more people. It just doesn't make sense to me - except that they are somehow rewarded for causing pain, even if in the end they've cut off their nose to spite their own face.

When we suffer, we are in a sense making spiritual fertilizer. We are feeding the seeds of conversion that have been sown. As Tertullian, the early church father said, "The blood of the martyrs is the seed of the church."

There is a white martyrdom, where blood doesn't flow but suffering abounds. And all of us are now being called upon to offer ourselves in the full knowledge that it will not be pretty or easy.

We were given a vision of those who stayed behind on the lower levels of the mountain. They were not going through the difficulties we had. They were in a measure more happy, more comfortable but still fell under attack. Others had begun the climb, but stopped halfway up. And a few were with Jesus who was still climbing. They were joined to Him in a very special way. It was as though they were infused and one with Him. They were moving forward as a unit and enjoying great camaraderie and intimacy in His Presence and their protection was very strong.

So, don't be surprised if the Christians you know love the Lord most intensely come under serious, serious illness or difficulties. Because, they love the Lord so much and they've given themselves totally to Him. He is allowing these things, even though they may be totally unaware of what the Lord is doing with their illness - it's still taking place, He is still receiving a sacrificial offering from them. And someday they'll see that. Because right now the way America goes is the way the world is going to go.

So, this season of our Christian lives only makes sense if we consider the stakes, that Jesus is using every little suffering to get this man in office, to turn the nation and even the world. And you and I both know how bad it looks for Donald Trump to get into office. The enemy has done his best to smear this man, and that alone tells us he's not on their team.

Unfortunately, Donald has done some shameful things in the past and that gives weight to their arguments. But I was stunned when Hilary Clinton said something after the final debate to this effect, "Well, it was good. They got to see how he acts on stage, and that's all that matters." That is not a perfect quote but the essence of it stunned me. How you act in public, on stage, is all that matters?? Policy doesn't matter? Corruption doesn't matter? The abysmal state of our nation doesn't matter?

And there you have it. The essence of their agenda when she said, "You saw how he acted on 'stage'."

That word in itself is a give away...it's a stage...a play being acted out while the guts are kept hidden from the public. Put up a good front and "that's all that matters?" In the meantime tubes and wires are spotted running up her back. What in the world is behind that front? Aren't we all tired of the good look, the good talk, they act good to cover corruption?

My personal opinion: at least the man doesn't mind offending people. Even as the Scriptures say, "Have nothing to do with the fruitless deeds of darkness, but rather expose them. It is shameful even to mention what the disobedient do in secret. But everything exposed by the light becomes visible." Ephesians 5:11-13

Another Scripture came to mind from Ecclesiasticus 42: The following things you should not be ashamed of, and do not sin from fear of what others think: of the Law of the Most High or of the covenant, of a verdict that acquits the godless. Ecclesiasticus 42:1-2

Boy, we've seen that this last few weeks.

Surely our personal lives should be without reproach, but what politician can you say has a spotless reputation? The Lord knows who will repent and who will not. And America is not looking for a virgin, but a man that can restore the basic rights to this country and halt the enemy from completely destroying our nation. And he has chosen this man, in spite of his arrogance and unseemly behavior. The only difference between the two candidates is that we see all the mess in his life, but the mess in hers is still covered up. Even when it's obvious and publicized.

So, the Lord began speaking at that point, I asked Him: Lord, do you have anything to add?

He began, "I want to return to the heart of this message. Please, consider, it is not going to be easy. But if you choose to continue to scale the mountain of holiness, I will be with you. I will carry you and I will save you and you will experience Me in ways you never thought possible.

"If I had to wait for someone who was morally clean to do this job, as the President of the United States, it would never get done. Look at David, the greatest king My people ever had, and even he committed adultery with Bathsheba. And to cover it, had her husband murdered.

"Let's just say, I have chosen the best of the worst...because I know his heart and I know his end. He will do a good job. The others are deceivers of the worst kind bent on destroying you and the Earth.

"So, it is up to you, My People, to discern these words. Clare knows nothing about politics, even by her own admission, she has been instructed by Me and holds no other opinion than My own."

And at that point, I broke in and said, "Gee Lord, that's true. I've been absolutely ignorant for 70 years about that stuff. I had absolutely no interest which I figured was a fault, at least as a Christian I should have known better. But I was lazy, and I didn't care. Everywhere I turned I saw deception, so I just gave up even thinking about it. You comforted me one year by telling me not to vote, that it didn't matter."

Jesus continued, *"Yes, well this time it does matter and that's why I'm calling My people to stand by My choice, the best of the worst candidates. I'm not here to argue with anyone. I have seen your locker room thoughts and even talk - I've seen more than that, in fact. And there is not one man who can stand before*

Me and say, "I am without sin, Lord." Not even one.

"But returning to your sacrifices: the Bride must resemble the Groom. This suffering is preparation for your coronation. You indeed will resemble Me when I come for you. I will infuse you with My strength, if only you will ask. I will carry you when you can no longer carry on, if you will ask. I will restore your faith when doubt has a stranglehold on you, if you only ask.

"I will give you endurance to finish this race, loving Me and My people more than you ever have, only just ask. All these things I will do for you and more, My People, much, much more. But you need to decide. In this moment, you cannot see what is coming in the future, but I can. Will you trust Me?

"My last words to you: it will be hard, but I will be with you all the way."

Lost in the Woods, Seeds of Bitterness, The Power of Complaining

October 25, 2016

The Joy of the Lord is our strength, and may we be convinced that the joy of the Lord is our only strength in this vale of tears.

Well it has been a few days, Heartdwellers, and I'm sorry. But you'll understand why as I share this message with you.

The last 3 days have been out of the ordinary. We had a friend here visiting and camping out in Taos Ski Valley, with his two cats. One of his kitties disappeared and was never found about a month previously, then he went into the hospital to have an amputation because of diabetes.

He was in for about 3 weeks and we left food for his other cat. When he got out, he went back to his campsite, where his kitty miraculously showed up that next day, praise God. I have prayed for that little fella!

