

Pray for Liberal Eyes to be Opened

January 1, 2018

Lord, please place your burdens on our hearts and teach us to pray with all our hearts for Your Kingdom to come and Your will be done, on Earth as it is in Heaven. Amen.

Dear Heartdwellers, we have all been praying and offering sufferings and fasts for President Trump's initiatives, to purge evil from our government. And I have been so very curious and wanting to know if our prayers are making an impact. Yet, when I try to look, I feel the Lord tugging at my heart and not wanting me to look to see what is breaking.

Thank God, He has given me one reliable source, who will tell us when we really need to know something.

But I struggle on my own with this compulsion, this distraction--and it is dirty, so very dirty and impure. You can't look at the media, you can't get on the Internet without seeing something disgusting. It really is not good for our spirits to read these things or seek them out. You have to wade through so much to get the 'kernel'. You know how it is--the Internet grabs you once you are there and you can't resist.

Well, let's resist, because Jesus is telling us to. He spoke lovingly, but seriously, with me about this.

I began, "Oh, Lord, this is such a struggle. I am so hungry to hear some kind of progress.

Jesus answered, *"The more you listen to that, the worse you will get."*

But can't I just have a few bottom lines?

"They will whet your appetite for more."

But You can help me with that, can't You? I know, this wanting to know feeds Pride, right? Please, Jesus, help me understand. Can You help me break this compulsion? I am so taken up with it at times, I can't concentrate on anything else. Yet, I have, for the most part, obeyed You and stayed away from the news.

"Have you?"

Well, other than the President's Twitter, for the most part--yes. Right?

"You have greatly reduced your involvement and I understand your curiosity. But I want you to live by the spirit, not the flesh. Not other people's flesh. And it is rife with dark, dark disgusting images that stick in your mind."

"Oh, I do so want more purity for you, My Love. More purity, Clare, no feeding on darkness. I promise to"

let you know what you need to know to continue your prayers. Wouldn't you rather get a burden from Me than potentially false information from them?"

Well, that is true, I would much rather. Oh, please then, Lord, impart that burden to me.

"That is what I want, as well. But My question is: will you be satisfied or will you want more?"

I will probably want to see it in the news somewhere as a physical confirmation.

"But how many times have you gone looking and found nothing but darkness?"

A lot. Most of the time.

"That's what I mean. What I give you is not public knowledge. What I give you is what I want YOU to focus on in your prayers, because that is where We are forging the next move and breakthrough. You are very well informed, because the Source of your information is infallible.

"I need you to learn to be satisfied with that and not be weak, giving into curiosity, like weak souls."

Sigh. Well, I'm guilty of that...

Jesus continued, *"My mother did not give into curiosity. She knew that I would tell her what she needed to know. And what she didn't need to know, she didn't desire to know. That's the kind of trust and holiness I need from you."*

Now, this is interesting. The reason Jesus mentioned His mother is that I believe she was a very pure soul--the very first Christian--or she could not have been given the mandate to carry Jesus in her womb. She taught Him from a young age, and everything about her had to be pure.

So, lately I have asked Jesus, "Lord please make me pure, even as Your Mother was pure. Or is pure. That I might bring more and more of You into the world."

So, I answered Him and I said, "Ok, I am really going to try to stay away from media, even though I want to see what our prayers are doing. Especially mine for the still sleeping population of America who haven't a clue how evil their politicians are."

I have heard that Tuesday night Hannity is going to announce the corruption to the population. Please pray that there will be many, many viewers and that their minds will finally be opened.

Returning to the Lord, I told Him I would really try.

He answered, *"And I know you will for Love of Me. I know you want to please Me. I hear you receiving a word, 'Would this please Jesus?' And I see you saying, 'No. It wouldn't.' and leaving off with it. That is so meritorious, and I long for more merit on your part, because I am extending you the grace. The sooner you really get ahold of this and refuse to allow your curiosity, you will make great strides forward.*

"When you give into curiosity, you give into darkness and the world. You allow that to enter into your

mind and heart. Then you become sullied and dirty from the contamination. It inhibits your prayers and sense of well-being, which is deeply disturbed by evil. I would rather you not look at that and get contaminated. That's what I mean. In the long run, you will be very happy you turned the demons of curiosity down for love of Me. Very happy, indeed. More and more of Me as your Source, less and less of the world--unless I bring you something and you sense the release to look at it."

Well, I noticed that I had a desire to pray less, in favor of finding out more. Because instead of shouldering a prayer burden, I wanted to run to the emails and see if there was anything new.

And the Lord answered me and said, "And yet I bring you those requests with a heavy heart and expect you to respond whole-heartedly when I do. And it grieves me when you don't. You pass them by for more titillating items of news, when I needed you to really care about what I brought you, that was off your favorite topic."

I'm sorry Lord, that is so very, very wrong.

"But this is the way the flesh gets the upper hand. That burning curiosity and drive to know causes you to ignore things that are more important to Me. Things that are more ordinary. You would do well to curb this, My Love. It is a flaw in you; actually, it is a wrinkle in your wedding gown, because it is a long-standing habit.

"Stains happen when you expose yourself to the filth and contamination of the world's sins, unless it is to prepare you for a certain work. And even then, you must take a spiritual bath when you come off the topic, because it has left a very ugly grunge and sick odor on your soul.

"Yes, this goes for all of you, Heartdwellers. Do not spend time digging up decayed and rotten matter. Touch it lightly and go on. Better for all of you to get your understanding from Me and not from the world, which presents things in a crippling and distorted way to elicit certain attitudes from you.

"They are bending your minds with lies and manipulating your thinking, so you will do what they want. Which is mostly to be insecure and restless. All of it is demonic in origin.

"This is why I ask you to stay away from the media. Even the alternative news channels have a 'twist' to cause you to be very interested, returning again and again and support them. There is quite a bit of manipulation involved in the presentation, when I would rather you see the hard facts, receive a new burden from Me and keep praying."

Lord, have you anything to share about the new year.

"I do, My love, but this is not the night to share it. I do want you to pray for the American people, that they will finally open their eyes. Pray that the blindness that has been put over their eyes will come down and come off. Pray that they will seek the truth over their party lines. Pray against the enemy, who wants to keep them ignorant and hostile towards your president--who is doing what nobody thought could be done.

"Continue to pray for justice, dear ones. There is a monumental task ahead of the president, which will take up much time even into the spring and summer of this year. What he has exposed is so far-reaching,

it will take several months to bring the evil-doers to justice.

"I am proud of you, Heartdwellers. Many of you have suffered like troupers and gone into your prayers with all your hearts. Believe Me, My Father is very pleased with you, and you have done a mighty work for the Kingdom of God.

"But there are still many capture and prosecute, and that must be done. And many will try to sidestep it by intrigue or claiming they are dead and then disappearing to a hidden destination.

"I want their influence brought to an end--and for that, they must be captured and tried.

"Pray."

Addendum to: Pray! Your Prayers Are Working

January 2, 2018

Lord Jesus, all Praise and Honor and Glory to You, Lord. Thank you for what You're doing on behalf of our prayers. Please, continue to help us to pray, moved by the Spirit. Amen.

Well, Heartdwellers. This is just a little addendum to the last video. I wanted you to know that I had a bunch of details for you that I was going to publish, about who's been arrested and what's going on. But the Lord doesn't want me to be publishing that. So, I had to edit the video.

But I can tell you this much: a lot of high-profile people are going to Gitmo. The charges are very, very serious. They're going to end up with a hanging or the firing squad.

Please, pray for these people. They're only hope, at this point, is repentance. A lot of seats in the Senate and the House are going to be vacant. Please, pray for them to repent.

Once upon a time, they were little children. The environment they were raised in--their little minds were bent in a certain way, and now they're reaping the life that they've sown. And we need to pray for them, that they'll at least be saved.

If you want to get more details, there's a few places. April LaJune, apparently Sean Hannity has a show on tonight that is supposed to be very revealing. Hal Turner is another one. And Tom Hennigen is another one.

I just can't indulge in that. It's not our charism, it's not what the Lord has called us to do. I wish I could tell you how incredibly powerful your prayers have been. You can kind of guess--three planeloads of people going to Gitmo. There's a lot of arrests going on and a lot being disclosed. And there's a whole lot more that has to go on. So, I want you to know, your prayers are very, very powerful. And they are having an effect. And the reason why I put this other video up.

But in the meantime, the Lord wants me more in Heaven than on Earth. And to be really, God-honest with you--I am so tired of the filth. It's nasty!

Knowing what I do know is just enough to pray. And if you want any information, please, go to those sites, because I can't give it to you. Just know that your prayers are making an impact. But it's going to be a long haul, because there is a lot, a lot of subversion and Deep State people in the government. And it gets deeper and deeper. You go to one layer and end up with a whole bunch more garbage. And like the Lord said earlier, it's draining the Great Lakes, not draining a swamp! So, it's huge. And it's going to require our prayers for the long term.

But they're going to be wonderful things happening because of our prayers.

And I just wanted to make a note to you, that as far as I know at this point, the Lord has asked us before to get gold. Which we did. And He has told us that it's safe to leave our money in the bank, so what little we have, or whatever we have, we're still in the bank. And we're not to worry about that, that He's got it covered.

But apparently, there was this very important reason WHY He wanted us to get gold. So, hang on to that, if you can. I know one thing that we've been called to do, is to help those who are fighting against the sex trafficking and are making safe houses. So, we're going to be supporting them with extra money that comes in. What we don't need for operating expenses, we'll be giving to them, to protect these people they're taking off the streets. And give them a new life. Have a safe house, teach them a new trade, get them on their feet. And that's going to be what we're going to use the gold for when the profit comes in. It's going straight to that. We don't hoard money, we don't keep money. We don't save money. We go from day to day, according to what the Lord wants. And this is His focus for the coming year.

So, I'm sure that there's a very good reason why He asked us to get gold and I would encourage you, if you do make a profit, not to get gold-hungry or money-hungry, but give it back to Him, for His cause. Be faithful to give whatever you have, because He's not calling us to be rich and fat, and have a big, fat larder and nobody else has anything. He's calling us to share. But especially to look after the very poor and the very exploited. And the tragically ruined lives of people who've been in the sex trafficking business, that they can have a new life.

So, keep that in mind as things go along. The Lord bless you and keep you. And pray for us. We love you so much.

Pray! Your Prayers Are Working

January 2, 2018

Lord, please continue to raise up prayer warriors for our country and give them supernatural wisdom and favor with You and Our Father. Amen

Dear ones, continue with your prayers. Please. There are seven containers on trucks, reportedly having weapons of mass destruction. They have crossed the boarder from

Canada into the United States and only God and the military know where they are going. Please pray against this clear and present evil that it will completely fail. God's arm is long; He can do much to foil their ugly schemes.

I want you to know, there is a great deal of fruit of your prayers--yours and the prayers of others around the world.

I'm going to give you a very short update, because this is out of the character for Heartdwellers Ministry, but I feel that I owe you at least to know what your prayers have accomplished.

"One of the sealed indictments was unsealed: Soros, both Bushes, Cheney, David Rockefeller, John Ashcroft, Brent Scowcroft, John Brennan, Condolea Rice, and about ten more people the Prosecutor wants the death sentences for what they did on 9-11 and Uranium 1.

"Hillary is indicted on charges of helping Soros, that's a ten-year sentence, but in other indictments she is facing the death penalty. John McCain is looking at life in Gitmo for helping Soros, along with Obama and John Kerry.

"Barry Soetoro (Obama's other name). His assets in Thailand were seized by Delta Force on Saturday, with the cooperation of Thailand. \$100 million in Gold (stolen from 9/11 and the basement of the building) and several encrypted laptops were seized. The \$100 M in gold now belongs to the US Treasury."

And from what I understand, aside from the Bush's being involved in the destruction of the Twin Towers, there was a great deal of gold stored downstairs in the basement. And when that gold came out, the buildings came down.

"These all will be prosecuted by military Tribunals, similar to the Nuremburg Tribunals of WWII.

"There are three more planes going to Gitmo right now. 30-50 members of Congress and the Senate will not return to office this week.

"Julian Assange in protective custody with Trump and has been given complete amnesty of all crimes.

"8 nations will have regime change this year, no longer supported by Soro's money. Iran is the first."

So, that's the run-down. Pretty much the most important intel news that I have. And like I said, this is out of character for our Channel, but I'm doing this to let you know your prayers are working marvelously! The Lord is answering prayers.

So, in my time with the Lord, the first thing I said was, "Lord, I don't want the dirt. I want purity and my music--but I don't want to be ignorant as to what's going on. Who will rescue me from this body of death?"

Jesus answered me, "My Clare, I am all compassion for you. You have always been fascinated with military things, because it is in your ancestry. I do so understand and sympathize with you. But you have to choose which way you will go with your attentions. There is not a soon ending to the drama. There will be court cases, convictions and executions. It will go on for months. How long do you want to be absent from the tender things, and the purity I have called you to?"

"It is true, you deal with corruption of some sort every single day. I cannot give you any guarantees that you will be free of this without a monumental disinterest. And because you are in the position of leading others in prayer, I will require you to have some understanding of what is taking place and how I want you to pray.

"All I can say is that I want you to distance yourself as much as you can from details. They are little hooks that you get caught on and lead you onto the Internet for more details. If you can please control yourself and come to Me before you look for more. Pray and ask Me, 'Jesus, how should I pray?' If I think there is more for you, you will feel the release to look. If I don't, then satisfy yourself with praying with all your heart and leave it at My feet.

"To do violence to your curiosity is a virtue with much merit. I will count it as a fast offering. I have heard the cry of your heart. I am not deaf or far away. I live within you, I have heard and We are answering your prayers, as well as the thousands of others whose hearts are crying out for an end to this.

"I am holding back the wrath. Nuking 7 cities is NOT on the agenda. You remember when the bomb headed for the apartment building in Jerusalem turned around and went out to sea? I have My ways and My ways are much greater than any man's ways.

"Nonetheless, your prayers are immensely valuable. Yes, I want your people to pray. There are many schemes instituted as retaliation against your country's progress in gaining freedom from the tentacles of the Deep State. It is much more pervasive than was first imagined, much more so. Why? Because there are those with ambition to carry through the agendas that had been begun, and they lay low in the government, knowing that to be exposed would be the end of them. Yet they are there, and acting as if they are on your side.

"That is the great danger: these set in place with their personal agendas and allegiances to the NWO. They will subvert wherever they are, but while the heat is on go along with your president's agendas, pretending to be on board. Then, when the opportunity arises, they will betray what is right.

"Again, this is much deeper than other's thought and has tentacles in every major government, and is well

connected. So, I need your prayers that these traitors will be exposed before they can do damage.

"Pray, pray, pray for your president. He can do nothing without your prayers, fasting and sacrifices. This is how the grace to overcome evil is released. It is by those whose hearts are poured out before the throne of My Father that cause Him to rise up and defeat evil. These prayers are your most powerful weapons. I cannot say that enough times. What is impossible for man is possible for God, and you will face many impossible scenarios in the coming months.

"Remember, you are dealing with Satanists. Even if you locked up 75% of the Satanic covens, others would be promoted to take their place. Prayer IS your salvation. That is why there is an Ambitious spirit released in your country, a spirit of Acquisition, a spirit of Avarice, a spirit of Distraction on the Internet. They do not want you to have the time to dedicate to prayer. That is why you are persecuted--you are teaching what they fear.

"My people, pray for your nation at all times. Those who feel they are too holy to get involved and pray and vote, do not know My Word, for it is written:

First of all, then, I urge that petitions, prayers, intercessions, and thanksgiving be offered on behalf of all men for kings and all those in authority, so that we may lead a tranquil and quiet life in all godliness and dignity. This is good and pleasing in the sight of God our Savior. I Timothy 2:1-3

Jesus continued, "There is no dignity in human trafficking. There is no dignity in poisonous vaccines in the air you breathe. Rather, it is degrading to see the health and welfare of the people I love falling prey to corrupt regimes and synchronistic events in the weather, skies, public health, genocides--here in your country and in foreign countries where poison is dispensed in foods and water to limit population and encourage diseases."

Yes, in our country--that's for sure.

"This is the agenda of Satan: to reduce the population through suffering, sickness and all manner of wars, weather wars included, starvation.

"Oh, Clare I could go on and on--the travesties never stop.

"And people who seek to be in office to be corrupt and fall in line with this agenda have no idea how very foolish they are. They are only looking at the money. They haven't a clue! They are sawing off the very limb they are on. The truth is, that when the ruling Elite have accomplished what they want, many of their serfs will be terminated; they will not be invited into their brave new world.

"Wake up people!!! You who monitor sites like this, do you think when it hits the fan you will be invited into the private Elite's bunkers to enjoy champagne and caviar? Think again. You will be locked out with all the other "grunts" that did their dirty work. You will come to the same end you served to bring others down with.

"These men are evil liars who will do anything to promote their agendas. They will promise you security in their new government and then execute or lock you out when you've done their bidding. Repent of this evil you are partaking in. REPENT! I say to you.

"If you come to Me contrite, I will forgive and heal you. And even if you should die in the line of service, you will be with Me in Heaven. Because My promises are true, every single one. And I love you dearly and died to make it possible for you to be in Heaven with Me forever.

