

Apology for Neglecting You & Why NEVER Abortion

June 2, 2018

Lord, forgive me for neglecting your flock. And grant us all the grace to walk alongside the Hurting that visit our Channel and share the wonders of Your love for us with them. Amen.

Now, my very precious Heartdwellers, truly I owe you an apology for neglecting to be on the Channel more often. I love those moments when you share your heart and I can understand you. And I am making a fresh commitment to be with you more often.

I do need to ask you a question though. Do you see my replies a day later? Because a lot of times I'll come on and spend quite a bit of time answering things that have been asked as day or two beforehand. And I never really know if you get those. So, let me know, would you?

I am asking this question, because sometimes I answer you late at night and I don't know if you'll ever see my answer the next day if there's another video. I don't want to waste time answering a question you'll never see. So, please let me know. And I might even be able to adjust my schedule to be there the same time during the day that you're there. And that's another question. Once you've made a comment, do you go back to see if it's been answered that day? So, with a little more information, I think we can be in better communication together.

I really want to connect with those of you who are hurting, so I ask these questions. When you set up your own YouTube account, please be sure to enable communications in the settings--because I will go directly to your account and try to send you a message. The problem comes when you haven't enabled that in settings, and there is no way to reach you.

Except perhaps on Facebook... Have you ever tried to find someone on Facebook?? It's shocking how many people have the very same name! Now there's even a Clare du Bois on Facebook--she spells her name just like I spell mine... although I think she's 50 years younger than me. LOL.

The volume of mail that I get is high, but I have not been faithful with the little things. I could have spent more time answering, and the Lord really has convicted me that some of you are crying out with a painful heart, soul, and spirit issues. And I know there is nothing more painful than feeling lost and confused in the spirit.

For this reason, I am deeply sorry and am going to make sure I am more present to you. One thing I will do is read your letters and e-mails in a message on the Channel and answer you, without mentioning your name or location. And I am hoping you will listen to those messages with the word "Letters" tagged on. That way you'll know that I may have replied to YOUR letter in the message.

So many of you have similar issues in your lives. And I know these letters are going to bring you a great

deal of comfort. Truly, we are all in this together! And though I feel like a mother to you, I also am convicted that I have not tended to my 'children' as faithfully as I should. I have allowed other things to get in the way. And I've even swallowed the lie that I didn't have time. And the Lord addresses that today.

You know the last message I gave you about getting the song out that day or the next day? What do you suppose happened to that song? I over-estimated myself in getting it done. There is far more to getting a song out than just singing it. There are a whole bunch of other considerations, which those of you who are musicians already know.

But that very day, I had a huge computer issue that just threw me into... oh, let's just say a big ditch. And I discovered double files and triple and quadruple files of songs, lyrics in all different places. And I knew that I had gotten further with the lyrics in the song than the sheet that I pulled up, and I was going to work on the song. And I thought, 'whatever happened to those lines in the lyrics?'

Well, I couldn't find the most recent ones, so I had to go on a search. And since the computer was being backed up for the first time in several different places, I decided I'd better pitch out the trash and clean up my files, while I'm at it.

So, I went through everything, looking for that file. And guess what? It turns out I had 5 lyrics folders scattered in four different places. And I had 6 copies of that song in lyrics. And I finally found the most recent version. We have a new security system now, and several backup systems, so I will never have another issue where I lose my entire music collection and lyrics. That's fixed, thanks be to God.

But with that came massive confusion about how many copies of sessions with the same song that I had. Oh, dear ones, don't ever be sloppy with your filing! It is so important that you have a good, clean system for storing things and that you maintain it. I must have spent at least 13 hours throwing out and merging duplicate files. WOW. What a lesson that was! As a result, I never got to touch the song.

Now the Lord has convicted me about correspondence. And so, I will put the song off a couple more days. I just couldn't get it out. I could just sing it and be over with it, but I want it to be a good song that has real substance. So, I need to be patient with myself and do it right. Thinking of singing it without instruments, but then instruments add so much. So, I struggle with that thought, too.

We are dealing with spiritual issues, and as I told one of our leaders today, the journal is so very important to going deeper in the Lord. She is leading new Christians that have some faith insecurities and we were talking about what we can do to help.

One thing is that we come to the Lord naked of any pretense, be really gut real, and speak to Him as you write down your thoughts. You may even find that a voice comes in behind yours and begins to answer you.

But always test the spirit: "In the Name of the Living God, Jesus Christ, if you are not from Him you must be silent and leave immediately, never to return."

And if it is our sweet Jesus talking with you, then He is giving you personal, one-on-one instruction! And that's the cry of my heart for all of you, is to be able to get your instruction directly from Him. It's not as hard as it seems.

Then, when the Lord answers your dilemma, or the prayer that you made, write it down. And later, when you are faced with another difficult situation, go back to your journal and read how He solved other issues in the past. Oh, this is a tremendous Faith-builder! This really strengthens you for the journey, which sometimes feels like it goes from struggle to struggle, as your faith deepens and you are stretched by the Lord.

Another way to quicken your faith is to pull a couple of Rhema cards from your little file boxes and see what is on His mind. What He wants to say to you. You will be surprised how sweetly He speaks about exactly what is important to you at that very moment. And that's the reason why we have the rhemas on Heartdwellers.org. So that you can do that every day. And that builds Faith - because you realize, 'Wow! God is reading my mail. I mean, like He's right here with me in this situation. He knows exactly what I'm going through!'

Although, some of you have written and said, "Well, it didn't make any sense to me." And I'm sorry to hear that. And if you can, write to me and I'll try and help you with that. Or put it in the comments, and I'll try and give you a hand with that.

So, here are the cards that I pulled today:

"You have done well to read and study; allow it to settle, pray and act from the Heart."

Now when I got this card, I had just been very distraught thinking of those who have written me who I have not as yet answered--that perhaps they had painful, pressing issues and I should have written to them.

So, I grabbed one letter--just grabbed it. And it turned out to be from a young man of 21 and I answered him. Plus, we also sent him a Rhema book and some cards with the Lord's picture. And it felt so good to do that. I realized I had been so wrapped up in personal issues, I had forgotten how sweet it is to share with a hurting soul.

So, this card, saying PRAY AND ACT FROM THE HEART, just confirmed what I had done. I was sitting down to pray, as a matter of fact, and I realized that I hadn't touched the correspondence. And I felt guilty in that moment, so I just grabbed a letter. And it turned out that the Lord confirmed it. I ACTED from the Heart. 'Cause my mind was telling me to sit down at the altar and have a communion service. But something in my heart just wouldn't let me settle.

Another one. Another card that I got:

"At the sight of the crowds, His Heart was moved with pity for them, because they were troubled and abandoned like sheep without a shepherd."

Oh, that one really hurt. That's when conviction fell and I missed hearing and answering you all!

Then, the reading from communion also spoke to my heart. It was about abandoning all personal things for the Lord. This particular reading--even wife and children. Something we don't hear about too often. But it spoke to me that my mind was too focused on the time I didn't have, instead of the time I did have, and drawing the line as far as family and personal involvements go.

After that thought came another word of confirmation. In another card, it said: "My people can have what they say; instead, they say what they have."

Wow... I confessed right at that point, "I have all the time I need to answer mail and pray and do music, because when the Lord gives you a gift or a responsibility, He also gives the provision." But it's up to you to use that provision properly.