However as God would allow, two days later he was in the hospital again. His little black kitty was all alone in the national forest for 5 more days.

I probably don't need to tell you...you know me well enough to know that I was praying very hard for the little guy and deeply concerned for him. Finally, our friend got a pass to leave the hospital for a few hours to call his kitty, who will not come to anyone else but him.

We thought it would be over in just a few moments, that he would come running. But we were still looking for him after three hours. He wasn't at the campsite and all the food was gone. We stopped and inquired about him in all the houses nearby. No one had seen him. Then, at the last house, we were told he had been coming early in the morning, eating scraps a very sweet lady put out for him. This was after 3 hours of searching, up and down roads, calling for him, back to the campsite on foot, back to the road. When we found out he had been there, we started calling all around her house. We checked again near the campsite and decided to give up.

But I said, "Lets go down her road one more time."

So we did. We parked by the side of the road calling for him. Two young women came driving by in a little economy car and said, "Are you looking for a cat?"

"Yes!" we said excitedly.

They replied, "He's up the hill by the side of the road, we just saw him."

Oh, our hearts leapt for joy, he IS still alive!! So we went up the hill and sure enough the little guy started crying and meowing from the side of the river below the road. He came quickly to our friend and soon we

were petting him and comforting him. A very sweet little cat. We brought him here to our house as I was going to take care of him until our friend was well.

But I admit I had some deep, deep sorrow issues for the white cat that had been gone for over 4 weeks, because they were litter mates and very dear to my friend. And as he told me all about her, I couldn't help but feel awful. I made up my mind I would seek the Lord about her whereabouts and find her if she could be found.

Well, it turns out that I had been cursed with sorrow, sadness, despair, hopelessness and a few other awful feeling things. Guys, this happens more commonly than you would believe. The curses did not land until I began to grieve for his other kitty, Lovely, the white cat we never found.

I suspected demonic intervention, because my whole mind was taken up with sorrow for the loss of that cat. I was so disoriented from looking for the male cat, I couldn't even pray.

It's just not like me to jump up and go running off in the National Forest for hours! It really fragmented and disoriented me, but I knew that the Lord wanted me to help. So, I went.

Finally, I got some serious intercession and deliverance and after repenting for bitterness, was released of the seeds of bitterness. So, the curses entailed very dark, negative, paralyzing emotions, which I never would have had if I had responded in faith and trusting in God's perfect merciful will.

Along with these dark feelings came seeds of bitterness. They are merely tiny black things, no bigger than a celery seed, that immediately take root if you feed them. They grow to a large black blob and then a whole network of branches if you are not relieved of them through repentance and faith in God's mercy.

And I cried for two days over the white kitty, until I could get prayer to deliver me from my sadness, which the demons had jumped on - and made so bad I couldn't even hear the Lord. Those demons are opportunists. I did offer all of this to Him for our nation; it was indeed a suffering. I'm just sorry I couldn't get a message for two days.

I'm telling you about all of this so that you will understand. Normally, if there's no sin involved, curses don't land unless you enable them by negative emotions. And who can control those? It does seem unfair, really, and that's where the bitterness can enter in. But it's not unfair, because we are told to "rejoice in the Lord always, and again I say rejoice!" A heart of thanksgiving and worship is the surest protection against these ugly things landing.

And here, I want to mention Rick Joyner here and his dreams/visions. He saw these demons and saw them riding people's shoulders and spreading their slime on them. He was shown exactly what we have been shown recently about how they infect Christians. If we entertain a negative, gossipy thought, we get slimed and maybe assigned a demon of calumny that rides on our shoulder spreading lies about everyone.

Even the little boy who went to Heaven, Colton Burpo, saw demons lying in people's ears. I think he said something like, "And I saw demons." And the person that was interviewing him said, "And what were they doing?" And he said, "They were lying. They were lying to people."

This stuff is real, guys. It's very, very real. And the Lord is revealing it all over His body so we can

intelligently combat these vile creatures. It's our choice: believe and prepare our hearts, or stick our heads in the sand and play ignorant.

"Oh, Christians can't be cursed."

Uh, huh...

Well, I am sharing this with you, dear friends, just in case you are sad about something or have not forgiven others and are holding bitter feelings. When you don't forgive, a seed of bitterness is planted in your heart and it can choke out other feelings that are healthy. When you get angry or impatient - same thing: you open the door to a seed of bitterness. And the problem is, a seed of bitterness can happen so quickly. All it takes is for us to have a bitter thought, and bang! The door is just open. It's like a magnet; it just sucks it in.

So, what are we to do? Well, as soon as you recognize what you've just done, get on your knees (if you can) and repent for your impatience, ingratitude and anger against God, because He allowed whatever caused your negative feelings.

It's a test, really. Will I respond in bitterness, anger and rancor? Or will I praise the Lord for an opportunity to offer Him a wedding present. Thank you Lord for this opportunity to Love You through my brother or sister.

Then ask Holy Spirit to show you where you need to repent and ask Jesus to please deliver you from these demons and bad feelings and set you free from every seed of bitterness that may have grown and affected your entire body.

The Lord before has told me that bitterness causes cancer. It is a poison that spreads and grows. Just as a mustard seed, very tiny, can grow into a shrub for the birds to nest in, as it's written in the Scriptures, so can a seed of bitterness spread tentacles of disease in our body, soul, and spirit man.

In the ultimate end, all anger can be traced back to God as the cause. Why? Because He allowed what happened to make you angry.

We can't see the good He is going to bring out of every situation we feel angry about. We don't understand the workings of God.

But if we trust Him and know beyond a shadow of a doubt that He is a good God and more merciful than we can imagine; if we stay in a posture of full time gratitude and worship, these things CAN NOT land!

That's the challenge. Who among us has attained this state of holiness? I don't know, but I'm resolute. I am going there with His great help.

So, my dear ones, let us put aside all rancor and bitterness. Repent for our dark thoughts and emotions, and ask the Lord to deliver us from the bitterness we harbor in our hearts, so we can be clean, open vessels carrying forth the living waters and healing.