"Since when did Satan do anything like that for you? That's right--he didn't, he won't and he will continue to teach you deceit, because he is the Father of Lies. And you should have figured it out by now: anything he promised you goes only so far, then he rips your soul from your body and torments you, while laughing at your stupidity in believing anything he said.

"WAKE UP!!! You are a pawn--expendable. When your work is done, you are only good for the pleasure it will bring the demons to torment you forever in Hell. I pray for you, I love you and have no wish whatsoever to see you in Hell.

"And for the rest of you, Heartdwellers, pray for these dupes, that they will wake up before it is too late. Do not be ugly or cruel to them; pray for them and show them My unconditional love. That is their only, ONLY hope.

"In the meantime, do not allow the enemy to cut your prayer time short or make it spotty. Apply yourselves to prayer and fasting. Your life will improve by leaps and bounds, because you will be greatly rewarded for your obedience."

Attaining Union of Heart with Me

January 5, 2018

Jesus, You alone know the path to our highest good in this life. Please help us come to terms with the self-will that can dominate our thinking and frustrate your highest good for us. Amen.

Well, recently my heart has longed to go deeper into the Word of God, and I find myself fascinated with details and how they connect and what they mean. But I am concerned for time. The Lord has told me to go deeper in Scripture but

the way I think it means... is having more resources for study time. lol. Of course!

That spirit of acquisition is very subtle and slippery. So, when I set out in the direction to go deeper via MY way of thinking, I end up visiting the Logos site, with almost endless resources and the potential to lead me endlessly into one curiosity and distraction after another.

Ugh!

But my desire nature has a way of masking over what I feel may be a check in my spirit. I have an inner dialogue of justifications I run through to numb that little twinge of conscience. And I suspect I am again in self-will.

Lord, please explain this to me. I want to know the Scriptures and You've asked me to read them more. And when I read, I want to go deeper--and when I do, look at what happens! Please tell me, where do I start? And where do I leave off?

Saint Francis had nothing but scorn for learning. And You are the pinnacle of the Word--yet You said nothing would be unfulfilled in the Word.

Please have pity on me and explain where do I get off this train?!

Jesus began, *"If you would just listen to Me, I would guide you. But you have a very strong will Clare, and a bent which works towards your undoing. Knowledge of the Scriptures is your latest distraction. Knowledge in general does very little to edify. I understand well your interest, and some of that is valid. But the only way I can lead you, My love, is through obedience and without that you will walk into many blind alleys.*

"You can choose to study this book and that book, or you can meditate on the Scripture and I will infuse you with knowledge and understanding. You don't have to wade through the opinions of others and their conclusions. You can rest in Me, and I will satisfy your hunger for Truth."

Well, Lord, I asked you about this book and I thought you thoroughly approved of it. And when I got it, it

refers back to the Kabbalah--which can be very poisonous and toxic with New Age teachings. And there certainly is error in it, even though it's written by a Rabbi. So, now I have to burn the book, because I don't dare pass it on to anyone else. It could seduce them into the wrong thinking as well.

Jesus answered me, *"What did your instinct tell you?"*

I felt a little check, because of the cost. But then I found it marked down, at a really good price. But even then, I did feel a little check, and a sense of unsureness. So often in the past, I see that I have given myself permission, because the reading was not definitive one way or the other. And I honestly didn't know what to do--so I did what I wanted to do.

Jesus replied, *"You still do not know yourself well enough to curb your appetites. Satan doesn't care what he wastes your time on, as long as it sets you back and keeps you from what is truly important. Don't you recognize this yet, Clare?"*

Lord, I am beginning to.

"Your curiosity is killing you. There is only one way around it: obedience to that flutter in your gut, in your heart. If it flutters, pass it by--no matter how beneficial it looks to you. We are going to get where we need to be, My Love. It just takes time. You have to become weary with the blind alleys. In the meantime, the clock does tick.

"May I outline this for you?"

Yes, Lord. Please do.

"Read the Scriptures, but do not get snagged on the details. Read between the lines and listen for My voice and My leading.

"Pray. Dwell. Take communion. Give messages. Sing and play the piano. That is a very full schedule for you and will protect you from these disastrous side-tracks and dead ends. The foundation I laid in your life, for this walk, came with St. Francis."

And just as a background, I was a habited Franciscan sister, with a vow that gave me an immense amount of freedom and deliverance from the world. It was really quite amazing.

It was cut and dried. I needed God and prayer. Meditation on the Word and love for my God and my neighbor. St. Francis had a healthy scorn for scholarly studies, because they tended to lead souls into pride and distance from God.

He much preferred poverty in things, and thus, less distractions. Hours and hours of prayer and serving the outcast and the poor. For the first time in my life, I didn't need nice things. In fact, I hardly needed anything. This was the only road that led to a sound breakthrough with materialism and that 'black panther' I'm always fighting.

Material things held no interest for me. Well, not NO interest...but very, very few interests compared to my lifestyle of having nice things before.

"For you, this was laying down of your flesh. It would be good for you to work your way back to that--it was the purest. Just add your current duties and you will do very well, indeed."

Uhhhh... Yes, Lord. It is as I felt it yesterday. I love you so very much, but I know with that confession comes the challenge to obedience. I knew that today would have tests of that love. And I didn't pass...

"I'm not going to make you feel any worse about yourself. But I will say, you are getting there. You are recognizing Satan's loop holes and the ways of pulling you off course. It took a long time for you to get here, but you are here and it can go quickly, smoothly and very rewardingly if you persevere from this point."

"Defer to My wisdom, Clare. And TRUST."

Ohhh...boy. Well, that was the reading that I got from the Bible Promises, after I sensed He was saying 'no' about the Logos software. I got 'Trust'. And immediately, when I saw that in the Bible Promises, it made me feel, 'Well. Trust the Lord. Okay. TRUST!'

Well...does that mean: 'Trust that this will be a good thing and really help with my Bible study?' I just couldn't discern, one way or the other. Or: 'Should I trust Him that this isn't necessary and He'll fill in the blanks where they need to be filled in.' I really had a dilemma, and I wasn't sure. I kind of felt a check in my spirit about using it. But it wasn't very strong. So, I wasn't sure.

So, what did I do? I signed up for a trial! lol...

Well, after this dialogue with Him, I wrote back to them and I asked them to cancel my trial. I did a short Bible study with it, and it was wonderful. Very, very convenient. But I can see how it could become VERY time consuming to learn the program and then go into this nook and cranny, and that nook and cranny... And really--endless, endless rabbit trails. JUST for the sake of satisfying curiosity. And I get so much more out of Dwelling Prayer than I do out of Bible study. And it lines up with the Bible study. So, it's not a problem.

Moving on... Lord, do you have a message for us?

"My people, your perspective on your lives is very slim. It is determined a great deal by your desires to know things that, in the end, are irrelevant. The only way I can save you the heartache of a bad conscience and lost time is through your obedience. You know when you push the envelope. You have that shaky, unsettled feeling in your hearts. That means: Wrong direction--go back! If you ignore that, you just get deeper and deeper into self-will."

"In the long run, if this continues, you need to ask yourself, 'Do I really WANT to serve the Lord?? Or do I want to serve myself.'"

"I would love to save you the wasted time. You need to go deep and ask that question of yourself. If you are struggling, without any success, I would suspect you are not ready to serve Me. I can always make you ready, if I know that is your heart's desire. But YOU must begin to make the effort. Cooperate and yield to Me. Time matters. The longer you wait, the more you lose. And you lose a lot that could have been--and made you happy, as well."

"Now, if you do something that you are unsure of and feel a deep satisfaction afterwards--a real, alive feeling. Not a sinking heart, but an encouraged, enlivened heart. Then you have done the right thing. Proceed.

"This is so simple, a two-year-old could learn it--and does. Children do many things by instinct, and withdrawing from something not good for them is very often done by instinct. This is one very positive attribute you could rekindle in your lives.

"Living for Me is so very simple. I train you in your conscience. But if you want something I'd rather you don't have, you will find ways to justify it.

"I am extremely patient, but I do wait for you to wake up. And there is a loss of connection with Me when you ignore My counsel and keep going. And that doesn't feel good for Me or for you.

"I hate it.

"I want you closer and closer to Me by the minute, and that means obedience from one moment to the next. Obedience brings a great reward. One reward builds on another reward, until we are of one heart and one mind.

"THIS is what I want for you. Is this what you want from Me? If it is, I have just given you the way to attain it. Be obedient at all times. Ask yourself, 'What would make my Jesus happiest with me?' Then do that thing.

"Don't stop to ponder what you will lose by doing it--just do it! When you examine all the self-will plus-points, you can stack them to the ceiling, trying to justify your will. But it will never reach to Heaven, which is the dimension you are in when you are obedient and we are dancing cheek-to-cheek, so to speak.

"There is nothing I enjoy more than our pure union of hearts. In that state, we do everything together, and it is the closest thing to Heaven on Earth. It's up to you. I am willing, but it will cost you much.

"Your pet projects and ideas will have to be laid down for what I want you to do. This is where a lot of souls falter and compromise. But I will never give up on you. I will continue to coax you to die to yourself, so that I may have free reign in your life.

"Please consider. What do you really want to look back on at the end of your life? A life dissipated with many dead ends? Or a life of great accomplishment in being in union with Me? A life of frustration? Or a life of Joys!

"It is your choice, My Beloved. I have already made My choice."

Trust Me (& a short gold update)

January 7, 2018

Thank You, Jesus, for Your incredible patience with us. Help us to see how the very littlest things that are outside of Your will for us are baited traps, waiting to break our wings. Amen.

Lord, I wanted to ask You when the gold would come into play.

He answered, *"For now, it is good that you have it set aside. I have My reasons and they will unfold in due time. In the meantime, be anxious for nothing. Know that what you have set aside was done out of obedience and it will bear good fruit--as long as your heart is not set on material gain, but set on the exploited children of the world whom I weep over daily. Yes, I did intend that to benefit them. Be at peace. You did the right thing. Let it sit for now."*

Thank you, Lord, for clarifying that.

Well, dear Heartdwellers, I am coming to realize that my life is a minefield. Not of bombs, but of distractions that are waiting snares set to break my wings.

Today, next to my video, was an excellent source for updates on the Deep State, without having to listen to a bunch of filler. I gave into temptation and listened to about five minutes and realized, 'You know? I really don't want to hear this garbage.' But her other headlines caught my interest, so I clicked on one more--and that one, too, was full of dark stuff I just don't want to hear. Even though it's true.

However, from time to time, if I got the Lord's permission, this is where I would go to listen. Please don't ask me where that is--you'll get me into deep trouble!

Something deep in my heart said, 'He doesn't want that.'

So, yesterday's momentary struggle was over a family tree project we began. Turns out, I have middle eastern DNA, which was quite a surprise, but confirmed a word from the Lord to me. But I am never satisfied with the superficial things. I always want to go deeper and deeper.

But I felt the Lord putting the brakes on. And as usual, my self-will was feeling squeezed into obedience. I struggled with this distraction and finally gave it up. Thank you, Lord, for the grace to do it!

So, today was the political news on what our President is accomplishing--and I struggled with wanting to know more about it. I had it bookmarked, and my husband suggested I delete the bookmark. Oh, I sure didn't want to do that! So, I struggled.

After communion, the Lord came to me and said, *"Are you ready to obey?"*

That did it; I deleted the bookmark. Ouch!

Dear Heartdwellers, curiosities are deliberate, baited traps set to clip your wings and keep you from fulfilling your destiny by eating away at time and energy that should have been spent on your mission. I am the very worst example of that, and I am warning you--please: if you love the Lord and value your mission--don't fall for these things. Avoid them like the plague! They are the fowler's snare.

Jesus began, *"You cannot compromise, Clare. Not now, not later. You cannot afford to compromise. No, I am not going to threaten you. But it is serious and you need to be aware that you cannot afford to compromise."*

"I love you, dear one. I am only doing what is best for you. If it were good for you to listen to those things, do you think I would deprive you?"

No.

"That's right, I would not. You will be much happier, I can guarantee that. Besides, I have music for you to write and there are those who are still waiting for you to put out new music."

"I am gentle and kind at heart--and if it were healthy for you, I would not censor you. If it would bring you a measure of comfort and good, I would never censure you. But I tell you the Truth: it is pure distraction and a portal for the enemy to pour the world into your head. In that condition, you do not function on the beautiful, high and lovely place I have designed for you."

"Trust Me, Clare. This place I am taking you to is so much better than where you have been. Despite your flaws, I am not turning back on you or leaving you to the wolves who are continuously circling you, looking for a way to attack and kill you. They are relentlessly evil and Hell-bent on destroying you. They hate intimacy with Me more than anything else, because it changes people's lives for the better and sets them free to fully become who I created them to be. Truly, I live and breathe and move from inside their hearts."

"I protect you from them, unless you walk into their den and eat from their table. Well, that is hardly the stature of a pure and stately soul. It is more the stature of a hungry dog. That is why I am keeping you from this whole line of thinking and investigation. It is utterly worthless and toxic to your soul. Of course, the enemy knows this and plagues you with opportunities to indulge. But if you will resist him, you will be safe."

Then I went to open my browser to erase the bookmark...right? And the Lord gave me this Rhema:

If the Lord had not been on our side-- let Israel say--if the Lord had not been on our side when people attacked us,

they would have swallowed us alive when their anger flared against us; the flood would have engulfed us, the torrent would have swept over us, the raging waters would have swept us away.

Praise be to the Lord, who has not let us be torn by their teeth. We have escaped like a bird from the fowler's snare;

the snare has been broken, and we have escaped. Our help is in the name of the Lord, the Maker of heaven and earth.

Psalm 124

Jesus continued, *"My people, do not suppose you can dabble with fire and keep from being singed. Do not think you can compromise with your time to indulge in a distraction and come away from it unscathed.*

"The enemy is very clever. He puts a juicy tidbit in front of you and whispers, 'Wow! Check this out--it will only take a moment.' And off you go. But that moment turns into three minutes, five minutes, ten minutes... Four more videos later and you've lost an hour, your mind is hazy, and your head is filled with filth.

"When you go against your conscience you always lose. Always. I am trying to spare you that by telling you how very important it is to restrain your curiosity and keep your heart and mind focused on what is good and pure and holy. Or what I have designated you to do.

"This is where the fruit is sweetest and richest--in the place that I've designated for you. It is counter-productive for you to work in another man's orchard. The fruit from your orchard is compromised. While you are gone, the birds peck away at it, the grasshoppers feast on the foliage, brigands come by and steal bushfuls, and the enemy cuts the tree down. You cannot afford to be gone from your orchard: too much is at stake.

"Protect your gifts and your assignments with a life of obedience and trust in Me. I only want what is best for you, My dear ones.

"Very simply: if you love Me, you will obey Me. And I will protect you from the snare the enemy has set to cripple your wings, so you can no longer fly."

"Anyone who loves me will obey my teaching. My Father will love them, and we will come to them and make our home with them." John 14:23

And the other Scripture that's been ringing in my ears the entire time during this recording is: "Do you love Me more than these?" John 21:15

And that's what Jesus said to Peter three times. Because Peter had snuck back to his fishing industry. And the Lord was wanting him to continue to serve Him. You can't run a fishing industry and serve the Lord at the same time. That was not his designated spot. That was not what God created him to do.

So, He asked (Peter) three times: Do you love me more than these?

God bless you, dear Heartdwellers. Please, for your happiness now and in eternity, stay away from distractions like the plague. Take it from one who knows.

When You Are Tempted To Give Up...DON'T!!!

January 8, 2018

Lord Jesus, please fill us with your hope and courage as we wait on You. And teach us that, unless we abide in the vine, we can do nothing of any worth for the Kingdom of God. Amen.

Well, my precious friends, you are all so very special to me and I open my heart to you so you can see my struggles more clearly--they are mighty. Fasting and praying the nation's dramas through, Christmas and a very sick husband have all taken their toll. And I have found myself without any motivation to play music or sing. And I mean REALLY flat-line. Down-in-the-pits flat-line. Lower-than-low flat-line!

So, I came to the Lord in desperation, because I knew I could not fix this one. No amount of caffeine would fix it.

I began, "Lord, I don't know what to do..."

Jesus answered me immediately, *"Listen to Me, Clare--don't give up. Please, don't give up. I will help you. Please, do not give up."*

Lord, I have to see something, some sign of life, something... You know I want this with all my heart, but I no longer believe in myself.

He replied, *"This is the work of the enemy."*

Please, can you restore some kind of faith? I am truly bankrupt.

"This is the work of the enemy. They want to kill you, but I will not allow that. So, instead they want to break your heart. Lies, lies, lies. They are pummeling you with lies that you can't do this, you are all washed up, you're wasting precious time trying to do something you're just too old, and tired and weak for."

"Do you want to believe that?"

Well, no, I don't. But somehow that's finally hit the mark in my heart and I feel dead inside.

"Clare, the darkest hour is just before dawn. You will rise again. Trust Me. I am the Author of Life, and you will rise again--better, stronger, brighter than before. You are not deceived, just very, very tired and depleted of hope. But I am here to restore you. Can you give Me the time I need?"