That's only one very tiny reason why none of you should EVER consider an abortion, because with the child comes all the things you need to raise that child by Divine providence.

Of course, that's a foolish reason to kill an unborn child--but it surprises me that people will actually abort a baby because of their financial status. Oh, that is so cruel! And if you say, "Well, this just isn't the time to be having a baby," (as I once did, when I was very young) you are wrong again. If the timing of this child weren't perfect for God's plan for your soul, He never would have sent the child in the first place.

When God gives a gift, it comes with total provision for that child from day one until they are fully grown.

Well, I just started confessing, "I renounce the lie that I don't have time, in the Name of Our Lord Jesus Christ. I have exactly the amount of time I need to tend to wounded souls, or Jesus would not have sent them to me."

Jesus began, "I am so glad you mentioned the reasons people are willing to kill an unborn child. Oh, My people, what is your thinking? 'I shouldn't have this child now, because I can't afford it?' Do you know who brought that pressure to bear in your thinking? It surely wasn't ME. I gave you the gift of that child with ALL the provision you would ever need, if you will consider raising the little one according to My plans and not the world's.

"How foolish to think that you can't have a child without thousands of dollars put away. Please, do not think as the World thinks. Rather, trust Me. That I will provide. Because I will! And trust that I know what I am doing when I choose the time for the child to be born.

"There is no greater gift or grace in your life, other than salvation of your soul and your husband or wife, than the gift of a child. Children do not need adults to raise them. As a matter of fact, most of you only become adults after you have a child. So, it is My provision to accelerate you into a new level of life that brings with it Godly maturity.

"But I want to ask of you, My people--care for one another with a tender heart. Clare should not be the only one to feel conviction. Many of you have the answers others need to hear when they are faced with trials, especially those of you who have been here since the beginning.

"Remember. I have warned you that you would be tried and tested with something very small that would open into something much bigger and cause you to abandon the Channel."

Gosh, that's happened to two people already on our Channel.

"There are yet many blessings I intend to pour out on you, My people. And the enemy has plans to take

you away from this Wellspring of Life I continue to plant here. Do not allow your petty differences to separate you from those who love you. And those you love, as well.

"Yes, Clare is not the only wellspring. All of you are bubbling up with crystal clear waters of wisdom from inside of you! And how I rejoice to see you coming to the aide of a soul in distress and tending to their wounds. This opens the door for Me to shower so many more graces into your lives, because you were faithful to take the time to use the ones you already had.

"Yes, he or she who is faithful in the little things shall be given the greater to care for. Everyone in Heaven serves, and this is a perfect picture of Heaven when you come to each other's side. This is precisely the way things are done in Heaven. You have fulfilled the words of My prayer by doing this, 'Thy Kingdom come, Thy will be done, on Earth as it is in Heaven. Amen.'

"Please, love one another tenderly and from the heart. And by this, you will prove that you truly are sons and daughters of the Almighty, for you love one another as I have loved you."

Do You Want to Hear Jesus Clearly?

June 4, 2018

Thank you, Lord, for opening our eyes to the things that stand in the way of closeness to You. Please grant us the grace to want You with all our hearts and souls, even enough to set our desires aside to have only You. Amen.

Dear ones, if Jesus isn't speaking clearly to you, or you feel far away from Him, I highly recommend that you do an assessment of your obedience to His known--or, I would even say 'suspected' will.

For instance, those little prompts... "Don't buy that, don't eat that, help her, call them now, pray for them, be honest, don't take any shortcuts or breaks. etc., etc." What I mean are those little corrections you get throughout the day that go against your preferences or will. If we are serious about serving Him, it comes with a cost: the cost of everything you like and everything you don't like. We cannot afford to have any preferences or attachments.

For instance, in this most recent correction of direction the Lord gave me, He wanted me to answer correspondence. Even though the Internet was down, I found a work-around and worked with the Comments--because that is so much easier than writing letters--right? But at the end of the night, I didn't feel the Lord's pleasure with me.

In fact, I felt Him standing a-ways off.

So, when I awoke this morning, I sought Him on why I was feeling distant... and He brought up that 10" stack of mail in my inbox. And I have had to make a bigger box to fit it all in there...

So, I knew immediately that I had let Him down by not plowing into that pile. Especially because the Internet was down--it seemed most logical to work on letters...right?! But I find a work-around and get to Comments.

Well. But going through that pile was much more work than answering Comments. And very daunting to look at, I might add. So, I moved towards the easier way--my own preferences--and I did not make Him happy.

You see, the Lord is very clear about who He will show Himself to:

John 14:21 Whoever has My commandments and observes them is the one who loves Me. And whoever loves Me will be loved by My Father and I will love him and reveal Myself to him.

Oh, what a beautiful, beautiful promise that is!

So, if we are not hearing clearly from the Lord, or sensing He is not near, or sensing any kind of void

where He should be present--we don't have to look far.

The bottom line is, how obedient have you been to the known will, His likes and dislikes? If you have been resisting Him because of your attachments, your wants, your passions or self-will, that might be the very reason He is not revealing Himself to you so fully.

So, this morning I was feeling blocked, so I prayed the Binding prayer--and I still felt blocked. Then I heard a still small voice inside of me saying, *"When you take care of what is most important to Me, I will be with you again, in prayer and music."*

In other words, do it the hard way. Answer the letters that require mailing, dive in and get caught up.

"Then, I just might surprise you with a fresh new anointing to finish your song and feel so very close to Me in prayer and worship."

Now, that doesn't mean that He's going to send you an angel to tell you what to do! No, what that means is that you have intuition about what would please Him the most. Even though it's maybe not your favorite thing to do. So, you put down your attachment and liking to fulfill His attachments and His likings.

Then that rough road full of ruts and rocks all of a sudden becomes a well-graded highway, and everything starts to flow again, because you have found His peace in the center of His will for your life and the good of others.

Then Jesus began to speak to me, *"My precious family of Heartdwellers. Indeed, I love to dwell with you in your hearts. And those who do not yet understand what that is, it is the prayer of worship and delight you take in My presence."*

"And how do you arrive there? By letting go of the World, your opinion about yourself, and longing for Me deeply in your heart. I do not disappoint good wills. And Clare gave you a precious piece of advice today when she said that, basically, Obedience is the way to My Heart and the Revelation of My Being."

"I long to reveal Myself to all of you, but some of you are not quite ready. You are still hanging on to the pleasures of the World. You're still resisting me in things I've asked you to do. And Clare struggles with this, as well. But when you resolve in your will that nothing is more important to you than Me, that's when I will be able to change your heart."

"Ask for this, 'Lord, change my heart, so that You are the only thing important to me.'"

"This does not come overnight. For most, it is a journey of letting go of the World and embracing what you think will please Me. It's a matter of deep integrity. To integrate your values as a Christian into your whole life, with no corners of darkness where the devils may exploit you."

"It is when you give permission to the little things, against what you imagine My will to be for you, that the enemy gets a toe-hold inside the door to your heart. When the door is barred, he cannot even begin to gain entrance into your heart--so he works on you. Playing you. Feeding you permissions to do what I would not have you do. Even as Satan did in the Garden, as he lied, "Surely you will not die if you eat of

this fruit." Yes, he talked Eve into doing what she knew was wrong--and look at what it cost them.

"You do not see the monster trying to enter your heart. Rather, it looks more like a tiny mouse, the issue is so small. But understand it can become big and overwhelming in very little time. Just like a tiny match in the forest can destroy thousands of acres, so can a tiny compromise do the same.