At this point, I asked the Lord, do You have anything to add?

He began, "This is a mighty task, My People. Staying in worship, prayer and thanksgiving is a habit that must be cultivated if you are to escape the snares of the enemy. Bitterness is indeed a poison to your body, soul and spirit. If you are to stay healthy in all areas, ask Me to reveal to you the seeds of bitterness that have grown into a thorny bush, choking out the holy life you hunger for.

"Did I not say, "The seeds that fell among the thorns are those who hear, but as they go on their way, they are choked by the worries, riches, and pleasures of this life, and their fruit does not mature. "Luke 8:14

"Those thorn bushes are from the seeds of bitterness and unfulfilled lusts for things: "I never have enough. Why couldn't it be of a better quality? That's not the color I wanted. That's cheaply made. That's too expensive. Why does so and so have a better one? On and on and on.

"You don't realize that these little frustrations that cause ingratitude, are actually receiving into the soil of your heart, the seeds of thorny bushes of bitterness. Then when I come to sow the good seed, it will not grow because the thorn bushes already choke out the light and crowd the soil.

"If you want to cultivate a heart filled with joy, you must count all things as dung, and draw close to Me, forsaking all other things, which are sure to bring you disappointment. It's not about poverty; it's about detachment. Surely a poor person can be just as bitter as a rich one. But as you grow rich, your lust for things grows bigger. As you feed it, it grows bigger and bigger, dominating your life and soon you have no time left for Me.

"Clare struggles with this on a daily basis although for her it is not about riches but simple common needs that she has allowed to overpower her.

"For her and for all of you, thanksgiving and worship are the medicine and weed killer that will choke out the thorns. Thanking Me in all situations.

As it is written: Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus. I Thessalonians 5:16-18

"This Scripture is far too often overlooked, but I have come to prepare you for harder times. If you live in this manner, you will preserve your joy and your health, for disease does not enter a joyful soul easily. It is up to you, My People. You can complain like the Israelites or you can rejoice like Paul did:

And we know that God works all things together for the good of those who love Him, who are called according to His purpose. Romans 8:28

"You see, if you embrace this with all your hearts and KNOW beyond a shadow of a doubt that I am bringing good out of everything that happens, even the very worst things, if you have true faith in Me, you will not fall prey to discouragement, sadness and despair.

"This is not something you can accomplish on your own, Beloved. For this, you need Me and generous doses of My Grace - and this comes as you spend time with Me in genuine adoration and worship, as well as studying the Word. Receiving communion in utter faith, that every grace you need can be granted through communion, is also another way.

"When you find the cup half full, praise Me for it. When it is empty, know that the graces are indeed flowing heavily for you and for the world. Never do I forget to take a portion of your sufferings and offer it to the Father for Mercy for the world.

"In this world you will have trouble, but be of good cheer, I have overcome the world and there is hidden manna in your troubles. Rejoice in that, rejoice that in your sufferings you are gaining that eternal weight of glory that Paul talks about:

Therefore we do not lose heart. Though our outer self is wasting away, yet our inner self is being renewed day by day. For our light and temporary affliction is producing for us an eternal glory that far outweighs our troubles. So we fix our eyes not on what is seen, but on what is unseen. For what is seen is temporary, but what is unseen is eternal.

II Corinthians 4:16-18

"So fix your eyes on what is unseen, that is the abundant flow of grace and virtue you are accomplishing as you praise Me in all circumstances. You should never be worried about your troubles. You should be worried if you have no troubles! That is NOT a good sign. The more you suffer, the more virtue that is being worked into your soul and the more that is being accomplished for others in the spiritual realm."

See to it, brothers, that none of you has a wicked heart of unbelief that turns away from the living God. Hebrews 3:12

He continued, *"Be firmly convinced, once and for all, that nothing happens in your life without My permission. And if I give My permission, you have to know: the situation, whatever it may be, is going to advance you in holiness and be a source of inspiration to others.*

"Therefore, I say to you, 'Rejoice in the Lord always, and again I say, rejoice!!' If you keep this attitude of heart, many curses will bounce right off you into thin air and never come to land. But more importantly, My Beloved, you and I will have a profound relationship of trust and intimacy that will more than fulfill the need for joy in your life, regardless of your circumstances.

"Even as you listen to this message, cry out to Me and I shall grant you the grace of profound thankfulness. Then all you need do is remember to exercise every minute of your life, especially in trials."

Spiritual Warfare: 14 - Gratitude and Praise, Father's Love

October 26, 2016

May the encouragement and love of God be with us all as we face the challenges of the day.

I've been feeling very disconnected lately, because of all the distractions, and I know I've slipped a wee bit on putting the Lord first, so I came into prayer a little apprehensive today.

The Lord had appeared to me in the garden two nights ago and told me that He missed me. But my readings also talked about repentance...and I knew I had slipped, so I did repent.

Isn't it so hard to reconnect when you know you've blown it? I know it is for me.

But today as I came into prayer, Abba Father didn't waste anytime.

He began, "*I am not angry or displeased with you, little Clare.*"

I started to feel choked up with emotion, 'cause I was so grateful.

He continued, "*These hateful feelings of inadequacy, are not from Me or My Son. They are from demons, so cast them off, Beloved Daughter.*"

Daddy, please deliver my heart and mind from these bitter thoughts. Take them away, I pray. Please take them away. I want to have a worshipful heart.

He continued, "*Yes. This is where I am taking My Body, into continual praise and worship. It is so easy for you to forget all I've done for you and not give thanks on a daily basis, especially when you are feeling sick.*"

I asked Him, "Would you please restore me so I can work?" 'Cause I was feeling really weak and out of it. Totally out of it.

He answered, "*You were right to see part of this as a suffering, because it is. But I can help you carry this in My strength. Part of this is your schedule shift, that will fade away in the next few days. But until then it is a good offering.*"

Oh my goodness! There is no one on Earth anywhere who has this strength and all I need is just a little drop and it will be well with me.