What do You mean?

"The hours of silence. The hours of sitting before Me and allowing Me to heal you from the inside out?"

When He said that, I heard 'four hours', and many days I spend 3 hours. So, I asked, "Four hours of sitting in silence before You, Lord?"

"Yes. You've been running, running, running and now you're running on empty. I need you to sit before Me in the silence and allow Me to do the work of restoration that is necessary. If you can do that, I promise to get you back on your feet. What I am asking you for is time; more time with the Spouse of your soul. Give it a week. Will you give it a week?"

I will gladly give it a week. Thank You, Lord.

"Come to Me, all of you who are heavy laden and I will restore your souls.

"My people, many of you have been running on empty and you wonder why you feel like a failure, discouraged and unable to live up to your dreams. May I say it is because you have allowed yourselves to cut time with Me short, to be busy doing other things? You can do that when the quality is simply mundane, daily matters. But you cannot do that when expecting to minister on the level I have brought you along to. You cannot give what you do not have.

"And there are many reasons you do not have. One is that on this Channel, as much as you love it, you have real enemies who are going for the throat in your lives. They hate what is taught here, they hate you who listen in and you who comment. And they have made it their business to bring every one of you down to the pits, so you will never realize your potential.

"If you are on this Channel, loving this teaching, you will have to get up and fight for the right to prosper in your calling. The good news is that I am bringing you along. The bad news is that the evil ones hate that, so they try to sabotage your lives.

"Do you know the target they aim at? No, it's not money, not sickness or betrayals, or opposition...those things may be used, but they are not the target.

"The target is your relationship with Me.

"The very moment you put your relationship with Me in second place in your life, you have begun the downward spiral. Not only that, but you must fight every day to be loosed from the enemy. These are not like days gone by. These are days that only the strongest, the bravest, the most persevering and the most pure of heart and motive will succeed. Why? Because the opposition of the end times is way beyond the opposition anyone has experienced before.

"More and more demons and Satan-worshippers have been released on this Earth, and what could have been done with strong effort and consistent action fifty years ago, now takes monumental effort and heroic action.

"This IS the last battle before the Rapture. This IS the hour of greatest trial for the Elect, because by the time you conquer this period of time, I will be taking you Home.

"This IS also the time of potentially more fruit than ever before in the history of this Earth. But if you want to be a part of that, you must be mercilessly committed to your time with Me, because I Am your ONLY source of strength.

"And those of you who have recognized that and refused to compromise your time with Me, you are the strongest of the lot. Because I live in you strongly, you cannot be conquered, because I cannot be conquered.

"This is what is required of you, Heartdwellers. I am telling you this right up front, so you can measure your commitment to Me and decide whether or not you are willing to do what it takes to succeed.

"Clare is not the only one beaten back and beaten down. Clare is not the only target; all of you are. Why? Because I called you to this Channel, so that you could rise up in your ministries and draw all men to Me without religious agendas, without judging others, without jealousy or fear.

"I need you, My end-times army. I need you to shape up, so I can ship you out. But this will not be accomplished by compromising your time with Me to hone your skills or get things done. Try as you may, you will come up close to empty-handed if you follow that philosophy."

I just want to make a note here. Rick Joyner, in his book...I think The Call, talks about the dynamics and the politics in the church. And how this hinders the end-times army. What are the main things? The main things are: Jealousy and Fear. Jealousy and Fear. And along with that goes Religious Agendas and Judging others.

And the one thing the Lord has stressed on this Channel is, we are NOT to push our own favorite religious agendas. And we're NOT to be judging AT ALL. There are serious consequences and backlashes, with open doors to demons, when you judge other people. And we're not to be jealous or fearful, because the Lord is with us.

So, these are the things Rick Joyner talks about that are the worst, the very worst and most deadly things in the Body of Christ.

So, back to the Lord, here.

Lord, is that why I can't do that? I've tried to push ahead with music, but I can't bear it for long when I know we have not had our time together.

"Yes, it is a great grace you have been given--and not just you. Everyone on this Channel has been given the opportunity to embrace that grace and bear good fruit.

"But the ones who have mistakenly put their time on action and accomplishment, compromising their intimacy with Me, will fail miserably. They may do works, alright, but not necessarily My works. They will be human works of wood, hay and stubble--consumed in the fires of judgment.

"To have a golden heart, you must be pure and endlessly persevering in your relationship with Me. And most are just not willing to put that much time and effort into it. It's more like 'hi-five and be on your way'. Not only that, but you must be free of willful sin. That is, free of doing what you want to do, when

you know in your heart it is not My best for you.

"Those who purify and put to death their secret agendas and desires will conquer themselves, and I will use them. But those who continue to roll in the mud I will pass by with My choicest ministries.

"Those of you who already have ministries are being taunted by Satan's emissaries to devote more time to the ministry than to prayer. Why? Because they know you will run yourselves into the ground and become lukewarm.

"It's up to you, My people. You may have whatever you want, but it will cost you. The higher your desire to serve, the more it will cost you.

"I purify vessels before I use them, and many of you have been going through this purification for months now. That is because I am looking for those I can assign My choicest ministries to--so I am turning the heat up. If you have fallen for the enemy's lies that you need to spend more time in ministry (to the detriment of being with Me), you have fallen for a fatal lie that will, in the end, disqualify you.

"Come now, My Brides. Enter into the chambers of Love, where I will equip you for the turbulent forces you must face and overcome before you can grow into the full stature necessary to carry the anointing I want to give you.

"For you, Clare, I am asking more time, so I can repair damage and strengthen you again. But anytime any of you waver in your commitment to Me, anytime you look for distractions to take you away from the heat of the battle, anytime you begin to long for the leeks in Egypt, let this be a sign to you: you need much more time with Me.

"What does that look like? It looks like repenting, having a communion service, getting Rhemas and correcting course to what I give you.

"It looks like soaking and dwelling prayer, it looks like Scripture reading, and holy book reading. And it looks like resting. A great deal of resting in Me.

"These are all ways I minister to you. And that easily takes a few hours. When I send you forth from that state, your head is clear; your enthusiasm, hope and perseverance are strong and every attack of the enemy is dispelled by your prayers. But if there is compromise, your prayers will be weak and you will feel your conscience tugging you down."

And that was the end of His message. And as I went on the Internet to do something, this rhema came up:

"I suffered like a dove, without complaint. But some seemed to find pleasure in vexing Me in whatever way they could. My patience irritated them. But God gave Me so much inner strength that I endured it calmly."

And I just want to mention, dear ones. I want to thank those of you who've been faithful to support our ministry in prayer and in donations. Thank you so much. You make our job so much easier.

And I wanted to let you know that I'm working on a song right now, that I'm not putting up quite yet, but

I've got the first draft done. And it's coming along. The Lord is really helping me. But I think it's going to take a lot of inner inspiration and fortitude for me to sing it the way I want to. That still is a bit on the flat side. But it's coming along. There's progress, and I am so grateful to the Lord for that. Because when I started this night, I didn't have ANY incentive at all. But He gave me a spark, and I went with it. And I'm encouraged.

We love you, dearly, and I appreciate so much your comments. They're very beautiful and very deep. And we are so happy to have you on our Channel and to hear what you have to say in the comments. It's a real, real blessing.

God bless you all, dear ones.

Make a Passionate Proclamation of Our Love for Jesus

January 13, 2018

Sweet Jesus, give us the courage, please, to be willing to stand out for You. And declare Your Love openly. Amen.

Well, my dear friends, I have been on a mission these last four days and that's why you haven't heard from me.

In learning how to sing I have come across something very foreign to me... I do not want to call attention to myself by grand demonstrations and loud passages in a song, but I can see it has become necessary for the one I am working on.

I told the Lord, "It is seriously troubling me."

Jesus replied quite unexpectedly, *"Don't be afraid to show your Love for Me."*

But it feels dramatic, more like stage acting. This is SO not my nature! Please help me understand and do what is right.

"You mustn't ever comply with sin", He replied. "But I have put you in this position, because your natural inclination is the hidden life. You hate anything to do with ostentation, and well you should. Shall it not be safe for Me, then, to put you on the Stage of Life to declare your love for Me?"

And, I have a little note here. I was working on a song and all of a sudden, in a very appropriate part of the song, I got very loud without any conscious effort and it took me by surprise. And I thought to myself, "Hmm...was that a holy accident? Am I missing something here?"

But I feel so repressed; this other way is not my nature.

Jesus answered me, *"I will conquer your nature, dear one. I almost did it the other night, but you balked... However, you recognized something. When you hear Kari Jobe sing, does she draw attention to herself?"*

No. I feel her passion for You, and her deep, intense feelings and my heart resonates with that.

"Exactly. Clare, there is something in your heart that others could resonate with IF you let it out. The quiet music is important, I do much through that, but there is also passion: the passion you feel when you cry out over Me. And I wish for that to be brought out to souls, to help heal them, Clare."

At this point, my eyes teared up.

"You always wanted to be used in healing, and for that there are many different gifts, even in music. Some healing takes place through association and acknowledgement that their feelings are valid. You share what is in you, they resonate and a certain acknowledgement/knowing/validation is resonating with them

that makes them feel more whole.

"You are not upstaging Me; you are revealing the inward joy of My Heart in yours. It shines from deep within and gives off illumination.

"Don't be afraid to show emotion. When you get angry--and I do mean really angry--people around you tremble. Thank your God it is not often or without good cause. Can you not express the same intensity in Love for Me?"

Sigh. With Your help, I can do anything!

"Exactly.

"You've been longing to hear from Me. Don't stop now!"

I was thinking that's all He was going to say. LOL

He continued, "My precious Heartdwellers, many of you are in bondage to social norms and posturing. Don't you know that I love it when you get excited and on fire for Me? Do you know that I get excited and on fire for you?? Well, I do and the angels and citizens of Heaven will bear witness to that.

"But many of you have been taught to repress your feelings; to hide them, don't be vulnerable, protect that soft interior. Yes, I understand that--self-preservation from ridicule. But also, it is a fearful response and it puts your fire out, which is exactly what it was intended to do. Satan is behind ALL repression.

"Do you know Heaven is not a quiet place, like many have been taught to believe? Yes, I gave Jesse duPlantis a chance to see Me preaching with passion. What a shock for some!"

Yeah, it shocked me, that's for sure!

Well, Lord, Scripture does say You will not shout or cry out, or raise Your voice in the streets. Isaiah 42

"Do you suppose that means that I will not get excited?"

I don't know what to think.

"This saying has more to do with abuse and harshness, than preaching and admonishing. Why should I not shout out the Good News My Father has sent Me to proclaim?"

"Clare, it is OK to be passionate and loud. You are still under a bondage, of sorts, to stay low key."

Well, it seems that so many have been put off by fiery preaching and You are all about love. And love is gentle and kind... Well...I don't know how to answer You. Except that I detest loud hollering and condemnation that some preachers do. It brings condemnation instead of conviction. Frankly, I can't even stay in the room with it anymore.

"Oh, now wait a minute--many souls need this, Clare. You are little and gentle and don't need it, but there

are those hardened in sin that need a forceful presentation to provoke them to look at themselves in My Mirror. The scribes and the Pharisees were, and still unfortunately are, one such group.

"Do you think I said this gently? 'Woe to you, teachers of the law and Pharisees, you hypocrites! You are like whitewashed tombs, which look beautiful on the outside but on the inside are full of the bones of the dead and everything unclean.'" You think I said it that way?

"WOE TO YOU, TEACHERS OF THE LAW AND PHARISEES--YOU HYPOCRITES! YOU ARE LIKE WHITEWASHED TOMBS, WHICH LOOK BEAUTIFUL ON THE OUTSIDE, BUT ON THE INSIDE ARE FULL OF THE BONES OF THE DEAD AND EVERYTHING UNCLEAN!"

Yeah.... Yep! You sound angry.

"And rightly, too, for what went on in the back rooms and depths of the temple. Defilement and everything unclean; and that is precisely why I sent the Romans to destroy it. I will have no part with uncleanness. Do you think I was mild-mannered when I overturned the tables of the money changers? No, indeed not! I scourged and castigated them for their impiety, presumption and greed in My house, of all places.

"And when I raised My voice during the Sermon on the Mount--was I meek or was I passionate? I was declaring the blessedness of those this up-side-down world calls worthless. I declared their beauty and blessedness openly to set the record straight.

"In short, there are times to be quiet and times to speak out.

"Now, getting back to your singing. You are missing quite a piece of the puzzle, because you have not been trained to entertain. And I am not asking you to fake it. I am asking you to let all your love hang out--so to speak.

"People need to be touched and inspired; this is the place and time My angels and My Spirit minister to the multitude. Some would call it entertainment. I call it ministry, with all the depth of human emotions present to minister to souls. Some are repressed beyond belief, Clare. They need a voice crying out in the wilderness, and that goes for songs, as well as preaching. Indeed, you preach through your songs. Perhaps this is the best way to get you to let it go."

Well, I never really understood this, Lord.

"And yet you have always wanted to act, have you not?"

Well, when I was a teenager, I wanted to communicate and convey the things that were inside of me.

"Well, buckle up. You're going back to those days."

Wow.

"Yes, you have mellowed with age, and that is as it should be. And our music that is mellow serves a very important purpose. And so will this music, which is not so mellow at certain points.

"Clare... You are still resisting Me."

Ah! I can't hide anything from You!

"No, you can't. But I can help you understand. This is only a tool of communication. There are times to reflect peace; there are times to reflect passion. Allowing your feelings to come out is a whole, healing and kosher, I might add, practice And by the way, practice makes perfect--we will work on this."

Boy...

"My people, what I am telling her applies to you as well. You see how passionate people are about rock stars and football games, and that passion draws attention and gives license to others to express their feelings."

"Where is the passion of My people? The passion they feel for Me? Where is the outcry against injustice? Where is the celebration of your faith? Is it alive and passionate--or suppressed under a burden of the fear of looking foolish?"

"I want you to be yourselves, and express yourselves as you truly are. Otherwise, how will normal people come to know how wonderful it is to be in a relationship with Me? How will they know I can save them from their shame and failure? How will they know I can rebuild their lives? Unless you express openly the wonders I've done for you."

"You are My emissaries and ambassadors of freedom from sin, freedom from addiction and self-hatred. Freedom from darkness and confusion. Oh, how liberating it is to be reborn in Me."

"But who will I send to express this gift beyond comprehension? The lukewarm? No, My people, you must be a 'virgin' with a lamp full and more to spare. You must be enkindled by My Holy Spirit, free from worry, free from fear and condemnation. All these gifts are yours for the taking as you go deeper with Me and in My Word. Truly, the reading of the Word does wash your souls, it does cleanse, bringing conviction and then hope with the eternal promise of My unconditional love for you."

"No matter what you've done--no matter how many babies you have sacrificed for personal gain and satisfying Satan, there is still much hope for you. And I wait. Why do I wait? Because I know you are some day going to wake up and realize your practices are not bringing peace but war, not happiness but loss and sorrow. I know those who are Mine and have been led astray by Satan's empty promises, and I know you will come to Me. So, I wait."

"Take, as an example, the many Satanists who have been on fire for evil and their hearts are now on fire for Me. They travel tirelessly, declaring their love for Me. And I use them, because their lamps are full, they are head-over-heels in love with Me. For those who have been forgiven much, will love much."

"So, I am looking to recruit those of you who are on fire and loving Me. I want you to express your passion to others, because when you reveal the inner glory you live in with Me, they, too, will want what you have. You will be an inspiration for new life and the hope of glory stored up for them."

When Jesus said that, this Scripture came to mind:

"I have become the church's servant by the commission God gave me to present to you the word of God in its fullness-- the mystery that has been kept hidden for ages and generations, but is now disclosed to the Lord's people. To them God has chosen to make known among the Gentiles the glorious riches of this mystery, which is Christ in you, the hope of glory. He is the one we proclaim, admonishing and teaching everyone with all wisdom, so that we may present everyone fully mature in Christ. To this end I strenuously contend with all the energy Christ so powerfully works in me." And that was Paul to the Colossians 1:25-29

Jesus continued, *"Paul was passionate, unashamed to proclaim the gospel.*

"So, Clare, to come full circle--do not be ashamed to show your love for Me. Remember this is about Me. And those who acknowledge Me before men, I will acknowledge before the Father. Heaven is a place full of rejoicing and all you are doing is bringing Heaven down to Earth.

"Thy Kingdom come, Thy will be done."

How to Preserve Grace--Receive My Love

January 14, 2018

Dear Jesus, please forgive my reluctance and easily distracted feelings, and help me to receive Your heart with all of mine. Amen.

These past few days, as I have entered into His rest for several hours a day (as He asked me to do) I have been blest with a sublime love that is difficult to communicate.

If you have ever fallen in love deeply, and the other person has also fallen deeply in love with you, and you are dancing together, for instance. Your eyes penetrating one another's being. You can come close to understanding that feeling when Jesus looks into your eyes with overwhelming love for you.

Nevertheless, I still struggle to keep that focus and receive it. He has tried every day to reach inside my depths with His love. And I get a fleeting taste of it, but then I lose it. Oh, it is so frustrating for me! And I can't even imagine what He is going through.