"I am repeating Myself, because I long to have intimate fellowship with you all, and it hurts My heart just as much as it hurts yours when we are not communing together.

"Oh, how I miss you, My precious ones! This is why obedience to the 'little' things is so important. It takes you from one rung on the ladder to the next and the next and the next. And pretty soon, you are in My arms and we are having that sweet time of fellowship we have both longed for.

"You see, man in his Pride does not like to obey. He seeks independence, self-sufficiency, doing it his own way, his own prowess and devices. Making his own decisions. But in My world, it is the little ones who seek dependence on Me. Trusting me, they find completeness in Me, and leave the prowess up to Me in dealing with the World and the devil. It is the worshipful heart that stirs Me to pity and longing for you.

"Is it not difficult to worship when you know you have transgressed or neglected My invitations?"

"I do not expect you to be perfect; just long to be perfect for Me. This moves My heart. Selfishness pushes Me away and I must take you through a series of lessons to learn how important selflessness is. You must meet yourself at rock bottom and discover how very vulnerable you are before you are totally willing to allow Me to be your everything, your provider, your all-in-all. And work with all your strength to resist the temptations and allurements of the World. And to work with all your strength, to do the things that I have asked you to do. That I hint at you to do. Things that you don't want to do, because of a hurtful past or difficulty in your environment. Things you just don't want to do, but yet you know deep down inside I want you to do them.

"Cleave to Me, My precious ones. Cry out in temptation and run from every occasion of sin. Beg me to remove that stubborn self-will that stands in the way of you doing what you know I really do want you to do.

"And if you fall, return to Me with a docile and repentant heart and I shall restore you.

"But the greatest blessing of all is the sweet fellowship we will have, because you have chosen Me over all else in the World. Even over yourself. Remember: this is a journey, and I am committed to you all the way through to the end. Be committed to Me as well and I will fulfill those empty and aching places within you with My sweet presence."

Intercede! & We Opened a Door Again: Ezekiel Attacked & Presumption in Marriage

June 5, 2018

Thank you, Lord, for not giving up on us, but being there by our sides as we go from glory to glory, learning Your ways and conforming our lives to Your perfect will. Amen.

Well, just an update, dear ones. The Lord is so serious about keeping us on the straight and narrow, that at times we are bound to fall. Listening very carefully is so important. But sometimes He doesn't tell us when we are stepping into a trap, because He wants to draw out the deeper motives of

our hearts and reveal them to us.

As you know, Ezekiel is growing stronger every day and excited about what the Lord is doing. Just after his healing, the Lord said He would leave a little bit for offering in times of international distress and need. And last night he was called into service again for President Donald Trump, President Assad, Israel, N. Korea, and of course, Kim.

But there are usually two aspects to a suffering. One is a door we opened. The other is a dire need for intercession.

And we did open a door. Actually, I've been seeking the Lord for three days on what door we might have opened, because symptoms started popping up that told me that something was going on. And over the years, we've noticed--very consistently--the Lord sometimes reveals things to us at a time when intercession is needed for the world. So, we may be skipping along merrily thinking everything is fine. And all of a sudden, the door gets opened. We get backlash. And then we seek Him on 'How in the world did I open this door??' But at the same time, whatever we're suffering in that moment is being used to forestall the situation and make it less dangerous. Or to disarm it altogether. And sometimes that happens when we're praying for someone who is very sick, and the Lord wants to deliver them of that sickness.

You know, as intercessors, we just never know what it is the Lord is asking us to give ourselves for.

In preparing for a new recording season, we were missing a couple of instruments--or so we thought--to fill out what we needed. We went to the Lord about it, and from the readings, everything was a green light and joyful.

Well, then the first instrument arrived. Ezekiel was attacked before he got out of bed that day. And when another one arrived the next day, the same thing happened. And finally, when the last one arrived which was an inexpensive bass guitar. He was not in any way indulging himself, you know. These were things he really needed, he felt, for production. But then, a BIG door was opened on the third day and the Pain and Torment demons piled right in.

For two days, we could not imagine what in the world this was about. One of our prayer partners got Pride, but we didn't equate it with Avarice, because we felt we had permission.

But this is what I noticed. He was really enjoying listening to other musicians and just generally getting caught up on new techniques, etc. It troubled me when I saw that a lot of time was being used that way. And I longed for the day when he would just sit down with his guitar and play from the heart. Because those are his most powerful songs. I could see the focus was shifting, and I prayed that it would be revealed to him. I prayed that carefully, because... what if it was the Lord allowing him to listen to different artists?

Presumption can truly ruin a marriage. Especially if you think you are the super-spiritual one and your husband is just lagging or lacking altogether. We've been around that mountain wilderness a few times, until the Lord convicted me of Pride and Presumption.

It's a delicate balance, ladies. You see, our husbands--whether they are converted or not--many times have wisdom from Above, nonetheless. So, we don't ever want to presume that God is not leading them.

Well, to make a long story short. Finally, on the fourth day, I knew a door had been opened. Because he got very sick. So, I sought the Lord earnestly to find out what it was. And we discovered it was Avarice. Wow! I really thought we were acting within God's will.

Ouch!

Poor Ezekiel! He repented immediately and was so crestfallen that he had hurt the Lord. Not to mention that the equipment had to go back. The refund would go to a ministry in need. But the other half of this suffering is for the life of President Trump, for our nation and world peace. Praying for all the major players.

So, I would ask you all to please pray for these men and situations. And also, pray for Ezekiel as he recovers from this.

So, in the stillness of the night, I went to the Lord and He began to speak.

Jesus began, *"Tell Him he is forgiven. Please, please, be ever so careful, Clare."*

I'm sorry, Lord. I could have been his fail-safe if I had realized.

Jesus continued, *"That's true. But you wanted him to have good things, just like any wife would supply for her husband. But you must go deeper in your discernment and not let your decisions be made by shallow thinking."*

"Go deeper, Clare. Go deeper."

"Whenever you get a warning Rhema, pay attention. Pay VERY CLOSE ATTENTION. There are so many subtle shades of sin, and neither one of you are used to going that deep."

He did give me a warning rhema that was pretty pointed. And it really disturbed me when I got it, but for

the life of me, I couldn't figure out who it was about.

And this is what it said: "In the primitive Church, pastors and prelates were poor men, burning with Charity - not Greed."

Wow... I got that probably about two days ago, and I thought, 'What is this about??' He must be trying to warn me of something, and I just didn't have a clue.

Jesus continued, *"As he said, whenever you get a warning rhema, PAY ATTENTION."*

And that, guys was from my box of, like... Oh, it's probably 1,500 cards by now.

"When I say deeper," the Lord continued, "Franciscan deeper."

What He means by that is to make do with only the essentials. Nothing more.

Oh Lord, I don't have the strength and love it takes to go that deep right now. Will you please help me?

He continued, "That's why we are talking now, My Love. Oh, I want to put an end to these attacks; so badly do I want them to end! Although, as you have observed, 50% is also for an offering and always comes at an opportune time."

Jesus, I am so sorry. I was blind--just as much by Pride and Avarice as he was.

He continued, "And yet your intentions towards him and towards Me were honorable. That is why I tell you to never, ever judge the motives of anyone. Only I know why they did something. Even the seemingly most detestable of men, those who promote the New World Order's thoughts on how to live. They are, in essence, just applying their intellects to cause life to be 'better' on Earth. They see it as a big improvement, an end to poverty and exploitation."