He continued, "*You are tired. In fact, you are exhausted. You are carrying a burden. Yet a little while and it will be lifted. In the meantime, know that what you are carrying is important to Me.*

"You see, there is no strength greater than praise in times of adversity. I am readying you all to carry your crosses with dignity and strength, not hauntingly, lamely, or crushingly. I need for you all to stand tall in the coming months as you carry that which I will allow.

"I want you to be beacons of My Light, Emissaries of My Son, shining in the darkness of fear, terror, and scrutiny as well as doubt. I want you to carry faith, hope, love and the brilliant light of My Crucified Son who walked in love through all His dark ordeals.

"You are the light bearers since the one who was called turned away to embrace the darkness and scorn My Dignity and Power.

"Now We have many light bearers...the seed which fell to the ground and died brought forth an ocean of light bearers. And since this is the hour of increasing darkness, your lights shall shine even more. But to keep your torch from going out, you must cultivate a habit of worship, thanksgiving and praise, every moment of the day."

Oh, dear Lord. How can I do that? I'm feeling so weak in my body.

"This is a supernatural gift I will impart to those who ask."

I am asking you, Father God, please give me a double or triple portion of the light so I can help others.

"You will have what you need, Clare. But you must be vigilant to protect and increase it, because every effort will be made by the evil ones to steal it from you. Right now you are but a flicker. I want to ignite you as His Glorious Bride. But you must believe.

"You must believe that We have overcome the darkness, that you are commissioned, that you are needed. That there will be battles, there will be casualties, but you will not be overcome. I will restore, reinvigorate, re-sparkle you in My presence.

"Practicing this praise is what will erect a strong wall of authority before you, wherever you go. Have you not heard that I inhabit the praises of My people? (Psalm 22:3) How then, can you be overcome if you are praising Me?"

Father, can You explain to me what constitutes praise?

"First off, thanks giving, a humble heart of gratitude for even the littlest blessing. And then recognizing in ever widening circles that I have provided for you and blessed you to the very core of your being. Begin always with an attitude of profound gratitude. Nothing overcomes evil like a thankful heart. There is no foothold for the enemy to enter and sow seeds of bitterness which later choke out life.

"Once you have connected with that gratitude, give voice to it. Simply thank Me. Oh, how I love to hear 'thank You' from My Children. So few return to thank Me. Most are thinking about what else they want and do not yet have. Even as Scripture has it, they "lust" after things for their own pleasure. (James 4:2)

"This is a very easy trap to get into as you well know. It begins small, just like a seed of bitterness. It is a seed of avarice and greed. It is easily justifiable because there is always something you can claim to

need, yet you have more than enough.

"There is a certain false sense of security when you acquire and have things, many things. It seems as though you are more secure but in reality you are more tied down and tethered to the Earth and your passions. Distraction comes with this seed and soon it is nearly impossible to pass even a few moments without thinking about what new thing you can have.

"It is a fast growing cancer whose remedy is only in self-denial and gratitude. A heart of satisfaction with what I have provided for you. And if it becomes blatantly obvious that more is needed, I will approach you, you need not approach Me. I will speak to your heart in this way, "I would like you to have so and so." There will be a peace accompanying it that is so very different from the lustful and burning suggestions, and distracting desire and anxiety that avarice causes.

"But as you find joy in the little things in life, even in nature, which displays itself all around you - you begin to sing a song of gratitude in your heart. This is the beginning of praise which needs to be nourished so that you may build a bulwark of honor to Me all around you.

"Then I come to inhabit your praises. Then the demons fear to come near, lest they be singed by the flames of Love that constantly burn the foolish things of the world away from the soul.

"To be caught up in My Praises is one gigantic grace that only you can cultivate after I have given the grace. It is a constant 24-7 song of the heart, whether it is heard by the ear or heard only by the spiritual ears.

"I prefer that the sound waves penetrate the space you inhabit. They shatter strongholds and greatly suppress evil. Where demons once had an easy entry, now they must struggle - only to get closer to the source of praise that is indeed electrifying and damaging them.

"So many secrets are tied into praise, Clare. So many things are crumbled down. Self-pity finds no foothold. Grumbling and detracting are a comedown in the presence of praise. Finding fault with others and demanding perfection of yourself and others - Oh, that simply doesn't happen in the heart filled with praise and thanksgiving.

"In fact, if there is something to note about another soul, it is their virtue, which inspires you to give even more thanks. I am telling you: praise is a way of life that defeats every force and the guile of the enemy. It makes them depressed.

"Yes, something to laugh about...but I am most serious. They are depressed when they hear you praise Me. It means they are losing the battle for your mind. Ask Me for this gift My Children, and then guard your hearts and use it as a way of life."

And that was the end of His message.

What a precious privilege to hear Abba Daddy's instruction.

And I have a very sweet story to tell about Him, as well.

As some of you know, I grew up without a father as an only child. When I became a Christian, I had a dream that I was walking with my father on the beach somewhere. We were talking and enjoying one another's company. I remember, we walked into town where the shops were and he took me into a jewelry shop, but he didn't buy anything. And that's all I remembered.

Recently, before my mother passed on, she took out a jewelry box with a ring in it. A giant heart shaped aquamarine set in gold. Then she told me that my Father had bought it for me when I was born and she had kept it all these years.

It fit me perfectly...but was way too large, and I thought to wear it would be too ostentatious. My father was a well-known designer and he loved extraordinary things.

In any case, I held onto this ring all these years, waiting for the right person to give it to. But several nights ago, Father God came to me in my prayers and asked me to get this ring out. Then He told me that He was with my father when he bought it for me. That He had chosen it for me, that someday I might know how much He loved me.

It almost looks like a chunk of ice or water, it is so clear. And Daddy made me to understand that He'd seen all my tears as a child who was abandoned by her father and mother, and He wanted me to know how much He loved me the whole time I was growing up.

I was so deeply touched as He asked me to put it on my finger. And now I wear it for writing, prayer and worship - to remind me that I am loved by my Father in Heaven. That has always been the hardest thing for me to accept...as I am sure it is for most of us. The enemy works very hard to cause self-hatred.