Jesus began, "You just can't understand the love I have for you, Clare. It is way beyond your comprehension. Your person is so clogged with condemnation and self-hatred, it is very difficult for Me to get through to you. Nonetheless, I try. And once in a while--like the past few days. And the time when I took you to your palace. Once in a while, you get a glimpse.

"Ours is very much a working relationship, so switching gears doesn't come easy for you. I long to tell you just how much affection and profound love I have for you, but you are sometimes very reluctant to embrace My true feelings."

In fact, the Lord has been complaining to my husband Ezekiel about this, that He's trying to get through to me and I'm just...uhh. Not there.

Jesus continued, "Of late, you have been thinking about the facet of Me that belongs to you. Oh, that is so correct! You see, each person is like a complex plug that fits precisely into the right terminal. Every single plug, or makeup, of a soul in the world is different: different sizes, combinations, length, width, and depth. Every single one is unique and different.

"My Father has different receivers for each plug, so to speak. Ezekiel cannot fit into your receiver, nor can you fit into his. Each baby that is born comes with their own blueprint or plug, and My Father's desire is that, someday, that baby will grow up and of their own free will return to their origins to plug into their Father. Only then can a soul be completed; only then can My Father feel completed, because that being He loves has returned to become a part of Him again.

"This is why it is so tragic when a soul is lost. That very singular, unique outlet in the Father remains empty and incomplete. Nothing, absolutely nothing is more painful to Him than the absence of a soul for

Eternity. When you returned to Him, you connected to that one-in-a-billion socket from which you were created. You completed the circuit.

"Now you and I have a very unique and special relationship, and you see Me very clearly, hear Me clearly and feel My deep love, as well as have a working relationship. And while I am infinite, I am presenting Myself to you in those moments as the completion of your connection to the Father. So, you can stand to look at Me, speak with Me, hold Me and be My spouse.

"However, when you are in corporate worship, you see the whole billions of circuits. And it is overpowering with light when you see Us all connected as one whole and entire, rather than as your individual and unique part--your Jesus, your Father, your Spirit. The aspect of Us that is uniquely fitted to you, alone.

"And so it is with all souls.

"So, the disparity in explanation that has troubled you, is why do some see the Father tenderly holding them as a child on His knee? While others see Him as this huge, magnificent, overpowering Person of tremendous force and illumination. When that aspect of Him is revealed, He is revealed in His entirety. That is more power than you can possibly relate to.

"However, when the unique part of Him that is yours appears, you are able to sustain a relationship. So, at different times it is personal and intimate; at other times it is corporal, as in worship in Heaven when He is on the Throne.

"Now, getting back to our love relationship. You have no way of understanding the infinite love you embody from the Wellsprings of Life when you and I are connected and are one."

Here He's talking about being connected in the purest way. This is not about sex, it is about a spiritual union.

He continued, *"You appear to Me as My soulmate, My completion; the creative expression of My very being which is uniquely yours. And there is a transfer of energy in that you, independent of Me, choose to unite yourself to Me. When this happens, My glory is displayed in our union of hearts and I cannot help but feel the most mighty and overpowering love for you. You, in a sense, are the singular completeness of the Father, the tiny circuit or plug that has a combination of terminals that no other soul was created with.*

"For Me, this is an ecstatic experience, just as it can become for you.

"The night you received Me into your life, you felt that ecstatic union for 45 minutes. And that was just a foretaste of what you will feel when we are totally One in Heaven. It takes time to understand, assimilate and function in this state--you become transformed into My state of resurrection glory. What I am saying, My Love, is that what you feel when we are truly tuned into one another; what you feel is but a speck of what I feel. And I long to communicate that bliss to you, even share it with you.

"However, you hamper Me by a screen full of filthy opinions about yourself. Accumulated condemnations flung at you by demons. False notions of guilt, accusation, and the lingering stench of past sins that you

find almost impossible to free yourself from. Truly, that is a job for Me. But you have to let Me into that holy of holies in your heart, so I can clean that refuse away, burn it away with My love and forgiveness so that nothing remains between us to hinder.

"When you come to this place, you reflect My glory more perfectly and your very presence is full of healing. This is why it is so important not to add anything to that screen by willful sin, or doing anything you know in your heart is displeasing to Me. This brings shame and guilt like a thick sludge to block your view of Me. Knowing how good I am to you brings you to the point of avoidance because of guilt.

"This is how the demons manipulate you into a state of separation from Me. 'Oh, He is God. He will understand. Go ahead--He'll forgive you.' Then after you've done it, 'You wicked, vile person! How can stand yourself? God can't stand you. He can't--you are too filthy to be in His presence.' And of course, you withdraw.

"And that IS true. However, with confession and contrition, I wash away that guilt--and in time, you can see Me clearly again. But that does take time.

"During that time, there was something very important I wanted to do with you and could not, because you had breached My trust. The devils see this coming, so they set you up, so that what I planned to do with you cannot be accomplished until you repent and are fully restored in both My eyes and yours.

"My People, if you are serious about serving Me, you cannot enter into willful disobedience. What is licit for one may be sin for another.

"For instance, if you are supposed to be fasting--and you give in to gluttony and eat a double fudge sundae, you break our connection until you fully repent for having hurt Me. On the other hand, a person going out for family night may have the sundae and not feel condemnation. Because it is allowed in My perfect will for that soul.

"Repentance takes time My people. You don't just say, 'I'm sorry, Lord,' and it's all over. There are residual consequences that take time to clear before we are restored. If it is a mistake you made out of ignorance, that can be washed away fairly quickly. The length of time depends on the gravity of how you betrayed My trust. That is what determines how long before we can repair the damage.

"Timing can be critical with a soul I am trying to use you to reach. The devils know this, so they work very hard to tempt you and break that bond, so the soul I had in mind cannot be ministered to by you. Of course, they don't always know, but they surmise, based on proximity, and their observance of past actions of you both.

"So, these are the anointing-robbing tactics of the enemy. When you are clean before Me, you minister with confidence, knowing that I am quick to answer the prayers of those who love Me and demonstrate that by obeying Me.

"And of course, there is that other dynamic--protection from temptation. My angels watch over you, Clare, but if you take it upon yourself to pass judgment on another soul, it creates a hole in your protection and the demons gain entrance. And I allow this to convince you of your lowliness, your weakness, and potentially sinful nature--so you will NOT presume to pass judgment on anyone.

"You, in My Body, who pass judgment on others: you are shooting yourself in the foot and losing massive amounts of Grace. What you dream and hope for will be opposed until you learn to honor and esteem others more than yourself.

"The littler and poorer the soul, the greater offense it is to Me when you make ANY kind of judgment against them. If you know and practice this way of thinking, even in the hidden chambers of your hearts, you will grow in grace and anointing in My Kingdom. You will also be honored by the angels, who will come swiftly to your aid. They are gravely offended by the poison of presumption.

"Most of you already know this and are practicing it. But be especially on guard when someone offends you. This is a time when you are most vulnerable to lashing back with judgment. That is another reason I don't want you looking at the news. Much of it is a lie, and when you respond with condemnation of others, because of a lie you heard, it is a serious sin in My sight. Even if it is true, I would prefer for you to respond in charity for the offending souls and pray for them.

"And many times, this attitude deprives you of the operation of the graces I have granted you previously. So, you pray and wait for My anointing--then after you get it, you squander it by judging others. And believe Me, the demons watch very closely when you've been given a new grace, so they can provoke you to do something to lose it before it damages their kingdom of darkness.

"I tell you these things, My dearly loved ones, so that you can advance in holiness and the anointing to break the yokes of evil that have been put on My children. I count on you to follow this teaching, because it is vital to your growth and the salvation of other souls who could have been touched by you.

"This is why, when you visit Heaven, everyone is so glad to see you--like a tail-wagging puppy. They have been healed of all their tendencies to size you up and judge you. In Heaven, souls do not judge--they welcome you with love. And if you are headed for the trees to eat the fruit and drink from the River of Life, they understand--because they, too, have passed that way.

"I have shared these things with you, because I love you all so deeply. And I want us to function in the fullness of our potential, that you may be filled with My joy and that it spill out onto others.

"Walk in this way faithfully, and you will become holy, even as I am holy. I truly love you so very, very much."

Why Are People Leaving My Church? (message repost)

January 17, 2018

My Beloved, We have stirred up quite a bit of controversy over this last video and I want to make it clear that I never said forsake the fellowship of the brethren. But when the fellowship becomes empty and busy-ness or business as usual covers over that emptiness, it is time to make a change. Many pastors don't want to risk change because they are afraid of losing people that like it the way it is. This is idolatry and bowing down to men. But, the very thing they are trying to avoid happens anyway. The good people that

long to go forward with Me become disillusioned and leave. Those who are happy in their comfort zone stay. The church slowly dies. This is what I am addressing.

When people are chosen for leadership in worship and teaching, because they are popular or wealthy and respected, there is compromise. If I did not choose them, their ministry will be flat, lifeless, tasteless. People will not experience My perceivable presence, hearts will not be opened or healed, precious communion with Me will not happen in the service. In teachings, the people will not grow because what is taught is safe and without challenges. Don't you see?? You cannot serve God and man? Haven't you seen enough decay and death to be willing to take the chance of following My leading?

There is a strict pecking order in most churches, meant to protect the pastor and staff and keep everyone happy. Protecting the pastor, protecting anything, stems from fear - not Love of God, not Love of the sheep. When decisions are made based on the status quo, the anointing is squeezed out and what is left is stale bread. The pastor has insulated himself from criticism and correction and the sheep have no recourse but to comply or leave. Very often families have many ties in the church and leaving is a painful alternative. Besides where would they go that would be any better?

This is a plague in the Body right now, and people die from the plague. My answer is that if you are a shepherd and you're not leading according to My counsel, you will be held accountable for the loss of souls. They may sit in the pews, but when they leave they go right back to their sin, because there is no conviction, no interior fire.

When I lead a flock, I address the illnesses. I tend the wounds. Favoritism and politics are forbidden, they do not exist in My church. A pastor after My own heart will never yield his office to the pressures of the flock. Never.

He will walk away and leave them before he will bow to their counsel if it opposes Me.

Shepherds, who are you listening to when you choose worship leaders? Teachers? Intercessors? Who are you empowering in growth to serve Me? Where are the ministries that address troubled marriages, teens, and the elderly? Are you caring for all the sheep or just the ones with the thickest fleece? Are you watching what they feed on or are they going toxic from attractive but poisonous plants? Are you

correcting and admonishing behaviors that are demoralizing, or are you avoiding conflict?

You see, the sheep see it all. They know where they can slip by you: your buttons, your avoidances, your favorites

- they read you like a book. Many have made My churches social clubs where the elite from the world are the leaders in the church because everyone respects their worldly achievements. That is everyone... but Me. That's feeding them moldy hay - that's not fresh, vital green grass. Everyone confesses Me, but deep down inside they are empty and languishing. They look healthy from the outside but their internal organs are rotting. Must they wait for the judgment to find out why they are dead inside? Don't you know it's too late then?

Your job is to keep the flock healthy. If one has an infestation ,it needs to be isolated and treated, not mixed in with the healthy ones, lest the whole flock become sick. So, one of your deacons is committing adultery with another deacon's wife. You just don't want to address it, but it's not going away - rather the plague is spreading to the other sheep. They know you look the other way, and their conscience has become so numb because you haven't addressed what I wanted addressed, and things are so far gone and out of whack they've been left vulnerable to the wolves. The pastor is sound asleep or pre-occupied with the new building program and the

wolves go to work right under his nose."

As an aside, Family, I am really struggling with this message. I really don't like giving messages like this, so I keep double checking to see if it truly is Jesus, and He just keeps saying, "Just keep writing." Now, after the fourth time of making sure it is Him, tears are rolling down His holy cheeks.

"Just keep writing Clare, just keep writing."

The last time I discerned this, it was at the very end, I think it was the fifth or sixth time - both Ezekiel and I discerned it - and got Holy Spirit. So, this IS the Lord.

You see, you have chosen the worldly to lead. They will inevitably lead everyone right into the world. You've won the popularity contest, but you've lost the souls. You have your big sanctuary, but you also have trysts going on in the closets. Does this sound preposterous to you? Take your time, take your eyes off the new furnishings for the sanctuary and check up on some of your people to see where they are, what they are doing. How many times have their spouses called to find out where they are? Do a walk about, do something out of the ordinary for your schedule and see what you find.

I tell you, My churches have become social clubs. The ones that long for Me and are anointed to lead men's hearts away from the world and into Me, are overlooked because their financial profile just doesn't measure up. That's because they have chosen to spend time with Me, rather than Wall Street and clinching deals. I have called some of these who are unqualified financially or even educationally, because they have My anointing and in My eyes are qualified to lead. They will challenge the comfort zone and succeed. They may need adjusting and training up, but their hearts are right before Me and they are docile.

But, as long as the worldly are in charge of ministries, they will produce worldly results and what could

have been a truly dynamic Body for Me will be a place to blend in and look good, while continuing to sin in their private lives.

When I send you souls that have emerging gifts, do you cultivate them? Or push them back into a safe place where they can't threaten others in ministry? Do you take time to work with them? Or leave them on their own and encourage them to find ministry outside the church. When a worship leader who clearly has a problem with jealousy and territorialism, comes to you and down-grades someone else who has talent... do you correct them or pander to them?

Do you cultivate emerging prophetic gifts and bring them into the opportunities and positions I've called them to? Or do you discourage them and make excuses for why they can't have ministries in the church. I could go on and on and on exposing to you why your church is dead. I don't care how talented or popular the worship leader is - if their heart is not right with Me (notice I said Me, and not the wealthy controlling group or relatives) the music will not lead the people into MY presence. It will be entertainment, not worship. And you ask Me why people are leaving your church?

I am telling you this now, before it's too late. You must follow Me if you want a healthy church. You must preach as I lead you. You must worship in spirit and in truth, not in entertainment. There is very little time for you to get your house in order. Are you willing to lose everything to gain Me? Are you willing to leave or lose the six figure income and live on the edge of poverty in order to lead My sheep into lush green pastures? Really, choose this day who you will serve, because the day is coming when the wood, hay and stubble will be devoured by the fire and those who have served their own agendas will be standing naked before Me and all the souls they lost.

Really, I am calling you to upset the apple cart. Let them all fall to the ground and examine each one carefully before putting it back in. Remove the rotten apples, the ones who are constantly protecting their territory, manipulating and pushing for more influence, gathering others to their side, making their clout felt and causing division. You know who they are; they are the ones who cause you to cringe when you answer the phone. They

are the ones with their own agenda and if you don't comply it will cost you.

Stop the cover-ups in the ranks, pull the plug on dead and lifeless programs that are all about being seen by men and have no substance or holiness before Me. Tend to the lame, the hurting, those pushed aside because their anointing is threatening. May I tell you something? If you have a leader who is continually threatened by the anointing of others, you will sow a spirit of jealousy throughout the entire congregation. It will spread like a plague and snuff out the newly anointed life I am showering upon others. The very source of life and anointing will be snuffed out in every single ministry. It is a plague and if you bow once to it, it takes over the whole church. People who are that insecure should not be in leadership. A leader is looking for his replacement. His heart is to train up and enable - not disable and shove into a dark corner.

Had you chosen the leaders with the right heart, you wouldn't have this mess. Begin here. Let the apples fall where they will. Pick up the healthy ones, let the rotten ones take care of themselves. I want a shepherd after My own heart - My heart, and no one else's.

"I am coming soon. There's very little time left. Get your house in order and I will heap blessing after

blessing after blessing upon you, because you are a shepherd after My own heart."

How Suffering Snatched a Soul from Hell

January 18, 2018

Jesus, you have told us that in our weakness You are strong... This is hard to understand. In Your kindness, please open our minds to this truth. Amen

My precious family, the last week has been more difficult than I can remember. A key helper, at a time when they were needed most because of my husband's sickness and my workload--they left for no real reason, with no notice and I will not say anymore, except that our hearts were devastated again. They had done this once before and we forgave and helped them through it, because they didn't have another job and lost their house and belongings.

Oh! This is a spiritual battle and our enemies hit the weakest link.

Then, Ezekiel started having some very serious pain. I pleaded with the doctor for appropriate medication, because what he had written was a 2-3-hour pain med, but no mercy.

No one wants to be audited, because they write scripts for pain. And that's what's going on in this town. And the Lord would not allow us to have the tests to diagnose it.

Today was the worst day ever, but Ezekiel was witness to a man being snatched from the gates of Hell. The Lord told him that someone was dying, as possibly of bone marrow cancer, because he had been feeling that in his own body. Then he was transported to a hospital room, where a man who looked Oriental, was in agony, fighting off the demons that were hooking and clawing, dragging him down.

Ezekiel asked us all to stop praying for him and pray for the man. I happened to remember a promise that was made to St. Faustina Kowalski by Jesus, that anyone who prayed the Divine Mercy Chaplet over a dying soul's agony, He would grant them a final Mercy to be saved.