"However, they are using poverty and exploitation to put something together that will never stand. Iron and clay will never stand."

And there, He's referring to Nebuchadnezzar's statue. Which, we are in the End Times. The feet of that statue.

Jesus continued, "They have been raised to believe in a better world, using the tools of their intellect--but without Me. They see Religion as the problem. Which indeed it can be--but they do not see Me as the solution."

"So you see, if you were to examine their motives, you would find honorable ideas. What they do not acknowledge is the fallen state of sin that man is in. Which means greed and exploitation will always be used to steal from the weak."

"I am coming to liberate man from this system of slavery that those from the 'great halls of learning' have consigned them to. Where every man, woman and child has an opportunity to be fulfilled in their destiny. These people fear vision and freedom, because it cannot be forced into their game plan. Therefore, they

will deal harshly with and eliminate the dissenters.

"But back to your situation, My Love. Be ever so careful, Clare. The heart of man has much wickedness that is not seen for what it is. From childhood, little ones are taught Avarice, Greed, Pride--and it goes so deep in a man or woman that deep ploughing and even sometimes dynamite, is needed to dislodge it and bring it to the surface to be dealt with.

"And I know that's your heart. That you want these faults dealt with. And that's why I continue to work with you on this level.

"You are both forgiven. And you're wiser now. Move ahead in joy, for I am with you.

"And by the way, I love the song we are working on."

I Sought the Lord song...

Thank you for your mercy, Lord. Please give Ezekiel some relief.

Jesus replied, "It will come when My ends have been accomplished and secured. Be patient, Clare. He truly is carrying the world in his inward parts. For the time being, this IS his work."

Oh, that's hard...

Jesus continued, "Precious Dwellers in My Heart. All of you have good and bad, right and wrong set before you each day. If you have offered your bodies as a living sacrifice, there will be times when I require that of you. Please cleave to Me tightly and know that I suffer with you and will remove this season from you as quickly as possible.

"When you see the Middle East heating up, you know deep intercession is needed. You can pray to be relieved of pain. Or you can pray for the Middle East--and I will relieve the pain. But it is there to remind you that this World is a lit fuse, ready to explode at any moment. And you are the bucket of water.

"We are in a war, and you are in the front lines. Fear nothing! I am with you."

AMERICA!!! DROP TO YOUR KNEES!!! With Fasting and Prayer

June 6, 2018

Precious Family, I'm coming to you with a request from the Lord for serious, serious prayer.

Today in prayer, one of our intercessors saw that Holy Spirit is weeping over President Putin and Trump. There is a **SERIOUS** assassination attempt in the works **NOW**. Don't wait for the meeting with North Korea on Tuesday. Get busy **NOW**.

Somehow, the Lord is putting together Syria, N. Korea, China, Russia, Israel and the U.S. to create a Revival of epic proportions. This cannot be done without Presidents Trump and Putin. And right now is a very, very serious attempt being planned to take them both out.

Dear One, this is IT. This is the point of no return. We have to fast and pray for Presidents Trump and Putin, with their families, to live.

Our prayer warriors have been given this information, because we are all getting hit really hard. Ezekiel, for the last two days, has been in the worst pain and mental torment he has ever experienced in his life.

Holy Spirit is weeping, weeping, weeping over President Putin. President Trump.

Then Jesus began to speak to me, and He said, "If you want your President to live, get on your knees. This is the most elaborate and serious attempt on his life that has ever been planned. There are a number of places I can and will snafu this - IF you are on your knees. **THIS IS CRITICAL!**

"Without your serious intercession, this evil plan will succeed. The Elite world powers are trying to throw the world into total confusion, because they have lost so much ground and will be losing more. I need every man, woman and child on vigil prayer for these men **NOW**.

"Please, My People. Come to My aid. Hear My cries and help Me save the world from certain disaster and calamity. These men are so evil and hell-bent they will stop at **NOTHING** to destroy these Presidents.

"This is unlike anything that has ever been planned before. That is why I want you all on high alert. On your knees and praying for the safety of these men, and that My plans will go through unhindered.

"I will be with you in these prayers. My Spirit will lead you."

Come. Drink From the Nectar of My Heart

June 8, 2018

Thank You, dear Jesus, for sharing with us the secrets of Your Heart. Amen.

My dear ones, tonight I discovered something very precious about Heartdwellers. This Channel is not for everybody, because it leads right to the suffering heart of Jesus our Lord. We are not just a Christian gathering. We are called into the depths of His Passion and into travail over the World. That is why so many of us have physical pains: He is sharing with us something indescribably precious--His suffering Heart.

You cannot dwell in His heart without experiencing His agonies. And yet, He calls us there to comfort Him, to hold Him, and be one with Him and all that matters to Him.

Praise and worship is beautiful. And certainly, a way to shake off the shackles of this world's mindset and enter into the glories of the Lord, worshipping and loving Him.

But there is something very profound about sharing in His sufferings. Every day we encounter things that are important to us and must be done. But when we learn to dwell in His Heart, only what is important to Him, becomes important to us.

When we see His pain over the world and lost souls, the inconvenience or pain of suffering takes on a totally new meaning in our lives. It is a gift to us, so that we have something to offer Him and something to share with Him. Even as Simon was given the extreme privilege of helping Jesus carry the Cross.

In Heaven, there will be no suffering, nothing more to offer Him but our praise. In Heaven, there will only be joy, except for times, perhaps, times of transition when we return to Earth with Him. Or when we have to behold souls dying in sin. But we personally can no longer offer Him our suffering in Heaven, unless we are fused to His Heart and suffer what He suffers in that moment.

Isn't it meaningful when we can comfort another soul and be there for them in their hour of extreme need? We become bonded to them by an experience as we accompany them. And so it is with the Heart of God. The nectar of suffering is reserved for those who truly desire to be one with Him.

At first, it is a fearful thing, repelling our senses. But then... One look into those eyes of the One we love most dearly, to see His glance of gratitude for not abandoning Him in His hour of need. Once we look into those Eyes, there's no price that we wouldn't gladly pay to be there with Him.

This is what drove the Italian teen, Chiara, to suffer the worst pains of cancer without medication. She was a part of a group that accompanied the abandoned Christ in His need. Every day we walk and surf through oceans of indifference towards Jesus. Every day He stands by suffering souls and embraces their pain to comfort them.

But who embraces His pain?

My precious Heartdwellers, Brides and Victim souls, we are all called to comfort Him in His ongoing Passion over fallen man... even to the point where He grieves the loss of an unrepentant soul who did nothing but steal and murder his entire life. We will never truly know the agonies He goes through each day. But He may allow us to taste a drop of it to comfort Him. The fact that we sought Him out and wanted to keep Him company is all that matters to Him. He is totally smitten with the soul who has set their heart on His.

And at this point, I felt I'd just wait for a moment and see if the Lord had something to say.

Jesus began, *"My Brides, My precious ones. Eternity cannot even begin to disclose what your devotion to Me has meant.*

"As the pages of your lives unfold, I hold a golden vial with the tears I collected from your eyes in your moments of grief. I have never left your side, My people. Oh, how I wish everyone to know My tender mercy that cannot bear to abandon a suffering soul. How I long for souls to know I am by their side! They are not alone. I am intimately involved in their lives, always trying to guide them in the right way.