So, I wanted to share this with you. How wonderful our Heavenly Father is, how involved He is in our lives, and that He constantly is looking for ways to tell us, *"You are precious to Me. I see your tears and your fears. I love you when you fail and when you triumph. And nothing can ever change that."*

Brambles in the Vineyard, Bitterness is Spiritual Leprosy

October 28, 2016

May the Lord help us to change poisonous habits into life giving wisdom and joy. Amen

My Beloved Heartdwellers, I cannot over-emphasize the power of bitterness. This is such a subtle and pervasive spirit. It taints every blessing in our lives. Our health, our thinking, our emotions, our relationship with each other,

and God. If you have bitterness you are being poisoned every single day and this virus puts out tentacles that infect every area of our lives.

It is a spiritual cancer, which permeates the entire system. For instance, if the bitterness is in our stomach, it spreads to the hundreds of tiny glands in the body: the lungs, the liver, the pancreas, brain, bones and skin, feet, legs, neck, back arms and hands until the spiritual, physical and emotional body is thoroughly poisoned.

Is it not written that a, "A joyful heart promotes healing; but a broken spirit dries up the bones."

Proverbs 17:22

And looking at that bone marrow is one of the most important substances in our bodies. It produces blood cells. So the very essence of life, our blood, is affected by bitterness.

The longer we live, the more bitterness that has permeated our being. I am personally convinced that old age is nothing more than accumulated bitterness that has poisoned our entire bodies and sucked the life out of them; just as cancer feeds on our own bodies and steals all the nourishment meant for our health.

Thank the Lord there is a remedy, 'a joyful heart,' but joy means rejoicing, which we cannot do without gratitude and thankfulness.

And this is becoming a supernatural commodity, these days! With all the trials that we go through, we have to find new ways of relating to our trials, because the old ways are poisoning us.

I am coming to understand: BITTERNESS comes in whenever we are irritated, impatient, angry, putout, judgmental. ANY NEGATIVE EMOTION ALLOWS THE SEED TO COME INTO OUR HEARTS. And a demon comes with it, and then the root of bitterness is tended and it chokes out the Lord's light, His grace and our faith.

This happens immediately and without our consent! This is why demons are so effective when they bring disorder: we react with immediate irritation and in comes the demon of bitterness and seed, along with plenty of fertilizer to get it started.

Once we allow this seed in and fail to immediately repent and ask for the Lord's mercy and grace to deliver us from it, it is already too late. In other words, right on the spot, we have got to stop and get on our faces and ask the Lord, "Please, Lord! I am so sorry! Forgive me. Please deliver me of this demon and blot this seed right out of my heart."

We are already infected and beginning to weaken if we let it sit there. Negative thoughts also begin to multiply until we can no longer concentrate on what we were doing because our anger is growing every minute.

When we first conceive of these thoughts, we are already infected by the demons of bitterness and a seed is planted, which will grow quickly and choke out life, inspiration, health, clear thinking, hopeful emotions. And every good thing that we associate with will be deprived of its goodness the very moment we entertain bitterness.

Knowing this, my very first prayer to the Lord in the morning is "Please, Lord, forgive me for my bitterness, help me transform my irritations to joyful gratitude. Please deliver me from the demons and their dedication as well as the seed and roots of bitterness. Please bathe my heart in Your blood, cleansing it from all unrighteousness."

But before I say this prayer, I have to reflect on the occasions of anger, unforgiveness, resentment, impatience, grumbling. And I have to ask Holy Spirit to please show me my sin.

So, these three steps need to be taken before I ask for deliverance: (1) examining my actions, feelings and thoughts; (2) forgiving anyone I am holding resentment against; (3) repenting for an ungrateful attitude. Because truly the Lord allowed these things to happen and grumbling or complaining or even anger, for that matter, is not just at the person who caused the offense, but at God who allowed them to cause it.

And this I should do as well, "Lord, please heal anyone I've given offense to."

Sharing this with you, I recognize that I probably jump on my own case and am critical of my own self more than anyone outside of myself. I'm seeing, as we are talking, that it is NOT good. I am actually destroying myself with my negative attitude towards failures - even little ones like clumsiness and mistakes. I try to catch myself. But if I don't manage that, I can at least call the glass stupid! "You foolish glass, you tipped over!" Until, that is, I get control of this knee-jerk response.

Interestingly, the readings from the missal today really brought to light how serious it is to have bitterness:

First reading was from Leviticus: The Lord said to Moses and Aaron, "When anyone has a swelling or a rash or a shiny spot on their skin that may be a defiling skin disease, they must be brought to Aaron the priest or to one of his sons who is a priest. Leviticus 13:1-2

The priest is to examine him, and if the swollen sore on his head or forehead is reddish-white like a defiling skin disease, the man is diseased and is unclean. The priest shall pronounce him unclean because of the sore on his head. Anyone with such a defiling disease must wear torn clothes, let their hair be unkempt, cover the lower part of their face and cry out, 'Unclean! Unclean!' As long as they have the disease they remain unclean. They must live alone; they must live outside the camp. Leviticus 13:43-46

Bitterness is the Leprosy of our age, guys. Notice that God isolated the infected person. Bitterness is highly contagious and spreads easily from person to person.

Let's just put ourselves in a leper's place. You get up in the morning, you have to choose torn garments to wear, you cannot brush your hair, you must keep your mouth covered at all times. You live quite a distance from the community, so you cannot socialize with anyone, other than other lepers. Anything you touch is unclean, so you have no occupation. If someone comes near your isolated camp you must cry out, 'unclean! unclean!' When you go into town people run from your presence and you continually must cry out "unclean!" And this is the way you live for your entire life. In those days, there was no cure for leprosy.

When Miriam and Aaron began to talk against Moses (yes, let's look at the cause of this. This is so interesting.) because of his Cushite wife, for he had married a Cushite. "Has the Lord spoken only through Moses?" they asked. "Hasn't he also spoken through us?" And the Lord heard this. Now Moses was a very humble man, more humble than anyone else on the face of the earth.