As Ezekiel looked on, we put the chaplet on and began praying along with it. The moment Ezekiel touched the chaplet beads, Jesus appeared in the dying man's room, picking him up out of the sulfur cloud and away from the demons, He held him in His arms. Immediately, he passed on and peace radiated from the man's face. He looked like a child asleep in his father's arms.

Jesus assured us that this man had been saved. WOW!! We were all a little awestruck by this wonderful revelation. And soon after that, the physical torment that Ezekiel had been suffering, stopped. But he was really exhausted. And frankly, I was, too.

In fact, we all were exhausted from praying against the pain he was going through, for quite some time.

So, I came to the Lord crying, "Oh Lord, I am so wrung out, I don't know what to do. Can you help me? I know You and the angels have gathered me up in your arms, (I saw that in the spirit) and I want to move

forward. Have you something to say to strengthen me?"

The Lord replied, *"I have so much to say, a thousand years could not contain it all. But I will sum it up: 'Persevere.' Clare, when you are at your weakest, I am the strongest in you. I know it does not make logical human sense, but it is so true.*

"My power is perfected in weakness."

"Therefore, I will boast all the more gladly in my weaknesses, so that the power of Christ may rest on me." II Corinthians 12:9

"But what I am saying," Jesus continued, "is that the fruit that is gathered when you are at your lowest point is the greatest by far of anything that has been gathered before. Your weakness makes My Omnipotence shine. When the enemy curses you and you bear up under it, because it doesn't yield to prayer, (that means He's not going to answer it--there's a reason for it) there is a very good reason."

And then I was reminded: "...on account of God's mercy, to offer your bodies as living sacrifices, holy and pleasing to God, which is your spiritual service of worship." Romans 12:1

"Paul knew," Jesus continued, "what I meant long before he was beheaded. He lived a life of continual sacrifice after his conversion, recognizing in that, his participation and co-laboring in My Cross."

And again, the Scripture came to mind: "Now I rejoice in my sufferings for you, and I fill up in my flesh what is lacking in regard to Christ's afflictions for the sake of His body, which is the church." Colossians 1:24

Jesus continued, "Was My work on the Cross enough? When I uttered 'It is finished,' I proclaimed it was, for all time, enough. Yet, who falls in love and doesn't long to carry a burden for their beloved? Sacrifice of self, giving of self, giving up one's rights to claim healing in order to carry a cross."

And again: "If anyone would come after Me, he must deny himself and take up his cross and follow Me." Matthew 16:24

Jesus said, "These were not just figures of speech. No, they were proclamations that if you desire to follow Me, you will die to yourself first. Clare, your husband has chosen that, and how blessed he is and you are, for participating in this cross.

"So, My precious one, I am encouraging you to continue to bear up under the burden for as long as I choose to use it. He did indeed save a man in the process of dying and being dragged down into the abyss. By his sufferings and all of your prayers, this man is with Me now and will be eternally grateful. For truly, he was only seconds away from eternal separation from God and damnation.

"It is truly a beautiful thing to lay down one's life for one's friends--especially those you have no knowledge of.

"I know very well how hard this has been on you, as well as the betrayal that left you without help. I know all the details very well. And all I can tell you is that every drop of suffering is changed into transforming

grace for the souls that visit this Channel and others as well.

"I will carry you, Clare, I will carry all of you. Don't worry about having the strength to sing or serve Me in the many ways you do. Know that My grace is sufficient for you and never do you suffer anything that I do not make use of it.

"That is also the difference between Satan's (the Father of Lies) kingdom and mind. He loves to cause suffering and to deceive people into following him. They are eager, because a bitter root has taken hold of their hearts. They refuse to forgive, they hold on to grudges and long to get even with those who have hurt them. And even avoid anyone of ever hurting them again.

"If only they would turn to Me, I would give them the grace to forgive. I would shower My love upon them, reveal to them how greatly I love them and how precious they are to Me. And raise them to My Heart, giving them a new and bright, hopeful, life.

"Satan only came to kill, steal and destroy. I came to give life abundantly. And nowhere is it more obvious than in the room of a dying soul. Satan would have torn that man to shreds, but My Mercy cuddled him like a little child and he was added to the Kingdom.

"I turn the troubles of My saints into graces that bring conversion and happiness. Satan only uses his people like filthy rags, and when he's done with his dirty business, he burns them in the fire for eternity.

"Once more, he always loses--through sickness, when he causes pain. I turn that pain the other way around and steal a soul from him. He always loses.

"For all of you My Children, nothing the enemy does goes without Me turning it into good. The worse he makes others suffer, the greater graces I release to all concerned and those who are still in his clutches. One would think he was helping Me, but of course, not deliberately. He fails to understand how I will triumph in the end, like I always do--and turn it all to grace, just like I did on the cross.

"Get wise, you who follow the Father of Lies. If he is teaching you to lie to others, what is he doing to you? I will tell you: he is promising you a kingdom of pleasures that does not exist. Unless you get smart and look at his character and turn away from him to Me, you will find out when you die that his promises were all lies.

"There is nothing but torment, gashing and burning flesh in boiling cauldrons where your skin will excruciatingly peel from your body--only to grow back and peel off again and again. He will stand there as you say, 'But I served you faithfully! You promised me a reward!' And he will laugh you to scorn and disdain and say, 'Yes, I did! And this IS your reward!' His life is a living Hell, and now he entertains himself as you are tormented over and over again by his demons.

"If you come to Me, I will forgive your atrocities. I will deliver you into the Kingdom of Light and Truth, and I will protect you from those who still are under his wicked spell that would harm you.

"And My people, pray for these Satanists, especially the young ones who have been so terribly hurt by their parents and dealings in the world. The injustice, the cruelties, the betrayals--circumstances that caused them to want to control what happens to them at any price.

"Pray for them, because deep down inside they have had a glimmer that what they are doing is wrong--they just don't know how to get out. Pray they will find other ex-Satanists, even witnesses on Youtubes, to help them cope. And pray that My love showers them clean of all their past dealings with hurtful people.

"Recently, two have decided to quit a coven because of your prayers. So, do not stop praying.

"And I know the times are still pretty rough in your country and the world. But a shift has taken place and many evil-doers of the Deep State are meeting their end. Pray also for them. But there will be a consequence to all of these labors, and America will demonstrate her purpose in the world once again.

"Yet, there is concern. For with prosperity comes a lukewarm spirit, so know that in time--things will again grow serious. But when they do, millions of Muslims will have been added to the Kingdom, because you prayed and endured these turbulent and self-sacrificing times hand-in-hand with Me.

"You are My Bride; should I not share My sorrows with you? And indeed I do, as well as sharing yours. Never do I leave your side.

"So, proceed as planned. Cleave to Me, follow My instructions to you. Persevere under trial and pressure to bring forth the work of your mission, which will bear fruit through all eternity.

"I bless you now, you who are languishing and struggling, and I promise you the fruit of your labors will be enormous and sweet."

The Lord's Heart is Being Ripped Open by His Bride

January 19, 2018

Jesus, please open our eyes and hearts to the consequences of our opinions and how we injure with our mouths. Amen.

Well... It's been a very intense day. Tonight, Ezekiel entered into a terribly painful prophetic experience with the Lord. He saw Jesus in agony on the Cross and a Roto-rooter blade was coming up through the core of the Lord's Body and

ripping the flesh from inside of Him. The Lord was vomiting flesh and blood.

While this was going on, Ezekiel was in tremendous travail--just wailing. And was experiencing the very same kind of pain, in absolute agony. The Lord's mother was at the foot of the Cross wailing, "My Son, my Son, what have they done to you? Please stop hurting my son."

Jesus began, *"Ezekiel was given that name, because his life and sufferings are a reflection of My Body and I am calling Her to account. If I were to come now, many would not be taken, because they are against Me--persecuting the members of My Body, assassinating, ripping it limb from limb, disemboweling, piercing My heart over and over again with their judgments."*

"It is as the prophet said: I gave him a dream about billboards on the highway. Each billboard had a mangled part of a body. A crushed foot, a disfigured and bleeding hands, and fingers torn, legs severed from the Body. And each billboard was symbolic of what My Body has been doing to itself for a very long time."

And that was the point of the billboards, by the way.

He continued, *"Clare, what he saw and experienced is what I am going through with My Body. It is sick, sick, sick with the cancer of Calumny, Jealousy, Fear stemming from ignorance, Backbiting, striking with wicked claw Division, Avarice, Stealing from the poor and Greed."*

"My Body is very, very sick, even unto death."

"Nevertheless, I must heal it--but I want you to speak out clearly about these issues that are tearing Me apart. You have not been getting that song for no reason at all. The talk about you has reached epic proportions and I am sick unto death over not only you, but My other faithful servants who are suffering from supposedly faithful, mature, 'solid' Christians who are ripping My Body asunder."

The song that He's talking about is the song "Prevail" by Freddy Hayler. And I keep getting that. I never get that song... I started getting it, oh, the beginning of last week. In fact, maybe two or three weeks ago. It was the first time I'd heard it, and I never hear this song. I have it on 'shuffle' so the Lord can play whatever He wants in worship. He speaks to me through that.

So, the lyrics to the song are: (<https://www.youtube.com/watch?v=r0w4aJRu7is>)

They can say what they want while they act Spiritual, they can gossip and talk, they can try to find fault--but they'll never PREVAIL

Even persecute me or take away all I own, they can do what they please in their prideful disease--but they'll never PREVAIL.

'Cause down deep in my heart, there's a Savior inside of me, my Foundation and Hope is Indestructible.

There is a Mansion prepared for me. It doesn't matter what the enemy sees, for there is Victory in CHRIST our LORD. I'm HIS Sanctuary I AM A TEMPLE, NOT MADE BY MEN.

And though they burn and shoot this outer man. You see, HE'S LORD of My Temple, I'm burning bright with HIS Love and HE'LL never forsake me. HE'LL perform what is within me complete--HIS work in my heart through the COMING STORM CLOUDS, AND ALL THE WIND AND THE RAIN. MY foundations are deep. I've hid HIS Word in my heart, HIS Righteousness will PREVAIL.

And the other Scripture that came to me--actually this is part of what was spoken during the event that took place this evening:

"Shout it aloud, do not hold back. Raise your voice like a trumpet. Declare to my people their rebellion and to the descendants of Jacob their sins. For day after day they seek me out; they seem eager to know my ways, as if they were a nation that does what is right and has not forsaken the commands of its God. They ask me for just decisions and seem eager for God to come near them. 'Why have we fasted,' they say, 'and you have not seen it? Why have we humbled ourselves, and you have not noticed?'

"Yet on the day of your fasting, you do as you please and exploit the poor workers. Your fasting ends in quarreling and strife, and in striking each other with wicked fists. You cannot fast as you do today and expect your voice to be heard on high. Is this the kind of fast I have chosen, only a day for people to humble themselves? Is it only for bowing one's head like a reed and for lying in sackcloth and ashes? Is that what you call a fast, a day acceptable to the Lord?"

"Is not this the kind of fasting I have chosen: to loose the chains of injustice and untie the cords of the yoke, to set the oppressed free and break every yoke? Is it not to share your food with the hungry and to provide the poor wanderer with shelter--when you see the naked, to clothe them, and not to turn away from your own flesh and blood?"

Then your light will break forth like the dawn, and your healing will quickly appear; then your righteousness will go before you, and the glory of the Lord will be your rear guard. Then you will call, and the Lord will answer; you will cry for help, and he will say: Here am I.

"If you do away with the yoke of oppression, with the pointing finger and malicious talk, and if you spend yourselves in behalf of the hungry and satisfy the needs of the oppressed, then your light will rise in the darkness, and your night will become like the noonday.

The Lord will guide you always; he will satisfy your needs in a sun-scorched land and will strengthen

your frame. You will be like a well-watered garden, like a spring whose waters never fail. Your people will rebuild the ancient ruins and will raise up the age-old foundations; you will be called Repairer of Broken Walls, Restorer of Streets with Dwellings. Isaiah 58:1-12

And what occurred to me is, how can this Great Revival ever take place if the Body of Christ is obsessed with destroying itself? It just can't. I mean, we've gotta clean up our act before the Lord can do anything. How is He going to answer our prayers if we aren't walking in righteousness and obeying Him? How can He?

Jesus continued, *"My Brides, if you are spreading negativity and judging My servants... In fact, if you are judging ANYONE--you are in sin. Your hands are stained with blood, your wedding gown is also smeared with blood.*

"You will not, will not, WILL NOT be taken in the Rapture if you do not reform your ways! Stop gossiping, stop judging, hurting, destroying ministries you don't understand that are bearing the copious fruit of salvation and sanctification.

"You are treacherous, My Bride, and I will not have you in Heaven with Me until you clean up your life. I cannot. Heaven is a place of love; you would be repelled immediately if you tried to enter Heaven this way.

"But enough. It is time for you to change."

Then I addressed the Lord on some things that are bothering me. I said, "Lord, I am confused. You have shown me that you don't want me talking about the sins of the Deep State, yet there has to be reform. You've asked us to pray, and You have revealed their sins in an earlier message. But you don't want me looking at the media and following the progress of this monster coming down. Really, I am perplexed by this.

Jesus answered, *"Fresh water is not bitter nor salty. This is the off-scouring of the world and when you dwell on such things, you become contaminated by attitudes and opinions. When you criticize, find fault and guilt--hanging it out for the public to examine--you are promoting judgment and negativity.*

"That is not to say that some people are called to do this job, like judges, law enforcement and those who determine such things. And it is a regrettable thing that must be done. The cancers of society must be removed.

"When I return, you will still be dealing with those who prefer sin to righteousness and honesty. Therefore, many of you will be judges and called to make determinations against the guilty.

"But I do not want this spread in My Body! It is rotten, decaying flesh, and as such must be isolated to be dealt with. I want My Bride to pray for these people who were once innocent babes and have been bent into corruption from childhood. I want them healed, repented and in Heaven with Me.

"This will not happen if everyone is listening to the wrongs they did. You will become what you meditate and feed on. I don't want you feeding on that or spreading it.

"I need a spotless Bride, one whose heart is struck to the core with sorrow for these people. One who knows the grievous sins they have been guilty of in their own lives, and refuses to judge others for their sins. You can judge the sin, but only I know the motives involved.

"Clare, I want your hearts to be pure and gentle, meek and loving, always praying for the best in even the most hopeless-looking cases.

"Satan runs the media and his entire agenda, with rare exceptions, is to promote gossip--true or false. Of course, the more lies the better, because the people feed on the lies, open doors to be sifted and let him right in. Gossip is one of his most successful tools, the Master key to unlock all doors to the soul. The Master key, it opens even the most vigilant of hearts up for his demons to enter.

"Every time you draw attention to the faults of others, I must draw attention to yours. You are called to cover the faults of others.

"Yes, there are times to talk about what goes on in your life and how you handle it, but it is a slippery slope that deteriorates quickly into bitterness. Just continue to pray for and bless those who injure you. That is the safest posture.

"My people, I do not want you feeding from the off-scouring of the world--except in the case of necessity, where you are involved in lawful action or are forced to confront a situation that is unjust. Get the information out on the table; then get to work on it. Don't itemize the list of their sins and pass along judgment and condemnation through one email after another.

"It would shock you to know that many involved in the Deep State really believe that what they are doing is a duty they owe to mankind to improve the Earth. They think the ends justify the means and they are part of the 'super race' that is going to make the world a better place for us to live. They are blind and do not see they are working for Satan to destroy the innocent. And their ends DO NOT justify their means."

Lord, I am still wrestling with this in my heart; wrestling with how will we know what to pray for. Most people don't hear You clearly, so their only information is from other sources. Contaminated sources.

"Your question is legitimate. There is a time to recognize corruption and make up your mind to do something about it. For most, the action is prayer and supporting those who have to handle this highly contaminated matter.

"I bring it to you for prayer.

"Others may pick up on it from other sources, and then go into prayer. The problem comes when you become addicted--like watching soap operas. They are highly addictive, and so is the news. 'Knowing' is never satisfied with information; knowing can be an endless black pit in your life, where every day you just have to find out the latest discoveries, arrests, prosecution, more and more and more. A major part of your life becomes riveted on evil and it has its affect.

"You are no longer the pure and lovely Bride of Christ; you are now filthy from sifting through the dumpster. Your dress smells and looks disgusting and your head is full of disgusting facts. I would rather you knew nothing about this than to see you addicted to rotten trash.

"I know this is difficult for you to comprehend, Clare, and I truly sympathize with you wanting to know the progress. But I am asking you to Trust Me. Knowing these things may satisfy your curiosity for a short time, but they will breed Judgment, Indignation, Self-righteousness and Pride.

"It is much better for you to go sifting through your own conscience everyday with a repentant heart. This will bring forth good fruit."

I do understand, Lord. I can see that you have a balance.

"That's right. And the balance can be summed up, 'Touch it lightly and move on.' Take it to prayer, plead with Me for their salvation. Pray for the victims. Support those who live by moral commitments and take them seriously and want to serve in the public sector. Support those who work in the field to heal victims. Pray for the victims. These are all salutary things.

"I will bring little bits of information, throughout your week that give you a taste of where things are at. This way, you will not be seeking them and become captivated by the way things are unfolding.