"But they have been fed so many lies and twisted pictures of Who I Am, they cannot bear to approach Me, for fear of punishment. Yet I stand beside them, arms wide open, waiting for some sign of seeking Me. I approach them with great delicacy, place My hand upon their heads and allow them to sense a little of My Presence. To wake up their hearts. To know I am not going to smite them. On the contrary, I am going to comfort, forgive and pour new life into them. Not just any life, but the life they've always longed for.

"I do not care what you have done. Did I not pardon the adulterous woman? Did I not touch and comfort the prostitute who poured the precious oil over My feet in preparation for My burial? Did I not pardon the thief and murderer dying by My side? What did he say to Me? 'Jesus, remember me when you come into Your Kingdom.' Did I chastise and turn him away for the men, women and children he murdered and stole from?

"It's not that I condone sin. It's that I came to set you free from sin, from the punishment of your sins, so you could be with Me in Heaven for eternity. I did this because of My passionate love for each and every one of you. But you will not believe this until you see the place I've prepared for you.

"Go now, My precious Heartdwellers, and dream sweet dreams about the day we will finally be together.

"And for those of you who do not yet know Me--dream of the most wonderful place on Earth for you. Then see Me standing there with My arms wide open to you, inviting you to step into the dream with Me.

"Even if Disney designed that setting, still it would not approach the beauty of what I've prepared for you when you finally come to Me. I am waiting for so many of you. Please do not delay. This world is a wicked place and no one is guaranteed another day. So, come. Come to Me now, while you can. I wait for you."

Are You Bound in Discouragement & Failure?

June 10, 2018

Thank You, Precious Lord, for delivering me from evil.
Amen.

Dear Heartdwellers, I awoke with the worst feeling of Failure I've ever experienced. I really viewed my work on this Channel as a major defeat, because I simply cannot quite get to things as quickly as I want to, no matter how

hard I try. I was NOT a pretty sight!

So, I came into prayer... Actually, I was IN prayer and the Lord stopped me and said, "I want to talk with you." 'Cause He knew how bad I was feeling.

Jesus began, *"This shroud of Condemnation you woke up with is NOT from Me. I can see that you ARE making efforts, and have I not rewarded you by taking away his pain?"*

'Cause Ezekiel's been in intercession with pain since Friday.

"The guilt that you feel is NOT from Me," He continued. "How many times must I repeat Myself, Clare? How many times?"

'Cause it wasn't getting through to me...

"This cloud was assigned to you to make you so disheartened you would give up. Satan knows you were making progress, and that you face many obstacles. So, he pelts you with Guilt over everything.

"If you will just take care of the most important things, I will bring you up slowly from this pit. Take heart, My Dear Bride. I have not condemned you. Far from it! We are working to bring you out of this Pit of Despair and into the Light once again. We will not abandon the work of Our Hearts. Not with you. Not with anyone.

"Do you see, My People? The enemy has demons trained in vicious attack, to rob you of your joy, your hope and most of all, your destiny. When you feel that it's hopeless, you're making no progress, but just going around in circles--THAT is when I am closest to you.

"The enemy uses 'coup de grace' - the final blow, to do you in."

It used to mean: the action or event that finally destroys or ends something. Such as in bull fighting. And that's what he's using. He's looking to that as the last resort, to put an end to me.

"Except there will be no 'final end' for you," Jesus continued. "But the Glories of Heaven and Eternity. He is dreaming. You are going nowhere. Do not allow yourself to even think it. You are not a failure. You are

just burdened with many things right now. See to the most important things, Clare. And the rest can wait.

"Have I not told you to answer a handful of people a day, and you will eventually get caught up? To My satisfaction? There are such glories waiting for you in Heaven that you could not fathom, even if I tried to explain it. It is more than what you're expecting, because you persevere.

"Notice. I am using the present tense. That means you HAVE persevered, you ARE persevering and you WILL persevere even more.

"In fact, there isn't any such thing as 'failure' in your life, now that you are doing your very best to live in Obedience and forsake your attractions for the World. Which is no small task with the opposition you are facing.

"None of you, Heartdwellers, realize how hot and heavy the opposition is, because they are using your own faults. To be sure that you come to the conclusion that you are one step away from reprobate, and it's all you and your character. Oh, these demons are clever! They dig deep until they hit a raw nerve, and then pile in their accusations until the tree withers.

"Do not listen to them, My people. You are facing monumental opposition. But I AM the Monumental God Who will carry you through.

"The devils also persevere, thinking you and all Heartdwellers will cave in, give up and fade away back into the World.

"No. That is NOT going to happen. Because they are Heartdwellers. They live their lives from My heart--sometimes unknown to them. They act from My heart. And so, from that place, they are strengthened from My very own Blood, to persevere and overcome. Giving up is not an option, for any of you, Heartdwellers.

"Where else would you go? From what place will you live this life of holiness? Certainly, you will not be pleased with the World after tasting the delights of Heaven!

"Do not give up! Persevere. Because I have put My Resurrection Power into your body, soul, and spirit. There is no way you can fail, as long as you keep trying.

"Get up each day and say, 'No matter how much of a failure I think I am, I will persevere and keep trying. Because my God is Faithful. He walks with me, giving me all I need to reach the Goal.'

"Then, believe that when you say it. Believe it with all your heart.

"As for you, Clare. Beloved, carry on. You would not be assailed with these thoughts if you were no threat to the enemy. He reveals the measure by which you are doing damage, by assigning so many evil ones to you. He does not waste a shot, Clare. He has so many to shoot at. He sends his best Marksmen to the ministry that is doing the most harm to him. Be encouraged. You are in that lot. He wants to stamp you out. Discredit you. And rob Me of all the souls who have left the World to become My Bride.

"He hates you with a passion.

"Carry on. I am with you to protect and nourish you. We are in the Promise Land. Carry on."

I Sought the Lord

June 11, 2018

I sought You, Lord and You answered me.
You delivered me from all of my fears.
The storm winds raged and You silenced them.
You delivered me from all of my fears.
I lost my way 'till You took my hand,
My wisdom failed, so You led the way.
Oh, rest in Him. Abandoned all fears.
What He has said, He will surely do.
Oh, love the Lord! He cherishes you.
He longs for you through the day and night.
Give Him your heart, you've nothing to fear.
Watch the skies, for He's coming soon.
To sweep you up into His arms.
I sought the Lord and He answered me.
He delivered me from all of my fears.

Message Repost: Without Love You Will Not Be Taken in the Rapture Prophetic Message

Circle Me, Oh God

June 22, 2018

Circle me, O God, let Your arms enfold me.
Circle me, o God, let Your love surround.
Circle me, O God, let Your light shine brightly.
Circle me e e, Circle me, O Lord.
Circle me, O God, when I'm weak and weary.
Circle me, O God, when despair is near.
Circle me, O God, let Your peace surround me.
Circle me e e, circle me, O God.
Circle me, O God, when I'm tired and restless.
Circle me, O God, be my hope my strength.
Circle me, O God, let Your presence guide me.
Circle me e e, circle me, O God.

God is Calling Us to Be a Father to The Poor

June 23, 2018

Well, my precious Heartdwellers. I want to keep up with you. And forgive me, I'm going to have to start being a little more informal, just to let you know what's on the Lord's heart.

And basically, what I want to say is, He's really, really been bringing to my attention lately, the seriousness of starvation

on Earth. And how He is really...