(That's an interesting statement. I wonder who wrote that!)

At once the Lord said to Moses, Aaron and Miriam, "Come out to the tent of meeting, all three of you." So the three of them went out. Then the Lord came down in a pillar of cloud; he stood at the entrance to the tent and summoned Aaron and Miriam. When the two of them stepped forward, he said, "Listen to my words:

"When there is a prophet among you,

I, the Lord, reveal myself to them in visions.

I speak to them in dreams.

But this is not true of my servant Moses;

he is faithful in all my house.

With him I speak face to face,

clearly and not in riddles;

he sees the form of the Lord.

Why then were you not afraid

to speak against my servant Moses?"

The anger of the Lord burned against them, and he left them.

When the cloud lifted from above the tent, Miriam's skin was leprous --it became as white as snow. Aaron turned toward her and saw that she had a defiling skin disease, and he said to Moses, "Please, my

lord, I ask you not to hold against us the sin we have so foolishly committed. Do not let her be like a stillborn infant coming from its mother's womb with its flesh half eaten away."

So Moses cried out to the Lord, "Please, God, heal her!"

The Lord replied to Moses, "If her father had spit in her face, would she not have been in disgrace for seven days? Confine her outside the camp for seven days; after that she can be brought back." So Miriam was confined outside the camp for seven days, and the people did not move on until she was brought back.

Numbers 12:1-15

In an instant, the woman ranking highest in the whole Israelite community was turned unclean and isolated from the community. This is the power of bitterness. And it is highly contagious. Just one thought, that's all it takes, and you've been infected. Just like one mosquito bite is all it takes for malaria, one cough in a closed room to contract the Ebola virus.

James speaks of it, saying, Those who consider themselves religious and yet do not keep a tight rein on their tongues deceive themselves, and their religion is worthless the tongue is a small part of the body, but it makes great boasts. Consider what a great forest is set on fire by a small spark.

The tongue also is a fire, a world of evil among the parts of the body. It corrupts the whole body, sets the whole course of one's life on fire, and is itself set on fire by hell.

So, there he's talking about the source. This comes from the devil.

All kinds of animals, birds, reptiles and sea creatures are being tamed and have been tamed by mankind, but no human being can tame the tongue. It is a restless evil, full of deadly poison.

With the tongue we praise our Lord and Father, and with it we curse human beings, who have been made in God's likeness. Out of the same mouth come praise and cursing. My brothers and sisters, this should not be. Can both fresh water and salt water flow from the same spring? My brothers and sisters, can a fig tree bear olives, or a grapevine bear figs? Neither can a salt spring produce fresh water. James 1:26 & 3:6-12

Please Heartdwellers, I beg of you: repent of all bitterness and pray for me because I see that poison in my heart. Bitterness causes your cancer to be more painful and spread. Bitterness causes headaches to be worse. Bitterness causes your mind to be twisted and thinking to be off. Your body, soul and spirit are poisoned by this just as surely as if you had leprosy. Whatever good you wanted to do in your life will be greatly compromised by bitterness.

When the Israelites were in the desert of Shur, three days out from the Red Sea, they came to a defiled spring. The Lord told Moses to throw a beam of wood into the water and it would become sweet. Exodus 15

I can't help but think of the crossbeam of wood Jesus had to carry for His crucifixion. It is through the power of the Lord's Cross that we are forgiven and given new life, free from bitterness.

Moving on to the New Testament.

While Jesus was in one of the towns, a man came along who was covered with leprosy. When he saw Jesus, he fell with his face to the ground and begged him, "Lord, if you are willing, you can make me clean." Jesus reached out his hand and touched the man. "I am willing," he said. "Be clean!" And immediately the leprosy left him. Then Jesus ordered him, "Don't tell anyone, but go, show yourself to the priest and offer the sacrifices that Moses commanded for your cleansing, as a testimony to them."
Luke 5:12-14

The Lord is so full of compassion. Let us come to Him repenting and asking Him to heal us of the habits of complaining, bitterness, grumbling, and lead us into a new habit of praising Him for all the lessons He gives us through unfavorable circumstances, knowing that our holiness is being forged and going from glory to glory. So, there's nothing, really, to grumble about. It's for our own good that He allows these things.

At this point, I asked the Lord, if He had something He wanted to say.

No, this teaching is complete in itself - only truly hearken to these words and make a resolution in your hearts to put aside all grumbling, resentment, bitterness. Make a firm resolution, dear ones. This is the number one inroad for Satan to turn your lives sour. He gains your consent when he causes trouble. Your anger is your stamp of approval on his gift of a bitter seed with a demon to tend it in the garden of your hearts.

"Can you imagine what the garden of your heart looks like when it is overgrown with bitterness? May I tell you, it is no longer a garden, rather a tangle of thorns and briars that one cannot walk through, let alone sit down in. There are no flowers there, no fruits, only skanky tangles of shrubs with sharp thorns whose tips are poisoned. There is no rest or nourishment in this garden, rather it is a representation of Hell on Earth.

"This, indeed, is what becomes of the soul who entertains bitterness; all life is choked out. There you will find jealousy, hatred, resentment, depression, judgment, impatience, selfishness, cruelty, retaliation, pride and every noxious, dark thought known to man.

"When the seed enters, it finds good soil and slowly stretches out its roots. At first the soul may not be aware that something in side of them has been compromised. As the demons tend this plant and the roots spread to different areas of your life, they wait for the opportunity they need to take over the soul. Perhaps it is adultery, or the loss of a child, or unfair loss of a job, cancer or serious disease, false accusation or betrayal.

"Once the incident occurs, the roots put out shoots that can be felt in resentment and anger. Then they become noticeable. They choke out and reject My love, and the soul becomes more and more bitter and hardened. Then the prolific fruit-bearing vines coming from the Vinedresser, cannot produce choice grapes, because all that is good and healthy for the plants has been choked out by brambles.