"You are all called to be saints. That means you do not think as men on Earth; you think with a heavenly mind. You love unconditionally; you pray for those who hurt you. Remember: 'Thy Kingdom come, Thy will be done on Earth as it is in Heaven.' You are the ones who demonstrate the thoughts and ways of acting in Heaven, because it is your homeland and I live inside of you.

"That is My personal Heaven--in the hearts of believers."

And that was the end of His message.

In addition to this, Ezekiel said, "A voice is heard in Ramah, mourning and great weeping, Rachel weeping for her children and refusing to be comforted, because they are no more." And that was the Slaughter of the Innocents, it came from Jeremiah 31:15

And the Lord was grieving over the sex trade and trafficking, grieving for those who were dead.

He also was grieved for those of us that have spread e-mails about the Deep State and spent our time passing them from person to person. Ezekiel said that He does not want us feeding on the latest discoveries, and He is deeply grieved by our disobedience in doing so.

I confess, I have been a worst offender in this area, really lusting after information and how our prayers are affecting things. At least that's the pretext I have used. But let's face it--that makes sifting through the dumpster full of corpses sound virtuous. But it does nothing to change the odor of rotting flesh.

I am still learning, Heartdwellers. Please forgive me for leading you astray. And please, let's be very careful what we give our eyes and ears to, as well as what we spread with our mouths. We must have perfect hearts, praying that these will repent and be saved.

Difficult Days: Persevere

January 22, 2018

Lord, more than ever we need the grace of repentance and perseverance. Please, come to our aid. Amen.

Blessed Heartdwellers, hold onto your hats for the next ten days until February--we are at least hoping things will subside then. It was shared with me that some crucial things are happening in our country and may be made public by the 30th.

I tell you this, because if you have offered yourself as a living sacrifice to the Lord, these may be the toughest two weeks yet. But great things are being accomplished by our offerings, so don't stop now.

I thoroughly believe the trials the Lord is allowing right now for some of us are the most severe you've ever experienced, and we are wondering how are we going to get through this season. The answer is that He is carrying us, even though at moments we feel totally abandoned. He is allowing many difficult things, because He needs the fast offerings. And even in these most desperate moments, we are being conformed to His image through our sufferings and He is right there with us, undergoing the same torments.

It is crucial for us not to give up, but keep a steady hand on the rudder, according to what Holy Spirit has shown you and leading you to do. The storm rages, but remember: He walks on the water and nothing can capsize Him; rather, all things must submit to Him.

I want to say that there are those on this channel who have rallied to our side when the fight was most intense, and they've also been faithful to give, so the ministry can continue. Ezekiel and I are so grateful to you who have such a tender heart... Forgive me for not replying--I am so behind. Having to deal with things that Ezekiel is going through is really difficult, and really throwing me behind.

But thank you for giving to the ministry. And we are so grateful to you. Only God knows how much it means to us, and I know He will bless you in the dreams and prayers that you hold so tenderly in your hearts.

We are working to get the outreach page on trafficked children up soon, maybe even tonight. There will be several links to sites that are highly recommended by people in the community, and they are known by the communities they live in, for doing successful work in bringing exploited children and women out of the sex trade, educating them to be able to work as well as teaching them a skill and getting them established and on their own to make a living without having to resort to prostitution. If you choose to donate to them, please do so directly.

For those of you who donate to us, when we cover our operating expense, we use the rest on this outreach as well as the local ones we are already supporting.

At this point the Lord broke in with a message.

Jesus began, *"My dear ones, you cannot imagine the plight these children are in. Their minds are so warped and twisted by fear, they cannot reason enough to escape their situation. They have the threat of being killed held over their heads. In some cases, even their families are being threatened if they do not comply. It is a wicked, evil system Satan has given these men to control vulnerable souls, making them victims of the most deplorable exploitation ever known to mankind.*

"Your prayers are making a difference. Your support is making a difference. And I want you to know that when you gasp with horror over what is being done, My Father in Heaven hears that as a prayer. Nothing you feel, see, or pray for is minimized; all of it bears fruit on some level. Do not grow weary in well doing. Check into the work on these sites and consider praying for them, at the very least."

Oh, Lord, help me there--I forget to pray for each individual one.

"My Love, you must do better. Write their names down and pray for them, Clare. I know how full your plate is now, so just do your best.

"In addition to your prayers, many things you suffer throughout your day are acting as fast offerings. At times, they are being used for your nation; at other times for these poor children. Nothing you feel or experience goes to waste; I use it all. Unite your sufferings to Mine on the Cross and allow My Spirit to choose where they go.

"Many have expressed their desire to spiritually adopt these children. Simply ask Me and I will bring them to you in the spirit. Some of you may see them; others not. That is not important. What is important is that your heart is for them, you are praying and they are getting comfort and relief. The more you pray, the greater their chance of escaping from the clutches of those who have seared their consciences for a few dollars. No prayer goes unanswered. Every prayer is matched with graces--and some way beyond what you've invested in prayer.

"Some of you are not getting relief from the binding prayer alone. This is because I am allowing this circumstance, because I need your offerings for the nation and the children. But in addition to the prayer, ask My Holy Spirit to lead you; pray in tongues and listen for instructions telling you how to pray.

"But always, praying in tongues accomplishes much that you do not see or understand.

"Some of you will get specific instructions about what to pray. Be faithful to use what was given and write it down for future reference to expand your prayers.

"But remember, My dear ones, the more obedient and committed you are to Me, the greater the impact of your prayers."

And that was the end of His message. And I just wanted to add here, that He is bringing up things in my life that I need to change. So, there's been a lot of repentance going on. And that repentance is bringing me closer and closer to Him, because some of the things that separated us are getting dealt with.

And there's no way that you cannot benefit from giving Him your all! From giving up the world and

giving up everything--giving Him your all. When you do that, you cannot out-give the Lord. It's just amazing what He will do. But especially your prayers will be become more and more powerful.

The enemy knows that, and that's why he tries to loop us into some kind of sin. Because he knows that when we are right with the Lord, our prayers are powerful.

So, I encourage you all to take a look in your hearts. If there's anything you've been putting off to convert in your heart, don't put it off any longer. Do it now. Give it up now. And come to Him with a contrite heart.

God bless you.

Day One After the Tribulation

January 24, 2018

Thank you, Lord, for the encouraging vision of what it's going to be like the day after we return to our missions on Earth!

Dear ones, Ezekiel had an amazing dream - and this happens quite a bit with him. He goes through difficult and painful things, but then the Lord gives him these beautiful experiences, heavenly experiences and visions.

This one is about the day after the Tribulation, when we returned to work with the Lord. He had just sent us back to Earth--I presume, and we were living in a small colony of people who were in transition.

Now, please don't take this super-literally, there are things in this dream that don't line up with Scripture. But this is a dream, not Scripture, so please take everything with a grain of salt.

What I do believe it is, is a foretaste of what we will be experiencing when we return with our glorified bodies. In the dream, people were still not totally glorified. Who knows, maybe there are stages that we are not aware of? Perhaps even a stage that has to do with preparation for working on Earth? I don't know.

But I believe the Lord is sharing it with us for an encouragement that there is a new Earth coming!!! A purified Earth where evil does not exist.

In this dream, I was in plain clothes--but different people were transitioned into glorious bodies. Who knows? Maybe one of you were in the dream with stars and lights adorning your body. It really was encouraging to hear. So, enjoy!

By the way, there are a couple of clumsy edits in this version that got cut out when I was training someone to help me edit. So, forgive me if I have to put a few words in, here and there. Don't let that mess up the continuity of the dream. It really is quite amazing.

(Ezekiel) We found ourselves in a, almost in a virgin land. The land had been cleared for miles and hewn into rows of rich, illuvial, light brown soil. And there were these pristine, clean, fresh garden plants--vegetables. Food garden plants just coming' up--maybe even three, four inches...maybe bigger. Maybe some more up to a foot. But they were so clean--there wasn't a weed for MILES. The air was fresh and clean.

And there were these, almost like... You know what a Quonset hut is? Little army-barracks looking thing? Greenhouse lookin' thing? There were these really nice, new dwellings that were kind of like that, that were translucent so you couldn't just see right in them, other than forms and figures. But they let this beautiful, fresh, new-day, like almost Eden sunlight in.

Of all people, John Michael was there. And he was younger again. His hair was short and neat. But he'd been through a lot of breaking. In fact, he was very meek--almost shy when he talked. Very polite and shy. But he was walking around like a little boy that was just helping other people. You know, find their rooms and stuff. And he'd see all these different people gloriously transformed and he'd kind of sigh a little bit. But he was really happy for them, you know. He'd kinda be... deep, secretly in his heart, wish he could be like that. They were heavenly transformed. These were like glorified bodies.

So, he and I--for just a little bit outside, were talking. He walked over to the side and showed me a mound with a gravestone. And it was...

Clare: (...his wife's.)

EZ: ...grave. She had died some years earlier. Then when he took me back in, he showed me where she lived, in this transitory place. It was very nice and she was wearing white. Not real shiny and everything, but she was happy and at peace.

Then he kind of walked off, and I started walking down one of the corridors. This brilliant light was coming out of one of the spacious rooms on the right. I looked inside and there was a full altar. And there was a beautiful--the most beautiful priest I ever saw in my life. He turned around, his hair was long, blond. His vestments were pinkish/orange--really... reddish/orange--but brilliant. And gold. Inlaid trim, everything. All over--I mean, you had to have a Grace for your eyes to be able to see him.

And he turned around from the altar and spread his arms in a welcoming gesture, acknowledging me. He didn't ask me to come in. He slightly bowed, and I thought, 'Oh, my Lord! Who IS this Saint?' Because obviously they were glorified and heavenly. And either the Lord or the Holy Spirit spoke in my ear and said, "It's Melchizedek."

Clare: Hmm! Wow.

EZ: "And you're a priest forever in his line." And then Melchizedek spoke. He said, "Remember. You're a priest, like Melchizedek, forever." And with a sweet smile, he turned back around. And I noticed that I was beginning to glow and shine and let off this heavenly light, that seemed to transfer from him to me with this glorious, glorified Light.

And I knew, I knew by the Holy Spirit, that we had been called there. And I asked somebody - and I knew you were there, just around the corner. I saw different people that literally would go on the way to their room or whatever, in transition - being transformed, without dying. From their human, physical body to their glorified body. And you could always tell somebody who was either from Heaven or already in transition, being glorified, because they had these beautiful...crown of stars. Here, here, here - one here, one here. They're just illuminated. And they were beautiful little... You know those pieces of clear, almost monofilament line that stick out of things, with lights on and they're different colors. A lot like that, you know. They have the little bead on the end. It's like little, shiny...like your hair untangler. And they just had - oh, man. They just had this beautiful look about their face.

Clare: You mean this is conference? or what?

Ezekiel: No. Out of the left of my eye, I could hear the drone of a crowd. But they were people that were

on the move. They were off to my left, and they were hundreds, thousands of people en masse, migrating past us. Looking our way and grumbling. Complaining and you know, just cursing. Angry. They didn't look down, they didn't look rotten--they just looked like regular people of the world. And that's exactly what they were--they were people who had chosen to stay in the world. They wanted the world. They were still wandering.

But obviously, a cataclysmic change had happened on the Earth, because I asked someone, "Where are we?"

And they said, "Oh, we're just outside of Alaska."

I said, "WHAT?!"

He said, "Yeah. We're one of the first settlements on the New Earth. And the other people that you see are... they're right on the edge, and they're headed for Perdition."

You know, complaining and grumbling the whole way. But still looking and grabbing and snatching anything they could ON the way.

There was a highway, WAY in the distance. And the people on the far edge of this massive crowd of people were trying to get back up on that highway. And anything they could grab and take down--if it was a road sign or what--they were grabbing whatever they could from the World. To keep it. Their Avarice had grown to that point.

And it was very sparse. Everything had been blown away in the process of being purified. And that's why the land was so

Clare: Barren?

Ezekiel: It wasn't so barren. It was... like it was just coming up. I mean, 'cause there weren't any trees. All there were was these young grasses for miles and miles. And maybe further toward the highway, on the other side, was still burnt and scorched. But in order not to spoil it for the people in the New Earth and settlement, we couldn't really... We just were too far away. We couldn't really see that, we really didn't care to see it. We were so caught up in this glorious presence of the Lord.

And we walked back into the hall and John... there's still plain Earth-clothes, in his, like tunic top and his... But still a real sheepish-shy little boy character to... His whole personality had changed. He walked me down, three rooms down from Melchizedek. Across the hall. And there was this sweet, sweet little room. And this was the brand-new beginning. I mean, the very first colony of the New Earth.

Clare: Oh, so we were coming... We'd come back from Heaven.

Ezekiel: Right. Oh, well either...no. Some had come back from Heaven; some were on the Earth and preserved during this Tribulation and trial by fire. All that stayed had come out... Remember how the Scriptures talk about those who come out of the Tribulation? They washed their robes through the Blood of the Lamb. You know? And then never again have pain or sorrow--whatever.

I'm not saying we'll be here through the Tribulation, but somehow, we were there during the change-over. Or brought back during. But the thing is, we were in plain clothes, our regular clothes. So, I figured.. There was no sense at all that we had ever died. You know? Maybe we'd been Raptured earlier and came back down.

Clare: We were in plain clothes?

Ezekiel: We were in simple, plain, nice short-sleeve...not patterns or anything. But just like a nice pastel color. White, bright, pretty, beautiful, soft...

He walks me across the hall from Melchizedek, kind of put his left arm--you know, just courteously behind my back. Put his right arm out, like, you know...

(Clare: here's another one: "undergoing transition")

Ezekiel: ...and the door was about halfway open and I swung it open. (...a woman was sitting) on a beautiful, beautiful white blue-ish/pink decor. Sitting on a white--the whitest pillow top. Fluffy, satiny mattress spread/comforter I'd ever seen. (And they) were emanating the most brilliant light. They had stars on top of stars on top of stars--several crowns of stars interweaving. Face...even. It was like a star and a--they weren't glitter. They weren't gold. It was like star fleck-like material. The whole body was--clothing, everything was just luminous.

Absolutely heavenly. Look like the vision of an angel.

Clare: Wow...whoo!

Ezekiel: And it puzzled me, because I'd see other people with different, real, light, light pastel, translucent, glowing light colors. You know... One would emit like a real soft baby-blue light, with these brilliant little white stars here and there on their face. They were all beautiful colors. Very soft and heavenly.

And I remember telling John, "All these other people are so beautiful!"

And he said, "You haven't seen yourself yet."

Clare: ha ha! Wow!

Ezekiel: "You don't know what you are yet."

(Then Clare caught up with me) and you just looked... you smiled real sweetly, very lovingly. There was no lack of, no emotional distance between us. There was the same, deep, love and affection that we've always had together on the Earth. And the feeling was that these rooms and these places on the New Earth... as everything began to grow and come back Eden-like. It was almost like the Lord was doing the Creation all over again. You know? Where He spoke out.

I didn't see any animals, I didn't see any waters, I didn't see any anything--other than beautiful, brand-new... just a slight heavenly mist, not fire. Heavenly mist coming up off the grass, the grasses that were

just starting to come up. And off of these beautiful crops. It's like the sun--and I guess the New Earth, maybe will have a sun, a new moon, new this, new that. In Heaven, the Light will be from Him.

Oh yeah, the feeling was that even as we were speaking, even as these things were going on, the masses of people that were marching, wandering en masse--millions veering off to the left away from us. It looked like a concentration camp march, although they were already, they were still in their regular Earth clothes and stuff. They weren't necessarily dim or shabby--they were just, you know, upper middle class and wealthy people. Middle class people of the world.

Clare: Did you recognize anybody?

Ezekiel: Not a soul. What I did recognize was their scorn and contempt for us and for everything. They were kind of like the fox, you know. The sour grapes. That's why they were probably sour anyway, 'cause He couldn't reach them, right?

Clare: Right

Ezekiel: They knew they'd missed it. They didn't care, really--they didn't want it anyway. They were jealous, I guess. But they knew they couldn't have it, so they just grumbled and complained and grabbed any vestige they felt they could pick up of what would be left, because they were insatiably overwhelmed with Greed and Avarice. And the desire for the World and the things of the World.

Even though KNOWING that they were en masse, being marched to wherever they were going to be...

Clare: Tried or something?

Ezekiel: Yeah. Wherever they were going to be judged, tried. You know sent...

Clare: Well, John Michael said it was Perdition? So, is that Hell?

Ezekiel: Yeah. It was Hell. I mean, they knew they'd missed it. They knew they--they knew they were headed for Hell. And they didn't care. They were just gonna grab every little drop of anything they could off the Earth before they got there.

And grinding and gnashing their teeth, and grumbling. Complaining. And some were cursing about us, you know. In the environment, it seemed like there were maybe 20 people or so, in this, around these Quonset-hut things. But they were really glorified, transitional room-housing type of things. They were temporary. But they were beautiful and heavenly and just beautiful. And not a speck, not a spot of... Even though we were surrounded by grasses and gardens that were just starting to come up.