(Siri/Phone interrupts) *"I found something on the web..."*

Clare: Ahhh! Well, this is funny! 'World hunger. Poverty facts: Statistics. 2016. Hey--maybe this is the Lord? Talk about being spontaneous here! Siri picked up on my phone, and what I was saying here.

So! Let's click on that. Maybe that was the Lord. "Statistics 2016, World hunger news. 2018--World hunger Poverty facts and statistics. The number of hungry people in the world."

Let's check that out.

"Africa, Asia, Latin America...let me turn my phone on its side so I can read this a little better." They have a graph here. "Comparison of Prevalence of Number of Undernourished People by Region."

"The size of the circles represents the number of undernourished people in MILLIONS."

Oh, my goodness. We're talking about 552 million people in Asia. In Africa, 191 million - oh, and no, it goes up to 243 million people undernourished in Africa.

Ohhh, dear.

So! Interesting how Siri brought that up for us, isn't it?

So, what I want to say is, I went to the Lord for a rhema from one of my books the other night. I have a little 'library'. It's got a nice little chair in it, with a hole in the center? lol... And I have a library in there. And I happened to go pick up a book that--it caught my attention. And that's usually how the Lord does it. There'll be 8 books on that little shelf and one will just stand out.

So, I grabbed it, opened it. It was by Kevin Basconi. Who's a wonderful, wonderful man of God. I really, really think he's a very authentic Christian.

He was in a church service, they were worshipping the Lord. And all of a sudden, the Lord came and got him. And took him out of his body into Heaven, through the umbilical cord, I believe. 'Cause he

experienced that flight that happens through the tunnel.

And when he got there, he was standing in a room and the Lord was sitting on a large, white bed with a white canopy over it. Sitting in the middle of the bed, and He was weeping and weeping and weeping and weeping...

And Kevin began weeping. And he said, "Lord? What is troubling you? What is Your heart?" And the Lord had him come closer and... Actually, he assumed His vision into his own vision, so he was seeing what the Lord was looking at while He was weeping. And he was looking at dying babies. Children with mothers with no milk to give their babies, and the babies are dying in their arms, all over the world. Dying children. Children that don't make it to 4 years old, 'cause there's not enough food to keep them alive.

And of course, a lot more that die in birth, because their mothers weren't healthy. And it's so very, very sad. And the Lord showed him each one of these people around the world that were just flashing through his mind at breakneck speed. But he knew who these people were, where they were, what their story was and everything. It was like he was in Heaven and he was able to see all these things, right?

The gist of the story is that the Lord is SO grieved, because of the death of these poor children and these poor people around the world.

Now, He had been just dealing with me about cutting back on food. Cutting back on other things. You know, if you've been tuning in, you know He's been very, very, very strict with us lately about this. We had put out the word that our donations were down, and we needed help to cover salaries. And so, money started coming in, and He got to me again and said, "I need you to give some money away and feed people."

You know, I mean, we're living on the edge. Let me tell you! We are on a thin thread. And for Him to say that, it must have been highly important to Him. And I told Him, "Of course! You know, I'll do it." He brought up Nicaragua and we give to them pretty regularly. So, anything you end up giving to us, as soon as our needs are met it goes out the door. We don't have any savings account or anything. It goes to the poor.

I wanted you to know about this, because there are very serious consequences to having resources and not sharing with the poor. There's going to be an extremely difficult moment, standing before the Lord, when He asks you what you did with your wealth?

Because you can't take any of it to Heaven with you! Did you buy boats and cars and all kinds of, you know, expensive toys? What have you--while people around the world are starving to death? Those things are down on Earth, being passed on to your relatives, or being sold or whatever. And you're in Heaven without any Fruit!

It's serious! If you're in Heaven, if you're standing before the Throne.

Tonight, someone brought up that they buy a lot of clothing, but then they--they give their clothing away afterward. And so, they do help the poor by giving their clothing away. But I really felt that I needed to say more about that. Just to warn... *that* may not be the best way for you to be giving to the poor. I mean,

I give those things away, too.

But knowing how the Lord is feeling right now, and how strict He has been with me about giving money to the poor, the moment we have any extra. Which of course doesn't cover next week! You know, I'd like to hold on to something for next week, but He doesn't want that. He wants me to give it away the minute I get it in. After I've paid, you know, for that week's expenses. He's really stressing this point right now.

He's told us we have time on the Rapture, but if something went wrong and something changed... which would be wonderful! That we'd be going in the Rapture... We're gonna have to stand before the Lord and make an accounting of what we did with our resources.

We may have worked hard to earn that money and feel like, well, we have the right to spend that on whatever we want. But that's not the case. The Lord has GIVEN us the ability to bring in money, and that is because He expects us as Christians to be like His Heavenly Father. And to give and take care of others. That's what He has on His mind.

So, anyway. I shared this. I said, "The Lord weeps over the mother and babies that are dying because they have no food or breast milk. We will be held accountable to a very strict accounting for spending unnecessary money to look the way the world wants us to look.

"It is very serious... but most do not see what God goes through over our selfishness and ignorance. I recommend you scour the Samaritan's Purse website and listen to what others are suffering around the world. (And we give to them substantially.) It may change your heart forever. When the Lord gives us money, He expects us to take care of His children with it. It can carry very serious consequences for your eternity...if you do not.

"Remember: He also separated the sheep from the goats."

And so, I quoted "When the Son of Man comes in his glory, and all the angels with him, he will sit on his glorious throne. All the nations will be gathered before him, and he will separate the people one from another as a shepherd separates the sheep from the goats. He will put the sheep on his right and the goats on his left.

"Then the King will say to those on his right, 'Come, you who are blessed by my Father; take your inheritance, the kingdom prepared for you since the creation of the world. For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.'

"Then the righteous will answer him, 'Lord, when did we see you hungry and feed you, or thirsty and give you something to drink? When did we see you a stranger and invite you in, or needing clothes and clothe you? When did we see you sick or in prison and go to visit you?'

"The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.'

"Then he will say to those on his left, 'Depart from me, you who are cursed, into the eternal fire prepared

for the devil and his angels. For I was hungry and you gave me nothing to eat, I was thirsty and you gave me nothing to drink, I was a stranger and you did not invite me in, I needed clothes and you did not clothe me, I was sick and in prison and you did not look after me.'

"They also will answer, 'Lord, when did we see you hungry or thirsty or a stranger or needing clothes or sick or in prison, and did not help you?'

"He will reply, 'Truly I tell you, whatever you did not do for one of the least of these, you did not do for me.'

"Then they will go away to eternal punishment, but the righteous to eternal life." Matthew 25:32-46

And I also quote the rich man and Lazarus:

"There was a rich man who was dressed in purple and fine linen and lived in luxury every day. At his gate was laid a beggar named Lazarus, covered with sores and longing to eat what fell from the rich man's table. Even the dogs came and licked his sores.

"The time came when the beggar died and the angels carried him to Abraham's side. The rich man also died and was buried. In Hades, where he was in torment, he looked up and saw Abraham far away, with Lazarus by his side. So, he called to him, 'Father Abraham, have pity on me and send Lazarus to dip the tip of his finger in water and cool my tongue, because I am in agony in this fire.'

"But Abraham replied, 'Son, remember that in your lifetime you received your good things, while Lazarus received bad things, but now he is comforted here and you are in agony. And besides all this, between us and you a great chasm has been set in place, so that those who want to go from here to you cannot, nor can anyone cross over from there to us.'