"Thus though you think you are abiding in the vine and bringing forth fruit, in reality you are abiding in the thorns of Hell, in bitterness.

"Come to Me, My children. Confess all of those feelings and let us work it out together. Let us clear the vineyard and burn the thorn bushes in the fires of charity. Then I will work with you to restore a fruitful and fragrant garden that we can walk together in, planning for new life, and bringing forth new fruit."

"We can do this together, if you will. You must make an act of the will and hold to it under all circumstances. We can do this. You can begin today to lead a life of celebration and thanksgiving, knowing without a doubt that all things work together for the good when you are in Me, and I am in you."

Your Outreach to the Poor

October 30, 2016

The Lord bless you, Heartdwellers, for your kindness to our mission.

I wanted to share the Scripture with you... And above all things have fervent charity among yourselves: for charity shall cover the multitude of sins. I Peter 4:8

It has totally warmed my heart that all of you have been so generous with us, so we've been able to buy jackets for the children on Taos Pueblo. Their tradition doesn't allow them to wear used clothing, so we really helped them by supplying new jackets. Scarves, gloves and boots will come along, too, as we are able.

We also were able to help with food cards and utilities for families who were in danger of losing their water and electricity.

Thank you so much, Heartdwellers, thank you so very much.

As this holiday season approaches we are also working on helping others as much as possible. As the holiday season approaches, we're also planning on complete turkey dinners for the elderly and shut-ins that don't have anything. We've got plenty of things scheduled for the weeks ahead.

I really wanted you all to get a sense for our outreach here in Taos, so we are making an Outreach page on the Heartdwellers web site. We have just started collecting photographs and testimonials today, but it should be up within two days. And I'll remind you when it's fully up.

On this page of our website, we will have photographs and testimonials and details of who we've been helping here in Taos, as well as even a few receipts for food cards and a testimonial from Kit Carson Electric, who call us regularly when someone is about to have their electric cut off.

Among those who are struggling are grandmothers who are alone in raising their grandchildren, some of them with five or six children, and some of them are teen agers. And you know, teenagers eat a LOT OF food!

There are all kinds of programs that help with lunches and things on the Pueblo itself, but special needs come up where there is just no way the Pueblo can provide for everything.

We had one young couple with four children that needed help with an electrician, to get electricity run to their cabin that they're building. And they needed other building materials for their cabin. And she works very much in charity - she's constantly doing things for other people, and she has a little store, which is a free store, which people go in. The Giving Tree, and get whatever they need for free. And we cover the rent of her give-away store every month. You'll be able to see photographs of that on the Outreach page.

So, she was really worthy of our help, and her husband is building their house. They both collect food and clothing for the poor. So, we helped her with the electricity and with the cost of having water piped in to their house. They live on the Pueblo, also.

But you can't imagine the poverty here, it really breaks your heart to hear about some of the situations, especially when a parent dies.

But because of the Lord's loving favor, we've been able to make a difference.

I've been busy getting photos together for the Outreach page, so please be patient with me about bringing forth a message.

Last night the Lord asked me to write. And I said, Lord, what do You want me to write?

And He said, *"Write about how good I've been to you."*

Oh, my goodness - that could take a LONG while! But I began before I got sleepy, 'cause yesterday was a hectic day.

~Lord, you have taught us how to handle our foes, and delivered us from their hands.

~You have provided amply for our poor.

~You have brought peace to our borders and health to our bodies.

~You've given us new hope, and a fresh anointing and told us how vital our sufferings are to Your plan. And how grateful You are for them.

~You strengthen us with Your grace every day, and You teach us. And You're constantly protecting us.

~You are working behind the scenes to make sure the right man is voted into office...

Jesus, I could go on forever about Your goodness. And You've given us new songs, to boot.

Yes, Ezekiel and I are both working on music and I have to tell you, there are some very good songs ministering God's Love and Our Love for Him coming soon. But for now, I am going into prayer to see what the Lord would like to say to you. And get a message together for tomorrow.

So, please forgive this short message.

We love you all and appreciate you so very, very much.

Bondage to Satan, Halloween Night

October 31, 2016

Well, Heartdwellers, it's Halloween. I wish I'd gotten this message up a little sooner, but here it is now.

Today, Ezekiel was attacked again, and the Lord delivered him. It was amazing. Spirits of pain and other kinds of things just attacked him, viciously. The Lord came and released him from that. And it was quite a victory for the Lord. Well...the Lord always has the victory, but it was quite a lot for the enemy, I guess is what I mean to say.

Anyway, I sat down and I asked him, "Lord, what is Your message today?"

And He answered me, "*Retribution is Mine says the Lord.*"

And I looked up Retribution: punishment inflicted on someone as vengeance for a wrong or criminal act.

And that's what we're dealing with in satanism, are criminal acts. And the Lord does punish the enemy. Severely.

He continued, "*Satan is the criminal, I am God. No weapon formed against you will prosper. You have chosen to follow and serve Me with your entire life. Shall I not then protect you from the evil doers?*"

And it's interesting, 'cause today in my Communion readings, Holy Spirit chose a reading from the Book of Wisdom, which is in the Septuagint, along with the Psalms, Proverbs and Ecclesiastes. And it's Wisdom, chapter 2

The Jerusalem Bible has this book.

"Let us beset the just one, because he is obnoxious to us; he sets himself against our doings, Reproaches us for transgressions of the law and charges us with violations of our training. He professes to have knowledge of God and styles himself a child of the LORD.

"To us he is the censure of our thoughts; merely to see him is a hardship for us,

Because his life is not like other men's, and different are his ways. He judges us debased; he holds aloof from our paths as from things impure. He calls blest the destiny of the just and boasts that God is his Father.

"Let us see whether his words be true; let us find out what will happen to him. For if the just one be the son of God, he will defend him and deliver him from the hand of his foes. With revilement and torture let us put him to the test that we may have proof of his gentleness and try his patience. Let us condemn him

to a shameful death; for according to his own words, God will take care of him."