And these gardens. There was as much pristine, brand-new, beautiful, rich, light-to-medium-tan, fertile soil, to golden brown soil. Impeccable rows that went on for miles. And each one had these beautiful, fresh food crops--every kind of fruit and vegetable you could imagine. Little berry bushes, things like that. You know, little fruits and things.

But like I said, there were no trees yet. The trees hadn't even started to come back yet. It was fresh. There was still a slight heavenly fresh, dew-kissed mist just coming up off of things about a few inches.

Clare: Wow. Well, that has to be when we return, then. From Heaven. It's when the Lord sends us...

Ezekiel: I guess... I guess so and I just didn't recognize myself for what was going on. There were other people in the compound that weren't yet glorified. They were beautiful and they were clean. And they had really nice, neat pastel soft clothing on, you know. Shirts and pants. Everyone's hair was... Everybody was just so soft and clean and... They were in transition. They were just... They were just about to be transferred into their glorified body. And they were scattered among, and settled in and around and with the glorified persons in these places.

People were walking the grounds outside, eyeing the gardens and just the awe. The absolute innocence--pristine, newborn, baby-newborn innocence.

Clare: So, these Quonset huts you said were clear? Like greenhouses...

Ezekiel: Yeah, but they weren't made of an Earthly material. They were made of some material from Heaven, because they were all white, they were all pristine. I mean, almost untouchable-heavenly.

Before I had the dream, I heard the Scripture: Look on, you scoffers and be amazed. I'm doing a new thing. See, it springs forth. Do you not perceive it? That verse kept going through my head, over and over and over while you guys were in there watching a movie. I was trying to pray behind you, so that they'd 'get' the movie and whatever. Just praying behind you, with that verse going through my head.

Look on, you scoffers and be amazed. See, I'm doing a new thing. You would not have believed it if someone told you. Do you not perceive it? (Habbakkuk 1:5)

And I drifted off! After I'd only had... I couldn't fall asleep 'till like noon. I think it was really, it was the Lord that woke me up, that got me up at like 5:00 or whatever. And I... 'cause I woke up I heard you guys. But as soon as you guys left the room to go to the movie, I started praying for you and drifted right back off to sleep into this dream. And it was like - 7 hours. And it was like, it was the first Day of the Regeneration. I mean, the first hours. That's why things hadn't come up too far. The Lord was just beginning to re-create the whole Earth.

And we were the first three...

Clare: Greenhouses?

Ezekiel: ...beautiful, translucent dwellings. And we were the first.

Clare: They were like fish-shaped. Like semi-circle.

Ezekiel: Yeah. And they were... But inside, everything was square. Just like a normal house and room.

Clare: But were they sky lit? Coming out...some of the rooms were sky-lit.

Ezekiel: When he said we were just outside of Alaska, I said, "Oh my gosh, we should be freezing now! What's going on?" And without even giving him a chance to answer, I thought out loud, 'Oh my Lord - the Earth must have...'

Clare: The poles have shifted...

Ezekiel: ...the poles had...that's exactly what I said. The poles have shifted. Then I had the sense that the whole Earth was just sub-tropical. But it wasn't humid and sticky. It wasn't dry and hot. Everything was just brand new, like the Lord God had just breathed it out of His nostrils, just breathed it out of His being.

It is interesting, you know. It does talk about the new creation. The New Heaven and the New Earth. It was as if it were the first hours of the Creation story, all over again.

Clare: Well, so everyone there was gonna have glorified bodies.

Ezekiel: Oh, yeah. Absolutely.

Clare: John Michael's going to have a glorified body, too.

Ezekiel: Yeah, yeah. Eventually. But he said, remember, he bent over and showed me. He said, "I can't really walk really good now, 'cause both my legs have been broken and fractured up and down. But--it's okay. They'll be alright." And he pulled his pants leg up and his... they were nothing but scars where his legs had been broken and fractured multiple times, from his hip all the way down to his feet had been broken. And so, he walked a little funny. He was walking a little funny. But like an innocent little boy, like he wasn't having any pain. Everything had healed, but he had the scars to show for it.

Clare: Remember that dream I had about you? You didn't have any legs below your knees?

Ezekiel: The man with no legs. The man with no legs. Well, I'm telling you. And yet, there was no pain, no sorrow. The most... I wish I had a better word than 'pristine', but the most heavenly, perfectly...you could ever imagine.

Clare: You didn't see any mountains, though...

Ezekiel: It was only the very first and probably in God's eyes and timing, the very first minute of the New Earth, you know? Of the new creation.

Clare: These people had survived, but were going to Perdition.

Ezekiel: Yeah. They were probably like the ones the Lord told: You thought you'd get away by hiding in underground tunnels and everything. Their tunnels wouldn't save them. But maybe they'd come out unscathed. But even though they appeared unharmed, they knew their destination. They knew where they were going, they knew where they were being marched to.

And everyone to the left - man, woman and child - was really blaming God and everything and everyone else but themselves. Each other. Just snarling, nasty dispositions. Grumbling, complaining.

Clare: Oh... They wouldn't have been happy in Heaven.

Ezekiel: No, they had an absolute contempt.

Clare: Were there any children? You said there were children. Teenagers...

Ezekiel: Beyond the age of reason, probably beyond 7 years old to teenagers. Mostly, a lot of adults. Mostly adults. And young adults. And they only got, you know, within... The closest they got to us was not even within a mile. But with our glorified, heightened hearing/knowledge/vision/sight/sound/taste - everything. We could see them, like you were looking at them magnified up close. But in reality, they were far away. And they had kinda veered in slightly in our direction, and were forcibly turned. Like a steering fence. And pointed away from us at an angle.

Like if we were north, they were going north-west. They started to veer, they started to veer north towards us and they were--the whole mass of these millions of people, by some invisible force--were curved back in and turned/corrected/steered back off to the left. And away from us. And they went over the horizon. Everything was coming up beautiful right behind them, but they couldn't see it. Because they were so bent...

Clare: Blaming God...

Ezekiel: ...on looking at each other, at us, at God, at the world. Everything in them was--excuse the expression--Hell bent on getting back into the World. And getting, just an insatiable appetite and craving for things.

Clare: Boy, I know what that feels like...

Ezekiel: Well, let that be a little...

Clare: Sobering

Ezekiel: But the Lord didn't bring this dream as a warning. He brought this dream as a statement of fact and that's the way it's gonna end up.

Ancestral Memories & Your Calling

January 25, 2018

Oh, thank you, Jesus for encouraging us to reach higher and higher to accomplish your will in our lives.

My dear Heartdwellers, recently the Lord revealed to me that I have Jewish blood, and that many, through DNA testing, can discover something about their lineage. Of course, my curiosity was boiling over...

So, I read a few articles and then sent my samples to be analyzed. My ancestry is from Prague, the highest concentration of Jews in Europe. France. England, Northern Africa and the Middle East. That was quite a shock to me, that I have Jewish ancestry. But I realized many in these areas took to hiding in the Catholic Church, because of persecution.

And my mother looked very Jewish to me, although she staunchly denied it.

Jesus began, *"My dear ones, there are many secrets in your ancestry. Your heart, and what makes up many of your desires, has its roots there. If you have a fire in your soul and gentleness in your heart that seeks to relieve the suffering of man, the chances are good that somewhere in your past is lineage related to My mother's family--and even further back to King David.*

"This predisposition to goodness is a distinguishing mark of My presence in you now, but long before you were born again, if this existed in your hearts, it is another sign that somewhere in your DNA you are related to Mine.

"The problems come in when the contaminated side of your family takes precedence over the loving side. You may not see or understand any of this by just looking over your genealogy, but it is there, buried and indelibly printed in your heart. You want to live to do good. That should tell you much about your origins.

"In every soul, there is good and bad; it is up to them to decide which they want to give life to. And there are seasons that souls go through where they 'experiment' as it were, to see if a different path will bring them fulfillment.

"But the ones who trace back to My family will be solely preoccupied with doing good for one another. There are no tests as yet to prove who you are, but there will be. Nevertheless, it is I who call and empower; it is you who responds. The basic DNA is there, but also are the more negative DNA influences. It is up to you, My dear ones, to always choose the better part.

"You may have experienced genetic memory when you are drawn to the Middle East and Jerusalem and the Holy Land."

Wow Lord! My heart ached very much tonight for Israel and the Jews who still will not hear of You. Oh,

my heart breaks when I think of the many who will not even consider the prophecies that are SOLID proof of who You are. Especially when I hear of people looking for the Messiah in David's blood line, thinking he is alive now and hiding. Oh, how treacherous that could prove to be.

Jesus replied, *"Do not worry, My Love. I am fully able to prove to those who have eyes to see and ears to hear, although it will cause an uproar."*

But Lord, they already know through the prophet Yitzak Kaduri, who died at 108 and spent his last years in visionary experiences with You... right?

By the way, he wrote the Messiah's name using the encryption of the first letters of each word in a phrase.

Jesus answered, *"Indeed, but what one knows with his intellect and what one is willing to believe in his heart are two separate issues. This stubbornness goes deep, very deep."*

Lord, did they find the arc and move it? Or try to remove all traces of a blood? (That's been something that's been on my heart for a while.)

"Clare, My salvation will not be hidden. It will come to the Light, My Beloved, it will."

"Dear ones, the ache in your heart for this is yet another sign to you of your predestination."

"I am sharing this with you, because I want you to live up to who you are, in Me. First and foremost, you are children of the Great King. And then you have roots that would shock you. You are not orphans. If your dreams and desires are not of this world but of the world to come--which I have called all who care to be a part of, to participate in--you are of the Family of God. I want you to understand that there are no mistakes when I call a soul. I know fully well who each and every one of you are and what you are capable of with My anointing. And it is so much more than what you are doing."

"There are so many aspects of your lives that are not worth your attention--and I am calling you to detach from those. Deny yourself, pick up your cross, and follow Me. You are very special to Me, very special. I have gone through great lengths to communicate that to you. Live up to that, My Children, My Brides, live up to that."

"You must feed that fire in worship, then direct it in ministry. Overwhelming love is waiting for expression from your heart. What you feel on the inside must be shared. Celebrate who I am to you. Celebrate the life I've given you in Me. Celebrate the beauty I created, celebrate My love and desire to heal the brokenhearted. Celebrate My death as proof of My love. Oh, there is so much to celebrate! Come forth and celebrate Who I Am to the world."

"I celebrate who you are to Me. I sing and chant over you; cry and laugh over you. I encourage you in your darkest hours and hold you up when you are failing. And I celebrate that you've given your whole life to Me."

"You are greatly feared and loved by many. My people, the world sees Me in you, they hear Me when you speak - and for many, many of you on this Channel, they are woven into your very DNA. Do not look down upon yourself. Look down on your sins and temptations, but not on your 'self.' Your self is even too

beautiful for Me to express to you in words. You are so far above the things that have held you back, so far. You do not realize how far beneath you they are.

"So many of you know nothing about the watches of the night, when I take you to many places around the world to minister. I keep these things from you, because of your pride. But rest assured, I use you mightily in many, many ways.

"You are anointed to break through to people's hearts, to open what has been closed because of woundedness. To open what is sealed in concrete, the brokenness of souls who have experienced life's worst. You have an anointing to heal hearts, because I live in you.

"Yes, indeed, you are the very ones I chose, beginning with Abraham. Call to My hidden and lost children and they will hear My voice.

"All of this is miraculous. It is not 'of this world', rather it is timelessly ordained by My Father that it should be so. I will not allow you to be shut down anymore. Promise Me your all, and I will see to it that My all shines through you.

"Continue to say, 'Yes' My holy ones; continue to say, 'Yes'. Let Me pour through you all I have to give. Do not frustrate My plans for you by giving yourself to anything of lesser value.

"Do you see? What you are called to has value far beyond anything that is of this world. So, please do not waste your time on it. Do not waste My time on it. You have not recognized the greatness of your souls; therefore, you have not corresponded fearlessly. I have become desperate to prove to you your very special and unique worth to Me.

"Talk about frustration! Oh, it is far beyond what you can imagine. But now you are closer than ever in realizing who you are and what your destinies are. Yes, it extends beyond this life, yes. But now, in this life, there is so much for you to do for Me. So much. I am helping you to discover your specialness, so you will pour yourself out on others fearlessly, with great love.

"Oh, how I wish to tell you so much more. Why you relate so strongly to certain characters in Scripture. What is in your DNA that is in theirs and why you relate to them. When you read in the Scriptures, something deep inside stirs in you. There is a reason for that. Nothing is coincidence. Nothing. Everything is inter-connected and has a purpose.

"What is written in Scripture is also a calling card to My people to rally around Me in these last days. When their hearts are lit afire by a passage of Scripture, they can be sure there is a DNA memory there. The tests they have for DNA and the knowledge is still very primitive. There is SO much more present in a soul in their DNA than they can imagine. And by My grace, that can be released at any time and manifest in this life.

"Yes, My people, many of you who are drawn to this Channel are brought here by ancient memories in your DNA that correspond to what I share with her. Your fascination with Israel and the Holy Lands, all of that has substance in your DNA memories.

"Do you know that it is possible to create a movie from DNA? That's right. All the sights, sounds, smells

and sensory records are there in the DNA and someday you will see movies of your ancestor's past. You will understand so much more of your life on Earth when you do.

"I wish for you to be less and less dependent on exterior things, but I understand that so much is written in your DNA that you are attracted to. When I stimulate or release a certain DNA memory in you, so much more comes to the surface, as has happened to you, Clare, when you did the Exodus recordings."

Since the Lord was speaking about this, I decided to Google "DNA memory". And this is what I found:

They recently discovered at Harvard University that 1 gram of DNA can store 700 Terabytes of data. That's 700,000 megabytes of data in one gram of DNA. Zechariah's Patrol recently published an article titled "Genetic Memory Part I" written by Drs. Alex and Georgina Perdomo.

They state that: "After so many generations of the 10 northern tribes of Israel, scattered throughout the world, and without remembering who they are... One generation may come, where these memories stored in the genes of the cells of the brain that had been off for many generations, may be turned on."

Oh, I totally believe that. I feel like it's happened to me, when I discovered things about the arc and... the Big Ark and the arc of the covenant.

Then they site these three things:

- 1) They hear the Word of God and become Biblical Christians.
- 2) They REMEMBER who they are, or
- 3) They return to Haaretz, The Land.

"The trigger that the Lord uses to turn on that genetic memory is usually the Word of God (the voice of Yeshua); but other times the trigger for that ancient memory may be the Torah, the land of Israel, the love for the Jews, the Hebrew language, the shofar, the music, the dances, the Feasts of the Lord or even Shabbat."

In this article, they explained that

"Monarch butterflies have something scientists call 'Genetic Memory' - which memory leads later generations to follow a path that could not have been physically known to them. Their point of comparison is that, after many generations of Ephraim's ten northern tribes being scattered throughout the world, something similar might be happening to their heirs." They point out "that a generation is coming, even now is, in which "stored memories" are being awakened. Such memories are stored in the genes of the cells of the brain and can be "asleep" for generations, and then suddenly be turned on. Such is the case with the Monarch butterfly, and the same may well be true of Believers..."

Oh, I thoroughly believe that. And that's the end of the article.

And Jesus began again, *"All of what you have just read is still primitive and only scratching the surface. It is possible for Me to show you a movie sourced only on the contents of your DNA, everything necessary to put the scene together is right there inside of you.*

"My People, look up to who you are. Recognize your affinity for holy things. Recognize your desire to heal and love people. Recognize that I live in you when you invited Me into your heart with ALL of those desires. But your very DNA may well be connected to Mine in a physical way.

"And let this be an inspiration for you, to rise up and live your holiest in this life. Make it count for Me."

Amen to that!

God bless you, Heartdwellers. I just wanted to let you know that we are now Tax Exempt. So, we'll be compiling receipts for anyone who asks.

But I don't want to leave on that note. I wanted to mention to you that, on our website we have a new page giving some information about ministries for trafficked children that the Lord has moved on our hearts to donate to.

So, that would be under Outreach--the Outreach tab on our website.

God bless you all. And thank you for being part of this beautiful Family the Lord has called together. Oh, the wonders He has stored up for us! He is truly, truly amazing!

With Christ, We Are Overcomers--Not Quitters

January 28, 2018

Thank You, Lord, for the soldiers you have called to Your Heart and thank you for empowering and stretching us through adversity. What an honor it is to serve You.

Today was an entire day of warfare prayer.

Our wrestling is not against flesh and blood, but against the principalities, against the powers, against the world's rulers of the darkness of this age, and against the spiritual forces of wickedness in the heavenly places. Ephesians 6:12

And the Lord is teaching us more and more about doing battle. And as soon as WE learn, we're going to pass it on to you.

And no matter how much of a coward I was when I signed up, He has committed Himself to teaching us how to supplant the enemy and bring his schemes to ruin. And this calls for perseverance, courage, faith and total reliance on Our Lord.

The enemy is trying to destroy us, Dear ones. He has it in for this Channel, but they haven't picked a fight with me or you or any other human. Rather, they are fighting directly against God. And as long as we obey Him and stay in the ring--He will have the victory.

The battle was very intense, but at the end the Lord revealed to us that a sex trafficking ring had been caught in the act of human sacrifice. They were arrested and scores of children were released from a terrible fate. All glory to God!