"He answered, 'Then I beg you, father, send Lazarus to my family, for I have five brothers. Let him warn them, so that they will not also come to this place of torment.'

"Abraham replied, 'They have Moses and the Prophets; let them listen to them.'

"'No, father Abraham,' he said, 'but if someone from the dead goes to them, they will repent.'

"He said to him, 'If they do not listen to Moses and the Prophets, they will not be convinced even if someone rises from the dead.'" Luke 16:19-31

(reading more of her letter) "I say this to you, dear one, because I have been seriously corrected even today over my selfishness. I do not want to be responsible for you or anyone else at the Judgement Throne. So, I tell you these things. Love what Jesus loves and hate what Jesus hates."

You know, this is a very difficult topic, because we live in such affluence that our standard for living is so far above what these people live in... it's just...it's outrageous. When you go to Samaritan's Purse and you go through their website and you see what these displaced people are going through...it's just unbelievable.

So, we do--if we love the Lord. We do have a responsibility to deny ourselves, pick up our cross, follow Him--and to give to the poor. The poor who cannot live without food and water. And that's one of the reasons we give to Erik the Flutemaker is, he is putting in water systems, latrines and building houses. And now he's putting up a new orphanage in Nicaragua. His ministry has just grown SO large!

So, we're always giving to him. We also give to Voice of the Martyrs. And also, to trafficked children. People who are coming against traffickers and trying to rescue the young girls.

I share this with you, just by way of admonition that our style of life is not going to be the standard in Heaven. And the Lord is really, really, really looking for someone to partner with Him to take care of the poor. And that's why He increases our substance. Not so that we can have more things, but so that our conscience will be stirred to give to the poor.

And the poor, really, are our gift. They're a gift to us from the Lord, because they change our hearts. What can make us so selfish, in interior... when we see the poor--our hearts go out to them and softens our hearts. And we grow in Love and Self-sacrifice. That's a tremendous gift.

If we didn't have the poor to help, then we would be very hard people indeed. And be very careless with our money.

So, I just want to encourage you. Please, keep that in mind as you're living your lifestyle every day. Keep in mind that there are people who don't have milk for their babies and their children die in their arms. And it's too tragic.

And if you love the Lord and you're His Bride. If you saw Him standing there and crying, and crying and crying over all these children that are dying. If you saw that--wouldn't you want to comfort Him?

Well, that's where we need to be. To comfort Him in prayer, but also to comfort Him with the substance that He's entrusted to us.

The Lord bless you, Heartdwellers. You're greatly loved.

Nukes Planted by Deep State to Blackmail POTUS

June 24, 2018

My dear Heartdwellers. This is a serious call to prayer again. May the Lord give you strength and courage.

We have just been given news of a tragic plot to keep President Trump from disclosing, arresting and executing the hundreds of traitors in this country. The Deep State is trying to blackmail the President with suitcase nukes

planted in different cities, threatening him that they will detonate them if he continues to disclose the guilty. This information comes from a highly trusted, military intelligence source.

I felt a heaviness during my communion service. And I couldn't wait to ask the Lord, "Lord? Is this true??"

Jesus began, "It is. And I am calling everyone who has taken My Name and calls themselves a Christian to pray and fast as they can to prevent this tragedy of all tragedies. I cannot say America will go unscathed, but I can say that your prayers will make the decisive difference. This is why I have called Ezekiel into suffering prayer."

Yeah, he was called in to that yesterday. And it's been pretty rough. Arrow in the back, in the shoulder blades. Through the heart. Just...really rough.

"My people, there are those who will stop at nothing to cover their trail in the public eye. To escape incarceration and disclosure of the network that has had this country by the throat for decades. They have worked too hard to see it destroyed. At least, that is what they think. My thoughts are not theirs. I am defending this Nation, which has done an about-face and is now listening to Me and working towards My goals for America.

"What you are dealing with is an evil regime that will devour every man, woman and child to achieve its ends."

Wow. That reminds me of Daniel's prophecy of the statue. Nebuchadnezzar's statue about the kingdom that will arise and devour the whole planet.

Jesus continued, "Many of these think they have the survival of the nation in mind and do not realize how mistaken they are. As I told you many months ago, some will leave the ruling elite, because their eyes have been opened and they realize how wrong their methods are.

"So, again I come to you, My People. I ask you to go to your knees and pray that the bombs will not be detonated; that they will fail, be discovered and disarmed. Pray for those who are working to stop this, that they will be sensitive to the Holy Spirit, and receive from Him the information they need to stop this.

"Pray for the safety of all involved. I want to see this plan totally destroyed and disarmed, but it will take a great deal of prayer and suffering for some. Fast as much as you can, My faithful ones. Do not collapse in fatigue, but make it count. And do not feel condemned if you can't fast for longer times. Do what you can. Wrap your heart around this. It's desperately important to Me.

"I will move and intervene on behalf of My people, because they prayed. This Deep State is desperate and in their death throes in this country. And yet many will be arrested outside of America for their complicity. This is why they have devised such a despicable plan.

"Pray, pray, pray that they fail. My Father is watching over you, America, and this is not what He wants for you. My Spirit will travail from within you against this insidious and wicked destruction of all that is right."

Please forgive me, Family, if I sound a little spacey. I got this message just before I was going to bed. My mind wasn't functioning very clearly, but I assure you that the Lord's intents were conveyed.

Saving America

June 26, 2018

Lord, send Your Spirit of Travail and Tears upon us, so we may intercede with all our strength for our President and our Nation. Amen.

I want to share insights that have come to mind about this time of intercession. First of all, can you imagine the place the President is in?? He is about to make major arrests...

Let's say, he arrests Hillary--and an hour later, Manhattan is hit with a suitcase nuke during rush hour. Then he arrests Soros. And an hour later, a sports stadium--filled to capacity--is hit. And so on and so forth.

Can you imagine having to make that choice? Knowing that the country is going into chaos, thousands of innocent people with their children are going to die? And every time he tries to enforce the law--more are killed.

I cannot imagine being in that place. What a choice!

The Good news is that God knows exactly how to handle this. And that's why He's called us into intercession, and even travailing prayer--where we are taken over by a spirit of Supplication that involves our entire being.

And twice today, He has brought to mind this story from Exodus 17:8-16

The Amalekites came and attacked the Israelites at Rephidim. Moses said to Joshua, "Choose some of our men and go out to fight the Amalekites. Tomorrow I will stand on top of the hill with the staff of God in my hands."

So Joshua fought the Amalekites as Moses had ordered, and Moses, Aaron and Hur went to the top of the hill.

As long as Moses held up his hands, the Israelites were winning, but whenever he lowered his hands, the Amalekites were winning. When Moses' hands grew tired, they took a stone and put it under him and he sat on it. Aaron and Hur held his hands up--one on one side, one on the other--so that his hands remained steady till sunset.

So, Joshua overcame the Amalekite army with the sword.

Then the Lord said to Moses, "Write this on a scroll as something to be remembered and make sure that Joshua hears it, because I will completely blot out the name of Amalek from under Heaven."

Moses built an altar and called it The Lord is my Banner. He said, "Because hands were lifted up against the throne of the Lord, the Lord will be at war against the Amalekites from generation to generation."