These were their thoughts, but they erred; for their wickedness blinded them. And they knew not the hidden counsels of God; neither did they count on a recompense of holiness nor discern the innocent souls' reward. For God formed man to be imperishable; the image of his own nature he made him. But by the envy of the devil, death entered the world, and they who are in his possession experience it. Wisdom 2:3, 13, 24

And it's interesting, because even in these particular verses you can see the manner of death that the Lord had, the way that He was tortured and put to the test for His patience and gentleness. So this is even another one of those prophetic verses that prophecies the kind of death the Lord would have.

The Lord continued, "*Because today of all days is Satan's day to celebrate their defeat.*"

And I asked Him, "Why would they celebrate a defeat?"

"That's just it, they don't understand they are defeated - so they celebrate. I cannot rescue the fallen angels, they have sealed their fate. They will go to the Lake of Fire, sooner or later. But I can rescue those they afflict. I can also rescue those who are deceived by them. This is why you pray for your enemies.

"I saw them when they were innocent and pure, before sin entered in and they made a pact with the Devil. I saw their hurt and woundedness. I pleaded with them not to go the way of retaliation and anger, but to forgive and I would heal them. Some heard me clearly, and turned away nonetheless. Some had a deep sense of wrong when they followed their fleshly reactions, but still kept going. And some didn't hear Me at all - they were deaf. Yet I touched them all in some way to warn them.

"I know what a soul who has gone astray can become once he or she turns from evil. They can attain to the highest holiness and service in My Kingdom, but first they must forgive their enemies, renounce Satan and all evil-doing, repent thoroughly for every evil deed, then come to Me and I will restore them. Not only will I restore, I will set a guard over them and their families that no evil shall befall them. In other words, they will be protected from retaliation by Satan and their coven.

"But they must embrace all of My ways and never turn back.

"I cannot protect a soul who turns back. As long as they live in the safety of the sheepfold, no wolf or lion can get them. But if they jump the fence or go back to their old ways, they are quite vulnerable.

"I want a relationship of love between us. I want them to call My Father, their Father - because truly they came originally from Him. He loves them dearly, they are His children, and losing them is the same to Him as losing one who does serve Him. They are loved, unconditionally."

Lord, are You making another appeal to the Satanists today?

"I am. And I call upon all My Heartdwellers to devote this day to prayer for them, that they would repent and return to My Father's heart. I will lead them. I will heal them. I will teach them. I will deliver and forgive them. I will do all that a good father would do for His beloved child.

"Yet this concept is foreign to them. If only they will approach Me and give Me a chance, I will show them the meaning, the real meaning of love. And never again will they hunger for that love. I will supply it to them everyday like fresh manna if only they will give Me the chance and come to Me every day.

"Many of you who practice the kraft are called to be prophets and healers in My Kingdom. Many of you have had nothing but tragedy in your lives - unspeakable tragedy - and have never known what it was to have a loving mother or father. Many of you have been cursed, so you would stay in the coven, even though there are times you want out. You are frightened of what will be done to you.

"Your master is a dog on a chain, and I'm the one holding the other end. He can go no further than I allow and if you turn to Me, I will indeed set you free and protect you from him.

"You have seen on this channel how I love you all. You have seen how I instruct you, how I wait to see you, how I triumph over the enemies of My children who are serving Me. You have seen the true Master and Creator who does not lie. And you have seen My personality, and that I am a lovable and approachable God.

"Some of you have turned from me, because you lost a loved one and you continue to ask yourself, "If You are God why did you let them die. I prayed to You?" Yet you don't have the same information I have. You don't know what might have happened to them if I didn't call them home. You don't understand the overview of why, because you are but a tiny creature and I am the one who fashioned you in your mother's womb.

"My ways are not your ways, and neither will you ever come to understand them. But there was a very good reason for everything I allow, no matter how hard it seems. And some of those reasons have to do with your salvation. For one, souls make an agreement with Me before they come to Earth about the kind of life they will lead. We are agreed on that, and many that seem to die uselessly are martyrs giving their suffering and lives for others that they love. Even the plants and animals understand what I ask of them.

"Everything good that you loved about that person is only a reflection of my love for you. Did they love your company and always want to be with you? Even more, so do I. Would they do anything for you? Even more, so would I - which I proved when I died a tortuous criminal's death on Calvary. Did they protect you? So do I, everyday though you aren't aware of the many times you've come close to death. Were they really fun to be with? So am I - if you want to cultivate that relationship with Me. You are invited. Did they provide for you? So do I, everyday...but you don't notice it.

"There are no coincidences. There are only God-incidences.

"Do you have dreams? And are there gifts and vocations you have always wanted, but you've been told you were a loser and didn't have talent? Or you tried and kept failing? So you thought casting spells would get you what you wanted? Do you know Satan will take your life and plunge you into Hell and torment when he's done using you. Yes, he's using you. He's using you to spread his religion. Do you know that I can change your DNA and give you the gifts you've always wanted, the talents you've always wanted? I can even teach you how to use them and guide you in paths that will make your life satisfying.

"You think that money, women or men and talent are what you want, but when you have all that and you feel that void inside of yourself, you will see that nothing brings you satisfaction that is lasting. All of it is

empty, because your heart was made for Me. And until you have Me living in you, you will feel empty, no matter how much you have.

"There are so many things you don't know about Me and what I do for My children, and Satan is not going to tell you. He's the Father of lies and nothing he tells you can be trusted. I hope you don't wait to find out. I hope you don't wait until it's too late.

"So, again I am calling you who worship Satan and cast spells and incantations. I am calling you to My heart. I truly love you and I want you to be with Me forever. I know what you've done. I've seen it all. I still love you. I still want you. And if you come to Me, I will forgive you and wash you clean of your past life and give new life. Fresh, new life. New Hope. And you will find true joy and love in your life that no one can take from you. And you will have peace. Peace that you've never, ever had."

Come to Me, all you who are weary and burdened, and I will give you rest. Take My yoke upon you and learn from Me; for I am gentle and humble in heart, and you will find rest for your souls. Matthew 11:28-29