It is only a matter of time with these covens. Our president knows who the real enemy is and he has organized and set in motion God's very own people to bring them down. But the battle is intense and we can all be tempted to give up.

But when God lives inside of you, you are no longer a coward--for no one can overcome Christ living in you. And the amazing part of this is, is that our enemies set out to destroy us, but the Lord used the suffering and the challenge to bring down a whole network of sex traffickers. So, anything that you suffer for the Lord--He turns into a tremendous benefit.

Jesus began, *"I know the trauma you and many on this Channel have been going through. These are the days that will determine your next few years. The network of evil is so well-developed and positioned that it is one mighty task for God Almighty to take it apart, piece by piece.*

"I have chosen Donald Trump to spearhead these things, because he is a man who gets things done and doesn't quit. I want all of you to be like him. This requires a great deal of perseverance and standing up to great punishment and adversity--and not being overcome by it.

"There is nothing. No one. That can overcome Me--and I live in you. So, anything is possible to the most cowardly and weakest of souls. You only have to call on Me and I will get you through, even as you witnessed today.

Jesus continued, "There are many things being accomplished through these trials. The vision that was given has already happened a hundred times over in different parts of the world. Children are being rescued, but the price is high, including the martyrdom of the little ones. Yes, I consider them martyrs, because their little souls agreed to this destiny when they were sent into the world to offer their bodies as a living sacrifice.

"Yes, I know--many of you will not receive what I am saying; you will consider it too cruel to be Me. But you are thinking as man thinks, not as Heaven thinks. I have spoken to Clare about this many times before. Some have a very specific and short destiny. And they preferred an early death to living to a ripe old age on this Earth so full of sorrows. Now they have been welcomed into their eternal reward and the memory of past suffering is totally wiped away and replaced with unspeakable joy.

"Trust Me on this. These souls understood life, death and eternity much more clearly than most, and they chose their options wisely. Do not mourn for them, they are with Me in Heaven.

"But there is still an enormous clean-up work to do. Your greatest obstacles to justice are those entrusted with justice who have taken bribes to allow these heinous crimes to continue. There must be an overthrow of corrupt officials, so that honest ones can be put in the position of sentencing these crimes.

"Trafficking has flourished, because nothing substantial has been done in the judicial system. Rather, the elected and appointed ones are themselves in bondage to the sex slave trade. Only with the people rising up and saying, 'No more!' will they be taken down and replaced with the people's choice. This is where your prayer efforts need to be. When justice is served, what was an easy-sleazy dollar has changed to become 20 years in prison, without parole. Then you will see men making an honest living, and no longer preying off of innocent souls. The laws must be painful and binding to stop this wickedness.

"That's where you, My people, come in. Take to task those corrupt judges who slap the hands of those who have snuffed out countless innocent lives and then set them free to resume their life of torturing. Make your voice heard. It is your country, your prayers and your vote that will change things.

"You are well on the way in this area, because you have an aggressive president and he is bringing pressure to bear on those in third world countries and developing nations that refuse to comply, as well as the states here in America that have circumvented the legal system and created roadblocks to justice at every turn.

"In the meantime, these many and varied sufferings that have besieged you in these days, I have deliberately allowed to bring your prayers to fruition. And basically, if you have prayed with all your heart, you will also suffer to back up your prayers. The greater your commitment to stopping this evil, the greater the sufferings you will endure--but never more than you can handle. Never.

"Yes, I may allow you to get to the edge, but I will rescue you when it looks like there is no more hope. So, never give up."

Lord, was there anything else?

"Yes, there is so much more and it's all about My love for each of you. My unconditional love causes Me to suffer alongside you when things are so difficult. I never leave you on your own and you will not know until Heaven exactly how much I lifted off your shoulders by My own sufferings on your behalf. But suffice it to say, you do not suffer one tenth of what I suffer as I stand by and comfort you. I take on the lion's share, because I hate to see you in such pain and dilemma.

"By the way--to your enemies I have made you a brass wall.

"Look closely, pay attention, especially when you receive Me in communion. I am right there by your side and I will show Myself to you, so you understand you are not alone in this. I have delivered you. I will continue to stand with you and together we will overcome. Not only your flesh and the world, but the enemy. And you will grow in sanctity.

"I am with you, Dear ones. Don't give in."

Prepare Your Hearts for Springtime

January 29, 2018

Lord, please draw us gently to your side, even through the wound of Your heart. Draw us and help us to recognize the things we've been skating by when we examine our conscience. Help us with faith and hope to be willing to tackle those and clean stains from our garment, so You can lavish the fullness of Your provision on us for the spiritual work ahead. Amen.

Springtime IS coming, dear Heartdwellers. As you know, we have been under opposition for a very long time. Really, it's been an uphill grind since the campaign and election of President Trump. We have accompanied him through crisis after crisis with our prayers and fast offerings, and just about every single Heartdweller has had more than their fair share of suffering and opposition.

A lot of us have grown because of that--really grown. Some of you have been deeply depressed and weary from fighting. Well, the good news is that we are beginning to see the light at the end of the tunnel. And more about that in the next message.

Ezekiel has had numerous prophetic dreams of what is to come and the state of the Church. And personal holiness and total devotion to the Lord, where He is taking us up the mountain. He is working with all of our sins. Not the ones we so easily recognize, but the deep disorder in our attachment to the world. Different forms of Avarice. Our attachment to relatives and friends. The tendency to complain and find fault is also being exposed for what it is.

And He has called me to overcome these slippery sins that I write off so easily as justified because "it was a hard day", or "shouldn't I put my relatives first?"

Dear ones, the Lord is not kidding around; He is very serious about us giving up these gray areas of attachments and sins that we avoid dealing with. The sin of Avarice! Oh, my goodness that is so prevalent. And I'm just beginning to realize how dangerous that is, because in Ezekiel's dream...Avarice. The people coming out from hiding, after the purification of the Earth were so eaten up with Avarice. That is a super dangerous sin. A very, very dangerous sin that can cause people to make terrible choices in their lives. Like marrying for money. Or taking a job that has a good salary, but is not godly.

I didn't realize how dangerous Avarice was until he had that dream. That entire crowd of people--thousands of people--were going to Perdition because they'd given their lives over to Avarice! Anything they could find along the roadways. Signs or any kind of garbage--anything they could find at all along the roadway they would try and steal, they were so hungry to have some.

And the sins of gossip. You know, in a conversation; letting things go by and not stopping it right there. And unbelief. The times when we think, you know, 'This is just too much - I can't do this!' And it causes us to have a lax attitude so we don't really commit to something.

All these things have held us back from greater blessings. He wants to give us more, dear ones. He wants to use us.

When you see someone close to you suffering, you long to relieve them. And if you get any inkling that your sins may have opened a door for the enemy to add to those sufferings, you begin to ask some serious questions of yourself. And that's what's been happening with me. I don't want my husband to suffer! And I know when I do something I'm not supposed to do--HE ends up suffering more. And I've seen that. It's amazing--the Lord is really, really showing me the effects of some of these grey areas that I indulge in.

He is calling us to account to be sparkling clean. He's calling us to deeper repentance and cleanliness of soul. He wants to shower His choicest gifts upon us, but we are holding Him back by sins we don't want to deal with. Sins we so easily explain away and make excuses for. Things we say and do that are less than perfect.

For my part, He has been playing my song "Who May Dwell" every single day in worship. From hundreds of songs that come up--there are also His most loving and tender invitations to be in His arms.

We are the love of His life. He longs to bring us closer and deeper into His heart. Through these times of trysting in the secret place, I am falling in love more deeply with Him and beginning to see the areas in my life that are still offensive. And when I see them--I want to change. I'm going to go ahead and share with you the essence of this song, to give you an idea of how He has been addressing the different things in my life.

"Who May Dwell in My Holy Tent? He who walks righteously, speaking truth from the heart." This is about sincerity when I speak--not being cushy and flattering with people, but being sincere. And if there is something there that isn't right, the Lord is calling me to speak out about it in great Charity, knowing I'm far more guilty than the other person. If He's asking me to bring it up, I have to bring it up. Not just skate over it.

"He Who rejects dishonest gain." Reporting income and withholding nothing.

"And stops his ears against evil." Movies, books, songs, the news, magazines, newspapers.

"Who stops his ears against plots of murder." All forms of entertainment that glorify this behavior--we shouldn't be watching them.

"And shuts his eyes against contemplating evil." Wanting retaliation when we're hurt.

"Who slanders not his neighbor." Someone does you dirty or disappoints you or betrays you, and you run around telling everyone about it? Uh uh... There's that 'thing' that wants to expose them, but that's not what the Lord wants. He wants us to cover people and keep these things hidden.

"He who does not harm another, and never defames a friend." Being two faced--one way with your friend, another way on the phone with someone else.

"No one who practices deceit will dwell in My house; no one who speaks falsely will stand in My presence." Did we change the emphasis on a story to make ourselves look pitiful or like victims--and the

other person bad? Or did we report something honestly when we're called to speak up about it?

"He who hates wickedness: refusing to look at or contemplate all forms of idolatry." Cars, women, clothing, the occult, witchcraft, horoscopes, recreational drugs.

"But honors those who fear the Lord." Do we give preferential treatment to those of the household of God? Do we make sacrifices for them and lift them up in our lives?

"He who keeps his word, despite the cost." Coming through on a promise when you barely have enough to make ends meet; sacrificing time to help another, because you promised them.

"He who lends no money at interest, accepts no bribe against the innocent." When confronted with a situation where an employee is innocent and the manager is corrupt, do we side with the innocent? Or try to keep our jobs by siding with the guilty...

And this is the result of cutting these sins out of our lives:

"He shall dwell on the heights; his refuge will be the mountain fortress." That talks about God's protection.

"His bread will be supplied, and water will not fail him." And here is both the living, spiritual bread and the living, spiritual water--as well as food for the body.

"And his eyes will see the King in his beauty." We will grow in intimacy--isn't that what we all want? To be able to see and hear the Lord clearly? Wow... That alone is worth it.

"And he will also view a land that stretches afar." We'll be lifted up in the Heavens to see the Kingdom of God coming to Earth and our own part to play in that happening.

Dear ones, if you have a witness in your spirit to any of these sins--I have to go over it several times a day--please take them to the Lord and ask Him to change your heart. Don't come under condemnation--that's what the enemy wants. No, come under the Truth and under the hope of all the good the Lord has stored up for you and is now ready to impart.

If we're going to be in ministry, we have to be an example. Our lives have to be clean.

And here's the song, I want to share with you. You can download it from the site. Go into Clare's Songs (playlist) or just Google it. And this is from the Psalms, by the way. They're taken from Psalm 15 and 24.

(sung) *Who may dwell, who may dwell, in Your holy tent?*

(spoken) He who walks righteously, speaking truth from the heart.

He who rejects dishonest gain, and stops his ears against plots of destruction.

Who shuts his eyes against contemplating evil, who slanders not his neighbor, nor harms another. And never defames a friend.

Who may dwell, who may dwell, on Your holy mountain?

He who refuses to contemplate harming his brother,

And keeps his tongue from evil, never using his lips to deceive.

He who harbors not bitter envy and selfish ambition, who keeps his heart free of judgment. And always speaks well of others.

You will dwell, on the heights, never to be shaken.

You will dwell, on the heights, never to be shaken.

He who forgives offenses and is quick to confess his own fault. Who is lenient with the shortcomings of his brother, and swift to correct the error of his own ways. He who spends not his life on worldly gain and pleasure, but looks after the needs of the poor, and the alien in his midst.

He who cares nothing for the praises of men, nor courts their favor, but considers his ways before God and seeks only His favor.

You will dwell, on the heights, never to be shaken.

You will dwell, on the heights, never to be shaken.

He who gives thanks when things go well, as well as when things go badly. Who entrusts His life to the wisdom of the Almighty. He who forms no complaints in his heart, nor utters a deprecating word. But makes his heart a tabernacle of Praise and Thanksgiving to the Most High God, always giving thanks for His benefits.

He will dwell on the heights and never be shaken. Your refuge will be the mountain fortress. Your bread will be supplied and water will not fail you. Your eyes will see the King in His Beauty, and view a land that stretches afar.

You will dwell on the heights, never to be shaken.

You will dwell on the heights, never to be shaken.

You will dwell on the heights, never to be shaken.

Jesus began, *"My Beautiful, Beautiful Bride, your loveliness has taken My Heart captive. Truly, you are a wonder and beautiful in all your sufferings, shouldering your crosses with great resolve and some of you are even doing this with great joy.*

"This is what I meant when I said, 'Deny yourself, pick up your cross, and follow Me.' The cross is never easy, and as you carry one and build that spiritual love muscle that allows you to keep going and pressing into greater and greater depths with Me--you are becoming beacons of hope for the world.

"It is the love-light of your sufferings that shine upon the poor captives and bring hope to their hearts and minds. I know it is never easy, but the fact that you continue to press in proves your great love for Me and I am smitten with you, My Bride. Nowhere do you find such selfless love as you have displayed in praying, fasting and putting up with your thorns; nowhere does love like this shine forth to open the doors of salvation and change to the most wretched of human beings.

"This love originates in the Heart of My Father. And though I have completed the sacrifice on the Cross for all souls, I still require these offerings to bring them the gift of My Love, that they will turn from their sinful lives to embrace Me. Oh, how I wait for them to be weary and seek a better life, to seek Me.

"I beg of you not to join in the world's condemnation of these souls swathed in darkness; rather, remember them as little ones coming forth into a dark world and being captured. Do not join in on condemning these who have sinned in your government; rather, hold them up tenderly in your arms and ask for the grace of repentance and salvation. Great indeed is the rejoicing in Heaven over just one soul who has repented. And I smile upon those who have My heart for them.

"Do this for Me--love them as I loved the brutal Romans who crucified Me. Love them as I have loved you and pray for their conversion.

"Springtime is coming for you, My Brides. It is indeed coming. But now I ask of you: seek Me and seek to know your most obscured sins. Clean yourselves to the very depths of your soul, for I long to impart to you the treasures I have stored up. But I cannot fill you until you are empty of pride, selfishness, evil speaking and complaining. I know you struggle greatly with these things, but it is no longer optional. To enjoy the fullness of Springtime in your lives, you must exorcise these sins and demons forever from your midst.

"For You who overcome, I will make you a pillar in the temple of My God. Rev 3:12

"I will overshadow you with My goodness and under the shelter of My wings the nations shall find refuge.

"Am I worth the struggle? Many of you have proven that I am. But I still wait for those who are toying with sin and not taking it seriously out of their lives. I do not want to leave you behind in the move of God that is coming. I want to use you. I have marvels stored up for you, I long to garland you with the choicest graces.

"You have gone half-way, 3/4 of the way for long enough. Now is the time to go ALL the way and put those things I detest out of your lives. Put those things that have wasted your time out of your lives forever and embrace all I have for you. Empty yourselves of your attachments to the world. Circumcise your hearts and I will wash them clean to receive from Me the wonders I have stored up for you. If you will work, I will work with you. You have only to resolve that these things matter no more to you and I will lift you up to the Heavens."

And that's the end of the message.

He is speaking right at me, Heartdwellers. I've had enough of entanglements through my own foolishness--I want the 100% and that's what I'm preparing my heart for.

All of you have encountered tremendous opposition to your hopes and dreams and this has caused you to look at yourselves under a microscope to see what is opening the doors! In the process of doing that, and lunging forward for the vision He's given you for your life, you have cut out many things that were irrelevant.

But now He is asking for the final quarter, the very things the enemy has used against you.

Because of your faithfulness, God is going to arise and fight back these powers that have checked your progress. He is going to rise up and cut the bondages, to set you free to lunge forward into your callings. Only just be faithful not to entertain these things of the past. Purify your hearts and lives from what has been used against you. He is rising up on your behalf to conquer the oppression that has been targeted at His Bride, so you can labor for Him in your callings.

Let's not disappoint Him. Let's give Him our all.

URGENT! Pray & Fast for President Trump

January 30, 2018

Heartdwellers, there's a plot out to kill the President by nuking Washington. North Korea is controlled by the Deep State and our Navy has a traitor high up that may not protect the President from the side that faces the sea.

President Trump is about to release a document of all the acts of Treason committed against the country by the Deep

State. They're going to try and stop him.

Please, fast and pray today and stand in the gap, that NOTHING. ABSOLUTELY NOTHING will harm our president and his administration.

PLEASE fast and pray with all your hearts to protect him. He has five days to release the document. He is in grave danger.

There are MANY less messy ways to do away with anyone, using Tesla technology. But I think this has something to do with politics concerning North Korea.

Nonetheless, he is in grave, grave danger.

Lord, have Mercy, have Mercy. Please, Lord, protect the righteous. And pray for those who will be convicted of these crimes, that they may repent and give their lives to Jesus before it's too late. He does not want any of them to perish, no matter how evil they've been. He still loves them.

Please, pray for mercy for them as well.

Whatever you can offer the Lord as a fast offering, please offer it.

God bless you, Heartdwellers. We're going to be in prayer all day today. The danger may not be over until after he's released the document.

So, please be on the alert and stay prayerful for the next few days, 'till this is over.