Heartdwellers, it is your travailing prayers that are the hands of Moses lifted up over the battle. Your prayers, intense groaning and crying out is what will win the battle. Stand strong, and do not be discouraged or lazy in prayer. We are trying to save lives here. Our projects have to wait, or there will be no-one to give our gifts to, as the nation could be swallowed up in nuclear civil war.

But I believe the Lord will have the victory, because you endured. And thousands of others are praying, and they endured. And this thing is going to come down.

Also, pray for the teams searching out these nukes, that God will give them hunches and insight that goes WAY beyond their understanding. And that when they get one of these hunches, they DO NOT write it off as their imaginations, but understand it is God intervening.

Pray against the witchcraft covering that is hiding these nukes, that it will be pulled back by the hand of the Father and every last one will be found.

Pray the wisdom to disarm them without mishap. That the Lord will give them this wisdom in that hour.

Let's all do our very, very best against the forces of darkness that are wanting to remain hidden, but have to be flushed out.

I want to take a moment to thank you all for your faithfulness. Several people--a lot of people--sent in donations. And we were able to send quite a chunk of money to the poor in Nicaragua for food and medicine. And right now, Nicaragua was having some political issues. And some of the roads are closed. Some of the towns don't have any food.

But fortunately, they found a way around the road-blocks and are getting food, anyway.

So, it's very important that we continue to pray for them, because right now they're having a political crisis. And we'd hate to see anything happen to those poor little ones we've been taking care of for all these months.

The Lord bless you, Heartdwellers. And thank you for your beautiful responsive hearts.

Your Prayers for America

June 27, 2018

Lord Jesus, please give us Your courage and strength to run this race and to stay on our knees until we have the breakthrough. Amen.

Well, the last 5 days have been very difficult for us, Heartdwellers. And I know some of you are expressing the same things. Each one of us has had painfully difficult burdens to carry. And were it not for the Lord's words of encouragement, we would have wondered if we were being severely chastised for some unrecognized sin.

But He has made it clear: this is what it will take to bring this evil kingdom to a temporary halt. By that I mean, the ruling elite will rise up when Father God allows the Tribulation to begin. But until then, He's holding it back.

So, I sought the Lord on the word for tonight.

And Jesus began, "My precious children, all this suffering is adding up to a stunning victory over those who thought they would continue to rein by subterfuge. I know your miseries are many in this hour. I see how you are cleaving to the Hope I've given you. I hear the meditations of your heart that you would gladly suffer to avert a civil nuclear war. I still cannot guarantee you that no harm will come to this nation. But I can assure you, it will be the end of the season of the reign of terror these dark ones were counting on to destroy America.

"The hour of America's demise has been pushed back, yet there are still many in this country totally ignorant of what's really been going on. It is written that the Antichrist will gain office by deceit. This he has already done. But because of your prayers, he has been dethroned and will continue to be held in abeyance until the time is ripe. Your prayers have crippled his plans and given you a window of opportunity to gather in souls.

"Oh, how I have longed for this time! How I have longed to see the Muslim people brought into My Kingdom.

"The plan to disperse the people around the world, enabling Islam to take over the world, has backfired. Because many have left Islam--and that is but the beginning. Deep inside they know that the God that created them could not possibly be so brutal and cruel, and it has brought them to a crisis in faith. My Father calls them to Me, and I will continue to give them dreams, visions and miracles to bring My children Home to Me. What great comfort I have in their return. This is why the Antichrist has been detained.

"Work while you have the light, My People. Do not become vain and self-indulgent with increase, rather wrap your resources around the poor and those hungering for justice. Bring them to Me; they are ready.

So very ready."

Jesus, do You want me to share the Scripture You gave me?

"Yes. Share it. I will inspire Hope and Endurance."

I felt led to pick up my Bible and go for a Rhema. I opened to the fall of Nineveh. And I'll read you the part that really struck me.

The Lord is a jealous and avenging God; the Lord takes vengeance and is filled with wrath. The Lord takes vengeance on his foes and vents his wrath against his enemies. The Lord is slow to anger but great in power; the Lord will not leave the guilty unpunished.

His way is in the whirlwind and the storm, and clouds are the dust of his feet. He rebukes the sea and dries it up; he makes all the rivers run dry. Bashan and Carmel wither and the blossoms of Lebanon fade. The mountains quake before him and the hills melt away.

The earth trembles at his presence, the world and all who live in it. Who can withstand his indignation? Who can endure his fierce anger? His wrath is poured out like fire; the rocks are shattered before him.

The Lord is good, a refuge in times of trouble. He cares for those who trust in him, but with an overwhelming flood he will make an end of Nineveh; he will pursue his foes into the realm of darkness.

Clare: no kidding...

Whatever they plot against the Lord he will bring to an end;

Clare: Right!

Trouble will not come a second time. They will be entangled among thorns and drunk from their wine; they will be consumed like dry stubble. From you, Nineveh, has one come forth who plots evil against the Lord and devises wicked plans.

Clare: I think we could all guess who that would be...

This is what the Lord says: "Although they have allies and are numerous,

Clare: Allies all around the world. They've got their tentacles into every government.

They will be destroyed and pass away. Although I have afflicted you, Judah, I will afflict you no more. Now I will break their yoke from your neck and tear your shackles away."

Clare: Yes--the yoke of the New World Order has been so heavy! All of the trade agreements and the way this country has been robbed. The lying that's been going on. All the trafficking. The human trafficking--SO cruel! So terribly cruel. And the practice of Satanic ritual murder... ALL of this, all of this. The Lord is going to break this yoke from our necks.

The Lord has given a command concerning you, Nineveh: "You will have no descendants to bear your name. I will destroy the images and idols that are in the temple of your gods. I will prepare your grave, for you are vile."

Look, there on the mountains, the feet of one who brings good news, who proclaims peace! Celebrate your festivals, Judah, and fulfill your vows. No more will the wicked invade you; they will be completely destroyed. Nahum 1:2-15

And I just see a lot of parallels there with the darkness and the things that I stopped to mention. "He will pursue his foes into the realm of darkness. Although they have allies and are numerous, they will be destroyed and pass away. I will break their yoke from your neck and tear your shackles away."

Oh, boy... Well, you know we pray for these people, for their salvation and change of heart. Just like we prayed for the dictator of N. Korea. And we will continue to pray. But we want to bring a stop to the evil practices, and these prayers are what's doing it. All of our prayers around the world. People who are really seriously praying for an end to this are having the effect.

So, I asked the Lord, did You have anything else You wanted to say?

He continued, "Persevere in prayer, My people, you are moving mountains aside. You are crippling deadly attacks, you are changing the tide with your supplications. Your intercessions are holding the Staff of Righteousness over raised hands of your President. Over the Amalekites. And we will have the victory.

"Yet there is much darkness in the land. Those who have led worldly, busy lives have fed themselves on superficial lies of the media. Just as in the days of Hitler--a popular man backed by Satan and his generals, has won the confidence of the people--though they can see his abysmal failures. A shroud of blindness has been pulled over their eyes and they are responding to feelings being fed by Satanic forces.

"This is how certain movie stars climb the ladder to fame. They sell themselves to Satan and out of anonymity they are raised up into stardom.

"This works in politics, as well, and this is the cult that has enabled Obama and Hillary to rise and control the blinded masses.

"The day is coming where eyes will be opened, but not without a struggle. You, My People, must defend the Truth and stand for what is right. At the very least, it will sink in when you are Raptured and they will remember that you warned them.

"This will not make you popular. But then... I was not popular either."
